Brown Bag Research Presentation

The second BFSA Brown Bag Research Presentation will be held on October 31. Dr. Barbara Turnage, Assistant Professor in the School of Social Work, will present her research on Wednesday, October 31 from 11:30 AM to 1:00 PM in the Student Union, Sand Key room 220. Her presentation title is "Obtainable Images of African American Womanhood Supports Adolescent American Females' Global Self-Esteem." This event is co-sponsored by BFSA and the African American Studies Program.

BFSA Membership

Membership in the Black Faculty and Staff Association is voluntary and renewable on an annual basis. Membership dues are \$10 a semester or \$20 a year.

BFSA has activities planned almost every month until the end of spring term. These activities include, for example, the monthly "brown bag" research sessions, a panel presentation during Diversity Week, our regular general membership meetings with invited speakers, a meeting with students to identify how we can assist with retention needs/efforts, updating the BFSA web site, the annual mentoring breakfast, a reception at the President's home to celebrate the accomplishments of Black faculty and staff, etc. However, in order to conduct these activities, BFSA needs resources. BFSA has resources only when dues are paid. Dues are only \$10 per semester or \$20 for the year.

If you have already paid dues, thanks so much for your support. If you have not yet had a chance to do so, please do. BFSA needs your support. Please make your check payable to UCF BFSA and send it with the application form (see the second page in the BFSA directory for the form) to Dr. Adenike Davidson (English Department, CNH 304A).
