Dr. “Tee” Collins  
Professor Elmore “Tee” Collins taught for nine years in the UCF Animation Program until his passing in 2000. He was the first African American to establish his own animation studio in New York. He is probably best known for having done much of the animation for the early Sesame Street Programs during the 1960's. It is with great pleasure that the Black Faculty and Staff Association recognizes “Tee” Collins for his contributions and outstanding service to UCF and the Central Florida community by awarding the annual “Tee” Collins Scholarship to an outstanding student.
