CELEBRATE THE 4TH IN JAX

The hotels George Washington, Mayflower
and Flagler, Jacksonville, Florida, owned and
operated by Robert Kloeppel, have made elab-
orate plans for special entertainment for the
Fourth of July Week Celebration, beginning
July 1st. Special week-end Fourth of July cele-
bration rates and charges for rooms and meals
will be in effect.

"A most unusual program has been worked
out for this special celebration," according to
Gordon Babcock and when Gordon arranges
a program it's arranged.

CHILDREN'S MATINEE

EACH SATURDAY

If there is any one in town who actually loves
children more than Harry Vincent, the name
escapes us right now.

To prove it Harry is running nickle mati-
nees at the Beacham Theatre every Saturday
from 11 A. M. to 6 P. M. On top of that he
has a surprise for the Kiddies every week. Last
Saturday it was free Ice Cream. This week
before was a free show and over 2,000 attended.
Next Saturday something else is in store for
them.

Harry evidently believes in "Child Appeal."
We do know that children like shows and if
they form the habit while young they will be
good adult customers as time goes on.

What do you do when friends drop in on you unexpectedly and you are caught without a cool drink to offer them? **Charlie's place** next to the Postal Telegraph office on N. Orange is an answer to your problem. They will deliver your favorite bottled brew to your door iced cold and ready to serve. The famous **3-in-1 Stop** is offering this service to you free of charge.

Now that mid-summer is here many women are reluctant to buy any new summer clothes, but feel that their wardrobe is not what it should be and needs livening up. **Mrs. John Todd**, at **17½ S. Orange** can do wonders to what you already have. Or, if you prefer to have a new dress made, she can do it just as you want it and give it that style that no bought dress could hope to achieve.

Perhaps you are tired of the places where you generally eat and long for something a little different. Why not try the **Perrydell Tea House**? It is not quite like anything else in Orlando, and has the air of a private home rather than a restaurant. If you once try this cool and comfortable place, you will be sure to hasten back. It is also an excellent place to give a dinner party—your guests will be sure to appreciate your choice.

Everybody drinks a lot of water in this kind of weather, and more of them everyday are starting to drink that famously pure **Orange City Water**. They not only start to use but they keep it up. There is a steady demand that keeps **G. W. Briggs**, local distributor, busy. Just phone him at **5612** and you will find out why it is so popular.

"Rent, Why Buy?" is the very attractive slogan of the **Orlando Linen and Towel Supply Company** at **69 W. Concord**, and if you will but call **5861**, the representative of this local organization will thoroughly convince you of the accuracy of their slogan.

If you will do your laundress a good deed this week, buy a bar, or more, of **Blue Heron Soap** being manufactured by the **Boyce-Saine Company** in Orlando. It is a high quality laundry soap, and is exceptionally adaptable to hard water. The blueing is in the soap, thereby saving time, labor and temper for the one who must do the work.

If you are looking for real entertainment, a good orchestra, fine dance floor and excellent food, drive out to the **Flamingo** tonight. Cast dull cares away. You are sure to find many of your friends who are likewise enjoying the evening. There is no cover charge and the la carte menu is quite reasonable.

Don't be bashful! Call 4040 or drop a line to the Greeter today and let us know if you have a birthday next week in order that we all might celebrate with you.

We wish to thank **L. Otis Mote** for the many interesting and informative items furnished the Greeter during the past two years. The publication of even a small civic weekly such as this involves a multiplicity of detail, and only through close cooperation of the official Greeter contributors, as well as the public at large, are we able to present each week a symposium of what is truly "what's what" "day by day."

The whole town welcomes home **Johnnie Wigfall** who advises us that he enjoyed his vacation and has settled down to rehabilitating the laundry and cleaning business, not only in Orlando, but throughout the state as well. The **Orlando Steam Laundry**, noted for over a quarter of a century for the excellency of their work, has never once sacrificed quality though unfair competition has forced them to meet prices which even the most judicious Scotchman will readily admit are ridiculous. In line with the President's recovery policy the unjustness in this particular industry, as in all others, we trust will be minimized.

If you are in a quandary as to where to spend a pleasant evening, drive to the **Fern Park Dance and Garden Club** just nine miles north on the Sanford Highway and fill the bill. Despite the fact that the orchestra and regular entertainment features have been discontinued until September, the club provides a pleasant place to spend a few hours. Sandwiches and your favorite 3.2 are available at all hours.

Will you feel like celebrating and having a swell time on the fourth of July? Or will the warm weather make you feel listless and out of sorts? If you really want to feel, as well as look, peppy, let **Andre's Beauty Salon** at 220 S. Main give you a facial, shampoo, and wave, and bring back your interest, as well as others, in yourself.

Warm weather evidently makes the hair grow faster, or at least there is some reason why **L. E. Yates, East Side Barber Shop**, is enjoying such good business now.

Charles Mayer is not saying much these days regarding the tax situation, city expenditures, and the like, but it is a sure shot that he is doing plenty of thinking.

Wasted: A motorist driving through Ireland was struck by the number of notices in Irish which he saw in every village.

"Tell me," he asked an old Irishman, "why do they have all these notices in this language?"

"Beggorra," came the reply, "I'm sure I don't know myself. You see none of the people who can read understand Irish, and the ones who understand can't read."

The GREETER Leads in Class Circulation and Reader Interest

DUBSDREAD COURSE ATTRACTS MANY

How is your game of golf? It really doesn't matter whether you are the worst dub in town or shoot par consistently. We guarantee that Roy Horan at the Dubsdread Country Club will take strokes off of your score. They are doing wonders at Dubsdread these days, and by next season owner, manager, Carl Dann, Jr., will have the course really something for the dubs to dread.

There is one piece of advice that we freely give, and that is, we urge you to use only "genuine parts" in repairing or when replacements to your car are necessary. It is false economy to accept "just as good" substitutes. A. J. Routhier prides himself on the excellency of the parts sold by his Central Machine and Parts Company at 200 W. Robinson Avenue.

A couple of weeks ago we told you about the complete service now available at the Housley Auto Body Company, and through an error in typography, it was said to have been operated by Mr. Housley instead of Mrs. Housley. Believe me, there have been a score or more advise us of our error.

HORSES, HORSES, HORSES!

If you haven't taken to the great sport of horseback riding, you are missing some real fun. The stables at the Orlando Country Club under the direction of W. W. Brown are open to the public, and a score or more of excellent mounts are available. If you are a beginner, proper instructions will be given, and the rates are surprisingly low.

A Weekly Feature of the
GREETER

GENTLEMEN OF THE OUTDOORS

Those who go in quest of game are variously referred to as hunters, shooters, nimrods or sportsmen. These terms are often used synonymously, yet there is a distinction to be drawn. Some are merely shooters looking for something to shoot, either to prove their marksmanship or to satisfy an innate desire to kill. There are others intent only upon securing something to alleviate the pangs of hunger or to satisfy the craving for a morsel different from the usual fare. There are others to whom the shooting and prospects for food are incidental, their pleasure being derived from the excitement of the chase or pursuit of something wild—the matching of wits or skill against the instinctive fleetness or elusiveness of the pursued—and from an association with the ever interesting charm of nature. This latter class are the true sportsman—the Gentlemen of the Outdoors. The Gentleman of the Outdoors is distinguished, not by outward appearance or by his gun or other equipment, but by his conduct. He respects the rights of others, he respects the game laws and is respected by everyone.

How is your old pooch? It's tough for the canine this hot weather and tougher if his health is not of the best. For your own peace of mind as well as a matter of common sense precaution carry him to **Dr. Jerry Ruble** or **Dr. Hitchcock** at the Dog Hospital on lake Ivanhoe and have him inoculated. The new city dog inspector and council instructed him to comb the town for unlicensed dogs. The license can be secured free at the City Hall by presenting a certificate of inoculation.
