We eventually hope to...

- Create ONE place to find ALL graduate T & Ds
- Create consistent records for ALL T & Ds, including Graduate and Undergraduate Honors
- Raise awareness of the collection and its research value
- Digitize ALL print-only T & Ds (long-term)

Searching for T & Ds...
...Can be a challenge.

3 different cataloging conventions:
- Fully cataloged with specific Library of Congress call number and subject headings
- Partially cataloged with general call number and subject headings
- Fully cataloged with specific subject headings but general call numbers

The Problems
- 10,000 Graduate Theses and Dissertations (T & Ds)
- 2 different formats (print and electronic)
- Multiple physical and virtual locations to find them
- No consistent metadata
- Difficult to search
- Print-only not easily usable

Honors in the Major Theses
- Program began in 1989
- Over 1,600 published
- ~1,000 in print
- Records in library catalog
- Metadata in Digital Collections

Honors in the Major (print)

Honors in the Major (electronic)
