Happy New Year & Welcome Back

Library Presentation Practice Room Now Available!!!

Need to practice a speech?
Got a presentation coming up?

Students may check out the key to the room at the third floor Media Desk for a **4 hour period**. The key is checked out on a first-come, first-served basis to maximize use of the room.

Students can display a PowerPoint presentation, web pages, and video on the monitor. A microphone and camera are available to record the presentation. The recording can be saved to a flash drive, and a DVD can be burned for later viewing on a computer.

Printed instructions are available in the room, and the Media Desk staff are available to help students get started. So come on in, get comfortable, and see (and record) what others see when you make a presentation!
