Abstract

Learn how your abstract can improve the discovery of your article in Google and Google Scholar.

How to get your abstract in a text format:
- Open Notepad
- Copy and paste the abstract from your pdf
- Clean up the text, removing any odd-looking characters, smart quotes, or odd spacing.
- Your abstract is now ready to be copied and pasted into the Abstract field in STARS

Please add your abstract as text.
Do not copy and paste from your pdf. You are welcome to use html markup.
