NEWS YOU CAN USE FROM YOUR UCF LIBRARIES

JUNE/JULY

Hey, You got **chocolate** in my **peanut butter**!

Don't you love when two great things come together to make one super great thing? Like, chocolate and peanut butter or pizza and a deep fryer. Well add more one to that list: sexy voices and library research. Check out the library's streaming videos made by some of the silkiest voiced librarians this side of the Mississippi. These videos walk you through the basics of library research and are accessible from any computer with an Internet connection. The edutainment may be found under Services & Instruction on the Libraries' web page.
