"A hundred years from now, it will not matter what my bank account was, the sort of house I lived in, or the kind of car that I drove, but the world may be better because I was important in the life of a student."

Veraunda I. Jackson, Esquire

Attorney, Actor, Dynamic Motivational Speaker and Author, Veraunda has inspired audiences since the age of twelve. Witnessing firsthand that people are overwhelmed, frustrated and struggling for personal fulfillment, she realized it was time to take her message to a wider audience by writing her debut motivational book, "**Everything Has A price!**" She is now taking her contagious blend of courage and determination to the people as one of the nation's top motivational speakers.

A graduate of Florida State University College of Law, Veraunda spent 5 years as a prosecutor.
