## december past

crept through silent eventide  
of cloudless moonlit sky of  
solitude escaped shadows  
masking the boundaries of  
your soul.  
disintegrating from within without  
beyond recognition to sightless motion  
to soundless knowledge and your soul  
disappearing like the moment of  
twilight's pale orange to deep blue sky.  
deteriorations's progressive chain link  
of persistence against the resistance  
to exist.
