NEWS YOU CAN USE FROM YOUR UCF LIBRARIES

DATABASE NEWS

* Thanks to funds provided by the UCF History Department, *Arte Publico Hispanic Historical Collection: Series 1* is now available from EBSCOhost. This database is a collection of historical content pertaining to U.S. Hispanic history, literature, and culture.

* More than 750 images of major artworks from the *Solomon R. Guggenheim Digital Collection* are now available online in *ARTstor*. ARTstor contains over 550,000 digital images in the areas of art, architecture, the humanities, and social sciences.

* UCF and the other Florida Universities now share unlimited access to *SciFinder Scholar* rather than being limited to 20 concurrent users. *SciFinder Scholar* indexes journal literature and patents in chemistry, biochemistry, chemical engineering, and related sciences.

* The  button found in the library databases now links *directly to the desired article or the journal homepage* rather than linking to a menu page.
