Worried about that laptop?

The Library has purchased 10 laptop cable locks for 2 hour checkout at the Circulation Desk on the main floor of the Library. These cable locks are universal, should work with 98 % of laptops currently on the market, and are available to any Library patron with a valid UCF ID or Library borrower card.

These cable locks are provided as a courtesy to our patrons; however the UCF Libraries does not recommend leaving any personal property, including laptops, unattended in the Library.
