The Joseph C. Andrews Mentoring Breakfast

Joseph C. Andrews (1939-2002) was a faithful UCF employee for 14 years. At his passing he held the position of Head of UCF Library Collection Management Department, in the Information Technologies and Resources Division.

Joseph was a faithful member of this organization and held the office of Co-President 2001-2002. Joseph was dedicated to making UCF a welcoming and successful environment for all students in general and multicultural students in particular. His actions embodied the spirit of this mentoring breakfast. Every year, from its inception to his passing, Joseph purchased numerous breakfast tickets for students, out of his own pocket.

“Tee” Collins

Professor Elmore “Tee” Collins taught for nine years in the UCF Animation Program until his passing in 2000. He was the first African American to establish his own animation studio in New York. He is probably best known for having done much of the animation for the early Sesame Street Programs during the 1960's. It is with great pleasure that the Black Faculty and Staff Association recognizes “Tee” Collins for his contributions and outstanding service to UCF and the Central Florida community by awarding the annual “Tee” Collins scholarship to an outstanding student.
