A Weekly Feature of the
GREETER

LET'S SNEAK away from the work and the worry of this high-pressure existence—Let's go fishin'. What's the odds if a bank has gone bye-bye with your life's savings, when it will open, or if it opens at all? Money is simply a medium of exchange—a unit of value to make swapping more convenient. The "wapum" of the Indians would be just as servicable, albeit a trifle more bulky, but when we give Florida back to the Indians it will again take the place of gold and silver anyway, so what's the odds?

The Government has taken our gold, the Japs have taken Manchuria, the Governor and his gang have taken the Fish & Game Dep't! O'd man Depression has sure herded all men of high and low degrees into the ranks of the snatch-and-grab-gentry. . . . About all the average fellow has left him is FISHING. We've all gone cockeyed crazy trying to find something really worth while to do and your guess is as good as another regarding what the future holds in store.

When a Mussolini can trade a consignment of black shirts for an empire, a Hitler congregate a bunch of nit-wits and capture imperial Germany, a forks-of-the-creek politician like the Kinkfish ride into the U. S. Senate on a bunch of hoocy that swayed more than a million voters of a sovereign state—anything is liable to happen. Pipe the intellectual yaps that sit like mowing apes on the U. S. Supreme Court bench and endeavor to decide wheather or not Al Capone should be freed from the Atlanta prison because someone failed to dot an "i" or cross a "t" in the commitment! Note the decisions of our own Supreme Court: 5-1, 4-2, 3-3 from 1 to 3 dissenting votes in every decision. . . . Why not give them a dice box and save at least a portion of their more or less valuable time and intellectual effort. What's the answer? How in the heck do I know—Let's go FISHIN'!!!!

All visitors are welcome to Sunshine Park where Bowling, Shuffleboard, Roque, Cards, Horseshoe Pitching and other games are played daily.

All visitors are requested to register at the Chamber of Commerce so that their friends may locate them.

The "Greeter" wants to take this opportunity to thank the **First National Bank & Trust Company** for the cooperation given during the past season in making possible the publishing of the Boys' Band programs each week. The First National has always been Orlando's home town bank and we faithfully trust that under Conservator W. R. O'Neal the institution will soon be in a position to resume full operation.

JAY CEES CONVENE IN TAMPA

Junior Chamber of Commerce leaders from throughout the State will gather in Tampa on Thursday, Friday and Saturday for their ninth annual convention. An elaborate program of entertainment has been arranged for the visiting delegates but the one thing that assures the 100% success of the convention is the fact that the headquarters will be at the Tampa Terrace Hotel and under the direction of Manager George Mason this means success for any convention. Special rates have been arranged at the Tampa Terrace and the local organization is counting on large crowds for the festivities.

Travel agencies and everyone seems to be stressing "see America first" which reminds us that there are still hundreds of good Orlandoans who have not yet enjoyed one of the greatest treats afforded by the City Beautiful. We have reference to enjoying a dinner at the **Perrydell**. So resolve now to see Orlando first before you plan an excursion elsewhere and we guarantee you could not find, regardless of the extent of your travels, a more attractive place to visit or better food to eat than is afforded at this popular tea house and gift shop. Don't deny yourself this treat another day. Drop out to **22 E. Gore** tonight. You will find the surroundings beautiful, the table excellent and the prices reasonable.

It is a matter of general comment in speaking of the smartly dressed women in Orlando to add that she buys her clothes at **Frances Slater's**. And an enjoyable fact is that you can have these smart clothes at prices no higher than ordinary garments sold by less up-to-date shops. If you haven't been in Slater's for some time, drop by **20 N. Orange Ave.** today. Seeing is believing. You will be as agreeably surprised as I at the new low prices asked for such stunning merchandise.

Are you feeling low and blue? Are you feeling tired and sad? If so, here is an antidote. Drop into **Daniel's Haberdashery** at **119 S. Orange Avenue** and have J. W. Daniels prescribe a new shirt and tie. We guarantee it to work wonders. Last week he simply made "yours truly" buy a dark blue shirt and a white silk tie. Although at first I quite rebelled, once worn it was admired by all my friends which, of course, is quite a stimulant to anyone.

Now here is a good summer habit! Carry home a quart of **Suwanee Ice Cream** each day. Ice cream is always a treat both for the kids and grown-ups and a special treat when it is Suwanee cream. Drop by the new stand at **207 S. Orange Ave.** You will find Mr. and Mrs. J. S. Chapman always on hand with a smile to dispense your favorite brand of cream.

And if you are really looking for a thrill, carry your piece goods to **Mrs. John Todd**, **17½ S. Orange Ave.**, and leave the rest to her. Mrs. Todd will create a gown or a dress of the latest mode suited to your particular disposition.

What a grand and glorious feeling it is to always have plenty of clean towels, and the stores and offices that subscribe to the excellent service of the **Orlando Linen & Towel Supply Co.** always have clean linens. Call **5861** and order this service to begin tomorrow. You will find it both convenient and economical.

SPORTS & RECREATION NEWS

The Civic Club games on Monday night are becoming more interesting and better games are being played by all the teams in this division.

The Exchange Club and the Jaycees played an extra inning game last week the score being tied 3 to 3 at the end of the regular time.

The American Legion and University Club also had a close game with the Legion winning 8 to 7.

The Legion and the Exchange Club meet in the feature game of the league at 7:30 Monday and the winner of this game will go into the leadership of the League.

The Orlando Athletic Association has started the policy this season of not charging admission to the Civic Club games and everyone is invited to attend. This same policy holds good for the Class B games on Wednesday and Thursday. The only nights that they charge is on Tuesdays and Fridays.

It can't be long now! With the complete legalizing of that much heralded three decimal two and all licenses paid in full the Flamingo on the Cheney Highway will be ready to hang out a big **WELCOME** sign the minute Governor Sholtz uses his pen.

The Flamingo, Orlando's famous Spanish restaurant and popular dancing place is arranging to serve your favorite brew in an attractive outdoor garden and their orchestra have mastered all the leading stein songs. Drive out tonight—your friends will all be there.

Have you visited Orlando's attractive new paint store which opened at 33 Pine Street last week? **Walker & Sons** extend you a cordial invitation to see their new shop decorated in the modern manner and for the next few days will reward your visit with a generous trial tin of paint in any color you might choose. Drop by today. You will find both Mr. Chas and V. H. Walker ready and anxious to advise with you regarding your requirements.

A special warning has been issued by Andre of the danger of neglect of your hair and scalp during the spring and summer, when we all are going in for a dip in the lake or the ocean and really going about with much abandon. Make a habit of going to **Andre's Beauty Salon** at least once a week for a shampoo and finger wave to insure your hair and assure your appearance.

Yate's East Side Barber Shop ranks well with the Coffee Club and other famous gatherings as the place for exchange of ideas on every subject from politics to prohibition. Leaders in these gab feasts are Dr. Hal

Beardall, Young Democrats Tyn Cobb and Forrest Kilgore, Philatelists Horace Jacobs and Joe Bailey, Fashion Counsel Kenneth French, Municipal Judge Lyman Beckes, Boxing Commissioner Jack Sparling and Council Provoker Ed. Brown.

The building couldn't get along without building superintendent Henry Mayer who certainly has his hands full keeping the kids and other playful ones in their place. Mr. Mayer claims that there are people who will steal your right eye if you are not careful, and incredulous as it might sound, someone was apprehended last week walking off with a large three gallon fire extinguisher.

Confidence is a wonderful thing. It is the foundation of all business and Al Huppel's at 447 W. Central has justly enjoyed the confidence of the motoring public in all automotive electric service, speedometer repairs, and battery work for many years and now he is better arranged to give you service in his new and modern location.

And how is your disposition today? O. K. Then we recommend you drink **Orange City Water** to keep your even tenor and if the world is not quite right, call **G. W. Briggs** at 5612 and have them deliver a trial bottle of Orange City Water and 2 to 1 you will be in better spirits within a week. While many of us do not realize it the water we drink vitally affects our health and in direct proportion with our good health is our good nature. Now there is something to think about!

Court Street between Pine and Church is becoming quite the headquarters for auto service. Now **J. S. Culbret** has opened the **Court Street Storage Garage** at 117 and is dispensing gas and oil taking care of general auto repairing, as well as storage by the day, week or month. You can enter the Court Street Storage Garage also on Main Street.

Organ vespers which have been played twice a week in the Knowles Memorial Chapel by Herman F. Siewert, organist continue to attract the public. For the week Tuesday and Friday evenings, Mr. Siewert has chosen unusual programs, full details of which may be seen in the morning papers.

Rollins has announced a plan where even the poor in purse can have a chance to become named and perpetual college benefactors. This plan is called the Book-A-Year Club, and membership costs fifty dollars. This money will be deposited in a special trust fund, the interest of which will go to the purchasing of a new book each year, with the name of the donor in the front of each one. Here is a modest living memorial that is open to everyone.

Mother's Day, which falls on Sunday, May 14th will be celebrated in the Knowles Memorial Chapel Sunday Morning, at 9:45 A. M. The speaker for the Morning Meditation at this time will be Mrs. Clinton Scollard, well known poet, and wife of the late Clinton Scollard. The subject of the address will be "A Mother's Influence."
