this that and the other—

If you're not a subscriber to ALLIE DICKSON'S "Scandal Sheet", you are missing a liberal education. The ORLANDO CREDIT ASSOCIATION does Walter Winchell one better and gives you all of the dope all of the time. There are no favorites played—Remember, a few years ago when one of our leading socialites started to separate but desired to keep the world at large from finding out she had her lawyer place the legals in BO KALBACKS APOPKA CHIEF but was her face red when the whole town was appraised of the facts via the Daily Bulletin.—It is a relief to see a picture like "LITTLE WOMEN" but the public would not go for a steady diet of same because when we go to shows we go to escape the realities of life and seek a few laughs—DEWITT MILLER of the WYOMING preparing to entertain the Hotel Executives of Central Florida to discuss the code which they are now operating under. Certain modifications of same are desired and according to BILL HAMER, I. N. BURMAN, EDDIE ASHER, and other local Greeters are necessary—I still advocate a compulsory driver's license and liability insurance. Driving in from West Orange Sunday, an old man approaching 90 years swerved to the wrong side of the road to sideswipe a worker's truck returning from the groves. One man will lose his leg and two others badly injured internally but as is usually the case, the old fellow had not a dime to try and make restitution for his mistakes—Imagine our surprise when we found the ORANGE COUNTY CHIEF changed to THE ORLANDO CITIZEN. FRANK HASTINGS always up to something—JUDGE VICTOR HUTCHINS much refreshed after a trip to Cuba and Latin America—From all reports they should have charged admission to Wednesday's Council Meeting—From press reports FRANK L. FERGUSON played four shows that day—GEORGE NASH was the leading juvenile and WAYNE GRAY receiving a goodly share of the applause—Watch the GREETER next week. BOB HILL, ORLANDO SENIOR HIGH SCHOOL enthusiast will give Greeter readers the low-down of the popular on EAST ROB-INSON—Frankly, its very hard to concentrate after two very large turkey dinners Thanksgiving Day—We all have a lot to be thankful for, if we would but look around a bit we would soon see whether we would appreciate or not our many blessings. Frankly, I am thankful to you and our other hundreds of readers each week who take time to give us a little praise for our meagre efforts. Thank you.

on and off the avenue

If you are in a quandary as to where to go this evening to trip the light fantastic and possibly enjoy a sandwich and a glass of three decimal two, you will welcome our suggestion (and thank us afterwards) to drive out the Sanford Highway to the Fern Park Dance and Garden Club. You'll find here every complement to make your evening of enjoyment more than successful.

The matter of janitor or service supplies seems quite simple with the preponderance of soaps, powders, brooms, brushes, and mops that are offered at every turn by every little store. But every housewife and shrewd service man knows that it is false economy to buy inferior merchandise. Therefore, we recommend you drop by the Florida Specialties Co., headquarters for janitor supplies or call at 428 S. Hughey or phone 9249 and a representative from this progressive supply house will call.

We know there are wise women in Orlando who are thankful that they visited Frances Slater before they purchased their new gown to start the holiday festivities. Besides being thrifty in purchasing quality, you have the all important satisfaction that your new frock—sport or evening—is truly a distinctive creation. Visit the exclusive shop in the San Juan block and see just how you, too, can be convinced, that Slater dresses are distinctive.

Those who chose the Flamingo for their Thanksgiving celebration had a wonderful time. Dining and dancing to Cherry Owens and his excellent orchestra provides your guarantee. Then, of course, there are the pleasant surroundings with her exquisite workmanship and you ward making any evening a success. Just a short pleasant drive out the Cheney Highway brings you to Central Florida's popular night club.

Isn't there just always something that you would like changed about your house? A door here or a window there that to you seems just necessary as a step to your "dream house". Perhaps that is half the joy of owning a home—its your individual plan. But, of course, one has to consider the financial element and here is where we advise you to consult Jack Stevens, for reliable repairing, altering, reroofing or what-have-you at very reasonable prices. Call 5870.

One of the best ways to get rid of that cold that just keeps hanging on is to visit the Sulphur Vapor Baths, 248 S. Orange Ave. The Dr. Kruse System is employed here and its invigorating effects will do wonders to your disposition. Stop in and get that cold out of your system today.

Urgent Fan Mail—Actor (modestly)—"As a matter of fact, I have received letters from ladies in almost every place in which I have appeared."

Rival—"Landladies, I presume."

winter park news rollins college notes

Dr. Evelyn Newman, professor of English literature at Rollins College, will give an address on "The Challenge of the Century of Progress" at the Morning Meditation in Knowles Memorial Chapel at Rollins next Sunday, December 3. The service will be held at 9:45.

Dr. Newman, who has distinguished herself as a critic and as author of several important studies of literature, joined the staff at Rollins in 1931.

Numbers from Theinberger, Debussy, Tschai-kowsky, and Friml will feature the Organ Cespers program of Tuesday, December 5, Herman F. Siewert, organist, has announced. The programs are held each Tuesday and Friday afternoon at 5:30 in Knowles Memorial Chapel, and are open to the public.

The Rollins Tars will close their colorful 1933 campaign Friday, December 8, when they meet a team from Cumberland University, of Lebanon, Tenn., at Tinker Field. This game will be a swan song for "Hymie" Miller, Dick Washington, Charlie Sealover, and Ralph Tourtellotte, seniors who are playing their last game for the Tars.

ORLANDO NEEDS COMFORT STATION

This Useful Improvement Badly Needed

Now that Orlando is forced to spend some of our grandchildren's grandchildren tax money we should build one of the most badly needed facilities to be thought of—a public comfort station.

The Greeter suggests that our city fathers and all charged with the spending of the public works money give this important item full and immediate attention.

The station should be downtown. There will be proper facilities at Sunshine Park, but what about the poor people downtown, because when you have got to go you have got to go.

Please Mention The Greeter to Our Advertisers

ROCK SPRINGS—True to its name. Located in Kelly Park, a natural beauty spot of 800 acres, the gift of Dr. Howard A. Kelly, of Baltimore, to the Orange County Park System. Six miles north of Apopka.

Lecturer (speaking on the value of education): Yes, what can take the place of a university education? Nothing. Look at the man who only finishes grammar school. Where is he now? He is a motorman on a street car. But where is the man who has gone through college and has his diploma?

Voice in Audience: He's the conductor!

Poor old Alphabet—Married daughter—"I do wish you'd learn not to drop your aspirates, father. You never hear Claude doing it."

Self-made Man—"Piey 'e isn't as careful with 'is vowels—'e's got I. O. U.'s laying about all over the place."

DUBSDREAD COUNTRY CLUB—With its sporty 18-hole golf course, is conceded to be one of the finest course within the State.

Andre, himself, gives personal attention to all work done in his salon of beauty. That is why you are assured of expert care and attention because Andre is an expert in caring for the hair, scalp, hands and skin.

We notice the great Barber Shop war is on again and Yates' East Side Barber Shop is displaying a large 25c haircut sign, an attraction there once. Wonder what Hugh Johnson will say about this.

Big butter and egg man, John Pierson, still finds time to take care of the Veteran of Foreign War activities as well as dispense cottage cheese, etc., at the Food Palace.

We miss the crowds around W. K. Price's office that used to gather for their license tags. Tax Collector Clyde McKenney is now doing this work.

Charles Mayer celebrates another milestone in his career this month. We have not been able to ascertain the correct date as yet.

"W-Well, not exactly," answered the motorist. "Just tryin' to prevent ore."

"Yes, and how were you going to do that?"

"Well, the boss said that's what he'd do if I were late again, and I was hurrying to get to the office on time."
