## BELIEVE IT OR NOT

Truth is stranger than fiction and all that sort of thing, but one of the funniest items brought to our attention during the past week is the fact that on May 24, clearings of the Florida Bank against the First National and the clearings of the First National against the Florida institution were both the same amount, \$5871.41. This is something uncanny in the annals of banking, and provoked much comment among the officials of the institution. Here is really an item for Ripley.

Health is genuine wealth. Millions are spent yearly for drugs and nostrums for about 400 different diseases. A very learned physician has said that all save perhaps one or two of these, respond remarkably to a sensible diet. Health Foods need not be unpalatable, as has been proven right here in Orlando by Hiatt's Health Food Shop at 35 East Church Street, who manufacture and sell a line of foods based upon the Famous Battle Creek formulas.

HARRY E. FITZGERALD

Celebrated Sports Writer

A Weekly Feature of the  
GREETER

"Poor Fish!" Whoever coined that expression evidently overlooked a few neighbors—went out of his way to squander sympathy on the finny tribe, while neglecting his nearby fellow mortals.

Many of the fish I have encountered were giants of intellect compared to the rank and file of the anvil chorus with whom I now and then rub elbows on the streets. What's wrong with folks? Everybody seems to be in reverse, fault-finding, panning or looking for the bug under the chip. Tom, Dick and Harry vie with Minnie, Maude and Mable in striving to make trouble for someone—knock the guy that's out in front, kick the guy that's down.

If less than half the effort expended in whispering ill-founded rumors was used in constructive boosting there would not be a closed bank in Orlando today. Where will you find in any city of similar size a finer library or a more painstaking and competent librarian than Orlando possesses? I've never discovered either and I have patronized nearly every library in the state. Yet 1800 disgruntled citizens signed a petition for the librarian's removal. . . . Silly? NO. . . . IT'S TRAGIC! I'll wager a petition circulated to remove warts from pickles would score even a greater number of names. It's the spirit of the times. Whatever it is, if IT'S CONSTRUCTIVE—we're agin' it!

If we would whistle more and whine less; work more and worry less; hustle more and holler less; boost more and beef less—business and times would get better darn fast. So—

**KWITURDAM BELLYAKING  
ANGETTOWORK!**

Of course the fish are not striking this hot weather. The high-hats among the bass are off to their favorite watering place for the summer and the middle class are looking after their babies and driving the gar and rough fish away from the spawning beds. A bass-fishing trip up or down the St. John's river nowadays will prove merely a boatride.

## JOHNSON'S CAMP ON LAKE APOPKA

holds the week's record for catches both as to size and numbers, incidentally it's a nifty place to spend the week-end and the de luxe fishing resort on Apopka.

Are you all set for the big opening of the Mandarin Club scheduled for Saturday, June 3rd? The two Macs have been busy preparing to take care of you and especially point out that their Club will be the coolest spot in town.

## on and off the avenue

The needs of the men folk, both young and old, have been anticipated by J. W. Daniels. An especially popular line and one that is attracting wide attention throughout the city is the wide assortment of white pants, selling at the 1933 standard, for \$1.00 to \$2.98. Here is an item that every man should take advantage of. These pants are washable and really have the appearance of much finer merchandise. Drop by **Daniel's Haberdashery** at 119 S. Orange Ave., and see them for yourself.

### Free Love Is Often the Most Expensive

Your shoe troubles are over. Shoeman Theo. Seely, invites you to visit him at his new department now established at **119 So. Orange Avenue**. Here at Daniel's Haberdashery, Young Men's Clothing Headquarters, you can now select your shoes with the expert counsel of Mr. Seely. Shoes here are in keeping with the high quality, low price policy that has identified Daniel's as the place to trade. Shoes from \$5.00 down is the vogue. Quality shoes guaranteed to be big in value, a leader in style and satisfaction await your selection.

### Hard Boiled Yeggs Always Hatch Out Trouble

If I was prone to betting, I would wager that ninety per cent of our readers have need for paint in some form or other, either for their home or place of business. Charles and V. H. Walker who operate the new paint headquarters at **33 E. Pine St.**, claim ninety-nine per cent would be more correct. There is no need to delay the painting you need. Drop by **Walker and Sons** today and get an estimate on your requirements. You will be surprised how much painting can be done for so low a price.

### A Double Chin Often Keeps a Girl Single

The three-in-one stop at **17 N. Orange Ave.** recommended last week is still a good feature for you to follow. For **Charlie's Place** is no doubt already where you get your favorite smokes and magazines. The addition of brew on tap to be dispensed from the attractive miniature bar will complete the great triumph mentioned.

Have you been by the new **William's Restaurant** at **59 N. Orange Ave.**? If not, drop by today and have lunch with William Pihos, and like hundreds of his old friends, bid him a hearty welcome back to the Avenue. The same good foods and prompt service that has been synonymous with the name Williams Restaurant will be carried out in his new place. Williams will never close and will be open twenty-four hours each day and night to serve you—a cup of coffee, a sandwich or a full course meal.

## MANY HAPPY RETURNS

Under the caption, Many Happy Returns, the Greeter will each week extend best wishes to all who celebrate their birthdays during the current week.

This feature is prompted by the fact that Tuesday, May 30, is the birthday of ye editor and publisher.

The success of "Many Happy Returns" is up to you if you will phone 4040 or drop a line to the Greeter each week and tell us just the date of the big event we will run it. The age is not necessary, we realizing full well that this would handicap the idea, but we do want to know the week when you were born. Therefore, if you will celebrate during the week of May, June 4 to 10 let us know by Wednesday, June 1, so that all might wish you Many Happy Returns.

Too Strenuous—"So you joined the army so as to 'see the world,' as the posters say. What made you leave?"

"They didn't tell me that I would have to do it on foot."

Dogs of War: "Shall we have a friendly game of cards?"

"No, let's play bridge."

## in case you didn't know

If this hot weather is getting you down, drop by **Andre's Beauty Parlor** today for a shampoo, finger wave or facial. Here is a guarantee to put you in trim again. This popular beauty parlor is a boon to many women who find the long summer months trying.

Alas, the Spectator is no more.

Leslie Sanders, journalist, is now a member of that great family, General Newspapers Incorporated, and is busily engaged in extolling the virtues of the Court House for the amusement of the readers of the Sentinel and Reporter-Star.

The table of peace that was slated to have been

spread for Sentinel Andersen, Shopping Guide Nye and Spectator Sanders will have to be only a two-sided arrangement now with Sanders out of the handbill, journalistic or what have you classification.

Vernon McKelvey who holds down the big corner stand seems quite optimistic over what the summer might bring.

Colonel Walter Hall and George Cosby of the Typesetting Company leave next week for summer camp at Ft. Screven, Ga.

The building is all agog over Charlie Mayer's driving a sporty Auburn.

## DUBSDREAD NEWS

"It's a riot of color" is the remark of all who have seen the new interior decorations being made at the Dubsdread Country Club. Others have said its "Color gone mad". Now we suggest you drive out today to see for yourself these walls that are provoking such comment. Artist Sam Stoltz, who is responsible for them will not tell just what the finished product will be and therefore one guess is as good as another. The one sure fact remains that the Club House is being transformed to the tempo set for it by its new owner operator, Carl Morris Dann, to take the lead with the outstanding clubs of the state.

## on and off the avenue

The Flamingo is always one step ahead when it comes to entertainment for Orlando. Sensing the need of an open air beer garden in keeping with the 3.2 tempo, the management has added such a place which adjoins their properties to the East. This new department is open from noon and will be the rendezvous of many seeking a retreat for the long summer afternoons.

As already stated, it is a good thing I don't go in for betting, as I would wager you again, that if you would but call 5172 and have G. W. Briggs deliver you a trial bottle of his famous **Orange City Water**, you would never be without this health-giving water again. Why don't you try it for a day on your own? You will be the winner.

Such prosperity must be deserved is certainly a fact referring to the accomplishments of **Mrs. John Todd** who operates at 17½ S Orange Ave. Starting in business on her own only last fall, Mrs. Todd now has a staff of four assistants and just recently has bought out a competitor who was doing business at an adjoining stand. Carry your clothing problems to Mrs. Todd. You will find her services more than reasonable to the excellency of her work. We are quite proud of the fact that Mrs. Todd has been a constant advertiser in the Greeter since going into business, and we wish her many more months and years of success.

"The proof of the pudding is in the eating," is a fact we have all known, but now we present a living example. Our friend, who after just two weeks steady board at the **Melrose**, declares he has never felt better in his life and has actually gained five pounds. The regularity of eating combined with good wholesome meals is almost a necessity of good health. Drop by 229 S. Main St. today for lunch or dinner and perhaps you will make it a steady diet.

The **Fern Park Dance and Garden Club** gives to Orlando and Central Florida metropolitan entertainment. Here at this exclusive club just nine miles from Orlando on the Sanford Highway will be found this most exclusive club, open from early to late, and offering splendid music and good entertainment. Here is a club you will surely want to join.

## WE WANT MORE SHOWS

Sparks interests in the person of Mr. Talley of Lakeland was the successful bidder for the equipment and the like at the Beacham Theater sale last Friday.

The public is on ear with only one theater in the city, and we kindly trust the lawyers, sheriffs and others will soon have the situation lined up to enable the theaters to open. Orlando demands and commands adequate theaters. The Rialto has been worked overtime at each performance and is doing its part to fill the bill, but one theater is not enough.

## SWAP AT THE SWAP SHOP

If you have not availed yourself of the **Swapping Post** you should do so at once. Drop by 133 N. Main and they will be glad to show you just how everything works. Hundreds have found money unnecessary to really enjoy things they need. Surely you have many things in a spare room, attic or garage stuck away that you will never use or need again, and likewise someone has something you need. Therefore, the **Swapping Post** is a clearing house where buyer and seller are able to get together, and the trade is made. If you haven't anything to trade except services or labor, someone certainly needs them, so drop by the **Post** today and state your wishes.

Let the other fellow talk occasionally; you can't learn much by listening to yourself all the time.
