The Joseph C. Andrews Mentoring Breakfast

Joseph C. Andrews (1939-2002) was a faithful UCF employee for 14 years. At his passing he held the position of Head of UCF Library Collection Management Department, in the Information Technologies and Resources Division.

Joseph was a faithful member of this organization and held the office of Co-President 2001-2002. "Tee" Collins

Professor Elmore "Tee" Collins taught for nine years in the UCF Animation Program until his passing in 2000. He was the first African American to establish his own animation studio in New York. He is probably best known for having done much of the animation for the early Sesame Street Programs during the 1960's. It is with great pleasure that the Black Faculty and Staff Association recognizes "Tee" Collins for his contributions and outstanding service to UCF and the Central Florida community by awarding the annual "Tee" Collins scholarship to an outstanding student.

LEGACY

A Leadership and Mentoring Program

BFSA in collaboration with the Office of Diversity Initiatives has launched a leadership development and mentoring program - LEGACY. The LEGACY Program is an effort to increase retention and success, develop leadership, and assist students in reaching their personal, academic, and career goals by uniting underrepresented students of color, who are sophomores, juniors and seniors, with a mentor at the University of Central Florida and/or the surrounding community.

If you would like to receive more information about the LEGACY Leadership & Mentor program, please contact Denice Rozier at denice.rozier@mail.ucf.edu or 407-823-4649.
