Full Text Icons in the Library Databases

Most of the library databases provide full text access to articles or they provide links to full text through other electronic resources. However, not everything is available online; you may need to check the library catalog for a print copy.

If the article is available full text within the current database you will see icons similar to these examples:

If the article is available through another library resource you will see one of these two icons. Clicking on the links will take you out of the current database & lead you to the full text article in another online resource.
