Leadership Development and Mentoring Program

BFSA is extending its parameters to forge a stronger connection to university goals. UCF stands for opportunity and is committed to creating opportunities for success for all students. With the goal of fostering a more inclusive and responsive environment at UCF for ethnic minority students, BFSA in collaboration with the Office of Diversity Initiatives is launching a leadership development and mentoring program. The mission of the mentoring program is to enhance the successful development of personal, educational, professional, and career goals for ethnic minority students.

The Joseph C. Andrews Mentoring Breakfast will be the annual culminating event for this and other campus mentoring programs for students of color.
