No

"No" is rigid.

"No" is unyielding.

"No" isn't being a team player.

"No" is for other people.

Yield is what they require,

Bend until you break.

Stay in your lane.

Remember your place.

Give in, give in, give in

Browbeaten until you do

Your record will reflect dissent.

I'm not going to call this consent.

Strong-arm on the screen.

Not saying yes yet again

I'm not the fucking giving tree.

Plans and schedules are set.

Not changing it for them.

If that makes me a rigid bitch,

Then a rigid bitch I *will* be,

But I am *not* the fucking giving tree.

-M.Haught
