RESIDENT SURVEY HIGHLIGHTS

As a part of the Choice Neighborhoods planning process, Lift Orlando, the Orlando Housing Authority, and the Institute for Social and Behavioral Science surveyed residents at Lorna Doone Apartments and Lake Mann Homes (LDA/LMH) to assess their needs, perceptions, and priorities relative to the planning and redevelopment process. Results of the survey are highlighted below and represent combined totals for all residents unless specified otherwise. Altogether, a total of 209 households completed the 90-question survey achieving an 80% response rate at each site.
