Del.icio.us @ UCF Libraries

The UCF Librarians are always on the lookout for new ways to reach students and promote our online collections. *Del.icio.us* is a web service where individuals can create, store, and share links. It is similar to Internet Explorer Favorites or Firefox Bookmarks, but online and shareable.

The Libraries have an account with bookmarks for our database collection: <http://del.icio.us/ucflibrary>.

"They Didn't Live to See"

The libraries' current exhibit features a haunting selection of poems and imagery from Luba Krugman-Gurdus' diary, presented by the Holocaust Memorial Resource and Education Center of Central Florida.
