What is UBorrow?

UBorrow is a new way of requesting books through Interlibrary Loan. With **UBorrow**, you can request books that are held at other State University Libraries (like UF and FSU) by clicking on the **UBorrow** button.

How do you request books through UBorrow?

When searching the UCF Library Catalog, use the link in the upper right-hand side of the screen that says: "*Show x items that you can request statewide*," followed by the **UBorrow** logo.

You will be taken to the State University Libraries Catalog, with the results of your search showing items that are owned by all of the State University Libraries. When you find an item you want to borrow (one that's not owned by the UCF Library, of course), click on the **UBorrow** logo. You will be prompted to login to your Interlibrary Loan account. Once you have logged in, the information for the book will automatically import into a request form! Just click "Submit" and wait for your book to arrive!

If you don't have an Interlibrary Loan account, or you just want more information on Interlibrary Loan and **UBorrow**, we will be glad to help! The Interlibrary Loan Department can be reached at illborrowing@ucf.edu or 407-823-2383. You can also stop by our office in Room 222 on the Mezzanine, Monday-Friday from 9am-4pm.
