THE FAN DANCER

AN ORIGINAL ART STUDY BY LEO W. FALLS

This photographic study of "The Fan Dancer" was posed for by Miss Vivian Love whose interpretation of the beautiful Fan Dance is given each evening at the smart Whispering Hills Club near Titusville.

This dance—the sensation of the year—is receiving the highest praise of leading instructors of the dance as an exquisite and highly artistic presentation.

on and off the avenue

Spring styles are already beginning to arrive at the **Frances Slater Shop, 20 N. Orange Ave.** and Mrs. Slater is quite enthusiastic over the new and exclusive creations that are arriving almost daily. Just as Florida sets the pace for the nation's styles, Frances Slater sets the style for Florida.

The excellent music you hear, over the radio from the **Flamingo** is being furnished by Russell Scholes, whose orchestra now supplies the rhythm for the dancers at this popular night club just one half mile east on the Cheney Highway. The Flamingo is Central Florida's finest Spanish restaurant and complete American dishes are also served. Prices are most reasonable.

The plant of **Pete The Tailor, at 117 S. Bryant St.**, is being worked over time which is the reason for the broad smile on Pete Manookian, who always has a cheery "How do you do?" for all callers at his office, 36 W. Central Ave.

Just as you respond to the effects of a new dress or a suit of clothes, as the case might be, your child, boy or girl, takes exceptional pride if their clothes are smart. The one guarantee to get outstanding children's wear is to buy them from the **Peter and Jane Shop at 27 W. Washington St.**

It matters not what is ailing your car, phone 6253 or drive to 59 N. Garland St. and **F. S. Dildine**, automobile expert, will gladly diagnose the trouble and will have the "lizzie" feeling her old self again.

If you have not visited the **Perrydell Tea House and Gift Shop**, we suggest you drive out today. A special showing of beautiful hand-made silver is one of the most outstanding features in the city. To those who love, want or just admire the beautiful, many a thrill awaits. Reservations are also being received at the Perrydell for Christmas and New Year's dinner. Do not delay in making yours.

Clarence Datson is one of the hardest working fellows in town. Calling at their plant on West South St., one day last week, we saw Clarence driving in with a truck-load of New York automobile tires and he casually remarked "it takes many a pint of milk to pay for one of these". But still fellows like Dixie Kuhr and W. L. Jones, must live.

this that and the other—

Christmas spirit is rampant again. It is one of the most contagious things we know of and justly. I have had fellows give me an almost rousing "how d'ye do" in the last week and they have for the greater part of the year traveled up and down the avenue with never a thought for anyone or anything—**KELLY TRESHER**, St. John's River Line organization seems to be quite busy getting out tariffs and handling freight—**ROY WHITING** of the Home Supply Stores called me for an engagement for lunch the other day and then forgot to show up. How about it, Roy?—And there was I without a dime in my pocket and had to borrow a dollar from **GEORGE NASH**! A friend in need is a friend indeed!—**RALPH SAVAGE** of the Electric Construction Company so busy he can't even stop to say "hello"—We are able to keep a close check on **T. K. JOHNSON** as he always parks his car by the **GREETER** office on Main St.—That familiar couple, **LYMAN BECKES** and his Mother, were seen coming out of the show—**GEORGE STUART**, office efficiency expert, took one look at our typewriters and had fits which produced a job for **BILL BROKAW'S** repair department—**POP MURRIAN** having quite a time learning how to drive these days as **HILDA WATSON** is in the Florida Sanitarium—Letter from **HORACE LOOMIS**, Secretary of the **ALL-FLORIDA COMMITTEE** which has recently been organized for cooperative state promotion advises that our own **MARTIN ANDERSEN**, is Chairman of the Executive Board. We note **CARL BYOIR'S** name at the bottom of the list but imagine he has much to do with the set-up. Whatever it is, we are ready to do our part—**DEWITT MILLER'S** Wyoming Hotel and **I. N. BURMAN** and **EDDIE ASHER'S** San Juan are doing the advertising honors for the Orlando inn keepers, their copy being the only national advertising this year—**CARL D'ANN, JR.**, Dubsread Club is represented in the American Golfer as is **WALTER D'ANN'S** Mt. Plymouth Hotel and Golf Club which incidentally opened on December 15—**MR. EASTERLING** who was at one time associated with the Orlando Letter Shop is now with the Bailey Motor Equipment Company on North Orange.

A gift that most every woman would like and one that is very seldom thought of is a permanent wave. Why not take this tip and treat mother, sister, sweetheart or wife with a lovely natural-looking wave from Andre's super salon of beauty. And what's more this gift will be enjoyed "permanently" for months to come!

Newspapers, newspapers and more newspapers are arriving at Advertising Headquarters daily. This means that Orlando national advertising copy is running full force and checking copies are just pouring in.

Lyman Beckes and Walter Hall were among those striving to see Santa Claus at the celebration Wednesday.

Artist Jose Arentz very busy and we notice his painting of the Akron "In Memoriam" on display at Branch O'Neal's.

Yate's East Side Barber Shop is the most "Christmasy" looking shop in the Building. The decorations are very attractive and when the lights are lit at night, the effect is somewhat striking.

HOTEL GEORGE WASHINGTON, JACKSONVILLE CELEBRATES SEVENTH ANNIVERSARY

Robert Kloeppel, owner-director of the George Washington, Mayflower and Flagler hotels, observed with a celebration the seventh anniversary of the George Washington last Friday and Saturday, December 15 and 16. The hotels held open house each afternoon for public inspection of all departments, such as guest rooms, dining rooms, coffee shop, refrigerating plant, store-room, boiler and engine room, as well as a trip to the roof. During the afternoon refreshment and birthday cake were served.

Governor Sholtz and his staff, as well as other State and city officials, officers of various civic clubs and organizations, and prominent citizens from throughout the south were on hand to join in the gala events culminating with an elaborate dinner dance at the George Washington Saturday evening.

A poker game was in progress recently, and an Englishman said: "I'll bet a pound."

"I'll bet a ton," said the American.
