PEGASUS was the winged horse of the muses in Greek Mythology. He carried their hopes, their aspirations, and their poetry into the skies. PEGASUS is as futuristic as tomorrow's space exploration in our solar system and into the universe beyond. The seal also bridges the gap between the humanities and space technology.

Accent on the Individual
Accent on Excellence

Additional copies of this catalog may be purchased for $2.00 in the University Bookstore or by mail for $3.50 by writing to: Catalog, UCF Bookstore, Orlando, FL 32816-2444. A current catalog is issued to each student free of charge at registration for classes.
Policy Statement

The University of Central Florida, under applicable rules of the Administrative Procedures Act, may change any of the announcements, information, policies, rules, regulations, or procedures set forth in this catalog. The catalog is published once a year and cannot always reflect new and modified regulations. Statements in this catalog may not be regarded in the nature of binding obligations on the institution or the State of Florida. While every effort will be made to accommodate the curricular needs of students, limited resources may prevent the University from offering all required courses in each semester or in day and evening sections.

Students will be held accountable for the requirements, policies, and procedures described in this catalog. Additional information or clarification of any policy or procedure may be obtained from the specified office.

The University of Central Florida values diversity in the campus community. Accordingly, discrimination on the basis of race, sex, national origin, religion, age, handicap or disability, marital status, parental status, or veteran's status is prohibited.

Sexual harassment, a form of sex discrimination, is defined as unwelcome sexual advances, requests for sexual favors, or verbal or physical conduct of a sexual nature when:
1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or enrollment;
2) submission to or rejection of such conduct by an individual is used as the basis for employment or enrollment decisions affecting such individual, or
3) such conduct has the purpose or effect of substantially interfering with an individual’s work performance or enrollment, or creating an intimidating, hostile, or offensive working environment.

Sexual harassment is strictly prohibited and will be dealt with in accordance with University rule.

Employees, students, or applicants for employment or admission may obtain further information on this policy, including grievance procedures, from the Equity Coordinator. The Director of the Office of Equal Opportunity and Affirmative Action Programs is the campus Equity Coordinator responsible for concerns in all areas of discrimination. The office is located on the main campus, in Administration 330, Orlando, Florida 32816-0030. The phone number is (407) UCF-1EEO.

Drug-Free Workplace/Drug-Free Schools Policy Statement

The University of Central Florida, in accordance with legislation passed by the federal government as part of the war on drugs program, has adopted the policy statement **DRUG-FREE WORKPLACE/DRUG-FREE SCHOOLS**. Information regarding this policy may be obtained in the Office of Personnel Services (AD 230) or the Division of Student Affairs (AD 282).

UNIVERSITY OF CENTRAL FLORIDA

The University of Central Florida, a member institution of the State University System, was formerly Florida Technological University. The name was changed by action of the Florida Legislature on December 6, 1978.

STATEMENT OF PURPOSE

The University of Central Florida is a general-purpose state university which serves the needs of the immediate community and the larger region in which it is located. UCF serves its national and international constituents through its quest for new knowledge, the enrichment of the imagination, and the preservation of the knowledge and learning gleaned from previous generations and civilizations.

The University offers educational and research programs in such diverse fields as aerospace, banking, electronics, health, and tourism. UCF's programs in communication and the fine arts help to meet the cultural and entertainment needs of a growing metropolitan area.

UCF's general education program produces well-rounded men and women with a balance of communicative and mathematical skills; historical, social, and scientific knowledge; and ethical, aesthetic, and artistic sensitivity.

In brief, the University's purpose is to provide its students with an enhanced opportunity to lead productive and meaningful lives.

INSTITUTIONAL PHILOSOPHY

The University of Central Florida philosophy is based upon two tenets: Accent on the Individual and Accent on Excellence. The University believes in the individual worth of each person and especially encourages the responsible individual who strives for excellence in every activity.

Research is considered an important part of advanced study, and UCF provides students with opportunities for research projects and independent study. Many projects involve community service and opportunities for students to experience real situations while receiving individual guidance from faculty.

UCF adheres to the principle that the University is primarily a community of national and international scholars, in pursuit of knowledge and active in teaching, learning, and doing research. The presence of international students on the campus contributes substantially to the quality of the educational experience for everyone. International students bring to the classroom unique viewpoints and perceptions which would otherwise be lost to the U.S. students. Effective personal contact across cultures can reduce errors in understanding another's problems and can foster a climate of international peace and cooperation among people of the world today.

In order to serve the community better, the University of Central Florida makes higher education easily available to the citizens of East Central Florida by operating off-campus centers and offering off-campus credit courses to citizens of the area.

ACCREDITATION

The University of Central Florida is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools as a Level IV, general post-secondary institution. The following scientific, professional, and academic bodies also confer accreditation in the listed disciplines and groups of disciplines.

UCF is listed in *Transfer Credit Practices on Designated Educational Institutions* with the highest level of credit acceptability. This handbook is published by the American Association of Collegiate Registrars and Admission Officers, and lists the acceptability of transfer credits based upon the reporting institutions in the states, commonwealths, territories, and selected international institutions.
EAST CENTRAL FLORIDA AREA

UCF is located in East Central Florida, a region with a population of about two million. Known principally for its tourist attractions, the area is one of the fastest growing regions in the nation. East Central Florida is noted for its many lakes. Atlantic beaches are an easy hour drive from the main campus. The area offers Walt Disney World and other attractions that draw more vacationers here than anywhere else. The area also offers the Florida Symphony Orchestra, Broadway productions, pop and classical music headliners, art festivals, a Shakespeare festival of UCF origin, the National Basketball Association's Orlando Magic and restaurants of every type and price.

THE ORLANDO CAMPUS

The 1,227-acre campus is located in the Orlando suburbs, 13 miles northeast of downtown. Forty-nine permanent buildings—valued at more than $100 million—radiate outwards from an academic core, where UCF's colleges, classrooms and library are located. More than $90 million in new construction, including a 700-bed residence hall and $11 million student union, is planned over the next three years. UCF recreational facilities include lighted tennis and raquetball courts, an outdoor swimming pool, golf driving range, volleyball and basketball courts and ball fields.

UCF AREA CAMPUSES

In addition to the academic programs offered on the Orlando campus, the University of Central Florida offers a number of upper-division programs and graduate programs at Area Campuses in Cocoa, Daytona Beach and South Orlando. Times and dates for all courses are listed in the regularly published schedule of classes.
The University of Central Florida, Brevard Campus, is housed in the Clark Maxwell, Jr. Lifelong Learning Center on the Cocoa campus of Brevard Community College. The University offers junior, senior, and graduate-level courses and programs. Freshman and sophomore-level courses are provided by Brevard Community College. Students who have completed the Associate of Arts Degree are able to select from 17 baccalaureate programs offered by the University in Brevard. Newly admitted or currently enrolled UCF students may also register in selected upper division elective courses presented at UCF-Brevard. Graduate programs are offered in Education, Business, Public Administration, and Engineering.

The coordination between the University of Central Florida and Brevard Community College for the 2+2 baccalaureate degree has become a model for other institutions of higher education in the State of Florida.
College of Arts & Sciences (407) 632-4129
Computer Science (Minor)
Psychology (course work only)
Liberal Studies Program (B.A./B.S.)

College of Business (407) 632-0098
Accounting (coursework only)
General Business Administration

College of Education (407) 631-5339

Public Administration

GRADUATE PROGRAMS
Masters of Business Administration (MBA)
Masters of Education Administration & Supervision (MEd)
Masters of Education Elementary Education (MEd)
Master of Education Exceptional Education (MEd)
Masters in Public Administration (MPA)
Engineering (coursework only)
FEEDS/ITV Graduate Engineering (Courses on videotape)

For information concerning the campus contact the Admissions Office at the University of Central Florida-Brevard.
The Daytona Beach Campus of the University of Central Florida is located in a new twobuilding Higher Education Center it shares with Daytona Beach Community College. The faculty and staff at the new facility have a strong commitment to serve the residents of Volusia and Flagler counties. In Daytona Beach, UCF offers junior, senior, and graduate level courses and programs. Freshman and sophomore level courses are provided by Daytona Beach Community College. Together, the two institutions provide the "2 + 2" Baccalaureate Degree. Additional courses and programs will be added as needs are identified.

Education programs at the branch campuses are limited access programs. Acceptance to the University and/or the college of education does not constitute admission to UCF/Daytona's education program. A separate application must be made directly to the Daytona Campus program.

At present, undergraduate and graduate-level degree programs are offered in the following academic disciplines:

**College of Arts & Sciences (904) 254-4412**
- Liberal Studies Program
- Psychology
- Social Sciences

**College of Business Administration (904) 254-4412**
- General Business Administration
- Finance (partial)
- Management (partial)
- Marketing (partial)

**College of Education (904) 254-4428**
- Elementary Education
- Vocational Education
The South Orlando Campus of the University of Central Florida is located on Lake Ellenor Drive in Orlando Central Park (west of South Orange Blossom Trail between Oak Ridge and San Lake Roads), a location convenient to students who live or work in southwest Orange County and north Osceola County.

The South Campus offers upper division evening courses in business administration and the arts & sciences, undergraduate and graduate vocational education classes, and a graduate engineering program. It also provides a variety of non-credit programs specifically designed to meet the needs of business and industry in the area, and serves as a site for statewide meetings and workshops.

A television studio on site has the capacity to receive and transmit signals for live interactive television courses. There is a computer lab for student use, and the library is equipped with LUIS terminals. Admissions and financial aid information is available, as well as on-site registration for all UCF courses.
INSTRUCTIONAL TELEVISION

The University offers a variety of courses by way of television. They are available either live or on tape at various locations both on and off campus. Live courses may be viewed at the South Orlando, Brevard, and Daytona Beach campuses, as well as at selected sites around the Greater Orlando area. Live courses may also be viewed on a Cablevision Industries or Wireless Cable channel in the dorms and at several fraternity and sorority houses. Some courses are also broadcast to individual homes through local cable companies in Brevard and Orange Counties. Courses on tape are available in the learning centers or libraries at each of the University's four campuses.

Courses available on tape or live television are listed each semester in the schedule of classes. For additional information and updated courses offerings, contact the Office of Orlando Area Programs at 407/855-0881.

ENDOWED CHAIRS

Endowed chairs are established under terms of the 1980 Florida Eminent Scholars Act, which provides $420,000 in state funds to match $600,000 in contributions from private sources within a 6-year period. UCF presently has six fully funded endowed chairs and three others fully pledged:

**Phillips-Schenck Chair in American Private Enterprise** Created in 1980 as the focal point for a continual dialog on major economic issues, comparative economic systems, and economic decision-making in business. The Chair: Dr. David F. Scott, Jr.

**Charles N. Millican Chair in Computer Science** Created in 1983 and dedicated to probing the frontiers of computer science, with emphasis on the direction that the discipline will take over the next decade. The Chair: Dr. Narsingh Deo.

**William and Alice Jenkins Chair in Community Arts**—Created in 1986 to enable UCF to design and oversee programs covering art administration, art therapy and art education within the Central Florida community. The Chair: Dr. Kristin G. Congdon.

**Carl H. Galloway Chair in Business Administration**—Created in 1986 to honor Carl Galloway, a pioneer in telecommunications. This chair will establish a Ph.D. program in Business Administration.

**Cobb-L.J. Hooker Chair in Optical Sciences and Engineering**—Created in 1988 as the largest academic gift ever received by UCF. The gift supports the work of an internationally recognized scholar in laser and optical sciences. The Chair: Dr. George I.A. Stegeman.

**General Mills Chair in Restaurant Management**—Created in 1990 to develop a program of excellence in restaurant management, this chair, the first of its kind in the country, will also serve as a critical resource for the hospitality industry.

**Sun Bank Chair in Banking**—in progress

**Al Burnett/Contemporary Cars Chair in Accounting**—in progress

**Bert Fish Memorial Chair in Nursing Education**—in progress

**Martin Marietta/UCF Academy in Math and Science Education**—in progress

INTERNATIONAL STUDIES AND PROGRAMS

**Director:** Denise L. Young, PC 42, Room 114 (Social Work Building), Phone (407) 823-5375, FAX (407) 823-5211

**Director, Florida/Canada Linkage Institute:** Henry Kennedy

**Director, Florida/Eastern Europe Linkage Institute:** Richard Astro

The University of Central Florida Accountability Plan states that one of the university's five general goals is to achieve prominence by providing an international focus to its curricula and research programs and increasing the number and diversity of international students and cross cultural activities. UCF offers a variety of programs which support the goal to internationalize the university by offering students an opportunity to gain first-hand information on the arts, customs, economy, geography, human services, languages, political systems and of other countries. UCF also offers many types of study abroad programs that meet general education requirements, as well as the needs of majors in all colleges.
The Office of International Studies (OIS) is a university level office which coordinates and serves as a clearinghouse for all international programs in all colleges within the university. The mission of the OIS is to create an environment that facilitates the identification, development, promotion, coordination, and support of high quality international activities related to the academic mission of UCF. The ongoing development of the international dimension at UCF will be realized through the implementation of goals and objectives related to the curriculum, faculty development, policies and planning, academic support, students, the community, funding, and external agencies. The general goals stated in the UCF Five Year Plan for International Studies are:

* To infuse the curriculum with international content that will teach students to think about themselves and their profession within an interdependent world context and prepare them to compete in a global market.
* To increase the pool of faculty with international expertise in order to have an impact upon all facets of the academic experience at UCF.
* To create an environment that encourages the development and continuation of international programs through the appropriate policies.
* To identify and improve all components of academic support that are integral to internationalizing UCF.
* To offer students an educational experience that will prepare them to compete as global citizens in an interdependent and diverse world.
* To create strong linkages between the international dimensions of UCF and the Orlando community.
* To develop additional methods of funding international programs and activities at UCF.
* To monitor activities of and develop contacts with external agencies relevant to the international mission of the university.

**STUDY ABROAD PROGRAMS**

The primary purpose of study abroad programs is to improve the linguistic and cultural proficiency of the UCF students. Study abroad is not just for foreign language majors. UCF has programs designed to meet the general education and language requirements of all students, as well as programs designed for majors within every college. The benefits of participation in a study abroad program transcend the course content.

The UCF study abroad programs are designed and administered by UCF faculty. All programs require a person with good health, emotional stability, maturity, adaptability, curiosity, and a sense of adventure. Students have the choice of programs that last one year, one semester, or six weeks. Some programs require proficiency in a foreign language, others do not. Pre-requisites, length of stay, and academic requirements vary by program. UCF has programs in Canada, Eastern Europe, France, Germany, Italy, Poland, Sweden, Spain, and Russia. UCF faculty and students also participate in State University System programs in Cambridge and London, England and Florence, Italy. If UCF does not offer a program in the language or country of one's choice, the Office of International Studies will provide information from the inventory of study abroad programs offered through the State University System of Florida.

**LINKAGE INSTITUTES**

The ten Binational Linkage Institutes were established by the Florida Legislature to mobilize the resources of Florida's universities and community colleges and integrate them with the efforts of government and business. They were created to enhance the State's competitive position in strategic foreign countries. Institutes have been created for Brazil, Canada, the Caribbean, China, Costa Rica, Eastern Europe, France, Israel, Japan, and West Africa. These institutes are authorized to waive up to 25 FTE of the out of state portion of tuition for SUS and community college international students from the representative countries each academic year.
The University of Central Florida is home to two of these linkage institutes. For more information about the Florida-Canada Linkage Institute, contact Dr. Henry Kennedy. For more information about the Florida-Eastern Europe Linkage Institute contact Dr. Richard Astro. Contact the OIS for the names and numbers of the directors of the programs located at other SUS universities.

AREA STUDIES PROGRAMS

Area Studies programs are multidisciplinary programs that focus on specific regions or cultural groups. UCF has five area studies programs with an international focus. They are: Asian, Canadian, Judaic, Latin American and Russian Studies. Although the academic home of these programs is the College of Arts and Sciences, faculty from across the entire university may participate in these programs. These programs may be elected as minors by students majoring in any discipline within the university. For information about the programs and on how to contact the program directors, please contact the OIS. Contact the Office of International Studies for assistance or referral for all international inquires regarding academic programs.
The University Library, housed in a facility of 200,000 square feet, has a collection of over 897,500 volumes with approximately 5,000 subscriptions (journals, newspapers, and other serials) and over 7,500 media titles. The Library is a partial depository for US and Florida documents, and US Patents. The Library online catalog, called LUIS, may be accessed through terminals in the Library, at other Campus locations, or from personal computers at home. Through LUIS, Library users can determine whether the UCF Library owns a particular item, and the location and availability of the item. In addition, LUIS also provides online access to catalogs of all state university libraries in Florida, and to ERIC and IAC Academic and Business Indexes.

The University Library is open approximately 95 hours each week, including evenings and weekends. A shortened schedule is maintained during vacation periods, and hours are extended during the last few weeks of each semester. A staff of professional librarians and paraprofessionals is available to assist and advise those using the Library. Arrangements may also be made for class or small group instruction. Faculty, staff, and students can obtain materials not available in the Library's collections through the Interlibrary Loan service. The Library can provide customized computer-produced bibliographies from any of approximately 500 different commercially available databases.

Special services are provided for the disabled. By using a computer terminal, disabled students can determine the availability of the books they need, and telephone the Library to request that books be brought to them at a convenient location on campus. A Kurzwell reading machine is available in the Library for the visually impaired; students or faculty may arrange for instruction in its use. Through the cooperation of the University's Office of Student Disability Services and the Florida Bureau of Blind Services, the Library staff can aid disabled students in obtaining special equipment they may need to use Library resources.

Students enrolled in the University's extended campus centers in Daytona Beach and Brevard County receive a full range of services from the Daytona Beach Community College Library and the Brevard Community College Library. Students at the South Orlando Campus have access to a small reference collection and "electronic" library. Online access to the catalog of the main Library collection is available from all branch campus locations and materials are delivered through a regular courier service.

THE UCF ALUMNI ASSOCIATION

The University of Central Florida Alumni Association was developed to maintain awareness and support of the University by our alumni. Membership is open to all alumni and friends of the University. Membership in the alumni association provides many benefits, including:

* A one year subscription to The UCF AlumNews and Emphasis magazine.
* Invitations to special Alumni and University events, including UCForum luncheons, homecoming activities, athletic events, and tailgate parties.
* Access to an on-campus Macintosh Computer Lab
* Book check-out privileges at the UCF library
* Use of several on-campus recreational facilities
* A Budget Rent-A-Car corporate discount card
* University Bookstore discount (UCF logo items, giftware, apparel)
* Discounts on UCF football and basketball season tickets
Each member participates in the election of a Board of Directors for the Association, and every active member is eligible to hold office on the Board. The Board guides the direction of the Association and the development of programs and annual scholarships to undergraduate and graduate students. For information, contact the UCF Alumni Relations Office, Administration 340, Phone (407) UCF-ALUM (823-2586).

UNIVERSITY OF CENTRAL FLORIDA FOUNDATION, INC.
The UCF Foundation, Inc. is a non-profit, tax-exempt corporation directed by a 60 member community based Board of Directors that encourages, solicits, receives, and administers private gifts and bequests of property and funds for scientific, educational, and charitable purposes. All gifts to UCF are received and processed through the Foundation for support of the University.

OFFICE OF INSTRUCTIONAL RESOURCES (OIR)
Instructional Resources provides UCF faculty with graphic, photographic, radio and television production; a full range of audiovisual and classroom support services; and a wide range of instructional development assistance and consultation. Instructional Resources also administers the Center for Faculty Support, the Multimedia Center, Brevard Educational Cable Network, ITFS television, and WBCC-TV.

Instructional Resources, through the OIR Auxiliary, provides design, production, and presentation support to University-affiliated organizations, other educational institutions, educational non-profit organizations which have UCF faculty or staff as members, and local non-profit public service organizations.

UNIVERSITY BOOKSTORE
The University Bookstore is owned and operated by the University of Central Florida. The University Bookstore is conveniently located in the Student Services Building and is open to the public. In addition to textbooks and school supplies, this facility offers a complete line of UCF insignia clothing and gift items. A brochure of UCF items is available for mail order purchases. Please call (407) 823-2665 to request a brochure or inquire about store hours.

INTERCOLLEGIATE ATHLETICS
Programs in Intercollegiate Athletics are coordinated by athletic department coaches and staff under the general supervision of the Director of Athletics.

The University of Central Florida is a member of the National Collegiate Athletic Association (NCAA), Division 1. Intercollegiate athletic contests are governed by the rules of play published by NCAA and all established eligibility standards are observed. UCF’s current intercollegiate sports for men include baseball, basketball, cross country, golf, football, soccer, track, and tennis. Women’s sports include basketball, cross country golf, soccer, track, tennis, and volleyball. Crew and waterskiing are intercollegiate club sports for both men and women.

PROJECT FOR THE DEVELOPMENT OF THE HUMANITIES AND FINE ARTS
The Project for the Development of the Humanities and Fine Arts serves as a cultural bridge between the University and the community. Leading Renaissance and Elizabethan scholars, musicians, theatre professionals, and dancers offer community-wide lectures and demonstrations and conduct seminars for community college and high school humanities and arts faculty. The Project holds an annual festival in the spring. Volunteer positions are available within the festival. For further information, contact: Orlando Shakespeare Festival 30 S. Magnolia Ave., Suite 250, Orlando, Florida 32801, 407/423-6905

CENTRAL FLORIDA RESEARCH PARK
The Central Florida Research Park, abutting the main UCF campus, is a university related research park established as a result of legislation passed by the Florida Legislature in 1978. The Park is a cooperative effort between the University of Central Florida, the Orange County Research and Development Authority, and the Orange County Board of County Commissioners (who appoint the members of the Authority). The governing body of the Park is the Orange County Research and Development Authority.
The objectives of the Central Florida Research Park are in keeping with the legislative action which enabled its creation "to encourage and promote the establishment of research and development activity combining the resources of institutions of higher learning, private sector enterprise involved in pure or applied research, and state or federal governmental agency research."

The ultimate goal of university-related research parks is to establish an academic/industry community resulting in a unique approach to the creation of a more effective cooperative academic/industrial endeavor. The University and officials of the Central Florida Research Park believe that the potential for the establishment of close ties between the University and industry will create an attractive environment conducive to the location of research-oriented industry in the Park. This activity will enrich and support the academic, teaching, and research programs of the University. The University, in turn, as a community of scholars, reservoir of knowledge past and present, and creator of new knowledge and discovery, can provide the necessary expertise and human resources to enhance the research and development activities required and planned by Park residents.

Totally planned to provide a campus-like environment for business adjacent to UCF, the Central Florida Research Park consists of over 1,000 acres of land. Businesses which desire a "university relationship" can purchase or lease land in the Research Park on which to construct a facility or can lease space for office, office/lab, or light manufacturing activities.

Four University organizations including the Institute for Simulation and Training, and the Center for Research in Electro-Optics and Lasers (CREOL), are located in the Research Park. The U.S. Naval Training Systems Center (NTSC), and the Army Simulation, Training, and Instrumentation Command (STRICOM), the focal point of the nation's simulation and training industry, have their headquarters in the Research Park. Over 700 million dollars a year in federal contracts is granted by the Army and Navy each year.

Currently over 70 companies are located in the Research Park pursuing activities in simulation and training, lasers, optical filters, behavioral sciences, diagnostic test equipment, and oceanographic equipment. Almost 4,000 employees currently work in the Research Park including many students and faculty.

Research Park tenants are involved with the University of Central Florida through sponsored research, using faculty as consultants, and using graduate and undergraduate students for intern programs and part-time employment. Research Park tenants can also contract with the University for the use of the library computer resources and laboratory facilities. Cooperative projects range from technical research to developing business plans and employee training programs.
STUDENT AFFAIRS

INTRODUCTION

The term "student affairs" is used collectively to refer to the Student Affairs Division and its many functional departments responsible for the administration and management of programs, services, facilities, and activities designed to support the educational mission of the University. The Division of Student Affairs exists primarily to enhance the teaching and learning process through its many programs and services. The Division, headed by a Vice President for Student Affairs, administers programs involving orientation, personal counseling, testing, housing, health services, international student services, recreational services, career planning and placement, student organizations, veterans' affairs, and other special activities. Students are invited to consult the staff of Student Affairs concerning any aspect of campus life.

Personal development may be enhanced through informed, experienced, and dedicated participation in University and community activities. Frequently, activities are referred to as "extracurricular," but at the University of Central Florida student activities are regarded as a part of the total educational program — a supplement to the individual student's academic program. The University sponsors a variety of cultural and entertainment programs which contribute to the student's social, cultural, recreational, and academic development. Students can become better acquainted with fellow students and faculty members through participation in student activities. The University provides ample opportunity to become a member of occupational, professional, social, and honorary organizations.

OFFICE OF THE DEAN OF STUDENTS

The Office of the Dean of Students is the primary source for students seeking information on non-academic areas of the University. The office staff strives to introduce students to educational opportunities designed to provide personal, social, and academic growth outside the classroom. Additionally, the Deans supervise the judicial affairs process as well as counsel students confronted with a variety of difficulties, referring students for specialized professional services as necessary.

The Division of Student Affairs annually publishes the student handbook, The Golden Rule, which contains more detailed information on student life. Copies may be obtained in the Student Affairs Suite, Room 282, Administration Building. Students are urged to take advantage of the many services and educational programs available through the Dean of Students Office and the Division.

CONFIDENTIALITY OF STUDENT RECORDS

The procedures for the confidentiality of student records are based on state regulations and the federal Family Educational Rights and Privacy Act of 1974. Students who have questions concerning the confidentiality of records should contact the Office of the Dean of Students. Details of the University practices for confidentiality are presented in The Golden Rule.

CLASSROOM RESPONSIBILITY

Students are responsible for maintaining a classroom decorum appropriate to the educational environment. When the conduct of a student or group of students varies from acceptable standards and becomes disruptive to normal classroom procedures, the instructor has the authority to remove the offending party from the room.

STUDENT CONDUCT

Students are subject to federal and state laws and local ordinances as well as regulations prescribed by the University of Central Florida and the Florida Board of Regents. The breach or violation of any of these laws or regulations may result in judicial action. Detailed conduct regulations and procedures are presented in The Golden Rule.

A person applying for admission to UCF who has been charged with a criminal offense may have circumstances of the case reviewed by the appropriate Student Affairs administrator to consider eligibility for admission.
STUDENT GOVERNMENT

The purpose of the Student Government is to provide a system whereby students can effect progressive changes that bring about improvements in campus life. Student Government also endeavors to promote better communication and understanding among the UCF family and to provide certain services which impact student life. All enrolled students at UCF campuses, both graduate and undergraduate, are considered active members of Student Government who are allowed to voice their opinions through senate representatives. Funds available from the Activity and Service Fee paid by students are used to provide numerous activities and services to students to support their academic endeavors at UCF. SG is effective at lobbying for the rights of students at local, state, and national levels.

The democratic process of SG is grounded in the fundamental structure of the U.S. Government. The executive, legislative, and judicial branches have representatives from each college at UCF. The structure of SG provides an atmosphere that reflects the democratic processes of the real world thus providing students an opportunity to become educated and experienced in practical situations.

Some of the services made available to students and funded by student activity and service fees are: legal services, computer lab, discount entertainment tickets, free local telephones, vehicles for clubs and organizations, use, and providing funding for recreational services as well as campus programming.

Students interested in working with SG may obtain information from the SG offices located in the Student Center.

STUDENT LEGAL SERVICES

Student Legal Services provides students with advice and consultation including court representation in selected areas of law such as landlord/tenant, consumer, simple wills, and non-criminal traffic. Each eligible student (an undergraduate enrolled in six UCF hours or graduate enrolled in four UCF hours) is entitled to consult with the Program Attorney about any legal matter not excluded by program guidelines, free of charge. Students in need of legal services should contact Student Legal Services at (407) 823-2538, or Student Center Room 210. This service is by appointment only, and no legal advice is given over the phone.

ORIENTATION

Orientation sessions are available to all new students at the University of Central Florida. Important information is provided regarding advisement, registration, housing, the transition to college life, and the administration of placement tests. Faculty, administrators and a specially trained group of students assist the sessions and are available to answer any questions. Information is mailed to each student accepted by the University regarding date, time and location of the orientation sessions.

UNIVERSITY COUNSELING AND TESTING CENTER

The University Counseling and Testing Center (Recreational Services Building, Room 203) offers a professional staff of psychologists and counselors to assist students through educational, vocational, and career counseling; and personal, social, relationship, marriage, and family counseling.

The Center administers the following national testing programs: GRE, LSAT, GMAT, and MCAT. In addition, the Center administers the College Level Academic Skills Test (CLAST), and a variety of interest, aptitude, career, occupational, and personality assessments.

The Center presents special programs throughout the year, including training in relaxation and coping skills, self-hypnosis training, stress reduction training, and group psychotherapy. All Center services are free to UCF students.

CAREER RESOURCE CENTER - CAREER PLANNING AND PLACEMENT

The Career Planning and Placement Office, located in Suite 124 of the Administration Building, is a career resource center for all University of Central Florida students and alumni. The Center provides individualized counseling about current and projected trends in the job market. Services also include: resume advice and critiquing, CHOICES—(computerized career guidance), career planning mini-classes, resume referrals at employers’ request, on-campus interviews by employers, lists of full-time and part-time job vacancies, interviewing tips, and help in organizing a job search.
The Career Resource Center provides information about a broad cross section of employers. Students just beginning studies at UCF are advised to begin preparing for a career. To make the most effective use of the Placement Service, seniors are urged to register with the office two semesters prior to graduation. Further information may be obtained by visiting the Center or telephoning (407) 823-2361.

HOUSING

1. Regularly enrolled single students paying registration fees for a minimum of nine semester hours may apply for assignment to University residential units. Currently, there are seven residence halls on the campus of the University of Central Florida. The total combined designed capacity of the seven halls is 867 spaces. Because of the limited amount of space in University housing facilities, the University does not require any student to live on campus. There are no on-campus accommodations for married students.

Priority for assignment is given to incoming Freshmen who will occupy approximately 50 percent of the University's housing capacity, and current residents who will occupy most of the remaining space. The spaces set aside for incoming Freshmen are limited by the University's overall housing capacity. Therefore, those desiring to reside on campus should apply for admittance to the University as soon as possible.

Applications for housing can be accepted only from those applicants who have been admitted to the University. Priority for room assignments for new applicants is based on the date of receipt of the completed housing application in the Housing Office. Applicants should CAREFULLY READ the application before submitting it to the Housing Office along with the Letter of Acceptance to the University and the $150.00 prepayment.

2. Housing contracts, when issued for Fall Semester occupancy, serve as a two-semester (Fall AND Spring) obligation between the applicant and the Housing Office. Housing contracts issued for the Summer Semester are a one-semester (Summer Only)
obligation and do not extend to include an assignment to Fall housing accommodations.

3. Applicants have the option of choosing one of several Meal Plans available at the University. Specific information concerning University Meal Plans is available from Marriott Corporation, P. O. Box 26029, UCF, Orlando, FL 32816-0222.

Applications and other information concerning University housing may be obtained by contacting the Department of Housing and Residence Life, P. O. Box 163222, UCF, Orlando, FL 32816-0222.

Off-Campus Housing
Within two miles of the campus are numerous apartment and duplex communities, in addition to a privately-owned residence hall complex. Sidewalks, bike paths, and Tri-County bus service connect many of these facilities with the University. Students living off-campus are invited to participate in one of the University meal plans.

STUDENT HEALTH SERVICES (SHC)
Recognizing the importance of lifestyle in health and the prevention of disease, the Student Health Service combines quality care for illness and accidents with an aggressive health education and lifestyle enhancement program. A Student Wellness Advocate Team enhances the health promotion efforts of the Student Health Center.

The Student Health Center (SHC) is staffed by medical doctors, certified nurse practitioners, physician’s assistants, Registered Nurses, and a full complement of other medical support personnel. Full referral service to Orlando area specialists is established. Charges incurred outside the Student Health Center are the responsibility of the student. A variety of laboratory and x-ray tests are available at the Student Health Center. Testing for HIV (AIDS virus) is not done in our laboratory. Referral arrangements may be made for anonymous AIDS testing by contacting the Chief Nurse at the Student Health Center at (407) 823-2701, ext. 5275.

When the Student Health Center is not open, students can use the “Hot Line” phones at the front and back doors of the building to obtain help for urgent needs.

By Board of Regents regulation, each student must demonstrate Rubella and Rubella immunity prior to registration. The Student Health Center cannot provide immunization services to meet this requirement. It is a pre-registration requirement and prospective students are not eligible for services at the SHC. Medical records are held in the strictest confidence.

Each health fee paying student is entitled to the benefits outlined in the SHC brochure; faculty and staff can only be seen on an emergency basis, and then for a fee (except Worker Compensation cases). Optional health and accident insurance may also be purchased by contacting the office of Student Affairs or Student Government (please note optional health and accident insurance is not part of the Student Health Center program and will provide a variety of coverages for health needs beyond the scope of Student Health Services).

Blood drives are held several times annually by the Central Florida Blood Bank. Students, faculty, and staff are eligible for credits from the blood bank upon demonstrating need.

STUDENT CENTER
Student life at the University of Central Florida emanates from the Student Center. As the focal point for campus activities, the Student Center serves students, faculty, staff, patrons, alumni, and guests with its many programs, services, and facilities. The Student Center is funded through Activity and Service fees as allocated by Student Government.

Several student organizations flourish in the Student Center. The Campus Activities Board sponsors a wide variety of educational and entertaining programs for the UCF campus community. The Student Government Association provides for active leadership experiences through the Senate and committees working for student rights. The Orientation Team coordinates the orientation programs. Greek Council promotes membership in, and operation of, Fraternities and Sororities.

The Student Center provides other services for students as well. The Game Room offers billiards, ping pong and video games. Student Government Association operates a Macintosh computer lab. There are four food services facilities, an information desk, conference and meeting rooms, and the Student Center Auditorium. Reservations for
university facilities can be made at the Student Center Information Desk. The Student Center Director is located in SC 198. For more information regarding the Student Center, call 823-2611.

STUDENT ORGANIZATIONS

Student Organizations play a vital role in enhancing student life at the University of Central Florida. Academic, pre-professional, honorary, military, minority/international, religious, service, social, special interest, and sports are the ten categories of the over 150 organizations available. The Student Organizations Office publishes a Student Organization Handbook listing all of the organizations at UCF and their purposes.

For further information regarding clubs and organizations, call (407) 823-5107 or visit the Student Organizations Office, Student Center, Room 215.

RECREATIONAL SERVICES

The Office of Recreational Services offers a wide variety of sports and recreational opportunities to the students of UCF and their immediate families and some opportunities to UCF faculty, staff, and the surrounding community. These opportunities include intramural sports leagues and tournaments, organized recreation and fitness programs, unstructured open recreation, sports-related special events, screen printing and racquet stringing. Equipment may be checked out for use on and off campus.

The Office of Recreational Services is located next to the pool. The phone number is (407) 823-2408.

OFFICE OF STUDENT INFORMATION AND EVENING/WEEKEND STUDENT SERVICES

The Office of Student Information and Evening/Weekend Student Services is a one-stop communications network and information center committed to gathering and disseminating information to students. The office is also responsible for the administrative supervision of student affairs functions for all University students taking evening and weekend classes and for the administration and programming of the 24-hour Student Information Buzzline, (407) 823-5479. The office phone number is: (407) 823-3111.

Information Booth & Evening Student Services:
9:00 a.m. to 9:00 p.m. Monday through Thursday—
second floor Administration Building,
Education Building Lobby, and College of Business Information Booth
9:00 a.m. to 5:00 p.m. Friday (same locations as above)

Weekend Student Services
10:00 a.m. to 2:00 p.m. Saturday at SG Kiosk (407) 823-2060
2:00 p.m. to 5:00 p.m. Sunday at SG Kiosk (407) 823-2060

INTERNATIONAL STUDENT SERVICES

The International Student Office provides services for all international students and resident aliens. Its central role is to assist International students and scholars attending UCF to adjust to the changing lifestyle in order to achieve their educational goals and gain a meaningful living experience in the United States. A wide range of special services is provided to the UCF international community, such as issuance of immigration forms I-20 A/B and IAP-66, assistance in locating off-campus apartments, counseling on personal, financial, academic, and cross-cultural communication matters, advisement in immigration and tax matters, promotion of social activities, and home visits in Central Florida. Further information may be obtained from the International Office, Administration 123, or by calling (407) 823-2337.

STUDENT DISABILITY SERVICES

Student Disability Services provides information and orientation to campus facilities and services, assistance with classroom accommodations, assistance with course registration,
disabled parking decals, counseling, and referral to campus and community services for students with disabilities.

Services are available to students whose disabilities include, but are not limited to, hearing impairment, manual dexterity impairment, mobility impairment, specific learning disability (such as dyslexia), speech impairment, visual impairment, or other disabilities which require administrative or academic adjustments.

If a student needs special admission consideration based on a disability, the student should answer this question on the Application for Admission form and send the requested official documentation to the Admissions Office. Students who have a disability which may require special assistance also are requested to voluntarily contact the Office of Student Disability Services. All information is confidential and will be used only to assist the student.

Information and assistance are available for faculty members working with students who have disabilities.

A Telecommunication Device for the Deaf (TDD) is available for hearing-impaired or speech-impaired persons with TDD's to contact the University. Phone (407) 823-2116 TDD calls ONLY.

Further information may be obtained from the Student Disability Services Office, Administration Building, Suite 282, Phone (407) 823-2371.

CREATIVE SCHOOL FOR CHILDREN

The Creative School for Children provides an educational program, including kindergarten-first grade, for children two through five years old. The daily program is planned and conducted by Florida-certified teachers. The program provides a wide variety of experiences in art, music, language, motor skills, science, math, social studies, perceptual development, socialization, and self-discovery. Planned and spontaneous field trips and special family programs are a part of the yearly schedule. Experiences in observation and training in academic areas are also made available to University students. Opportunities for educational research are available to University faculty and graduate students.

A Flex Time program is provided for children three through twelve years old. This program provides educational activities for children who need part time schedules. This program is open evenings Monday - Thursday.

The school conducts a Summer Day Camp for elementary school children during Summer "B" semester.

For further information, call the Creative School for Children, (407) 823-2726.

OFFICE OF VETERANS’ AFFAIRS (OVA)

The Office of Veterans’ Affairs (OVA) is a center for all veterans, including students who are using VA educational benefits to further their education. The office, located in the room 132 of the Student Center, has a professional staff augmented by student veterans to assist in providing information concerning entitlements, filing claims to the Department of Veterans Affairs (DVA), and certifying enrollment at the University. The office also provides counseling for personal and academic concerns, tutorial assistance, and referral to various community agencies. Veterans and eligible dependents must be certified through the Office of Veterans’ Affairs to receive DVA educational benefits. The office monitors the academic progress of all those receiving DVA educational benefits.

All veterans and eligible dependents are urged to consult the Office of Veterans’ Affairs early in the process of applying for admission to UCF.

Veterans’ Benefits

Students who are entitled to DVA educational benefits must make initial contact with the Office of Veterans’ Affairs. To maintain eligibility for DVA education benefits, students must adhere to the policies and procedures contained in the UCF "Student Veteran Handbook" and DVA rules and regulations. A copy of the "Student Veteran Handbook" can be obtained at the Office of Veterans’ Affairs.

Students eligible for DVA education benefits, may also be eligible for a VA Deferral of Tuition and Fees. This deferment is authorized once each academic year, beginning with the Fall semester. The VA Deferral due date is published in the Class Schedule each semester. STUDENTS ELIGIBLE FOR FINANCIAL AID ADEQUATE TO COVER TUITION AND FEES ARE NOT ELIGIBLE FOR THIS DEFERMENT.
Undergraduates must carry at least 12 semester hours for full-time DVA benefits, 9-11 semester hours for three-quarter time benefits, and 6-8 semester hours for half-time benefits. Five semester hours or less will be reimbursed at cost of tuition and fees or quarter-time depending on DVA Chapter. Students who are classified by the University as post-baccalaureate must meet the same semester hour requirements as undergraduates and will be paid at the undergraduate rate, regardless of the course level.

Students intending to enroll simultaneously at UCF and another institution have the option of receiving DVA benefits, but first must consult with the Office of Veterans' Affairs and obtain a Transient Permission Form from UCF Student Records.

Veterans and eligible dependents who wish to change their major, or pursue a double major or dual degree, or add a minor may also receive VA benefits but must first make arrangement through the Office of Veterans' Affairs before taking any of the new courses. This includes a minor in Military Sciences. Note: some majors have room in the program for extra electives that can be filled with courses for a minor or for another major.

In order to receive veterans' educational benefits, students must maintain satisfactory academic progress, and conduct. Accordingly, benefits will be terminated for individuals who are disqualified, excluded, suspended or expelled from the University. If reinstated by the University following disqualification, exclusion, suspension or expulsion, the veteran or eligible dependent must contact the Office of Veterans' Affairs to have their DVA educational benefits re-started. Individuals placed on academic probation will continue to receive benefits as long as a 2.0 or higher GPA is earned each semester. For students who fail to maintain satisfactory academic progress, benefits will be terminated once the required semester hours of course work for the program of study are completed, regardless of the GPA or eligibility for graduation.

Veterans and eligible dependents may also draw VA benefits during the periods of eligibility while on cooperative education assignments. The recipient may choose to receive benefits at the "co-op rate" which is approximately 80 percent of the entitled monthly DVA benefit. Payment is received during both the on-campus semester and the off-campus work terms. Contact the Office of Veterans' Affairs at (407) 823-2707 for more specific benefit information on Cooperative Education.

ADMISSION

APPLICATION FOR ADMISSION

HOW TO APPLY: Applicants should complete the State University System application for admission, and include a 20-dollar non-refundable application fee. Applicants should also request official transcript(s) from each educational institution attended to be forwarded directly to the Admissions Office. Students are encouraged to apply several months in advance. Applications will be accepted up to one year prior to the start of the term desired.

The priority application deadlines are June 1 for the Fall semester, November 15 for the Spring semester, and March 15 for the Summer term. Applications should be mailed to the Admissions Office, University of Central Florida, PO Box 160111, Orlando, FL 32816-0111.

The University encourages applications from qualified persons of both sexes from all cultural, racial, religious, and ethnic groups. The University does not discriminate on the basis of disability in admission or access to its programs and activities.

A summary of the general requirements for admission or readmission to the University is as follows:

- A satisfactory academic record. Each applicant must furnish a complete chronological record of educational institutions previously attended. Official transcripts must be submitted in accordance with instructions on the application form.
- Satisfactory scores on the Scholastic Aptitude Test (SAT) or the American College Test (ACT). Students whose native language is not English must also submit a Test of English as a Foreign Language (TOEFL) score. The required minimum TOEFL score is 550.
- A satisfactory conduct record.

NOTE: Furnishing false or fraudulent statements or information in connection with an application for admission or residence affidavit may result in disciplinary action, denial of admission, and invalidation of credits or degrees earned.

Applicants should understand that minimum requirements are given and that admission to the University is a selective process. The satisfaction of minimum requirements does not automatically guarantee admission. Conversely, Florida Board of Regents policy allows the University to admit students to any semester as exceptions to the minimum requirements. The Admissions Office and the Admissions and Standards Committee are responsible for the admission of undergraduate students under this policy. See also: International Students.

CAMPUS TOURS

Campus Tours leave from the Information Booth on the second floor of the Administration Building at 11:00 a.m. and 2:00 p.m. Monday - Friday only when classes are in session.

Contact the Office of Recruitment, Administration 144, Phone (407) 823-5439 to confirm other times. Group tours may be scheduled through the Admissions Office at (407) 823-5359.

REACTIVATION

A student who has submitted an application for admission to UCF but never attended may reactivate his original application by submitting a reactivation form within two years of the date of the original application. The deadline date for reactivation is the same as the deadline for new applications for admission. (This date appears in the academic calendar.)

READMISSION

Students not in attendance for two consecutive academic semesters (exclusive of a summer term) must submit an application for readmission and such other information as may be required, including transcripts of courses attempted in the interim. The deadline for all readmission applications is the same as the deadline for new applications for admission. (This date appears in the academic calendar.)

Readmission of a suspended (disqualified or excluded) student is never automatic. Students who have been disqualified or excluded must complete a readmission application.

The student is also encouraged to write a letter of appeal to the Chair of the Admissions and Standards Committee describing the particular circumstances since the time of disqualification or exclusion. Students may make a personal appearance before the committee if they desire.
Any former student readmitted whose all-college or UCF cumulative grade point average was less than 2.0 ("C") at the time of withdrawal will be readmitted on academic probation. All applicants seeking readmission who have attempted coursework at another institution since last attending UCF will normally be required to be in good standing (2.0 grade point average with no allowance for grade forgiveness) and eligible to return to the last institution attended.

ADMISSIONS AND STANDARDS COMMITTEE
The Admissions and Standards Committee is composed of representatives from the University: representatives from the Faculty Senate, Minority Student Services, Student Affairs, Undergraduate Studies, the Student Body, and the Admissions Office. This committee normally meets on a regular schedule to review marginal cases and to consider the appeals of applicants. A letter of explanation to the Chair, Admissions and Standards Committee is recommended in establishing the basis for an appeal. Students have the option of appealing a decision in person before the Admissions and Standards Committee.

LIMITED ACCESS PROGRAMS
A limited access program uses selective admission to limit program enrollment. Limited access status is justified when student demand exceeds available resources, such as faculty, instructional facilities, or equipment, or when specific accrediting requirements apply. Criteria for selective admissions include indicators of ability, and indicators of performance creativity or talent to complete required work within the program. Community college transfer students with Associate of Arts degrees from Florida community colleges are given equal consideration with UCF students. Admissions to such programs are governed by 6A-10.24(8), the Articulation Agreement, and by 6C-6.01, FAC, of the Board of Regents rules.

RECORDS

Validity of Documents
All supporting admissions documents must be received directly from the issuing institution or testing agency. If the University finds that an applicant has made a false or fraudulent statement or a deliberate omission on his application, residency affidavit, health report, or any accompanying document or statement, that applicant may be denied admission. Should the student be enrolled when such fraud is discovered, he may be immediately withdrawn (with no refund), further enrollment denied, and credit earned and any degree based upon such credit invalidated.

Medical History Report
Each student accepted for admission shall, prior to registration, submit a Medical History Report provided by the University. Documentation of appropriate immunization for measles and rubella is required. Proof of immunization must be provided. This proof is a minimum requirement, and the University may require, in addition, such other evidence of examination as may be determined necessary. Where physician examinations or certificates are required, they must be signed by a doctor of medicine or a doctor of osteopathy.

Students 40 years of age or over are exempt from the Immunization Requirement but are required to submit the Medical History Report.

The University reserves the right to refuse registration to any student whose health record or report of medical examination indicates the existence of a condition which may be harmful to members of the University community.

The Medical History Report form will be mailed to the applicant with receipt for the Application for Admission. Applicants should return the Medical History report to the Registrar's/Records Office.

Deadline for Required Documents
In some cases applicants may be allowed to register on a temporary basis without all records if eligibility for admission can be determined from available records or consultation with the student. All final supporting admissions documents, such as official transcripts and test scores should be received by the Admissions Office no later than 20 days after the first day of classes.
A Transfer Summary Report (TSR) will be prepared on a priority basis for students from whom final transcripts from each educational institution attended have been received by the 20th class day. Those students who have not submitted completed records by the 20th class day will be placed on administrative hold and will be changed to non-degree seeking status and will not be permitted to pre-register. Students with incomplete records will not be permitted to register for a future term until all transcripts and other required documentation have been received. Students whose records are not satisfactory will be placed on Academic Probation and may, in certain instances, be removed from classes.

FRESHMAN APPLICANTS

Any student who meets the minimum admission requirements and is interested in attending the University of Central Florida is urged to submit an application. The University will do everything possible to accept all qualified applicants who apply before the application deadline date. If the number of qualified applicants exceeds the number the University is permitted to enroll, admission will be on a selective basis. An applicant’s total high school record including grades, test scores, educational objective and pattern of courses completed, school recommendation, and personal record will be considered in the selection process. An application pool will be maintained when the number of applicants exceeds the number of qualified students to whom admission may be offered. Based on the number of cancellations received, selections will be made from the applicant pool approximately two months prior to the first day of classes.

The University reaffirms its Equal Educational Opportunity (EEO) commitments and seeks to increase the enrollment of minority students.

High School Diploma

Beginning freshman students who are applying for admission to the University are normally required to have a diploma from an accredited high school. Foreign diplomas must meet the requirements specified in Florida Statutes, section 229.814 and must be evaluated by Joseph Silny & Associates, Inc. or World Education Services, Inc. Students admitted under acceleration mechanisms are exempt from this requirement.

Entrance Examination Scores

All applicants for admission must submit test scores from the Scholastic Aptitude Test (SAT) or from the American College Testing (ACT) program.

High School Academic Units and Grade Point Average

All applicants must have earned a minimum number of high school academic units (year-long courses which are not remedial in nature) as shown in the table below to be considered for admission. The academic grade point average (GPA) will be computed only on these units. Grades in honors courses, International Baccalaureate, and College Entrance Examination Board (CEEB) Advanced Placement (AP) courses will be given additional weight in the computation of the academic grade point average.

The high school academic unit requirements are as follows:

<table>
<thead>
<tr>
<th>ACADEMIC SUBJECT</th>
<th>UNITS REQUIRED</th>
</tr>
</thead>
<tbody>
<tr>
<td>English (Three of which must have included substantial writing.)</td>
<td>4</td>
</tr>
<tr>
<td>Mathematics (At or above the Algebra I level.)</td>
<td>3</td>
</tr>
<tr>
<td>Natural Science (Two of which must have included substantial laboratory requirements.)</td>
<td>3</td>
</tr>
<tr>
<td>Social Science (Included: History, Civics, Political Science, Economics, Sociology, Psychology, and Geography.)</td>
<td>3</td>
</tr>
<tr>
<td>Foreign Language (Both credits must be in the same language.)</td>
<td>2</td>
</tr>
</tbody>
</table>

Additional academic electives from the above five subject areas and courses recommended by the Florida Association of School Administrators, or other groups, and courses recommended by the Articulation Committee, and approved by the Department of Education.

| TOTAL | 19  |

40
Eligible Applicants

Eligibility for admission is subject to satisfactory receipt and review of all items required in the admission process.

All applicants must meet the following State University System (SUS) minimum eligibility index standards:

<table>
<thead>
<tr>
<th>If the High School GPA in academic core courses is:</th>
<th>One of the following composite admission test scores must equal or exceed:</th>
</tr>
</thead>
<tbody>
<tr>
<td>HSGPA 2.0</td>
<td>SAT or ACT</td>
</tr>
<tr>
<td>2.1</td>
<td>1050</td>
</tr>
<tr>
<td>2.2</td>
<td>1020</td>
</tr>
<tr>
<td>2.3</td>
<td>990</td>
</tr>
<tr>
<td>2.4</td>
<td>960</td>
</tr>
<tr>
<td>2.5</td>
<td>930</td>
</tr>
<tr>

<td>900</td>
</tr>
<tr>
<td>2.7</td>
<td>890</td>
</tr>
<tr>
<td>2.8</td>
<td>880</td>
</tr>
<tr>
<td>2.9</td>
<td>870</td>
</tr>
<tr>
<td>3.0</td>
<td>**</td>
</tr>
</tbody>
</table>

* Four units of English with substantial writing requirements will be required for admission to the University.

** Academic eligibility for admission is determined by a 3.0 or better grade point average and submission of admissions test scores.

Students who have been enrolled in dual enrollment courses will be required to have a “C” average (2.0 GPA) for all dual enrollment course work attempted.

A student applying for admission who does not meet these requirements may bring to the University other important attributes or special talents and may be admitted if, in the judgement of the Admissions and Standards Committee, the student can be expected to do successful academic work. The University will provide an individual learning plan for each student admitted under this alternative.

Any student admitted without two years of one foreign language in high school or the equivalent (minimum 8 semester hours) of such instruction at the post-secondary level, must satisfy the admission requirement prior to graduation.

TRANSFER APPLICANTS

Transfer applicants are encouraged to review the current edition of UCF’s TRANSFER STUDENT COUNSELING MANUAL available in Florida community college counseling offices. The manual gives the recommended community college course requirements for all majors as well as other helpful information.

Applicants with Fewer Than 60 Credit Hours

All college transfer applicants with fewer than 60 semester hours of acceptable credit must meet freshman high school unit entrance requirements and must meet the high school academic grade point average and minimum SAT or ACT scores (as listed above), have at least a 2.0 grade point average on a 4.0 system for all college-level academic courses attempted, and be in good standing (minimum 2.0 grade point average) and eligible to return as a degree-seeking student to the last institution attended.

Applicants with 60 or More Credit Hours

In addition to the requirements outlined below, all college transfer applicants with 60 or more semester hours of acceptable credit must have a grade point average of at least 2.0 on a 4.0 system for all college-level academic course work attempted and be in good standing (minimum 2.0 grade point average) and eligible to return as a degree-seeking student to the last institution attended.
Applicants with an A.A. Degree from a Florida Public Institution

Admission of Associate of Arts (A.A.) degree graduates from Florida public community colleges and Florida state universities will be governed by the Articulation Agreement between the state universities and public community colleges of Florida, as approved by the Board of Regents and the State Board of Education. The agreement states that except for limited access programs, admission as a junior to the upper division of the University shall be granted to any graduate of a state-approved Florida community college or State University System institution who transfers directly to UCF, who has completed the university parallel program and who has received the Associate of Arts degree which included all of the following:

• At least 60 semester hours of academic work exclusive of occupational courses and basic required physical education courses.
• An approved general education program of at least 36 semester hours.
• A grade point average of at least 2.0 on a 4.0 system on all college-level academic courses attempted. (Only the final grade received in courses repeated by the student shall be used in computing the average.)
• One year of college instruction in a single foreign language. (This requirement applies to those students without the required two units of foreign language in high school.) Students who receive an Associate of Arts degree from a Florida public community college or university but have not met the foreign language requirement and do not qualify in one of the exempt groups defined below may only be admitted to the lower division of the University. Admission to the upper division will be granted when the foreign language requirement is satisfied.

Two groups of students are exempt from the foreign language portion of the admission requirement. These groups are:
A. Students who received an Associate of Arts degree prior to September 1, 1989.
B. Students who enrolled prior to August, 1989 in an Associate of Arts program at a Florida public community college or university and who maintain continuous enrollment through the completion of the A.A. degree and transfer to UCF. Continuous enrollment is enrollment for a minimum of one term every 12-month period beginning with the student's first enrollment at a community college and continuing until the student enrolls in the University.

Any student admitted without two years of one foreign language in high school or the equivalent (minimum 8 semester hours) of such instruction at the post-secondary level, must satisfy the admission requirement prior to graduation.

Florida Community College Associate in Arts graduates are guaranteed the following rights under the Statewide Articulation Agreement (State Board of Education Rule 6A-10.024):

1. Admission to one of the nine (9) state universities, except to "limited access" programs (programs that have additional admission requirements).
2. Acceptance of at least 60 credit hours by the state universities toward the baccalaureate degree.
3. Adherence to university requirements and policies based on the catalog in effect at the time the student first entered a community college, provided the student maintains continuous enrollment.
4. Transfer of equivalent courses under the Statewide Course Numbering System.
5. Acceptance by the state universities of credit earned in accelerated programs (e.g., CLEP, AP, PEP, Dual enrollment, Early Admission and International Baccalaureate).
6. No additional General Education Core requirements.
7. Advanced knowledge of selection criteria for limited access programs.
8. Equal opportunity with native university students to enter limited access programs.

Should any guarantee be denied, students have the right of appeal through the University Articulation Officer, Office of Community College Relations.
Applicants with an A.A. Degree from a Private or Out-of-State College

Any student admitted without two years of one foreign language in high school or the equivalent (minimum 8 semester hours) of such instruction at the post-secondary level, must satisfy the admission requirement prior to graduation.

In addition to meeting the requirements which apply to all transfer applicants, undergraduate transfer students who wish to be admitted to UCF as upper division students must have met all of the following requirements:

- A minimum of 60 semester hours of academic coursework.
- The English and mathematics requirements of the Gordon Rule.
- Passing scores on three of the four parts of the College Level Academic Skills Test.
- Eight to 10 semester hours of college instruction in a single foreign language. (This requirement applies to those students admitted to the University without the required two units of foreign language in high school.)

Applicants who have not met the above requirements may only seek admission into the lower division.

Applicants with an A.S. Degree

Applicants who have received an Associate of Science degree in Engineering Technology from a Florida public college or university will be admitted only to the Bachelor of Science in Engineering Technology program.

All other A.S. degree applicants must meet the appropriate admission requirements defined in this section.

The A.S. degree does not certify the student as having completed General Education requirements.

In addition to meeting the requirements which apply to all transfer applicants, undergraduate transfer students who wish to be admitted to UCF as upper division students must have met all of the following requirements:

- A minimum of 60 semester hours of academic coursework.
- The English and mathematics requirements of the Gordon Rule.
- Passing scores on three of the four parts of the College Level Academic Skills Test.
- Eight to 10 semester hours of college instruction in a single foreign language. (This requirement applies to those students admitted to the University without the required two units of foreign language in high school.)

Applicants who have not met the above requirements may only seek admission into the lower division.

Applicants—More Than 60 Hours, Have Not Received an A.A. Degree from a Florida Public Institution

In addition to meeting the requirements which apply to all transfer applicants, undergraduate transfer students who wish to be admitted to UCF as upper division students must have met all of the following requirements:

- A minimum of 60 semester hours of academic coursework.
- The English and mathematics requirements of the Gordon Rule.
- Passing scores on three of the four parts of the College Level Academic Skills Test.
- Eight to 10 semester hours of college instruction in a single foreign language. (This requirement applies to those students admitted to the University without the required two units of foreign language in high school.)

Applicants who have not met the above requirements may only seek admission into the lower division.
Applicants from Unaccredited Institutions

Transfer applicants who otherwise meet all requirements, but who enter from a "regionally" unaccredited college or university will be considered on an individual basis. Admission may be granted on a probationary and/or non degree-seeking basis, depending upon the applicant's record including high school units, entrance examination scores, and high school GPA. The "Transfer Credit" portion of this section provides information relating to transfer of credit for courses taken at unaccredited colleges or universities.

TRANSFER CREDIT

All grades earned at a regionally accredited college or university in transfer courses that are normally a part of a baccalaureate degree program are shown on the student's permanent record. Credits earned in courses transferred with "D" grades will count toward the credits required for the baccalaureate degree; however, the department or college offering the major determines whether courses with "D" grades in the major may satisfy requirements in the major field.

No credit will be awarded for college-level General Education Development (GED) tests, for courses given without a grade, or for courses carrying grades but not credit hours.

Military Service School Courses

Completed military service school courses may be evaluated on the basis of the recommendations of the American Council of Education (A.C.E.) when official credentials have been properly presented. Credit may be granted when courses are equivalent to those offered by the University. However, recommendations by the A.C.E. are not binding upon the University.

Military credit is not accepted through transfer. Even though military records may have been evaluated by another regionally accredited institution, it is important to have official credentials sent to the University for evaluation.
Credit is not awarded based on job descriptions, for Basic training, DANTES credit, CLEP scores below the 50th percentile, life experience, or coursework that is non-academic.

General Education Transfer Credits
Transfer students from Florida public community colleges or universities may satisfy the General Education Program requirements of UCF by completing the general education program prescribed by the previous community college or university. Transfer applicants with incomplete general education programs from state (SUS) institutions and those from all other institutions will have their credits evaluated on a course-by-course basis.

Grade Forgiveness Transfer
UCF honors grade forgiveness if it has been awarded as part of an A.A. degree from a Florida public community college or university, with the exception of courses taken previously at UCF.

Credits from Private and Out-of-State Institutions
The credits of transfer applicants from private junior and senior colleges and out-of-state institutions will be evaluated on a course-by-course basis. Each student must submit the necessary petition(s) to the appropriate office(s) to determine which courses will transfer with regard to degree progress at UCF. Transfer courses which meet the requirements of the General Education Program and the Gordon Rule are determined through the process described in this catalog under “University Degree Requirements.” Each College has different petition procedures, but generally the petitioning of transfer courses for satisfaction of college and major requirements should be done during the second full term of the student’s residency at UCF so the accepted transfer courses are clearly understood by the student and the faculty advisor early in the student’s program.

Credits from a Previous Baccalaureate Degree
Graduates from other accredited four-year U.S. institutions who apply for admission to work toward a second undergraduate degree must meet the regular requirements of the University (as defined in the “Undergraduate Degree Requirements” section of this catalog). A baccalaureate degree or higher from another accredited four-year U.S. institution satisfies the General Education Program requirements and also provides exemption from the foreign language requirements for admission and graduation.

ACCREDITED INSTITUTIONS
For the purposes of this catalog “Accredited Institutions” means those institutions accredited by any of the following six regional associations:

- New England Association of Schools and Colleges
- Middle States Association of Colleges and Secondary Schools, Commission on Institutions of Higher Education
- North Central Association of Colleges and Schools, Commission on Colleges and Universities
- Northwest Association of Secondary and Higher Schools, Commission on Higher Schools
- Southern Association of Colleges and Schools
- Western Association of Schools and Colleges, Accrediting Commission for Senior Colleges and Universities and Accrediting Commission for Junior Colleges.

Foreign institutions are evaluated through Josef Silny & Associates, Inc. or World Education Services, Inc.

COLLEGE PREPARATORY INSTRUCTION
State statutes require that new students be evaluated in terms of their potential to successfully complete required coursework at the University. Those students who are identified as likely to have difficulty in the areas of mathematics, writing, or reading may be required to take college preparatory courses prior to enrollment in college-level courses in
those areas. Students must begin any required preparatory instruction during their first 12 semester hours and finish all such coursework within 3 semesters. New students will be notified of the need to take placement examinations during orientation, or of coursework that will be required. For further information, contact Student Academic Resource Center, PC-102, Phone (407) 823-5130.

INTERNATIONAL STUDENTS

The University of Central Florida is authorized under Federal law to enroll non-immigrant alien students. Undergraduate applicants should refer to the "Admission" section of this catalog, and graduate applicants to the graduate catalog. In addition, the following is required for admission:

- International student applications and records required for admission must meet all applicant deadlines.
- Only those students with an Associate of Arts degree from a Florida public community college, or those who have completed their general education requirements (as defined in the Articulation Agreement) with a minimum 2.0 GPA, with no allowance for grade forgiveness, and at least three parts of the College Level Academics Skills Test (CLAST), or those students with superior academic records (i.e., upper 20th percentile or U.S. "B" average equivalent) will be considered for admission. Students who have attended any foreign institution(s) must provide an official course-by-course evaluation from Josef Silny & Associates, Inc. (Evaluation applications may be obtained from the Admissions Office or by writing Josef Silny & Associates, Inc., P.O. Box 248233, Coral Gables, FL 33124.) World Education Services, Inc. (WES) Evaluations will be accepted.
- All applicants whose native language is not English must submit an official score report from the Test of English as a Foreign Language (TOEFL). Undergraduates who have not earned an Associate of Arts degree, or completed the general education requirements (as defined in the Articulation Agreement) from a Florida public community college and passed at least three parts of the CLAST must have a minimum TOEFL score of 550. Graduate applicants should consult the coordinator of their respective program to determine minimum TOEFL scores as well as any other requirements.
- All students who have not earned an A.A. degree from a Florida public institution must also submit an official SAT or ACT score and a high school transcript and Joseph Silny & Associates, Inc. evaluation, where applicable, in order to be considered for admission.
- Applicants must file a Confidential Financial Statement confirming availability of finances for each year of study.

The Admissions Office may require additional documents and/or transcripts before an admissions decision is made.

INTERNATIONAL STUDENT MANDATORY HEALTH AND ACCIDENT INSURANCE

Each international student accepted for admission shall, prior to registration, submit proof of compliance with the University's mandatory health and accident insurance requirement (effective Fall semester 1990).

Minimum coverage required as follows:

<table>
<thead>
<tr>
<th>Plan</th>
<th>Coverage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Basic plan</td>
<td>US $ 3,000.00</td>
</tr>
<tr>
<td>Supplemental</td>
<td>US $30,000.00</td>
</tr>
<tr>
<td>Repatriation</td>
<td>US $ 3,000.00</td>
</tr>
<tr>
<td>Evacuation</td>
<td>US $ 3,000.00</td>
</tr>
</tbody>
</table>

Written proof of insurance must be provided to the International Student Services Office and must be valid for one calendar year from the date of first enrollment.

If insurance is issued by a foreign carrier or underwriter, a notarized statement must be provided, in English, insuring coverage is valid in the United States.

The University reserves the right to refuse registration to any international student who fails to comply with the insurance requirement or is unable to provide adequate proof of insurance.
TEMPORARY STUDENTS
Any student who applies before the application deadline date and is permitted to register and attend classes without a complete admission file is granted a maximum of 4 weeks (first 20 class days) to furnish all required records. Records indicating ineligibility may result in cancellation of the student's registration.

TRANSIENT STUDENTS
Students in good standing with a 2.0 overall academic average in any accredited college or university who wish to enroll for one term at UCF may be considered for admission as transient students. Such enrollment terminates at the end of one term and does not presuppose regular acceptance by any college or department of the University. A transient student must be in good standing with a minimum "C" (2.0) grade point average at the parent institution and at the last institution attended and must submit an official transcript to support the application for admission. Transient student applications must be received by the appropriate deadlines.

AUDIT STUDENTS
To audit a class, a student must file a regular application and be accepted as a degree-seeking or non degree-seeking student, obtain a form in the Records Office, and take it to his/her instructor for approval. The student must take the signed form to the "Help" table at walk-by registration during the last hour of regular registration or at any time during the add/drop period. A student must be registered for at least one course, either for credit or audit, by the end of regular registration or a late fee will be assessed if registration takes place thereafter.

Students registering for credit during regular or late registration, or during add/drop, may not change to audit status, but must remain in the course or withdraw through normal withdrawal procedures.

NON DEGREE-SEEKING STUDENTS
This classification allows qualified students to enroll in selected courses at the University without satisfying requirements for admission to degree-seeking status. Successful completion of courses while in this classification does not necessarily provide a basis for regular admission at a later date. Non degree-seeking status is granted in exceptional cases only, and will usually be reviewed by the Admissions and Standards Committee.

The following regulations will apply to non degree-seeking students:
1. Students are required to provide evidence of their educational qualifications for attending classes in order to meet the intent of this enrollment classification.
2. Non degree-seeking students are subject to the same rules and regulations as degree-seeking students.
3. Registration is permitted on a space-available basis. Students should consult the registration calendar in the Schedule of Classes or contact the Admissions Office for the appropriate registration time.
4. A maximum of 15 undergraduate baccalaureate semester hours earned as a non degree-seeking student may be applied toward a degree if a non degree-seeking student is later accepted as a baccalaureate student.
5. An applicant who has been denied admission or who has been disqualified or excluded may not register as a non degree-seeking student.
6. International students may not register as non degree-seeking since immigration regulations prevent foreign nationals from enrolling without admission to a degree or certificate program.

TRANSCRIPT REQUESTS
Transcripts of a student's UCF academic record may be requested by the student through the Office of the Registrar. A student's academic record can be released only upon written authorization by the student. Include in the request the full name and social
security number. Indicate names and complete addresses to whom transcripts are to be sent. If grades or degree statements for the current term are needed, indicate that the transcript request is to be held until the final semester reports are posted. The first three transcripts are provided at no cost to the student. For additional transcripts, there is a charge of $2.00 each. The check or money order should be made payable to: UCF. Cash payments can be accepted only by the Cashier’s Office (Monday 9-6:30; Tues-Fri 9-3:30). Students requesting transcripts may do so in person or by writing to: Transcript Request, Office of the Registrar, University of Central Florida, PO Box 160114, Orlando, FL 32816-0114.

SENIOR CITIZENS

Senior citizens who are Florida residents and who are 60 years old or over may enroll as audit students by completing a specially-marked non-degree-seeking student form at the Admissions Office. A Florida Residency Affidavit will be required in order to establish Florida residency. A completed Student Health History must be filed prior to registration. Registration is scheduled during the last hour of the Add-Drop period. It is necessary to complete the required form at the Admissions Office no later than the first week of classes for each term for which a senior citizen wishes to enroll as an audit student.
TUITION AND FEES

SCHEDULE OF FEES

A student's basic expenses at the University will be for registration fees, room and board, textbooks, other instructional supplies, and miscellaneous items. Required fees are established by the Board of Regents and the Florida State Legislature and are subject to change without notice. Fees are affected by residency status. Information on Florida residency for tuition purposes is on the following page.

All University fees must be paid at or before the end of the add/drop registration period. Failure to pay fees on or before due date will result in cancellation of the current registration.

The following schedule applies to all University of Central Florida students:

General Fees and Costs (Subject to change without notice)

A. Application fee. Must be paid by U.S. check or money order (required with all applications for admission to the University and not refundable) ................. $20.00.
B. Registration Fees per semester for campus, centers, and continuing education courses. Minimum registration of one credit hour (at the level the student is classified) must be charged for students registering for zero hours (co-op student on work assignment, applicant for graduation during the semester that student is not registered).

1993-94 RATES

<table>
<thead>
<tr>

<tr>
<td>Graduate Level$^2</td>
<td>$107.31 per hour</td>
<td>$360.33 per hour</td>
</tr>
</tbody>
</table>

$^1$Undergraduate courses are those courses numbered 0-4999
$^2$Graduate courses are those courses numbered 5000-7999

C. Room and Board (Based on accommodations and meal plan selected)
   Residence Hall Rooms (per semester) ...................................... $880-$1,180
   Board (meal plans, per semester) .......................................... $600-$1,050
   Charge for late registration .............................................. $50.00
   Charge for late payment .................................................... $50.00

D. Books and supplies (estimated) per semester ................................ $300.00

E. Late Registration and Late Payment Fees
   - A $50 late registration fee will be assessed all students who register during the late registration period and pay fees by the deadline.
   - A $50 late payment fee will be assessed all students who pay fees after the deadline.
   - Both a $50 late registration fee and a $50 late payment fee will be assessed all students who both register late and pay fees after the deadline.
   - Both a $50 late registration fee and a $50 late payment fee will be assessed all students who do not pay by the deadline, are cancelled and are then reinstated.
   - All payments accepted after drop cards are mailed, approximately the third week of classes, must be cash, cashier's check or money order.

F. Vehicle Registration (required of everyone operating a motor-powered vehicle on campus) per calendar year for full-time, part-time students, and courtesy students from other institutions. Student's fee ................................................. $45.00

G. Student Health Fee—not refundable (per semester)
   - Assessed to all students except those enrolled exclusively in Continuing Education courses. This fee is also waived for senior citizens, for State employees under the fringe benefit plan, and for Certificate of Participation holders. University employees who use the Tuition Fee Waiver for class attendance may not elect to pay the Student Health Fee, regardless of the number of semester hours taken.
   - Fall & Spring Semesters .................................................... $47.30
   - Summer Semester ............................................................ $35.20

H. Certificate of Participation Holder ......................................... Lab fees/out-of-state fees
I. I.D. Card replacement .......................................................... $ 5.00
J. Scientific Laboratory fees—fee per student on specific course(s) ..... $2.00 - $15.00
K. Return Check Charge
   Service charge on all returned checks is $15.00 or 5%, whichever is greater, and results
   in the loss of check cashing privileges.

FLORIDA RESIDENCY FOR TUITION PURPOSES
To qualify as a Florida Resident for tuition purposes, students must:

Be a U.S. Citizen, Resident Alien, Parolee, Cuban National, Vietnamese Refugee, or
other refugee or asylee so designated by the U.S. Immigration and Naturalization Service,
AND

Have established a legal residence in this state and maintained that legal residence for
12 months immediately prior to the term in which they are seeking Florida resident
classification. The student residence in Florida must be as a bona fide domiciliary rather
than for the purpose of maintaining a mere temporary residence or abode incidental to
enrollment in an institution of higher education, and should be demonstrated as indicated
below (for dependent students, as defined by IRS regulations, a parent or guardian must
qualify),
AND

Submit the following documentation (or in the case of a dependent student, the parent
must submit documentation) prior to the last day of registration for the term for which
resident status is sought:

• Documentation establishing legal residence in Florida (this document must be dated
  at least one year prior to the first day of classes of the term for which resident status
  is sought). The following documents will be considered in determining legal residence:
  A. Declaration of Domicile.
  B. Proof of purchase of a home in Florida in which the student resides.
  C. Proof that the student has maintained residence in the state for the preceding year
     (e.g., rent receipts, employment records).

• Documentation establishing bona fide domicile in Florida which is not temporary or
  merely incidental to enrollment in a Florida institution of higher education. The
  following documents will be considered evidence of domicile even though no one of
  these criteria, if taken alone, will be considered as conclusive evidence of domicile:
  A. Declaration of Domicile.
  B. Florida voter registration.
  C. Florida vehicle registration.
  D. Florida driver license.
  E. Proof of real property ownership in Florida (e.g., deed, tax receipts).
  F. A letter on company letterhead from an employer verifying permanent employment
     in Florida for the 12 consecutive months before classes begin.
  G. Proof of membership in or affiliation with community or state organizations or
     significant connections to the State.
  H. Proof of former domicile in Florida and maintenance of significant connections
     while absent.
  I. Proof of reliance upon Florida sources of support.
  J. Proof of admission to a licensed practicing profession in Florida.
  K. Any other factors peculiar to the individual which tend to establish the necessary
     intent to make Florida a permanent home and that the individual is a bona fide
     Florida resident, including the age and general circumstances of the individual.
     • No contrary evidence establishing residence elsewhere.
     • Documentation of dependent/independent status (notarized copy of most recent IRS
tax return).

     OR

     Become a legal resident and be married to a person who has been a legal resident for
     the required 12-month period,

     OR

     Be a member of the Armed Forces on active duty stationed in Florida, or a spouse or
dependent,
Be a member of the full-time instructional or administrative staff of a state public school, community college or university in Florida, a spouse or dependent; OR
Be a dependent and have lived five years with an adult relative who has established legal residence in Florida, AND
File a notarized residence affidavit with the Admissions Office.
The Admissions Office reserves the right to require additional documentation as seen necessary to accurately determine the resident status of any student.

APPEALS
Students who wish to appeal a late registration, late payment, or return check service charge fee may make their appeal to the Appeals Committee by initiating a student petition (Form 41-561). This form can be obtained from the Offices of Undergraduate Studies, Student Affairs, University Cashier, or the Student Accounts Section of Finance and Accounting. Students must submit their petitions to Student Accounts, Room 112, Administration Building, and may appear (not mandatory) before the committee which meets once each week.

CHECK CASHING
The University Bookstore cashes personal checks not exceeding $50.00. The University collects a $15.00 service fee, or five percent (5%) of the check amount, whichever is greater, for personal checks, drafts, or orders which are returned as uncollectible. Future check-cashing privileges may be denied.

PAST-DUE ACCOUNTS
All financial obligations to the University must be met if good standing is to be maintained. Failure to meet obligations can result in the withholding of grades and transcripts, and denial of registration and readmission to the University. The services of a professional collection agency and recourse to the courts may also be invoked if deemed necessary. All costs of collection, including attorney's fees, are borne by the debtor.

PAYMENT PROCEDURES
Payment may be made in the Cashier's Office, AD 108, from 9:00 a.m. to 6:30 p.m. on Monday, and 9:00 a.m. to 3:30 p.m., Tuesday through Friday. A photo ID (if paying by check) is required.
- Payments (NO CASH) may be placed on the Cashier's night depository; INCLUDE SS# ON CHECK OR MONEY ORDER.
- Payments mailed must be postmarked no later than the deadline specified above. DO NOT SEND CASH.
Address Payment to:
Cashier's Office. UCF, Orlando, FL 32816-0115
Penalty for Late Payment is $50.00. Do not assume classes will be cancelled if student does not pay fees or attend classes.
Payment guidelines for off-campus registration are contained on the off-campus registration form.

REFUND OF FEES
A refund of fees will be made under the following conditions upon presentation at the Student Accounts Office of a Certification of Withdrawal issued by the Registrar. No refunds will be made under this policy except upon proper application. Any debts to the University will be deducted up to the full amount of the refund.
A. A full refund when:
1. Any class is dropped before the end of the Add/Drop period.
2. Cancellation of the course by the University.
3. Student is denied admission to an offered course by the University for whatever reason.
B. Partial refund (25% of the total registration and non-resident fees paid less building and capital improvement fees):
   1. Complete withdrawal from the University prior to the end of the fourth week of classes; during a 16- (or 17-) week semester or at the end of the first quarter of classes during a mini-semester or summer semester (rounded out to the end of the week in which the first quarter occurs). Student must present withdrawal slip and request the refund from Student Accounts.

C. Refunds for exceptional circumstances at any time upon withdrawal for one or more courses:
   1. Up to 100% of tuition and registration fees due to circumstances determined by the University to be exceptional, including but not limited to sickness, death, involuntary call to military service or administrative errors created by the University.

D. Pro rata refunds for First Term at UCF students:
   1. Up to 90% of tuition and dorm charges for students who fully withdraw before 40% of the term has elapsed. Applies only to first term at UCF students. An administrative fee defined as the lesser of 5% of all charges or $100 will be deducted from the refund.

TUITION FEE WAIVERS FOR STATE OF FLORIDA EMPLOYEES

State employees, faculty and staff who utilize a tuition fee waiver for coursework (up to 6 credit hours) without payment of the registration fees must register on the day and time provided by the Registrar. Employees who register prior to the prescribed time and date will have an invalid fee waiver, and will be liable for all applicable fees on courses enrolled. It is the responsibility of the employee to register only on a space-available basis; and this is only during the prescribed time as indicated above by the Registrar. In addition, the tuition fee waiver cannot be used for courses which require increased costs (as it does for such courses as Thesis, Dissertation, Directed Individual Study, etc.). Lab fees cannot be waived. State employees must pay lab fees.

TUITION FEE WAIVERS FOR SENIOR CITIZENS

Persons 60 years of age or older who meet Florida residency requirements may register to audit classes without payment of tuition and application fees. Registration is on a space available basis during the last hour of Add/Drop Registration. The tuition fee waiver cannot be used for courses which require increased costs (such as Thesis, Dissertation, Directed Individual Study).

A Florida Residency Affidavit is required in order to establish Florida residency. A completed Student Health History must be filed prior to registration. Inquiries should be directed to the Undergraduate Admissions Office.

STATE TUITION EXEMPT PROGRAM (STEP)

Eligible members of the active Florida National Guard may receive a waiver of 50% of tuition and lab fees. Registration is on a space available basis only during the time designated by the Registrar.
FINANCIAL AID

Financial Aid Office
AD 120, Phone (407) 823-2827

OFFICE HOURS
1:00 pm - 7:00 pm, Tues., Wed.
9:00 am - 5:00 pm, Mon., Thurs., Fri.

The following Financial Aid policies and procedures are based upon federal, state and University regulations current for the 1993-94 academic year. Regulations are subject to change at any time.

DETERMINING ELIGIBILITY

In order to qualify for federal and state financial aid programs, a student must be a citizen or permanent resident of the United States, the Mariana Islands, or the Pacific Trust Territories. In order to qualify for financial aid, students must be classified by the Admissions Office as degree-seeking. Some financial aid programs are available to part-time students; generally at least 6 credit hours enrollment per term is required.

The Financial Aid Office encourages all such students to apply for financial aid and to begin the process early. There are many grant, loan, and employment programs available as described below. Almost all programs require the determination of financial need.

Financial need is calculated by a Federal processor who uses a standardized formula: financial need equals the cost of education (specific to the school to be attended) minus the expected family contribution (specific to each applicant) and minus any Veteran's Educational Benefits. Students and/or their parents provide detailed financial information on a need analysis form sent to the processor. The results are forwarded to the UCF Financial Aid Office.

*Eligible non-citizens include I-151, I-551 and I-688 cardholders as well as some I-94 classifications.

UCF APPLICATION DEADLINES

Federal Pell Grants and Federal Stafford Loans are available on a year-round basis. Students may apply for financial aid in advance of any term and receive aid from these programs if eligible.

To be considered for the full range of aid available for the academic year (beginning with the Fall Term), the need analysis report must be received from the national processor by March 15 of the preceding Spring.

Incoming students should not wait to be admitted to UCF before applying for financial aid. All students must reapply yearly for financial aid.

APPLICATION PROCEDURES

The following steps can take 4 to 6 weeks to complete. Students should apply well in advance of the March 15 deadline of the year for which aid is being requested. Students who wish to enter UCF in Spring Term must apply by the March 15 deadline of the preceding spring in order to be eligible for the maximum aid available.

1. File a Free Application for Federal Student Aid.
UCF requires that you complete the Free Application for Federal Student Aid (FAFSA). The FAFSA form replaces the previous applications which have been used for need analysis reporting (the FAF and FFS).

• IMPORTANT: The results of your FAFSA must be in our office by March 15 for the next Fall and Spring semesters, to meet our priority deadline, so that you may be considered for all aid available.

• Read the instruction booklet carefully as you fill out the form. Errors and omissions can actually prevent you from receiving aid for which you could be eligible. Keep copies of all documents filed.

• Follow-up promptly on all corrections to your FAFSA. If your record is "rejected in analysis" by the processor, be sure to provide them with the information they request as soon as possible. Processing of your file will be held up until corrections are made.

2. Complete, detach, and turn in the UCF application to the UCF Financial Aid Office.
This is a mandatory form which supplements the FAFSA.
3. Request Financial Aid Transcripts (in addition to academic transcripts) from every post-secondary institution you have ever attended, whether or not you received any financial aid.

- To request financial aid transcripts, provide the school with your SSN and, the name under which you attended. Ask them to make sure your SSN is on the transcript they send to UCF. Allow 2 to 4 weeks for processing.

4. Follow-Through.
Your application will not be complete until all documents requested have been filed and reviewed in our office. Whenever you receive financial aid correspondence, review it thoroughly and follow directions promptly.

5. Verification:
Federal regulations require that some students verify the information submitted on their applications. If selected for verification, you will be asked to provide additional information (such as copies of tax return forms, documentation of household size, independent status, etc.). Financial aid cannot be processed or received until verification is complete and all corrections have been made.

Helpful Tips:
- Make a copy of tax return forms before submission to IRS.
- Start a folder NOW to save financial aid information and photocopies of all documents filed and received.
- Include student’s name and SS# on all documents submitted to the Financial Aid Office.
- Maintain a current address in the REGISTRAR’S OFFICE; all financial aid correspondence is mailed to that address.
- Complete all items necessary to apply for both a Federal Pell Grant and a Federal Stafford Loan, even if it doesn’t seem advantageous at the time. Law requires that students be considered for a grant before a loan is offered; choosing a lender now does not obligate the student to process a loan but will make it easier if additional funds are needed.
- If you have extenuating circumstances or run into major problems at anytime, call our appointment line, (407-823-5285).

TRANSFER STUDENTS
The UCF Financial Aid Office must have on file a Financial Aid Transcript from every post-secondary school ever attended, whether or not financial aid was received. If determined eligible to receive aid at another institution for the academic year in question, please be aware that the only transferable programs are Federal Pell Grants and Public Student Assistance Grants (PSAG), formerly known as the Florida Student Assistance Grant (FSAG).

To apply for financial aid at UCF, complete the application procedures listed above with one exception. If a need analysis for the year in question has already been filed, the student need only request that the processor forward a copy to UCF.

To transfer the remainder of a Federal Pell Grant, students should request the need analysis processor to send a duplicate set of their Student Aid Reports (SAR’s) to them. These must be submitted to the UCF Financial Aid Office once the student has received them.

To transfer the remainder of an PSAG, send a copy of the state award letter and UCF’s name and address to: State of Florida, Office of Student Financial Assistance, Department of Education, 1352 Florida Education Center, Tallahassee, FL 32399. Please do this before their stated deadline.

INDEPENDENT STUDENT STATUS
The financial resources of parents/guardians do not have to be included in the determination of students’ financial need if the student is:

- 24 years old
- an orphan or ward of the court
- a veteran
- legally responsible for dependents other than a spouse
- married
- accepted (or will be accepted) into a Graduate/Professional Program.
UCF FINANCIAL AID PROGRAMS

If determined eligible, you will receive an award letter offering you a financial aid package composed of one or more of the following programs. Your admission to UCF must be finalized, you must be classified as Degree-Seeking, and verification must be completed before a financial aid award will be disbursed. Other loan and employment programs not based on need are listed in the UCF Catalog.

Your awards will be based upon: your financial need (as determined by a standardized formula applied to data provided on your applications), the amount of funds available to UCF, the number of UCF students who qualify for aid, as well as the date you complete the application process. The amounts listed on your award letter will be estimates based on full-time registration.

Check the chart below to see in how many hours you must enroll for each term in order to receive an award from each program.

</table>

*If you are applying for a Federal Pell Grant for Summer term only or for retroactive payment of a previously completed semester, please be aware that the FAFSA package must be completed prior to May 1, 1994 or the processor will not accept it. Degree Seeking Post-Baccalaureate students are eligible only for Federal Stafford, Federal SLS, and Federal Plus Loans.
Federal Family Educational Loans are made through private lenders. Students must be enrolled in UCF classes for a minimum of 6 credit hours at UCF at the time of disbursement to receive a Loan check. First-time borrowers at UCF must attend an Entrance Interview before a loan check will be released to them. Exit interviews are required upon graduation, leaving UCF, or when enrollment becomes less than one-half time (6 credit hours) at UCF.

Payment is deferred until students graduate or drop below 6 hours enrollment at UCF. Once eligibility has been determined by a need analysis, students must request a Loan by the dates printed below so that processing can be completed in time to receive funds during the term indicated.

**EMPLOYMENT**

Federal College Work-Study jobs are awarded as part of a student's financial aid package if need so indicates; a minimum of 6 hours enrollment is required. Jobs are on-campus and efforts are made to match job assignments with the student’s academic program. Awards are paid as an hourly wage.

The Florida College Career Work Experience Program provides off-campus jobs related to the student’s major to help fill unmet financial need established by a current need analysis. Six hours enrollment is necessary. This program is administered by the Office of Cooperative Education, (407) 823-2667.

**Co-operative Education (Co-op)** jobs related to students’ educational goals are available off-campus and are not based on need. Contact the Office of Cooperative Education, (407) 823-2667.

**OPS (Other Personnel Services)** jobs are available on-campus and are not related to financial need. Application is made directly to the Department advertising the position.

**OTHER SERVICES**

UCF Emergency Short Term Loans are available to currently-enrolled students for books at the beginning of the semester and emergencies other than tuition and fee payment. A $5.00 non-refundable service charge will be assessed for processing the loan. This service charge, as are any other debts owed the University, will be deducted at the time of disbursement. If the loan is cancelled, or not picked up, the $5.00 service charge is still required to be paid. The normal repayment period is 30 to 60 days, but the specific repayment date is noted on the loan contract.

**Food Service Loans** are available to students who have already been awarded sufficient financial aid to cover all debts owed the University and who live on campus. Food Service Loans are processed by the Financial Aid Office. A $5.00 non-refundable service charge will be assessed at the time of processing.

**AWARD LETTERS**

In the Spring of each year, most students will be notified of the estimated awards they should receive in the coming school year. Award notices will not go out to students who were selected for verification, and have not completed that process, since verification corrections often alter award eligibility. Notification will also not go out to students who have been cancelled from financial aid due to a problem with academic progress. Award letters which are sent out anytime prior to the beginning of the semester will disclose estimated awards based on an assumption of full time enrollment. If the student enrolls for less than 12 hours, some estimated awards may change. In addition, new information brought to the attention of our office (such as third party benefits, waivers or deferrals, prepaid tuition plans, or newly awarded scholarships) can cause a reduction in the amount of previously estimated need-based aid.

Award letters are also sent out to students who miss the application priority deadline once there is enough information on file to make an awarding decision. Verification students will receive their award notifications once that process is complete. Regardless of whether the notification is sent out, it will be accompanied by a comprehensive information insert. Students should read this insert carefully.
Those students who have been awarded a Federal Perkins Loan or Federal Work Study Award are required to return a signed copy of the award letter to our office within 20 days of receipt to acknowledge acceptance of the award. These are competitive aid programs with limited funds. Our goal is to deliver the aid to the neediest students who have requested that form of assistance. The only other reason to return a signed copy of the award letter would be to reject an offered award. Otherwise, the award letter need not be returned.

Please note that although an estimated Federal Stafford loan may appear on the award letter to notify students that they are eligible for that form of aid, a student must still apply for the loan. This is done by filling out Section C of the UCF Financial Aid Application or a separate Federal Stafford Loan Request Form. Students who do not apply for a Federal Stafford Loan will have their estimated loan awards deleted from our records shortly after the award letter is sent out.

DEFERRALS OF TUITION AND FEES

Financial aid awards will normally result in the student being granted a deferment of tuition and fee payments. This process occurs automatically if the student has enrolled for sufficient hours, is meeting all general eligibility requirements, and is making satisfactory academic progress. This program makes up for the time lag that normally occurs between the date that tuition and fees are due and the date on which financial aid disbursements can be made. Deferments are not granted for Federal PLUS loans, Federal Work Study programs, and direct-pay scholarships. Automatic Deferments are also not granted based on transient hours. A manual deferral may be given based on transient hours if necessary.

NOTE: Subsidized Federal Stafford Loans will result in a deferral in the amount of 92% of the award, since origination fees are taken out by the lender and guarantee agent in the amount of 8%. Unsubsidized Stafford Loans will also result in a deferral in the amount of 92% of the loan.

Automatic deferments can work against students who believe they will be administratively dropped from classes by not paying tuition. An active deferral will keep this from happening. It is the responsibility of the student who is on financial aid to properly drop classes prior to the end of the add/drop period to avoid becoming fee liable. Additionally, under any circumstance where previously estimated financial aid cannot be paid and a deferment must be cancelled, the student is liable for the cost of tuition, whether or not he/she has attended classes.

FUND DISBURSEMENTS

Financial aid disbursements are not available at the time of registration. No checks, including Federal Stafford and Short Term Loan checks, will be disbursed before the first day of classes. Therefore, students should make themselves aware of the Automatic Deferment policies and procedures AND be prepared to use personal savings or a UCF Short Term Loan to pay for books and other expenses anticipated.

Financial aid funds for most programs are mailed directly to the student by the UCF Office of Student Accounts. Initial disbursements should take place within the first three weeks of each semester. Most grant and scholarship checks go through a "net checking" process in which debts owed to the University are deducted from the available aid. Federal Perkins Loan checks must be picked up at the Cashier's Office upon notification by Student Accounts. Federal Stafford and Federal SLS loan checks are mailed to the student without any deduction for debts owed to the University. It is the student's responsibility to pay outstanding debts to the school within 21 days of receipt of the loan check to avoid a late charge. You must be enrolled in at least 6 credit hours at UCF at the time of disbursement of each Federal Stafford Loan or Federal SLS check. Borrowers under the Federal Stafford and Federal SLS programs who have not yet successfully completed their first year of undergraduate study cannot receive their initial checks until 30 days into the semester.

The verification process must be complete before financial aid funds will be released.

Federal Stafford and Federal SLS Loans:

1. First-time borrowers at UCF: Must attend an Entrance Interview before a check can be disbursed. Check with the Financial Aid Office for dates and times, and to schedule an appointment.
2. Two-term loans: To receive the second half of a two-term loan, you must complete at least 6 hours at UCF during the first term. If you did not complete the required 6 hours or if you did not accept your first term loan disbursement, you cannot receive the second term disbursement either. You must cancel the original loan request and reapply for a new loan through the Financial Aid Office.

3. One-term loans: Disbursement of a one-term loan will be divided into two payments. You must maintain eligibility throughout the term to be eligible for each disbursement. The second disbursement cannot be made until at least 1/2 of the term is over.

4. Students who have not successfully completed their first year of undergraduate study (i.e., 1 F) will not receive their checks until 30 days after classes have begun.

5. FSLS borrowers: Please contact the financial aid office concerning borrower restrictions.

REFUND AND REPAYMENT POLICIES

Students should be aware that if they withdraw from the University after having received financial aid, they may be liable for repayment of a portion of that aid. Students who received Federal Stafford Loans should also know that the Financial Aid Office is required to notify lenders of student withdrawals.

Refunds

Financial aid recipients planning to withdraw from UCF should first consult the University's Withdrawal Policy published under Academic Policies and Procedures in this Catalog. If the student is due a refund according to this policy, the financial aid program(s) from which the student received aid will first be reimbursed. Any remaining balance after refunding all appropriate aid programs will be refunded to the student. In no case will the amount refunded to the aid program exceed the amount disbursed.

Repayment

A portion of the financial aid disbursed to the student for non-instructional costs may have to be repaid by the student to the University. The amount of repayment due from the student will be based upon the schedule printed below.

A student who owes a financial aid repayment will not be allowed to receive further financial aid funds until the repayment is paid in full. In addition, academic and financial aid transcripts will be withheld until repayment is complete.

</table>

*Total excludes monies received from the following programs: Federal College Work Study, Federal Stafford Loans, Federal Supplemental Loans for Students, and Federal Parent Loans for Students.

REQUIREMENTS TO RECEIVE AID

- Financial aid funds cannot be disbursed until the student's financial aid file is complete and, if selected, the verification process has been completed. Verification must be completed 45 days prior to the end of the enrollment period in order to have time to process a Federal Stafford or Federal SLS Loan application.
- Students must not be in default on any educational loan or owe repayment on a grant at UCF or any other post-secondary institution.
- It is necessary for students who have received financial aid to maintain UCF's standards for Satisfactory Academic Progress, as defined below. Upper-level students must also pass the CLAST in order to receive state aid.
- Students must notify the Financial Aid Office of any changes in housing, marital, or financial status.
- Application for financial aid must be made yearly.

**SATISFACTORY ACADEMIC PROGRESS POLICY**

Federal regulations require the University to establish standards of satisfactory academic progress as a General Eligibility Requirement for Financial Assistance. A student must maintain satisfactory academic progress in a course of study regardless of whether the student was a previous recipient of financial aid. Students who are unclear about these policies should schedule an appointment. The factors required to measure satisfactory progress are as follows:

### Grade Point Average

**Undergraduate Standards**
- **Freshman/Sophomore**: No minimum overall GPA required as long as the student is not disqualified or excluded by the Admissions office. (See UCF Catalog under academic policies.)
- **Junior/Senior**: Minimum overall GPA of 2.0 is required and must not be disqualified or excluded by the Admissions office.

**Graduate Standards**
- A GPA of at least 3.0 is required for those courses specified in the graduate student's program. (Please see the Academic Standards section of the UCF Graduate Student Catalog.)

### Hours Completed

Students MUST complete a specified number of credits as determined by their enrollment status (see below chart):

<table>
<thead>
<tr>
<th>Undergraduate Standards</th>
<th>Graduate Standards</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>MINIMUM HOURS</strong></td>
<td><strong>HOURS REQUIRED</strong></td>
</tr>
<tr>
<td><strong>ENROLLED</strong></td>
<td><strong>HOURS</strong></td>
</tr>
<tr>
<td>Full-time</td>
<td>12 or more</td>
</tr>
<tr>
<td>3/4 time</td>
<td>9, 10, 11</td>
</tr>
<tr>
<td>1/2 time</td>
<td>6, 7, 8</td>
</tr>
</tbody>
</table>

Hours completed will be monitored at the end of the spring term of each academic year. Successful completion of a class is defined as having earned a grade of A, B, C, D or S. Unsuccessful completion is defined as having earned a grade of F, I, W, X, N, or U.

### Time Limit

**Undergraduate Standards**
- Undergraduate students MUST obtain their degree within 12 full-time terms or the equivalent thereof for 3/4 time, 1/2 time, and less than 1/2 time students.
- **Transfer students**: entering UCF with either an AA degree or 70 or more hours MUST complete their degree within 6 full-time terms or the equivalent thereof.

**Graduate Standards**
- Graduate students will be given 5 full-time terms (or the equivalent thereof) to obtain their Master's Degree. Doctoral candidates may have 5 additional full-time terms to earn their Ph.D.

Cases will be reviewed on an individual basis (through the appeal process) for programs requiring more than 120 hours for graduation.
CANCELLATIONS

**Time Limit:** Students who are unable to graduate within the required number of terms will be cancelled at the end of the term.

**Hours Completed:** Students who are unable to complete the required number of hours for Previous Summer, Fall and Spring will be cancelled at the end of the Spring term of each academic year.

**GPA:** Junior and Senior level students with an overall GPA of less than 2.0 will be placed on Cancellation at the end of each term.

**Disqualified or Excluded:** Students who are Disqualified or Excluded by the Admissions Office will be placed on Financial Aid Cancellation status. Financial Aid is not automatically reinstated when the student is readmitted to the University. The student must follow the Procedure for Appeal below.

PROBATIONS

Students will be placed on probation status for the next term of enrollment for the following reasons:

**Initial Probation:** Students who have been enrolled for only one term by the end of the spring term of each academic year and did not complete the minimum required hours for that term.

**Reinstatement:** As a result of the committee review. When students are placed on Probation, they must complete the minimum required hours for the next term of enrollment with a minimum term GPA of 2.0 to avoid cancellation of aid at the end of the Probationary term.

PROCEDURE FOR APPEALS

Warning - Students who do not appeal within the established deadline, will forfeit their right to appeal for that term of enrollment.

Any student who was placed on Financial Aid cancellation may appeal to the Financial Aid Review Committee. To appeal, the student must:

A) Complete the Satisfactory Academic Progress Appeal Form before the established deadline.

B) Submit acceptable documentation supporting the extenuating circumstances.

After a thorough evaluation of the written request and all documentation, the Financial Aid Review Committee will notify the student in writing, of its decision. Aid remains cancelled unless the student receives written notification of reinstatement.

**Grades/Hours Completed:** The University has established academic standards for graduate students and a Grade Forgiveness policy for undergraduates, outlined in the Academic Policies and Procedures section of this catalog. Students who improve their grades or make up deficit hours under the Grade Forgiveness Policy must still file a Satisfactory Academic Progress Appeal with the Financial Aid Office.

**Mitigating Circumstances:** Appeals may also be filed on the basis of extenuating circumstances. These might include death in the student's immediate family, accidents, personal tragedy, or medical emergencies as defined by the University. (See Medical Withdrawals below). Such appeals will be reviewed by the Financial Aid Committee. Documentation relating to the mitigating circumstances is required to be submitted as a part of the student’s appeal.

**Medical Withdrawals:** Once an appeal has been granted on the basis of a Medical Withdrawal, any subsequent requests based on Medical Withdrawal will be subject to review by the Financial Aid Committee.

**Cancellation:** Once the appeal process has been exhausted, cancellation from financial aid at UCF will remain in effect. Any student cancelled from financial aid who leaves UCF and later gains readmittance will not be eligible to receive financial aid unless a petition is filed and approved for Financial Aid Reinstatement.

**Approved Appeals:** If the appeal is approved and requires a probationary period, the student must meet satisfactory academic standards for hours and a 2.0 minimum term G.P.A. for the next term enrolled at UCF.
FINANCIAL AID FOR GRADUATE STUDENTS

There are several sources of financial assistance available to UCF graduate students. Federal Perkins and Stafford loans and the Federal College Work Study Program, described above, require that financial need be established. Federal Supplemental Loans for Students (FSL) are also available to graduate students. Though FSL loans are made by private lenders and do not require that financial need be established, applicants must have a current need analysis on file in our office.

Out-of-State Tuition Waivers are offered by each college and the Office of Minority Student Services to non-Florida residents. Some colleges give priority to graduate students in making award selections.

Eligibility and application guidelines for Teaching or Research Assistantships and Graduate Assistant Positions are established by the colleges or in some cases by departments, as are pay scales. To apply for an assistantship position, contact the Dean's Office in the Colleges of Business Administration and Education or the department's graduate coordinator in the Colleges of Arts and Sciences, Engineering, and Health and Professional Studies.

There are also scholarships available to graduate students. Please request a UCF Scholarship brochure.

STUDENT RIGHTS AND RESPONSIBILITIES

• Students have the right to complete information about the financial aid programs available at UCF, our application procedures and deadlines, and the criteria used to determine a financial aid package.
• Students have the right to appeal decisions made by the financial aid office.
• Students have the right to equitable treatment of their financial aid applications. Although each student’s case is analyzed individually, eligibility standards are applied uniformly without regard to race, gender, religion, creed, national origin, or physical handicap.
• All student records are confidential.
• It is the student’s responsibility to review and understand all information and instructions, meet all deadlines, and provide all information and documentation accurately. Errors and omissions can cause delays and prevent students from receiving aid. Misrepresentation is a violation of the law.
THE UNIVERSITY OF CENTRAL FLORIDA is committed to a policy of honesty in academic affairs. Examples of conduct for which students may be subject to academic and/or disciplinary penalties including expulsion are:

Cheating whereby non-permissible written, visual or oral assistance including that obtained from another student is utilized on examinations, course assignments or projects. The unauthorized possession or use of examination or course related material may also constitute cheating.

Plagiarism whereby another's work is deliberately used or appropriated without any indication of the source, thereby attempting to convey the impression that such work is the student's own. Any student failing to properly credit ideas or materials taken from another has plagiarized.

NOTE: A student who has assisted another in any of the aforementioned breach of standards shall be considered equally culpable.

In cases of cheating or plagiarism, the instructor may take appropriate academic action ranging from loss of credit for a specific assignment, examination or project to removal from the course with a grade of "F". Additionally, the instructor may request disciplinary action through the Dean of Students Office as outlined in The Golden Rule.

STUDENT CLASSIFICATIONS

Students will be classified by level, on the basis of semester hours satisfactorily earned:

Freshman: Through 29 semester hours.
Sophomore: 30-59 semester hours.
Junior: 60-89 semester hours and have fulfilled CLAST and Gordon Rule requirements.
Senior: 90 or more semester hours, prior to completion of baccalaureate requirements.
Post-Baccalaureate: (except one working toward another baccalaureate degree), who has a baccalaureate degree but has not been admitted to a graduate program.
Graduate: Any student enrolled in graduate courses who has been admitted to a graduate program.

Other student classifications:

Auditor: A student registered for any credit course who is not seeking credit.
Co-op Student: A student enrolled in the Cooperative Education Program remains a registered student during all off-campus assignment semesters. Furthermore, there is no lapse in continuity in the co-op school calendar: a co-op student is either on assignment or attending class during each school semester. (See Veterans' Benefits for co-ops.)
Special Student: A student of demonstrated academic ability who does not meet the regular requirements for admission (Early Admission, non-degree-seeking, transient, and auditor).
Temporary: A student who applied before the deadline and is permitted to register and attend class pending completion of the admission file.
Transient: Students temporarily registered (for one semester) at the University of Central Florida with the approval of some other university or college where they are regularly enrolled, or a UCF student temporarily in attendance at another university or college, with the approval of UCF. A UCF student may not be enrolled as a transient student in another institution during the term in which the baccalaureate degree or the Associate of Arts degree is to be awarded.
Non Degree-Seeking: A student earning credit, but not working on a degree program.
Provisional: A student entering from a regionally unaccredited high school, college, or university may be admitted on provisional status where appropriate. By obtaining a 2.0 GPA ("C" average) or better at the end of the first semester of attendance, the provisional status will be removed. Earning less than a "C" average the first term would result in disqualification.

SEMMESTER HOURS EXPLAINED

The graduation credit value of each course of instruction is stated in terms of semester hours. A semester hour of credit represents one class hour of work (or two or more laboratory hours of work) per week for a semester.

Classes may be offered for a six-week period during the summer semester. During this shortened semester, two class hours of work (or four or more laboratory hours of work) per week are required to represent a semester hour of credit.

MAXIMUM COURSE LOAD

The University reserves the right to establish maximum course loads for students at any level. Course load limitations will be published in the term Class Schedule and made available prior to the beginning of the term.

GRADING SYSTEM

The University uses an alphabetic system to identify student grades and other actions regarding student progress or class attendance. This system, with a grade point equivalent per semester hour, is as follows:

Grades

<table>
<thead>
<tr>
<th>Grade</th>
<th>Designation</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Average</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>Passing</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
<td>0</td>
</tr>
</tbody>
</table>

Other Actions

<table>

<td>0</td>
</tr>
<tr>
<td>N</td>
<td>No grade reported by professor</td>
<td>0</td>
</tr>
</tbody>
</table>

The grade point average (GPA) is the average number of grade points per semester hour attempted and is computed by dividing the total number of grade points assigned by the total number of semester hours attempted, less hours resulting from W, WP, and I grades. The grade point average for graduation requirement is 2.0 ("C") and will be computed on both the student’s total academic program and the UCF program.

The designation of "N" will be temporarily assigned by the Records Office only in the case when a grade has not been submitted by the faculty by the "grades due" deadline. The designator will be replaced by the earned letter grade at the earliest opportunity in the semester which immediately follows. The "N" designator may not be assigned by faculty.

A request for grade change will be considered only during the term immediately following the one in which the grade was assigned, except that grades assigned during the spring
semester may be changed during either the following summer or fall terms. Academic Actions do not change when an incomplete grade is completed nor when a course is repeated. A change in a grade must be approved by the dean of the college. A grade will not be changed after a degree has been conferred.

ACADEMIC STANDING

All Academic Actions are shown on grade reports and transcripts. The action is generated due to course completion. Changing a course grade does not necessarily change academic action. An exception can be made when an error is committed and is so stated on the Change of Grade request form by the professor.

<table>
<thead>
<tr>
<th>Semester Average</th>
<th>Grade Point Average on work attempted during any given semester.</th>
</tr>
</thead>
<tbody>
<tr>
<td>UCF Average</td>
<td>Grade Point Average on all work attempted while in attendance at the University of Central Florida.</td>
</tr>
<tr>
<td>Overall Average</td>
<td>Grade Point Average on all work attempted since entering college, including work from all previously attended institutions.</td>
</tr>
<tr>
<td>Academic Warning</td>
<td>Some first-time-in-college applicants who do not meet University admission requirements may be admitted on Academic Warning. By obtaining a 2.0 GPA (“C” average) or better at the end of the first semester of attendance, Academic Warning will be removed. Earning less than a “C” average the first term will result in Academic Probation. A student may be on Academic Warning only once.</td>
</tr>
<tr>
<td>Academic Probation</td>
<td>Action taken when a Student's UCF cumulative or overall GPA drops below 2.0. A student may also be admitted on Academic Probation. Academic Probation will continue until the current term, UCF cumulative, and overall GPA reach 2.0 or better.</td>
</tr>
<tr>
<td>Disqualified</td>
<td>A student on Academic Probation is disqualified upon failure to achieve a 2.0 GPA during the subsequent semester. A student who is disqualified may not enroll at the University for two semesters following disqualification. Readmission after two semesters is not automatic. A disqualified student must submit an application for readmission supported by a letter indicating the reasons for previous academic difficulties and plans for achieving a GPA of 2.0 or better. The total record will be reviewed and action on readmission will be taken by the Director of Admissions. When the Director of Admissions can not make a favorable decision, cases will be referred to the Admissions and Standards Committee.</td>
</tr>
<tr>
<td>Exclusion</td>
<td>A student readmitted following disqualification who fails to achieve a 2.0 GPA is excluded from the University. Exclusion is most serious and readmission will not be considered prior to a minimum suspension period of one year.</td>
</tr>
<tr>
<td>Readmission</td>
<td>If a student has dropped out of the University for any reason, he or she must reapply on the appropriate form (see calendar for deadline).</td>
</tr>
</tbody>
</table>

First-time-in-college students may be admitted on Academic Warning (see above) or Academic Probation at the discretion of the Admissions Office or the Admissions and Standards Committee. Transfer students may be admitted on Academic Probation at the discretion of the Admissions Office or the Admissions and Standards Committee. Academic Probation is intended to inform students making unsatisfactory progress of their need to alter study habits and to seek additional counseling. Early recognition will indicate to the student the possible jeopardy to academic goals, and will also allow an opportunity to demonstrate acceptable performance.

EARNING CREDIT WHILE DISQUALIFIED OR EXCLUDED

Students disqualified or excluded while a Freshman or Sophomore who subsequently receive an A.A. degree with a “C” average (2.0 GPA) on all college work attempted from a Florida public community college may be readmitted to the University with credit earned in accordance with standard University policies.

Students who attend other colleges or universities following disqualification will be classified as transfer students and their readmission will be based on their total educational record.
INCOMPLETE GRADE

A grade of "I" (incomplete) is assigned by the instructor when a student is unable to complete a course due to extenuating circumstances, and when all requirements can be completed in a short time following the end of the term. The student is responsible to arrange with the instructor for the completion of the incomplete grade by the deadline published in the Academic Calendar for the next term. If the incomplete is not changed by the established deadline, it may become a part of the student’s permanent record with no credit given for the class, or the instructor may assign a grade of "F." An "I" can not be removed by Grade Forgiveness. Academic actions are not affected by the change of an "I."

INSTRUCTORS PLEASE NOTE: A grade is assigned using the Change of Grade Form. After the form is signed by the Dean of the College offering the course, the Dean sends it to the Registrar's Office.

SCHEDULE CHANGES—ADD/DROP POLICY

Add: A student may add a course during the official add/drop period (the first three to five days of each term, as listed in the academic calendar). After the add/drop period, no course may be added.

Drop: A student may drop a course during the official add/drop period. The fact that the student was enrolled in a class so dropped will not appear on the permanent record. For withdrawal after the add/drop period, the Withdrawal Policy must be consulted.

WITHDRAWAL POLICY

A student may withdraw from a class and receive the notation of “W” until the end of the eighth week of any regular semester or until the midpoint of any summer term by completing a Course Withdrawal form available in the Office of Records and Registration, first floor of the Administration Building.

A student is never automatically withdrawn from a class for not attending, nor can an instructor withdraw a student from a class. Upon request, however, the instructor will provide the student with an assessment of the student’s performance in the course prior to the last day of withdrawal.

No withdrawal is permitted after the deadline except in extraordinary circumstances such as serious medical problems. Unsatisfactory academic performance is not an acceptable reason for withdrawal after the deadline. Students who need to petition for a late withdrawal should consult the Office of Undergraduate Studies, Administration Building, Room 210. At the time of the request an Assistant Dean from the Office of Undergraduate Studies will ascertain from the instructor whether the student was passing or failing the course. If the student was passing, a “WP” will be recorded on the student’s permanent record; if failing, a “WF” will be entered.

Students who seek a late withdrawal from class on medical grounds must apply for the withdrawal no later than that term following the one from which the withdrawal is sought. Students seeking a late withdrawal because of medical conditions must follow the medical withdrawal procedure. The student’s physician provides the University physician with the appropriate medical information, using the forms available in the Office of Undergraduate Studies. The University physician evaluates this information and forwards a recommendation to Undergraduate Studies.

If a medical withdrawal is approved, a “WM” will be recorded for each course. If a medical withdrawal is not approved, the request may be approved as a late withdrawal, and grades of “WP” or “WF” will be recorded.

A grade of “WF” will affect the calculation of the student’s grade point average (the procedure used for calculating is further defined in the paragraph titled “Grading System” earlier in this section).

If a student withdraws from a course while an alleged academically dishonest act is under consideration, and the case is not subsequently resolved in favor of the student, the University reserves the right to assign the appropriate grade for the course.

TRANSIENT ENROLLMENT AT OTHER INSTITUTIONS

A UCF degree-seeking student who wishes to earn credit at another college or university for transfer back into a degree program must obtain prior approval for specific courses from
the Dean or Department Chair of his respective college. Approval of courses for the General Education Program should be obtained from the Office of Undergraduate Studies. Credit earned without this transient approval may not be accepted. Students who are taking courses in transient status during the term in which they expect to graduate and who have been approved by the procedures indicated above, must provide an official transcript to the Graduation Area of the Records Office no later than two weeks after commencement. It is the student’s responsibility to request this transcript from the transient institution. Students, whose transcripts not received by the deadline date, may not be approved for graduation that semester. Transient forms are available in the college of the student’s major. Transient credit cannot be used to reduce the last 30 semester hour residency requirement for a baccalaureate degree or the last 20 semester hour residency requirement for an Associate of Arts degree.

GRADE FORGIVENESS

Policy

Limits: Grade forgiveness is limited to two courses.

- Grade forgiveness can be used only for courses taken at UCF. Grade forgiveness is not retroactive, and therefore may not be used for a course repeated before Fall 1981.
- UCF does not honor grade forgiveness granted at other institutions unless it is part of an Associate of Arts degree transferred to UCF from a Florida public community college or university. Because of the two-course limit, a student who has used grade forgiveness twice at another institution, and has included those courses in the transfer of an Associate of Arts degree may not use grade forgiveness again at UCF.
- A course taken at UCF may not be repeated at another institution for forgiveness by UCF.
- Grade forgiveness may not be used twice for the same course.
- Registration for grade forgiveness must be completed by the end of the add/drop period in the term in which the course is repeated.

Exception: If a student who repeated a course at UCF before Fall 1981 did not use the previous forgiveness policy and wishes to repeat the course again to take advantage of the forgiveness policy, he or she may do so. In this case, the lower of the previous two grades will be forgiven. This special circumstance is the only one in which a student will be allowed to repeat a course more than once.

General Policy: All grades will remain on the student's official transcript. The original course grade will be marked with a “T” to indicate that the course has subsequently been repeated, and the repeat course grade will be marked with an “R.” The original grade will not be computed in the grade point average except in a case in which the student withdraws from a course he or she is repeating or takes a grade of incomplete. With prior approval of the dean of the college in which the course is offered, the student may substitute a course different from the original one if (1) the substitute course has been changed in prefix, number, hours, or title, but not in substance, or (2) the substitute course replaces a course no longer offered by UCF.

Grade forgiveness awarded for repeated courses will not retroactively alter any previous academic action. For example, a Probation or Disqualification status will not be removed from the records of the quarter or semester in which the student originally took the course. In addition, no academic records can be altered after a student graduates.

If it is determined that the student is ineligible for the forgiveness policy, neither a refund of fees nor automatic withdrawal from the course will be made.

Procedure

Students who wish to exercise Grade Forgiveness must complete the following steps before registering to repeat a course:

1. Complete a “Grade Forgiveness Request Form” from the Office of Records and Registration for each course to be repeated.
2. If the course is a substitution for the original one (see above), secure the signature of the dean of the college in which the course is offered.
3. Turn the completed form in to the Office of Records and Registration no later than the last day of add/drop. No petitions will be accepted after the deadline.

Any questions about Grade Forgiveness should be directed to the Office of Undergraduate Studies, Extension 2691.
ACADEMIC HONORS

1. President's Honor Roll Certificate

The President's Honor Roll Certificate is awarded in recognition of scholastic honors to regular undergraduate students who register for and complete 12 or more hours, excluding pass-fail coursework, and maintain a 4.0 GPA for the given term or who complete 15 semester hours during any 2 consecutive terms at UCF with no more than 11 hours in any one term, excluding pass-fail work, and maintain a 4.0 GPA for the 2 terms.

Hours utilized in the awarding of a President's Honor Roll Certificate may not be utilized in the determination of a subsequent certificate.

2. Dean's List

The Dean's List is compiled in recognition of scholastic honors for students who earn a 3.4 GPA with no grade less than "C" and no incomplete or "U" grades during a term.

To be eligible for the Dean's list students must register for and complete a minimum of 12 semester hours in a Fall or Spring semester or 9 semester hours in a Summer semester.

3. Baccalaureate Honors

The University shall confer baccalaureate honors recognition on those students who have completed a minimum of 48 semester hours at UCF and who:

A. Attain an overall grade point average which is in the upper 10% of the range established by all students graduating in the same college during the previous two years.

B. Attain at least a 3.2 overall grade point average.

C. Honors awarded will be

1. Summa Cum Laude for those students in the upper 2.5%.

2. Magna Cum Laude for those students in the upper 5%, but not in the upper 2.5%.

3. Cum Laude for those students in the upper 10%, but not in the upper 5%.

Since records for the semester of graduation are incomplete at the time of graduation, that term is excluded in determining recognition in the commencement bulletin and at graduation. Identification of these students at graduation is therefore presumptive of honors and not conclusive since final term grades may result in changes in relative rankings.

TIME-SHORTENED DEGREE OPPORTUNITIES

The University of Central Florida provides a number of options by which students may shorten the time required to complete the baccalaureate degree. These options permit the University to recognize high levels of academic achievement and acquisition of knowledge prior to or during attendance at the University. Procedures which may be used include the Early Admission Program, the College Level Examination Program (CLEP), the Advanced Placement Program (AP), the International Baccalaureate, and University Course Credit by Examination.

Early Admission Program

Students who have demonstrated exceptional academic ability may be permitted to enroll as students at the University of Central Florida any time after completion of their junior year in high school. To be considered for Fall Semester Early Admission, applicants must have:

1. Superior test scores (SAT 1100 or above, ACT 27 or above).

3. A recommendation from the student's high school counselor.

4. A letter of permission from parents or guardian.

5. A campus interview to ascertain the student's maturity and ability to adjust to collegiate responsibilities.

Qualified students may enroll dually on a part-time basis, taking one or two courses while completing their high school programs. An interview and letters of recommendation from parents and principal are required in addition to a superior record.

Students desiring admission prior to high school graduation should contact the Admissions Office for an appointment.
College Level Examination Program (CLEP)

The University of Central Florida grants University credit for examinations taken under the CLEP program provided the score obtained is at the 50th percentile or above on the National Sophomore CLEP norms. The University of Central Florida will award up to 45 semester hours of University credit under the CLEP program.

CLEP credit may be earned by the following methods--CLEP general examinations, CLEP general examination subtests, and CLEP subject examinations. A student may earn a maximum of 45 semester hours of credit through this program. Successful completion of CLEP examinations means performance at or above the 50th percentile.

Awarding of CLEP credit is subject to the conditions listed below.

1. Credit may be awarded in the CLEP general examination area, CLEP general subtest area, or CLEP subject examination area, provided the student (a) is not within 60 semester hours of graduation, (b) has not previously received comparable college course credit in the CLEP examination area, (c) does not receive comparable college credit in the CLEP examination area in the same semester the examination is taken or in a subsequent semester, (d) has not previously completed nor received credit by UCF (transfer or otherwise) in a more advanced course in the examination area, and (e) does not complete nor receive credit by UCF (transfer or otherwise) in a more advanced course during the semester in which the CLEP examination is taken.

2. Partial credit may be awarded in Humanities and Social Science-History general examinations to students who have course duplication in one subtest area but not in the other subtest area. For example, a student who has completed Humanities but has not completed Introductory Literature or a more advanced literature course would be eligible to receive credit in the literature subtest area, provided that he or she receives a satisfactory total score and a satisfactory subtest score.

The following table provides information related to the CLEP general examination areas and subtest areas for which credit may be awarded. In addition, this table delineates the number of credit hours per examination, and the minimum qualifying score. A table is also provided which contains information about CLEP subject examinations. The table delineates CLEP subject examinations which are available, qualifying scores for each examination, the UCF course for which each examination can substitute, and semester hours which will be awarded.

It is important to note that a maximum of 45 semester hours in any combination of extension, correspondence, CLEP, Armed Forces Service School Credits, and University Credit by Examination will be accepted by the University for application toward an undergraduate degree. In addition, CLEP credit can not be used to reduce a grade point deficiency. For example, CLEP can not be substituted for a grade awarded for a previously completed course. CLEP may not be used to fulfill the senior institution requirement.

**CLEP GENERAL EXAMINATIONS**

Qualifying scores on CLEP General Examinations earn only general (lower division) elective credit.

* Those students receiving six or nine hours are allowed to complete these courses.
** Each student must also satisfactorily complete a lab and an essay exam. Both exams will be given by the College of Health.
*** Satisfactory completion of these exams does not reduce the 24,000 word requirement of the Gordon Rule.
**** Does not satisfy General Education Program science laboratory requirement.
Advanced Placement Program (AP)

Students who have participated in the Advanced Placement Program in high school and received a score of three, four, or five on the national examinations will receive college credit in the appropriate subject areas. Students should consult their high school guidance counselor or write to the Educational Testing Service, Princeton, NJ 08540, for additional information.

Credit by Examination

Regularly enrolled* undergraduate students at the University of Central Florida may obtain credit for specific university courses through departmental examinations. Those who feel they have acquired the knowledge and/or skills of a specific University course should consult their advisor and the chair of the department in which the course is offered to arrange for an examination. Degree credit will be awarded for those courses successfully completed by departmental examination. Credit by examination may not be attempted in a course in which the student has previously enrolled and may not be used to reduce the 30 semester hours residency requirement. Credit by examination will not be given for any course lower in content than courses in the same discipline (i.e., with the same rubric) in which students are currently enrolled or which they have already completed. Permission to take an examination is approved by the chair of the department and the Dean of the college in which the course is offered.

*Excludes transient and non degree-seeking students.
UNDERGRADUATE DEGREE REQUIREMENTS

REQUIREMENTS FOR GRADUATION

Students must fulfill both the requirements for a major and University graduation requirements to receive a degree from the University of Central Florida.

To earn a bachelor's degree from UCF, students must:

- Fulfill the requirements for the chosen major
- Earn a minimum of 120 unduplicated semester credit hours with at least a "C" average (2.0 GPA, both UCF and overall) for coursework attempted. Some majors require more than 120 hours.
- Earn a minimum of 60 of these 120 semester credit hours from a senior institution (an institution which offers baccalaureate degrees).
- Earn at least 48 of these 120 semester credit hours in 3000-level courses or above.
- Earn the last 30 semester hours in regular courses at UCF. Credit by examination may not be used to satisfy this requirement.
- Earn a minimum of 30 semester hours in residence at UCF.
- Earn a minimum of 60 semester hours after CLEP credit has been awarded.
- Apply no more than 45 semester hours in any combination of extension, correspondence, CLEP, University Credit by Examination and Armed Forces credits toward an undergraduate degree.
- Fulfill the General Education requirements defined elsewhere in this section.
- Fulfill the Gordon Rule requirements defined elsewhere in this section.
- Fulfill the Foreign Language Proficiency requirement defined elsewhere in this section.
- Fulfill the CLAST requirement defined elsewhere in this section.
- Earn a minimum of nine semester hours during summer terms, if applicable.
- Complete an Intent to Graduate form by the end of the first full week of classes of the term of graduation.

CHOICE OF CATALOG AND CONTINUOUS ENROLLMENT

A student must graduate under the provisions of any UCF catalog in effect since the student began continuous enrollment at UCF. However, students transferring from Florida public community colleges or state universities may use the UCF catalog in effect at the time they began the most recent period of continuous enrollment in academic good standing at any of the Florida public institutions. Continuous enrollment is defined as being enrolled in classes without a break of two or more consecutive regular semesters (i.e., Fall and Spring, or Spring, Summer, and Fall). Continuous enrollment is automatically broken when a student moves from one transfer institution to another following academic disqualification or exclusion.

Students must use a single catalog and not a combination of catalogs for graduation. In cases when required courses are no longer taught by the university, the appropriate department, college, or university office may designate a reasonable substitute.

If students should wish to change their catalog for graduation, they should first discuss with their advisors how such a change would affect university, college, and major requirements. If students should decide to request a change, they should fill out a catalog change form in the Student Academic Support Services (SASS) Office, Phillips Hall, Room 202.

GENERAL EDUCATION PROGRAM

The General Education Program (GEP) is designed to provide insight into the major areas of knowledge at the University. The GEP further supplies the background for making a more knowledgeable selection of major and elective courses.

Courses which fulfill the General Education requirements are specified, but in some cases an advanced course in the same discipline may be substituted for GEP requirements with the approval of the Office of Undergraduate Studies. Students should consult both with an advisor and with the Office of Undergraduate Studies before substituting any course.

Undergraduate students who have not completed requirements for the Associate of Arts degree and who wish to transfer to another Florida public university can have their
transcripts stamped GENERAL EDUCATION REQUIREMENTS MET if they have completed UCF's GEP requirements with a GPA of 2.0 or better. UCF will accept a similar statement on transcripts received from Florida public community colleges and universities in lieu of completion of the University's General Education Program.

**GENERAL EDUCATION PROGRAM COURSES**

(40 semester hours required)

A. Communication Foundations

</table>

*A grade of "C" or better in this course satisfies three hours of the Gordon Rule requirement in English composition. In addition, any upper-division course in compo-
sition or literature taught by the UCF English Department and selected upper-division courses taught by the UCF History Department also satisfy three hours of the English composition requirement, if the course is completed with a grade of "C" or better. A list appears in "The Golden Rule" this section.

**A grade of "C" or better satisfies three hours of the Gordon Rule requirement in mathematics. In addition, a grade of "C" or better in any higher level course in mathematics, statistics, or computer science also satisfies three hours of the mathematics requirement.**

**Substitution Of Courses — General Education Program**

The Student Academic Support System (SASS) Office routinely coordinates the evaluation of transfer courses for the University's General Education Program and Foreign Language Proficiency requirements. When the transfer coursework is entered into the UCF computer system (usually during the first semester at UCF), the SASS Office will request course descriptions and other information to provide a sufficient basis for evaluation. Courses are evaluated on the basis of equivalency with the content of the courses required by the university. The evaluation conducted by the SASS Office is entered into a computerized Degree Audit System and is then available to the colleges and departments through the University's computer network.

Appeals of decision made by the SASS Office should be directed to Dr. David Dees, Assistant Dean, Undergraduate Studies. Further appeal of decisions made by Dr. Dees should be directed to the University Appeals Committee, Administration 210.

Substitution requests for college or major requirements are processed within those administrative offices.

**Alternative Courses - General Education Program**

Courses which may be taken in substitution for the stated GEP requirements are given below.

**GEP REQUIREMENTS**

- MAC 1104 (College Algebra)
- ECO 2013 (Macro Economics)
- PHY 3053C (Physics)
- CHM 1020 (Chemistry)
- BSC 1020C or BSC 1030C (Biology)
- GEO 1200 (Geography)
- CGS 1060C (Intro to Computer)
- STA 2014 (Statistics)

**ACCEPTABLE SUBSTITUTIONS**

- MAC 1114, MAC 3233, MAC 3253, MAC 3254, MAC 3311, MAC 3312, MAC 3313
- Any higher level ECO course which has ECO 2013 as a prerequisite.
- PHY 3048, PHY 3049, PHY 3054C, PHY 3014C, PHY 5015
- CHM 2045, CHM 1032, CHS 1440
- BSC 2010C
- GEO 3370
- CGS 3000, CGS 3422, COP 1200, COT 3100
- STA 3023, STA 3032

**FOREIGN LANGUAGE PROFICIENCY REQUIREMENT**

Students graduating with a Bachelor of Arts degree must demonstrate proficiency in a foreign language equivalent to one year of college instruction. This requirement may be met either by successful completion of the appropriate college-level course or by examination. Languages which may be used include those taught at UCF and any others for which the University can obtain standardized proficiency tests. Students who have previously received a baccalaureate are exempt from this requirement.

For specific guidelines concerning proper placement in foreign language classes, please see section: Dept. of Foreign Languages and Literatures, under the heading, Placement and Proficiency.

Some Departments and Colleges have additional requirements. See "special college and/or departmental requirements" within each departmental listing.

1. This requirement is for proficiency and not a requirement for a particular number of hours of coursework. For example, successful completion of only SPN 1121 (Elementary Spanish Language and Civilization II) would satisfy the B.A. requirement. Appropriate scores on Advanced Placement and CLEP examinations will also satisfy the requirement.
2. This is a University-wide requirement for all B.A. majors.
3. The Testing Administrator of the Office of Counseling and Testing will offer the Foreign Language Proficiency Examination periodically in each semester. Students must register in advance with that office to take the examination (RS 203).
4. The foreign language proficiency requirement does not apply to students seeking a second baccalaureate degree.
5. A student who is required to furnish a passing TOEFL (Test of English as a Foreign Language) score for admission to the university and does so is considered to have satisfied the requirements.

THE GORDON RULE

The Gordon Rule (State Rule 6A-10.30) applies to students who first enrolled in any college or university after October 1982. The rule requires students to complete 24,000 words of composition in 4 courses (12 semester hours) and to complete 2 courses (6 semester hours) of mathematics at the level of college algebra or higher. Each course must be completed with a grade of “C” or better. CLEP and other forms of credit by examination may not be used to satisfy the composition portion of the Gordon Rule Requirement.

UCF courses which are required by the General Education Program may also be used to satisfy the Gordon Rule. Gordon Rule requirements may be satisfied by the General Education Program as follows:

Gordon Rule Requirement:  
1. 6 hours of math at the level of college algebra or higher
2. 12 hours of coursework in which the student must complete 24,000 words of composition

GEP Courses Which Satisfy:
1. college algebra or finite math (1)
2. statistics or computer science (2)

Any 3000-level or above course in math, statistics, or computer science may also be used toward fulfillment of the math portion of the Gordon Rule Requirement.

Additional specific upper level courses may also be used to meet the Gordon Rule composition requirement. Consult the OASIS and SASS offices for information.

COLLEGE LEVEL ACADEMIC SKILLS TEST—(CLAST)

The College-Level Academic Skills Test (CLAST) is designed to ensure that students have achieved communication and computation skills commensurate with successful completion of the Lower Division. All students seeking an Associate of Arts or Baccalaureate degree from UCF are required to pass CLAST. CLAST must be taken no later than the term in which a student enrolls for the 45th credit hour.

Transfer students with more than 55 credit hours who have not had the opportunity to take CLAST may be admitted, but must take CLAST during their first term at UCF.

Students with 70 or more hours of credit who have not taken the CLAST will be restricted to enrollment in 1000- and 2000-level classes until they have taken CLAST.

Students who have not passed all four subtests of CLAST may enroll for an additional thirty-six (36) semester hours of upper division credit after qualifying for admission to upper-division status. If the CLAST requirement has not been satisfied and the additional 36 hours of upper division credit have been earned, enrollment in future terms at UCF will be prohibited until the CLAST requirement has been satisfied. An appeal to continue enrollment must be approved by the University Admissions and Standards Committee.

There are additional guidelines which apply to students receiving financial aid. Contact the Office of Financial Aid for further information.

CLAST is offered statewide once per term. Students must register in advance at the Records Office, Administration Building, First Floor. Information regarding CLAST may be obtained from the Student Academic Resource Center, PC1-102, phone (407) 823-5130.

CORRESPONDENCE COURSES

The Department of Independent Study by Correspondence, Division of Continuing Education, University of Florida, Gainesville, FL 32611, administers all correspondence instruction for the State University System. Phone: (904) 392-1711.
SUMMER ATTENDANCE REQUIREMENT
A student entering the State University System with less than 60 semester hours of credit is required to enroll in a minimum of 9 hours of credit in the summer at a state university. Courses taken at the University during the summer for which the student receives a "W" or "F" may be counted toward this requirement. Petitions for exemption are sent to Dr. David Dees in Undergraduate Studies on the form supplied by the Office of Undergraduate Studies (AD 210).

ADMISSION TO THE UPPER DIVISION
To be classified as an upper-division student at the University of Central Florida, a student must complete the following:
1. A minimum of 60 semester hours of academic work.
2. The English and mathematics requirements of the Gordon Rule.
3. Passing scores on three of the four parts of the College Level Academic Skills Test (CLAST)
4. One year of college instruction in a single foreign language. (This requirement applies to those students admitted to the University without the required two units of foreign language in high school.)

STEPS IN THE GRADUATION PROCESS
A student should apply to the Registrar for graduation before registering for his final semester of attendance and not later than the end of the first full week of classes of the term of graduation.
Upon completion of 100 undergraduate semester hours of coursework, the student is notified to report to his Academic Advisor.

The following steps are required of students who are near or in their last semester before graduation:
1. The student must complete an “Intent to Graduate” form, available in the Registrar’s Office, not later than the end of the first full week of the term of graduation.
2. The candidate for graduation must initiate a checksheet for graduation with his/her advisor. At the end of the semester the checksheet will be completed and forwarded for approval to the Dean of the college in which the student is enrolled. If approved, the Dean will forward the checksheet through appropriate channels to the Registrar’s Office for inclusion in the student’s permanent University record.

Successful completion of the degree requirements stated in the catalog under which the student wishes to graduate shall constitute a recommendation of the respective college faculty that the degree be awarded, assuming the student is in good standing in the University.
A student must complete all requirements for a baccalaureate or graduate degree no later than the date of the semester graduation ceremony. A student may not be enrolled as a transient student in another institution during the term in which the baccalaureate degree or the Associate of Arts degree is to be awarded.

TEACHER CERTIFICATION REQUIREMENTS
Since July 1, 1980, initial certification requirements (Temporary Certificate) in Florida have included three basic components with a fourth now added as prerequisite to (Regular Certificate) full certification. The components are:
1. General Preparation
   Courses included in this category are normally classified as general education (i.e., General Education Program). A graduate with a Bachelor’s degree from an accredited institution shall be considered to have met the General Preparation requirements.
2. Teaching Specialization
   Courses included in this category are normally classified as the major area in a student’s college program. Other subjects can be shown if the specific requirements in 6A-4.07 through 6A-4.35 Florida Requirements for Teacher Certification have been met.
3. Professional Preparation
Students can complete a program of Professional Preparation by one of two means at UCF. These means are:
A. The State-Approved Program of Teacher Education (i.e., a major in the College of Education) and satisfaction of state requirements for SAT or ACT scores.
B. The Basic Certification Program (i.e., a major in some other college) and admissibility to the professional phase of the program.

4. Comprehensive Examination
Competency must be demonstrated on a written examination in the areas of Mathematics, Reading, Writing, and Professional Skills. Examinations will be administered at least three times per year throughout the State of Florida. Beginning July 1, 1981, a Regular Florida Teacher's Certificate may be issued to persons meeting all requirements for the Temporary Certificate and satisfactorily completing a year-long beginning teacher program approved by the State Board of Education.
OFFICE OF UNDERGRADUATE STUDIES

Associate Vice President and Dean: Stuart A. Lilie, AD 210, Phone (407) 823-2226
Associate Dean: Paul R. McQuilkin, AD 210, Phone (407) 823-2691
Assistant Dean: David Dees, AD 210, Phone (407) 823-2691
Assistant Dean: TBA
Assistant to the Dean: C. Barth Engert, AD 210, Phone (407) 823-5907

The purpose of the Office of Undergraduate Studies is to enhance students' undergraduate education from admission through graduation. Undergraduate Studies oversees academic advisement, CLAST, the General Education Program, the Gordon Rule, intercollege programs, and placement examinations. Working with the University Admissions and Standards Committee, Undergraduate Studies reviews student problems in such areas as admissions, class schedules, grade forgiveness policy and withdrawals. The Office works to improve undergraduate teaching through the Learning Resource Council. Undergraduate Studies is responsible for the Offices of the Registrar, Admissions and Financial Aid.

Undergraduate Studies offers academic support to students through the Office of Minority Student Services, the Student Academic Resource Center and the Student Academic Support System. Undergraduate Studies supervises the administration of the Honors Program, Cooperative Education, the Office of Community College Relations, and the McKnight Center of Excellence.

COMMUNITY COLLEGE RELATIONS

Director: TBA, AD 210, Phone (407) 823-2231
Assistant Director: Robert Snow AD 210, Phone (407) 823-2231

Community College Relations is responsible for: keeping community colleges informed about UCF's programs and policies; making state-wide visits to community colleges; conducting advanced orientations for AA transfers; annually publishing the UCF "Transfer Student Counseling Manual"; annually providing updated transfer information for the developing "Student OnLine Advisement and Articulation (SOLAR)" Statewide Network; monitoring the state-wide community college/university articulation agreement; serving as liaison with community college officials; and conducting appropriate workshops/meetings to maintain and improve community college relations.

COOPERATIVE EDUCATION

Director: Sheri Dressler, PH 208, Phone (407) 823-2667

Many university students actively plan their careers through participation in cooperative education. Co-op is an academic program combining on-campus classroom study with off-campus major-related work experience for which the student receives a salary. It offers a blend of theory and practice, integrating formal university preparation with practical work experience. Through this program, students develop professional work skills, test career goals, improve academic performance, generate income, and increase prospects for full-time employment upon graduation. Students may also earn credit for objectives accomplished on a co-op assignment when this credit counts toward a student's degree requirements.

Students choose between two scheduling options, the alternating plan in which they alternate terms of full-time work with full-time school and the parallel plan in which they attend classes full time and work part time concurrently. As an additional option, Co-op administers the Florida College Career Work Experience Program (FCCWEP) through which employers are reimbursed 50% of the student's salary for providing career-related work opportunities. Co-op administers the Florida College Career Work Experience Program (FCCWEP) through which employers are reimbursed 50% of the student's salary for providing career-related work opportunities.
Eligibility requirements for co-op include 1) full-time enrollment in an undergraduate or graduate degree program at UCF 2) completion of a minimum of 20 college semester hours 3) having a minimum of 1 academic semester remaining before graduation, and 4) maintenance of a minimum of a 2.5/4.0 UCF grade point average.

Co-op is available to students on all campuses in all five colleges.

UNIVERSITY HONORS PROGRAM

Director: Mark Stern, PH 203, Phone (407) 823-2076

The University Honors Program is designed to enhance and broaden the talents and abilities of the most able students who matriculate at the University of Central Florida. The program includes intensified course work within traditional discipline boundaries, as well as interdisciplinary, integrated courses, independent study, international studies work, and activities beyond the classroom. The University Honors Program is oriented to accepting the best available students and expanding their horizons so that they can perform at the highest level of excellence. It is the intent of this program to prepare students for entry into the best graduate and professional schools, as well as for distinguished careers in business and public service.

Although entry into the Honors program is predicated on excellence in academic work, students are also expected to participate in extracurricular activities of the Honors Program, e.g., attendance at special guest lectures and presentations, and participation in University-related service activities, such as peer advising and tutoring. The Honors program is designed to provide students with the advantages of both an excellent undergraduate college experience and a major research university experience.

There are two distinct Honors curricula available to the student: University Honors and Honors in the Major.

University Honors. Admission into the University Honors Program is granted by the Honors Director. Students who seek admission into the program must apply directly to the Honors Director. It is the student's responsibility to obtain the appropriate Honors Program admissions information from the Director and to follow the procedures necessary to enter the program. Prospective Honors students and their parents are strongly encouraged to visit with the Honors Director as part of the admissions process. Due to the highly selective nature of the Honors program and the limited enrollment available, there are two categories of admission: Early Decision and Alternate Decision.

Early Decision. An incoming Honors freshman will be eligible for Early Decision if he or she has achieved one or more of the following distinctions: National Merit Scholarship Finalist or National Achievement Scholar Finalist or Semi-Finalist, Valedictorian or Salutatorian of a regionally accredited high school. In addition, students who meet the following academic criteria will also be eligible for Early Decision:

<table>
<thead>
<tr>
<th>HIGH SCHOOL GRADE POINT AVERAGE (WTD.)</th>
<th>COMBINED SAT SCORE</th>
<th>COMBINED ACT SCORE</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.9 +</td>
<td>1000</td>
<td>24</td>
</tr>
<tr>
<td>3.7 - 3.89</td>
<td>1100</td>
<td>26</td>
</tr>
<tr>
<td>3.5 - 3.69</td>
<td>1200</td>
<td>28</td>
</tr>
</tbody>
</table>

Students who meet any of the above criteria but apply to enter the program after the first 130 seats in the entering freshman Honors class are filled will be placed in the Alternate Decision category.

Alternate Decision. Students with (1) a 3.25 or better GPA and a total score of 1300 or better on the SAT or 30 or better on the ACT or (2) a 3.0 or better GPA and a total score of 1400 or better on the SAT or 33 or better on the ACT, or (3) the credentials which meet the Early Decision criteria, but who applied for entry into the program after the first 130 places were filled, may be admitted into the program under the Alternate Decision procedure. An Alternate Decision applicant must file a letter of application for admission with the Honors Director and must also submit a 500 word essay stating his or her contribution to the program. Students who seek to enter the program under the Alternate Decision procedure may be required to visit with the Honors Director for a personal interview. At least thirty students in each entering freshman Honors class will likely be chosen from the Alternate Decision category.
Acceptance. A student who plans to enter the University Honors Program and who is notified of acceptance into the program must file with the Honors Director a written statement of intent to enter the program and a $60.00 payment to secure membership in the Honors Club. The student must complete this within thirty (30) days of acceptance into the program, or a place may not be available. Once the student has completed the procedures he or she will be provided with timely notice of Honors registration and orientation.

A student who is not admitted to the program as an entering freshman may apply for admission after completing at least fifteen (15) semester hours at the University of Central Florida with at least a 3.5 GPA. Mature students who are returning to do college work after having been out of college for a period of several years, or who have never been previously enrolled in college, are especially encouraged to apply for admission to the program after one or more semesters of at least 3.5 GPA work at the University. Transfer students who seek admission will have their requests considered if they meet the high school GPA and SAT/ACT criteria listed above and have at least a 3.5 GPA in their transfer work from a regionally accredited college or university.

Students must maintain a 3.2 overall GPA and 3.0 GPA in Honors Courses in order to remain in the University Honors Program. In addition to meeting the GPA requirements, to graduate with University Honors a student must also meet the following requirements: (1) complete 12 hours of course work in Honors Sections of the General Education Program; (2) complete, with a "satisfactory" grade, "Honors Symposium I" and "Honors Seminar II"; (3) complete one "Honors Lecture" course; and (4) complete two upper division "Honors Seminars" outside of the major field of study.

Students who complete a semester abroad or receive six or more hours of upper-division credit for study abroad as part of the University International Studies Program, will receive credit for completion of one upper division "Honors Seminar." By the end of the second week of the term in which a student plans to graduate with honors, the student must file a completed "Intent to Graduate with Honors" form with the University Honors Director.

A student who completes all of the requirements for University Honors will have the designation of "Graduation with University Honors" entered on the Diploma and the University transcript. 

---

1The $60.00 payment will normally be by check or money order made out to: UCF Foundation-Honors Endowment. If for any reason any applicant cannot make this payment, he or she should discuss this with the Honors Director. No student will be denied entry into the program because of inability to pay the Honors Club membership fee.

2When a student has an exceptionally high number of dual enrollment, Advanced Placement, CLEP or other work which is substituted for GEP course hours, he or she may petition the University Honors Committee to substitute, on a credit for credit basis, Honors Lecture course work or Honors Seminar course work for Honors GEP course work.

3"Honors Symposium I" and "Honors Symposium II" designate one credit hour courses which will be offered, respectively, in the Fall and Spring semester of each year. This course will include guest lectures, video and film presentations, and live performances by guest artists, e.g., musicians or poets. During each semester a field trip will be included as part of the Honors Symposium. Attendance at this series will be mandatory for all students seeking University Honors. Only one unexcused absence is permitted. The course is graded on a "satisfactory"/"unsatisfactory" basis.

4Each Fall and Spring term a three credit "Honors Lecture" course will be offered. The Lecturer will offer an integrative and original course that will be open only to Honors students. The purpose of this course is to explore cross-disciplinary domains and broaden the student's perspective beyond the usual notion of a "major" field of study. Students may take more than one Honors Lecture course, but at least one such course must be taken as part of the requirements for graduation with University Honors.

5The three credit hour "Honors Seminar" is offered within the department major areas or programs, but is broad-based in the topics which are pursued. These seminars are designed especially for Honors students and are intended for non-major participation. With the consent of the Instructor, majors will also be invited into an Honors Seminar.
Honors in the Major. Application for admission to the Honors in the Major program will be made to the department or college in which Honors are sought. Requirements for admission to Honors in the Major are: the completion of sixty hours of college credits; a cumulative 3.2 or higher grade point average, including at least twelve graded upperdivision hours at the University of Central Florida; permission of the department in which such Honors are sought; and permission of the Director of the University Honors Program. Upon application and approval of the major department or college, and with notification to the University Honors Committee, GPA requirements may be waived in cases where prior work at the college level was taken at least three years previous to the current period of continuous enrollment at the college level. Participation in the University Honors Program is not a requirement for participation in Honors in the Major.

Honors in the Major is awarded upon completion of an advanced Honors Project or Thesis, and the completion of at least one upper division Honors Seminar or an Honors Directed Readings course in the department in which Honors is taken. Each department or college reserves the right to set additional requirements for Honors in the Major to be achieved. Upon petition to the Honors Committee and with the consent of the major department, a student may be awarded credit for an Honors Seminar in the major if six hours of upper-division credit accepted by the major department or college is taken abroad as part of the University International Studies Program or other overseas program directly connected with the University. The Honors Project or thesis is to be completed under the direction of a committee of three faculty members, one of whom is the major adviser. Up to six hours of 4000-level thesis credit may be awarded for student work on the Honors Project. This program is designed to encourage original and independent work on the part of the student. A copy of the thesis, creative work or project that is the expected outcome of this course will be placed in the library. With the approval of the major department or college and notification to the University Honors Committee, an Honors student may be permitted to waive any and all of the usual requirements for completion of the major and pursue a course of study designed to fit his or her individual needs.

A student who completes all of the requirements for Honors in the Major will have the designation of "Honors in the Major" noted on the diploma and the University transcript.

*Denotes Honors Hours

Honors in the Major also designates a program in which a particular college may undertake to award Honors for upper-division work within the college. In the case of a college-wide Honors in the Major program, the student should consult the Office of the Dean of the College for information concerning procedures and requirements related to this program. Honors in the Major work is available only at the option of each department or college.

It is the responsibility of the Honors student to obtain a faculty adviser who will undertake the responsibility of directing the Honors Reading and Study Course. The student is responsible for notifying the Honors Director, in advance, when he or she intends to pursue the Honors Directed Readings Course. Prior to entry in the readings course, the student must file with the department or college and the University Honors Committee a readings list and study proposal signed by the faculty member under whose direction the course will be given. Credit towards Honors in the Major will be awarded by a department or college for a readings course if a grade of "A" or "B" is received by the student.
MINORITY STUDENT SERVICES

Director: TBA, AD 145, Phone (407) 823-2716

The Office of Minority Student Services is responsible for coordinating special programs, projects, and special services for minority students. The office cooperates with existing student services in the recruitment, admission, and retention of minority students, and is responsible for monitoring and facilitating the academic progress of minority students. Minority Student Services also assists in developing cultural and social programs to enhance the development of the individual.

STUDENT ACADEMIC RESOURCE CENTER (SARC)

Director: Mary Helen Callarman, PC1-102, (407) 823-5130

The Student Academic Resource Center (SARC) provides students with individualized and small-group tutoring in math, English, reading, foreign language, physics, statistics, and many other disciplines.

Every semester the SARC offers a series of CLAST Review Workshops for each of the four CLAST subtests. The SARC staff can also prescribe self-paced programs specifically designed for CLAST preparation.

The SARC provides English grammar materials for non-native students who want to develop their written English skills and various academic mentoring programs.

The Academic Mentoring Program provides academic assistance to at-risk minority students through study skills workshops, academic and career advisement, tutoring, and weekly meetings with mentors. Students are equipped with the knowledge and skills they need to be successful in college.

Each semester the SARC provides a series of study skills workshops and materials on time management, note taking, test taking, memory, left-brain/right-brain thinking, and test anxiety. Additionally, classes are offered for those preparing for the GRE, GMAT, SAT, and ACT.

The SARC is designed to meet the individual needs of students. Its major objective is to provide students with academic support to ensure their success in college.
STUDENT ACADEMIC SUPPORT SERVICES (SASS)

Director: Russell Tiberii, PH 202, (407) 823-5322

Student Academic Support Services (SASS) is a student centered source of academic support and information for the UCF community. It is the focal point for the academic advising support role of the computerized degree audit system, providing consultation and assistance to the faculty, staff and students. SASS is responsible for evaluating transfer courses/credits for appropriate application to the university’s General Education Program requirements, and recording this data on the degree audits for students majoring in the Colleges of Business, Education, Engineering, Health and Public Affairs, and for pre-majors (undecided majors). SASS is also responsible for evaluating student's records to determine their appropriate catalog year.

Four academic advising and support programs are coordinated or directed through SASS: peer advising, early admission program advising and administration, pre-major (undecided) advising, and displaced major advising. Central to all academic advising and support is a developmental approach to assisting students toward the fulfillment of their academic and life goals. Through individual and group advising programs, SASS provides general support for self-assessment, exploration of academic disciplines, and decision making. Course selection assistance is provided during each registration period, and long range academic planning assistance is provided throughout the academic year.
ACADEMIC PROGRAMS

UNDERGRADUATE DEGREES

Associate of Arts Degree

University of Central Florida students who satisfactorily complete 60 semester hours of acceptable college work may apply for an Associate of Arts degree. University requirements include achievement of an overall and UCF grade point average of 2.0 or above, fulfillment of the General Education Program requirements, and completion of the last 20 credit hours in residence at UCF. In addition, any student who wishes to receive an A.A. degree must have satisfied the Gordon Rule requirement and passed the College Level Academic Skills Test.

The Associate of Arts degree is awarded only upon application. The application form may be obtained in the Office of Undergraduate Studies, AD 210 and should be completed by the end of the fifth week in the semester in which the Associate of Arts degree is to be awarded. A student may not be enrolled as a transient student in another institution during the term in which the Associate of Arts degree is to be awarded. An Associate of Arts degree will not be awarded in the same term that the baccalaureate degree is to be awarded or in any term following the completion of the baccalaureate degree.

Baccalaureate Degrees

The University offers the degrees of Bachelor of Arts, Bachelor of Engineering Technology, Bachelor of Fine Arts, Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Science in Engineering, Bachelor of Science in Nursing, and Bachelor of Science in Social Sciences. These degrees are available in the following Colleges with majors or areas of specialization as indicated:

College of Arts and Sciences

Bachelor of Arts (B.A.)
- Majors: Anthropology, Art, Economics, English, Foreign Languages (General), French, History, Humanities, Interpersonal Communication, Journalism, Motion Picture Technology, Music, Music Education, Organizational Communication, Philosophy, Political Science, Psychology, Radio-Television, Sociology, Spanish, Theatre

Bachelor of Fine Arts (B.F.A.)
- Majors: Art, Theatre

Bachelor of Science (B.S.)
- Majors: Biology, Botany, Chemistry, Computer Science, Forensic Science, Limnology, Mathematics, Physics, Psychology, Social Sciences (interdisciplinary), Statistics, Zoology

College of Business Administration

Bachelor of Science in Business Administration (B.S.B.A.)
- Majors: Accountancy, Economics, Finance, General Business Administration, Hospitality Management, Management, Marketing

College of Education

Bachelor of Science (B.S.)
- Major: Elementary Education, Exceptional Child
- Major: K-12-Art Education, Physical Education
- Major: Secondary Education, English Language Arts, Foreign Language, Mathematics, Science Education Social Science, Speech, Vocational Education and Industry Training

College of Engineering

Bachelor of Science (B.S.)
- Majors: Aerospace Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Environmental Engineering, Industrial Engineering, Mechanical Engineering; plus programs leading to B.S. degrees in Electrical Engineering Technology or Engineering Technology
College of Health and Public Affairs

Bachelor of Arts (B.A.)
  Majors: Communicative Disorders, Criminal Justice, Legal Studies, Public Administration

Bachelor of Science (B.S.)
  Major: Cardiopulmonary Sciences, Communicative Disorders, Health Information Management, Health Services Administration, Medical Laboratory Sciences, Molecular Biology and Microbiology, Radiologic Sciences, Physical Therapy

Bachelor of Science in Nursing (BSN)
  Major: Nursing

Bachelor of Social Work (B.S.W)
  Major: Social Work

Double Majors
Any UCF student working toward a single bachelor's degree (a B.A. degree or a B.S. degree) who satisfies the requirements for two majors will be awarded one diploma, but both majors will be indicated on the student's permanent record. Since the requirements for Bachelor of Arts and Bachelor of Science degrees are different, a student completing a major with a B.A. and a major with a B.S. must satisfy the requirements for both the B.A. and the B.S. degrees. Although both majors will be indicated on the student's permanent record, only one diploma (a B.A. or a B.S., at the student's option) will be awarded. A double major does not require a minimum number of hours beyond those necessary for completing degree requirements, while a second degree has specific minimum requirements. (See Second Baccalaureate Degree.)

Second Baccalaureate Degree
Any UCF student desiring to obtain two baccalaureate degrees must meet the requirements for both degrees and earn a minimum of 150 hours. A separate diploma will be awarded for each degree.
Transfer graduates from accredited four-year U.S. institutions who apply for admission to work toward a second baccalaureate degree at the University of Central Florida must meet the regular graduation requirements of the major department, and the 30 semester-hour residency requirement. Students holding the baccalaureate degree from accredited U.S. institutions are considered to have completed all General Education Program Requirements. Students who hold degrees from foreign institutions may be required by the Dean of Undergraduate Studies to fulfill all or part of the UCF General Education Program requirements.

The University requirements specified in the preceding paragraphs are minimum requirements. Departments and colleges may require more than 150 hours for a second degree or more than 30 hours to be taken in residence at UCF. Students should confirm department and college requirements with their academic advisors.

Minors
Minors in a limited number of programs have been authorized for certification with baccalaureate degrees. Minors must be indicated on the Intent to Graduate card and must be certified at the same time as the student's baccalaureate degree. Unless a second baccalaureate degree is earned, certification will not be made at a later time even if additional courses have been completed.

### GRADUATE PROGRAMS

See listing at the beginning of each college section. For further information on a particular program, contact the departmental office in the respective college or see the Graduate Catalog.
The Pre-Health Professions Advisement Office was established to function as a service to all students preparing for and seeking admission to professional schools of chiropractic, dentistry, medicine, osteopathic medicine, optometry, pharmacy, podiatry, and veterinary medicine. The services afforded students through this office are numerous and range from basic counseling in pre-health professions matters to providing a Composite Evaluation of the student (upon his/her request) to each professional school to which the student applies. However, in order to be considered for a Composite Evaluation, the student must have a minimum overall GPA of 2.8 and at least 30 semester hours of typical undergraduate pre-health professions courses taken at UCF by the end of the Spring semester preceding his/her application to the professional schools, (usually between the junior and senior year). Additionally, all pre-health professions students are strongly encouraged to affiliate with and participate in the activities of the Preprofessional Medical Society.

Pre-Health Professional Planning

Pre-health professions students should bear in mind that admission to a health professional school is competitive. For this reason, pre-health professions students should pay close attention to the characteristics of successful applicants. For example, while some dental and medical schools require only two and three years of college preparation, approximately 91 percent of all pre dental and 95 percent of all premedical students accepted throughout the nation each year have completed four years of college. Consequently, since pathways such as "premed" do not result in a degree, each pre-health professions student is urged to carefully select a degree-granting major. This will not only allow one to become more competitive for admission, but also to prepare for an alternate career in the event admission to a professional school is denied. Any degree-granting program offered by the University may be selected as a major; however, those programs within the sciences will generally lend themselves most adequately to pre-health professions preparation due to the nature and content of their curricula. While satisfying degree requirements, students will find in their curricula many courses required for admission to most professional schools. Additionally, prudent use of elective hours in the curricula will permit other appropriate pre-health professions courses to be obtained. Obviously, pre-health professions students are expected to be high achievers, and to obtain good grades with heavy credit hour loads and rigorous course combinations. Most professional schools expect applicants to present at least a B average and to carry a minimum of 15 credit hours each term, with the exception of summer terms. Sustained high-level performance while carrying 15 or more credit hours is one of the strongest predictors of success in professional school.

Preprofessional advisement should not be confused with academic advisement. Class scheduling and progress toward a given degree should be carefully monitored by the students faculty (academic) advisor.

Curricula Guidelines

All pre-health professions students are strongly encouraged to enroll in SLS 2311, OVERVIEW OF SELECT MEDICAL CAREERS, the first fall semester they are enrolled. This course provides a broad exposure to guest speakers representing the various four-year health professions. In addition, the entire preprofessional process (academic preparation, applications, prescreening, interviews, admission exams, admissions, scholarships etc.) is explained in depth. Following this focus on awareness, students are prepared to make informed decisions relative to planning their pre-health professional studies.

Concerning required courses, all pre-health professions students are required to complete the General Education Program (GEP) plus the following courses (many of which are applicable to the GEP):

- General Biological Sciences, BSC 2010C, ZOO 2010C
- Genetics, PCB 3063 and 3063L
- General Chemistry, CHM 2045, 2046, 2046L
- Organic Chemistry, CHM 3210, 3211, 3211L
Microbiology, MCB 3013C
English Composition, ENC 1101, 1102
Calculus, MAC 3233 (although MAC 3233 is acceptable, the MAC 3311, 3312, sequence is preferable)
Physics, PHY 3053C, 3054C (although the preceding courses are acceptable, the sequence PHY 3048, 3048L, 3049L, is preferable)
Statistics, STA 3023

Additional required/strongly recommended courses not common to all preprofessional students are the following:

Premedical and predental students should take:
- Molecular Cell Biology, PCB 3023
- Comparative Anatomy, ZOO 3713C or
- Human Anatomy, ZOO 3733C
- Embryology, ZOO 4603C
- Histology, ZOO 4753C
- Microbiology, MCB 3203C, and PCB 3233
- Analytical Chemistry, CHM 3121C plus either (or both) Biochemistry, BCH 4053, 4054, or Physical Chemistry, CHM 3410.

Preoptometry students must take
- General Botany, BOT 2010C
- Microbiology, MCB 3203C and it is strongly recommended they take
- Human Anatomy and/or Human Physiology, ZOO 3733C, PCB 3703C

Prepharmacy students must take
- General Botany, BOT 2010C
- Microbiology, MCB 3203C and it is strongly recommended they take
- Histology, ZOO 4753C, and Biochemistry, BCH 4053

Preveterinary students must take
- General Botany, BOT 2010C
- Analytical Chemistry, CHM 3121C
- Microbiology, MCB 3203C
- *Animal Science, ASG 3003, and ASG 3402.

*These courses to be taken as a transient student at the University of Florida, preferably during the summer following the sophomore year.

It is strongly recommended they also take:
- Comparative Anatomy ZOO 3713C;
- Histology ZOO 4753C;
- Embryology ZOO 4603C; and
- Biochemistry BCH 4053

For Maximal Preparation: Additionally, the UCF courses Biochemistry (BCH 4053) Histology (ZOO 4753C), Embryology (ZOO 4603C), Genetics (PCB 3063), Immunology (PCB 3223), Neuroanatomy (ZOO 5745C) and Human Anatomy (ZOO 3733C), are strongly recommended for maximum preparation for the Basic Medical Sciences of most first year professional school curricula.

Meaningful Electives:
All pre-health professions students are strongly encouraged to make prudent selections of elective courses complementary to their pre-health professions preparation. Listed below are a number of appropriate courses from which elective selections can be made.
- Accountancy: (ACG 2001 and 2011) or ACG 3023.
- Biochemistry: BCH 4053.
- Communication: SPC 3301 or 4330.
- Endocrinology: PCB 5806C
- Health Sciences: APB 3600; HSC 3122; 3110; 4411; SPA 3001.
- Human Anatomy: ZOO 3733C.
- Human Physiology: PCB 3703C
- Literature: LIT 2110 and 2120.
- Management: GEB 3004.
- Philosophy: PHI 3600; 3630.
- Political Science: PUP 4602.
- Psychology: CLP 3143; DEP 3004; 3202; 3212; EAB 3704; DEP 3464, PSB 3002, 3442 4013C; PCO 4203.
Choosing A Major and Academic Advisement

The advantage of declaring a major early is to be linked with a UCF faculty member who will serve as the student's academic advisor within his or her chosen degree tract. Problems are less likely when students remain in contact with conscientious advisors.

Students are encouraged to investigate several degree pathways and to talk with a number of students who have selected those majors. Thorough investigation at the start of the student's academic career will help him or her in making a reasonable choice. The following information offers a general guideline in selecting an academic major.

Choice of Major: The aspiring pre-health professional student is expected to declare a major within one of the degree-granting departments of the University. Terms such as premed or prevet are professional degrees. Students may elect any major described in the UCF Catalog. This includes such varied pursuits as Psychology, Engineering, or Liberal Studies.

Traditional vs. Non-Traditional Majors: Traditional majors for pre-health professionals are characterized by degree requirements which overlap most professional school admission requirements. Chemistry, Biology, Molecular Biology and Microbiology are the majors most often chosen at UCF, but others such as Psychology, Physics and Mathematics are also appropriate choices.

Non-Traditional Majors: Such majors as English, Philosophy, Music, Engineering, and so forth, have the disadvantage of not overlapping with admission requirements. If a student elects a non-traditional pathway and does not complete more than the minimum science requirements, s/he will be expected to have accomplished an outstanding performance record in the science classes taken.

Ultimately, the choice belongs to the student. Professional schools are less concerned with what undergraduate major one chooses than with how well s/he performed and his/her choice of enrichment electives. Factors to consider are personal interests, finances for college, and career alternatives. The curriculum for the first two years is very similar for all pre-health professions students.

DATES OF IMPORTANCE

All pre-health professions students should be aware of registration deadlines and test dates for their specific admissions exam (DAT, MCAT, OAT, GRE, etc.) In addition, most four-year health professions schools subscribe to professional application services (MMCAS, ADDSAS, ACOMAS, etc.). The applicant must be aware of which schools are members of the service and thus require completion of a thorough application packet provided by the various Application Services. Some professional schools do NOT subscribe and therefore, the student applicant must deal directly with the admissions office of such schools.

The preprofessional screening process is initiated in April. Application packets are available at the Pre-Health Professions Advisement Office during the month of April. Dental applicants must return completed packets by the first Friday in May. All other applicants (Chiropractic, Medical, Optometry, Podiatry, Pharmacy, and Veterinary) must return completed packets by the third Friday in May.

Student applicants are scheduled for their Screening Committee interviews in the order of their return of completed application packets. A master schedule of all interviews for Fall term is posted on the Pre-Health Professions Advisement Office bulletin board and copies are available at the Pre-Health Professions Advisement Office, HPB 350.

ADMISSIONS EXAMINATIONS

Various standardized examinations are required of applicants as a part of the admissions process to the professional schools [dentistry-DAT; medicine-MCAT; optometry-OCAT; pharmacy-PCAT; podiatry-MCAT; veterinary medicine-GRE or VAT]. These examinations are generally offered twice each year: in the Spring and Fall. Pre-health professions students are advised to take the appropriate examination in the Spring preceding application to the professional school rather than waiting for the Fall examination. There are numerous support systems and review programs available to assist applicants with their preparation. All applicants are encouraged to maximize their preparation before registering to take any of these exams the first time. Taking an admissions exam on a trial basis is not recommended.
RELATED REFERENCES
Publications of special interest and usefulness to pre-health professional students include the following:

1. Admission Requirements of U.S. and Canadian Dental Schools, published by the American Association of Dental Schools, 1625 Massachusetts Avenue, N.W., Washington, D.C. 20036;

2. Medical School Admission Requirements, United States and Canada, published by the Association of American Medical Colleges; One Dupont Circle, N.W., Washington, D.C. 20036;

4. Information for Applicants to Schools and Colleges of Optometry published by the Association of Schools and Colleges of Optometry; 213 East Ohio Street, Chicago, Illinois 60611;

5. Pharmacy School Admission Requirements, published by the American Association of Colleges of Pharmacy; 1730 "M" Street, N.W., Washington, D.C. 20036;

7. Veterinary Medicine, A Career Of Choices: A Handbook for Advisors, prepared by the Office of Student Affairs and Admissions, New York State College of Veterinary Medicine, Cornell University, Ithaca, New York 14853.

Preprofessional students are encouraged to obtain a copy of the admissions publication appropriate to their preprofessional area. Several of these publications are available in the University bookstore.

*See the Graduate catalog.
The College of Arts and Sciences, the largest academic unit in the University, includes the following departments: Art; Biology; Chemistry; Communication; Computer Science; English; Foreign Language; History; Mathematics; Music; Philosophy; Physics; Political Science; Psychology; Sociology and Anthropology; Statistics; and Theatre.

In keeping with the aims of the University of Central Florida, the College is responsible for all programs in the broad areas of the humanities, the fine arts, the natural sciences, and the social sciences. The departments offer more than sixty baccalaureate, graduate, and preprofessional programs in these areas. For additional information concerning graduate programs, please refer to the Graduate Catalog.

In addition to providing strong academic degree programs in the areas noted above, the College of Arts and Sciences functions in a service mode by making available a wide selection of courses designed to complement the offerings of the other four colleges of the University. These offerings include most of the courses necessary to satisfy the University's general education requirement for all students.

A student enrolled in the College as an undergraduate must fulfill all University degree requirements including that for general education, as well as the particular requirements set forth by the department for each area of specialization. To be certified for graduation, a student must achieve at least a "C" grade point average (2.0) in the courses of his or her major. Some departments also require a 2.0 in each major course; consult advisors for specific policies.

A student whose written or oral communication in any course is deemed unsatisfactory may be referred to the Dean by the instructor. Additional course work or an individual study program may be assigned consistent with the needs of the student and must be completed before the degree is granted.

PRE-HEALTH PROFESSIONAL PROGRAMS
(see Pre-Health Professions Advising)

PRE-LAW PROGRAM
Pre-Law Coordinator: Dr. R. L. Bledsoe, FA 407G, Phone (407) 823-2608

There is no preferred major for prelaw. Law schools accept superior students with a good liberal arts background, regardless of major field. A Bachelor of Arts or Bachelor of Science degree with approximately three-fourths of the course work representing theory content is typically suggested. Majors such as English, History, Humanities, Legal Studies, Sociology, and Political Science meet this criterion. The quality of undergraduate education for the legal profession, according to the Association of American Law Schools, is grounded in three basic skills and insights: comprehension and expression in words, critical understanding of the human institutions and values with which the law deals, and the creative power of thinking. Law schools require that the Law School Admission Test (LSAT) be taken prior to consideration for admission.

General information pertaining to programs of study, LSAT, careers, and law schools can be obtained from the Pre-Law Coordinator.

Advisement of prelaw students will be provided in the area where a major is chosen; for example, a prelaw student who wishes to emphasize the historical foundations should seek advisement in the Department of History; for emphasis in political science advisement should be sought in the Department of Political Science; emphasis in economics should be gained through advisement in economics programs in either the College of Arts and Sciences or the College of Business Administration; emphasis in Legal Studies can be pursued in the Department of Criminal Justice and Legal Studies in the College of Health and Public Affairs.
ADVISEMENT
Office of Academic Support and Information Services (OASIS)
Director: Ms. Judith Boyte, FA 202, Phone (407) 823-2492
The Office of Academic Support and Information Services (OASIS) is the primary office for undergraduate academic assistance in the College of Arts and Sciences. OASIS assists students in the College of Arts and Sciences with matters concerning College and University requirements, policies and procedures. The Office oversees General Education course evaluation and substitutions as well as evaluation and application of TSD credits (CLEP and AP) for Arts and Sciences students.
Questions concerning University and College academic policies affecting Arts and Sciences majors should be directed to the OASIS staff in FA 208 or by calling (407) 823-2492.

Program Planning
Although suggested curricula are available in most areas, students will plan their program in consultation with a faculty advisor appointed by the chair of the major department or by the Dean of the College of Arts and Sciences.

College of Arts & Sciences Foreign Language Requirements
Art
  B.A. Art History - 2 years (4 semesters)/proficiency
  B.A. B.F.A. Studio Art - 2 semesters/proficiency
Biology
  2 semesters/proficiency of a foreign language
  OR 8 hours of 3000/4000 level courses outside the department of major.
Chemistry
  no requirement
Communication
  2 semesters/proficiency
Computer Science
  2 semesters/proficiency
  OR approved courses in international or Multicultural Studies (consult department)
English
  3 semesters/proficiency
Foreign Languages
  4 semesters +
  2 semesters/proficiency
  strongly recommends 4 semesters for students aiming for graduate school
History
  B.A. - 2 semesters with a 3rd or 4th semester recommended in some programs.
  B.S. - no foreign language requirement. One approved multicultural course is required.
Mathematics
  2 semesters/proficiency
Music
  B.A. - 3 semesters/proficiency
  B.M. - 2 semesters/proficiency
  B.M.E. - none
Physics
  2 semesters/proficiency
Philosophy
  2 semesters/proficiency
Political Science
  2 semesters/proficiency
Psychology
  B.A. - 3 semesters/proficiency
  B.S. - 2 semesters/proficiency
Sociology/Anthropology
  Anthropology - 2 semesters/proficiency
  Sociology - 2 semesters/proficiency
  AND either a third semester in the language OR one approved enhancement course (consult department)
Statistics
  no requirement
Theatre
  B.A. - 2 semesters/proficiency
  B.F.A. - no language requirement

Natural Science Majors Requirement
In addition to meeting all University requirements, the College requires that each degree program in the departments of Biology, Chemistry, Computer Science, Mathematics, Statistics, and Physics contain courses which will introduce the student to the three major
scientific disciplines of physical science, biological sciences, and mathematical and computer sciences.

To satisfy this requirement, students must successfully complete a minimum of four courses under a semester system (or six courses under a quarter system) distributed between the two scientific disciplines outside that of their major, with a minimum of one course under a semester system (or two courses under a quarter system) in each discipline. At least one course in each discipline must contain a laboratory component. Some departments have identified a specific group of courses from which its majors may select in order to satisfy this requirement. In addition, some departments may have imposed additional criteria which must be met in order for their majors to satisfy this requirement. It is the student’s responsibility to ensure that both Departmental and College criteria have been met.

With proper justification students may be permitted to utilize courses offered outside the College of Arts and Sciences and to mix courses taken under both quarter and semester systems to satisfy this requirement. Any requests for such waivers must be accompanied by a departmental recommendation and should be submitted to the Office of the Dean, College of Arts and Sciences.

FOREIGN STUDY CENTERS—Undergraduate Interinstitutional Transient Program

The State University System operates study centers in London, England and Florence, Italy during the fall and spring semesters. Students with 27 or more semester hours of credit and a GPA of 2.5 or above in all State Universities are eligible to apply for one or both semesters as interinstitutional transient students. Faculty at the centers are drawn from the nine State Universities. While credits are earned through Florida State University, which administers the program on behalf of the State University System, credits are fully transferable within the System. Students at the Centers are considered to be resident in their home institutions for attendance and degree purposes.

Classes at the Florence Center emphasize art history, Italian, social sciences, and the humanities; at the London Center, theatre, business, English, history and the social sciences. Field trips and museum visits are common to both. For further information consult Dr. Thomas Greenhaw in the Department of History (London Program), (407) 823-2224 or Dr. Robert Flick in the Department of Philosophy (Florence Program), (407) 823-2273.

AFRICAN-AMERICAN STUDIES PROGRAM

The College of Arts and Sciences offers a minor but not a major in Afro-American Studies consisting of a minimum of 16 semester hours. Required courses: AMH 3570, LIN 4612, LIT 4354, SYD 3720 and others as approved. For further information, contact Dr. K. Seidel, Dean’s Office, FA 511, (407) 823-2251.

AMERICAN STUDIES PROGRAM

The minor in American Studies requires at least 21 hours of approved upper-division courses. The courses include at least three hours of restricted electives from each of three fields: literature and humanities, social sciences, and history. Other courses may be chosen from the list of approved courses available from the American Studies advisor. For further information, contact Dr. K. Seidel, FA 511, (407) 823-2251.

ANTHROPOLOGY (see Department of Sociology and Anthropology)

DEPARTMENT OF ART

Chair: TBA, VAB 117, Phone (407) 823-2676
Faculty: Chavda, Congdon, Eyfells, Gaudnek, Lotz, Martin, Rivers, Skoglund, Wahlman, Wellman

The Department of Art has 10 full-time and 8 part-time faculty members teaching traditional studio arts, graphic design, and art history, as well as an endowed chair in Community Arts (see Community Arts).

The curriculum in Art provides professional preparation in art history, visual arts administration, and in the studio areas of ceramics, community arts, computer graphics, drawing, fibers and fabrics, graphic design, painting, photography, printmaking, and
sculpture, as well as combination specializations. Both the Bachelor of Arts and the Bachelor of Fine Arts degrees are offered. Competitive scholarships and awards are available to currently enrolled full-time UCF art majors through portfolio reviews by Faculty. These awards are sponsored by UCF, the Altrusa Club of Winter Park, and the Albin Polasek Foundation.

Only ARH Independent Study courses offered by full-time Art Department art historians will apply toward requirements for a degree or a minor in Art or Art History. Only ART or PGY Independent Study courses offered by full-time Art Department studio artists will apply toward requirements for a degree or a minor in Art or Art History.

**Portfolio Requirements For Studio Majors:** A selective portfolio of work representing the student's studio accomplishments in design and drawing is required for faculty review at the end of the sophomore year or at the completion of 12 semester hours of studio art courses. Faculty evaluation of this portfolio will determine if the student should advance further in the B.A. program. The University reserves the right to hold, for exhibition purposes, work done in classes.

**Portfolio Requirements for Graphic Design Specialization:** Courses at many institutions which are titled "Commercial Art" or "Advertising Art" may not be applicable toward the Graphic Design concentration at UCF. Students wishing to transfer courses taken at other institutions must present a portfolio of work for evaluation toward use in the concentration. This program's last two-year curriculum is sequential and at present, portfolio applications are accepted only for Fall semester. **Deadline for all portfolio applications is April 1 for commencing the program in Fall semester.**

**MINORS**

The Department of Art offers two minors, one in studio art and one in art history. The Art Department residency requirement consists of 6 semester hours of regularly scheduled 3000-4000 level art courses. These 6 hours must be in an area of specialization.

**Required courses for the minor in studio art:** ARH 2050 & 2051, ART 2201 & 2202, 2300 and 2301 and six semester hours of studio art at the 3000 and 4000 level. To be eligible for a minor in art, a student must have a GPA of at least 2.0 in all art courses subject to the following constraints: no "D" grades in art courses from other institutions are transferable. Total hours: 24.

**Required courses for the minor in art history:** ARH 2050 & 2051; 3 hours chosen from ART 2201, 2202, or 2300; and 15 hours from the following: ARH 3456, 3520, 3530, 3683, 3710, 3720, 4311, 4312, 4350, 4430, 4450, & 4655. ARH 3930 and 4710 may also apply with approval of an art history advisor. Total hours: 24.
Graphic Design Specialization

I ART HISTORY
   a. ARH 2050 (required) 3
   b. ARH 2051 (required) 3
   c. Any upper division ARH 3

II DESIGN FUNDAMENTALS
   a. ART 2201 (required) 3
   b. ART 2202 (required) 3

III DRAWING FUNDAMENTALS
   a. ART 2300 (required) 3
   b. ART 2301 (required) 3

IV STUDIO AREA SPECIALIZATION
   ART 3281 Type & Design (3)
   ART 3239 Graphic Design I (3)
   ART 3232 Graphic Design II (3)

   ART 4237 Special Problems in Graphic Design (course includes a Computer Graphics component) (3)

V RESTRICTED ELECTIVES (Upper Division Hours)
Minimum of three (3) areas represented, all courses must be outside of the area of specialization.
   Drawing 3330 (3), 3331 (3)
   Painting 3510 (3), 4530 (3)
   Printmaking 3400 (3), 4402 (3)
   Photography (PGY) 3401 (3), 4420 (3)
   Sculpture 3701 (3), 4703 (3)
   Ceramics 3110 (3), 4111 (3)
   Fibers & Fabrics 3133, 4130 (3)
   Special Topics (3)

TOTAL required hours in major Art: (Graphic Design) (48)

Graduation Portfolio of representative studio work done in graphic design specialization. Portfolio deadline is the last week of the last semester in which student files an intent to graduate form.
Bachelor of Arts: Art

Degree Requirements

1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
   A student must achieve at least a “C” grade point average (2.0) in the courses of his or her major.
   No “D” grades in Art courses from other institutions are transferable.
   Departmental Residency Requirement consists of at least 18 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Department of Art. Nine of these must be in an area of specialization.
3. Required courses
   Varies with Specialization
4. Restricted Electives
   Varies with Specialization
5. Electives
   To be selected primarily from upper level courses outside the Department, with the approval of the student’s advisor.

Total Semester Hours Required: 120

*See specialization in Graphic Design
C. Restricted Studio Electives

3000-4000 level courses from at least 3 areas outside the area of specialization: Ceramics, Drawing, Fiber & Fabrics, Graphic Design, Painting, Printmaking, Photography, Sculpture, and Special Topics Studio Courses.

D. Foreign Language

Two semesters/proficiency

E. Portfolio Requirement

Seniors are required to submit a portfolio of representative work in the student’s area of specialization, for review by Faculty.

Total Semester Hours in Art & other recommended courses 48-51
Total Semester Hours Required 120

Bachelor of Fine Arts: Art

The B.F.A. degree is recommended for studio art majors who plan to attend graduate school. Admission to the B.F.A. degree program requires the student to submit a formal application and a portfolio to the Faculty no earlier than the first semester of the student’s senior year (upon completion of 90 semester hours). Once admitted to the B.F.A. program, the student must complete an additional 30 semester hours at UCF, with 12 hours in Art courses. A senior exhibition is required for graduation. A portfolio is required for Graphic Design specialization.

Degree Requirements

1. See University Degree Requirements. Students must achieve at least a “B” grade point average (3.0) in the courses of their major.
2. B.F.A. requires 2 semesters/proficiency in Foreign Language
3. See Special college and/or department requirements: Students must achieve at least a 3.0 average in courses in the major. No “D” grades in transfer Art courses; Department Residency Requirement consists of at least 18 semester hours of regularly scheduled upper-level courses must be taken from the UCF Department of Art. Nine of these must be in the area of specialization.
4. Required Courses

   ART 2201C, 2202C Design Fundamentals I, II 6 hours
   ART 2300C, 2301C Drawing Fundamentals I, II 6 hours
   ARH 2050, 2051 History of Art I, II 6 hours
   ARH 3000-4000 Art History Courses 9 hours

5. Area Specialization 3000-4000 level courses from: Ceramics, Drawing, * Graphic Design, Painting, Printmaking, Photography, and Sculpture or combinations. Combination specializations in any two media require 9 or 12 hours of upper-division courses in each half of the combination for a total of 21 hours.

   *(See in Graphic Design. Minimum credit hour requirement for Graphic Design specialization will be 18 hours.)

6. Restricted Studio Electives

3000-4000 level courses from at least three areas outside the student’s specialization: Art History, Ceramics, Drawing, Fibers & Fabrics, Graphic Design, Painting, Printmaking, Photography, Sculpture, and Special Studio Topics Courses. ARE and ARH Community Arts courses are acceptable, with consent of advisor.

7. Electives

Total Semester Hours in Art Courses 57-60
Total Semester Hours Required 120

ASIAN STUDIES

This program offers a minor, but not a major, in Asian Studies. The program is interdisciplinary and is administered by the Department of Philosophy. For further information, contact Dr. Kassim, FA 411-J, (407) 823-2273.
The Department of Biology offers Bachelor of Science degree programs in Biology, Botany, Limnology, and Zoology; a minor in biology; and the Master of Science in Biology. The core curriculum required of all undergraduate degree programs provides a background in the chemical, mathematical, and physical sciences, as well as broad preparation in the biological sciences. This diverse background opens career opportunities for graduates in areas outside of their particular degree program. In addition, graduates are well prepared to further their education in professional or graduate schools. Selection of electives, in consultation with a faculty advisor, permits emphasis on a specific subspecialty within a degree program. Careful selection of restricted and unrestricted electives allows a student to satisfy all requirements for admission to professional or graduate school, while at the same time completing a B.S. degree in Biology. Research experience and exposure to specialized topics not taught through formal courses may be gained through independent study contracts.

MINOR IN BIOLOGY

The Department of Biology offers a minor in Biology consisting of a minimum of 28 hours. Required courses (18 hours): BOT 2010C; BSC 2010C; PCB 3043; PCB 3063; ZOO 2010C. Upper Division Restricted Electives (10 hours): At least 10 hours of course work taught within the Department of Biology (designated as being within the College of Arts & Sciences-AS) with at least three credits from Group A or C and either three credits from Group B or D, or PCB 3023. Groups A-D are listed under the restricted elective subsection of the Biology core curriculum.

To be eligible for a minor in Biology a student must have a GPA of at least 2.0 in all UCF biology courses subject to the following constraints: (A) No credit by exam (CLEP, TSD, Military credit) (B) No “D” grades from other institutions will be accepted (C) At least 10 of the 28 hours must be earned in residence at UCF.

Bachelor of Science: All Biology Majors (Biology, Botany, Limnology, Zoology)

Degree Requirements

1. To be eligible for any undergraduate degree offered by the Department of Biology a student must have a GPA of at least 2.0 in all UCF biology courses subject to the following constraints: (A) No credit by exam (CLEP, TSD, Military credit) may be used; (B) No “D” grades from other institutions will be accepted; (C) No more than 4 hours of independent study, directed research or similar types of credit may be applied toward major requirements; (D) at least 15 hours of all Biological Sciences credits applied toward the major must be earned in residence at UCF within the Department of Biology; (E) 2 semesters proficiency of a foreign language OR 8 hours of 3000/4000 level courses outside the major.

Students seeking a double major within the Department of Biology must satisfy the requirements for both majors and must take no fewer than 40 semester hours of upper division restricted elective coursework appropriate to the combined areas of specialization of the two majors. Double majors receiving one degree from UCF’s Department of Molecular Biology and Microbiology and another from the Department of Biology must also conform to the above requirement.

2. Core requirements: 47-52 hours

Must be satisfied by all students seeking an undergraduate degree from the Department of Biology. These requirements apply equally to Biology, Botany, Limnology, and Zoology majors unless otherwise noted under the specific degree requirements for a particular major.
Biology Core Courses (21 hours)

</tbody>
</table>

The above courses are prerequisite or corequisite to all upper division biology courses.

Cognate Sciences Core Courses (26-31 hours)

The below requirements represent minimum physical science requirements of a Life Sciences student. Those expecting to enter professional or graduate school after receiving a B.S. degree at UCF should plan to take a full year of Physics with laboratory. Such students may wish to take Biochemistry (BCH 4053, 54) as well. Calculus is also considered desirable for many postgraduate and professional programs. Students are urged to consult their advisor.

3. Upper Division Restricted Electives: 26-29 hours*

Must be selected regardless of major from the below course groupings and each student must complete at least one BOT and at least one ZOO course. In addition, each student must complete at least three credit hours from each of groups A-D with additional required credits to meet the individual major requirements. Courses can be selected from any of the below listed courses unless otherwise noted under the specific degree requirements for a particular major.

*With the advisor's approval up to 8 credits from the following 5000-level courses may be taken to meet the restricted electives credit requirement: BOT 5495, BOT 5705, PCB 5044, PCB 5045, PCB 5046, PCB 5675, PCB 5721, ZOO 5456, ZOO 5483, ZOO 5475, ZOO 5483, ZOO 5745, ZOO 5815 or, with advisor's approval, up to 4 hours of special topics or Independent Study.

4. Unrestricted electives may include 8 hours of Foreign Language and additional biology courses.

5. Total Minimum Hours Required for B.S. in Biology: 120 hours

Bachelor of Science: Biology

1. See University undergraduate degree requirements for GEP courses required outside major: 27 hours
2. See special college and/or departmental requirements: 0 hours
3. Required Departmental Core Curriculum
   A. Biology: 47-52 hours
   B. Cognate Sciences: 21 hours
4. Restricted electives must include at least one upper division BOT and ZOO course and at least three credits from each of the four course groupings: 26 hours
5. Unrestricted electives may include 8 hours of Foreign Language and additional biology courses: 15-20 hours
6. Total Minimum Hours Required for B.S. in Biology: 120 hours

Bachelor of Science: Botany

1. See University undergraduate degree requirements for GEP courses required outside major: 27 hours
2. See special college and/or departmental requirements: 0 hours
3. Required Departmental Core Curriculum
   A. Biology: 47-52 hours
   B. Cognate Sciences: 21 hours
4. Restricted electives must include at least one ZOO course and at least 17 hours of upper division Botany courses. Also, a minimum of three credits from each of the four course groupings must be completed: 26 hours
5. Unrestricted electives may include 8 hours of Foreign Language and additional biology courses: 15-20 hours
6. Total Minimum Hours Required for B.S. in Botany: 120 hours

Bachelor of Science: Limnology

1. See University undergraduate degree requirements for GEP courses required outside major: 27 hours
2. See special college and/or departmental requirements: 0 hours
3. Required Departmental Core Curriculum
   A. Biology 49-52 hours
   B. Cognate Sciences
      Limnology majors Must take CHM 3120C Analytical Chem,
      CHM 2205 Intro to Organic & Biochem and either PHY 3053 or
      PHY 3048 and 3048L to satisfy their cognate sciences core.
   28-31 hours
4. Restricted electives 28-29 hours
   Group A
   ZOO 3303C Vertebrate Zoology
   ZOO 4203C Invertebrate Zoology
   or
   ENY 4004C Entomology
   or
   PCB 3301C Aquatic Biology
   8 hours
   Group B
   PCB 4302C Limnology I
   PCB 4303C Limnology II
   ZOO 4880C Fisheries Management
   12 hours
   Group C
   BOT 4223C Plant Anatomy
   or
   BOT 4303C Plant Kingdom
   4-5 hours
   Group D
   Any Course Listed
   4 hours
5. Unrestricted electives may include 8 hours of Foreign
   Language and additional biology courses.
6. Total Minimum Hours Required for a B.S. in Limnology 120 hours

Bachelor of Science: Zoology

Degree Requirements:
1. See University Undergraduate Degree Requirements for
   GEP courses required outside major 27 hours
2. See special college and/or departmental requirements 0 hours
3. Required Departmental Core Curriculum
   A. Biology 47-52 hours
   B. Cognate Sciences 21 hours
4. Restricted electives 26-31 hours
   Any BOT course from Group A, B, C, or D 26-29 hours
   PCB 3043L and PCB 3063L Ecology and Genetics Laboratories 3-5 hours
   Required electives to be selected from:
   ZOO 3303C, ZOO 3713C, ZOO 4203C, ZOO 4603C, ENY 4004C,
   PCB 4723, and PCB 4683 or, with the advisor’s approval, up to 8
   hours of the following 5000-level courses may be used to partially
   satisfy this requirement: ZOO 5456C, ZOO 5463C, ZOO 5475C,
   ZOO 5483C or ZOO 5815.
   Total restricted electives chosen must include at least three credits
   from each of the four course groupings.
5. Unrestricted electives may include 8 hours of Foreign
   Language and additional biology courses.
6. Total Minimum Hours Required for a B.S. in Zoology 120 hours

Bachelor of Science: Biology/Preprofessional

The Department of Biology does not offer a preprofessional degree and no such major
exists in the university. All students in the department who are classified as preprofessional
must select Biology, Botany, Limnology or Zoology as a major. The below suggested
curriculum is not a degree program but simply a composite suggestion as to how one might complete a degree in Biology while completing entrance requirements for professional or graduate school. Note that the minimum cognate science requirements listed below are more rigorous than those listed earlier under Departmental requirements.

1. See University undergraduate degree requirements for GEP courses required outside major 27 hours
2. See special college and/or departmental requirements 1 hour

All preprofessional students should complete SLS 2311, Overview of Selected Medical Careers, during their first semester at UCF.

3. Required Departmental Core Curriculum

| A. Biology | 21 hours |
| B. Cognate Sciences | 30-35 hours |
| CHM 2045, 2046, 2046L | Chem. Fund I and II with lab 8 hours |
| CHM 3210, 3211, 3211L | Organic Chem. I & II with lab 8 hours |
| PHY 3053, 3054C | College Physics I & II 8 hours |
| or | |
| PHY 3048, 3048L and | Physics for Eng. & Sci.I with lab and 4 hours |
| PHY 3049, 3049L | Physics for Eng. & Sci. II with lab 4 hours |
| MAC 3233 | Concepts of Calculus 3 hours |
| or | |
| MAC 3311, 3312 | Calc & Anal Geom I & II 8 hours |
| STA 3023 | Statistical Methods 3 hours |

4. Suggested Restricted Electives: The below courses are suggested as 28 hours being appropriate to various preprofessional students. Actual selections should be carefully made in consultation with the students advisor while paying attention to the specific admission requirements of the particular professional school to which the student expects to apply.

**Group A**

| MCB 3013C | General Microbiology 5 hours |

**Group B**

| BOT 3800 | Ethnobotany 3 hours |

**Group C**

| PCB 3063L | Genetics Lab 1 hour |
| ZOO 3713C | Comp Vert. Anat. 5 hours |
| ZOO 4603C | Embryology/Development 5 hours |
| ZOO 4753C | Vertebrate Histology 5 hours |

**Group D**

| PCB 3233, PCB 3233L | Immunology 4 hours |
| PCB 4723 | Animal Physiology 4 hours |
| BCH 4053 & 4054 | Biochemistry 6 hours |

5. Unrestricted Electives may include 8 hours of foreign language and 8-13 hours electives appropriate to particular professional subspecialty. Students should carefully select unrestricted electives with the assistance of their preprofessional advisor.

**CANADIAN STUDIES PROGRAM**

Canadian Studies offers both a certificate and a minor but not a major. This program is interdisciplinary and includes courses from the departments of Criminal Justice and Legal Studies, English, Foreign Languages, History, Political Science, Sociology and Anthropology, and the College of Engineering. In addition, UCF is the site of the Florida-Canada Institute, a state program which offers other activities relating to Canada. For information consult Dr. Henry Kennedy, Director of Canadian Studies, at the Florida Canada Institute Center, (TR 542) Room 115, Social Work Module, (407) 823-2079.
DEPARTMENT OF CHEMISTRY

Chair: G. Cunningham, CH 117, Phone (407) 823-2246
Faculty: Beck, Clausen, Elsheimer, Gupton, Hampton, Hertel, Juge, Kujawa (Geology), Madsen, Mattson, McCann, McGee (Forensic Science), Trefonas

The Department of Chemistry offers courses and programs which lead to a Bachelor of Science in Chemistry, a Bachelor of Science in Forensic Science, a minor in Chemistry and a Master of Science in Industrial Chemistry.

The undergraduate degree program in chemistry is accredited by the American Chemical Society Committee on Professional Training. It prepares the graduate for career opportunities in the chemical or related industries or in government laboratories. The program may also lead to further study at the graduate level in chemistry or in a related area such as pharmacology or toxicology. With an appropriate choice of electives it also constitutes excellent preparation for the professional schools of dentistry, medicine, and veterinary medicine.

MINOR

The Department of Chemistry offers a minor consisting of a minimum of 28 semester hours.

Required courses (20-22 semester hours): CHM 2045, 2046, 2046L, 3210, 3211, 3211L, and 3120C.

Restricted electives (6-8 semester hours minimum): At least one course must be selected from group I and the remaining from group I and/or II:

Group I: CHM 3212L, 4130C; BCH 4103L, CHS 3531, CHM 3411L, CHM 5451L
Group II: BCH 4053, 4054, CHM 3410, 3411, 4220, 4221, CHS 4110C, 4200, CHM 5235, 5250

To be eligible for a minor in Chemistry a student must have a GPA of at least 2.0 in all UCF Chemistry courses and an overall 2.0 GPA in all Chemistry courses used to satisfy this requirement. A minimum of 11 hours of Chemistry must be earned at UCF and no D grades from another institution will be accepted.
Bachelor of Science: Chemistry

Degree Requirements

1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. To be eligible for an undergraduate degree in Chemistry a student must have a GPA of at least 2.0 in all UCF Chemistry courses and an overall 2.0 GPA in all Chemistry courses used to satisfy this requirement. Grades earned in CHM 4932 and CHM 4912 will not be applied to determination of the Chemistry GPA. At least 15 Chemistry credits must be earned at UCF.

Total Semester Hours Required: 128
Forensic Science Program
Director: W.W. McGee, CH 221, Phone (407) 823-2788

Forensic Science is the profession which serves the scientific needs of the justice system. The program at UCF has been designed to provide the student with an educational background in the professional specialty of criminalistics.

The principal job of the forensic scientist is to scientifically examine physical evidence gathered at the scene of a suspect criminal action. The criminalist may work on physical evidence such as blood, hairs, fibers, or pharmaceutical and clandestine drug preparations. Upon completion of an investigation the forensic scientist presents his findings in court. The goal of the Forensic Science program is to prepare students for this demanding profession.

Bachelor of Science: Forensic Science

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses
   - BSC 2010C General Biology 4 hours
   - CHM 2045, 2046 Chemistry Fundamentals I, II 7 hours
   - CHM 2046L Chemistry Fundamentals Laboratory 1 hour
   - CHM 3210, 3211 Organic Chemistry I, II 6 hours
   - CHM 3210L Organic Laboratory Techniques I 2 hours
   - CHM 3120C Analytical Chemistry 5 hours
   - CHS 3501 Introduction to Forensic Science 3 hours
   - CHS 3505 Forensic Microscopy 3 hours
   - CHS 3531 Forensic Analysis of Controlled Substances 3 hours
   - CHS 4591 Forensic Science Internship 6 hours
   - COP 3200 Computer Programming 3 hours
   - ENC 3241 Technical Report Writing 3 hours
   - CHM 3410 Physical Chemistry I 4 hours
   - CHM 4130C Advanced Analytical Chemistry 4 hours
   - MAC 3253, 3254 Applied Calculus I, II 6 hours
   - PHY 3053C, 3054C College Physics I, II 8 hours
   - STA 3023 Statistical Methods I 3 hours
4. Restricted Electives
   The intent of the restricted electives is to provide the major with an opportunity to select in consultation with his/her advisor, a minimum of 13 hours of coursework which will complement the student’s specialized program of study in the major field. These courses will include BOT 2010C, General Botany or MCB 3013C. General Microbiology, with the remainder normally selected from upper division courses of science or forensic science. Exceptions to these stipulations must be approved by the student’s advisor.
5. Electives

Total Semester Hours Required 120

SCHOOL OF COMMUNICATION

Interim Director: M. D. Meeske, FA 534, Phone (407) 823-2681

The School of Communication offers Bachelor Degree programs in five specific areas. Students have the option of selecting a specialized track for the Film or Journalism degree:
1. Bachelor of Arts: Interpersonal Communication
2. Bachelor of Arts: Journalism A. News/Editorial Track B. Advertising/Public Relations Track
3. Bachelor of Arts: Organizational Communication
4. Bachelor of Arts: Radio-Television
5. Bachelor of Arts: Motion Picture Technology A. Production-Screenwriting B. Animation
Any student contemplating graduate study should be aware of special requirements in some graduate schools, such as foreign languages, statistics, and computer sciences.

Limited Access
All degree programs in the School of Communication have been designated as limited access beginning in the Fall, 1989. Limited access means there are additional admissions requirements over and above those set for general admission to the University. Students meeting the minimum requirements for admission will be admitted on a space available basis therefore, meeting the minimum GPA does not guarantee admission. The GPA cut off for 1992-1993 was 2.8. Students will be assigned the category of “Communication—pending” prior to acceptance into the School. A minimum of 30 credit hours of college work is required before application for admission to a program. The Bachelor of Arts in Motion Picture Technology degree is a separate limited access program with other requirements.

School Admission Application
Application for admission to the School of Communication must be made through the School office. Apply only after you have completed all requirements for admission. Deadlines are:
- OCTOBER 11, 1993 for Spring, 1994
- MARCH 7, 1994 for Summer, 1994 (See FILM note below)

NOTE: Applications for the Motion Picture Technology major are accepted only ONCE PER YEAR. Applications will be accepted JANUARY 14, 1994 for admission to the Fall, 1994.

Limited Access Requirements
The requirements for admission consideration and continuation as a major in the School for all programs, except Motion Picture Technology [see special additional requirements for Radio-Television and both Journalism Tracks] are listed below.

1. An overall 2.25/4.00 grade point average based on a minimum of 30 credit hours of college work. [See Limited Access above. GPA cut off for 1992-1993 was 2.8].
2. Demonstrated written proficiency in grammar, punctuation, and word usage. Testing is conducted prior to the start of each semester and remedial options are provided.
3. Students must take at least 24 hours in their major after they have been admitted to the School of Communications. Courses in the major taken prior to admission to the School, may meet specific requirements and will count toward the total University hours, but a School residency requirement of 24 hours must still be met.

Graduation Requirements
1. A final 2.25/4.00 grade point average in all required courses for a major must be completed in order to graduate with a major in the School. NOTE: This grade point average does not include Restricted Electives in the major or other electives.
2. Students electing both a major and minor in the School must take the minor courses in excess of the 120 hours required for graduation.
3. The School requires that students initiate a request for a review of graduation requirements at the beginning of the anticipated term of graduation. Failure to file the request may delay graduation.
4. Two semesters/proficiency in Foreign Language is required of all majors.

Transfer Limitation
Generally, students may not substitute lower division courses taken at community colleges for upper division courses in the School of Communication (except Florida common numbered coursework). Students wishing to transfer courses from other colleges must apply for equivalency credit. College catalog, course syllabus, textbook used, or other supporting information must be provided by the student. The Divisions of the School of Communication will evaluate applications for equivalency. [See School Residency requirement above.]
MINORS

The School of Communication offers the following minors:

1. Interpersonal Communication
   COM 3311 (3), SPC 3301 (3), and 12 credit hours chosen from:
   COM 3011 (3), SPC 3425 (3), SPC 4330, SPC 4350 (3), SPC 4540 (3), COM 4XXX (3) or COM 4XXX (3).
   (The last two courses are Intercultural Communication and Conflict Management for which we do not have correct course numbers from Tallahassee as of this date)

2. Organizational Communication
   COM 3120 (3), COM 3311 (3), and 12 credit hours chosen from:
   COM 3011 (3), COM 3110 (3), SPC 3425 (3), SPC 3445 (3), COM 4XXX (3) or COM 4XXX (3).
   (The last two courses are Intercultural Communication and Conflict Management for which we do not have correct course numbers from Tallahassee as of this date)

4. Restricted Electives
   Six credit hours in the School of Communication

5. Electives
   A minimum of 9 upper division credit hours in one department outside the School of Communication.

Total Semester Hours Required: 120

A maximum of 3 credit hours of internship may be earned in one semester. A total of 6 may be earned within the 120 credit hours required for graduation. Students should check with their advisor for prerequisites and other requirements.

Bachelor of Arts: Journalism

Degree Requirements

1. See Undergraduate Degree Requirements
2. See special college and/or School requirements. In addition, all students planning a major in both journalism tracks must pass the Typing Proficiency Test (20 wpm) prior to admission to the major. The typing test may be taken ONLY three (3) times and not twice in one semester. Students should see their advisor for details.
3. Required Courses
   Students must select and complete one of the areas of specialization listed below.
4. Restricted Electives (See Area of Specialization)
5. Electives (See Area of Specialization)

AREAS OF SPECIALIZATION

1. Required Courses: News-Editorial Track

   In addition, all students planning a major in both journalism tracks must pass the Typing Proficiency Test (20 wpm) prior to admission to the major. The typing test may be taken ONLY three (3) times and not twice in one semester. Students should see their advisor for details.
JOU 32011  Editing II  3 hours
JOU 41041  Public Affairs Reporting  3 hours
JOU 43001  Feature Writing  3 hours
MMC 4200  Mass Communication Law  3 hours
MMC 4602  Contemporary Media Issues  3 hours
PGY 3610  Photojournalism I  3 hours

Restricted Electives
JOU/PGY Elective  Elective  3 hours

1Prerequisite Grammar Proficiency Examination and Typing Proficiency Test required. Some courses may also require a minimum grade of "C" in prerequisite courses.

The Journalism faculty strongly recommends that News-Editorial majors work for the student newspaper, The Central Florida Future. In addition, News-Editorial majors may obtain off-campus internship, with a commercial weekly or daily newspaper, or with a magazine. To enroll for credit, students must have a 2.5 GPA in their required major courses. Students with less than a 2.5 GPA will not be given academic internship credit. A maximum of 3 credit hours may be earned in one semester, with a total of 3 within the 120 required for graduation. Students should consult with their adviser for prerequisites and other requirements.

Required Minor:
News-Editorial majors must complete a minor in an academic area outside of the School of Communication or complete a 15-credit hour area of concentration approved by the Faculty.

2. Required Courses: Advertising/Public Relations Track
ADV 4000  Principles of Advertising  3 hours
ADV 4003  Advertising Layout and Copywriting  3 hours
ADV 41011 Advertising Copy and Campaigns  3 hours
ADV 4103  Radio-TV Advertising  3 hours
COM 3110  Business and Professional Speaking  3 hours
COM 3311  Communication as a Behavioral Science  3 hours
MMC 4200  Mass Communication Law  3 hours
PGY 3610  Photojournalism I  3 hours
PUR 31001 Writing for Public Relations  3 hours
PUR 4000  Public Relations  3 hours
PUR 4941  Internship  3 hours
ADV 4941  Internship  3 hours
PUR 4800  Public Relations Campaigns  3 hours

A maximum of 6 credit hours of internship may be earned in one semester. A total of 9 credit hours of internship may be earned within the 120 credit hours required for graduation. Students should consult with their adviser for prerequisites and other requirements.

Bachelor of Arts: Organizational Communication

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or school requirements.
3. Required Courses (27 credit hours)
COM 3011  Communication and Human Relations  3 hours
COM 3110  Business and Professional Speaking  3 hours
COM 3120  Organizational Communication  3 hours
COM 3311  Communication as a Behavioral Science  3 hours
COM 4941  Internship  3-6 hours
PUR 4000  Principles of Public Relations  3 hours
ADV 4000  Principles of Advertising  3 hours
SPC 3425  Group Interaction and Decision Making  3 hours
Bachelor of Arts: Radio-Television

Degree Requirements

1. See Undergraduate Degree Requirements
2. See Special college and/or School requirements. In addition, all students planning a major in radio-television must pass the Typing Proficiency Test (20 wpm) prior to admission to the major. The typing test may be taken only three (3) times and not twice in one semester. Students should see their advisor for details.

3. Required Courses
   - RTV 3000 Foundations of Broadcasting 3 hours
   - RTV 3200 Broadcast Techniques 4 hours
   - RTV 3210 Radio Production 4 hours
   - RTV 3260 Electronic Field Production 4 hours
   - RTV 33001 Broadcast Newswriting 4 hours
   - RTV 35011 Broadcast Copywriting 3 hours
   - RTV 4403 Radio/Television and Society 3 hours
   - RTV 4700 Broadcast Regulations 3 hours
   - RTV 4800 Broadcast Management 3 hours

4. Restricted Electives
   - Six credit hours in the School of Communication

5. Electives
   - Total Semester Hours Required 120

Students are encouraged to work with WUCF radio to gain practical experience. In addition, students should arrange for an internship off campus in a professional broadcast, production, or corporate operation. A maximum of 3 credit hours of internship may be
earned in one semester. A total of 6 credit hours of internship may be earned within the 120 credit hours required for graduation. A maximum of 3 credit hours of internship may be counted as a Restricted Elective. Summer internships are available during “C” term only. Students should consult with their advisor for prerequisites and other requirements.

1Prerequisite Grammar Proficiency Examination and Typing Proficiency Test required.

Bachelor of Arts: Motion Picture Technology

Limited Access
Access to this program is based on a selective set of requirements which differ from other School of Communication majors. Students meeting the minimum requirements for admission will be admitted on a space available basis. The basic requirements for admission consideration to the Motion Picture Technology program are:
1. An overall 3.0 grade point average based on a minimum of 45 credit hours of college work
2. Submission of a written essay
3. Students are required to demonstrate written proficiency in grammar, punctuation and word usage before admission. Testing is conducted prior to the start of each semester.
4. A portfolio or additional information should be submitted
5. A maximum of three courses in film completed prior to acceptance into the program may be counted toward the major.

NOTE: Applications are accepted ONLY once per year. See paragraph on School Admission Application.

Graduation Requirements
Students will be required to continue to meet the following minimum standards after acceptance into the Motion Picture Technology program.
1. An overall 3.0 grade point average.

Degree Requirements
1. University graduation requirements
2. Special College and/or School requirements
3. Required Courses: Students must select and complete one of the areas of specialization listed below.
4. Restricted Electives (See Area of Specialization)
5. Electives

Areas of Specialization
1. Required Courses: General Production/Screenwriting (29 credit hours)
   FIL 3000 Colloquium 2 hours
   FIL 31001 Writing for the Screen or 3 hours
   CRW 3410 Writing Scripts 3 hours
   FIL 3200 Beginning Film Production 3 hours
   FIL 3300 Documentary Film 3 hours
   FIL 3400 History of the Motion Picture or 3 hours
   THE 3251 History of the Motion Picture 3 hours
   FIL 3503 Film Theory 3 hours
   FIL 4201 Advanced Film Production 3 hours
   FIL 4600 The Film Producer 3 hours
   FIL 4601 Production Management 3 hours
   FIL 4209 Art Direction 3 hours
   Restricted Sequence Electives: Six (6) credit hours FIL courses.

2. Required Courses: Animation (29 credit hours)
   FIL 3000 Colloquium 2 hours
   FIL 3100 Writing for the Screen or 3 hours
   CRW 3410 Writing Scripts 3 hours
   FIL 3200 Beginning Film Production 3 hours
   FIL 3242 Film Design 3 hours
   FIL 3400 History of the Motion Picture or 3 hours
   THE 3251 History of the Motion Picture 3 hours

Total Semester Hours Required 120
FIL 3410  History of Animated Films  3 hours
FIL 4201  Advanced Film Production  3 hours
FIL 4230  Film Graphics Animation  3 hours
FIL 4231  Computer Animation  3 hours
FIL 4942  Animation Workshop  3 hours
Restricted Sequence Electives: Six (6) credit hours FIL courses.
Total Semester Hours Required  120

A maximum of three (3) credit hours of internship may be earned in one semester. A total of six (6) may be earned within the 120 credit hours required for graduation. Check with your adviser for prerequisites and other requirements.

Prerequisite Grammar Proficiency Examination required.

COMMUNITY ARTS PROGRAM
The William S. and Alice M. Jenkins Endowed Chair,
Director: K. Congdon, ART 105B, Phone (407) 823-2195.

Minor in Community Arts
A minor, but not a major, in Community Arts is offered for the student who is majoring in Art, Music, Theatre, or English (with a Creative Writing focus), and is interested in helping make the arts more democratic and accessible to everyone. Students minoring in Community Arts conduct studies in culture-based aesthetics, multi-cultural education; art and politics; art and economics; art and mental health; issues regarding ethnicity, class, age and occupation; program development; and the functions and purposes of art establishments in our society.

Requirements:
ARE 3662  Community Arts I  3 hours
ARE 3944  Community Arts Practicum  3 hours
Take two of the following:  6 hours
1. ARE 3663 Community Arts II
2. ARE 3550 Introduction to Art Therapy
3. ARE 3554 Art Therapy Methods
4. ARH 3820 Visual Arts Administration
5. ARH 4821 Methods in Arts Administration
6. ENC 3501 Journal-Writing Practicum
7. Approved courses in Anthropology, Education, Social Work, Sociology, or Psychology.
8. Other Community Arts Classes

Certificate in Community Arts
The Community Arts Program also offers a certificate in Community Arts for undergradu­ate and post-baccalaureate students for majors in: Art, English, Music and Theatre and majors in: Business, Education, Health Sciences, Liberal Studies, Psychology, Social Work and Sociology (who have at least 12 hours in one of these areas: Art, Creative Writing, Music or Theatre).

Requirements:
ARE 3662  Community Arts I  3 hours
ARE 3944  Community Arts Practicum  3 hours
Take two of the following:  6 hours
1. ARE 3663 Community Arts II
2. ARE 3550 Intro. to Art Therapy
3. ARE 3554 Art Therapy Methods
4. ARH 3820 Visual Arts Administration
5. ARH 4821 Methods in Arts Administration
6. Women and Art in Twentieth Century America
7. ENC 3501 Journal-Writing Practicum

Total Hours 18
8. 1 to 2 approved courses in education or a related field
9. Other Community Art Classes

ARE 4945 Community Arts Internship 6 hours

Total hours 18

For undergraduate students, the certificate is granted at the time of graduation. Some courses may be taken on the graduate level for the post-baccalaureate student.

DEPARTMENT OF COMPUTER SCIENCE

Chair: T. Frederick, CCII 205, Phone (407) 823-2341
Faculty: Bassion, Bingham, Chandraseharian, Coffrell, Deo, Dnscol, Dutton, Fredrick, Gerber, Gomez, Guha, Hua, Hughes, Lang, Leeson, Lindholm, Lobo, Moshell, Mukherjee, Orooji, Shah, Vempaty, Vemulapati, Workman.

The Department of Computer Science offers courses and programs leading to Bachelor of Science, Master of Science (see Graduate Catalog), and Doctor of Philosophy (see Graduate Catalog) degrees in Computer Science. In addition, the Department offers a general minor in Computer Science.

Computer Science strives to meet the computer personnel needs of the scientific, business, and industrial community by producing graduates with a broad base of formal courses as well as a concentration in selected areas. In addition, the Department conducts research in programming systems/languages, information systems, computer architecture, computational methods, and other areas.

The Department requires that students initiate a request for a review of graduation requirements at the beginning of the anticipated term of graduation. Failure to file the request may delay graduation.

Computer Facilities

The Department of Computer Science provides computer laboratories for our faculty and students, for a variety of courses and research projects. Computing equipment consists of several large servers including a Harris HCX-9, a Sun 3/280SSS (to be upgraded to a SparcServer 690MP), several Sun-3, SPARC, and Silicon Graphics workstations, over eighty terminals (both traditional and X-terminals), fourteen dial-up modems, and a collection of Macintoshes and DOS/Windows platforms. Laboratory space now totals over 4500 square feet, 1200 of which were recently added to support the Center for Parallel Computation. All major systems are networked and run Unix, X-Windows, NFS, and a variety of programming languages such as FORTRAN, Pascal, Ada, C, C++, Concurrent C, Lisp and Prolog. Graduate students and faculty are the primary users of departmental resources while the campus central computing facility provides computing resources for undergraduates.

Research Laboratories

Numerous Sun-3 and Sun-4 (SPARC) workstations, DECStation 5000's and 3100's, a NeXT computer, and Silicon Graphics Personal Iris and 4D70 workstations are available for research and graduate instruction in VLSI design, computer graphics and image processing. Berkeley VLSI CAD tools MAGIC and OCT run on our Sun workstations.

Our Center for Parallel Computation houses a DECmpp 12000 (MasPar MP-1) with 8,192 processors and a BBN Butterfly GP1000+ parallel computer with 64 processors and a total of 256 Megabytes of memory. These major parallel platforms are supplemented by Transputers for student projects. A Harris NightHawk NH-3800 with six processors is our latest acquisition. The new laboratory for undergraduate use of this state-of-the-art equipment provides access through six DECstation 5000's and six terminals.

The Visual Systems Laboratory contains an Evans and Sutherland ESIG 500 real time image generator, three Silicon Graphics Iris workstations, several Sun SPARCstations, a Sun 386i, two NeXT computers, nine Transputers, and many Macintoshes and PCs. The Intelligent Systems Laboratory has a Symbolics 3653 LISP machine. The Computer Vision Laboratory centers around a SparcServer 670MP connected to SparcStations and a collection of imaging equipment.

Many laboratory systems support Smalltalk and a variety of object-oriented programming languages. The graphics workstations have state-of-the-art drawing, anima-
tion, rendering and scene management software, and constraint software used in physical modeling. Parallel processing software includes parallel C and FORTRAN compilers for the DECommander 12000, the Butterfly and the Transputers, parallel computer simulation software for Hypercube and GAPP architectures and the Cosmic Cube environment from Caltech.

Other Facilities
Other computing facilities available to students and faculty include an IBM 4381 with VM/ CMS and several large clusters of IBM PCs and PS/2s scattered around the campus and interconnected via a Novell network. A workstation lab for UNIX access for undergraduates was established in Spring 1993.

Gateways
All the department's computers are interconnected by local and campus-wide Ethernets, and linked to the outside world via the Internet. The campus network includes connections to the Central Florida Research Park, near the main campus, and to the state network, which affords access to supercomputer cycles on the Cray Y-MP at the Supercomputer Research Institute in Tallahassee. In addition, the department is directly linked to the Internet, affording on-line access to other computer systems around the world.

MINOR
The Department of Computer Science offers the following minor consisting of a minimum of 18 semester hours. A minimum GPA of 2.00 is required in all courses used to satisfy the requirements for the minor in computer science, and at least three courses must be taken from the UCF Department of Computer Science.

General Computer Science Minor
Required courses (12 hours): COP 2500, 2501, 3400, 3530
Restricted electives (6 hours minimum): COP 3402, 4020, 4124, 4600, 4710, COT 3100, 4500.

Bachelor of Science: Computer Science

Degree Requirements
1. A four-semester-hour Biology course with a laboratory is required, and this requirement is to be satisfied by BSC 1020C, BSC 1030C or BSC 2010C.
2. Two semesters of credit normally selected from foreign languages. With prior department approval, cultural/multi-cultural or related courses may be used to satisfy this departmental requirement.
3. GPA Requirements
   a. A minimum GPA of 2.0 in all course work;
   b. A minimum grade of "C" in each required course (these courses are those in Section 5 below);
   c. A minimum GPA of 2.5 in upper division required courses (these courses are listed in section 5.11 below). Only the highest grade for a course is used in determining this GPA requirement.
4. Departmental Residency Requirement: At least eighteen semester hours of regularly scheduled 4000- and 5000-level courses must be taken from the UCF Computer Science Department.
5. Required courses:
   I. COMPUTER SCIENCE CORE:
      Computer Science Courses
      COP 2500  Computer Science I
      COP 2501  Computer Science II
      COP 3400  Assembly Language
      COP 3402  Computer Systems Concepts/Programming
      COT 3100  Introduction to Discrete Structures
      COP 3530  Computer Science III
      Support Courses
      MAC 3311  Calculus with Analytic Geometry I
      MAC 3312  Calculus with Analytic Geometry II
      STA 3023  Statistical Methods I

PHY 3048  Physics for Engineers & Scientists I  3 hours
PHY 3049  Physics for Engineers & Scientists II  3 hours
PHY 3049L  Physics for Engineers & Scientists Lab. II  1 hour
EEL 3341C  Introduction to Digital Circuits  3 hours
ENC 3241  Technical Report Writing  3 hours

II. UPPER DIVISION REQUIRED COURSES:  12 hours
CDA 4150  Introduction to Computer Architecture  3 hours
COT 4210  Discrete Computational Structures  3 hours
COP 4020  Programming Languages I  3 hours
COP 4600  Programming Systems  3 hours

III. RESTRICTED ELECTIVES  16 hours
a. At least ten hours of 4000- and 5000-level computer science courses.
b. At least four hours of mathematics and/or statistics, exclusive of independent study. Course work must be selected from 4000- and 5000-level Mathematics/Statistics courses and the following courses: MAC 3313, MHF 3104, MAP 3302, MAS 3105, MAS 3106.
c. The remaining two hours can be more courses from (a) or (b) or from the following courses: ACG 2023, MAN 3025, MAE 3023, FIN 3403, MAN 3301, EEL 4701C.
d. At most four hours of independent study in computer science may be used.

5. Electives

Bachelor of Arts: Economics

Contact Person: J. Boyle, FA 208, Phone (407) 823-2492

The Bachelor of Arts in Economics is designed to provide students with a liberal arts background to serve as a strong foundation for future graduate studies or as training for a career in politics, teaching, research, social services and a variety of other areas. Successful completion of this program leads to the Bachelor of Arts degree with a major in Economics.

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required courses
   ECO 2013  Principles of Economics I  3 hours
   ECO 2023  Principles of Economics II  3 hours
   ECO 3101  Intermediate Price Theory  3 hours
   ECO 3203  Aggregate Economic Conditions Analysis  3 hours
   ECO 3411  Quantitative Methods and Business Decision Analysis  3 hours

4. Restricted Electives
   a. Select Six Courses:
      ECO 3233  Money and Banking  3 hours
      ECO 3401  Mathematical Economics  3 hours
      ECO 3622  American Economic History  3 hours
      ECO 3703  International Economics  3 hours
      ECO 3723  International Commercial Policy  3 hours
      ECO 4303  History of Economic Thought  3 hours
      ECO 4412  Economic Statistics and Econometrics  3 hours
      ECO 4504  Economics of the Public Sector  3 hours
      ECP 3004  Seminar in Current Economic Topics  3 hours
      ECP 3203  Contemporary Labor Economics  3 hours
      ECP 3433  Transportation Economics  3 hours
      ECP 4403  Business, Government & Industrial Organization  3 hours
      ECP 4603  Urban and Regional Economic Problems  3 hours
      ECP 4703  Managerial Economics  3 hours
      ECS 4003  Comparative Economic Systems  3 hours

Total Semester Hours Required  120
b. Twenty-seven hours of additional courses, including the completion of a minor from one of the following areas: Computer Science, Mathematics, Statistics, or the Social and Behavioral Sciences.

5. Electives

Total Semester Hours Required 120

DEPARTMENT OF ENGLISH

Chair: J. Schell, FA 301, Phone (407) 823-2212

Faculty: Adicks, Astro, Barnes, Bell, Brain, Donnelly, Flammia, George, Hemschemeyer, Jaffe, Jones, Keller, Murray, Omans, Price, Regier, Rushin, Schiffhorst, Seidel, Smith, Sommer, Stap, Strasshofer, Umphrey, Wyatt

The Department of English is responsible for the effective teaching of language and literature in English, including World Literature, and creative, expository, and technical writing. Students may concentrate in creative writing, technical writing, or literature. The Department serves the broad needs of the University with course offerings in writing and literature for students from other departments. The department has a Technical Documentation Writing Lab and also publishes The Florida Review and The Cypress Dome.

An Honors in English program provides an enriched course of study for exceptional students, leading to graduation with honors. Program description follows concentration degree plans.

Foreign Language proficiency equivalent to three semesters is required of all majors. Only courses with a grade of "C" or better may be applied to the English Major and Minor. Transfer students are expected to complete at UCF a majority of their hours in an English major or minor.

MINOR

The Department of English offers the following minors:

Creative Writing Minor: CRW 3003, CRW 3100 or CRW 3300 or CRW 3410; CRW 4120 or CRW 4320 or CRW 4420. 12 hours from CRW 4122, CRW 4114, CRW 5932, and any of the above courses not already used.
Literature Minor: 21 semester hours with no fewer than 12 completed at UCF. Requirements: 12 semester hours selected from ENL 3010, ENL 3051, ENL 3273, AML 3031, AML 3051, LIT 2110, LIT 2120. 9 additional semester hours of English courses chosen by the student and advisor.

Linguistics Minor: 18 semester hours. Required courses: LIN 3010, LIN 4100, LIN 4341. 9 remaining hours to be chosen from LIN 4202, LIN 4612, LIN 4801, LIN 4660, LIN 5137, ANT 3610, PHI 4220, or any course approved by the Linguistics Committee.

Technical Writing and Editing Minor: 22 semester hours, as follows: ENC 2290, 3210 or 3241, 3310, or 3341, 3311, 4215, 4293, 4294, 4295. Students completing the minor may intern with a Central Florida corporation.

Bachelor of Arts: English

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special College and/or department requirements
3. Required courses
   Foundation (for all concentrations)
   Choose two of the following three:
   LIT 3000 Introduction to Literary Interpretation 3 hours
   CRW 3003 Creative Writing for English Majors 3 hours
   ENC 3211 Introduction to Technical Writing 3 hours
   Choose three of the following four:
   ENL 3010 English Literature I 3 hours
   ENL 3051 English Literature II 3 hours
   AML 3031 American Literature I 3 hours
   AML 3051 American Literature II 3 hours
4. Restricted Electives
   (See Literature, Creative Writing, and Technical Writing concentrations below.)
5. Electives
   To be selected primarily from upper level courses with advisor’s approval.

CONCENTRATIONS
1. Literature
   Required (9 hours)
   AML 3031, AML 3051, ENL 3010, or ENL 3051 not completed in core 3 hours
   ENL 4311 Chaucer 3 hours
   or
   ENL 4341 Milton 3 hours
   or
   ENL 4330 Shakespeare 3 hours
   or
   LIN 3010 Principles of Linguistics 3 hours
   or
   LIN 4100 History of the English Language 3 hours
   Choose 12 hours from the 3000 or 4000 level courses offered under AML, ENL, and LIT prefixes.

2. Creative Writing
   Choose Two (6 hours)
   CRW 3100 Fiction Writing
   CRW 3300 Poetry Writing
   ENC 3310 Magazine Writing
   CRW 3410 Script Writing
   Choose Two (6 hours)
   CRW 4120 Fiction Writing Workshop
   CRW 4320 Poetry Writing Workshop
   CRW 4410 Script Writing Workshop
   Writing workshop may be repeated once for credit.
Choose One (3 hours)
- CRW 3310: Structure of Verse
- CRW 4172: History of Prose Style
- CRW 3008: Literary Magazines

Choose Two (6 hours)
- ENL 4311: Chaucer
- ENL 4330: Shakespeare
- ENL 4341: Milton and His Age
- LIN 3010: Principles of Linguistics
- LIN 4100: History of the English Language

3. Technical Writing
   Required (Basic) (4 hours)
   - ENC 2290: Careers in Writing (1 hour)
   - ENC 3311: Advanced Expository Writing (3 hours)
   Required (Advanced) (21 hours)
   - ENC 4293: Technical Documentation I (3 hours)
   - ENC 4294: Technical Documentation II (3 hours)
   - ENC 4295: Technical Documentation III (3 hours)
   - ENC 4215: Techniques of Technical Publication (3 hours)
   - LIT 4433: Survey of Technical and Scientific Literature (3 hours)
   - ENC 4218: Graphics Capabilities (3 hours)
   - ENC 4280: Technical Vocabulary (3 hours)

Choose One (3 hours)
- ENC 3330: Rhetoric and Organization (3 hours)
- ENC 3283: Science and the Lay Reader (3 hours)
- ENC 4254: Technical Writing and the Uses of Imagination (3 hours)

Optional
- ENC 4941: Technical Writing and Editing Internship (3 hours)

Honors In English Requirements:
1) Application and admission through the English Honors Coordinator;
2) Fulfill University requirements for Honors in the Major;
3) Grade of "B" or better in Honors Seminar (3 hours), Bibliography and Research Methods (1 hour), one 5000 level English elective (3 hours), and Directed Readings (3 hours). (Honors Seminar and Directed Readings substitute for one restricted elective and one English core course);
4) Successful completion and oral defense of honors thesis.

DEPARTMENT OF FOREIGN LANGUAGES AND LITERATURES
Chair: J. B. Fernandez, FA 443, Phone (407) 823-2469
Faculty: Barsch, Cervone, Crant, Decker, Del-Rio, DiPiero, Fernandez, Micarelli, Patrone, Payas, Redmon, Taylor

Language studies in the College of Arts and Sciences provide instruction in Chinese, French, German, Hebrew, Italian, Japanese, Latin, Russian, and Spanish, with majors in French and Spanish. These programs are designed to meet the needs of students who desire competency in a language and expanded understanding of a foreign culture and literature. Students enrolled in 1000, 2000, and certain 3000-level courses are required to attend the language laboratory for at least one hour a week.

Students wishing to major in a foreign language must meet all the requirements for graduation as set forth by the University, the College of Arts and Sciences, and by the Department of Foreign Languages. They must complete 30 semester hours in the chosen language at the 3000 level or above.

ADVISEMENT: Because of the various options opened to language majors, it is obligatory that they have an adviser. Students must go to the Foreign Languages & Literatures Office to be assigned an adviser as soon as possible since class schedules must be approved by their adviser each semester. Failure to fulfill this obligation could result in delaying graduation.
Normal placement is as follows: Four years of one high school language would place the student in the first semester of the third year; three years, in the second semester of the second year; two years in the first semester of the second year; one year in the second semester of the first year.

A native or near-native speaker language major must substitute an alternate upperdivision Spanish and French course for the conversation course (3241 (SPN) - 3244 (FRE)). Also, a native or near-native French speaker must substitute an alternate upperdivision French course for FRE 4780 (French Phonetics and Diction) or FRE 3955 (Corrective Phonetics & Vocabulary Building). In cases where native speakers have received advanced education abroad, they will not be permitted to take the composition course (3420) for the fulfillment of their major requirements but must substitute a literature course chosen in consultation with an advisor in the department.

Language Credit by Examination will not be given in courses lower in level than these in which students are presently enrolled. Native speakers will be allowed Credit by Examination only in literature courses.

Foreign Language State Teacher Certification may be obtained through the Department of Foreign Languages. The Certificate qualifies students to teach foreign languages at the elementary and/or high school levels.

MINORS

The Department of Foreign Languages offers a minor consisting of 18 semester hours in French, German, Italian, Russian, or Spanish.

Required courses: 18 semester hours at the 3000 level or above in one language including the courses numbered 3241 (SPN), 3244 (FRE), 3240 (GER), and 3420.

PLACEMENT AND PROFICIENCY

In colleges or departments where a Foreign Language Proficiency Requirement exists, it can be met by passing the proficiency exam, or by completing the appropriate coursework. B.A. degrees require passing the proficiency exam or by completing the second semester of a foreign language. See individual departments on p. 94 for a list of departmental requirements.

Bachelor of Arts: French or Spanish

Degree Requirements: all at 3000 level or above, at least a “C” average, at least 2 courses at 4000 level

</table>

* Spanish majors must take both semesters of the Survey of Spanish Literature or both semesters of the Survey of Latin American Literature.

** French and Spanish majors must include at least one Linguistics course in the language of their major.

*** Not more than six hours out of the 30 required may be taken in Foreign Language courses not taught in the target language.
Bachelor of Arts: Foreign Language Combination

Degree Requirements

A student may receive a BA degree in a Foreign Language Combination by completing with a grade of C or better 24 credits in a first language and 15 in a second. These credits must be in courses at the 3000 level or above. Language combinations may consist of French, German or Spanish as a first language and any of those three as a second language as well as Italian or Russian.

In the first language, the following courses must be taken as part of the required 24 credit hours:

- Conversation
- Composition
- Survey of Literature*
- One Foreign Language Linguistics course** (as approved by advisor)
- Language Electives (at least 2 courses at 4000 level)

Total: 24 hours

* If Spanish is the first language, two semesters of the Survey of Spanish Literature or two semesters of the Survey of Latin American Literature must be taken.

In the second language, the following courses must be taken as part of the 15 required credits:

- Conversation
- Composition
- Language Electives (chosen with advisor)

Total: 15 hours

SUMMER STUDY ABROAD PROGRAMS

The Department of Foreign Languages has been offering a Summer Study program in Spain since 1972, in Italy since 1975, and one in France since 1981. These programs are approved by the Board of Regents and are expected to be offered annually. Credit bearing courses are available in these programs in language (all levels), art, and civilization of France, Italy, or Spain. These programs are open to all students of the State University System of Florida.

Jena, Germany

Courses in German language and civilization are offered at all levels. Students are housed at the Jena University campus and have an opportunity to visit other cities of importance in Germany.

St. Petersburg, Russia

This program is offered in cooperation with the Hertzen Pedagogical Institute of St. Petersburg. Courses in Russian art and language and civilization are offered at all levels. Visits to points of historical and cultural interest in St. Petersburg and Moscow will be made.

Madrid, Spain

This program is intended for students who wish to begin or continue their study of Spanish language and civilization. Language courses will be offered from the beginning level to the advanced. Business Spanish, Art of Spain and Contemporary Spanish history will also be offered. In addition, students will have an opportunity to visit major points of cultural and artistic interest of Spain.

Urbino, Italy

The city of Urbino, on the slopes of the Eastern Appennines, is one of the major centers for the study of Renaissance art and architecture. The modern university sponsors a number of conventions of learned societies and cultural events in the summer. Courses in Renaissance art and modern Italian letters are given in English; language courses are conducted in Italian.
Jonquiare, Quebec

Jonquiare is a clean and modern city of 60,000 in the picturesque Lac Saint-Jean region, about 150 miles north of Quebec City. Students live with French-speaking families, receive 6 hrs. of classroom instruction in French each weekday, and pledge to use French only at all times during the program. Participants earn 8 credits. Educational week-end excursions and a number of socio-cultural activities are included. The program takes place during Summer A.

AREA OF SPECIALIZATION

1. Latin American Studies. The minor in Latin American Area Studies offers a broad interdisciplinary approach to the understanding of Latin America and its peoples. The minor requires the completion of 18 semester hours selected from courses listed in the General Latin American Foundation Areas. In addition, students must complete the introductory language sequence (or its equivalent) in French or Spanish. For information, consult Professor Jose B. Fernandez, FA 551, (407) 823-2224.

2. Russian Area Studies. The College of Arts and Sciences offers an academic minor in Russian Area Studies. Five UCF departments, Foreign Languages, History, Political Science, Sociology, and Philosophy have pooled their resources in order to offer students a multidisciplinary approach so as to understand linguistic, cultural, historical, political, and socio-economic interrelationships. Interested students should register for the minor with Dr. Barsch, (407) 823-2472.

DEPARTMENT OF HISTORY

Chair: Richard C. Crepeau, FA 551-B, Phone (407) 823-2224
Faculty: Colbourn, Evans, Fernandez, Fetscher, Greenhaw, Kallina, Leckie, Pauley, Shofner, Wehr

Students majoring in history must complete a minimum of 36 hours in history courses. At least 6 hours must be selected from each of three different geographical areas, such as: United States, Europe, Asia, or Latin America. Grades of "D" or below may not be counted toward the major.

The Foreign Language Requirement for the B.A. in History is identical to that of the University, one year. However the History Department strongly encourages its majors who are even contemplating going on to graduate school to complete two years of a foreign language, preferably in a language that would be functional in their area of historical interest. The History Department will provide each of these students with the opportunity to take the language proficiency examination which is given to History graduate students, and will certify their proficiency.

History majors who are interested in a pre-law program should work closely with their advisors in selecting major courses and electives which will best prepare them for law school. These students should use their electives for additional courses in history as well as English, speech, and philosophy. Such a course of study will prepare them for success in law school and will concomitantly provide a broad liberal education.

The History Department encourages its majors, especially those in American History, to develop their statistical and computer skills by completion of appropriate course work in the Department of Statistics.

The Department participates in the programs in Women's Studies, American Studies, Afro-American Studies, Canadian Studies, and Latin American Area Studies.

MINOR

The Department of History offers a minor consisting of a minimum of 18 semester hours. Required courses: 18 semester hours of history, twelve of which must be at the 3000-4000 level. Specific courses must be selected in conference with a departmental advisor.

Bachelor of Arts: History

Degree Requirements

2. See special college and/or department requirements
3. Required Courses
   AMH 2010   EUH 2000
   AMH 2020   EUH 2001

4. Restricted Electives
   None

5. Electives
   To be selected with approval of the student's advisor
   Total Semester Hours Required: 120

AREA OF SPECIALIZATION
1. Russian Area Studies. The History Department participates in the Russian Area Program. For information consult with Dr. John Evans.
2. Latin American Area Studies. The History Department participates in the Latin American Area Studies Program. For information consult with Dr. Jose B. Fernandez.

JUDAIC STUDIES PROGRAM
   Director: Moshe Pelli; FA 521, Phone (407) 823-5039 or 823-2251
   The Interdisciplinary Program in Judaic Studies offers both a Minor and a Certificate (but not a major). The Program cooperates with the departments of English, Foreign Languages, History, Philosophy, Political Sciences, and Sociology/Anthropology, and with the Liberal Studies Program.
   The program offers instruction, conducts research, and disseminates knowledge in the civilization of the Jewish people from Biblical times to the present day in the major dimensions of its creativity: literature, language, religion, philosophy, law, and social, political and economic organization. Because the roots of western culture and civilization and major world religions lie in ancient Jewish thought and practice as manifested in the Hebrew Bible and subsequent writings, Jewish Studies form an essential component of the university curricula.
   The program is designed to serve students pursuing careers in general or Jewish education, in international and Middle-Eastern affairs, in languages or liberal arts, in the ministry or rabbinate, and in the community at large.
   The Minor requires the completion of 18 upper-division credit hours in Jewish History (JST 3401, 3402, 3550), literature, such as HBR 3930 (Literature of the National Renaissance), HBT 3800 (Israeli Short Story), JST 3100 (Survey of Jewish Literature), JST 3751 (Literature of the Holocaust), LIT 4373 (Literature of the Bible), the Hebrew Bible (JST 3200 Introduction to Hebrew Scriptures), and culture, such as JST 3820 (Modern Hebrew Culture), JST 3810 (the Jewish National Movement), and JST 3550 (Introduction to Modern Judaism). In addition, students must complete the lower-division one year of Introductory Hebrew (HBR 1120, 1121). Hebrew language courses satisfy foreign language requirements.
   See listings and courses under HBR, HBT, HMW, JST, and REL, and cross-listed courses in the Department of Foreign Languages.

LATIN AMERICAN AREA STUDIES PROGRAM
   The minor in Latin American Area Studies offers a broad interdisciplinary approach to the understanding of Latin America and its peoples. The minor requires the completion of 18 semester hours selected from courses listed in the General Latin American Foundation Areas. In addition, students must complete the introductory language sequence (or its equivalent) in French or Spanish. For information contact Professor Jose B. Fernandez, FA 551, (407) 823-2224.

LIBERAL STUDIES PROGRAM
   Program Coordinator: TBA
   Academic Advisors: Dennis R. Kamrad, Judy Monroe, Joann Muratori, Judith Boyte, FA 202, Phone: (407) 823-2492
   The Liberal Studies Program offers students the opportunity to pursue interdisciplinary studies through two different programs of study, the Liberal Arts Option and the General Studies Option.
The Liberal Arts Option

Purpose

The Liberal Arts Option is a Bachelor of Arts degree program available to those students seeking an individualized, interdisciplinary major concentration within the College of Arts and Sciences outside of the traditional department-based majors. The Liberal Arts Option Committee, composed of faculty from the College of Arts & Sciences, will coordinate and approve curricular decisions for this option.

Degree Requirements

1. See Undergraduate Degree Requirements
2. See Special College Requirements
3. Foreign Language - The B.A. requires 2 semesters or proficiency in foreign language; 3 or 4 semesters may be desirable in some programs, particularly letters.
4. Required Courses
   A. Students will be required to take an approved course in ethics and an approved course in critical thinking. 6 hours
   B. Students must complete two tracks of twelve hours each from the following areas:
      - Fine Arts
      - Natural Sciences
      - Social Sciences
      - Letters
      Approved courses for each track are available from advisors. As an option, students can also develop an individually designed program in consultation with an advisor and approval by the Liberal Arts Option Committee. Each track includes a course in methodologies. 24 hours
   C. Students must complete a minor from those offered at UCF, or an individually designed minor program of study approved by the Liberal Arts Option Committee and the relevant department, for a minimum of 18 hours. 18 hours
   D. Students must conclude their program with an Undergraduate Thesis under the direction of a faculty member or members, or an undergraduate seminar which will be a capstone event in the program. 3 hours

Total Required 51 hours

The General Studies Option

Purpose

The General Studies Option is a university-wide general purpose program leading to the Bachelor of Arts or the Bachelor of Science in Liberal Studies. The determination of the B.A. or B.S. is determined by the majority of the course areas selected.

The program is administered through the College of Arts and Sciences and is designed for general studies education and academic flexibility. It recognizes that, apart from the professional curricula, there are many combinations of courses which can be structured into meaningful programs to meet the needs of individual students. The main purpose of the program is to accommodate students who desire a general, nonprofessional education which encompasses several disciplines.

Degree Requirements

1. See Undergraduate Degree Requirements
2. See Special College requirements
3. Required Courses
   Students must complete three different subject area concentrations from those specified below. At least one of the subject areas must be satisfied by the completion of a minor. A minimum of 18 hours is required in each subject area concentration. Generally, courses used to meet General Education requirements can not be used in the subject areas and courses
used in one subject area can not be used in another. Of the 54 hours required, a minimum of 48 must be upper level. A minimum grade point average of 2.0 is required in each of the subject areas.

Total Required: 54 hours

4. The B.S. requires one approved course with a multicultural dimension.
5. The B.A. requires 2 semesters or proficiency of foreign language. A third or fourth may be desirable, depending on the student's program. The B.S. has no foreign language requirement.

Course Subject Areas

Students must complete three different course subject areas, including at least one minor, from those listed below.

1. Business Administration
   A minor in Business Administration (24 hours)

2. Education
   Students who were previously majors in the College of Education may utilize a maximum of 18 hours of approved courses.

3. Engineering
   A minor in Technology and Society (18 hours), or
   18 hours of approved courses in Engineering, or
   18 hours of approved courses in Engineering Technology

4. Health Sciences
   A minor in Health Sciences (18 hours) or a minor in Molecular Biology and Microbiology (30)

5. Arts
   18 hours of approved courses in Art, Music, or Theatre or a minor in Music (21 hours), Theatre (29 hours), or Art History (24 hours), or Community Arts (18 hours).

6. Humanities
   18 hours of approved courses in History, Philosophy, Humanities or Judaic Studies, or a minor in History (18 hours), Philosophy (21 hours), Humanities (24 hours), or Judaic Studies (18 hours).

7. Letters
   18 hours of approved courses in English, Foreign Literature, Comparative Literature, or a minor in Creative Writing (21), Literature (21 hours), Linguistics (18 hours), or Technical Writing and Editing (22 hours)

8. Languages
   18 hours of approved courses in Chinese, French, German, Hebrew, Italian, Japanese, Latin, Russian, Spanish, or a minor in French (18 hours), German (18 hours), Italian (18 hours), Russian (18 hours), Spanish (18 hours), Asian Studies (21 hours), Latin America Area Studies (18 hours), or Russian Area Studies (18 hours).

9. Mathematical Sciences
   18 hours of approved courses in mathematics and statistics or a minor in Mathematics (21 hours) or a minor in Statistics (18 hours)

10. Computer Science
    A minor in General Computer Science (18 hours)

11. Physical Sciences
    18 hours of approved courses in Astronomy, Chemistry, Forensic Science, Physical Geography, Geology, Physics, Oceanography and Meteorology, or a minor in Chemistry (28 hours) or Physics (20 hours)

12. Biological Sciences
    18 hours of approved courses or the minors.

13. Behavioral and Social Sciences
    18 hours of approved courses in Anthropology, Psychology, Sociology, Political Science, Cultural Geography, or a minor in Political Science (18 hours), Psychology (22-25 hours), Anthropology (21 hours), or Sociology (18 hours).

14. Communication
    18 hours of approved courses in Interpersonal or Organizational Communication or a minor in Interpersonal Communication (18 hours) or Organizational Communication (18 hours)

125
15. Public Affairs
18 hours of approved courses in Criminal Justice or a minor in Legal Studies (18 hours) or a minor in Public Administration (21 hours)

DEPARTMENT OF MATHEMATICS

Chair: L. Debnath, PH 403, Phone (407) 823-6284
Faculty: Andrews, Anthony, Armstrong, Brigham, Caron, Choudhury, Clarke, Debnath, Fernandez, Heinzer, Hurst, Jones, Li, Mikusinski, Mohapatra, Muilenburg, Nicholosn, Norman, Pettofrezzo, Phillips, Rautenstrauch, Richardson, Rodriguez, Rollins, Salzmann, Sherwood, Shivamoggi, Taylor, Vajravelu, Zayed

The Department of Mathematics offers courses and programs which lead to a Bachelor of Science in Mathematics, a minor in mathematics and a Master of Science in Mathematical Science. (See the Graduate Studies catalog for a description of the M.S. in Mathematical Science.)

The programs in mathematics are designed to serve (1) students who wish to pursue careers in mathematics after having completed a baccalaureate degree; (2) students who wish to continue their education in graduate and professional schools; and (3) students who need to use mathematics as a tool in their specialty areas.

In order to serve such a wide variety of students, the courses and programs in the Department of Mathematics have developed along several lines. There are the usual service courses in precalculus and calculus along with strong programs in the upper division in the traditional areas of algebra and analysis and applied mathematics.

A limited number of student assistantships are available for qualified graduate and undergraduate students.

HONORS COURSES
Currently, the Department of Mathematics offers special courses for students in the Honors Program. These are listed as MAC 3311 H, MAC 3312 H, MAC 3313 H, MAC 3930 H, and MAP 3302 H.

MINOR
The Department of Mathematics offers the following minor consisting of a minimum of 21 hours.

Required Courses: MAC 3311, 3312, 3313, MAP 3302.

(MAC 3311 and 3312 may be waived by the Department Standards Committee for a student with adequate high school preparation in calculus.)

Restricted Electives: A minimum of two courses selected from MHF 2300, MM courses, MAD courses, MAP courses, MAS courses, or MTG courses. (Either MAS 3105 or MAS 3106 may be used but not both. Courses may be selected from MAA 4226, 4227, or MM 5211 but not both.) These two courses must be taken from the Department of Mathematics at UCF.

Bachelor of Science: Mathematics

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or department requirements

All mathematics courses except for MAC 3311, 3312, 3313, and MAP 3302 must either be taken from the Department of Mathematics at UCF or must be approved by the Mathematics Department Standards Committee. The Department suggests that students consider taking MAS 3105 (Elementary Linear and Matrix Algebra) before taking MAS 3106 (Linear Algebra). MAS 3105 will then be used as an elective. Foreign Language proficiency equivalent to two semesters is required.

DEPARTMENT OF MUSIC

Interim Chair: L. Brodie, FA 105A, Phone (407) 823-2869
Assistant Chair: J. Gardner
Part-time Faculty: J. Beck, Cooke, Hardy, Ivey, Jaskulski, Lesko, Markstein, A. Mascaro, J. Mascaro, McQuinn, Radock, Sherr, Schwab.

The Department of Music offers a Bachelor of Music degree with options in performance and piano pedagogy; a Bachelor of Arts Degree in performance; and a Bachelor of Music Education Degree with specializations in instrumental, choral and elementary school music.

The Music Education programs are approved by the Florida State Department of Education. Students who wish to be certified to teach in elementary and secondary schools should consider a major in Music Education. Courses leading to teacher certification are offered cooperatively with the College of Education. Master of Arts and a Master of Education degrees in Music Education are offered by the College of Education.

The Music Department is fully accredited by the National Association of Schools of Music.

Music organizations on campus include Pi Kappa Lambda, Phi Mu Alpha, Sigma Alpha Iota, Tau Beta Sigma, Kappa Kappa Psi, University Vocal Society, Gospel Choir, and a Student Chapter of Music Educators National Conference.

SPECIAL PERFORMANCE AND MUSIC EDUCATION ENTRANCE REQUIREMENTS

In order to be accepted as a music or music education major, the student must perform an audition. Each student must demonstrate an advanced level of proficiency by performing compositions representing a variety of musical periods. Memorization is required for pianists and vocalists. Accompanists will be furnished only upon request prior to the audition. Each candidate must bring music for the compositions he or she intends to perform. The College will provide large instruments such as the tuba, string bass, or tympani for these auditions. All smaller instruments must be brought to the University. The audition will serve as a placement examination for accepted candidates.

As a prerequisite to formal admission to the State Approved Program of Teacher Education students must:

1. score at or above the 40th percentile of all college-bound persons tested on the American College Testing Program (ACT, score 17) or the Scholastic Aptitude Test (SAT, score 835) and have this score reported as part of their official academic record
2. have an overall G.P.A. of 2.5
3. have satisfactorily completed EDG 4321 (Teaching Strategies)
4. have passed the College Level Academic Skills Test (CLAST)
5. submit a formal junior student teaching application to the College of Education Student Interships Office. Must meet the College of Education’s requirements for admission to Junior and Senior Year Student Teaching.

Since July 1, 1980, all applicants for a teaching certificate in Florida must pass a written competency examination administered by the Florida State Department of Education.

Since July 1, 1982, all applicants for their First Regular Florida Teaching Certificate must satisfy requirements of the Florida Beginning Teacher Program.

COMPREHENSIVE EXAMINATIONS

Comprehensive examinations in music theory and music history should be taken by students during their junior year. Ear-training, sight-singing, part-writing, and analysis examinations will be offered during the fall semester; the music history examination will be offered during the spring. [See policy regarding recitals and student teaching.]

POLICY REGARDING MAJOR ENSEMBLE PARTICIPATION

1. In order to graduate, Bachelor of Music students must spread their required 8 semester hours of major ensemble credit over at least 8 separate semesters; Bachelor of Arts students must spread their required 6 semester hours of major and/or minor ensemble credit over at least 6 separate semesters; BME students must spread their required 6 semester hours of minor ensemble credit over at least 7 separate semesters.

2. The following ensembles are defined as major ensembles: chorus, symphony orchestra, concert band, marching band, and wind ensemble.

3. Vocal music education majors may elect to substitute 1 hour of band or orchestra or 1 hour of the minor ensemble requirement, provided they have sufficient facility on an appropriate instrument.

4. Assignment to major ensembles will be made by the ensemble directors.

5. Undergraduate students taking a course in Performance must take concurrently a major ensemble appropriate to their principal instrument.

*Jazz lab may be counted as one half the total number of required major ensembles.

POLICY REGARDING MINOR ENSEMBLE PARTICIPATION

1. In order to graduate, B.M. students must spread their required 4 semester hours of minor ensemble credit over at least 3 separate semesters; B.A. students who have a total of 6 semester hours of major or minor ensembles in 6 semesters must spread their required 2 semester hours of minor ensemble credit over at least 2 separate semesters.

2. The following ensembles are defined as minor ensembles: Brass Ensembles, Percussion Ensembles, Piano Ensembles, String Ensembles, Vocal Ensembles (except Opera Workshop), Woodwind Ensembles, Jazz Lab.*

*Jazz lab may be counted as one half the total number of required major ensembles.

Bachelor of Music students must complete all but one of their required comprehensive examinations before they will be permitted to audition for their senior recital. Bachelor of Arts and Bachelor of Music Education students must complete three of their comprehensive examinations prior to auditioning for their 30-minute public recital. B.M.E. students must complete all but one of their required comprehensive examinations before they will be permitted to do their senior student teaching. B.M.E. students may not give their required recital during the semester of their senior student teaching. Their student teaching must be done in the area of their specialization.

MINOR

The Department of Music offers a Minor in Music. The requirements are as follows:

1. A successful audition on the student’s principal instrument or voice.

2. A minimum of 21 semester hours credit to include the following or their equivalent: MUT 1111, MUT 1112 (4 hours); MUT 1241, MUT 1242 (2 hours); MUL 2010 (3 hours); major ensemble credit spread over at least 4 separate semesters (4 hours); 2 semesters of performance level I (4 hours) and 2 semesters of performance level II (4 hours) on the same performance medium.

3. A minimum of 11 semester hours of these required courses, including two semesters of a major performing organization and two semesters of Performance Level II, must be completed at UCF.

4. Successful completion of 4 semesters of Music Forum (Mus 1010).
5. A GPA of 2.0 is required for all music courses attempted, whether used to fulfill these requirements or not.

CERTIFICATE PROGRAM IN RECORDING

Students pursuing a music degree may obtain a Certificate in Recording by taking the following courses, which are offered in conjunction with Full Sail Center for the Recording Arts:

Sophomore Practicum in Recording Arts—
Introduction to Recording Arts, Recording Engineering, MIDI
8 Semester Hours

Junior Practicum in Recording Arts—Sound Reinforcement and Concert Lighting, Tapeless Studio, Video
10 Semester Hours

Senior Practicum in Recording Arts—Music Business, Advanced Recording, Maintenance and Troubleshooting
10 Semester Hours

A recording internship offered by the Music Department
2 Semester Hours

Total course work specified for certificate:
30 Semester Hours

Normally, the practicum courses will be scheduled during the summer sessions after the first, second, and third years of the major. Students who pursue the Bachelor of Arts Degree should normally be able to complete the degree and Certificate requirements in three years.

Students must pay UCF all normal fees required for the number of credit hours for which they register. In addition, they must pay directly to Full Sail its appropriate fees for the 28 semester hours of course work undertaken there.
Bachelor of Music: Performance

Degree Requirements

1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses [both specializations]

- MUS 1010  Music Forum (8 semesters)  0 hours
- MUT 1111, 1112, 2116, 2117, 3561  Music Theory  10 hours
- MUT 1241, 1242, 2246, 2247, 3248  Ear Training and Sight Singing  5 hours
- MVK/MVS/MVV/MBV  Performance (8 semesters including 2 semesters of Level IV)  16 hours
- MUH 4211, 4212  *Music History  6 hours
- MUN  Major Ensemble (8 semesters)*  8 hours
- MUN  Minor Ensemble (4 semesters)  4 hours
- MVK  Class Piano I-IV (Not required of piano majors)  4 hours
- MUG 3101  Basic Conducting  2 hours
- PHY 3464  Foreign Language  8 hours
- Music Electives  14 hours

Any secondary performance course not in area of major instrument or any MUC, MUE, MUG, MUH, MUL, MUN, MUS, MUT courses numbered 3000 or higher. Up to one additional year of foreign language.

In partial fulfillment of their elective requirements, piano students must take Piano Literature (MUL 3400, 3401 - 2 hours each) for a combined total of 4 hours; voice students take Foreign Diction (FRE 1005, GER 1005, ITA 1005 - 1 hour each), Voice Pedagogy (MVV 4640, 4641 - 1 hour each), and Song Literature (MUL 3600, 3601 - 1 hour each) for a combined total of 7 hours; piano pedagogy students take Piano Literature (MUL 3400, 3401 - 2 hours each), Piano Pedagogy (MVK 4640, 4641 - 1 hour each), and Studio Teaching (MUS 4401) for 2 hours, for a combined total of 8 hours.

*Not required of piano/guitar majors

4. Restricted Electives

see above paragraph

Special Non-Course Requirements

1. Students are required to take piano until they meet the Piano Proficiency requirement.
2. Students must take music history, theory, ear training and sight singing comprehensive examinations.
3. Two faculty-approved public recitals: a junior recital of 30 minutes length and a senior recital of 45 minutes length. Students who select the Piano Pedagogy option will perform two faculty-approved thirty-minute recitals.
4. Residency requirements: 2 semesters of Performance Level IV; senior recital; history, theory, ear training, and sight singing comprehensive examinations.
5. At least 77 hours of credit must be earned in music courses.

Total Semester Hours Required 120 Hours

Bachelor of Arts: Performance

Degree Requirements

1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses [both specializations]

- MUS 1010  Music Forum (6 semesters)  0 hours
- MUT 1111, 1112, 2116, 2117, 3561  Music Theory  10 hours
MUT 1241, 1242, 2246, 2247, 3248

MVK/MVS/MVW/MVB

MUH 4211, 4212

MUN

MVK

Ear Training and Sight Singing 5 hours

Performance (6 semesters including 2 semesters of Level III) 8 hours

*Music History 6 hours

Major and Minor Ensembles (6 semesters) 6 hours

Class Piano I-IV (Not required of piano majors) 4 hours

Music Electives/Special Requirements 5 hours

Any MUC, MUE, MUG, MUH, MUL, MUS, MUT courses numbered 3000 or higher.

In partial fulfillment of their elective requirements, piano students take Piano Literature (MUL 3400, 3401 - 2 hours each) for a combined total of 4 hours; voice students take Foreign Diction (FRE 1005, GER 1005, ITA 1005 - 1 hour each) and Song Literature (MUL 3600, 3601 - 1 hour each) for a combined total of 5 hours.

4. Restricted Electives

see above paragraph

5. University Electives 35 hours

Special Non-Course Requirements

1. Students must take music history, theory, ear training, and sight singing comprehensive examinations.

2. One faculty-approved thirty-minute recital.

3. Residency requirements: 2 semesters of Performance Level III; 2 ensembles, [each in a different semester]; MUT 3561; MUT 3248; 2 semesters of MUS 1010; history, theory, ear training, and sight singing comprehensive examinations; recital.

Total Semester Hours Required 120 hours

*Three semester hours of coursework in the General Education Program are satisfied by MUH 4212.

4. Restricted Electives
None.
5. Electives
None.

Minimum Total Semester Hours Required 125-129

Special Non-course requirements
1. Students are required to take piano until they meet the Piano Proficiency requirement.
2. A faculty-approved public recital of at least 30 minutes length. (A recital is optional for the Elementary School Music Specialization).
3. History, theory, ear training, and sight singing comprehensive examinations.
4. Students graduating from UCF with a major in music education must complete their last two semesters of required performance; their recital, if required; and, their senior year student teaching while attending UCF.
5. A GPA of 2.5 is required for all courses attempted.

*Three semester hours of course work in the General Education Program are satisfied by MUH 4212.
The Department of Philosophy offers a philosophy major and an interdepartmental humanities major, as well as minors in philosophy, humanities, and Asian studies.

MINORS

The Department of Philosophy offers the following minors:

1. Philosophy
   Twenty-one semester hours.
   Selection of courses from an approved list, in consultation with a departmental advisor, with the following distribution: one course in critical thinking/logic, two courses in the history of philosophy, two courses in values and society, and two courses in philosophical analysis. For information, consult Dr. Donald Jones.

2. Multicultural Humanities
   Twenty-four to twenty-seven semester hours.
   The minor requires either 12 hours in each of two cultural traditions or 9 hours in each of three. Relevant areas include Asia, Middle East, Africa, Europe, the Americas, or others to be specified under advisement. Courses will be selected with the help of an advisor and should deal with subject matter from an interdisciplinary viewpoint sensitive to cultural context, tradition, and identity. Students interested in the Liberal Arts major will find this minor particularly helpful. For information, consult Dr. Dan White.

3. Asian Studies
   Twenty-one semester hours.
   An interdisciplinary minor in which seven UCF departments—Anthropology, Art, Economics, Foreign Languages and Literatures, History, Philosophy, and Political Science participate in order to offer students a basic and well-rounded background in the field. For information, consult Dr. Husain Kassim.

Bachelor of Arts: Philosophy

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses (24 semester hours)
   A. Regular Major (33 hours required)
      PHI 1100 Critical Thinking 3 hours
      PHI 3011 Philosophical Reasoning 3 hours
      PHI 3130 Formal Logic I 3 hours
      PHH 3100 Ancient Philosophy 3 hours
      PHH 3400, or Modern Continental Philosophy, or 3 hours
      PHH 3402 Modern British Philosophy 3 hours
      PHH 3601, or Contemporary Continental Philosophy, or 3 hours
      PHH 3620 Contemporary Analytic Philosophy 3 hours
      PHI 3600 Ethics 3 hours
      PHI 4360, or Epistemology, or 3 hours
      PHI 4500 Metaphysics 3 hours
   
   Electives: Nine upper-division hours in philosophy or related areas, with approval of advisor.

   B. Honors in Philosophy Requirements
      1. Admission to and continuing acceptance in University Honors Program.
      2. Satisfaction of all University requirements for Honors in the major.
      3. Grade of "B" or better in Honors Directed Readings (3 hours).
      5. Thirty-three hours of courses to be selected with guidance and approval of Honors Advisor and Department Chair.

   Electives: Students are encouraged to select courses from other disciplines that supplement training in philosophy.

Foreign Language: two semesters proficiency is required.
Bachelor of Arts: Humanities

Degree Requirements

1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses (24 semester hours)
   - HUM 3431 Ancient World: Greece
   - HUM 3432 Ancient World: Rome
   - HUM 3401 Asian Humanities or HUM 3250 Contemp. Humanities
   - HUM 3025 Critical Evaluation/Arts or PHI 3800 Aesthetics
   - CLA 3850 Classical Myth or CLA 3851 Comparative Myth
   - HUM 4301 The Classical Ideal
   - HUM 4302 The Romantic Ideal
   - HUM 4303 The Spiritual Ideal
4. Restricted Electives (24 semester hours, to be chosen with the help of an advisor and to include at least one course each in art, literature, music, and philosophy.)
   - ARH 4311 or 4312 Ital. Ren. Art or ARH 3060 Hist. Arch.
   - ARH 4350 or ARH 4430 or ARH 4450 History of Art
   - ENL 3031 or 3051 English Lit. or LIT 2110 or 2120 World Lit.
   - ENL 4330 Shakespeare or AML 3051 American Lit.
   - EUH 3122 Medieval Soc. & Civ. or EUH 3142 Ren. & Reform.
   - MUL 2010 Enjoyment of Music
   - PHH 3100 Ancient Phil. or PHH 3400 Mod. Continental Phil.
   - PHM 3350 Introduction to Marxism or PHP 3786 Existentialism
   - HUM 3552 Hebrew-Christian Heritage
5. Electives
   - May be used to obtain a second major or to complete requirements for teacher certification in Humanities in the College of Education.

DEPARTMENT OF PHYSICS

Chair: S. K. Bose, HPB 310, Phone (407) 823-2325
Faculty: Bass, Beck, Bolemen, Bolte, Bose, Brennan, Caldwell, Chai, Chow, Elias, Guenther, Hagan, Heinonen, Johnson, Kim, Llewellyn, Luo, Miller, Neighbor, Peale, Renken, Richardson, Saha, Schulte, Silfvast, Soileau, Stegeman, Van Stryland

The Department of Physics offers B.S., M.S., and Ph.D. degrees. Students interested in being a physics major are encouraged to see, as soon as possible, a faculty advisor who will help the student to design a curriculum. An appointment to see the advisor is necessary prior to registration in each semester.

Physics is a basic science and coursework in physics helps to prepare a student for a variety of careers in industry and government, as well as teaching in schools, colleges and universities.

The undergraduate program emphasizes classroom as well as advanced laboratory experiences. The Departmental computer laboratory, including SUN workstations, is available to every physics major; many of the advanced courses require the use of FORTRAN and MATHEMATICA.

Advanced undergraduates are encouraged to be involved in special projects and research with faculty. Faculty research facilities are extensive in the areas of atomicmolecular, condensed matter, particle, and optical and laser physics.

Service courses required by other department and colleges are offered regularly as well as courses for science education majors and a physical science course satisfying general education requirements.
MINOR
The Department of Physics offers a minor consisting of a minimum of 20 semester hours. Required courses: PHY 3048, 3048L, 3049, 3049L, 3101. The remaining 9 semester hours must be selected from appropriate upper-level lecture or laboratory courses.

HONORS
Honors sections of the introductory physics sequence are available to students with appropriate academic standing.

Degree Requirements
1. General Undergraduate Degree Requirements.
2. In addition to the degree requirements listed below for a B.S. in Physics, the following standards are required by the department for graduation. Approval as a special case by the department Undergraduate Affairs Committee must be requested for any waiver.
   (a) A minimum GPA of 2.0 for all courses used for a major in physics.
   (b) No credit toward graduation for a "D" grade in any physics or mathematics course required for a major in physics; a higher grade on repeating is acceptable.
3. Required courses. The courses listed, or departmentally approved equivalents, are required in the physics curriculum.
   BSC 2010C General Biology 4 hours
   CHM 2045, 2046, 2046L Chemistry Fundamentals 8 hours
   MAC 3311, 3312, 3313 Calculus with Analytic Geometry 12 hours
   MAP 3302 Differential Equations 3 hours
   PHY 3048H (or 3048), Physics For Scientists and Engineers I and II 8 hours
   3048L
   PHY 3049H (or 3049), 3049L
   PHY 3101H (or 3101) Physics for Scientists and Engineers III 3 hours
PHZ 3113 Introduction to Theoretical Methods of Physics 3 hours
PHZ 3151 Computer Methods in Physics 3 hours
PHY 3221 Mechanics I 3 hours
PHY 3503 Thermal and Statistical Physics 3 hours
PHY 3322, 4324 Electricity and Magnetism I & II 6 hours
PHY 3752C Physics of Scientific Instruments 3 hours
PHY 4604, 4605 Wave Mechanics I & II 6 hours
PHY 3802L Intermediate Physics Laboratory 3 hours
PHY 4803L Advanced Physics Laboratory 3 hours

4. Restricted Electives
Upper division courses approved by the advisor.
A minimum of six hours of these must be PHY or PHZ courses. 15 hours
Total Semester Hours Required 120

*Foreign Language Requirement in B.S. Program in Physics
Physics majors are required to take FL 1120 and FL 1121 or take and pass a proficiency examination at the level of FL 1121 administered by the Department of Foreign Languages and Literatures. A native speaker will substitute advanced level courses in the language. Admission requirement in FL 1121 will be a passing grade in FL 1120.

DEPARTMENT OF POLITICAL SCIENCE
Chair: R. L. Bledsoe, FA 426, Phone (407) 823-2608
Faculty: Benson, Bledsoe, Celso, Fine, Handberg, Johnson-Freese, Kennedy, Kiel, Kuffirst, J. Lilie, S. Lilie, Morales, Pollock, Stem, Vittes

The Department of Political Science seeks to (1) provide a broad background for careers in foreign and domestic public service and in the private sector where a knowledge of government and politics is necessary; (2) provide a broad background for and facilitate admission to law school through the prelaw emphasis; (3) prepare students for teaching, research, and graduate study in Political Science; (4) provide a broad background for careers in politics; and (5) educate citizens and promote their active interest in public affairs. Students should plan their major or minor in consultation with their departmental advisor according to their interests and career objectives.

Political Science courses are divided into three areas of specialization: American Politics and Policy; International Relations and Comparative Politics; and Political Theory.

It is strongly recommended that majors planning to continue their education at the graduate level or to pursue a career in international fields acquire a working knowledge of a foreign language.

Canadian Studies: The Department of Political Science is the main contributor to the Canadian Studies Program. Interested students should contact Dr. Henry Kennedy.
Latin American Studies: The Political Science Department participates in the Latin American Studies Program. Contact Dr. Waltraud Q. Morales.
Russian Area Studies: The Political Science Department participates in the Russian Area Studies program. Consult Dr. Henry Kennedy.

MINOR
The Department of Political Science offers minors consisting of a minimum of 18 semester hours in each minor.

1. Political Science
Required courses: POS 2041. In the event a student has taken the varying credit POS 4941, only 3 semester hours from this course can be used in the minor. Four courses (12 semester hours) must be taken at senior institutions. Except for these requirements, students may select any other Political Science courses with the aid of an advisor.

2. Political Science/Prelaw
Required courses: POS 2041, 4284; at least one from INR 4401, 4402, POS 4603, or POS 4604. In the event a student has taken the varying credit POS 4941, only 3 semester hours from this course can be used in the minor. Only two courses (6 semester hours) from a two-year institution will be accepted as part of the minor. Except for these requirements, students may select any other Political Science courses with the aid of an advisor.
3. A minimum GPA of 2.0 in all political science courses is required for graduation as a political science minor.

**Bachelor of Arts: Political Science**

**Degree Requirements**

1. See Undergraduate Degree Requirements
   - Ten courses (30 semester hours) must be taken at senior institutions.
2. See special college and/or department requirements
3. A minimum GPA of 2.0 in all political science courses is required for graduation as a political science major.
4. Political Science majors must demonstrate proficiency in a foreign language equivalent to one year of college instruction.
5. **Required Courses**
   - POS 2041 American National Government
   - *POS 3703 Scope and Methods of Political Science*
   *This course should be completed by the second semester of the junior year.*
6. ** Restricted Electives**
   - Majors must choose from one of the following emphases for a minimum of 30 additional hours.
   **Emphasis 1: American Politics and Policy**
     - Five courses from area A
     - Two courses from area B
     - Two courses from area C
     - One additional course from any area
   **Emphasis 2: International Relations-Comparative Politics**
     - *Five courses from area B*
     - Two courses from area A
     - Two courses from area C
     - One additional course from any area
   *No more than two of the following courses may be considered part of area B credit: INR 4401, INR 4402, INR 4403.*
   **Emphasis 3: Prelaw**
     - POS 4284 Judicial Process and Politics
     - One of the following:
       - *POS 4603 American Constitutional Law I*
       - POS 4604 American Constitutional Law II
       - INR 4401 International Law I
       - INR 4402 International Law II
     *POS 4603 should ordinarily be taken before POS 4604.*
   - Five courses from either area A or area B
   - Two courses from area A if area B is chosen above; or
   - Two courses from area B if area A is chosen above
   - One course from area C
   - **Total Hours in Major**
     - 36 hours
7. **Electives**
   - **Total Semester Hours Required**
     - 120

**AREAS OF SPECIALIZATION**

The Department courses are divided into three areas of specialization.

**A. American Politics and Policy**
- POS 3122 State Government
- POS 3443 Political Parties and Processes
- POS 3413 The American Presidency
- POS 3424 Congress and the Legislative Process
- PUP 3314 Minorities in American Politics
- POS 3235 Mass Media and Politics
- POS 3233 Public Opinion
- POS 3273 Voting and Elections
B. International Relations and Comparative Government

INR 3002 International Relations
GEO 3470 World Political Geography
INR 4035 International Political Economy
INR 4102 American Foreign Policy
INR 4114 American Defense Policy
INR 4115 Strategic Weapons and Arms Control
INR 4224 Contemporary International Politics of Asia
INR 4243 International Politics of Latin America
INR 4225 Vietnam War
INR 4335 Coercion in International Politics
INR 4401 International Law I
INR 4402 International Law II
INR 4404 Space Law
INR 4502 International Organizations
CPO 3034 Politics of Developing Areas
CPO 3103 Comparative Politics
CPO 3132 Introduction to Canadian Studies
POS 3253 Contemporary Revolution and Political Violence
CPO 4123 Government and Politics of Great Britain
CPO 4284 Comparative Judicial Processes
CPO 4303 Comparative Latin American Politics
CPO 4643 Government and Politics of the Soviet Union
CPO 4024 Non-Western Politics
CPO 4133 Government and Politics of Canada
CPO 4445 Comparative Political Parties
PUP 4510 Space Policy
PUP 3508 Introduction to Space Studies

C. Political Theory

POT 3302 Modern Political Ideologies
POT 3204 American Political Thought
POT 4003 Political Theory
POT 4314 Contemporary Democratic Theory
POT 4025 Ancient, Medieval and Early Modern Political Philosophy
POT 4054 Modern Political Philosophy
POT 4206 Political Psychology
POT 4414 Marxist Political Theory
POT 4066 Contemporary Political Theory
Prelaw: Political Science

While no specific major is prescribed for admission to law school, many prelaw students elect to major in political science. These individuals usually choose the prelaw emphasis within the political science major.

Prelaw students are encouraged to work closely with a prelaw advisor in planning their programs. By judicious use of electives, the student builds a firm foundation for law school entry and acquires a broad training which can result in career options upon graduation. For further information, consult one of the Department's prelaw advisors.

1. Some suggested electives include:
   - ACG 2001 Principles of Financial Accounting
   - ACG 2011 Principles of Accounting II
   - BUL 3111 Legal Environment of Business
   - ENC 3210 Business Report Writing
   - PLA 3105 Legal Research
   - PLA 3155 Legal Writing
   - PHI 3130 Formal Logic I
   - PHI 3131 Formal Logic II
   - MHF 2300 Logic and Proof in Mathematics
   - ENC 3311 Expository Writing
   - LIN 4100 History of the English Language

Internship Program: Political Science

For students who excel, a limited number of internships may be available each semester for 3 to 6 hours of credit. Under the Internship Director, the student is typically placed in an office of local, state, or national government, a law office, or campaign headquarters.

DEPARTMENT OF PSYCHOLOGY

Interim Chair: M. Thomas, PH 302, Phone (407) 823-2216
Associate Chair: A. Wang, PH 342, Phone (407) 823-2216

The undergraduate program provides a general preparation in Psychology with the option to select an emphasis area from a variety of subfields. Suggested emphasis area course listings are available in the department. Successful completion of the specified program of at least 41 hours leads to the Bachelor of Arts degree with a major in Psychology. The Bachelor of Science option is also available.

MINOR

The Psychology Department offers minors in several emphasis areas, including Clinical Psychology, Human Factors Psychology, and Industrial/Organizationa1 Psychology. The guiding principle in design of a minor is to select those Psychology courses which will strengthen the graduate school preparation and/or the marketability of the student's major program. Therefore, a minimum of 22-25 credit hours are required, 3 in Statistics, and 19-22 in Psychology, including PSY 2013 (3 hours) and PSY 3214 (4 hours). The additional 12 (or more) hours are to be taken with the approval of the Psychology Department's Undergraduate Program Coordinator. The additional hours will generally follow suggested course lists which are available in the Department.

Bachelor of Arts/Bachelor of Science: Psychology

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Foreign Language Requirements:
   - B.A. - 3 semesters/proficiency
   - B.S. - 2 semesters/proficiency plus 9 hours from the Science/Math option
4. Required Courses
   - PSY 2013 General Psychology 3 hours
5. Restricted Electives

a. Psychology Department (any two)
   - CLP 3143 Abnormal Psychology 3 hours
   - DEP 3004 Developmental Psychology 3 hours
   - PPE 3003 Personality Theory 3 hours
   - SOP 3004 Social Psychology 3 hours

b. Statistics Department (one of the two)
   - STA 2014 Principles of Statistics 3 hours
   - STA 3023 Statistical Methods I 3 hours

c. B.S. Option (9 hrs. from the following courses):
   - COP 2500 Computer Science I 3 hours
   - COP 2501 Computer Science II 3 hours
   - CGS 3000C Computer Fundamentals for Business Applications 3 hours
   - MAC 3233 Concepts of Calculus 3 hours
   - MAC 3253 Applied Calculus I 3 hours
   - PCB 3063, 3063L Genetics with Lab 4 hours
   - PCB 3703C Human Physiology with Lab 4 hours
   - STA 4102 Computer Programming of Statistical Data 3 hours
   - ZOO 3733C Human Anatomy with Lab 4 hours

6. Electives
   A total of 12 semester hours in other courses offered by the Psychology Department taken in accordance with the student's interests and career goals and with the consent of the advisor.

   - Total Hours Required Outside Major 3
   - Total Hours Required in Major 38
   - Total Semester Hours Required 120

Honors in Psychology

The Honors in Psychology is available to those undergraduate psychology majors who have distinguished themselves academically. The opportunity to pursue this recognition is limited to those students who show outstanding scholarship and promise in the field of psychology. To qualify for Honors in Psychology, students must attain junior standing and meet or surpass GPA and course prerequisites (further information is found in the Undergraduate Psychology Handbook). The two-course honors sequence begins in the Fall semester with directed readings (PSY 4903H) and concludes with the successful defense of an honors thesis in the Spring (PSY 4970H). Interested students must contact the Psychology Chairperson or Director of Undergraduate Programs in Psychology and present a written commitment from a faculty sponsor who will direct the student through the honors sequence.

RUSSIAN AREA STUDIES

Five UCF departments, Foreign Languages, History, Political Sciences, Sociology, and Philosophy, have pooled their resources to offer a minor to students interested in Russian Area Studies a basic and well-rounded background in the field. The philosophy of the program is to offer students a multidisciplinary approach to the subject, so as to allow them to grasp the subject in its complexity and to understand linguistic, cultural, historical, political, and socio-economic interrelationships.

Interested students should register for the minor with Dr. Karl-Heinrich Barsch, Department of Foreign Languages, FA 439 (407) 823-2466. For further information consult any of the above mentioned departments.
Bachelor of Science: Social Sciences

Contact Person: J. Boyte, FA 208, Phone (407) 823-2492

The Social Sciences program offers students an opportunity to become acquainted with the various fields of the Social Sciences and to better understand the relationships between those fields. Satisfactory completion of the program leads to the degree Bachelor of Science with a major in Social Sciences.

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses
   None
4. Restricted Electives
   a. Choose one
      POS 3703 Scope and Methods of Political Science 3 hours
      PSY 3214 Research Methods (Psychology) 3 hours
      SYA 3300 Research Methods (Sociology) 3 hours
   b. A minimum of 15 semester hours in each of four Social Science disciplines. The following are the required courses for each discipline selected.
      Communication
      RTV 4403 Radio, Television and Society 3 hours
      or
      JOU 3003 History of American Journalism 3 hours
      COM 3311 Communication as a Behavioral Science 3 hours
      Economics
      ECO 2013 Principles of Economics I 3 hours
      ECO 2023 Principles of Economics II 3 hours
      Political Science
      POS 2041 American National Government 3 hours
      Psychology
      PSY 2013 General Psychology 3 hours
      PPE 3003 Personality Theory 3 hours
      Public Service Administration
      PAD 3003 Introduction to Public Administration 4 hours
      CCJ 3020 Criminal Justice System 4 hours
      or
      PLA 3013 Law and the Legal System 4 hours
      Sociology
      SYG 2000 General Sociology 3 hours
      ANT 2003 General Anthropology 3 hours
5. Electives
   Total Semester Hours Required 120

DEPARTMENT OF SOCIOLOGY AND ANTHROPOLOGY

Chair: D. Fabianic, FA 405, Phone (407) 823-2227
Faculty: W. Brown, Carey, A. Chase, D. Chase, Cook, Dees, Gay, D. Jones, Lynxwiler, Morris, Stearman, Wallace

The Department of Sociology and Anthropology offers a Bachelor of Arts in Sociology and Anthropology. Students should consult with their advisor early in their academic careers to select an area of specialization within the Department or if they plan to pursue graduate work.

MINORS

The Department offers the following minors:
1. Anthropology
   Required Courses: ANT 3211, ANT 3410, ANT 3422, ANT 3511; and a minimum of 9 semester hours of Anthropology. No more than 6 semester hours of transfer credit in
anthropology will be accepted toward the minor, and no more than 6 semester hours of 1000/2000 credit can be applied. The minimum number of semester hours required is 21.

2. Sociology
   Required Courses: SYG 2000, SYO 3000; and a minimum of 12 semester hours of Sociology courses. No more than 6 semester hours of transfer credit will be accepted toward the minor, and no more than 6 semester hours of 1000/2000 credit can be applied. The minimum number of semester hours required is 18.

Bachelor of Arts: Sociology

Degree Requirements
The Sociology curriculum is designed to provide students a basic curriculum which emphasizes critical examination of various components of society. The purpose of the curriculum is to increase students' social awareness and ability to employ a sociological perspective to interpret social institutions and behavior. A minimum of 45 semester hours is required for a major.

1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses (21 semester hours)

   SYG 2000 General Sociology 3 hours
   SYA 3110 Development of Social Thought 3 hours
   or
   SYA 3120 Modern Sociological Thought 3 hours
   SYA 3300 Research Methods 4 hours
   SYA 3400 Research Methods and Statistics 4 hours
   SYO 3360 Social Organization & Human Relations 3 hours
   or
   SYP 4000 Sociological Social Psychology 3 hours
   SYA 4450 Data Analysis (PR: Course in Statistics) 4 hours

4. Restricted Electives
   Majors must choose a minimum of 24 semester hours from the courses listed below:

   SYG 3010 Social Problems 3 hours
   SYA 4650 Applied Sociology 3 hours
   SYD 3410 Urban Sociology 3 hours
   SYD 3700 Race and Ethnic Minorities in the United States 3 hours
   SYD 3800 Sex Roles in Modern Society 3 hours
   SYD 4020 Population 3 hours
   SYO 3000 Modern Sociology 3 hours
   SYO 3410 Sociology of Mental Illness 3 hours
   SYO 3530 Social Stratification 3 hours
   SYO 4100 Family Trends 3 hours
   SYO 4250 Sociology of Education 3 hours
   SYO 4300 Political Sociology 3 hours
   SYO 4370 Sociology of Occupations and Professions 3 hours
   SYO 4400 Medical Sociology 3 hours
   SYP 3300 Collective Behavior 3 hours
   SYP 3400 Social Change 3 hours
   SYP 3540 Sociology of Law 3 hours
   SYP 3510 Sociology of Deviant Behavior 3 hours
   SYP 3520 Criminology 3 hours
   SYP 3530 Juvenile Delinquency 3 hours
   SYP 3551 Sociology of Alcoholism 3 hours
   SYP 3602 Sociology of Popular Music 3 hours
   SYP 3650 Sociology and Sport 3 hours
   SYP 4550 Sociology of Drug Abuse 3 hours
   SYP 4730 Sociology of Aging 3 hours

Eligible students may enroll for 3 to 16 semester hours of Internship. Arrangements for Internship are coordinated by the Department.
5. Foreign Language
   Two semesters/proficiency required either a third semester in the course OR one approved enhancement course.

6. Electives

**Total Semester Hours Required** 120

### Bachelor of Arts: Anthropology

#### Degree Requirements

Anthropology offers the Bachelor of Arts degree. In keeping with the holistic nature of the discipline, students are required to pursue a course of study which leads to a comprehension of all subfields of Anthropology. The recognized subfields of Anthropology are Cultural Anthropology, Archaeology, Physical Anthropology, and Linguistics. Area studies concerned with North American Indians, Mesoamerican Civilization, and Latin American Culture are available. Students majoring or minoring in Anthropology with sufficient course background may be provided an opportunity to participate in ongoing archaeological excavations associated with the Maya culture in the Central American country of Belize.

A minimum of 45 semester hours is required for a degree. All Anthropology courses are 3 semester hours with the exception of ANT 4124, which is 9 semester hours.

Two semesters of foreign language are required, or proficiency.

#### Degree Requirements

1. See Undergraduate Degree Requirements
2. Special college and/or department requirements
3. Required Courses (21 hours)
   - ANT 3211 Archaeology and the Rise of Human Culture (Anthropology I) 3 hours
   - ANT 3410 Cultural Anthropology (Anthropology II) 3 hours
   - ANT 3511 The Human Species (Anthropology III) 3 hours
   - ANT 3145 Archaeology of Complex Societies 3 hours
   - ANT 3422 Peoples of the World 3 hours
   - ANT 3610 Language and Culture 3 hours
   - ANT 4084 Anthropological Method and Theory 3 hours
4. Restricted Electives (24 hours)
   - Area Studies (Select 3)
     - ANT 3153 Archaeology of North America 3 hours
     - ANT 3163 Mesoamerican Archaeology 3 hours
     - ANT 3311 Indians of the Southeastern United States 3 hours
     - ANT 3312 Ethnology of North American Indians 3 hours
     - ANT 3313 Indians of the North American High Plains 3 hours
     - ANT 3328 Maya Archaeology 3 hours
     - ANT 3332 Peoples and Cultures of Latin America 3 hours
     - ANT 3360 Peoples of the Far East 3 hours
     - ANT 3363 Anthropology of Japan 3 hours
   - Specialized Studies (Select 5)
     - Cultural
       - ANT 3302 Sex, Gender, and Culture 3 hours
       - ANT 3241 Magic, Ritual, and Belief 3 hours
       - ANT 3432 Culture and the Individual 3 hours
       - ANT 3262 Rural Society 3 hours
       - ANT 3271 Law and Culture 3 hours
     - Archaeology
       - ANT 3122 Archaeological Method and Theory 3 hours
       - ANT 3141 The Emergence of Civilizations 3 hours
       - ANT 3142 Old World Prehistory 3 hours
       - ANT 3144 Prehistory of the American Indians 3 hours
       - ANT 4124 Advanced Archaeological Fieldwork 9 hours
       - ANT 4180 Seminar in Laboratory Analysis 3 hours
The Department of Statistics offers courses and programs which lead to a Bachelor of Science in Statistics, a minor in statistics, and a Master of Science in Statistical Computing. (See the Graduate Studies catalog for a description of the M.S. in Statistical Computing.)

The undergraduate programs in statistics are designed to serve (1) students who wish to pursue careers in statistics after having completed a baccalaureate degree; (2) students who wish to continue their education in graduate or professional schools; and (3) students who need to use statistics as tools in their specialty areas.

In order to serve such a wide variety of students, the courses and programs in the Department of Statistics have developed along several lines. There are the usual service courses in elementary statistics along with strong programs in the upper division in statistical methods, statistical theory, and statistical computing.

A limited number of assistantships are available for qualified graduate and undergraduate students.

MINOR

The Department of Statistics offers a minor (with a minimum of 18 hours). Required Courses: STA 3023 or STA 3032 or equivalent; STA 4163, STA 4164, and one of the following: STA 4222 or STA 4502. A grade of C or higher is required in each course counting toward a minor.

Restricted Electives: Six or more hours from STA courses numbered 3000 or higher. (Credit from STA 3023 or STA 3032 or the equivalent may not be used as a restricted elective.) All courses except STA 3023 or STA 3032 must be taken from the Department of Statistics at UCF unless substitutes are approved by the Department Standards Committee.

Bachelor of Science: Statistics

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
   (a) All statistics courses except STA 3023, STA 3032, and those protected by the Florida Common Course Numbering system must be taken from the Department of Statistics at UCF. Substitution of other transfer work must be approved by the Department Standards Committee.
   (b) To meet the College of Arts and Sciences requirement for Natural Science majors, a Statistics major must take one course from one group (A or B) and two courses from the other group, with at least one laboratory in each group. Any additional science course in the College of Arts and Sciences of any level or any course in the College of Health numbered 3000 or higher will count as the fourth required course.

4. Restricted Electives

A minimum of 6 hours selected from upper-division or graduate statistics, mathematics, or computer science courses. (MAC 3233, 3253, 3254; all MAE courses; and MHF 4404 may not be used.)

Selected courses in engineering may be used but must first be approved by the Statistics Department Standards Committee.

5. Electives

The number of hours depends on the courses chosen to satisfy university requirements.

Total Semester Hours Required: 120

DEPARTMENT OF THEATRE

Chair: D. W. Seay, TH 120, Phone (407) 823-2861

Faculty: Cali, Rusnock, Smith

The Department of Theatre seeks to develop theatre artists of the highest quality by providing a select number of undergraduate students with the training, education, and experiences necessary for the successful pursuit of professional careers in theatre arts. In support of this mission and the liberal arts goals of the College of Arts and Sciences, the department seeks to provide its students with the knowledge and skills necessary to live full, rewarding and productive lives. Offering both the Bachelor of Arts and the Bachelor of Fine Arts degrees, the Department of Theatre undertakes to develop and graduate theatre artists who are sensitive, aware, and total human beings. Through its public performance programs, the department endeavors to serve as a cultural resource for the University, the community and the central Florida region. Striving to provide its students with a competitive edge, the department employs a faculty and staff of artists/teachers who work intensely with students in the classroom and in production. To supplement this education and training, professional guest artists are brought to the campus to work in production and in the
classroom. Before graduation, B.F.A. students are required to complete a professional theatre internship thus providing them with a unique and invaluable introduction to the real world of professional theatre. In all its endeavors, the Department of Theatre strives to create and maintain a professional environment necessary for the continued growth and development of its students, faculty, and staff.

**SPECIAL ENTRANCE REQUIREMENTS**

Entrance into the majority of UCF theatre classes for both B.A. and B.F.A. theatre majors is made by the departmental faculty on the basis of departmental interview, audition and portfolio review. Only those students who have successfully undergone this process are admitted into restricted theatre classes. Students wishing to pursue a performance major, in addition to an interview, are required to prepare and perform two monologues of contrasting styles not to exceed a total of three (3) minutes. Students of performance interested in musical theatre should prepare a ballad in addition to their monologues. Students wishing to pursue a technical theatre/design major, in addition to an interview, must undergo a portfolio review. The portfolio should contain no more than fifteen (15) examples of the student’s best work representing a variety of mediums and presented in a professional manner. Three dimensional pieces can be submitted in slide format. For more complete information concerning entrance auditions and portfolios, please contact the Department of Theatre prior to enrollment at UCF.

**Course Restrictions**

With the exception of THE 1020, 1020H, 1925, 2300, 2925, 2926, 3110, 3111, 3305, TPP 3190, 3191, 3197, 4192, 4193, TPA 3197, 3290, 3291, and 4293 theatre courses are restricted to theatre majors. TPP 3531, 3730, 4140, 4142, 4260, 4311, 4940, TPA 3061, 3221, 3251, 4061 and 4940 are further restricted to B.F.A. theatre majors. Waiver of restrictions must be approved by Department Chair.

**THEATRE PARTICIPATION**

Because participation in productions is the best way to experience maximum artistic development, the department strongly recommends that all theatre students participate, in some capacity, on all main-state productions. Though participation on all departmental productions is not required, B.A. and B.F.A. theatre majors are required to participate on a minimum of two (2) departmental productions during both the Fall and Spring terms. Participation in some capacity on the opening production of the Fall term of each academic year is mandatory for all majors. Successful completion of the theatre degree is contingent upon the student’s continuing participation in departmental productions. For further information concerning Theatre Participation, consult the departmental Student Handbook.

**FRESHMAN AND SOPHOMORE B.F.A. EVALUATIONS**

Evaluations are available to all theatre students but are required of B.F.A. students who wish to continue in the B.F.A. degree program. The performance theatre faculty and staff and the technical theatre/design faculty and staff will meet privately with each student in their respective areas to review and provide objective evaluations of each student’s strengths and weaknesses. Following each evaluation, a recommendation will be made to each student regarding their continuation in the B.F.A. degree program. For further information concerning B.F.A. evaluations, consult the departmental Student Handbook.

**MINOR**

The Department of Theatre offers a minor in General Theatre. The requirements are as follows:

1. A successful interview and audition or portfolio review.
2. A minimum of 28 semester hours of credit to include the following or their equivalent: THE 1020, 1925, 2300, 2925, 2926, 3110, 3111, 3305, TPP 2100, TPA 2200, and 2204.
3. A minimum of 17 of these required credits, including TPA 2200, 2204, THE 2925, and 2926, must be completed at UCF.
4. Participation on a minimum of two (2) departmental productions during both the Fall and Spring terms for four (4) semesters.
5. A minimum grade of "C" (2.00) in all theatre courses. No "D" grades in theatre courses from other institutions are transferable.

THEATRE CORE CURRICULUM

The theatre core curriculum is required of all B.A. and B.F.A. theatre majors.

BACHELOR OF ARTS DEGREE

The Bachelor of Arts Degree is offered to meet the needs of those students who do not plan to pursue the theatre as a profession upon graduation. Such students may be interested in pursuing graduate studies in theatre or they may be interested in the theatre solely as a means of obtaining an excellent liberal arts education. The B.A. degree is a 60-hour major offered in two areas of concentration or in general theatre. Students need to work closely with their advisors in selecting concentrations and courses.
B.A. Degree Requirements

1. See Undergraduate Degree Requirements.
2. Most theatre courses have prerequisites and are sequential. Waiver of prerequisites or sequence must be approved by the Department Chair.
3. See special college and/or department requirements. Students in theatre courses must achieve a grade of “C” (2.00) or higher to continue in a course sequence or to advance to the next higher level of study. Departmental residency requirements require that a minimum thirty (30) semester hours of regularly scheduled courses be completed with the UCF Department of Theatre.
4. Students must maintain a minimum “C” (2.00) overall Theatre GPA to continue in the major.
5. Required courses vary with concentration.
6. Restricted electives
7. Foreign Language Requirement of B.A. Theatre majors is the same as that required by the College of Arts and Sciences.
8. Electives, selected in consultation with a theatre advisor, are to be primarily from upper division courses.
9. Total semester hours required for graduation is 120.

AREAS OF SPECIALIZATION

I. GENERAL THEATRE
A. Required Theatre Courses
   - Theatre Core Curriculum
   - 30 hours
B. Theatre Electives selected from courses open to B.A. majors
   - 30 hours
C. Suggested Courses in Dramatic Literature
   - ENL 4330 or 4373 or 5236

II. PERFORMANCE
A. Required Theatre Courses
   - Theatre Core Curriculum
   - 30 hours
B. Performance Specialization
   - TPP 2170, 2510, 2511, 2710, 2711, 3172, 3511, 3712
   - 20 hours
C. Restricted Electives
   - TPP 3190, 3191, 3197, 4192, 4193, TPA 3249, 3601, 4400, and THE 2926
   - 10 hours
D. Suggested Courses in Dramatic Literature
   - ENL 4330, 4373 and 5236

III. TECHNICAL THEATRE/DESIGN
A. Required Theatre Courses
   - Theatre Core Curriculum
   - 30 hours
B. Technical Theatre/Design Specialization
   - TPA 3043, 3060, 3220, 3230, 3250, 3601, 4049
   - 20 hours
   - THE 2926
C. Restricted Electives
   - TPA 2248, 3077, 3197, 3221, 3290, 3291, 3249, 4293, and 4400
   - 10 hours
D. Suggested Courses in Art
   - Art 2300C and 3330C
E. Suggested Courses in Dramatic Literature
   - ENL 4330, 4373 and 5236

Total: 60 hours

Total: 60 hours
BACHELOR OF FINE ARTS DEGREE

The Bachelor of Fine Arts Degree is offered to meet the needs of those students who, upon graduation, plan to pursue a specialized career in professional theatre. The B.F.A. degree is an 80 hour major which provides the student with a very structured and intensive career preparation in either performance or technical theatre/design. The B.F.A. is also an excellent degree for students who are interested in pursuing graduate studies in theatre. Work in the B.F.A. degree program requires tireless energy and dedication. As B.F.A. theatre students work 35-55 hours per week, part-time study or outside work is generally impossible. B.F.A. standards are high, both for admission and for continuation in the program. Casting, crew and design assignments are regulated to serve the artistic growth of students coordinating production experience with classroom exploration.

B.F.A. Degree Requirements
1. See Undergraduate Degree Requirements.
2. Waiver of course prerequisites and sequencing must be approved by the Department Chair.
3. See special college and/or department requirements. B.F.A. students in theatre courses must achieve a grade of "C" (2.00) or higher to continue in a course sequence or to advance to the next higher level of study. Departmental residency requirements require a minimum of sixty (60) semester hours of regularly scheduled courses be successfully completed with the UCF Department of Theatre.
4. B.F.A. theatre majors must maintain a minimum "B" (3.00) overall Theatre GPA to continue in the B.F.A. degree program. In addition to maintaining a minimum 3.00 Theatre GPA, continuation in the B.F.A. requires a positive annual evaluation by the faculty and their recommendation for continuation in the program. Failure to meet the above criteria will, under normal circumstances, require the student to change to a B.A. degree program.
5. Required courses vary with concentration.
6. Restricted electives.
8. Electives, selected in consultation with a theatre advisor are to be primarily from upper division courses.
9. Total semester hours required for graduation is 120.

AREAS OF SPECIALIZATION

1. PERFORMANCE
   A. Required Theatre Courses
      Theatre Core Curriculum
   B. Performance Specialization
      TPP 2170, 2510, 2511, 2710, 2711, 3172, 3190, 3191, 3511, 3531, 3712, 3730, 4140, 4142, 4192, 4193, 4260, 4940, TPA 2248, and THE 2926
   C. Restricted Electives
      TPP 3197, 4311, TPA 3601, 3249, and 4400
   D. Music
      MVV 1111 and 1211
   E. Suggested Courses in Dramatic Literature
      ENL 4330, 4373 and 5236

   Total: 80 hours

2. TECHNICAL THEATRE/DESIGN
   A. Required Theatre Courses
      Theatre Core Curriculum
   B. Technical Theatre/Design Specialization
      TPA 3043, 3060, 3061, 3077, 3220, 3221, 3230, 3250, 3251, 3290, 3291, 3601, 4049, 4293, 4940, and THE 2926
   C. Restricted Electives
      TPA 2248, 3197, 3249, 4061, and 4400

   Total: 80 hours
WOMEN'S STUDIES PROGRAM

The Women's Studies program offers an interdisciplinary minor, but not a major. Several departments cooperate in offering the minor, which emphasizes the history and cultural contributions of women and their role in society today. For further information contact Dr. Kathryn Seidel, FA 511, (407) 823-2251.

Required Courses—15 hours chosen from:

- AMH 3560 Women in American History
- ANT 3302 Sex, Gender and Culture
- ARH 4458 Women and Art in 20th Century America
- ART 4892 Women in Art
- HSC 3930 Women and Health
- LIT 3383 Women in Literature
- PHM 4123 Feminist Theory
- PUP 4323 Women and Politics
- SOP 3742 Psychology of Women

Elective Courses (choose one)—3 hours:

- LIT 4354 Ethnic Literature in the U.S.
- SYD 3800 Sex Roles in Modern Society
- SYD 4100 The Family

Other courses as approved by the Women's Studies advisor.
COLLEGE OF BUSINESS ADMINISTRATION

UNDERGRADUATE PROGRAMS
- Accounting (BSBA)
- Economics (BSBA)
- Finance (BSBA)
- General Business Administration (BSBA)
- Hospitality Management (BSBA)
- Management (BSBA)
- Marketing (BSBA)

GRADUATE PROGRAMS*
- Accounting (MSA)
- Applied Economics (MAE)
- Business Administration (MBA, Ph.D.)
  - Concentrations in Accounting and Finance (Ph.D.)
- Taxation (MST)

*See the Graduate catalog for information.
The mission of the College of Business Administration at the University of Central Florida is to provide quality business education programs, at the undergraduate, graduate, and executive levels, to the citizens of the state of Florida and to selected clientele nationally and internationally. In delivering these programs, the College places primary emphasis on excellent teaching and research with a strong commitment to developing mutually supportive relationships with the business community of Central Florida.

In pursuit of its mission, the College of Business Administration affirms its commitment to the University's focus on excellence and accent on the individual. Furthermore, the College pledges to deliver innovative and progressive programs to its clientele; and a commitment to service in the community, not only from its faculty but also its students. As the College approaches the twenty-first century, it has adopted "Driven by Excellence" as a motto and guiding force in achieving its goals and objectives. All undergraduate and graduate programs are accredited by the American Assembly of Collegiate Schools of Business (MCSB).

Admission to the University of Central Florida does not imply admission to the College of Business Administration. Students will only be allowed to enroll in the 3000/4000 level courses taught by the College of Business Administration after they have been admitted to the College.

Admission to the College will be granted when the following are complete:

a. Completion of the University General Education program.

b. 1. Completion of ENC 1101, ENC 1102 and MAC 1104 with a minimum grade of "C".
   2. Completion of ACG 2001 and ACG 2301 (or ACG 2023) with a minimum grade of "C".
   3. Completion of ECO 2013 and ECO 2023 with a minimum grade of "C".
   4. Students must demonstrate competency in micro-computer applications during their first semester in College of Business Administration courses. Students who fail to demonstrate competency will not be permitted to continue enrollment in the business program.

c. Achieved a minimum grade point average of 2.5 overall at the completion of at least sixty hours of course work.

Students who otherwise meet the University admission requirements, such as entering freshmen and transfer students, will be placed in a Business Administration pending category until they meet the requirements set forth above. Grades of "D" will not transfer into the program. Each student should attend orientation for academic advising and should meet with an academic advisor in the College to outline a program of study.

Attendance at the first meeting of any College of Business course is mandatory. Students not in attendance at the first meeting may be dropped from the course. It is the responsibility of the student to take whatever steps are necessary to determine if they have been officially dropped from a course. This does not remove the student's responsibility for dropping courses they do not intend to complete.

The degree Bachelor of Science in Business Administration with the following majors is offered by the College of Business Administration:

- Accounting
- Economics
- Finance
- Marketing
- General Business Administration
- Hospitality Management
- Management
A 3 credit hour elective as determined by the advisor and student must also be completed as part of the Common Body of Knowledge.

**Grade Point Average Requirements**

For graduation the student must have maintained a minimum 2.0 GPA in course work taken in the College of Business Administration and a minimum 2.0 GPA in the course work required in the major, except in accounting and finance where a “C” or better is required in each course and a minimum 2.0 is required overall.

**Student Load**

A student who is enrolled in 16 semester hours of course work is considered to be carrying a normal academic load. Students in the College of Business Administration desiring to take more than 16 hours of course work must obtain permission from the college.

**Community/Junior College Transfers**

1. Subject to the general grade and residence requirements, credit will be granted for transferred course work equivalent to that required in UCF’s Business program.

2. Florida Public Community College students are advised to complete the Associate of Arts Degree including:
   - A. the general education requirements;
   - B. the one year Accounting and Economics sequence; and C. College Algebra.

3. Professional courses should not be taken at a community/junior college in the areas of Management, Marketing, Real Estate, or Finance. These professional areas are third and fourth year course areas in the College of Business Administration and cannot be satisfied with community/junior college courses.

4. A minimum of 12 semester hours must be completed at UCF within each individual major.

**Minor—International Business (Restricted to Business Majors)**

The College of Business Administration offers a minor in International Business consisting of 18 semester hours.

Required Courses: GEB 4361, ECO 3702, FIN 4624, MAR 4243 or MAN 4600; Electives: 6 hours of the following courses - ANT 3410, ECS 4003, ECS 4013, GEO 3470, INR 4035 INR 4401, INR 4224, INR 4243, INR 4274; Special Topics Seminars in International Business; 3000/4000 level foreign language course.

**Minor (Restricted to Non-Business Majors)**

The College of Business Administration offers a minor consisting of 24 semester hours. (Nine semester hours of upper division business courses must be completed at UCF.) Students are required to earn a “C” or better in each course.

Required courses: ACG 2001, 2301, or ACG 2023; ECO 2023, 2013; FIN 3403; MAN 3025; MAR 3023; one 3000/4000 level business course elective. A GPA of 2.0 is required for each course and overall. GEB 3004 may not be used as the business course elective.

**See also:** Florida Tilburg Program (for Business Majors) listed under International Studies and Programs

**SCHOOL OF ACCOUNTING**

**Director:** D. Bandy, BA 437, Phone (407) 823-2871
**Assistant to the Director:** L. Mahoney, BA 438, Phone (407) 823-5809
**Faculty:** Anderson, Bailey, Bandy Evans, Goldwater, Hunt, Johnson, Judd, Kaminsky Kelliher, Klintworth, Phillips, Potts, Robertson, Roush, J. Salter, M. Salter, Savage, Taylor, Veit, J. Welch, Welch, Villaire
OBJECTIVES OF ACCOUNTING PROGRAMS

The objective of the baccalaureate program with a concentration in accounting is to provide basic conceptual accounting and business knowledge as a foundation for accounting career development.

Bachelor of Science in Business Administration: Accounting

Degree Requirements

1. See Undergraduate Degree Requirements

2. Special qualifications for satisfying this program's requirements are:
   a. Students wanting to major in Accounting must apply for admission to the major.
   b. Within the College of Business Administration the first day of class is mandatory. Final exams will be given during Exam Week.
   c. A minimum grade of "C" must be earned in each accounting and tax course completed. Principles of Accounting and Principles of Managerial Accounting are included under this rule.
   d. A transfer student to this program must:
      (1) take a minimum of twelve (12) semester hours in accounting at UCF as approved by the director of the School of Accounting.
      (2) have credit for a course in each of the following areas:
         a. English communication arts including written composition
         b. Oral expression
         c. Behavioral sciences such as psychology, anthropology, and sociology
         d. Humanities
         e. Political environment of business and society such as political science, public administration, and ethics.

3. Required Courses

   ACG 3103  Financial Accounting I  3 hours
   ACG 3113  Financial Accounting II  3 hours
   ACG 3361  Cost Accounting 3 hours
   ACG 3501  Financial Accounting for Governmental and Nonprofit Organizations 3 hours
   ACG 4401  Accounting Information Systems I  3 hours
   TAX 4001  Federal Income Tax I  3 hours
   ACG 4123  Financial Accounting III  3 hours
   ACG 4203  Financial Accounting IV  3 hours
   ACG 4651  Auditing  3 hours
   BUL 3320  Business Law I  3 hours
   BUL 3321  Business Law II**  3 hours

4. Electives: As necessary to result in 120 total credit hours.

   Total Semester Hours Required 120

*Except BUL 3130, Legal Environment of Business, which is satisfied by taking BUL I & II.
**Transferable only from senior academic institutions.

CPA EXAMINATION REQUIREMENTS

Effective August 31, 1983, Florida Law states that to qualify to sit for the CPA exam, one must possess thirty (30) additional semester hours of credit beyond the minimum requirements for the baccalaureate degree. In addition to this overall educational requirement, the following specific criteria also apply:

36 hours in accounting beyond elementary, including at least:
12 hours in financial and cost accounting
6 hours in auditing and internal auditing
6 hours in tax
AND
39 hours in general business, including at least six hours of business law. Because of these increased educational requirements, no experience or additional course work is needed for certification.
To satisfy the necessary coursework required by the law, the School of Accounting offers the Master of Science in Accounting (MSA) and the Master of Science in Taxation (MST) degree programs. Please see the graduate catalog for program requirements.

DEPARTMENT OF ECONOMICS
Chair: W. McHone, BA 325, Phone (407) 823-3266
Faculty: Braun, Day, Gibbs, Hofler, D. Hasni, Kilbride, T. Martin, McHone, Otsuka, Pennington, Raffa, Rungeling, Soskin, White, Xander

The Department of Economics participates in two undergraduate degree programs: a B.S.B.A. degree in the College of Business Administration and a B.A. degree in the College of Arts and Sciences. The purpose of the College of Business Administration economics major is to provide students with a professional business background that prepares them for careers in private business and government. The purpose of the economics major in the College of Arts and Sciences is to provide a broad-based liberal arts background that can serve as a strong foundation for future graduate studies in law, social sciences, and other fields or as training for careers in politics, teaching, research, social service, and other areas. The goal of both programs is to enable students to better understand the economic and non-economic issues that are confronted in their jobs and their private lives and to provide the analytical skills that will allow them to resolve these issues. Students interested in a B.A. in Economics should refer to the Economics Major in the College of Arts and Sciences.

MINOR (In Economics for Non-Business Administration majors)
Required Courses: ECO 3101, 3203, 3411. These requirements are in addition to the prerequisites ECO 2013 and 2023.
Elective Courses: Three courses from the following: ECO 3233, 3703, 3401, 3622, 3723, 4303, 4412, 4504; ECP 3004, 3203, 3424, 3433, 4403, 4603, 4703; ECS 4003, 4013, 4303.

Bachelor of Science in Business Administration: Economics

Degree Requirements
1. See Undergraduate Degree Requirements
2. Special college and/or department requirements:
   a. Students wanting to major in Economics must apply for admission to the major.
   b. Within the College of Business Administration the first day of class is mandatory. Final exams will be given during Exam Week.
   c. A transfer student to this program must take a minimum of twelve (12) semester hours in economics at UCF.
3. Required Courses
   ECO 3101 Intermediate Price Theory 3 hours
   ECO 3203 Aggregate Economic Conditions Analysis 3 hours
4. Restricted Electives
   All economics majors will be required to take five (5) electives from the following for a total of twenty-one (21) hours beyond the Common Body of Knowledge.
   ECO 3233 Money and Banking 3 hours
   ECO 3401 Mathematical Economics 3 hours
   ECO 3622 American Economic History 3 hours
   ECO 3703 International Economics 3 hours

Total Semester Hours Required 120

DEPARTMENT OF FINANCE

Interim Chair: J. M. Cheney, BA 420, Phone (407) 823-5567
Faculty: Atkinson, Cheney, Clayton, Graham, Hsueh, Liu, Millican, Modani, Park, Reiff, Scott, Spudeck, Weaver

The program in finance is designed to provide the student with broad knowledge in finance, including business finance, investments, financial institutions, risk management and insurance, and real estate. The program provides the student with the theoretical background and tools of analysis required for making effective financial decisions.

The study of finance prepares the student for careers in business financial management. Students that major in finance are sought by both financial and non-financial firms.

Bachelor of Science in Business Administration: Finance

Degree Requirements:
1. See Undergraduate Degree Requirements.
2. Special college and/or department requirements:
   a. The Finance Major Curriculum consists of a total of 27 semester hours. Students are required to earn a grade of "C" or better in FIN 3403 and all other classes taken toward the major and to have a 2.0 overall average.
   b. FIN 3403 Business Finance, is prerequisite to all finance courses. FIN 3303 Financial Markets, FIN 3404 Intermediate Corporate Finance, FIN 3453 Financial Models, and FIN 3504 Investment Analysis are prerequisites to all other finance, risk management and insurance, and real estate courses.
   c. Students wanting to major in Finance must apply for admission to the major.
   d. Within the College of Business Administration the first day of class is mandatory.
   e. A transfer student to this program must take a minimum of twelve (12) semester hours in finance at UCF.
3. Required Courses
   - FIN 3303 Financial Markets 3 hours
   - FIN 3404 Intermediate Corporate Finance 3 hours
   - FIN 3453 Financial Models 3 hours
   - FIN 3504 Investments 3 hours
   Select two of the following:*
   - FIN 3324 Management of Financial Institutions 3 hours
   - FIN 4514 Portfolio Analysis and Management 3 hours
   - FIN 4503 Speculative Financial Markets 3 hours

TAX 4001 Federal Income Tax I 3 hours
Total Hours 120

*No class may be used more than once.

GENERAL BUSINESS ADMINISTRATION

This option allows students to develop a general program of study which will satisfy career objectives not provided for by the specialized areas of concentration. To pursue this option, students should seek advisement in the Department of Economics. An academic advisor will be assigned to assist each student in developing a meaningful program of study.

Bachelor of Science in Business Administration:
General Business Administration

Degree Requirements

DEPARTMENT OF HOSPITALITY MANAGEMENT

Chair: R. Ford, BA 409, Phone (407) 823-2188
Faculty: Ashley, Bach, Chesser, Ellis, Lebruto, Milman, Pizam, Quain

The hospitality industry is comprised of the many business organizations that provide services to individuals when away from home. The hospitality industry, the number two employer in the United States, requires high technical and managerial competence for managing the numerous services provided by the varied organizations in the field.

The study of hospitality management prepares students for a broad range of managerial positions in hotels, motels, restaurants, catering services, resorts, country clubs, airlines, travel agencies, state and local convention and visitors bureaus, institutional food services, as well as supportive industries, such as consulting and research firms, public accountants, computer firms, or sales and marketing organizations. The program provides students opportunities to complete studies in all hospitality management areas as well as for "hands-on" laboratory experience and for study in advanced specialized courses. In addition, "real world" experience is provided through a requirement of 800 hours of paid employment in the hospitality field during each student's course of study.

MINOR

The Hospitality Management Department offers a minor consisting of 24 semester hours.

Required courses for minor:
- HFT 1000, FSS 2202C, HFT 2252, HFT 2750, HFT 3600, HFT 3444, HFT 3700, one 3000/4000 level hospitality restricted elective. A GPA of 2.0 is required for these courses. Twelve (12) semester hours must be taken at UCF.

Bachelor of Science in Business Administration: Hospitality Management

Degree Requirements
1. See Undergraduate Degree Requirements
2. Special college and/or department requirements:
   a. For Hospitality Management majors the mathematical foundation requirement is MAC 1104 - College Algebra. Thirty-one (31) semester hours in the major must be taken at the upper division level. Twelve (12) semester hours in the major must be taken in residence at UCF.
   b. Students wanting to major in Hospitality Management must apply for admission to the major.
   c. Within the College of Business Administration the first day of class attendance is mandatory. Final exams will be given during Exam Week.
3. Required Courses:
   a. Business College Common Body of Knowledge
      The courses required in the common body of knowledge are currently under review. For specific degree requirements please contact the Office of Undergraduate Programs in the College of Business Administration (phone (407) 823-2184).
   b. Hospitality Management Core
      HFT 1000 Intro to Hospitality Management 3 hours
      FSS 2202C Food Production Techniques 3 hours
      HFT 2252 Rooms Division Management 3 hours
      HFT 2750 Fund of Conventions & Conferences 3 hours
      HFT 3444 Hospitality Information System 3 hours
      HFT 3700 Travel & tourism Administration 3 hours
      HFT 3931 Guest Lecture Series 1 hour
      HFT 4420 Profit Planning & Decision Making 3 hours
      HFT 4503 Hospitality & Tourism Marketing 3 hours
c. **Hospitality Management Cooperative Education**  0 hours
The Co-op Education program provides students the opportunity to blend theory with practice by combining classroom education with study-related work experience. All students majoring in Hospitality Management must complete a minimum of 800 clock hours (equivalent to 20 full-time weeks) of paid study-related work experience in a hospitality or tourism enterprise. All work experience assignments have to be approved in advance by the departmental coop coordinator.

d. **Restricted Electives**  18 hours
The student must complete 18 credit hours in one of five tracks: lodging management, food service management, conference and convention management, travel and tourism management and generalists. See Department for details.

e. **Electives**
"The Curriculum in Hospitality Management is currently under revision and students will need to check with the Department and/or Undergraduate Program Office to find out the specifics of the curriculum."

**Total Semester Hours Required** 121 hours

---

**DEPARTMENT OF MANAGEMENT**

Interim Chair: P. Lewis, BA 335, Phone (407) 823-2679

Faculty: Abramowitz, Bogumil, Burnette, Callarman, Eubanks, Fandt, Femald, Goodman, Harrison, Hatfield, Huseman, F. Jones, H. Jones, Leigh, R. Martin, Pullin, Ragusa, Rosenkrantz

The study of management involves an investigation of the processes and techniques of leadership, planning, staffing, and controlling of both small and large organizations.

Course offerings are designed to show the impact of technological factors, the framework for decision-making, and human contributions on productivity, satisfaction of job-related needs, and organizational effectiveness.

A student majoring in management may find a wide variety of career opportunities in business, industry, or government.

**Bachelor of Science in Business Administration: Management**

MAN 4595 Automated Materials Planning 3 hours

d. General Management
MAN 4129 Managerial Skills in Organizations 3 hours
MAN 4600 International Management 3 hours

Three additional courses to be selected from any two of the other MAN concentration areas. 9 hours

5. Electives
Total Semester Hours Required 120

MINOR (For Business and Non-Business Majors)

The College of Business Administration and the Department of Management offer a minor in Management Information Systems consisting of 27 semester hours.

Required courses: ACG 2001, ACG 2301, CGS 3000, MAN 3025, PHI 3130, ISM 3011, ISM 4212, ISM 4113, ISM 4130.

DEPARTMENT OF MARKETING
Chair: TBA, BA 317, Phone (407) 823-2108
Faculty: Allen, Davis, Fisk, Fuller, Gillett, Jarvis, Morris, Paul, Rubin, Teeple

Marketing encompasses the total system of interacting business activities designed to plan, price, promote, and distribute products and services to customers.

The marketing curriculum concentrates on developing the student's ability to understand, interpret, and measure market demand and to understand the blending of product, pricing strategies, promotional strategies, and distribution.

Bachelor of Science in Business Administration: Marketing

Degree Requirements
1. See Undergraduate Degree Requirements
2. Special college and/or department requirements:
   a. Students wanting to major in Marketing must apply for admission to the major.
   b. Within the College of Business Administration the first day of class is mandatory. Final exams will be given during Exam Week.
   c. A transfer student to this program must take a minimum of twelve (12) semester hours in marketing at UCF.
   d. Students majoring in Marketing must earn a grade of "C" or better in each course applied toward the major, and a 2.0 overall average in the major. MAR 3023 is included in this requirement.

*See the Graduate catalog for information.
The role of the College of Education at the undergraduate level is to prepare students for careers as elementary, secondary, exceptional, physical, and vocational education teachers. The program of studies includes three components: general education, a subject matter specialization(s), and a teacher education component that addresses the professional knowledge and practical experience future teachers need in order to successfully teach children and youth in public school or private school settings.

The College of Education offers Bachelor of Science degrees with the following majors:

- Art Education
- Elementary Education
- English Language Arts Education
- Exceptional Child Education
- Foreign Language Education
- Mathematics Education
- Physical Education
- Science Education
- Social Science Education
- Vocational Education and Industry Training

Admission to the College of Education does not imply admission to the College of Education. Students will only be allowed to enroll in the 3000/4000 level courses taught by the College of Education after they have been admitted to the College. Students admitted to the College of Education will need to meet additional requirements in order to be fully admitted to Teacher Education.

Admission to Teacher Education
Admission to Teacher Education will be granted when students who have been admitted to the College of Education meet the following requirements:

- complete 60 hours including the University General Education program or its equivalent, i.e. an A.A. degree from an approved Florida community college or state university
- have on file in the University admissions office a score at or above the 40th percentile on the SAT (840) or ACT (20 enhanced) and a 2.5 overall GPA.
- complete 3 parts of the CLAST examination

Non-Degree Program (Initial Certification Only)
All students who have earned a Baccalaureate degree from an accredited institution and who wish to be certified in elementary education must complete an undergraduate or master's degree in elementary education. For other certification areas for which the College has programs, students may elect to complete 1) an undergraduate degree 2) a graduate degree or 3) an alternative program as a post-baccalaureate student. Students must meet regular admission requirements for the College of Education and Teacher Education.
Teacher Education Curriculum

The professional teacher education curriculum is designed to provide students the opportunity to develop the professional knowledge, understandings, and competencies required for entry into the profession of teaching. Particular attention is given in the curriculum to the following:

- knowledge and understanding of the growth and development of children and youth
- knowledge and understanding of how children and youth learn
- knowledge and skills for accurately assessing and evaluating student performance
- knowledge and understanding of the role and function of schools and teachers in a free society to design educational teaching objectives
- ability to plan and implement effective teaching strategies
- ability to utilize computers and other forms of technology in teaching
- ability to work with culturally diverse populations

Common Body of Professional Knowledge

Department of Educational Foundations, ED 243, Phone (407) 823-2427

The following course work provides the foundation of professional knowledge and understanding and is required of all majors:

Student Internships

Assistant Dean: TBA, ED 115, Phone (407) 823-2436
Directors: R. Martin, M. Miller, H. Hall

The internship components of the professional program include early and continuous field experiences which provide students opportunities to develop skills and instructional competence. The internship program provides students a broad range of instructional experiences in various school settings which are developed through cooperative planning with local school administrators and teachers.

Field experience is an integral part of every degree program and consists of two major components. Placement of students is the responsibility of the College of Education. Students are placed in public schools that have been approved as Student Internship Centers.

**Internship I** is a six semester hour credit experience. Students are assigned to work with certified supervising teachers under the direction of a College faculty coordinator. The program provides the student experiences at different grade levels and classroom settings for the purpose of developing specific instructional skills and knowledge and understanding of schooling. Students are enrolled in a limited number of related professional courses during the experience with the consent of their department chair. Application is made through the Office of Student Internships.

Admission to Internship I is restricted to those students who have been admitted to the Teacher Education program. A 2.5 overall GPA is required when application is submitted. Deadlines are as follows:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Application Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall Semester</td>
<td>February 15 (preceding semester)</td>
</tr>
<tr>
<td>Spring Semester</td>
<td>September 15 (preceding semester)</td>
</tr>
</tbody>
</table>

**Internship II** is a twelve-hour experience normally completed during the student’s last semester. The student is placed in an approved school internship center under a supervising teacher and College coordinator. Students are expected to develop and execute instructional plans and to demonstrate the competencies required for temporary certification. The internship is considered a full-time experience, and students are permitted to enroll in other classes only with the consent of their department chair.

Admission to Internship II requires that the student has successfully completed requirements of Internship I and possesses at the time of application, a 2.5 G.P.A. in the area of content specialization, a 2.5 G.P.A. in the professional education sequence, and a 2.5 G.P.A. overall. Students must also be approved for admission by the faculty in the department of the student’s major.
Application is made through the office of Student Internships. Application deadlines are as follows:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall Semester</td>
<td>February 15 (preceding semester)</td>
</tr>
<tr>
<td>Spring Semester</td>
<td>September 15 (preceding semester)</td>
</tr>
</tbody>
</table>

Graduation Requirements for a Two-Year Temporary Certificate

To qualify for graduation, a student must have a 2.5 G.P.A. in all course work, a 2.5 G.P.A. in the area of content specialization, and a 2.5 G.P.A. in the professional course sequence. All College of Education undergraduate curricula fulfill State of Florida academic requirements for temporary certification. College of Education graduates who desire to teach outside Florida must meet certification requirements of the state in which they intend to seek a teaching position and should contact the appropriate Director of Teacher Education, State Department of Education for specific requirements.

All applicants for the Professional Teaching Certificate must demonstrate satisfactory completion of the Professional Orientation Program requirements and pass the College Level Academic Skills Test (CLAST), the Professional Education Test, and a Subject AREA Examination in their certification area.

DEPARTMENT OF EDUCATIONAL FOUNDATIONS

Chair: Robert R. Lange, ED 243, Phone (407) 823-2426
Faculty: Professors: Cowgill, Dziuban, Kysi/ka, Lange, Manning
Associate Professors: Beadle, Biramiah, Blume, Hiett, Holt, Miller, Sciortino, Sullivan, Wood
Assistant Professors: Allen, Banks, Chang
Instructors: Ericson, Hutchinson.

The Department of Educational Foundations teaches the core of professional courses that address the competencies and skills needed by all teachers. Foundation courses are also available for students pursuing graduate degrees in teacher education.

DEPARTMENT OF EDUCATIONAL SERVICES

Chair: William C. Bozeman, ED 318, Phone (407) 823-2596
Faculty: Professors: Baumbach, Bozeman, Hernandez, Johnson, Lynn, Rothberg
Associate Professors: Bollet, Cornell, Driscoll, Orwig, Tubbs
Assistant Professors: Balado, Creamer, B. Murray, K. Murray, Pawlas, Shephard

The focus of the Department of Educational Services is to provide training for specialists in school and non-school environments. Certification programs and masters level (M.A. or M.Ed.) graduate programs are available in Counselor Education, Educational Leadership, and Instructional Technology. The Educational Specialist (Ed.S) is offered in Educational Leadership and School Psychology. The Doctor of Education (Ed.D) degree is offered in Educational Leadership.

DEPARTMENT OF EXCEPTIONAL AND PHYSICAL EDUCATION

Interim Chair: John W. Powell, ED 214 Phone (407) 823-2598
Faculty: Professors: Churton, Midgett, Olson, Rohter.
Associate Professors: Bell, A. Cross, L. Cross, Gergley, Higginbotham, Miller, Platt, Powell.
Assistant Professors: Clark, Martin, Renner.
Instructors: Mitchell

Undergraduate academic major programs leading to bachelor's degrees and certification are offered in Exceptional Education and Physical Education. The Exceptional Education program includes specialities in: (a) emotionally handicapped; (b) mentally handicapped and (c) specific learning disabilities. The Physical Education program is a K-8 specialization. In addition, secondary certification programs are available. Students are responsible for completion of program requirements and are encouraged to review their programs with an assigned advisor.

DEPARTMENT OF INSTRUCTIONAL PROGRAMS

Interim Chair: J. Armstrong, ED 346, Phone (407) 823-2939
Faculty: Professors: Anderson, Blair, Brumbaugh, Clarke, Hall, Hynes, Joels, Martin, Palmer, Thompson
Associate Professors: Armstrong, Bailey, Gurney, Hopkins, Hudson, Paugh, Siebert, Sorg, West, Williams
Assistant Professors: Camp, Cornett, Everett, McGhee, Ortiz, Ratliff
Instructors: Allen, Buchoff, Doerfler, Gard, Kiger, McGuffee, Musser, Robinson

Elementary Education

The career Elementary Education program is planned for students interested in the education of children, six through twelve years of age. Students who major in elementary education are qualified to teach grades one through six upon graduation and receipt of a Florida teaching certificate.

An elementary education major must have the following preparation: (1) a broad general education; (2) a specialized knowledge of content, techniques, and materials needed to teach different elementary school subjects such as art, language arts, reading, mathematics, music, physical education, science and social studies; and (3) professional study which includes planned laboratory activities with children in schools identified as Teacher Education Centers.
Early Childhood Education (kindergarten). In combination with preparation to teach grades one through six, requirements may be met for preparation/certification to teach Kindergarten.

Secondary Education

Career programs are available for prospective teachers who have an interest in working with adolescent students in a specific academic area at the middle, junior, or high school levels. Specializations are available in Biology, Business, Chemistry, English, Foreign Language, Mathematics, Physics, and Social Science.

Art/Music/Foreign Language

Three programs are designed to prepare specialists to teach at both the elementary and secondary levels (K-12). Majors in Art and Foreign Language Education are available. The Bachelor’s degree program in Music Education is located in the Department of Music with the Department of Instructional Programs responsible for professional requirements.

Vocational Education and Training Development

The vocational education degree is for individuals in Business/Office Occupations, Industrial/Technical areas or selected Health Occupations who wish to teach their specialization in secondary or post-secondary schools. To be eligible for the degree, students must have worked full time in the occupation for at least two years and must demonstrate competence through an examination or licensure in the area in which they wish to teach. A maximum of 30 semester hours of credit by examination or credit granted through licensing may count toward the degree.

The Training Development Track is designed for individuals who are or who plan to be trainers in business, industry, or health care facilities. This option will not prepare individuals to meet Florida Teacher Certification requirements.

EDG 4941  Directed Field Experience  12 hours
Specialization (30)
1. Students must complete an area of specialization through (1) occupational
   specifically specific coursework and/or (2) credit by examination.
   Occupationally specific coursework may be lower or upper division
   and may be transferred from accredited educational institutions
   offering college credit. Credit by examination may be completed by
   meeting the state or national licensure or registration requirements

178
for the student's area of specialization. A copy of current licensure/registration is required. Specialization credit must be completed before student is eligible for EDG 4941, Directed Field Experience.

2. Students must provide documentation of at least two years of occupationally related work experience prior to graduation.

Electives (10)
Must be upper division courses.

Minimum Total Semester Hours 120

COLLEGE OF ENGINEERING

UNDERGRADUATE PROGRAMS

ENGINEERING
- Aerospace Engineering (BSAsE)
- Civil Engineering (BSECE)
- Computer Engineering (BSCpE)
- Electrical Engineering (BSEE)
- Environmental Engineering (BSEnE)
- Industrial Engineering (BSIE)
- Mechanical Engineering (BSME)

ENGINEERING TECHNOLOGY
- Electrical Engineering Technology (BSEET)
  concentrations in
  Electrical Systems and
  Information Systems
- Engineering Technology (BSET)
  concentrations in
  Design and
  Operations

GRADUATE PROGRAMS*

ENGINEERING
- Civil Engineering (MSCE, MCE, Ph.D.)
- Computer Engineering (MSCpE, Ph.D.)
- Computer Integrated Manufacturing (MS)
- Electrical Engineering (MSEE, Ph.D.)
- Engineering (MS)
- Engineering Management (MS)
- Environmental Engineering (MSEnE, Ph.D.)
- Industrial Engineering (MSIE, Ph.D.)
- Industrial Engineering/Manufacturing Engineering (MSMfgE)
- Mechanical Engineering (MSME, Ph.D.)
- Operations Research (MS)
- Product Assurance (MS)
- Simulations Systems (MS)

*See the Graduate catalog.
The College of Engineering seeks to produce well-qualified graduates in specifically selected disciplines, conduct research efforts of significance to the state and the nation, and to provide technical services and expertise to the local community.

The College offers the Bachelor of Science Degree in the following departmental options:

- Aerospace Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Environmental Engineering
- Industrial Engineering
- Mechanical Engineering
- Engineering Technology

The College also houses the Air Force and Army ROTC units for those students wishing to pursue military training while earning their degree.

ENGINEERING CURRICULUM

The curriculum is directed toward career objectives which are best met by completing the baccalaureate degree followed by graduate-level studies leading to the Master of Science degree.

Students entering the program should present the following secondary school credits in addition to the minimum University requirements:

- 3 1/2 units in mathematics, including advanced algebra, geometry, and trigonometry (required)
- calculus (recommended)
- physics (required)
- chemistry (required)
- biology (recommended)
- computer programming (FORTRAN preferred)

Those students lacking these credits may be required to complete additional coursework which is not applied toward the degree.

Transfer Credit

Subject to the general grade requirements of the University and the College admission requirements addressed above, credit will normally be granted for transferred coursework equivalent to that required in the engineering program. Typically, students who have completed the A.A. Degree (or equivalent) and at the same time have completed the calculus, differential equations, and physics and chemistry sequences can complete the Bachelor of Science Degree in another two to two and one-half years. The status of a student, and the specific credits acceptable to the program, is determined by the College petitioning process through each department. Note, however, that the petitioning of General Education courses by those not holding the A.A. Degree is administered by the SASS office; see UNDERGRADUATE DEGREE REQUIREMENTS.

Student Performance

Prior to enrolling in courses in the Option, the student must receive approval from the office of the Dean of Undergraduate Affairs. He/she must then secure an approved plan of study from their advisor for their remaining work.

Any student enrolled in the college may be subject to review for satisfactory progress at any time. The consequences of such a review could lead to a simple interview or, in extreme cases, administrative withdrawal from the program.
ENGINEERING TECHNOLOGY CURRICULUM

Students receiving a Bachelor of Science in Engineering Technology must successfully complete 128 semester hours including:

• general education courses
• an engineering technology core curriculum
• required and elective courses in a selected engineering technology option of the student’s choice.

The bachelor of science degree programs in Electrical Engineering Technology and in Engineering Technology are intended for students who have interests in analyzing, applying, implementing and improving existing technologies. These programs are aimed at preparing graduates for the practice of engineering closest to the product improvement, manufacturing, and engineering operational functions. Students entering either of the curricula in Engineering Technology should be aware that some lower level technical courses may not currently be available at UCF and that the student may need to take a limited number of courses at a community college. Students who wish to be admitted directly into the upper level engineering technology concentration should possess either the A.A. degree, with appropriate technical courses, or an A.S. (or equivalent education) degree from a Florida public college or an approved out-of-state institution in an appropriate engineering technology area. Prospective transfer students not holding the A.A./A.S. degree from a Florida public college are encouraged to apply. They will be considered on an individual basis and should consult the "Transfer Applicants" portion of the Undergraduate Catalog for additional information. In all cases the status of a student and the specific credits acceptable toward the degree is determined by a College of Engineering petition approved by the Dean’s office.

Bachelor of Science in Engineering
Program Coordinator: Richard N. Miller, ENGR 281, Phone (407) 823-2455.

The principal areas of study in the engineering curriculum are devoted to the basic sciences, mathematics, the fundamentals of engineering problem solving, and specialization in an option. These are not training courses for any of the mechanical or manipulative skills, but rather are planned to provide preparation for development, planning, design, research, graduate work, and with certain electives, for operation, production, testing, maintenance, and management. This program prepares the student for professional registration, industrial employment, and the pursuit of graduate work in engineering. In addition, basic engineering programs are increasingly being considered as appropriate preparation for advanced study in other professional areas, e.g., law, medicine, architecture.

ENGINEERING CORE REQUIREMENTS

The engineering core consists of pre-engineering and professional subject matter that is common to all options. Because this requirement is a substantial part of the Bachelor’s degree program, it gives the student time to become adjusted and to choose a field of specialization for which he or she is best suited.

**DEPARTMENT OF CIVIL AND ENVIRONMENTAL ENGINEERING**

Chair: A.E. Radwan, ENGR 207, Phone (407) 823-2841
Faculty: Al-Deek, Block, Carroll, Cooper; Dietz, Hartman, Head, Kunnath, Kersten, Kuo, Leftwich, Radwan, Reinhart, J. Taylor, Wanielista, Wayson, Yousef

The Department of Civil and Environmental Engineering offers a major in Environmental Engineering and a major in Civil Engineering. The Environmental Engineering major is concerned primarily with the interaction of humans with their environment, and the planning, design, and control of systems for environmental quality management, for water, land and air environment. The Civil Engineering major is primarily concerned with fundamental civil engineering design and analysis in such areas as structures, geotechnical engineering, sanitary engineering, water resources, and transportation.

The undergraduate degree programs in Civil Engineering and Environmental Engineering are accredited by the Engineering Accreditation Commission (EAC) of the Accreditation Board for Engineering and Technology (ABET).

Total Semester Hours Required 132

DEPARTMENT OF ELECTRICAL AND COMPUTER ENGINEERING
Chair: N. S. Tzannes, ENGR 407, Phone (407) 823-2787

The undergraduate degree programs in Electrical Engineering and in Computer Engineering are accredited by the Engineering Accreditation Commission (EAC) of the Accreditation Board for Engineering and Technology (ABET).
The major in Electrical Engineering is designed to present the basic electrical engineering principles. Courses are offered which present in-depth studies of specific electrical engineering sub-disciplines such as digital signal processing, electrical networks, electronics, electromagnetic fields and microwaves, control systems, communication systems, and solid state systems and devices.

The major in Computer Engineering prepares the student for a career in a professional engineering practice or advanced graduate study in the field of computer system design and applications. Graduates will possess a high degree of training and capability in areas of computer architecture, software engineering, simulation, modeling and advanced engineering mathematics.

4. Restricted Electives
   Technical Electives are to be courses consistent with department objectives and chosen with the approval of the Assistant Chair.
   Total Semester Hours Required 132
Industrial engineers design systems which translate a specific product design into a physical reality in the most productive manner and with highest possible quality. In doing so, the industrial engineer deals with decisions regarding the right mix and type of people, materials, machines, and automation (including robotics). Industrial engineers are also skilled in Engineering Economic Analysis and Information Management since they are generally considered to be the natural interface between the technical specialist and management.

Industrial engineers are sought in industrial, service, and government organizations. In the industrial sector, the industrial engineer is concerned with improving productivity and quality of the manufacturing, distribution, and management system of organizations. In the service sector, the industrial engineer is concerned with determining the most productive manner in which to deliver high-quality service to the customer. In government organizations the industrial engineer is active in assuring that tax payers receive maximum service for their tax dollars.

The Industrial Engineering approach is characterized by a systematic evaluation of alternatives using quantitative analysis and computer simulations. As such, quantification and measurement play a key role in the day to day activities of the industrial engineer.

The undergraduate degree program in Industrial Engineering is accredited by the Engineering Accreditation Commission (EAC) of the Accreditation Board for Engineering and Technology (ABET).

DEPARTMENT OF MECHANICAL AND AEROSPACE ENGINEERING

Chair: D. Nicholson, ENGR 381, Phone (407) 823-2416
Faculty: Anderson, J. Beck, R. Byers, Bishop, Chen, Chew, Desai, Eno, Grogan, Gunnerson, Hagedoorn, Hosler, Kassab, K. Lin, Minardi, Moslehy Nayfah, Nicholson, Nuckolls, Rice, W. Smith, Ventre

The Department of Mechanical and Aerospace Engineering offers majors in Mechanical and Aerospace Engineering. Both programs are specifically designed to give the student a broad-based undergraduate engineering program which provides sufficient knowledge to allow him/her to converse with specialists in other fields of engineering and to analyze the basic problems in these fields. The undergraduate degree programs in Mechanical Engineering and Aerospace Engineering are accredited by the Engineering Accreditation Commission (EAC) of the Accreditation Board for Engineering and Technology (ABET).

Bachelor of Science in Aerospace Engineering

Degree Requirements

   Total Semester Hours Required 132

DEPARTMENT OF ENGINEERING TECHNOLOGY
Chair: J. D. McBrayer, P.E., CB 307, Phone (407) 823-2269
Faculty: W. Byers, Coowar, Debo, Denning, Dixon, Gregg, Osborne, Queen, Strange, Vazquez, Worbs

Engineering Technology is the profession in which a knowledge of the applied mathematical and natural sciences gained by higher education, experience, and practice is devoted to application of engineering principles and the implementation of technological advances for the benefit of humanity. Engineering Technology education at UCF is broad in nature, focusing primarily on analyzing, applying, implementing and improving existing technologies. This education enhances the graduate’s potential for accepting a wide variety of professional opportunities, for lifelong learning, and for future career advancement.

Two baccalaureate degree programs are offered in engineering technology. They are the:

Bachelor of Science in Electrical Engineering Technology (BSEET)
and
Bachelor of Science in Engineering Technology (BSET)

The bachelor of science degree programs in Electrical Engineering Technology and in Engineering Technology are aimed at preparing graduates for the practice of engineering closest to the product improvement, manufacturing, and engineering operational functions. Students entering either of the curricula in Engineering Technology should be aware that some lower level technical courses may not currently be available at UCF and that the student may need to take a limited number of courses at a community college. Students who wish to be admitted directly into the upper level engineering technology concentration should possess either the A.A. degree, with appropriate technical courses, or an A.S. (or equivalent education) degree from a Florida public college or an approved out-of-state institution in an appropriate engineering technology area. Prospective transfer students not holding the A.A./A.S. degree from a Florida public college are encouraged to apply. They will be considered on an individual basis and should consult the “Transfer Applicants” portion of the Undergraduate Catalog for additional information.

Requirements

Completion of UCF’s General Education is required before the BSET degree is granted. If a student completes the General Education Program of a Florida public community college, it will substitute for UCF’s Lower Division General Education Program without a course-by-course match. Students should consult an advisor for specific course requirements.

and one of the following:

Bachelor of Science in Electrical Engineering Technology

Program Coordinator: William S. Byers, P.E.

This program in electrical engineering technology, leading to the BSEEET degree, provides a structured curriculum with instruction in fundamentals and engineering principles applicable toward working with both present and future technologies in a variety of work environments. Graduates may find employment opportunities in such diverse fields as aerospace, instrumentation, computers, communications, consumer products, banking and education. They may become involved in applied design, product development, manufacturing, quality assurance, production and operations as well as activities such as field engineering, sales, system analysis, technical writing and software design, preparation and programming.

The EET program provides two paths of concentration, thereby providing the student a choice between either a hardware or a software emphasis. The concentration in Electrical Systems provides a broad based curriculum in electrical/electronic engineering principles and their application. Instruction and problem solving experiences are provided in both circuit and system aspects including computers, communications, controls and electrical power. The concentration in Informations Systems, while providing a firm foundation in electrical/electronics principles, also includes extensive instruction in programming, system design and analysis and systems programming. Projects in cooperation with local industry, solving real-world problems, are required of all students in this concentration.

Bachelor of Science in Engineering Technology

Program Coordinator: Richard G. Denning, P.E.

The BSET curriculum consists of a carefully integrated program which includes professional studies, liberal education, and applied mathematics and sciences. Through the selection of the upper level technical concentration students can build and tailor their program, based on previous knowledge, to assist them to launch a career that best meets their needs and aspirations. The Design concentration provides advanced course work in preparation for employment at the baccalaureate level in the fields of manufacturing, testing and fabrication of mechanical parts, and the building and construction industries. Graduates may become involved in applied design, product development, manufacturing or production, to name but a few. The Operations concentration provides an orientation for professional careers in technical management and operations in the manufacturing, sales, service, and construction industries. Graduates may become involved in many diverse areas including product development, manufacturing, quality assurance and logistics, sales, field engineering, technical writing and safety.
Projects in cooperation with local industry, solving real-world problems, are required of all students in the BSET program. In addition to the engineering technology core, both concentrations in the BSET program have a common lower division core as well as a common upper division core.

### AIR FORCE ROTC (Aerospace Studies)

**Chair:** D. H. Haylett, BIO 306, Phone (407) 823-1247  
**Faculty:** Haylett, Brock, Smith, Owens, Hernandez, Irizarry

The Department of Aerospace Studies provides pre-commissioning education for qualified students who desire to serve as commissioned officers in the active duty Air Force. The department offers both the four-year and two-year Air Force ROTC programs. The four-year program provides on-campus study during the freshman through senior years. The two-year programs allow community college transfer students and other students with two academic years remaining in either undergraduate or graduate status to earn an Air Force commission while completing their studies. Both programs offer scholarships for selected students. Students are invited to write or visit the Department of Aerospace Studies to obtain additional information.
CURRICULUM

Students enrolled in the Air Force ROTC program may major in any academic discipline and earn a minor in Aerospace Studies. A major is not offered by this department. An Aerospace Engineering Degree is offered under the College of Engineering. AFROTC courses are listed under the prefix AFR. The curriculum is divided into two phases:

1. General Military Course (GMC)
   The General Military Course of the freshman and sophomore courses for students in the four-year AFROTC program. These courses deal with the mission, organization, and structure of the U.S. Air Force, and the development of air power into a prime element of American national security.

2. Professional Officer Course (POC)
   The Professional Officer Course consists of Aerospace Studies offered during the junior and senior years. All students who seek a commission through the Air Force ROTC must complete the POC curriculum. The curriculum involves the study of concepts of leadership and management in the Air Force and an analysis of the formulation and implementation of American defense policy.

LEADERSHIP LABORATORY
   Leadership Laboratory is open to students who are members of the Reserve Officer Training Corps or are eligible to pursue a commission as determined by the Professor of Aerospace Studies.

REQUISITE FOR ADMISSION TO THE PROFESSIONAL OFFICER COURSES (POC)

1. Be at least 17 years of age at the time of acceptance.
2. Be able to complete the Professional Officer Course and complete all degree requirements prior to reaching age 261/2 if entering Flight Training, or before age 30 if entering a non-flying Air Force specialty.
3. Pass the Air Force Officer Qualifying Test.
5. Complete the application and examination process, preferably prior to January 14 of the year in which they plan to enroll.
6. Selection by the Professor of Aerospace Studies and acceptance by the University.
7. Successful completion of a summer Field Training course.
8. Enlistment in the Air Force Reserve certifying agreement to complete the POC and accept an Air Force Commission. This enlistment is terminated upon receipt of a commission.

MONETARY ALLOWANCE
   All students enrolled in the Professional Officer Course receive a tax-free monetary allowance of $100 per month.

AIR FORCE ROTC SCHOLARSHIP PROGRAM
   Scholarships are phased at 4, 3, and 2-year intervals. This system provides opportunities to those enrolled in both the four-year and two-year programs. These scholarships provide for full tuition, and an allowance for fees and textbooks. Scholarship recipients also receive the $100 monthly tax-free monetary allowance.

SUMMER TRAINING
   All students must attend a summer Field Training course conducted at an Air Force base. This course includes junior officer training, officer career orientation, and physical conditioning. Students enrolled in the four-year AFROTC program will attend a four-week summer course, normally upon completion of the General Military Course, and they will receive approximately $550. A six-week summer course, which includes a modified version of the General Military Course, is required for students entering the two-year AFROTC program. These students must complete their summer training prior to their formal enrollment in the Professional Officer Course. Students who complete the six-week course receive approximately $800.

OFFICER COMMISSIONS
   Students who complete the Professional Officer Course are appointed Second Lieutenants in the United States Air Force Reserve. After completing the training program and entering active duty as reserve officers, they will serve a minimum active duty tour which
varies in length depending on their particular career area. Such obligations are explained in detail during the one-on-one counseling sessions conducted with each prospect by detachment officers. During their period of active service, new officers are given the opportunity to attain career status and to obtain a regular commission in the United States Air Force.

MINOR

The Department of Aerospace Studies offers a minor consisting of a minimum of 16 semester hours. Required courses: AFR 1101, 1111, 2130, 2131, 3220, 3230, 4201, 4210.

ARMY ROTC-MILITARY SCIENCE

Chair: John T. Sanders, Trailer 52215251527, Phone (407) 823-2430
Faculty: Amador, Bryant, DeLeon, Harris, Morales, Reynolds, Williams

The University of Central Florida, in cooperation with the U.S. Army, provides an opportunity to earn a commission as a lieutenant and compete for an active duty assignment or accept a guaranteed Army Reserve or National Guard position. The program offers both a four-year and two-year option for students working on their Associate of Arts, Baccalaureate or Graduate degrees. The two-year option allows students with at least two academic years remaining in either undergraduate or graduate studies to meet all requirements for commissioning. Students may be eligible for the Army's new Simultaneous Membership Program (SMP), which combines Reserve Forces duty with Army ROTC officer training courses on campus. Students earn about $2,700 in their last two years.

CURRICULUM

The Military Science curriculum is divided into three phases:

1. Basic Military Science

   The Basic Military Science courses, open to both men and women, are designed for four-year participants and are normally offered during the freshman and sophomore years. These courses address military organization, equipment, weapons, map reading, land navigation, management skills, grade structure, communications, and leadership. There are no contractual obligations for students in the basic course and no commitments. It's an opportunity to see what Army ROTC is all about. (MIS 1031, 1400, 2120, and 2300)

2. Advanced Military Science

   The Advanced Military Science courses are normally taken during the junior and senior years. These courses specialize in small unit tactics, how to prepare and conduct military training, military justice system, staff procedures, decision making, and leadership. Students who desire a commission as a second lieutenant are contracted and paid a subsistence allowance of $100.00 a month up to ten months during the school year. Each student is required to take courses that meet the Professional Military Educational Requirements. These requirements require taking at least one course in each of the following areas: Written Communication Skills, Human Behavior, Military History (AMH 3540) Computer Literacy, and Math Reasoning. (MIS 3301, 3410, 4421, and 4430.

3. Summer Camp

   Prior to commissioning, each cadet must successfully complete an evaluation of skills learned. This evaluation is conducted at Ft. Bragg, North Carolina, during June and July. Summer Camp requirements apply only to Advanced Military Science students. Students attending the advanced camp receive approximately $700.00.

4. A student can earn placement credit for the Basic Course classes and allowed entry into the Advanced Courses if he/she attended Basic and Advanced Individual Training or attends ROTC Basic Camp at Ft. Knox, Kentucky.

5. Daytona Beach Campus students contact the Professor of Military Science at Embry Riddle Aeronautical University, Daytona Beach, FL, (904) 239-6469.

SUMMER TRAINING

1. A summer training program is offered for students who are to be academic juniors without previous ROTC or military training. A student can earn placement credit for the Basic Course classes and allow entry into the Advanced Courses by attending a six-week course at Fort Knox, Kentucky, thereby allowing completion of all requirements
for commissioning within two years. Students attending the summer course at Fort Knox will receive approximately $700 pay for the period. Additionally, all lodging, meals, transportation, and uniforms will be provided at no expense.

2. Qualified students can be selected to attend specialized military training during the summer months. Some of the areas of training available are:
   a. Airborne Training
   b. Air Assault Training
   c. Northern Warfare Training
   d. Cadet Troop Leadership Training
   e. Master Fitness Trainer
   f. Mountain Training

MINOR
The Department of Military Science offers a minor consisting of a minimum of 19 semester hours. Required courses: MIS 3301, 3410, 4421, 4430 and AMH 3540.

MONETARY ALLOWANCE
All students enrolled in the Advanced Military Science Course receive a tax free monetary allowance of $100 per month for the school year.

SCHOLARSHIPS
Four- and three-year scholarships are available for all students who qualify. These scholarships provide full tuition and fees. Additionally, scholarship recipients receive $100 (tax free) per month and a $225 book stipend for the Fall & Spring semesters. Scholarship applications are processed in the December-February time frame.

REQUISITES FOR ADMISSION TO THE BASIC COURSE
1. Enrollment in a Baccalaureate or Masters degree program.
2. Full-time student status.

REQUISITES FOR ADMISSION TO THE ADVANCED COURSE
1. Successful completion of Basic Course, Basic Camp, JROTC, prior military service, or permission of Department Chair.
2. 17 years of age at the time of entry but not more than 30 years of age at the time of commissioning. Waiverable for veterans up to age 34.
3. Successful completion of an Army physical examination.
4. Agreement to complete the Advanced Course requirements and serve on active, reserve, or national guard duty as a commissioned officer.
5. Full-time student status.

MINOR: SPACE STUDIES
Contact Person: E.R. Hosler; ENGR 381, Phone (407) 823-2416

In response to the needs of the Central Florida space community, UCF offers a multidisciplinary Minor in Space Studies. It is intended for students of all disciplines and includes courses from aerospace engineering, electrical engineering, environmental engineering, instructional programs, physics, physical education, and political science. Program requirements include a grade point average of at least 2.00 and a minimum of 21 credit hours, including three required courses and four elective courses.

Required courses:
AST 2002 Astronomy
GEO 4140 Remote Sensing of the Environment
PUP 3508 Introduction to Space Studies

Elective courses:
EAS 3010 Fundamentals of Flight
EAS 3101 Aerodynamics I
EAS 3530 Space Systems
EAS 4505 Orbital Mechanics
EGN 4830 Telecommunications
GEO 1200 Physical Geography
GEO 3370 Resources Geography
GEO 4141 Geographic Information Systems
INR 4404 Space Law
PET 4351 Applied Exercise and Human Physiology
Completion of the Minor in Space Studies may involve course work in addition to the minimum requirements of some major programs. Students should consult with their academic advisors to confirm that all of the departmental and college degree requirements for their majors are being met.

Formal enrollment should occur before nine credit hours have been completed. To obtain information and to enroll in the Minor, students should contact Dr. E. R. Hosler, Associate Chair, Department of Mechanical and Aerospace Engineering, Engr 381, (407) 823-2416.

MINOR: TECHNOLOGY AND SOCIETY

Contact Persons: Richard N. Miller, ENGR 281, Phone (407) 823-2455
J. Paul Hartman, ENGR 308, Phone (407) 823-2317

The College of Engineering offers a minor in Technology and Society to interested UCF students. The minor is intended for students not enrolled in the College of Engineering, although students in the College may also be awarded the minor. To meet the requirements, the student must complete, with a grade point average of 2.0 or higher, a minimum of 18 hours taken from the courses listed. A minimum of 9 hours must be taken from the EGN prefix courses listed below. Students should preferably complete the following general education program coursework prior to taking this minor: ECO 2013, MAC 2204; History or Humanities sequence.

The 18 hours are to be selected from:

- EGN 4033 Technology and Social Change
- EGN 4813 Science in History
- EGN 4814 Technology in History
- EGN 4818 Technology in North America
- EGN 4823 Topics in Urban Development
- EGN 4824 Energy and Society
- EGN 4830 Telecommunications
- EGN 4825 Environment and Society
- EGN 4832 Computers, Cybernetics and Society
- EGN 4843 Systems Modeling
- EGN 4844 Man and Machine
- ARH 3060 History of Architecture
- GEO 3370 Resource Geography
- LIT 3313 Science Fiction
- LIT 4433 Survey of Technical and Scientific Literature
- PUP 3204 Environmental Policy
- PUP 4503 Government and Science
- PUP 4510 Space Policy

The mission of the College of Health and Public Affairs is to provide quality undergraduate and graduate education, to foster, through research, the development and transmission of knowledge, and to offer continuing education for community professionals and citizens.

To achieve these objectives, the College offers a diversity of programs preparing students for professions in the fields of Communicative Disorders, Criminal Justice, Legal Studies, Health Sciences, Nursing, Physical Therapy, Public Administration, and Social Work.

ADVISEMENT

Advisor/Counselor: Ms. Debbie Phillis, HPB 215, Phone (407) 823-0010

The College of Health and Public Affairs Advisement Office assists students in understanding matters relating to college and university requirements and procedures. Orientation and registration is coordinated through the advisement office. Questions concerning university and college academic policies should be directed through this office.

Pre-Health Professions Advisement:

See Pre-Health Professions Advisement Office

Program Planning

Students should plan their academic programs of study in consultation with a faculty advisor appointed by the chair of the major department.

General Requirements for the Bachelors Degree

Some Departments or Programs in the College are upper-division, limited access programs. Acceptance by or registration at the University does not constitute admission to the following: Departments of Nursing, Physical Therapy, Social Work, and the Programs in Medical Laboratory Sciences, Health Information Management, and Radiologic Sciences. Application must be made to the appropriate chair or director. Additional information regarding prerequisites and grade point averages may be obtained from the desired Program or Department.

The following Departments and Programs do not have limited access: Departments of Communicative Disorders, Criminal Justice/Legal Studies, Molecular Biology/Microbiology, and Public Administration; and the Programs in Cardiopulmonary Sciences and Health Service Administration.

DEPARTMENT OF COMMUNICATIVE DISORDERS

Acting Chair: T. A. Mullin, HP 113, Phone (407) 823-2121

Faculty: Hedrick, Ingram, Mullin, Parker, Ratusnik, Talbott, Utt

The primary goal of the Department of Communicative Disorders is the preparation of clinical specialists in Speech/Language Pathology and Audiology. Undergraduate offerings are consistent with philosophies of the American Speech-Language-Hearing Association in that most coursework is designed to provide the student theoretical foundations on which to build competent clinical skills. An on-campus clinic as well as external affiliations including area public schools, community speech and hearing centers, hospital clinics, physicians' offices and industrial settings are available for the development of various clinical competencies. Faculty are engaged in generation and transmission of knowledge concerning speech-language-hearing processes and impairments via ongoing research projects. The professional phase of the program in speech/language pathology and audiology is accredited by the Educational Standards Board of the American Speech-Language Hearing Association.
In addition to coursework for majors, the Department offers a 4-course sequence in Sign Language: SPA 3333, SPA 4380, SPA 4381, SPA 4382.

**MINOR**

The Department of Communicative Disorders offers a minor consisting of a minimum of 22 semester hours.

Required courses: LIN 4710, 4710L; SPA 3002, 3101, 3112, 3112L, 4032, 4251, 4251L, 4402, and 4402L.

**Bachelor of Arts or Bachelor of Science:**

5. **Restricted Elective**

A course at the 3000 or 4000 level related to the Major (e.g., education, psychology, sociology, computer, etc.) selected in consultation with the academic advisor. 3 hours

6. **Other Electives**

Students who wish to obtain a Teacher's Certificate for the State of Florida must include the necessary course work as electives. See your academic advisor.

7. **B.A./B.S. Option.** Students pursuing the B.A. degree must demonstrate proficiency in a foreign language equivalent to one year while students pursuing the B.S. degree must complete six credit hours of science courses approved by the Department.

8. Students must achieve a grade of C in required courses in the Department.
DEPARTMENT OF CRIMINAL JUSTICE AND LEGAL STUDIES

Acting Chair: B. J. McCarthy, PH 116, Phone (407) 823-2603
Faculty: Bast, Becker, Cook, Holten, Mahan, B.J. McCarthy
B.R. McCarthy, Mozee, Pyle, Slaughter

The Department of Criminal Justice and Legal Studies includes two undergraduate degree programs: Legal Studies and Criminal Justice.

Criminal Justice Program

Criminal Justice is a problem based field of study which focuses on the problems of crime and crime control agencies in a democratic society. The curriculum reflects the dynamic nature of the field and prepares students for challenging careers in public service.

Legal Studies Program

The Legal Studies Program provides students with a broad understanding of basic principles of law and the role and function of the legal system. Two emphases are provided: legal-applied and legal-general. The applied emphasis prepares students for professional positions in law offices, public agencies, and business organizations. The general law emphasis program is designed to provide a general background in American society and government as well as American law. This emphasis, in addition to preparing students for law-related careers, provides a foundation for further professional or graduate education. Satisfactory completion of program requirements in either emphasis leads to the degree of Bachelor of Arts with a major in Legal Studies.

Legal Studies Minor

The Legal Studies Minor consists of 18 or more semester hours. Required courses: PLA 3013 plus a minimum of 12 semester hours of legal studies courses and 3 semester hours of law-related courses selected with the aid of an advisor.

Bachelor of Arts: Legal Studies

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses (15 hours)
   PLA 3013 Law and the Legal System 3 hours
   PLA 3105 Legal Research 3 hours
   PLA 3155 Legal Writing 3 hours
   PLA 3203 Civil Practice and Procedure 3 hours
   PLA 3504 Property and Real Estate Law 3 hours
4. Restricted Electives
   a. 18 additional hours of Legal Studies coursework. (see applied and general emphases below)
   b. 12 semester hours of supporting courses chosen with the approval of the student's advisor. These courses may be selected from any department or program so long as they are relevant to legal studies.
5. Electives

Total Semester Hours Required 120

Applied Emphasis

Students are strongly urged to take the following courses as restricted electives:
   PLA 3273 The Law of Torts
   PLA 4408 The Law of Contracts
   PLA 4433 Florida Partnerships and Corporations
   PLA 4603 Estates and Trusts
   PLA 4941 Internship

General Emphasis

Students are strongly urged to select their restricted electives from the following list:
   PLA 3273 The Law of Torts
   PLA 3308 Criminal Procedure
Supporting courses in the general emphasis are to be selected in consultation with the student's advisor but may include course selected from the following areas: Political Science, Criminal Justice, Sociology, Psychology, History, Public Administration, and Philosophy.

Bachelor of Arts: Criminal Justice

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses (18 semester hours)
   - CCJ 3020 Criminal Justice System 3 hours
   - CCJ 3010 Crime in America 3 hours
   - CCJ 3290 Prosecution and Adjudication 3 hours
   - CCJ 3300 Corrections and Penology 3 hours
   - CCJ 4105 Police and Society 3 hours
   - CCJ 4701 Research Methods in Criminal Justice 3 hours
4. Restricted Electives
   a. 21 additional semester hours of upper division CCJ coursework. Seniors can satisfy up to 9 hours of this requirement with internship and up to 6 hours with directed independent study; however, the combination of these non-class options shall not exceed 12 hours. Program standards must be met to be eligible for either internships or independent study credit.
   b. 15 additional semester hours of supporting courses to be selected with and approved by the student's advisor. These courses may vary from student to student depending upon individual needs or objectives, but include selected courses from public administration, legal studies, sociology, statistics, and psychology.
5. Students must take a minimum of 30 hours from the department to obtain the UCF degree in Criminal Justice.
6. Electives

Criminal Justice Minor
The Criminal Justice Minor consists of 18 or more semester hours. Required Courses: CCJ 3020, CCJ 3010; two of the following: CCJ 3300, CCJ 3290, CCJ 4105; plus a minimum of 6 semester hours of criminal justice hours selected with the aid of an advisor.

DEPARTMENT OF HEALTH SCIENCES
Acting Chair: M. J. Sweeney, (407) 823-2972
Faculty: Aciero, Barr, Bergner, Crittenden, Douglass, Drumheller, Edwards, Lytle, Mendenhall, Welker, Worrell, Youmans

The Department of Health Sciences offers a diversity of baccalaureate programs which prepare students for professions in the fields of Cardiopulmonary Sciences, Health Services Administration, Health Information Management, and Radiologic Sciences. In addition, the Department offers a graduate program in Health Sciences.

The mission of the Department is to provide quality undergraduate and graduate academic and clinical instruction with an accent on educating future leaders of the health care system. The Department seeks first to strengthen existing programs, as well as to identify and develop new programs which fulfill documented need for health care resources and technology. Another goal is to foster the development of knowledge through research, publications,
scientific presentations, and grantmanship. Finally, the Department seeks to provide continuing education for the health care community and consumer health education.

The Department of Health Sciences requires a minimum overall GPA of 2.5 for admission to and graduation from its Limited Access programs. In addition, a minimum grade of "C" is required for prerequisite courses and required courses within the major.

Departmental core requirements: HSC 3640 Health Law; HSC 4550 Pathophysiologic Mechanisms; HSA 4193 Health Care Automation; HSA 4243 Analysis of Instruction in the Health Professions.

MINOR

The Department of Health Sciences offers a minor consisting of a minimum of 18 semester hours. In order to be awarded a minor in Health Sciences, a student must complete the required course work and maintain at least a 2.5 GPA and a minimum of "C" on all Health Sciences course work.

Required Courses: HSA 4121, HUN 3011, HSC 3110 and a minimum of 9 hours of upper-division courses in the Health Science Department. Majors may not count courses presently required in a department program.

Program in Health Information Management

Director: C. Barr, HP 220. Phone (407) 823-2359

Health Information Management Administrators are professional members of the modern health care team responsible for: (1) the acquisition and supervision of complete medical records on each patient, (2) the design and management of health information systems which collect, process, store, retrieve, and release health information and statistics, (3) assistance to administration, other health professionals, and medical staff in developing quality assurance programs by abstraction of medical data, preparation of statistical reports, and analysis of information, and (4) assistance in collection and analysis of data for public health services planning.

The curriculum of the Health Information Management program is approved by the Committee on Allied Health Education and Accreditation of the American Medical Association in collaboration with the Council on Education of the American Health Information Management Association.

Before acceptance to the professional phase of the program, students are required to complete the following prerequisite courses: biology with lab, anatomy with lab, physiology with lab, statistics, an introduction to data processing or computer science, and an introductory course in finance or accounting.

Application and acceptance to the University does not constitute admission to the program. SEPARATE APPLICATION must be made directly to the upper-division, limited access HIM program prior to February 1st of the year in which prerequisites will have been met to be considered an applicant. A personal interview is also required.

Upon completion of the approved program, the student is eligible to submit an application for writing the national registration examination administered by the American Health Information Management Association to qualify as a Registered Record Administrator.

201
Program in Health Services Administration

Director: S. Lytle, HPB-125, (407) 823-2972

The Program offers a baccalaureate degree in Health Services Administration and a master’s degree in Health Sciences with an emphasis in Health Services Administration. The baccalaureate degree is designed for graduates of associate of science degree programs in nursing or allied health who desire to study health services administration. People within the health care industry with associate of science degrees in areas such as nursing, respiratory therapy, radiologic technologies, medical laboratory technology, dental hygiene, and others may find this program providing a migration path from the clinical side of the health care industry to the business or leadership side. Students without a background in the health care industry can also be accommodated to build a background in health services administration.

Degree Requirements:
1. See Undergraduate Degree Requirements.
2. Prerequisite Courses: Hours
   STA 2014 Principles of Statistics 3
   ECO 2013 Principles of Economics 3
   MAC 1104 College Algebra 3
   CGS 3000 Computer Applications for Business 3
3. Required Courses
   MAN 3025 Management of Organizations 3
   MAR 3023 Marketing 3
   ACG 2001 Principles of Financial Accounting 3
   COM 3110 Business and Professional Communication 3
   HSA 3122 U.S. Health Care Systems 3
   HSC 4500 Epidemiology 3
   HSC 4564 Health Care Needs of the Elderly 3
   HSC 3531 Medical Terminology 3
   HSC 4651 Health Care Ethics 3
   HSC 3640 Health Law 3
   HSA 4180 Organization and Management of Health Agencies 3
   HSA 4193 Health Care Automation 3
   HSA 3170 Health Care Finance 3
   HSA 4700 Health Science Research Methods 3
   HSA 4120 Community Health Services 3

The above required courses must be completed with a grade of "C" or higher.
4. Electives:
Students with an associate of science degree in a health care clinical discipline may receive up to 30 hours of directed field experience. Students will be evaluated by their academic advisor.
Generic students without the associate of science degree should select elective hours with their advisor. Students are encouraged to work on courses that will enhance their background in the health care industry. These may be used to build minors offered by the University. Examples include: Business, Computer Sciences, and Public Administration. Courses leading to a Certificate in Gerontology are appropriate. Electives in advanced scientific, clinical or quantitative subjects are also advisable.

5. Total Semester Hours Required: 123

Minor:
The Program in Health Services Administration offers a minor consisting of a minimum of 18 semester hours. To receive a minor, the student must complete the course work and maintain at least a 2.5 GPA and a minimum of “C” on all courses required for the Health Services Administration Minor.
Required Courses: HSA 3170, HSA 4180, HSC 4500, HSA 3122, HSA 4193, and HSC 3531.

Gerontology Certification Program:
In recognition of the special needs of the elderly citizens of Central Florida, the University offers a fifteen hour interdisciplinary program leading to a Certificate in Gerontology. The program is completed with the undergraduate major of the student and is administered by the Department of Health Sciences. The program may be of particular interest to students who are majoring in health sciences, psychology, social work, nursing, or sociology. Other students, such as those majoring in music, music education, physical education, or art education may also find the program valuable.
To receive the Certificate in Gerontology, the students must successfully complete the following courses:
- DEP 3464 Psychology of Aging 3 hours
- HSC 4564 Health Care Needs of the Elderly 3 hours
- SYP 4730 Sociology of Aging 3 hours
- SOW 4644 Social Services for the Elderly 3 hours
- HSA 4941 Internship 3 hours
Students interested in certification should contact Dr. John F. Bergner, Jr., HPB 124 or call the Department of Health Sciences office at (407) 823-2972.

Long Term Care Administration Option
Implementation of this option is on temporary hold.

Degree Requirements

Program in Radiologic Sciences

Director: T. J. Edwards III, Phone (407) 823-2747

The University of Central Florida offers the only accredited Bachelor of Science in Radiologic Sciences degree program in Florida. The Radiologic Sciences Program offers students the opportunity to specialize in either Radiography or Radiation Therapy. Radiographers and Radiation Therapists are integral members of the health care team dedicated to providing high quality patient care. Graduates are prepared to function as clinically competent Radiographers or Radiation Therapists and, with experience, advance to leadership positions in their profession. Employment opportunities in both fields are excellent.

The primary role of Radiographers is to perform medical imaging procedures for the diagnosis of disease and injury. The Radiographer enjoys an interesting and challenging variety of examinations/procedures which may include conventional radiography, fluoroscopy, vascular imaging, computed tomography and magnetic resonance imaging. Employment opportunities are available in hospitals, imaging centers, and private physician offices. Career advancement opportunities include positions in administration, education, quality assurance, and public health physics.

Radiation Therapists work closely with physicians to deliver high energy radiation for the treatment of cancer. The Radiation Therapist delivers the prescribed amount of radiation to the precise tumor site while assessing and reporting patient progress throughout the course of treatment. Employment opportunities are available in hospitals and treatment centers. Career advancement opportunities include positions in radiology administration, education, quality assurance, and dosimetry.

The program works in conjunction with Central Florida Regional Hospital, Sanford; Jewett Orthopaedic Clinic, Winter Park; Halifax Medical Center, Daytona Beach; South Seminole Community Hospital, Longwood; and Winter Park Memorial Hospital, Winter Park.

The programs in Radiography and Radiation Therapy Technology are accredited by the Committee on Allied Health Education and Accreditation (CAHEA) in cooperation with the Joint Review Committee on Education in Radiologic Technology (JRCERT). Graduates are eligible to apply for admission to the certification exam administered by the American Registry of Radiologic Technologists (ARRT). The University of Central Florida is the sponsoring institution for the Radiography program. Halifax Hospital Medical Center is the sponsoring institution of the Radiation Therapy program.

The application deadline for admission to the upper-division, limited access phase of the program is February 1 of the year in which admission is sought. In addition to a formal interview, admission criteria include completion of the General Education Program and prerequisite course requirements and admission to the university as an upper division student.
A minimum overall GPA of 2.50 and a minimum grade of "C" in prerequisite and major courses is required for admission to, continuation in, and graduation from the Radiologic Sciences Program.

Program In Cardiopulmonary Sciences

Director: O. J. Drumheller, HP 350, Phone (407) 823-2214

The Cardiopulmonary Sciences curriculum leads to the Bachelor of Science Degree in Cardiopulmonary Sciences and includes preparation for becoming a Registered Respiratory Therapist and licensure in the state of Florida.

By Fall, 1994, it is anticipated that the Program will be approved for limited access status. Acceptance at the University does not necessarily constitute admission to the upper division program. Separate application must be made directly to the program prior to February 1 of the year admission is sought.

Students must be accepted by the university and meet all requirements for admission to the upper division. A 2.5 overall GPA is required for admission to and graduation from the program. Students must meet all university undergraduate degree, special college and/or departmental requirements, and program requirements in order to graduate. Students are required to have completed a Basic Life Support (CPR) program prior to admission.

**Registered Respiratory Therapists**

30 credit hours may be granted toward the Bachelor of Science in Cardiopulmonary Sciences for Registered Respiratory Therapists (RRT), with an Associate in Science degree from a Florida public community college. All applicants must meet university, college and departmental requirements for admission. Registered Respiratory Therapists should contact the program for specific information.

---

**DEPARTMENT OF MOLECULAR BIOLOGY AND MICROBIOLOGY**

**Chair:** R. N. Gennaro, BL 330, Phone (407) 823-5932

**Faculty:** Berringer, Charba, Gennaro, Hitchcock, Sweeney, Thornton, Washington, White, Wodzinski

The Department of Molecular Biology and Microbiology offers curricular programs leading to a minor, a Bachelor of Science degree, and a Master of Science degree, each in Molecular Biology and Microbiology. The department also offers a Bachelor of Science degree in Medical Laboratory Sciences.

**PROGRAM IN MOLECULAR BIOLOGY AND MICROBIOLOGY**

The Core Curriculum in the baccalaureate program, with its broad and thorough grounding in the physical, computational, and life sciences, provides a solid foundation in concepts and applications of modern biology to contemporary and future problems. The Restricted Electives component of the baccalaureate program allows each student to enhance his/her academic preparation in areas of morphological, clinical, analytical or investigative applications. Students are also encouraged to gain research experience and exposure to specialized topics not taught in formal courses through the mechanism of directed research and independent study contracts with selected faculty. This thorough, but flexible, program, provides an excellent preparation for industry, graduate education, and for the four-year health professions (chiropractic, medical, dental, optometric, podiatric, pharmacy, and veterinary medicine).
MINOR IN MOLECULAR BIOLOGY AND MICROBIOLOGY
The Department of Molecular Biology and Microbiology offers a minor consisting of a minimum of 30 semester hours.
Required courses. (22 hours) include: BSC 2010C, MCB 3013C, PCB 3233, PCB 3233L, PCB 3523, PCB 4524, and BSC 3404.
Restricted Electives (8 hours minimum): at least two courses from the Restricted Elective category of the baccalaureate curriculum.
To be eligible for a minor in Molecular Biology and Microbiology, a student must have a GPA of at least 2.0 in all courses taken for the minor, subject to the following constraints:
A. At least 15 of the required 30 hours must be taken in the Department of Molecular Biology and Microbiology at UCF;
B. No "D" grades from other institutions will be accepted;
C. No CLEP, TSD or AP credit will be accepted.

Bachelor of Science: Molecular Biology and Microbiology
Degree Requirements:
1. See Undergraduate Degree requirements.
2. To be eligible for a major in Molecular Biology and Microbiology, a student must complete all coursework in the baccalaureate curriculum as shown, and, with respect to the Life Sciences portion of the Core Curriculum and the Restricted Electives, earn a GPA of at least 2.0 for all coursework in each of those categories subject to the following constraints:
   A. No CLEP, TSD, or AP credit may be used;
   B. No "D" grades from other institutions will be accepted;
   C. A maximum of 3 hours of independent study, directed research, or similar credit may be used as a Restricted Elective or as a substitute for any stated Core Curriculum requirement unless prior Departmental approval is obtained;
   D. A minimum of 20 hours must be taken at UCF in the department of the major.

Note (1): Those students interested in pursuing graduate or professional education are strongly advised to select the following courses: Physics for Scientists and Engineers I & II (PHY 3048, 3049, 3048L, 3049L); Applied Calculus I & II (MAC 3253, 3254) or Calculus with Analytic Geometry I & II (MAC 3311, 3312).

Program in Medical Laboratory Sciences

Director: D. Hitchcock, BIO 104, Phone (407) 823-2359

Medical technologists are involved in medical diagnosis, treatment, surveillance, management, research, and education. They use highly sophisticated equipment such as electronic cell counters, automated analyzers, computers, and microscopes in the examination of body tissues and fluids.

The curriculum is designed to give students a thorough background in the physical and biological sciences; to develop the understanding, skills, and abilities essential to assume leadership roles in management and education; to develop a high level of proficiency in the clinical laboratory; and to develop an awareness for continuing education needed for professional growth.

Admission to the University does not constitute admission to the upper-division, limited access Medical Laboratory Sciences Program. SEPARATE APPLICATION must be made through the Medical Laboratory Sciences Office prior to March 1st of the year for which admission is sought. For the last seven months of the program the students will be assigned to a hospital laboratory for clinical experience. The affiliated hospitals are located in Lakeland, Orlando, Winter Haven and Rockledge. It may be necessary for the student to relocate to any of these areas for this period. A minimum 2.5 overall GPA is required for clinical assignment.

The degree in Medical Laboratory Sciences will be awarded upon completion of the University’s didactic program and the clinical program in an affiliated hospital.

Upon receiving the degree in Medical Laboratory Sciences, the graduate will be eligible to write a national certification examination and the State of Florida licensure examination.

DEPARTMENT OF NURSING

Acting Chair: J. E. Dorner, HP 410, Phone (407) 823-2744

Faculty: Browne-Kaminsley, Brunell, Covelli, Dorner, Giovinco, Hennig, Judkins, Kijek, Koch-Parrish, Noll, Peragallo, Primus-Cotton, Ramey, Smith, Wink

The nursing curriculum leads to the Bachelor of Science in Nursing degree, the basis of professional nursing practice. The BSN graduate is prepared to provide comprehensive care in a variety of acute, community, and rehabilitative settings. Program emphasis includes clinical nursing practice, health promotion and maintenance, and preparation for assuming leadership roles. The baccalaureate curriculum provides the foundation for graduate study in nursing.

Acceptance to the University does not constitute admission to the upper-division, limited access nursing major. SEPARATE APPLICATION must be made directly to the Admissions Office prior to February 1st of the year in which Fall admission is sought. R.N.s and minority applicants receive special consideration. Completion of the A.A. degree or General Education Program is required along with prerequisite courses with a grade of “C” or better.

Graduates are eligible to take the licensing examination for registered nurses.

Bachelor of Science: Nursing

Degree Requirements
1. See Undergraduate Degree Requirements
2. See special college and or department requirements
3. Required Courses

Prerequisites to Nursing Major to be satisfactorily completed prior to admission to the major

- MCB 3013C General Microbiology  5 hours
- ZOO 3733C Human Anatomy  4 hours
- PCB 3703C Human Physiology  4 hours
- CHM 2205 Introduction to Organic/Biochemistry  5 hours
- STA 2014 Principles of Statistics  3 hours
- or 3023 Human Growth and Development
- SOW 3104 Developmental Psychology  3 hours
- or 3104 Human Nutrition  3 hours
- DEP 3004
- HUN 3011
Upper-Division Professional Phase

HSC 4550 Pathophysiologic Mechanisms 3 hours
NUR 3119 Introduction to Baccalaureate Nursing 3 hours
NUR 3748C Concepts Basic to Nursing Practice 6 hours
(Generic Students)
NUR 3066 Health Assessment 3 hours
NUR 3166 Critical Inquiry 3 hours
NUR 3809 Transitional Concepts in Nursing 6 hours
(RN Students)
*NUR 3749C Scientific Theories of Nursing I 6 hours
*NUR 3795C Scientific Theories of Nursing II 6 hours
*NUR 3755C Scientific Theories of Nursing III 5 hours
*NUR 3796C Scientific Theories of Nursing IV 6 hours
*NUR 4756C Scientific Theories of Nursing V 6 hours
NUR 4758C Scientific Theories of Nursing VI 6 hours
NUR 4757C Scientific Theories of Nursing VII 6 hours
NUR 4797 Professional Development and Issues 6 hours
NUR 4941 Selected Nursing Practicum 3 hours

4. Restricted Electives: One course in nursing 3 hours

5. Electives: None

Total Semester Hours Required 131

*Students who are Registered Nurses in Florida must pass examinations for credit for these courses prior to enrollment in NUR 3809.

*NUR 3809 Transitional Concepts in Nursing (RN Students)

DEPARTMENT OF PHYSICAL THERAPY

Chair: P. Yarbrough, TR 544, Phone (407) 823-5040
Faculty: S. Janos, P. Yarbrough, J. Yuenger

The physical therapy program at the University of Central Florida is an entry-level curriculum leading to a Bachelor of Science in Physical Therapy degree. Graduates will be eligible to take the state licensure examination in any state in the United States, or comparable examination in foreign countries with practice acts regulating the practice of health professionals. Graduates of entry-level programs are prepared to practice in an ethical, legal, safe, caring and effective manner in a variety of acute, community, rehabilitative, or private health care settings, providing both physical and psychosocial intervention. Graduates are able to screen individuals to determine the need for physical therapy examination or for referral to other health professionals. They can determine in any patient with physical dysfunction a diagnosis that is within the scope of physical therapy. They can design and manage a comprehensive physical therapy plan of care that includes a comprehensive treatment plan, appropriate delegation to and supervision of other support personnel, accurate and thorough documentation of the delivery, and quantified results of, the plan of care, and participation in discharge planning and follow-up care. Graduates are also prepared to pursue graduate studies in and out of physical therapy, and/or specialty training and certification in all recognized physical therapy specialties.

The entry-level professional curriculum is a full-time program. It is seven consecutive semesters in length, including clinical practicums and internships ranging from one week to six months long. A new entering class begins the program in May of each year. Acceptance to the University, however, does not constitute admission to this upper-division, limited access program. Separate application must be made directly to the Department of Physical Therapy at UCF by November 15 preceding the year in which admission is sought. Complete information regarding application procedures is also available from that office.

Admission Requirements

A. UCF Students:
1. Completion of all GEP requirements.
2. Satisfaction of CLAST requirement.
3. Completion of, with no grade lower than 'C', all courses used to satisfy Prerequisite Requirement (see Section D, below).
B. Transfer Students:
1. A.A. degree from a state supported community college or State University
   System of Florida institution, or bachelor's degree from any accredited senior
   college in the United States or Canada.
2. Completion at an accredited institution in the United States or Canada, and with
   no grade lower than "C", all courses used to satisfy Prerequisite Requirement
   (see Section D, below).

C. All Students:
1. Courses strongly recommended but not required:
   PHI 1100 Critical Thinking (3)
   All courses not selected in Section D.1.b. below (3)
2. Overall GPA of at least 2.8, and a minimum GPA of 2.8 in all courses used to
   satisfy the Prerequisite Requirement (see Section D, below).
3. A minimum of 200 documented clock hours experience working, volunteering or
   shadowing in a physical therapy facility; or otherwise compelling evidence of
   significant interest and inquiry into the profession of physical therapy or experi­
   ence in a health care setting.
4. Demonstrated interpersonal abilities and potential for leadership.
5. Competence in the use of a personal computer.
6. Receipt of a completed Physical Therapy Application for Admission by November
   15, 1993 for the Summer 1994 class.
7. Completion of no fewer than twenty four credits of the Prerequisite Requirement
   in the Natural Sciences by the end of the 1993 Fall semester (see Section D, below).

D. Prerequisite Requirement:
1. Behavioral Sciences (a minimum of one course in each category):
   a. General Psychology
   b. Advanced Psychology, e.g., Developmental or Abnormal Psychology.
2. Natural Sciences (a minimum of one year of courses in each category)
   a. Biology—General Biology, Microbiology or Zoology courses, with labs, accept­
      able toward a major in a biological science.
   b. Chemistry—General Chemistry, with lab, for chemistry majors, or a one-year
      survey sequence of General Chemistry and Organic/Biochemistry.
   c. Math—a course in College Algebra; and the first course in Statistics for science
      majors.
   d. Physics—College Physics (algebra based), or University Physics (calculus
      based), with labs.

Bachelor of Science: Physical Therapy

Degree Requirements
1. See Undergraduate Degree Requirements.
2. Departmental Requirements: to be eligible for a baccalaureate degree in physical
   therapy, a student must complete all academic and clinical education courses prescribed
   in the professional curriculum, as shown in Section 4 below, with no grade less than "C",
   and be recommended for the degree by the academic and clinical faculty.
3. Preprofessional Curriculum: 60
   A. Prerequisite Requirements (The following is an example of a selection (36) of
      courses that may be used to satisfy the Prerequisite Requirement)

Total Semester Hours Required for Degree: 139

**PRE-HEALTH PROFESSIONS:** See Pre-Health Professions Advising.

**DEPARTMENT OF PUBLIC ADMINISTRATION**

Chair: R. Denhardt, PH 102, Phone (407) 823-2604

Faculty: Aristigueta, Colby, K. Denhardt, R. Denhardt, Glaser, Jurie, Lawther, Rosell, Shapek

The Public Administration course of study is designed to provide students with a broad understanding of the roles and functions of administrative agencies in the American system of government as well as prepare them for professional careers in public service at the federal, state, regional, or local level. Satisfactory completion of program requirements leads to the degree of Bachelor of Arts with a major in Public Administration. The baccalaureate program in Public Administration is offered on the Orlando and Brevard campuses.
Bachelor of Arts: Public Administration

Degree Requirements

1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses (27 semester hours)
   - PAD 3003 Introduction to Public Administration 3 hours
   - PAD 4034 Administration of Public Policy 3 hours
   - PAD 4104 Administrative Theory 3 hours
   - PAD 4204 Fiscal Management 3 hours
   - PAD 4414 Public Personnel Administration 3 hours
   - POS 2041 American National Government 3 hours
   - ECO 2013 Principles of Economics I 3 hours
   - CGS 1060 Introduction to Computer Science or
     Computer Fundamentals for Business Application 3 hours
   - STA 2014 Principles of Statistics or
     STA 3023 Statistical Methods I or
     PAD 4270 Survey Research or
     a course in social science research with an emphasis on
     statistical methods 3 hours

4. Restricted Electives
   30 additional semester hours taken from: (1) Public Administration electives
   including the internship; and (2) one or more allied public science fields.
   All courses are selected with and approved by the student's advisor.
   Among such supporting fields are accounting, legal studies, communications, computer sciences, criminal justice, economics, political science, social work, sociology, and statistics.

5. Electives

MINOR
   The public administration program offers a minor in public administration consisting of 21 hours:
   1. All five of the required core courses for the PAD major will be required of the PAD minor.
      These are: PAD 3003, PAD 4414, PAD 4104, PAD 4204, and PAD 4034.
   2. Two additional courses may be selected from among the list of PAD restricted electives
      or related courses in other fields. These courses will be chosen with the consent of the
      PAD undergraduate advisor.

DEPARTMENT OF SOCIAL WORK

Chair: I. Colby, TR 542, Phone (407) 823-2114
Faculty: Abel, Boyer, Brett, Colby, Green, Kazmerski, Suh

The Department of Social Work offers a professional degree program which is nationally
accredited by the Council on Social Work Education. Its primary focus is the preparation of
students for entry-level professional social work practice within diverse human service
organizations such as hospitals, schools, correctional settings, public welfare departments,
child placement organizations, community centers, and counseling agencies.

Applications to the limited access program may be obtained at the Department of Social
Work. For acceptance into the program students must have a 2.0 overall GPA. Personal
qualifications include intelligence, initiative, social concern, appreciation for human diver­
sity, dependability, humanitarian interests in helping people and in improving human
services and college-level reading and writing skills. Student qualifications are reviewed
initially and on an ongoing basis.

To qualify for graduation and for entry into field education (SOW 4510), a student must
have a 2.5 GPA in the major. Students also must complete 30 credit hours in social work
at UCF to graduate from the program.
Bachelor of Social Work

Degree Requirements

1. See Undergraduate Degree Requirements
2. See special college and/or department requirements
3. Required Courses
   UCF general education requirements, or AA degree from a Florida state community college
   Pre-professional courses, to be completed prior to admission to the major:
   - American Government (POS 2041) 3 hours
   - Biology (BSC 1020C) 3 hours
   - Computer Science (CGS 1060C) 3 hours
   - Economics (ECO 2013) 3 hours
   - Psychology (PSY 2013) 3 hours
   - Sociology (SYG 2000) 3 hours

   Professional foundation requirements (45 hours)
   - SOW 3104 Assessing Human Development 3 hours
   - SOW 3111 Assessing Human Systems 3 hours
   - SOW 3203 Social Welfare and Community Resources 3 hours
   - SOW 3232 Social Welfare Policies and Issues 3 hours
   - SOW 3401 Social Work Research 3 hours
   - SOW 4431 Evaluating Social Work Practice and Service Programs 3 hours
   - SOW 3300 Generalist Practice in Social Work 3 hours
   - SOW 3352 Interpersonal Skills in Social Work Practice 3 hours
   - SOW 4341 Micro-level Roles and Interventions in Social Work 3 hours
   - SOW 4343 Macro-level Roles and Interventions in Social Work 3 hours
   - SOW 4620 Social Work with Minorities 3 hours
   - SOW 4510 Field Education 9 hours
   - SOW 4522 Field Education Seminar 3 hours

4. Social Work Elective
5. Foreign Language or Cultural Diversity

Total Semester Hours Required

The Department will require that all social work majors either meet the requirements of the UCF foreign language policy for the BA degree or complete two courses in foreign culture or cultural diversity. Specific details are available from the department.

Social Welfare Enhancement Option

See Gerontology Certificate Program
INSTITUTES AND CENTERS FOR RESEARCH

HIV-AIDS INSTITUTE
The HIV-AIDS Institute is an interdisciplinary organization established in the College of Health and Public Affairs to facilitate the promotion of AIDS information and to serve as a principal coordinator in cooperation with local, regional, and state organizations, for AIDS education and other issues of particular interest to Central Florida.

Major goals of the Institute are to promote and provide educational research, and service programs for professionals, the general public, and private organizations; to serve as a regional information and educational center, to aid the educational community in promoting, securing, and maintaining up-to-date literature concerned with AIDS.

Contact Person: Dr. Sharon E. Douglass, Director, HPB 350, (407) 823-AIDS

CENTER FOR CONTINUING EDUCATION
Director: Dr. Thomas A. Shostak, PC 547, Phone (407) 823-6100
Associate Director: Dale A. Badger, PC 547, (407) 823-6108
Associate Director: Dr. Consuela Stebbins, PC 547, (407) 823-6103

The Center for Continuing Education develops, coordinates, and implements noncredit and sponsored credit institute programs of extension, outreach, and continuing education in cooperation with academic colleges and departments of the University. Learners wishing to continue their education are offered, as an alternative to regular credit courses, opportunities for academic credit, professional and personal growth, and enrichment at various locations. The primary purpose is to provide lifelong learning opportunities by using university resources to benefit nontraditional and traditional learners.

A broad spectrum of programs, many designed specifically for individuals and groups, include short courses, in-service training, conferences, seminars, institutes, special training programs, study-travel programs, and workshops.

Professional level noncredit programs are offered to meet the educational needs of business, professional, government, service, and civic organizations. To substantiate the content of professional programs, as well as to offer credentials to verify the learner’s participation, Continuing Education Units (CEU) are offered to qualified and eligible participants.

Additionally, training activities can be custom designed for specific professional groups or organizations desiring to complement their internal personnel training and development programs. Specialized certification courses, in response to legislative mandates (e.g., certified risk managers in certain health care facilities) are also offered.

The Center serves as facilitator for the academic colleges and performs the overall planning, coordination, and management of approved off-campus credit courses, degree programs, sponsored contract courses, and special credit instruction serving nonregularly matriculating students.

Outreach credit courses and programs offered by the academic colleges and coordinated by the Center are tailored to meet the educational needs of local residents and are abusiness, industry, and government employees. These offerings are designed to provide continuing education to those persons desiring to maintain or enhance their professional technical competence. The goal of the Center for Outreach Credit Programs is to unite outstanding resources from the University and the public/private sector for the purpose of offering to participants an opportunity to meet personal aspirations and to obtain professional development while participating in life-long learning. Registration in continuing education courses does not require admission to the University, nor does it imply acceptance.
The Center provides English instruction for foreign students and area business persons. The intensive English program combines the latest in teaching methodology with computer-assisted instruction. Full-time students enrolled at the Advanced level may elect to take courses as nondegree-seeking students while enrolled in the English language program. Student (F-1) visas are extended to qualified applicants. Special attention is given to preparing students for academic coursework in their specialized fields of study. Four levels of instruction are offered which range from Beginning to Advanced. Students are required to take an entry placement test to determine their level of proficiency. The Center also offers English for special purposes for international business.

CENTER FOR RESEARCH IN ELECTRO-OPTICS AND LASERS (CREOL)

CREOL is the State University System of Florida's Center of Excellence for research and education in optical and laser sciences and engineering. CREOL was established in 1986 to bring together diverse disciplines into cohesive program in optics and lasers. Research activities at the Center are integrated with academic program to insure involvement of both students and faculty. CREOL has 28 faculty positions devoted to lasers and optical sciences and engineering which are rapidly being filled by to scholars from around the world. CREOL occupies over 50,000 sq. ft. of space in the Central Florida Research Park adjacent to UCF main campus.

Research Program

CREOL research projects reflect the interdisciplinary nature of the faculty and the faculty diverse interest and is supported by federal, state, and private research grants. Faculty and students pursue joint research projects with industry and government laboratories. Current research activities include: laser propagation, laser/material interaction, nonlinear optics, integrated and guided-wave optics, infrared systems, optical signal processing, laser development, detector technology, ultrafast phenomena, modern x-ray optics and lithography, laser plasma, nonlinear optical spectroscopy, diffractive optics, thin film optics, free electron lasers, optoelectronics, growth of nonlinear and laser host materials, solid state and diode pumped lasers, laser material processing and others. The research facilities include fifty laboratories equipped with over ten million dollars of state-of-the-art optics equipment.

Academic Program

The academic program involves students from various science and engineering departments and reflects the diverse interest of the faculty and students. Degrees of MS and Ph.D. in Optical Sciences and Engineering, Optical Physics, Electrical Engineering and Physics are offered at UCF. The academic program includes 25 specialized courses in electro-optics and lasers as well as basic Electrical Engineering and Physics courses. Graduate research assistantship up to $14,000 per year are available at CREOL for highly qualified students. Exceptional students will be considered for assistantship enhancements up to $4,000 are available to exceptional students through the Litton Foundation and United Technologies Optical Systems.

Industrial Affiliates Program

CREOL has established an industrial affiliate program to facilitate strong cooperative relationships with industry. The program provides businesses and manufacturers with the benefits of cutting-edge research and with access to the expertise and facilities of CREOL. Faculty members are teaming with Florida-based small businesses to help them compete for federally sponsored SBIR programs. The program provides industry with effective way to contribute to and sustain the research and teaching in laser and electro-optical technology.

For information contact CREOL, 12424 Research Parkway, Suite 400, Orlando, Fl 32826. Phone (407) 658-6800. Contact persons: Dr. M. J. Soileau, Director or Dr. M. G. Moharam, Chair Academic Affairs Committee.
INSTITUTE FOR SIMULATION AND TRAINING (IST)

The Institute for Simulation and Training (IST) is an internationally recognized research institute which focuses on technology advancement in training systems, education, and simulation and modeling.

IST was established in 1982 at the University of Central Florida and is located in the Central Florida Research Park, adjacent to the UCF campus. The Naval Training Systems Center, the Army Simulation, Training and Instrumentation Command (STRICOM) are also located in the Research Park. Additionally, more than 140 training and simulation companies maintain a presence in the Orlando area, causing the State of Florida to pass a resolution recognizing this area as the Center of Excellence for Simulation and Training technology.

The Institute serves this simulation and training community by providing a wide range of research services and working with university faculty to help develop curriculum and degree programs in simulation and training disciplines. UCF is the first university in the nation to offer a master's degree in simulation systems.

IST’s research staff consists of scientists, engineers, and students. Program Managers and Principal Investigators have complete freedom to tailor interdisciplinary research teams to specific research projects. Several faculty members and graduate students have presented award winning papers at major conferences throughout the country.

IST researchers conduct basic and applied research for a broad range of training devices and programs. IST research areas include: simulation networking, virtual simulation (including a Virtual Reality testbed), training systems effectiveness, artificial intelligence/ expert systems, team training, computer graphics and animation, user interface design, computer architectures, simulation modeling, cognitive/information processing, database design and development, and instructional systems design. Laboratories, work space and administrative offices comprise nearly 30,000 square feet of floor space in the Park’s Research Pavilion. Major laboratories include: Visual Systems Lab, Language Technology Lab, Communications Lab, Visual Systems Lab, Low Cost Flight Trainer Lab, Mathematics Simulation Lab, and the Advanced Learning Technology Transfer Center.

In its role as a leader in the simulation and training community, the Institute has undertaken a program of technology transfer. Included in this effort is the development of research projects with potential commercial applications, adaptation of military technology to civilian educational markets, and the communication of research results through seminars, publications and workshops.

Contact Person: Dr. A. Louis Medin, Executive Director, Phone (407) 658-5000; FAX (407) 658-5059

SPACE EDUCATION AND RESEARCH CENTER (SERC)

The Space Education and Research Center (SERC) is an interdisciplinary organization that relies on faculty participation from all five colleges of the University. SERC’s mission is to:

- Perform research to advance space technology
- Provide researchers with greater access to the upper atmosphere and space
- Help commercialize space services
- Positively affect educational opportunities and experiences
- Upgrade capability through training and development programs
- Become an active participant in the international space community

Research areas of interest include advanced launch systems, communications, the earth system sciences, educational technology, and space optics. The goal is to maximize space research opportunities for UCF faculty and students, while providing highly valued results to the space community.

In education, SERC serves as a catalyst for the development of new space related courses and programs. SERC also works with industry, government and the Central Florida school districts to improve science and mathematics education through the use of space applications and technology.

Contact Person: Dr. Jerry Ventre, Acting Director, 12424 Research Parkway, Suite 157, Orlando, FL 32826, Phone (407) 658-5599, FAX (407) 658-5595.
CENTER FOR APPLIED HUMAN FACTORS IN AVIATION (CAHFA)

The Center for Applied Human Factors in Aviation (CAHFA) has as its mission the enhancement of safety in the nation's airspace system through applied human factors research, systems design and training strategies. Chartered in 1990, CAHFA is a research consortium established between UCF and Charter partner Embry-Riddle Aeronautical University, Daytona Beach, Florida. CAHFA's professional staff maintains offices on both campuses. The complimentary strengths of the two universities are combined to create a research resource that is without peer for solving a vast assortment of aeronautical human factors problems. CAHFA research initiatives are targeted to significantly reduce human factors related accidents and incidents by determining the efficacy of and by developing strategies for achieving improvements in human performance.

Contact Person: Dr. Jefferson M. Koonce, Director and Chief Scientist, Phone (407) 823-1011; FAX (407) 823-5862

FLORIDA SOLAR ENERGY CENTER (FSEC)

The Florida legislature created the FSEC in 1974 to conduct research on alternative energy technologies, to improve the quality of available solar energy equipment, and to educate the public about energy options. Located on a 16-acre complex at Cape Canaveral, the center serves as a statewide institute administered by the University of Central Florida. The FSEC conducts state, federal, and privately supported research in photovoltaics, energy use in buildings, electrical and uses, solar water heating, power electronics, innovative air conditioning systems, and the production and use of hydrogen. In addition, the center has developed and administers state-mandated programs that require the testing, certification, and approval of all solar energy equipment manufactured or sold in Florida. Through its public information office, FSEC responds to more than 15,000 requests for energy information each year. The center also conducts seminars and workshops for teachers and professionals statewide, and its technical library boasts one of the nation's most extensive holdings on solar and alternative energy. Current projects involve solar thermal systems, electric utilities research, hydrogen and energy systems, among others.

For information contact the Florida Solar Energy Center, 300 State Road 401, Cape Canaveral, FL 32920-4099.

Contact Person: Dr. David Block, Director, Phone (407) 783-0300; FAX (407) 783-2571

FLORIDA-CANADA INSTITUTE

The Florida-Canada Institute is hosted by the University of Central Florida for the State of Florida. The purpose of the Institute is to create and foster educational, commercial, cultural and social exchanges between Canada and Florida. The Institute offers such programs as the Canadian Speakers Series and Summer Seminars on Canadian Studies for school teachers. It provides opportunity for the state-wide dissemination of information about Canada to K-12 schools. Palm Beach Community College is the Florida State Division of Community Colleges co-host for the Florida-Canada Institute.

Contact Person: Dr. Henry Kennedy, Director, Phone (407) 823-2079

FLORIDA-CENTRAL EAST EUROPE INSTITUTE

The Florida-Central East Europe Institute is hosted by the University of Central Florida and Lake Sumter Community College for the Florida International Affairs Commission. The purpose of the Institute is to create and foster educational, commercial, cultural and social exchanges between the countries in central Europe, in the new Russian Commonwealth and Florida.

Contact Person: Dr. Richard Astro, Director, Research Pavilion, Suite 135, Phone: 407-658-5570 or 407-647-8022

SMALL BUSINESS DEVELOPMENT CENTER

The Small Business Development Center (SBDC) is part of a statewide organization designed to promote economic development by responding to the needs of the small business community. The SBDC, located in the College of Business Administration at the University of Central Florida, is responsible for a geographic area including Orange, Osceola, Lake, Citrus, Volusia, Flagler, and Sumter counties. Regional centers located at Brevard Community College and Seminole Community College assist small business in
Brevard and Seminole Counties. An additional center is located at Valencia Community College to assist small business owners with technology transfer information. Assistance is provided to both start-ups and existing businesses through workshops and individual counseling in the following areas:

- How to Start a Business
- Personnel
- Bookkeeping
- Business Tax
- Franchising
- Marketing
- Sources of Financing
- Product Innovation
- Business Plan Development

Additional programs provide assistance to clients in the areas of government contracting and energy conservation.

Contact Person: Mr. Aloyse T. Polfer, Director, BA, Phone (407) 823-5554.

CENTER FOR ECONOMIC EDUCATION

The Center for Economic Education strives to increase public knowledge of economic principles and their applications in daily life.

Researchers at the Center develop, collect, and distribute economic educational materials. They also consult with and provide instruction to area schools (K-12), community colleges, and community organizations. Instruction focuses on the principles of economics and their use in making rational economic decisions. Affiliated with the National Council on Economic Education and the Florida Council on Economic Education, the Center also conducts research in economic education.

Contact Person: Dr. Robert L. Pennington, Director, BA, Phone (407) 823-2870

INSTITUTE FOR STATISTICS

The Institute for Statistics provides statistical consulting and analytical support to all areas of the University. The Institute makes valuable contributions to research by supporting non-statistical researchers with statistical consulting assistance during the planning of experiments and investigations, analysis of data, and the evaluation of results.

The Institute also provides statistical support to various governmental agencies and private organizations.

Contact Person: Dr. Mark E. Johnson, Director, Phone (407) 823-2289.

DICK POPE, SR. INSTITUTE FOR TOURISM STUDIES

The Dick Pope Sr. Institute for Tourism Studies is dedicated to improving the quality of the tourism product and increasing the benefits of tourism accruing to the industry, the state and local community. To this end the Institute is involved in a variety of programs in the fields of research and public awareness.

The research includes the collection, development and dissemination of information relevant to the tourism and hospitality industry in the areas of marketing, consumer behavior and visitor satisfaction, feasibility, economic, motivational, and forecasting. Some of the Institute's patrons include tourism promotion agencies at the state and local levels; tourism development commissions; professional associations; and private enterprises such as attractions, hotels, motels, food-service establishments, ground and air transportation companies, travel agencies and tour operators, and other related businesses.

The Institute devotes significant efforts to increasing public awareness of the tourism industry in Florida and elsewhere, and of the contribution of the industry to the social and economic welfare of the general public.

Contact Person: Dr. Ady Milman, Director, Phone (407) 823-2188

SMALL BUSINESS INSTITUTE

Business schools have for some years been interested in getting students out of the classroom and involved with real business problems rather than "textbook" situations. By sponsoring the Small Business Institute program, the Small Business Administration does not only satisfy this need, but at the same time provides free professional help to small businessmen who are in need of managerial guidance.
The SBI program uses a team of senior-level undergraduate or graduate-level students who, under faculty supervision, provide management counseling and technical assistance to small business clients. Examples of these services are: general management audits, development of business plans, establishment of accounting systems, design of inventory systems, cost analysis, pricing strategies, and evaluation of alternative markets.

The major objective of the College of Business Administration at the University of Central Florida is to educate men and women for positions of productive responsibility in business and the professions. UCF's Small Business Institute program stresses analytic ability and the student's learning skills in recognizing and coping with change. The Small Business Institute program at the same time provides on the job experience and sound academic training for the student.

**Contact Person:** Dr. Ron Rubin, Director, Phone (407) 823-2682

### INSTITUTE OF GOVERNMENT

The Institute of Government, an affiliate of the Florida Institute of Government, is housed in the Department of Public Administration and provides training and development as well as technical assistance to federal, state, and local government agencies and intergovernmental associations such as the Florida League of Cities. Training workshops, conferences, seminars, action research projects, citizen surveys, strategic planning, and organization development programs are among the services offered by the Institute.

**Director:** Ms. Marilyn Crotty, Phone: (407) 423-6335

### INSTITUTE FOR TECHNICAL DOCUMENTATION

The Institute for Technical Documentation offers a variety of services of client companies, including the development of original technical documentation, the translation of documentation written in foreign languages, and the development of seminars to assist clients in writing their own documentation.

The Institute consists of a core of permanent professional staff, supplemented by University faculty, staff, and students, all of whom have demonstrated expertise in technical writing of documentation. These services are enhanced by the cooperative efforts of educators, engineers, foreign language experts, psychologists, and scientists who act as consultants to the Institute.

Computer-assisted processing aids in translating foreign languages, word processing and editing text, gathering reference material, and conducting information searches. Trained writers, established facilities, and continued contact with personnel in industry and research enable the Institute to engage in a wide variety of documentation projects.

**Contact Person:** Ms. Gloria W. Jaffe, Director, FA 450, (407) 823-2212.

### CENTER FOR EXECUTIVE DEVELOPMENT

The Center for Executive Development of the College of Business Administration is committed to providing the best management and executive development programs in the State of Florida. Utilizing the resources of the College and University faculty, visiting executives and educators from around the world, the Center provides management and executive seminars in the areas of real estate, small business, general management, hospitality and human resources management for over 5,000 participants per year. Programs run from one day to over two weeks in length. Center activities are coordinated by program coordinators who are responsible for the following areas: Public Programming, In-House — Custom Seminars, Real Estate/Small Business 2000 and the Special Projects Groups. Examples of current programming within the Center includes: Train-the-Trainer, Management Development Series, Electronic Meeting/GroupWare Systems, Negotiation Skills, Purchasing, Supervising and Managing People, Lockheed Management Institute, Tax and Accounting Conference.

Also housed within the Center is the International Center for Business Leadership (ICBL). The function of the ICBL is to extend the reach of the College of Business to the global arena with programs that attract participants from around the nation and the world. The ICBL will use a UCF and global faculty network to provide world-class management and executive education programs for individuals and organizations.

**Contact Person:** Dr. Craig McAllaster, Associate Dean, Phone (407) 823-2446.
The University of Central Florida is a sponsoring institution of Oak Ridge Associated Universities (ORAU), a not-for-profit consortium of 62 colleges and universities and a management and operating contractor for the U.S. Department of Energy (DOE) with principal offices located in Oak Ridge, Tennessee. Founded in 1946, ORAU identifies and helps solve problems in science, engineering, technology, medicine, and human resources, and assists its member universities to focus their collective strengths in science and technology research on issues of national significance.

ORAU manages the Oak Ridge Institute for Science and Education (ORISE) for DOE. ORISE is responsible for national and international programs in science and engineering education, training and management systems, energy and environment systems, and medical sciences. ORISE's competitive programs bring students at all levels, precollege through postgraduate, and university faculty members into federal and private laboratories.

ORAU's Office for University, Industry, and Government Alliances (UIGA) seeks out opportunities for collaborative alliances among its member universities, private industry, and federal laboratories. Current alliances include the Southern Association for High Energy Physics (SAHEP) and the Center for Bio-Electromagnetic Interaction Research (CBEIR). Other UIGA activities include the sponsorship of conferences and workshops, the Visiting Scholars program, and the Junior Faculty Enhancement Awards.

For additional information contact Dr. Michael Bass, Professor of Electrical Engineering and Physics, CREOL, Phone (407) 658-6800.
COURSE DESCRIPTIONS

CLASSIFICATION OF COURSES
The University course numbering system is as follows:

1000-2999 are freshman and sophomore level courses and are designed primarily for these students.

3000-4999 are junior- and senior-level courses and are designed primarily for these and other advanced students. When approved for inclusion in an individual program of graduate study by a supervisory committee approved by the Dean of Graduate studies, selected 4000-4999 courses may serve the needs of individual graduate students.

5000-5999 are beginning graduate and advanced undergraduate level courses—open to graduate students and those seniors who receive approval of the appropriate Dean(s).

6000-6999 are beginning and professional level courses open only to graduate students and do not apply toward a baccalaureate degree. (See Graduate Catalog)

FLORIDA'S STATEWIDE COURSE NUMBERING SYSTEM
Courses in this catalog are identified by prefixes and numbers that were assigned by Florida's Statewide Course Numbering System. This common numbering system is used by all public postsecondary institutions in Florida and by two participating private institutions. The major purpose of this system is to facilitate the transfer of courses between participating institutions.

Each participating institution controls the title, credit, and content of its own courses and assigns the first digit of the course number to indicate the level at which students normally take the course. Course prefixes and the last three digits of the course numbers are assigned by members of faculty discipline committees appointed for that purpose by the Florida Department of Education in Tallahassee. Individuals nominated to serve on these committees are selected to maintain a representative balance as to type of institution and discipline field or specialization.

The course prefix and each digit in the course number have meaning in the Statewide Course Numbering System (SCNS). The list of course prefixes and numbers, along with their generic titles, is referred to as the "SCNS taxonomy." Descriptions of the content of courses are referred to as "course equivalency profiles."

Example of Course Identifier

<table>
<thead>
<tr>
<th>Prefix</th>
<th>Level Code (first digit)</th>
<th>Century Digit (second digit)</th>
<th>Decade Digit (third digit)</th>
<th>Unit Digit (fourth digit)</th>
<th>Lab Code</th>
</tr>
</thead>
<tbody>
<tr>
<td>SYG</td>

<td>1</td>
<td>0</td>
<td></td>
</tr>
<tr>
<td>Sociology, General</td>
<td>Freshman level at this institution</td>
<td>Entry-Level General Sociology</td>
<td>Survey Course</td>
<td>Social Problems</td>
<td>No laboratory component in this course</td>
</tr>
</tbody>
</table>

GENERAL RULE FOR COURSE EQUIVALENCIES
Equivalent courses at different institutions are identified by the same prefixes and same last three digits of the course number and are guaranteed to be transferable between the participating institutions that offer the course, with a few exceptions. (Exceptions are listed below.)

For example, a survey course in social problems is offered by 31 different postsecondary institutions. Each institution uses "SYG_.010" to identify its social problems course. The level code is the first digit and represents the year in which students normally take this course at a specific institution. In the SCNS taxonomy, "SYG" means "Sociology, General."
the century digit "0" represents "Entry-Level General Sociology," the decade digit "1" represents "Survey Course," and the unit digit "0" represents "Social Problems."

In science and other areas, a "C" or "L" after the course number is known as a lab indicator. The "C" represents a combined lecture and laboratory course that meets in the same place at the same time. The "L" represents a laboratory course or the laboratory part of a course, having the same prefix and course number without a lab indicator, which meets at a different time or place.

Transfer of any successfully completed course from one participating institution to another is guaranteed in cases where the course to be transferred is offered by the receiving institution and is identified by the same prefix and last three digits at both institutions. For example, SYG 1010 is offered at a community college. The same course is offered at a state university as SYG 2010. A student who has successfully completed SYG 1010 at the community college is guaranteed to receive transfer credit for SYG 2010 at the state university if the student transfers. The student cannot be required to take SYG 2010 again since SYG 1010 is equivalent to SYG 2010. Transfer credit must be awarded for successfully completed equivalent courses and used by the receiving institution to determine satisfaction of requirements by transfer students on the same basis as credit awarded to native students. It is the prerogative of the receiving institution, however, to offer credit for courses successfully completed which have not been designated as equivalent.

Sometimes, as in Chemistry, a sequence of one or more courses must be completed at the same institution in order for the courses to be transferable to another institution, even if the course prefix and numbers are the same. This information is contained in the individual SCNS course equivalency profiles for each course in the sequence.

THE COURSE PREFIX
The course prefix is a three-letter designator for a major division of an academic discipline, subject matter area, or sub-category of knowledge. The prefix is not intended to identify the department in which a course is offered. Rather, the content of a course determines the assigned prefix used to identify the course.

AUTHORITY FOR ACCEPTANCE OF EQUIVALENT COURSES
State Board of Education Rule 6A-10.024(17), Florida Administrative Code, reads:
When a student transfers among institutions that participate in the common course designation and numbering system, the receiving institution shall award credit for courses satisfactorily completed at the previous participating institutions when the courses are judged by the appropriate common course designation and numbering system faculty task forces to be equivalent to courses offered at the receiving institution and are entered in the course numbering system. Credit so awarded can be used by transfer students to satisfy requirements in these institutions on the same basis as native students.

EXCEPTIONS TO THE GENERAL RULE FOR EQUIVALENCY
The following courses are exceptions to the general rule for course equivalencies and may not be transferable. Transferability is at the discretion of the receiving institution:

A. Courses in the _900- _999 series (e.g., ART 2905)
B. Internships, practica, clinical experiences, and study abroad courses
C. Performance or studio courses in Art, Dance, Theater, and Music
D. Skills courses in Criminal Justice
E. Graduate courses

College preparatory and vocational preparatory courses may not be used to meet degree requirements and are not transferable.

Questions about the Statewide Course Numbering System and appeals regarding course credit transfer decisions should be directed to Dr. David Dees in the Office of Undergraduate Studies, AD 210, Phone (407) 823-2691 or the Florida Department of Education, Office of Postsecondary Education Coordination, 1101 Florida Education Center, Tallahassee, Florida 32399-0400. Special reports and technical information may be requested by calling telephone number (904) 488-6402 or Suncom 278-6402.

Depending upon previous background and test scores earned, individual students may be required to complete more than the minimum number of credits required for graduation in their respective programs. Courses numbered less than 1000 (Statewide Common Course Numbers) are of subcollegiate level and may not be counted in meeting degree credit hour requirements for graduation.

**SPECIAL COURSES**

In addition to the regular courses listed in this catalog, special courses may be available. Consult your academic advisor for details.

**Directed Independent Studies**
3905 4906 5907

**Directed Independent Research**
3912 4912 5917

**Special Topics/Seminars**
3930 4932 5937

*Internships, Practicums, Clinical Practice*
3940 4941 5944

**Cooperative Education (COE)**
1949, 2949, 3949, 4949 5949

**Honors Undergraduate Thesis**
3970 4970

*These courses may be assigned variable credit. Some may be repeated upon approval.

The Special Graduate Courses are primarily for graduate students, but may be taken by advanced seniors with the consent of their deans.

Enrollment is limited to those students who are admitted into the co-op program.

**PR: PREREQUISITE**
A course in which credit must be earned prior to enrollment in the listed course.

**CR: COREQUISITE**
A course which must be taken concurrently with or prior to the listed course.

**CI: CONSENT OF THE INSTRUCTOR**

**HOURS CODE**
Each course listed is followed by a code which shows hours of credit and contact hours.

**Example: ECI 5215C Hydraulic Engineering**

EN 3(2,3)

ECI 5215C is offered by the College of Engineering (EN), carries 3 hours of credit, but requires 5 contact hours which consist of 2 hours in class and 3 hours laboratory or field work.
### AVAILABILITY OF COURSES

The University does not offer all of the courses listed in the catalog each year. The Class Schedule should be consulted for those courses offered each semester.

**ACG 2001**  
**Principles of Financial Accounting:** PR: Sophomore standing and MAC 1104 or equivalent. Nature of accounting, financial statements, the accounting cycle, assets, current liabilities, long-term debt, and owner's equity; accounting for partnerships and corporations.

**ACG 2023**  
**Principles of Accounting I and II:** PR: Junior standing and MAC 1104 or equivalent. Same as 2001, 2301. Credits may not be earned in both ACG 2023 and the ACG 2001, 2301 sequence.

**ACG 2301**  
**Principles of Managerial Accounting:** PR: ACG 2001 and MAC 1104 or equivalent. The purpose of this class is to thoroughly familiarize the student with the various uses of accounting information for planning and control.

**ACG 3103**  
**Financial Accounting I:** PR: Junior standing and MAC 1104, ECO 2013, ECO 2023, and ACG 2071 or ACG 2023 or its equivalent with a grade of "C" in the accounting course. The accounting process, content and analysis of financial statements, and framework of accounting theory.

**ACG 3113**  
**Financial Accounting II:** PR: ACG 3103 with a grade of "C" or better. A continuation of ACG 3103.

**ACG 3301**  
**Management Accounting:** PR: C.I. and Junior standing. To thoroughly familiarize the student with the various uses of accounting information for planning and control.

**ACG 3361**  
**Cost Accounting I:** PR: Junior standing, MAC 1104, ECO 2013, and ECO 2023, and ACG 2071 with a grade of "C" in ACG 2071, completion of or concurrent enrollment in ACG 3103. Cost concepts, cost of goods manufactured, job order costing, process costing, standard costing, relevant cost analysis, and overhead/joint cost allocations.

**ACG 3501**  
**Financial Accounting for Governmental and Nonprofit Organizations:** PR: ACG 3103 with a grade of "C" or better, or C.I. Accounting for governments and other nonprofit organizations, with emphasis on financial reporting issues and problems.

**ACG 4123**  
**Financial Accounting III:** PR: ACG 3113 with a grade of "C" or better. Specialized financial accounting topics.

**ACG 4203**  
**Financial Accounting IV:** PR: ACG 3113 with a grade of "C" or better. Accounting for business combinations, consolidations.

**ACG 4401**  
**Accounting Information Systems I:** PR: ACG 3103 and CGS 3000, ACG 3113 and ACG 3361 with a grade of "C" or better. An introduction to manual and computer-based accounting information systems.

**ACG 4651**  
**Auditing:** PR: ACG 3113 and ACG 4401 with a grade of "C" or better. The standards, practices, and procedures followed in the audit function.

**ACG 5005**  
**Financial Accounting Concepts:** PR: Acceptance into the graduate program. (Not open for Accounting majors.) The conceptual background for financial statements.

**ACG 5206**  
**Financial Accounting V:** PR: ACG 4123 or C.I. and meet school admission requirements. Problems of partnerships, accounting for branches, bankruptcy, installment sales, accounting for estates and trusts, and interim reporting.

**ACG 5255**  
**International and Multinational Accounting:** PR: ACG 4123 or C.I. and meet school admission requirements. An examination of the environmental factors affecting international accounting concepts and standards. Cross-country differences in accounting treatments are compared.

**ACG 5346**  
**Cost Accounting II:** PR: ACG 3361, ACG 4123, FIN 3403, ECO 3411 or C.I. and meet school admission requirements. Overhead allocation, capital budgeting and analysis, EOQ analysis, decentralization, and quantitative decision analysis.
ACG 5435 BA 3(3,0)
Accounting Control Systems: PR: Graduate standing, ACG 3361 and ACG 4401, or ACG 5625, or C.I. An integrative course designed to provide a systematic approach to the integration of financial accounting, managerial accounting, taxation, and general business courses.

ACG 5506 BA 3(3,0)
Accounting for Governmental and Nonbusiness Organizations: PR: ACG 4123 and meet School admission requirements. (Not open to students with credit for ACG 3501 or equivalent)

ACG 5625 BA 3(3,0)
Auditing and EDP: PR: ACG 4401, ACG 4123, ACG 4651 and meet school admission standards. An examination of auditing procedures followed when a company uses a computer to process financial records.

ACG 5636 BA 3(3,0)
Advanced Auditing: PR: ACG 4401, ACG 4123, ACG 4651, STA 3023 and meet school admission requirements. Special topics relative to the standards, practices, and procedures followed in the audit function.

ACG 5675 BA 3(3,0)
Operational Auditing: PR: ACG 4123, ACG 4651 and meet school admission requirements. The standards, principles, practices, and procedures followed in the internal audit function.

ADE 4382 ED 3(3,0)
Teaching Adult Learners: Effective teaching techniques including technology, distance instruction, and support systems appropriate to the special needs of adult learners.

ADV 4000 AS 3(3,0)
Principles of Advertising: Overview of the field of advertising; purposes, techniques, the role of agencies, advertisers and the media.

ADV 4003 AS 3(3,0)
Advertising Layout and Preparation: PR: ADV 4000 or C.I. Advertising design and layout for print media; reproduction methods and requirements; art background not required.

ADV 4101 AS 3(3,0)

ADV 4103 AS 3(3,0)
Radio-Television Advertising: PR: ADV 4000 or C.I. Radio and television advertising sales, including interpretation of rate structures, program audiences, and creative approaches to sponsor needs.

AFR 1101 EN 1(1,2)
The Air Force Today I: PR: Qualification for Air Force ROTC or permission of Professor of Aerospace Studies. History, mission, organization, and doctrine of the United States Air Force and a study of U.S. Strategic Offensive and Defensive Forces.

AFR 1111 EN 1(1,2)
The Air Force Today II: PR: AFR 1101 or permission of Professor of Aerospace Studies. A brief review of the Army, Navy, and Marine force. An introduction to special operations and counterinsurgency.

AFR 2130 EN 1(1,2)
The Development of Airpower I: PR: AFR 1111 or approval of the PAS. A study of the development of airpower from experiments by 18th-century balloonists to the achievement of combat airpower capabilities during World War II.

AFR 2131 EN 1(1,2)
The Development of Airpower II: PR: AFR 2130 or approval of PAS. A study of the development of aerospace capabilities since World War II, highlighting technological advancements and the role of aerospace power in the contemporary world.

AFR 3220 EN 3(3,2)
Air Force Leadership and Management I: PR: GMC or Two-Year Program Selection and/or approval of the PAS. An introductory study of Air Force management fundamentals, communications skills, and basic leadership styles.

AFR 3230 EN 3(3,2)
Air Force Evaluation and Management II: PR: AFR 3220 or approval of the PAS. A concluding study of Air Force management fundamentals, including performance evaluation skills.

AFR 4201 EN 3(3,2)
National Security Forces in Contemporary American Society I: PR: AFR 3230 or approval of PAS. Examination of the military and its role in American society. A study of the framework and formation of defense strategy.
AFR 4210 National Security Forces in Contemporary American Society II: PR: AFR 4201 or approval of PAS. An examination of defense implementation and its impact on the decision-making process. A study of the military justice system and its protection of individual rights.

AMH 2020H Honors U.S. History: 1877-Present: PR: AMH 2010 or C.I. Same as AMH 2020 with honors-level content.

AMH 3370 American Economic History: PR: AMH 2010 and 2020 or C.I. An introduction to the economic development of the U.S., with emphasis on agriculture, labor, industrialization, transportation, and banking.

AMH 3402 History of the South to 1865: PR: AMH 2010 or 2020 or C.I. Development of the southern colonies, beginning sectionalism, the cotton economy, and slavery. Calhoun's constitutional theories, secession, Civil War and its aftermath.

AMH 3403 History of the South Since 1865: PR: AMH 2010 and 2020 or C.I. Reconstruction, the "solid South" and the racial dilemma, progressivism for whites only, southern literature, 20th-century economic, political and social changes, and the new Reconstruction.

AMH 3421 History of Florida to 1845: PR: AMH 2010 and 2020 or C.I.

AMH 3423 Florida History 1845-Present: PR: AMH 2010 and 2020 or C.I.

AMH 3441 History of the Frontier: Eastern America: PR: AMH 2010 and 2020 or C.I. The progression of the westward movement from the colonial settlements to the Mississippi, considered as an interpretive approach to American history.

AMH 3442 History of the Frontier: Western America: PR: AMH 2010 and 2020 or C.I. The development of the trans-Mississippi West and its impact upon American history.

AMH 3540 Military History: A survey of US military history from the European background of the colonial period through the contemporary military experience.

AMH 3560 Women in American History: Women in colonial America, "republican" motherhood, "separate spheres," suffrage battle, entry into paid labor force, new educational and professional opportunities, changing family pattern, "new" feminism.

AMH 3570 Black American History: PR: AMH 2010 and 2020 or C.I. History of Negroes from their African heritage through American slavery to freedom and their role in 20th-century America.

AMH 3586 History of the Hispanic Minorities in the U.S.: Course begins with 16th century through the modern period. Special emphasis on Chicanos, Puerto Ricans, and Cubans.

AMH 3610 Sport in America: History of sport from colonial times to present. Emphasis on social and economic development, intercollegiate and professional sport, and changing attitudes toward work, sport, and play.

AMH 3800 Canadian History: Canada since Colonial times and the present, but with emphasis on the period since the British North America Act, 1867.

AMH 4110 Colonial America, 1607-1763: PR: AMH 2010 and 2020 or C.I. The voyages of discovery, the origins of the thirteen colonies, and their political, economic, social, and religious life in the 17th and 18th centuries.

AMH 5407: Colloquium in American South: PR: Senior Standing or C.I. Intensive reading and class discussion on selected topics of Southern history from colonial origins to the present.

AMH 5446: Colloquium in U.S. Frontier: PR: Senior Standing or C.I. Reading and class discussion of the literature on selected topics of frontier history.

AMH 5515: Colloquium in U.S. Diplomatic History: PR: Senior Standing or C.I. A survey of the historical literature of American foreign policy.

AMH 5566: Colloquium: Women in American History: Intensive reading and class discussion on selected topics of Women in American History from colonial time to the present.

AML 3051: American Literature II: PR: ENC 1102. Major American writers from Twain to present.

AML 4261: Literature of the South: PR: ENC 1102 or C.I. Development of Southern literature from its beginnings in the “Old South” through the post-Civil War and the Southern Renaissance to the present. Emphasizes reading from Poe, Ransom, Tate, Faulkner, Porter, Warren, O’Connor, Percy, and Styron.

ANT 3122: Archaeological Method and Theory: A survey of archaeological field and laboratory techniques, including the interpretation of written archaeological reports.

ANT 3141: The Emergence of Civilizations: The emergence of high civilizations in Europe, Africa, Asia, and the ancient Americas.

ANT 3142: Old World Prehistory: A comparative study of social evolution in Africa, Europe, and Asia from the earliest humans to the beginnings of recorded history.

ANT 3145: Archaeology of Complex Societies: Theoretical perspectives on ancient hierarchies of power.

ANT 3163: Mesoamerican Archaeology: An introduction to the prehistory of Mexico, Guatemala and upper Central America from earliest times through the Spanish conquest.

ANT 3211: Archaeology and the Rise of Human Culture: The evolution of human society from foraging and hunting groups to the earliest cities and states.

ANT 3241: Magic, Ritual, and Belief: Patterns in religious behavior in various societies, with primary emphasis on myth, rite, taboo, and festival social phenomena.

ANT 3271: Law and Culture: An introduction to law as an organizing force in society, including a study of primitive forms of law and social control.

ANT 3302: Sex, Gender and Culture: The traditional and changing roles of women and men viewed in a cross-cultural perspective.

232
ANT 3312  Ethnology of North American Indians: A survey of the aboriginal cultures of North America, with emphasis on the pre-contact cultural condition.

ANT 3328  Maya Archaeology: An examination of the Prehistoric Maya culture focusing on both the archaeology and current issues in the field.

ANT 3332  People and Cultures of Latin America: An overview of the history and society of the peoples of Latin America, emphasizing patterns of subsistence and social organization.

ANT 3360  Peoples of the Far East: A survey of the peoples of China, Japan, and Korea from the anthropological perspective.

ANT 3363  Anthropology of Japan: An examination of Japanese culture and its contemporary behavioral and organizational patterns by drawing upon archaeology, cultural history, linguistics, cultural anthropology, and social organization.

ANT 3410  Cultural Anthropology (Anthropology II): An introduction to human diversity as exemplified among various cultures and ethnic groups.

ANT 3511  The Human Species: Human biological variation in an evolutionary perspective.

ANT 3541  Biobehavioral Anthropology: An introduction to the study of human behavior in terms of mutual interaction between human biology and cultural environments.

ANT 3610  Language and Culture: PR: Sophomore standing. The study of language in a non-western setting; language and behavior; language and perception.

ANT 4084  Anthropological Method and Theory: Method, theory, research design and field techniques in the anthropological endeavor.

ANT 4124  Advanced Archaeological Fieldwork: Supervised archaeological fieldwork. Students admitted only with permission of instructor.

ANT 4180  Seminar in Laboratory Analysis: The processing of archaeological finds from excavation through publication.

APA 3471  Accounting for Engineers: General Accounting principles and practice, cost accounting, budgeting, and control techniques. Not usable for BSBA degree credit.

APB 3600  Introduction to Pharmacology: Review of terminology and regulations. Study of drug types and usage.

APB 4651  Medical Pharmacology I: Drugs in pulmonary diseases; effects on nervous system, and neuroeffectors, depressants & stimulants; influence on metabolism and endocrines. (MDRV) Bronchodilators, mycolytics, etc.

APB 4652  Medical Pharmacology II: PR: APB 4651 or C.I. Drugs used in cardiovascular disorders. Includes inotropic, chronotropic agents, beta blocker drugs, calcium channel antagonists.

ARE 3550  Introductory to Art Therapy: A survey of the literature, theories and practices of art therapy.

ARE 3554  Art Therapy Methods: This course presents methodologies used by the Art Therapists and demonstrates how Art Therapy is put into practice.
ARE 3662: Community Arts I: A Survey of the basic theoretical issues related to community arts programming.

ARE 3663: Community Arts II: A survey of the basic methodologies for applying the theoretical issues to community arts programming taught in Community Arts I.

ARE 3944: Community Arts Practicum: A supervised experience for students to facilitate art programming in a variety of community settings.

ARE 4262: Methods in Art Administration: PR: ARH 3820. Theories and methodologies for designing, implementing and administrating art programs for a variety of populations.

ARE 4313: Art in the Elementary School: Basic principles, purposes, scope and sequence; organization for instruction; evaluation of activities; selected art experiences.

ARE 4351: Teaching Art in the Elementary School: PR: EDF 4214 and EDG 4321. Transition from university art studio practices to public school teaching of art. Organizing, designing and analyzing art experiences, activities & classroom environments for the elementary school classroom.

ARE 4352: Teaching Art in the Secondary School: PR: ARE 4143, EDF 4214, and EDG 4321. Transition from university art studio practices to High School Teaching of art. Organizing, designing and analyzing art experiences and activities appropriate for junior high and high school children. Examination of teaching methodology relative to the high school and junior high school settings.

ARE 4356: Teaching Art Appreciation & Criticism in the Classroom: PR: ARH 2050 and ARH 2051. An examination of art appreciation programs and concepts toward planning curriculum for the study of art history, popular art, art criticism, and aesthetics for specific educational settings.

ARE 4945: Community Arts Internship: An on-site in-depth experience for community arts majors with a concentration in administration, education, or therapeutic experience.

ARE 5251: Art for Exceptionalities: Concepts, principles, and methods of integrating art processes into the education of the physically, emotionally, and mentally handicapped.

ARE 5255: Arts in Recreation: Art activities and experiences appropriate for use in playground, leisure services, occupational training school, and other recreational areas.

ARE 5454: Found Arts: PR: C.I. Materials available for instruction in the public schools will be explored in depth in relation to their appropriateness and productive qualities.

ARE 5648: Contemporary Visual Arts Education: PR: C.I. Continued study of current programs and innovations in public school Visual Arts Programs.

ARH 2050: The History of Art I: Painting, sculpture and architecture from the Prehistoric Era through the Renaissance period.

ARH 2051: The History of Art II: Painting, sculpture and architecture from the Baroque through the 20th century.

ARH 2051H: Honors History of Art II: Same as ARH 2051 with honors-level content.

ARH 3456: Art After 1945: A seminar for upper-level art students to examine historically the art of Post WWII.

ARH 3520: African Art: Teach the continuatives between African, Afro-Caribbean and Afro-American Arts.

ARH 3830: Asian Art: History of visual arts of China, Japan, India, and other Eastern cultures.

ARH 3683: Southern Folk Arts: History of Folk Architecture, Ceramics, Painting, Sculpture, Textiles and Toys in three main Southern ethnic cultures: EuroAmerican, Afro-American, and American Indian.

ART 2201C  
Design Fundamentals I: Materials, processes, form. Emphasis on two-dimensional design problems, including problems in black and white and basic color theory.

ART 2203C  
Design Fundamentals II: Continuation of color theory and basic three-dimensional design using the various sculptural media.

ART 2300C  
Drawing Fundamentals I: Drawing as a means of formal organization. Introduction to problems in drawing methods and media. Emphasis on description techniques.

ART 2301C  
Drawing Fundamentals II: Continuation of ART 2300C.

ART 2600C  
Introduction to Computer Graphics: The principles underlying the generation and display of graphical pictures by computer. Topics include graphical software packages and graphics systems.

ART 3110C  
Ceramics: Basic concepts of ceramic design, experience in processes of forming, decorating, glazing, and firing pottery.

ART 3133C  
Fibers & Fabrics: Design and production training in surface design, floor loom weaving and fiber sculpture.

ART 3204C  

ART 3230C  

ART 3232C  
Graphic Design II: PR: ART 3239C or C.I. Methods, materials, and processes related to perceptual studies in graphic design.

ART 3239C  

ART 3281C  
Type & Design: A survey of type, calligraphy and letter forms and their appropriate use as subject matter for graphic design and publication.

ART 3330C  
Intermediate Drawing I: PR: Six semester hours of Drawing Fundamentals or C.I. Intermediate problems in drawing, with emphasis on the human form.

ART 3331C  
Intermediate Drawing II: PR: C.I. Continuation of Intermediate Drawing I.

ART 3400C  
Printmaking: PR: ART 2201C, 2202C, and three semester hours of Drawing Fundamentals or C.I.

ART 3510C  
Painting: PR: Three semester hours in Design Fundamentals and three semester hours in Drawing Fundamentals or C.I. Concentration of basic techniques and aesthetic factors in painting.

ART 3610C  

ART 3701C  
Sculpture: PR: Six semester hours in Design Fundamentals, to include three semester hours in three-dimensional work, or C.I.

ART 4111C  
Advanced Ceramics: PR: ART 3110C. May be repeated for credit.

ART 4130C  
Fibers, Fabrics, Textiles and Synthetics: Textile design and production, including non-loom weaving processes. May be repeated for credit.

</tbody>
</table>
BOT 3800 AS 3(3,0) Ethnobotany: PR: C.I. Historical and modern uses of plants economically important in various cultures. Designed for majors and non-majors.

BOT 3820 AS 3(2,1) Plants and the Urban Environment: PR: C.I. The selection, placement, propagation and care of ornamental plants in residential and industrial areas. Designed for majors and non-majors.

BOT 4223C AS 4(3,3) Plant Anatomy: PR: BOT 2010C. A study of development, structure and function of the principal organs and tissue of vascular plants.

BOT 4303C AS 5(3,6) Plant Kingdom: PR: BOT 2010C. A survey of the plant kingdom utilizing comparative morphology, structure and functions to demonstrate relationships among extant and extinct forms.

BOT 4503C AS 4(3,2) Plant Physiology: PR: PCB 3023 or C.I. A study of mechanisms used by plants to cope with the environment.

BOT 4623C AS 4(3,3) Plant Geography and Ecology: PR: 8 hours Botany or C.I. The major climatic plant formations of the world, historical and contemporary plant geography, and ecology.

BOT 4713C AS 5(3,6) Plant Taxonomy: PR: BOT 2010C. An introduction to systematic classification and identification of vascular plants, with emphasis on the flora of peninsular Florida.

BOT 5495C AS 3(2,3) Bryology: PR: BOT 4303C or C.I. A lecture-laboratory survey course on the diversity and classification of mosses, liverworts, and hornworts, with special emphasis on those found in Florida.

BOT 5686 AS 3(3,3) Conservation and Management of Native Plants: PR: BOT 4713C, PCB 3043 and/or BOT 4503C or C.I. Identification, conservation, propagation and management of Florida rare, endangered, indicator or reclamation species.

BOT 5705C AS 4(3,2) Plant Biosystematics: PR: Graduate standing or C.I. Evolutionary processes among plant taxa and populations utilizing cytology, morphology, biochemistry, breeding systems and co-evolution.

BSC 1020C AS 4(3,2) Biological Principles: A study of various biological factors which affect the health and survival of man in modern society. Designed for non-majors.

BSC 1030C AS 4(3,2) Biology and Environment: Biological implications of the interaction among human society, population, and technology in relation to the environment and natural systems. Designed for non-majors.

BSC 2010C AS 4(3,2) General Biology: PR: High school biology or C.I. Basic principles, unifying concepts, and facts of modern biology. Introduction to quantitative biological experimentation. Open only to students whose major requires this specific course.

BSC 3404C HPA 3(1,4) Quantitative Biological Methods: PR: BSC 2010, MCB 3013, CHM 2046. A laboratory course which presents modern methods and instrumentation used in quantitative biological experimentation.

BSC 4034 AS 3(3,0) Biology and Society: PR: An introductory course in biology or C.I. Biological concepts applied to current human problems - food production, pollution, diseases, energy, life support systems, natural ecosystems. Suitable for majors or non-majors.

BSC 4103 AS 3(3,0) History of Biology: PR: C.I. People and events involved in the development of major biological concepts and disciplines. Suitable for majors and non-majors.

BTE 3402 ED 2(2,1) Business Instructional Analysis I: PR: EDG 4321. Techniques, materials, and instructional media; psychological principles, evaluation, and current trends in typewriting instruction.

BTE 4410 ED 4(4,0) Course Construction in Business Education: PR: EVT 3365 or C.I. An overview and examination of business curriculum and methodology integrated into the vocational frameworks. Planning and preparation of materials, managing the laboratory and involvement in vocational student organizations.

238
BUL 3130 BA 3(3,0)
Legal Environment of Business: PR: Junior standing. Analysis of the law as a dynamic social and political institution in the business environment, including ethical considerations. (Not open to Accounting majors).

BUL 3320 BA 3(3,0)

BUL 3321 BA 3(3,0)
Business Law II: PR: BUL 3112. Coverage of the Uniform Commercial Code; the law of commercial transactions, including sales, commercial paper, secured transactions and suretyship, contracts, wills and trusts, and property law.

BUL 5125 BA 3(3,0)
Legal and Social Environment of Business: PR: Admission to graduate program. Analysis of the legal and ethical environment of business, the effects of legislation and regulation on business activity, and the role of law and ethics in the decision-making process.

CAP 4453 AS 3(3,0)

CAP 4650 AS 3(3,0)

CAP 5410 AS 3(3,0)
Computer Vision: PR: COP 3530. Image formation, binary vision, region growing and edge detection, shape representation, dynamic scene analysis, texture, stereo and range images, and knowledge representation.

CAP 5610 AS 3(3,0)

CAP 5635 AS 3(3,0)
Artificial Intelligence and Prolog: PR: CAP 4630. Analysis of deductive databases, applications of logic programming to knowledge representation and "expert systems."

CAP 5636 AS 3(3,0)

CAP 5725 AS 3(3,0)
Computer Graphics Systems I: PR: COP 3530 or equivalent. Architecture of graphics processors; display hardware; principles of programming and display software; problems and applications of graphic systems.

CBH 3003 AS 3(3,0)
Comparative Psychology: PR: PSY 2013. A study of comparative behaviors of lower animals.

CCE 4004 EN 3(3,0)
Construction Engineering I: PR: EGN 3331 and CEG 4101C. Building construction, materials and types of construction, soils in construction and handbook applications in the field of construction engineering. Also form work design.

CCE 4014 EN 3(3,0)

CCE 4031 EN 3(3,0)
Construction Scheduling: Project planning, scheduling and cost management for building construction.

CCE 4101 EN 3(3,0)
Construction Materials: Structural steels, concrete mixes, wood, masonry, concrete reinforcement, steel decks, formwork, insulation, and interior finish materials.

CCE 5005 EN 3(3,0)
Construction Engineering II: PR: CCE 4004 or C.I. Construction planning, equipment, and methods used in heavy construction.

CCJ 4941
Criminal Justice Internship: PR: C.I. Internship in municipal, county, state or federal criminal justice agency. Includes assignments in police, courts; corrections components.

CCJ 5406
Research and Technology Implementation: Changing roles of social and physical sciences as related to the objectives and administration of public safety agencies.

CCJ 5466
Finance and Planning for Public Safety: Acquisition, control, and management of resources for criminal justice and public safety agencies; organization of finance systems, planning mechanisms and strategies for the budgetary process.

CCJ 5467
Justice and Safety System Manpower: Processes essential to administration to human resources in criminal justice and public safety agencies; structure and processes for acquisition, training, and maintenance of personnel.

CCJ 5485
Issues in Justice Policy: Examination of selected issues of public policy regarding the functions and roles of criminal justice agencies vis-a-vis other government departments or agencies and public purposes.

CDA 4131
Programming for Large Scale Digital Systems: PR: Computer Science Major or C.I. and COP 3402C. Programming techniques and instruction sets for large scale digital computers.

CDA 4150
Introduction to Computer Architecture: PR: Computer Science Major or C.I. and COP 3402C and EEL 3341 C. Survey of machine instructions, processor characteristics, and microprogramming concepts.

CDA 4300
Microprocessor Fundamentals: PR: Computer Science Major or C.I., COP 3402C and EEL 3341C. Semiconductor Technology, 8-bit and 16-bit Microprocessor Architectures and programming, memory system design, I/O methods, interrupts, development system concepts.

CDA 4311
Microprocessor Application: PR: Computer Science Major or C.I. and CDA 4300. Total system design methodology and applications, advanced topics on microprocessors, patent search and applications.

CDA 4312
Microprocessor Interface: PR: Computer Science Major or C.I. and CDA 4300. Interfacing of CPU to various devices, CPU support devices, peripheral devices and controllers, BUS concepts and standards, single chip computers.

CDA 5106
Advanced Computer Architecture I: PR: CDA 4150. Evolution of computer architecture; memory organization; cache; virtual memory; highspeed processor design; pipeline multi-functional and array machines; special architecture case studies; overview of channel architecture.

CDA 5110
Parallel Architecture & Algorithms: PR: COT 4210, CDA 5106. General-purpose vs. special-purpose parallel computers; arrays, message-passing; shared-memory; Taxonomy; parallelization techniques; communication synchronization and granularity; parallel data structures; automatic program restructuring.

CDA 5210
Architecture and Design of VLSI Systems: PR: CDA 4150 or equivalent. Overview of VLSI technology. Stick diagrams; logical design of basic subsystems; integrated system design tools; design of a VLSI computer system.

CDA 5212
VLSI Design Tools: PR: CDA 5210, a strong programming background and C.I. VLSI implementation systems; layout languages; graphic tools; sticks compactor; design rule checking algorithms; simulation models; routing algorithms; silicon compilers; knowledge-based VLSI tools.

CDA 5213
VLSI Testing and System Integration: PR: CDA 5210. Test vectors; fault models; design for testability; LSSD; languages for testing; performance measurements; interrupts, BUS concepts and standards; testing and systems integration.

CEG 3301
Engineering and Environmental Geology: PR: EGN 3310 and CHS 1440 or equivalent. Principles of physical geology, with emphasis on engineering and environmental topics. Study of land forms, geologic maps, geologic structure, weathering, groundwater, mass wasting, and earthquakes.

CHM 2045H
Honors Chemistry Fundamentals I: PR: Admission to University, Honors Program and high school chemistry. Same as CHM 2045 with honors-level content.

CHM 2046
Chemistry Fundamentals II: PR: CHM 2045. Continuation of CHM 2045.

CHM 2046H
Honors Chemistry Fundamentals II: PR: 2045H. Same as CHM 2046 with honors-level content.

Chemistry Fundamentals Laboratory: PR: CHM 1032 or CR: CHM 2046. Illustration of chemical principles and introduction to the techniques of inorganic and physical chemistry.

CHM 2205
Introduction to Organic and Biochemistry: PR: CHM 1032 or equivalent. An introduction to organic chemistry, stressing the chemistry of functional groups and a survey of the biochemistry of proteins, carbohydrates, lipids, and nucleic acids.

CHM 3120C
Analytical Chemistry: PR: CHM 2046, 2046L. Laboratory practices of classical and instrumental analysis. Choice of preferred analytical methods and techniques is emphasized through applications involving both inorganic and organic systems.

CHM 3210

CHM 3211

CHM 3211L
Organic Laboratory Techniques I: PR: CHM 3210. An introduction to the laboratory techniques of organic chemistry, including the preparation, reaction, and analysis of organic compounds.

CHM 3212L
Organic Laboratory Techniques II: PR: CHM 3211 and 3211L. Open-end laboratory to develop synthesis techniques and structure elucidation skills.

CHM 3410
Physical Chemistry I: PR: CHM 2046, PHY 3049, and MAC 3312. Rigorous treatment of atomic and molecular structure, thermodynamics, kinetics, and chemical bonding.

CHM 3411
Physical Chemistry II: PR: CHM 3410. Continuation of CHM 3410.

CHM 3411L
Physical Chemistry Laboratory: CR: CHM 3411. Classical as well as modern instrumental techniques coupled with computer data processing to measure physical properties and determine atomic and molecular Parameters.

CHM 4130C
Advanced Analytical Laboratory Technique: PR: CHM 3211, CHM 3120C and CHM 3411. A lecture-laboratory course designed to give in-depth coverage to modern methods of analysis including electrochemistry, spectroscopy, and separation techniques.

CHM 4220

CHM 4221

CHM 4610

CHM 4610L
Inorganic Chemistry Laboratory: PR: CHM 4610. A study of physical and chemical properties and synthetic techniques in Inorganic Chemistry.

CHM 5235
CHM 5305  Applied Biological Chemistry  PR: CHM 3211. The identification from plants, synthesis, assessment of bioactivity, and design of pharmaceuticals and agrochemicals, as well as the impact of biotechnology in the chemical industry.

CHM 5450  Polymer Chemistry: PR: CHM 3211. An introduction to the chemistry of synthetic polymers. Synthetic methods, polymerization mechanisms, characterization techniques, and polymer properties will be considered.

CHM 5711  The Chemistry of Materials: PR: CHM 3211, CHM 4130C, and CHM 3411. Structure and properties of chemical products, with an emphasis on the correlation between molecular form and the functional properties deemed desirable for the product.

CHS 1440  Fundamentals of Chemistry for Engineers: PR: One year of high school chemistry or CHM 1032. Basic concepts of chemistry, with emphasis on problem solving and engineering applications. Atomic and molecular structure, states of matter, stoichiometry, equilibria, electrochemistry and thermodynamics.

CHS 3501  Introduction to Forensic Science: Intended for majors and non-majors to provide an overview of the specialty areas in Criminalistics (crime lab).

CHS 3505  Forensic Microscopy: PR: CHM 2046 or C.I. The study of the polarized light microscope and its use in the identification and comparison of trace evidence.

CHS 3511  Trace Evidence: PR: CHS 3505. An advanced study of the techniques used to identify and compare trace evidence.

CHS 3531  Forensic Analysis of Controlled Substances: PR: CHM 3120C. The study of the presumptive tests, isolation, and instrumental techniques used in identification of controlled substances.

CHS 4200  Concepts in Industrial Chemistry: PR: CHM 3410. An introduction to industrial practices, emphasizing the application of chemical principles in the development of a commercial process or product.

CHS 4591  Forensic Science Internship: PR: C.I. Credit for full-time work (15 weeks; 600 hours) for a professional forensic laboratory. This course may be repeated for credit.

CHS 5241  Chemical Dynamics II: PR: CHS 5240. Continuation of CHS 5240.

CHS 5250  Chemical Synthesis I: PR: CHM 3211, and 3411; or equivalent. Survey of chemical synthesis from the standpoint of planning a synthesis, intermediates, special techniques, protection of functional groups, experimental design and optimization of reaction conditions.

CIS 4321  Data Processing Systems Analysis and Design: PR: Computer Science Major or C.I. and COP 3530. Data organization, physical storage, database system architecture. Students participate in the design of a data processing system.

CIS 4322  Data Processing Systems Implementation: PR: Computer Science Major or C.I. and CIS 4321. System implementation project. Students experience the task of implementing a large computing system.

CIS 5101  Computational Techniques in Management Information Systems: PR: COP 4710. Computers in management information systems: analysis, design approaches, processing methods and data management, use of state-of-the-art software in design and development.

CJT 3820  Security Administration: Discussion of modern security administration and the security-law enforcement interface, emphasizing a systems approach and utilizing the design of a security plan for a plant.

COP 5611 AS 3(3,0)
Operating System Design Principles: PR: COP 4600. Structure and functions of operating systems, process communications techniques, high-level concurrent programming, virtual memory systems, elementary queueing theory, security, distributed systems, case studies.

COP 5711 AS 3(3,0)

COT 3100 AS 3(3,1)
Introduction to Discrete Structure: PR: MAC 3311 and knowledge of a programming language. Logic, sets, functions, relations, combinatorics, graphs, Boolean algebras, finite-state machines, Turing machines, unsolvability, computational complexity.

COT 4110 AS 3(3,0)

COT 4210 AS 3(3,0)

COT 4500 AS 3(3,0)

COT 5310 AS 3(3,0)
Formal Languages and Automata Theory: PR: COP 4020 and COT 4210. Classes of formal grammars and their relation to automata, normal forms, closure properties, decision problems, LR(K) grammars.

COT 5405 AS 3(3,0)

COT 5501 AS 3(3,0)
Computational Methods/Applications: PR: COT 4500. Computational solution techniques for algebraic equation, ODE and PDE Models of applications selected from science, engineering, applied mathematics, and computer science.

COT 5510 AS 3(3,0)
Computational Methods/Linear Systems: PR: COT 4500 and MAS 3113. Mathematical models for linear systems, linear programming, the simplex method, integer and mixed-integer programming, introduction to nonlinear optimization and linearization.

CPO 3034 AS 3(3,0)
Politics of Developing Areas: Comparative analysis of theories, problems and politics of development in Third World nations.

CPO 3103 AS 3(3,0)
Comparative Politics: Government and politics in selected nations, with emphasis upon comparative analysis of contemporary problems, politics, political culture, behavior, and institutions.

CPO 3132 AS 3(3,0)
Introduction to Canadian Studies: A multi-disciplinary approach to the study of Canada, its people, culture, government, and economy.

CPO 4062 AS 3(3,0)
Comparative Judicial Process: Study of courts and judges in cross national context. Focus upon judicial recruitment, decisional patterns, and policy outcomes.

CPO 4123 AS 3(3,0)
Government and Politics of Great Britain: A survey of British government, society, politics and institutions, emphasizing parliamentary traditions. Britain’s foreign policy and European role will be discussed.

CPO 4133 AS 3(3,0)
Government & Politics of Canada: Examines the origins and development of Canadian government. Focuses on the functioning of federalism, nationality politics, foreign policy, and relations with the United States.

CPO 4303 AS 3(3,0)
Comparative Latin American Politics: Comparative analysis of politics, society and culture in Latin America and selected countries of the region.
Government and Politics of the Soviet Union: Study of the origins, institutions, and functioning of the Soviet system, including the role of the Communist party and its influence on domestic and foreign policy formation and implementation.

Current Topics in Technology: PR: C.I. Study of recent state-of-the-art computer related topics from recognized electronics and computer oriented technical journals and texts. Requires written and verbal communication.

Imaginative Writing for Non-English Majors: An introduction to imaginative writing for non-English majors. Students will explore a variety of traditional and non-traditional forms of imaginative writing.

Creative Writing for English Majors: PR: ENC 1102 and English or English Ed. major, or C.I. An exploratory course in the several types of creative writing; group analysis of original writing; critical reading of established authors.

Fiction Writing: PR: CRW 3000. English majors in creative writing specialize in fiction writing; advanced group analysis and criticism of work produced by individual students.

Poetry Writing: PR: CRW 3000. Practice in writing poetry; group analysis and criticism of work produced by individual students.

Writing Scripts: PR: CRW 3000 and Grammar Proficiency Exam. Theory and practice of writing scripts for film and TV.

Advanced Fiction Writing Workshop: PR: CRW 3100. Intensive writing practice in fiction. Peer critique and group discussion of original manuscripts. May be repeated once for credit.

Science Fiction Writing: Study of science fiction literature and writing of original science fiction stories. Workshop format with critique of writing assignments.

Advanced Poetry Writing Workshop: PR: CRW 3300. Intensive writing practice in poetry. Peer critique and group discussion of original manuscripts. May be repeated once for credit.

Teaching Creative Writing: PR: C.I. Creative writing practicum.

Hydrology: PR: STA 3032; EGN 3353. Hydrological cycle, probabilistic forecasting, rainfall excess meteorology; groundwater, storm-water runoff, flood routing and design applications.

Hydraulics: PR: EGN 3353. Transmission systems, peak flows, water distribution, wastewater and storm water collection; pipe flow, open channels and pumps with design applications.

Water Resources Engineering: PR: CWR 4101C, CWR 4201C. Systems identification and solution to complex water allocation problems, and other hydraulic engineering designs and operations using economic analysis and operations research techniques.

Theatre Dance I: Fundamentals of Classical Ballet; includes practical class work as well as Dance History lectures.

Theatre Dance: PR: DAA 2200 & 3201 or C.I. Specialized study of Theatre Dance styles of the 1920s to the 1980s. Demonstration and performance of students highlighting segments of Broadway shows. May be repeated for credit.
Theatre Modern Dance: PR: DAA 2200 & 3201 or C.I. Exploration of form, style, and technique in creative movement. Includes practical class work and history lectures.

Intermediate Classical Ballet: PR: DAA 2200 or C.I. In-depth study of classical ballet technique, including principles, theory, and practice technique.

Intermediate Jazz Dance: PR: DAA 2200 or C.I. Introduction of the basic movements of American Jazz Dance, including practical class work as well as Jazz Dance history.

Theatre Tap Dance: Exploration of form, style, and technique in the basic fundamental movements of tap dance. May be repeated for credit.

Advanced Jazz Dance: PR: DAA 2200 & DAA 3500 or C.I. In-depth study of Jazz Dance as a major style of dance, using theory and practice in jazz technique.

Theatre Dance Choreography and Performance: PR: By audition. Students will create and present a piece choreographed and performed by other dancers in concert. May be repeated for credit.

Dance Techniques: Analysis of creative dance and movement techniques as they relate to the teaching of physical education.

Dance and Rhythms: The development of skill proficiency and instructional strategies in rhythms and dance techniques, and fundamental movement patterns for grades K-12.

Psychology of Exceptional Children: Psychological problems of exceptional children, including diagnosis, associated emotional problems, effects of institutionalization, special class placement, attitudes, and appropriate intervention methods.

Psychological Approaches to Mental Retardation: The problems of mentally retarded citizens, including diagnosis, environment versus heredity, legal restrictions, institutionalization, as well as methods of behavioral remediation.

Psychology of Aging: PR: PSY 2013. An examination of basic psychological processes related to the aging process, with emphasis on the applied implications of changes in perceptual-motor, social emotional and cognitive-intellectual function.

Developmental Psychology: PR: Graduate admission or C.I. Psychological aspects of development including intellectual, social, and personality factors.

Principles of Behavior Modification: PR: EXP 3404. An examination of the control of behavior through applications of principles and theories of learning. Examples are drawn from clinical and social psychology and from child rearing. Lecture/Practicum.

Applied Behavior Analysis with Children and Youth: PR: DEP 5057 and EXP 5445 or C.I. Advanced survey of principles, procedures, and techniques of applied behavior analysis; with special attention to applications with children and youth.

Aerodynamics I: PR: EAS 3010. Theory of incompressible flow over airfoils and finite wings including potential flow concepts and classical methods. Applications of theory to the aerodynamic design of flight vehicles.
EAS 3530 EN 3(3,0)

EAS 3800C EN 2(1,3)

EAS 3810C EN 2(1,3)

EAS 4105 EN 3(3,0)

EAS 4134 EN 3(3,0)
High-Speed Aerodynamics: PR: EAS 3101. Continuation of EAS 3101. Normal and oblique shock waves, nozzles and wind tunnels, methods of analyzing compressible flow about airfoils, wings, and bodies. Viscous boundary layers and applications to the design process.

EAS 4200 EN 3(3,0)

EAS 4210 EN 3(3,0)

EAS 4300 EN 3(3,0)

EAS 4400 EN 3(3,0)
Spacecraft Attitude Dynamics: PR: EML 4312. Kinematics and dynamics of rigid and multibody spacecraft rotational motion. Attitude control with momentum exchange activitors and thrusters.

EAS 4400 EN 3(3,0)

EAS 4505 EN 3(3,0)
Orbital Mechanics PR: EGN 3321, MAP 3302. Two-body problem, orbital equations, orbital transfer, earth satellite operation.

EAS 4700C EN 4(2,5)
Aerospace Design I: PR: EAS 3810. Application of the design process to the team solution of a state-of-the-art problem. Airplanes and space vehicles, systems and devices are considered.

EAS 4710C EN 4(2,5)
Aerospace Design II: PR: EAS 4700. Continuation of the design process in the team building and testing of a prototype/model of an airplane, spacecraft, system or device.

EAS 5302 EN 3(3,0)

EAS 5157 EN 3(3,0)

ECM 5135 EN 3(3,0)

ECM 5741C EN 3(2,3)
Microcomputer-based Monitoring and Control Systems: PR: EEL 3342; EEL 4767C or C.I. Machine language programming; software development aids; systems design; interfacing considerations.
ECO 2013
Principles of Economics I: An introduction to macroeconomics, including an overview of the market economy; national income, employment, and price level determination; stabilization policies, and international economics.

ECO 2013H
Honors Principles of Economics I: PR: Open to Honor Students only. Same as ECO 2013 with honors-level content.

ECO 2023
Principles of Economics II: The determination of prices in a market economy; their role in allocating consumer and producer goods and in distributing incomes, including attempts to improve market efficiency through public policy.

ECO 3101

ECO 3203

ECO 3223

ECO 3401
Mathematical Economics I. PR: ECO 2013 and 2023 and calculus. The study of economic processes expressed as equations and economic systems as mathematical models.

ECO 3411

ECO 3622

ECO 3703

ECO 3723
International Commercial Policy: PR: ECO 2013 and ECO 2023. Presents the fundamentals of international commercial policy, with special emphasis on U.S. trade policy since WW II.

ECO 4303

ECO 4412

ECO 4504
Economics of the Public Sector: PR: ECO 2023. A study of fiscal institutions and decision-making, and how government budgetary policy (spending, taxing, borrowing, and debt management) affects the economy and its citizens.

ECO 5005
Economic Concepts: PR: Acceptance into the graduate program. Introduction to micro and macro economic analysis.

ECO 5415
Statistics for Business and Economics: PR: Acceptance into the graduate program and MAC 3233. Statistical theory and problems relating to business and economics, including time series and correlation theory, index number theory and statistical inference.

ECP 3004
ECP 3203 Contemporary Labor Economics: PR: ECO 2023 and ECO 2013. The analysis of labor problems and issues in a dynamic contemporary economy through the interaction of the four major institutions: households, firms, government, and unions.

ECP 3433 Transportation Economics: PR: ECO 2023 and ECO 2013. Economic characteristics and governmental regulation of public carriers. Consideration of competitive relations between modes of transportation and criteria for public investment in transportation and criteria of public investment in transportation systems.

ECP 4403 Business, Government, and Industrial Organizations: PR: ECO 2023 and ECO 2013. A study of the performance of industries representative of various types of market structure and practices, as well as the public policies affecting these industries.

ECP 4603 Urban and Regional Economic Problems: PR: ECO 2023 and ECO 2013. Analysis of the location, organization and problems of urban and regional economic activities.

ECP 4703 Managerial Economics: PR: Junior standing. ACG 2071 or ACG 2023, ECO 2023, ECO 2013 and ECO 3411. The uses of economic analysis in economic decision-making and business policy formulation.

ECS 4303 Economics of European Integration: PR: ECO 2013 ECO 2023. Presents the development of the European Community, with emphasis on the characteristics of the Single European Act (EC '92).

EDE 3942 Internship I-Elementary: PR: EDG 4321, RED 3012, MAE 3810 and 3811 or MAE 3112. Student teaching assignment in an elementary school under the supervision of a certified classroom teacher.

EDE 3943 Internship I K-12: PR: Except. Ed. Majors; EDG 4321; RED 3012; MAE 3112. Student teaching under the supervision of a certified teacher. Half in elementary, half in secondary.

EDE 4943 Internship II-Elementary: PR: EDE 3942 or EDE 3943. Student teaching in an elementary school under the supervision of a certified classroom teacher. Scheduled concurrent seminars.

EDE 5541 Individualized Instruction in the Elementary School: PR: Regular Certificate or C.I. Study of basic philosophy, organizational patterns, techniques, materials, and activities related to individualizing instruction in the elementary school classroom.

EDF 2240 Introduction to Applications of Technology in Education. Classroom applications of instructional media including computers.

EDF 3603 Analysis of Educational Foundations: PR: Junior standing or C.I. Analysis of and participation in general and specific dimensions of teaching with socio-economic, historical and philosophical factors emphasized.

EDF 4214 Classroom Learning Principles: PR: Junior standing or C.I. Principles of learning as applied to classroom teaching situations, with emphasis on student development, behavior, self-concept and motivation.

EDF 4282 Applications of Technology in Education: Classroom applications of instructional media, including computers. Includes experiences with equipment, commercial and teacher-made media, and their uses.
Overview of Education: A brief analysis of the American educational system, focusing on social, political, economic, and intellectual development through an internal atmosphere of interaction and discussion.

Preparation and Management of Classroom Instruction: PR: C.I. Study of strategies for instructional planning and classroom management that result in optimum learning.

Teaching Strategies: Analysis of the learning environment; emphasis on planning for instruction, skill development, and measurement and evaluation.

Teaching in the Schools: PR: Teaching Strategies or C.I. Selected dimensions of teaching; teaching skills; reading and writing in content areas; problem solving.

Directed Field Experience: PR: Approval of Professional Laboratory. Field experience in an appropriate educational setting under the direction of a supervising teacher and/or university supervisor.

Techniques for the Developing Professional in Education: PR: C.I. Analysis, study, development, and use of techniques for enhanced instruction in the educational setting.

Teaching Individuals, Small and Large Groups: PR: C.I. Study of teaching skills for effectively instructing individuals in various educational groups, with consideration of developmental and behavioral characteristics of students.

Teaching the Non-English Student: PR: FLE 3063 or C.I. Bilingual and non-linguistic instruction in curriculum areas in English as a second language.

Clinical Practice: PR: Admission to STEP II, III or IV, Clinical Internship in an appropriate educational setting under the direction of a university supervisor or peer teacher.

Teaching in the Middle School: Methods of middle school teaching; team planning and teaching; development and learning patterns of the emerging adolescent; use of alternative teaching strategies.

Supervision of Professional Laboratory Experiences: PR: C.I. Study of the undergraduate professional laboratory experiences program, with emphasis on the role and responsibilities of the Teacher Education Associate or Supervising Teacher.

Supervision of Clinical Experiences: PR: C.I. Study of the Beginning Teacher and STEP Programs with emphasis on the Role and Responsibilities of the Peer Teacher or Building Level Administrator.

Introduction to Early Childhood Education: An overview of early childhood education and services for young children and their families. Includes historical roots, societal changes, program differentiation and future trends.

Active Learning Teaching Strategies: Studies an integrated developmental-interactionist approach to curriculum planning and design. Equipment selection, room arrangements, daily schedules and active learning teaching strategies are emphasized.

Play Development: Explores play development, facilitation, intervention and assessment. Designing play environments is emphasized.

Social and Emotional Development of Young Children: Provides an in-depth understanding of the social and emotional development of the young child. Examines the implication for curriculum development.

Integration Internships: Field based placement in which the students will have supervised practice integrating course content areas.

Early Intervention: Provides an overview of development assessment, and intervention with at-risk and handicapped infants and toddlers.
EEC 4402  ED 3(3,0)
Cultural and Family Systems: Explores the institution of family in its cultural context as a living dynamic system.

EEC 4510  ED 3(3,0)
Infant/Toddler care and Education: Provides the knowledge and skills that will enable the student to become a competent worker with very young children and their families.

EEC 4524  ED 3(3,0)
Organization and Management in Early Childhood: Provides students with managerial and supervisory skills required to administer a developmentally appropriate early childhood program.

EEC 4603  ED 3(3,0)
Guidance of Young Children: PR: EEC 3610. Provides students with techniques to guide the behavior of young children.

EEC 4936  ED 2(2,0)

EEC 4943  ED 12(0,12)
Student Teaching: Provides opportunities for student teachers to use the knowledge and skills they acquired in a supervised public school setting.

EEC 5205  ED 3(3,0)
Programs and Trends in Early Childhood Education: PR: Regular Certificate or C.I. Philosophy, content, facilities, instructional materials, and activities appropriate for children ages 3 to 8 years; concurrent research, issues and trends. Concurrent laboratory experiences.

EEC 5206  ED 3(3,0)
Organization of Instruction in Early Childhood Education: PR: Regular Certificate or C.I. Organization in instruction relating to language arts, social sciences, sciences, mathematics, health and physical education, problems relating to reading readiness and cognition (K-3). Concurrent laboratory experiences.

EEC 5208  ED 3(3,0)
Creative Activities in Early Childhood: PR: Regular Certificate or C.I. Organization of instruction and methods for creative activities involving music, art, literature and educational toys, integration of activities, and basic skills curriculum (K-3). Concurrent laboratory experience.

EED 3250  ED 3(3,0)
Behavioral Issues of the Emotionally Handicapped: An introduction to functional schema of the field to include behavior management techniques, theories, legal considerations, counseling skills, etiology, prevention and utilization of community services.

EED 4011  ED 4(4,0)
Introduction to the Emotionally Disturbed: PR: Senior standing. Development and practice of appropriate cognitive, affective, and motor strategies for selected categories, levels, and degrees of severity of exceptional population.

EED 4210  ED 3(3,0)
Curriculum and Program Adaptation, E.H.: Development of highly specialized curriculum and identification, evaluation, modification, and use of curriculum materials and programs for students with emotional handicaps.

EED 4243  ED 3(3,0)
Teaching the Emotionally Handicapped: Instructional strategies with emphasis on motivational strategies, development, implementation and evaluation of the IEP, modification of regular education instructional practices, crisis intervention and prevention.

EEL 3122C  EN 4(3,3)

EEL 3140C  EN 4(3,3)
Analog Filter Design: PR: EEL 3367C, EEL 3122. Analog filter design, both passive and active, from low pass prototypes using frequency transformations and based on low sensitivity.

EEL 3306  EN 3(3,0)
Semiconductor Devices I: PR: EGN 3373. Electronic devices including p-n junctions, bipolar transistors, field effect transistors and device models.

EEL 3307C  EN 4(3,3)

EEL 3341C  EN 3(2,3)
EEL 3342C
Introduction to Digital Circuits and Systems: PR: PHY 3049 or C.I. Switching theory and devices. Combinational and sequential logic. Logic design using standard components such as ROM, arithmetic units, multiplexers, registers, and counters.

EEL 3470
Electromagnetic Fields: PR: EEL 3122 and MAP 3302. Introduction to electric and magnet fields and electromagnetic waves.

EEL 3552C

EEL 3657

EEL 4012C
Senior Design: PR: For E.E.: EEL 4309, EEL 4767C, and all required EEL 3XXX courses; for CPE: EEL 4768C, EEL 3307C; CR: EEL 4884. Applications of the design process in the solution of realistic and meaningful problems. Feasibility, design, and testing of team projects.

EEL 4205

EEL 4216
Fundamentals of Electric Power Systems: PR: EEL 3122 or C.I. Three-phase power representation and analysis, transformers, per unit system, symmetrical components, faults, transmission lines.

EEL 4309C
Electronics II: PR: EEL 3307C, EEL 3342C. Ideal Op-Amps and applications. Introduction to Logic Circuits; Bipolar, MOS and CMOS families; Flip-flops and memory cells, comparators and timing circuits; A/D and D/A converters.

EEL 4314

EEL 4436C
Microwaves: PR: EEL 3470. Microwave devices and systems and measurement techniques.

EEL 4440
Optical Engineering: PR: EEL 3470, EEL 3552C or C.I. Lens systems, aberrations, sources, radiometry, detectors, physical optics, interferometric devices, applications to engineering design problems.

EEL 4512C
Communication Systems: PR: STA 3032, EEL 3552C and EEL 3307C. Information transmission, modulation, and noise; design and comparison systems in the presence of noise.

EEL 4612
Introduction to Modern and Robust Control: PR: EEL 3657. Classical control theory including differential equations and Laplace transform techniques, stability analysis, and classical frequency domain design.

EEL 4635C
Computer Control Systems: PR: EEL 3657. Discrete-time systems, the z-transform, and single loop computer control systems. Digital simulation in the analysis and design of processes with embedded computers. No graduate credit for both EEL 5630 and this course.

EEL 4750

EEL 4765C

EEL 4767C
Computer System Design I: PR: EEL 3342. Basic computer architecture and organization. Introduction to design of computer systems at gate, register, and processor level. Assembly language programming in support of micro design.

EEL 4768C
Computer System Design II: PR: EEL 4767C, ECM 4684. Continuation of EEL 4767C. The study of instructions, interrupts and DMA for I/O subsystem development in the design of microcomputer systems. Role of high-level languages.
Computer-Aided Engineering Design: PR: ECM 4804 and EEL 3342 or C.I. Review of currently available CAE tools for digital hardware and software design applications.

Introduction to Computer Engineering: PR: EGN 3420. Introduction to the field of computer engineering, including the use of "C" programming for engineering applications.

Engineering Applications of Computer Methods: PR: MAP 3302, STA 3032, EEL 4884. Engineering applications of numerical methods, including solution of differential equations, simulation, optimization, and multidimensional root-finding, integration and series approximations.

Engineering Data Structures: PR: EEL 4801L. Design of data structures and algorithms, with emphasis on performance analysis, memory organization, stacks, queues, linked lists, trees, graphs, searches, and sorts. Introduction to object-oriented structures.

Engineering Applications of Intelligent Systems: PR: EEL 4851. Intelligent models, computer vision, natural language understanding, pattern analysis, knowledge-based systems, symbolic programming, and advanced architectures.

Engineering Systems Software: PR: EEL 4851 and EEL 3342. Introduction to operating systems concepts and facilities for engineering applications, including multiprogramming, resource allocation and management, systems utilities, and operating system implementation.

Engineering Software Design: PR: EEL 4832, EEL 4882. Software systems development life cycle, function and object-oriented methodologies, CASE; Analysis, design, and development of a large software project.

Semiconductor Device Modelling and Simulation: PR: EEL 3307. Large signal and small signal model development for semiconductor diodes, BJTs, and MOSFETs. Parameter extraction, numerical algorithm, and SPICE simulation are included.

Fabrication of Solid-State Devices: PR: EEL 3306. Fabrication of microelectronic devices, processing technology, ion implantation and diffusion, device design and layout. Laboratory includes device processing technology.

Microwave Circuits and Devices: PR: EEL 4436 or EEL 5555. Planar transmission lines; passive microwave circuits; active circuit design using Gunn, IMPATT, FETS, RTDS, etc.; microwave integrated circuits.

Introduction to Wave Optics: PR: EEL 4440 or PHY 4424 or C.I. Electromagnetic foundation of light waves as applied to reflection, refraction, diffraction, interference, polarization, coherence, and guided waves.
EEL 5446 EN 3(3,0)
Optical Systems Design: PR: C.I. Design principles of lens and mirror optical systems; evaluation of designs using computer techniques.

EEL 5450C EN 3(2,1)
Thin Film Optics: PR: PHY 4424 or EEL 4440 and EEL 5441 or EEL 5451. Principles of thin film optics and its applications in optical, electro-optical, and laser systems.

EEL 5451L EN 3(1,4)
Electro-Optics Laboratory: PR: EEL 4440 or EEL 5441 or C.I. Study of laboratory techniques for optical measurements and performance of measurements on electro-optic devices to determine operational characteristics.

EEL 5453 EN 3(3,0)

EEL 5462C EN 3(3,1)
Antenna Analysis and Design: PR: EEL 3470 or equivalent. Fundamentals of antennas; dipoles, loops, arrays, apertures, and horns. Analysis and design of various antennas.

EEL 5513 EN 3(3,0)

EEL 5517 EN 3(3,0)
Surface Acoustic Wave Devices and Systems: PR: EEL 3552C. Course discusses SAW technology which includes the physical phenomenon, transducer design and synthesis, filter design and performance parameters. Actual devices and communication systems are presented.

EEL 5542 EN 3(3,0)

EEL 5555C EN 3(2,1)
RF Communications: PR: EEL 3552C. RF communication systems, 10 MHz to 1500 MHz. Scattering parameter noise, receiver design, system implementation, spread spectrum. RF network and spectrum analyzers, PC board layout.

EEL 5563 EN 3(3,0)

EEL 5580 EN 3(3,0)

EEL 5704 EN 3(3,0)
Introduction to Digital Systems: PR: EEL 3342C or C.I. Analysis and synthesis of combinational, synchronous and asynchronous sequential logic circuits. Introduction to controller design using a digital design language.

EEL 5771C EN 3(2,3)
Engineering Applications of Computer Graphics: PR: EGN 3420 or C.I. Computer graphics in engineering applications. Laboratory assignments.

EEL 5820 EN 3(3,0)
Image Processing: PR: MAP 3302, EGN 3420, EEL 4750 or C.I. Two-dimensional signal processing techniques; pictorial image representation; spatial filtering; image enhancement and encoding; segmentation and feature extraction; introduction to image understanding techniques.

EEL 5825 EN 3(3,0)
Pattern Recognition: PR: MAP 3302, EGN 3420. Graph-theoretic and syntactic methods of pattern analysis. Decision functions; optimum decision criteria; training algorithms; feature extraction; unsupervised learning; data reduction and potential functions.
EEL 5874
Expert Systems and Knowledge Engineering: PR: EEL 4872 or C.I. Introduction to expert systems in engineering. Expert systems tools and interviewing techniques. This course is hands-on and project oriented.

EEL 5881
Software Engineering I: PR: EGN 3420, EEL 4851 or C.I. Design, implementation, and testing of computer software for Engineering applications.

EEL 5891
Continuous System Simulation I: PR: EEL 3657 or C.I. Use of state-space techniques, numerical integration, and CSSL programs. Laboratory assignments.

EES 4111C

EES 4202C
Chemical Process Control: PR: EGN 3704. Engineering design, measurements, and analysis of chemical systems in environmental engineering to control treatment processes such as softening, coagulation, disinfection, scrubbing, neutralization, and others.

EES 4401C
Environmental Health: PR: EGN 3704. Topics and design examples in industrial hygiene, occupational and radiological health hazards, and pollution effects, such as those due to air noise, solid wastes, etc.

EES 5415C
Potable Water Treatment: PR: EES 4202C and 4111C. Engineering application of potable water chemistry involving coagulation, softening, filtration, corrosion, disinfection quality and drinking water.

EET 3035C

EET 3143C
Electronic Devices and Circuits: PR: DC & AC Circuits; MAC 1114. Theory, characteristics, operational parameters; circuits and applications of solid state electronic devices. Bipolar and field effect transistors, multistage amplifiers, power amplifiers.

EET 3716C

EET 4158C

EET 4329C

EET 4339C

EET 4349C
Electronic Communications II: PR: EET 4329C. Basic information theory, pulse and digital concepts, multiplexing, radar principles, TV systems. Technology of radiation and propagation. Fiber optics.

EET 4389C

EET 4548

EET 4732
EEX 2010  ED 3(3,0)  
Introduction to Special Education: Orientation to the education of children and adolescents with special needs in the schools. The course includes characteristics, trends, mainstreaming, and other issues.

EEX 3102  ED 3(3,0)  
Language Development and Communication Disorders: PR: Junior standing. Interdisciplinary approach to language development, identification and remediation of communication and language disorders.

EEX 3221  ED 3(3,0)  
Assessment of Exceptional Students: Formal and informal assessment techniques for screening, placement, program planning, program evaluation, and monitoring of progress of exceptional students.

EEX 3241  ED 4(4,0)  
Methods for Academic Skills for Exceptional Students: Teaching strategies, instructional materials, and monitoring techniques for children and adolescents with special needs. Must be taken with or before Internship I.

EEX 3243  ED 3(3,1)  
Techniques for Exceptional Adolescents-Adults: CR: EEX 3241. A study of strategies, basic and functional content, career and vocational educational, and transition planning for adolescents and adults with special needs.

EEX 3455  ED 3(3,0)  
Young Children With Special Needs: Provides an overview of the unique field of early childhood special education, its mission, and approaches to helping young children and their families.

EEX 4601  ED 3(3,0)  
Introduction to Behavior Management: Study of management techniques based on applied behavioral analysis principles for modifying inappropriate behaviors and maintaining appropriate behaviors of exceptional students.

EEX 4753  ED 3(3,0)  
Parent/professional Collaboration: The special educator's role in working with families, regular educators, and other professionals in a collaborative relationship.

EEX 5051  ED 3(3,0)  
Exceptional Children in the Schools: PR: Senior standing or C.I. Characteristics, definitions, educational problems, and appropriate educational programs for the exceptional children in schools.

EEX 5702  ED 3(3,0)  
Planning Curriculum for Prekindergarten Children with Disabilities: Focus on curriculum planning; developmentally appropriate practices and implementation of individualized instruction for prekindergarten children with disabilities.

EEX 5750  ED 3(3,0)  
Communication with Parents and Agencies: Presentation of methods of interacting with community agencies, supporting and collaborating with families, developing a case management system and facilitating program transition.

EGC 5036  ED 3(3,0)  
Guiding Human Relationships: PR: Senior standing or basic teacher certificate. Human relationship skills which will enhance intra- and interpersonal relation skills in classrooms.

EGN 1006  EN 1(1,0)  
Introduction to the Engineering Profession: Overview of academic and professional requirements in various engineering disciplines.

EGN 3210  EN 3(3,0)  

EGN 3310  EN 3(3,0)  
Engineering Analysis-Statics: PR: PHY 3048; CR: MAC 3312. Fundamental concepts of mechanics, including resultants of force systems, free-body diagrams, equilibrium of rigid bodies, and analyses of structures.

EGN 3321  EN 3(3,0)  
Engineering Analysis-Dynamics: PR: EGN 3310; CR: MAC 3313. Kinematics and kinetics of particles and rigid bodies; mass and acceleration, work and energy impulse and momentum.

EGN 3331  EN 3(3,0)  

Principles of Electrical Engineering: PR: PHY 3049; CR: MAP 3302. Fundamental laws of electrical circuits and circuit analysis; fundamentals of electronics and power systems.

Engineering Analysis: PR: High-level language or equivalent (FORTRAN preferred); MAC 3312. Engineering analysis and computation using FORTRAN; engineering applications of numerical methods including curve fitting, matrix operations, root finding, integration and plotting.

Engineering and the Environment: PR: CHS 1440 and MAC 3312. Process engineering for air, energy, water, and land environment and the role of engineering in control of these environments.

Professionalism, Practice and Ethics: PR: Junior or Senior standing. Study of the professional engineer's role, practice, and responsibility to act in the interests of public health, safety, and welfare.

Technology and Social Change: PR: History/Humanities Sequence or C.I. Review of existing theories of social change, analysis of the role of technology as related to social change, and study of contemporary events in technology and their possible impact on society.

Engineering Administration: PR: EGN 3613 and Senior standing. Engineering organization and administration; delegation of authority and responsibility; effective use of resources; project management; R and D planning; ethics in professional practice.

Systems Analysis and Control: PR: EGN 3343, 3353, 3373; MAP 3302. Analysis and design of process control systems, including first and second order systems and classical linear control theory.

Science in History: Examination of the reciprocal relations of science and society from ancient to recent times.

Technology in History: PR: History/Humanities sequence or C.I. Important developments in engineering and technology and their effect on society and our socio-economic processes.

Turning Points in Engineering: Seminar covering major historical developments in engineering.

Technology in North America: PR: History/Humanities sequence or C.I. Periods of significant technological change in North America, with emphasis on 19th and early 20th-century developments.
EGN 4824 Energy and Society: Investigation of available energy forms; energy resources versus requirements in an increasingly complex technological society; possible solutions and future predictions.

EGN 4825 Environment and Society: PR: C.I. Environmental factors of importance to people's interaction with the environment; engineering and non-engineering measures to insure improvement and maintenance of environmental quality. Not for engineering students.

EGN 4830 Telecommunications: Telecommunications and its role in contemporary local, national, and international society.

EGN 4832 Computers, Cybernetics and Society: The effects of computers and the cybernetic revolution of the individual and society. Effects of positive and negative feedback on biological, technological and social systems. Computers and their interactions with the human system.

EGN 4843 Systems Modeling: PR: CGS 1060 or equivalent. Representation of man/machine systems through analytic and computer-based models. Case studies in the analysis and improvement of systems in industry, education, and government.

EGN 4844 Man and Machine: The influence and interrelationship of invention and technical progress on the evolution of social forms and institutions.

EGN 5034 Engineering and Public Works: PR: C.I. The purposes, function, and role of engineering within public works.

EGN 5035 Topics in Technological Development: PR: C.I. Selected topics in the technological development of western civilization including the weight-driven clock, steam engine, electric light, etc.

EGN 5840 Small Rocket Applications for Teachers: PR: Admission to Martin Marietta/UCF Academy. Earth and space environments, rocket propulsion, meteorological and environmental measurements, payload launch procedures, orbits and trajectories, safety, model rocket experiments, field trips, student science experiments.

EIN 3354 Principles of Cost Engineering: PR: EGN 3613. This course is to provide engineers from all disciplines the background for the cost estimation of engineering systems throughout the product life cycle.

EIN 4243C Safety Engineering and Administration: Analysis of accidents in the industrial operating environment. Application of fault trees, OSHA requirements. Consideration of accident costs and organizational aspects of accident prevention.

EIN 3314C Human Engineering: PR: EIN 3314C; Senior standing. Man/machine systems; design and conduct of human engineering studies.
EIN 4305C
Industrial Engineering Applications in The Service Industries. PR: EIN 3314C, ESI 4312, ESI 4254. Application of industrial engineering principles to improve the quality and productivity of service industries such as restaurants, banks, hotels, health care, etc.

EIN 4333C

EIN 4364C
Industrial Facilities Planning and Design: PR: EIN 4391 C, EIN 4333C. Comprehensive design of industrial production systems, including interrelationships of plant location, process design, and materials handling. Laboratory assignments.

EIN 4391C
Manufacturing Engineering: PR: EIN 3314C, EGN 3365. Introduction to manufacturing engineering, with emphasis on current and emerging technologies in metalworking and electronics.

EIN 4411C
Computer-Aided-Manufacturing: PR: EIN 4391C. Computer-Aided-Manufacturing (CAM) including computer numerical control (CNC), robotics, parts classification (GT) and manufacturing resource planning (MRP).

EIN 5117
Management Information Systems I: PR: C.I. The design and implementation of computer-based Management Information Systems. Consideration is given to the organizational, managerial, and economic aspects of MIS.

EIN 5248C
Ergonomics: PR: C.I. Applications of anthropometry, functional anatomy, mechanics, and physiology of musculoskeletal system concepts in the engineering design of industrial tools, equipments, and workstations.

EIN 5255
Training Simulator Engineering: Introduction to significant topics relative to the development and use of simulators for knowledge transfer in the technical environment.

EIN 5339
Concurrent Engineering: PR: EIN 4411. Elements of concurrent engineering and its applications. Topics include quality function deployment, design for manufacturability and design for assembly.

EIN 5356
Cost Engineering: Cost estimation and control of engineering systems throughout the product life cycle.

EIN 5366
Materials Handling: Material handling function in manufacturing environment; quantitative techniques for analysis, controls, storage and warehousing, automation and cost justification; lab focuses on plant trips and case studies.

EIN 5381
Engineering Logistics: Study of the logistics life cycle involving planning, analysis and design, testing, production, distribution, and support.

EIN 5388
Forecasting: PR: STA 5156. Industrial applications of forecasting methods with emphasis on microcomputer-based packages.

EIN 5415
Tool Engineering and Manufacturing Analysis: PR: EIN 4391 or C.I. Tool materials and design, tolerance technology, theory of metal cutting, and machineability.

EIN 5602C
Expert Systems in Industrial Engineering: Overview of basic concepts, architecture and construction of expert systems, in IE. Intelligent simulation training systems, case studies and problems. Laboratory exercises.

ED 4011
Intro to Specific Learning Disabilities: Nature and needs of students with learning disabilities to include history, theories, characteristics, definitions, assessments, issues, and application of effective teaching practices.

ED 4242
Program Planning for Specific Learning Disabilities: PR: Senior standing. Development of highly specialized techniques, curriculum materials, to be used with students with special learning disabilities.
Engineering Polymeric, Ceramic, and Composite Materials: PR: EGN 3363 or C.I. Structure, properties, processing of engineering polymeric, ceramic, and composite materials.

Communication for Instructional Systems—Process: Principles of written and oral communications for instructional technologists; development of assertiveness and interpersonal skills; conducting training programs for employees; creating hard copy materials.

Metallurgical Thermodynamics: PR: EGN 3343, EGN 3365C. Laws of thermodynamics, phase equilibria, reactions between condensed and gaseous phases, reaction equilibria in condensed solution and phase diagrams.

Metallurgical Thermodynamics: PR: EGN 3343, EGN 3365C. Laws of thermodynamics, phase equilibria, reactions between condensed and gaseous phases, reaction equilibria in condensed solution and phase diagrams.

Surface Science: PR: PHY 3049 and C.I. Methods of chemical and physical analysis of surfaces, with emphasis on ultra-high vacuum spectroscopies utilizing electron, ion and photon probes.

Introduction to Ceramic Materials: PR: EGN 3365C. Uses, structure, physical and chemical properties, and processing of ceramic materials. Discussions will include recent developments for high technology applications.

Polymer Science & Engineering: PR: EGN 3365C. Molecular structure, physical and chemical properties, preparation and processing of macromolecular materials. Discussions will include recent developments for high technology applications.

Technologies of Instruction & Information Management: Theories and practices in utilizing instructional media and information technologies. Emphasis on new and emerging technologies and their effects on the school and media program.

Instructional Technology: A Survey of Applications: Applications of instructional technology in settings other than public schools. Survey of facilities, programs, and services in business, industry, religion, government, higher education, and medical settings.

Communication for Instructional Systems—Application: PR: EME 5056. Applications of technology, communications theory, platform skills, and instructional design to the effective presentation of training programs and instruction.

Production Techniques for Instructional Settings: Skills in producing instructional materials. Emphasis on graphic, audio, video, and photographic skills and the application of instructional and communication theories.
EME 5225  Media for Children and Young Adults: Survey of materials for children's and young adults' informational and recreational needs; analysis, evaluation, and utilization of print and non-print materials.

EME 5408  Computer Applications in Instructional Technology. Techniques and skills for the use of computers for productivity and instruction by the instructional technologist.

EML 3101  Thermodynamics of Mechanical Systems: PR: EGN 3343. Applied thermodynamics, availability analysis, thermodynamics of reactive and non-reactive mixtures, thermodynamic relations of properties. Thermodynamic design analysis of complete mechanical systems.

EML 3236  Structure and Properties of Alloys: PR: EGN 3365C. Relation of properties to microstructure and applications of major ferrous and non-ferrous alloys.

EML 3262  Kinematics of Mechanisms: PR: EGN3321. Graphical, mathematical, and computer-aided kinematics, analysis, and synthesis of basic mechanisms.

EML 4260  Dynamics of Machinery: PR: EML 3262, EML 4222. Critical speeds and response of flexible rotor systems; whirl, gyroscopic effects; balancing of rotating and reciprocating masses; cam dynamics.

EML 4304C  Measurements Laboratory: PR: EGN 3373, EGN 3353, EGN 3331. Fundamental theory and practice of static and basic electrical dynamic measurements; transducer principles and data acquisition. Laboratory experiments conducted to reinforce thermal, fluid, and mechanical concepts.

EML 4312  Feedback Control Design: PR: MAP 3302, EGN 3373. Mathematical modeling of control system components; pneumatic, hydraulic, electromechanical control systems; transient and frequency response; stability and root locus; controller design.

EML 4411  Mechanical Power Systems: PR: EML 3101. Analysis and design of large power generating systems and components, with emphasis on steam plants utilizing both chemical and nuclear fuels.

EML 4501C  Engineering Design I: CR: EML 4304C. Application of the design process in the team solution of a state-of-the-art problem. Aerospace, mechanical, thermo-fluid, or material problems are considered.

EML 4502C  Engineering Design II: PR: EML 4501C. Continuation of the design process in the team building and testing of a prototype. A test plan and a test report are completed.

EML 4535C  Computer Aided Design: PR: EML 3101, EML 3500, and EGN 3420 or equivalent. Introduction to computational methods in mechanical and thermal systems design.
EML 4545C  EN 3(2,3)

EML 4600  EN 3(3,0)

EML 4703C  EN 3(2,2)
Fluid Mechanics II: PR: EGN 3353; continuation of EGN 3353. Application of fundamentals to boundary layers, compressible flow, potential flow theory, submerged bodies, and measurements.

EML 5060  EN 3(3,0)
Mathematical Methods in Mechanical and Aerospace Engineering: PR: MAP 3302. Vector field theory, generalized coordinates, complex variables, contour integration and LaPlace and Fourier transforms and inversions; variable coefficient ODE's and solution of PDE's for governing equations of heat transfer, ideal fluid flow, and mechanics.

EML 5152  EN 3(3,0)

EML 5224  EN 3(3,0)
Acoustics: PR: EML 4220 CR: EML 5060. Elements of vibration theory and wave motion; radiation, reflection, absorption, and transmission of acoustic waves; architectural acoustics; control and abatement of environmental noise pollution; transducers.

EML 5228C  EN 3(2,3)

EML 5237  ED 3(3,0)

EML 5245  EN 3(3,0)
Tribology: PR: EGN 3331, EGN 3353, EGN 3365C, or C.I. Principles of fluid film lubrication (liquid and gas, journal and thrust bearings), contact mechanics (rolling element bearings), design of bearings and load bearing surfaces, friction and wear of materials, tribotesting.

EML 5271  EN 3(3,0)

EML 5402  EN 3(3,0)
Turbomachinery: PR: EML 3101, EML 4703 or EAS 4134. Application of the principles of fluid mechanics, thermodynamics, and aerodynamics to the design and analysis of steam and gas turbines, compressors and pumps.

EML 5453  EN 3(3,0)
Energy Analysis: PR: C.I. Examination of energy demands and potential supply, computer simulation of resource depletion, alternate energy resources, transportation systems, economic and environmental constraints.

EML 5532  EN 3(2,2)
Computer-Aided Design and Manufacture: PR: EGN 3331 and EML 3500 or C.I. Theory and application of computer algorithms for the synthesis, simulation, design and manufacture of mechanical and thermal systems.

EML 5533  EN 3(3,0)

EML 5546  EN 3(3,0)
**EML 5572** EN 3(3,0)  

**EML 5713** EN 3(3,0)  

**EMR 4011** ED 3(3,0)  
Intro to Mental Retardation: Nature and needs of mentally handicapped students with emphasis on etiology, prevention, identification, and application of effective practices and recognition of trends and standards.

**EMR 4372** ED 3(3,0)  
Curriculum Method and Materials for Retarded Persons: PR: Senior standing. Development of highly specialized techniques, curriculum and materials to be used with students with mental retardation.

**ENC 1101** AS 3(3,0)  
Composition I: Expository writing with emphasis on effective communication and critical thinking. Emphasizing the writing process writing topics are based on selected readings and on student experiences.

**ENC 1101H** AS 3(3,0)  
Honors Freshman Composition I: PR: Score of 60+ on TSWE of SAT or C.I. Same as ENC 1101, with honors-level content.

**ENC 1102** AS 3(3,0)  
Composition II: PR: ENC 1101. Extensive writing based on critical analysis of texts, library research, and/or field research. Further exploration of the writing process included, as well as potential for writing across the curriculum.

**ENC 1102H** AS 3(3,0)  
Honors Freshman Composition II. PR: ENC 1101 H or C.I. Same as ENC 1102, with honors-level content. Note on Freshman English Program: ENC 1101 and 1102 must be taken before enrolling in any English course numbered above 1102.

**ENC 2290** AS 1(1,0)  
Careers in Writing: An examination of career opportunities in technical writing, emphasizing industrial, commercial, and governmental opportunities.

**ENC 3210** AS 3(3,0)  

**ENC 3211** AS 3(3,0)  
Introduction to Technical Writing: Provides definition, history, rhetorical bases of technical writing and its relationship to general English studies.

**ENC 3241** AS 3(3,0)  
Technical Report Writing: PR: ENC 1102. Instruction and practice in scientific writing, including preparation of scientific reports in the student’s particular field.

**ENC 3283** AS 3(3,0)  
Science and the Lay Reader: PR: ENC 3310, ENC 3311 or ENC 3341 or C.I. Analysis of lay scientific magazine articles and practice in scientific writing for the lay audience.

**ENC 3310** AS 3(3,0)  
Magazine Writing I: PR: ENC 1102. Intensive practice in description narration, exposition and argumentation; control of tone, mood, viewpoint, and level of diction. Applicable to article, essay, and short story writing.

**ENC 3311** AS 3(3,0)  
Advanced Expository Writing: PR: ENC 1102. Practice of expository writing directed to general reader.

**ENC 3942** AS 3(3,0)  
Journal—Writing Practicum: An interdisciplinary practicum in journal writing as a literary genre and a means of self-expansion.

**ENC 4215** AS 3(3,0)  
Graphics Capabilities for the Technical Writer: PR: ENC 4293; to be taken concurrently with ENC 4215. Study and preparation of visuals and graphics in technical writing and documentation: use of computer graphics; slides; transparencies; charts; graphs; drawings.

Technical Documentation I: PR: ENC 3210 or 3341. Practice in translating highly technical information to organized documentation: hardware, software, military specifications. Theory of designing and organizing technical manuals. Preparation of proposals, interview skills.

Technical Documentation II: PR: ENC 4293. Practical application of editing theory to large ongoing projects from the student’s particular field. Should be taken concurrently with ENC 4215.

Technical Documentation III: PR: ENC 4294. Designing, writing, and illustrating manuals, e.g., repairs, maintenance or users. Project supervised by a member of a student’s major department or technical editor of a corporation.

Magazine Writing II: PR: ENC 3310 or C.I. Structure and organization of articles, essays, profiles, and reviews, market analysis; data gathering. May be repeated for credit.

Production and Publication Methods: Theory and practice of production and publication methods for technical writers.

Production and Publication Methods: Theory and practice of production and publication methods for technical writers.

Production and Publication Methods: Theory and practice of production and publication methods for technical writers.

Practical Criticism: PR: ENC 1102. Student evaluation of selected fiction, poetry, and drama through practical exercises in literary criticism.

Literary Magazines PR: ENC 1102. Examination of fiction and poetry trends in current literary magazines, identifying editorial policies in publication of contemporary literature.

Methods of Bibliography and Research: Bibliographical, library and systematic approaches to research at the graduate level in language and literature.

Literary Criticism: PR: Graduate standing or C.I. Historical survey of major critics from classical antiquity to the modern era.

English Literature I: PR: ENC 1102. Beowulf to 1798.

English Literature II: PR: ENC 1102. From 1798 to 1914.

English Renaissance Poetry and Prose: The course will examine selected poetry and prose of Wyatt, Surrey, Sidney, Spenser, Marlowe, Raleigh, Daniel, Shakespeare, Chapman, Lyly & others.

The Victorian Age: PR: ENC 1101, ENC 1102. Study of poets and essayists from 1837 to 1900, including Tennyson, the Brownings, Arnold Hopkins, Carlyle, Mill, Newman.

Chaucer: PR: ENC 1102. The Canterbury Tales, Troilus and Criseyde, and other works.
ENL 4330 AS 3(3,0)
Shakespeare Studies: PR: ENC 1102. Reading, analysis, and discussion of Shakespeare's plays. May be repeated for credit.

ENL 4341 AS 3(3,0)
Milton and His Age: PR: ENC 1102. Paradise Lost, Paradise Regained, Samson Agonistes, shorter poems and selected prose.

ENL 4353 AS 3(3,0)
18th Century Studies: PR: ENC 1102. Reading, analysis, and discussion of literature in English: 1660-1880. May be repeated for credit.

ENL 4373 AS 3(3,0)

ENL 5176 AS 3(3,0)
Restoration and 18th Century English Drama. PR: Senior standing or C.I.

ENL 5226 AS 3(3,0)
English Renaissance Poetry and Prose: PR: Senior standing or C.I. The course will examine selected poetry and prose of Wyatt, Surrey, Sidney, Spenser, Marlowe, Raleigh, Daniel, Shakespeare, Chapman, Lyly, and others.

ENL 5236 AS 3(3,0)
The Age of Dryden and Pope: PR: Senior standing or C.I. Prose, poetry, drama, and literary traditions of British neoclassicism.

ENL 5335 AS 3(3,0)
Studies in Shakespeare: PR: Senior standing or C.I. A selection of representative plays, with emphasis on Shakespeare's development as an artist: aesthetics of dramatic literature.

ENL 5347 AS 3(3,0)

ENL 5356 AS 3(3,0)
Eighteenth Century Studies: Reading, analysis, and discussion of literature in English: 1660-1880.

ENU 4103 EN 3(3,0)
Nuclear Engineering: PR: PHY 3101. Introduction to the principles of nuclear engineering, nuclear chain reactions, reactor systems and control, health physics, radiation shielding, and applications of nuclear energy.

ENV 4121C EN 3(2,3)
Air Pollution: PR: EGN 3704, EGN 3353. Sources, causes, and effects of air pollution. Engineering design, analysis, and modeling for the control of air pollution.

ENV 4341 EN 3(3,0)
Solid Waste Management: PR: EGN 3704 or C.I. Engineering design, planning, and analysis problems associated with storage, collection, processing, and disposal of solid and hazardous wastes.

ENV 4433C EN 3(2,2)
Water Resources Design: PR: CWR 4101C and CWR 4201C. Project course for the design of storm water and sewer transmission systems using local and state regulations.

ENV 4561 EN 4(4,0)
Environmental Engineering - Process Design: PR: EGN 3704 and EGN 3353. Water treatment and wastewater treatment design considerations with effluent and sludge handling, treatment, and disposal.

ENV 4562C EN 3(2,2)
Environmental Engineering Systems Design: PR: ENV 4561, CWR 4201C. Project course on design of water and wastewater treatment plants.

ENV 4651 EN 3(3,0)
Urban Systems Engineering: PR: C.I. Theories and history of city development with administrative, planning, management, and maintenance of municipal services.

ENV 4800 EN 3(2,2)
Air & Waste Design: PR: ENV 4121C, ENV 4341. Project course on design of an air pollution control system and a municipal solid waste landfill.

ENV 5071 EN 3(3,0)
Environmental Analysis of Transportation Systems: PR: EGN 3704, ENV 4121C or C.I. The course deals with the environmental process needed for the successful planning of transportation projects. The analysis of noise, air quality, wetlands, and other environmental areas will be covered in addition to abatement measures.

ENV 5413 EN 3(3,0)
Outdoor Noise Control: PR: C.I. Community noise evaluations and control, legislative standards, instrumentation and measurement, abatement methods, and noise modeling.

</table>
Technology Administration: PR: Junior standing. Techniques of applying management principles to professional positions held by Engineering Technologists. Management functions of planning, organizing, motivating, and controlling, production, sales, and service.

Process Planning and Work Measurement: PR: MAC 1104 and COP 3200 or equivalent. Scheduling techniques (PERT), (CPM), are presented. Time Study Methods, Work Sampling and MTM are covered.

Applied Facilities Planning and Design: PR: Engineering drawing and senior standing. The design of manufacturing facilities and material handling systems.

Occupational Safety: PR: Junior standing. Accident prevention and the operation of an industrial safety program. Basic requirements of the Occupational Safety and Health Act standards.

Applied Energy Systems: PR: MAC 3253 or equivalent; Chemistry; College Physics. Introduction to energy, work, and thermal systems and processes. Applications of heat energy with emphasis on solar energy.

Applied Heat Transfer: PR: ETG 3541 or equivalent, MAC 3253 or equivalent. An introduction to the basic concepts and applications of conduction, convection and radiation heat transfer. Basic energy balances and their applications are emphasized. Steady state and transient phenomena are evaluated, including numerical solutions.

Applied Fluid Mechanics: PR: MAC 3253 or equivalent; Physics 3053C or equivalent. An introduction to the basic concepts of hydrostatics and hydrodynamics covering fluid statics, flow of ideal fluids, continuity of mass, impulse and momentum principles, conservation of energy, flow of fluid in pipes, etc.

Applied Kinematics: PR: ETG 3541 and Engineering Drawing. Analysis and design of machine elements and mechanisms involving velocities and accelerations of components, linkages, gears, and cams.

Applied Air Conditioning: PR: ETM 4331. Analysis of body comfort, psychometrics, heating and cooling load, specification of air conditioning systems, air distribution systems and system piping requirements.

Western Civilization I: A survey of western civilization from ancient to 1648.

Honors Western Civilization I: Same as EUH 2000 with honors-level content.

Western Civilization II: PR: EUH 2000 or C.I. A survey of western civilization from 1648 to present. May be taken before EUH 2000.

Honors Western Civilization II: Same as EUH 2001 with honors-level content.

Medieval Society and Civilization: PR: EUH 2000 and 2001 or C.I.

Renaissance and Reformation: PR: EUH 2000 and 2001 or C.I. The influence of Renaissance humanism on arts, letters, and politics; Luther and Protestantism; the Catholic Counter-Reformation and the Thirty Years' War.

Romanticism and Realism: PR: EUH 2000 and 2001 or C.I. Napoleon and nationalism; new ideas; conservation; liberalism, romanticism, republicanism and socialism; urbanization, technology and mass culture; religious decline; Realpolitik, racism, imperialism, and militarism.

Second World War and Rebirth of Europe: PR: EUH 2000 and 2001 or C.I. Origins of World War II; Hitler's "New Order," and resistance movements; Cold War; de-Stalinization of Russia; Sovietization of East Central Europe; Western reconstruction, and prosperity.
EVT 3312 ED 4(4,0)
Course Construction in Health Occupations Education: PR: EVT 3365 or C.I. Planning and preparation of materials, managing the laboratory and involvement in appropriate Vocational Student Organizations. Clinical instruction related to vocational education and industry training.

EVT 3365 ED 4(4,0)
General Methods/Testing Evaluation in Vocational Education: General teaching methods, testing and evaluation. Techniques specific to Vocational Education and Industry Training.

EVT 3367 ED 3(3,0)
Evaluation of Vocational Instruction: PR: EVT 3371 or C.I. Study, practice, and achievement of competency in assessing student cognitive, affective, and psychomotor performance in vocational education.

EVT 3371 ED 4(4,0)
Course Construction in Industrial Education: PR: EVT 3365 or C.I. Planning and preparing instructional materials, organizing and managing the Industrial Education laboratory, and involvement in VICA.

EVT 3367 ED 3(3,0)
Special Needs of Vocational Students: PR: EVT 3365 or C.I. Achievement of teacher competency in meeting the special needs of the handicapped, culturally different, slower learner, those with basic skill deficiencies, and those in non-traditional programs.

EVT 3367 ED 3(3,0)
Management of the Vocational Classroom and Laboratory: PR: EVT 3371 or C.I. Organization and management of school facilities for instructional purposes and skill in providing for student health and safety.

EVT 3371 ED 4(4,0)

EVT 3371 ED 3(3,0)
Curriculum Development Techniques for Industry Training: The practical application of fundamental knowledge, important skills, alternative analysis methods, and the critical elements of the trainers analysis tasks.

EVT 4169 ED 3(3,0)
Advanced Teaching Techniques for Vocational Education: PR: EVT 3365 or C.I. Study, practice, and achievement of techniques including cooperative learning, simulation, instructional modeling and evaluation of instructional effectiveness.

EVT 5260 ED 2-4(2-4,0)
Cooperative Programs in Vocational Education: PR: Regular Certificate or C.I. Study of cooperative vocational programs and achievement of competencies needed to establish, manage, and coordinate co-op program activities in all vocational areas.

EVT 5315 ED 2-3(2-3,0)
Applied Clinical Teaching Techniques in Vocational Education: PR: Regular Certificate or C.I. Study and practice of clinical teaching methods, development of student performance assessment instruments, planning clinical learning experiences and record keeping.

EVT 5316 ED 2-3(2-3,0)
Clinical Coordination for the Health Occupations Teacher: PR: Regular Certificate or C.I. Development of clinical guidelines, resources, student schedules, and risk-management programs. Includes negotiating clinical contractual agreements and planning field supervision.

EVT 5561 ED 2-3(2-3,0)
Student Guidance in the Vocational Program: PR: Regular Certificate or C.I. Achievement of skills used by teachers as they gather student data, confer with students, and help students plan for employment or further education.

EVT 5564 ED 2-3(2-3,0)
Student Vocational Organizations: PR: Regular Certificate or C.I. Competencies needed by vocational teachers as they establish and supervise student vocational organizations in secondary and postsecondary schools.

EVT 5817 ED 2-4(2-4,0)
Management of Vocational Programs: PR: Rank III Certificate or C.I. Study and achievement of selected competencies needed by vocational teachers, supervisors, and local administrators in the management of vocational education programs in the schools.

EXP 3204C AS 4(2,2)
EXP 3304  
EXP 3404  
Basic Learning Processes: PR: PSY 2013 and PSY 3214. Theories and research findings from basic laboratory investigation of learning phenomena. Lecture/Lab.  
EXP 3513C  
Cognitive Psychology: Theory and research on attention, memory, complex human learning, and problem solving.  
EXP 5208  
Sensation & Perception: PR: C.I. A study involving the human information processing with regard to physical and psychological variables in sensory and perceptual phenomena.  
EXP 5255  
Human Performance: PR: C.I. Human performance dimensions and concepts of assessment of human capabilities; performance acquisition, information processing and decision-making; applications of principles to understanding of stress and performance effectiveness.  
EXP 5256  
Human Factors I: Survey of human factors literature. Introduction to topics including human capabilities and human interfaces with human-machine systems.  
EXP 5445  
Psychology of Learning and Motivation: PR: DEP 5057 or C.I. Examination of theories and research concerning the acquisition and retention of behavior, as well as motivational factors which influence learning and behavior.  
EXP 5506  
FIL 3100  
FIL 3200  
Beginning Film Production: Introduction to production utilizing video equipment. Basic technical and aesthetic aspects of production.  
FIL 3231  
Introduction to Computer Animation: PR: FIL 3242. This class focuses on introductory computer graphics techniques and concepts utilizing a variety of microcomputer systems. Techniques include basic paint systems, color cycling and 2D animation. Students work on individual projects, with emphasis placed on creative thinking and original ideas as well as technical expertise.  
FIL 3232  
Intermediate Computer Animation: PR: Intro To Computer Animation. The focus on this second semester of computer animation is on the technical concepts common to all 3D computer modeling and animation systems. Hands-on exercises on the type of high-end animation systems used in the film industry reinforce these concepts.  
FIL 3242  
Film Design: PR: ART 2201, ART 2300 and ART 2301. A series of exercises in craft, technique, and production design for film animation. Several types of animation techniques are explored.  
FIL 3300  
Film Documentary: The uses and analysis of the non-fiction film.  
FIL 3400  
History of Motion Pictures: The history of motion pictures as art and industry: from 1895 to the present.  
FIL 3410  
History of Animated Films: Survey from early animators to the development of the cartoon industry. Television animation included.  
FIL 3503  
Film Theory: Reading and writing in film theory; major historical and social emergencies in the theoretical approach to film.  
FIL 3522  
German Film: PR: C.I. Exploration of the form and context of German film during different time periods in relation to other aspects of culture and to sociopolitical structures at the time.  
FIL 3922  
Film Colloquium: PR: Admission to the film program. A series of lectures, films and forums designed for students in the film program. The class is team taught by film faculty and guest speakers from the film industry. S/U Grade ONLY. Course may be repeated.
FIL 4102
Screen Adaptation: PR: FIL 3100 or CRW 3410; Grammar Proficiency Examination. Study of mediated narrative other than film/video and the adaptation of those forms into the screenplay.

FIL 4103
Advanced Screen Writing: PR: FIL 3100; FIL 4102, Grammar Proficiency Examination. Accelerated program of screenwriting.

FIL 4104

FIL 4201
Advanced Film Production: PR: FIL 3200. Advanced exploration of the aesthetic and technical facets of filmmaking.

FIL 4202
Film Studio Techniques: PR: FIL 3200, FIL 4201. Culmination of the production sequence. Emphasizes 16/35 millimeter production within the context of a studio environment.

FIL 4203
Film Workshop: PR: FIL 3200 and FIL 4201. To guide and advise advanced students as they develop their final projects.

FIL 4208
Film Directing: PR: FIL 4201. Principles and practice in directing narrative and documentary motion pictures.

FIL 4220

FIL 4230
Film Graphics Animation: PR: FIL 3410, FIL 3242. Problems involving conceptual design and scenic space are explored using various media, materials, and techniques.

FIL 4233
Advanced Computer Animation: PR: FIL 3231 and FIL 3232. This third semester of computer animation covers advanced 3D modeling and animation techniques. Working in small production teams, students will create short animated segments using a high-end 3D animation system.

FIL 4234
Computer Animation Workshop: PR: FIL 3231, FIL 3232, FIL 4233, or C.1. This is a production level course in computer animation that emphasizes all phases of the commercial production process, including storyboard, budgets, client relations, and post-production. Students must complete an animation for a typical client in the film industry.

FIL 4250
Post-Production Workshop: PR: FIL 4201. This class will provide students with a thorough understanding of the process of producing in film and posting on state of the art equipment.

FIL 4504
Motion Picture Genre/Aesthetics: PR: FIL 3503 Analysis and evaluation of films; major genres, directors, styles, or periods considered in depth.

FIL 4600
The Film Producer: PR: FIL 4208. The role of the producer is examined in the context of theatrical film.

FIL 4601
Production Management: PR: FIL 3200. Reproduction, budgeting, script breakdown, construction of production boards, scheduling, location scouting, and crew procurement.

FIL 4942
Animation Workshop: PR: FIL 4230, FIL 4231. An intensive study of various film animation techniques under the tutelage of professional animators.

FIN 3100
Personal Finance and Investments: PR: Junior standing. Fundamentals of managing and investing one's money and acquiring, safeguarding, and disposing of one's assets. Not usable for credit by Finance majors.

FIN 3303
FIN 3324 BA 3(3,0)
Management of Financial Institutions: PR: FIN 3303, FIN 3404, FIN 3504, FIN 3453. Analysis of management policies of financial institutions, including asset, liability, and capital management. The economic and regulatory influence on competition is considered.

FIN 3403 BA 3(3,0)
Business Finance: PR: ACG 2001, ACG 2071, STA 3023. With the balance sheet as a reference point, this course provides an introduction and overview of the acquisition, financing, and management of business assets.

FIN 3404 BA 3(3,0)
Intermediate Corporate Finance: PR: FIN 3403. In-depth study of the principles of corporate finance. Investment, financing, and capital decisions are examined.

FIN 3453 BA 3(3,0)
Financial Models: PR: FIN 3403, ECO 3411. Mathematical models applied specifically to financial problems, including those models suitable for representation and solution on computers.

FIN 3504 BA 3(3,0)

FIN 4127 BA 3(3,0)
Employee Benefits and Retirement Planning: PR: FIN 3303, FIN 3404, FIN 3504, FIN 3453. This course considers the process of establishing specific financial objectives at various stages of life and how those objectives can be reached.

FIN 4424 BA 3(3,0)
Advanced Topics in Financial Management: PR: FIN 3303, FIN 3404, FIN 3504, FIN 3403. Advanced study in financial management. Topics include capital budgeting, financial structure, and capital decisions. Case studies used extensively.

FIN 4503 BA 3(3,0)
Speculative Financial Markets: PR: FIN 4514. Study of options, futures, forward, and other speculative markets. Investments traded in these markets are examined analytically. Pricing and hedging models are considered.

FIN 4514 BA 3(3,0)
Portfolio Analysis and Management: PR: FIN 3303, FIN 3404, FIN 3504, FIN 3453. Portfolio and capital market theory in the determination of rational investment policies. Risk analysis, portfolio analysis, and evaluation techniques.

FIN 4604 BA 3(3,0)
International Financial Management: PR: FIN 3403, FIN 3303, FIN 3404, FIN 3504, FIN 3453, GEB 4351. Analysis of the foreign financial methods and investment, currency futures market, capital budgeting, cash management, examination of Eurocurrency market and international bond markets.

FIN 5405 BA 3(3,0)
Financial Concepts: PR: Acceptance into the graduate program, ACG 5005 and ECO 5005 and ECO 5415 or equivalents. Effects of financial decisions upon the firm, interrelationships of these effects and alternatives available to financial managers in making these financial decisions.

FLE 3063 ED 2(2,1)
Foreign Language as Human Behavior: PR: Or CR: LIN 3010 or C.I. Nature of language, language learning, and teaching basic skills. Weekly laboratory.

FLE 4360 ED 4(3,2)
Foreign Language Instructional Programs: EDG 4321. Objectives for curriculum and methods and materials for teaching foreign language in middle grades and high school.

FRE 1005 AS 1(1,0)
French Diction: This course is especially designed for music and voice students, with an emphasis on musical terms, French songs, and opera libretti.

FRE 1115 AS 2(2,1)
Basic Review of French: A review of French grammar, vocabulary and civilization. For students with previous instruction in French. Graded S or U.

FRE 1120 AS 4(4,1)
Elementary French Language and Civilization I: Designed to initiate the student to the major language skills. Open only to students with no previous experience with this language.

FRE 1121 AS 4(4,1)
Elementary French Language and Civilization II: PR: FRE 1115, FRE 1120 or experience with this language. Continuation of FRE 1120.
FRE 2200  
Intermediate French Language and Civilization I: PR: FRE 1121 or equivalent. Development of language skills and cultural knowledge at the intermediate level.

FRE 2201  
Intermediate French Language and Civilization II: PR: FRE 2200 or equivalent. Continuation of FRE 2200 with emphasis on French civilization.

FRE 2240  
Intensive French Conversation: PR: One year of French or equivalent. Practical use of the language, leading toward fluency and correctness in speaking.

FRE 2270  

FRE 3244  
French Conversation: PR: FRE 2201 or equivalent. Development of skills in conversation and comprehension. This course may be repeated for credit. When repeated, credit will apply to general electives only.

FRE 3420  
French Composition: PR: FRE 2201 or equivalent. Development of skills in composition. This course may be repeated for credit. When repeated, credit will apply to general electives only.

FRE 4421  
Advanced French Conversation: PR: FRE 3244. Advanced conversation on directed topics from various disciplines. Literature, art, psychology, philosophy, music, business, and the sciences.

FRE 4422  
Advanced French Composition: PR: FRE 3420. Readings and written limitations of modern literary styles in the form of themes, sketches, poems, and original stories.

FRE 4500  
French Civilization and Culture: PR: FRE 3244 or FRE 3420. A survey analyzing development of key elements of French life: its historical, artistic, intellectual, scientific, spiritual contributions to the world via readings, lectures, films, and other media. Conducted in French.

FRE 4780  
French Phonetics and Diction: PR: FRE 3244 or equivalent. French phonology, with emphasis on phonic groupings.

FRW 3100  
Survey of French Literature I: PR: FRE 2201 or equivalent. Main literary currents and works from the Middle Ages through the 18th century.

FRW 3101  
Survey of French Literature II: PR: FRE 2201 or equivalent. Main literary currents and works of the 19th and 20th centuries.

FRW 3370  
Short Stories of 18th, 19th and 20th Centuries: PR: FRE 2201 or equivalent. Selected readings designed to increase reading speed and develop analytical abilities. Authors include: Voltaire, Maupassant, Flaubert, Camus, and others.

FRW 3740  
The French Literature of Canada: PR: FRE 2201 or equivalent. A survey of the French literature of Canada from the late 19th century to the present, with particular emphasis on the novel and short story.

FRW 4281  

FRW 4310  
Seventeenth Century French Theatre: PR: FRW 3100. Corneille, Racine, and Moliere. A study of the lives and principal works of the authors.

FRW 4324  

FRW 4440  

FRW 4532  

FRW 4552

GEO 4141C  
**Geographic Information Systems:** PR: GEO 1200 or GEO 3370 and programming experience. Analysis of land use, development, and natural resource planning through the employment of graphic and database management techniques.

GER 1005  
**German Diction:** This course is especially designed for music and voice students, with an emphasis on musical terms, German songs, and opera libretti.

GER 1115  
**Basic Review of German:** A review of German grammar, vocabulary and civilization. For students with previous instruction in German. Graded S or U.

GER 1120  
**Elementary German Language and Civilization I:** Designed to initiate the student to the major language skills. Open only to students with no previous experience with this language.

GER 1121  
**Elementary German Language and Civilization II:** PR: GER 1115, GER 1120 or experience with this language. Continuation of GER 1120.

GER 2200  
**Intermediate German Language and Civilization I:** PR: GER 1121 or equivalent. Development of language skills and cultural knowledge at the intermediate level.

GER 2201  
**Intermediate German Language and Civilization II:** PR: GER 2200 or equivalent. Continuation of GER 2200 with emphasis on German civilization.

GER 2210  
**Beginning German Conversation:** PR: One year of German or equivalent. Practical use of the language, leading toward fluency and correctness in speaking.

GER 3240  
**Intermediate German Conversation:** PR: GER 2201 or equivalent. Development of skills in conversation and comprehension through practice.

GER 3420  
**Intensive German Composition:** PR: GER 2201 or equivalent. Development of skills in composition.

GER 3440  
**Business German I:** PR: GER 2200. Introduction into German business language and practices.

GER 3441  
**Business German II:** PR: GER 3440. Continuation of Business German I.

GER 4510  
**Life and Culture in Nazi Germany:** PR: C.I. Confrontation with the development of national socialist ideas and their realization in everyday life and culture. Given in German.

GER 4520  
**Modern German:** An introduction to the history of postwar Germany—from the two Germanies to unification and today's Germany. Given in German.

GEW 3100  
**Survey of German Literature I:** PR: GER 2201 or equivalent. Main literary currents and works from the Middle Ages through the 19th Century Romanticism.

GEW 3101  
**Survey of German Literature II:** PR: GER 2201 or equivalent. Main literary currents and works from 19th Century Realism to the present.

GEW 3370  
**Short Story:** PR: GER 2201 or equivalent. German short prose works of the 19th and 20th centuries.

GEW 3480  
**German Post-War Literature:** PR: GER 2201. This course examines the work of German, Austrian and Swiss writers after World War II.

GEW 4482  
**German Children's Literature:** PR: GER 2200. A look into the history of German children's literature with a concentration on work after World War II.

GEW 4531  
**The Age of Goethe and Schiller:** PR: GER 2201. Selected texts of Goethe and Schiller are examined, with particular attention to their relationship to both German classicism and German romanticism.

GLY 1030  
**Geology and its Applications:** Geologic principles, applications, and hazards including: gemstones, rock cycle, moving continents, mountain building, metal ores, fossil fuels, groundwater, sinkholes, beach erosion, landslides, earthquakes, tidal waves, volcanism.
of the organization and operations of Travel and Tourism Administration:

The techniques and travel practitioners intended to expose students to various aspects of the Hospitality / Tourism industry.

Planning layout of Convention and Conference Operations:

Applications associated with effective convention and conference (and Conferences) provides an in-depth understanding of the demand, economic impacts, organization of tourism, and its history, structure, and operating procedures.

Hospitality Facilities Planning and Design:

Hotel-Motel Management and Operations: Designed to initiate the student to the major language skills: listening; speaking, reading and writing, as well as to constitute an introduction to Israeli culture.

Intermediate Modern Hebrew I: PR: HBR 1120 or equivalent. Designed to continue the study of Modern Hebrew: increase proficiency in conversation, reading and writing skills, and further expose students to Israeli culture.

The Israeli Short Story in Translation: Israeli experience as reflected in contemporary stories read in translation. Selected stories by Agnon, Hazaz, Yizhar, Appelfeld, and others will be read and analyzed.

Introduction to the Hospitality and Tourism Industry: An orientation to the hotel, restaurant, and travel industry, and its history, structure, and operating procedures.

Rooms Division Management: PR: HFT 1000. Practices and systems utilized in the operational management of the front office, reservation, and housekeeping in hotels/motels.

Fundamentals of Conventions and Conferences: PR: HFT 1000. An orientation to convention management field. Designed to illustrate the importance of conventions, meeting, and trade shows to the hospitality industry.

Hospitality Physical Plant Management: PR: HFT 1000, HFT 2252. Analysis of operational problems related to the physical plant and structure of enterprises in the hospitality industry.

Management Information Systems: PR: HFT 1000, HFT 2252, CGS 3000. Analysis, design and implementation of specialized information systems for lodging, food service and travel operations. Special emphasis is placed on implications for management organization, planning, and control of such systems in the hospitality environment.

Travel and Tourism Administration: PR: HFT 1000. Foreign and domestic tourism supply and demand, economic impacts, organization of tourism, social and cultural aspects.

Convention and Conference Operations: PR: HFT 1000. HFT 2750 (Fundamentals of Conventions and Conferences) provides an in-depth understanding of the multiple facets of on-site operations associated with effective convention and conference planning and management.

Hospitality Guest Lectures: PR: HFT 1000. A series of 14 lectures by prominent hospitality practitioners intended to expose students to various aspects of the Hospitality/Tourism industry.

Cooperative Education: Provides paid, pre-professional work experience related to the students' major while they continue to attend school. Requires achievement of major-related learning objectives.

Hospitality Human Resources Development: PR: HFT 1000, HFT 2252. Proven training systems and personnel development methods for hospitality industry employees are presented. Specific applications of alternative methodologies are identified.

Hotel-Motel Management and Operations: PR: HFT 1000, HFT 2252, MAR 3023, HFT 4503. A study of the organization and operations of hotel/motels and their various departments with emphasis on techniques and tools of management in the industry.

Hospitality Facilities Planning and Design: PR: HFT 1000, HFT 2252, HFT 3313. Principles of facility planning layout and design that maximize efficiency in hospitality operations.
HFT 4420

HFT 4473
Hotel Development Analysis: PR: HFT 1000, HFT 4503, HFT 4420. Review of methodological, operational, financial, and marketing aspects of analyses for hotel development projects.

HFT 4503
Hospitality and Tourism Marketing: PR: MAR 3023, HFT 1000. The application of marketing concepts to the Hospitality and Tourism Industry. Special emphasis on marketing planning and strategic marketing.

HFT 4717
Tourism Planning and Development: PR: HFT 1000, HFT 3700. Analysis and review of physical, economic, social, and environmental planning techniques used in tourism destination development.

HFT 4722

HFT 4735

HFT 4752
Convention Promotion and Public Relations: PR: HFT 1000, HFT 2750 (Fundamentals of Conventions and Conferences). Introduces specific concepts related to marketing conventions and meetings. Also considers destination marketing and telemarketing concepts in relation to convention management.

HFT 4753
Convention and Conference Services: PR: HFT 1000, HFT 2750. Provides an in-depth understanding of the acquisition and management of services (food and beverage, audio visual, transportation, etc.) integral to effective convention and conference operations.

HFT 4754
Exhibit and Trade Show Operations: PR: HFT 1000, HFT 2750 (Fundamentals of Conventions and Conferences). Provides an in-depth study of exhibit and trade show operations. Focuses on both supply and demand pertaining to exhibits and trade shows.

HFT 4860
Beverage Management: PR: HFT 1000, FSS 2202C, FSS 3223. The origin, production, storage, marketing, and control of beverages in the hospitality industry.

HFT 4949
Cooperative Education: Provides paid, pre-professional work experience related to the students’ major while they continue to attend school. Requires achievement of major-related learning objectives.

HIS 3462

HIS 4150
History and Historians: PR: C.I. A study of European and/or American historiography. May be repeated once for credit.

HIS 4970
Senior Thesis: Original research paper available to advanced history majors. Topics to be selected in consultation with a directing professor.

HLP 4722
Teaching Elementary School Health and Physical Education: PR: Admission to Phase II or C.I. Organization, practice, and conduct of health (including drug abuse) and physical education programs in the elementary school. Includes field experience.

HMW 3200
Readings in Modern Hebrew Literature: PR: 2 years of Hebrew or equivalent.

HSA 3122
U.S. Health Care Systems: PR: Major or minor in College of Health or C.I. A survey of the economic, social, and political aspects of the health care system in the United States.

HSA 3170
Health Care Finance: PR: MRE 3000. Budgeting; resources for funding current and long-term assets: cost and cost behavior; prospective payment; DRGs as reimbursement base.

HSA 3210
Long Term Care Administration: Current financing mechanisms and proposed solution, and the impact of government regulation or the operation of long-term care facilities.
Community and Public Health Services: History and philosophy of public health, interphase of governmental, voluntary, and private health agencies; current community health problems, issues, and needs; social and economic factors.

History and Future of Health Care: Health care institutions; purposes of health agencies, organizations and allied health professionals; new trends in health care delivery. Designed for non-majors.

Organization and Management for Health Agencies: PR: STA 2014 and Major or Minor in College of Health or C.I. Organization and management of health agency organizations and management procedures.

Health Data Processing: Analysis and design of computerized systems for health data and health administration.

Long Term Patient Management: Concepts and process of patient care planning and management in a long term care facility; individual and team roles of medicine, paramedical and supportive personnel, patient and family consideration; long term care facility coordinating.

Health Sciences Research Methods: Introduction to research design in the Health Sciences, including design, literature review, testing, analysis and conclusions.

Information Systems and Computer Applications in Medicine: PR: Graduate standing or C.I. Overview of health information systems, with an emphasis on computer applications. Discussion of software and hardware requirements.

Introduction to the Allied Health Professions: A survey of allied health professions with regard to duties, responsibilities, education and training, ethics, and relationships with other health professionals. Satisfactory/Unsatisfactory grade.

Medical Self Assessment: Development of clinical skills and understanding of one's health to encourage active participation of individuals in their own health care.

CPR & First Aid: To train individuals to accepted and recognized medical standards in emergency first aid and CPR to include medical, environmental and trauma related emergencies.

Medical Terminology: A study of the language of medicine and allied health specialties, including work construction, definitions, and application of terms.

Health Law: Principles of law as applied to the health field, with special reference to health practices.

AIDS: A Human Concern: Analysis of the AIDS epidemic. Topics include: epidemiology & immunology; basic facts; prevention; legal, economic, and ethical issues; psychosocial aspects; substance abuse; sexuality and decision-making.

Analysis of Instruction in Health Professions: Development of teaching aids, audiovisuals, learning packets. Course development, questioning strategies, evaluation of didactic and clinical performance.

Epidemiology: A study of the distribution and determination of diseases and injuries in human population.

Health Care Needs of the Elderly: Overview of the physical and emotional needs of the elderly, including the institutional health care available.

Health Care Ethics: A study of ethical issues in health care, including life-saving measures, rights to die, transplants, surrogate parenthood, privacy and confidentiality, and decision-making.
Industrial Psychology: PR: PSY 2013 and STA 2014. Analysis of the psychological principles underlying human behavior and performance in an industrial setting. Topics include selection, training, performance appraisal, job design, and employee motivation.

Industrial/Organizational Field Work PR: C.I. This course is offered as an opportunity for advanced undergraduate psychology majors to become involved in the application of I/O psychology to local organizations.

Organizational Psychology: PR: INP 3004. Analysis of the psychological principles underlying individual and group behavior in an organizational setting. Topics include group dynamics, leadership and participation, intergroup behavior, and organization development.

International Relations-Theory and Practice: Analysis of the fundamental principles and factors affecting interstate relations and their application to contemporary global developments.

International Political Economy: The international politics of regional and global economic interdependence, with emphasis upon North-South relations, the New International Economic Order, OPEC, and multinational corporations.

American Foreign Policy: Development of American foreign policy, with emphasis on the role and policies of the United States in the contemporary world.

American Defense Policy: Study of the evolution of American defense policy since World War II, including consideration of the social and political costs involved and means of control.

Strategic Weapons and Arms Control: Control of strategic weapons and their impact. Technological and policy aspects, including nuclear proliferation.

Contemporary International Politics of Asia: Examinations of the foreign policies of major and secondary powers in Asia, with particular attention to China and Japan.

The Vietnam War: Background of events leading to America’s involvement in Indochina, the course of the Vietnam War, and the lessons which that war imparts.

International Politics of Latin America: Study of contemporary U.S.-Latin American relations, interAmerican politics and organization, and the role of Latin America in the world.

Coercion in International Politics: Examination of the role of coercive techniques among states in a nuclear age, ranging from nuclear strategy and deterrence to wars of national liberations and coups.

International Law I: Introduction to the nature, solution, and sources of international law and such subareas as recognition of states and governments, expropriation, nationality, and aliens.

International Law II: PR: INR 4401 or C.I. Examination of various subareas of international law, including maritime law, laws of the sea and seabed, air law, outerspace, neutrality, and laws of war.

Space Law: Examination of the legal regime of outer space from both international and national perspectives, and the legal problems arising from human activity in space.

International Organizations: The study of the structure and workings of international organizations of cooperation, including the UN, its affiliates, and various regional organizations.
### ISM 3011
**Management Information Systems:** PR: CGS 3000, MAN 3025. An introduction to planning, organization, use, and management of information systems in Business Organization.

### ISM 4090
**Seminar in Management Information Systems:** PR: ISM 4212. Course designed to address new developments in management information systems in a business environment, e.g., artificial intelligence, decision support systems, expert systems, and telecommunications.

### ISM 4113
**Information Systems Analysis and Design:** PR: ISM 4212. Introduction to the fundamentals of management information systems development, needs analysis and systems requirements.

### ISM 4130
**Implementing Information Systems:** PR: ISM 4113. Study of organizational information needs and systems for planning and control.

### ISM 4212
**Data Base Management Systems:** PR: completion of or concurrent enrollment in ISM 3011 and COP 3120. Course designed to help students understand how to build, manipulate, and manage files and data bases in a business environment.

### ISM 5021
**Introduction to Management Information Systems:** PR: Acceptance into the graduate program. Designed to provide the student with the fundamentals of business data processing and management information systems used by organizations in a modern society.

### ISS 4155
**Science Fiction and the Social Sciences:** A multi-media examination of note-worthy science fiction from the Social Science perspective.

### ITA 1005
**Italian Diction:** This course is especially designed for music and voice students, with an emphasis on musical terms, Italian songs, and opera libretti.

### ITA 1120
**Elementary Italian Language and Civilization I:** Designed to initiate the student to the major language skills: listening, speaking, reading, and writing, in addition to an introduction to Italian culture.

### ITA 1121
**Elementary Italian Language and Civilization II:** PR: ITA 1120 or equivalent. Continuation of ITA 1120.

### ITA 2200
**Intermediate Italian Language and Civilization I:** PR: ITA 1121 or equivalent. Designed to continue development of language skills at intermediate level, plus a review of grammar, study of syntax, idiomatic expression, extensive readings, and further study of Italian culture.

### ITA 2201
**Intermediate Italian Language and Civilization II:** PR: ITA 2200 or equivalent. Designed to continue development of language skills at intermediate level, plus a review of grammar and study of syntax, with emphasis on Italian civilization.

### ITA 2210
**Intensive Italian Conversation:** PR: One year of Italian or equivalent. Practical use of the language leading toward fluency and correctness in speaking.

### ITA 2270
**Intermediate Italian Study Abroad:** PR: Elementary Italian. Intermediate Italian language and civilization taught in the native environment.

### ITA 3240
**Italian Conversation:** PR: ITA 2201 or equivalent. Development of skills in conversation and comprehension with an introduction to Italian culture.

### ITA 3420
**Italian Composition:** PR: ITA 2201 or equivalent. Development of skills in composition, with an introduction to Italian culture.

### ITW 3100
**Survey of Italian Literature I:** PR: ITA 2201. Main currents and writers in Italian literature from the 12th through the 15th centuries.

### ITW 3101
**Survey of Italian Literature II:** PR: ITA 2201. Main currents and writers in Italian literature from the 15th century to the present.
ITW 3373  
The Modern Italian Short Story: PR: ITA 2201. A study of the most representative modern Italian short stories.

JOU 3004  
History of American Journalism: Development of mass media, leading innovators, and the media's role in the nation's history.

JOU 3100  
News Reporting: PR: Grammar Proficiency Examination and departmental typing exam. Development of skills in newsgathering and writing for the mass media. Students must have minimum ability to type and pass the department language proficiency exam.

JOU 3101  
Advanced Reporting: PR: Grammar Proficiency Examination and departmental typing examination and JOU 3100. Advanced information-gathering and development of newswriting skills.

JOU 3201  
Editing I: PR: Grammar Proficiency Examination and JOU 3100. Editing copy, writing headlines, managing newsroom operations.

JOU 3202  

JOU 4104  
Public Affairs Reporting: PR: Minimum grade of C in JOU 3100; Grammar Proficiency Examination, departmental typing exam, JOU 3101. Reporting on city, county and state government.

JOU 4300  
Feature Writing: PR: Grammar Proficiency Examination, Typing Examination, and a minimum grade of C in JOU 3100 or PUR 3100. Writing feature articles for newspapers and magazines.

JOU 4302  
Editorial and Column Writing: PR: Grammar Proficiency Examination, departmental typing exam, and a minimum grade of C in JOU 3100. Building the editorial page, backgrounding and interpreting the news.

JOU 4306  
Critical Writing: PR: Grammar Proficiency Examination, departmental typing exam, and a minimum grade of C in Jou 3100. Writing reviews of movies, plays, television programs, concerts, books, and other cultural works.

JOU 4310  
Freelance Writing: PR: Grammar Proficiency Examination, departmental typing exam, and evidence of satisfactory writing skills. A study of the techniques and procedures of freelance writing, including the preparation of several manuscripts.

JST 3100  

JST 3401  
The Jewish People I: Introduction survey of the history and culture of the Jewish people from the beginnings of Judaism in the biblical era through the Graeco-Roman and rabbinic periods.

JST 3402  
The Jewish People II: The life and history of the Jews in the medieval and modern worlds.

JST 3550  
Introduction of Modernism into Judaism: The transition from traditional Judaism to modern Judaism in the 18th century, as epitomized by Moses Mendelssohn and writers of the Jewish Enlightenment (in translation).

JST 3751  
Literature of the Holocaust: A study of the traumatic experience of the Holocaust in Europe as expressed and depicted in contemporary Jewish and Hebrew Literature.

JST 3810  
The Jewish National Movement and Roots of Zionism: Roots of Zionism and Jewish nationalism and their relationship to modern anti-semitism, through analysis of European Jewish history and society.

JST 3820  
Modern Hebrew Culture: The Development of the State of Israel: Political and ideological struggle for the establishment of the State of Israel, with emphasis on forces which shaped contemporary Israeli society and politics.
LAE 3414 ED 3(3,0)
Literature for Children: PR: Phase I or C.I. General survey of books and materials; criteria for analysis and evaluation; types of books available considered in terms of interests, needs, and abilities of children.

LAE 3504 ED 3(3,0)
Language Acquisition: Examines development of oral language (birth - third grade) and the beginnings of literacy acquisition (birth - age three). Addresses common communicative disorders and intervention methods.

LAE 4314 ED 3(3,0)
Language Arts in the Elementary School: PR: Phase I or C.I. Content, principles, materials, and techniques involved in teaching, speaking, listening, writing, and spelling in the elementary school; organizing for instruction.

LAE 4342 ED 3(3,0)
Teaching Language and Composition: PR: EDG 4321. Techniques and methods in teaching of dialects, semantics, the various grammars. A survey of composition and rhetorical methods of selected authors.

LAE 4360 ED 4(3,2)
English Instructional Analysis: PR: EDG 4321. Course objectives for a school curriculum and methods and materials which have special application for teaching English at the middle grades and high school.

LAE 4464 ED 3(3,0)
Survey of Adolescent Literature: This course is designed to explore adolescent literature from both an educational and an historical perspective.

LAE 5195 ED 3(3,0)
CFWP Teacher Consultant: PR: C.I. This course is designed for Fellows of the CFWP Summer Institute who will plan, practice, and present writing inservice components to public schools.

LAE 5295 ED 1-3(1-3,0)
Writing Workshop I: PR: C.I. Students will engage in exploration and practice of effective writing strategies. May include teaching small groups of students. May be repeated for credit. 1-3 credit.

LAE 5319 ED 3(3,0)
Methods of Elementary School Language Arts: Principles, procedures, organization and current practices in reading, writing, listening and talking.

LAE 5367 AS 3(3,0)
English Composition and Literature for Teachers of Advanced Placement: PR: Graduate standing and C.I. A two-week summer institute for secondary school teachers preparing to teach Advanced Placement courses.

LAE 5372 AS 3(2,1)
Theory and Practice in Composition: PR: Senior standing or C.I. Intensive study of theories of composition, with practical experience in the writing laboratory and in composition classes.

LAE 5415 ED 3(3,0)
Children’s Literature in Elementary Education: Survey of children’s literature: criteria for selection according to literary elements and child development needs. Methods for presenting to children; integrating literature with elementary curricula.

LAE 5495 ED 3(3,0)
Assessing Writing: PR: C.I. Students will explore a variety of strategies for assessing students’ writing including holistic scoring, primary trait scoring, and portfolio assessment.

LAH 3130 AS 3(3,0)

LAH 3200 AS 3(3,0)

LAH 3400 AS 3(3,0)
History of Mexico and Central America: PR: EUH 2000 and 2001 or C.I. A survey of Mexican and Central American history from Pre-Columbian times to the present.

LAH 3470 AS 3(3,0)
History of the Caribbean: PR: EUH 2000 and 2001 or C.I. History of Cuba, Puerto Rico, Dominican Republic, and Haiti from Pre-Columbian times to the present.

LAH 5713 AS 3(3,0)
Colloquium in U.S.-Latin American Relations: PR: Senior Standing and C.I. The course will analyze U.S.-Latin American relations from an historical perspective. It will be presented through readings and discussion of selected materials.
LAT 1120  
Elementary Latin Languages and Civilization I: Designed to develop Latin language skills at the elementary level: listening, speaking, reading, and writing, in addition to an introduction to Roman culture.

LAT 1120H  
Honors Elementary Latin & Civilization I: Same as LAT 1120 with honors-level content.

LAT 1121  
Elementary Latin Language and Civilization II: PR: LAT 1120 or equivalent. Continuation of LAT 1120.

LAT 1121H  
Honors Elementary Latin & Civilization II: PR: LAT 1120H or equivalent. Same as LAT 1121 with honors-level content.

LIN 2404  
Vocabulary and the English Language: Includes study of new words and their etymology and usage, the history and evolution of English, and skills and techniques for building vocabulary.

LIN 3010  

LIN 3640  
Psychology of Oral Communication: Psychological principles involved in the communicative process, with application to individuals and groups.

LIN 4100  

LIN 4341  
Modern English Grammar: PR: ENC 1102 and Sophomore standing. Emphasis upon the analysis and comparison of traditional, structural, and transformational grammar.

LIN 4440  
Sounds and Forms of Language: This course examines the sound systems (phonology) and word structure (morphology) of natural languages as two basic areas of linguistics.

LIN 4612  

LIN 4660  
Linguistics and Literature: PR: LIN 3010. Investigation of language study as an aid to understanding literature. Topics include analysis of figurative language, language as characterization, cohesion, sentence and discourse structure.

LIN 4710  
Foundations of Language: This course is designed to explore contributions to language from disciplines of Biology, Neurology, Psychology, and Sociology.

LIN 4710L  
Foundations of Language: Students will have practical experience in analyzing children's language samples.

LIN 4801  
Language and Meaning: PR: ENC 1102 and Sophomore standing. A linguistic study of the nature of language, meaning, and the ways in which man uses language in various social, cultural, institutional, and professional settings.

LIN 5137  
Linguistics: PR: Senior or graduate standing or C.I. Modern linguistic theories and studies focusing on language acquisition and development, contemporary American English, semantics, and paralinguistics.

LIS 4301  
Production of Materials for Media Center: PR: LIS 4428. Skill in producing teacher and student-made materials. Emphasizes graphic, photographic, and audio techniques for schools. Lab TBA.

LIS 4453  
School Media Services: PR: C.I. Planning activities and programs to assist teachers and students in utilizing the Media Center. Includes skills development, R/UV guidance, promotion and inservice techniques. Lab TBA.
LIS 4731  
Organization of Media and Information: PR: C.I. Principles of Informational science and bibliography. Methods of organizing and non-print media, with instruction in cataloging and classification using standard bibliographic tools.

LIS 5262  
Computer Applications in Instructional Technology: Emphasis on the applications of the computer for the media specialist and instructional technologist.

LIT 2110  
World Literature I: PR: ENC 1102. Poetry, prose, and drama selected from ancient Hebrew, Greek, and Oriental literature and from that of Renaissance Europe.

LIT 2120  
World Literature II: PR: ENC 1102. Readings from Moliere, Voltaire, Goethe, Pushkin, Balzac, Tolstoy, Ibsen, Mann, Kafka, Camus, and others.

LIT 2120H  
World Literature II—Honors: Same as LIT 2120, with honors-level content.

LIT 3000  
Introduction to Literary Interpretation: PR: ENC 1102. Interpretation of fiction, drama, verse: conflict, characterization, point of view, rhetorical and poetic devices, figurative language, verse forms; application of critical approaches to selected works.

LIT 3082  
Continental European Fiction Since 1900: PR: ENC 1102. A selection of significant works of fiction written in various languages during the present century, read in translation.

LIT 3188  
Canadian and Commonwealth Literature: Fiction, poetry, and drama written in English in Canada and other Commonwealth nations including Australia and Caribbean and African nations with an English-speaking tradition.

LIT 3313  
Science Fiction: PR: ENC 1102. An investigation of science fiction as a literary form, together with selected readings.

LIT 3383  
Women In Literature: PR: ENC 1102. Fiction, poetry, drama and non-fiction by selected women writers; such as Emily Dickinson, Jane Austen, George Eliot, Kate Chopin, Zora Neale Hurston, Toni Morrison, Adrienne Rich, Gwendolyn Brooks.

LIT 3911H  
Research Methods—Honors: PR: Honors Student Status or consent of Honors coordinator. Introduction to scholarly and practical research in literature and writing.

LIT 4094  
Modern Drama As Literature: A study of important plays, playwrights, themes, movements, and styles in modern American, British, and European drama.

LIT 4303  
Post-World War II Fiction: PR: ENC 1102. An investigation of various modes of reality in the works of significant postmodernist world authors, crossing cultural boundaries.

LIT 4312  
Fantasy: PR: ENC 1102. A survey of the literature of fantasy, with emphasis on such figures as C.S. Lewis.

LIT 4354  
Ethnic Literature in America: Contributions of linguistic and ethnic groups of non-English origin to the literature of the United States.

LIT 4374  
Literature of the Bible: PR: ENC 1102 or LIT 3000 or C.I. Literary forms in the Bible—narrative, poetic, and dramatic—and their reflection in modern literature.

LIT 4433  
Survey of Technical and Scientific Literature: PR: ENC 4293 or C.I. An analysis of the historical development of technical and scientific writing from the Renaissance to the present.

LIT 4937H  
English Honors Seminar: PR: Honors Student Status or consent of Honors coordinator. In-depth study of language and/or literature with an emphasis on creative and critical abilities.

LIT 5039  
Studies in Contemporary Poetry: English language poetry from 1945 to the present. Emphasis will be on American poets, but others such as English or Australian will be included.
LIT 5097 AS 3(3,0)
Studies in Contemporary Fiction: PR: Senior standing or C.I. Fiction in the last 20 years in the United States and Britain.

LIT 5309 AS 3(3,0)
Media and Popular Literature: PR: Senior standing or C.I. Study of the literary content of contemporary media and of popular fiction. Application to classroom teaching.

LIT 5366 AS 3(3,0)
The Romantic Revolt (19th Century Literature): PR: Senior standing or C.I. The romantic revolt in poetry and prose; English, American and Continental literature from 1798 to 1832.

LIT 5367 AS 3(3,0)
The Victorian Age: PR: Senior standing or C.I. Study of poets and essayists from 1837 to 1900, including Tennyson, the Brownings, Arnold, Hopkins, Carlyle, Mill; emphasizing Dickens, George Eliot, the Brontes, and Hardy.

MAA 4226 AS 4(4,0)

MAA 4227 AS 3(3,0)
Advanced Calculus II: PR: MAA 4226 or C.I. Continuation of MAA 4226.

MAA 5210 AS 4(4,0)
Topics in Advanced Calculus: PR: MAC 3313 or C.I. Selected topics in multivariable calculus, including limits, continuity, Euler’s theorem, the Jacobian, and double series; extension of single variable concepts, including uniform convergence and improper integrals.

MAA 5405 AS 3(3,0)

MAC 1104 AS 3(3,0)
College Algebra: PR: Intermediate algebra or 2 years of high school algebra or C.I. Inequalities. High degree polynomials. Graphs, rational, logarithmic, and exponential functions. Systems of equations, matrices, determinants, induction. This course prepares students for higher-level mathematics courses.

MAC 1114 AS 3(3,0)
College Trigonometry: PR: MAC 1102 or 2 years of high school algebra or C.I. The circle arc length, circular functions, identities, inverse functions, applications to simple harmonic motion, function of angles, complete development of triangle solving.

MAC 3233 AS 3(3,0)
Concepts of Calculus: PR: MAC 1104 or C.I. The differential and integral calculus of rational, exponential and logarithmic functions, with applications to business analysis. Not open to students with credit in MAC 3253 or MAC 3311.

MAC 3253 AS 3(3,0)
Applied Calculus I: PR: MAC 1104 and MAC 1114 or C.I. Differential and integral calculus. An introduction to differential equations and Laplace Transforms. Applications to engineering technology. Not open to students with credit in MAC 3233 or MAC 3311.

MAC 3254 AS 3(3,0)
Applied Calculus II: PR: MAC 3253 or C.I. Continuation of MAC 3253.

MAC 3311 AS 4(4,0)
Calculus with Analytic Geometry I: PR: MAC 1104 and MAC 1114 (College Algebra and Trigonometry) or equivalent or C.I. The differential and integral calculus of algebraic and elementary transcendental functions, with geometric and physical applications. Topics from analytic geometry include coordinate systems, vectors, lines, conic sections, transformations of coordinates, and polar coordinates. During the 2nd and 3rd semesters the topics also include sequences and series, Taylor series, and the differential and integral calculus for functions of several variables.

MAC 3311H AS 4(4,0)
Calculus with Analytic Geometry I (Honors): Differential and integral calculus, emphasizing understanding basic concepts and their applications. Students will complete projects on their own. For honors students from all disciplines.

MAC 3312 AS 4(4,0)
Calculus with Analytic Geometry II: PR: MAC 3311 or C.I. Continuation of MAC 3311.

MAC 3312H AS 4(4,0)
Calculus with Analytic Geometry II (Honors): Continuation of MAC 3311 H.

MAC 3313 AS 4(4,0)
Calculus with Analytic Geometry III: PR: MAC 3312 or C.I. Continuation of MAC 3312.
MAC 3313H
Calculus with Analytic Geometry III (Honors): Continuation of MAC 3312H.

MAD 4203
Combinatorics and Graph Theory: PR: MAC 3312 and STA 3023. Counting principles, inclusion-exclusion principle, recurrence relations, generating functions, properties of graphs and digraphs, trees, path problems, coloring planarily, connectedness matchings and coverings, applications.

MAD 5205
Combinatorics and Graph Theory II: PR: MAD 4203. Polya's theory of counting, Latin squares and rectangles, block designs, coding theory, networks, invariants and extremal graph theory, Ramsey theory, probabilistic methods, hypergraphs, applications.

MAE 2XXX
Elementary School Mathematics: PR: MAC 1104 or MGF 120. Mathematics appropriate for the elementary school including the six basic sets of numbers, concepts, learning sequences, algorithms, problem-solving techniques, error patterns, number systems, and geometry.

MAE 4300
Exploring Mathematics: Provides students with the knowledge and skills to design, implement, and facilitate the development of mathematics concepts and skills through an integrated developmentally appropriate curriculum.

MAE 4326
How Children Learn Mathematics: PR: MAE 2801; or C.I.; and admission to Phase II. Instructional strategies, learning activities, the use of manipulatives, lesson planning, evaluation of mathematical learning, and diagnostic techniques.

MAE 4360
Mathematics Instructional Analysis: PR: EDG 4321. Study of course objectives for the middle grades and high school curriculum and survey of methods and materials which have special application for teaching mathematics.

MAE 4634

MAE 5318
Current Methods in Elementary School Mathematics: PR: Regular Certificate or C.I. Strategies of instruction of computation and concepts of number, geometry, and measurement; instructional materials. (Meets Elementary Education certification requirements.)

MAE 5325
Teaching Mathematics in the Middle/Junior High School: PR: 12 s.h. of mathematics, including at least College Algebra. Consideration of the curriculum and instructional techniques appropriate for students in Middle/Junior High School.

MAE 5356
Teaching General Mathematics in the Secondary School: PR: MAE 3330 or C.I. This course addresses specific techniques for developing general mathematics skills and concepts beginning in grade 6. Problem solving, motivation, and innovative methods are explored.

MAE 5637
Laboratory Programs in Mathematics: PR: Regular Certificate or C.I. Design and development of special materials and projects for mathematics independent study. Emphasis on teaching and applying the metric system. (Meets certification requirements for secondary mathematics.)

MAN 3025
Management of Organizations: PR: Junior standing, ACG 2071 or 3023, ECO 2023, ECO 2013. Introduction to the theory and practice of managing formal organizations, including planning, organization theory, human behavior and control.

MAN 3301
Personnel Management: PR: Junior standing, MAN 3025 or C.I. Systematic analysis of personnel functions in organizations.

MAN 3504
Production/Operations Management: PR: Junior standing, STA 3023. Introduction to the management of systems for the creation, distribution, and maintenance of goods and services required for modern society.

MAN 4029

MAN 4101
Human Relations in Management: PR: MAN 3025. The study of individual, interpersonal, group, and intergroup problems in business organizations through the use of cases and experimental exercises.
MAN 4129
Managerial Skills in Organizations: PR: MAN 4240. The transference of management theories into practice. This course requires active student involvement in the development and practice of skills necessary to be a successful manager.

MAN 4240

MAN 4310
Personnel Management Issues: PR: Junior standing, MAN 3301. An application-oriented course to give students in the area experiences generally reserved for practitioners in the field of personnel and labor relations.

MAN 4350
Training and Development: PR: MAN 3301. This course focuses on training and development activities as performed by organizational specialists. Theory, issues, practices and problems are discussed.

MAN 4401
Labor Relations Management: PR: Junior standing, MAN 3301. The impact of employee organizations on labor relations, current problems, conflicts and trends; the development of managerial approaches to achieve labor-management cooperation.

MAN 4521
Production Planning and Control: PR: MAN 3504. In depth study on long-range, intermediate-range and short-range planning and control methods as applied to a manufacturing organization.

MAN 4572
Procurement Management: PR: MAN 3025 and MAN 3504. An elective course in procurement management. Designed to provide the student with fundamental concepts and processes involved in the procurement of goods and services required by modern society.

MAN 4595

MAN 4600
International Management: PR: GEB 4351. The course examines issues involved in multinational management of business firms, with special emphasis on comparative management.

MAN 4701
Business Ethics and Society: PR: MAN 3025. This course applies the ethics dimension to business decisions in today's complex political, social, economic and technological environment.

MAN 4720
Business Policies: PR: Senior standing, completion of core. The student is expected to utilize the subject matter in the business core and his major in analyzing business problems.

MAN 4854
Management Science: PR: MAN 3025 and MAN 3504 and ECO 3411 and CGS 3000. Study of the application of quantitative models and use of simulation in organizational systems.

MAN 5050
Management Concepts: PR: Acceptance in MBA program. Theory and practice of managing organizations to include planning, organizational theory, human behavior, and control.

MAP 3302

MAP 3401
Problem Analysis: PR: MAC 3253 and COP 1200 or equivalent. Application of numerical methods techniques to selected problems in Engineering Technology.

MAP 4103

<tbody>
<tr>
<td>MAR 4156</td>
<td>International Marketing</td>
<td>PR: MAR 3023, GEB 4351, or C.I. Investigates strategy, policy and the variables in international marketing decisions.</td>
</tr>
<tr>
<td>MAR 4203</td>
<td>Marketing Channel Systems</td>
<td>PR: MAR 3023. Marketing functions and relationships within marketing channel systems, with primary focus on the needs for interorganizational cooperation and coordination between channel organizations.</td>
</tr>
<tr>
<td>MAR 4231</td>
<td>Retailing Management</td>
<td>PR: MAR 3023. Analysis of the field of retailing. Emphasis on planning for profit through management, inventory control, etc.</td>
</tr>
<tr>
<td>MAR 4453</td>
<td>Industrial Marketing</td>
<td>PR: MAR 3023. Marketing of goods and services between organizations, including commercial, governmental, institutional, and not-for-profit. Emphasis on the development, pricing, promotion, and distribution of industrial products.</td>
</tr>
<tr>
<td>MAR 4803</td>
<td>Marketing Strategy</td>
<td>PR: Senior standing and marketing courses completed or C.I. Marketing problems are explored, with emphasis on strategy formulation and integrative marketing decision-making.</td>
</tr>
<tr>
<td>MAR 4831</td>
<td>Product Management</td>
<td>PR: MAR 3023. Components of product management, including analysis, strategy formulation and implementation are examined.</td>
</tr>
<tr>
<td>MAR 4841</td>
<td>Services Marketing</td>
<td>PR: MAR 3023. Examination of marketing in services industries, with particular emphasis on unique aspects of services marketing, the service marketing mix, and the implementation of service strategies.</td>
</tr>
<tr>
<td>MAR 4941</td>
<td>Internship</td>
<td>PR: Permission of Dept. Chair. Provides qualified undergraduate marketing majors with educational experience not gained in class setting.</td>
</tr>
<tr>
<td>MAR 5055</td>
<td>Marketing Concepts</td>
<td>PR: Acceptance into the graduate program. Study of functions, institutions, and basic marketing of goods in the U.S. economy.</td>
</tr>
<tr>
<td>MAR 5941</td>
<td>Small Business Consulting</td>
<td>PR: ACG 2001, 2011, ECO 2023, 2013, MAN 3025, MAR 3023, or graduate status. Provides students opportunity to apply knowledge learned in classroom to real business situations. Open to undergraduate majors in the College of Business Administration with approval of the department chair.</td>
</tr>
<tr>
<td>MAS 3105</td>
<td>Elementary Linear and Matrix Algebra</td>
<td>PR: MAC 3312 or C.I. Matrices, determinants, vector spaces in Rn, linear independence, basis, solutions of systems, range of linear transformations, eigenvectors, Jordan Form, matrix functions, quadratic forms.</td>
</tr>
<tr>
<td>MAS 3106</td>
<td>Linear Algebra</td>
<td>PR: MHF 2300 and MAS 3105 or C.I. Abstract vector spaces, linear transformations, isomorphisms, projections, innerproducts, the spectral theorem, Jordan Canonical Form. (Only offered spring semester).</td>
</tr>
<tr>
<td>MAS 3203</td>
<td>Introduction to Number Theory</td>
<td>PR: MHF 2300 or C.I. The course will include the following topics: inductive reasoning, factorization, the division algorithm and congruences.</td>
</tr>
<tr>
<td>MAS 4301</td>
<td>Algebraic Structures</td>
<td>PR: MHF 2300 or C.I. An introduction to groups, rings and fields.</td>
</tr>
<tr>
<td>MCB 3013C</td>
<td>General Microbiology</td>
<td>PR: A college course in chemistry and in basic biological sciences. Fundamentals of microbiology, including microbial structure and function, metabolism, growth, genetics, virology, environmental control, ecology, pathogenicity; and laboratory techniques.</td>
</tr>
<tr>
<td>MCB 3203</td>
<td>Pathogenic Microbiology</td>
<td>PR: MCB 3013C or C.I. Microorganisms producing disease in man and other animals; means of transmission; protection against disease.</td>
</tr>
<tr>
<td>MCB 3203L</td>
<td>Pathogenic Microbiology Lab</td>
<td>CR: MCB 3203. Laboratory investigation of pathogenic microorganisms, with emphasis on isolation and identification of pathogenic microorganisms.</td>
</tr>
</tbody>
</table>
MCB 4114C

MCB 4414
Microbial Metabolism: PR: MCB 3013C and BCH 4054. Interrelationship between cellular structure function and genetic traits in microorganisms. The interaction between microorganisms and their nutritional environment.

MCB 4603C
Environmental Microbiology: PR: PCB 3043 and MCB 3013C. Interrelationships between the biological activities of microorganisms and their terrestrial and aquatic environments.

MCB 5205
Infectious Process: PR: MCB 3013C or C.I. Discussion of current theories of the infectious process and the response of host cells and tissue to infection.

MCB 5505C

MCB 5654
Applied Microbiology: PR: MCB 3013C or C.I. Microbial biochemistry of industrial processes including: economics, screening, scale up, quality control and applied genetics.

MET 3101
Fundamentals of Meteorology and Climatology: PR: MAC 1104 or C.I. Studies of the physical processes that determine the climate of a region. The methods of measurement and use of meteorological parameters.

MGF 1203
Finite Mathematics: PR: Intermediate algebra or 2 years of high school algebra or C.I. Introduction to logical structure, sets, probability, arrays, games. This course is intended for students who are not planning to take further courses in mathematics.

MHF 2300
Logic and Proof in Mathematics: PR: Two years of high school algebra and one year of geometry or C.I. Basic mathematical logic. Methods of proof in mathematics. Application of proofs to elementary mathematical structures.

MHF 4404

MHS 5005
Introduction to Guidance and Human Services: PR: Completion of Phase II of Educ. Prof. Prep. or Certificate or C.I. A basic course presenting an overview of the philosophy, organization, administration and operation of guidance and human services.

MIS 1031
Basic Military Science: Organization of the Army and ROTC. Career opportunities, significance of military courtesy, discipline, customs, and traditions. Analysis of weapons and equipment of the U.S. Army.

MIS 1400
Fundamentals of Leadership Development: Development of leadership abilities, including squad movement techniques. Fundamentals of Land Nav will be discussed.

MIS 2120
Leadership Development - I: Development of leadership abilities through practical exercises. Includes platoon leadership assessment program, role of the NCO, land navigation, and conduct of briefings.

MIS 2300
Leadership Development - II: Development of leadership abilities. Includes first aid training, communications, the threat, offensive/defensive operations, patrolling, and troop leading procedures.

MIS 3301
The Small Unit Leader: Analysis of the leader's role in directing and coordinating efforts of small units in tactical operations. Includes land navigation, weapon systems, communications, defensive/offensive operations and patrolling.

MIS 3410
Leadership Responsibilities: A description of the role and responsibility of the small unit leader. Includes principles of war, military instruction, land navigation, patrolling and offensive/defensive operations.
MIS 4421
Military Law: A study of military law, the Army's maintenance management system, and a study of the obligations and responsibilities of a newly-commissioned officer.

EN 4(4,1)

MIS 4430
Advanced Military Science: Study of the decision-making process; staff organization, estimating process, training, scheduling, and staff studies. Analysis of administration, personnel and Army supply system.

EN 4(4,1)

MLS 3220
Techniques in Clinical Microscopy: PR: Admission to the professional phase of the MLS program or C.I. Analysis of human urine and other body specimens, chemically and microscopically; interpretation of abnormal results and their correlation to disease included.

MLS 3220L
Clinical Microscopy Lab: Analysis of body fluids both chemically and microscopically with special emphasis on correlation to disease states.

MLS 3305
Hematology: PR: Admission to the professional phase of the MLS program or C.I. Diagnostic procedures and morphologic interpretation; correlation of this data to disease.

MLS 4334C
Hemostasis: PR: Admission to the professional phase of the MLS program or C.I. Study of the hemostasis mechanisms; diagnostic procedures and correlation of data to pathological conditions.

MLS 4420C
Clinical Mycology: PR: Admission to the professional phase of the MLS program with C.I. Instruction and laboratory practice in the isolation and identification of fungi associated with mycotic infections of man.

MLS 4430C
Clinical Parasitology: PR: Admission to the professional phase of the MLS program or C.I. Instruction and laboratory practice in the examination and study of clinical material for the detection and identification of animal parasites.

MLS 4460
Clinical Pathogenic Microbiology: PR or CR: MCB 3203 and admission to the professional phase of the MLS program. Isolation and pathogenic bacteria and serological methods; interpretation of abnormal results, with correlation to disease.

MLS 4506C
Immunodiagnosics: PR: PCB 3233. Theory and application of clinical serologic and immunologic diagnostic testing, stressing the utilization of monoclonal technology.

MLS 4550
Clinical Immunohematology: PR: Admission to the professional phase of the MLS program or C.I. Investigation of incompatible crossmatches; antibody identification, leukocyte antigens and identification procedures, problem solving.

MLS 4620
Concepts and Applications in Clinical Chemistry: Overview of clinical chemistry theory and principles for the practicing technologist to include instrumentation, protein chemistry, enzymology, and organ system physiology.

MLS 4625
Advanced Clinical Chemistry I: PR: Admission to the professional phase of the MLS program or C.I. Theory and practice in clinical chemistry techniques; carbohydrates, protein, electrophoresis, enzymes.

MLS 4625L
Advanced Clinical Chemistry I Lab: Practice in laboratory techniques involving spectrophotometry, ISE, and flame enzyme methodology.

MLS 4627L
Advanced Clinical Chemistry II Lab: Laboratory analysis of lipids, cholesterol, enzymes, bilirubins and overview electrophoretic techniques.

MLS 4630
Advanced Clinical Chemistry II: Physiology and Biochemistry of proteins, enzymes, lipids, liver function, hormones, fetal monitoring, toxicology and therapeutic drug monitoring.

MLS 4830C
Clinical Practice I: PR: Admission to the professional phase of MLS program or rotation in one or more of the following areas: Hematology, Chemistry, Microbiology, Blood Bank, Serology-Coagulation, Clinical Microscopy, Nuclear Medicine.

MLS 4831C
Clinical Practice II: PR: Admission to the professional phase of the MLS program or C.I. Continuation of MLS 4830C.
MLS 4832C
Clinical Practice III: PR: Admission to the professional phase of the MLS program or C. I. Continuation of MLS 4831C.

MLS 4833C
Clinical Practice IV: PR: Admission to the professional phase of the MLS program or C. I. Continuation of MLS 4832C.

MLS 4834C
Clinical Practice V: PR: Admission to the professional phase of the MLS program or C. I. Continuation of MLS 4833C.

MLS 5512
Clinical Immunology: PR: PCB 3233, MLS 4511 or C. I. Advanced theory and application of immunologic diagnostic testing; stressing the utilization of monoclonal technology.

MMC 4200
Mass Communication Law: The legal rights and responsibilities of the mass media.

MMC 4602
Contemporary Media Issues: PR: JOU 3100, PUR 3100 or RTV 3300. Relationship between the mass media and society; examination of social and ethical issues and responsibilities of the media's relationship with government.

MMC 4700
Mass Media and Popular Culture: An impact of mass media upon American culture past to present.

MMC 4945
Communication Internship: PR: C. I. Internship in radio, television, film, journalism, public relations, advertising and speech involving practicum at selected communication organizations for one term.

MRE 3000
Introduction to Medical Records: PR: Acceptance into upper-division limited access MRA program. Introduction to profession; POMR; release of information; record analysis.

MRE 3110
Medical Record Organization and Management: PR: MRE 3000. Nomenclature/classification systems; health/vital statistics; computer abstracting; MRA's role in hospital/medical staff organization; accrediting/approving agencies; policy/procedure manuals; job descriptions; indexing.

MRE 3800
Directed Practice I: PR: Acceptance into upper-division limited access MRA program. Interdepartmental experience and introduction to medical record departments in selected health care facilities.

MRE 3810
Directed Practice II: PR: MRE 3800, HSC 3640, HSC 3531. Quantitative and qualitative analysis; MPI; release of information; filing; admission/discharge processing performed in a health care facility.

MRE 4202
Coding Procedures: PR: MRE 3432, HSC 3531, or C. I. Principles and mechanics of coding systems for health information retrieval, DRGs.

MRE 4203
Coding Procedures II: PR: MRE 4202 or C. I. Continuation of MRE 4202; HCPCS-CPT.

MRE 4304
Medical Record Department Management: PR: MRE 4500; MRE 4312. Analysis of management functions in health care setting; in-service education; equipment demonstrations; problem-solving techniques.

MRE 4312
Analysis of Medical Record Department Operations: PR: MRE 3110; MAN 3025; MAN 3301. Personnel administration; budgeting; forms analysis, design and control; work distribution and simplification; other evaluation techniques. Principles of word processing and medical transcription.

MRE 4400
Health Records and Standards: PR: MRE 3110. Medical record standards and procedures for long-term care; ambulatory care; home health care; HMOs and psychiatric facilities. Principles of consulting. Labs and field trips.

MRE 4420

MRE 4500
Quality Assessment: PR: MRE 3110. Utilization review; principles and mechanics of medical audit and quality assurance; risk management.

MRE 4930
Directed Practice III: PR: MRE 3110; MRE 4202; MRE 3810. Incomplete record control; coding; health/vital statistics; microfilm.
Directed Practice IV: PR: MRE 3110; MRE 4312; MRE 4500; MRE 4830. Indexing abstracting; audit; quality assurance; U.R.; transcription; budget; management of activities in DP 1, II, III; computer applications. Assignment to hospital and other health care facilities.

Management Affiliation: PR: All other required courses. Assignment to a selected health care facility serving in an administrative capacity under the direction of a Registered Record Administrator; lab exercises; comprehensive exam.

Modern Geometries: PR: MAC 3311 or C.I. Sets of axioms and finite geometries, groups of transformations, Euclidean motions of 2-space and 3-space, convexity in 2-space and 3-space; Euclidean geometry of polygon and circle, constructible numbers, constructions and non-Euclidean geometry.

Introduction to Topology: PR: MHF 2300 or C.I. Metric spaces, topological spaces, limit points, continuity, compactness, and connectedness.

Composition I: Creative work in small forms. Open to qualified non-music majors with C.I. May be repeated for credit.

Composition II: PR: C.I. or by audition. Creative work in large and small forms in the area of choral, instrumental, and keyboard media. May be repeated for credit.

Digital Synthesis: An introduction to the world of digital technology and its musical applications.

Advanced Digital Synthesis: PR: MUC 3311. Work on individual projects utilizing sequencing and notational music software which uses several editing techniques.

String Techniques: Class instruction in beginning string playing techniques.

Early Childhood Music and Movement: An examination of the role of music and creative movement in the lives of young children.

Music in the Elementary School: Fundamental procedures for teaching elementary school music, stressing appropriate music materials and activities for different age groups; selected experience in music.

Woodwind Techniques: Class instruction in beginning woodwind playing techniques. May be repeated for credit.

Brass Techniques: Class instruction in beginning brass playing techniques. May be repeated for credit.

Percussion Techniques: Class instruction in beginning percussion playing techniques.

Elementary School Music Instructional Analysis: PR: Junior standing. Organization and administration of instruction for comprehensive music education, K-6; instructional planning, techniques, and materials for elementary music education.

Secondary School Music Instructional Analysis: PR: MUE 4311 or C.I. Instructional planning, techniques and materials in middle school, junior high and senior high classrooms; consideration of general music education program; evaluation materials and procedures.

Marching Band Techniques: PR: C.I. Principles of organizing and training marching bands; planning, charting football shows, rehearsal problems. Guided observations. May be repeated for credit.

Trends in Elementary School Music Education: PR: MUE 3210 or equivalent, or C.I. Advanced study of instructional strategies and materials; integration of music education experiences with classroom activities; personal musical skill development; current research and new curricula.
Trends in Arts Education: PR: Initial Certification or Cl. Investigation of current trends in arts education; development of strategies for utilizing understandings of arts education in the total curriculum of elementary students.

Basic Conducting: Fundamental techniques and practice in conducting.

Choral Conducting: PR: MUG 3101. Fundamental principles of choral conducting and rehearsal techniques. May be repeated for credit.

Instrumental Conducting: PR: MUG 3101. Fundamental principles of instrumental conducting and rehearsal techniques. May be repeated for credit.

Advanced Conducting: PR: C.I. Study of advanced vocal or instrumental conducting techniques. Rehearsal procedures, selection of materials and program-building, interpretation of scores, study and performance of selected works.

History and Literature I: PR: MUT 1112. In-depth study of the development of Western musical styles from antiquity to present.

History and Literature II: PR: MUT 1112. Continuation of MUH 4211.

Review of Music History: PR: C.I. A review of music history from Ancient Greece to the present.

 enjoyment of Music: Only non-music majors. Designed to develop an understanding of musical principles and techniques for listening to music.

Piano Literature I: PR: Major in Music or C.I. Survey of stringed keyboard literature from the 16th century to the present, with emphasis on technical, formal and performance problems.

Piano Literature II: PR: MUL 3400. Continuation of MUL 3400.

Song Literature I: PR: Major in Music or C.I. Survey of the development of the art song from the Baroque to the present, with emphasis on technical, formal and performance problems.

Song Literature II: PR: MUL 3600. Continuation of MUL 3600.

Marching Band: PR: Admission by audition. Preparation for appearance at football games and special occasions. May be repeated for credit.

Concert Band: Open to all students with audition. Study and performance of music for large ensembles. May be repeated for credit.

Wind Ensemble: Open to all students by audition. Study and performance of music for wind ensemble and band. May be repeated for credit.

Community Orchestra: PR: C.I. Open to all students. Audition for wind and percussion players required. Repertoire from symphonic literature. May be repeated for credit.

University Choir: Open to all students by audition. Study and performance of large ensemble music. Possible tours. May be repeated for credit.

Madrigal Singers: Open to all students by audition. Extra rehearsals and Madrigal Dinners required. Tours. May be repeated for credit.

Chamber Chorus: Open to all students by audition. Study and performance of music for small ensembles. May be repeated for credit.
MUN 3383 AS 1(0,3)
Oratorio Choir: Open to all students, faculty, and members of the community for performance of large works. May be repeated for credit.

MUN 3423 AS 1(0,2)
Woodwind Ensemble: PR: C.I. Open to all students. Study and performance of music for small ensembles. May be repeated for credit.

MUN 3433 AS 1(0,2)
Brass Ensemble: PR: C.I. Open to all students. Study and performance of music for small ensembles. May be repeated for credit.

MUN 3443 AS 1(0,2)
Percussion Ensemble: PR: C.I. Open to all students. Study and performance of music for small ensembles. May be repeated for credit.

MUN 3453 AS 1(0,3)
Plano Ensemble: Open to Music Majors or C.I. Study and performance of music for small ensembles. May be repeated for credit.

MUN 3483 AS 1(0,2)
String Ensemble: PR: C.I. Open to all students. Study and performance of music for small ensembles. May be repeated for credit.

MUN 3713 AS 1(0,4)
Jazz Lab: PR: C.I. Open to all students by audition. Study and performance of music for small ensembles. May be repeated for credit.

MUN 3714 AS 1(0,3)
Jazz/Pop Ensemble: PR: C.I. Open to all students. Study and performance of music for small ensembles. May be repeated for credit.

MUO 3503 AS 3(0,3)
Opera Workshop: PR: C.I. Study of expressive emotion in relation to musical theatre; staging and performance of prepared studies of popular music for vocal ensembles. May be repeated for credit.

MUS 1010 AS 0(0,2)
Music Forum: A series of special musical events required of music majors. Includes lectures and recitals by faculty, students, and guest artists.

MUS 2321 AS 8(6,6)
Sophomore Practicum in Recording Arts: Introduction to recording arts, recording engineering, and tapless studio and music video.

MUS 3322 AS 10(8,8)
Junior Practicum in Recording Arts: PR: MUS 2321. Sound reinforcement and concert lighting, tapless studio and music video.

MUS 4323 AS 10(8,8)
Senior Practicum in Recording Arts: PR: MUS 3322. Music business, advanced recording and production, studio maintenance and troubleshooting.

MUS 4330 AS 2(1,1)
Recording Techniques for Classical Music: PR: MUS 2320 or C.I. Concert hall recording techniques for classical music.

MUS 4401 AS 2(1,1)
Studio Teaching: PR: C.I. Management of the music studio; responsibilities and techniques of private instruction for the studio teacher, principles of psychology of music. May be repeated for credit.

MUS 4905 AS 1-4(0-4)
Directed Experience: PR: C.I. and Junior Standing. Special topics of study and/or research as determined by student/faculty consultation. May be repeated for credit.

MUT 1111 AS 2(2,1)
Music Theory IA: Open to all students. Writing, performance, analysis of and music of various stylistic periods.

MUT 1112 AS 2(2,1)

MUT 1241 AS 1(0,2)
Ear Training and Sight Singing IA: Aural and visual/oral comprehension of elements of music--rhythm, melody, harmony, form. Intended to be taken with MUT 1111.

MUT 1242 AS 1(0,2)
MUT 2116  
Music Theory IIA: PR: MUT 1112. Continuation of MUT 1111-1112; writing, performance, and analysis of music of various stylistic periods.

MUT 2117  

MUT 2246  
Ear Training and Sight Singing IIA: PR: MUT 1242. Continuation of MUT 1242. Intended to be taken with MUT 2116.

MUT 2247  
Ear Training and Sight Singing IIB: PR: MUT 2246. Continuation of MUT 2246. Intended to be taken with MUT 2117.

MUT 2248  
Ear Training and Sight Singing III: PR: MUT 2247. Continuation of MUT 2247. Intended to be taken with MUT 3561.

MUT 3353  
Jazz Skills I: PR: C.I. Elements of jazz improvisation. Emphasis on listening, harmony, basic arranging and jazz forms.

MUT 3354  
Jazz Skills II: PR: MUT 3353 or C.I. Continuation of Jazz Skills I.

MUT 3356  
Music Theory III: PR: MUT 2117. Continuation of MUT 2116-2117; writing, performance, and analysis of music of various stylistic periods.

MUT 4031  
Review of Music Theory: PR: C.I. A comprehensive review of harmonic and analytic skills. May be repeated for credit.

MUT 4344  

MUT 5381  

MVB 1211  

MVB 1212  
Secondary French Horn: PR: Consent of Music Chair. CR: Performing ensemble. Advanced instruction in French Horn. Intended for non-music majors. May be repeated for credit.

MVB 1213  

MVB 1214  

MVB 1215  
Secondary Tuba: PR: Consent of Music Chair. CR: Performing ensemble. Advanced instruction in tuba. Intended for non-music majors. May be repeated for credit.

MVB 1411  
Trumpet I: PR: Major in music or consent of chair; audition. May be repeated for credit.

MVB 1412  
French Horn I: PR: Major in music or consent of chair; audition. May be repeated for credit.

MVB 1413  
Trombone I: PR: Major in music or consent of chair; audition. May be repeated for credit.

MVB 1414  
Baritone I: PR: Major in music or consent of chair; audition. May be repeated for credit.

MVB 1415  
Tuba I: PR: Major in music or consent of chair; audition. May be repeated for credit.

MVB 2421  
Trumpet II: PR: MVB 1411 and competence determined by faculty jury. Continuation of MVB 1411. May be repeated for credit.

Piano IV: PR: MVK 3431 and competence determined by faculty jury. Continuation of MVK 3431. May be repeated for credit.

MVK 4443  
Organ IV: PR: MVK 3433 and competence determined by faculty jury. Continuation of MVK 3433. May be repeated for credit.

MVK 4640  
Piano Pedagogy I: PR: C.I. Methods, materials for teaching individuals and classes of children and adults beginning to intermediate levels; demonstration and observation of procedures. May be repeated for credit.

MVK 4641  
Piano Pedagogy II: PR: C.I. Continuation of MVK 4640. Emphasis on intermediate through advanced levels. May be repeated for credit.

MVK 5451  
Piano V: PR: C.I.

MVK 5453  
Organ V: PR: C.I.

MVO 1214  

MVO 3114  
Recorder I: Open to non-music majors. Class instruction in beginning recorder playing.

MVO 3124  
Recorder II: PR: C.I. Class instruction in advanced recorder solo and ensemble playing. Open to music students and non-music students who have taken MVO 3114.

MVO 5250  
Advanced Secondary Instruction: PR: Graduate Standing and C.I. Advanced instructional techniques on a secondary instrument or in voice. May be repeated for credit.

MVP 1211  

MVP 1411  
Percussion I: PR: Major in music or consent of chair; audition. May be repeated for credit.

MVP 2421  
Percussion II: PR: MVP 1411 and competence determined by faculty jury. Continuation of MVP 1411. May be repeated for credit.
MVP 3431
Percussion III: PR: MVP 2421 and competence determined by faculty jury. Continuation of MVP 2421. May be repeated for credit.

MVP 4441
Percussion IV: PR: MVP 3431 and competence determined by faculty jury. Continuation of MVP 3431. May be repeated for credit.

MVP 5451
Percussion V: PR: C.I.

</table>
Survey Research in Public Administration: Introduction to the concepts, design, methodology, computer applications, and data analysis in applied research in the public sector.

Public Administration Internship: PR: C.I. Internship in municipal, county, state, or federal government, including assignments in such fields as personnel, planning, budget, and fiscal, procurement, and public safety.

Ethics and Values in Public Administration: Examination of ethics in the public sector. Public concerns, past patterns, and individual/social aspects of ethical behavior are explored.

Introduction to Urban Planning: Issues of urbanization, regional development, land use and comprehensive planning, environmental planning, and social planning.

Urban Design: Planning techniques such as planned unit developments, capital improvements planning, and growth management, and planning methods, including needs assessment and graphic design.

Land Use and Planning Law: Review of national and local aspects of the legal underpinnings of urban planning aspects such as zoning, growth management, and environmental regulation.

Dispute Resolution in the Public Sector: An examination of the skills needed to resolve disputes in the public sector through facilitation, mediation, and other alternative methods.

Labor Relations in the Public Sector: Current trends and developments in employment relations in the public sector, especially employee organization, negotiations, and the collective bargaining process.

Local Government Operations: Operational Functions of municipal and county governments and the role of the chief executive officer.

Administrative Practice in the Public Sector: The application of various theoretical concepts to the "real world" of public administration. Policy formulation and execution are examined through the case study mode.

Principles of Ecology: 8 hours in biological sciences. Elements of ecosystems, biogeocological cycling, environmental factor interactions, population dynamics, and community development.

Principles of Ecology Laboratory: CR: PCB 3043. Field and laboratory investigations of natural ecosystems, with emphasis on current methodology in ecology.

Genetics: PR: BSC 2010C. Basic principles of heredity as applied to prokaryotes and eukaryotes.

Genetics Laboratory: CR: PCB 3063. Introduction to laboratory techniques of genetics.

Immunology: PR: BSC 2010C. Basic principles of immune reactions, antigen antibody interactions, cell mediated immunity, tumor immunology, and immuno therapy.

Immunology Laboratory: CR: PCB 3233. Introduction to laboratory techniques in immunology.

Molecular Biology I: PR: CHM 3211 and MCB 3013 or C.I. The general principles governing the structure and function of both procaryotic and eucaryotic genes.

Human Physiology: PR: BSC 2010C or equivalent. The physiology and interrelationships of organ systems of the human body.
Limnology I: PR: PCB 3043 or C.I. Introduction to limnology and methods for freshwater ecology, with respect to physical, chemical and biological parameters.

Limnology II: PR: PCB 4302C or C.I. Primary and secondary productivity and interaction among factors such as nutrients, pollutants, temperature radiation, turbidity, and seasons.

Molecular Biology II: PR: PCB 3523. The processes regulating gene function in procaryotes and eucaryotes; specialized genetic aspects underlying multicellular existence, DNA evolution.

Population Biology and Evolution: PR: PCB 3043 and PCB 3063 or equivalents. The demographic and genetic structure of populations and their relationships to basic aspects of evolution and adaptation.

Animal Physiology: PR: PCB 3023 or C.I. Functions of body processes occurring in animals, with emphasis on vertebrate physiology.

Ecosystems of Florida: PR: PCB 3043, PCB 3043L or equivalent. Ecosystems of Florida will be discussed to include geography, geology, climate, energetics, nutrient cycling, community structure and conservation.

Conservation Biology: PR: PCB 3043 and PCB 3063. Scientific basis of conservation; conservation of ecosystems, populations, exploited species, and endangered species. Weekend field trips are required.

Immunopathology: PR: PCB 3233. In-depth overview of diseases due to deficiencies or over-reactivity of the immune system.

Evolutionary Biology: PR: PCB 3043 and PCB 3063 or C.I. Review of concepts in evolutionary biology. Emphasis on evolution at and below the species level; consideration of genetic and ecological factors in divergence and speciation.

Endocrinology: PR: PCB 4723 and BCH 4053 or C.I. Mechanisms of action of hormones; interrelationship between the nervous and endocrine systems.

Interviewing and Counseling: PR: PSY 2013, PPE 3003, CLP 3143 and C.I. A review of various interviewing and counseling theories and techniques used in Mental Health settings as well as practical experience in interviewing and counseling procedures.
Basic Football and Basketball: The analysis of offensive and defensive alignment, techniques, and strategies.

Body Development: An in-depth study of individual physical (musculo-skeletal, neuromuscular, cardiorespiratory) fitness. Emphasis on individual diagnosis, principles, procedures, and conduct of related exercise programs.

Personal Fitness: Study of personal fitness concepts, with opportunities to develop individual optimal level of fitness and an improved lifestyle through high-level wellness.

Strength Resistance Training: Study of fitness and strength development through resistance exercise.

Aerobic Dancing: Appropriate rhythmical muscle toning movements that develop aerobic fitness; concepts taught include warm-up, flexibility, stretching, cool down, and heart rate.

Cycling: Study of the techniques and physiological benefits of the lifetime sport of cycling. This course is activity oriented and requires access to any model bicycle.

Elementary Swimming: For non-swimmers and beginning swimmers. Development and study of technique in the basic skills of water safety and swimming.

Advanced Sports Analysis: Advanced analysis of sports for the purpose of teaching and coaching.

Team Sports: PR: This course is designed to develop skill proficiency and knowledge to plan, implement and evaluate team sports as part of the Physical Education program.

Individual Sports and Leisure Activities: This course is designed to develop skill proficiency and knowledge to plan, implement and evaluate individual sports and leisure activities in physical education programs.

Games for the Elementary School Physical Education Program: The understanding, designing, and teaching of low-organizational game-activities for the elementary school child.

Gymnastics: This course is designed to develop skill proficiency and instructional strategies in gymnastics.

Instructional Analysis in Aquatics: PR: Sophomore standing or C.I. Analysis of aquatic activities for purposes of teaching and coaching. Includes techniques, conditioning, and strategy.

Physical Education Professional Development: (Unsatisfactory/Satisfactory grading). The development in the profession of physical education, and action participation in current activities.

Sports Psychology: A review of principles of psychology related to the enhancement of satisfaction and performance in sports.

Teaching Physical Education in the Elementary and Middle School (K-8): PR: Admission to Junior Block, or C.I. Curricular and instructional considerations for teaching elementary and middle school physical education.

Teaching Physical Education in the Secondary and Middle School (6-12): PR: Admission to Junior Block, or C.I. Curricular and instructional considerations for teaching secondary and middle school physical education.

PET 4035C ED 3(2,1)
Motor Development and Learning: PR: PE Junior standing. An analysis of the theories and factors influencing the motor development of children and the learning of gross and fine motor skills.

PET 4312 ED 3(2,1)
Biomechanics: PR: Anatomy. The comprehension and application of anatomical and mechanical principles involved in human movement.

PET 4351 ED 3(2,1)
Applied Exercise and Human Physiology: An in-depth study of metabolic, neuromuscular, respiratory and cardiovascular physiological concepts and principles with practical application to physical education and sport.

PET 4382 ED 3(2,1)
Fitness Assessment and Exercise Physiology: A study and acquisition of health related fitness, exercise strategies and related assessment techniques.

PET 4401 ED 3(3,0)
Administration and Measurement in Physical Education: This course is designed to address administrative, measurement and evaluation considerations of physical education programs.

PET 4601 ED 3(3,0)

PET 4603 HPA 3(3,0)
Introduction to Sports Medicine: A comprehensive study of care of sports injuries, including instruction in attitudes, health and conditioning in sports participants.

PET 4604 HPA 3(3,0)
Sports Medicine Field Application: Demonstration and Application of the treatment for various sports injuries.

PET 4622 ED 3(2,1)
Human Injuries: PR: Biomechanics or C.I. The prevention, identification, care, and rehabilitation of human injuries.

PET 4623 ED 3(3,0)
Sports Medicine Field Application: Demonstration and Application of the treatment for various sports injuries.

PET 4640 ED 3(3,0)
Adapted Physical Education: Principles and methods of adapting physical education activities and programs for exceptional children and adults; mainstreaming rationale and methods analyzed.

PET 4724 ED 3(3,0)

PET 5355 HPA 3(3,0)
Exercise Physiology and Health: In-depth study of adaptations of cardiovascular and respiratory systems during varying degrees of exercise.

PGY 3401C AS 3(3,0)
Photography: PR: 18 credits of the art core requirement. Beginning photography, technical and aesthetic basis. Designed for upper division art majors with studio skills. Recommended for art majors.

PGY 3610 AS 3(3,0)
Photojournalism I: Introduction to visual communication. History, picture appreciation, layout and design, picture story development, basic camera operation, and ethics. Camera required.

PGY 3620 AS 3(1,2)

PGY 3630 AS 3(2,1)

PGY 3640 AS 3(1,2)

PGY 3680 AS 3(3,0)
PGY 4420C

PGY 4440C
Special Problems in Photography: PR: ART 2201C, 2202C, and PGY 3401C. Designed for upper division art majors with photography concentration. A series of directed photographic problems of a research nature.

PGY 4580C
Special Problems in Film Design: A series of exercises in craft, techniques, and design for film production, including animation.

PHH 3100
Ancient Philosophy: PR: PHI 2010 or C.I. Foundations of Western philosophy in ancient Greek thinking about human beings and nature, including the pre-Socratics, Socrates, Plato, Aristotle.

PHH 3400
Modern Continental Philosophy: Continental European philosophy from the 17th through the 19th century (Descartes to Nietzsche). Rationalism, Kant, and post-Kantian idealism, materialism, and the critique of reason.

PHH 3402

PHH 3601
Contemporary Continental Philosophy: Current trends in philosophy as represented by the phenomenologists, Frankfurt School, structuralists, ecophilosophers, and postmodern deconstructionists. Examples range from Husserl, Habermas to Foucault, Derrida.

PHH 3620
Contemporary Analytic Philosophy: Anglo-American philosophy oriented toward recent developments by Russell, Wittgenstein, and Kripke, including a study of positivism, ideal and ordinary language, and possible-worlds analysis.

PHI 1100
Critical Thinking: An examination of fallacies and other logical abuses in conjunction with an analysis of traditional modes in an attempt to encourage meaningful thought and usage.

PHI 2010
Introduction to Philosophy: Inquiry into the meaning and justification of fundamental ideas and beliefs concerning reality, knowledge, and values; application to relevant topics in ethics, religion, and politics.

PHI 201 OH
Honors Introduction to Philosophy: Same as PHI 2010 with honors-level content.

PHI 3011
Philosophical Reasoning: A study of reasoning in philosophy: the role of inconsistency, infinite regress arguments, modeling, and system building, discovery procedures, diagonalization, and contrast and paradigm case arguments.

PHI 3130
Formal Logic I: A study of sentence and predicate logics, with introduction to modal, epistemic, deontic, multi-valued, and indeterminate logics.

PHI 3131
Formal Logic II: PR: PHI 3130. Systematic study of propositional and first-order predicate logic; logicist systems and axiomatic methods; problems of metatheory, including consistency, completeness, and decidability.

PHI 3320
Philosophy of Mind: Recent and contemporary attempts to understand the relation of mind to body, the relation of consciousness to personhood, and the relation of psychology to neurobiology.

PHI 3400
Philosophy of Law: Study of the nature of, and justifications for, law and punishment. Examination of the concepts of legal personhood, rights and responsibilities.

PHI 3600
Ethics: An examination of the nature of moral problems, judgements and principles, with an emphasis on recent formulations in ethical theory.

PHI 3601 H
Practical Wisdom: A radio course in applied ethics which focuses on the human good, dealing with the relationship between means and ends and how they define one another.
PHI 3630 Practical Ethical Dilemmas: Probes practical ethical problems arising out of advancement and complexities in modern professional life. Considers one or more of the following: medicine, business, technology, law.

PHI 3700 Philosophy of Religion: An examination of basic ideas, beliefs, attitudes, and functions of religion, with emphasis upon questions of conceptual meaning and cognitive justification.

PHI 3800 Aesthetics: An investigation into the nature of human artistic experience, with special reference to questions of form, perception, and style.

PHI 3803 Philosophy and Creativity: A companion course to PHI 3800, Aesthetics. Examines the empirical and metaphysical claims made for creativity; attempts to account for intuition, genius, and intelligence.

PHI 4220 Philosophy of Language: PR: PHI 2010 and 2130: Develops philosophically illuminating descriptions of certain general features of language, such as reference, truth meaning, and necessity.

PHI 4360 Theories of Knowledge: PR: Philosophy major or C.I. Classical and contemporary theories of knowledge. A critical examination of various forms of, and reasons for, skepticism, criteria for truth and justification for belief.

PHI 4400 Philosophy of Science: An examination of the conceptual foundations and methodology of modern science.

PHI 4420 Philosophy of Social Science: An examination of the objectives, methods and guiding norms of the social sciences and their role in the development of human knowledge.

PHI 4500 Metaphysics: PR: Philosophy major or C.I. Topics include appearance and reality, actions and events, necessity and possibility, identity, nature of persons, mind-body dualism, causality, and free will and determinism.

PHM 3100 Freedom and Justice: Philosophical analysis and evaluation of selected issues arising from the interaction of the individual, society, and the state; includes topics such as freedom, equality, and justice.

PHM 3350 Introduction to Marxism: A study of the basic principles of Marxism, formulated and developed by Marx and Engels.

PHM 4123 Feminist Theory: Study of the evolution of feminist thought and an examination of contemporary issues and perspectives in feminist theory and their relation to divergent feminist practices.

PHP 3786 Existentialism: Study of existentialist analysis and criticism of the human situation as found in the writings of such philosophers as Kierkegaard, Nietzsche, Heidegger, Sartre, and Camus.

PHT 3002C Foundations of Physical Therapy I: The role of the therapist in the health care team. Professionalism, professional communication and care-giving skills and attitudes are emphasized.

PHT 3003C Foundations of Physical Therapy II: A continuation of Foundations 1. Focus will be on establishing effective helping relationships and interpersonal competence.

PHT 3110C Clinical Gross Anatomy: An in-depth study of human morphology emphasizing musculoskeletal, neuromuscular, cardiovascular and respiratory systems. Regional cadaver dissection. Surface anatomy and developmental considerations will be integrated.

PHT 3120C Clinical Kinesiology: A multidisciplinary consideration of normal and abnormal human movement, including recognition, measurement, evaluation and characterization from musculoskeletal, neurological and pathological perspectives.

PHT 3142C Clinical Neuroscience: An integrated study of normal and disturbed neuromorphology and behavioral sequelae. Focus on motor and sensory functioning and related assessment skills.
PHT 3155C  
Physiology of Therapeutic Exercise: PR: PCB 3703C. Principles of exercise physiology in conditioning and deconditioning integrated into assessment and treatment plans for healthy patients and those with cardiopulmonary musculoskeletal neurological or selected metabolic disease.

PHT 3170  
Functional Histology: A rigorous treatment of the histology of primary tissues followed by musculoskeletal, neuromuscular, cardiovascular and respiratory systems. Structural interrelationships relative to function will be emphasized.

PHT 3200C  
Introduction to Caring For Patients: Basic skills of patient care: evaluation, intervention strategies, gait training, massage, and medical terminology. Includes one week of supervised orientation in a clinical facility. CPR certification required.

PHT 3216C  

PHT 3217C  
Theory and Procedures of Physical Therapy II: Continuation of Theory and Procedures I. Focus on electrodiagnosis and electrophysiologic assessment and treatment of pain and broad spectrum of disabilities.

PHT 3222C  
Therapeutic Exercise I: Theory and practice in developing, implementing, and evaluating an exercise program for patients with musculoskeletal dysfunction.

PHT 3223C  

PHT 3350  
Medical Science and Pharmacology I: Organized seminars on the pathophysiology and clinical manifestations of various medical conditions as they relate to medical management in physical therapy practice.

PHT 3600  
Introduction to Clinical Research: PR: STA 3023. Methods of research applied to clinical environment of physical therapy. Coverage of the language, logic, design and analysis of clinical research.

PHT 3821  
Clinical Education I: Three weeks of supervised education in clinical facilities. Application of objectives of courses previously completed.

PHT 4001  
Professional Issues: Current issues on professionalism in physical therapy practice. Student presentations.

PHT 4004C  
Foundations in Physical Therapy III: Philosophical and theoretical bases of health and illness, health promotion and prevention, the role of physical therapy and the health care delivery system.

PHT 4232C  
Therapeutic Exercise III: Development of care plans for patients with brain/brain stem pathology. Introduction to the theoretical applications for Bobath, Brunnstrom, Rood and Voss.

PHT 4233C  
Therapeutic Exercise IV: Application of prosthetic and orthotic components, alignment, fabrication and fitting, with emphasis on the lower extremity. Includes gait analysis and exercise programs.

PHT 4300  
Medical Science and Pharmacology II: The impact on movement and posture of various orthopedic and neurological disorders: drugs used in their management. Relates neuropathology and orthopedic pathology to the study of movement.

PHT 4310C  
Orthopedic Problems in Physical Therapy: Critical study of physical therapy examination, assessment and treatments for pain and stress management related to musculoskeletal system.

PHT 4311C  
Neurological Problems in Physical Therapy: Analysis of selected neuromotor theories and their clinical applications. Advanced evaluation and treatment procedures. The use of research to determine optimum regimen in treating neurological patients.

</table>
### PHY 5100
**Topics in Contemporary Physics for Teachers:** PR: C.I. The study of recent findings in a selected area such as particle physics, surface physics, planetary atmospheres, lasers, geophysics, etc.

### PHY 5200C
**Newtonian Mechanics for Teachers:** PR: C.I. A lab, lecture, demonstration course studying selected topics in classical mechanics.

### PHY 5240

### PHY 5300C
**Electricity for Teachers:** PR: C.I. Circuits, multimeters, oscilloscopes, circuit elements.

### PHY 5302C
**Electromagnetism for Teachers:** PR: C.I. Gauss’ Law, Biot-Savart Law, Ampere’s Law, Faraday’s Law, Lenz’s law, motors, generators, AC circuits and Maxwell’s Equations.

### PHY 5346
**Electrodynamics 1:** PR: PHY 4324, MAP 3302, or C.I. Boundary value problems in electrostatics and magnetostatics. Maxwell equations. EM fields in matter, wave generation and propagation; wave guides, resonant cavities.

### PHY 5401C
**Optics for Teachers:** PR: C.I. Geometrical and physical optics, spectrometers and lasers.

### PHY 5431
**Optical Properties of Materials:** PR: PHY 4324, MAP 3302, PHY 4424. Normal modes (dipole and Raman active); microscopic theory of absorption, dispersion, and refraction; wave propagation, crystal optics; scattering mechanisms; optical activity.

### PHY 5446
**Laser Principles:** PR: PHY 3101, MAP 3302. PHY 4424. Classical introduction to the basic principles of laser gain media, properties of resonators and modes, description of specific laser systems.

### PHY 5465C
**Wave Motion for Teachers:** PR: C.I. Water waves, waves on strings, sound and vibrations.

### PHY 5500C
**Thermal Physics for Teachers:** PR: C.I. Engines, heat pumps, kinetic theory, phase changes, radiation, weather.

### PHY 5524
**Statistical Physics:** PR: PHY 3503, STA 3032, or C.I. A study of physical concepts and methods appropriate for the description of systems involving many particles. Ensemble theory, partition functions. Maxwell Boltzmann, Bose-Einstein, Fermi-Dirac statistics.

### PHY 5601
**Quantum Physics for Teachers:** PR: C.I. Hydrogen atom, diatomic molecules, heat capacity transition rates.

### PHY 5606
**Quantum Mechanics I:** PR: PHY 4605 or C.I. Basic postulates of quantum mechanics, operators, eigenvalues, parity, potential wells, harmonic oscillator, time dependent and time independent Schrodinger equation, matrix formulation, time independent perturbation theory.

### PHZ 3113
**Introduction to Theoretical Methods of Physics:** PR: MAP 3302. Analytical techniques to solve problems of physics.

### PHZ 3151
**Computer Methods in Physics:** PR: PHY 3101. Nonanalytical problems in physics and astronomy solved by approximation with computer assistance.

### PHZ 3271
**Geophysics:** PR: PHY 3049 and MAP 3302. Introduction to the methods and techniques used in applied geophysics. Seismic wave propagation, flow through porous media, electromagnetic remote sensing gravitation.

### PHZ 5150C
**Computer Methods in Physics for Teachers:** PR: C.I. Trajectories with air resistance, trajectories in rotating space colonies, refraction of waves in continuous media, luminosity patterns, temperature profiles.
PHZ 5301C
Nuclear Physics for Teachers: PR: C.I. The interaction of ionizing radiation with matter, alpha, beta, gamma decay, fission, fission, neutron activation, half lives, and equilibrium.

PHZ 5304
Nuclear and Particle Physics: PR: PHY 4604 or equivalent. Particles and nuclei, symmetries and conservation laws, interactions, models.

PHZ 5405

PHZ 5505
Plasma Physics: PR: PHY 4324, or C.I. Introduction to theory and experimental basis of both weakly and highly ionized plasmas. Instabilities, plasma waves, nonlinear effects, controlled thermonuclear fusion.

PHZ 5600
Special Relativity for Teachers: PR: C.I. Length contraction, time dilation, simultaneity, conservation of mass-energy, conservation of momentum, Compton scattering.

PLA 3013
Law and the Legal System: A survey course designed to familiarize the student with the American legal system, ethical considerations, terminology, legal reasoning, and the role of the legal assistant.

PLA 3105
Legal Research: PR: PLA 3013 or C.I. A study of the various research tools used in legal investigation and the methods used to conduct legal research.

PLA 3155
Legal Writing: PR: PLA 3105. A study of legal writing format and technique and the preparation of memoranda and other legal documents, using research skills learned in PLA 3105.

PLA 3203
Civil Practice and Procedure: PR: PLA 3013 or C.I. The student becomes familiar with the Florida civil procedure before trial and acquires the ability to prepare basic pleadings.

PLA 3273
The Law of Torts: PR: PLA 3013 or C.I. Theories governing liability for civil injuries not arising from contractual obligations; systems and procedures used in preparation, trial and appeal of Torts cases.

PLA 3304
Criminal Law: Basic concepts of substantive criminal law. The course includes examination of elements of major crimes, criminal responsibility, legal defenses, and parties to crime.

PLA 3308
Criminal Procedure: PR: PLA 3013 or CCJ 3020 or C.I. Rules of criminal procedure, with emphasis on Florida rules, including right to counsel, bail, search and seizure, arrest, identification, trial, and post-trial proceedings.

PLA 3504
Property and Real Estate Law: PR: PLA 3013. Study of the law of real and personal property; real estate transactions and conveyances; closing procedures and title problems.

PLA 3XXX
Criminal Law: Basic concepts of substantive criminal law. The course includes examination of elements of major crimes, criminal responsibility, legal defenses, and parties to crime.

PLA 4003
Careers in Legal Studies: PR: Major in Legal Studies or C.I. Applications of Legal Studies. Students will explore options in legal studies, professional development, and ethics.

PLA 4020
Law and Society: Examination of the relationship between law and American society including the impact on the legal system and legal profession of major social movements.

PLA 4263
Evidence: PR: PLA 3013 and 3203 or C.I. An examination of statutes and cases that define rules of evidence for trial courts. Primary emphasis is on the Florida Evidence Code.

PLA 4408
The Law of Contracts: Study of the basic law of contracts as developed in Anglo-American law and as changed by modern statutes, including the Uniform Commercial Code. Florida contract law will be emphasized.

PLA 4433
Florida Partnerships and Corporations: Statutory requirements of Florida partnerships and corporations; creation and dissolution of business organizations, responsibilities of officers and basic rights of stockholders.
PLA 4483  Administrative Law: PR: PLA 3013 or PAD 3003. The law regarding governmental agencies with emphasis on the administrative process, Administrative Procedure Acts and special problems of state administrative law.

PLA 4584  Land Use and Environmental Law: PR: PLA 3013, 3504. Study of the law relating to private and public restraints on land use, including planning, zoning, subdivision and building regulations, with emphasis on recent interpretations by judiciary for environmental protection.

PLA 4585  Landlord and Tenant Law: PR: PLA 3013, LEA 3504. Study of the basic law regarding landlord and tenant relationship, both commercial and residential, as it applies to the practitioner.

PLA 4603  Estates and Trusts: PR: PLA 3013, 3504. A study of wills and trusts, and applicable legal principles of administration of estates through the processes of the Probate Court.

PLA 4623  Estate Administration: PR: PLA 4603. Study of the laws and procedures applicable to administration of estates.

PLA 4753  Law Office Practices: PR: PLA 3013. Organization, operation and management of law office. Interviewing techniques and practical application of work that is done in a law office.

PLA 4803  Domestic Relations Law: PR: PLA 3013, 3504. Role of the legal assistant in all phases of family and juvenile law. Fundamental procedures and principles applied by the courts to family problems.

PLA 4813  Juvenile Law and Procedure: PR: PLA 3013 or C.I. Examines both the substantive and procedural law for juvenile delinquency and dependency. Emphasis on Florida law and comparison with other jurisdictions.

POS 2041  American National Government: A study of the dynamics of American national government, including its structure, organization, powers, and procedures.

POS 2041H  Honors American National Government. Same as POS 2041 with honors-level content.

POS 3122  State Government and Public Policy: A comparative study of American state governments, political processes, and public policies, with emphasis on Florida.

POS 3173  Southern Politics: PR: POS 2041 or C.I. Study of southern politics past and present. Emphasis on factors effecting changes in the region and the states. Southern and national relationship examined.

POS 3233  Public Opinion: A substantive and theoretical study of public opinion, with emphasis on opinion formation, opinion measurement, policy linkages. May include field experiences in polling.

POS 3235  Mass Media and Politics: PR: POS 2041 or C.I. Influence of media on campaigns, public officials, public opinion, the definition of political news, and selected public policies.

POS 3253  Contemporary Revolution and Political Violence: Theories and cases of revolutionary change and political violence in the contemporary world.

POS 3273  Voting and Elections: Theoretical and substantive inquiry into U.S. electoral system; includes focus on voter behavior as well as national and state electoral systems.

</table>
POT 4025 AS 3(3,0)
Ancient, Medieval and Early Modern Political Philosophy: Study of the development of political and social ideas in western thought from early Greece through the 17th century.

POT 4054 AS 3(3,0)
Modern Political Philosophy: Study of the development of political and social ideas from the 18th century to the present. May be taken independently of POT 4045 (Ancient, Medieval and Early Modern Political Philosophy).

POT 4066 AS 3(3,0)
Contemporary Political Theory: Introduction to the contemporary debate about the status of rights, utilitarianism, and liberalism, and community/communist, libertarian, and feminist critiques of liberalism.

POT 4144 AS 3(3,0)
Contemporary Democratic Theory: PR: POS 2041 or C.I. Study of democratic theories, emphasizing liberal democracy and its critics, elitist theories, participatory democracy, citizen participation, and relevance of empirical research to democratic theory.

POT 4414 AS 3(3,0)
Marxist Political Theory: Survey of Marx & Engels and other thinkers, exposing the theoretical underpinnings of nations and groups who have adapted Marxist principles for governance.

PPE 3003 AS 3(3,0)

PPE 5055 AS 3(3,0)
Personality Theories: PR: G.A. or C.I. Critical theoretical models of personality development with applications to counseling, psychotherapy and psychological assessment.

PSB 3002 AS 4(4,0)

PSB 3442 AS 3(3,0)

PSB 3842 AS 3(3,0)

PSB 4013C AS 4(2,2)

PSB 4103C AS 3(2,2)

PSB 5005 AS 3(3,0)
Physiological Psychology: PR: PSB 3002 or C.I. An advanced survey of the physiological basis of behavior, emphasizing the relationship between the nervous system and behavior.

PSC 1121 AS 3(3,0)
Physical Science: PR: MAC 1104 or MGF 1203. Fundamental laws of mechanics, heat, waves, electricity, magnetism; chemical processes and equations, properties of gases, liquids, solids, solutions. Mathematical analysis and logic applied to conclusions, inferences.

PSC 1121L AS 1(0,2)
Physical Science Lab: CR: PSC 1512. Experiments to apply the scientific method to observation and analysis in mechanics, heat, light, electricity and magnetism, chemical and physical transformations.

PSY 2013 AS 3(3,0)
General Psychology: An introductory survey of the basic principles, theories, and methods of contemporary psychology.

PSY 2013H AS 3(3,0)
Honors General Psychology: Same as PSY 2013 with honors-level content.

PSY 2023 AS 1(1,0)
Careers in Psychology: PR: PSY 2013. An examination of various career opportunities in Psychology, including educational entry requirements, and related professional issues. Graded "S" or "U."

PSY 3204 AS 4(3,2)
Statistical Methods in Psychology: PR: STA 2014 and PSY 3214. Standard scores, confidence intervals, sampling distributions, hypothesis testing, correlation and regression as applied to research in psychology.

PSY 3302 Psychological Measurement: PR: PSY 2013 and STA 2014 or 3023. A study of the theory underlying psychological tests and measurements procedures, including reliability, validity, and item analysis.

PSY 3624 Parapsychology: PR: PSY 2013. An examination of the history and development of research on paranormal phenomena, with special emphasis on recent developments in extrasensory perception and psychokinesis.

PSY 3951 Undergraduate Field Work: PR: C.I. Placement in a community agency for supervised experience in applications of psychology to community problems.

PSY 4604 History and Systems of Psychology: PR: EXP 3404 and PPE 3003. Historical development of psychology, with emphasis on classical theoretical positions.

PUP 3204 Environmental Politics: An examination of politics and policy-making concerning issues of conservation, pollution and development of land, air, and water resources.

PUP 3314 Minorities in American Politics: Historical and contemporary role of minority groups in the American political process, including an examination of their electoral significance and relevant legislative, executive, and judicial policies.

PUP 3508 Introduction to Space Studies: Broad-based multidisciplinary introduction to space studies, providing familiarity with some technical aspects as well as the relationship between technical and public policy considerations.

PUP 4003 American Public Policy: PR: POS 2041 or C.I. Policy formation, implementation and evaluation, with a focus upon contemporary American problems, including the malapportionment of societal power and social conflict.

PUP 4323 Women and Politics: An examination of demands for change in the social, political, and economic status of women and the policy response of the system.

PUP 4503 Government & Science: PR: C.I. Examination of interface between science and government. Focus is upon governmental support for science, social accountability, and role of the scientist-policy maker in comparative context.

PUP 4510 Space Policy: An examination of the politics and policy-making involved with the US space program in the context of domestic demands and other international space programs.

PUP 4602 Politics of Health: PR: C.I. Analysis of public health policies. Primary focus upon political processes, policymakers, and interest group interventions, including consumers and policy outcomes. Comparative health policies.

PUP 4931 Topics in Public Policy: Intensive analysis of a current policy problem. Sample topics include education, growth management, housing, affirmative action, welfare, and transportation. May be repeated once.

PUR 3100 Writing for Public Relations: PR: Grammar Proficiency Examination, and typing test. Development of skills in writing for public relations.

PUR 4000 Public Relations: Principles and practice of Public Relations including techniques, research, tools, publicity, and management.
Public Relations Publications: PR: PUR 4000, PUR 3100 Provides basic principles and techniques of desktop production of public relations publications.

Public Relations Campaigns: PR: PUR 4000 or C.I. Planning and execution of public relations campaigns for profit and non-profit organizations.

Clinical Radiobiology: Application of the principles and theories of radiobiology to the clinical practice of radiation therapy.

Oncologic Pathology: PR: Acceptance to program. Study of neoplastic diseases, including causative factors, characteristics, histologic grading, staging and treatment.

Radiation Therapy Physics I: PR: Acceptance to program. Study of radiation production, properties, interactions, measurement, and protection.

Radiation Oncology I: Methods of radiation therapy treatment of malignant conditions of the skin, oral cavity, pharynx, sinuses, thyroid, digestive and respiratory systems.

Radiation Oncology II: Methods of treatment of malignant conditions of the nervous system, eye, reproductive system, urinary system, connective tissue, and lympho-reticular system.

Radiation Therapy Physics II: PR: RAT 3614. Study of radiation protection techniques, design considerations, modes and characteristics of decay, handling of radionuclides and clinical dosimetry.

Basic Foundations of Reading: PR: Junior Standing or C.I. Introduction to reading: principles, procedures, and current practices. Study of specific techniques and materials for word attack and comprehension.

Diagnostic and Corrective Reading Strategies: PR: RED 3012 or C.I. and admission to Phase II. An investigation of the needs of individual learners in reading instruction. Organization and techniques for promoting optimum reading growth. Concurrent school experiences required.

Developmental Reading: Principles, procedures, organization, and current practices in the elementary reading program. Materials and methods of instruction.

Fundamentals of Real Estate: PR: Junior standing. Emphasis placed upon the application of basic tools of economics, finance, and marketing to solve private and public sector real estate problems.

Real Estate Appraisal & Valuation: PR: FIN 3403, FIN 3303, FIN 3404, FIN 3504, FIN 3453. Focus on the fundamentals of real estate valuation utilizing tools of financial and economic analysis.

Real Estate Finance: PR: FIN 3403, FIN 3303, FIN 3404, FIN 3504, FIN 3453. Focus on the fundamentals of real estate finance utilizing tools of financial and economic analysis.

Real Estate Investment Analysis: PR: FIN 3403, FIN 3303, FIN 3404, FIN 3504, FIN 3453. Focus on real estate decision-making in the private sector utilizing tools of financial and economic analysis.
REE 4433  BA 3 (3.0)  
Real Estate Law: PR: Admission to the College of Business. An analysis of real estate law with emphasis on Florida statutes and case law.

REL 2300  AS 3(3.0)  
World Religions: Basic features and historical background on Confucianism, Taoism, Hinduism, Buddhism, Judaism, Christianity, and Islam.

REL 3600  AS 3(3.0)  
Studies in Judaism: An inquiry into the foundations and development of Jewish thought in various parts of the world.

RET 3026C  HPA 4(3,3)  
Introduction to Respiratory Therapy: PR: Admission to the professional upper-division Respiratory Therapy Program. Fundamental respiratory principles and practices will be studied. Introduction to the profession and basic methods are covered. Lecture and lab.

RET 3264C  HPA 3(2,3)  
Mechanical Ventilation: PR: RET 3026C. Function and use of mechanical ventilators, patient evaluation methods. All forms of ventilatory support will be studied. Lecture and laboratory.

RET 3483  HPA 1(1,1)  
Respiratory Disease Assessment: PR: RET 3026C. Physical examination of the chest, demonstrating equipment use, methods and theory. Chest radiography will be extensively covered. Lecture and demonstration.

RET 3484C  HPA 4(3,3)  

RET 3714C  HPA 4(3,3)  
Pediatric Respiratory care: PR: C.I. The study of childhood respiratory diseases, congenital problems, infections, metabolism disorders, and AIDS.

RET 3874  HPA 5(1,16)  

RET 3875  HPA 8(1,24)  
Clinical Practice II: PR: C.I. Patient care with advanced respiratory equipment. Tracheostomy care. Introduction to cardiopulmonary resuscitation. Introduction to critical care units. Advanced life support techniques and equipment.

RET 4034  HPA 2(2,0)  

RET 4244  HPA 3(3.0)  

RET 4284  HPA 3(3.0)  
Cardiopulmonary Diagnostics I: PR: RET 4244C. Non-invasive cardiac diagnostics, including echocardiography, nuclear cardiology, and stress testing.

RET 4285  HPA 3(3.0)  
Cardiopulmonary Diagnostics II: PR: RET 4244C and RET 4284C. Invasive cardiac diagnostic and therapeutic measures, including cardiac catheterization, PTCA, streptokinase use, and heart surgery.

RET 4414C  HPA 4(3,3)  
Pulmonary Function Studies: PR: RET 3026C. Detailed procedures and tests to provide information for diagnosis of pulmonary disease. Lecture-laboratory.

RET 4441  HPA 4(3,3)  
Vascular Ultrasound: Study of application of ultrasound in the diagnosis of vascular diseases. Includes doppler and color flow doppler examination of arterial and venous systems.

RET 4443  HPA 4(3,3)  
Advanced Cardiac Ultrasound: PR: RET 4284 or C.I. Study of advanced applications of ultrasound in the diagnosis of cardiac abnormalities. Two-dimensional echo, conventional doppler, and color doppler covered.

RET 4503  HPA 4(4.0)  
Chest Medicine: PR: APB 3263C. Disease states treated medically in conjunction with one or more modalities of respiratory therapy.

327
RTE 4207  HPA 3(3,0)  
Methods in Radiology Management: Concepts of radiology department management, including principles, personnel management, evaluation and improvement techniques, budgeting, financial considerations and legal aspects, and JCAH quality assurance specifications.

RTE 4209  HPA 2(0,8)  
Radiological Administrative Practice: A directed practice in the management of a radiology department, with application of theory and methodology.

RTE 4385  HPA 1(1,0)  
Radiobiology: PR: RTE 3367C. A study of the effects of ionizing radiation on biologic systems. The responses at the cellular and total organism level are investigated.

RTE 4473  HPA 3(3,0)  
Advanced Imaging Modalities: PR: RTE 3563 and CGS 1060 or C.I. A study of the physical principles and applications of computer tomography, digital imaging, ultrasound, magnetic resonance imaging, and other specialized modalities.

RTE 4473  HPA 3(3,0)  
Quality Assurance: PR: RTE 3367C or C.I. Quality control evaluation of radiographic, fluoroscopic and tomographic imaging systems. Implementation procedures, equipment selection criteria, and processing quality control are also addressed.

RTE 4763  HPA 3(3,0)  
Anatomy for the Medical Imager: A study of the normal anatomical structures and interrelationships of structures as demonstrated in a radiographic and cross-sectional imaging reference.

RTV 3000  AS 3(3,0)  
Foundations of Broadcasting: Nature of the media, the mechanics of operation, history, economics, programming, and internal and external control.

RTV 3200  AS 4(1,3)  
Broadcast Techniques: PR or CR: RTV 3000. Introduction to audio production and multi-camera video production. Instruction in audio mixers, microphones, and tape recorders and TV studio production equipment (cameras, switchers, etc.)

RTV 3210  AS 4(1,3)  
Radio Production: PR: RTV 3200 or C.I. The production of music (live and recorded), talk, interview, discussion, sports, and documentary, including performance (talent and announcing) and direction.

RTV 3223  AS 3(2,1)  
Lighting for Video: PR: RTV 3200. Basic lighting techniques for both studio and location, single and multiple-camera video production.

RTV 3231  AS 4(1,3)  
Broadcast Announcing and Performance: PR: RTV 3200 or C.I. A study of communication problems on camera and microphone. Development of performance skills in announcing, interviewing, narrating, and reporting, Lab TBA.

RTV 3260  AS 4(1,3)  

RTV 3300  AS 4(1,3)  
Broadcast Newswriting: PR: Grammar Proficiency Examination and departmental typing exam. The study and practice of writing news for radio and television.

Advanced Broadcast Newswriting: PR: RTV 3300. The writing of in-depth news items, including documentaries, features, and investigative materials.

RTV 3501  AS 3(1,2)  
Broadcast Copywriting: PR: Grammar Proficiency Examination and School Typing Exam. Preparation of written public service and commercial copy for radio and television.

329
RTV 3810 Broadcast Promotion: PR: RTV 3200. Examination of techniques that stations use to keep listeners and viewers and to attract new ones. Use of advertising and merchandising.

RTV 3942 Television Practicum: PR: RTV 3200 and C.I. Primarily an activity course. Student will serve in some position of responsibility for UCF Weekly News or other TV activity. Can be repeated.

RTV 4206 Television Directing: PR: RTV 3200 and RTV 3260. Preparation and direction of programs, with emphasis on dramatic values of composition.

RTV 4403 Radio, Television and Society: PR: RTV 3000 for RTV majors. A study of the impact of electronic media upon the habits, customs, and thinking of our times. Considerations of internal media problems.

RTV 4404 International Broadcasting: PR: RTV 3000. Comparative analysis of national broadcast systems. World broadcasting as a social, political, and economic force.

RTV 4700 Regulation of Broadcasting: PR: RTV 3000. Federal, state, local and self-regulatory agencies and practices which govern electronic media.

RTV 4800 Broadcast Management: PR: RTV 4700. Examination of broadcast management problems in station operations at local, regional, and national levels.

RUS 1115 Basic Review of Russian: A review of Russian grammar, vocabulary and civilization. For students with previous instruction in German. Graded S or U.

RUS 1120 Elementary Russian Language and Civilization I: Designed to initiate the student to the major language skills: Open only to students with no previous experience with this language.

RUS 1121 Elementary Russian Language and Civilization II: PR: RUS 1115, RUS 1120, or experience with this language. Continuation of RUS 1120.

RUS 2210 Intensive Russian Conversation: PR: One year of Russian or equivalent. Practical use of the language, leading toward fluency and correctness in speaking.

RUS 2230 Intermediate Russian Language and Civilization I: PR: RUS 1121 or equivalent. Development of language skills and cultural knowledge at the intermediate level.

RUS 2231 Intermediate Russian Language and Civilization II: PR: RUS 2230 or equivalent. Continuation of RUS 2230, with emphasis on Russian civilization.

RUS 3240 Russian Conversation: PR: RUS 2231 or equivalent. Development of skills in conversation and comprehension through practice. This course may be repeated for credit. When repeated, credit will apply to general electives only.

RUS 3420 Russian Composition: PR: RUS 2231 or equivalent. Development of skills in composition. This course may be repeated for credit. When repeated, credit will apply to general electives only.

RUS 4411 Advanced Russian Conversation: PR: RUS 3240. An advanced conversation course on directed topics from various domains of public life and disciplines.

RUS 4421 Advanced Russian Composition: PR RUS 3420. An in-depth study of stylistic and grammatical mechanisms of Russian literary styles.

RUW 3100 Survey of Russian Literature I: PR: RUS 2231. A survey course of the major Russian writers and poets from Pushkin to Turgenev.
<table>

<tbody>
<tr>
<td>RUW 3101</td>
<td>Survey of Russian Literature II</td>
<td>RUS 2231</td>
<td>A survey course of the major Russian writers and poets from Dostoyevsky to the present.</td>
</tr>
<tr>
<td>RUW 3370</td>
<td>The Russian Short Story</td>
<td>RUS 2231</td>
<td>Masterpieces of the Russian short story from Pushkin to Bulgakov.</td>
</tr>
<tr>
<td>RUW 4330</td>
<td>Russian Poetry</td>
<td>RUS 2231</td>
<td>A survey of Russian poetry from Zhukovsky to the present.</td>
</tr>
<tr>
<td>RUW 4480</td>
<td>Contemporary Soviet Literature</td>
<td>RUS 2231</td>
<td>A study of the major trends in Soviet literature from Solgoub to Aksyenov.</td>
</tr>
<tr>
<td>RUW 4481</td>
<td>Soviet Underground and Emigre Literature</td>
<td>RUS 2231</td>
<td>A study of Soviet underground and dissident literature from Zamyatin to the present.</td>
</tr>
<tr>
<td>SCE 3310</td>
<td>Teaching Science in Elementary School</td>
<td>Junior standing or C.I.</td>
<td>Selected concepts; organizing for instruction; techniques; evaluation procedures.</td>
</tr>
<tr>
<td>SCE 4023</td>
<td>Teaching Science and Technology to Young Children</td>
<td>EDG 4321 or C.I.</td>
<td>Provides the knowledge and skills needed to plan and implement a discovery science/design technology program for young children in an integrated, interactive curriculum.</td>
</tr>
<tr>
<td>SCE 4360</td>
<td>Science Instructional Analysis</td>
<td>EDG 4321 or C.I.</td>
<td>Course objectives for a school curriculum and methods and materials for the middle grades and high school.</td>
</tr>
<tr>
<td>SCE 5716</td>
<td>Methods in Elementary School Science</td>
<td></td>
<td>Organization of instruction in elementary school science including methods, evaluation, materials, strategies, and current practices.</td>
</tr>
<tr>
<td>SCE 5825</td>
<td>Space Science for Educators</td>
<td>Senior standing or C.I.</td>
<td>Introduction to space science, manned space flight and space education curriculum.</td>
</tr>
<tr>
<td>SLS 2311</td>
<td>Overview of Selected Medical Careers</td>
<td></td>
<td>Introduction to medical careers in medicine, dentistry, veterinary medicine, osteopathic medicine, optometry, chiropractic medicine, podiatry, and pharmacy. Graded “S” or “U.”</td>
</tr>
<tr>
<td>SOP 3004</td>
<td>Social Psychology</td>
<td>PSY 2013</td>
<td>Effects of social situations and social variables on the behavior of individuals.</td>
</tr>
<tr>
<td>SOP 3724</td>
<td>The Psychology of Racial Prejudice</td>
<td>PSY 2013</td>
<td>Examination of literature relating to prejudice toward ethnic groups; effects of racism on individuals, development and maintenance of prejudice, and possible ways to reduce prejudice.</td>
</tr>
<tr>
<td>SOP 3742</td>
<td>Psychology of Women</td>
<td>PSY 2013</td>
<td>Examination of the psychological impact of changing sex roles on women in modern society. Topics include childrearing, working women, and sex differences in personality and cognition.</td>
</tr>
<tr>
<td>SOP 3772</td>
<td>Sexual Behavior</td>
<td>PSY 2013</td>
<td>Physiological, social, and clinical aspects of human sexuality.</td>
</tr>
<tr>
<td>SOW 3111</td>
<td>Assessing Human Systems</td>
<td></td>
<td>Development of skills in assessing families, groups, organizations, and communities, their impact on human functioning, and their potential for providing social support.</td>
</tr>
<tr>
<td>SOW 3203</td>
<td>Social Welfare and Community Resources</td>
<td></td>
<td>Study of social welfare, programs and services, including socio-cultural, political, economic, and historical forces affecting changes in societal responses to human needs.</td>
</tr>
<tr>
<td>SOW 3232</td>
<td>Social Welfare Policies and Issues</td>
<td>SOW 3203 or equivalent</td>
<td>Development of skills needed to critically analyze social welfare goals, structures, and practices. Proposes improvements in societal resource systems.</td>
</tr>
</tbody>
</table>
SOW 3300 Generalist Practice in Social Work: Study of social work functions, knowledge, values, and skills. Development of ability to use a generalist model of practice.

SOW 3352 Interpersonal Skills in Social Work Practice: Study and practice of interviewing, group leadership, written communication, and oral presentations, in consensual as well as conflictual contexts of social work.

SOW 3401 Social Work Research: PR: CGS 1050C. Study of quantitative and qualitative methods of building knowledge for social work and the ethical use of research in professional practice.

SOW 4341 Micro-Level Roles and Interventions in Social Work: PR: SOW 3300, SOW 3352. Study and simulated practice of roles and tasks in systemic problem solving with individuals, families, and supportive and remedial groups.

SOW 4343 Macro-Level Roles and Interventions in Social Work: PR: SOW 3300, SOW 3352. Study and simulated practice of roles and tasks in systemic problem solving to obtain and improve social welfare resources within organizations and communities.

SOW 4341 Evaluating Social Work Practice and Service Programs: PR: SOW 3401, SOW 3300. The study of systematic data collection and of measurement of change in individuals, families, groups, programs, and communities.

SOW 4510 Field Education: PR: Completion of required courses in major: GPA 2.5 in major. CR: SOW 4522, SOW 4620. Supervised learning experiences in agencies which relate social work practice to theory, involving 420 clock hours in the field.

SOW 4522 Field Education Seminar: PR: Completion of required courses in major: CR: SOW 4510, SOW 4620. Weekly seminar to examine the field experience and to relate theory with practice situations.

SOW 4620 Social Work in Health Settings: Study of social work roles, interventions, and issues related to helping patients in health settings.

SOW 4645 Social Services for the Elderly: Development of interventive skills for obtaining, providing, and improving social services in behalf of elderly persons and their families.

SOW 4510 Human Behavior and Social Environment I: Individual and study of human development and psychosocial functioning of individuals at various life stages with particular attention to implications of human diversity.

SOW 4510 Human Behavior and Social Environment II: Social Systems: Study of the patterns and dynamics of families, groups, organizations, and communities from a social work and a systems perspective.

SOW 5105 Client Populations: Study of human diversity, focusing on the needs, resources, problems and service issues of several identified minority client populations.

<td>Vocabulary and grammar through introductory level. Conceptual basis of ASL discussed.</td>
</tr>
</tbody>
</table>
Clinical Methods in Communicative Disorders Laboratory: Students will have practical experience in analysis of live and videotaped diagnosis and therapy sessions.

Fundamentals of Speech and Hearing Science: Lectures and demonstrations in basic acoustics and speech acoustics. Measurement of sound level and resonance. Discussion of vocal frequency, speech duration and intensity, spectographic analysis, wave composition, speech recognition, and voice quality.

Audiology I: Introduction to physics of sound, anatomy of hearing mechanism, pure tone audiometry, hearing aids, problems of the hearing handicapped. Clinical skills development will be required.

Audiology II: PR: SPA 4030. An overview of medical aspects of hearing loss, electrophysiological audiometry, and other differential diagnostic testing.

Communication Disorders: Articulation Laboratory: Students will have practical experience in diagnosis and treatment in articulation disorders.

Nonorganic Speech Disorders Laboratory: Students will have practical experience in diagnosis and treatment in nonorganic speech disorders.

Organic Speech Disorders Laboratory: Students will have practical experience in observations of organic speech disorders.

Audiology II: PR: SPA 4032. An overview of medical aspects of hearing loss, electrophysiological audiometry, and other differential diagnostic testing.

Introduction to American Sign Language: Development of ASL vocabulary and grammar. Deaf culture, literature, research examined.

Intermediate American Sign Language: Expansion of ASL vocabulary with increased development of knowledge concerning deaf culture.

Intermediate American Sign Language: Conversation. Emphasis on refining fluency receptively and expressively. Practicum with the deaf community.

Communicative Disorders: Language Laboratory: Students will have practical experience in diagnosis and treatment in language disorders.

Augmentative Communications Systems: PR: LIN 3710, SPA 4032. Students will learn the rudiments of nonverbal communication systems, for example, Bliss, Rebus, Manual Signing, Language Boards, and finger spelling.

Practicum in Communicative Disorders.
Survey of Communicative Disorders: A survey of speech, language, and hearing disorders for habilitative personnel and other interested professionals.

Physiological Acoustics: PR: SPA 4032; Graduate status or C.I. Lectures, readings, and experiments pertaining to the subjective reception of sound.

Fluency Disorders: PR: Graduate status or C.I. Identification and evaluation of disorders of rhythm. Emphasis will be on methods of intervention in disorders of fluency.

Fluency Disorders Laboratory: PR: Graduate status or C.I. Practical application of clinical skills in fluency disorders.

Differential Diagnosis of Auditory Disorders: PR: SPA 4032; Graduate status or C.I. Clinical techniques in pure tone speech, acoustic impedance, and electrophysiologic response audiometry.

Aural Habilitation/Rehabilitation: PR: Graduate status or C.I. Principles and procedures involved in speech and language acquisition management, utilization of residual hearing, speech reading, and the use of hearing aids.

Differential Diagnosis in Speech and Language Laboratory: PR: SPA 6204, 6403, 6211, 5605. Assignment to diagnostic teams to apply the diagnostic techniques presented in SPA 5553. Experiences include test administration, interviewing, writing diagnostic reports, and oral presentations.

Therapeutic Communication: PR: Graduate status or C.I. Practical interviewing and counseling in the area of communicative disorders.

Administration and Management of Communicative Disorders Programs: PR: SPA 3002. Methods and techniques for organization and administration of speech-language and hearing disorders in public school, hospital, rehabilitation center, and private practice facilities.

Research in Communicative Disorders: PR: STA 4163, graduate status or C.I. Introduces the student to empirical research in the area of communicative disorders. Emphasis is on hypothesis testing, methodology, analysis, and interpretation of results.

Fundamentals of Oral Communication: Use of the body and voice; participation in various speaking situations; planning, organizing, and delivering public speeches.

Honors Fundamentals of Oral Communication: PR: University Honors Program. Same as SPC 1600 with honors-level content.

Interpersonal Communication: Nature of the communication process; variables affecting the process and the individuals involved. Analysis of communication models, interactant behavior, situational cues, verbal and non-verbal messages.

Group Interaction and Decision-Making: A study of small group processes. Attention is given to problem solving, leadership emergence, conformity behavior, and group member role responsibilities.

Leadership Through Oral Communication: A theoretical and practical investigation of leadership in oral communication situations, principles of parliamentary law, and approaches to problem solving.

Argumentation and Debate: PR: SPC 1600 or C.I. Study and practice in the preparation and delivery of argumentative speeches emphasizing argument, evidence, and organization.

Advanced Public Speaking: PR: SPC 1600 or C.I. Advanced training in selecting and organizing materials for various types of speeches. Practice in thinking and speaking before audiences.

Nonverbal Communication: Review of current behavioral research in such areas as proxemics, kinesics, physical characteristics, tactile communication, and paralanguage. Lectures are supplemented by frequent nonverbal exercises.
SPC 4350 AS 3(3,0)
Studies in Listening: Analysis of current trends, professional literature, and resource materials bearing upon the teaching of listening. Practice in listening; preparing listening experiences; oral and written reports.

SPC 4440 AS 3(3,0)
Group Dynamics: A study of human behavior in group situations.

SPC 4540 AS 3(3,0)
Attitudes and Communication: PR: Grammar Proficiency Examination. A survey of the immediate and direct ways in which persuasive communications and social groups come to influence attitudes.

SPC 5200 AS 3(3,0)
Evolution of Communication Theory: General Survey: Major communication trends from classical era to the present. Comparison of Aristotelian and non-Aristotelian rhetorics. Contributions of principal figures will be discussed.

SPN 1115 AS 2(2,1)
Basic Review of Spanish: A review of Spanish grammar, vocabulary and civilization. For students with previous instruction in Spanish. Graded S or U.

SPN 1120 AS 4(4,1)
Elementary Spanish Language and Civilization I: Designed to initiate the student to the major language skills. Open only to students with no previous experience with this language.

SPN 1121 AS 4(4,1)
Elementary Spanish Language and Civilization II: PR: SPN 1115, SPN 1120 or experience with this language. Continuation of SPN 1120.

SPN 1170 AS 8(16,10)
Elementary Spanish Study Abroad: Elementary Spanish language and civilization taught in the native environment.

SPN 2140 AS 3(3,0)
Business Spanish I: Spanish language and culture for beginning Spanish language students from a business professional perspective. Emphasis on communicative skills in a professional setting. (Does not fulfill University foreign language requirement.)

SPN 2230 AS 4(3,1)
Intermediate Spanish Language and Civilization I: PR: SPN 1121 or equivalent. Development of language skills and cultural knowledge at the intermediate level.

SPN 2231 AS 3(3,1)
Intermediate Spanish Language and Civilization II: PR: SPN 2230 or equivalent. Continuation of SPN 2230, with emphasis on Spanish civilization.

SPN 2240 AS 3(3,1)
Intensive Spanish Conversation: PR: One year of Spanish or equivalent. Practical use of the language, leading toward fluency and correctness in speaking at the intermediate level.

SPN 3141 AS 3(3,0)
Business Spanish II: PR: C.I. Continuation of Business Spanish 1.

SPN 3142 AS 3(3,0)
Business Spanish III: PR: C.I. Continuation of Business Spanish II.

SPN 3241 AS 3(3,0)
Spanish Conversation: PR: SPN 2231 or equivalent. Development of skills in conversation and comprehension through practice. This course may be repeated for credit. When repeated, credit will apply to general electives only.

SPN 3420 AS 3(3,0)
Spanish Composition: PR: SPN 2231 or equivalent. Development of skills in composition. This course may be repeated for credit. When repeated, credit will apply to general electives only.

SPN 4143 AS 3(3,0)
Business Spanish IV: PR: C.I. Advanced course in business terminology and development of advanced language skills.

SPN 4410 AS 3(3,0)
Advanced Spanish Conversation: PR: SPN 3241. Advanced conversation on directed topics from various disciplines: literature, art, psychology, philosophy, music, business, and the sciences.

SPN 4420 AS 3(3,0)
Advanced Spanish Composition: PR: SPN 3420. Readings and written imitations of modern literary styles in the form of themes, sketches, poems, and original stories.

SPN 4510 AS 3(3,0)
Spanish Civilization and Culture: PR: SPN 3241 or SPN 3420. A study of Spanish civilization and culture from Pre-Roman times to the present. Conducted in Spanish.
SPN 4520
Latin American Civilization and Culture: PR: SPN 3241 or SPN 3420. An overview of the currents in Latin American culture and civilization from the Pre-Columbian period to the present. Conducted in Spanish.

SPN 4800
Spanish-American Syntax: The course examines the Spanish language from its beginning to the present, with special emphasis as it is written and spoken in Latin America and the U.S.

SPW 3100
Survey of Spanish Literature I: PR: SPN 2231 or equivalent. Main literary currents and works from the Middle Ages through the Eighteenth century.

SPW 3101
Survey of Spanish Literature II: PR: SPN 2231 or equivalent. Main literary currents and works of the Nineteenth century to the present.

SPW 3130
Survey of Latin-American Literature I: PR: SPN 2231 or equivalent. Main literary currents and works from the colonial period to the Nineteenth Century Romanticism.

SPW 3131
Survey of Latin-American Literature II: PR: SPN 2231 or equivalent. Main literary currents and works of the Nineteenth century from the Realism to the present.

SPW 3370
Spanish Short Story: PR: SPN 2231 or equivalent. A study of representative 19th and 20th-century Spanish short stories and their authors.

SPW 4310

SPW 4450
Stylistics: PR: SPN 3420 or equivalent. An intense study of textual criticism. An examination of the relationship between language and literature, explications and linguistic analysis of literary texts.

SPW 4450
Spanish Literary Theory: PR: SPN 3420 or equivalent. A study of textual criticism with emphasis in the theory of genre.

SPW 4460
Nineteenth Century Spanish Literature: PR: SPW 3101. A study of the representative authors and works in Spanish Romanticism, Realism, and Naturalism.

SPW 4480
Twentieth Century Spanish Literature: PR: SPW 3101. A study of the representative authors and works in drama and the novel.

SPW 4600
Cervantes I: PR: SPW 3100. Don Quixote.

SPW 4720
The Generation of 1898: PR: SPW 3101. A study of the generation’s main authors and their works.

SPW 4770
Caribbean Spanish Literature: An overview of the literature of the Spanish-speaking Caribbean countries from colonial time to the present.

SSE 3312
Teaching Social Science in the Elementary School: PR: Admission to Phase II or C.I. Selected themes, problems, and concepts; organizing for instruction; techniques; evaluation procedures.

SSE 3361
Social Science Instructional Analysis: PR: EDG 4321 or C.I. Study of instructional programs in social sciences; objectives; materials; techniques; organization of instruction; evaluation procedures; current research for the middle grades and high school.

SSE 5113
Methods in Elementary School Social Science: Study of instructional programs in social sciences; objectives; materials; techniques; current research; and their application in elementary school setting.

STA 2014

STA 3023
Statistical Methods I: PR: MAC 1104 or MGF 1203. First methods course introducing probability and statistical inference, including estimation, hypothesis testing, binomial and normal distributions, sample size.
STA 3023H
Honors Statistical Methods I: PR: Honors Program Student; Calculus desired but not necessary. Same as STA 3023 with honors-level content.

STA 3032
Probability and Statistics for Engineers: PR: MAC 3312 and computer programming. Axioms of probability; combinatorial and geometrical probability; probability distributions; measures of location and dispersion; sampling and sampling distributions; estimation and tests of hypotheses; engineering applications.

STA 3096
Statistical Graphics: PR: STA 3023 or STA 3032 and a knowledge of a programming language. Principles of graph construction, graphical perception, graphical methods, computer programs for graph construction.

STA 4102
Computer Processing of Statistical Data: PR: STA 4163 and knowledge of a programming language. Use of packages such as SAS, BMD, SPSS for data validation, description and analysis of data, regression and analysis of variance and covariance.

STA 4163
Statistical Methods II: PR: STA 3023 or STA 3032. Methods of analyzing data, statistical models, estimation, tests of hypotheses, regression and correlation, an introduction to analysis of variance, chi-square, and nonparametric methods.

STA 4164
Statistical Methods III: PR: STA 4163. A continuation of STA 4163, including further study of regression, analysis of variance and covariance and multiple comparisons.

STA 4173
Biostatistical Methods: CR: STA 4163. Introduction to the application of statistical principles and methods to problems in medical, biological, and health sciences.

STA 4202
Design of Experiments: PR: STA 4163 or C.I. Methods of constructing and analyzing designs for experimental investigations, concepts of blocking, randomization, replication, confounding in factorial experiments, incomplete block designs.

STA 4222

STA 4321
Statistical Theory I: PR: STA 3023 or STA 3032; CR: MAC 3313. Probability axioms, discrete and continuous sample spaces, conditional probability, independence, one-dimensional random variables, moment generating functions, transformations, jointly distributed random variables.

STA 4322

STA 4502
Nonparametric Statistical Methods: PR: STA 3023 or STA 3032. Distribution-free tests on location and dispersion, goodness of fit tests, tests of independence, measures of association, nonparametric analysis of variance.

STA 4664
Statistical Quality Control: PR: STA 3023 or STA 3032. Statistical concepts and methods applied to the control of quality of manufactured products.

STA 4652

STA 5156
Probability and Statistics for Engineers: PR: STA 3032 or equivalent. Theory and applications of discrete and continuous random variables, hypothesis tests, confidence intervals, regression analysis and correlation.

STA 5205
Experimental Design: PR: STA 4164, STA 5206 or STA 5156. Construction and analysis of designs for experimental investigations. Blocking, randomization, replication; Incomplete block designs. Factorial and fractional designs; design resolution.

**SYA 3110**

The Development of Social Thought: PR: SYG 2000. An overview of theories concerning the nature of man as a "social being." The nature of society from the beginnings of the scientific study of man's life to World War II.

**SYA 3120**

Modern Sociological Thought: PR: SYG 2000. A study of major European and American contributors to modern sociology since World War II.

**SYA 3300**

**SYA 3400**

Research Methods and Statistics: PR: SYG 2000 and one other sociology course.

**SYA 4450**

Data analysis: PR: SYA 3300 and STA 2014. Advanced social research design and analytical skills. Emphasis on social data management, various modes of social data analysis, interpretation, integration, presentation, and report writing.

**SYA 4650**

**SYA 5625**

ProSeminar: Survey of conceptual issues, methodological concerns, and findings in substantive sociological areas that currently dominate scholarly inquiry, including such topics as crime, deviance, community, alcoholism, education.

**SYD 3410**

**SYD 3700**

Race and Ethnic Minorities in the United States: Theoretical analysis of the emergence, maintenance, and disruption of patterns of racial and ethnic stratification.

**SYD 3800**

Sex Roles in Modern Society: The traditional and changing roles of women and men viewed in a sociological perspective.

**SYD 4020**

Population: Concerned with the study of human population, its distribution, composition, and change.

**SYG 2000**

General Sociology: Introduction to the sociological perspective and the scientific study of sociological concepts, theories, processes, and methods used in understanding contemporary human behavior in group interaction.

**SYG 2000H**

Honors General Sociology: Same as SYG 2000, with honors-level content.

**SYG 3010**

Social Problems: Analysis of major social problems such as mental disorders, sexual deviance, racial discrimination, poverty, community disorganization, and violence.

Social Organization and Human Relations: Analysis of business, government, and industrial organizations. Topics include organizational theory, social systems, social structure, effects of technology, motivation, leadership, decision-making, and human relations.

Sociology of Mental Illness: A sociological examination of mental illness as a social problem; legal aspects of mental illness, and the mental health professions.

Social Stratification: PR: SYG 2000. Study of class, status and power, cultural variations in stratification systems; patterns of mobility and change.

Sociology of Education: PR: SYG 2000. This course examines the sociological dimensions of the educational institutions, including the impact of the social structure on learning and the role of education in social change.

Political Sociology: Sociological analysis of political and parapolitical groups; socioeconomic variable of voting behavior, power elites; societies and systems of government.

Medical Sociology: Analysis of patient beliefs and behavior, health practitioners, the social organization of hospitals and health services, contemporary problems in the delivery of health care.

Collective Behavior: PR: SYG 2000. Analysis of relatively unstructured social situations, such as mobs, crowds, etc. as well as more structured forms of collective behavior such as social movements.

Sociology of Deviant Behavior: An examination of the nature, types, and societal reactions to deviant behavior; special emphasis on the process of stigmatization and the emergence of deviant subcultures.

Criminology: Chief causes of anti-social behavior and current methods of prevention and reform. Effects of heredity and environment, prevalence of delinquency and crime, penal institutions.

Juvenile Delinquency: Types of delinquency behavior found among juveniles; possible causes and ways society attempts to treat the various forms of delinquency.

Sociology of Law: The relationship between law and society, including the functions of law and its organization, social and economic consequences, jury selection, and moder trends.

Sociology of Alcoholism: Introduction to the nature of alcoholism and review of its impact on society.

Sociology of Popular Music: This course examines the role of popular music in the process of social change and in reflecting American culture. Consideration is given to the nature of the popular music business.

Sociology and Sport: Utilization of sociological concepts and theories to investigate sport as a social institution. Includes subjects of racism, sexism, drug abuse, violence, and current issues of sport.

Sociology of Drug Abuse: Analysis of the socio-culture elements of the drug culture.

Sociology of Aging: Sociological aspects of aging in America.
TAX 3000: Personal Income Tax: A study of federal income tax designated to convey basic tax concepts and skills related to the individual taxpayer. Not open to accounting majors.

TAX 4001: Federal Income Tax: PR: Junior standing and ACG 3103 with a grade of "C" or better or C.I. Concepts and methods of determining taxable income of individuals, and selected topics.

THE 1925: Basic Technical Skills: PR: None. Not restricted to theatre majors but requires Departmental consent. Practical course in the proper and safe use of all stage equipment, hand, and power tools. Required of all theatre majors.

THE 2300: Script Analysis: PR: None for theatre majors. Non-majors require Departmental consent. Exploration of dramatic form and structure by learning to read, analyze, and understand playscripts for productions. The study of the playscript as a blueprint for production. Required of all theatre majors.

THE 3110: Theatre History I: PR: None. Open to non-majors. Study of the development of theatre arts from pre-history through the seventeenth century. Required of all theatre majors.

THE 3111: Theatre History II PR: THE 3110. Open to non-majors. Study of the development of theatre arts from the seventeenth century to the present. Required of all theatre majors.

TPA 2204: Technical Theatre Production II: PR: TPA 2200. Restricted to theatre majors or Departmental consent. Continuation of TPA 2200. Production crew as required. Required of all theatre majors.

TPA 2248: Makeup Techniques: PR: THE 1020, 1925, 2300. Restricted to theatre majors or Departmental consent. Theory and practice of stage makeup. Required of all theatre performance majors or Departmental consent.

TPA 3043: Costume History/Design: PR: THE 3111. Restricted to theatre majors or Departmental consent. Lecture/laboratory study of costume and fashion from ancient to modern times. A study of the principal historical periods with an emphasis on basic period silhouette, costume parts and accessories, materials and colors. Required of all technical theatre/design majors.

TPA 3060: Scenic Design I: PR: TPA 2204. Restricted to technical theatre/design majors or Departmental consent. Lecture/laboratory application of the fundamentals of design, composition, color theory, drafting, perspective drawing and rendering as they relate to scenic design. Required of all technical theatre/design majors.
TPA 3061 AS 3(2,2) Scene Design II: PR: TPA 3060. Restricted to B.F.A. technical theatre/design majors or Departmental consent. Continuation of TPA 3061. An intensive, practical scenic design course dealing with various theatrical styles, genres, multiple and simultaneous settings. Includes script analysis and project design work with an emphasis on visualization of design concepts through models and scenic renderings. Required of all B.F.A. technical theatre/design majors.

TPA 3077 AS 2(2,2) Scene Painting: PR: TPA 2204. Restricted to technical theatre/design majors or Departmental consent. Study of the art and craft of painting for the theatre. Research into period designs and execution of examples selected from a variety of styles. Required of all B.F.A. technical theatre/design majors.

TPA 3220 AS 3(2,2) Stage Lighting: PR: TPA 2204. Restricted to technical theatre/design majors or Departmental consent. Study of basic electricity, optics, lighting equipment and control, and stage lighting techniques and practices. Service on a lighting crew as required. Required of all technical theatre/design majors.

TPA 3221 AS 3(2,2) Lighting Design: PR: TPA 3220. Restricted to B.F.A. technical theatre/design majors or Departmental consent. Continuation of Stage TPA 3220. Lecture/laboratory with emphasis on lighting design theory, style and Individual lighting design projects. Required of all B.F.A. technical theatre/design majors.

TPA 3230 AS 3(2,2) Costume Construction: PR: THE 1925. Restricted to theatre majors or Departmental consent. Lecture/laboratory study of the basic techniques used in the drafting, cutting, fitting, and construction of stage costumes. Required of all technical theatre/design majors.

TPA 3249 AS 2(2,2) Advanced Makeup Techniques: PR: TPP 2248. Restricted to theatre majors or Departmental consent. Lecture/laboratory study of basic techniques needed for the creation of stage and film prosthetics and masks.

TPA 3250 AS 2(2,0) CADD for Theatre: PR: TPA 3060. Restricted to technical theatre/design majors or Departmental consent. Projects oriented course covering fundamental through advanced material in computer aided drafting and design and its application for Theatre. Required of all technical theatre/design majors.

TPA 3251 AS 2(2,0) Advanced CADD for Theatre: PR: TPA 3250. Restricted to B.F.A. technical theatre/design majors or Departmental consent. Continuation of TPA 3250 with special emphasis placed on 3-Dimensional aspects and applications of computer aided drafting and design for Theatre. Required of all B.F.A. technical theatre/design majors or Departmental consent.

TPA 3290 AS 1(0,20) Theatre Production/Performance I: PR: TPA 2926. Not restricted to theatre majors but requires Departmental consent. Participation In Theatre Production. Required of all B.F.A. technical theatre/design majors.

TPA 3291 AS 1(0,20) Theatre Production/Performance II: PR: TPA 3290. Not restricted to theatre majors but requires Departmental consent. Participation in Theatre Production. Required of all B.F.A. technical theatre/design majors.

TPA 3601 AS 2(2,2) Stage Management: PR: TPP 2100, THE 2300, TPA 2200, 2204. Restricted to theatre majors or Departmental consent. Examination of the importance, function, and responsibilities of the stage manager prior to during and after performance. Introduction to the fundamentals of stage management as related to Departmental productions as well as professional union requirements. Includes prompt books, rehearsal and performance procedures, and stage management forms and formats. Required of all technical theatre/design majors.

TPA 4049 AS 3(2,2) Costume Design: PR: TPA 2204, 3043. Restricted to technical theatre/design majors or Departmental consent. Lecture/laboratory application of the fundamentals of design: composition, color theory, and figure drawing as they relate to costume design. Includes script/character analysis and project design work with an emphasis on visualization of design concepts and costume renderings. Required of all B.F.A. technical theatre/design majors.
TPA 4061
Advanced Design: PR: TPA 3061 and 3221 or 4049. Restricted to B.F.A. technical theatre/design majors or Departmental consent. Continuation of design series with emphasis on planning, design, and execution of scenery, lighting, and/or costume designs.

TPA 4293

TPA 4400
Theatre Management: PR: THE 1020 and TPA 2204. Restricted to theatre majors or Departmental consent. Study of the development, organization, management, funding, and promotion of theatre programs. Additional emphasis placed on management theory and style.

TPA 4940
Technical Theatre/Design Internship: PR: Restricted to B.F.A. technical theatre/design. The internship is subject to Departmental approval. Off-campus internship programs provide opportunity for practical work in professional theatre. Contact the Departmental office for specific requirements. Required of all B.F.A. technical theatre/design majors.

TPP 2100
Introduction to Acting: PR: None. Restricted to theatre majors or Departmental consent. Basic introduction to the fundamentals of acting with emphasis upon the development of imagination, self-awareness, sense memory, improvisation, and the ability to execute basic stage tasks. Required of all theatre majors.

TPP 2170
Acting I - Fundamentals: PR: THE 1020, 1925, 2300, TPP 2100, 2511. Restricted to theatre majors or Departmental consent. Lecture/laboratory study of the basic principles and techniques of acting, with particular emphasis on characterization and character development. Short scenes will be performed before the class. Required of all theatre performance majors.

TPP 2510
Stage Movement I: PR: None. Restricted to theatre performance majors or Departmental consent. Study of physical alignment techniques, centering, warm-ups methods, and an exploration of movement dynamics as they relate to acting. Techniques will be drawn from dance, basic tumbling, tai chi chuan, improvisation and pantomime. Essentially a laboratory course. All students must receive a grade of "C" or above to continue in the stage movement sequence. Required of all theatre performance majors.

TPP 2511
Stage Movement II PR: 2510. Restricted to theatre performance majors or Departmental consent. Continuation of Stage Movement I. Must be taken sequentially with TPP 2510. All students must receive a grade of "C" or above to continue in the stage movement sequence. Required of all theatre performance majors.

TPP 2710
Voice Production I: PR: None. Restricted to theatre performance majors or Departmental consent. Essentially a laboratory study of principles and practice of the effective speaking or stage voice. Extensive practice in body reinforcement, voice production, placement, resonation, articulation, vowel and consonant formation. Begin work on students' individual speech problems. All students must receive a grade of "C" or above to continue in the voice production sequence. Required of all theatre performance majors.

TPP 2711
Voice Production II PR: TPP 2710. Restricted to theatre performance majors or Departmental consent. Continuation of Voice Production I with continued emphasis on corrective coaching of individual speech problems. Must be taken sequentially with TPP 2710. All students must receive a grade of "C" or above to continue in the voice production sequence. Required of all theatre performance majors.

TPP 3172
Acting II - Characterization: PR: TPP 2511, 2170. Restricted to theatre performance majors or Departmental consent. Lecture/laboratory study for advanced work in characterization and character development and basic audition processes. Required of all theatre performance majors.

TPP 3190

TPP 3191
TPP 3197
Summer Theatre/Performance: PR: None. Not restricted to theatre majors but requires Departmental consent. Participation in UCF Summer Theatre Productions.

TPP 3310
Directing I: PR: THE 1925, 2100, 2204, 2300, 2926, 3111, and 3305. Restricted to theatre majors. Lecture/laboratory study of fundamental principles and techniques of play direction to include script selection, directorial analysis, casting, composition/picturization, blocking and movement, tempo/rhythm, preparation of prompt scripts, rehearsal planning. Directed short scenes for class presentation and critique. Required of all theatre majors.

TPP 3511
Stage Movement III: PR: 2511. Restricted to theatre performance majors or Departmental consent. Continuation of Stage Movement II. Attention given to period movement, movement styles and dance. All students must receive a grade of "C" or above to continue in the stage movement sequence. Required of all theatre performance majors.

TPP 3531

TPP 3712
Voice Production III: PR: TPP 2711. Restricted to theatre performance majors or Departmental consent. Continuation of Voice Production II. Emphasis placed on the unique demands of the communication of dramatic verse text. Particular attention given to diction and the use of emphasis to illuminate poetic language. All students must receive a grade of "C" or above to continue in the voice production sequence. Required of all theatre performance majors.

TPP 3730

TPP 4140

TPP 4142
Acting IV - Studio I: PR: TPP 3531, 3730, 4140. Restricted to B.F.A. theatre performance majors or Departmental consent. Lecture/laboratory study designed to expose the student to various acting styles and plays from classical through postrealism. Emphasis on development of student's virtuosity. All students must receive a grade of "C" or above to continue in the sequence. Required of all B.F.A. theatre performance majors.

TPP 4192

TPP 4193

TPP 4260
Acting for TV/Film: PR: TPP 4142. Restricted to B.F.A. theatre performance majors or Departmental consent. Lecture/laboratory study designed to expose the student to practical techniques of television and film acting. Extensive studio lab work. Required of all B.F.A. theatre performance majors or Departmental consent.

TPP 4311
### Theatre Performance Internship

**TPP 4940**

**Prerequisites:** PR: Restricted to B.F.A. theatre performance majors. The internship is subject to Departmental approval. Off-campus Internship programs provide opportunity for practical work in professional theatre. Contact the Departmental office for specific requirements. Required of all B.F.A. theatre performance majors.

### Critical Approaches to ESOL

**TSL 5142**

**AS 3 (3,0)**

**Prerequisites:** Critical Approaches to ESOL: Analysis, planning, design, and evaluation of curriculum and curricular models.

### Methods of ESOL Teaching

**TSL 5345**

**ED 3 (3,0)**

**Prerequisites:** Methods of ESOL Teaching: This course is designed to develop understanding, knowledge and skills of the current methods used in the teaching of ESOL.

### Problems in Evaluation in ESOL

**TSL 5440**

**AS 3 (3,0)**

**Prerequisites:** Problems in Evaluation in ESOL: Survey, selection, and design of instruments of evaluation for use with limited English proficient students.

### ESOL Cultural Diversity

**TSL 5525**

**ED 3 (3,0)**

**Prerequisites:** ESOL Cultural Diversity: This course is designed to identify major cultural groups represented by the LEP population in Florida schools and to understand their special needs.

### Transportation Engineering

**TTE 4004**

**EN 3 (3,0)**

**Prerequisites:** Transportation Engineering: PR: EGN 3613 and STA 3032. Investigation of all forms of transport highway, rail, water, air. Systems approach to planning, design, construction, operation, and administration of transportation networks.

### Urban Systems Design

**TTE 4601C**

**EN 2 (1,2)**

**Prerequisites:** Urban Systems Design, PR: TTE 4004. Project course on design of transportation and urban systems using engineering design methodologies.

### Traffic Engineering

**TTE 5204**

**EN 3 (3,0)**

**Prerequisites:** Traffic Engineering: PR: TTE 4004. Study of operator and vehicle characteristics, and design for street capacity, signals, signs, and markings.

### Highway Capacity and Traffic Flow Analysis

**TTE 5205**

**EN 3 (3,0)**

**Prerequisites:** Highway Capacity and Traffic Flow Analysis: PR: TTE 4004. Highway capacity for all functional classes of highway. Traffic signalization including traffic studies, warrants, cycle length, timing, phasing and coordination.

### Traffic Flow Theory and Applications

**TTE 5206**

**EN 3 (3,0)**

**Prerequisites:** Traffic Flow Theory and Applications: PR: TTE 4004 and STA 3032. Fundamental theories and applications of traffic movements on highways and streets.

### Railroad Engineering

**TTE 5700**

**EN 3 (3,0)**

**Prerequisites:** Railroad Engineering: PR: TTE 4004 and C.I. The major technical factors in location, construction, maintenance, and operation of railroad transportation systems.

### Geometric Designs of Transportation Systems

**TTE 5805**

**EN 3 (3,0)**

**Prerequisites:** Geometric Designs of Transportation Systems: PR: TTE 4004. Study of geometric and construction design elements in the engineering of transportation systems.

### Pavement Design

**TTE 5835**

**EN 3 (3,0)**

**Prerequisites:** Pavement Design: PR: CEG 4101C. Pavement types, wheel loads, stresses in pavement components design factors such as traffic configurations, environment, and economy.

### Visual Communication

**VIC 3000**

**AS 3 (3,0)**

**Prerequisites:** Visual Communication: A study of the visual system of man and the influences of the visual media on modern society.

### General Zoology

**ZOO 2010C**

**AS 4 (2,4)**

**Prerequisites:** General Zoology: PR: High school biology or C.I. Introduction to zoology; structure, function and representative groups; current concepts in zoological sciences. Open only to students whose major requires this specific course.

### Vertebrate Zoology

**ZOO 3303C**

**AS 4 (2,6)**

**Prerequisites:** Vertebrate Zoology: PR: 6 hours of zoology or C.I. Evolution and classification followed by an introduction to vertebrate ecology, natural history, and behavior.

### Comparative Vertebrate Anatomy

**ZOO 3713C**

**AS 5 (3,6)**

**Prerequisites:** Comparative Vertebrate Anatomy: PR: ZOO 2010C. The vertebrate animals, relationship of organs and systems, and their phylogenetic significance.

### Human Anatomy

**ZOO 3733C**

**HPA 4 (3,3)**

**Prerequisites:** Human Anatomy: PR: BSC 2010C or equivalent. Structure of the human body.
ZOO 4203C AS 4(3,3)
Invertebrate Zoology: PR: 8 hours of biology or C.I. Taxonomy, anatomy and ecology of the invertebrate animals.

ZOO 4603C AS 5(3,4)

ZOO 4753C HPA 5(4,4)
Vertebrate Histology: PR: BSC 201 OC and ZOO 201 OC. Microanatomical detail plus appropriate developmental and functional considerations of major cell types, primary tissues, organs, and organ systems. Survey of modern animal-tissue microtechnique.

ZOO 4880C AS 4(2,6)
Fisheries Management: PR: ZOO 2010C or C.I. Fisheries Management of freshwater environments to include identification, sampling methods, farming and hatchery operations, propagation and population estimates.

ZOO 5456C AS 4(2,6)
Ichthyology: PR: ZOO 3303C or C.I. Introduction to the biology of the fishes, their classification, evolution, and life histories.

ZOO 5463C AS 4(2,6)
Herpetology: PR: 6 hours of zoology or C.I. Introduction to the biology of the amphibians and reptiles, their classification, evolution, and life histories.

ZOO 5475C AS 4(2,6)
Ornithology: PR: 6 hours of zoology or C.I. Introduction to the biology of birds, their classification, evolution, and life histories.

ZOO 5486C AS 4(2,6)
Mammalogy: PR: 6 hours of zoology or C.I. Introduction to the biology of mammals, their classification, evolution, and life histories.

ZOO 5745C HPA 4(3,3)
Essentials of Neuroanatomy: PR: Human/Comparative Anatomy, or Human/Animal Physiology or C.I. Fundamental concepts of both morphological and functional organization of the nervous system. Primary emphasis on human structure.

ZOO 5815 AS 3(3,0)
Zoogeography: PR: 8 hours of zoology or C.I. Principles and concepts concerning regional patterns of animal distributions of the world, both past and present.
The date indicates the first year of employment at the University of Central Florida.

ABBOTT, DAVID W., Professor of Psychology
   (1968), B.A., M.S., Ph.D. (University of Massachusetts)

ABEL, EILEEN M., Assistant Professor of Social Work
   (1978), A.B., M.S.W. (University of Maryland)

ABRAMOWITZ, BENJAMIN L., Instructor of Management
   (1983), M.B.A. (George Washington University)

ACIERNO, LOUIS J., Professor of Health Sciences
   (1981), B.S., M.D. (Georgetown University)

ADICKS, RICHARD R., Professor of English
   (1968), B.A.E., M.A., Ph.D. (Tulane University)

AL-DEEK, HAITHAM M., Assistant Professor of Engineering
   (1992) B.C.E., M.S., Ph.D. (University of California at Berkeley)

ALLEN, JANET S., Visiting Instructor, Instructional Programs
   (1992), B.S., M.Ed. (University of Maine)

ALLEN, JEFFERY W., Assistant Professor of Marketing
   (1990), B.S., M.B.A., D.B.A. (University of Kentucky)

ALLEN, KAY WILLIAMSON, Assistant Professor of Education
   (1990), B.S., M.Ed., Ph.D. (University of South Carolina)

ALLISON, ANNE MARIE, Director of Libraries
   (1983), B.A., M.A.L.S. (Rosary College)

ALSAKA, Y. A., Assistant Professor of Engineering
   (1986), B.S., M.S., Ph.D. (University of Florida)

AMADOR, MARCOS A., Senior Chief Instructor
   Army ROTC

ANDERSEN, SUSAN M., Assistant Professor of Communication

ANDERSON, B. BETTY, Professor of Education
   (1968), B.A., M.A., Ed.D. (University of Maryland)

ANDERSON, HENRY R., Professor of Accounting

ANDERSON, LOREN A., Associate Professor of Engineering
   (1982), B.S., M.S.E., Ph.D. (University of Dayton), P.E. (Florida and Ohio)

ANDREWS, JOSEPH C., Head, Collection Development and Acquisitions Department and Associate University Librarian

ANDREWS, LARRY C., Professor of Mathematics
   (1972), B.S., M.S., Ph.D. (Michigan State University)

ANTHONY, JOBY M., Associate Professor of Mathematics
   (1970), B.S., M.A.M., Ph.D. (North Carolina State University)

ARISTIQUETA, MARIA P., Instructor of Public Administration
   (1988), B.S.W., M.P.A. (University of South Florida)

ARMACOST, ROBERT L., Assistant Professor of Engineering
   (1991), B.S., M.S.O.R., D.Sc. (George Washington University)

ARMSTRONG, JOHN H., Interim Chair, Instructional Programs and Associate Professor of Education
   (1970), B.S., M.S., Ed.D. (Oklahoma State University)

ARMSTRONG, LEE H., Associate Professor of Mathematics
   (1968), B.A., M.S., Ph.D. (Florida State University)

ARNOLD, ROBERT L., Director of Instructional Resources and Professor of Communication
   (1968), B.A., M.A., Ph.D. (Ohio University)

ASHLEY, ROBERT A., Assistant Professor of Hospitality Management
   (1984), B.S., M.S. (Florida International University)

ASTRO, RICHARD, Professor of English
   (1986), B.A., M.A., Ph.D., (University of Washington)
ATKINSON, STANLEY M., Associate Professor of Finance

AZIMI, CYRUS, Visiting Instructor of Psychology
(1985), B.S., M.A., Ph.D. (Michigan State)

BACH, SUSAN A., Assistant Professor of Hospitality Management
(1993), B.S., M.A., Ph.D. (New York University)

BAILEY, CHARLES D., Peat Marwick Professor of Accounting

BAILEY, REBECCA A., Associate Professor of Education
(1988), B.S., M.A., Ph.D. (Florida State University)

BAIN, JANICE W., Head, Access Services Department and University Librarian
(1986), B.A., M.L.S. (University of Maryland)

BALADO, CARL, Associate Professor of Education

BALLARD, R. ROCHELLE, Associate University Librarian
(1989), B.S., M.L.S. (University of Maryland)

BANDY, DALTON D., Director, School of Accounting, Professor of Accounting
(1985), B.S., M.B.A., Ph.D. (The University of Texas at Austin), C.P.A.

BANKS, IVAN W., Assistant Professor, Educational Foundations

BARNES, BETH, Associate Professor of English
(1975), B.A., M.A., Ph.D. (University of North Carolina at Chapel Hill)

BARR, CAROL J., Director of Health Information Management and Instructor of Health Sciences
(1986), B.S., M.A. (University of Central Florida)

BARSCH, KARL-HEINRICH, Associate Professor of Foreign Languages and Literatures
(1977), B.A., M.A., Ph.D. (University of Colorado)

BASS, MICHAEL, Professor of Engineering Science
(1987), B.S., M.S., Ph.D. (University of Michigan)

BASSIOUNI, MOSTAFA, Associate Professor of Computer Science
(1981), B.S., M.S., Ph.D. (Pennsylvania State University)

BATARSEH, ISSA E., Assistant Professor of Engineering
(1991), B.A., M.S., Ph.D. (University of Illinois at Chicago)

BAUER, CHRISTIAN S., JR., Director of External Relations, College of Engineering, and Professor of Engineering
(1970), B.S.I.E., M.S.E., Ph.D. (University of Florida), P.E. (Florida)

BAUMBACH, DONNA J., Professor of Education
(1978), B.S., M.S., Ed.D. (Indiana University)

BAZEMORE, NORRIS S., Associate University Librarian
(1984), B.A., M.A., M.L.S. (University of South Carolina)

BEADLE, JAMES S., Associate Professor of Education
(1960), B.S., M.S., Ph.D. (Michigan State University)

BECK, JAMES K., Director of Undergraduate Affairs, College of Engineering, and Associate Professor of Engineering
(1970), B.S.A.E., M.S.E. (University of Central Florida), P.E. (Florida)

BECK, KENNETH M., Assistant Professor of Chemistry
(1991), B.A., M.A., Ph.D. (University of Illinois at Chicago)

BECKER, DONALD C., Assistant Professor of Criminal Justice
(1976), B.A., M.Ed. (Wayne State University)

BECKER, STEPHEN, Distinguished Lecturer in English
(1986), B.A. (Harvard College)

BELKERDID, MADJID A., Associate Professor of Engineering
(1979), B.S.E., M.S.E., Ph.D. (University of Central Florida), P.E. (Florida)

BELL, KATHLEEN, Associate Professor of English

BELL, MARTHA, Associate Professor of Education
BENSON, CYNTHIA, Instructor of Political Science
(1985), B.S., M.A. (Ohio University)

BERGNER, JOHN F., JR., Professor of Health Sciences
(1975), B.S., M.S.P.H., Ph.D., M.P.H. (University of North Carolina)

BERRINGER, ORVILLE M., Professor of Molecular Biology and Microbiology
(1981), B.S., M.S., Ph.D. (University of Oregon)

BIEGEL, JOHN E., Professor of Engineering
(1982), B.S.I.E., M.S.E.S., Ph.D. (Syracuse University), P.E. (Florida)

BIRAIMAH, KAREN L., Associate Professor of Education

BISHOP, PATRICIA J., Professor of Engineering
(1978), B.S.E., M.S.M.E., Ph.D. (Purdue University), P.E. (Florida)

BLAIR, TIMOTHY R., Professor of Education
(1991), B.S., M.S., Ph.D. (University of Illinois)

BLAU, BURTON R., Associate Professor of Psychology
(1972), B.A., M.A., Ph.D. (University of Florida)

BOJACK, JOCELYN C., Visiting Instructor of Marketing
(1988), B.B.A., M.B.A. (Delta State University)

BOLEMON, JAY S., Associate Professor of Physics
(1968), B.S., Ph.D. (University of South Carolina)

BOLLET, ROBERT M., Associate Professor of Education
(1973), B.S., M.S., Ed.D. (Ball State University)

BOLTE, JOHN R., Vice President, Administration and Finance and Professor of Physics
(1968), B.A., M.A., Ph.D. (State University of Iowa)

BOREMAN, GLENN D., Associate Professor of Engineering
(1984), B.S., M.S., Ph.D. (University of Arizona), P.E. (Florida)

BRENNAN, JOHN J., Professor of Physics
(1968), B.S., M.S., Ph.D. (Georgia Institute of Technology)

BRETT, DAWN I., Instructor of Social Work
(1992), B.S., M.S.W., D.S.W. (University of California at Berkeley)

BROCK, TIMOTHY R., Major, USAF, Assistant Professor of Aerospace Studies
(1990), B.A., M.A. (Central Missouri State University)
BRODIE, LYMAN A., Interim Chair, Department of Music and Associate Professor of Music (1990), B.A., M.M.E. (North Texas State University)

BROPHY, JAMES C., Associate Professor of Psychology (1969), B.A., Ph.D. (Vanderbilt University)

BROWN, HAROLD K., Assistant Professor of Engineering (1985), B.S., M.S., Ph.D. (Ohio State University)

BROWN, WILLIAM R., Professor of Sociology (1972), B.S., M.S., Ph.D. (Purdue University)

BROWNE-KRIMSLEY, VALERIE A., Coordinator and Assistant Professor - Brevard Campus (1989) M.A. (New York University)

BRUMBAUGH, DOUGLAS K., Interim Associate Dean, College of Education and Professor of Education (1969), B.S., M.Ed., Ed.D. (University of Georgia)

BRYANT, CPT SYLVESTER G., Assistant Professor of Military Science Army ROTC

BURNETTE, CHARLES D., Instructor in Management (1977), B.S., M.B.A. (Northwest Missouri State University)

BURROUGHS, WAYNE A., Professor of Psychology (1969), B.A., M.A., Ph.D. (University of Tennessee)

BUTLER, JOHN F., Associate Professor of Communication (1971), B.A., M.A., Ph.D. (University of Florida)

BYERS, ROBERT M., Assistant Professor of Engineering (1991), B.S., M.S., Ph.D. (Texas A & M University) El. (Texas)

Caldwell, C. Denise, Associate Professor of Physics (1985), B.S., M.A., Ph.D. (Columbia University)

Call, James, Assistant Professor of Theatre (1990), B.A., M.F.A. (University of Pittsburgh)

Callarman, William G., Associate Professor of Management (1972), B.B.A., M.B.A., Ph.D. (Arizona State University)

Carey, Arlen D., Assistant Professor of Sociology (1992) B.A., M.A., Ph.D. (University of Texas at Austin)

Caron, Richard M., Assistant Professor of Mathematics (1972), B.A., Ph.D. (Louisiana State University)

Carroll, William F., Professor of Engineering (1985), B.S., M.S., Ph.D. (University of Illinois), P.E. (California, Florida and Illinois)

Catania, Mem T., Assistant University Librarian, Brevard Campus (1990), B.A., M.L.S. (University of Pittsburgh)

Celso, Anthony, Assistant Professor of Political Science (1990), B.A., M.A., Ph.D. (Ohio State University)

Cervone, Anthony V., Professor of Foreign Languages and Literatures (1968), B.A., Ph.D. (St. Louis University)

Chai, Bruce, Professor of Physics (1989), B.S., Ph.D. (Yale University)

Chandrasekharan, Narayanan, Professor of Computer Science (1990), B.E., B.S., M.E., Ph.D. (Clemson University)

Chang, Lei, Assistant Professor, Educational Foundations (1992), B.A., M.S., Ph.D. (University of Southern California)
COVELLI, MAUREEN M., Instructor of Nursing  
(1989), B.S., M.A. (New York University)

COWGILL, ROBERT G., Professor of Education  
(1969), B.S., M.S., Ph.D. (Indiana State University)

CRANT, PHILLI Associate Professor of Foreign Languages & Literatures  
(1989), B.A., M.A., Ph.D. (Louisiana State University)

CREAMER, ANDREW, Assistant Professor, Educational Foundations  

CROPP, RICHARD C., Chair, Department of History and Professor of History  
(1972), B.S., M.A., Ph.D. (Florida State University)

CROSS, ARTHUR, Associate Professor of Exceptional and Physical Education  
(1990), A.B., M.Ed., Ph.D. (University of North Carolina)

CROSS, LEE, Associate Professor of Exceptional & Physical Education  
(1990), Ph.D. (University of North Carolina at Chapel Hill)

CROWE, RONALD C., Visiting Instructor of Economics  
(1990), M.A.E. (University of Central Florida)

CUNNINGHAM, GLENN N., Chair, Department of Chemistry and Professor of Chemistry  
(1969), B.S., M.S., Ph.D. (North Carolina State University)

CUTCINNIS, CONSTANCE E., Instructor in Statistics  
(1985), B.A., M.A. (Pennsylvania State University)

DEBART, LOKENATH, Chair, Department of Mathematics and Professor of Mathematics  
(1983), B.S., M.S., Ph.D. (University of Notre Dame)

DEBART, MAURICE L., Professor of Economics  

DEBART, ROBERT H., Professor of Communication  
(1977), B.A., M.A., Ph.D. (Ohio State University)

DAY, A. EDWARD, Associate Professor of Economics  
(1983), B.A., M.A., M.S., Ph.D. (Purdue University)

DEBART, LOKENATH, Chair, Department of Mathematics and Professor of Mathematics  
(1983), B.S., M.S., Ph.D., D.I.C., Ph.D. (University of London)

DEBO, JOHN C., Lecturer in Engineering Technology  
(1979), B.S., M.Ed., M.S.E. (University of Central Florida), P.E. (Florida)

DECKER, BERNWARD, Assistant Professor of Foreign Languages and Literatures  
(1989), B.A., M.A., Ph.D. (Cornell University)

DEES, DAVID R., Assistant Dean, Undergraduate Studies and Associate Professor of Sociology  
(1972), B.A., M.A., Ph.D. (University of Notre Dame)

DEL-RIO, MARCELLA, Assistant Professor of Foreign Languages and Literatures  
(1990), B.A., M.A., Ph.D. (University of California-Irvine)

DEMARA, RONALD F., Assistant Professor of Engineering  
(1993), B.S., M.S., Ph.D. (University of Southern California), P.E. (California)

DENHARDT, KATHRYN G., Assistant Professor of Public Administration  
(1992), B.S., M.A., Ph.D. (University of Kansas)

DENHARDT, ROBERT B., Chair and Professor of Public Administration  
(1991), B.A., M.A., Ph.D. (University of Kentucky)

DENNING, RICHARD G., Program Coordinator, Engineering Technology Professor of Engineering Technology  
(1976), B.M.E., M.S., Ed.D. (University of Georgia), P.E. (Florida, Georgia)

DEO, NARSINGH, Professor of Computer Science, Millican Chair  
(1986), B.Sc., B.Sc., M.S., Ph.D. (Northwestern University)

DESAI, VIMAL H., Associate Professor of Engineering  
(1984), B.S., M.S., Ph.D. (The Johns Hopkins University), P.E. (Florida)
DICKS, DIANA M., Assistant Director and Instructor, Small Business Development Center
(1985), B.S., M.B.A. (University of Central Florida)

DIETZ, JOHN D., Associate Professor of Engineering
(1982), B.S., M.S., Ph.D. (Clemson University), P.E. (Florida, Mississippi)

DIPIERRO, JOHN C., Associate Professor of Foreign Languages and Literatures
(1970), A.B., M.A., Ph.D. (University of Kansas)

DIXON, GEORGE J., Assistant Professor of Engineering
(1989) B.S., B.S., M.S., Ph.D. (University of South Florida)

DIXON, JOSEPH H., JR., Associate Professor of Engineering Technology
(1983), B.S., M.S. (Iowa State University), P.E. (Florida and five other states)

DOERFLER, THERESA A., Visiting Instructor, Instructional Programs
(1992), B.A., M.Ed. (University of Central Florida)

DONELLY, JEROME J., Associate Professor of English
(1970), A.B., M.A., Ph.D. (University of Michigan)

DORNER, JOYCE E., Acting Chair and Associate Professor of Nursing
(1980), R.N., M.S.N. (University of Florida)

DOUGLASS, SHARON E., Associate Professor of Health Sciences
(1980), B.S., M.S. (University of New York at Buffalo)

DRISCOLL, JAMES R., Associate Professor of Computer Science
(1976), B.S., M.S., Ph.D. (University of Kansas)

DRISSCOLL, ROBERTA L., Associate Professor of Education

DRUMHELLER, OLIVER J., Program Director of Cardiopulmonary Sciences and Visiting Instructor
(1991), B.A., M.S. (University of Central Florida)

DUTTON, RONALD D., Professor of Computer Science
(1972), B.S., M.S., Ph.D. (Washington State University)

DYCK, JENNIFER L., Assistant Professor of Psychology
(1990), B.A., M.A., Ph.D. (University of California, Santa Barbara)

DZIUBAN, CHARLES D., Professor of Education
(1970), B.S., M.Ed., Ph.D. (University of Wisconsin)

EDWARDS, THOMAS J., III, Director and Associate Professor of Radiologic Sciences

EHRHART, LLEWELLYN M., Professor of Biology
(1969), A.B., Ph.D. (Cornell University)

ELIAS, LUIS R., Professor of Physics

ELLIS, E. TAYLOR, Associate Professor of Hospitality Management
(1990), B.S., M.S., Ph.D. (Texas A & M University)

ELSHEIMER, SETH R., Associate Professor of Chemistry
(1985), B.S., Ph.D. (University of Florida)

ELSHENNAWI, AHMAD K. M., Associate Professor of Engineering
(1986), B.S., M.S., M.Eng., Ph.D., (Pennsylvania State University)

ENGERT, C. BARTH, Assistant to the Dean, Office of Undergraduate Studies
(1968), B.A., M.A. (Columbia University)

ENO, BURTON E., Professor of Engineering
(1979), B.S., M.S., Ph.D. (Cornell University), P.E. (Florida)

ERICSON, SHIRLEY C. Instructor of Education

EUBANK, LEE E., Professor of Music
(1973), B.M., M.M., Ph.D. (Indiana University)

EUBANKS, CLIFFORD L., Professor of Management
(1975), B.S., M.B.A., Ph.D. (University of Arkansas)

EVANS, JOHN L., Associate Professor of History
(1972), B.A., M.A., Ph.D. (University of North Carolina)
EVANS, THOMAS G., Professor of Accounting
(1990), B.S., M.B.A., Ph.D. (Michigan State University)
EVERETT, JR., ROBERT M., Assistant Professor of Science Education
(1990), B.S., M.S., Ph.D. (University of Southern Mississippi)
EYFELLS, JOHANN K., Professor of Art
(1969), B. Arch., M.F.A. (University of Florida)
FABIANIC, DAVID A., Chair, Department of Sociology and Anthropology and Professor
of Sociology
(1985) B.A., M.S., Ph.D. (University of Iowa)
FANDT, PATRICIA M., Associate Professor of Management
(1986), B.S., M.B.A., Ph.D. (Texas A&M University)
FARINA, ANNA C., Instructor in Music
(1980), B.M., M.E. (University of Central Florida)
FARSAD, BEHSHID, Assistant Professor of Hospitality Management
(1986), B.S., M.S. (Iowa State University)
FEDLER, FREDERIC E., Professor of Communication
(1971), B.S., M.A., Ph.D. (University of Minnesota)
FERNALD, LLOYD W. JR., Associate Professor of Management
FERNANDEZ, ABEL A., Assistant Chair and Instructor
(1990), B.S.E.E, M.S.E.E., M.B.A. (Rensselaer Polytechnic Institute) P.E. (Texas)
FERNANDEZ, JOSE B., Chair and Professor of History, Chair and Professor of Foreign
Languages and Literatures
(1981), B.A., M.A., Ph.D. (Florida State University)
FERNANDEZ, PAUL J., Instructor of Mathematics
(1990), B.S., M.S. (University of Central Florida)
FETSCHER, ELMAR B., Professor of History
(1971), B.A., M.Ed., M.A., Ph.D. (University of Georgia)
FINE, TERRI S. Assistant Professor of Political Science
(1989), B.A., M.A., Ph.D. (University of Connecticut)
FISHER, RANDY D., Associate Professor of Psychology
(1971), B.A., Ph.D. (Vanderbilt University)
FISK, RAYMOND P., Associate Professor of Marketing
(1989), B.S., M.B.A., Ph.D. (Arizona State University)
FLAMMIA, MADELYN, Assistant Professor of English
(1990), B.A., M.A., Ph.D. (Rutgers University)
FLICK, ROBERT G., Professor of Humanities
(1968), B.S., M.A., Ph.D. (University of Florida)
FORD, ROBERT C., Chair, Department of Hospitality Management and Professor of
Hospitality Management
FOWLES, KEITH, Instructor of Radio-Television
(1982), B.A. (University of Maine)
FRANKS, JEFFREY A., Assistant Head, Reference Department and Associate
University Librarian
(1987), B.A., M.L.S. (Kent State University)
FREDERICK, TERRY J., Chair, Department of Computer Science and Professor of
Computer Science
(1975), B.S., M.S., Ph.D. (University of Wisconsin)
FULLER, DONALD A., Associate Professor of Marketing
(1972), BSIM, M.B.A., Ph.D. (Georgia State University)
GARD, DIANE, Visiting Instructor, Instructional Programs
(1991), B.A., M.S. (Marywood College)
GARDNER, JERRY Y., Associate Professor of Music
(1980), B.M., M.M. (Boston University)
GAUDNEK, WALTER, Professor of Art
(1970), Diploma, M.A., Ph.D. (New York University)
GAY, DAVID, Assistant Professor of Sociology
(1989), B.A., M.A., Ph.D. (Duke University)

GELNARO, ROBERT N., Chair and Associate Professor of Molecular Biology and Microbiology
(1969), B.S., M.S., Ph.D. (Texas A&M University)

GEORGE, THOMAS E. III, Instructor of English
(1986), B.A., M.A. (University of Central Florida)

GEORGIOPOULOS, MICHAEL, Associate Professor of Engineering
(1986), Dipl.E., M.S., Ph.D. (University of Connecticut)

GERBER, HOMER C., Associate Professor of Computer Science
(1968), B.S., M.A., Ph.D. (Florida State University)

GERGLEY, GERALD R., Associate Professor of Education
(1970), Ed.B., Ed.M. (State University of New York)

GIBBS, W. ERNEST, Associate Professor of Economics
(1987), B.S., M.B.A., M.A., Ph.D. (Rutgers University)

GILLET, PETER L., Professor of Marketing
(1979), B.A., B.S.C., M.B.A., Ph.D. (Michigan State University)

GILSON, RICHARD, Professor of Psychology
(1985), B.S., M.S., Ph.D. (Princeton University)

GIOVINCIO, GINA V., Associate Professor of Nursing

GOLDWATER, PAUL M., Assistant Professor of Accounting
(1989), B.C., B.S., Ph.D. (Louisiana State University-Baton Rouge)

GOMEZ, FERNANDO J., Associate Professor of Computer Science
(1981), B.A., M.A., Ph.D. (Ohio State University)

GONZALEZ, AVELINO J., Associate Professor of Engineering
(1986), B.S.E.E., M.S.E.E., Ph.D. (University of Pittsburgh), PE (Florida)

GOODMAN, STEPHEN H., Associate Professor of Management
(1984), B.S., M.B.A., Ph.D. (Pennsylvania State University)

GRAHAM, SHARON S., Associate Professor of Finance

GRASY, WILLIAM K., Associate Professor of Communication
(1968), B.S., M.A., Ph.D. (University of Texas)

GREEN, CHERYL E., Assistant Professor of Social Work
(1978), B.A., M.S.W., Ph.D. (Clark Atlanta University)

GREENHAW, THOMAS D., Assistant Professor of History
(1969), B.A., M.A., Ph.D. (Auburn University)

GREENWOOD, RICHARD, Director of Bands and Assistant Professor of Music
(1988), B.M.E., M.M., Ph.D. (University of Northern Colorado)

GREGG, NEWTON D., Lecturer in Engineering Technology
(1984), B.A., B.S.C.E., M.S. (Southern Methodist University), P.E. (Florida and Texas)

GROGAN, AUSTIN L., Associate Professor of Engineering
(1986), B.S., M.S., Ph.D. (Florida University)

GROVDHAL, ELBA C., University Librarian
(1973), B.A., M.S.L.S., A.M.D., Ed.D. (Florida State University)

GUENTHER, KARL, Associate Professor of Engineering Science
(1987), B.S., Ph.D. (University of Innsbruck)

GUHA, RATAN K., Associate Professor of Computer Science
(1980), B.S., M.S., Ph.D. (University of Texas)

GUNNERNSON, FRED S., Professor of Engineering
(1980), B.S., M.S., Ph.D. (University of New Mexico), P.E. (Florida)

GUPTA, UMA G., Assistant Professor of Management
(1990), B.S., M.S., M.B.A., Ph.D. (University of Central Florida)

GUPTON, JOHN T., III, Professor of Chemistry
(1978), B.S., M.S., Ph.D. (Georgia Institute of Technology)

GURNEY, DAVID W., Associate Professor of Education
(1970), B.A., M.A., Ph.D. (Florida State University)
HAGAN, DAVID J., Associate Professor of Physics (1987), B.S., Ph.D. (Heriott Watt University)

HAGEDOORN, A. HENRY J., Associate Professor of Engineering (1972), B.S., M.S., Ph.D. (Cornell University), P.E. (Florida)

HALL, WILLIAM J., Associate Professor of Communication (1977), B.I.E., M.A. (Purdue University)

HAMPTON, MICHAEL D., Associate Professor of Chemistry (1981), B.S., Ph.D. (Texas Tech University)

HANDBERG, ROGER B., JR., Professor of Political Science (1972), B.A., Ph.D. (University of North Carolina)

HARDEN, RICHARD C., Professor of Engineering (1967), B.M.E., B.E.E., M.S.E., Ph.D. (University of Florida), P.E. (Florida)

HARPOLE, CHARLES H., Professor of Communication (1990), Ph.D. (New York University)

HARALAMBOUS, MICHAEL G., Assistant Professor of Engineering (1978), B.S., M.S., D.Sc. (George Washington University), P.E. (Florida)

HARRINGTON, JAMES P., Assistant University Librarian (1992), B.S., M.S., M.L.S. (State University of New York at Buffalo)

HARRIS, CTP CLIFFORD L., Assistant Professor of Military Science Army ROTC

HARROW, THOMAS L., Associate Professor of Education (1970), B.S., M.Ed., Ph.D. (Florida State University)

HARTMAN, J. PAUL, Professor of Engineering (1968), B.S., B.S.C.E., S.M., Ph.D. (University of Florida), P.E. (Florida)

HARVEY, JAMES E., Associate Professor of Engineering (1990), A.B., M.S., Ph.D. (Arizona State University)

HATTFIELD, JOHN D., Associate Dean, College of Business Administration and Professor of Management (1990), B.A., M.A., Ph.D. (Purdue University)

HAYLETT, DEAN H., Lt Col, USAF and Chair, Department of Aerospace Studies and Professor of Aerospace Studies (1993), B.S., M.S. (Air Force Institute of Technology)

HEAD, CLARENCE M., Associate Professor of Engineering (1978), B.S., M.S., Ph.D. (University of Georgia), P.E. (Florida, Georgia)

HEINZER, MARTIN N., Associate Professor of Mathematics (1969), B.S., M.S., Ph.D. (Florida State University)

HEMSCHEMeyer, Judith, Associate Professor of English (1982), B.A., M.A. (University of Wisconsin)

HENNING, LINDA, Instructor of Nursing (1989), M.A. (New York University)

HERNANDEZ, DAVID E., Professor of Education (1968), B.S., M.S., Ed.D. (Florida State University)

HERTEL, GEORGE R., Professor of Chemistry (1968), B.S., M.S., Ph.D. (Johns Hopkins University)

HETT, SHARON LEE, Associate Professor of Education (1971), B.A.E., M.Ed., Ph.D. (University of Florida)

HIGGINBOTHAM, PATRICIA E., Associate Professor of Education (1972), B.S., M.S., Ed.D. (University of Alabama)
HIGGINS-YOUNG, CHRISTINE, Instructor in English (1979) B.A., M.A. (University of Central Florida)

HILL, HELEN Y., Coordinator, Student Support, College of Business (1989), B.S.B.A. (University of Central Florida)

HINSHAW, CAROLE S., Associate University Librarian (1989), B.S., M.L.S. (Louisiana State University)

HITCHCOCK, DORILYN F., Program Director of Medical Laboratory Science and Instructor of Molecular Biology and Microbiology (1989), B.S., M.T., M.S. (Northeastern University)

HITT, JOHN C., President of the University and Professor of Psychology (1992), A.B., M.S., Ph.D. (Tulane University)

HOEKSTRA, ROBERT L., Assistant Professor of Engineering (1993) B.A., M.DES., Ph.D. (University of Cincinnati)

HOFFMAN, LORRIE L., Assistant Professor of Statistics (1988) B.S., M.S., Ph.D. (University of Iowa)

HOFLER, RICHARD A., Associate Professor of Economics (1989) B.S., Ph.D. (University of North Carolina-Chapel Hill)

HOGLIN, JOHN G., Professor of Communication (1974) B.A., M.A., Ph.D. (Wayne State University)

HOLLAND, KATHIE K., Assistant Director, SBDC and Instructor of Management (1985), B.S.B.A., M.B.A. (University of Central Florida)

HOLLER, SUZANNE E., University Librarian (1986) B.A., M.L.S. (University of South Florida)

HOLT, LARRY C., Associate Professor of Education (1988) B.S., Ed.D., (University of Cincinnati)

HOOBER, GERARD M., Assistant Professor of Communication (Film) (1991) B.A., M.F.A. (Temple University)

HOPKINS, MARTHA H., Associate Professor of Education (1983) B.A., M.Ed., Ph.D. (Florida State University)

HOSLER, E. RAMON, Professor of Engineering (1978) B.Ch.E., M.S., Ph.D. (University of Illinois). P.E. (Florida)

HOSNI, DJEHANE, Associate Professor of Economics (1977) B.A., M.A., Ph.D. (University of Arkansas)

HOSNI, YASSER A., Professor of Engineering (1976) B.S.M.E., M.S., Ph.D. (University of Arkansas). P.E. (Florida)

HOTALING, EDWARD R., JR., Acting Chair and Associate Professor of Music (1969) B.M., Ph.D. (Northwestern University)

HOUSTON, SANDRA G., Assistant Professor of Psychology (1977) B.A., M.S., Ph.D. (Auburn University)

HSUEH, L. PAUL, Associate Professor of Finance (1989) B.A., M.B.A., Ph.D. (University of Tennessee)

HUA, KIEN, Assistant Professor of Computer Science (1990) B.S., M.S., Ph.D. (University of Illinois)

Hudson, Larry R., Associate Professor of Education (1982) B.S., M.A., Ph.D. (University of Iowa)

Hudson, Phyllis J., University Librarian (1972) B.A., M.S.L.S. (University of Illinois)

Hughes, Charles E., Professor of Computer Science (1980) B.A., M.S., Ph.D. (Pennsylvania State University)

Hunt, Marilyn F., Instructor in Accounting (1971) B.S., M.A. (University of Missouri). C.P.A.

Hurst, John W., Assistant Professor of Mathematics (1968) B.S., M.M. (University of South Carolina)

Huseman, Richard C., Dean, College of Business Administration and Professor of Management (1990) B.A., M.A., Ph.D. (University of Illinois)

HYNES, MICHAEL C., Director of Research, College of Education and Professor of Education
(1971), B.S.Ed., M.Ed., Ph.D. (Kent State University)

INGRAM, DAVID B., Associate Professor of Communicative Disorders
(1974), B.A., M.A., Ph.D. (State University of New York at Buffalo)

IRAZARRY, JULIO, SSgt, USAF, Instructor of Aerospace Studies
(1992) B.S., (Wayland Baptist University)

JAFFE, GLORIA W., Assistant Professor of English
(1981), B.A., M.A.T. (Rollins College)

JANOS, STEVEN C., Assistant Professor of Physical Therapy
(1992) B.S., M.S. (Northwestern University)

JARVIS, LANCE P., Associate Professor of Marketing

JASKULSKI, GARY M., Adjunct Instructor of Music

JEFFREY, PAUL, Assistant Professor of Communication
(1988) B.A., M.A. (University of Missouri)

JENSEN, BERNARD, Associate Professor of Psychology
(1985) B.S., M.A., Ph.D. (Southern Illinois University)

JOELS, ROSIE WEBB, Professor of Education

JOHNSON, FRANCES L., Assistant Professor of Communication
(1971) A.B., M.A. (University of Kentucky)

JOHNSON, JUDITH, Assistant Professor, Instructional Programs
(1992) B.S., M.S., Ph.D. (University of Nebraska)

JOHNSON, MARK E., Chair, Department of Statistics and Professor of Statistics
(1990) B.A., M.S., Ph.D. (University of Iowa)

JOHNSON, MARY C., Assistant Professor of Communication (Film)
(1991) B.S., M.A., Ph.D. (Ohio State University)

JOHNSON, MICHAEL D., Assistant Professor of Physics
(1990) B.S., Ph.D. (University of Virginia)

JOHNSON, ROGER W., Associate Professor of Engineering

JOHNSON, WALTER L., Associate Professor of Accounting
(1979) B.S., M.B.A., Ph.D. (University of Texas, Austin), C.P.A.

JOHNSON, WILLIAM H., Professor of Education
(1986) B.S., M.Ed., Ph.D. (Kent State University)

JOHNSON-FREESE, JOAN, Associate Professor of Political Science
(1981) B.A., M.A., Ph.D. (Kent State University)

JONES, DANIEL R., Associate Professor of English
(1984) B.A., M.A., Ph.D. (Florida State University)

JONES, DAVID E., Associate Professor of Anthropology
(1972) B.A., M.A., Ph.D. (University of Oklahoma)

JONES, DONALD E., Assistant Professor of Philosophy
(1972) B.A., M.A., Ph.D. (University of Oklahoma)

JONES, FOARD F., Assistant Professor of Management
(1989) M.B.A. (Appalachian State University)

JONES, HALSEY R., JR., Professor of Management

JONES, JUDY R., Coordinator, Small Business Development Center and Instructor
(1988) B.S. (The University of Wisconsin-Milwaukee)

JONES, ROBERT S., Assistant Professor of Communication (Film)
(1991) A.B., M.S., M.F.A. (University of California)

JONES, ROY C., JR., Assistant Professor of Mathematics
(1969) B.S., M.S., Ph.D. (Western Reserve University)

JUDD, ANDREW J., Associate Professor of Accounting

JUGE, FRANK E., Associate Vice President for Academic Affairs and Professor of Chemistry
(1968) B.S., Ph.D. (University of Arkansas)
JURIE, JAY D., Associate Professor of Public Administration

KALLINA, EDMUND F., JR., Associate Professor of History
(1970), B.A., M.A., Ph.D. (Northwestern University)

KAMINSKY, EDDIE, Instructor of Business Law
(1985), A.B., L.L.B. (University of Georgia)

KAMRAD, DENNIS R., Director, Liberal Studies Program
(1972), B.A., M.A.Ed. (Rollins College)

KAPLAN, JEFFREY S., Visiting Assistant Professor, Educational Foundations
(1992), B.A., M.A., Ph.D. (University of Florida)

KARIMI, SOUSAN, Visiting Instructor of Computer Science
(1990), B.S., B.S., M.S. (University of Central Florida)

KASPARIS, TAKIS, Assistant Professor of Engineering
(1989) B.E.E., M.E.E., Ph.D. (City University of New York)

KASSAB, ALAIN J., Assistant Professor of Engineering
(1991), B.S.E.S., M.S., Ph.D. (University of Florida) E.I. (Florida)

KASSIM, HUSAIN, Associate Professor of Philosophy and Religion
(1970), B.A., M.A., I.L.L.B., Ph.D. (University of Bonn)

KAZMERSKI, KENNETH J., Associate Professor of Social Work
(1979), B.A., M.S.W., D.S.W. (City University of New York)

KELLER, KATHERINE Z., Associate Professor of English
(1984), B.A., M.A., Ph.D. (University of Toronto)

KELLHER, CHARLES F., Assistant Professor of Accounting
(1985), B.S., M.S. (Texas A&M University), C.P.A.

KENLY, PATRICIA E., Assistant University Librarian
(1991), B.S., M.B.A., M.L.S. (Florida State University)

KENNEDY, HENRY, Professor of Political Science
(1971), B.S., M.Ed., M.A., Ph.D. (University of Michigan)

KERSTEIN, ROBERT D., Professor of Engineering
(1968), B.S., M.S., Ph.D. (Northwestern University), P.E. (Florida, Arizona, and Oklahoma)

KHAJENOORI, SOHEIL, Assistant Professor of Engineering
(1988), B.A., M.S., Ph.D. (University of Central Florida)

KIEL, DWIGHT, Assistant Professor of Political Science
(1990), B.A., M.A., Ph.D. (University of Massachusetts)

KIGER, NANCY, Visiting Instructor, Instructional Programs

KIJAK, JEAN C., Associate Dean, College of Health and Public Affairs and Associate Professor of Nursing
(1985), R.N., Ph.D. (New York University)

KILBRIDE, WADE R., Interim Director, Brevard Area Campus and Assistant Professor of Economics
(1978), B.S., M.A., Ed.D. (Florida Atlantic University)

KIM, JIN J., Professor of Physics
(1988) B.S., M.S., Ph.D. (University of Wisconsin-Madison)

KLEE, HAROLD 1., Associate Professor of Engineering
(1972), B.S., M.S., Ph.D. (Polytechnic Institute of Brooklyn), P.E. (Florida)

KLINTWORTH, NANCY P., Instructor of Business Law

KLOCK, DAVID R., Professor of Finance
(1981), B.S., M.S., Ph.D. (University of Illinois)

KNAP CHRISTINE Z., Assistant, Small Business Development Center
(1989), B.A., M.A., (Goddard College)

KOCH-PARRISH, SHARON, Assistant Professor of Nursing

KOEVENIG, JAMES L., Professor of Biology
(1971), B.A., M.A., Ph.D. (University of Iowa)

KOONCE, JEFFERSON M., Professor of Psychology
(1992) B.S., M.S., Ph.D. (University of Illinois)
KOONS, KEITH, Assistant Professor of Music
(1990), B.M., M.M., D.M.A. (University of Southern California)

KUHN, DAVID T., Professor of Biology
(1970), B.A., M.S., Ph.D. (Arizona State University)

KUJAWA, FRANK B., Associate Professor of Geology
(1969), B.A., Ph.D. (Johns Hopkins University)

KUNNATH, SASHI K., Assistant Professor of Engineering
(1991), B.E., M.E., Ph.D. (State University of New York at Buffalo)

KUO, SHIOU-SAN, Professor of Engineering
(1981), B.S., M.S., Ph.D. (Michigan State University), P.E. (Florida and Michigan)

KURFIRST, ROBERT, Assistant Professor of Political Science
(1991), B.A., M.A., Ph.D. (University of Toronto)

KYSILKA, MARCELLA L., Professor of Education
(1969), B.S.Ed., M.Ed., Ph.D. (University of Texas)

LA BRAKE, ORLYN B., Associate Director of Libraries
(1977), B.A., M.L.S. (State University of New York at Albany)

LANG, SHEAU-DONG, Associate Professor of Computer Science
(1981), B.S., M.S., Ph.D. (Pennsylvania State University)

LANGE, ROBERT R., Chair, Educational Foundations and Professor of Education
(1980), B.S., M.Ed., Ph.D. (New Mexico State University)

LASSEIGNE, THOMAS L., Assistant Professor of Management
(1992), B.S., M.B.A. (Louisiana State University)

LAWTHER, WENDELL C., Associate Professor of Public Administration
(1984), B.A., M.A., Ph.D. (Indiana University)

LEBRUTO, STEPHEN J., Associate Professor in Hospitality Management
(1990), B.S., M.S. (Long Island University), C.P.A.

LECKIE, SHIRLEY J., Associate Professor of History
(1985), B.A., M.A., Ph.D. (University of Toledo)

LEE, CHANG C., University Librarian
(1983), L.L.B., M.S., Ph.D. (Florida State University)

LEE, GENE C. H., Associate Professor of Engineering
(1985), B.E., M.S., M.S.I.E., Ph.D. (Texas Tech University) P.E. (Texas)

LEESON, JOHN J., Associate Professor of Computer Science
(1982), B.A., M.S., Ph.D. (University of Miami)

LEFTWICH, D. SCOTT, Acting Director of Transportation Systems Institute and
Associate Professor of Engineering
(1982), B.S., M.C.E., Ph.D. (North Carolina State), P.E. (Florida and North Carolina)

LEIGH, WILLIAM E., JR., Associate Professor of Management
(1987), B.S., M.S., M.B.A., Ph.D. (University of Cincinnati)

LESKO, ERIC S., Instructor in Music
(1980), B.M. (Hartt College of Music)

LEVENSOHN, STEPHEN B., Professor of Philosophy
(1969), B.A., M.A., Ph.D. (Florida State University)

LEWIS, PAMELA S., Chair and Associate Professor of Management
(1986), B.S.B.A., M.B.A., Ph.D. (University of Tennessee-Knoxville)

LI, XIN, Assistant Professor of Mathematics
(1990), B.A., M.A., Ph.D. (University of South Florida)

LILIE, JOYCE R., Associate Professor of Political Science
(1985), B.A., M.A., Ph.D. (Johns Hopkins University)

LILIE, STUART A., Associate Vice President and Dean, Undergraduate Studies and
Associate Professor of Political Science
(1972), B.A., Ph.D. (Johns Hopkins University)

LILLIOS, ANNA, Associate Professor of English
(1987), B.A., M.A.L.S., Ph.D. (University of Iowa)

LIN, J.T., Associate Professor of Physics
(1985), B.S., Ph.D. (University of Rochester)

LIN, KUO-CHI, Assistant Professor of Engineering
(1990), B.S., M.S., Ph.D. (University of Michigan)
LINDHOLM, JAN, Instructor of Computer Science
(1980), B.S., M.B.A. (Western Colorado University)

LINTON, DARRELL G., Associate Professor of Engineering
(1977), B.A., M.E., Ph.D. (University of Florida), P.E. (Florida)

LIU, JUIN J., Associate Professor of Engineering Science
(1986), B.S.E.E., M.S.E.E. (University of Florida)

LITTLEWOOD, IAN, Assistant Professor of Physics
(1986), B.A., D.Phil. (Oxford University)

LIU, Y. ANGELA, Assistant Professor of Finance
(1989), B.A., M.A., Ph.D. (University of Tennessee)

LLEWELLYN, RALPH A., Professor of Physics
(1980), B.S., Ph.D. (Purdue University)

LOBO, NIELS DA VITTORIA, Assistant Professor of Computer Science
(1993) B.Sc., M.Sc., Ph.D. (University of Toronto)

LONG, SUSAN, Assistant Professor of Communication

LONGLEY, ROSS E., Assistant Professor of Biological Sciences
(1984), B.S., M.S., Ph.D. (University of Oklahoma)

LOTZ, STEVEN D., Professor of Art
(1968), B.A., M.F.A. (University of Florida)

LOUDERMILK, JENNIE L., Director of Development, College of Education
(1977) B.A., M.A., Ed.D. (University of Georgia)

Luo, Weili, Assistant Professor of Physics
(1992), B.S., Ph.D. (University of California, Los Angeles)

LYNN, MARY ANN, Professor of Education

LYNWXILER, JOHN P., Assistant Professor of Sociology
(1989), B.A., M.A., Ph.D. (University of Tennessee)

LYTLE, J. STEPHEN, Associate Professor of Health Sciences
(1975), RRT, B.S., M.S., M.P.H. (University of Central Florida)

MADSEN, BROOKS C., Professor of Chemistry
(1970), B.S., M.S., Ph.D. (Ohio University)

MAHAN, CHERYL A., Associate University Librarian
(1977), B.A., M.L.S. (Florida State University)

MAHAN, SUSAN G., Associate Professor of Criminal Justice
(1987) Ph.D. (University of Missouri)

MAHONEY, LOIS S., Assistant to the Director and Instructor of Accounting
(1989), B.A., M.B.A. (University of Central Florida)

MALOCHA, DONALD C., Professor of Engineering
(1981), B.S., M.S., Ph.D. (University of Illinois), P.E. (Florida)

MALONE, LINDA C., Associate Professor of Statistics
(1979), B.S., M.S., Ph.D. (Virginia Polytechnic Institute)

MANNING, PATRICIA C., Professor of Education

MARTIN, HUGH P., Assistant Professor of Education
(1972), B.S., M.A., Ed.D. (University of Alabama)

MARTIN, JR., FRANCIS, Visiting Instructor of Art
(1992), B.A., M.A., Ph.D. (UCLA)

MARTIN, RAYMOND L., Associate Professor of Management
(1971), B.S.E.E., M.E.A., Ph.D. (American University)

MARTIN, ROBERT D., Professor of Education

MARTIN, THOMAS L., Associate Professor of Economics
(1983), B.A., B.S., Ph.D. (Rice University)

MATHEWS, BRUCE E., Professor of Engineering
(1969), B.E.E., M.S.E., Ph.D. (University of Florida), P.E. (Florida)

MATTSON, GUY C., Professor of Chemistry
(1969), B.S., Ph.D. (University of Florida)
MAUNEZ-CUADRA, JOSE, Associate Professor of Communication
(1989), B.A., M.S., Ph.D. (Bowling Green State University)

McBRAKER, JAMES D., Chair, Department of Engineering Technology and Professor of Engineering Technology
(1990), B.S.A.E., M.S., Dipl., D.Sc. (Washington University), P.E. (Florida, Missouri, and Ohio)

McCANN, MICHAEL P., Assistant Professor of Chemistry
(1990), B.S., M.S., Ph.D. (University of Tennessee)

McCARTHY, BELINDA R., Dean, College of Health and Public Affairs and Professor of Criminal Justice
(1990), B.A., M.A., Ph.D. (SUNY at Albany)

McCARTHY, BERNARD J., Acting Chair of Criminal Justice and Legal Studies and Professor of Criminal Justice
(1990), B.A., M.Ed., M.A., Ph.D. (The Florida State University)

McCAULEY-BELL, PAMELA R., Assistant Professor of Engineering
(1993), B.S., M.S., Ph.D. (University of Oklahoma)

McGEE, WILLIAM W., Professor of Forensic Science
(1968), B.S., M.S., Ph.D. (University of Florida)

McGHEE, KATHERINE, Assistant Professor of Art Education
(1989), B.S., M.A., Ph.D. (Ohio State University)

McGUFFEE, MICHAEL E., Visiting Instructor
(1991), B.S., M.S., Oklahoma State University

McGUIRE, JOHN M., Professor of Psychology
(1972), B.A., M.A., Ph.D. (George Peabody College)

Mchone, W. WARREN, Chair, Department of Economics and Associate Professor of Economics
(1982), B.S., M.A., Ph.D. (University of Pennsylvania)

McINTOSH, JOHN, Instructor of Industrial Engineering
(1990), B.S.E.E., M.S.E.E., M.B.A. (University of Central Florida)

McQUILKIN, PAUL R., Associate Dean of Undergraduate Studies
(1971), B.S., M.B.A., Ph.D. (Iowa State University)

McQUILLEN, CHARLES D., Visiting Professor of Finance
(1987), B.S., M.B.A., Ph.D. (University of Florida)

MEALOR, DAVID J., Professor of Education
(1980), B.S., M.Ed., Ph.D. (University of Georgia)

MEESKE, MILAN D., Interim Director, School of Communication and Professor of Communication
(1970), B.S., M.A., Ph.D. (University of Denver)

MENDENHALL, THOMAS S., Associate Professor of Health Sciences
(1976), B.A., MT(ASCP), M.S., Ph.D. (University of Missouri)

MICARELLI, CHARLES N., Professor of Foreign Languages and Literatures
(1967), B.A., M.A., Ph.D. (Boston University)

MICHEL, ELIZABETH, Visiting Instructor of Communication
(1989), B.A., M.A. (University of Central Florida)

MIDGETT, JEANICE, Professor of Education
(1972), B.S., M.A., Ed.S., Ed.D. (University of Georgia)

MIKHAEL, WASFY B., Professor of Engineering
(1988), B.S.E.E., M.S.E.E., Ph.D. (Concordia University)

MIKUSINSKI, PIOTR, Associate Professor of Mathematics
(1985), M.S., Ph.D. (Polish Academy of Sciences, Institute of Mathematics)

MILES, D. HOWARD, Chair, Department of Chemistry and Professor of Chemistry
(1988), B.S., Ph.D. (Georgia Institute of Technology)

MILLER, ALAN, Professor of Physics
(1988) B.Sc., Ph.D. (University of Bath-United Kingdom)

MILLER, A. JEANNE, Associate Professor of Education

MILLER, HARVEY A., Professor of Biology
(1970), B.S., M.S., Ph.D. (Stanford University)
MILLER, MARGARET, Associate Professor of Education  
(1971), B.S., M.S., Ed.D. (University of Florida)

MILLER, RICHARD N., Associate Dean and Associate Professor of Engineering  
(1979), B.S., M.S.E.E., Ph.D. (SUNY Buffalo), P.E. (Colorado, Florida)

MILMAN, ADY, Associate Professor of Hospitality Management  
(1986), B.A., M.Sc., Ph.D. (University of Massachusetts)

MINARDI, ANTONIO, Assistant Professor of Engineering  
(1977), B.A.Sc., S.M., Ph.D. (University of Central Florida), E.I. (Florida)

MITCHELL, DEBBY L., Instructor of Education  
(1989) B.A., M.A. (University of Central Florida)

MODANI, NAVAL K., Associate Professor of Finance  
(1983), B.S., M.B.A., Ph.D. (University of South Carolina)

MOHAPATRA, RAM N., Professor of Mathematics  
(1984), B.S., M.S., Ph.D. (University of Jabalpur)

MOHARAM, GAMAL, Professor of Electrical Engineering Science  
(1987), B.S., Ph.D. (University of British Columbia)

MOLLAGHASEMI, MANSOOREH, Assistant Professor of Engineering  
(1991), B.S., M.E., Ph.D. (University of Louisville)

MONROE, JUDITH E., Assistant Director, Administration and Finance  
(1978) B.S., M.A. (University of Central Florida)

MORALLES, CPT ANGEL A., Assistant Professor of Military Science  
(1990), B.A. (International American University)

MORAZAWI, AMIR, Assistant Professor of Engineering  
(1990), B.S.E., M.S.E., Ph.D. (Texas at Austin)

MORRIS, MICHAEL H., Associate Professor of Marketing  
(1984), B.A., M.S.B.A., Ph.D. (Virginia Polytechnic Institute and State University)

MORRIS, JOAN, Assistant Professor of Sociology  
(1993), B.A., M.A., Ph.D. (Louisiana State University)

MORTAZAWI, AMIR, Assistant Professor of Engineering  
(1990), B.S.E., M.S.E., Ph.D. (Texas at Austin)

MOSHELL, J. MICHAEL, Associate Professor of Computer Science  
(1984), B.S., Ph.D. (Ohio State University)

MOSLEHY, FAISSAL A., Professor of Engineering  
(1980), B.S., M.S., Ph.D. (University of South Carolina), P.E. (Florida)

MOZEE, DAVID M., Assistant Professor of Criminal Justice  
(1990), B.G.S., M.P.A. (Roosevelt University)

MUILENBURG, LAWRENCE P., Instructor of Mathematics  
(1990), B.A., M.S. (University of Central Florida)

MUKHERJEE, AMAR, Professor of Computer Science  
(1979), B.S., M.S., Ph.D. (University of Calcutta)

MULLIN, THOMAS A., Acting Chair and Associate Professor of Communicative Disorders  
(1972), B.A., M.S., Ph.D. (Syracuse University)

MULLENS, MICHAEL A., Assistant Professor of Industrial Engineering  
(1989), B.S., M.S., Ph.D. (Georgia Tech)

MURRAY, BARBARA, Assistant Professor of English  
(1989), B.A., M.A., Ph.D. (University of Tennessee)

MURRAY, BARBARA A., Assistant Professor, Educational Services  
(1992), B.S., M.A.E., Ed.S., Ph.D. (Indiana State University)

MURRAY, KENNETH T., Assistant Professor of Education  
(1991), B.S., M.S., J.D., Ph.D. (Indiana State University)

MUSSER, KAREN, Visiting Instructor, Instructional Programs  
(1992), B.S., M.Ed. (University of Central Florida)

MYLER, HARLEY R., Associate Professor of Engineering  
(1986), B.S.E.E., M.S.E.E., Ph.D. (New Mexico State University), P.E. (Florida)
NAYFEH, JAMAL, Assistant Professor of Engineering (1990), B.S., M.S., Ph.D. (Virginia Polytech Institute and State University)

NEIGHBOR, J. EDWARD, Associate Vice President for Academic Affairs and Professor of Physics (1987), B.S., M.S. Ph.D. (Massachusetts Institute of Technology)

NEUSTEL, ARTHUR D., Assistant Professor of Finance (1984), B.S., M.S., M.B.A., Ph.D. (Virginia Polytechnic Institute and State University)

NICHLSON, DAVID W., Chair, Department of Mechanical and Aerospace Engineering and Professor of Engineering (1990), B.S., M.S., M.Phil., Ph.D. (Yale University)

NICKERSON, DAVID, Associate Professor of Statistics (1990), B.S., M.S., Ph.D. (University of Georgia)

NOLL, MARY LOU, Associate Professor of Nursing (1991), B.S.N., M.S., Ph.D. (University of Texas at Austin)

NUCKOLLS, CHARLES E., Associate Professor of Engineering (1973), B.S., M.S., Ph.D. (University of Oklahoma), P.E. (Florida, Texas)

D’HARA, JOHN B., Professor of Communication (1979) B.A., M.A., Ph.D. (University of Oklahoma)

O’KEEFE, M. TIMOTHY, Professor of Communication (1968) B.A., M.A., Ph.D. (University of North Carolina)

OLSON, JUDITH L., Professor of Education (1974), B.S., M.A., Ph.D. (University of Florida)

OMANS, STUART E., Professor of English (1968), B.A., M.A., Ph.D. (Northwestern University)

OROOLI, ALI, Associate Professor of Computer Science (1985), B.S., M.S., Ph.D. (Ohio State University)

ORWIG, GARY W., Professor of Education (1977) B.S., M.S., Ed.D. (Indiana University)

OSBORNE, JOHN A., Professor of Biology (1972), B.S., M.S., Ph.D. (Kansas State University)

OSBORNE, KING W., Professor of Engineering Technology (1983), B.S.E., M.E.E.E., Ed.D. (Florida Atlantic University), P.E. (Florida)

OTUKA, YASUJI, Associate Professor of Economics (1990), B.S., M.S., Ph.D. (University of Tennessee)

OWENS, KAREN R., Assistant in Center for Economic Education (1987), B.A. (University of Florida)

OWENS, KELLY J., Captain, USAF, Assistant Professor of Aerospace Studies (1991), B.S., M.S. (Troy State University-Montgomery)

PALMER, MARY J., Interim Dean, College of Education and Professor of Education (1970), B.S., M.S., Ed.D. (University of Illinois)

PAPPAS, SARAH H., Associate Vice President for Academic Affairs and Director, Daytona Beach Campus (1988), B.A., M.A., Ed.D. (Nova University)

PARK, HOOK, Assistant Professor of Finance (1988), B.A., M.B.A., Ph.D. (Georgia State University)

PARK, SHELLI G., Assistant Professor of Philosophy (1990), B.A., M.A., Ph.D. (Duke University)

PARKER, HAZEL, Assistant Professor of Communicative Disorders (1990), B.A., M.A. (University of Central Florida)

PARKINSON, EDWARD, Assistant Professor of Engineering (1989) B.S., M.S., Ph.D. (University of South Florida)

PATRONE, NADIA, Assistant Professor of Foreign Languages and Literatures (1989), B.A., M.A., Ph.D. (Florida State University)

PATTON, CHARLES, Assistant Professor of Marketing (1987), B.S., M.E., M.B.A., Ph.D. (University of Pennsylvania)

PAUGH, ROBERT F., Associate Professor of Education (1973), B.S., M.A., Ed.D. (North Carolina State University)
PAUL, GORDON W., Professor of Marketing  
(1977), B.S., M.B.A., Ph.D. (Michigan State University)

PAULEY, BRUCE F., Professor of History  
(1971), B.A., M.A., Ph.D. (University of Rochester)

PAWLAS, GEORGE E., Assistant Professor of Education  
(1991), B.S., M.Ed., Ph.D. (University of South Carolina)

PAVAS, ARMANDO, Associate Professor of Foreign Languages and Literatures  
(1969), B.A., M.A., J.D., Ph.D. (Florida State University)

PEALE, ROBERT E., Assistant Professor of Physics  
(1991), B.A., M.S., Ph.D. (Cornell University)

PELLI, MOSHE, Director, Judaic Studies Program and Professor of Judaic Studies  
(1985), B.S., Ph.D. (The Dropsie College)

PENNINGTON, ROBERT L., Director, Center for Economic Education and Associate Professor of Economics  
(1983), B.A., Ph.D. (Texas A&M University)

PERAGALLO, NILDA P., Associate Professor of Nursing  
(1983), B.S.N., Dr. P.H. (University of Texas)

PERRY, MICHAEL K., Assistant Professor of Military Science  
(1990), B.S. (Florida Institute of Technology)

PET-EDWARDS, JULIA J.A., Assistant Professor of Engineering  
(1993), B.S., M.S., Ph.D. (Case Western Reserve University)

PETRASKO, BRIAN E., Associate Professor of Engineering Science  
(1972), B.E.E., M.E., D.Eng. (University of Detroit)

PETTOFREZZO, ANTHONY J., Professor of Mathematics  

PFARRER, THEODORE R., Associate University Librarian  
(1976), B.S., M.L.S., Ad.M.L.S., Ph.D. (Florida State University)

PHILLIPS, RONALD L., Professor of Engineering Science and Mathematics  
(1970), B.S.E., M.S.E., M.A., Ph.D. (Arizona State University)

PHILLIPS, THOMAS E., Associate Professor of Accounting  
(1977), A.B., M.B.A., Ph.D. (University of Nebraska), C.P.A.

PICKERING, ROY, Associate Professor of Music  
(1979), B.M.E., M.M. (Indiana University)

PIZAM, ABRAHAM, Professor of Hospitality Management  
(1983), B.A., M.P.A., Ph.D. (Cornell University)

PLATT, JENNIFER M., Associate Professor of Education  
(1985), B.S., M.S., Ed.D. (West Virginia University)

POLFER, ALOYSE T., Director, Small Business Development Center and Instructor  

POLLOCK, PHILIP H., Associate Professor of Political Science  
(1982), B.A., Ph.D. (University of Minnesota)

POTTS, JAMES H., Professor of Accounting  
(1990), B.S., M.B.A., Ph.D. (University of Alabama)

POWELL, JOHN W., Interim Chair, Exceptional and Physical Education and Associate Professor of Education  

POWELL, STERLING A., Assistant Professor of Military Science  
(1990), B.S. (Florida A & M University)

PRICE, MARIAN W., Assistant Professor of English  
(1974), B.A., M.A., Ph.D. (Florida State University)

PRIMUS, BOBBIE J., Associate Professor of Nursing-Daytona Campus  
(1988), B.S., M.P.H., Ed.D. (Virginia Polytechnic Institute and State University)

PRYOR, ALBERT V., Professor of Communication  
(1972), B.S., M.A., Ph.D. (University of Michigan)

PULLIN, JAMES R., Instructor of Management  
(1987), B.S., M.B.A., M.S. (Georgia State University)

PUTCHINSKI, LINDA B., Instructor, College of Business Administration  
(1989), B.A., M.B.A. (University of Central Florida)

PYLE, RANSFORD C., Associate Professor of Legal Studies  
(1976), A.B., J.D., M.A., Ph.D. (University of Florida)
QU, ZHIHUA, Assistant Professor of Engineering (1990), B.S.E., M.S.E., Ph.D. (Georgia Tech)
QUAIN, WILLIAM J., Associate Professor in Hospitality Management (1988), B.S., M.S., Ph.D. (University of New Orleans)
QUEEN, WILLIAM E., Visiting Assistant Professor of Engineering Technology (1991), B.S.E.E., M.S.E.E., M.S.A. (George Washington University), P.E. (D.C.)
RADWAN, A. ESSAM, Chair, Department of Civil and Environmental Engineering and Professor of Engineering (1990), B.S., M.S., Ph.D. (Purdue University), P.E. (Arizona, Florida, Virginia, and Egypt)
RAFFA, FREDERICK A., Professor of Economics (1969), B.S., M.B.A., Ph.D. (Florida State University)
RAGUSA, JAMES M., Associate Professor of Management (1987), B.S.M.E., M.S.M., D.B.A. (Florida State University)
RAMEY, MARY E., Instructor of Nursing (1988), B.S.N., M.N.Ed. (University of Pittsburgh)
RATLIFF, JOANNE, Assistant Professor of Education (1987), B.S., M.Ed., Ph.D. (Louisiana State University)
RATUSNIK, DAVID L., Professor of Communicative Disorders (1985), B.S., M.A., Ph.D. (Northwestern University)
RAUTENSTRAUCH, C. PETER, Associate Professor of Mathematics (1968), B.A., M.A., Ph.D. (Auburn University)
REDMON, MARIA, Instructor of Foreign Languages and Literatures (1989), B.A., M.A. (University of Madrid)
REGIER, GAIL, Assistant Professor of English (1990), B.S., M.F.A. (University of Arkansas)
REINHART, DEBRA R., Assistant Professor of Engineering (1989), B.S.E., M.S., Ph.D. (Georgia Tech), P.E. (Georgia, Florida)
RENKEN, RAY L., Assistant Professor of Physics (1991), B.S., Ph.D. (Cornell University)
RENNER, KENNETH H., Assistant Professor of Education (1969), B.S.P.E., M.P.H. (University of Florida)
REYNOLDS, SFC PAUL E., Instructor
Army ROTC
RICE, STEPHEN L., Associate Dean and Professor of Engineering (1983), B.S., M.E., Ph.D. (University of California, Berkeley), P.E. (Florida)
RICHARDSON, GARY D., Professor of Mathematics and Statistics (1984), B.S., M.S., Ph.D. (North Carolina State University)
RICHARDSON, MARTIN, Professor of Physics (1990), B.S.C., A.R.C.S., Ph.D. (University of London)
RICHIE, SAMUEL M., Assistant Professor of Engineering (1984), B.S.E., M.S.E., Ph.D. (University of Central Florida), E.I. (Florida)
RIGGS, K. ROGER, Instructor in Computer Science (1988), B.A., M.S. (University of Central Florida)
RILEY, PAUL E., Associate Professor of Humanities (1969), B.A., M.Ed., Ph.D. (University of Florida)
RINALDUCCI, EDWARD J., Professor of Psychology (1986), B.A., M.A., Ph.D. (University of Rochester)
RISER, JOHN S., Chair, Department of Philosophy and Humanities and Associate Professor of Philosophy (1969), B.A., Ph.D. (University of North Carolina)
RIVERS, ROBERT H., JR., Associate Professor of Art (1981), B.F.A., M.F.A. (University of Georgia)
ROBERTS, DAVID J., Director, Center for Executive Development and Instructor (1987), B.S., M.B.A., (Indiana University)
ROBERTSON, EDWARD H., Instructor in Accounting (1981), M.B.A. (Columbia University), C.P.A.
ROBINSON, MAUREEN H., Instructor of Education

ROGERS, RALPH V., Assistant Professor of Engineering
(1989) B.S.E.E., M.S.I.S.E., Ph.D. (University of Virginia)

RODRIGUEZ, RENE S., Associate Professor of Mathematics
(1971) B.Ch.E., M.A., Ph.D. (University of Tennessee)

RORICKER, FRANK D., Professor of Education
(1968) B.S., M.Ed., Ph.D. (University of Southern California)

ROWINS, DAVID K., Associate Professor of Mathematics
(1988) B.Sc., Ph.D. (California Institute of Technology)

ROLLINS, JACK B., Professor of Psychology
(1969) B.S., M.S., Ph.D. (University of Georgia)

RONEY, WILLIAM L., Associate Professor of Music and Artist in Residence

ROSEDCM, ELLEN, Assistant Professor of Public Administration
(1989) B.A., M.S.W., D.P.A. (University of Georgia)

ROSEKRANTZ, STUART A., Associate Professor of Management
(1989) B.G.S., M.A., M. Ed., Ph.D. (University of Nebraska)

ROTHBERG, ROBERT A., Professor of Accounting

ROUSH, PAMELA Y., Assistant Professor of Accounting
(1989) B.A., M.B.A., Ph.D. (Georgia State University)

RUBIN, RONALD S., Professor of Accounting
(1972) B.A., M.A., Ph.D. (University of Massachusetts)

RUNGELING, BRIAN S., Professor of Economics
(1981) M.A., Ph.D. (University of Kentucky)

RUSCELLA, PHYLLIS L., University Librarian

RUSHIN, PATRICK J., Associate Professor of English

RUSNOK, JOSEPH S., Associate Professor of Theatre
(1985) B.A., M.F.A. (University of Minnesota)

SAFFORD, ROBERT R., Associate Professor of Industrial Engineering
(1992) B.S., M.S., Ph.D. (Ohio State University), C.P.A.

SAHA, HARI, Associate Professor of Physics
(1987) B.S., Ph.D. (University of Calcutta)

SALTER, JOHN H. III, Associate Professor of Accounting
(1975) B.S., M.S., Ph.D. (Louisiana State University), C.P.A.

SALTER, MARILYN P., Visiting Instructor of Accounting
(1981) B.S., M.S.A. (University of Central Florida), C.P.A.

SALZMANN, FRANK L., Assistant Professor of Mathematics
(1970) B.S., M.S., Ph.D. (Auburn University)

SANDERS, LTC JOHN T., Chair, Department of Military Science and Professor of Military Science
(1991) B.S., M.A. (Webster University)

SAGE, LINDA J., Associate Professor of Accounting
(1980) B.S., M.S., Ph.D. (University of Florida), C.P.A.

SCHARF, MARGARET K., University Librarian

SCHELL, JOHN F., Chair, Department of English and Professor of English
(1987) B.A., M.A., Ph.D. (Vanderbilt University)

SCHIFFHORST, GERARD J., Professor of English

SCHOTT, JAMES R., Professor of Statistics
(1982) B.S., M.S., Ph.D. (University of Florida)

SCHOTT, SUSAN C., Instructor in Statistics
(1982) B.S., M.S. (University of Florida)
SCHULTE, ALFONS, Assistant Professor of Physics
(1990), Diploma in Physics, Dr. rer. nat. (Technische Universitaet)

SCIORTINO, PHILIP T., Associate Professor of Education
(1977), B.S., M.B.A., M.Ed., Ph.D. (University of Notre Dame)

SCOTT, DAVID F. JR., Chairholder, Della Phillips-Martha D. Schenck Chair in American Private Enterprise and Professor of Finance
(1982), B.S.B.A., M.B.A., Ph.D. (University of Florida)

SEAY, DONALD W., Chair/Artistic Director, Department of Theatre and Professor of Theatre
(1992) B.S., M.S., M.F.A., Ph.D. (Texas Tech University)

SEIDEL, KATHRYN L., Associate Dean College of Arts and Sciences and Professor of English
(1986), B.A., M.A., Ph.D. (University of Maryland)

SEPULVEDA, JOSE A., Associate Professor of Engineering
(1981), B.S.Ch.E., M.S.I.E., M.P.H., Ph.D. (University of Pittsburgh), P.E. (Florida)

SHAH, MUBARAK A., Associate Professor of Computer Science
(1986), B.A., M.S., Ph.D. (Wayne State University)

SHAVER, RON S., Assistant Professor of Communication
(1990), M.A. (University of Wisconsin-Madison)

SHOFNER, JERRELL H., Professor of History
(1972), B.S., M.S., Ph.D. (Florida State University)

SHOSTAK, THOMAS A., Director, Center for Continuing Education

SIEBERT, BARRY W., Associate Professor of Education
(1972), B.S., M.A., Ph.D. (University of North Dakota)

SIMMONS, ROGER D., University Librarian
(1990), B.A., M.L.S. (University of Chicago)

SINDLINGER, JUDITH A., Interim Director, College of Education Records and Advisement Center

SKOGlund, MARGARET A., Assistant Professor of Art
(1977), B.S., M.A., Ph.D. (University of Missouri)

SLAUGHTER, DAVID B., Assistant Professor of Legal Studies
(1978), B.A., J.D. (Florida State University)

SMITH, DOUGLAS R., Captain, USAF Assistant Professor of Aerospace Studies
(1991), B.S., M.S. (University of Texas-Austin)

SMITH, ERNEST, Assistant Professor of English
(1990), B.A., M.A., Ph.D. (New York University)
SMITH, FRANCES B., Associate Professor of Nursing  
(1979), R.N., M.S.N., Ed.D. (Florida State University)

SMITH, HARRY W., JR., Director, Department of Theatre and Professor of Theatre  
(1969), B.A., M.A., Ph.D. (Tulane University)

SMITH, RONALD F., Associate Professor of Communication  
(1980), A.B., M.A., M.A. (Ball State University)

SMITH, WILLIAM F., Professor of Engineering  
(1968), B.A., M.S., Sc.D. (Massachusetts Institute of Technology), P.E. (Florida, California)

SMITHER, JANAN A., Assistant Professor of Psychology  
(1990), B.S., M.A., Ph.D. (Johns Hopkins University)

SNELSON, FRANKLIN F., JR., Professor of Biology  
(1970), B.S., Ph.D. (Cornell University)

SNOW, MARILYN R., Head, Reference Department and Associate University Librarian  
(1984), B.A., M.L.S. (George Peabody College)

SOILEAU, MARION J., Director of CREOL and Professor of Engineering Science  
(1986) B.S., M.S., Ph.D. (University of Southern California)

SOMERVILLE, PAUL N., Professor of Statistics  
(1972), B.Sc., Ph.D. (University of North Carolina)

SOMMER, MARGARET E., Associate Professor of English  
(1972), B.A., M.Ed., Ed.D. (University of Georgia)

SORG, STEVEN E., Associate Professor of Education  
(1978), B.S., M.S., Ph.D. (Florida State University)

SOSKIN, MARK D., Visiting Associate Professor of Economics  

SOWDER, JEFFREY D., Associate University Librarian  
(1987), B.A., M.A.L.S. (University of South Florida)

SPUDECK, RAYMOND E., Assistant Professor of Finance  

STANNEY, KAY, Assistant Professor of Industrial Engineering  
(1992) B.S., M.S., Ph.D. (Purdue)

STAP DONALD L., Associate Professor of English  
(1985), B.A., Ph.D. (University of Utah)

STEARMAN, ALLYN M., Professor of Anthropology  
(1976), B.A., M.A., Ph.D. (University of Florida)

STEGEMAN, GEORGE I.A., Chairholder, Cobb-L.J. Hooker Chair in Optical Sciences and Professor of Physics Engineering  
(1990), B.S., M.S., Ph.D. (University of Toronto)

STERN, MARK, Professor of Political Science  
(1972), B.S., Ph.D. (University of Rochester)

STEWART, HELEN L., Counselor/Instructor/Advisor, College of Education Records and Advisement Center  
(1990), B.A., M.A. (University of Central Florida)

STICKLEY, C. MARTIN, Professor of Engineering  
(1990), B.S.E.E., M.S.E.E., Ph.D. (Northeastern University)

STILLMAN, JUNE S., University Librarian  
(1968), B.A.L.S., M.A. (Florida State University)

STINARD, CHARLENE, Visiting Instructor of Political Science  
(1990), B.S., M.A. (Columbia University)

STOUT, I. JACK, Professor of Biology  
(1972), B.S., M.S., Ph.D. (Washington State University)

STRANGE, C. CLINTON JR., Lecturer in Engineering Technology  
(1986), B.I.E., M.S.E. (University of Central Florida), E.I. (Georgia)

STRASSEHOFER, SUSAN, Instructor of English  
(1985), B.A., M.A. (University of Central Florida)

SUH, EDWARD K., Associate Professor of Social Work  
(1985), B.A., M.A., M.S.W., Ph.D. (Brandeis University)

SUNDARAM, KALPATHY B., Associate Professor of Engineering Science (1987) B.S., B.E., M.T., Ph.D. (Indian Institute of Technology, Bombay)

SUNG, STELLA, Assistant Professor of Music (1991) B.A., M.F.A., D.M.A. (University of Texas at Austin)

SUTTON, LINDA J., Associate University Librarian (1988), B.A., M.L.S. (Florida State University)

SWART, WILLIAM W., Chair, Department of Industrial Engineering and Management Systems and Professor of Engineering (1985), B.S., M.S., Ph.D. (Georgia Institute of Technology), P.E. (Florida)

SWEENEY, MICHAEL J., Chair of Health Sciences and Professor of Molecular Biology and Microbiology (1972), B.S., Ph.D. (Temple University School of Medicine)

SWEET, HAVEN C., Professor of Biology (1971), B.S., Ph.D. (Syracuse University)

SZNAIER, MARIO, Assistant Professor of Engineering (1990), B.S., B.S.E.E., M.S.E.E., Ph.D. (University of Washington)

TALBOTT, RICHARD E., Associate Dean, College of Health and Public Affairs and Professor of Communicative Disorders (1993) B.S., M.S., Ph.D. (University of Oklahoma)

TAN, JUSTIN, Visiting Instructor of Management (1992), B.B.A., M.A. (Kansas State University)

TANZI, LAWRENCE A., Associate Professor of Communication (1969), B.S.M.E., M.S., Ph.D. (Indiana University)

TAYLOR, DORIS M., Visiting Instructor of Accounting (1987), M.S. (University of Central Florida)

TAYLOR, FINLEY M., Assistant Professor of Foreign Languages and Literatures (1970), A.B., M.A., Ph.D. (University of Tennessee)

TAYLOR, JAMES S., Director Environmental Systems Engineering Institute and Professor of Engineering (1977), B.S.I.E., M.S., Ph.D. (University of Florida), P.E. (Florida)

TAYLOR, K. PHILLIP, Professor of Communication (1970), B.A., Ph.D. (Indiana University)

TAYLOR, MICHAEL D., Professor of Mathematics (1968), B.A., M.S., Ph.D. (Florida State University)

TAYLOR, WALTEA K., Professor of Biology (1969), B.S., M.S. Ph.D. (Arizona State University)

TEEPLE, EUGENE E., Professor of Marketing (1968), B.S., M.B.A., D.B.A. (University of Oregon)

TELL, PHILLIP M., Associate Professor of Psychology (1969), B.A., M.A., Ph.D. (University of Virginia)

THOMAS, MARGARET H., Interim Chair, Department of Psychology and Professor of Psychology (1971), B.A., M.A., Ph.D. (Tulane University)

THOMAS, RICHARD A., Professor of Education (1969), B.S., M.S., Ed.D. (Ball State University)

THOMSON, DOUGLAS R., Assistant Professor of Military Science (1989), B.A., M.A., M.A. (University of Central Florida)

THORNTON, DEBORAH P., Visiting Assistant Professor of Molecular Biology and Microbiology (1989), B.S., M.Ed. (University of North Carolina)

TREFONAS, LOUIS M., Professor of Chemistry (1981), B.A., M.S., Ph.D. (University of Minnesota)

TRIMBLE, JOHN L., Visiting Assistant Professor of Finance (1990), B.S., M.A., Ph.D. (Texas A&M University)

TUBBS, LeVESTER, Vice President for Student Affairs and Associate Professor of Education (1980), B.S., M.S., Ed.D. (University of Missouri-Columbia)
TUCKER, RICHARD D., Professor of Psychology
(1972), A.B., M.A., Ph.D. (Emory University)

TURNAGE, JANET J., Associate Professor of Psychology
(1981), B.A., M.S., Ph.D. (Iowa State University)

TZANNES, NICOLAOS S., Chair, Department of Electrical and Computer Engineering,
Professor of Engineering
(1986), B.E.E., M.E.E., Ph.D. (The Johns Hopkins University)

UMPHREY, ROBERT E., Professor of English
(1970), B.A., M.A., Ph.D. (University of Washington)

UTT, HAROLD A. Jr., Assistant Professor of Communication Disorders
(1981), M.S., Ph.D. (Florida State University)

VAJRAVELU, KUPPALAPALLE, Associate Professor of Mathematics
(1984), B.A., M.S., Ph.D. (Indian Institute of Technology)

VAN STRYLAND, ERIC W. Professor of Physics
(1987), B.S., Ph.D. (University of Arizona)

VAZQUEZ, EMIL C., Assistant Professor of Engineering Technology
(1987), B.S.E.E., M.B.A., (InterAmerican University), P.E. (Florida)

VEIT, MARCIA R., Visiting Instructor of Accounting
(1980), B.A., M.A. (University of Arkansas), C.P.A.

VELEZ, DIANA, Assistant Dean, College of Arts and Sciences
(1991), B.A., Ph.D. (Princeton University)

VEMPATY, N. RAO, Assistant Professor of Computer Science
(1990), B.S., M.S., Ph.D. (University of Texas)

VEMULAPATI, UDAYA, Assistant Professor of Computer Science
(1990), B.S., Ph.D. (Pennsylvania State University)

VENTRE, GERARD G., Associate Professor of Engineering
(1969), As.E., M.S., Ph.D. (University of Cincinnati), P.E. (Florida)

VICKERS, DAVID H., Acting Chair Department of Biology and Associate Professor of Biology
(1969), B.S., M.S., Ph.D. (Louisiana State University)

VILLARE, SONJA S., Visiting Assistant Professor of Accounting
(1991), Ed.D. (College of William and Mary)

VITTES, M. ELLIOT, Chair, Department of Political Science and Associate Professor of Political Science
(1983), B.A., M.A., Ph.D. (University of Massachusetts)

WAHID, PARVEEN F., Associate Professor of Engineering Science
(1984), B.S., M.S., Ph.D. (Indian Institute of Science, Bangalore)

WAHLMAN, MAUDE, Professor of Art
(1985), B.A., M.A., M.Phil., Ph.D. (Yale University)

WALLACE, RONALD L., Associate Professor of Anthropology
(1975), B.A., M.A., Ph.D. (University of Florida)

WALTERS, CHERYL D., Assistant University Librarian
(1987), B.A., M.L.S. (University of South Florida)

WALTERS, JOHN S., Associate University Librarian
(1990), B.S., M.A. (Pennsylvania University)

WANG, ALVIN Y., Associate Chair and Associate Professor of Psychology
(1987), B.A., Ph.D. (State University of New York at Stony Brook)

WANG, MORGAN, Assistant Professor of Statistics
(1991), B.S., M.S., Ph.D. (Iowa State University)

WANIELISTA, MARTIN P., Interim Dean, College of Engineering and Professor of Engineering
(1970), B.S.C.E., M.S., Ph.D. (Cornell University), P.E. (Florida)

WARD, JEANETTE A., Head, Serials Department and University Librarian
(1984), B.S., M.L.S. (Rutgers University)

WASHINGTON, DAVID W., Associate Professor of Molecular Biology and Microbiology
(1974), B.S., M.S., Ph.D. (Texas A & M University)

WAYSON, ROGER L., Assistant Professor of Engineering
(1990), B.E.S., M.S., Ph.D. (Vanderbilt) P.E. (Texas, Tennessee, Florida)

WEAVER, WILLIAM C., Associate Professor in Finance
(1987), B.S., M.B.A., Ph.D. (Georgia State University)
WEEKS, ARTHUR R., Assistant Professor of Engineering
(1989), B.S.E., M.S.E., Ph.D. (University of Central Florida)

WEHR, PAUL W., Professor of History
(1969), A.B., M.A., Ph.D. (Ball State University)

WEIDER-HATFIELD, DEBORAH, Professor of Communication
(1990), A.B., M.A., Ph.D. (Purdue University)

WELCH, JUDITH K., Assistant Professor of Accounting
(1988), B.A., M.B.A., Ph.D. (Florida State University)

WELCH, PAUL R., Associate Professor of Accounting
(1988), B.S., M.B.A., Ph.D. (University of Florida)

WELKE, JAMES W., Director, School of Communication and Professor of
Communication
(1986), A.B., M.A., (Indiana University)

WELKER, PATRICIA E., Assistant Professor of Health Sciences
(1986), A.S., B.S., M.A. (Idaho State University)

WELKE, JAMES W., Director, School of Communication and Professor of
Communication
(1986), A.B., M.A., Ph.D. (Indiana University)

WELKER, PATRICIA E., Assistant Professor of Health Sciences
(1986), A.S., B.S., M.A. (Idaho State University)

WELLMAN, CHARLES W., Associate Professor of Art

WEST, GAIL M., Visiting Professor, Instructional Programs
(1991), B.A., M.A., Ph.D. (Florida State University)

WHISLER, BRUCE A., Assistant Dean, College of Arts and Sciences and Associate
Professor of Music
(1971), B.A., Ph.D. (University of Rochester)

WHITE, DANIEL R., Associate Professor of Humanities
(1988), B.A., M.A., Ph.D. (Florida State University)

WHITE, KENNETH R., Associate Professor of Economics
(1968), B.S., Ph.D. (University of Oklahoma)

WHITE, ROSEANN S., Professor of Molecular Biology and Microbiology
(1969), B.S., Ph.D. (University of Texas)

WHITEHOUSE, GARY E., Provost and Vice President for Academic Affairs and
Professor of Engineering
(1978), B.S.I.E., M.S.I.E., Ph.D. (Arizona State University), P.E. (Florida,
Pennsylvania)

WHITNEY, JOHN C., Professor of Music
(1982), B.S., M.M. (New England Conservatory)

WHITTIER, HENRY O., Professor of Biology
(1968), B.S.Ed., M.A., Ph.D. (Columbia University)

WILDMAN-PEPE, JULIE L., Assistant in Statistical Consulting
(1984), B.A., M.S. (Purdue University)

WILLIAMS-FIELDHEIM, KARRI J., Associate Professor, College of Education
(1984), B.S., M.Ed., Ph.D. (University of Arizona)

WINK, DIANE M., Assistant Professor of Nursing

WINTER, PETER J., Assistant Professor of Management
(1990), B.B.A. (University of Georgia)

WOJZNISKI, RUDY J., Professor of Molecular Biology and Microbiology
(1970), B.S., M.S., Ph.D. (University of Wisconsin)

WOELK, MARTHA D., Visiting Instructor of History
(1990), B.A., M.A. (University of Central Florida)

WOLF, J. GARY, Distinguished Service Professor of Music
(1972), B.M.Ed., M.M., D.M.A. (Eastman School of Music)

WOOD, ALEXANDER T., Associate Professor of Education
(1969), B.A., M.S., Ph.D. (Florida State University)

WOOTEN, WILLIAM, Associate Professor of Psychology
(1985), B.A., M.S., Ph.D. (Memphis State University)

WORBS, HELMUTH E., Associate Professor of Engineering Technology
(1978), B.S.M.E., M.S.M.E. (Stanford University), P.E. (Florida, California)

WORKMAN, DAVID A., Associate Professor of Computer Science
(1976), B.S., M.S., Ph.D. (University of Iowa)
WORRELL, LEWIS T., Associate Professor of Health Sciences (1976), B.S., M.P.H. (University of Central Florida)
WRANCHER, ELIZABETH A., Associate Professor of Music (1974), B.M. (Indiana University), Prima Soprano Koblenz, Augsburg and Detmold
WYATT, WYATT Professor of English (1970), B.A., M.A. (Columbia University)
WYCOFF, EDGAR B., Associate Professor of Communication (1972), B.S., M.B.A.; Ph.D. (Florida State University)
XANDER, JAMES A., Associate Professor of Economics (1969), B.S., Ph.D. (University of Georgia)
YARBROUGH, PATRICIA, Chair and Professor of Physical Therapy (1992), P.T., M.P.H., Ph.D. (Georgia State University)
YON, DONNA L., Assistant Professor of Accounting (1984), B.S., M.Acc., Ph.D. (Texas A&M University)
YOUmans, KAREN G., Instructor of Health Sciences (1990), A.A.S., B.A., M.P.A. (Golden State University)
Yousef, Yousef A., Professor of Engineering (1970), B.S.C.E., M.S., Ph.D. (University of Texas), P.E. (Florida, Texas)
YUAN, JIANN S., Assistant Professor of Engineering (1989), B.S.E., M.S.E., Ph.D. (University of Florida)
ZAK, GAIL M., Assistant Professor of Marketing (1990), B.S., M.B.A. (Texas A&M University)
ZAYED, AHMED 1., Professor of Mathematics (1990), B.S., M.S., Ph.D. (University of Wisconsin)

FACULTY AND ADMINISTRATION EMERITI

BAKER, GRAEME L. (1968) B.S., M.S., Ph.D. (Montana State University) Professor Emeritus of Chemistry
BROWNE, ROLAND A. (1968) B.A.M.A., C.E.F. (Queen’s University, Canada) Professor Emeritus of English

COLBOURN, TREvor (1978) B.A., A.M., M.A., Ph.D. (The Johns Hopkins University) President Emeritus and Professor of History

COMISH, NEWEL W. (1968) B.S., M.S., Ph.D. (Ohio State University) Professor Emeritus of Management
COX, ELAINE B. (1973) B.S., M.A.T., Ph.D. (Florida State University) Professor Emeritus of Education
DUTTON, ARTHUR M. (1968) B.S., Ph.D. (Iowa State University) Professor Emeritus of Statistics
ELLIS, LESLIE L. (1968) B.S., M.S., Ph.D. (University of Oklahoma) Professor Emeritus of Biology
GREEN, HAROLD E. (1968) B.S., M.Ed., Ed.D. (University of Missouri) Professor Emeritus of Education and Director, Daytona Beach Campus
GRIFFITH, HAROLD L.
(1972), B.S., M.S. (Pennsylvania State University), P.E. (Florida) Professor Emeritus of Engineering Technology

HARDEN, RICHARD C.
(1967) B.M.E., B.E.E., M.S.E., Ph.D. (University of Florida) P.E. (Florida) Professor Emeritus of Engineering and Director, South Orlando Campus

HUBLER, J. W.
(1967), B.S.C.E., C.E., M.S.E., M.S.C.E. (Yale University), D.Eng. S. (Hon.) (University of Central Florida), P.E. (Florida and 18 other states) Professor Emeritus of Engineering Technology

LYTLE, ERNEST J.
(1968), B.S., M.A., Ph.D. (University of Florida) Professor Emeritus of Mathematical Sciences

McGEE, NANCY R.
(1970), B.S., M.A., Ed.D. (Florida Atlantic University) Distinguished Professor Emerita of Education

McLELLON, WALDRON M.
(1969), B.S., B.C.E., M.C.E., M.S. (Physics), M.S. (Env.Engr.), Ph.D. (Rensselaer Polytechnic Institute) Professor Emeritus of Engineering

MILLER, CALVIN C.

MILLER, ERNEST E.
(1968), B.S., M.S., Ed.D. (University of North Dakota) Professor Emeritus of Education

MILLICAN, CHARLES N.
(1965), B.S., M.A., Ph.D. (University of Florida) President Emeritus and Professor of Finance

OSTLE, BERNARD
(1967), B.A., M.A., Ph.D. (Iowa State University) Professor Emeritus of Statistics

REIDENBACH, RICHARD C.
(1970), B.A., M.S., Ph.D. (St. Louis University) Professor Emeritus of Management

SCHRADER, GEORGE F.

TESORI, ANTHONY P.

TOWLE, HERBERT C.

UNKOVIC, CHARLES M.
(1968), B.A., M.A., Ph.D. (University of Pittsburgh) Professor Emeritus of Sociology

WALKER, LYNN W.
(1967), B.A., M.A. (Florida State University) Director Emeritus of Libraries

WRIGHT, BURTON
(1970), B.S., M.S., Ph.D. (Florida State University) Professor Emeritus of Sociology

YAROSH, MARVIN M.
(1975), B.S., M.S. (University of Minnesota) Associate Director Emeritus of the Florida Solar Energy Center

*Deceased
### HONORARY DEGREES AWARDED

### COURTESY APPOINTMENTS

**ALBERT, DAVID B.,** *Clinical Faculty Cardiopulmonary Sciences*
M.B.A., RRT. (Florida Institute of Technology)

**ALBERT, JONATHON C.,** *Clinical Faculty Cardiopulmonary Sciences*
RRT, B.S. (University of Central Florida)

**ALEXANDER, GREGOR,** *Clinical Faculty Cardiopulmonary Sciences*
M.D. (Javeriana University)

**ALMEIDA, ARTIE,** *Faculty Associate, Instructional Programs*
M.A. (University of Central Florida)

**ANDERSON, JOHN J.,** *Clinical Faculty of Health Sciences*
(1993) B.S., M.D. (University of Arkansas)
ARTHUR, THOMAS, Clinical Faculty Cardiopulmonary Sciences
B.S., RRT, RDMS. (University of Central Florida)

BARANCKZAK, STANISLAW, Professor of Foreign Languages and Literatures
M.A., Ph.D. (Adam Mickiewicz University)

BARGAR, SHERRI, Faculty Associate, Educational Services
M.S. (Rollins College)

BAUSHER, MICHAEL G., Research Associate of Molecular Biology and Microbiology
B.S., M.S., Ph.D. (University of Florida)

BECKER, GARY, Faculty Associate, Educational Services
M.S. (Syracuse University)

BERTRAM, BURT, Associate, Educational Services
Ed.D. (University of Florida)

BEST, JAMES, Faculty Associate in Theatre

BIRD, MARY, Faculty Associate, Educational Foundations
MSM (Rollins College)

BOULWARE, ZELLA, Faculty Associate, Educational Services
M.Ed. (University of Central Florida)

BOWERS, CLINT A., Assistant Professor of Psychology
B.S., M.A., Ph.D. (University of South Florida)

BRIMER, MARK, PT, Clinical Faculty Physical Therapy
B.S. (Florida International University), M.B.A. (Florida Technological University)

BROWN, ASHMUN, Clinical Faculty, Health Sciences
J.D. (University of Michigan)

BUTKINS, PETER, Faculty Associate, Educational Services
M.S. (Niagara University)

CAPRAUN, LYNN W., Clinical Faculty Cardiopulmonary Sciences
RTT, B.S., M.S. (University of Central Florida)

CARLETON, CHARLES C., Clinical Faculty Medical Laboratory Sciences
M.D. (McGill University)

CARR, EDWARD O., Clinical Faculty Medical Laboratory Sciences
S.B.B., M.T., (ASCP), B.S. (Mississippi State)

CASSIDY, DAVID C., Clinical Faculty Physical Therapy
M.Ed. (Auburn University)

CLARKE, THOMAS L., Faculty Associate, Department of Mathematics
B.S., M.S., Ph.D. (University of Miami)

CLAYTON, CAROL S., Ph.D., PT, Clinical Faculty Physical Therapy
B.S. (Indiana University), Ph.D. (University of Mississippi)

COHEN, CINDY, Clinical Faculty Cardiopulmonary Sciences
RTT, A.S. (Valencia Community College)

COMKOWYCZ, SHARON, Clinical Faculty, Physical Therapy
M.S. (South Connecticut State University)

COMPANION, MICHAEL A., Associate Professor of Psychology
B.S., M.A., Ph.D. (New Mexico State University)

CONVERTINO, VICTOR A., Clinical Faculty Cardiopulmonary Sciences
Ph.D. (University of California)

CURRY, RUPERT C., JR., Clinical Faculty Cardiopulmonary Sciences
M.D. (University of Florida)

DANIELS, GRAY, Faculty Associate, Biology
Ph.D. (New Mexico State University)

DE LOACH, BERNARD C., Jr., Professor of Engineering
B.S., M.S., Ph.D. (Ohio State University)

DENNISON, JOLENE, Clinical Faculty Radiologic Sciences
RT, (ARRT)

DEW, DOUGLAS K., Clinical Faculty Health Sciences
M.D. (University of Miami School of Medicine)

KAUFMAN, ROGER, Faculty Associate, Industrial Engineering and Management Systems
B.S., M.S., Ph.D. (New York University)

KENNEDY, ROBERT S., Professor of Psychology
B.A., M.A., Ph.D. (University of Rochester)

KIMEL, ISODORO, Professor of Physics
Ph.D. (University of Chicago)

KLOTZ, SOLOMAN D., Research Associate in Molecular Biology and Microbiology and Clinical Faculty Cardiopulmonary Science.

KNIGHT, WILLIAM M., Assistant Professor of Biology
Ph.D. (North Carolina State University)

KOGUT, ROBERT S., Clinical Faculty Physical Therapy
B.S. (Temple University)

KUHNS, ROLF M., Clinical Faculty Physical Therapy
B.S. (University of Florida)

LANGDON, JOHN, Associate Professor of Health Sciences
B.S., M.D. (Creighton University)

LELI, DANO, Faculty Associate, Psychology
B.A., M.S., Ph.D. (University of South Florida)

LIPMAN, BRIAN, Clinical Faculty Cardiopulmonary Sciences
F.C.P. (College of Medicine of South Africa)

LIVESAY, KELLAND, Faculty Associate, Educational Services
Ph.D. (Indiana State University)

LONGLEY, ROSS E., Research Associate in Molecular Biology and Microbiology
B.S., M.S., Ph.D. (University of Oklahoma)

LOPEZ, FRANK, Faculty Associate, School Psychology
M.D. (Universidad Cetec, Dominican Republic)

LYONS-OLSKI, ELLEN, Clinical Faculty Physical Therapy
B.S. (Quinnipiac College), M.A. (Columbia University)

MARVIN, PAUL W., Clinical Faculty Radiologic Sciences
B.S., M.S. (Bucknell University)

MAYER, RICHARD T., Professor of Chemistry
Ph.D. (University of Georgia)

McGEE, CARLA F., Clinical Faculty Medical Laboratory Sciences
B.S. MT (ASCP) (Winona State University)

McCausland, Elizabeth A., Clinical Faculty Cardiopulmonary Sciences
B.S. (Florida Technological University)

McPherson, Brenda, Faculty Associate, Educational Services
M.S. (University of Central Florida)

Medin, A. Louis, Professor of Engineering
Ph.D. (Ohio State University)

Mengel, Marvin C., Clinical Faculty Cardiopulmonary Sciences
M.D. (Johns Hopkins University)

Nelson, Bill, Distinguished Fellow Space Education and Research Center
B.A., J.D. (University of Virginia)

OdeLL, Daniel Keith, Professor of Biology
B.S., M.A., Ph.D. (University of California, Los Angeles)

Pentella, Michael A., Clinical Faculty Medical Laboratory Sciences
B.S., M.S. (Thomas Jefferson University)

Pellosie, John C., Clinical Faculty Health Sciences
D.O. (Philadelphia College of Osteopathic Medicine & Surgery)

Pinder, A.R., Professor of Chemistry
B.Sc., Ph.D., D. Phil., D.Sc. (University of Sheffield)

Pritchard, Peter C. H., Professor of Biology
B.A., M.A., Ph.D. (University of Florida)
PYLES, VALORIE K., Clinical Faculty Medical Laboratory Sciences  
A.A., B.S. MT(ASCP) (University of South Florida)

RINI, JAMES, Faculty Associate, Educational Services  
Ed.D., (University of Central Florida/University of Florida)

ROBERTS, W.J., JR., Clinical Faculty Medical Laboratory Sciences  
A.A., B.S. MT(ASCP) (Florida International University)

ROGERS, ROBERT L., JR., Clinical Faculty Cardiopulmonary Sciences  
RRT, B.S. (University of Central Florida)

SAGERT, REBA, Clinical Faculty Medical Record Administration  
B.S., RRA (Loma Linda University)

SALAS, EDWARDO, Associate Professor of Psychology  
B.A., M.S., Ph.D. (Old Dominion University)

SCHUNEMAN, GAIL, PT, Clinical Faculty Physical Therapy  
B.S. (Tufts University)

SCOTT, MEREDITH LEE, Clinical Faculty Cardiopulmonary Sciences  
M.D. (University of Florida Medical School)

SINDLER, ROBERT B., Clinical Faculty Cardiopulmonary Sciences  
B.S. MT(ASCP) (Southwest Missouri State University)

SINGER, MICHAEL JAMES, Faculty Associate, Psychology  
B.A., M.S., Ph.D. (University of Maryland)

SMITH, JUDITH, Clinical Faculty Medical Record Administration  
RRT, B.S. (Florida Technological University)

STEBBINS, CONSUELO, Assistant Professor of Foreign Languages and Literatures  
B.A., Ph.D. (Florida State University)

STERLING, JO, Clinical Faculty Medical Laboratory Sciences  
B.S. MT(ASCP) (Southwest Missouri State University)

STONE, LINDA, Faculty Associate, Educational Services  
Ph.D., (University of Florida)

STRAYER, RICHARD F., Research Associate in Molecular Biology and Microbiology  
Ph.D. (Michigan State University)

SUDBURY, SHELLEY, RPT, Clinical Faculty Physical Therapy  
B.S. (Mayo Foundation School of Physical Therapy)

SWERDLOW, CATHY, Clinical Faculty Medical Record Administration  
RRT, B.S. (University of Western Carolina)

THOMPSON, CORLEY M., Associate Professor of Chemistry and Research Chemist  
B.S., M.S., Ph.D. (Auburn University)

UHRAN, TERRY, Clinical Faculty Physical Therapy  
B.S. (Southern College), M.B.A. (Rollins College)

VELEZ, DIANA, Assistant Professor of History  
B.A., Ph.D., (Princeton University)

VAJRAVELU, RANI, Faculty Associate, Biology  
Ph.D. (University of Madras)

VISNOV, LINDA, PT, Clinical Faculty Physical Therapy  
B.S. (Temple University)

VONSTILLE, W. T., Clinical Faculty of Health Sciences  
B.S., M.S., Ph.D. (Columbia University)

WALSH, ANTHONY, Clinical Faculty Medical Laboratory Sciences  
Ph.D., (University of Florida)

WEBB, JAMES M., Clinical Faculty Cardiopulmonary Sciences  
RRT, B.S. (Loma Linda University)

WELSH, PHILIP C., Research Associate of Molecular Biology & Microbiology  
B.A., M.S. (University of North Carolina)

WHISLER, MARILYN W., Associate Professor in Political Science  
B.A., M.A., Ph.D. (University of Wisconsin)

WILSON, PATRICIA R., PT, Clinical Faculty Physical Therapy  
B.S. (University of Vermont)

WINDHAM, STEVE C., Clinical Research Associate, Health Sciences  
B.S., M.P.H., (University of Alabama, Birmingham)
VESAWICH, PETER, Professor of Hospitality Management
B.S., M.S., Ph.D., (Cornell University)

YING, NELSON, Faculty Associate, Department of Physics
B.S., M.S., Ph.D. (Adelphi University)

YOKOMI, RAYMOND K., Faculty Associate, Biology
B.S., Ph.D. (University of California)

YOUNG, DENISE L., Assistant Professor of Social Work
B.A., M.S.W., Ph.D. (University of Michigan)
