Library Survey: Your input counts

We hope you have enjoyed receiving this monthly library e-newsletter. Input from our friends and donors greatly benefits the UCF Libraries. You will soon receive a brief survey in the mail. Thank you in advance for taking a few minutes to complete the survey and returning it the Library Development Office. Your feedback and suggestions are of great interest to us. Sample questions will include:

- What interests you most about the UCF Libraries?
- What improvements would you suggest for the UCF Libraries?
- Did you know the UCF Libraries may undergo an extensive expansion / renovation project within the next few years?
- If you were provided a parking pass, would you like to come for a behind the scenes tour of the main library?

If you prefer to receive an electronic copy of this survey via email, please either reply to this email or contact Dwain Teague directly at (407) 823-5982 dteague@mail.ucf.edu. Thank you.
