My Black is .... Me
“Celebrating our Presence, Embracing our Differences and Remembering our Past”
February 1, 2012
During the month of February, we recognize, celebrate and salute the accomplishments of Black Americans. Various offices, student organizations, and departments at UCF will host and facilitate programs, presentations, speakers and events to showcase and educate our community on these accomplishments. One of the goals of our illustrious university is to promote diversity and inclusiveness throughout campus and it is our hope that these events will open the door to valuing all of the accomplishments of members of our community.

We thank you for joining us as we kick off the month dedicated to celebrating Black Americans.

Let’s celebrate “Black History 365 Not Just a Month but a MOVEMENT”
