Editorial Policy: The Journal of Health Occupations Education was developed to facilitate communication **among** members **of** the profession **on** current **methods** of research and findings in the field, on current program trends and issues in **health** care, and on new books which have an impact on health occupations education. Contributed manuscripts are considered for publication in the categories of research, non-research informative articles, and book reviews. Policy regarding submission of manuscripts will be non-restrictive, yet subject to internal review as **well** as review by a panel of peers. No payment is made to authors. The Journal does not assess page costs; **but** if the manuscript is accepted, the author may be asked to pay the preparation cost of complex tables, charts, and figures. The views expressed in **the** Journal of Health Occupations Education are those of **the** authors **and** do not necessarily represent an official position of the Health Occupations Education Division.

Subscriptions: Individuals or institutions may **subscribe** to the Journal at a **cost** of \$15 for HOE-AVA members and \$25 for nonmembers. Other countries, add \$10 per year postage. Single copies and back issues, when available, may be purchased for \$15 each. Checks should be made payable to the Journal of Health Occupations Education. Subscriptions and change of address notice should be sent to the Managing Editor six weeks in advance of effective date. Please include old and new addresses with zip codes. Undelivered issues are not the responsibility of the publisher.

Duplication: Educators are authorized to reproduce a single article from this publication without making a written request provided that (a) duplication is for an educational purpose in a non-profit institution, (b) copies are made available without charge beyond the cost of reproduction, and (c) each copy **includes** full citation of the source. Permission to reproduce more than one article will be granted under the same conditions to those who make a reasonable request in writing. This authorization does not apply to materials, if any, copyrighted by others. Any such materials are so identified.

**Manuscript** Specifications: Authors should submit one camera ready original and three copies of the research or non-research informative paper of approximately 10 pages or 2000 words including an abstract of 150 words or less. All papers **should** be prestige elite typed and double spaced on bond paper, with margins of one inch on all sides. Tables should be numbered, titled, cited, and inserted in the text. References should begin at the end of the text on the same page. A separate cover page should include the title of **the** article and name, position, institution, address and telephone number of the author(s) to **allow** manuscripts to be reviewed confidentially. Book reviews should be of interest to the readers. Include the **title**, author(s), date **of** publication, city, state, publisher and number of pages. The review should include a description of the purpose, an objective summary, and judgments of implications, value, and applicability of the content on one page. The Publication **Manual** of the American Psychological Association (APA), Third Edition, should be used for style of writing. Prospective authors are invited to contact the Editor to receive copies of manuscript and book review guidelines or to inquire about the suitability of submissions they are considering.
