Advising Notes

- Certification in speech-language pathology by the American Speech-Language-Hearing Association and licensure by the State of Florida Department of Health, Division of Medical Quality Assurance requires a

master's degree in Communication Sciences and Disorders.

- Use Steppingblocks platform for career exploration at: <https://ucf.stepsblocks.com/>

Transfer Notes

- "D" (1.0) grades are not accepted.
- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Students may take STA 2014 or STA 2023 to fulfill the first part of the statistics requirement.

Acceptable Substitutes for Transfer Courses

- None

Program Academic Learning Compacts

Restricted Electives

- None

Foreign Language Requirements

- None

Total Undergraduate Credit Hours Required: 24

Other Requirements

- A minimum grade of "C-" (1.75) is required in all courses used to satisfy the minor.
- Students must earn an overall minimum of 2.0 GPA in the courses used to complete the minor.
- At least 19 hours used in the minor must be earned at UCF within the School of Communication Sciences and Disorders.
- No credit by exam (TSD, Military credit) may be used.
- Internship or Independent Study credit cannot be used toward the minor.

Fitness Training Minor

College

College of Health Professions and Sciences

Department

School of Kinesiology and Physical Therapy- Kinesiology

Program Type

Minor

Admission Requirements

- Have a minimum 2.5 overall GPA
- Complete the University General Education Requirements or its equivalent, i.e. an AA degree from a Florida College System or State University System Institution
- The minor is not open to Exercise and Sport Physiology track students.

Program Description

The Fitness Training minor is for the students interested in working in wellness centers as personal trainers. This minor provides the knowledge and experiences to be successful in this growing and exciting area. The goal is to provide guided practical skills application to those students who wish to teach fitness related concepts to individuals and/or groups. With the knowledge acquired from the completion of the required coursework for the Fitness Training minor, students will be prepared and eligible to seek industry certification within the field of kinesiology.

Minor Requirements

- No grades below "C" (2.0).
- At least 12 hours used in the minor must be earned at UCF.
- An overall GPA of 2.5 is required to satisfy the minor.

Prerequisite Courses

None

-

Degree Requirements

Required Courses

12 Total Credits

- Complete the following:
 - PET4325 - Functional Kinesiology (3)
 - PET4550C - Assessment and Evaluation in Kinesiology (3)
 - PET3351 - Applied Exercise Physiology (3)
 - PET3361 - Nutrition and Metabolism in Kinesiology (3)

Restricted Electives

6 Total Credits

- Complete at least 2 of the following:
 - APK2300 - Basic Sport First Aid and CPR (3)
 - PET3125 - Fitness and Weight Management (3)
 - PET3771 - Strength and Conditioning Concepts (3)
 - PET4083 - Personal Training Methods (3)
 - PET4215 - Motivational Aspects of Athletic Performance (3)
 - PET4552 - Exercise Prescription for Special Populations (3)

Grand Total Credits: **18**

Program Details

Foreign Language Requirements

None

Total Undergraduate Credit Hours Required: 18

Other Requirements

- No TSD or Military credit may be used.
- Internship or Independent Study credit cannot be used towards the minor.
- Courses taken at Florida College System institutions may substitute for select courses with the permission of the department.
- ZOO 3736C or equivalent is a prerequisite for PET 4325, PET 3351 and PET 3771.
- PET 3351 is a prerequisite for PET 4550C and PET 4552.

Department Chair, Professor: Dr. Gail Kauwell

Admission Requirements

None

Program Description

The Bachelor of Science degree in Health Sciences is designed for students with an interest in human health who plan to pursue health-focused careers. The Health Promotion track provides students with a solid educational background in basic and health-related sciences, while providing the foundation courses required for admission to graduate level clinical and non-clinical health programs including but not limited to physical therapy, occupational therapy, public health, clinical/behavioral health and other health-related professions.

Degree Requirements

- Students who change programs and select this major must adopt the most current catalog.
- Courses designated in GEP and CPP categories below usually are completed during the first 60 credit hours and may be taken at an institution within the Florida College System.
- A minimum grade of "C" (2.0) in each program prerequisite, required and restricted elective course is required. Students should note that graduate programs may require a higher level of performance for admission.
- No transfer course with a grade lower than a "C" (2.0) will be accepted.
- Students must achieve a minimum 2.5 overall GPA for graduation.

General Education (GEP)

- Complete all of the following
 - Complete all of the following
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Complete at least 1 courses from the following:
GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - SPC1608 - Fundamentals of Oral Communication (Preferred)
 - Complete all of the following
 - Complete at least 1 courses from the following:
GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - Complete at least 1 courses from the following:
GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)

- FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)

 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete at least of the following:
 - MAC1114C - College Trigonometry (3)
 - MAC2233 - Concepts of Calculus (3)
 - MAC2253 - Applied Calculus (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MAC1114C Preferred
 - GEP 8- Mathematical Foundation
 - Complete the following:
 - STA2023 - Statistical Methods I (3)
- Complete all of the following
 - GEP 9- Social Foundation
 - Complete the following:
 - PSY2012 - General Psychology (3)
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)

- ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
 - POS 2041 - American National Government Credit Hours: 3 (Preferred)
- Complete all of the following
 - GEP 11 & 12- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)
 - CHM2045C - Chemistry Fundamentals I (4)

Grand Total Credits: **35**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - Complete all of the following
 - In addition to BSC 2010C - Biology I; BSC 2011C - Biology II; PSY 2012 - General Psychology; STA 2023 - Statistical Methods I; CHM 2045C - Chemistry Fundamentals I; and one math chosen from MAC 1114C - College Trigonometry, MAC 2233 - Concepts of Calculus, MAC 2253 - Applied Calculus OR MAC 2311C - Calculus with Analytic Geometry I from the GEP complete as follows:
 - Complete the following:
 - BSC2011C - Biology II (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - PCB3703C - Human Physiology (4)
 - ZOO3733C - Human Anatomy (4)
 - Earn at least 8 credits from the following types of courses:
Complete one of the following Physics Sequence PHY 2053C - College Physics I (PHY 2053 & PHY 2053L) and PHY 2054C - College Physics II OR PHY 2048C - General Physics Using Calculus I (PHY 2048 & PHY 2048L) AND PHY 2049C - General Physics Using Calculus II (PHY 2049 & PHY 2049L)

Grand Total Credits: **24**

Degree Requirements

Core Requirements: Basic

6 Total Credits

- Complete all of the following
 - Complete the following:
 - HUN2201 - Fundamentals of Human Nutrition (3)
 - Complete at least 1 of the following:
 - HSC2524 - Introduction to Human Disease (3)
 - HSC2000 - Introduction to Careers in Health Professions (3)
 - HSC3110 - Medical Self Assessment (3)

Core Requirements: Advanced

24 Total Credits

- Complete the following:
 - HSC3147 - Introduction to Pharmacology (3)
 - HSC3211 - Preventive Health Care (3)
 - HSC4555 - Pathophysiology I (3)
 - HSC4558 - Pathophysiology II (3)
 - HSC4501 - Epidemiology of Chronic Diseases (3)
 - HSC4730 - Applied Health Research Methodology (3)
 - HSC4572 - Clinical Nutrition (3)
 - HSC4930 - Health Sciences Seminar (3)

Restricted Electives

28 Total Credits

- Earn at least 28 credits from the following types of courses:
The Health Promotion track provides the foundation courses required for admission to graduate level clinical and non-clinical health programs including but not limited to physical therapy, occupational therapy, public health, clinical/behavioral health and other health-related professions. Students are advised to check the program website for updated information and suggested electives for specific health professions graduate programs. It is the student's responsibility to check the prerequisites for graduate programs to which they plan to apply. Some courses listed below may have additional prerequisite course requirements. Course selection should be made in consultation with an advisor and may vary by student depending on career goals and objectives. Students must meet restricted elective credit hour requirements and UCF's 42 upper division credit hour requirements. Courses completed and already used to satisfy General Education Program, Basic Level and Advanced Level requirements may not be used to meet the Restricted Elective requirement. HSC 4943 - Health Sciences Internship Credit Hours: 3 HSC 4553 - Concepts in Pathophysiological Diagnosis Credit Hours: 3 HSC 3432 - Occupational Safety for the Health Care Professional Credit Hours: 3 HSC 4008 - Professional Development in Health Professions Credit Hours: 3 HSC 3110 - Medical Self Assessment Credit Hours: 3 HSC 3102 - Foundations of Health Behavior Credit Hours: 3 COM 4022 - Principles of Health Communication Credit Hours: 3 HSC 4201 - Community Health Credit Hours: 3 HSA 3012 - Issues & Trends in Public Health Credit Hours: 3 PET 4312C - Applied Biomechanics Credit Hours: 3 ATR 4132 - Human Injuries: Mechanisms & Prevention Credit Hours: 3 PET 3351 - Applied Exercise Physiology Credit Hours: 3 PET 4050C - Motor Development and Learning Credit Hours: 3 PET 4088 - Physical Activity & Preventive Medicine Credit Hours: 3 PET 4552 - Exercise Prescription for Special Populations Credit Hours: 3 HSC 4564 - Health Care Needs of the Elderly Credit Hours: 3 ENC 3453 - Writing About Health and Medicine Credit Hours: 3 SYO 4400 - Medical Sociology Credit Hours: 3 CLP 3143 - Abnormal Psychology Credit Hours: 3 CLP 4314 - Health Psychology Credit Hours: 3 HSC 3559 - Disabilities in American Society Credit Hours: 3 HSA 3111 - U.S. Health Care Systems Credit Hours: 3 HSC 3537 - Medical Terminology Credit Hours: 3 CHM 2210 - Organic Chemistry I Credit Hours: 3 CHM 2211L - Organic Laboratory Techniques I Credit Hours: 2 MCB 3020C - General Microbiology Credit Hours: 5 MCB 4276 - Epidemiology of Infectious Diseases Credit Hours: 3 PCB 3063 - Genetics Credit Hours: 3 PCB 3063L - Genetics Laboratory Credit Hours: 1 PCB 3233 - Immunology Credit Hours: 3 PCB 3233L - Immunology Laboratory Credit Hours: 1

Grand Total Credits: **58**

Program Details

Capstone Requirements

-
- None

Electives

- Students who transfer to UCF with a Florida College System institution AA degree may need to take upper-level electives to reach the University requirement of 42 semester hours of upper division credits. Students are encouraged to choose courses from the list of restricted electives (see list) that pertain to the graduate program they intend to pursue.

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

- None

Additional Requirements

- None

Required Minors

- None

Departmental Exit Requirements

- A minimum grade of "C" (2.0) in each program prerequisite, in each core requirement course and in each restricted elective is required (see GEP and CPP above). Students should note that graduate programs may require a higher level of performance for admission.
- Students must take a minimum of 27 hours of upper-division Health Sciences courses from the UCF Department of Health Sciences program to obtain the UCF degree in Health Sciences.
- Students must achieve a minimum 2.5 overall GPA for graduation.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Semester Hours Required: 120

Additional Information

Honors In Major

- Interested students should consult with a faculty advisor

Related Programs

- Biology (B.S.)
- Biomedical Sciences (B.S.)

Certificates

- Health Communication
- Spanish for Health Professionals

Related Minors

- Biomedical Sciences Minor
- Biology Minor
- Science Education Minor
- Business Minor
- Education Minor
- Health Informatics and Information Management Minor
- Health Services Administration Minor
- Psychology Minor
- Chemistry Minor

Advising Notes

- Students should consult with a college advisor each semester.
- Students should consult with the Office of Pre-Health and Pre-Law Advising before submitting applications to graduate programs.
- Use Steppingblocks platform for career exploration at: <https://ucf.stepsblocks.com/>

Transfer Notes

- Completion of an Associate of Arts degree from a Florida College System institution is strongly recommended.
- Students who begin a two-semester sequence course (e.g., General Chemistry, College Physics) at a Florida College System institution are strongly encouraged to complete the sequence before transferring. If it will not be possible to complete the sequence before transferring, the student should postpone beginning the course until enrolling at UCF.
- Students who take Anatomy and Physiology at a Florida College System institution may be required to complete additional upper division credits in order to meet the University graduation requirement of 42 credit hours of upper division (3000-4000) level credits.

Acceptable Substitutes for Transfer Courses

- BSC 2010C - Biology I can be substituted by Biology I with Lab (BSC 1010 and BSC 1010L).
- BSC 2011C - Biology II can be substituted by Biology II with Lab (BSC 1011 and BSC 1011L).
- CHM 2045C - Chemistry Fundamentals I can be substituted by CHM 1045 and Lab.
- CHM 2046 - Chemistry Fundamentals II and CHM 2046L - Chemistry Fundamentals Laboratory can be substituted by CHM 1046 and Lab.
- PHY 2053C - College Physics I can be substituted by PHY 1053 and Lab.
- PHY 2054C - College Physics II can be substituted by PHY 1054 and Lab.
- ZOO 3733C - Human Anatomy and PCB 3703C - Human Physiology can be substituted by Human Anatomy and Physiology I & II (BSC X093 and X094 or BSC X085 and X086). Please note that these acceptable transfer courses do not fulfill the 48 hours of upper division (3000-4000) credit required by UCF for graduation.
- Students that transfer with an AA degree and will be pursuing a BS degree must meet the University foreign language admission requirements for graduation.

Department Chair, Professor: Dr. Gail Kauwell

Admission Requirements

- Students must have a minimum overall GPA of 3.0

Program Description

The Bachelor of Science degree in Health Sciences is designed for students with an interest in human health who plan to pursue health-focused careers. The Pre-Clinical track provides students with a solid educational background in basic and health-related sciences, while providing the foundation courses required for admission to graduate level clinical programs including but not limited to medicine, pharmacy, dentistry, optometry, physician assistant, and other health-related professions.

Degree Requirements

- Students who change programs and select this major must adopt the most current catalog.
- Students must have a minimum overall GPA of 3.0 for acceptance into the Pre-Clinical track.
- Students selecting the Pre-Clinical track are classified as "pending" until the program verifies that they meet the GPA requirements for this track. Students who meet the requirements are changed to the Pre-Clinical track.
- Courses listed below under the GEP and CPP categories usually are completed during the first 60 credit hours and may be taken at an institution within the Florida College System.
- A minimum grade of "C" (2.0) in each program prerequisite course, in each core requirement course, and in each restricted elective is required. Students should note that graduate programs may require a higher level of performance for admission.
- No transfer course will be accepted with a grade lower than a "C" (2.0).
- Students must achieve a minimum 3.0 overall GPA for graduation.

- Students who do not meet the minimum overall 3.0 GPA graduation requirement will be automatically moved to the Health Sciences - Health Promotion track during their graduation term and will earn the Health Sciences - Health Promotion track B.S. if they have met all other program requirements.

- Students who do not meet the overall minimum 3.0 GPA graduation requirement and wish to delay graduation instead of being moved to the Health Sciences - Health Promotion track, must formally petition the department no more than 7 days after grades are posted for the term. Final approval to delay graduation and remain in the Pre-Clinical track is at the discretion of the department.

- Complete all of the following
 - GEP 11 & 12- Science Foundation
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - BSC2010C - Biology I (4)

Grand Total Credits: **38 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to BSC 2010C - Biology I; BSC 2011C - Biology II; PSY 2012 - General Psychology; STA 2023 - Statistical Methods I; CHM 2045C - Chemistry Fundamentals I; and one math chosen from MAC 1114C - College Trigonometry, MAC 2233 - Concepts of Calculus, MAC 2253 - Applied Calculus OR MAC 2311C - Calculus with Analytic Geometry I from the GEP complete as follows:
 - Complete the following:
 - BSC2011C - Biology II (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - PCB3703C - Human Physiology (4)
 - ZOO3733C - Human Anatomy (4)
 - Earn at least 8 credits from the following types of courses:
Complete one of the following Physics Sequence PHY 2053C - College Physics I (PHY 2053 & PHY 2053L) and PHY 2054C - College Physics II OR PHY 2048C - General Physics Using Calculus I (PHY 2048 & PHY 2048L) AND PHY 2049C - General Physics Using Calculus II (PHY 2049 & PHY 2049L)

Grand Total Credits: **24**

Degree Requirements

Core Requirements: Basic

6 Total Credits

- Complete all of the following
 - Complete the following:
 - HUN2201 - Fundamentals of Human Nutrition (3)
 - Complete at least 1 of the following:
 - HSC2524 - Introduction to Human Disease (3)
 - HSC2000 - Introduction to Careers in Health Professions (3)
 - HSC3110 - Medical Self Assessment (3)

Core Requirements: Advanced

24 Total Credits

- Complete the following:
 - HSC3147 - Introduction to Pharmacology (3)
 - HSC3211 - Preventive Health Care (3)
 - HSC4555 - Pathophysiology I (3)
 - HSC4558 - Pathophysiology II (3)
 - HSC4501 - Epidemiology of Chronic Diseases (3)
 - HSC4730 - Applied Health Research Methodology (3)
 - HSC4572 - Clinical Nutrition (3)
 - HSC4930 - Health Sciences Seminar (3)

Restricted Electives

28 Total Credits

- Earn at least 28 credits from the following types of courses:

The Pre-Clinical track provides the foundation courses required for admission to graduate level clinical and non-clinical health programs including but not limited to medicine, pharmacy, dentistry, optometry, physician assistant, and other health-related professions. Students are advised to check the program's website for updated information and suggested electives for specific health professions graduate programs. It is the student's responsibility to check with graduate programs to meet prerequisites. Some courses listed below may have additional prerequisite course requirements. Course selection should be in consultation with an advisor and may vary by student depending on career goals and objectives. Students must meet restricted elective credit hour requirements and UCF's 42 upper division credit hour requirements. Courses completed and already used to satisfy General Education Program, Basic Level, Advanced Level requirements may not be used to meet the Restricted Elective requirement. HSC 4943 - Health Sciences Internship Credit Hours: 3 HSC 4553 - Concepts in Pathophysiological Diagnosis Credit Hours: 3 HSC 3432 - Occupational Safety for the Health Care Professional Credit Hours: 3 HSC 4008 - Professional Development in Health Professions Credit Hours: 3 HSC 3110 - Medical Self Assessment Credit Hours: 3 HSC 3102 - Foundations of Health Behavior Credit Hours: 3 CHM 2210 - Organic Chemistry I Credit Hours: 3 CHM 2211 - Organic Chemistry II Credit Hours: 3 CHM 2211L - Organic Laboratory Techniques I Credit Hours: 2 BCH 4053 - Biochemistry I Credit Hours: 3 BCH 4054 - Biochemistry II Credit Hours: 3 BCH 4024 - Medical Biochemistry Credit Hours: 4 MCB 3020C - General Microbiology Credit Hours: 5 PCB 3023 - Molecular Cell Biology Credit Hours: 3 PCB 3063 - Genetics Credit Hours: 3 PCB 3063L - Genetics Laboratory Credit Hours: 1 PCB 3233 - Immunology Credit Hours: 3 PCB 3233L - Immunology Laboratory Credit Hours: 1 PCB 4805 - Endocrinology Credit Hours: 3 MCB 3202 - Principles of Infectious Disease Credit Hours: 3 ZOO 3744 - Neurobiology Credit Hours: 3 ZOO 4743C - Clinical Neuroanatomy and Neuroscience Credit Hours: 4 MCB 3203 - Pathogenic Microbiology Credit Hours: 3 MCB 3203L - Pathogenic Microbiology laboratory Credit Hours: 1 PET 3351 - Applied Exercise Physiology Credit Hours: 3 PET 4312C - Applied Biomechanics Credit Hours: 3 PET 4088 - Physical Activity & Preventive Medicine Credit Hours: 3 PET 4552 - Exercise Prescription for Special Populations Credit Hours: 3 HSC 3537 - Medical Terminology Credit Hours: 3 SYO 4400 - Medical Sociology Credit Hours: 3 CLP 3143 - Abnormal Psychology Credit Hours: 3

Grand Total Credits: **58**

Program Details

-

Capstone Requirements

- None

Electives

- Students who transfer in with an AA degree from a Florida College System institution may need to take upper-level electives to reach the University requirement of 42 semester hours of upper division credit. Students are encouraged to choose restricted electives (see list) that pertain to their particular graduate program emphasis.

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

- None

Additional Requirements

- None

Required Minors

- None

Departmental Exit Requirements

- A minimum grade of "C" (2.0) in each program prerequisite course, in each core requirement course, and in each restricted elective is required (see GEP and CPP above). Students should note that graduate programs may require a higher level of performance for admission.
- Students must take a minimum of 27 hours of upper-division Health Sciences courses from the UCF Health Sciences program to obtain the UCF degree in Health Sciences.
- Student must achieve a minimum 3.0 overall GPA for graduation.
- Students who do not meet the minimum overall 3.0 GPA graduation requirement will be automatically moved to the Health Sciences - Health Promotion track during their graduation term and will earn the Health Sciences - Health Promotion track B.S. if they have met all other requirements for the program.
- Students who do not meet the overall minimum 3.0 GPA graduation requirement and wish to delay graduation instead of being moved to the Health Sciences - Health Promotion track, must formally

petition with the department no more than 7 days after grades post for the term. Final approval to delay graduation and remain in the Pre-Clinical track is at the discretion of the department.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Semester Hours Required: 120

Additional Information

Honors In Major

- Interested students should consult with a faculty advisor

Related Programs

- Biology (B.S.)
- Biomedical Sciences (B.S.)

Certificates

- Health Communication
- Spanish for Health Professionals

Related Minors

- Biomedical Sciences Minor
- Biology Minor
- Science Education Minor
- Business Minor
- Education Minor
- Health Informatics and Information Management Minor
- Health Services Administration Minor
- Psychology Minor
- Chemistry Minor

Advising Notes

- Students should consult with a college advisor each semester.
- Students should consult with the Office of Pre-Health and Pre-Law Advising before submitting applications to graduate programs.
- Use Steppingblocks platform for career exploration at: <https://ucf.stepsblocks.com/>

Transfer Notes

- Completion of an Associate of Arts degree from a Florida College System institution is strongly recommended.
- Students who begin a two-semester sequence course (e.g. General Chemistry, College Physics) at a Florida College System institution are strongly encouraged to complete the sequence before transferring. If it will not be possible to complete the sequence before transferring, the student should postpone beginning the course until enrolling at UCF.
- Students who take Anatomy and Physiology at a Florida College System institution may be required to

complete additional upper division credits to meet the University graduation requirement of 42 credit hours of upper division (3000-4000) level credits.

Acceptable Substitutes for Transfer Courses

- BSC 2010C - Biology I can be substituted by Biology I with Lab (BSC 1010 and BSC 1010L).
- BSC 2011C - Biology II can be substituted by Biology II with Lab (BSC 1011 and BSC 1011L).
- CHM 2045C - Chemistry Fundamentals I can be substituted by CHM 1045 and Lab.
- CHM 2046 - Chemistry Fundamentals II and CHM 2046L - Chemistry Fundamentals Laboratory can be substituted by CHM 1046 and Lab.
- PHY 2053C - College Physics I can be substituted by PHY 1053 and Lab.
- PHY 2054C - College Physics II can be substituted by PHY 1054 and Lab.
- ZOO 3733C - Human Anatomy and PCB 3703C - Human Physiology can be substituted by Human Anatomy and Physiology I & II (BSC X093 and X094 or BSC X085 and X086). Please note that these acceptable transfer courses do not fulfill the 42 hours of upper division (3000-4000) credit required by UCF for graduation.
- Students that transfer with an AA degree and will be pursuing a BS degree must meet the University foreign language admission requirements for graduation.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: https://oeas.ucf.edu/doc/chps/alc_chps_health_sciences_bs.pdf

Kinesiology, Exercise and Sport Physiology Track (B.S.)

College

College of Health Professions and Sciences

Department

School of Kinesiology and Physical Therapy– Kinesiology

Program Type

Major

Program Contact Information

College of Health Professions and Sciences
School of Kinesiology and Physical Therapy
Education Complex and Gym (ED), 320
407-823-0623
kinesiology@ucf.edu

Associate Professor, Division of Kinesiology Head: Dr. David Fukuda
David.Fukuda@ucf.edu

Admission Requirements

- Complete the University General Education Requirements or its equivalent, i.e. an AA degree from a Florida College System or State University System institution.
- Complete the State General Education Core Requirements
- Have a minimum 2.5 overall GPA.
- Meet the Gordon Rule requirement
- Meet the SUS Foreign Language Admission requirement

Program Description

The Kinesiology B.S. Exercise and Sport Physiology track is appropriate for students interested in pursuing careers in sport science, health promotion, medicine, wellness, sports medicine, and allied health (i.e. physical therapy, athletic training, occupational therapy, cardiac rehabilitation, and corporate wellness). Students who may be continuing on to graduate school in a clinical or medical area should consider pre-requisites for graduate school when choosing certain classes. Students are advised to check the Graduate Program's website for updated information, as well as the Undergraduate Catalog for appropriate General Education courses.

Degree Requirements

- Students should consult with an advisor on a regular basis.
- Students who change degree programs and select this major must adopt the most current catalog.
- Students should see an advisor prior to selecting this major, and at least every semester thereafter.
- Students must earn at least a "C" (2.0) in each required course and maintain an overall GPA of at least a 2.5.
- All pre-requisites for courses taught within the Kinesiology program will be enforced and a required grade of "C" (2.0) or better must be reflected on the degree audit.
- Students must meet with their advisor prior to enrollment in Kinesiology Practicum to complete the departmental application and approval process.

General Education (GEP)

- Complete all of the following
 - Complete all of the following
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete the following:
 - SPC1608 - Fundamentals of Oral Communication (3)
 - Complete all of the following
 - Complete at least 1 courses from the following:
GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - Complete at least 1 courses from the following:
GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)

 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- Complete all of the following
 - GEP 7 & 8- Mathematical Foundation
 - Complete the following:
 - MAC1105C - College Algebra (3)
 - STA2023 - Statistical Methods I (3)
- Complete all of the following
 - GEP 9- Social Foundation
 - Complete the following:
 - PSY2012 - General Psychology (3)
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
 - POS 2041 - American National Government (Preferred)
- Complete all of the following
 - GEP 11- Science Foundation
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

- BSC 2010C - Biology I (Preferred)

Grand Total Credits: **37 - 38**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to CHM 2045C - Chemistry Fundamentals I; MAC 1105C - College Algebra; SPC 1608 - Fundamentals of Oral Communication; STA 2023 - Statistical Methods I; and PSY 2012 - General Psychology from the GEP the CPP requires:
 - Complete the following:
 - PCB3703C - Human Physiology (4)
 - HUN2201 - Fundamentals of Human Nutrition (3)
 - Complete at least 1 of the following:
 - ZOO3733C - Human Anatomy (4)
 - ZOO3736C - Exercise Physiology Anatomy (4)
 - A grade of "C" (2.0) or better is required. Some courses below may have additional prerequisite courses required. BSC X085C/X086C or BSC X093C/X094C will automatically substitute for ZOO 3733C/3736C and PCB 3703C.

Grand Total Credits: **11**

Degree Requirements

Core Requirements: Basic Level

24 Total Credits

- Complete all of the following
 - Complete the following:
 - PET3005 - Introduction to Kinesiology (3)
 - PET3351 - Applied Exercise Physiology (3)
 - PET4312C - Applied Biomechanics (3)
 - APK4110C - Advanced Exercise Physiology (3)
 - PET3361 - Nutrition and Metabolism in Kinesiology (3)
 - PET4325 - Functional Kinesiology (3)
 - PET4550C - Assessment and Evaluation in Kinesiology (3)
 - APK2300 - Basic Sport First Aid and CPR (3)
 - A grade of "C" (2.0) or better is required.

Core Requirements: Advanced Level

24 Total Credits

- Complete all of the following
 - Complete the following:
 - APK4203 - Monitoring Training and Athletic Performance (3)
 - ATR4132 - Human Injuries: Mechanisms & Prevention (3)
 - PET3125 - Fitness and Weight Management (3)
 - PET3771 - Strength and Conditioning Concepts (3)
 - PET4050C - Motor Development and Learning (3)
 - PET4088 - Physical Activity & Preventive Medicine (3)
 - PET4215 - Motivational Aspects of Athletic Performance (3)
 - PET4552 - Exercise Prescription for Special Populations (3)
 - A grade of "C" (2.0) or better is required.

Restricted Electives

20 Total Credits

- Complete all of the following
 - Students have the opportunity to add learning experiences by earning a double major or minor. In addition, many students will use these electives to take the required courses necessary for graduate studies, for example in medicine, physical therapy and other allied health graduate programs. Courses completed and already used to satisfy General Education Program, Basic Level, Advanced Level and selected Track requirements may not be used to meet the Restricted Elective requirement. Kinesiology students must select 20 credits of preferred elective courses. Students

with junior or senior standing and an overall GPA of 2.5 or higher may choose to complete a Practicum in an area that is specific to their desired career goals. In order to be placed into Practicum, students must receive department approval. A maximum of 9 credits of Practicum may be taken over two (2) semesters; however, clear and distinct learning outcomes must be established for each Practicum opportunity. A grade of "C" (2.0) or better is required.

- Earn at least 20 credits from the following:
 - APK2160 - Facts and Fallacies in Exercise and Nutrition (3)
 - APK3400 - Sports Psychology (3)
 - APK4926 - Practicum in Kinesiology (9)
 - BCH4024 - Medical Biochemistry (4)
 - BCH4053 - Biochemistry I (3)
 - PEO3324 - Coaching Volleyball (3)
 - PEO3514C - Coaching Soccer (3)
 - BSC2010C - Biology I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CLP3143 - Abnormal Psychology (3)
 - DEP2004 - Developmental Psychology (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - HSC3537 - Medical Terminology (3)
 - HSC4572 - Clinical Nutrition (3)
 - HUN3011 - Human Nutrition (3)
 - MCB3020C - General Microbiology (5)
 - PCB3063 - Genetics (3)
 - PCB3233 - Immunology (3)
 - PCB3233L - Immunology Laboratory (1)
 - PEM2104 - Personal Fitness (3)
 - PEM2131 - Strength Resistance Training (2)
 - PEM2431 - Beginning Judo (2)
 - PEO3624 - Coaching Basketball (3)
 - PEM2403 - Intermediate Brazilian Jiu-Jitsu (2)
 - PEO3644 - Coaching Football (3)
 - PET3097 - Health and Wellness (3)
 - PET3765 - Coaching Theory (3)
 - PET4083 - Personal Training Methods (3)
 - PET4143 - Current Issues & Trends in Kinesiology (3)
 - PET4763 - Coaching Methods and Principles (3)
 - SPM3204 - Sports and Ethics (3)
 - SPM3415 - Public Relations in Sport and Athletic Coaching (3)
 - SPM3504 - Fiscal and Facilities: Issues in Sport and Athletic Coaching (3)
 - SPM4723 - Legal Issues in Sport and Athletic Coaching (3)
 - HSC3110 - Medical Self Assessment (3)
 - HSC3147 - Introduction to Pharmacology (3)
 - PHY2053C - College Physics I Studio (4)
 - PHY2054C - College Physics II Studio (4)
 - PEM2432 - Intermediate Judo (2)
 - PEM2402 - Beginning Brazilian Jiu-Jitsu (2)
 - SYO4400 - Medical Sociology (3)
 - ZOO3744 - Neurobiology (3)
 - BSC2011C - Biology II (4)

Capstone Requirement
3 Total Credits

- Complete all of the following
 - Complete the following:
 - PET4901 - Capstone in Kinesiology (3)
 - Completed during the final semester in the program. In order to be approved for Capstone, students must meet with their Kinesiology advisor in the term prior to their final semester. A grade of "C" (2.0) or better is required.

Grand Total Credits: **71**

Program Details

Foreign Language Requirements

Admissions

- (0-8 hrs.) State University System foreign language admission requirement: two years in high school or one year of college instruction in a single foreign language. (This requirement applies to those students admitted to the University without the required two units of foreign language in high school.)

Graduation

- None

Additional Requirements

- None

Required Minors

- None

Departmental Exit Requirements

- A minimum overall GPA of 2.5.
- Students must take a minimum of 24 hours of upper division Kinesiology courses from the UCF Kinesiology program to obtain the Kinesiology BS degree.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 60 semester hours earned after CLEP awarded
- 42 semester hours of upper division credit completed
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Additional Information

Honors In Major

- None

Related Programs

- None

Certificates

- None

Related Minors

- Fitness Training Minor

Advising Notes

- Students must meet with their advisor before enrolling each term.
- The Practicum experience will provide the student with actual professional experiences and practical hands-on application. The students will be working directly with a Practicum Site Supervisor in the organization and their UCF Faculty Supervisor.
- Students who choose to complete Practicum will be representing not only themselves while on site but also the Kinesiology Program, the College, and UCF. Therefore, professionalism in manner, ethics, job performance, and dress will be expected at all times. Should there be any question of the performance of the students during their practicum experience, they will be required to meet with their UCF Practicum instructor and their UCF Academic Advisor for a performance evaluation before returning to the Practicum site. The performance concerns will be addressed and a plan of action regarding expectations and improvements will be developed. If the problems persist and the situation warrants, the students may be removed from their Practicum experience.
- All baccalaureate degree-seeking students who initially entered a state university in Fall 2018 and thereafter must meet the State of Florida's civic literacy requirement, pursuant to Board of Governors' policy 8.006. Students are required to demonstrate competency in civic literacy through one of several options prior to graduation from the University of Central Florida. Meet with your academic advisor and review your degree audit prior to the start of your Junior year and determine if you need to fulfill this graduation requirement.
- Use Steppingblocks platform for career exploration at: <https://ucf.stepsblocks.com/>

Transfer Notes

- Courses transferred from private and out-of-state institutions must be evaluated for equivalency credit. The student must provide all documentation.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: https://oeas.ucf.edu/doc/chps/alc_chps_sport_excercise_bs.pdf

Instructor: *Therese Coleman*

Assistant Professor, Graduate Program Director: *Dr. Jacqueline Towson*

Admission Requirements

None

Program Description

Language disorders are the most prevalent communication disorder. Typically children, adolescents and adults with language disorders are served via a team approach that includes speech-language pathologists, psychologists, neurologists, pediatricians, nurses, social workers, physical therapists, occupational therapists, school counselors, and general and special educators. This certificate is designed for undergraduate students who are not majoring or minoring in Communication Sciences and Disorders. This is for those in disciplines related to speech-language pathology who wish to pursue a special emphasis in language development and disorders in children, adolescents and adults. Certificates will be awarded only at the time of degree completion.

Degree Requirements

Required Courses

11 Total Credits

- Complete the following:
 - LIN3713 - Language Science (3)
 - LIN3716 - Language Development (3)
 - LIN3716L - Language Development Lab (2)
 - SPA4400 - Language Disorders Across the Life Span (3)

BSW Program Director: Robin Kohn

Director, Professor: Dr. Matthew Theriot

BSW Academic Advisor: Tracy Griffith

Admission Requirements

- Acceptance to the University does not necessarily constitute admission to the upper division social work program. Separate application to the limited access program must be made to the School of Social Work. Students are admitted to the undergraduate program only in the Summer or Fall terms. To be considered for admission to the program, students must have:
- Admission to the University.
- A 2.5 overall GPA.
- An AA (from a Florida College System or State University System institution) or UCF General Education Program and Gordon Rule requirement.
- 15 semester hours common program prerequisites completed with a "C" (2.0) or better in each course (see Section 2 below for list of courses)
- This limited access program is work-intensive. Due to this it is strongly recommended that students be at least one year post high school prior to applying to the program. Students with concerns or questions should contact the program to schedule an appointment with an advisor.
- Personal qualifications considered for acceptance include intelligence, initiative, social concern, appreciation for human diversity, dependability, humanitarian interests in helping people and in improving human services and college-level reading and writing skills.

Program Description

Degree Requirements

- Students who are pending Social Work and are admitted to the program must adopt the most current catalog.
- Residency Requirement consists of at least 30 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF School of Social Work.
- Students should complete the General Education Program and the Common Program Prerequisite Requirements before beginning the Social Work Program.
- Students entering the social work program and completing the program prerequisites including Statistics are required to earn a minimum of "C" (2.0) in each course.
- Students should consult with a BSW program advisor.
- The courses designated in sections 1 (general education) and 2 (common program prerequisites) below may be taken at a college or university other than UCF, and should usually be completed in the first 60 hours.
- Students meeting the six hours of cultural diversity requirement must earn a minimum of "C" (2.0) in each course.
- A minimum overall GPA of 2.5 is required in all Social Work courses with a minimum grade of "C" (2.0) in each course.
- Students must earn an overall GPA of 2.5 for entry into field education (SOW 4510 or SOW 4941 part-time) and to be eligible for graduation from the Social Work Program.
- Students must complete all the requirements listed in 1-11 below.

General Education (GEP)

- Complete all of the following
 - Complete all of the following
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Complete at least 1 courses from the following:

- GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
- Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation - choose a course from GEP 4 or GEP 5
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- Complete all of the following

- Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - GEP 8- Mathematical Foundation
- Complete at least 1 of the following:
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
- Complete all of the following
 - GEP 9 & 10- Social Foundation
 - Complete the following:
 - PSY2012 - General Psychology (3)
 - POS2041 - American National Government (3)
- Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete the following:
 - BSC1005 - Biological Principles (3)

Grand Total Credits: **36 - 38**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to POS 2041 - American National Government; BSC 1005 - Biological Principles, and PSY 2012 - General Psychology and either STA 2014 OR STA 2023 from the GEP, complete as follows:
 - Complete the following:
 - SYG2000 - Introduction to Sociology (3)
 - Complete at least 1 of the following:
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)

Grand Total Credits: **6**

Degree Requirements

Core Requirements: Basic Level

0 Total Credits

- Complete all of the following
 - Choose ONE of the following courses, or see advisor for more options:
 - STA 2014 - Principles of Statistics Credit Hours: 3 GEP
 - STA 2023 - Statistical Methods I Credit Hours: 3 GEP
 - *Required Principles of Statistics

Core Requirements: Advanced Level

45 Total Credits

- Complete the following:
 - SOW3284 - Social Work Perspectives on Social Justice (3)
 - SOW3104 - Human Behavior and the Social Environment I (3)
 - SOW3300 - Practice I: Generalist Practice in Social Work (3)
 - SOW3111 - Human Behavior and the Social Environment II (3)
 - SOW3352 - Practice II: Interpersonal Skills in Social Work (3)
 - SOW3401 - Social Work Research (3)
 - SOW3620 - Culturally Competent Social Work Practice (3)
 - SOW4730 - Documentation in Social Work Practice (3)
 - SOW4232 - Social Welfare Policies and Issues (3)
 - SOW4341 - Micro-Level Roles and Interventions in Social Work (3)
 - SOW4343 - Macro-Level Roles and Interventions in Social Work (3)
 - SOW4522 - Field Education Seminar (3)
 - SOW4510 - Field Education (9)

Cultural Diversity Requirement

6 Total Credits

- Complete at least 2 of the following:
 - ANT4332 - People and Cultures of Latin America (3)
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ANT3610 - Language and Culture (3)
 - ASH4404 - Modern China (3)
 - ASH4442 - Modern Japan (3)
 - CPO4303 - Comparative Latin American Politics (3)
 - HUM3401 - Asian Humanities (3)
 - REL3333 - Hinduism (3)
 - REL3363 - Islam (3)
 - JST3401 - Jewish People in Antiquity (3)
 - JST3820 - Modern Israeli Culture (3)
 - LAH3130 - Latin American History I (3)
 - LAH3200 - Modern Latin America (3)
 - LAH3470 - History of the Caribbean (3)
 - AMH3561 - Women in American History I (3)
 - AMH3571 - Black American History I (3)
 - AMH3586 - History of Latinos in the U.S. (3)
 - ANT3302 - Sex, Gender and Culture (3)
 - ANT3311 - Indians of the Southeastern United States (3)
 - SOP3724 - Psychology of Prejudice (3)
 - SYD3700 - Race and Ethnicity (3)
 - EDF2085 - Introduction to Diversity for Educators (3)
 - HSC3593 - HIV Disease: A Human Concern (3)

Restricted Electives

6 Total Credits

- Earn at least 6 credits from the following types of courses:
Select six hours of social work electives in consultation with faculty advisor.

Grand Total Credits: **57**

Program Details

Capstone Requirements

- None

Electives

- Students can choose 21 credit hours of electives. SOW 2020 (3 credit hours) Careers in Creating Social Change is a preferred elective for students in Freshman and Sophomore standing. Select courses that are 2000-level or higher with advisor approval. Note: Students are responsible for meeting the 120 credit hours graduation requirement.

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of foreign language in college (or equivalent proficiency exam) prior to graduation.
- Students that transfer with an AA degree and will be pursuing a BS degree must meet the University foreign language admission requirements for graduation.

Graduation

- Cultural Diversity Requirement

Additional Requirements

- None

Required Minors

- None

Departmental Exit Requirements

- A minimum overall GPA of 2.5 in all social work courses with a minimum grade of "C" (2.0) or higher in each social work course.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Additional Information

Honors In Major

- Complete a three-credit directed reading course/or a three-credit CHPS Interdisciplinary Honor Course.
- Complete a three-credit thesis course.
- Earn a 3.5 GPA in your Social Work major.
- Earn a cumulative 3.2 GPA in your total UCF courses.
- Complete 60 hours of college credit, including 12 upper division hours at UCF.

Related Programs

- Criminal Justice (B.A. or B.S.)
- Psychology (B.S.)
- Sociology (B.A./ B.S.)
- Public Administration (B.A. or B.S.)

Certificates

- Aging Studies Certificate
- Children's Services Certificate

Related Minors

- Health Services Administration Minor
- Aging Studies Minor
- Psychology Minor
- Sociology Minor
- Nonprofit Management Minor
- Management

Advising Notes

- Use Steppingblocks platform for career exploration at: <https://ucf.stepsblocks.com/>

Transfer Notes

- None

Acceptable Substitutes for Transfer Courses

- POS 2041: may use POS X042 or PUP X099
- BSC 1005: may use BSC X085, BSC X010, or PCB X099
- PSY 2012: may use PSY X020
- SYG 2000: may use SYG X010

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: https://oeas.ucf.edu/doc/chps/alc_chps_social_work_bsw.pdf

College of Medicine

Biofluids Engineering Minor

College

College of Medicine

Department

College of Medicine Burnett School of Biomedical Sciences

Program Type

Minor

Program Contact Information

**College of Medicine
Burnett School of Biomedical Sciences
Health Sciences II (HS2), 335
407-823-5932
bsbsadvising@ucf.edu**

Director: Dr. Griffith Parks
Burnett Building at Lake Nona (BBS), 101K
407-823-5932

Program Description

Series of core courses that engineering majors are required to take to build a disciplinary knowledge of engineering principles and mathematics. The minor is intended for non-engineering majors who wish to pursue professional or graduate education in areas such as biomedical engineering or medicine. The core knowledge of mathematics and mechanics present in the major can enhance an undergraduate degree in other STEM disciplines (biomedical science, biology, chemistry, physics, mathematics). This program is not an option for CECS students.

Degree Requirements

Math Foundations
11 Total Credits

- Complete the following:
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - MAC2313 - Calculus with Analytic Geometry III (4)
 - MAP2302 - Ordinary Differential Equations I (3)

Engineering Foundations
9 Total Credits

- Complete the following:
 - EGN3310 - Engineering Analysis-Statics (3)
 - EGN3321 - Engineering Analysis-Dynamics (3)
 - EGN3343 - Thermodynamics (3)

Thermofluids Foundations
3 Total Credits

- Complete the following:
 - EML3701 - Fluid Mechanics I (3)

Thermofluids Elective
3 Total Credits

- Complete at least 1 of the following:
 - EML3034C - Modeling Methods in Mechanical and Aerospace Engineering (3)
 - EML3101 - Thermodynamics of Mechanical Systems (3)
 - EML3303C - Mechanical Engineering Measurements (3)
 - EML4142 - Heat Transfer (3)
 - EML4703 - Fluid Mechanics II (3)

Grand Total Credits: **26**

Admission Requirements

- Students who declare this major are admitted in a "Pending" status.
- In order for students to transition out of "Pending" status, they must earn a "C" or better in each of the following courses or their equivalents: BSC 2010C, CHM 2045C, CHM 2046, CHM 2210.

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Students should complete the General Education Program before transferring within the Florida College System or State University System.
- Grades below "C" in Common Program Prerequisites, Core Requirements and Restricted Electives are not accepted.
- Students in undergraduate majors within the College of Medicine are expected to consistently make good progress towards their degrees. Therefore, the COM/BSBS Progress Policy mandates that undergraduate students meet the requirements of the policy. Below are the specific requirements of the Progress Policy:
 - Students with 3 withdrawal (W) grades will be placed in a probationary status.
 - Students with 5 withdrawal (W) grades will meet with an advisor from the Knights Major Exploration and Transition Center for selection of a different major.
 - Medical withdrawals are not included in this withdrawal component.
 - Students who earned 5 low grades (C-, D, F, W, NC, U) will be placed on a probationary status and will meet with a peer mentor for major advising.
 - Students who earn more than 8 low grades (C-, D, F, W, NC, U), will meet with an advisor from Knights Major Exploration and Transition Center for selection of a different major.
 - Students with 2 unsuccessful attempts of the same UCF course will be placed on a probationary status and will meet with a peer mentor for major advising.
 - Students with 3 unsuccessful attempts of the same UCF course will meet with an advisor from the Knights Major Exploration and Transition Center for selection of a different major.
- Students should consult with a BSBS academic advisor at least one time each semester.

While many students discover that they have interests in varied disciplines at the University of Central Florida, they are not permitted to pursue two majors within the College of Medicine. College of Medicine students may declare a major and a minor within the college, or pursue a second major or minor in another academic college at UCF. Students are encouraged to meet with an academic advisor to discuss these opportunities.

General Education (GEP)

- Complete all of the following
 - Certain courses must be selected in GEP for this major, bringing the total GEP hours to more than 36.
Communication Foundations
 - Complete all of the following
 - Required:
 - Complete the following:
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Preferred:
 - Complete the following:

- SPC1603C - Fundamentals of Technical Presentations (3)

Cultural and Historical Foundations

- Earn at least 9 credits from the following course sets:

GEP 4- Historical & Cultural Foundation

- AMH2010 - U.S. History: 1492-1877 (3)
- EUH2000 - Western Civilization I (3)
- EUH2001 - Western Civilization II (3)
- HUM2020 - Encountering the Humanities (3)
- HUM2210 - Studies in Culture: Ancient to 17th Century (3)
- HUM2230 - Studies in Culture: 17th Century to Present (3)
- WOH2012 - World Civilization I (3)
- WOH2022 - World Civilization II (3)

GEP 5- Historical & Cultural Foundation

- ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
- ARH2050 - History of Western Art I (3)
- ARH2051 - History of Western Art II (3)
- FIL1000 - Cinema Survey (3)
- FIL2030 - History of Motion Pictures (3)
- FIL3036 - Film History I (3)
- FIL3037 - Film History II (3)
- LIT2110 - World Literature I (3)
- LIT2120 - World Literature II (3)
- MUH2017 - Survey of Rock Music (3)
- MUH2019 - American Popular Music, 1840s-present (3)
- MUL2016 - Evolution of Jazz (3)
- MUL2720 - Music of the World (3)
- PHI2010 - Introduction to Philosophy (3)
- REL2300 - World Religions (3)
- THE2000 - Theatre Survey (3)
- MUL2010 - Enjoyment of Music (3)

Mathematical Foundations

- Complete all of the following

- Required:
- Complete the following:
 - STA2023 - Statistical Methods I (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)

Social Foundations

- Earn at least 6 credits from the following course sets:

GEP 9- Social Foundation

- ANT2000 - General Anthropology (3)
- HSA2117 - Civic Engagement in the US Healthcare System (3)
- PSY2012 - General Psychology (3)
- SYG2000 - Introduction to Sociology (3)

GEP 10- Social Foundation

- AMH2020 - U.S. History: 1877-Present (3)
- ECO2013 - Principles of Macroeconomics (3)
- ECO2023 - Principles of Microeconomics (3)
- POS2041 - American National Government (3)

Science Foundations

- Complete all of the following

- Complete the following:
 - BSC2010C - Biology I (4)
 - CHM2045C - Chemistry Fundamentals I (4)
- CHM 2045C - Requires Passing Chemistry Placement Test or Prerequisites CHM 1025 and MAC 1105 with a C or better

Grand Total Credits: **39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - See “Common Prerequisites” in the Transfer and Transitions Services section for more information.
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - STA 2023 - Statistical Methods I Credit Hours: 3 (GEP)
Select one of the following sequences of courses:
 - Complete 2 of the following
 - Earn at least 4 credits from the following course sets:
PHY 2053C
 - PHY2053C - College Physics I Studio (4)
 - PHY 2053 and 2053L
 - PHY2053 - College Physics I (3)
 - PHY2053L - College Physics I Laboratory (1)
 - Earn at least 4 credits from the following course sets:
PHY 2054C
 - PHY2054C - College Physics II Studio (4)
 - PHY 2054 and PHY 2054L
 - PHY2054 - College Physics II (3)
 - PHY2054L - College Physics II Laboratory (1)
 - Or
 - Earn at least 4 credits from the following course sets:
PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)
 - Earn at least 4 credits from the following course sets:
PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)
 - PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)

Grand Total Credits: **28**

Prerequisite Admission Courses

- Earn a minimum grade of C in each of the following:
 - BSC2010C - Biology I (4)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2210 - Organic Chemistry I (3)

Degree Requirements

Core Requirements: Basic Level

8 Total Credits

- Complete all of the following
 - Math and Statistics
 - Complete all of the following
 - GEP:
 - MAC 2311C - Calculus with Analytic Geometry I Credit Hours: 4
 - STA 2023 - Statistical Methods I Credit Hours: 3
 - Chemistry
 - Complete the following:

- CHM2210 - Organic Chemistry I (3)
- CHM2211 - Organic Chemistry II (3)
- CHM2211L - Organic Laboratory Techniques I (2)

Core Requirements: Advanced Level
22 - 23 Total Credits

Biomedical Sciences

- Complete all of the following
 - The following core courses are for students completing the general Biomedical Science degree. Life Sciences
 - Complete all of the following
 - Complete the following:
 - MCB3020C - General Microbiology (5)
 - BSC3403C - Quantitative Biological Methods (4)
 - PCB3522 - Molecular Biology I (3)
 - PCB4524 - Molecular Biology II (3)
 - Select one of the following sequences of courses:
 - Complete 1 of the following
 - Complete the following:
 - PCB4280 - Molecular Immunology (3)
 - PCB3233L - Immunology Laboratory (1)
 - Or
 - Complete the following:
 - PCB3233 - Immunology (3)
 - PCB3233L - Immunology Laboratory (1)
 - Biochemistry
 - Complete at least 1 of the following:
 - BCH4024 - Medical Biochemistry (4)
 - BCH4053 - Biochemistry I (3)

Restricted Electives
17 Total Credits

Biomedical Sciences Restricted Electives

- Complete all of the following
 - Select a minimum of five (5) courses from the list below. At least two (2) out of the five (5) must have a laboratory component. No more than two (2) may be MLS courses. Enrollment in some MLS courses is restricted. Check with an advisor before enrolling.
 - Students can only select two (2) of the following BCH 4054, BCH 4103L, PCB 3063, PCB 4514, ZOO 4603C.
 - As an alternative to one (1) of these listed electives, students can take part in a GEAR course, the PURE program, the PILOT course, or carry out an HIM thesis. Any one of these courses or programs will substitute for a restricted elective course with a laboratory component.
 - Additional restricted electives can be taken as approved by the Associate Director.
 - Earn at least 17 credits from the following:
 - BCH4054 - Biochemistry II (3)
 - BCH4103L - Biochemical Methods (2)
 - BOT4434C - General Mycology (4)
 - BSC3424 - Nanobiotechnology (3)
 - BSC4434 - Biomedical Informatics: Sequence Analysis (3)
 - BSC4439 - Biomedical Informatics: Structure Analysis (3)
 - MCB3202 - Principles of Infectious Disease (3)
 - MCB3203 - Pathogenic Microbiology (3)
 - MCB4404 - Bacterial Genetics and Physiology (3)
 - MCB4114C - Determinative & Systemic Microbiology (4)
 - MCB4207 - Infectious Processes (3)

- Recommended for Preprofessional students: BCH 4054, MCB 3202, MCB 4404, MCB 4207, MCB 4276, MCB 4312, MCB 4503C, MCB 4224, MLS 3305, MLS 4334, MLS 4430C, MLS 4505, PCB 3063, PCB 3703C, PCB 4028, PCB 4284, PCB 4514, PCB 4708L, PCB 4805, PCB 4832, PCB 4833, ZOO 4701, ZOO 3733C, ZOO 3744, ZOO 3755C, ZOO 4603C, ZOO 4605, ZOO 4742, ZOO 4743C, ZOO 4756C
- Students must take in order for the combination to count as 1 restricted elective: MCB 3203

Grand Total Credits: **47 - 48**

Program Details

Capstone Requirements

- None

Electives

- Variable. Students are encouraged to participate in undergraduate research if interested in pursuing graduate or professional education.

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

- None

Additional Requirements

- None

Required Minors

- None

Departmental Exit Requirements

- Students must complete all coursework in the baccalaureate curriculum as shown, and, earn a GPA of at least 2.0 for all coursework in the Core and Restricted Electives.
- Independent study, directed research, or similar credit may not be used as a Restricted Elective.
- A minimum of 20 hours must be taken at UCF in the department of the major.
- Students will be required to take a comprehensive test during their last semester.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Additional Information

Honors In Major

- Application and admission through the Department and the Burnett Honors College.
- Fulfill University requirements for Honors in the Major and maintain a 3.2 UCF GPA; 3.5 in the major; 3.2 cumulative average for graded upper division courses regardless of the institution.
- Complete the following course with a grade of B or better (4 credits):
 - BSC 3403C - Quantitative Biological Methods **Credit Hours: 4**
- Complete the following with a grade of B or better and successfully complete the oral defense of the Honors Thesis (3 credits):
 - MCB 4970H - Honors Undergraduate Thesis II **Credit Hours: 1**

Prerequisite Courses

- None

Degree Requirements

Required Courses

23 Total Credits

- Complete all of the following
 - Complete the following:
 - BSC2010C - Biology I (4)
 - MCB3020C - General Microbiology (5)
 - PCB3233L - Immunology Laboratory (1)
 - PCB3522 - Molecular Biology I (3)
 - PCB4524 - Molecular Biology II (3)
 - BSC3403C - Quantitative Biological Methods (4)
 - Complete at least 1 of the following:
 - PCB3233 - Immunology (3)
 - PCB4280 - Molecular Immunology (3)

Restricted Electives

7 Total Credits

- Earn at least 7 credits from the following types of courses:
At least two courses from the Restricted Elective category of the baccalaureate curriculum.

Grand Total Credits: **30**

Program Details

Foreign Language Requirements

- None

Total Undergraduate Credit Hours Required: 30

Other Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy the minor.
- Grades less than "C-"(1.75) are not accepted.
- At least 15 hours used in the minor must be earned at UCF within the department.
- No credit by exam (TSD, Military credit) may be used.
- Internship or Independent Study credit cannot be used toward the minor.

Biomedical Sciences, Neuroscience Track (B.S.)

Program Description

Admission Requirements

- Students who declare this major come in on a "Pending" status.
- In order for students to transition out of "Pending" status, they must earn a "C" or better in each of the following courses or their equivalents: BSC 2010C, CHM 2045C, CHM 2046, CHM 2210.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Students should complete the General Education Program before transferring within the Florida College System or State University System.
- Grades below "C" in Common Program Prerequisites, Core Requirements and Restricted Electives are not accepted.
- Students in undergraduate majors within the College of Medicine are expected to consistently make good progress towards their degrees. Therefore, the COM/BSBS Progress Policy mandates that undergraduate students meet the requirements of the policy. Below are the specific requirements of the Progress Policy:
 - Students with 3 withdrawal (W) grades will be placed in a probationary status.
 - Students with 5 withdrawal (W) grades will meet with an advisor from the Knights Major Exploration and Transition Center for selection of a different major.
 - Medical withdrawals are not included in this withdrawal component.
 - Students who earned 5 low grades (C-, D, F, W, NC, U) will be placed on a probationary status and will meet with a peer mentor for major advising.
 - Students who earn more than 8 low grades (C-, D, F, W, NC, U), will meet with an advisor from Knights Major Exploration and Transition Center for selection of a different major.
 - Students with 2 unsuccessful attempts of the same UCF course will be placed on a probationary status and will meet with a peer mentor for major advising.
 - Students with 3 unsuccessful attempts of the same UCF course will meet with an advisor from the Knights Major Exploration and Transition Center for selection of a different major.
- Students in the Neuroscience track must maintain a minimum science GPA of 3.2. Students who are unable to maintain such GPA must revert back into the non-track Biomedical Sciences B.S.
- Students should consult with a BSBS academic advisor at least once a semester.

While many students discover that they have interests in varied disciplines at the University of Central Florida, they are not permitted to pursue two majors within the College of Medicine. College of Medicine students may declare a major and a minor within the college, or pursue a second major or minor in another academic college at UCF. Students are encouraged to meet with an academic advisor to discuss these opportunities.

General Education (GEP)

Communication Foundations
9 Total Credits

- Complete all of the following
 - Required:
 - Complete the following:
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)

Cultural & Historical Foundations

9 Total Credits

- Earn at least 9 credits from the following course sets:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)

Mathematical Foundations

7 Total Credits

- Complete all of the following
 - Required:
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - STA2023 - Statistical Methods I (3)

Social Foundations

6 Total Credits

- Earn at least 6 credits from the following course sets:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundations

8 Total Credits

- Complete all of the following
 - Required:
 - Complete the following:
 - BSC2010C - Biology I (4)
 - CHM2045C - Chemistry Fundamentals I (4)

- CHM 2045C - Requires Passing Chemistry Placement Test or Prerequisites CHM1025 and MAC 1105 with a C or better.

Grand Total Credits: **39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - See “Common Prerequisites” in the Transfer and Transitions Services section for more information.
 - Complete the following:
 - BSC2011C - Biology II (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - BSC 2010C - Biology I Credit Hours: 4 (GEP)
 - CHM 2045C - Chemistry Fundamentals I Credit Hours: 4 (GEP) (or take CHM 2040 and CHM 2041)
 - MAC 2311C - Calculus with Analytic Geometry I Credit Hours: 4 (GEP)
 - CHM 2210- Organic Chemistry I - 3 Credit Hours
 - CHM 2211- Organic Chemistry II - 3 Credit Hours
 - CHM 2211L- Organic Laboratory Techniques I - 3 Credit Hours
 - STA 2023 - Statistical Methods I Credit Hours: 3
Select one of the following sequences of courses:
 - Complete 2 of the following
 - Earn at least 4 credits from the following course sets:
PHY 2053C
 - PHY2053C - College Physics I Studio (4)
 - PHY 2053 and 2053L
 - PHY2053 - College Physics I (3)
 - PHY2053L - College Physics I Laboratory (1)
 - Earn at least 4 credits from the following course sets:
PHY 2054C
 - PHY2054C - College Physics II Studio (4)
 - PHY 2054 and PHY 2054L
 - PHY2054 - College Physics II (3)
 - PHY2054L - College Physics II Laboratory (1)
 - Or
 - Earn at least 4 credits from the following course sets:
PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)
 - Earn at least 4 credits from the following course sets:
PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)
 - PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)

 - PCB4843 - Cellular and Molecular Neuroscience (3)
 - ZOO3744 - Neurobiology (3)
 - ZOO4743C - Clinical Neuroanatomy and Neuroscience (4)

Grand Total Credits: **46 - 47**

Program Details

Restricted Electives

- Students must choose three (3) courses. Two (2) must come from the list below and one (1) course from the broader list of Restricted Electives under the Biomedical Sciences (no-track). Two (2) of these three (3) courses must have a laboratory component.
- As an alternative to one (1) of the three (3) restricted electives required, students can take part in a GEAR course, the PURE program, the PILOT course, or carry out an HIM thesis. Any one of these courses or programs will substitute for a restricted elective course with a laboratory component.
- Additional restricted electives can be taken as approved by the associate director.

- PCB 4028 - Molecular and Cellular Pharmacology **Credit Hours: 3**
- PCB 4135 - Applied Molecular Cell Biology **Credit Hours: 3**

- PCB 4174 - Foundation of Bio-Imaging Science **Credit Hours: 3**
- PCB 4234 - Cancer Biology **Credit Hours: 3**
- PCB 4284 - Immunobiology **Credit Hours: 3**
- PCB 4832 - Cellular and Molecular Basis of Brain Functions **Credit Hours: 3**
- ZOO 4742 - Advanced Neurobiology **Credit Hours: 3**
- ZOO 4747C - Clinical Neuroscience **Credit Hours: 4**

Capstone Requirements

- None

Electives

- Variable. Students are encouraged to participate in undergraduate research if interested in pursuing graduate or professional education.

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

Health Sciences II (HS2), 335
407-823-5932
bsbsadvising@ucf.edu

Director: Dr. Griffith Parks
Burnett Building at Lake Nona (BBS), 101K
407-823-5932

Program Description

The Biotechnology B.S. produces highly trained workers that will meet the workforce needs of the biotechnology industry. Students seeking admission to professional schools (medical, dental, optometry, veterinary, podiatry, and pharmacy) will meet most of the admission requirements for those programs while obtaining a Biotechnology B.S. degree.

Admission Requirements

- Students who declare this major come in on a "Pending" status.
- In order for students to transition out of "Pending" status, they must earn a "C" or better in each of the following courses or their equivalents: BSC 2010C, CHM 2045C, CHM 2046, CHM 2210.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog
- Students should complete the General Education Program before transferring within the Florida College System or State University System.
- Students should consult with a BSBS academic advisor at least once per semester.
- Courses designated in section 1 below may be taken at a Florida College System institution, and should usually be completed in the first 60 hours
- Grades below "C" in Common Program Prerequisites, Core Requirements and Restricted Electives are not accepted.
- Students in undergraduate majors within the College of Medicine are expected to consistently make good progress towards their degrees. Therefore, the COM/BSBS Progress Policy mandates that undergraduate students meet the requirements of the policy. Below are the specific requirements of the Progress Policy:
 - Students with 3 withdrawal (W) grades will be placed in a probationary status.
 - Students with 5 withdrawal (W) grades will meet with an advisor from the Knights Major Exploration and Transition Center for selection of a different major.
 - Medical withdrawals are not included in this withdrawal component.
 - Students who earned 5 low grades (C-, D, F, W, NC, U) will be placed on a probationary status and will meet with a peer mentor for major advising.
 - Students who earn more than 8 low grades (C-, D, F, W, NC, U), will meet with an advisor from Knights Major Exploration and Transition Center for selection of a different major.
 - Students with 2 unsuccessful attempts of the same UCF course will be placed on a probationary status and will meet with a peer mentor for major advising.
 - Students with 3 unsuccessful attempts of the same UCF course will meet with an advisor from the Knights Major Exploration and Transition Center for selection of a different major.

While many students discover that they have interests in varied disciplines at the University of Central Florida, they are not permitted to pursue two majors within the College of Medicine. College of Medicine students may declare a major and a minor within the college, or pursue a second major or minor in another academic college at UCF. Students are encouraged to meet with an academic advisor to discuss these opportunities.

General Education (GEP)

Communication Foundations

9 Total Credits

- Complete all of the following
 - Required:
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Preferred:
 - SPC1603C - Fundamentals of Technical Presentations (3)

Cultural & Historical Foundations

9 Total Credits

- Earn at least 9 credits from the following course sets:
 - GEP 4- Historical & Cultural Foundation

- AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
- GEP 5- Historical & Cultural Foundation
- ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)

Mathematical Foundations

6 - 7 Total Credits

- Complete all of the following
 - Required:
 - Complete the following:
 - STA2023 - Statistical Methods I (3)
 - Required:
 - Complete at least 1 of the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MAC2253 - Applied Calculus (3)

Social Foundations

6 Total Credits

- Earn at least 6 credits from the following course sets:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundations

8 Total Credits

- Complete all of the following
 - Required:
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - BSC2010C - Biology I (4)

Grand Total Credits: **38 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - See “Common Prerequisites” in the Transfer and Transitions Services section for more information.
 - Earn at least 21 credits from the following:
 - BSC2010C - Biology I (4)
 - BSC2011C - Biology II (4)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - STA2023 - Statistical Methods I (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - PHY 2048C - General Physics Using Calculus I (or PHY2048 and PHY2048L) Credit Hours: 4
 - PHY 2049 - General Physics Using Calculus II (or PHY2049 and PHY2049L) Credit Hours: 4
 - Earn at least 4 credits from the following course sets:
 - GEP Courses: BSC 2010C, CHM 2045C, STA 2023, MAC 2311C
 - BSC 2011C - Requires Passing Chemistry Placement Test or Prerequisites of CHM 1025 and MAC 1105 with a C or better.
 - CHM 2045C - See Transfer Notes for possible substitutions.

Grand Total Credits: **25**

Degree Requirements

Core Requirements: Basic Level

0 Total Credits

- None

Core Requirements: Advanced Level (52 Credit Hours)

51 - 52 Total Credits

- 52 Credit Hours

Life Sciences

28 Total Credits

- Complete all of the following
 - Complete the following:
 - MCB3020C - General Microbiology (5)
 - PCB3522 - Molecular Biology I (3)
 - PCB4524 - Molecular Biology II (3)
 - MCB4720 - Industrial Perspectives Seminar (3)
 - MCB4312 - Molecular Biotechnology (3)
 - PCB4135 - Applied Molecular Cell Biology (3)
 - Complete at least 1 of the following:
 - BSC3403C - Quantitative Biological Methods (4)
 - MCB4721C - Methods in Biotechnology (4)
- Select one of the following sequences of courses:
- Complete 1 of the following
 - Complete the following:
 - PCB4280 - Molecular Immunology (3)
 - PCB3233L - Immunology Laboratory (1)
 - Or
 - Complete the following:
 - PCB3233 - Immunology (3)
 - PCB3233L - Immunology Laboratory (1)

Chemistry

6 Total Credits

- Complete the following:

- BCH4053 - Biochemistry I (3)
- CHM2046L - Chemistry Fundamentals Laboratory (1)
- CHM2211L - Organic Laboratory Techniques I (2)

Physics

8 Total Credits

Select one of the following sequences of courses:

- Complete 1 of the following
 - Complete the following:
 - PHY2053C - College Physics I Studio (4)
 - PHY2054C - College Physics II Studio (4)
 - Or
 - Complete the following:
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY2049C - General Physics Using Calculus II Studio (4)

Math

3 - 4 Total Credits

- Complete at least 1 of the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MAC2253 - Applied Calculus (3)

Restricted Electives

6 Total Credits

- Complete all of the following
 - Two courses minimum, no more than one may be taken outside the Burnett School of Biomedical Sciences. Each graduate must complete 3 credits of MCB 4912 or MCB 4970H or serve an internship. Only three hours of Honors thesis or undergraduate research will count toward the restrictive elective requirement.
 - Those students who do not qualify for MCB 4970H may elect MCB 4912 Undergraduate Research as a substitute course, but a research report must be submitted to instructor after completion of research project.
 - Additional restricted electives can be taken as approved by the associate director.
 - Earn at least 6 credits from the following:
 - BCH4054 - Biochemistry II (3)
 - BCH4103L - Biochemical Methods (2)
 - MCB3203 - Pathogenic Microbiology (3)
 - MCB4404 - Bacterial Genetics and Physiology (3)
 - MCB4204 - Cellular Microbiology: Host-Pathogen Interactions (3)
 - PCB4284 - Immunobiology (3)
 - MCB4503C - Virology (3)
 - MCB4603 - Environmental Microbiology (3)
 - PCB3063 - Genetics (3)
 - PCB3703C - Human Physiology (4)
 - PCB4234 - Cancer Biology (3)
 - PCB4521 - Tissue Engineering (3)
 - PCB4805 - Endocrinology (3)
 - MCB4414 - Microbial Metabolism (3)
 - MCB 4912 - Directed Independent Research Credit Hours: 3
 - MCB 4970H - Honors Undergraduate Thesis II Credit Hours: 3
 - MCB 5225 - Molecular Biology of Disease Credit Hours: 3
 - MCB 5505 - Molecular Virology Credit Hours: 3
 - MCB 5654C - Applied Industrial Microbiology Credit Hours: 3
 - MCB 5932 - Current Topics in Molecular Biology Credit Hours: 3
 - PCB 5275 - Signal Transduction Mechanics Credit Hours: 3

Grand Total Credits: **51 - 52**

Program Details

Capstone Requirements

-
- None

Electives

- Variable

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

- None

Additional Requirements

- None

Required Minors

- None

Departmental Exit Requirements

- A student must complete all coursework in the baccalaureate curriculum as shown, and, earn a GPA of at least 2.0 for all coursework in the Prerequisites, Core and Restricted Electives
- A minimum of 20 hours must be taken at UCF in the department of the major
- Students will be required to take a comprehensive test during their last semester

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Additional Information

Honors In Major

- Application and admission through the department and the Burnett Honors College
- Fulfill University requirements for Honors in the Major and maintain a 3.2 UCF GPA; 3.5 in the major; 3.2 cumulative average for graded upper division courses regardless of the institution
- Complete the following with a grade of B or better and successfully complete the oral defense of the Honors Thesis MCB 4970H Honors Undergraduate Thesis II **Credit Hours: 3**

Related Programs

- Biology (B.S.)
- Chemistry (B.S.)
- Medical Laboratory Sciences (B.S.)
- Biomedical Sciences (B.S.)

Certificates

- None

Related Minors

- Biology Minor
- Chemistry Minor
- Biomedical Sciences Minor

Advising Notes

- None

Transfer Notes

- Students who begin a two semester sequence course (e.g. General Chemistry) at a Florida College System institution are strongly encouraged to complete the sequence before transferring. If it will not be possible to complete the sequence before transferring, the student should postpone beginning the course until enrolling at UCF.

Acceptable Substitutes for Transfer Courses

- Substitutes for Common Program Prerequisites
 - MAC X311 or MAC X233 or MAC X353 or MAC X281
 - PHY X253C & PHY X054C or PHY X048/X048L & PHY X049/X049L
 - STA X023 or STA X122 or STA X014 or STA X024 or STA X321

Acceptable Substitutes

- CHM 2045C may be substituted with CHM 2040 and CHM 2041 **Credit Hours: 4**
- BSC 2011C - Biology II **Credit Hours: 4** may be substituted with: BSC 3403C
- CHM 2045C - Chemistry Fundamentals I **Credit Hours: 4** may be substituted with: CHM 2040
- CHM 2045C - Chemistry Fundamentals I **Credit Hours: 4** may be substituted with: CHM 2041

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oegas.ucf.edu/alc/academic_learning_compacts.htm

Equipment Fees

- Part-Time Student: \$39 per term
- Full-Time Student: \$78 per term

Plan of Study

Freshman Year - Fall (14 Credit Hours)

1 or follow math sequence determined by Math Placement Exam

- ENC 1101 - Composition I **Credit Hours: 3**
- CHM 2045C - Chemistry Fundamentals I **Credit Hours: 4**
- MAC 2311C - Calculus with Analytic Geometry I **Credit Hours: 4 1**
- GEP **Credit Hours: 3**

Freshman Year - Spring (14 Credit Hours)

- ENC 1102 - Composition II **Credit Hours: 3**
- BSC 2010C - Biology I **Credit Hours: 4**
- CHM 2046 - Chemistry Fundamentals II **Credit Hours: 3**
- CHM 2046L - Chemistry Fundamentals Laboratory **Credit Hours: 1**
- GEP **Credit Hours: 3**

Sophomore Year - Fall (14 Credit Hours)

- CHM 2210 - Organic Chemistry I **Credit Hours: 3**
- MCB 3020C - General Microbiology **Credit Hours: 5**
- GEP **Credit Hours: 3**

Select One: (3 Credit Hours)

- STA 2023 - Statistical Methods I **Credit Hours: 3**
- CGS 1060C - Introduction to Computers **Credit Hours: 3**

Sophomore Year - Spring (16 Credit Hours)

- CHM 2211 - Organic Chemistry II **Credit Hours: 3**
- BSC 3403C - Quantitative Biological Methods **Credit Hours: 4**
- GEP **Credit Hours: 3**
- Restricted Elective or Elective **Credit Hours: 3**

Select One: (3 Credit Hours)

- CHM 2211L - Organic Laboratory Techniques I **Credit Hours: 2**
- Elective **Credit Hours: 3**

Sophomore Year - Summer (9 Credit Hours)

- Restricted Elective or Elective **Credit Hours: 3**
- Elective **Credit Hours: 3**

Select One: (3 Credit Hours)

- CHM 2211L - Organic Laboratory Techniques I **Credit Hours: 2**
- Elective **Credit Hours: 3**

Junior Year - Fall (13 Credit Hours)

- PCB 3522 - Molecular Biology I **Credit Hours: 3**
- MCB 4720 - Industrial Perspectives Seminar **Credit Hours: 3**
- GEP **Credit Hours: 3**

Select One: (4 Credit Hours)

1 *Students electing to enroll in the [\[\[permalink=1050|tooltip: {'title':1}\]\]%prefix% %code%\[\[/permalink\]\]](#)/[\[\[permalink=1154|tooltip: {'title':1}\]\]%prefix% %code%\[\[/permalink\]\]](#) sequence must plan to accommodate [\[\[permalink=986|tooltip: {'title':1}\]\]%prefix% %code%\[\[/permalink\]\]](#)/[\[\[permalink=985|tooltip: {'title':1}\]\]%prefix% %code%\[\[/permalink\]\]](#) as prerequisites.

- PHY 2053C - College Physics I **Credit Hours: 4**
- PHY 2048C - General Physics Using Calculus I **Credit Hours: 4** 1

Junior Year - Spring (15 Credit Hours)

- PCB 4524 - Molecular Biology II **Credit Hours: 3**
- PCB 4280 - Molecular Immunology **Credit Hours: 3**
- PCB 3233L - Immunology Laboratory **Credit Hours: 1**
- PCB 4529C - Experimental Molecular Cell Biology **Credit Hours: 4**

Select One: (4 Credit Hours)

1 *Students electing to enroll in the [\[\[permalink=1050|tooltip: {'title':1}\]\]%prefix% %code%\[\[/permalink\]\]](#)/[\[\[permalink=1154|tooltip: {'title':1}\]\]%prefix% %code%\[\[/permalink\]\]](#) sequence must plan to accommodate [\[\[permalink=986|tooltip: {'title':1}\]\]%prefix% %code%\[\[/permalink\]\]](#)/[\[\[permalink=985|tooltip: {'title':1}\]\]%prefix% %code%\[\[/permalink\]\]](#) as prerequisites.

- PHY 2054C - College Physics II **Credit Hours: 4**
- PHY 2049C - General Physics Using Calculus II **Credit Hours: 4** 1

Senior Year - Fall (13 Credit Hours)

- MCB 4721C - Methods in Biotechnology **Credit Hours: 4**
- MCB 4312 - Molecular Biotechnology **Credit Hours: 3**
- Restricted Elective or Elective **Credit Hours: 3**

Select One: (3 Credit Hours)

- BCH 4053 - Biochemistry I **Credit Hours: 3**
- MCB 4414 - Microbial Metabolism **Credit Hours: 3**

Senior Year - Spring (12 Credit Hours)

- PCB 4174 - Foundation of Bio-Imaging Science **Credit Hours: 3**
- GEP **Credit Hours: 3**
- Restricted Elective or Elective **Credit Hours: 3**

Select One: (3 Credit Hours)

- BCH 4053 - Biochemistry I **Credit Hours: 3**

For students who transfer in their junior year

- For students who transfer in their junior year from a Florida College System institution, the revised sequence of courses is provided [it is assumed that GEP and physics will be completed at an FCS institution:

Junior Year - Fall

Students electing to enroll in the [\[\[permalink=1050|tooltip:{'title':1}\]\]%prefix% %code%](#) [\[\[/permalink\]\]](#)/[\[\[permalink=1154|tooltip:{'title':1}\]\]%prefix% %code%](#)[\[\[/permalink\]\]](#) sequence must plan to accommodate [\[\[permalink=986|tooltip:{'title':1}\]\]%prefix% %code%](#)[\[\[/permalink\]\]](#)/[\[\[permalink=985|tooltip:{'title':1}\]\]%prefix% %code%](#)[\[\[/permalink\]\]](#) as prerequisites.

- MCB 3020C - General Microbiology **Credit Hours: 5**
- MCB 4720 - Industrial Perspectives Seminar **Credit Hours: 3**
- Restricted Elective **Credit Hours: 3**
- Free Elective **Credit Hours: 3**

Junior Year - Spring

-
- PCB 3522 - Molecular Biology I **Credit Hours: 3**
 - BSC 3403C - Quantitative Biological Methods **Credit Hours: 4**
 - BCH 4053 - Biochemistry I **Credit Hours: 3**
 - Restricted Elective **Credit Hours: 3**

Senior Year - Fall

- MCB 4414 - Microbial Metabolism **Credit Hours: 3**
- MCB 4721C - Methods in Biotechnology **Credit Hours: 4**
- MCB 4312 - Molecular Biotechnology **Credit Hours: 3**
- Elective 3000 level **Credit Hours: 3**

Senior Year - Spring

- PCB 4524 - Molecular Biology II **Credit Hours: 3**
- PCB 4280 - Molecular Immunology **Credit Hours: 3**
- PCB 3233L - Immunology Laboratory **Credit Hours: 1**
- PCB 4529C - Experimental Molecular Cell Biology **Credit Hours: 4**
- PCB 4174 - Foundation of Bio-Imaging Science **Credit Hours: 3**

Admission Requirements

- Acceptance to the university does not necessarily constitute admission to the upper division Medical Laboratory Sciences program.
- Separate application to the limited access program should be made directly to the program in the Spring of the year admission is sought. Applications will be accepted until the class is filled.
- UCF application must also be submitted prior to program application. Acceptance to UCF is necessary before acceptance to the program can occur.
- Student must complete all general education, foreign language admissions, and program prerequisites prior to the start of the program.
- This limited access program is work-intensive and courses include clinical practice in a variety of settings. Due to this, it is strongly recommended that students be at least one-year post high school prior to applying to the program. Students with concerns or questions should contact the program to schedule an appointment with an advisor.
- All applicants must have a minimum overall GPA of 2.5, and complete all program prerequisite courses with at least a grade of "C" (2.0).

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Students in this major are subject to the Progress Policy set by the College of Medicine for its undergraduate students. For more information, visit <https://med.ucf.edu/biomed/undergraduate-programs/undergraduate-advising/>.
- Students should complete the General Education Program, Foreign Language Admissions and the Common Program Prerequisite Requirements before transferring within the Florida College System or State University System.
- Students should consult with a departmental advisor.
- The courses designated in sections 1 and 2 below may be taken at a Florida College System institution, and should usually be completed in the first 60 hours.
- A minimum overall GPA of 2.5 and a minimum grade of "C" (2.0) in prerequisite and major courses is required for admission to, continuation in, and graduation from the Medical Laboratory Sciences Program.
- UCF Residency Requirement: 32 hours.
- The courses designated in General Education and Common Program Prerequisites should usually be completed in the first 60 hours.
- An FDLE background check, negative drug screen, and Board of Clinical Lab Personnel trainee license are required.

While many students discover that they have interests in varied disciplines at the University of Central Florida, they are not permitted to pursue two majors within the College of Medicine. College of Medicine students may declare a major and a minor within the college, or pursue a second major or minor in another academic college at UCF. Students are encouraged to meet with an academic advisor to discuss these opportunities.

General Education (GEP)

- Complete all of the following
 - Complete all of the following
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Complete at least 1 courses from the following:
GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - Complete all of the following
 - Complete at least 1 courses from the following:
GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)

- EUH2001 - Western Civilization II (3)

 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - MAC 1105C - College Algebra (Preferred)
 - GEP 8- Mathematical Foundation
 - Complete the following:

- STA2023 - Statistical Methods I (3)
 - Complete all of the following
 - Complete at least 1 courses from the following:
GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - Complete at least 1 courses from the following:
GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
 - Complete all of the following
 - GEP 11 & 12- Science Foundation
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - BSC2010C - Biology I (4)

Grand Total Credits: **38 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - See "Common Prerequisites" in the Transfer and Transitions Services section for more information. In addition to BSC 2010C, STA 2023, and CHM 2045C from the GEP:
 - Complete the following:
 - ZOO3733C - Human Anatomy (4)
 - MCB3020C - General Microbiology (5)
 - PCB3703C - Human Physiology (4)
 - See Transfer Notes for ZOO 3733C - Human Anatomy MCB 3020C - General Microbiology AND PCB 3703C - Human Physiology
 - Earn at least 4 credits from the following:
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - Complete the following:
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)

Grand Total Credits: **25**

Degree Requirements

Core Requirements: Advanced Level

64 Total Credits

- Complete the following:
 - MLS3220C - Techniques in Clinical Microscopy (3)
 - MLS4625 - Advanced Clinical Chemistry I (3)
 - MLS4625L - Advanced Clinical Chem I Lab (1)
 - MLS4630 - Clinical Chemistry II (3)
 - PCB3233 - Immunology (3)
 - MLS4430C - Clinical Microbiology I (4)
 - MLS3305 - Hematology (3)
 - MLS4505 - Immunodiagnostics (3)
 - MLS4910 - Introduction to Clinical Research (2)
 - MLS4550C - Clinical Immunohematology (5)
 - MLS4460C - Clinical Microbiology II (5)
 - MLS4334 - Hemostasis (3)
 - MLS4625 - Advanced Clinical Chemistry I (3)
 - PCB3233L - Immunology Laboratory (1)
 - MLS4933 - MLS Senior Seminar (1)
 - MLS3705 - Concepts in Education/Management (3)
 - MLS4830L - Clinical Chemistry Laboratory Practicum (3)
 - MLS4831L - Immunohematology Laboratory Practicum (3)
 - MLS4832L - Interpretive & Practical Hematology (4)
 - MLS4833L - Microbiology Laboratory Practicum (3)
 - MLS4075L - Clinical Applications of Laboratory Automation (1)
 - BSC3403C - Quantitative Biological Methods (4)

Grand Total Credits: **64**

Program Details

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

- None

Additional Requirements

- None

Required Minors

- None

Departmental Exit Requirements

- A minimum 2.5 overall GPA is required for clinical assignment.
- The degree in Medical Laboratory Sciences will be awarded upon satisfactory completion of the University's didactic component and the clinical component in affiliated hospital laboratories.
- Upon receiving the degree in Medical Laboratory Sciences, the graduate will be eligible to take a national certification examination and then qualify for State Licensure. For more information, please go to:

<https://apq.ucf.edu/files/Licensure-Disclosure-COM-Medical-Laboratory-Sciences-BS.pdf>

- Students must earn a grade of "C" (2.0) or higher in required courses with a minimum 2.5 overall GPA for graduation.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 126

Additional Information

Honors In Major

- None

Related Programs

- Biomedical Sciences (B.S.)
- Biology (B.S.)
- Chemistry (B.S.)

Certificates

- None

Related Minors

- Biomedical Sciences Minor
- Biology Minor
- Chemistry Minor

Advising Notes

- None

Transfer Notes

- Students that transfer with an AA degree and will be pursuing a BS degree must meet the University foreign language admission requirements for graduation.

Acceptable Substitutes for Transfer Courses

- Human Anatomy and Physiology I and II (BSC 2093/BSC 2094) **Credit Hours: 8**
- MCB 2010C is acceptable as the Microbiology prerequisite for this degree.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

Equipment Fees

- Part-Time Student: \$39 per term
- Full-Time Student: \$78 per term

Program Description

Admission Requirements

- Students who declare this major come in on a "Pending" status.
- In order for students to transition out of "Pending" status, students must earn a "C" or better in each of the following courses or their equivalents: BSC 2010C, CHM 2045C, CHM 2046, CHM 2210; and earn a "B" or better in BSC 3403C
-

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Students should complete the General Education Program before transferring within the Florida College System or State University System.
- Grades below "C" in Common Program Prerequisites, Core Requirements and Restricted Electives are not accepted.
- Students in undergraduate majors within the College of Medicine are expected to consistently make good progress towards their degrees. Therefore, the COM/BSBS Progress Policy mandates that undergraduate students meet the requirements of the policy. Below are the specific requirements of the Progress Policy:
 - Students with 3 withdrawal (W) grades will be placed in a probationary status.
 - Students with 5 withdrawal (W) grades will meet with an advisor from the Knights Major Exploration and Transition Center for selection of a different major.
 - Medical withdrawals are not included in this withdrawal component.
 - Students who earned 5 low grades (C-, D, F, W, NC, U) will be placed on a probationary status and will meet with a peer mentor for major advising. Students who earn more than 8 low grades (C-, D, F, W, NC, U), will meet with an advisor from Knights Major Exploration and Transition Center for selection of a different major.
 - Students with 2 unsuccessful attempts of the same UCF course will be placed on a probationary status and will meet with a peer mentor for major advising.
 - Students with 3 unsuccessful attempts of the same UCF course will meet with an advisor from the Knights Major Exploration and Transition Center for selection of a different major.
- Students in this program must maintain a minimum science GPA of 3.0 to maintain status in the program. Students who are unable to maintain such GPA, the student will have to revert back into the Biomedical Sciences B.S.
- Students should consult with a BSBS academic advisor at least once per semester.

While many students discover that they have interests in varied disciplines at the University of Central Florida, they are not permitted to pursue two majors within the College of Medicine. College of Medicine students may declare a major and a minor within the college, or pursue a second major or minor in another academic college at UCF. Students are encouraged to meet with an academic advisor to discuss these opportunities.

General Education (GEP)

Communication Foundations

9 Total Credits

- Complete all of the following
 - Required:
 - Complete the following:
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Preferred:
 - Complete the following:
 - SPC1603C - Fundamentals of Technical Presentations (3)

Cultural and Historical Foundations

9 Total Credits

- Earn at least 9 credits from the following course sets:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)

- EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
- GEP 5- Historical & Cultural Foundation
- ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)

Mathematical Foundations

7 Total Credits

- Complete all of the following
 - Required:
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - STA2023 - Statistical Methods I (3)

Social Foundations

6 Total Credits

- Earn at least 6 credits from the following course sets:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundations

8 Total Credits

- Complete all of the following
 - Required:
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - BSC2010C - Biology I (4)
 - *CHM 2045C- Requires Passing Chemistry Placement Test or Prerequisites CHM 1025 and MAC 1105 with a C or better.
 - *CHM 2045C - or take CHM 2040 and CHM 2041

Grand Total Credits: **39**

Common Program Prerequisites (CPP) (If applicable)

16 Total Credits

- Complete all of the following
 - See "Common Prerequisites" in the Transfer and Transitions Services section for more information.
 - Earn at least 8 credits from the following:
 - BSC2010C - Biology I (4)
 - BSC2011C - Biology II (4)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - STA2023 - Statistical Methods I (3)

Physics: Select one of the following:

- Complete 1 of the following
 - Complete all of the following
 - Earn at least 4 credits from the following course sets:
PHY 2053C
 - PHY2053C - College Physics I Studio (4)
 - PHY 2053 and 2053L
 - PHY2053 - College Physics I (3)
 - PHY2053L - College Physics I Laboratory (1)
 - Earn at least 4 credits from the following course sets:
PHY 2054C
 - PHY2054C - College Physics II Studio (4)
 - PHY 2054 and PHY 2054L
 - PHY2054 - College Physics II (3)
 - PHY2054L - College Physics II Laboratory (1)
 - Complete all of the following
 - Earn at least 4 credits from the following course sets:
PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)
 - Earn at least 4 credits from the following course sets:
PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)
 - PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)

Chemistry

8 Total Credits

- Complete the following:
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)

Core Requirements: Advanced Level

36 - 40 Total Credits

- Complete all of the following
 - Complete the following:
 - PCB4529C - Experimental Molecular Cell Biology (4)
 - BSC3403C - Quantitative Biological Methods (4)
 - PCB3023 - Molecular Cell Biology (3)
 - PCB3522 - Molecular Biology I (3)
 - PCB3233L - Immunology Laboratory (1)
 - Complete at least 1 of the following:
 - PCB3063 - Genetics (3)
 - PCB4663 - Human Genetics (3)
 - Required:
 - Complete the following:
 - PCB4280 - Molecular Immunology (3)
 - PCB4524 - Molecular Biology II (3)
 - Complete at least 1 of the following:
 - BCH4024 - Medical Biochemistry (4)
 - BCH4053 - Biochemistry I (3)

Restricted Electives

9 - 12 Total Credits

- Complete all of the following
 - Students must choose three (3) restricted electives from the list below.
 - At least one (1) of these restricted elective courses must have a laboratory component.
 - As an alternative to one of these restricted electives, students can take part in a GEAR course, the PURE program, the PILOT course, or carry out an HIM thesis. Any one of these courses or programs will substitute for one (1) restricted elective course with a laboratory component.
 - Additional restricted electives can be taken as approved by the associate director.
 - Complete at least 3 of the following:
 - PCB4028 - Molecular and Cellular Pharmacology (3)
 - PCB4234 - Cancer Biology (3)
 - BSC4434 - Biomedical Informatics: Sequence Analysis (3)
 - MCB4224 - Molecular Biology of Diseases (3)
 - MCB4721C - Methods in Biotechnology (4)
 - PCB4663 - Human Genetics (3)
 - PCB4174 - Foundation of Bio-Imaging Science (3)
 - PCB3703C - Human Physiology (4)
 - PCB4521 - Tissue Engineering (3)
 - PCB4264 - Stem Cell Biology (3)
 - PCB4284 - Immunobiology (3)
 - PCB4813 - Molecular Aspects of Obesity, Diabetes & Metabolism (3)
 - ZOO3744 - Neurobiology (3)
 - PCB4805 - Endocrinology (3)
 - PCB4832 - Cellular and Molecular Basis of Brain Functions (3)
 - PCB4833 - Advanced Human Physiology (3)
 - PCB4843 - Cellular and Molecular Neuroscience (3)
 - ZOO4742 - Advanced Neurobiology (3)
 - ZOO4753C - Human Histology (4)

Grand Total Credits: **51 - 55**

Program Details

Capstone Requirements

- None

Electives

- Variable. Students are encouraged to participate in undergraduate research if interested in pursuing graduate or professional education.

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school or one year of one foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

- None

Additional Requirements

- None

Required Minors

- None

Departmental Exit Requirements

- Students must complete all coursework in the baccalaureate curriculum as shown and earn a GPA of at least 3.2 in the sciences.
- Independent study, directed research or similar credit may not be used as a restricted elective.
- A minimum of 20 hours must be taken at UCF in the department of the major.
- Students will be required to take a comprehensive test during their last semester.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.

- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Honors In Major

Application and admission through the Department and the Burnett Honors College.

Fulfill University requirements for Honors in the Major and maintain a 3.2 UCF GPA; 3.5 in the major; 3.2 cumulative average for graded upper division courses regardless of institution.

Complete the following course with a grade of B or better

1 Honors section

- BSC 3403C - Quantitative Biological Methods **Credit Hours: 4 1**

Honors Thesis (3 Credit Hours)

Complete the following with a grade of B or better and successfully complete the oral defense of the Honors Thesis

- MCB 4970H - Honors Undergraduate Thesis II **Credit Hours: 1**

 - PCB4028 - Molecular and Cellular Pharmacology (3)
 - PCB4284 - Immunobiology (3)
 - MCB4201 - Microbial Stress Response (3)
 - MCB4204 - Cellular Microbiology: Host-Pathogen Interactions (3)

Grand Total Credits: **48 - 51**

Program Details

Capstone Requirements

- None

Electives

- Variable. Students are encouraged to participate in undergraduate research if interested in pursuing graduate or professional education.

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

- None

Additional Requirements

- None

Required Minors

- None

Departmental Exit Requirements

- Students must complete all coursework in the baccalaureate curriculum as shown and earn a GPA of at least 3.20 for all coursework in the sciences.
- Independent study, directed research or similar credit may not be used as a restricted elective.
- A minimum of 20 hours must be taken at UCF in the department of the major.
- Students will be required to take a comprehensive test during their last semester.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Honors In Major

- Application and admissions through the Department and the Burnett Honors College.
- Fulfill University requirements for Honors in the Major and maintain a 3.2 UCF GPA; 3.5 in the major; 3.2 cumulative average for graded upper division courses regardless of the institution.

Complete the following course with a grade of B or better

1Honors Section

- BSC 3403C - Quantitative Biological Methods **Credit Hours: 4 1**

Honors Thesis

Complete the following course with a grade of B or better and successfully complete the oral defense of the Honors Thesis

- MCB 4970H - Honors Undergraduate Thesis II **Credit Hours: 1**

Dean: Dr. Mary Lou Sole

Chair for Department of Nursing Systems, Hugh F. and Jeannette G. McKean Endowed Chair in Nursing, Professor: Dr. Mona Shattell

Director for RN to BSN and Concurrent ASN to BSN Post Licensure BSN Programs, Senior Lecturer: Dr. Stephen Heglund

Admission Requirements

- Acceptance to the university does not constitute admission to the upper division nursing program. Separate application to the limited access program must be made directly to the College of Nursing by the posted deadline. For application deadlines, please visit <http://www.nursing.ucf.edu>.
- Admission to the University must be completed by the program application deadline.
- All applicants must have a minimum overall undergraduate GPA of 3.0
- All applicants must be enrolled in a Statewide Articulated AS in Nursing from a Florida College System institution and have completed a minimum of two semesters. Individuals who received an AS in Nursing or attended nursing school other than a Florida College System or State University System institution should review the Nursing - RN to BSN Program.
- All applicants must be working toward Licensure as an RN.
- All applicants must have completed the UCF General Education Program (GEP) requirements or completed an AA degree from a Florida College System or State University System institution or have no more than a total of 9 credit hours remaining to meet UCF General Education and/or Foreign Language graduation requirements.
- All eight (8) Common Program Prerequisites must be completed by the program application deadline with at least a grade of "C" (2.0) or better in each course.

Program Description

BSN completion program only for individuals who are enrolled in a statewide articulated A.S. in Nursing from a Florida public community or state college (12/2000 or later). Students who are enrolled in a Concurrent ASN to BSN program will take the NCLEX-RN after successfully completing the ASN portion of their program and prior to enrolling in their final BSN courses at UCF. Out-of-state instructional limitations apply to this degree program. For more information on this please visit <https://apq.ucf.edu/files/Licensure-Disclosure-Nursing-Online-AS-to-BS.pdf>

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog year, including minors.
- Students should consult with an advisor in the College of Nursing Undergraduate Student Services Office for questions regarding completion of General Education Program requirements and Common Program Prerequisite requirements.
- The courses designated in UCF General Education Program (GEP) and Common Program Prerequisites (CPP) below may be taken at a Florida College System or State University System institution.
- A minimum overall undergraduate GPA of 2.5 and a minimum 2.5 GPA in the nursing major are required for continuation in and graduation from the nursing program
- UCF Residency Requirement: 30 hours
- The courses designated in UCF General Education Program (GEP), civic literacy, and Foreign Language Requirements must be completed prior to enrolling in the third semester in the BSN program. Students may have no more than 9 hours of outstanding coursework in these two areas at the time of admission.

General Education (GEP)

- Complete all of the following
 - Communication
 - Complete all of the following
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)

Mathematical

- Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - MAC 1105C - College Algebra Credit Hours:3 (Preferred)
 - GEP 8- Mathematical Foundation
 - Complete at least 1 of the following:
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)

Social

- Complete all of the following
 - Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - PSY 2012 - General Psychology OR SYG 2000 - Introduction to Sociology - preferred
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)

- ECO2013 - Principles of Macroeconomics (3)
- ECO2023 - Principles of Microeconomics (3)
- POS2041 - American National Government (3)

Science

- Complete all of the following
 - GEP 11 & 12- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)
 - CHM1032 - General Chemistry (3)

Grand Total Credits: **37 - 38**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - See "Common Prerequisites " in the Transfer and Transitions Services section for more information.
 - Complete all of the following
 - In addition to STA 2014 - Principles of Statistics OR STA 2023 - Statistical Methods I AND PSY 2012 - General Psychology OR SYG 2000 - Introduction to Sociology AND CHM 1032 - General Chemistry or other approved science from the GEP:
 - Complete the following:
 - HUN3011 - Human Nutrition (3)
 - MCB2004C - Microbiology for Health Professionals (4)
 - PCB3703C - Human Physiology (4)
 - ZOO3733C - Human Anatomy (4)
 - DEP2004 - Developmental Psychology (3)
 - May take Anatomy and Physiology sequence (AP I & II) of eight total credits for ZOO3733C and PCB3703C

Grand Total Credits: **18**

Degree Requirements

Core Requirements: Advanced Level
59 Total Credits

- Complete all of the following
 - UCF Core
 - Complete the following:
 - NUR3805 - Dimensions of Professional Nursing Practice (3)
 - NUR3065 - Health Assessment (2)
 - NUR3065L - Health Assessment Lab (1)
 - NUR3165 - Nursing Research (3)
 - NUR3616 - Health Promotion Across the Lifespan (2)
 - NUR4837 - Health Care Issues, Policy, and Economics (3)
 - NUR4828 - Nursing Leadership, Management and Role Transition (3)
 - NUR4637 - Public and Community Health Nursing (3)
 - NUR3125 - Pathophysiology for Nursing Practice (3)
 - NUR4604L - Practicum in Community and Public Health Nursing for RNs (4)
 - Upper Division Credit
 - Complete all of the following
 - May be met by validation and RN License
 - Complete the following:
 - NUR3028 - Essentials of Nursing Practice (3)
 - NUR3028L - Essentials of Nursing Practice Lab (1)
 - NUR3755L - Essentials of Nursing Practice Clinical (2)
 - NUR3225L - Nursing Care of the Adult I: Clinical Practice: (2)
 - NUR3445 - Nursing Care of Families (4)
 - NUR3445L - Nursing Care of Families Clinical (2)
 - NUR4227 - Nursing Care of the Adult II (4)
 - NUR4227L - Nursing Care of the Adult II: Clinical Practice (3)
 - NUR4535 - Psychiatric Mental Health Nursing (3)
 - NUR4535L - Psychiatric Mental Health Clinical (2)
 - NUR3225 - Nursing Care of the Adult I (3)
 - NUR3145 - Pharmacology for Nursing Practice (3)

Restricted Electives
3 Total Credits

- Earn at least 3 credits from the following types of courses:
One College of Nursing elective. A list of approved restricted elective courses is found in the myKnight audit.

Grand Total Credits: **62**

Program Details

Capstone Requirements

- None

Electives

- variable to meet degree requirements

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to third semester in the BSN program.

Graduation

- Must hold licensure as a Registered Nurse.

Additional Requirements

- A criminal background check and mandatory Drug Screening may be required prior to any clinical course and "on demand" for continuation in the program.
- Complete all courses in major with at least a "C" (2.0)
- Maintain a UCF GPA of 2.5 or above
- Maintain a College of Nursing GPA of 2.5 or above

Progression Requirements:

- Prior to third semester in the BSN program: 1) complete general education requirements or A.A. from a Florida College System or State University System institution; 2) complete civic literacy; and 3) complete foreign language admission requirement.
- Continuous enrollment in a Statewide Articulated AS in Nursing program of a Florida College System institution until completion and awarding of the Associate of Science in Nursing degree.

Other:

- Selected courses may be offered at various Orlando and Regional Campuses.
- All AS to BSN courses are available online. Some classes and labs are also available in person on select campuses. Clinical practice requirements are completed in the student's home community. For more information visit <http://www.nursing.ucf.edu>
- All students admitted to a BSN program will be responsible for a subscription to the LEAP*RN student information database and repository.

Required Minors

- None

Departmental Exit Requirements

- Completion of all courses in major with a grade of "C" (2.0) or better
- Cumulative overall GPA of 2.5 or above
- College of Nursing GPA of 2.5 or above
- This program must be completed in no more than seven years from enrollment in the first BSN course within Core Requirements.

University Minimum Exit Requirements

- A 2.0 UCF GPA

- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Chair, Department of Nursing Practice: Dr. Maureen Covelli

Director, Traditional and Second Degree BSN Programs: Dr. Kelly Allred

Licensure Disclosure

The program is accredited by the Commission on Collegiate Nursing Education (CCNE) and approved by the Florida State Board of Nursing. The Nursing, Accelerated Second Degree B.S.N. program will meet the educational eligibility criteria for the National Council for Licensure Examination for Registered Nurses (NCLEX-RN) for obtaining a license to practice as a registered nurse in Florida. Out-of-state instructional limitations apply to this degree program. For more information on this and how this program may prepare you in that regard, please visit

<https://apq.ucf.edu/files/Licensure-Disclosure-Nursing-Second-Degree-BSN.pdf>

Admission Requirements

- Acceptance to the university does not constitute admission to the upper division nursing program
- Separate application to the limited access accelerated second degree Bachelor of Science in nursing (BSN) option must be made directly to the College of Nursing prior to the posted deadline of the year of admission is sought. For application deadlines, please visit <http://www.nursing.ucf.edu/>.
- Admission to the university must also be completed by the program application deadline.
- Students who have never attended the University of Central Florida as degree seeking undergraduate students must apply to the Undergraduate Admissions Office as a second degree-seeking student.
- Students who have attended the University of Central Florida as degree seeking undergraduate students should apply through the Registrar's Office. These students complete the "Readmission Application" form.
- Students must receive a baccalaureate or higher degree from an accredited institution of higher education (meeting university transfer eligibility requirements) prior to the start of the program.
- All applicants must have a minimum overall GPA of 3.0
- Applicants are encouraged to attend an information session, prior to submitting the application.
- Criminal background checks including fingerprints are required for conditional admission to the undergraduate nursing program. The results are reviewed as part of the admission process and may be grounds for denying a student admission to the College of Nursing.
- A standardized test and predetermined cutoff score will be required for acceptance to the College of Nursing. Information regarding this test can be found at <http://www.nursing.ucf.edu/>.
- At least seven (7) of the eight (8) common program prerequisites must be completed by the program application deadline with at least a grade of "C" (2.0) or higher in each course.
- All 8 prerequisite courses must be completed before program begins.

Program Description

For individuals who are not Registered Nurses but who hold a baccalaureate or higher degree from an accredited institution of higher education (meeting university transfer eligibility requirements).

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog year, including any minors.
- Students should consult with an advisor in the College of Nursing Undergraduate Student Services Office for clarification of questions regarding prerequisite requirements.
- A minimum overall GPA of 2.5 and a minimum 2.5 GPA in the nursing major are required for continuation and graduation from the nursing program.
- UCF Residency requirement: 30 hours (if applicable)

- At least seven (7) of the eight (8) Common Program Prerequisites must be completed by the program application deadline with at least a grade of "C" (2.0) or better in each course.
- All 8 prerequisite courses must be completed before program begins.

Program Description

The BSN program prepares graduates who will be able to:

- Integrate concepts from liberal education with nursing curriculum to enhance critical thinking and implementation of quality care.
- Integrate principles of leadership and management through intra- and inter- disciplinary collaborations to address client needs and outcomes.
- Foster scholarship in nursing practice through identification of emerging health care problems, appraising current evidence, and its potential for application to improve outcomes.
- Demonstrate effective professional communication as part of an interdisciplinary team, collaborating to provide for optimal health outcomes.
- Analyze the health care policy process for the improvement of health care for all.
- Demonstrate competence in the management of information and the application of technology to deliver quality care.
- Develop health promotion and disease prevention interventions at the individual and population level to improve health.
- Actualize professional values such as altruism, autonomy, integrity, social justice, and respect for human dignity.
- Provide the highest quality of nursing care across the lifespan and continuum of healthcare environments.

For individuals who are not Registered Nurses. The College of Nursing has a demanding curriculum. The classes are work-intensive and courses include clinical practice in a variety of settings. Due to this, it is strongly recommended that students be at least one-year post-high school prior to applying to the basic nursing program. Students with concerns or questions should contact the College of Nursing Undergraduate Student Services Office for an appointment with an academic advisor.

General Education (GEP)

- Complete all of the following
 - Communication
 - Complete all of the following
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Complete at least 1 courses from the following:
GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)

 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - CHM 1032 - General Chemistry Credit Hours: 3 (Preferred)
 - GEP 12- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)

Grand Total Credits: **37 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - See "Common Prerequisites" in the Transfer and Transitions Services section for more information and possible substitutions. Some of these courses have prerequisites that must be taken first. Students should consult with an advisor in the College of Nursing for clarification of questions regarding prerequisite requirements. Any variation from the stated prerequisites must be approved by the College of Nursing. Visit UCF's Transfer Student Resource page at <https://registrar.ucf.edu/transfer-student-resources/> to view already approved transfer courses and the process for seeking transfer credit for courses not on the list.
 - Complete all of the following
 - In addition to STA 2014 - Principles of Statistics OR STA 2023 - Statistical Methods I AND PSY 2012 - General Psychology OR SYG 2000 - Introduction to Sociology AND CHM 1032 or other approved science from the GEP:
 - Complete the following:
 - MCB2004C - Microbiology for Health Professionals (4)
 - ZOO3733C - Human Anatomy (4)
 - PCB3703C - Human Physiology (4)
 - HUN3011 - Human Nutrition (3)
 - DEP2004 - Developmental Psychology (3)

Grand Total Credits: **18**

Degree Requirements

Core Requirements: Advanced
62 Total Credits

- Complete the following:
 - NUR3065 - Health Assessment (2)
 - NUR3065L - Health Assessment Lab (1)
 - NUR3028 - Essentials of Nursing Practice (3)
 - NUR3028L - Essentials of Nursing Practice Lab (1)
 - NUR3755L - Essentials of Nursing Practice Clinical (2)
 - NUR3616 - Health Promotion Across the Lifespan (2)
 - NUR3616L - Health Promotion Across the Lifespan Clinical (1)
 - NUR3125 - Pathophysiology for Nursing Practice (3)

 - NUR4637L - Public Health Nursing Clinical (1)

Restricted Electives
3 Total Credits

- Earn at least 3 credits from the following types of courses:
One College of Nursing elective. A list of approved restricted elective courses is found in the myKnight audit.

Grand Total Credits: **65**

Program Details

Capstone Requirements

- None

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

- None

Additional Requirements

- Students pursuing a BS degree must meet the University foreign language admission requirements before admission.
- Mandatory Drug Screening is required prior to admission and "on demand" for continuation in the program.

Students must:

- Complete all courses in major with at least a "C" (2.0) or "S" grade when appropriate.
- Maintain a UCF GPA of 2.5 or above.
- Maintain a College of Nursing GPA of 2.5 or above.
- All students admitted to a BSN program will be responsible for a subscription to the LEAP*RN student information database and repository.

Required Minors

- None

Departmental Exit Requirements

- All courses in major must be "C" (2.0) or better.
- The UCF GPA must be 2.5 or above.
- The College of Nursing GPA must be 2.5 or above.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Additional Information

Honors Undergraduate Thesis

Honors Option Requires:

- Open to students with a minimum 3.5 GPA in Nursing.
- Completion of a three credit directed readings course.
- Completion of a three credit thesis course.
- Must earn a minimum cumulative UCF 3.2 GPA.
- Completion of 60 semester hours of college credit, including 12 graded upper division hours at UCF.

Related Programs

- Health Services Administration (B.S.)
- Social Work (B.S.W.)

Certificates

- Aging Studies Certificate

Related Minors

- Psychology Minor
- Health Sciences Minor
- Health Services Administration Minor

Advising Notes

- None

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Nursing courses and prerequisite courses transferred from private and out-of-state schools must be evaluated for equivalency credit and approved by the College of Nursing through the Universities transfer evaluation process. Visit UCF's Transfer Student Resource page at <https://registrar.ucf.edu/transfer-student-resources/> to view already approved transfer courses and the process for seeking transfer credit for courses not on the list.

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

Equipment Fees

- Part-Time Student: \$25 per term
- Full-Time Student: \$50 per term

Nursing, Concurrent A.S.N. to B.S.N. Enrollment Option (B.S.N.)

College

College of Nursing

Department

Department of Nursing Systems

Program Type

Major

Program Contact Information

College of Nursing
University Tower (UTWR), 300 (Third Floor)
407-823-2744
ucfnurse@ucf.edu

Dean: Dr. Mary Lou Sole

Chair for Department of Nursing Systems, Hugh F. and Jeannette G. McKean Endowed Chair in Nursing, Professor: Dr. Mona Shattell

Director for RN to BSN and Concurrent ASN to BSN Post Licensure BSN Programs, Senior Lecturer: Dr. Stephen Heglund

Admission Requirements

- Acceptance to the University does not constitute admission to this program. Only students admitted to the Florida College System institution Nursing Programs are eligible for this enrollment option. Students must make separate application to UCF and the College of Nursing. Students are accepted into this program for their first semester of nursing and must progress according to a designated plan of study.
- Students must be accepted by UCF prior to the Concurrent A.S.N. to B.S.N. application deadline. Upon completion of the ASN and successful licensure as a Registered Nurse, students will enroll in remaining UCF nursing upper division courses to complete the BSN.
- Criminal background checks and drug screening may be required for all Concurrent students prior to their registering for the final practicum course NUR 4604L.

At the time of application, students must have:

- A cumulative GPA of 3.0 or above.
- Completed application to a Florida College System institution ASN Nursing program and the UCF College of Nursing and be admitted to the University by UCF Undergraduate Admissions.
- An AA degree from a Florida College System or State University System institution or have met ALL UCF General Education requirements prior to program start.
- Met UCF Foreign Language admission requirement prior to program start.
- Completed seven out of eight Common Program Prerequisite courses for UCF and all of the ASN nursing program's prerequisites by application deadline with at least a grade of "C" (2.0) or better in each course.
- A satisfactory score on the standardized entry test(s) required by both programs.

Program Description

A partnership between selected Florida College System institutions and UCF College of Nursing to allow qualified Associate of Science in Nursing (ASN) students to enroll in the RN to BSN program while completing the ASN program. This program allows simultaneous enrollment in both associate and baccalaureate nursing programs. Students who are enrolled in a Concurrent ASN to BSN program will take the NCLEX-RN after successfully completing the ASN portion of their program and prior to enrolling in their final BSN courses at UCF. Out-of-state instructional limitations apply to this degree program. For more information on this please visit

<https://apq.ucf.edu/files/Licensure-Disclosure-Nursing-Concurrent-ASN-to-BSN.pdf>

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog year, including minors.
- Students should consult with a college advisor or Florida College System A.A. transfer advisor regarding completion of General Education Program requirements.
- Students should consult with an advisor in the Concurrent Nursing program for clarification of questions regarding prerequisite requirements.
- The courses designated in General Education and Common Program Prerequisites below may be taken at a Florida College System or State University System institution.
- A minimum overall GPA of 2.5 and a minimum 2.5 GPA in the nursing major are required for continuation in and graduation from the nursing program.
- UCF Residency Requirement: 30 hours.
- The courses designated in General Education, civic literacy, and Common Program Prerequisites should usually be completed in the first 60 hours.

General Education (GEP)

- Complete all of the following
 - Communication
 - Complete all of the following
 - Complete all courses from the following:

Mathematical

- Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - MAC 1105C Preferred
 - GEP 8- Mathematical Foundation
 - Complete at least 1 of the following:
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)

Social

- Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - SYG 2000 - Introduction to Sociology OR PSY 2012 - General Psychology Preferred
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science

- Complete all of the following
 - GEP 11 & 12- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)
 - CHM1032 - General Chemistry (3)
 - BSC 2010C is a prerequisite for ZOO 3733C, PCB 3703C; CHM 1032 is a prerequisite for PCB3703C and MCB2004C.

Grand Total Credits: **37 - 38**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - Applicants should see a UCF Nursing Advisor for possible course substitutions. See "Common Prerequisites " in the Transfer and Transitions Services section for more information
 - Complete all of the following
 - In addition to STA 2014 - Principles of Statistics OR STA 2023 - Statistical Methods I AND PSY 2012 - General Psychology OR SYG 2000 - Introduction to Sociology AND CHM 1032 - General Chemistry or another approved science course from the GEP:
 - Complete the following:
 - MCB2004C - Microbiology for Health Professionals (4)
 - ZOO3733C - Human Anatomy (4)
 - PCB3703C - Human Physiology (4)
 - HUN3011 - Human Nutrition (3)
 - DEP2004 - Developmental Psychology (3)
 - May take Anatomy and Physiology sequence (AP I & II) of eight total credits for ZOO3733C and PCB3703C

Grand Total Credits: **18**

Degree Requirements

Core Requirements: Advanced Level
59 Total Credits

- Complete all of the following
State College Concurrent Tracks-Valencia or Seminole
 - Complete 1 of the following
 - Valencia Track
 - Complete the following:
 - NUR3125 - Pathophysiology for Nursing Practice (3)
 - NUR3805 - Dimensions of Professional Nursing Practice (3)
 - NUR3616 - Health Promotion Across the Lifespan (2)
 - NUR3065 - Health Assessment (2)
 - NUR3065L - Health Assessment Lab (1)
 - NUR3165 - Nursing Research (3)
 - NUR4637 - Public and Community Health Nursing (3)
 - NUR4837 - Health Care Issues, Policy, and Economics (3)
 - NUR4828 - Nursing Leadership, Management and Role Transition (3)
 - NUR4604L - Practicum in Community and Public Health Nursing for RNs (4)
 - Seminole Track
 - Complete the following:
 - NUR4257 - Introduction to Critical Care Nursing (3)
 - NUR3805 - Dimensions of Professional Nursing Practice (3)
 - NUR3616 - Health Promotion Across the Lifespan (2)
 - NUR3165 - Nursing Research (3)

Is this program available 100% online?

Yes

UCF Online

Online Nursing, BS

Licensure Disclosure

BSN completion program for individuals who are licensed RNs. Students must complete all university-wide graduation requirements (general education, civic literacy, foreign language, Gordon Rule, etc.). All courses are available online and some courses may be offered face-to-face as well. For more information, see <http://distrib.ucf.edu/home>, and <http://www.nursing.ucf.edu>. Students must be licensed RNs to participate in this RN to BSN Program. Additional certification may be available in this field of study; however, this program does not lead to such licensure or certification upon graduation. Out-of-state instructional limitations apply to this degree program. For more information, please visit

<https://apq.ucf.edu/files/Licensure-Disclosure-Nursing-Online-RN-to-BSN.pdf>

Admission Requirements

- Acceptance to the university does not constitute admission to the upper division nursing program. For application deadlines, please visit <http://www.nursing.ucf.edu>.
- Admission to the University must be completed by the program application deadline.
- All applicants must have graduated from an approved or accredited associate degree or diploma nursing program.
- All applicants must have current Licensure as an RN.
- All applicants must have completed the UCF General Education Program (GEP) requirements or completed an AA degree from a Florida College System or State University System institution or have no more than a total of 9 credit hours remaining to meet UCF General Education and/or Foreign Language graduation requirements.
- At least seven (7) of the eight (8) Common Program Prerequisites must be completed by the program application deadline with at least a grade of "C" (2.0) or better in each course.
- All applicants must have a minimum overall GPA of 2.8.
- All 8 prerequisite courses must be completed before program begins.

Program Description

Nursing, R.N. to B.S.N. may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees. Click here for more information about the online program.

 - Complete at least 1 courses from the following:
GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - Complete at least 1 courses from the following:
GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)

- ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural - choose a course from GEP 4 or GEP 5
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)

 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- Mathematical
- Complete all of the following
 - MAC 1105C - College Algebra (Preferred)
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - GEP 8- Mathematical Foundation
 - Complete at least 1 of the following:
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
- Social
- Complete all of the following
 - GEP 9- Social Foundations
 - Complete at least 1 of the following:
 - SYG2000 - Introduction to Sociology (3)

- PSY2012 - General Psychology (3)
- Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
- Science
 - Complete all of the following
 - GEP 11 & 12 Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)
 - CHM1032 - General Chemistry (3)
 - Science Foundation is 6 credit hours for General Education Program. BSC 2010C is a prerequisite for ZOO 3733C and MCB 2004C. CHM 1032 is a prerequisite for MCB 2004C, PCB 3703C,

Grand Total Credits: **37 - 38**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - See "Common Prerequisites " in the Transfer and Transitions Services section for more information.
 - Complete all of the following
 - In addition to STA 2014 - Principles of Statistics OR STA 2023 - Statistical Methods I AND PSY 2012 - General Psychology OR SYG 2000 - Introduction to Sociology AND CHM 1032 - General Chemistry or other approved Science course from the GEP:
 - Complete the following:
 - MCB2004C - Microbiology for Health Professionals (4)
 - ZOO3733C - Human Anatomy (4)
 - PCB3703C - Human Physiology (4)
 - HUN3011 - Human Nutrition (3)
 - DEP2004 - Developmental Psychology (3)
 - May take Anatomy and Physiology sequence (AP I & II) of eight total credits for ZOO 3733C and PCB3703C

Grand Total Credits: **18**

Degree Requirements

Core Requirements: Advanced Level
59 Total Credits

- Complete all of the following
 - UCF Core
 - Complete the following:
 - NUR3805 - Dimensions of Professional Nursing Practice (3)
 - NUR3065 - Health Assessment (2)
 - NUR3065L - Health Assessment Lab (1)
 - NUR3125 - Pathophysiology for Nursing Practice (3)
 - NUR3165 - Nursing Research (3)
 - NUR3616 - Health Promotion Across the Lifespan (2)
 - NUR4837 - Health Care Issues, Policy, and Economics (3)
 - NUR4604L - Practicum in Community and Public Health Nursing for RNs (4)
 - NUR4828 - Nursing Leadership, Management and Role Transition (3)
 - NUR4637 - Public and Community Health Nursing (3)
 - Upper Division Credit
 - Complete all of the following
 - Complete the following:
 - NUR3028 - Essentials of Nursing Practice (3)
 - NUR3028L - Essentials of Nursing Practice Lab (1)
 - NUR3755L - Essentials of Nursing Practice Clinical (2)
 - NUR3225 - Nursing Care of the Adult I (3)
 - NUR3225L - Nursing Care of the Adult I: Clinical Practice: (2)
 - NUR3445 - Nursing Care of Families (4)
 - NUR3445L - Nursing Care of Families Clinical (2)
 - NUR4227 - Nursing Care of the Adult II (4)
 - NUR4227L - Nursing Care of the Adult II: Clinical Practice (3)
 - NUR4535 - Psychiatric Mental Health Nursing (3)
 - NUR4535L - Psychiatric Mental Health Clinical (2)
 - NUR3145 - Pharmacology for Nursing Practice (3)
 - Upper division credit may be met by validation and RN license.

Restricted Electives
3 Total Credits

- Earn at least 3 credits from the following types of courses:
One College of Nursing elective. A list of approved restricted elective courses is found in the myKnight audit.

Grand Total Credits: **62**

Program Details

Capstone Requirements

- None

Electives

- variable to meet degree requirements

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to enrollment in third semester in the BSN program.

Graduation

- None

Additional Requirements

Progression Requirements:

- A criminal background check and mandatory Drug Screening may be required prior to any clinical course and "on demand" for continuation in the program.
- Complete all courses in major with at least a "C" (2.0).
- Maintain a UCF GPA of 2.5 or above.
- Maintain a College of Nursing GPA of 2.5 or above.
- Prior to third semester in the BSN program: 1) complete general education requirements or A.A. from a Florida College System or State University System institution; and 2) complete foreign language admission requirement.

Other:

- Selected courses may be offered at various Orlando and regional campuses.
- All RN to BSN courses are available online. Some classes and labs are also available in person on select campuses. Clinical practice requirements are completed in the student's home community. For more information visit <http://www.nursing.ucf.edu>.
- A maximum of 6 upper division credit hours of Nursing courses may be transferred from another institution.
- All students admitted to a BSN program will be responsible for a subscription to the LEAP*RN student information database and repository.

Required Minors

- None

Departmental Exit Requirements

- Completion of all courses in major with a grade of "C" (2.0) or better
- Overall cumulative GPA of 2.5 or above
- College of Nursing GPA of 2.5 or above
- This program must be completed in no more than seven years from enrollment in the first BSN course within Core Requirements.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.

- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Major

Program Website

creol.ucf.edu

Program Contact Information

College of Optics and Photonics

CREOL (CROL), A213

407-823-6376

undergrad@creol.ucf.edu

Admission Requirements

- Students who wish to declare their major in Photonic Science and Engineering must be in good academic standing and must have a "C" (2.0) or better in each of the following courses or their equivalents: MAC 2311C, MAC 2312, PHY 2048 and PHY 2048L, and CHS 1440 or CHM 2045C.

Program Description

The Bachelor of Science in Photonic Science and Engineering degree is designed to prepare the next generation of engineers for the growing optics and photonics industry, which has a broad set of applications including manufacturing, healthcare, telecommunication, defense, security, and entertainment. The program draws on UCF's internationally recognized strengths in the field of optics and lasers and is matched to the strong photonics industry in Central Florida. The degree is offered jointly by the College of Optics and Photonics and the College of Engineering & Computer Science.

This program has potential ties to professional licensure or certification in the field. For more information on how this program may prepare you in that regard, please visit

<https://apq.ucf.edu/files/Licensure-Disclosure-COP-Photonic-Science-and-Engineering-BSPSE.pdf>

Degree Requirements

- Majors in the B.S.P.S.E. degree are required to achieve a 2.250 or greater GPA for their engineering core courses, including STA 3032 and PHY 3101, together with the photonics courses required for the major, technical elective courses, and the senior design courses.
- Students in the Photonic Science and Engineering major are expected to make consistent good progress toward their degrees to remain enrolled in, or eligible for, any major in the College of Engineering & Computer Science (CECS) or the College of Optics and Photonics (COP). Therefore, any student majoring in Photonic Science and Engineering who repeats any UCF course and does not earn a grade of "C" (2.0) or better on the second attempt will be placed on Lack of Progress Probation and remain on Lack of Progress Probation as long as the student is enrolled in a CECS or COP major. If a student on Lack of Progress Probation does not receive a grade of "C" (2.0) or better by the third attempt in the same UCF course, the student will be excluded from all CECS and COP majors. Any student majoring in Photonic Science and Engineering who has accumulated 7 or more unsuccessful attempts (i.e., grades below "C" (2.0) and withdrawals) over all courses taken at UCF will be placed on Lack of Progress Probation and remain on Lack of Progress Probation as long as the student is enrolled in a CECS or COP major. If a student on Lack of Progress Probation has a tenth unsuccessful attempt over all courses taken at UCF, the student will be excluded from all CECS and COP majors.
- A student who is excluded from CECS and COP majors may seek readmission to a major in CECS or COP after at least one full year has passed since exclusion. Readmission is not automatic and is dependent upon a high probability of success after readmission. Any student who is readmitted to the Photonic Science and Engineering major will be subject to all probation conditions that applied at the time of exclusion.
- In addition to courses required for admission to the BSPSE Major, students must also obtain a 2.0 or greater GPA in each of the following courses: EGN 3211, EEL 3004C, EEL 3123C, MAP 2302, PHY 2049C or PHY 2049 and PHY 2049L, OSE 3052, and OSE 3052L .

General Education (GEP)

- Complete all of the following
 - Communication Foundations
 - Complete all of the following

- Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
- Cultural & Historical Foundations
 - Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - Complete at least of the following:
 - MUL2014 - Introduction to Music History and Literature (3)
 - PHI2010 - Introduction to Philosophy (3)
 - THE2000 - Theatre Survey (3)
 - PHI 2010 preferred.
 - GEP 6- Historical & Cultural Foundation - choose a course from GEP 4 or GEP 5
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)

 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- Mathematical Foundations
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - STA3032 - Probability and Statistics for Engineers (3)
- Social Foundations
 - Complete all of the following
 - Complete at least 1 courses from the following:

- GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - Science Foundations
- Complete all of the following
 - Earn at least 4 credits from the following course sets:
 - PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **35 - 36**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - Complete the following:
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - MAC2313 - Calculus with Analytic Geometry III (4)
 - MAP2302 - Ordinary Differential Equations I (3)
 - Earn at least 4 credits from the following course sets:
 - PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)
 - PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)
 - Complete at least 1 of the following:
 - CHS1440 - Principles of Chemistry (4)
 - CHM2045C - Chemistry Fundamentals I (4)

Grand Total Credits: **19**

Degree Requirements

Core Requirements: Basic Level
8 Total Credits

- Complete all of the following
 - EGS 1006C and EGN 1007C are for UCF FTIC students, or may be transferred to UCF. These two credits are counted toward the restricted elective credit total. STA 3032 credits are counted in the GEP Math Foundations total.
 - Complete the following:
 - EGS1006C - Introduction to the Engineering Profession (1)

- EGN1007C - Engineering Concepts and Methods (1)
- PHY3101 - General Physics Using Calculus III (3)
- Complete at least 1 of the following:
 - EGN3211 - Engineering Analysis and Computation (3)
 - PHZ3150 - Introduction to Numerical Computing (3)
- C (2.0) or better required for EGN 3211

Core Requirements: Advanced Level
47 Total Credits

- Complete all of the following
 - Engineering Requirements
 - Complete all of the following
 - Complete the following:
 - EEL3004C - Linear Circuits I (3)
 - EEE3350 - Semiconductor Devices (3)
 - EEL3123C - Linear Circuits II (3)
 - EEE3307C - Electronics I (4)
 - EEL3552C - Signal Analysis and Analog Communication (4)
 - C (2.0) or better required in EEL 3004C and EEL 3123C.
 - Photonics Requirements
 - Complete all of the following
 - Complete the following:
 - OSE3200 - Geometric Optics (3)
 - OSE3200L - Geometric Optics Lab (1)
 - OSE3052 - Foundations of Photonics (3)
 - OSE3052L - Foundations of Photonics Laboratory (1)
 - OSE3053 - Electromagnetic Waves for Photonics (3)
 - OSE4520 - Laser Engineering (3)
 - OSE4520L - Laser Engineering Laboratory (1)
 - OSE4410 - Optoelectronics (3)
 - OSE4410L - Optoelectronics Laboratory (1)
 - OSE4470 - Fiber-Optic Communications (3)
 - OSE4470L - Fiber-Optic Communications Laboratory (1)
 - OSE4830 - Imaging and Display (3)
 - OSE4830L - Imaging and Display Laboratory (1)
 - OSE4930 - Frontiers of Optics and Photonics (3)
 - C (2.0) or better required in OSE 3052

Restricted Electives
12 Total Credits

- Earn at least 12 credits from the following types of courses:
The following combination of courses can be used to meet this requirement, but at least 3 credits must be completed from an OSE-prefixed course. OSE-prefixed Restricted Elective. Credit Hours: minimum of 3 credit hours are required to be completed. Approved Restricted Electives from approved upper level photonics, engineering, physics, mathematics, or other related electives. (See myKnight Audit for a complete list) EGS 1006C Introduction to the Engineering Profession. Credit Hours: 1 EGN 1007C Engineering Concepts and Methods. Credit Hours: 1 OSE 4953 for Photonic Science and Engineering students double majoring in Electrical or Computer Engineering. Credit Hours: 1, repeatable for a total of 2 credits. All electives must be approved by the program advisor. The courses used to satisfy the restricted elective requirement and used as part of the major GPA calculation will be those with the highest grades out of all restricted elective courses the student has completed.

Capstone Requirement
6 - 8 Total Credits

- Complete 1 of the following
 - Complete the following:
 - OSE4951 - Senior Design I (3)
 - OSE4952 - Senior Design II (3)
 - Earn at least 8 credits from the following:

- EEL4914 - Senior Design I (3)
- EEL4915L - Senior Design II (3)
- OSE4953 - Senior Design Double Major ECE (1)
- Students who declare a double major in Photonic Science and Engineering along with Electrical Engineering or Computer Engineering can elect to complete the following two-semester sequence for their capstone requirements: EEL 4914 - Senior Design I and OSE 4953 - Senior Design Double Major ECE followed by EEL 4915L - Senior Design II and OSE 4953 again. Otherwise, students will need to complete OSE 4951 and OSE 4952 in addition to the ECE requirements for Senior Design (EEL 4914 and EEL 4915L)

Grand Total Credits: **73 - 75**

Program Details

Foreign Language Requirements

Admissions

- Two years of one foreign language in high school, or one year of one foreign language in college (or equivalent proficiency exam) prior to graduation.

Graduation

- None

Additional Requirements

- Photonic science and engineering students must earn at least 32 hours in residence at UCF. 24 of the 32 Residency hours must be at the 3000-5000 level, in courses taken from the College of Optics and Photonics at UCF and applicable to the degree program.

Required Minors

- None

Departmental Exit Requirements

- None

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 128

Additional Information

Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at honors.ucf.edu/research

Related Programs

- Electrical Engineering - Accelerated Undergraduate-Graduate (B.S.E.E. / M.S.E.E.)
- Computer Engineering - Accelerated Undergraduate-Graduate (B.S.Cp.E. / M.S.Cp.E.)
- Physics (B.S.)

Certificates

- None

Related Minors

- Engineering Leadership Minor
- Mathematics Minor
- Physics Minor

Advising Notes

- Photonic Science and Engineering major and pending students should meet with the academic advisor regularly.
- Each student should seek academic advisement before registering for classes each semester to minimize excess hours.
- Students are assumed to have knowledge of a higher level programming language.
- Students in the BSPSE Major are required to take OSE-prefixed lab courses in the same semester as the corresponding lecture course.
- Prior to enrolling in OSE 3200, students are encouraged to meet with the BSPSE Academic Advisor.
- Students who have a major GPA of less than 2.25 prior to enrolling in OSE 4951 or OSE 4953 will be required to meet with the Academic Advisor.

Transfer Notes

- Courses taken from Florida College System institutions do not substitute for upper division courses unless part of an articulated pre-engineering degree program.
- Courses transferred must be formally evaluated for equivalency credit. The student must provide all supporting information with his/her petition for this evaluation.
- EGS 1006C and EGN 1007C are required courses for incoming freshmen only and without completion of these courses, restricted elective requirement increases to 12 credit hours.

Acceptable Substitutes for Transfer Courses

- None

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: <https://oeas.ucf.edu/about/academiclearningcompacts/>

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Departmental Residency Requirement: at least 15 semester hours of regularly scheduled 3000-4000 level courses must be taken from the UCF Statistics and Data Science Department.
- Students must earn at least a "C" (2.0) in each course with an STA prefix.
- Students must achieve a minimum 2.0 cumulative GPA in all computer science and mathematics courses satisfying major requirements.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses satisfying major requirements.
- Co-op or internship credit cannot be used in this major without prior approval.
- Students should consult with a departmental advisor.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) are generally spread over 4 years, and those designated in 2 (Common Program Prerequisites) are usually completed in the first 60 hours.
- All statistics courses except the following, and those protected by Florida Common Course Numbering must be taken from, or approved by the Statistics and Data Science Department at UCF.
 - STA 2023 - Statistical Methods I
 - STA 3032 - Probability and Statistics for Engineers

General Education (GEP)

GEP Notes

0 Total Credits

- Complete all of the following
 - Certain courses must be selected for this degree that will bring the total hours of the GEP to more than 36.
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation
6 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation

- THE2000 - Theatre Survey (3)
- MUL2010 - Enjoyment of Music (3)

Mathematical Foundation

7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - GEP 8- Mathematical Foundation
 - Complete the following:
 - STA2023 - Statistical Methods I (3)

Social Foundation

6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete the following:
 - ECO2013 - Principles of Macroeconomics (3)

Science Foundation

8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete all of the following
 - Prior to enrolling into CHM2045C, take the Chemistry Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Earn at least 4 credits from the following course sets:
 - CHM 2045C
 - CHM2045C - Chemistry Fundamentals I (4)
 - PHY 2053C
 - PHY2053C - College Physics I Studio (4)
 - PHY 2053 and 2053L
 - PHY2053 - College Physics I (3)
 - PHY2053L - College Physics I Laboratory (1)
 - GEP 12- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)

Grand Total Credits: **36**

Common Program Prerequisites (CPP) (If applicable)

14 Total Credits

- Complete all of the following
 - In addition to completing all of the required GEP (MAC2311C, ECO2013, BSC2010C, and (CHM2045C or PHY2053C)),
 - Complete the following:
 - COP3223C - Introduction to Programming with C (3)
 - ECO2023 - Principles of Microeconomics (3)
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - MAC2313 - Calculus with Analytic Geometry III (4)

Grand Total Credits: **14**

Degree Requirements

Core Requirements: Basic

3 Total Credits

- Complete all of the following
 - In addition to completing all of the required GEP (ECO2023, MAC2311C, STA2023) and CPP (COP3223C, ECO2023, MAC2312, MAC2313) courses,
 - Complete the following:
 - ACG2021 - Principles of Financial Accounting (3)

Core Requirements: Advanced

49 Total Credits

- Complete the following:
 - COT4500 - Numerical Calculus (3)
 - ENC3241 - Writing for the Technical Professional (3)
 - FIN3403 - Business Finance (3)
 - MAS3105 - Matrix and Linear Algebra (4)
 - STA4130 - Life Contingencies I (3)
 - STA4131 - Life Contingencies II (3)
 - STA4133 - Loss Models I (3)
 - STA4135 - Loss Models II (3)
 - STA4163 - Statistical Methods II (3)
 - STA4164 - Statistical Methods III (3)
 - STA4183 - Theory of Interest (3)
 - STA4184 - Introduction to Derivative Markets (3)
 - STA4186 - Theory of Derivative Pricing (3)
 - STA4321 - Statistical Theory I (3)
 - STA4322 - Statistical Theory II (3)
 - STA4852 - Applied Time Series (3)

Restrictive Electives

6 Total Credits

- Complete all of the following
 - Earn at least 6 credits from the following types of courses:
Select from upper division or graduate (5000 level) statistics, mathematics, or computer science courses (STA or ISC prefix). Selected courses in business may be used only with prior approval by the Department of Statistics.
 - The following courses cannot be used to satisfy this requirement: MHF 4404 - History of Mathematics Any course with the MAE prefix

Grand Total Credits: **58**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives (9 Credit Hours)

- To fulfill the 120 hours required of this degree, select primarily from upper level courses, with departmental advisor's approval. May be outside of the department.

Foreign Language Requirements

Graduation

- None

Departmental Exit Requirements

- Students must earn at least a "C" (2.0) in each course with a STA prefix.
- Students must achieve a minimum 2.0 cumulative GPA in all computer science and mathematics courses satisfying major requirements.
- Students need to take SOA P exam (Probability) or SOA FM exam (Financial Mathematics) and report the score to the department. Only one exam needed as the exit requirement.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses satisfying major requirements.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 60 semester hours earned after CLEP awarded
- 42 semester hours of upper division credit completed
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at <https://honors.ucf.edu/research/>.

Related Programs

- Mathematics (B.S.)
- Secondary Education, Mathematics Education Track (B.S.)
- Statistics (B.S.)

- Actuarial Science Minor
- Statistics Minor
- Mathematics Minor

Advising Notes

- It is the student's responsibility to ensure they have satisfied course prerequisites before registering for a class. Students should consult with a department advisor.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".
- The following substitutions are acceptable for Common Program Prerequisites if taken as part of the AA course work:
 - Computer Science: any COP programming language course will satisfy the CPP. However, COP 3223C is a prerequisite for Computer Science courses and still may need to be taken.

- Biology: any 2 laboratory courses for majors with BSC, CHM, or PHY prefixes will satisfy the CPP.
- Statistics: although any STA 2XXX course will satisfy the CPP, STA 2023 is required in the program's core and will still need to be taken.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oeas.ucf.edu/alc/academic_learning_compacts.htm

Associate Chair and Undergraduate Advisor: Dr. Hsin-Hsiung Huang
407-823-3582
Hsin-Hsiung.Huang@ucf.edu

Admission Requirements

- Students must satisfy each course's prerequisites before enrolling in the class.
- Students are expected to have completed some of the following courses as part of their GEP requirement.
 - ACG 2021 - Principles of Financial Accounting **Credit Hours: 3**
 - MAC 2311C - Calculus with Analytic Geometry I **Credit Hours: 4**
 - MAC 2312 - Calculus with Analytic Geometry II **Credit Hours: 4**
 - MAC 2313 - Calculus with Analytic Geometry III **Credit Hours: 4**
 - STA 2023 - Statistical Methods I **Credit Hours: 3**
 - STA 4321 - Statistical Theory I **Credit Hours: 3**

Program Description

This minor is designed to satisfy the Society of Actuaries (SOA) Validation by Educational Experience (VEE) requirements in the areas of Economics and Mathematical Statistics and prepare students for SOA Exam P, Exam FM and Exam IFM. It will also satisfy the Casualty Actuarial Society (CAS) VEE requirements in the area of Economics and prepare students for CAS Exam 1, Exam 2, and Exam 3F. Furthermore, it will partially satisfy both the SOA and CAS VEE requirements in the area of Accounting and Finance.

Minor Requirements

- A minimum grade of "C" (2.0) is required in all courses used to satisfy the minor.
- At least 12 hours used in the minor must be earned at UCF within the Statistics and Data Science Department.

Degree Requirements

Required Courses

21 Total Credits

- Complete the following:
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - FIN3403 - Business Finance (3)
 - STA4183 - Theory of Interest (3)
 - STA4184 - Introduction to Derivative Markets (3)
 - STA4186 - Theory of Derivative Pricing (3)
 - STA4322 - Statistical Theory II (3)

Grand Total Credits: **21**

Program Details

Total Undergraduate Credit Hours Required: 21

Other Requirements

- Internship, Co-op, or Independent Study credit cannot be used toward the minor.
- Any course substitutions must be approved by the program coordinator in advance of their being taken.

Nicholson Academic Student Services Center (NASSC)

nassc@ucf.edu

407-823-2681

Admission Requirements

The Advertising/Public Relations program is a limited access program that requires a separate application.

- Students should apply to become Advertising/Public Relations majors only after completing all requirements for admission.
- Students must satisfactorily complete a minimum of 30 credit hours of college work before applying.
- The student's GPA is a major component of the admission criteria.
 - The admission GPA will be calculated using all college work attempted.
 - The GPA cut-off for admission varies each semester, depending on the applicants; but for the previous six admission periods, the GPA averaged 3.3.
- Students must pass a grammar proficiency exam administered by UCF's Testing Center, unless the student has qualifying AP or IB scores, or a "B" is earned in both freshman GEP English classes.
- Students can contact NASSC for specifics of admission criteria.
- Students must receive a positive evaluation by the Nicholson School of Communication and Media.
- Students must be in good academic standing.
- Students must complete or be enrolled into and complete the following courses with a "C" or better (if in progress at the time of admission, students who do not earn a "C" or better will be removed from the program):
 - **Complete the following: 6 Credit Hours**
 - ADV 3008 - Principles of Advertising
 - PUR 4000 - Public Relations

Application Deadlines:

- October 1 to be admitted the next spring term;
- February 1 to be admitted the next summer term;
- July 1 to be admitted the next fall term.

Program Description

The mission of the Advertising/Public Relations program is to prepare students for careers in the widely diverse fields of advertising and public relations by providing a high-quality education to students in core values, ethics and the concepts, strategies, and techniques of strategic communication, and to promote student engagement that influences real-world experience through internships, partnerships and community involvement.

Degree Requirements

- Students who change degree programs (other than from Ad-PR Pending) and select this major must adopt the most current catalog.
- Co-op credit can be used in the major with advisor's prior approval.
- School residency requirement consists of at least 24 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Nicholson School of Communication and Media.
- Of the 120 hours required for graduation, 72 hours must be taken outside of the disciplines of Communication and Media Studies (Radio-TV and Journalism) represented within the Nicholson School of Communication and Media.
- Students electing to complete a minor must select the minor from outside the Nicholson School of Communication and Media.
- A maximum of three credit hours of internship may be earned in one semester.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.
GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
GEP 3- Communication Foundation

- Complete all of the following
 - SPC1608 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - GEP 4- Historical & Cultural Foundation
- Complete all of the following
 - AMH2010 - preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
- Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)

 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)

- MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- GEP 7- Mathematical Foundation
- Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - May substitute a higher level math with appropriate scores on the Math Placement Exam. See: <https://www.sdes.ucf.edu/placement-tests>
- GEP 8- Mathematical Foundation
- Complete all of the following
 - Complete the following:
 - STA2014 - Principles of Statistics (3)
 - May substitute a more advanced STA course .
- GEP 9- Social Foundation
- Complete at least 1 of the following:
 - ANT2000 - General Anthropology (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
- GEP 10- Social Foundation
- Complete at least 1 of the following:
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
- GEP 11- Science Foundation
- Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
- GEP 12- Science Foundation
- Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Common Program Prerequisites (CPP) (If applicable)

- CPP fulfilled by completing SPC1608 and either ECO2013 or ECO2023 in the GEP.

Grand Total Credits: **0**

Degree Requirements

Core Requirements: Basic Level

6 Total Credits

- Complete all of the following
 - The following courses, specifically identified in the preceding General Education and Common Program Prerequisites sections, meet the Basic Core requirement - GEP: SPC1608, ECO2013, STA2014; CPP: ECO2023. These courses may be completed before or after admission to the program.
 - The following two courses must be in progress when applying or completed before applying to the program. A grade of "C" (2.0) or better is required. If a course is in progress at the time of admission, students who do not earn a "C" or better will be removed from the program.
 - Complete the following:
 - ADV3008 - Principles of Advertising (3)
 - PUR4000 - Public Relations (3)

Core Requirements: Advanced Level

24 Total Credits

- Complete all of the following
 - Complete the following:
 - ADV4101 - Advertising Copywriting (3)
 - MMC3200 - Mass Communication Law (3)
 - MMC3630 - Social Media as Mass Communication (3)
 - MMC4411 - Ad-PR Campaigns (3)
 - PUR3100 - Writing for Public Relations (3)
 - PUR3500 - Public Relations Research Methods (3)
 - VIC3001 - Visual Communication (3)
 - Earn at least 3 credits from the following:
 - ADV4941 - Internship (1 - 99)
 - PUR4941 - Internship (1 - 99)

Restricted Electives

15 Total Credits

- Complete all of the following
 - Select from the following after admission to the program. A maximum of three (3) credits of internship may be applied to Restricted Electives. Additional restricted electives can be taken as approved by an advisor.
 - Earn at least 15 credits from the following:
 - ADV3001 - Advertising Strategy (3)
 - ADV4103 - Radio-Television Advertising (3)
 - ADV4300 - Advertising Media Planning (3)
 - ADV4941 - Internship (1 - 99)
 - PUR3210 - Communication Approach to Corporate Social Responsibility (3)
 - PUR4600 - PR Strategies (3)
 - PUR4014 - Preparing for Public Relations Certification (3)
 - PUR4110C - Public Relations Publications (3)
 - PUR4203 - PR/Advertising Ethics and Law (3)
 - PUR4400 - Crisis Communication (3)
 - PUR4801 - Public Relations Case Studies (3)
 - PUR4941 - Internship (1 - 99)
 - VIC4312 - Power Branding (3)

Capstone Requirement

3 Total Credits

- Complete the following:
 - MMC4411 - Ad-PR Campaigns (3)

Grand Total Credits: **48**

Program Details

Electives

- To fulfill the 120 hours required of this degree, select primarily from upper level courses, with school advisor's approval. Must be from outside of the disciplines represented within school in order to not exceed the 48 credit hour cap.

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination. Consult with the NSCM advising staff to understand how choosing ASL impacts hours needed to graduate.

Required Minors

- None required. However if a minor is desired, it must be selected from outside the school in order to not exceed the 48 credit hour cap.

Departmental Exit Requirements

- To avoid delaying graduation, the student must request a review of requirements before registering for the last term.
- Students must achieve a minimum cumulative GPA of 2.5 in all UCF Nicholson School of Communication and Media (NSCM) courses taken in the major.
- All attempts of UCF NSCM courses that could meet major requirements are included in the major GPA calculation, including those taken beyond the minimum required (e.g. additional restricted electives).

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Honors In Major

- Eligibility: Requirements for admission to Honors in the Major are: completion of at least 60 semester hours of college credits including at least 12 graded upper-division hours at UCF; at least a 3.5 GPA within the major; and at least a 3.2 cumulative GPA including all upper-division courses regardless of institution; complete ADV 3008 and PUR 4000 with a minimum grade of A (4.0) and MMC 3420 or PUR 3500 with a minimum grade of B (3.0).
- Admission: Application to admission to Honors in the Major program must be approved by both the Honors in the Major thesis adviser, the Advertising/Public Relations Area Program Coordinator, and The Burnett Honors College.
- More information about Honors in the Major can be found at <https://honors.ucf.edu/research/>.

Requirements:

- Students accepted into the Honors in the Major Program must complete the following:
- Select One: (3 Credit Hours)
 - ADV4906 - Directed Independent Study
 - PUR4906 - Directed Independent Study
- Select One: (3 Credit Hours)
 - ADV4970H - Undergraduate Honors Thesis
 - PUR4970H - Undergraduate Honors Thesis

Related Programs

- Marketing (B.S.B.A.)

NOTE: Minors taught within the Nicholson School of Communication and Media are not open to Ad-PR majors.

- Business Minor
- Digital Media Minor
- Writing and Rhetoric Minor
- Hospitality Management Minor
- Marketing Minor
- Political Science Minor
- Psychology Minor
- Sociology Minor
- Mass Culture and Collective Behavior Minor

Advising Notes

- Student should consult with a School advisor.
- Students must satisfy each course's prerequisites before enrolling in the class.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.

sandra.wheeler@ucf.edu

Admission Requirements

- The minor is not open to Anthropology majors.

Program Description

The American Indian Studies minor will enhance a student's understanding and appreciation of the history and culture of the North American Indians. The minor is especially appropriate for UCF undergraduates who are not majoring in Anthropology.

Minor Requirements

- Students must earn a grade of "C" (2.0) or better in all courses used to satisfy the minor.
- At least 15 hours used in the minor must be earned at UCF.
- Only two anthropology courses can overlap for students enrolled in multiple anthropology programs (minors and certificates).

Prerequisite Courses

- Most courses for this minor will have prerequisites completed as a part of a student's GEP requirement, as general electives, or a student can enroll into courses with consent of instructor.

Degree Requirements

Required Courses

9 Total Credits

- Complete at least 3 of the following:
 - AMH3580 - North American Indians (3)
 - ANT3245 - Native American Religions (3)
 - ANT3312 - Ethnology of North American Indians (3)
 - ANT4153 - North American Archaeology (3)

Restricted Electives

9 Total Credits

- Complete all of the following
 - Complete at least 3 of the following:
 - AMH2010 - U.S. History: 1492-1877 (3)
 - AMH2020 - U.S. History: 1877-Present (3)
 - AMH3441 - History of the Frontier: Eastern America (3)
 - AML3643 - Contemporary Native American Prose and Poetry (3)
 - ANT3152 - Archaeology of the Greater Southwest (3)
 - ANT3154 - A Survey of American Historical Archaeology (3)
 - ANT3158 - Florida Archaeology (3)
 - ANT3311 - Indians of the Southeastern United States (3)
 - CPO4794 - Indigenous Politics and the Environment (3)
 - POS3076 - American Indian Politics (3)
 - One course substitution for the American Indian Studies minor will only be allowed with prior approval from a minor advisor.

Grand Total Credits: **18**

Program Details

Total Undergraduate Credit Hours Required: 18

Other Requirements

- No credit by exam (TSD, Military credit) may be used to satisfy the minor.

sandra.wheeler@ucf.edu

Admission Requirements

- The minor is not open to Anthropology majors.

Program Description

The Anthropological Archaeology minor offers students an opportunity to contextualize the modern world through the recent and more distant past. The minor emphasizes both the methods by which archaeologists study the past and areas of geographic and topical interest. The minor is ideal for students interested in understanding the long-term processes underlying modern global phenomena such as urban development, increasing inequality, the adoption of agriculture, foodways, and human adaptation to climate change.

Minor Requirements

- Students must earn a grade of "C" (2.0) or better in all courses used to satisfy the minor.
- At least 15 hours used in the minor must be earned at UCF within the Anthropology Department.
- Only two anthropology courses can overlap for students enrolled in multiple anthropology programs (minors or certificates).

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

6 Total Credits

- Complete the following:
 - ANT2140 - Introduction to Archaeology (3)
 - ANT4115C - Archaeological Method and Theory (3)

Restricted Electives

12 Total Credits

- Complete all of the following
 - Students may substitute one upper level course in anthropology for those not listed here with prior permission.
 - Complete at least 4 of the following:
 - ANT3106 - Archaeology and Popular Culture (3)
 - ANT3107 - Blood and Valor in the Viking World (3)
 - ANT3142 - Old World Prehistory (3)
 - ANT3145 - Archaeology of Complex Societies (3)
 - ANT3148 - Life and Death in Ancient Egypt (3)
 - ANT3152 - Archaeology of the Greater Southwest (3)
 - ANT3154 - A Survey of American Historical Archaeology (3)
 - ANT3158 - Florida Archaeology (3)
 - ANT3160 - Americas Before Columbus (3)
 - ANT3161 - Ancient Mexico: Aztec to Zapotec (3)
 - ANT3163 - Mesoamerican Archaeology (3)
 - ANT3164 - Ancient Incas (3)
 - ANT3165 - Archaeology of South America (3)
 - ANT3168 - Maya Archaeology (3)
 - ANT3169 - Life and Death in the Ancient Andes (3)
 - ANT3173 - Archaeology of Sex (3)
 - ANT3174 - Battlefield Archaeology (3)
 - ANT3177 - Archaeology of Caribbean Piracy (3)
 - ANT3179 - Australian Archaeology and Indigenous Cultures (3)
 - ANT3290 - Anthropology of Plants and People (3)
 - ANT3943 - Caribbean Archaeology Practicum (3)
 - ANT4027 - Mummies, Life After Death (3)
 - ANT4051 - Environmental Anthropology (3)
 - ANT4105 - Saving the Plundered Past: Ethics and Controversy in Contemporary Archaeology (3)
 - ANT4123 - Archaeology of Coastal Societies (3)
 - ANT4153 - North American Archaeology (3)
 - ANT4170 - Household Archaeology: The Archaeology of Everyday Life (3)
 - ANT4171 - Anthropology: The Battle of the Sexes?: The Archaeology of Gender (3)
 - ANT4183 - Archaeological Sciences (3)
 - ANT4184 - Mortuary Archaeology (3)
 - ANT4187 - Paleoethnobotany (3)
 - ANT4441 - Anthropology of Cities (3)

Is this program available 100% online?

Yes

UCF Online

Online Anthropology, BA

Anthropology (B.A.) may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees.

Admission Requirements

None.

Program Description

The Anthropology major results in broad holistic understanding of humans and the human condition, both past and present. Students study all subfields of Anthropology: Archaeology, Cultural Anthropology, Linguistics, and Physical Anthropology. Students are encouraged to gain first-hand experience through research and fieldwork.

Degree Requirements

- UCF students who change degree programs and select this major must adopt the most current catalog.
- Departmental Residency Requirement: at least 30 semester hours of regularly scheduled 3000-4000 level courses must be taken from the UCF Anthropology Department
- Students must maintain a minimum cumulative GPA of 2.0 in all major requirements. See Department Exit Requirements for more information.
- Anthropology majors must earn a 'C' (2.0) or better in all Core Requirements and Restricted Electives. Students may make a request to the Undergraduate Coordinator to be granted the use of one C- toward the major requirements.
- Co-op or internship can be used in the major with prior approval.
- Students should consult with a department advisor.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in General Education Program (GEP) and Common Program Prerequisites (CPP) are usually completed in the first 60 hours.

General Education (GEP)

36 - 38 Total Credits

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete the following:
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - MGF1106 or MGF1107 - Preferred You may also substitute a higher level math with appropriate scores on the Math Placement Exam.
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation

- MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
- GEP 8- Mathematical Foundation
 - Complete all of the following
 - STA 2014 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)
- GEP 9- Social Foundation
 - Complete the following:
 - ANT2000 - General Anthropology (3)
- GEP 10- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
- GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
- GEP 12- Science Foundation
 - Complete the following:
 - ANT4521 - Forensic Anthropology (3)

Grand Total Credits: **36 - 38**

Common Program Prerequisites (CPP) (If applicable)

- CPP completed by enrolling into ANT2000 and ANT2511 (GEP).

Grand Total Credits: **0**

Degree Requirements

Core Requirements: Basic Level

6 Total Credits

- Complete all of the following
 - In addition to completing the required GEP/CPP (ANT2511),
 - Complete the following:
 - ANT2140 - Introduction to Archaeology (3)
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)

Core Requirements: Advanced Level

6 Total Credits

- Complete the following:
 - ANT3610 - Language and Culture (3)
 - ANT4034 - History of Anthropological Thought (3)

Restricted Electives 30 - 31 Total Credits

- Complete 1 of the following
 - Student must choose either the General Track or the Anthropological Methods and Practice Track.
General Track
 - Complete all of the following
 - Core
 - Complete all of the following
 - Complete the following:
 - ANT3145 - Archaeology of Complex Societies (3)
 - Complete at least 1 of the following:
 - ANT4516 - Human Biological Diversity (3)
 - ANT4586C - Human Origins (3)
 - Restricted Electives
 - Complete all of the following
 - Earn at least 3 credits from the following:
 - ANT3107 - Blood and Valor in the Viking World (3)
 - ANT3148 - Life and Death in Ancient Egypt (3)
 - ANT3152 - Archaeology of the Greater Southwest (3)
 - ANT3158 - Florida Archaeology (3)
 - ANT3160 - Americas Before Columbus (3)
 - ANT3161 - Ancient Mexico: Aztec to Zapotec (3)
 - ANT3163 - Mesoamerican Archaeology (3)
 - ANT3164 - Ancient Incas (3)
 - ANT3165 - Archaeology of South America (3)
 - ANT3168 - Maya Archaeology (3)
 - ANT3169 - Life and Death in the Ancient Andes (3)
 - ANT3176 - African Archaeology and Prehistory (3)
 - ANT3177 - Archaeology of Caribbean Piracy (3)
 - ANT3179 - Australian Archaeology and Indigenous Cultures (3)
 - ANT3311 - Indians of the Southeastern United States (3)
 - ANT3312 - Ethnology of North American Indians (3)
 - ANT3330 - Anthropology of the Amazon (3)
 - ANT3362 - Peoples of Southeast Asia (3)
 - ANT4153 - North American Archaeology (3)
 - ANT4332 - People and Cultures of Latin America (3)
 - ANT4340 - Caribbean Cultures (3)
 - ANT4352 - African Societies and Cultures (3)
 - Additional area study electives with the ANT prefix can be taken as approved by an advisor.
 - Earn at least 21 credits from the following types of courses:
Select 7 additional upper-level Anthropology courses (21 credits). All courses with the prefix ANT, including special topic courses, will count towards restricted electives if they have not been used to fulfill other requirements and are subject to the following restrictions. Because new courses are frequently added, consult online course schedules for the most up-to-date list of available and upcoming elective courses. Electives can be selected from the list below or from the Area Study list above. Seniors may select 5000 level courses with the prefix ANG to count toward restricted electives. Students must seek prior approval for these courses. Students may not take both the 4000 level and the 5000 level course when available. Only one of the following may be taken: ANT 3905 - Directed Independent Study ANT 3940 - Internship Credit ANT 3949 - Cooperative Education in Anthropology ANT 3943 - Caribbean Archaeology Practicum ANT 3955 - Study Abroad ANT 4906 - Directed Independent Study ANT 4912 - Directed Independent Research ANT 4941 - Internship ANT 4949 - Cooperative Education ANT 4955 - Study Abroad ANG 5907 - Independent

Study ANG 5917 - Directed Research None of the following may be taken: ANT 4903H - Honors Directed Reading I ANT 4904H - Honors Directed Reading II ANT 4970H - Undergraduate Honors Thesis

Anthropological Methods and Practice Track

o Complete all of the following

Core

■ Complete all of the following

■ Additional core requirement courses with the ANT prefix and required concentration can be taken as approved by an advisor.

■ Anthropological Methodology and Theory:

■ Complete at least 1 of the following:

- ANT4115C - Archaeological Method and Theory (3)
- ANT4591 - Quantitative Methods in Biological Anthropology (3)
- ANT4802 - Ethnographic Field Methods (3)

■ Applied, Field, or Laboratory Methods:

■ Complete at least 1 of the following:

- ANT3550C - Primatology (3)
- ANT3701 - Engagement & Social Change: Public Anthropology (3)
- ANT4081 - Science, Technology, and Culture (3)
- ANT4115C - Archaeological Method and Theory (3)
- ANT4187 - Paleoethnobotany (3)
- ANT4480 - Global Health in Anthropological Perspective (3)
- ANT4516 - Human Biological Diversity (3)
- ANT4525C - Human Osteology (4)
- ANT4586C - Human Origins (3)
- ANT4591 - Quantitative Methods in Biological Anthropology (3)
- ANT4802 - Ethnographic Field Methods (3)
- ANT4852 - GIS Methods in Anthropology (3)
- ANT4854 - Advanced GIS Methods in Anthropology (3)

■ High-Impact Learning Experience:

■ Earn at least 3 credits from the following types of courses:

ANT 3940 - Internship ANT 3943 - Caribbean Archaeology Practicum ANT 3949 - Cooperative Education in Anthropology ANT 3955 - Study Abroad ANT 4912 - Directed Independent Research ANT 4941 - Internship ANT 4949 - Cooperative Education ANT 4955 - Study Abroad ANT 4970H - Undergraduate Honors Thesis

Restricted Electives

■ Complete all of the following

■ Select 7 additional upper-level Anthropology courses (21 hours). These may include other methods courses from Anthropological Methods or Applied, Field or Laboratory Methods listed or any other courses with the ANT prefix at the 3000 or 4000 level, including special topic courses, that may be offered (see below for restrictions). Because new courses are frequently added, consult online course schedules for the most up-to-date list of available and upcoming elective courses.

■ Earn at least 21 credits from the following types of courses:

Select from the following lists of courses:

■ Any of the following can be applied to Restricted Electives: ANT 3026 - Mummies, Zombies, and Vampires: Anthropology of the Undead ANT 3106 - Archaeology and Popular Culture ANT 3107 - Blood and Valor in the Viking World ANT 3142 - Old World Prehistory ANT 3145 - Archaeology of Complex Societies ANT 3148 - Life and Death in Ancient Egypt ANT 3152 - Archaeology of the Greater Southwest ANT 3158 - Florida Archaeology ANT 3160 - Americas Before Columbus ANT 3161 - Ancient Mexico: Aztec to Zapotec ANT 3163 - Mesoamerican Archaeology ANT 3164 - Ancient Incas ANT 3165 - Archaeology of South America ANT 3168 - Maya Archaeology ANT 3169 - Life and Death in the Ancient Andes ANT 3173 - Archaeology of Sex ANT 3176 - African Archaeology and Prehistory ANT 3177 - Archaeology of Caribbean Piracy ANT 3179 - Australian Archaeology and Indigenous Cultures ANT 3212 - Peoples of the World ANT 3241 - Magic, Ritual, and Belief ANT 3245 - Native American Religions ANT 3275 - Anthropological Perspectives on Refugees ANT 3290 - Anthropology of Plants and People ANT 3302 - Sex, Gender and Culture ANT 3311 - Indians of the Southeastern United States ANT 3312 - Ethnology of North American Indians ANT 3330 - Anthropology of the Amazon ANT 3362 - Peoples of Southeast Asia ANT 3451 - Race Matters: Anthropological Approaches to Racism ANT 3541 - Biobehavioral

Anthropology ANT 3550C - Primatology ANT 3701 - Engagement & Social Change: Public Anthropology ANT 4013 - Anthropology of Fast Food ANT 4027 - Mummies, Life After Death ANT 4051 - Environmental Anthropology ANT 4081 - Science, Technology, and Culture ANT 4115C - Archaeological Method and Theory ANT 4123 - Archaeology of Coastal Societies ANT 4153 - North American Archaeology ANT 4170 - Household Archaeology: The Archaeology of Everyday Life ANT 4171 - Anthropology: The Battle of the Sexes?: The Archaeology of Gender ANT 4183 - Archaeological Sciences ANT 4184 - Mortuary Archaeology ANT 4187 - Paleoethnobotany ANT 4189 - Lithic Analysis: Archaeology of Stone Tools ANT 4332 - People and Cultures of Latin America ANT 4340 - Caribbean Cultures ANT 4352 - African Societies and Cultures ANT 4406 - Pain and Suffering: The Anthropology of Violence ANT 4408 - Culture, Disease, and Healing ANT 4462 - Medical Anthropology ANT 4467 - Nutritional Anthropology ANT 4480 - Global Health in Anthropological Perspective ANT 4481 - Anthropology of Drugs and Addiction ANT 4482 - Anthropology of Mental Health ANT 4483 - Health and Healing in the Ancient World: An Anthropological Perspective ANT 4516 - Human Biological Diversity ANT 4521 - Forensic Anthropology ANT 4525C - Human Osteology ANT 4560 - Birth to Death: Anthropological Perspectives on Human Growth ANT 4586C - Human Origins ANT 4591 - Quantitative Methods in Biological Anthropology ANT 4702 - Culture, Inequality and Global Development ANT 4802 - Ethnographic Field Methods ANT 4852 - GIS Methods in Anthropology ANT 4854 - Advanced GIS Methods in Anthropology

- If not completed in the High-Impact Learning Experience, one course (3 credits) can be taken from the following: ANT 3940 - Internship ANT 3949 - Cooperative Education in Anthropology ANT 4941 - Internship ANT 4949 - Cooperative Education ANT 4970H - Undergraduate Honors Thesis
- Students may not receive credit towards Core: High-Impact Learning Experience or Restricted Electives for both the 3000 and 4000 level Internship or Cooperative Education Courses. None of the following may be taken as Restricted Electives: ANT 4903H - Honors Directed Reading I ANT 4904H - Honors Directed Reading II ANT 3943 - Caribbean Archaeology Practicum ANT 3955 Study Abroad ANT 4906 - Directed Independent Study ANT 4912 - Directed Independent Research ANT 4955 - Study Abroad

Grand Total Credits: **42 - 43**

Program Details

Electives

- Select primarily from upper level courses within the Nicholson School of Communication and Media after meeting with a departmental advisor.

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language (taught by the Department of Modern Languages and Literatures or Judaic Studies) or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination. Consult with the NSCM advising staff to understand how choosing ASL might impact hours needed to graduate.

Departmental Exit Requirements

- A student must achieve at least a "C" (2.0) GPA in all major requirements. All attempts of courses taken are included in the major GPA calculation. Additional courses that could meet requirements but are taken beyond the minimum required (e.g. additional restricted electives beyond 24 hours) and a "C" (2.0) or better is earned are also included in the GPA calculation.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.

- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Honors In Major

- Students interested in completing Honors in the Major should contact their program advisor. More information about Honors in the Major can be found at <http://research.honors.ucf.edu/honors-in-the-major>.

- Anthropology Minor
- Anthropology in Multicultural Studies Minor
- Biological Anthropology Minor
- Cultural Anthropology Minor
- Medical Anthropology Minor

Advising Notes

- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Acceptable Substitutes for Transfer Courses
 - Although any two ANT courses satisfy the CPP, ANT 2511 is required in the core and must be taken.
 - Field school courses from other academic institutions may be accepted for a maximum of 3 credits for Restricted Elective in the General Track or for the High-Impact Learning Experience in the Anthropological Methods and Practice Track

Program Academic Learning Compacts

anthro@ucf.edu**

Undergraduate Coordinator: Dr. Sandra Wheeler
407-823-2227
sandra.wheeler@ucf.edu

Admission Requirements

- The minor is not open to Anthropology majors.

Program Description

In an increasingly connected world, a foundation in multicultural studies is more important than ever. This minor allows students to develop a broad and deep understanding of the diversity and interconnectedness of societies around the world in the past and present. Students will be exposed to various cultures around the world in comparative and specialist courses from the perspectives of cultural and archaeological anthropology, including health, environment, governance, policy, and more.

Minor Requirements

- Students must earn a grade of "C" (2.0) or better in all courses used to satisfy the minor.
- At least 15 hours used in the minor must be earned at UCF within the Anthropology Department.
- Only two anthropology courses can overlap for students enrolled in multiple anthropology programs (minors or certificates). (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the department before filing for graduation.)

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

3 Total Credits

- Complete at least 1 of the following:
 - ANT2000 - General Anthropology (3)
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)

Restricted Electives

15 Total Credits

- Complete all of the following
 - Substitutions, including graduate courses, require prior consent of the Anthropology Coordinator.
 - Earn at least 15 credits from the following:
 - ANT3026 - Mummies, Zombies, and Vampires: Anthropology of the Undead (3)
 - ANT3107 - Blood and Valor in the Viking World (3)
 - ANT3148 - Life and Death in Ancient Egypt (3)
 - ANT3160 - Americas Before Columbus (3)
 - ANT3161 - Ancient Mexico: Aztec to Zapotec (3)
 - ANT3163 - Mesoamerican Archaeology (3)

Admission Requirements

- The minor is not open to Anthropology majors.

Program Description

The Anthropology minor develops a student's holistic understanding of the past and present human condition.

Minor Requirements

- Students must earn a grade of "C" (2.0) or better in all courses used to satisfy the minor.
- At least 15 hours used in the minor must be earned at UCF within the Anthropology Department unless two of the three lower-division required courses were completed at another institution. In that case, at least 12 hours used in the minor must be earned at UCF within the Anthropology Department.
- Only two anthropology courses can overlap for students enrolled in multiple anthropology programs (minors or certificates). (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the department before filing for graduation.)

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses
9 Total Credits

- Complete all of the following
 - Complete at least 3 of the following:
 - ANT2000 - General Anthropology (3)
 - ANT2140 - Introduction to Archaeology (3)

- ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
- ANT2511 - The Human Species (3)
- Students may substitute one upper-level anthropology course with prior permission.

Restricted Electives

9 - 10 Total Credits

- Complete at least 3 of the following:
 - ANT3026 - Mummies, Zombies, and Vampires: Anthropology of the Undead (3)
 - ANT4521 - Forensic Anthropology (3)
 - ANT3107 - Blood and Valor in the Viking World (3)
 - ANT3142 - Old World Prehistory (3)
 - ANT3145 - Archaeology of Complex Societies (3)
 - ANT3148 - Life and Death in Ancient Egypt (3)
 - ANT3152 - Archaeology of the Greater Southwest (3)
 - ANT3154 - A Survey of American Historical Archaeology (3)
 - ANT3158 - Florida Archaeology (3)
 - ANT3160 - Americas Before Columbus (3)
 - ANT3161 - Ancient Mexico: Aztec to Zapotec (3)
 - ANT3163 - Mesoamerican Archaeology (3)
 - ANT3164 - Ancient Incas (3)
 - ANT3165 - Archaeology of South America (3)
 - ANT3168 - Maya Archaeology (3)
 - ANT3169 - Life and Death in the Ancient Andes (3)
 - ANT3173 - Archaeology of Sex (3)
 - ANT3174 - Battlefield Archaeology (3)
 - ANT3177 - Archaeology of Caribbean Piracy (3)

 407-823-2227

Program Description

The Anthropology of Global Health Certificate offers students the opportunity to pursue the rapidly growing field of global health from an anthropological perspective, which examines global health problems by situating them in local contexts. Global health issues such as refugee health, global mental health, and emergent "superbugs" (e.g., Ebola, Zika), are of increasing concern and interest. Health is also the focus of the work of numerous public, private, non-governmental and non-profit organizations in the U.S. and abroad. This certificate allows UCF students interested in health to pursue this educational focus, regardless of their major.

Admission Requirements

- None

Certificate Requirements

- A minimum overall 2.0 GPA is required in courses used to satisfy requirement.
- At least 12 hours used toward the certificate must be earned at UCF.
- Anthropology majors may apply only two anthropology courses from the certificate program curriculum toward the required anthropology major courses.

Prerequisite Courses

- None

Degree Requirements

Required Courses

6 Total Credits

- Complete all of the following
 - Students must satisfy the prerequisites, if any, for each course before enrolling in the class.
 - Complete the following:
 - ANT4480 - Global Health in Anthropological Perspective (3)
 - Complete at least 1 of the following:
 - ANT4408 - Culture, Disease, and Healing (3)
 - INR2002 - International Relations-Theory and Practice (3)

Restricted Electives

9 Total Credits

- Complete at least 3 of the following:
 - ANT3701 - Engagement & Social Change: Public Anthropology (3)
 - ANT4013 - Anthropology of Fast Food (3)
 - ANT4081 - Science, Technology, and Culture (3)
 - ANT4462 - Medical Anthropology (3)
 - ANT4467 - Nutritional Anthropology (3)
 - ANT4481 - Anthropology of Drugs and Addiction (3)
 - ANT4482 - Anthropology of Mental Health (3)
 - ANT4483 - Health and Healing in the Ancient World: An Anthropological Perspective (3)
 - ANT4702 - Culture, Inequality and Global Development (3)
 - COM4550 - Public Communication Campaigns (3)
 - CPO3034 - Politics of Developing Areas (3)
 - CPO3103 - Comparative Politics (3)
 - ENC3453 - Writing About Health and Medicine (3)
 - ENC4378 - Writing in Global and Transnational Contexts (3)
 - GEO3471 - World Political Geography (3)
 - HSA3012 - Issues & Trends in Public Health (3)
 - HSC4201 - Community Health (3)
 - HSC4652 - Health Law and Ethics (3)
 - INR3016 - Global Political Issues (3)

Minor

Program Contact Information

College of Sciences

Department of Physics

Physical Sciences Building (PSB), 430

407-823-2325

physics@ucf.edu

Associate Lecturer: Dr. James Cooney

James.Cooney@ucf.edu

The astronomy minor is designed to provide the basic fundamentals of modern astronomy by including survey courses as well as practical courses with a choice from a set of more detailed and in-depth upper-division courses.

Admission Requirements

- The minor is not open to Physics majors with an Astronomy specialization.

Program Description

Minor Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy the minor.
- Grades below "C" (2.0) in lower level courses are not accepted.
- At least 9 hours used in the minor must be earned at UCF within the Department of Physics.

Prerequisite Courses

- Most courses for this minor will have prerequisites completed as a part of a student's GEP requirement, as general electives, or a student can enroll into courses with consent of instructor.

Degree Requirements

Required Courses

10 Total Credits

- Complete all of the following
 - Complete the following:
 - AST2002 - Astronomy (3)
 - Earn at least 4 credits from the following course sets:
 - PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)
 - Complete at least 1 of the following:
 - AST4700 - Experimental Methods in Astronomy (3)
 - AST4762C - Astronomical Data Analysis (3)

Restricted Electives

9 Total Credits

- Complete all of the following
 - Three (3) courses are required from upper division AST courses. AST 4912 - Directed Independent Study - may also be taken.
 - Earn at least 9 credits from the following:
 - AST3114 - Space Weather in the Solar System (3)
 - AST3211 - Stellar Astrophysics (3)
 - AST3402 - Galaxies and Cosmology (3)
 - AST4142 - Asteroids, Comets, and Meteorites (3)
 - AST4152 - Planetary Geophysics (3)
 - AST4700 - Experimental Methods in Astronomy (3)
 - AST4762C - Astronomical Data Analysis (3)
 - Course Not Found

Grand Total Credits: **19**

Program Details

Total Undergraduate Credit Hours Required: 19

Other Requirements

- Internship or Co-op credit cannot be used toward the minor.
- AST 4912 Directed Independent Research can only be used once toward the restricted electives for the minor.

Behavioral Forensics Certificate

College

College of Sciences

Department

Department of Psychology

Program Type

Certificate

Program Description

**College of Sciences
Department of Psychology
Psychology Building (PSY), 301
407-823-4344
psychadvising@ucf.edu**

Senior Lecturer: *Dr. Karen Mottarella*
karen.mottarella@ucf.edu

This certificate must be completed along with a bachelor's degree program of study. Certificates will be awarded only at the time of degree completion. The Behavioral Forensics Certificate is an interdisciplinary course of study that focuses on ways society attempts to recognize and deal with various forms of criminal behavior. The certificate exposes students to the practice of psychology within the legal system, including topics such as confidentiality, competency, and insanity. Students should view this certificate only as a way to shape and organize their coursework in this particular area of study; the certificate shows potential graduate schools and employers that students have been exposed to behavioral forensics.

Certificate Admission Requirements

- None

Certificate Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy the certificate.
- Grades below "C" (2.0) in lower level courses are not accepted.
- At least 12 hours used in the certificate must be earned at UCF.

Program Details

Prerequisite Courses (12 Credit Hours)

- Most courses for this certificate will have prerequisites completed as a part of a student's GEP requirement, as general electives, or a student can enroll into courses with consent of instructor.

Take all of the following: (6 Credit Hours)

- PSY 2012 - General Psychology **Credit Hours: 3**
- SYG 2000 - Introduction to Sociology **Credit Hours: 3**

Take all of the following: (6 Credit Hours)

- PPE 3003 - Personality Theory and Research **Credit Hours: 3**
- SYP 3510 - Sociology of Deviant Behavior **Credit Hours: 3**

Required Courses (9 Credit Hours)

Complete all:

- CLP 4390 - Forensic Psychology **Credit Hours: 3**
- SOP 3751 - Legal Aspects of Psychology **Credit Hours: 3**
- SYP 3520 - Criminology **Credit Hours: 3**

Restricted Electives (12 Credit Hours)

- Note: It is the student's responsibility to meet all prerequisites for every course selected

Psychology: Select from the following: (3 Credit Hours)

- CLP 3143 - Abnormal Psychology **Credit Hours: 3**
- CLP 3302 - Clinical Psychology **Credit Hours: 3**
- CLP 4134 - Childhood Psychopathology **Credit Hours: 3**
- PCO 4203 - Interviewing and Counseling **Credit Hours: 3**

Sociology: Select from the following: (6 Credit Hours)

- SYP 3511 - Sociology of Murder **Credit Hours: 3**
- SYP 3530 - Juvenile Delinquency **Credit Hours: 3**
- SYP 3540 - Sociology of Law **Credit Hours: 3**
- SYP 3562 - Domestic Violence in Society **Credit Hours: 3**
- SYP 4514 - Violence in Society **Credit Hours: 3**
- SYP 4521 - Crime Victims in Society **Credit Hours: 3**
- SYP 4536 - Gangs and Society **Credit Hours: 3**

Criminal Justice: Select from the following: (3 Credit Hours)

- CCJ 3014 - Crime in America **Credit Hours: 3**
- CCJ 3024 - Criminal Justice System **Credit Hours: 3**
- CCJ 3667 - Victims and the CJ System **Credit Hours: 3**
- CCJ 4670 - Women and Crime **Credit Hours: 3**
- CCJ 4681 - Domestic Violence and the Justice System **Credit Hours: 3**
- CCJ 4690 - Sex Offenders and the Criminal Justice System **Credit Hours: 3**
- CJE 4012 - Criminal Profiling in Criminal Justice **Credit Hours: 3**
- CJE 4630 - Serial Murder and Criminal Justice **Credit Hours: 3**

Foreign Language Requirements

- None

Total Undergraduate Credit Hours Required: 33

Other Requirements

- No credit by exam (TSD, Military credit) may be used.
- Internship, Co-op, or Independent Study credit cannot be used toward the certificate without prior consent.
- Lower division courses do not substitute for upper division courses.

Biological Anthropology Minor

College

College of Sciences

Department

Department of Anthropology

Program Type

Minor

Program Contact Information

**College of Sciences

Howard Phillips Hall (HPH), 309
407-823-2227
anthro@ucf.edu**

Undergraduate Coordinator: Dr. Sandra Wheeler
407-823-2227
sandra.wheeler@ucf.edu

Admission Requirements

- The minor is not open to anthropology majors.

Program Description

The Biological Anthropology minor develops an understanding of anthropological approaches to the study of the human body from modern and/or archaeological contexts. This minor is particularly appropriate for students interested in human biology, forensic anthropology, bioarchaeology, or area studies in archaeology.

Minor Requirements

- Students must earn a grade of "C" (2.0) or better in all courses used to satisfy the minor.
- At least 15 hours used in the minor must be earned at UCF within the Anthropology Department.
- Only two anthropology courses can overlap for students enrolled in multiple anthropology programs (minors or certificates). (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the department before filing for graduation.)

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

3 Total Credits

- Complete the following:
 - ANT2511 - The Human Species (3)

Restricted Electives

15 - 16 Total Credits

- Complete all of the following
 - Students may substitute one anthropology upper level course that is either an archaeological area study or a health related course with prior permission.
 - Complete at least 5 of the following:
 - ANT3026 - Mummies, Zombies, and Vampires: Anthropology of the Undead (3)
 - ANT3148 - Life and Death in Ancient Egypt (3)
 - ANT3169 - Life and Death in the Ancient Andes (3)
 - ANT3541 - Biobehavioral Anthropology (3)
 - ANT3550C - Primatology (3)
 - ANT4027 - Mummies, Life After Death (3)
 - ANT4115C - Archaeological Method and Theory (3)
 - ANT4183 - Archaeological Sciences (3)
 - ANT4184 - Mortuary Archaeology (3)
 - ANT4406 - Pain and Suffering: The Anthropology of Violence (3)
 - ANT4462 - Medical Anthropology (3)
 - ANT4467 - Nutritional Anthropology (3)
 - ANT4483 - Health and Healing in the Ancient World: An Anthropological Perspective (3)
 - ANT4516 - Human Biological Diversity (3)
 - ANT4521 - Forensic Anthropology (3)
 - ANT4525C - Human Osteology (4)
 - ANT4560 - Birth to Death: Anthropological Perspectives on Human Growth (3)
 - ANT4586C - Human Origins (3)

Grand Total Credits: **18 - 19**

Program Details

Total Undergraduate Credit Hours Required: 18

Other Requirements

- Internship, Co-op, or Independent Study credit cannot be used toward the minor.

Biology (B.S.)

College

College of Sciences

Department

Department of Biology

Program Type

Major

Program Contact Information

College of Sciences
Department of Biology
Biological Sciences Building (BIO), 301
407-823-2141
bioadvise@ucf.edu

The Biology B.S. degree allows the student to choose coursework to be awarded the general Biology B.S. degree or to select a track in one of five areas, which are: Ecology, Evolutionary and Conservation Biology - Marine and Aquatic Biology - Plant Sciences - Pre-Health Professional Biology - Zoology and Pre-Veterinarian Science. These tracks are designed to align students with specific courses that will prepare them for the job market or more advanced study.

Admission Requirements

None

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Co-op or internship credit cannot be used in this major
- Departmental Residency Requirement consists of at least 22 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Department of Biology.
- Students seeking a double major must satisfy the requirements for both majors and must take no fewer than 40 semester hours of upper division restricted elective course work appropriate to the combined areas of specialization in the two majors.
- Courses designated in Common Program Prerequisites and Core Requirements are usually completed in the first 60 hours.
- A "C" (2.0) or better is required in all BSC or PCB prefix courses meeting Core Requirements.
- Students must achieve a minimum cumulative GPA of 2.0 in all UCF courses taken in the Common Program Prerequisites, the Biology Core and the Upper Division Restricted Electives.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- No more than 4 hours of Independent Study, Directed Research, or the following similar types of credit, may be applied toward major requirements:
 - BSC 4422L - Biology Laboratory Techniques
 - BSC 4937 - Instructional Experiences in Undergraduate Biology
- Upon reaching junior standing (60 hours), Biology majors are expected to have completed the following courses and associated chemistry laboratories. These classes are prerequisites for advanced science classes and students entering the major without these classes will be unable to register for most of the advanced courses.
 - BSC 2010C - Biology I
 - BSC 2011C - Biology II
 - CHM 2045C - Chemistry Fundamentals I
 - CHM 2046 - Chemistry Fundamentals II
 - CHM 2046L - Chemistry Fundamentals Laboratory
 - CHM 2210 - Organic Chemistry I
 - CHM 2211 - Organic Chemistry II
 - CHM 2211L - Organic Laboratory Techniques I
 - PHY 2053C - College Physics I (or PHY 2053 and PHY 2053L)
 - PHY 2054C - College Physics II (or PHY 2054 and PHY 2054L)

General Education (GEP)

GEP Notes

0 Total Credits

- Complete all of the following
 - Certain courses must be selected for this degree that will bring the total hours of the GEP to more than 36.
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundations

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC1603C - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)

Mathematical Foundation
6 - 7 Total Credits

- Complete all of the following
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - MAC2311C - Preferred
 - Complete at least 1 courses from the following:
GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - GEP 8- Mathematical Foundation
 - Complete the following:
 - STA2023 - Statistical Methods I (3)

Social Foundation
6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete at least 1 courses from the following:
GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundation
8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete all of the following
 - Prior to enrolling in CHM2045C, take the Chemistry Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>

- Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
- GEP 12- Science Foundation
- Complete all of the following
 - A minimum grade of "C" (2.0) is required in BSC2010C to meet prerequisites for subsequent biology courses.
 - Complete the following:
 - BSC2010C - Biology I (4)

Grand Total Credits: **38 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing all of the required GEP (STA2023, CHM2045C & BSC2010C), the following are required to fulfill the CPP requirement.
 - See Transfer Notes for possible substitutes for the courses listed below.
Biology:
 - Complete all of the following
 - A minimum grade of "C" (2.0) is required in BSC2011C to meet prerequisites for subsequent biology courses. While a lower grade may satisfy the CPP, it will not satisfy the major.
 - Complete the following:
 - BSC2011C - Biology II (4)Chemistry:
 - Complete the following:
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)Mathematics:
 - Complete all of the following
 - Three (3) hours are required if MAC2311C is not completed in the GEP. Select from the following:
 - MAC2233 - Concepts of Calculus MAC2253 - Applied Calculus MAC2311C - Calculus with Analytic Geometry IPhysics:
 - Complete 1 of the following
 - Complete one of the following physics sequences.
Physics Sequence #1
 - Complete all of the following
 - Earn at least 4 credits from the following course sets:
PHY 2053C
 - PHY2053C - College Physics I Studio (4)PHY 2053 and 2053L
 - PHY2053 - College Physics I (3)
 - PHY2053L - College Physics I Laboratory (1)
 - Earn at least 4 credits from the following course sets:
PHY 2054C
 - PHY2054C - College Physics II Studio (4)PHY 2054 and PHY 2054L
 - PHY2054 - College Physics II (3)
 - PHY2054L - College Physics II Laboratory (1)
 - Physics Sequence #2
 - Complete all of the following
 - Earn at least 4 credits from the following course sets:
PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)
 - Earn at least 4 credits from the following course sets:
PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)

Grand Total Credits: **16**

Degree Requirements

Core Requirements: Basic Level
8 - 9 Total Credits

- Complete all of the following
 - Completion of the required GEP and CPP fulfills the Chemistry Sequence (CHM2045C, CHM2046, & CHM2046L), the Physics Sequence (PHY2053C/PHY2054C or PHY2048C/PHY2049C - or lecture lab

combinations), the Mathematics course requirement (MAC2311C, MAC2233 or MAC2253), and the Statistics course requirement (STA2023).

Basic Core: Cognate Sciences

Organic or Analytic Sequence:

- Complete 1 of the following
 - Organic sequence - Preferred
 - Complete the following:
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - Complete the following:
 - CHM2205 - Introduction to Organic and Biochemistry (5)
 - CHM3120 - Analytical Chemistry (3)
 - CHM3120L - Analytical Chemistry Laboratory (1)

Core Requirements: Advanced Level

14 Total Credits

- Complete all of the following
 - Biology Advanced Core
 - Complete all of the following
 - Note: A minimum grade of "C" (2.0) is required in these Biology courses to satisfy the requirement, and to allow their use as a course prerequisite.
 - Complete the following:
 - PCB3023 - Molecular Cell Biology (3)
 - PCB3044 - Principles of Ecology (3)
 - PCB3063 - Genetics (3)
 - PCB4683 - Evolutionary Biology (4)
 - Biology Laboratories:
 - Complete all of the following
 - Students should complete the Biology Laboratories requirement according to their selected track.
 - Students are required to take two labs from those listed below
 - One of these labs must come from section A. The second lab must come from section B, which may include a lab from section A that was not originally selected.
 - A. Laboratories
 - Complete at least 1 of the following:
 - PCB3044L - Principles of Ecology Laboratory (1)
 - PCB3063L - Genetics Laboratory (1)
 - PCB4683L - Evolutionary Biology Lab (1)
 - B. Laboratories
 - Complete all of the following
 - Each track must complete one of the following laboratories that differ from the A. Laboratory completed above.
 - BOT3018C - Culinary Botany Across the Cultures (4) BOT4223C - Plant Anatomy (4) BOT4282C - Plant Microtechniques (4) BOT4303C - Plant Kingdom (4) BOT4503C - Plant Physiology (4) BOT4530C - Plant Genomics and Biochemistry (4) BOT4713C - Plant Taxonomy (5) BOT4430C - Biology of Fungi (4) BSC4312C - Advanced Marine Biology (4) BSC4445C - Genomics Laboratory (4) ENY3571 - Honey Bee Biology and Beekeeping (3) ENY4004C - General Entomology (4) PCB3044L - Principles of Ecology Laboratory (1) PCB3063L - Genetics Laboratory (1) PCB4301C - Wetland Ecology & Biogeochemistry (4) PCB4315C - Marine Ecology of Florida (4) PCB4353L - Florida Ecology Lab (1) PCB4683L - Evolutionary Biology Lab (1) ZOO3713C - Comparative Vertebrate Anatomy (5) ZOO3713L - Comparative Vertebrate Anatomy Lab (1) ZOO4205C - Invertebrate Biodiversity (4) ZOO4310C - Vertebrate Evolution & Ecology (4) ZOO4405C - Sea Turtle Ecology and Conservation Internship (3) ZOO4462C - Herpetology (4) ZOO4480L - Mammalogy Lab (1) ZOO4603C - Embryology/Development (5) ZOO4756C - Comparative Vertebrate Histology (4) ZOO4910L - Research Experience in Animal Behavior in a Zoo Environment (3)

0 Total Credits

- Complete all of the following
 - Students must complete at least one course dealing exclusively with zoology and one course dealing exclusively with botany
 - A minimum grade of "C" (2.0) is required in each course taken to meet the "Required Electives" within each track (does not apply to courses taken to meet "Restricted Electives").
 - A minimum grade of "C" (2.0) overall is required for the track.
 - No substitutions are allowed.
 - At least 10 hours of the Upper Division Restricted electives must be taken within the UCF Biology Department. Courses offered by the Department of Biology have been identified. Additional courses may be used to meet requirements with approval of the undergraduate program coordinator via petition.
 - Transferred courses must be at a 3000 level or higher, and be evaluated by the undergraduate program coordinator, in order to count as an Upper Division Restricted Elective.
 - Courses at the 5000 level are only open to seniors and beginning graduate students. Faculty teaching course must approve override.

Biology Tracks

21 - 25 Total Credits

- Complete 1 of the following
 - General Biology Track
 - Complete all of the following
 - A biology major who meets the GEP, core, lab, and upper division restricted electives requirements, as well as all UCF graduation requirements is eligible to receive a general B.S. in Biology. Unique courses must be selected from the groups below. Additional courses may be added to the list of restricted electives in the future and will appear on the myKnight audit.
 - **BOTANY REQUIREMENT**
 - Complete at least 1 of the following:
 - BOT3015 - Principles of Plant Science (3)
 - BOT3018C - Culinary Botany Across the Cultures (4)
 - BOT3802 - Ethnobotany (3)
 - BOT4223C - Plant Anatomy (4)
 - BOT4303C - Plant Kingdom (4)
 - BOT4503C - Plant Physiology (4)
 - BOT4530C - Plant Genomics and Biochemistry (4)
 - BOT4713C - Plant Taxonomy (5)
 - BOT4850 - Medical Botany (3)
 - **ZOOLOGY REQUIREMENT**
 - Complete at least 1 of the following:
 - ANT3550C - Primatology (3)
 - ENY3571 - Honey Bee Biology and Beekeeping (3)
 - ENY4004C - General Entomology (4)
 - PAZ4234 - Zoo and Aquarium Management (3)
 - PCB4413 - Sensory Ecology (3)
 - PCB4723 - Animal Physiology (4)
 - ZOO3454 - Ichthyology (3)
 - ZOO3713C - Comparative Vertebrate Anatomy (5)
 - ZOO4272 - Ornithology (3)
 - ZOO4310C - Vertebrate Evolution & Ecology (4)
 - ZOO4405C - Sea Turtle Ecology and Conservation Internship (3)
 - ZOO4462C - Herpetology (4)
 - ZOO4480 - Mammalogy (4)
 - ZOO4513 - Animal Behavior (3)
 - ZOO4603C - Embryology/Development (5)
 - ZOO4756C - Comparative Vertebrate Histology (4)
 - ZOO4910L - Research Experience in Animal Behavior in a Zoo Environment (3)
 - **UPPER LEVEL BIOLOGY REQUIREMENT**
 - Earn at least 10 credits from the following:
 - BOT3015 - Principles of Plant Science (3)
 - BOT3018C - Culinary Botany Across the Cultures (4)

- BOT3802 - Ethnobotany (3)
- BOT4223C - Plant Anatomy (4)
- BOT4282C - Plant Microtechniques (4)
- BOT4303C - Plant Kingdom (4)
- BOT4430C - Biology of Fungi (4)
- BOT4503C - Plant Physiology (4)
- BOT4530C - Plant Genomics and Biochemistry (4)
- BOT4713C - Plant Taxonomy (5)
- BOT4850 - Medical Botany (3)
- BOT4922 - Plant Science Capstone (2)
- BSC3052 - Conservation Biology (3)
- BSC3312 - Principles of Marine Biology (3)
- BSC3453C - Biological Research Methods and Experimental Design (3)
- BSC4312C - Advanced Marine Biology (4)
- BSC4330 - Invasion Biology (3)
- BSC4445C - Genomics Laboratory (4)
- BSC4456C - Programming for Biologists (3)
- BSC4821 - Biogeography (4)
- BSC4861L - Urban Ecological Field Studies (3)
- BSC4927 - Scientific and Public Engagement for Biology Majors (3)
- ENY3571 - Honey Bee Biology and Beekeeping (3)
- ENY4004C - General Entomology (4)
- OCE3008 - Oceanography (3)
- PAZ4234 - Zoo and Aquarium Management (3)
- PCB3044L - Principles of Ecology Laboratory (1)
- PCB3063L - Genetics Laboratory (1)
- PCB3343L - Principles of Field Ecology (5)
- PCB3354 - Tropical Ecology and Conservation (3)
- PCB3355L - Tropical Marine Biology (2)
- PCB3442 - Aquatic Ecology (3)
- PCB4280 - Molecular Immunology (3)
- PCB4301C - Wetland Ecology & Biogeochemistry (4)
- PCB4315C - Marine Ecology of Florida (4)
- PCB4353 - Florida Ecology, Natural History and Conservation (3)
- PCB4353L - Florida Ecology Lab (1)
- PCB4402 - Disease Ecology & Ecoimmunology (3)
- PCB4413 - Sensory Ecology (3)
- PCB4462 - GIS for Biologists: A Practical Introduction for Undergraduates (3)
- PCB4514 - Genetics II (3)
- PCB4678 - Evolution and Medicine (3)
- PCB4683L - Evolutionary Biology Lab (1)
- PCB4684 - Population Genetics (3)
- PCB4723 - Animal Physiology (4)
- PCB5435C - Marine Ecology of Florida (4)
- ZOO3454 - Ichthyology (3)
- ZOO3713C - Comparative Vertebrate Anatomy (5)
- ZOO4205C - Invertebrate Biodiversity (4)
- ZOO4272 - Ornithology (3)
- ZOO4310C - Vertebrate Evolution & Ecology (4)
- ZOO4405C - Sea Turtle Ecology and Conservation Internship (3)
- ZOO4462C - Herpetology (4)
- ZOO4480 - Mammalogy (4)
- ZOO4480L - Mammalogy Lab (1)
- ZOO4513 - Animal Behavior (3)
- ZOO4603C - Embryology/Development (5)
- ZOO4756C - Comparative Vertebrate Histology (4)
- ZOO4910L - Research Experience in Animal Behavior in a Zoo Environment (3)
- RESTRICTED COURSES
- Earn at least 5 credits from the following:
 - ANT3550C - Primatology (3)
 - BCH4024 - Medical Biochemistry (4)
 - BCH4053 - Biochemistry I (3)
 - BCH4054 - Biochemistry II (3)

- BOT3015 - Principles of Plant Science (3)
- BOT3018C - Culinary Botany Across the Cultures (4)
- BOT3018C - Culinary Botany Across the Cultures (4)
- BOT4223C - Plant Anatomy (4)
- BOT4282C - Plant Microtechniques (4)
- BOT4303C - Plant Kingdom (4)
- BOT4503C - Plant Physiology (4)
- BOT4530C - Plant Genomics and Biochemistry (4)
- BOT4713C - Plant Taxonomy (5)
- BOT4850 - Medical Botany (3)
- BOT4922 - Plant Science Capstone (2)
- BSC3052 - Conservation Biology (3)
- BSC3312 - Principles of Marine Biology (3)
- BSC3453C - Biological Research Methods and Experimental Design (3)
- BSC4312C - Advanced Marine Biology (4)
- BSC4330 - Invasion Biology (3)
- BSC4445C - Genomics Laboratory (4)
- BSC4456C - Programming for Biologists (3)
- BSC4473C - Scientific Diving (4)
- BSC4821 - Biogeography (4)
- BSC4861L - Urban Ecological Field Studies (3)
- BSC4910C - Group Effort Applied Research in Biology (4)
- BSC4927 - Scientific and Public Engagement for Biology Majors (3)
- ENY3571 - Honey Bee Biology and Beekeeping (3)
- ENY4004C - General Entomology (4)
- MCB3020C - General Microbiology (5)
- OCE3008 - Oceanography (3)
- PAZ4234 - Zoo and Aquarium Management (3)
- PCB3044L - Principles of Ecology Laboratory (1)
- PCB3063L - Genetics Laboratory (1)
- PCB3233 - Immunology (3)
- PCB3343L - Principles of Field Ecology (5)
- PCB3354 - Tropical Ecology and Conservation (3)
- PCB3355L - Tropical Marine Biology (2)
- PCB3442 - Aquatic Ecology (3)
- PCB3522H - Honors Molecular Biology I (3)
- PCB3703C - Human Physiology (4)
- PCB4301C - Wetland Ecology & Biogeochemistry (4)
- PCB4315C - Marine Ecology of Florida (4)
- PCB4353 - Florida Ecology, Natural History and Conservation (3)
- PCB4353L - Florida Ecology Lab (1)
- PCB4402 - Disease Ecology & Ecoimmunology (3)
- PCB4413 - Sensory Ecology (3)
- PCB4462 - GIS for Biologists: A Practical Introduction for Undergraduates (3)
- PCB4514 - Genetics II (3)
- PCB4524 - Molecular Biology II (3)
- PCB4575 - Wildlife Genomics (3)
- PCB4678 - Evolution and Medicine (3)
- PCB4683L - Evolutionary Biology Lab (1)
- PCB4684 - Population Genetics (3)
- PCB4723 - Animal Physiology (4)
- PCB5435C - Marine Ecology of Florida (4)
- ZOO3454 - Ichthyology (3)
- ZOO3713C - Comparative Vertebrate Anatomy (5)
- ZOO3733C - Human Anatomy (4)
- ZOO4205C - Invertebrate Biodiversity (4)
- ZOO4272 - Ornithology (3)
- ZOO4310C - Vertebrate Evolution & Ecology (4)
- ZOO4405C - Sea Turtle Ecology and Conservation Internship (3)
- ZOO4462C - Herpetology (4)
- ZOO4480 - Mammalogy (4)
- ZOO4480L - Mammalogy Lab (1)
- ZOO4513 - Animal Behavior (3)
- ZOO4603C - Embryology/Development (5)

- ZOO4756C - Comparative Vertebrate Histology (4)
- ZOO4910L - Research Experience in Animal Behavior in a Zoo Environment (3)

Ecology, Evolutionary and Conservation Biology Track

- Complete all of the following
 - A "C" (2.0) or better is required in each course taken in the below requirement.
 - Complete at least 2 of the following:
 - BSC3052 - Conservation Biology (3)
 - BSC4821 - Biogeography (4)
 - PCB4684 - Population Genetics (3)
 - ZOO4310C - Vertebrate Evolution & Ecology (4)
 - ZOO4513 - Animal Behavior (3)
 - Additional courses may be added to the below list of Restricted Electives and will appear on the myKnight audit.
 - Earn at least 7 credits from the following:
 - BOT4303C - Plant Kingdom (4)
 - BOT4503C - Plant Physiology (4)
 - BOT4713C - Plant Taxonomy (5)
 - BSC3052 - Conservation Biology (3)
 - BSC3453C - Biological Research Methods and Experimental Design (3)
 - BSC4330 - Invasion Biology (3)
 - BSC4821 - Biogeography (4)
 - BSC4861L - Urban Ecological Field Studies (3)
 - OCE3008 - Oceanography (3)
 - PCB3044L - Principles of Ecology Laboratory (1)
 - PCB3343L - Principles of Field Ecology (5)
 - PCB3354 - Tropical Ecology and Conservation (3)
 - PCB3355L - Tropical Marine Biology (2)
 - PCB3442 - Aquatic Ecology (3)
 - PCB4301C - Wetland Ecology & Biogeochemistry (4)
 - PCB4315C - Marine Ecology of Florida (4)
 - PCB4353 - Florida Ecology, Natural History and Conservation (3)
 - PCB4353L - Florida Ecology Lab (1)
 - PCB4402 - Disease Ecology & Ecoimmunology (3)
 - PCB4413 - Sensory Ecology (3)
 - PCB4575 - Wildlife Genomics (3)
 - PCB4678 - Evolution and Medicine (3)
 - PCB4683L - Evolutionary Biology Lab (1)
 - PCB4684 - Population Genetics (3)
 - PCB5326C - Ecosystems of Florida (5)
 - ZOO3454 - Ichthyology (3)
 - ZOO3713C - Comparative Vertebrate Anatomy (5)
 - ZOO4205C - Invertebrate Biodiversity (4)
 - ZOO4310C - Vertebrate Evolution & Ecology (4)
 - ZOO4513 - Animal Behavior (3)
 - If PCB3044L or PCB4683L is completed as the A. Laboratory requirement, it cannot be applied here.
 - Earn at least 8 credits from the following types of courses:
Additional Biology elective courses must be selected from the General Biology Track's Restricted Elective List. If the botany, zoology, and/or the B. Laboratory requirement is NOT fulfilled in the above track requirements, then those courses must be completed here.

Marine and Aquatic Biology Track

- Complete all of the following
 - A "C" (2.0) or better is required in each course taken in the below requirement.
 - Complete at least 1 of the following:
 - BSC3312 - Principles of Marine Biology (3)
 - OCE3008 - Oceanography (3)
 - PCB3442 - Aquatic Ecology (3)
 - Additional courses may be added to the below list of Restricted Electives and will appear on the myKnight audit.
 - Earn at least 12 credits from the following:
 - BSC4312C - Advanced Marine Biology (4)

- BSC4473C - Scientific Diving (4)
 - OCE3008 - Oceanography (3)
 - PCB3355L - Tropical Marine Biology (2)
 - PCB3442 - Aquatic Ecology (3)
 - PCB4301C - Wetland Ecology & Biogeochemistry (4)
 - PCB4315C - Marine Ecology of Florida (4)
 - PAZ4234 - Zoo and Aquarium Management (3)
 - ZOO4205C - Invertebrate Biodiversity (4)
 - ZOO4310C - Vertebrate Evolution & Ecology (4)
 - ZOO4405C - Sea Turtle Ecology and Conservation Internship (3)
 - ZOO4462C - Herpetology (4)
 - Earn at least 6 credits from the following types of courses:
Additional Biology elective courses must be selected from the General Biology Track's Restricted Elective List. If the botany, zoology, and/or the second laboratory requirement is NOT fulfilled in the above track requirements, then those courses must be completed here.
- Plant Sciences Track
- Complete all of the following
 - A "C" (2.0) or better is required in each course taken in the below requirement.
 - Complete the following:
 - BOT3015 - Principles of Plant Science (3)
 - Additional courses may be added to the below list of Restricted Electives and will appear on the myKnight audit.
 - Earn at least 2 credits from the following:
 - BOT4922 - Plant Science Capstone (2)
 - BOT4970H - Biology Honor's Thesis (1 - 99)
 - Earn at least 7 credits from the following:
 - BOT4223C - Plant Anatomy (4)
 - BOT4282C - Plant Microtechniques (4)
 - BOT4303C - Plant Kingdom (4)
 - BOT4503C - Plant Physiology (4)
 - BOT4530C - Plant Genomics and Biochemistry (4)
 - BOT4713C - Plant Taxonomy (5)
 - BOT4912 - Directed Independent Research (1 - 99)
 - BSC3453C - Biological Research Methods and Experimental Design (3)
 - Earn at least 5 credits from the following:
 - BOT3018C - Culinary Botany Across the Cultures (4)
 - BOT3802 - Ethnobotany (3)
 - BOT4223C - Plant Anatomy (4)
 - BOT4303C - Plant Kingdom (4)
 - BOT4430C - Biology of Fungi (4)
 - BOT4503C - Plant Physiology (4)
 - BOT4530C - Plant Genomics and Biochemistry (4)
 - BOT4713C - Plant Taxonomy (5)
 - BOT4850 - Medical Botany (3)
 - BOT4912 - Directed Independent Research (1 - 99)
 - BOT4922 - Plant Science Capstone (2)
 - BOT4970H - Biology Honor's Thesis (1 - 99)
 - BSC3453C - Biological Research Methods and Experimental Design (3)
 - BSC4330 - Invasion Biology (3)
 - ENY3571 - Honey Bee Biology and Beekeeping (3)
 - PCB3354 - Tropical Ecology and Conservation (3)
 - PCB4462 - GIS for Biologists: A Practical Introduction for Undergraduates (3)
 - Earn at least 4 credits from the following types of courses:
Additional Biology elective courses must be selected from the General Biology Track's Restricted Elective List. If the botany, zoology, and/or the second laboratory requirement is NOT fulfilled in the above track requirements, then those courses must be completed here.
- Pre-Health Professional Track
- Complete all of the following
 - A "C" (2.0) or better is required in each course taken in the below requirement.
 - A student cannot choose both BCH4053 and BCH4024 to fulfill the following requirement.
 - Earn at least 9 credits from the following:

- BCH4053 - Biochemistry I (3)
 - BCH4024 - Medical Biochemistry (4)
 - PCB4514 - Genetics II (3)
 - PCB4723 - Animal Physiology (4)
 - ZOO3713C - Comparative Vertebrate Anatomy (5)
 - ZOO4603C - Embryology/Development (5)
 - Additional courses may be added to the below list of Restricted Electives and will appear on the myKnight audit.
 - Earn at least 5 credits from the following:
 - BCH4024 - Medical Biochemistry (4)
 - BCH4053 - Biochemistry I (3)
 - BCH4054 - Biochemistry II (3)
 - BOT4850 - Medical Botany (3)
 - MCB3020C - General Microbiology (5)
 - PCB3233 - Immunology (3)
 - PCB3522 - Molecular Biology I (3)
 - PCB3703C - Human Physiology (4)
 - PCB4514 - Genetics II (3)
 - PCB4678 - Evolution and Medicine (3)
 - PCB4723 - Animal Physiology (4)
 - ZOO3713C - Comparative Vertebrate Anatomy (5)
 - ZOO3733C - Human Anatomy (4)
 - ZOO4205C - Invertebrate Biodiversity (4)
 - ZOO4513 - Animal Behavior (3)
 - ZOO4603C - Embryology/Development (5)
 - ZOO4756C - Comparative Vertebrate Histology (4)
 - Earn at least 7 credits from the following types of courses:
Additional Biology elective courses must be selected from the General Biology Track's Restricted Elective List. If the botany, zoology, and/or the second laboratory requirement is NOT fulfilled in the above track requirements, then those courses must be completed here.
- Zoology and Pre-Veterinarian Science Track
- Complete all of the following
 - A "C" (2.0) or better is required in each course taken in the below requirement.
 - Complete at least 1 of the following:
 - PCB4723 - Animal Physiology (4)
 - ZOO4513 - Animal Behavior (3)
 - Additional courses may be added to the below list of Restricted Electives and will appear on the myKnight audit.
 - Earn at least 11 credits from the following:
 - ANT3550C - Primatology (3)
 - BSC4821 - Biogeography (4)
 - ENY4004C - General Entomology (4)
 - PAZ4234 - Zoo and Aquarium Management (3)
 - PCB4402 - Disease Ecology & Ecoimmunology (3)
 - PCB4575 - Wildlife Genomics (3)
 - PCB4723 - Animal Physiology (4)
 - ZOO3454 - Ichthyology (3)
 - ZOO3713C - Comparative Vertebrate Anatomy (5)
 - ZOO4205C - Invertebrate Biodiversity (4)
 - ZOO4272 - Ornithology (3)
 - ZOO4310C - Vertebrate Evolution & Ecology (4)
 - ZOO4405C - Sea Turtle Ecology and Conservation Internship (3)
 - ZOO4462C - Herpetology (4)
 - ZOO4480 - Mammalogy (4)
 - ZOO4480L - Mammalogy Lab (1)
 - ZOO4513 - Animal Behavior (3)
 - ZOO4603C - Embryology/Development (5)
 - ZOO4756C - Comparative Vertebrate Histology (4)
 - ZOO4910L - Research Experience in Animal Behavior in a Zoo Environment (3)
 - Earn at least 7 credits from the following types of courses:
Additional Biology elective courses must be selected from the General Biology Track's

Restricted Elective List. If the botany, zoology, and/or the second laboratory requirement is NOT fulfilled in the above track requirements, then those courses must be completed here.

Grand Total Credits: **43 - 48**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- To fulfil the 120 hours required in this degree, select primarily from upper level courses after consulting with your departmental advisor. May be outside of the department.

Foreign Language Requirements

Graduation

- None

Departmental Exit Requirements

- A "C" (2.0) or better is required in all Core Courses with a BSC or PCB prefix.
- Students must achieve a minimum cumulative GPA of 2.0 in all UCF courses taken in the Common Program Prerequisites, the Biology Core and the Upper Division Restricted Electives.
- All attempts of UCF courses that could meet requirements are included in the major GPA calculation. All attempts of UCF courses listed for the major taken beyond the minimum required are included in the GPA calculation (e.g, additional restricted electives taken beyond the required 22 hours).
- Departmental Residency Requirement consists of at least 22 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Department of Biology.
- Students are required to pass the comprehensive exit exam in Biology. We recommend that this exam be taken as soon as you have completed all of the Biology core courses. A passing grade is determined as a scaled score greater than the bottom 10% of nation-wide test takers.
- Students seeking a double major must satisfy the requirements for both majors and must take no fewer than 40 semester hours of upper division restricted elective course work appropriate to the combined areas of specialization in the two majors.
- Biology majors are discouraged from taking courses as a transient student at a Florida College System institution, except in situations where the first semester of a two semester sequence has already been taken at a Florida College System institution.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at <https://honors.ucf.edu/research/>.

Related Programs

- Environmental Engineering (B.S.Env.E)
- Biomedical Sciences (B.S.)
- Secondary Education, Science Education Biology Track (B.S.)
- Environmental Studies (B.S.)

- Biology Minor
- Environmental Studies Minor
- Biomedical Sciences Minor

Advising Notes

- Students are urged to contact their departmental advisor before registering for courses.
- It is the student's responsibility to ensure they have satisfied course prerequisites before registering for a class.
- Students are encouraged to contact their department advisor regarding substitutions for requirements. These will be accepted on a case by case basis.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit by the undergraduate program coordinator. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".
- Honors versions of courses will substitute for regular versions.
- The following substitutions are acceptable for common program prerequisites if taken as part of the AA course work.

Although the CPP may be satisfied, prerequisites for subsequent Biology courses may still have to be met:

- BSC 2010C: BSCX040/X040L
- BSC 2011C: BSCX041/X041L; ZOOX010/X010L; BOTX010/X010L; BOTX013/X013L
- CHM 2046/CHM 2046L: CHMX046C
- Math/Statistics and Physics: Although a number of courses will satisfy the CPP, please refer to the catalog copy for the specific courses that are required in the program.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at:
http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

Equipment Fees

- Part-Time Student: \$24.85 per term
- Full-Time Student: \$49.70 per term

Biology Minor

College

College of Sciences

Program Type

Minor

Program Contact Information

College of Sciences
Department of Biology
Biological Sciences Building (BIO), 301
407-823-2141
bioadvise@ucf.edu

Admission Requirements

- The minor is not open to Biology majors.

Program Description

Minor Requirements

- Grades below "C" (2.0) in each course are not accepted in the minor.
- At least 15 hours used in the minor must be earned at UCF within the Department of Biology.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

31 Total Credits

- Complete all of the following
 - Complete the following:
 - BSC2010C - Biology I (4)
 - BSC2011C - Biology II (4)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2210 - Organic Chemistry I (3)
 - PCB3023 - Molecular Cell Biology (3)
 - PCB3044 - Principles of Ecology (3)
 - PCB3063 - Genetics (3)
 - PCB4683 - Evolutionary Biology (4)
 - Chemistry Placement score may substitute for CHM2048C. Chemistry Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/> may substitute for CHM2045C

Grand Total Credits: **31**

Program Details

Restricted Electives

- None

Total Undergraduate Credit Hours Required: 31

Other Requirements

- Internship, Co-op, or Independent Study credit cannot be used toward the minor.

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Co-op or internship credit cannot be used in the major
- Students should consult with a departmental advisor
- Departmental Residency Requirement consists of at least 30 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Department of Chemistry
- Prior to enrolling in Chemistry and Math, you must take the Chemistry Placement Test and Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
- Chemistry majors are discouraged from taking courses as a transient student at a Florida College System institution, except in situations where one semester of a two semester sequence has already been taken at the Florida College System institution
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in Common Program Prerequisites (CPP) are usually completed in the first 60 hours,
- Upon reaching junior standing (60 hours), Chemistry majors are expected to have completed the following courses and associated chemistry laboratories. These classes are prerequisites for advanced science classes and students entering the major without these classes will be unable to register for most of the advanced courses
 - CHM 2045C - Chemistry Fundamentals I
 - CHM 2046 - Chemistry Fundamentals II
 - CHM 2046L - Chemistry Fundamentals Laboratory
 - CHM 2210 - Organic Chemistry I
 - CHM 2211 - Organic Chemistry II
 - CHM 2211L - Organic Laboratory Techniques I
 - MAC 2311C - Calculus with Analytic Geometry I
 - MAC 2312 - Calculus with Analytic Geometry II
 - PHY 2048C - General Physics Using Calculus I (or PHY2048 and PHY2048L)
 - PHY 2049C - General Physics Using Calculus II (or PHY2049 and PHY2049L)

General Education (GEP)

GEP Note

0 Total Credits

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.
 - Certain courses must be selected for this degree that will bring the total hours of the GEP to more than 36.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC1603C - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)

GEP 5- Historical & Cultural Foundation

- ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
- ARH2050 - History of Western Art I (3)
- ARH2051 - History of Western Art II (3)
- FIL1000 - Cinema Survey (3)
- FIL2030 - History of Motion Pictures (3)
- FIL3036 - Film History I (3)
- FIL3037 - Film History II (3)
- LIT2110 - World Literature I (3)
- LIT2120 - World Literature II (3)
- MUH2017 - Survey of Rock Music (3)
- MUH2019 - American Popular Music, 1840s-present (3)
- MUL2016 - Evolution of Jazz (3)
- MUL2720 - Music of the World (3)
- PHI2010 - Introduction to Philosophy (3)
- REL2300 - World Religions (3)
- THE2000 - Theatre Survey (3)
- MUL2010 - Enjoyment of Music (3)

Mathematical Foundation

7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - GEP 8- Mathematical Foundation
 - Complete all of the following
 - STA2023 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)

Social Foundation

6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundation

8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)
 - GEP 12- Science Foundation
 - Earn at least 4 credits from the following course sets:
 - PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)

Grand Total Credits: **39**

Common Program Prerequisites (CPP) (If applicable)

24 Total Credits

- Complete all of the following
 - In addition to completing all of the required GEP (MAC 2311C and PHY 2048C (or PHY 2048 and PHY 2048L)),
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - CHM2211 - Organic Chemistry II (3)
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - Earn at least 4 credits from the following course sets:
 - PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)
 - PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)

Grand Total Credits: **24**

Degree Requirements

Core: Basic Requirements

4 Total Credits

- Complete all of the following
 - All courses specifically identified in the preceding General Education and Common Program Prerequisites sections meet the Basic Core requirement - GEP: MAC2311C, BSC2010C, PHY2048C (PHY2048/PHY2048L), and STA2023 ; CPP: CHM2045C, CHM2046, CHM2046L, CHM2210, CHM2211, CHM2211L, MAC2312, PHY2049C (PHY2049/PHY2049L)
 - Note: If STA2023 is not completed in the GEP, it is required to be taken as a part of the Basic Core requirement.
 - Complete the following:
 - MAC2313 - Calculus with Analytic Geometry III (4)

Core Advanced Level

34 Total Credits

- Complete all of the following
 - Complete the following:
 - BCH4053 - Biochemistry I (3)
 - CHM3120 - Analytical Chemistry (3)
 - CHM3120L - Analytical Chemistry Laboratory (1)
 - CHM3215L - Organic Laboratory Techniques II (2)
 - CHM3410 - Physical Chemistry I (4)

- CHM3411 - Physical Chemistry II (3)
- CHM3411L - Physical Chemistry Laboratory (2)
- CHM4610 - Inorganic Chemistry (3)
- CHM4610L - Inorganic Chemistry Laboratory (2)
- CHM4130 - Advanced Analytical Laboratory Technique (3)
- CHM4130L - Advanced Analytical Chemistry Laboratory (2)
- CHM4930 - Chemistry Seminar I (1)
- CHM4931 - Chemistry Seminar II (1)
- Complete 1 of the following
 - Earn at least 4 credits from the following:
 - CHM4912 - Directed Independent Research (0 - 99)
 - Complete all of the following
 - Complete the following:
 - PSC3911 - FLC Physical Science Capstone R/I (3)
 - Earn at least 1 credits from the following:
 - CHM4912 - Directed Independent Research (0 - 99)

Restricted Electives

9 Total Credits

- Complete all of the following
 - A minimum of nine hours are required but more hours may be taken. Select from the courses listed below or an alternate course as approved by the Chemistry Program Advisor.
 - If only taking the minimum 9 credits, only one of the following courses can be completed toward Restricted Electives: MAS3105, OSE3052, PCB3063
 - Earn at least 9 credits from the following:
 - BCH4054 - Biochemistry II (3)
 - BCH4103L - Biochemical Methods (2)
 - CHM4220 - Organic Chemistry III (3)
 - CHM4223 - Advanced Organic Chemistry (3)
 - CHM4230 - Applied Molecular Spectroscopy (3)
 - CHM4427 - Electrochemistry (3)
 - CHS4615 - Environmental Chemistry (3)
 - CHM5225 - Advanced Organic Chemistry (3)
 - CHM5235 - Applied Molecular Spectroscopy (3)
 - CHM5450 - Polymer Chemistry (3)
 - CHM5451C - Techniques in Polymer Science (3)
 - CHM5580 - Advanced Physical Chemistry (3)
 - CHM4942 - Instructional Experiences in Undergraduate Chemistry (3)
 - MAS3105 - Matrix and Linear Algebra (4)
 - OSE3052 - Foundations of Photonics (3)
 - PCB3063 - Genetics (3)

Grand Total Credits: **47**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- To fulfil the 120 hours required of this degree, select primarily from upper level courses after meeting with a departmental advisor. Courses may be outside the department.

Foreign Language Requirements

Graduation

- None

Additional Requirements

- Complete a minimum of 30 Chemistry credits from the UCF Chemistry Department.
- Students must earn at least a "C" (2.0) or better in each UCF Chemistry course used to satisfy the major.

- Students must maintain a minimum cumulative GPA of 2.0 in all UCF Chemistry courses.
- Students must maintain a minimum cumulative GPA of 2.0 in all Chemistry courses.
- For both cumulative GPA calculations, all attempts of courses that could meet requirements are included, with the exception of CHM 4912, CHM 4930, and CHM 4931. Additional courses that could meet requirements but are taken beyond the minimum required (e.g., additional restricted electives taken beyond the required 10 hours) and a "C" (2.0) or better is earned, are also included in the major GPA calculations.

Departmental Exit Requirements

- Students are required to take a nationally normed test in chemistry during their last semester. The exam will be given in the Fall and Spring semesters. Students who plan to graduate in the Summer must take the exam in the Spring. The student must achieve a satisfactory score on the exam.
- Students are required to submit an undergraduate research report for evaluation no later than the date posted by the Department in the semester they intend to graduate. The report must meet or exceed departmental requirements established for the report.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors in the Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at <https://honors.ucf.edu/research/>.

Related Programs

- Forensic Science, Chemistry Track (B.S.)
- Forensic Science, Biochemistry Track (B.S.)

- Biomedical Sciences Minor
- Biology Minor
- Physics Minor

Advising Notes

- Students should consult with a departmental advisor before registering.
- Students must satisfy each course's prerequisites before enrolling in the class.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".

Acceptable Substitutes for Transfer Courses

- Acceptable Substitutes for common program prerequisites if taken prior to transferring to UCF:
- CHM 2045C: may use CHM X040C plus CHM X041C.
- Physics & Lab: Although the CPP allows substitution by other physics courses, they will not satisfy the major; thus the specified physics courses will still have to be taken.

- Physics: Although the CPP allows substitution by Organic Chemistry, both the specified Physics and Organic Chemistry classes are required in the major and will still have to be taken.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oeas.ucf.edu/alc/academic_learning_compacts.htm

Equipment Fees

General Education (GEP)

GEP Notes

0 Total Credits

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.
 - Certain courses must be selected for this degree that will bring the total hours of the GEP to more than 36.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC 1608 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation

- Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
- Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)

 - MUL2010 - Enjoyment of Music (3)

Mathematical Foundation

7 Total Credits

- Complete all of the following

- GEP 7- Mathematical Foundation
 - Complete all of the following
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
- GEP 8- Mathematical Foundation
 - Complete all of the following
 - STA2023 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)

Social Foundation
6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundation
8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)
 - Group
 - Earn at least 4 credits from the following course sets:
 - PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)

Grand Total Credits: **39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing all of the required GEP: MAC 2311C and PHY2048C (PHY2048/PHY2048L),
 - Prior to enrolling into CHM2045C, take the Chemistry Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - Earn at least 4 credits from the following course sets:
PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)

Grand Total Credits: **24**

Degree Requirements

Core Requirements: Basic

10 Total Credits

- Complete all of the following
 - All courses specifically identified in the preceding General Education and Common Program Prerequisites sections meet the Basic Core requirement - GEP: MAC2311C, BSC2010C, PHY2048C (PHY2048/PHY2048L), and STA2023 ; CPP: CHM2045C, CHM2046, CHM2046L, CHM2210, CHM2211, CHM2211L, MAC2312, PHY2049C (PHY2049/PHY2049L)
 - Note: If STA2023 is not completed in the GEP, it is required to be taken as a part of the Basic Core requirement.
 - Complete the following:
 - CHM3120 - Analytical Chemistry (3)
 - CHM3120L - Analytical Chemistry Laboratory (1)
 - CHM3215L - Organic Laboratory Techniques II (2)
 - MAC2313 - Calculus with Analytic Geometry III (4)

Core Requirements: Advanced Level

37 Total Credits

- Complete all of the following
 - Complete the following:
 - BCH4053 - Biochemistry I (3)
 - BCH4054 - Biochemistry II (3)
 - BCH4103L - Biochemical Methods (2)
 - CHM3410 - Physical Chemistry I (4)
 - CHM3411 - Physical Chemistry II (3)
 - CHM3411L - Physical Chemistry Laboratory (2)
 - CHM4610 - Inorganic Chemistry (3)
 - CHM4930 - Chemistry Seminar I (1)
 - CHM4931 - Chemistry Seminar II (1)
 - MCB3020C - General Microbiology (5)
 - PCB3023 - Molecular Cell Biology (3)
 - PCB3063 - Genetics (3)
 - Earn at least 4 credits from the following:
 - CHM4912 - Directed Independent Research (0 - 99)

Restricted Electives

10 Total Credits

- Complete all of the following
 - A minimum of ten hours are required but more hours may be taken. Select from the courses listed below or an alternate course as approved by the Chemistry Program Advisor
 - If only taking the minimum 10 credits, only one of the following courses can be completed toward Restricted Electives: CHM4130L, MAS3105, OSE3052
 - In addition to those listed below, students may take additional physical, biological, mathematical sciences, or other courses that are selected with the aid of a departmental advisor and approved in advance by the department chair. These courses should be at least at the 3000 level.
 - Earn at least 10 credits from the following:
 - CHM4130 - Advanced Analytical Laboratory Technique (3)
 - CHM4220 - Organic Chemistry III (3)
 - CHM4223 - Advanced Organic Chemistry (3)
 - CHM4230 - Applied Molecular Spectroscopy (3)
 - CHM4427 - Electrochemistry (3)
 - CHM4610L - Inorganic Chemistry Laboratory (2)
 - CHM5225 - Advanced Organic Chemistry (3)
 - PCB3522 - Molecular Biology I (3)
 - PCB3233 - Immunology (3)
 - PCB3233L - Immunology Laboratory (1)
 - PCB3063L - Genetics Laboratory (1)
 - CHM4906 - Directed Independent Study (1 - 99)
 - CHM4130L - Advanced Analytical Chemistry Laboratory (2)
 - MAS3105 - Matrix and Linear Algebra (4)
 - OSE3052 - Foundations of Photonics (3)

Grand Total Credits: **57**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- To fulfill the 120 hours required of this degree, select primarily from upper level courses after meeting with a departmental advisor. Courses may be outside the department.

Foreign Language Requirements

Graduation

- None

Additional Requirements

- Complete a minimum of 30 chemistry credits from the UCF Chemistry Department.
- Students must earn at least a "C" (2.0) or better in each UCF Chemistry course used to satisfy the major.
- Students must maintain a minimum cumulative GPA of 2.0 in all UCF Chemistry courses.
- Students must maintain a minimum cumulative GPA of 2.0 in all chemistry courses.
- For both cumulative GPA calculations, all attempts of courses that could meet requirements are included, with the exception of CHM 4912, CHM 4930 and CHM 4931. Additional courses that could meet requirements but are taken beyond the minimum required (e.g., additional restricted electives taken beyond the required 10 hours) and a "C" (2.0) or better is earned, are also included in the major GPA calculations

Departmental Exit Requirements

- Students are required to take a nationally normed test in chemistry and biochemistry during their last semester. The exam will be given in the fall and spring semesters. Students who plan to graduate in the summer must take the exam in the spring. The student must achieve a satisfactory score on the exam.
- Students are required to submit an undergraduate research report for evaluation no later than the date posted by the department in the semester they intend to graduate. The report must meet or exceed departmental requirements established for the report.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed

- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at <https://honors.ucf.edu/research/>.

Related Programs

- Biology (B.S.)
- Chemistry (B.S.)
- Forensic Science, Chemistry Track (B.S.)
- Forensic Science, Biochemistry Track (B.S.)
- Biomedical Sciences (B.S.)

- Chemistry Minor
- Biology Minor
- Biomedical Sciences Minor

Advising Notes

- Students should consult with a departmental advisor before registering.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".

Acceptable Substitutes for Transfer Courses

- The following Common Program Prerequisite courses may be satisfied by the following courses if taken prior to transferring to UCF:
- CHM 2045C: May use CHM X040C plus CHM X041C.
- Physics: Although the CPP allows substitution by other physics courses or Organic Chemistry, both the specified Physics and Organic Chemistry classes are required in the major and will still have to be taken.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

Equipment Fees

- Part-Time Student: \$45 per term
- Full-Time Student: \$90 per term

Chemistry Minor

Admission Requirements

- The minor is not open to chemistry majors.

Program Description

Minor Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy the minor.
- Grades below "C" (2.0) in lower level courses are not accepted.
- At least 11 hours used in the minor must be earned at UCF within the Department of Chemistry, with a minimum GPA of 2.0.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

20 Total Credits

- Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - CHM3120 - Analytical Chemistry (3)
 - CHM3120L - Analytical Chemistry Laboratory (1)

Restricted Electives

8 Total Credits

- Complete all of the following
 - Earn at least 8 credits from the following types of courses:
At least one course must be selected from Group I and the remaining from Group I and/or II.
 - Group I: BCH 4103L - Biochemical Methods Credit Hours: 2 CHM 3411L - Physical Chemistry Laboratory Credit Hours: 2 CHM 3215L - Organic Laboratory Techniques II Credit Hours: 2 CHM 4130 - Advanced Analytical Laboratory Technique Credit Hours: 3 CHM 5451C - Techniques in Polymer Science Credit Hours: 3 CHS 3530C - Forensic Analysis of Controlled Substances Credit Hours: 4
 - Group II: BCH 4053 - Biochemistry I Credit Hours: 3 BCH 4054 - Biochemistry II Credit Hours: 3 CHM 3410 - Physical Chemistry I Credit Hours: 4 CHM 3411 - Physical Chemistry II Credit Hours: 3 CHM 3422 - Applied Physical Chemistry Credit Hours: 3 CHM 4220 - Organic Chemistry III Credit Hours: 3 CHM 5225 - Advanced Organic Chemistry Credit Hours: 3 CHM 5235 - Applied Molecular Spectroscopy Credit Hours: 3 CHM 5450 - Polymer Chemistry Credit Hours: 3 CHS 4615 - Environmental Chemistry Credit Hours: 3
 - Additional upper level courses may be taken as approved.

Grand Total Credits: **28**

Program Details

Total Undergraduate Credit Hours Required: 28

Other Requirements

- Internship, Co-op, or Independent Study credit cannot be used toward the minor.

The Civics Teaching Certificate program will provide specialized knowledge in civics teaching in Florida focusing on content, pedagogy, assessment and civics-focused experiential learning which will enhance social studies education, political science, social science and interdisciplinary studies majors. Students pursuing social science teaching certification, including alternative certification, will develop specialized skills to teach civics and government geared toward Florida 6-12 instructional requirements. The program is open to all majors.

Admission Requirements

- none

Certificate Requirements

- A minimum overall 2.5 GPA is required in courses used to satisfy the certificate.
- At least 9 hours used in the certificate must be earned at UCF within the participating departments.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Program Details

Required Courses (9 Credit Hours)

- POS 3272 - Civic Engagement **Credit Hours: 3**
- POT 3206 - Political Ideals and the U.S. Constitution **Credit Hours: 3**
- SSE 4042 - Teaching Social Science as a Profession **Credit Hours: 3**

Restricted Electives (3 Credit Hours)

- Select from the following
 - POS 3413 - The American Presidency **Credit Hours: 3**
 - POS 3424 - Congress and the Legislative Process **Credit Hours: 3**
 - POS 4284 - Judicial Process and Politics **Credit Hours: 3**
 - SSE 4323 - Teaching Civics in Florida **Credit Hours: 3**

Total Undergraduate Credit Hours Required: 12

Other Requirements

- Internship, independent study and substitute courses/new courses are allowed at the minor advisor's discretion
- No credit by exam (TSD, Military credit) may be used

Communication and Conflict (B.A.) may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees.

Is this program available 100% online?

Yes

UCF Online

Online Communication and Conflict, BA

Admission Requirements

None.

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Co-op or internship credit may be used in this major with prior advisor approval.
- Students cannot exceed a total of six credits of internship, co-op, and independent study credits combined.
- School residency requirement consists of at least 24 semester hours of regularly scheduled 3000-4000 level courses taken from the Nicholson School of Communication and Media.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

GEP Notes

0 Total Credits

- At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete the following:
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - MAC1105C, MGF1106, or MGF1107 - Preferred
 - You may substitute a higher-level MAC course with an appropriate score on the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - GEP 8- Mathematical Foundation
 - Complete the following:
 - STA2014 - Principles of Statistics (3)

Social Foundation

6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundation

6 - 8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)

- MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Common Program Prerequisites (CPP) (If applicable)

- CPP fulfilled by completing SPC1608 (GEP).

Grand Total Credits: **0**

Degree Requirements

Core Requirements: Basic Level

0 Total Credits

- The Basic Core is fulfilled by completion of the required GEP (SPC1608 and STA2014).

Core Requirements: Advanced Level

12 Total Credits

- Complete all of the following
 - Complete at least 1 of the following:
 - COM3800 - Conflict Communication Research Methods (3)
 - COM3311 - Communication Research Methods (3)
 - Complete the following:
 - COM3802 - Principles of Communication & Conflict (3)
 - Select one from each group:
 - Complete all of the following
 - Complete at least 1 of the following:
 - COM3801 - Relational Conflict Communication (3)
 - SPC3301 - Interpersonal Communication (3)
 - Complete at least 1 of the following:
 - COM4804 - Communication in Cultural Conflict Context (3)
 - COM4461 - Intercultural Communication (3)

Restricted Electives

21 Total Credits

- Complete all of the following
 - Internal Restricted Electives
 - Complete all of the following
 - Earn at least 15 credits from the following:
 - COM4013 - Communication and the Family (3)
 - COM4014 - Gender Issues in Communication (3)
 - COM4022 - Principles of Health Communication (3)
 - COM4026 - Current Issues in Communication (3)
 - COM4110 - Business and Professional Communication (3)
 - COM4120 - Organizational Communication (3)
 - COM4550 - Public Communication Campaigns (3)
 - COM4563 - Principles of Social Innovation and Activism (3)
 - COM4803 - Third Party Processes & Intervention (3)
 - COM4805 - Transformative Communication (3)
 - COM4906 - Independent Study (1 - 99)
 - COM4949 - Cooperative Education in Communications (1 - 99)
 - MMC4300 - International Media (3)
 - PUR4000 - Public Relations (3)
 - PUR4400 - Crisis Communication (3)
 - SPC4302 - Advanced Interpersonal Communication (3)
 - SPC4426 - Group Dynamics (3)
 - SPC4513C - Argumentation and Debate (3)
 - SPC4540 - Persuasion and Communication (3)
 - SPC4949 - Cooperative Education in Speech Communication (0 - 99)
 - ENC3241 - Writing for the Technical Professional (3)
 - ENC3250 - Professional Writing (3)

- ENC3311 - Essay as Cultural Commentary (3)
 - ENC3314 - Writing and Rhetoric Foundations (3)
 - ENC3315 - Argumentative Writing (3)
 - No more than six (6) credits of any combination of the following can be applied to Internal Restricted Electives: COM4906, COM4941, COM4949, SPC4949
 - Only one course (three (3) credits) from the following can be applied to Internal Restricted Electives: ENC 3241, ENC 3250, ENC 3311, ENC 3314, ENC 3315
 - Additional upper division COM or SPC courses can be taken as approved by an advisor.
- External Restricted Electives
- Earn at least 6 credits from the following types of courses:
A minimum of six upper division credit hours selected from courses within Nicholson School of Communication and Media but outside of the Human Communication area (i.e. Advertising-Public Relations, Digital Media, Film, Journalism, or Radio-Television) not specified as restricted internal electives above. Additionally, and when available, open courses in Business, Legal Studies, Leadership Studies, Writing and Rhetoric, Psychology, Sociology, Political Science, Public Administration, or other related areas, maybe approved by NSCM advisors for use as external restricted electives

Capstone Requirements

3 Total Credits

- Complete the following:
 - COM4806 - Communication & Conflict Case Studies (3)

Grand Total Credits: **36**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

To fulfill the 120 hours required of this degree, select primarily from upper level courses. May be taken outside of the Nicholson School of Communication and Media.

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language (taught by the Department of Modern Languages and Literatures or Judaic Studies) or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination. Consult with the NSCM advising staff to understand how choosing ASL might impact hours needed to graduate.

Departmental Exit Requirements

- Students must achieve a minimum average GPA of 2.0 in courses used to satisfy the major.
- To avoid graduation delays, meet with your advisor to review graduation requirements before registering for your last term.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 48 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at <https://honors.ucf.edu/research/>.

Lecturer, Social Science Program Director and Sociology Undergraduate Director: Dr. Michael Armato
407-823-0758
michael.armato@ucf.edu

Admission Requirements

- The minor is not open to sociology majors.
- Courses used to satisfy the Restricted Electives of this minor cannot be used to satisfy other sociology minors.

Program Description

The Crime, Law, and Deviance minor examines matters of sociological interest related to the study and understanding of deviant, delinquent, and criminal behavior, the relationship between law and society, and victimology. The minor facilitates an understanding of crime and deviance from a sociological perspective and prepares students for careers and graduate school in related fields.

Minor Requirements

- Students must have a minimum GPA of 2.0 in courses used in the minor.
- At least 12 hours used in the minor must be earned at UCF within the Sociology Department.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

6 Total Credits

- Complete all of the following
 - Complete the following:
 - SYP3520 - Criminology (3)
 - Complete at least 1 of the following:
 - SYG2000 - Introduction to Sociology (3)
 - SYG2010 - Social Problems (3)

Restricted Electives

12 Total Credits

- Complete all of the following
 - Additional courses can be taken as approved.
 - Complete at least 4 of the following:
 - SYD4813 - Women, Law and Social Change (3)
 - SYP3510 - Sociology of Deviant Behavior (3)
 - SYP3511 - Sociology of Murder (3)
 - SYP3530 - Juvenile Delinquency (3)
 - SYP3540 - Sociology of Law (3)
 - SYP3562 - Domestic Violence in Society (3)
 - SYP4514 - Violence in Society (3)
 - SYP4521 - Crime Victims in Society (3)
 - SYP4550 - Drug Use in Society (3)
 - SYP4536 - Gangs and Society (3)

Grand Total Credits: **18**

Anthropology Department

Howard Phillips Hall (HPH), 309

407-823-2227

anthro@ucf.edu

Associate Lecturer & Undergraduate Coordinator: Dr. Sandra Wheeler

sandra.wheeler@ucf.edu

Admission Requirements

- The minor is not open to anthropology majors.

Program Description

The Cultural Anthropology Minor allows students to explore the diversity of cultures in a variety of non-Western and Western contexts, both historically and in the present. Students examine how ideas about cultures have evolved over time and how anthropology has researched, analyzed, and understood cultural diversity and change. Courses include topics of colonialism, Westernization and culture change, globalization, migration and refugees, poverty, war and violence, race, gender and sexuality, media and popular culture, and medical anthropology. There are three great reasons to pursue the Cultural Anthropology Minor. First, the material is intellectually exciting and engages students in thinking about the most pressing social, global, and political issues taking place around us. Second, understanding cultural complexities complements and adds depth to any major, and demonstrates students' well-rounded education. Third, cultural anthropology opens doors in a variety of career settings, including global and local advocacy, public service, health sector, business, research, and teaching.

Minor Requirements

- Students must earn a grade of "C" (2.0) or better in all courses used to satisfy the minor.
- At least 15 hours used in the minor must be earned at UCF within the Anthropology Department.
- Only two anthropology courses can overlap for students enrolled in multiple anthropology programs (minors or certificates). (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the department before filing for graduation.)

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

3 Total Credits

- Complete the following:
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)

Restricted Electives

15 Total Credits

- Earn at least 15 credits from the following:
 - ANT3179 - Australian Archaeology and Indigenous Cultures (3)
 - ANT3212 - Peoples of the World (3)
 - ANT3241 - Magic, Ritual, and Belief (3)
 - ANT3245 - Native American Religions (3)
 - ANT3275 - Anthropological Perspectives on Refugees (3)
 - ANT3290 - Anthropology of Plants and People (3)
 - ANT3302 - Sex, Gender and Culture (3)
 - ANT3311 - Indians of the Southeastern United States (3)
 - ANT3312 - Ethnology of North American Indians (3)
 - ANT3330 - Anthropology of the Amazon (3)
 - ANT3362 - Peoples of Southeast Asia (3)
 - ANT3451 - Race Matters: Anthropological Approaches to Racism (3)
 - ANT3610 - Language and Culture (3)
 - ANT3701 - Engagement & Social Change: Public Anthropology (3)
 - ANT4013 - Anthropology of Fast Food (3)
 - ANT4034 - History of Anthropological Thought (3)
 - ANT4051 - Environmental Anthropology (3)
 - ANT4081 - Science, Technology, and Culture (3)
 - ANT4332 - People and Cultures of Latin America (3)
 - ANT4408 - Culture, Disease, and Healing (3)
 - ANT4441 - Anthropology of Cities (3)
 - ANT4462 - Medical Anthropology (3)
 - ANT4467 - Nutritional Anthropology (3)
 - ANT4480 - Global Health in Anthropological Perspective (3)
 - ANT4481 - Anthropology of Drugs and Addiction (3)
 - ANT4482 - Anthropology of Mental Health (3)
 - ANT4702 - Culture, Inequality and Global Development (3)
 - ANT4802 - Ethnographic Field Methods (3)

Department of Statistics

Program Type

Major

Program Contact Information

College of Sciences
Department of Statistics and Data Science
Technology Commons II (TC2)
407-823-2289

Program Director: *Dr. Mitchell Hill*
Technology Commons II (TC2)
407-823-0751
mitchell.hill@ucf.edu

Program Description

Data Science is an emerging discipline that seeks to infer insights from large amounts of data ("big data") by using various statistical techniques and algorithms. The discipline is concerned with both statistical techniques that measure the validity of such insights and with computational techniques for managing data and resources efficiently.

The Data Science B.S. is an interdisciplinary degree that is offered jointly by the departments of Computer Science, Statistics and Data Science, Mathematics, and Industrial Engineering and Management Systems. This program emphasizes the technical aspects of big data analytics, including algorithm design, programming, acquisition, management, mining, analysis, and interpretation of data. This program aims to train students to develop algorithms and computerized systems to facilitate the discovery of information from big data.

In addition to preparing graduates for immediate entry into careers and the job market, graduates of this program may also go on to pursue advanced degrees, such as the UCF M.S. in Data Analytics program or a related M.S. degree, or a Ph.D. program in Computer Science, Statistics and Data Science or a related area, and graduates may also seek professional distinction.

Admission Requirements

- None

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- With the exception of the Capstone course, co-op or internship credit cannot be used in this major. Students should consult with a departmental advisor.
- All prerequisites of courses taught within the College of Sciences and the College of Engineering & Computer Science will be forced.
- Courses designated in the General Education Program (with the exception of prerequisite courses) may be spread over 4 years, and those designated in the Common Program Prerequisites section must be completed within the first 60 hours.
- Students must earn at least a "C" (2.0) in each advanced core required course for the major.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses satisfying major requirements. Data Science students must have continual access to a computer. Contact the UCF Technology Product Center or see the website (<http://www.cstore.ucf.edu>) for the minimum hardware and software specifications.

General Education (GEP)

GEP Notes
0 Total Credits

- Complete all of the following
 - Certain courses must be selected for this degree that will bring the total hours of the GEP to more than 36.
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation
9 Total Credits

- Complete all of the following

- GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)

- FIL3036 - Film History I (3)
- FIL3037 - Film History II (3)
- LIT2110 - World Literature I (3)
- LIT2120 - World Literature II (3)
- MUH2017 - Survey of Rock Music (3)
- MUH2019 - American Popular Music, 1840s-present (3)
- MUL2016 - Evolution of Jazz (3)
- MUL2720 - Music of the World (3)
- PHI2010 - Introduction to Philosophy (3)
- REL2300 - World Religions (3)
- THE2000 - Theatre Survey (3)
- MUL2010 - Enjoyment of Music (3)

Mathematical Foundation
7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - GEP 8- Mathematical Foundation
 - Complete the following:
 - STA2023 - Statistical Methods I (3)

Social Foundation
6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundation
8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Earn at least 4 credits from the following course sets:
 - PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)
 - Group
 - Complete the following:
 - BSC2010C - Biology I (4)

Grand Total Credits: **39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing all of the required GEP (BSC2010C, MAC2311C, STA2023, and PHY2048C (or PHY2048 & PHY2048L)),
 - Complete the following:
 - COP3223C - Introduction to Programming with C (3)
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - MAC2313 - Calculus with Analytic Geometry III (4)

Grand Total Credits: **11**

Degree Requirements

Core Requirements: Advanced Level

66 Total Credits

- Complete all of the following
 - In addition to completing all of the required GEP and CPP courses (see above),
 - Complete the following:
 - COP3502C - Computer Science I (3)
 - CIS4340 - Data Management Technology (3)
 - COP4283 - Data Science Programming (3)
 - ISC4241 - Data Science I (3)
 - ISC4242 - Data Science II (3)
 - ISC4311 - Predictive Analytics (3)
 - ISC4551 - Data Graphics and Visualization (3)
 - MAS3105 - Matrix and Linear Algebra (4)
 - STA4364 - Statistical Foundations of Data Science and Artificial Intelligence I (3)
 - STA4365 - Statistical Foundations of Data Science and Artificial Intelligence II (3)
 - STA4163 - Statistical Methods II (3)
 - STA4164 - Statistical Methods III (3)
 - STA4724 - Big Data Analytics Methods (4)
 - Complete at least 1 of the following:
 - COT3100C - Introduction to Discrete Structures (3)
 - MHF3302 - Logic and Proof in Mathematics (3)
 - Complete at least 1 of the following:
 - CAP4611 - Algorithms for Machine Learning (3)
 - Course Not Found
 - MAP4112 - Mathematical Foundations of Machine Learning and Artificial Intelligence (3)
 - STA4241 - Statistical Learning (3)
 - Earn at least 19 credits from the following types of courses:
Select primarily from upper level courses after meeting with a departmental advisor. Courses may be selected from among those courses not completed within the advanced core or outside the participating departments.

Capstone Requirement

4 Total Credits

- Complete the following:
 - ISC4323C - Praxis for Data Science (4)

Grand Total Credits: **70**

Program Details

Total Undergraduate Credit Hours Required: 120

Foreign Language Requirements

Graduation

- None

Departmental Exit Requirements

- All students will complete an exit interview.
- Students must earn at least a "C" (2.0) in each advanced core required course for the major.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses satisfying major requirements.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of summer credit

Honors In Major

Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at <https://honors.ucf.edu/research/>.

Related Programs

- Actuarial Science (B.S.)
- Computer Science (B.S.)
- Industrial Engineering (B.S.)
- Mathematics (B.S.)
- Statistics (B.S.)

- Actuarial Science Minor
- Business Minor
- Computer Science Minor
- Economics Minor
- Information Technology Minor
- Leadership Studies Minor
- Mathematics Minor
- Secure Computing and Networks Minor
- Statistics Minor
- Technological Entrepreneurship Minor

Advising Notes

- It is the student's responsibility to ensure they have satisfied course prerequisites before registering for a class. Students should consult with a program advisor.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation."
- Courses transferred for equivalency to courses in the College of Engineering and Computer Science must be formally evaluated for equivalency by the relevant department.
- The following substitutions are acceptable for Common Program Prerequisites if taken as part of the AA course work.
 - Computer Science: Any COP programming language course will satisfy the CPP. However, COP 3223C (Introduction to Programming with C) is a prerequisite for Computer Science courses and still needs to be taken; however COP 2220 (C Programming) will be substituted for COP 3223C.

Program Academic Learning Compacts

Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at:

Program Type

Major

Program Contact Information

**College of Sciences
Nicholson School of Communication and Media
Communication and Media Building (CMB)**

Nicholson Academic Student Services Center (NASSC)
407-823-2681
nassc@ucf.edu

Admission Requirements

None

Program Description

The B.A. in Digital Media allows students to integrate the multiple domains of art, storytelling, and technology. It is designed to provide a solid foundation in techniques and theory in one focused area of competence, provide a broad understanding of related disciplines including arts, humanities, and technology, and provide extended experience in working in multidisciplinary teams on realistic problems. It recognizes that there are many combinations of courses which meet the needs of individual students. Two specializations -Game Design and Web and Social Platforms - lead to a Bachelor of Arts degree.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Departmental Residency Requirement consists of at least 24 hours of regularly scheduled 3000-4000 level courses taken from the UCF Nicholson School of Communication and Media.
- Students must earn at least a "C" (2.0) in each required course, except DIG 2000 and DIG 4713 which require a "B" (3.0) or better.
- Students should consult with a NSCM advisor on a regular basis.
- No more than 6 hours of overlap allowed between courses used in the Digital Media BA and any minor. Please see NSCM advising for permission to complete more than one major in NSCM. Certain restrictions apply and plans of study must be pre-approved.
- Although GaIM/NSCM maintain computer labs for student use, majors must have continual access to a computer. Contact the UCF Technology Product Center or see the website (<http://www.cstore.ucf.edu>) for the minimum hardware and software specifications.

General Education (GEP)

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation

- Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - GEP 4- Historical & Cultural Foundation
- Complete all of the following
 - HUM 2020 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)

 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
- GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 38**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing all the required GEP (ARH 2050, MAC 1105C and CGS 2100C),
 - Complete the following:
 - DIG2000 - Introduction to Digital Media (3)
 - DIG2030 - Digital Video Fundamentals (3)
 - DIG2109 - Digital Imaging Fundamentals (3)
 - DIG2500 - Fundamentals of Interactive Design (3)

Grand Total Credits: **12**

Degree Requirements

Core Requirements: Basic Level
6 Total Credits

- Complete all of the following
 - In addition to completing all of the required GEP and CPP courses,
 - Complete at least 2 of the following:
 - DIG2783 - Fundamentals of Game Art (3)
 - ART2201C - Design Fundamentals-Two Dimensional (3)

- ART2203C - Design Fundamentals-Three Dimensional (3)
- ART2300C - Drawing Fundamentals I (3)
- ART2301C - Drawing Fundamentals II (3)
- DIG2783 is suggested for Game Design Track. Note that ART2300C is a prerequisite for ART2301C.

Core Requirements: Advanced Level
45 Total Credits

- Complete 1 of the following
 - Game Design
 - Complete all of the following
 - Complete the following:
 - DIG3024 - Digital Cultures & Narrative (3)
 - DIG3043 - Evolution of Video Games (3)
 - DIG3480 - Computer as a Medium (3)
 - DIG3728C - Game Testing (3)
 - DIG4630 - Creative Industries (3)
 - DIG4713 - Game Design (3)
 - DIG4715C - Game Production (3)
 - DIG4720C - Casual Game Production (3)
 - DIG4780C - Modeling for Realtime Systems (3)
 - Earn at least 3 credits from the following types of courses:
DIG 4595 - Portfolio Development DIG 4941 - Internship
 - Complete at least 3 of the following:
 - DIG4295C - Game Optimization & Performance (3)
 - DIG3727C - Game Level Design (3)
 - DIG3602C - Physical Computing (3)
 - DIG4324C - Modeling for Realtime Systems II (3)
 - DIG4778C - Game Design Tools & Plugins (3)
 - DIG4138 - Digital Sculpting (3)
 - DIG4633C - Multi-Modal Design (3)
 - DIG4294C - Post-Production Game FX (3)
 - DIG4813 - Contemporary Topics in Digital Media (3)
 - Earn at least 6 credits from the following types of courses:
3000 or 4000 level courses from ART, ARH, FIL, GRA, DIG, PGY, or any 3000 or 4000 level courses approved by the school not already used in the major.
 - Web and Social Platforms
 - Complete all of the following
 - Complete the following:
 - DIG3024 - Digital Cultures & Narrative (3)
 - DIG3134C - Server-Side Scripting (3)
 - DIG3146 - Social Platforms (3)
 - DIG3174C - Front-End Web Design (3)
 - DIG3175 - Design for Accessibility and Engagement (3)
 - DIG3525 - Digital Media Production I (3)
 - DIG3716C - Client-Side Scripting (3)
 - DIG3811 - User-Centered Design (3)
 - DIG4503C - Rapid Application Web Development (3)
 - DIG4630 - Creative Industries (3)
 - DIG4639C - Mobile Development (3)
 - Earn at least 12 credits from the following types of courses:
3000 or 4000 level courses from ART, ARH, FIL, GRA, DIG, PGY or any 3000 or 4000 level courses approved by the school not already used in the major.

Capstone Requirements
6 Total Credits

- Complete 1 of the following
 - Game Design Capstone
 - Complete the following:
 - DIG4725C - Game Design Workshop I (3)
 - DIG4726C - Game Design Workshop II (3)

Web and Social Platforms Capstone

- Complete the following:
 - DIG4104C - Web Design Workshop I (3)
 - DIG4172C - Web Design Workshop II (3)

Grand Total Credits: **57**

Program Details

Electives

- To fulfill the 120 hours required in this degree, electives may be taken in allied programs such as Art, Music, Philosophy, English, Film, the Nicholson School of Communication and Media, Computer Science, etc. as approved by the School.

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language (taught by the Department of Modern Languages and Literatures of Judaic Studies) or in American Sign Language (ALS). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination. Consult with the NSCM advising staff to understand how choosing ASL might impact hours needed to graduate.

Departmental Exit Requirements

- Achieve at least a "C" (2.0) GPA in all major requirements

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Honors In Major

- Students interested in completing Honors in the Major should contact their program advisor. More information about Honors in the Major can be found at <http://research.honors.ucf.edu/honors-in-the-major>.

sociology@ucf.edu**

Lecturer, Social Science Program Director and Sociology Undergraduate Director: Dr. Michael Armato
407-823-0758
michael.armato@ucf.edu

Admission Requirements

- The minor is not open to sociology majors.
- Courses used to satisfy the Restricted Electives of this minor cannot be used to satisfy other Sociology minors. (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the department before filing for graduation.)

Program Description

The Diversity and Social Inequality Minor examines the social class, status, and power in contemporary global society. The minor facilitates an understanding of social inequalities related to age, gender, race and ethnicity, social class and stratification, sexual orientation, religion, and family. The minor prepares students for careers and graduate school in a variety of fields, including those in non-profit agencies, human resources, and service organizations.

Minor Requirements

- Students must have a minimum GPA of 2.0 in courses used for the minor.
- At least 12 hours used in the minor must be earned at UCF within the Sociology Department.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Students are required to earn a "C" (2.0) or better in each major course.
- A maximum of 6 hours of internship credit can be used in this major.
- Students must consult with a Nicholson School of Communication and Media (NSCM) advisor each semester.
- Department Residency Requirement consists of at least 36 semester hours of regularly scheduled 3000-4000 level courses taken from the Nicholson School of Communication and Media.
- Courses designated in (General Education Program) and (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation

- ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
- GEP 3- Communication Foundation
- Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - GEP 4- Historical & Cultural Foundation
- Complete all of the following
 - AMH2010 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)

Grand Total Credits: **36 - 38**

Common Program Prerequisites (CPP) (If applicable)

- Complete the following:
 - FIL2030 - History of Motion Pictures (3)

Grand Total Credits: **3**

Degree Requirements

Core Requirements: Basic Level
21 Total Credits

- Complete all of the following
 - In addition to completing the required CPP (FIL2030),
 - Complete the following:
 - FIL1007 - Foundations of Story (3)
 - FIL1008 - Cinematic Expression I (3)
 - FIL2107 - Script Analysis (3)
 - FIL2424 - Introduction to Film Production (3)
 - FIL2461C - Cinematography I (3)
 - FIL2534 - Sound Design for Film I (3)
 - FIL2552 - Editing I (3)

Core Requirements: Advanced Level
6 Total Credits

- Complete the following:
 - FIL3401 - Research Methods for Filmmakers (3)
 - FIL3803C - Film Theory and Criticism I (3)

Restricted Electives
33 Total Credits

- Complete all of the following
 - For the following restricted electives section, a maximum of 6 hours independent study and/or internship credit may be used. A list of approved restricted elective courses is found in the myKnight audit.
Cinema Studies
 - Complete all of the following
 - Complete at least 1 of the following:
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - FIL3051 - Avant-Garde Cinema (3)
 - FIL3363C - Film Documentary (3)
 - Earn at least 15 credits from the following:
 - FIL3006 - Art of the Cinema (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - FIL3051 - Avant-Garde Cinema (3)
 - FIL3363C - Film Documentary (3)
 - FIL3831 - Black Cinema (3)
 - FIL3842 - International Cinema (3)
 - FIL3847 - Latin American Cinema (3)
 - FIL3804C - Film Theory and Criticism II (3)
 - FIL3850 - Cinema Directors (3)

- FIL3870C - Music, Natural Sounds and Dialogue in Film (3)
- FIL3871 - The American Film Artist (3)
- FIL4103 - Adaptation (3)
- FIL3880C - Images of Women in Film (3)
- FIL4453C - Special Problems in Film Design (4)
- FIL4830 - Motion Picture Genre (3)
- FIL4906 - Directed Independent Study (1 - 99)
- FIL4934C - Current Problems in Film and Culture (3)
- FIL4941 - Internship (0 - 99)

- FIL3871 and FIL4830 can be repeated for credit. Additional courses may satisfy this requirement. Check with an advisor for details.

Production

- Complete all of the following
 - Earn at least 15 credits from the following:
 - FIL2480 - Directing Techniques for Film (3)
 - FIL2481 - Directing the Actor for Film I (3)
 - FIL3102 - Writing for Film and TV (3)
 - FIL3115 - Short Script I (3)
 - FIL3132 - Short Script II (3)
 - FIL3462C - Cinematic Expression II (3)
 - FIL4427C - Film Production Workshop (3)
 - FIL4439C - Micro-Process Production (3)
 - FIL4427C - Film Production Workshop (3)
 - FIL4535C - Sound Design for Film II (3)
 - FIL4566C - Editing II (3)
 - FIL4602 - Film Business (3)
 - FIL4615C - Film Marketing and Exhibition (3)
 - FIL4647 - Film Production Management (3)
 - FIL4661 - The Film Producer (3)
 - Course Not Found
 - Course Not Found
 - FIL4427C and FIL4439C may be repeated for credit. Additional courses may also satisfy this requirement. Check with an advisor for details.

Capstone Requirements

3 Total Credits

- Complete the following:
 - FIL4434C - Capstone I - The Professional Practice (3)

Grand Total Credits: **63**

Program Details

Electives

- To fulfill the 120 hours required in this degree, select primarily from upper level courses within the Nicholson School of Communication and Media after meeting with a school advisor.

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language (taught by the Department of Modern Languages and Literatures or Judaic Studies) or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination. Consult with the NSCM advising staff to understand how choosing ASL might impact hours needed to graduate.

Required Minors

- Must be taken outside the Film Department. **Credits Hours: 18**

Departmental Exit Requirements

- A student must achieve at least a "C" (2.0) GPA in all major requirements.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Acceptable Substitutes for Common Program Prerequisites

- FIL1031 or FIL2032 may substitute for FIL2030; however, FIL2030 is a prerequisite for subsequent Film courses and still must be taken.

Honors In Major

- Students interested in completing Honors in the Major should contact their program advisor. More information about Honors in the Major can be found at <http://research.honors.ucf.edu/honors-in-the-major>.

Admission Requirements

- The Film BFA major is a limited access program.
- Entrance into most Studio electives is restricted to majors. Exceptions must be approved by the Film Program Coordinator.
- All students in this program must satisfactorily complete the mandatory Portfolio Review before enrolling in upper level FIL BFA courses. Contact the Nicholson School of Communication and Media, or visit <https://communication.ucf.edu/degree/film-bfa/>.
- Students unable to satisfactorily complete Portfolio Review may continue in the Film B.A.

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- BFA students are required to achieve a "B" (3.0) or better in the major.
- A maximum of six credit hours of internship may be earned in one semester. A total of six credit hours of internship may be earned within the 120 credit hours required for graduation.
- Students must consult with a Nicholson School of Communication and Media (NSCM) advisor each semester.
- Departmental Residency Requirement consists of at least 42 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF NSCM Film Program.
- Courses designated in (General Education Program) and (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - GEP 4- Historical & Cultural Foundation
 - Complete all of the following
 - FIL1000 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)

- HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - Group 5- Historical & Cultural Foundation
- Complete all of the following
 - AMH 2010 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)

 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 7- Mathematical Foundation
- Complete all of the following
 - MAC1105C -Preferred
 - Complete at least 1 of the following:
 - MAC1105C - College Algebra (3)
 - MGF1107 - Explorations in Mathematics (3)

- MGF1106 - Finite Mathematics (3)
 - Students may substitute a higher level math with appropriate scores on the Math Placement Exam.
- GEP 8- Mathematical Foundation
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete all of the following
 - AMH 2020 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
 - GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)

 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 38**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing the required CPP (FIL2030),
 - Complete the following:
 - FIL2030 - History of Motion Pictures (3)

Grand Total Credits: **3**

Degree Requirements

Core Requirements: Basic Level

21 Total Credits

- Complete the following:
 - FIL1008 - Cinematic Expression I (3)
 - FIL2107 - Script Analysis (3)
 - FIL2552 - Editing I (3)
 - FIL2461C - Cinematography I (3)
 - FIL2424 - Introduction to Film Production (3)
 - FIL2534 - Sound Design for Film I (3)
 - FIL1007 - Foundations of Story (3)

Core Requirements: Advanced Level

6 Total Credits

- Complete the following:
 - FIL3401 - Research Methods for Filmmakers (3)
 - FIL3803C - Film Theory and Criticism I (3)

Restricted Electives

42 Total Credits

- Complete all of the following
 - For the restricted electives, a maximum of 6 hours of independent study and/or internship may be substituted with advisor's prior approval. A list of approved restricted elective courses is found in the myKnight audit.
Cinema Studies
 - Complete all of the following
 - Complete at least 1 of the following:
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - FIL3051 - Avant-Garde Cinema (3)
 - FIL3006 - Art of the Cinema (3)
 - Earn at least 12 credits from the following:
 - FIL3006 - Art of the Cinema (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - FIL3051 - Avant-Garde Cinema (3)
 - FIL3363C - Film Documentary (3)
 - FIL3804C - Film Theory and Criticism II (3)
 - FIL3831 - Black Cinema (3)
 - FIL3842 - International Cinema (3)
 - FIL3847 - Latin American Cinema (3)
 - FIL3850 - Cinema Directors (3)
 - FIL3870C - Music, Natural Sounds and Dialogue in Film (3)
 - FIL3871 - The American Film Artist (3)
 - FIL3880C - Images of Women in Film (3)
 - FIL4103 - Adaptation (3)
 - FIL4453C - Special Problems in Film Design (4)
 - FIL4602 - Film Business (3)
 - FIL4830 - Motion Picture Genre (3)
 - FIL4906 - Directed Independent Study (1 - 99)
 - FIL4934C - Current Problems in Film and Culture (3)

- FIL4941 - Internship (0 - 99)
 - FIL3871 and FIL4830 can be repeated for credit.
- Production
 - Complete all of the following
 - Earn at least 15 credits from the following:
 - FIL2480 - Directing Techniques for Film (3)
 - FIL2481 - Directing the Actor for Film I (3)
 - FIL3102 - Writing for Film and TV (3)
 - FIL3115 - Short Script I (3)
 - FIL3132 - Short Script II (3)
 - FIL3462C - Cinematic Expression II (3)
 - FIL3483 - Directing the Actor for Film II (3)
 - FIL4427C - Film Production Workshop (3)
 - FIL4436 - Film Theory/Film Production (3)
 - FIL4439C - Micro-Process Production (3)
 - FIL4451 - Design for Film (3)
 - FIL4472C - Cinematography II (3)
 - FIL4535C - Sound Design for Film II (3)
 - FIL4566C - Editing II (3)
 - FIL4602 - Film Business (3)
 - FIL4615C - Film Marketing and Exhibition (3)
 - FIL4647 - Film Production Management (3)
 - FIL4661 - The Film Producer (3)
 - FIL4906 - Directed Independent Study (1 - 99)
 - FIL4941 - Internship (0 - 99)
 - FIL4427C, FIL4436, and FIL4439C can be repeated for credit. Additional courses may satisfy this requirement. Check with an advisor for details.
- Studio Concentration
 - Complete all of the following
 - Studio electives are repeatable.
 - Complete at least 2 of the following:
 - FIL4162C - Feature/TV Writing I (3)
 - FIL4301C - Documentary Production I (3)
 - FIL4428C - Narrative Production I (3)
 - FIL4876C - Experimental Cinema I (3)
 - Complete at least 2 of the following:
 - FIL4163C - Feature/TV Writing II (3)
 - FIL4302C - Documentary Production II (3)
 - FIL4437C - Narrative Production II (3)
 - FIL4877C - Experimental Cinema II (3)

Capstone & Signature Experience Requirements

6 Total Credits

- Complete the following:
 - FIL4434C - Capstone I - The Professional Practice (3)
 - FIL4573C - Capstone II - Exhibition and Seminar (3)

Grand Total Credits: **75**

Program Details

Electives

- To fulfill the 120 hours required in this degree, select primarily from upper level courses, with departmental advisor's approval. May be outside of the department.

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language (taught by the Department of Modern Languages and Literatures or Judaic Studies) or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful

completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination. Consult with the NSCM advising staff to understand how choosing ASL might impact hours needed to graduate.

Departmental Exit Requirements

- A student must achieve at least a "B" (3.0) or better in the major.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Honors In Major

- Students interested in completing Honors in the Major should contact their program advisor. More information about Honors in the Major can be found at <http://research.honors.ucf.edu/honors-in-the-major>.

Admission Requirements

None

Program Description

Students completing the Forensic Science - Biochemistry Track B.S. degree will also meet the requirements for ACS certification. This track is designed to align students with specific courses necessary for the examination of DNA and other biochemical evidence. Students should be advised that background checks similar to those required for law enforcement officers are likely to be a condition of employment (Reference: NIJ Report NCJ 203099).

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Departmental Residency Requirement consists of at least 30 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Department of Chemistry.
- Prior to enrolling in Chemistry and Math, you must take the Chemistry Placement Test and Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
- Co-op credit cannot be used in this major.
- Students should consult with a departmental advisor.
- Students must earn a "C" (2.0) or higher in each course and have a minimum 2.5 cumulative GPA in all courses in Common Program Prerequisites, Core Requirements: Basic Level, Core Requirements: Advanced Level, and Restricted Electives.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in Common Program Prerequisites are usually completed in the first 60 hours.

General Education (GEP)

GEP Note

0 Total Credits

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.
 - Certain courses must be selected for this degree that will bring the total hours of the GEP to more than 36.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC1603C - Preferred

- Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)

Mathematical Foundation

7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - GEP 8- Mathematical Foundation
 - Complete the following:
 - STA2023 - Statistical Methods I (3)

Social Foundation

6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundation

8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)
 - GEP 12- Science Foundation
 - Earn at least 4 credits from the following course sets:
 - PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)

Grand Total Credits: **39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing all of the required GEP (BSC2010C, MAC2311C, STA2023, and PHY2048C (or PHY2048 and PHY2048L)),
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - Earn at least 4 credits from the following course sets:
PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)

Grand Total Credits: **24**

Degree Requirements

Core Requirements: Basic Level
12 Total Credits

- Complete all of the following
 - In addition to completing all of the required GEP and CPP courses,
 - Complete the following:
 - BSC2011C - Biology II (4)
 - CHM3120 - Analytical Chemistry (3)
 - CHM3120L - Analytical Chemistry Laboratory (1)
 - PCB3063 - Genetics (3)
 - PCB3063L - Genetics Laboratory (1)

Core Requirements: Advanced Level
44 Total Credits

- Complete all of the following
 - Forensic Science Core
 - Complete the following:
 - BCH4053 - Biochemistry I (3)
 - CHM3422 - Applied Physical Chemistry (3)
 - CHS3501 - Introduction to Forensic Science (3)
 - CHS3505C - Forensic Microscopy (4)
 - CHS3511C - Trace Evidence (4)
 - CHS3530C - Forensic Analysis of Controlled Substances (4)
 - CHS3533 - Forensic Biochemistry I (2)
 - CHS3595 - Forensic Science in the Courtroom (3)
 - CHS4515C - Forensic Crime Scene Investigation (3)
 - CHS4537 - Forensic Laboratory Quality Assurance and Professional Practice (3)
 - Forensic Biochemistry Track
 - Complete the following:
 - CHS3533L - Forensic Biochemistry I Laboratory (1)
 - CHS4534C - Forensic Biochemistry II (3)
 - MCB3020C - General Microbiology (5)
 - PCB3522 - Molecular Biology I (3)

Restricted Electives
2 Total Credits

- Complete all of the following
 - Earn at least 2 credits from the following:
 - ANT4521 - Forensic Anthropology (3)
 - BCH4054 - Biochemistry II (3)
 - BSC3403C - Quantitative Biological Methods (4)
 - CHM3215L - Organic Laboratory Techniques II (2)
 - CHM4130 - Advanced Analytical Laboratory Technique (3)
 - CHM4130L - Advanced Analytical Chemistry Laboratory (2)
 - CHM4220 - Organic Chemistry III (3)
 - CHM4223 - Advanced Organic Chemistry (3)
 - CHM4230 - Applied Molecular Spectroscopy (3)
 - CHM4427 - Electrochemistry (3)
 - CHM4912 - Directed Independent Research (0 - 99)
 - CHS4615 - Environmental Chemistry (3)
 - CHS5504 - Topics in Forensic Science (3)
 - DSC4012 - Terrorism (3)
 - PCB3233 - Immunology (3)
 - PCB3233L - Immunology Laboratory (1)
 - PCB4524 - Molecular Biology II (3)
 - PCB4684 - Population Genetics (3)
 - STA4163 - Statistical Methods II (3)
 - ZOO3733C - Human Anatomy (4)
 - CCJ3014 - Crime in America (3)
 - CCJ3024 - Criminal Justice System (3)
 - CJE4012 - Criminal Profiling in Criminal Justice (3)
 - CJE4610 - Criminal Investigation (3)
 - A minimum of two hours are required but more hours may be taken. An alternate course may be taken as approved by the Forensic Science Program Advisor.
 - Only one of the following courses may be taken for credit toward this degree: CCJ3014, CCJ3024, CJE4012, CJE4610

Capstone Requirements

3 Total Credits

- Complete the following:
 - CHS4591 - Forensic Science Internship (3)

Grand Total Credits: **61**

Program Details

Total Undergraduate Credit Hours Required: 124

Foreign Language Requirements

Graduation

- None

Departmental Exit Requirements

- Students must earn a "C" (2.0) or higher in each course and have a minimum 2.5 cumulative GPA in all courses in Common Program Prerequisites, Core Requirements: Basic Level, Core Requirements: Advanced Level, and Restricted Electives.
- All attempts of courses taken that could meet major requirements are included in the GPA calculation.
- Additional courses that could meet requirements but are taken beyond the minimum required (e.g., additional restricted electives) and a "C" (2.0) or better is earned are also included in both GPA calculations.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits

permitted.

- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at <https://honors.ucf.edu/research/>.

Related Programs

- Forensic Science, Chemistry Track (B.S.)
- Chemistry (B.S.)

Admission Requirements

None

Program Description

Students completing the Forensic Science - Chemistry Track B.S. degree will also meet the requirements for ACS certification. This track is designed to allow students the flexibility to prepare for multiple careers in forensics through selection of restricted elective courses. Students should be advised that background checks similar to those required for law enforcement officers are likely to be a condition of employment (Reference: NIJ Report NCJ 203099).

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Departmental Residency Requirement consists of at least 30 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Department of Chemistry.
- Prior to enrolling in Chemistry and Math, you must take the Chemistry Placement Test and Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
- Co-op credit cannot be used in this major.
- Students should consult with a departmental advisor.
- Students must earn a "C" (2.0) or higher in each course and have a minimum 2.5 cumulative GPA in all courses in Common Program Prerequisites, Core Requirements: Basic Level, Core Requirements: Advanced Level, and Restricted Electives.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in Common Program Prerequisites are usually completed in the first 60 hours.

General Education (GEP)

GEP Note
0 Total Credits

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.
 - Certain courses must be selected for this degree that will bring the total hours of the GEP to more than 36.

Communication Foundation
9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC1603 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)

- SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)

 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)

Grand Total Credits: **39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing all of the required GEP (BSC2010C, MAC2311C, STA2023, and PHY2048C (or PHY2048 and PHY2048L),
 - Prior to enrolling into CHM2045C, take the Chemistry Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - Earn at least 4 credits from the following course sets:
 - PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)
 - PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)

Grand Total Credits: **24**

Degree Requirements

Core Requirements: Basic Level

12 Total Credits

- Complete all of the following
 - All courses specifically identified in the preceding General Education and Common Program Prerequisites sections meet the Basic Core requirement - GEP: BSC2010C, MAC2311C, PHY2048C (or PHY2048 & PHY2048L), STA2023; CPP: CHM2046, CHM2046L, CHM2210, CHM2211, CHM2211L, MAC2312, PHY2049C (or PHY2049 & PHY2049L).
 - Complete the following:
 - BSC2011C - Biology II (4)
 - CHM3120 - Analytical Chemistry (3)
 - CHM3120L - Analytical Chemistry Laboratory (1)
 - PCB3063 - Genetics (3)
 - PCB3063L - Genetics Laboratory (1)

Core Requirements: Advanced Level

37 Total Credits

- Complete all of the following
 - Forensic Science Core
 - Complete the following:
 - BCH4053 - Biochemistry I (3)
 - CHM3422 - Applied Physical Chemistry (3)
 - CHS3501 - Introduction to Forensic Science (3)
 - CHS3505C - Forensic Microscopy (4)
 - CHS3511C - Trace Evidence (4)
 - CHS3530C - Forensic Analysis of Controlled Substances (4)
 - CHS3533 - Forensic Biochemistry I (2)
 - CHS3595 - Forensic Science in the Courtroom (3)
 - CHS4515C - Forensic Crime Scene Investigation (3)
 - CHS4537 - Forensic Laboratory Quality Assurance and Professional Practice (3)
 - Forensic Chemistry Track
 - Complete the following:
 - CHM4130 - Advanced Analytical Laboratory Technique (3)
 - CHM4130L - Advanced Analytical Chemistry Laboratory (2)

Restricted Electives

9 Total Credits

- Earn at least 9 credits from the following types of courses:
Select from the courses listed below or an alternate course as approved by the Forensic Science Program Advisor. More than nine credits may be taken. ANT 4521 - Forensic Anthropology Credit Hours: 3 BCH 4054 - Biochemistry II Credit Hours: 3 CHM 3215L - Organic Laboratory Techniques II Credit Hours: 2 CHM 4220 - Organic Chemistry III Credit Hours: 3 CHM 4223 - Advanced Organic Chemistry Credit Hours: 3 CHM 4230 - Applied Molecular Spectroscopy Credit Hours: 3 CHM 4427 - Electrochemistry Credit Hours: 3 CHM 4912 - Directed Independent Research Credit Hours: 3 CHS 3533L - Forensic Biochemistry I Laboratory Credit Hours: 1 CHS 4534C - Forensic Biochemistry II Credit Hours: 3 CHS 4615 - Environmental Chemistry Credit Hours: 3 CHS 5504 - Topics in Forensic Science Credit Hours: 3 DSC 4012 - Terrorism Credit Hours: 3 PCB 3233 - Immunology Credit Hours: 3 PCB 3233L - Immunology Laboratory Credit Hours: 1 PCB 4684 - Population Genetics Credit Hours: 3 STA 4163 - Statistical Methods II Credit Hours: 3 ZOO 3733C - Human Anatomy Credit Hours: 4 Students may choose one of the following: CCJ 3014 - Crime in America Credit Hours: 3 CCJ 3024 - Criminal Justice System Credit Hours: 3 CJE 4012 - Criminal Profiling in Criminal Justice Credit Hours: 3 CJE 4610 - Criminal Investigation Credit Hours: 3

Admission Requirements

None

Program Description

The Minor in Geosciences develops a student's understanding of Earth's natural processes and the interaction of these processes with related social and political factors. The minor provides a basis in the fundamentals of the earth sciences for students interested in career in fields that directly or indirectly involve the earth or environmental sciences.

Minor Requirements

- A grade of "C" or above (2.0) is required in each course used to satisfy the minor.
- At least 12 hours used in the minor must be earned at UCF.
- At least 9 hours of coursework for the minor must be at the 3000 level or above.

Prerequisite Courses

- Note: it is the student's responsibility to ensure that prerequisite courses have been completed before enrolling in any of these courses requiring a prerequisite.

Required Courses

9 Total Credits

- Complete all of the following
 - Complete at least 1 of the following:
 - ANT4852 - GIS Methods in Anthropology (3)
 - GIS3043C - GIS for Environmental Studies (3)
 - Equivalent approved course with similar content on geographic information systems or additional courses may be taken as approved.
 - Complete at least 2 of the following:
 - GEO1200 - Physical Geography (3)
 - GEO3471 - World Political Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MET2104 - The Earth's Climate (3)
 - OCE3008 - Oceanography (3)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)

Restricted Electives

9 Total Credits

- Complete all of the following
 - At least two of the following courses which are not used above:
 - Complete at least 2 of the following:
 - AST4152 - Planetary Geophysics (3)
 - BSC4861L - Urban Ecological Field Studies (3)
 - CHS4615 - Environmental Chemistry (3)
 - CWR4124 - Hydrogeology (3)
 - CWR4124 - Hydrogeology (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - GLY4730 - Marine Geology (3)
 - GLY4734 - Coastal Processes (3)
 - MET2104 - The Earth's Climate (3)
 - OCE3008 - Oceanography (3)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - At least one of the following courses which are not used above:
 - Complete at least 1 of the following:
 - ANT4051 - Environmental Anthropology (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GEO3471 - World Political Geography (3)
 - Additional courses can be taken as approved.

407-823-2608
Politics@ucf.edu

Department Chair, Associate Professor: Dr. Peter Larson
407-823-2225
History@ucf.edu

Admission Requirements

None.

Program Description

In the face of some of the most complicated international peace and security challenges and opportunities that the global community has ever encountered, the ability to understand the factors that contribute to conflict and conflict resolution is vitally important. Students who complete this minor will gain experience in the history of war and society, U.S. and international security policy, and causes of war.

Minor Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy the minor
- At least 15 hours used in the minor must be earned at UCF within participating departments

Prerequisite Courses

- Students must satisfy each course's prerequisite before enrolling in the class

Degree Requirements

Required Courses

6 Total Credits

- Complete the following:
 - EUH3651 - War and Society (3)
 - INR4060 - Causes of War (3)

Restricted Electives

12 Total Credits

- Complete all of the following
 - Course substitutions are subject to prior approval by the Minor director.
 - History
 - Complete at least 2 of the following:
 - AMH3547 - U.S. Military History Since 1900 (3)
 - AMH4513 - US Foreign Relations: Close of World War II to the Present (3)
 - ASH3223 - The Modern Middle East (3)
 - ASH4243 - History of Iraq (3)
 - ASH4404 - Modern China (3)
 - EUH3242 - Modern Europe and the First World War (3)
 - EUH3281 - Second World War and Rebirth of Europe (3)
 - EUH3651 - War and Society (3)
 - EUH4284 - Fascism and Nazism in the Interwar Europe (3)
 - EUH4663 - History of Communism in Europe (3)
 - LAH4780 - Poverty and Development in Latin America (3)
 - WOH4208 - History of the Global Drug Trade (3)
 - Political Science
 - Complete at least 2 of the following:
 - CPO3057 - Contemporary Revolution and Political Violence (3)
 - CPO3403 - Politics of the Middle East (3)
 - CPO4400 - Kurdish Politics: Identity, Violence, and Democracy (3)
 - CPO4784 - Political and Economic Inequality in Comparative Perspective (3)
 - DSC4012 - Terrorism (3)
 - INR3253 - International Politics of Africa (3)
 - INR4008 - Global Perspectives (3)

Total Undergraduate Credit Hours Required: 18

Other Requirements

- Internship, Independent Study, and substitute courses/new courses are allowed at the minor advisor's discretion and limited to a maximum of 3 credit hours.

Global Sociology Minor

College

College of Sciences

Department

Department of Sociology

Program Type

Minor

Program Contact Information

College of Sciences
Sociology Department
Howard Phillips Hall (HPH) 403
sociology@ucf.edu

Lecturer, Social Science Program Director and Sociology Undergraduate Director: Dr. Michael Armato
407-823-0758
michael.armato@ucf.edu

Admission Requirements

- The minor is not open to Sociology majors.

Program Description

The Global Sociology Minor focuses on social problems from a global perspective. The minor facilitates an understanding of international social problems and prepares students for careers and graduate school in related fields. Students will take half the required courses in the United States and the other half abroad.

Minor Requirements

- Complete 9 hours of Sociology courses through study abroad.
- Take one course of independent study during study abroad semester.
- Take one restricted elective course. Contact Dr. Michael Armato for information on Restricted Elective options for the Global Sociology Minor.
- Students must earn a minimum GPA of at least 2.0 in courses used for the minor.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

13 Total Credits

- Complete all of the following
 - Complete at least 1 of the following:
 - SYG2000 - Introduction to Sociology (3)
 - SYG2010 - Social Problems (3)
 - Earn at least 10 credits from the following types of courses:
Nine (9) credit hours of Study Abroad (Sociology or other relevant discipline) and one (1) credit hour of SYA3905 - Directed Independent Study completed while abroad.

Restricted Electives

3 Total Credits

- Complete all of the following
 - Additional courses can be taken as approved.
 - Complete at least 1 of the following:
 - ANT3701 - Engagement & Social Change: Public Anthropology (3)
 - ANT4702 - Culture, Inequality and Global Development (3)
 - INR2002 - International Relations-Theory and Practice (3)
 - INR3016 - Global Political Issues (3)
 - INR4008 - Global Perspectives (3)
 - INR4011 - Politics of Globalization (3)
 - INR4035 - International Political Economy (3)
 - INR4054 - Global Politics of Energy (3)
 - SOW3284 - Social Work Perspectives on Social Justice (3)
 - SYA4650C - Community Action and Involvement (3)
 - SYD3410 - Urban Society (3)
 - SYO4132 - Global Family Trends (3)
 - SYO4323 - Community and Diversity (3)
 - SYP3400 - Social Change (3)
 - SYP4004 - Constructing Social Issues (3)
 - SYP4454 - Global Inequality and Society (3)

Nicholson School of Communication and Media
UnionWest at Creative Village (UWCV), 200**

Nicholson Academic Student Services Center (NASSC)

407-823-2681

nassc@ucf.edu

Program Description

The Certificate in Health Communication has a dual focus: 1) it is designed to provide students in health-related fields training in facilitating health communication processes; and 2) it allows communication students to demonstrate that they have conceptual and applied knowledge about the role of communication in health care.

Admission Requirements

- None

Certificate Requirements

- Certificates will be awarded only at the time of degree completion.

Prerequisite Courses

- Most courses for this certificate will have prerequisites completed as a part of a student's GEP requirement, as general electives, or a student can enroll into courses with consent of instructor.

Degree Requirements

Required Courses

12 Total Credits

- Complete all of the following
 - Complete the following:
 - COM4022 - Principles of Health Communication (3)
 - COM4550 - Public Communication Campaigns (3)
 - COM4221 - Health Literacy (3)
 - Complete at least 1 of the following:
 - PUR4000 - Public Relations (3)
 - MMC2004 - Mass Media (3)

Restricted Electives

3 Total Credits

- Complete all of the following
 - Additional restricted electives can be taken as approved by an advisor.
 - Complete at least 1 of the following:
 - ANT4408 - Culture, Disease, and Healing (3)
 - ANT4462 - Medical Anthropology (3)
 - COM3330 - Computer Mediated Communication (3)
 - COM4120 - Organizational Communication (3)
 - HSA3012 - Issues & Trends in Public Health (3)
 - HSA3111 - U.S. Health Care Systems (3)
 - HSC4201 - Community Health (3)
 - RTV4403 - Electronic Media, Technology, and Society (3)
 - SPC4540 - Persuasion and Communication (3)

Grand Total Credits: **15**

Program Details

Total Undergraduate Credit Hours Required: 15

Other Requirements

- No more than three credit hours from the Health Communication Certificate may be used to satisfy internal restricted electives of the Human Communication major. (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the School before filing for graduation.)
- Communication majors must take their elective outside of NSCM.

Hispanic/Latino Media Certificate

College

nassc@ucf.edu

The Certificate in Hispanic/Latino Media has a dual focus: 1) it is designed to provide students in media-related fields training in how to serve diverse audiences; and 2) it allows non-communication students to demonstrate that they have conceptual and applied knowledge about the role of Hispanic/Latino media and how it impacts a growing multicultural environment.

Admission Requirements

- None

Certificate Requirements

- Certificates will be awarded only at the time of degree completion.

Prerequisite Courses

- Most courses for this certificate will have prerequisites completed as a part of a student's GEP requirement, as general electives, or a student can enroll into courses with consent of instructor.

Program Details

Required Course (3 Credit Hours)

- MMC 4303 - Hispanics in Media in the US **Credit Hours: 3**

Restricted Electives

Choose an area of specialization:

Speciality 1: Latin American and U.S. Hispanic Culture & Media

Speciality 2: Spanish Language Media

Speciality 1: Latin American and U.S. Hispanic Culture & Media

Required Communication Courses: (6 Credit Hours)

- MMC 4300 - International Media **Credit Hours: 3**
- MMC 4602 - Contemporary Media Issues **Credit Hours: 3**

Choose Two from Latin American Studies: (6 Credit Hours)

- LAS 3002 - Topics in Latin American Studies **Credit Hours: 3**
- LAS 3101 - Latin American Popular Culture **Credit Hours: 3**

Student may also take a (3hr) study abroad course in Spain or Latin America with approval.

Additional restricted electives can be taken as approved by an advisor.

Speciality 2: Spanish Language and Media

Student must take: (9 Credit Hours)

- JOU 3951 - Knightly Latino **Credit Hours: 3**
- SPN 4410 - Advanced Spanish Conversation **Credit Hours: 3**
- SPT 3805 - Spanish Translation and Interpretation for Mass Communication **Credit Hours: 3**

Choose One from Latin American Studies: (3 Credit Hours)

- LAS 3002 - Topics in Latin American Studies **Credit Hours: 3**
- LAS 3101 - Latin American Popular Culture **Credit Hours: 3**

Student may also take a (3hr) study abroad course in Spain or Latin America with approval.

Additional restricted electives can be taken as approved by an advisor.

Foreign Language Requirements

- None

Total Undergraduate Credit Hours Required: 15

Other Requirements

- No more than three credit hours from the Hispanic/Latino Media Certificate may be used to satisfy internal restricted electives of the Journalism, Radio-TV, Ad-PR or Human Communication major. (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the School before filing for graduation.)

Human Biology Certificate

College

College of Sciences

Department

Department of Anthropology

Program Type

Certificate

Program Description

College of Sciences
Anthropology Department
Howard Phillips Hall (HPH), 309
407-823-2227
anthro@ucf.edu

College of Sciences
Department of Biology
Biological Sciences Building (BIO), 301
407-823-2141

Professor & Department Chair: Dr. John Schultz
John.Schultz@ucf.edu

The Human Biology Certificate blends biological anthropology with a foundation in anatomy and the biological sciences. The certificate is especially appropriate for anthropology, biology, and biomedical sciences students seeking an enhanced and interdisciplinary foundation in human biology.

Certificates will be awarded only at the time of degree completion.

Admission Requirements

- None
- A minimum overall 2.0 GPA is required in courses used to satisfy the requirement.
- At least 12 hours used toward the certificate must be earned at UCF within the participating departments.
- Students must select and meet with a certificate advisor in either the Anthropology or Biology department.
- Only two anthropology courses can overlap for students enrolled in multiple anthropology programs (minors and certificates). (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the department before filing for graduation.)

Certificate Requirements

- None

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Program Details

Required Courses (7 Credit Hours)

- ANT 2511 - The Human Species **Credit Hours: 3**
- BSC 2010C - Biology I **Credit Hours: 4**

Restricted Electives (12 Credit Hours)

- Majors other than Anthropology, Biology, or Biomedical Sciences may earn The Human Biology Certificate but must select courses with a certificate advisor.
- Anthropology majors must select courses from Restricted Electives Group A.
- Biology majors must select courses from Restricted Electives Group B.
- Biomedical Sciences majors must select courses from Restricted Electives Group C

Restricted Electives Group A:

Anthropology Majors select four courses from the list below:

- BSC 2011C - Biology II **Credit Hours: 4**
- PCB 3044 - Principles of Ecology **Credit Hours: 3**
- PCB 3063 - Genetics **Credit Hours: 3**
- PCB 3703C - Human Physiology **Credit Hours: 4**
- PCB 4683 - Evolutionary Biology **Credit Hours: 4**
- ZOO 4701 - Dissection Techniques **Credit Hours: 3**
- ZOO 3713C - Comparative Vertebrate Anatomy **Credit Hours: 5**
- ZOO 3733C - Human Anatomy **Credit Hours: 4**
- ZOO 4513 - Animal Behavior **Credit Hours: 3**

Restricted Electives Group B:

Biology Majors select four courses from the list below:

- ANT 3541 - Biobehavioral Anthropology **Credit Hours: 3**
- ANT 3550C - Primatology **Credit Hours: 3**
- ANT 4027 - Mummies, Life After Death **Credit Hours: 3**
- ANT 4115C - Archaeological Method and Theory **Credit Hours: 3**
- ANT 4408 - Culture, Disease, and Healing **Credit Hours: 3**
- ANT 4462 - Medical Anthropology **Credit Hours: 3**
- ANT 4467 - Nutritional Anthropology **Credit Hours: 3**
- ANT 4480 - Global Health in Anthropological Perspective **Credit Hours: 3**
- ANT 4483 - Health and Healing in the Ancient World: An Anthropological Perspective **Credit Hours: 3**
- ANT 4516 - Human Biological Diversity **Credit Hours: 3**
- ANT 4521 - Forensic Anthropology **Credit Hours: 3**
- ANT 4525C - Human Osteology **Credit Hours: 4**
- ANT 4560 - Birth to Death: Anthropological Perspectives on Human Growth **Credit Hours: 3**
- ANT 4586C - Human Origins **Credit Hours: 3**

Restricted Electives Group C:

Biomedical Sciences Majors select four courses from the list below:

- ANT 3541 - Biobehavioral Anthropology **Credit Hours: 3**
- ANT 3550C - Primatology **Credit Hours: 3**
- ANT 4027 - Mummies, Life After Death **Credit Hours: 3**
- ANT 4408 - Culture, Disease, and Healing **Credit Hours: 3**
- ANT 4462 - Medical Anthropology **Credit Hours: 3**
- ANT 4467 - Nutritional Anthropology **Credit Hours: 3**
- ANT 4480 - Global Health in Anthropological Perspective **Credit Hours: 3**
- ANT 4516 - Human Biological Diversity **Credit Hours: 3**
- ANT 4521 - Forensic Anthropology **Credit Hours: 3**
- ANT 4525C - Human Osteology **Credit Hours: 4**
- ANT 4560 - Birth to Death: Anthropological Perspectives on Human Growth **Credit Hours: 3**
- ANT 4586C - Human Origins **Credit Hours: 3**
- PCB 4683 - Evolutionary Biology **Credit Hours: 4**
- ZOO 4513 - Animal Behavior **Credit Hours: 3**
- ZOO 3713C - Comparative Vertebrate Anatomy **Credit Hours: 5**

Foreign Language Requirements

- None

Total Undergraduate Credit Hours Required: 19

Other Requirements

- Internship, research, or Independent Study credit can be used to replace one restricted elective course with approval from a certificate advisor.
- One course substitution for the Human Biology Certificate will only be allowed with prior approval from a certificate advisor. In addition, only a two course overlap is allowed between their major and the certificate.

Admission Requirements

None

Program Description

Degree Requirements

- Students who change degree programs (other than from COM Pending) and select this major must adopt the most current catalog.
- Co-op or internship credit may be used in this major with prior advisor approval.
- Students cannot exceed a total of six credits of internship, co-op, and independent study credits combined.
- Students must consult with a school advisor
- School residency requirement consists of at least 24 semester hours of regularly scheduled 3000-4000 level courses taken from the Nicholson School of Communication and Media.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete the following:
 - SPC1608 - Fundamentals of Oral Communication (3)
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)

- HUM2020 - Encountering the Humanities (3)

 - MUL2010 - Enjoyment of Music (3)
- GEP 7- Mathematical Foundation
- Complete all of the following
 - MGF1106 or MGF1107 - Preferred
 - Complete at least courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - You may substitute a higher level math with appropriate scores on the Math Placement Exam. See: <https://www.sdes.ucf.edu/placement-tests>
- GEP 8- Mathematical Foundation
- Complete the following:
 - STA2014 - Principles of Statistics (3)
- GEP 9- Social Foundation
- Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
- GEP 10- Social Foundation
- Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
- GEP 11- Science Foundation
- Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)

- PSC1121 - Physical Science (3)
- GEP 12- Science Foundation
- Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **33 - 35**

Common Program Prerequisites (CPP) (If applicable)

- CPP completed by enrolling into SPC1608 (GEP).

Grand Total Credits: **0**

Degree Requirements

Core Requirements: Advanced Level
15 Total Credits

- Complete all of the following
 - In addition to completing all of the required GEP and CPP (SPC1608 and STA2014C),
 - Complete the following:
 - COM3003 - Exploring Human Communication (3)
 - COM3311 - Communication Research Methods (3)
 - COM3402 - Communication Theory (3)
 - SPC3301 - Interpersonal Communication (3)
 - SPC3602 - Advanced Public Speaking (3)

Tracks

9 Total Credits

- Complete 1 of the following
 - Earn at least 9 credits from the following types of courses:
Human Communication Tracks (9 Credit Hours) Students must choose one track from the following:
General Human Communication, Business and Professional Communication, Health Communication, Interpersonal Communication, or Social Innovation and Activism.
 - Earn at least 9 credits from the following types of courses:
General Human Communication Track (9 Credit Hours) To complete the General Human Communication Track, students select 9 hours of courses from across the specialized tracks and/or internal restricted electives (in addition to the 6 hours of internal restricted electives).
Business & Professional Track
 - Complete the following:
 - COM4110 - Business and Professional Communication (3)
 - COM4120 - Organizational Communication (3)
 - COM4332 - Communication, Technology, and Change (3)
 - Health Communication Track
 - Complete the following:
 - COM4022 - Principles of Health Communication (3)
 - COM4221 - Health Literacy (3)
 - COM4550 - Public Communication Campaigns (3)
 - Interpersonal Communication Track
 - Complete the following:
 - COM4013 - Communication and the Family (3)
 - COM4461 - Intercultural Communication (3)
 - SPC4302 - Advanced Interpersonal Communication (3)

Social Innovation and Activism Track

- Complete the following:
 - COM4550 - Public Communication Campaigns (3)
 - COM4563 - Principles of Social Innovation and Activism (3)
 - SPC4513C - Argumentation and Debate (3)

Restricted Electives

15 Total Credits

- Earn at least 15 credits from the following types of courses:
Internal Restricted Electives: (6 Credit Hours) Note: Courses used for the track may NOT also count as electives. Students must use a different course if they have already taken one listed in the core of their track. Select from the following list: COM 3011C - Communication and Human Relations Credit Hours: 3
COM 3406 - Role of Motivation in Communication Credit Hours: 3
COM 4013 - Communication and the Family Credit Hours: 3
COM 4014 - Gender Issues in Communication Credit Hours: 3
COM 4022 - Principles of Health Communication Credit Hours: 3
COM 4026 - Current Issues in Communication Credit Hours: 3
COM 4110 - Business and Professional Communication Credit Hours: 3
COM 4120 - Organizational Communication Credit Hours: 3
COM 4221 - Health Literacy Credit Hours: 3
COM 4332 - Communication, Technology, and Change Credit Hours: 3
COM 4416 - Terrorism and Communication Credit Hours: 3
COM 4461 - Intercultural Communication Credit Hours: 3
COM 4462 - Conflict Management Credit Hours: 3
COM 4550 - Public Communication Campaigns Credit Hours: 3
COM 4563 - Principles of Social Innovation and Activism Credit Hours: 3
SPC 3445 - Leadership Through Oral Communication Credit Hours: 3
SPC 4302 - Advanced Interpersonal Communication Credit Hours: 3
SPC 4331 - Nonverbal Communication Credit Hours: 3
SPC 4426 - Group Dynamics Credit Hours: 3
SPC 4513C - Argumentation and Debate Credit Hours: 3
SPC 4540 - Persuasion and Communication Credit Hours: 3
Additional restricted electives can be taken as approved by an advisor. External Restricted Electives (6 Credit Hours) A minimum of six upper division credit hours from the NSCM but outside of the Human Communication area (i.e. Advertising - Public Relations, Digital Media, Film, Journalism, or Radio - Television) not specified as restricted internal electives above. High Impact Immersion

3 Total Credits

- Earn at least 3 credits from the following types of courses:
COM3955 - Study Abroad
COM4903H - Honors Directed Reading I (1-99)
COM4912 - Research (1-99)
COM4941 - Internship (1-99)
COM4955 - Study Abroad
COM4970H - Honors Undergrad Thesis (1-99)

Grand Total Credits: **42**

Program Details

Electives

- To fulfil the 120 required in this degree, select primarily from upper level courses. May be taken outside of the Nicholson School of Communication and Media.

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language (taught by the Department of Modern Languages and Literatures or Judaic Studies) or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination. Consult with the NSCM advising staff to understand how choosing ASL might impact hours needed to graduate.

Departmental Exit Requirements

- A minimum average GPA of 2.0 is required in courses used to satisfy the major.
- To avoid graduation delays, meet with your advisor to review graduation requirements before registering for your last term.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at honors.ucf.edu/research

Related Programs

- Human Communication Minor
- Mass Media Minor

Advising Notes

- Students should consult with an NASSC advisor.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.

Program Academic Learning Compacts

Intelligence and National Security Certificate

College

College of Sciences

Department

School of Politics, Security, and International Affairs

Program Type

Certificate

Program Description

College of Sciences

School of Politics, Security, and Intl Affairs

Howard Phillips Hall (HPH), 302

407-823-2608

Politics@ucf.edu

Professor: Dr. Tom Dolan

407-823-2608

This certificate introduces students to the fundamentals of intelligence and national security, and allows for students to specialize in one or more different areas that are appropriate for a career in these fields. This certificate will be helpful for students majoring in any field who are interested in careers in intelligence and national security, and particularly for students in Political Science, International and Global Studies, and Criminal Justice.

Admission Requirements

- None

Certificate Requirements

- A grade of "C" (2.0) or better for all classes is required in courses counting towards the certificate.
- At least 9 hours used in the certificate must be taken at UCF.
- Internships, independent study and substitute courses/new courses are allowed at the director's discretion (for a maximum of 3 credit hours).

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Program Details

Required Courses (9 Credit Hours)

- INR 2002 - International Relations-Theory and Practice **Credit Hours: 3**
- INR 4364 - The Intelligence Community **Credit Hours: 3**

At least one of the following (if more than one course is taken it will count as a restricted elective):

INR 4367: Intelligence Process Credits / Units: 3

POS 4340: Research Methods and Intelligence Credits / Units: 3

- INR 4363 - Intelligence Analysis and Reporting **Credit Hours: 3**

Restricted Electives (3 Credit Hours)

Select one course from the following list:

- CCJ 4076 - Crime Intelligence and Investigative Support Analysis **Credit Hours: 3**
- CCJ 4641 - Organized Crime **Credit Hours: 3**
- CCJ 4644 - White Collar Crime **Credit Hours: 3**
- CCJ 4651 - Drugs and Crime **Credit Hours: 3**
- CJT 3803 - Security Management **Credit Hours: 3**

Program Description

The Intercultural Communication Minor is designed to provide students with understanding of key patterns of cultural values and communication behaviors, develop competence in communicating across cultural boundaries, and introduce students to ethical issues in intercultural communication through a study abroad or study local focus.

Minor Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy the minor.
- Lower division courses taken at Florida College System institutions do not substitute for upper division courses.

Prerequisite Courses

- Some courses for this minor will have prerequisites completed as a part of a student's GEP requirement, as general electives, or a student can enroll into courses with consent of instructor.

Degree Requirements

Required Courses
6 Total Credits

- Complete all of the following
 - Complete the following:
 - COM4461 - Intercultural Communication (3)
 - Earn at least 3 credits from the following types of courses:
COM 4934C - Topics in Intercultural Communication Credit Hours: 3

Specializations
12 Total Credits

- Complete 1 of the following
 - Specialization A: Study Abroad

- Complete all of the following
 - Earn at least 9 credits from the following types of courses:
Approved NSCM Study Abroad courses.
 - Complete 3 credits of additional international-focused coursework from the following or an additional, approved NSCM Study Abroad course.
 - Earn at least 3 credits from the following:
 - ANT3241 - Magic, Ritual, and Belief (3)
 - ANT3302 - Sex, Gender and Culture (3)
 - ANT3610 - Language and Culture (3)
 - ANT4480 - Global Health in Anthropological Perspective (3)
 - ANT4702 - Culture, Inequality and Global Development (3)
 - COM4014 - Gender Issues in Communication (3)
 - COM4563 - Principles of Social Innovation and Activism (3)
 - FIL3831 - Black Cinema (3)
 - FIL3842 - International Cinema (3)
 - FIL3845 - World Cinema Traditions (3)
 - MMC4300 - International Media (3)
 - RTV4403 - Electronic Media, Technology, and Society (3)
 - SYD3700 - Race and Ethnicity (3)
 - SYO4323 - Community and Diversity (3)
 - SYP4454 - Global Inequality and Society (3)
 - WST3460 - Women, Race and Struggle (3)

Specialization B: Study Local

- Complete all of the following
 - Earn at least 3 credits from the following types of courses:
COM 4903H Honors Directed Reading I COM 4912 Research COM 4941 Domestic Internship
COM 4945 - Domestic Practicum COM 4970H Honors Undergraduate Thesis OR 3 hours of
approved NSCM study abroad courses
 - Of the following, no more than 6 hours can be taken from the same department.
 - Earn at least 9 credits from the following:
 - ANT3241 - Magic, Ritual, and Belief (3)
 - ANT3302 - Sex, Gender and Culture (3)
 - ANT3610 - Language and Culture (3)
 - ANT4480 - Global Health in Anthropological Perspective (3)
 - ANT4702 - Culture, Inequality and Global Development (3)
 - COM4014 - Gender Issues in Communication (3)
 - ANT3311 - Indians of the Southeastern United States (3)

Is this program available 100% online?

Yes

UCF Online

International and Global Studies (B.A.) may be completed fully online , although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees.

Admission Requirements

None.

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog
- Co-op or internship credit cannot be used in this major without prior school approval
- Students should consult with a school advisor
- School Residency Requirement consists of at least 21 semester hours of regularly scheduled courses taken from the UCF School of Politics, Security, and Intl Affairs
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Most courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours

Double major/dual degree policy in Political Science programs and minors:

- Students who double major/degree in any Political Science track and International and Global Studies shall not count more than two courses toward both programs, with the exception of:
 - POS 2041 - American National Government
 - POS 3703 - Scope and Methods of Political Science
- Students who major in International and Global Studies, and minor in Political Science, shall not count more than one course toward both programs, except for the following course.
 - POS 2041 - American National Government

General Education (GEP)

GEP Notes

0 Total Credits

- At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC1608 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)

Mathematical Foundation
6 - 7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - MGF1106 or MGF1107 - Preferred
 - You may substitute a higher-level MAC course with an appropriate score on the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)

- MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
- GEP 8- Mathematical Foundation
- Complete all of the following
 - STA2014 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)

Social Foundation
6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete the following:
 - POS2041 - American National Government (3)

Science Foundation
6 - 8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Degree Requirements

Core Requirements: Basic Level

3 Total Credits

- Complete all of the following
 - In addition to completing POS2041 (GEP).
 - Complete the following:
 - INR2002 - International Relations-Theory and Practice (3)

Core Requirements: Advanced Level

15 Total Credits

- Complete all of the following
 - Complete the following:
 - CPO3103 - Comparative Politics (3)
 - GEO3471 - World Political Geography (3)
 - INR4008 - Global Perspectives (3)
 - INR4603 - International Relations Theory (3)
 - POS3703 - Scope and Methods of Political Science (3)
 - POS4961 - Exit Course
 - Note: POS4961 is taken in the graduating semester.

Restricted Electives

9 Total Credits

- Complete all of the following
 - Students must meet all prerequisites before taking these classes.
 - Other courses may be substituted with school approval.
 - Regional
 - Complete at least of the following:
 - CPO3034 - Politics of Developing Areas (3)
 - CPO3104 - Politics of Western Europe (3)
 - CPO3132 - Canadian Politics (3)
 - CPO3403 - Politics of the Middle East (3)
 - CPO3614 - Politics of Eastern Europe (3)
 - CPO4101 - Politics of the European Union (3)
 - CPO4123 - Government and Politics of Great Britain (3)
 - CPO4303 - Comparative Latin American Politics (3)
 - CPO4400 - Kurdish Politics: Identity, Violence, and Democracy (3)
 - CPO4514 - Politics of East Asia (3)
 - CPO4541 - Chinese Politics (3)
 - CPO4553 - Politics of Japan (3)
 - CPO4643 - Government and Politics of Russia (3)
 - CPO4710 - Women in Comparative Politics (3)
 - INR3250 - Politics of Pan-Africanism (3)
 - INR3253 - International Politics of Africa (3)
 - INR4224 - Contemporary International Politics of Asia (3)
 - INR4243 - International Politics of Latin America (3)
 - INR4274 - International Politics of the Middle East (3)

Functional

- Complete all of the following
 - Complete at least 3 of the following:
 - CPO3057 - Contemporary Revolution and Political Violence (3)
 - CPO4062 - Comparative Judicial Process (3)
 - CPO4074 - Political Economy (3)
 - CPO4731 - Politics of Democratization (3)
 - CPO4754 - Comparative Political Institutions (3)
 - CPO4784 - Political and Economic Inequality in Comparative Perspective (3)
 - CPO4731 - Politics of Democratization (3)
 - INR3016 - Global Political Issues (3)
 - INR4011 - Politics of Globalization (3)
 - INR4030 - Diplomacy (3)

- INR4035 - International Political Economy (3)
 - INR4054 - Global Politics of Energy (3)
 - INR4060 - Causes of War (3)
 - INR4063 - The Cold War (3)
 - INR4074 - Immigration Policy (3)
 - INR4075 - Human Rights Policy (3)
 - INR4076 - Global Drug Policy (3)
 - INR4084 - Politics of International Terrorism (3)
 - INR4085 - Women, Gender, and Globalization (3)
 - INR4102 - American Foreign Policy (3)
 - INR4104 - Topics and Cases in American Foreign Policy (3)
 - INR4114 - American Security Policy (3)
 - INR4115 - Strategic Weapons and Arms Control (3)
 - INR4225 - The Vietnam War (3)
 - INR4304 - Issues in International Public Policy (3)
 - INR4335 - Coercion in International Politics (3)
 - INR4350 - Global Environmental Politics (3)
 - INR4351 - International Environmental Law (3)
 - INR4363 - Intelligence Analysis and Reporting (3)
 - POS4407 - The Intelligence Community (3)
 - INR4401 - International Law (3)
 - INR4404 - Space Law (3)
 - INR4502 - International Organizations (3)
 - INR4714 - Politics of International Trade Policy (3)
 - INR4743 - Military Power and Effectiveness (3)
 - INR4744 - Militaries in World Politics (3)
 - INR4764 - Cyberwarfare Policy (3)
 - INR4765 - Emerging Space Powers (3)
 - INR4774 - Military Space Policy (3)
 - POS3733 - Designing Political Science Research (3)
 - PUP4503 - Government and Science (3)
 - PUP4510 - Space Policy (3)
- Internship (INR4941) may also be used as an elective in the Functional area.

Grand Total Credits: **27**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- To fulfill the 120 hours required of this degree, complete a required minor (see below) and select primarily from upper level courses after meeting with a school advisor. Courses may be outside the school.
- Internship Program: For students who excel, a limited number of internships may be available each semester.
- Credit for Honors in the Major, Independent Study, and Internship may be counted toward the major in International and Global Studies, provided that no more than 3 hours of either area is covered by such credits.
- Students who qualify for Senior Scholars Program may enroll in graduate level courses to satisfy major requirements to take area courses.

Foreign Language Requirements

Graduation

- Proficiency equivalent to four semesters of college instruction in a foreign language taught by the Department of Modern Languages and Literatures or Judaic Studies. Standardized examinations for foreign languages may be used to meet the requirement

Required Minors

- Students are required to complete a minor in language or area studies.
- No more than one course may be used to fulfill both this major and the minor; students may not utilize the International and Global Studies minor to complete the degree requirements for the BA in

International and Global Studies.

- The language and area studies minor requirement will be waived for students who double major in French, Latin American Studies, or Spanish.
- Select from the following (other minors may be substituted with the program coordinator's approval):
 - Aerospace Studies Minor
 - Africana Studies Minor
 - Anthropology in Multicultural Studies Minor
 - Asian Studies Minor
 - Diplomacy Minor
 - Diversity and Social Inequality Minor
 - Economics Minor
 - European Studies Minor
 - French Minor
 - Global Peace and Security Studies Minor
 - Human Communication Minor
 - Humanities and Cultural Studies Minor
 - Intelligence and National Security Minor
 - International Business Minor
 - International Engineering Minor
 - Italian Minor
 - Judaic Studies Minor
 - Latin American Studies Minor
 - Middle Eastern Studies Minor
 - Military Science Minor
 - Religion and Cultural Studies Minor
 - Russian Studies Minor
 - Spanish Minor
 - Terrorism Studies Minor
 - World Comparative Studies Minor

Program Exit Requirements

- Students must maintain a minimum cumulative GPA of 2.0 in all courses used to satisfy major requirements.
- Complete the POS 4941 Exit Course during the student's graduating semester.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 48 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

High Impact Learning Experiences

- High Impact Learning Experiences are available to all students. Interested students may select from the following options:
 - POS 3940 Internship*
 - POS 3955 Study Abroad*
 - POS 4903H Honors Directed Reading I*
 - POS 4904H Honors Directed Reading II*
 - POS 4912 Directed Independent Research*
 - POS 4941 Internship*
 - POS 4955 Study Abroad*
 - POS 4970H Undergraduate Honors Thesis*
 - Any course designated as Research Intensive
 - Any course designated as Service Learning
 - Any course designated as an Integrated Learning Experience

* These courses may also be taken with an INR, CPO, PUP, or POT prefix.

Honors In Major

- Application and admissions through The Burnett Honors College. More information about Honors in the Major can be found at honors.ucf.edu/research
- Interested students who meet the requirements are encouraged to participate in the HIM program. Contact the school for information about the program and the HIM coordinator.

Related Programs

Advising Notes

- Students should consult with a School advisor.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

407-823-2608
politics@ucf.edu

Associate Lecturer: *Dr. Paul Vasquez*
407-823-2608

Admission Requirements

None.

Program Description

Students taking the International and Global Studies Minor will examine the interactions between nations and the political processes within nations using a variety of perspectives. International aspects focus on how countries interact with one another, and how the social and cultural systems within them affect these interactions. Global studies looks at intra-national factors, such as how a state's internal characteristics impact that state's political processes. Immigration, technological advancements and internationalization of foreign policy make global studies a complementary approach to international studies.

Minor Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy the minor.
- Grades below "C" (2.0) in lower level courses are not accepted in the minor.
- At least nine hours used in the minor must be earned at UCF within the School.
- Double major/dual degree policy in Political Science programs and minors:
 1. Students who major in any Political Science track, and minor in International and Global Studies, shall not count more than one course toward both programs.
 2. Students who double minor in Political Science and International and Global Studies shall not count more than one course toward both programs. (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the School before filing for graduation.)

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

6 Total Credits

- Complete the following:
 - GEO3471 - World Political Geography (3)
 - INR4008 - Global Perspectives (3)

Restricted Electives

15 Total Credits

- Complete all of the following
 - Political Science
 - Complete all of the following
 - Substitutions require prior approval by the program advisor.
 - Earn at least 6 credits from the following:
 - INR3016 - Global Political Issues (3)

- INR3250 - Politics of Pan-Africanism (3)
- INR3253 - International Politics of Africa (3)
- INR4011 - Politics of Globalization (3)
- INR4030 - Diplomacy (3)
- INR4035 - International Political Economy (3)
- INR4054 - Global Politics of Energy (3)
- INR4060 - Causes of War (3)
- INR4063 - The Cold War (3)
- INR4074 - Immigration Policy (3)
- INR4075 - Human Rights Policy (3)
- INR4076 - Global Drug Policy (3)
- INR4084 - Politics of International Terrorism (3)
- INR4085 - Women, Gender, and Globalization (3)
- INR4102 - American Foreign Policy (3)
- INR4102 - American Foreign Policy (3)
- INR4104 - Topics and Cases in American Foreign Policy (3)
- INR4114 - American Security Policy (3)
- INR4115 - Strategic Weapons and Arms Control (3)
- INR4224 - Contemporary International Politics of Asia (3)
- INR4225 - The Vietnam War (3)

- INR4744 - Militaries in World Politics (3)
- INR4764 - Cyberwarfare Policy (3)
- INR4765 - Emerging Space Powers (3)
- INR4774 - Military Space Policy (3)

Area Studies

- Earn at least 6 credits from the following types of courses:
Two upper division courses from one of the following area studies programs: Asian Studies, European Studies, Latin American, Caribbean and Latino Studies, Middle Eastern Studies, Russian Studies Courses may not have a prefix of INR, CPO, POT, POS or PUP.

Other

- Earn at least 3 credits from the following:
 - CPO3034 - Politics of Developing Areas (3)
 - CPO3057 - Contemporary Revolution and Political Violence (3)
 - CPO3103 - Comparative Politics (3)
 - CPO3104 - Politics of Western Europe (3)
 - CPO3132 - Canadian Politics (3)
 - CPO3403 - Politics of the Middle East (3)
 - CPO3614 - Politics of Eastern Europe (3)
 - CPO4062 - Comparative Judicial Process (3)
 - CPO4074 - Political Economy (3)
 - CPO4101 - Politics of the European Union (3)
 - CPO4123 - Government and Politics of Great Britain (3)
 - CPO4303 - Comparative Latin American Politics (3)
 - CPO4400 - Kurdish Politics: Identity, Violence, and Democracy (3)
 - CPO4514 - Politics of East Asia (3)
 - CPO4541 - Chinese Politics (3)
 - CPO4553 - Politics of Japan (3)
 - CPO4643 - Government and Politics of Russia (3)
 - CPO4731 - Politics of Democratization (3)

- CPO4731 - Politics of Democratization (3)
- CPO4754 - Comparative Political Institutions (3)
- CPO4784 - Political and Economic Inequality in Comparative Perspective (3)

Grand Total Credits: **21**

Program Details

Foreign Language Requirements

- Proficiency equivalent to four semesters of college instruction in a foreign language taught by the Department of Modern Languages and Literatures or Judaic Studies. Standardized examinations for foreign languages may be used to meet the requirement.

Total Undergraduate Credit Hours Required: 21

Other Requirements

- Internship, Co-op, or Independent Study credit cannot be used toward the minor without prior School approval.

Journalism (B.A.)

Major

Program Contact Information

College of Sciences

Nicholson School of Communication and Media

Nicholson School of Communication & Media Building (NSCM), 143

Associate Instructor & Journalism Program Coordinator: Lance Speere

lance.speere@ucf.edu

Nicholson Academic Student Services Center (NASSC):

407-823-2681

nassc@ucf.edu

Admission Requirements

- The Journalism program is a limited access program that requires a separate application.
- Students should apply to become Journalism majors only after completing all requirements for admission.
- Admission is based on multiple factors, not strictly GPA.
- Students must be in good academic standing.
- Attain an overall minimum 2.5 GPA based on a minimum of 30 credit hours of college work. NOTE: Meeting the minimum GPA does not guarantee admission because students are admitted on a space available basis.
- See a NSCM advisor for additional admission criteria.
- Meet a grammar proficiency standard. Students must pass a grammar proficiency exam administered by UCF's Testing Center unless they have AP or IB credit in English or an "A-" or better in both of the following courses:
 - ENC 1101 - Composition I **Credit Hours: 3**
 - ENC 1102 - Composition II **Credit Hours: 3**

Application Deadlines

- October 1 to be admitted the next spring term
- February 1 to be admitted the next summer term
- July 1 to be admitted the next fall term

Program Description

The Journalism B.A. provides students with the skills and knowledge leading to careers in electronic and digital media. It is a limited-access degree program, which means a separate application must be submitted directly to the Nicholson School of Communication and Media in order to be considered for admission. Students choose from two focus areas:

- Digital News. For students who wish to work as writers, reporters, editors and photographers for the news media, primarily websites, newspapers and magazines.
- Electronic News. For students who desire to work in broadcast news as reporters, photographers, anchors or broadcast sports journalists.

Degree Requirements

- Students who change degree programs (other than from Journalism Pending) and select this major must adopt the most current catalog.
- The Journalism faculty strongly recommend that majors work for a student news outlet.
- Journalism majors may obtain an off-campus internship with a news organization.
- To receive credit for an internship, students must have a 2.5 GPA in their required major courses. Students with less than a 2.5 GPA will not be given academic internship credit.
- Students can enroll in a maximum of three hours of internship credit. However, the internships must be with different employers. Each internship must be approved by and supervised by a Journalism faculty advisor.
- A portfolio of representative work must be submitted to, and approved by, a faculty committee at least one semester before graduation. At least 75% of the work must be produced while at UCF.
- Co-op or internship credit cannot be used in this major without prior approval.
- Students should consult with a school advisor.
- Of the 120 hours required for graduation, 72 hours must be taken outside of the disciplines of Communication (Advertising/Public Relations, Human Communication, and Communication & Conflict) and Mass Media (Media Production & Management and Journalism). Minors in Film and Digital Media are permitted.
- The School residency requirement consists of at least 24 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Nicholson School of Communication and Media.
- The Journalism program follows the Society of Professional Journalists Code of Ethics. Students who violate the code (plagiarizing, cheating or fabricating, for example) may be removed from the program.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course.

- GEP 1 & 2- Communication Foundation
 - Complete at least 1 courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete the following:
 - SPC1608 - Fundamentals of Oral Communication (3)
- GEP 4- Historical & Cultural Foundation
 - Complete all of the following
 - AMH2010 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
- GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)

- MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- GEP 7- Mathematical Foundation
 - Complete all of the following
 - MAC1105C, MGF1106, or MGF1107 - Preferred
 - You may substitute a higher level math with appropriate scores on the Math Placement Exam, see: <https://www.sdes.ucf.edu/placement-tests/>.
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
- GEP 8- Mathematical Foundation
 - Complete all of the following
 - CGS1060C or STA2014 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)
- GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
- GEP 10- Social Foundation
 - Complete all of the following
 - POS2041 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
- GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
- GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)

- BSC1005 - Biological Principles (3)
- BSC2010C - Biology I (4)
- EVR1001 - Introduction to Environmental Science (3)
- GEO1200 - Physical Geography (3)
- GEO2370 - Resources Geography (3)
- GLY1030 - Geology and its Applications (3)
- GLY2038 - Environmental Geoscience (3)
- MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
- MET2104 - The Earth's Climate (3)

Grand Total Credits: **33 - 36**

Common Program Prerequisites (CPP) (If applicable)

- CPP completed by enrolling into SPC1608 (GEP).

Grand Total Credits: **0**

Degree Requirements

Core Requirements: Basic Level

15 Total Credits

- Complete all of the following
 - Grammar Proficiency must be satisfied before enrolling in JOU 2100C.
 - These courses may be completed before acceptance into the program.
 - A "C" or better must be earned in the basic core required courses in order to enroll into subsequent courses.
 - In addition to completing the required GEP/CPP courses (SPC1068),
 - Complete the following:
 - JOU2100C - News Reporting (3)
 - JOU3004 - History of American Journalism (3)
 - JOU3015 - Principles of Journalism (3)
 - MMC2004 - Mass Media (3)
 - MMC3200 - Mass Communication Law (3)

Core Requirements: Advanced Level

3 Total Credits

- Complete all of the following
 - These courses may be completed either before or after acceptance into the program.
 - Must earn at least a "C" (2.0) in these courses in order to enroll in subsequent courses.
 - Complete at least 1 of the following:
 - MMC4300 - International Media (3)
 - MMC4303 - Hispanics in Media in the US (3)
 - Any Nicholson School advisor approved upper-division Study Abroad course may also fulfill this requirement.

Restricted Electives

19 Total Credits

- Complete all of the following
 - These courses can only be completed after acceptance into the program.
 - Students may NOT use track-specific courses as Group A electives; students must use a different course if they have already taken one listed as a requirement in their track.
 - All prerequisites of courses will be enforced.
 - Courses taken from Group A and Group B must total 9 hours.
 - Complete 1 of the following
 - Electronic News: Select the following:
 - Complete all of the following
 - Note: Must earn at least a "C" (2.0) in these courses in order to enroll in RTV 4681
 - Television News
 - Complete the following:
 - RTV3301 - Electronic Journalism I (3)
 - RTV3304 - Electronic Journalism II (3)

- RTV3321C - Electronic News Gathering (4)

Digital News: Select the following:

- Complete all of the following
 - Note: Must earn at least a "C" (2.0) in these courses in order to enroll in JOU 4950 Senior Capstone in Journalism
 - Complete the following:
 - JOU3101C - Advanced Reporting (3)
 - RTV3321C - Electronic News Gathering (4)
 - Complete at least 1 of the following:
 - JOU4340C - Online Journalism I (3)
 - JOU4342C - Multimedia Journalism (3)

Group A:

- Complete all of the following
 - Internships must be approved in advance by the Journalism Area Coordinator
 - Students may NOT use track-specific courses (above) as Group A electives; students must use a different course if they have already taken one listed as a requirement in their track.
 - Earn at least 6 credits from the following:
 - JOU3101C - Advanced Reporting (3)
 - JOU3184C - Metro Reporting (3)
 - JOU3201 - Editing I (3)
 - JOU3202 - Editing II (3)
 - JOU3310 - Social Media Writing for Magazines (3)
 - JOU3313C - Sports Reporting (3)
 - JOU3320 - News Producing (3)
 - JOU3510 - Magazine Publishing (3)
 - JOU3951 - Knightly Latino (3)
 - JOU4181 - Public Affairs Reporting (3)
 - JOU4213C - Page Design (3)
 - JOU4300 - Feature Writing (3)
 - JOU4308 - Freelance Writing (3)
 - JOU4340C - Online Journalism I (3)
 - JOU4342C - Multimedia Journalism (3)
 - JOU4447 - Magazine Editing and Production (3)
 - JOU4941 - Internship (1 - 99)
 - PGY3610C - Photojournalism I (3)
 - PGY3620C - Photojournalism II (3)
 - RTV3301 - Electronic Journalism I (3)
 - RTV3304 - Electronic Journalism II (3)
 - RTV4591C - Webcasting I (3)
 - RTV4681C - Television News (4)
 - JOU4941 may be taken for a maximum of 3 hours.

Group B:

- Complete all of the following
 - Earn at least 3 credits from the following:
 - JOU3301 - Journalism Readings (3)
 - JOU4700 - Journalism Ethics (3)
 - JOU4941 - Internship (1 - 99)
 - MMC3420 - Mass Media Research Methods (3)
 - MMC3630 - Social Media as Mass Communication (3)
 - MMC4263 - New Media Technologies (3)
 - MMC4300 - International Media (3)
 - MMC4303 - Hispanics in Media in the US (3)
 - MMC4602 - Contemporary Media Issues (3)
 - RTV3007 - Development and Structure of Electronic Media and New Technology (3)
 - RTV3511 - Production Fundamentals and Aesthetics of Electronic Media (3)
 - RTV4403 - Electronic Media, Technology, and Society (3)
 - RTV4503 - Sports Programming in Electronic Media (3)
 - RTV4505 - Program Issues for TV & Motion Pictures (3)
 - RTV4700 - Regulation of Broadcasting (3)
 - RTV4800 - Broadcast Management (3)
 - JOU4941 may be taken for a maximum of 3 hours. Internships must be approved in advance

- by the Journalism Program Coordinator
- Additional restricted electives can be taken as approved by an advisor.

Capstone Requirements

4 Total Credits

- Complete 1 of the following
 - Electronic News:
 - Complete the following:
 - RTV4681C - Television News (4)
 - Digital News:
 - Complete the following:
 - JOU4950 - Senior Capstone in Journalism (4)

Grand Total Credits: **41**

Program Details

Electives

- To fulfill the 120 hours of this degree, select primarily from upper level courses, with school advisor's approval. Must be from outside of the Nicholson School of Communication and Media in order to not exceed the 48 credit hour cap.

Foreign Language Requirement

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language (taught by the Department of Modern Languages and Literatures or Judaic Studies) or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination. Consult with the NSCM advising staff to understand how choosing ASL impacts hours needed to graduate.

Required Minors

- Journalism majors must complete an 18 hour minor in an academic area outside of the Nicholson School of Communication and Media. The exceptions are the minors in Film (Cinema Studies) and Digital Media. When no official minor is offered, students may complete an 18-credit-hour area of concentration approved by the Program Coordinator.
- The minor or area of concentration must be from outside of the Nicholson School of Communication and Media in order to not exceed the 41 credit hour cap, the exceptions being the minors in Film (Cinema Studies) and Digital Media.

Departmental Exit Requirements

- Acceptance of portfolio by faculty.
- To avoid delaying graduation, you must request a review of requirements before registering for your last term.
- Students must achieve a minimum cumulative GPA of 2.0 in all UCF Nicholson School of Communication and Media (NSCM) courses taken in the major.
- All attempts of UCF NSCM courses that could meet major requirements are included in the major GPA calculation, including those taken beyond the minimum required (e.g. additional restricted electives).

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at honors.ucf.edu/research

Related Programs

- English, Creative Writing (B.A.)
- English, Technical Communication (B.A.)
- **NOTE: Minors taught within the Nicholson School of Communication and Media (with the exception of Film, Cinema Studies Minor and Digital Media Minor) are not open to Journalism majors.**
- English, Creative Writing Minor
- English, Linguistics Minor
- English, Literature Minor
- English, Technical Communication Minor
- Writing and Rhetoric Minor
- History Minor
- Magazine Journalism Minor
- Political Science Minor
- Sociology Minor

Advising Notes

- It is the student's responsibility to ensure that course prerequisites have been satisfied before registering for a class.
- Students are urged to contact their school advisor before registering for courses.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: <http://www.oemas.ucf.edu/alc/academiclearningcompacts.html>

Equipment Fees

- Part-Time Student: \$45 per term
- Full-Time Student: \$90 per term

Journalism Studies Minor

Nicholson Academic Student Services Center (NASSC):
407-823-2681
nassc@ucf.edu

Admission Requirements

- Not open to Ad/PR, Journalism, or Radio-TV majors

Program Description

The Journalism Studies minor is well suited for students who seek to better understand the role journalism plays in society as well as the forces that shape journalism. A key component of this minor is media literacy, which is the ability to thoughtfully analyze messages disseminated through the news media.

Minor Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy minor.
- Grades below a "C" (2.0) are not accepted in the minor.
- At least 12 hours used in the minor must be earned at UCF within the Nicholson School of Communication and Media.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

3 Total Credits

- Complete the following:
 - JOU3004 - History of American Journalism (3)

Restricted Electives

15 Total Credits

- Complete all of the following
 - Additional restricted electives can be taken as approved by an advisor.
 - Complete at least 5 of the following:
 - JOU3015 - Principles of Journalism (3)
 - JOU3301 - Journalism Readings (3)
 - JOU3510 - Magazine Publishing (3)
 - JOU4700 - Journalism Ethics (3)
 - MMC2004 - Mass Media (3)
 - MMC3200 - Mass Communication Law (3)
 - MMC4303 - Hispanics in Media in the US (3)
 - MMC4300 - International Media (3)
 - VIC3001 - Visual Communication (3)

Grand Total Credits: **18**

Total Undergraduate Credit Hours Required: 18

Other Requirements

- Internship, co-op, or independent study credit cannot be used toward the minor without school permission.

Kurdish Studies Certificate

College

College of Sciences

Department

School of Politics, Security, and International Affairs

Program Type

Certificate

Program Description

College of Sciences
School of Politics, Security, and Intl Affairs
Howard Phillips Hall (HPH), 302
407-823-2608
Politics@ucf.edu

Professor: Dr. Güneş Murat Tezcür
407-823-2040

The Kurdish people are one of the largest ethnic groups forming large minorities in Iran, Iraq, Syria, Turkey, and several European countries. They are also one of the largest ethnic groups without a state of their own in the world. Consequently, the Kurdish question remains one of the most salient trans-border issues in global politics. UCF is home to the nation's first and only academic entity dedicated to the study of Kurdish issues, the Kurdish Political Studies Program. Students who complete this certificate will develop an in-depth understanding and gain unique insights into various dimensions of Kurdish politics. This interdisciplinary certificate will contribute to intellectual growth, knowledge, and skillsets of students seeking careers in the government, academia, non-profit organizations, and private companies working on security and humanitarian issues.

Certificate Admission Requirements

- None

Certificate Requirements

- A grade of "C" (2.00) or better is required for a course to count towards the certificate.
- Nine credit hours used towards the certificate must be earned at UCF. Exceptions may be made at program director's discretion.
- At least one of the restricted electives must be at 3000 level or higher.
- At least three credit hours used towards the certificate must come from courses taken within SPSIA (INR, CPO, POS, or POT prefixes).

Prerequisite Courses

Students must satisfy each course's prerequisites before enrolling in the class.

Program Details

Required Courses

Select one course from the following (if both courses are taken, one will count as an elective)

- CPO 4400 - Kurdish Politics: Identity, Violence, and Democracy **Credit Hours: 3**
- ASH 3244 - History of the Kurds in the Middle East **Credit Hours: 3**

Restricted Electives

Select three courses from the following list.

- ANT 3275 - Anthropological Perspectives on Refugees **Credit Hours: 3**
- ARA 1120C - Elementary Arabic Language and Civilization I **Credit Hours: 4**
- ARA 1121C - Elementary Arabic Language and Civilization II **Credit Hours: 4**
- ARA 2200 - Intermediate Arabic Language and Civilization I **Credit Hours: 3**
- ARA 2201 - Intermediate Arabic II **Credit Hours: 3**
- ASH 3204 - History of Mesopotamia **Credit Hours: 3**
- ASH 3222 - Islam and Its Empires **Credit Hours: 3**
- ASH 3223 - The Modern Middle East **Credit Hours: 3**
- ASH 4243 - History of Iraq **Credit Hours: 3**
- CPO 3034 - Politics of Developing Areas **Credit Hours: 3**
- CPO 3403 - Politics of the Middle East **Credit Hours: 3**
- CPO 3403H - Honors Politics of the Middle East **Credit Hours: 3**
- CPO 4406 - Minorities and Majorities in the Middle East **Credit Hours: 3**
- FOL 1930 - Elementary Kurdish Language and Civilization I **Credit Hours: 4**
- FOL 1931 - Elementary Kurdish Language & Civilization II **Credit Hours: 4**
- INR 4075 - Human Rights Policy **Credit Hours: 3**
- INR 4084 - Politics of International Terrorism **Credit Hours: 3**
- INR 4084H - Honors Politics of International Terrorism **Credit Hours: 3**
- INR 4102 - American Foreign Policy **Credit Hours: 3**
- INR 4274 - International Politics of the Middle East **Credit Hours: 3**
- REL 3320 - Moses, Jesus and Muhammad **Credit Hours: 3**
- REL 3363 - Islam **Credit Hours: 3**

Total Undergraduate Credit Hours Required: 12

Other Requirements

- Internship, Honors in the Major Thesis, independent study, and substitute courses/new courses are allowed with the approval from the certificate advisor (up to 3 credit hours).

Mass Culture and Collective Behavior Minor

College

College of Sciences

Department

Department of Sociology

Program Type

Minor

Program Contact Information

College of Sciences
Sociology Department
Howard Phillips Hall (HPH) 403
sociology@ucf.edu

Lecturer, Social Science Program Director and Sociology Undergraduate Director: Dr. Michael Armato
407-823-7058
michael.armato@ucf.edu

Admission Requirements

- The minor is not open to sociology majors.
- Courses used to satisfy the Restricted Electives of this minor cannot be used to satisfy other sociology minors.

Program Description

This minor provides students with an opportunity to learn about sociological research within the areas of religion, sports, leisure, music, pop culture, and focuses to some extent on how people consume goods and resources in society. This leads to a working knowledge of how public opinion and contemporary social movements shape collective behavior and mass culture. The minor is especially appropriate for students majoring in Interdisciplinary Studies, the social sciences, business, or for any student seeking an enhanced understanding of socio-cultural change within modern society. Given this broad-based set of courses, someone interested in a career in sales, marketing, volunteer organizations, or social media, for example, would find this minor a good fit.

Minor Requirements

- Students must have a minimum GPA of 2.0 in courses used for the minor.
- At least 12 hours used in the minor must be earned at UCF within the Sociology Department.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

6 Total Credits

- Complete all of the following
 - Complete the following:
 - SYP4000 - Sociological Social Psychology (3)
 - Complete at least 1 of the following:
 - SYG2000 - Introduction to Sociology (3)
 - SYG2010 - Social Problems (3)

Restricted Electives

12 Total Credits

- Complete all of the following
 - Additional courses can be taken as approved.
 - Complete at least 4 of the following:
 - SYA4650C - Community Action and Involvement (3)
 - SYD4510 - Environment and Society (3)
 - SYD4810 - Women in Contemporary Society (3)
 - SYD4813 - Women, Law and Social Change (3)
 - SYD4820 - Men, Masculinities and Society (3)
 - SYG4244 - Food and Society (3)
 - SYO3000 - Contemporary Society (3)
 - SYO4200 - Religion in Society (3)

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Departmental Residency Requirement: at least 24 semester hours of regularly scheduled 3000-4000 level courses must be taken from the UCF Mathematics Department.
- Students must earn at least a "C" (2.0) in each course used to satisfy a requirement.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses satisfying major requirements.
- Co-op or internship credit cannot be used in this major.
- Students should consult with a departmental advisor.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in the General Education Program and the Common Program Prerequisites are usually completed in the first 60 hours.

- Prior to enrolling in CHM2045 and any MAC course, you must take the Chemistry Placement Test and Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>

- Note: The following courses will not satisfy any Math degree requirements:
 - MTG 4212 - Modern Geometries
 - MHF 4404 - History of Mathematics

General Education (GEP)

GEP Notes

0 Total Credits

- At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

 - Complete all of the following
 - Prior to enrolling in any MAC course, take Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - GEP 8- Mathematical Foundation
 - Complete the following:
 - COP3502C - Computer Science I (3)

Social Foundation

6 Total Credits

- Complete all of the following

- GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete the following:
 - ECO2023 - Principles of Microeconomics (3)

Science Foundation
6 - 8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete all of the following
 - (PHY2048 and PHY2048L) or PHY2048C or CHM2045C - Preferred
 - Prior to enrolling in CHM2045, take the Chemistry Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete all of the following
 - BSC2010C - Preferred
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **37 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing all of the required GEP (MAC2311C and COP3502C),
 - Complete the following:
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - MAC2313 - Calculus with Analytic Geometry III (4)
 - MAP2302 - Ordinary Differential Equations I (3)
 - If not completed as a part of the GEP, one of the following courses is also required: BSC2010C, CHM2045C, PHY2048C or PHY2048/PHY2048L.

Grand Total Credits: **11**

Degree Requirements

Core Requirements: Basic Level

4 Total Credits

- Complete all of the following
 - Basic Core
 - All courses specifically identified in the GEP (MAC2311C and COP3502C) and the CPP (MAC2312, MAC2313, MAP2302 and one of CHM2045C, BSC2010C, or PHY2048/PHY2048L or PHY2048C) are required in this program.
 - Science Core
 - Complete all of the following
 - Selection of the science sequence may need to reflect the student's track. Consult the requirements of the track before selecting the science sequence.
 - The Mathematical Biology track requires both of the following sequences: chemistry (CHM2045C, CHM2046, and CHM2046L) and biology (BSC2010C and BSC 2011C).
 - The Engineering/Physics track requires the following sequence: PHY2048C (or PHY2048 and PHY2048L) and PHY2049C (or PHY2049 and PHY2049L).
 - Earn at least 4 credits from the following types of courses:
The Science Core can be completed by earning 4 credits in any of the following:
 - - CHM2045C (may be fulfilled by GEP or CPP) and - CHM2046 and CHM2046L or - BSC2010C (may be fulfilled by GEP or CPP) and - BSC2011C or - PHY2048C (or PHY2048 and PHY2048L) (may be fulfilled by GEP or CPP) and - PHY2049C (or PHY2049 and PHY2049L)

Core Requirements: Advanced

14 Total Credits

- Complete all of the following
 - Complete the following:
 - MAA4226 - Advanced Calculus I (4)
 - MAS3105 - Matrix and Linear Algebra (4)
 - Course Not Found
 - MAS4301 - Abstract Algebra I (3)
 - MHF3302 - Logic and Proof in Mathematics (3)
 - Students are strongly encouraged to take MAA4226 (Capstone) as early as is practicable in their program.
 - Substitution of COT3100 for MHF3302 is possible with approval of Department Undergraduate Coordinator.

Restricted Electives

18 - 39 Total Credits

- Complete 1 of the following
 - General Mathematics Track
 - Complete all of the following
 - Earn at least 3 credits from the following types of courses:
Any 4000 or 5000 level courses with an MAP or MAT prefix offered by the Department of Mathematics
 - Earn at least 3 credits from the following types of courses:
Any 4000 or 5000 level courses with an MAA, MAD, MAS or MTG prefix offered by the Department of Mathematics, except MTG 4212.
 - Earn at least 12 credits from the following types of courses:
Any 4000 or 5000 level courses offered by the Department of Mathematics except MTG 4212 or MHF 4404.
 - Additional Mathematics courses can be taken as approved.
 - Mathematical Biology Track
 - Complete all of the following
 - Track Prerequisites
 - If not completed as a part of the GEP, CPP, and Core: Basic Requirements, The Mathematical Biology track requires the following sequences: - CHM2045C, CHM2046 and CHM2046L or - BSC2010C and BSC2011C
 - Track Requirements
 - Complete all of the following
 - Complete the following:
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)

- MAP4484 - Mathematical Biology (3)
 - Earn at least 3 credits from the following types of courses:
Any 4000 or 5000 level course with an MAP or MAT prefix offered by the Department of Mathematics
 - Earn at least 3 credits from the following types of courses:
Any 4000 or 5000 level course with an MAA, MAD, MAS or MTG prefix offered by the Department of Mathematics except MTG 4212.
 - Earn at least 9 credits from the following types of courses:
Select from lecture courses listed in the restricted electives areas of the Biology B.S. and/or the Biomedical Sciences bachelors programs.
 - Earn at least 9 credits from the following types of courses:
Statistics courses offered by the Department of Statistics and Data Science, 6 credit hours of which are at the upper division (3000-4999) level.
- Mathematical Economics Track
 - o Complete all of the following
 - Track Prerequisites
 - Complete ECO2023 as a part of the GEP.
 - Track Requirements
 - Complete all of the following
 - Complete the following:
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO3101 - Intermediate Microeconomics (3)
 - ECO3203 - Intermediate Macroeconomics (3)
 - ECO3410 - Mathematical Economics (3)
 - ECO4412 - Econometrics I (3)
 - MAP4113 - Probability, Random Processes and Applications (3)
 - MAP4640 - Financial Mathematics (3)
 - STA2023 - Statistical Methods I (3)
 - STA4321 - Statistical Theory I (3)
 - Earn at least 3 credits from the following types of courses:
Any 4000 or 5000 level courses with an MAA, MAD MAS or MTG prefix offered by the Department of Mathematics except MTG 4212.
 - Additional courses can be taken as approved.
 - Earn at least 6 credits from the following:
 - ECO3703 - International Microeconomics (3)
 - ECO4504 - Public Economics (3)
 - ECO4713 - International Macroeconomics (3)
 - ECP4303 - Environmental and Natural Resource Economics (3)
 - ECP4403 - Industrial Organization (3)
 - STA4322 - Statistical Theory II (3)
 - Additional courses can be taken as approved.
- Computational Track
 - o Complete all of the following
 - Track Prerequisites
 - Complete COP3502C as a part of the GEP, CPP, or Core: Basic Requirements.
 - Track Requirements
 - Complete all of the following
 - Complete the following:
 - COP3503C - Computer Science II (3)
 - MAP4303 - Ordinary Differential Equations II (3)
 - MAP4341 - Introduction to Partial Differential Equations (3)
 - MAP4371 - Numerical Methods for Differential Equations (3)
 - MAP4384 - Numerical Methods for Computational Sciences (3)
 - STA2023 - Statistical Methods I (3)
 - STA4321 - Statistical Theory I (3)
 - Earn at least 3 credits from the following types of courses:
Any 4000 or 5000 level courses with an MAA, MAD, MAS or MTG prefix offered by the Department of Mathematics except MTG 4212.
 - Earn at least 3 credits from the following types of courses:
Any 4000 or 5000 level courses offered by the Department of Mathematics except for MTG 4212 or MHF 4404.

- Earn at least 9 credits from the following:
 - COP3402 - Systems Software (3)
 - COP4020 - Programming Languages I (3)
 - COT4210 - Discrete Structures II (3)
 - COP4331C - Processes for Object-Oriented Software Development (3)
 - COP4600 - Operating Systems (3)
 - EEL4768 - Computer Architecture (3)
 - Additional courses can be taken as approved.
- Engineering/Physics Track
- Complete all of the following
 - Track Prerequisites
 - Complete PHY2048C (or PHY2048 and PHY2048L) and PHY2049C (or PHY2049 and PHY2049L) as a part of the GEP, CPP, and/or Core: Basic Requirements.
 - Track Requirements
 - Complete all of the following
 - Complete the following:
 - MAA4402 - Introduction to Complex Variables (3)
 - MAP4103 - Mathematical Modeling I (3)
 - MAP4341 - Introduction to Partial Differential Equations (3)
 - PHY3101 - General Physics Using Calculus III (3)
 - Complete at least 1 of the following:
 - EGN3321 - Engineering Analysis-Dynamics (3)
 - MAP4303 - Ordinary Differential Equations II (3)
 - MAP5435 - Advanced Mathematics for Engineers (3)
 - PHZ3113 - Introduction to Theoretical Methods of Physics (3)
 - Complete at least 1 of the following:
 - COT4500 - Numerical Calculus (3)
 - EGN3211 - Engineering Analysis and Computation (3)
 - EGN3420 - Engineering Analysis (3)
 - MAP4371 - Numerical Methods for Differential Equations (3)
 - MAP4384 - Numerical Methods for Computational Sciences (3)
 - PHZ3151 - Computer Methods in Physics (3)
 - Complete at least 1 of the following:
 - EGN3310 - Engineering Analysis-Statics (3)
 - PHY3220 - Mechanics I (3)
 - Complete at least 1 of the following:
 - EGN3343 - Thermodynamics (3)
 - PHY3513 - Thermal and Statistical Physics (3)
 - Earn at least 6 credits from the following:
 - CES4100C - Structural Analysis I and Lab (4)
 - EAS3101 - Fundamentals of Aerodynamics (3)
 - EEL3004C - Linear Circuits I (3)
 - EGM3601 - Solid Mechanics (3)
 - EGN3331C - Mechanics of Materials (3)
 - Course Not Found
 - PHY4604 - Wave Mechanics I (3)
 - PHY4605 - Wave Mechanics II (3)
 - Earn at least 6 credits from the following:
 - CWR3201 - Engineering Fluid Mechanics (3)
 - EAS4105 - Flight Mechanics (3)
 - EAS4200 - Analysis & Design of Aerospace Structures (3)
 - EAS4400 - Spacecraft Attitude Dynamics (3)
 - EAS4505 - Orbital Mechanics (3)
 - EEE3342C - Digital Systems (3)
 - EEL3470 - Electromagnetic Fields (3)
 - EEL3552C - Signal Analysis and Analog Communication (4)
 - EEL3657 - Linear Control Systems (3)
 - EEL3801C - Computer Organization (4)
 - EEL4742C - Embedded Systems (3)

- EEL4750 - Digital Signal Processing Fundamentals (3)
 - EEL4832 - Engineering Applications of Computer Methods (3)
 - EEL4851C - Engineering Data Structures (4)
 - EGN3365 - Structure and Properties of Materials (3)
 - EGN3613 - Engineering Economic Analysis (2)
 - EIN4333 - Production and Distribution Systems (3)
 - EMA4223 - Fundamentals of Mechanical Behavior of Materials (3)
 - EML3262 - Kinematics of Mechanisms (3)
 - EML3701 - Fluid Mechanics I (3)
 - EML4142 - Heat Transfer (3)
 - EML4225 - Introduction to Vibrations and Controls (3)
 - EML4313 - Intermediate System Dynamics and Controls (3)
 - EML4703 - Fluid Mechanics II (3)
 - ENV4561 - Advanced Environmental Engineering Operations & Processes (3)
 - ESI4234 - Quality Engineering (3)
 - ESI4523 - Systems Simulation (3)
 - PHY3323 - Electricity and Magnetism I (3)
 - PHY4324 - Electricity and Magnetism II (3)
 - STA4321 - Statistical Theory I (3)
 - STA4322 - Statistical Theory II (3)
 - Complete at least 1 of the following:
 - MAD4203 - Introduction to Combinatorics (3)
 - MAD4301 - Introduction to Graph Theory (3)
 - Additional courses can be taken as approved.
- Mathematical Data Analysis Track
- Complete all of the following
 - Complete the following:
 - MAD4203 - Introduction to Combinatorics (3)
 - MAD4301 - Introduction to Graph Theory (3)
 - MAP4112 - Mathematical Foundations of Machine Learning and Artificial Intelligence (3)
 - MAP4113 - Probability, Random Processes and Applications (3)
 - MAP4191 - Mathematical Modeling of Data (3)
 - MTG4324 - Topological Data Analysis (3)
 - Earn at least 6 credits from the following types of courses:
Upper division (3000-4999) statistics courses offered by the Department of Statistics and Data Science.
 - Earn at least 6 credits from the following types of courses:
4000 level (4000- 4999) courses in the Department of Computer Science.

Capstone Requirement

4 Total Credits

- Complete all of the following
 - Students are strongly encouraged to complete this course as early as is practicable in their program.
 - Complete the following:
 - MAA4226 - Advanced Calculus I (4)

Grand Total Credits: **40 - 61**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- If track allows, to fulfil the 120 hours required of this degree, select electives primarily from upper level courses and with departmental advisor's approval. May be outside of the department.

Foreign Language Requirements

Graduation

- None

Departmental Exit Requirements

- Earn a grade of "C" (2.0) or better in each course used to satisfy the degree program.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses satisfying major requirements.
- Participate in an exit interview.
- Fulfill Exit Examination requirement.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors In Major

- Application and admission through the Department and the Burnett Honors College. More information about Honors in the Major can be found at honors.ucf.edu/research
- Fulfill University requirements for Honors in the Major.

Related Programs

- Aerospace Engineering (B.S.A.E.)
- Biology (B.S.)
- Biomedical Sciences (B.S.)

- Mathematics Education Minor
- Physics Minor
- Statistics Minor
- Technological Entrepreneurship Minor

Advising Notes

- Students should consult with a department advisor.
- Students with adequate preparation can consult with the department undergraduate advisor on substituting graduate classes for departmental electives.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".
- The following substitutions are acceptable for common program prerequisites if taken as part of the AA course work prior to transferring to UCF:
 - Computer Programming: may use any programming course with a COP prefix.
 - Laboratory Science: may use any GLY, PHY, CHM or BSC course with a lab designed for science majors; however, the biology, chemistry and physics classes are core requirements and still must be taken.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

Mathematics Minor

College

College of Sciences

Department

Department of Mathematics

Program Type

Minor

Program Contact Information

College of Sciences

Department of Mathematics

Mathematical Sciences Building (MSB), 207

407-823-6284

math@ucf.edu

Associate Chair & Professor: Dr. Joseph Brennan

407-823-0147

Joseph.Brennan@ucf.edu

Admission Requirements

- The minor is not open to mathematics or math education majors.

Program Description

Minor Requirements

- A grade of "C" (2.0) or better is required in all courses used to satisfy the minor.
- At least 6 hours of upper-division courses used in the minor must be earned at UCF within the Department of Mathematics.

Prerequisite Requirements

Students must satisfy each course's prerequisites before enrolling in the class.

- MAC 2311C - Calculus with Analytic Geometry I **Credit Hours: 4**

Degree Requirements

Required Courses

15 Total Credits

- Complete the following:
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - MAC2313 - Calculus with Analytic Geometry III (4)
 - MAP2302 - Ordinary Differential Equations I (3)
 - MAS3105 - Matrix and Linear Algebra (4)

Restricted Electives

3 Total Credits

- Complete all of the following
 - Earn at least 3 credits from the following types of courses:
Select 3 credit hours from 3000 or 4000 level courses offered by the Department of Mathematics
 - The following courses CANNOT be used in this minor: MAS 3106 - Linear Algebra Credit Hours: 4
MHF 3302 - Logic and Proof in Mathematics Credit Hours: 3
MHF 4404 - History of Mathematics Credit Hours: 3
MTG 4212 - Modern Geometries Credit Hours: 4

Grand Total Credits: **18**

Program Details

Total Undergraduate Credit Hours Required: 18

Other Requirements

- Internship, Co-op, or Independent Study credit cannot be used toward the minor.
- A minimum of 6 credit hours of upper division (3000-4999) level coursework must be performed in residence in the Department of Mathematics at UCF.

Media Production and Management (B.A.)

College

College of Sciences

Department

Nicholson School of Communication and Media

Program Type

Major

Program Contact Information

**College of Sciences
Nicholson School of Communication and Media
Nicholson School of Communication & Media Building (NSCM), 130**

Associate Professor & Media Production and Management Program Coordinator: William Kinnally

william.kinnally@ucf.edu

Nicholson Academic Student Services Center (NASSC):
407-823-2681
nassc@ucf.edu

Admission Requirements

- The Media Production and Management program is a limited access program that requires a separate application.
- Students should apply to become Media Production and Management majors only after completing all requirements for admission.
- Attain an overall minimum 2.25/4.00 GPA based on a minimum of 30 credit hours of college work. Note: meeting the minimum GPA does not guarantee admission since students are admitted on a space available basis. The GPA cut-off varies each term with the quality of applicants, and during previous years, ranged upward from a minimum of 2.9.
- Receive a positive evaluation of other factors specified by the Nicholson School of Communication and Media.
- See an NASSC advisor for additional admission criteria.
- For admission to the program, students must complete or be enrolled into and complete, RTV 3007 with at least a "C" (2.0) or better (if in progress at the time of admission, students who do not earn a "C" (2.0) or better will be removed from the program).
- Students must be in good academic standing.
- Meet a grammar proficiency standard ("B" (3.0) grades or better in the following courses or pass the grammar proficiency exam).
 - ENC 1101 - Composition I **Credit Hours: 3**
 - ENC 1102 - Composition II **Credit Hours: 3**

Application Deadlines:

- October 1 to be admitted the next spring term;
- February 1 to be admitted the next summer term;
- June 1 to be admitted the next fall term.

Program Description

Degree Requirements

- Students must achieve a minimum cumulative GPA of 2.0 in all UCF Nicholson School of Communication and Media (NSCM) courses taken in the major.
- All attempts of UCF NSCM courses that could meet major requirements are included in the major GPA calculation, including those taken beyond the minimum required (e.g. additional restricted electives).
- Students who change degree programs (other than from Media Production and Management Pending) and select this major must adopt the most current catalog.
- Students may complete an internship off campus in a professional media production company or corporate operation with advisor's approval.
- Internship credit may be used in this major with prior school permission.
- Co-op credit may be used in this major with prior approval from a Media Production and Management advisor.
- Students must consult with a school advisor.
- School residency requirement consists of at least 24 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Nicholson School of Communication and Media.
- Of the 120 hours required for graduation, 72 hours must be taken outside of the disciplines of Communication and Media Studies (Media Production and Management & Journalism) represented within the Nicholson School of Communication and Media.
- Media Production and Management (MPM) majors must select their required minor from outside the Mass Media (MPM and JOU) programs to remain below the 48 credit hour school maximum.
- Students seeking to change tracks from Media Management and Operations to Production once accepted into the major, must re-apply to the Media Production and Management major under the Production track.
- A maximum of three credit hours of internship may be earned in one semester. Internship credit, plus all other hours taken within the school, must not exceed 48 hours.
- To receive credit for an internship, students must have a 2.5 GPA in their required major courses. Students with less than a 2.5 GPA will not be given academic internship credit.
- A maximum of three credit hours of internship may be earned within the 46 credit hour school maximum within the 120 credit hours required for graduation. A maximum of six credit hours of internship may be earned within the 120 credit hours required for graduation. Summer internships are available during "C" term only.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Ed Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

36 - 39 Total Credits

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course.
GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete 1 of the following
 - SPC1608 - Preferred
 - Earn a minimum grade of C in each of the following:
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - Earn a minimum grade of C in each of the following:
 - SPC1608 - Fundamentals of Oral Communication (3)
 - GEP 4- Historical & Cultural Foundation
 - Complete all of the following
 - AMH2010 - Preferred
 - Complete at least 1 courses from the following:
GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)

- EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
- GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - MAC1105C, MGF1106, or MGF1107 - Preferred
 - You may substitute a higher level math with appropriate scores on the Math Placement Test, see: <https://www.sdes.ucf.edu/placement-tests/>
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)

- MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
- GEP 8- Mathematical Foundation
 - Complete all of the following
 - CGS1060C, STA2014, or STAA2023 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)
- GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
- GEP 10- Social Foundation
 - Complete all of the following
 - POS2041 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
- GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
- GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Degree Requirements

Core Requirements: Basic Level

12 Total Credits

- Complete all of the following
 - These courses may be taken before applying to the major. Must earn at least a "C" (2.0) or better in each of the basic-core requirement and restricted elective in the major.
 - In addition to completing either SPC1603C or SPC1608 in the GEP (with a "C" or better),
 - Complete the following:
 - MMC3200 - Mass Communication Law (3)
 - RTV3007 - Development and Structure of Electronic Media and New Technology (3)
 - RTV3511 - Production Fundamentals and Aesthetics of Electronic Media (3)
 - RTV4403 - Electronic Media, Technology, and Society (3)

Core Requirements: Advanced Level
6 Total Credits

- Complete all of the following
 - These courses are only available to students who have been accepted into the major.
 - Reminder: must earn at least a "C" (2.0) for all core requirements and restricted electives in the major.
 - Complete the following:
 - MMC3420 - Mass Media Research Methods (3)
 - RTV2100 - Writing for the Electronic Media (3)

Restricted Electives
28 - 32 Total Credits

- Complete 1 of the following
 - Specialization: Select one area and complete the credit hours required by that specialization.
 - Must earn at least a "C" (2.0) or better in each core requirement and restricted elective in the major.
 - Complete all of the following
 - Production
 - Required:
 - Complete the following:
 - RTV3531 - Principles of Videography (3)
 - RTV3543C - Principles of Studio Production (4)
 - RTV3576C - Principles of Post Production (3)
 - RTV4544 - Media Production Capstone (4)
 - Select from the following:
 - Complete all of the following
 - Earn at least 14 credits from the following:
 - RTV3556C - Audio Production I (3)
 - RTV3571C - Advanced Video Post-Production (3)
 - RTV3581C - Lighting and Advanced Videography (3)
 - RTV3942L - Practicum (1 - 3)
 - RTV3590C - Production of Interactive Multimedia (3)
 - RTV4561C - Radio Production and Programming (3)
 - RTV4591C - Webcasting I (3)
 - RTV4941 - Internship (1 - 99)
 - RTV4941 may be taken for a maximum of 3 hours.
 - Capstone Requirement
 - Complete the following:
 - RTV4544 - Media Production Capstone (4)
 - Media Management & Operations
 - Complete all of the following
 - Required
 - Complete the following:
 - RTV3531 - Principles of Videography (3)
 - RTV3576C - Principles of Post Production (3)
 - Group A Electives:
 - Earn at least 16 credits from the following:
 - ADV4103 - Radio-Television Advertising (3)
 - JOU3015 - Principles of Journalism (3)

- RTV3942L - Practicum (1 - 3)
- RTV3590C - Production of Interactive Multimedia (3)
- RTV3601C - Broadcast Announcing and Performance (3)
- RTV4401 - Mass Media Effects (3)
- RTV4406 - Electronic Media Audience Measurement (3)
- RTV4505 - Program Issues for TV & Motion Pictures (3)
- RTV4561C - Radio Production and Programming (3)
- RTV4591C - Webcasting I (3)
- RTV4700 - Regulation of Broadcasting (3)
- RTV4800 - Broadcast Management (3)
- RTV4906 - Directed Independent Study (1 - 99)
- RTV4941 - Internship (1 - 99)

Group B Electives:

- Earn at least 6 credits from the following:
 - ADV3008 - Principles of Advertising (3)
 - COM4110 - Business and Professional Communication (3)
 - MMC3630 - Social Media as Mass Communication (3)
 - PUR4000 - Public Relations (3)
 - RTV4503 - Sports Programming in Electronic Media (3)

Grand Total Credits: **46 - 50**

Program Details

Electives

- To fulfill the 120 hours required of this degree, 72 hours must be taken outside of the disciplines of Communication (Advertising/Public Relations, Human Communication, and Communication & Conflict) and Mass Media (Media Production and Management, and Journalism). Minors in Film and Digital Media are permitted.

Foreign Language Requirement

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language (taught by the Department of Modern Languages and Literatures or Judaic Studies) or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination. Consult with the NSCM advising staff to understand how choosing ASL impacts hours needed to graduate.

Required Minors

- Media Production and Management (MPM) majors must complete a minor of at least 18 hours in an academic area outside the Mass Media programs (MPM and JOU).
- The following minors are suggested to complement the MPM major, but any minor except those in the Mass Media programs (MPM & JOU), may be taken:
 - Digital Media Minor
 - Film, Cinema Studies Minor
 - English, Creative Writing Minor
 - Political Science Minor
 - Sociology Minor
 - Theatre Minor

Departmental Exit Requirements

- To avoid delaying graduation, you must request a review of requirements before registering for your last term.
- Students must achieve a minimum cumulative GPA of 2.0 in all UCF Nicholson School of Communication and Media (NSCM) courses taken in the major.
- All attempts of UCF NSCM courses that could meet major requirements are included in the major GPA calculation, including those taken beyond the minimum required (e.g. additional restricted electives).

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Honors In Major

- Application and admissions through The Burnett Honors College. More information about Honors in the Major can be found at honors.ucf.edu/research.

Related Programs

- Advertising/Public Relations (B.A.)
- Digital Media (B.A.)
- Film (B.F.A.)
- Journalism (B.A.)
- Theatre Studies (B.A.)
- **NOTE: Minors taught within the Nicholson School of Communication and Media are not open to Media Production and Management majors.**
- Digital Media Minor
- Film, Cinema Studies Minor
- Marketing Minor
- Theatre Minor

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: <http://www.oeads.ucf.edu/alc/academiclearningcompacts.html>

Equipment Fees

- Part-Time Student: \$45 per term
- Full-Time Student: \$90 per term

Medical Anthropology Minor

College

College of Sciences

Department

Department of Anthropology

Program Type

Minor

Program Contact Information

College of Sciences
Anthropology Department
Howard Phillips Hall (HPH), 309
407-823-2227
anthro@ucf.edu

Associate Professor: *Dr. Joanna Mishtal*
joanna.mishtal@ucf.edu

Admission Requirements

- The minor is not open to anthropology majors.

Program Description

The Medical Anthropology minor develops students' understanding of health from the perspective of human cultural and biological diversity. Current trends in education and employment show a growing need for medical anthropology knowledge and expertise in a variety of national and international career directions. This Minor therefore prepares students for future graduate studies and work in health professions, including medicine, global health, nursing, and social work.

Minor Requirements

- Students must earn a grade of "C" (2.0) or better in all courses used to satisfy the minor.
- At least 15 hours used in the minor must be earned at UCF within the Anthropology Department.
- Only two anthropology courses can overlap for students enrolled in multiple anthropology programs (minors or certificates). (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the department before filing for graduation.)

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

6 Total Credits

- Complete the following:
 - ANT4408 - Culture, Disease, and Healing (3)
 - ANT4462 - Medical Anthropology (3)

Restricted Electives

12 - 13 Total Credits

- Complete at least 4 of the following:
 - ANT3148 - Life and Death in Ancient Egypt (3)
 - ANT3169 - Life and Death in the Ancient Andes (3)
 - ANT3275 - Anthropological Perspectives on Refugees (3)
 - ANT3290 - Anthropology of Plants and People (3)
 - ANT3302 - Sex, Gender and Culture (3)
 - ANT3701 - Engagement & Social Change: Public Anthropology (3)
 - ANT4013 - Anthropology of Fast Food (3)
 - ANT4081 - Science, Technology, and Culture (3)
 - ANT4184 - Mortuary Archaeology (3)
 - ANT4406 - Pain and Suffering: The Anthropology of Violence (3)
 - ANT4467 - Nutritional Anthropology (3)
 - ANT4480 - Global Health in Anthropological Perspective (3)
 - ANT4481 - Anthropology of Drugs and Addiction (3)
 - ANT4482 - Anthropology of Mental Health (3)
 - ANT4483 - Health and Healing in the Ancient World: An Anthropological Perspective (3)
 - ANT4516 - Human Biological Diversity (3)
 - ANT4521 - Forensic Anthropology (3)
 - ANT4525C - Human Osteology (4)
 - ANT4560 - Birth to Death: Anthropological Perspectives on Human Growth (3)
 - ANT4802 - Ethnographic Field Methods (3)

Grand Total Credits: **18 - 19**

Program Details

Total Undergraduate Credit Hours Required: 18

Other Requirements

- Relevant Internship, Research, or Independent Study credit can be used to replace one elective course only with prior approval from the minor advisor.
- One substitution for a Restricted Elective Course with another relevant course will be allowed with prior approval from the Medical Anthropology Minor advisor.

Medical Sociology Minor

College

Department

Department of Sociology

Program Type

Minor

Program Contact Information

**College of Sciences
Sociology Department
Howard Phillips Hall (HPH), 403
407-823-3744
sociology@ucf.edu**

Lecturer, Social Science Program Director and Sociology Undergraduate Director: Dr. Michael Armato
407-823-0758
michael.armato@ucf.edu

Admission Requirements

- The minor is not open to sociology majors.
- Courses used to satisfy the Restricted Electives of this minor cannot be used to satisfy other sociology minors.

Program Description

The Medical Sociology minor examines the social determinants of health and illness, and their impact on the delivery of health care and access to medical resources. The minor also examines the role social forces play in the way society views, treats, understands, and responds to illness and disease. This minor promotes an understanding of health and illness from a sociological perspective and prepares students for careers and graduate school in health related fields.

Minor Requirements

- Students are expected to have a minimum GPA of 2.0 in courses used for the minor.
- At least 12 hours used in the minor must be earned at UCF within the Sociology Department.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

6 Total Credits

- Complete all of the following
 - Complete the following:
 - SYO4400 - Medical Sociology (3)
 - Complete at least 1 of the following:
 - SYG2000 - Introduction to Sociology (3)
 - SYG2010 - Social Problems (3)

Restricted Electives

12 Total Credits

- Complete all of the following
 - Additional courses can be taken as approved.
 - Complete at least 4 of the following:
 - SYD3805 - Sociology of Sexualities (3)
 - SYD4020 - Birth, Death, and Population Trends (3)
 - SYG4244 - Food and Society (3)
 - SYO3408 - Animals and Health (3)
 - SYO3410 - Mental Health in Society (3)
 - SYO4401 - Social Determinants of Health (3)
 - SYO4402 - Sociology of Health and Illness Behavior (3)
 - SYO4424 - Men, Masculinities, and Health (3)
 - SYO4428 - Sociology of Health Care (3)
 - SYP3060 - Sociology of Sex and Reproduction (3)
 - SYP3551 - Alcohol in Society (3)
 - SYP4550 - Drug Use in Society (3)
 - SYP4730 - Aging in Society (3)
 - SYP4731 - Health and Positive Aging (3)

Native American Studies Certificate

College

College of Sciences

Department

Department of Anthropology

Program Type

Certificate

Program Contact Information

College of Sciences
Anthropology Department
Howard Phillips Hall (HPH), 309
407-823-2227
anthro@ucf.edu

Associate Lecturer & Undergraduate Coordinator: Dr. Sandra Wheeler
sandra.wheeler@ucf.edu

Program Description

This certificate provides students with a broad and diverse background in the archaeology, history and culture of Native American peoples throughout North America, Central America and South America. While this certificate has a primary focus in anthropology, course work in other departments provides a multidisciplinary approach to the study of native peoples of the Americas. This Certificate is appropriate for all UCF undergraduates and it provides an alternative to students majoring in anthropology who wish to focus on Native American Studies, but who are precluded from completing the American Indian Studies Minor.

Certificates will be awarded only at the time of degree completion.

Admission Requirements

- None

Certificate Requirements

- A minimum overall 2.0 GPA is required in courses used to satisfy the requirement.
- At least 12 hours used toward the certificate must be earned at UCF within the participating departments.
- Anthropology majors may apply only two anthropology courses from the Certificate program curriculum toward the Anthropology Major course requirements.
- Only two anthropology courses can overlap for students enrolled in multiple anthropology programs (minors and certificates). (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the department before filing for graduation.)

Prerequisite Courses

- Most courses for this certificate will have prerequisites completed as a part of a student's GEP requirement, as general electives, or a student can enroll into courses with consent of instructor.

Degree Requirements

Required Courses

6 Total Credits

- Complete the following:
 - ANT3245 - Native American Religions (3)
 - ANT3312 - Ethnology of North American Indians (3)

Restricted Electives

9 Total Credits

- Complete at least 3 of the following:
 - AMH2010 - U.S. History: 1492-1877 (3)
 - AMH2020 - U.S. History: 1877-Present (3)
 - AMH3441 - History of the Frontier: Eastern America (3)
 - AMH3580 - North American Indians (3)
 - AML3643 - Contemporary Native American Prose and Poetry (3)
 - ANT3152 - Archaeology of the Greater Southwest (3)
 - ANT3158 - Florida Archaeology (3)
 - ANT3160 - Americas Before Columbus (3)
 - ANT3161 - Ancient Mexico: Aztec to Zapotec (3)
 - ANT3163 - Mesoamerican Archaeology (3)
 - ANT3164 - Ancient Incas (3)
 - ANT3165 - Archaeology of South America (3)
 - ANT3168 - Maya Archaeology (3)
 - ANT3311 - Indians of the Southeastern United States (3)
 - ANT4153 - North American Archaeology (3)
 - CPO4794 - Indigenous Politics and the Environment (3)
 - POS3076 - American Indian Politics (3)

Grand Total Credits: **15**

Program Details

Total Undergraduate Credit Hours Required: 15

Other Requirements

- Course substitutions must be approved in advance by the Director of the Native American Studies Program.

Physics (B.A.)

College

College of Sciences

Department

Department of Physics

Program Type

Major

Program Contact Information

College of Sciences
Department of Physics
Physical Sciences Building (PSB), 430
407-823-2325
physics@ucf.edu

Associate Lecturer & Undergraduate Program Director: Dr. Elena Flitsiyan
407-823-1156

Admission Requirements

None

Program Description

Physics majors can select from two curricular options: a B.A. or B.S. in Physics. The B.A. gives students the flexibility to combine physics with another focus area in an interdisciplinary program, in particular Physics Education, Biophysics, Information Technology/Data Science, or Technical Writing.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Grades below "C" (2.0) in any required physics or mathematics courses are not acceptable; they must be repeated with a higher grade.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses taken that could meet major requirements. All attempts that could meet requirements are included in the major GPA calculation. All attempts of courses listed for the major taken beyond the minimum required are included in the GPA calculation (e.g., additional restricted electives).
- The Departmental Residency Requirement consists of at least 15 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Department of Physics.
- Physics majors are discouraged from taking courses as a transient student at a Florida College System institution, except in situations where one semester of a two semester sequence has already been taken at the Florida College System institution.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 2 (Common Program Prerequisites) are usually completed in the first sixty hours.
- Upon reaching junior standing (60 hours), Physics majors are expected to have completed the following courses and associated chemistry laboratories. These classes are prerequisites for advanced science classes and students entering the major without these classes will be unable to register for most of the advanced courses.
 - CHM2045C - Chemistry Fundamentals I
 - CHM2046 - Chemistry Fundamentals II
 - CHM2046L - Chemistry Fundamentals Laboratory
 - MAC2311C - Calculus with Analytic Geometry I
 - MAC2312 - Calculus with Analytic Geometry II
 - PHY2048 and PHY2048L - General Physics Using Calculus I course and lab (or PHY2048C)
 - PHY2049 and PHY2049L - General Physics Using Calculus II course and lab (or PHY2049C)

General Education (GEP)

GEP Notes

0 Total Credits

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.
 - Certain courses must be selected for this degree that will bring the total hours of the GEP to more than 36.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC1603C - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete all of the following
 - HUM2210 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete all of the following
 - PHI2010 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete all of the following
 - HUM2230 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)

- MUL2720 - Music of the World (3)
- PHI2010 - Introduction to Philosophy (3)
- REL2300 - World Religions (3)
- THE2000 - Theatre Survey (3)
- MUL2010 - Enjoyment of Music (3)

Mathematical Foundation
7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - GEP 8- Mathematical Foundation
 - Complete all of the following
 - STA2023 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)

Social Foundation
6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete all of the following
 - PSY2012 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete all of the following
 - ECO2023 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundation
7 - 8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Earn at least 4 credits from the following course sets:
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)
 - PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)

- GEP 12- Science Foundation
- Complete at least 1 courses from the following:
GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **38 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing all of the required GEP (MAC2311C and PHY2048/PHY2048L (or PHY2048C),
 - Complete the following:
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - MAC2313 - Calculus with Analytic Geometry III (4)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - Earn at least 4 credits from the following course sets:
 - PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)
 - PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)
 - Prior to enrolling into CHM2045C, take the Chemistry Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>

Grand Total Credits: **20**

Degree Requirements

Core Requirements: Additional
21 Total Credits

- Complete all of the following
 - Basic core fulfilled by completing all of the required GEP and CPP courses (MAC2311C, PHY2048/PHY2049L (or PHY2048C), MAC2312, MAC2313, CHM2046, CHM2046L, PHY2049/PHY2049L (or PHY2049C).
 - Complete the following:
 - MAP2302 - Ordinary Differential Equations I (3)
 - PHY3101 - General Physics Using Calculus III (3)
 - PHY3220 - Mechanics I (3)
 - PHY3323 - Electricity and Magnetism I (3)
 - PHY3513 - Thermal and Statistical Physics (3)
 - PHY4604 - Wave Mechanics I (3)
 - PHZ3113 - Introduction to Theoretical Methods of Physics (3)

Core Requirement: Laboratory
3 Total Credits

- Complete the following:
 - PHY3802L - Intermediate Physics Laboratory (3)

Core Requirements: Advanced Level
28 - 30 Total Credits

- Complete 1 of the following
 - Education Specialization
 - Complete all of the following
 - Students in this specialization must declare and be admitted to the Science Education Minor.
 - Complete the following:
 - EDF4467 - Learning Theory and Assessment (3)
 - EDG4410 - Teaching Strategies and Classroom Management (3)
 - PHY4012 - Teaching Introductory Physics (3)
 - SCE4360 - Science Instructional Analysis (4)
 - SCE4361 - Programs in Teaching Science (3)
 - TSL4080 - Theory and Practice of Teaching ESOL Students in Schools (3)
 - Earn at least 9 credits from the following types of courses:
Restricted Electives: Select 9 credits from upper division PHY, PHZ, or AST courses or approved education courses to fulfill a double major or a minor in Science Education - Physics. The elective courses will be selected with advisor approval.
 - Biophysics Specialization
 - Complete all of the following
 - Complete the following:
 - BSC2011C - Biology II (4)
 - CHM2210 - Organic Chemistry I (3)
 - CHM2211 - Organic Chemistry II (3)
 - CHM2211L - Organic Laboratory Techniques I (2)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - Earn at least 6 credits from the following types of courses:
Restricted Electives: Select 6 credits from upper division PHY, PHZ, or AST courses. The elective courses will be selected with advisor approval.
 - Earn at least 9 credits from the following types of courses:
Directed Electives: Select 9 credits from upper division biology or chemistry. The elective courses will be selected with advisor approval. Additional restricted/directed electives can be taken as approved by an advisor. Pre-medical students are advised to select from the following: BCH 4053 - Biochemistry I Credit Hours: 3 BCH 4054 - Biochemistry II Credit Hours: 3 PCB 3703C - Human Physiology Credit Hours: 4 PCB 3063 - Genetics Credit Hours: 3 PCB 3063L - Genetics Laboratory Credit Hours: 1
 - Information Technology/ Data Science Specialization
 - Complete all of the following
 - Complete the following:
 - CIS3362 - Cryptography and Information Security (3)
 - COP3223C - Introduction to Programming with C (3)
 - COP3330 - Object Oriented Programming (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - MAD2104 - Foundations of Discrete Math (3)
 - Earn at least 6 credits from the following types of courses:
Restricted Electives: Select 6 credits from upper division PHY, PHZ, or AST courses. The elective courses will be selected with advisor approval.
 - Earn at least 6 credits from the following types of courses:
Directed Electives: Select 6 credits from the following, or other approved upper division computer science, mathematics or engineering. Electives should be selected with advisor approval. CDA 3103C - Computer Logic and Organization Credit Hours: 3 COP 3402 - Systems Software Credit Hours: 3 COP 4516C - Problem Solving Techniques and Team Dynamics Credit Hours: 3 Additional restricted/directed electives can be taken as approved by an advisor.
 - Technical Writing Specialization
 - Complete all of the following
 - Complete the following:
 - ENC3241 - Writing for the Technical Professional (3)
 - ENC4218 - Visual Technical Communication (3)
 - ENC4280 - Technical Writing Style (3)
 - ENC4290 - Usability Testing for Technical Communication (3)
 - ENC4293 - Documentation and Project Management (3)
 - Earn at least 9 credits from the following types of courses:

Restricted Electives: Select 9 credits from upper division PHY, PHZ, or AST courses. The elective courses will be selected with advisor approval.

- Earn at least 6 credits from the following types of courses:

Directed Electives: Select 6 credits from upper division writing or communication courses. The elective courses will be selected with advisor approval. ENC 4262 - International

Technical Communication Credit Hours: 3 ENC 3455 - Writing about Science and Technology Credit Hours: 3 ENC 3314 - Writing and Rhetoric Foundations Credit Hours: 3 ENC 3351 - Writing for Publication Credit Hours: 3 ENC 3250 - Professional Writing Credit Hours: 3 LIT 4433 - Literature of Science and Technology Credit Hours: 3 Additional restricted/directed electives can be taken as approved by an advisor.

Grand Total Credits: **52 - 54**

Program Details

Total Semester Hours Required: 120

Electives

- To fulfil the 120 hours required in this degree, complete additional elective courses that are selected with advisor approval.

Foreign Language Requirements

Graduation

- Proficiency equivalent to one year of college instruction in a foreign language taught by the Department of Modern Languages and Literatures or Judaic Studies. Standardized examinations for foreign languages may be used to meet the requirement.

Departmental Exit Requirements

- Grades below "C" (2.0) in any required physics or mathematics courses are not acceptable; they must be repeated with a higher grade.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses taken that could meet major requirements.
- All attempts that could meet requirements are included in the major GPA calculation. All attempts of courses listed for the major taken beyond the minimum required are included in the GPA calculation (e.g., additional restricted electives).
- Students will be required to take a nationally normed test in Physics during their last year.
- Students will have an exit interview in their last semester with a representative of the Physics Undergraduate Committee.

University Minimum Exit Requirements

- A 2.0 UCF GPA.
- 42 semester hours of upper division credit completed.
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at honors.ucf.edu/research.

Related Programs

- None

Advising Notes

- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".
- The following substitutions for common program prerequisites are acceptable if taken prior to transferring to UCF:
 - CHM2045C: may use CHM1040 plus CHM1041 or CHM2040C plus CHM2041C

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

Admission Requirements

None

Program Description

The B.S. in Physics is intended to prepare students for the study of physics or a closely related subject in graduate school. Physics majors can select from five distinct specializations to earn their physics degree, as described below in the Core Requirements, Advanced Level. While the various specializations share a common core of courses, they also enable students to prepare specifically for certain career paths. Students should consult their faculty advisors when deciding among these specializations.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Grades below "C" (2.0) in any required physics or mathematics courses are not acceptable; they must be repeated with a higher grade.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses taken that could meet major requirements.
- All attempts that could meet requirements are included in the major GPA calculation. All attempts of courses listed for the major taken beyond the minimum required are included in the GPA calculation (e.g., additional restricted electives).
- The Departmental Residency Requirement consists of at least 15 semester hours of regularly scheduled 3000-4000 level courses taken from the UCF Department of Physics.
- Prior to enrolling in Chemistry and Math, you must take the Chemistry Placement Test and Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
- Physics majors are discouraged from taking courses as a transient student at a Florida College System institution, except in situations where one semester of a two semester sequence has already been taken at the Florida College System institution.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 2 (Common Program Prerequisites) are usually completed in the first 60 hours.
- Upon reaching junior standing (60 hours), Physics majors are expected to have completed the following courses and associated chemistry laboratories. These classes are prerequisites for advanced science classes and students entering the major without these classes will be unable to register for most of the advanced courses.
 - CHM 2045C - Chemistry Fundamentals I **Credit Hours: 4**
 - CHM 2046 - Chemistry Fundamentals II **Credit Hours: 3**
 - CHM 2046L - Chemistry Fundamentals Laboratory **Credit Hours: 1**
 - MAC 2311C - Calculus with Analytic Geometry I **Credit Hours: 4**
 - MAC 2312 - Calculus with Analytic Geometry II **Credit Hours: 4**
 - MAC 2313 - Calculus with Analytic Geometry III **Credit Hours: 4**
 - PHY 2048C - General Physics Using Calculus I (or PHY 2048 and PHY 2048L) **Credit Hours: 4**
 - PHY 2049C - General Physics Using Calculus II (or PHY 2049 and PHY 2049L) **Credit Hours: 4**

General Education (GEP)

38 - 39 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC 1603C - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)

- EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
- GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 7- Mathematical Foundation
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - GEP 8- Mathematical Foundation
 - Complete all of the following
 - COP 3502C - Preferred
 - Complete at least 1 courses from the following:

- GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)
 - GEP 9- Social Foundation
- Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
- Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
 - GEP 11- Science Foundation
- Earn at least 4 credits from the following course sets:
 - PHY 2048C
 - PHY2048C - General Physics Using Calculus I Studio (4)
 - PHY 2048 and 2048L
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2048L - General Physics Using Calculus I Laboratory (1)
 - GEP 12- Science Foundation
- Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **38 - 39**

Common Program Prerequisites (CPP) (If applicable)

20 Total Credits

- Complete all of the following
 - In addition to completing all of the required GEP (MAC2311C and PHY2048C (or PHY2048 and PHY2048L),
 - Complete the following:
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - MAC2313 - Calculus with Analytic Geometry III (4)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHM2046 - Chemistry Fundamentals II (3)
 - CHM2046L - Chemistry Fundamentals Laboratory (1)
 - Earn at least 4 credits from the following course sets:
 - PHY 2049C
 - PHY2049C - General Physics Using Calculus II Studio (4)
 - PHY 2049 and 2049L
 - PHY2049 - General Physics Using Calculus II (3)
 - PHY2049L - General Physics Using Calculus II Laboratory (1)

Grand Total Credits: **20**

Degree Requirements

Core Requirements: Additional
33 Total Credits

- Complete all of the following
 - In addition to completing all the required GEP and CPP courses,
 - Complete the following:
 - MAP2302 - Ordinary Differential Equations I (3)
 - PHY3101 - General Physics Using Calculus III (3)
 - PHY3220 - Mechanics I (3)
 - PHY3323 - Electricity and Magnetism I (3)
 - PHY3513 - Thermal and Statistical Physics (3)
 - PHY4324 - Electricity and Magnetism II (3)
 - PHY4604 - Wave Mechanics I (3)
 - PHY4605 - Wave Mechanics II (3)
 - PHZ3113 - Introduction to Theoretical Methods of Physics (3)
 - Earn at least 3 credits from the following types of courses:
 - PHY4912 - Directed Independent Research
 - Complete the following:
 - PHY3802L - Intermediate Physics Laboratory (3)

Core Requirements: Advanced Level
21 Total Credits

- Complete 1 of the following
 - General Physics Specialization
 - Complete all of the following
 - Complete the following:
 - PHY4803L - Advanced Physics Laboratory (3)
 - Complete at least 1 of the following:
 - PHY3722C - Physics Laboratory-Electronics (3)
 - PHY3752C - Physics of Scientific Instruments (3)
 - Earn at least 6 credits from the following types of courses:
 - Select from upper division PHY, PHZ, or AST courses. Additional restricted electives can be taken as approved by an advisor.
 - Earn at least 9 credits from the following types of courses:
 - Select courses at a 3000 level or higher, approved by the Physics Department. Courses must be chosen in Physics, Mathematics, Chemistry, Computer Science, or Engineering.
 - Materials Physics Specialization

- Complete all of the following
 - Complete at least 1 of the following:
 - PHY3722C - Physics Laboratory-Electronics (3)
 - PHY3752C - Physics of Scientific Instruments (3)
 - Complete at least 4 of the following:
 - EEE3350 - Semiconductor Devices (3)
 - EGN3365 - Structure and Properties of Materials (3)
 - EMA3000 - Engineering Polymeric Materials (3)
 - EMA3012C - Experimental Techniques in Materials I (3)
 - EMA3102 - Thermodynamics of Materials (3)
 - EMA3124 - Design and Selection of Materials (3)
 - PHZ3151 - Computer Methods in Physics (3)
 - EMA4125 - Phase Transformations and Microstructural Development in Materials (3)
 - EMA4013C - Experimental Techniques in Materials II (3)
 - EMA4115 - Transport Phenomena in Materials (3)
 - EMA4223 - Fundamentals of Mechanical Behavior of Materials (3)
 - EMA4307 - Kinetics of Materials (3)
 - EMA4413 - Fundamentals of Electronic Materials (3)
 - PHY4803L - Advanced Physics Laboratory (3)
 - PHZ4404 - Solid State Physics (3)
 - Earn at least 6 credits from the following types of courses:
 Select courses at a 3000 level or higher, approved by the Physics Department. Courses must be chosen in Physics, Mathematics, Chemistry, Computer Science, or Engineering.
 Additional directed electives can be taken as approved by an advisor.
- Optics and Lasers Specialization
- Complete all of the following
 - Complete the following:
 - PHY4424 - Optics (3)
 - Complete at least 1 of the following:
 - PHY3752C - Physics of Scientific Instruments (3)
 - PHY3722C - Physics Laboratory-Electronics (3)
 - Complete at least 2 of the following:
 - EEL4440C - Optical Engineering (3)
 - OSE3200 - Geometric Optics (3)
 - OSE4721 - Biophotonics (3)
 - PHY4445 - Lasers (3)
 - OSE4410 - Optoelectronics (3)
 - Earn at least 9 credits from the following types of courses:
 Select courses at a 3000 level or higher, approved by the Physics Department. Courses must be chosen in Physics, Mathematics, Chemistry, Computer Science, or Engineering.
 Additional directed electives can be taken as approved by an advisor.
- Computational Physics Specialization
- Complete all of the following
 - Complete the following:
 - COP3502C - Computer Science I (3)
 - COP3503C - Computer Science II (3)
 - PHZ3151 - Computer Methods in Physics (3)
 - Complete at least 1 of the following:
 - COT4500 - Numerical Calculus (3)
 - PHZ3150 - Introduction to Numerical Computing (3)
 - Complete at least 1 of the following:
 - PHY3722C - Physics Laboratory-Electronics (3)
 - PHY3752C - Physics of Scientific Instruments (3)
 - Earn at least 6 credits from the following types of courses:
 Select courses at a 3000 level or higher, approved by the Physics Department. Courses must be chosen in Physics, Mathematics, Chemistry, Computer Science, or Engineering.
 - COP3223C is a prerequisite for COP3502C and COT4500 and will meet a Directed Elective.
 - Additional directed electives can be taken as approved by an advisor.

Astronomy Specialization

- Complete all of the following
 - Complete the following:
 - AST2002 - Astronomy (3)
 - AST4700 - Experimental Methods in Astronomy (3)
 - Complete at least 1 of the following:
 - AST4762C - Astronomical Data Analysis (3)
 - AST5765C - Advanced Astronomical Data Analysis (3)
 - Earn at least 6 credits from the following types of courses:
Select from upper division AST courses.
 - Earn at least 6 credits from the following types of courses:
Select courses at a 3000 level or higher, approved by the Physics Department. Courses must be chosen in Physics, Mathematics, Chemistry, Computer Science, or Engineering.
Additional directed electives can be taken as approved by an advisor.

Capstone Requirement

3 Total Credits

- Earn at least 3 credits from the following types of courses:
PHY3905 - Directed Independent Studies PHY4912 - Directed Independent Research (Preferred)

Grand Total Credits: **57**

Program Details

Electives

- To fulfill the 120 hours required in this degree, select primarily from upper level courses after meeting with a departmental advisor. Courses may be outside the department.

Foreign Language Requirements

Graduation

- None

Additional Requirements

- While declared as a Physics BS major, students must complete the Professional Physics Mentoring Program annually. Exceptions will be granted on an annual basis for students who demonstrate participation on an independent and continuous physics professional mentoring plan with faculty in or affiliated to the department.

Departmental Exit Requirements

- Grades below "C" (2.0) in any required physics or mathematics courses are not acceptable; they must be repeated with a higher grade.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses taken that could meet major requirements.
- All attempts that could meet requirements are included in the major GPA calculation. All attempts of courses listed for the major taken beyond the minimum required are included in the GPA calculation (e.g., additional restricted electives).
- Students will be required to take a nationally normed test in Physics during their last year.
- Students will have an exit interview in their last semester with a representative of the Physics Undergraduate Committee

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 4 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at honors.ucf.edu/research.

UCF Online

Online Political Science, BA

Political Science (B.A.) may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees.

Admission Requirements

None

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog
- Co-op or internship credit cannot be used in this major without prior school approval
- Students should consult with a school advisor
- The School Residency Requirement consists of at least 21 semester hours of regularly scheduled courses taken from the UCF School of Politics, Security, and Intl Affairs
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

Double major/dual degree policy in Political Science programs and minors

1. Students who double major/degree in any Political Science track and International and Global Studies shall not count more than two courses toward both programs, except the following:
 - POS 2041 - American National Government
 - POS 3703 - Scope and Methods of Political Science
2. Students who major in International and Global Studies, and minor in Political Science, shall not count more than one course toward both programs, except the following:
 - POS 2041 - American National Government
3. Students who major in any Political Science track, and minor in International and Global Studies, shall not count more than one course toward both programs.
4. Students who double minor in Political Science and International and Global Studies shall not count more than one course toward both programs.
5. The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the School before filing for graduation.

General Education (GEP)

GEP Notes

0 Total Credits

- At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC1608 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete all of the following
 - For Track 1 (American Politics): AMH2010 - Preferred For Track 2 (International and Comparative): EUH2001 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)

- EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
- GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete all of the following
 - For Track 2 (International and Comparative): WOH2022 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)

Mathematical Foundation
6 - 7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation

- Complete all of the following
 - MGF1106 or MGF1107 - Preferred
 - You may substitute a higher-level MAC course with an appropriate score on the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - GEP 8- Mathematical Foundation
- Complete all of the following
 - STA2014 - Preferred
 - May substitute a higher level Statistics course
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)

Social Foundation
6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete the following:
 - POS2041 - American National Government (3)

Science Foundation
6 - 8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)

- GEO1200 - Physical Geography (3)
- GEO2370 - Resources Geography (3)
- GLY1030 - Geology and its Applications (3)
- GLY2038 - Environmental Geoscience (3)
- MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
- MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing POS2041 (GEP),
 - Complete the following:
 - POS3703 - Scope and Methods of Political Science (3)

Grand Total Credits: **3**

Degree Requirements

Core Requirements: Advanced Level

18 Total Credits

- Complete all of the following
 - In addition to completing POS2041 (GEP) and POS3703 (CPP), complete two courses from each area and the Exit Course.
 - Complete the following:
 - POS4961 - Exit Course
 - POS4961 is completed during graduating semester.
Area A: American Politics and Policy
 - Earn at least 6 credits from the following:
 - POS3076 - American Indian Politics (3)
 - POS3122 - State Government and Public Policy (3)
 - POS3173 - Southern Politics (3)
 - POS3182H - Honors Florida Politics (3)
 - POS3233 - Public Opinion (3)
 - POS3234 - Protest in American Politics (3)
 - POS3235 - Mass Media and Politics (3)
 - POS3258 - Politics in Film (3)
 - POS3272 - Civic Engagement (3)
 - POS3273 - Voting and Elections (3)
 - POS3413 - The American Presidency (3)
 - POS3424 - Congress and the Legislative Process (3)
 - POS3443 - Political Parties and Processes (3)
 - POS3463 - Interest Groups (3)
 - POS3733 - Designing Political Science Research (3)
 - POS4023 - The Politics of LGBTQ+ Policy (3)
 - POS4030 - The Politics of Sports (3)
 - POS4074 - Latino Politics (3)
 - POS4142 - Metropolitan Politics (3)
 - POS4204 - Political Behavior (3)
 - POS4244 - Political Socialization (3)
 - POS4284 - Judicial Process and Politics (3)
 - POS4412 - Presidential Campaigning (3)
 - POS4603 - American Constitutional Law I (3)
 - POS4604 - American Constitutional Law II (3)
 - POS4622 - Politics and Civil Rights (3)
 - POS4623 - Guns, Freedom and Citizenship (3)
 - POS4700 - Teaching American Politics and Government (3)
 - POS4764 - GIS for Political Analysis (3)
 - PUP3203 - Environmental Politics (3)
 - PUP3204H - Honors Sustainability (3)
 - PUP3314 - Minorities in American Politics (3)
 - PUP4003 - American Public Policy (3)

- PUP4209 - Urban Environmental Policy (3)
- PUP4323 - Women and Public Policy (3)
- PUP4404 - Education and Politics (3)
- PUP4503 - Government and Science (3)
- PUP4510 - Space Policy (3)
- PUP4744 - Government and Business (3)
- PUP4931 - Topics in Public Policy (3)

Area B: International Relations and Comparative Government

- Earn at least 6 credits from the following:
 - CPO3034 - Politics of Developing Areas (3)
 - CPO3057 - Contemporary Revolution and Political Violence (3)
 - CPO3103 - Comparative Politics (3)
 - CPO3104 - Politics of Western Europe (3)
 - CPO3132 - Canadian Politics (3)
 - CPO3403 - Politics of the Middle East (3)
 - CPO3614 - Politics of Eastern Europe (3)
 - CPO4062 - Comparative Judicial Process (3)
 - CPO4074 - Political Economy (3)
 - CPO4123 - Government and Politics of Great Britain (3)
 - CPO4123 - Government and Politics of Great Britain (3)
 - CPO4303 - Comparative Latin American Politics (3)
 - CPO4400 - Kurdish Politics: Identity, Violence, and Democracy (3)
 - CPO4514 - Politics of East Asia (3)
 - CPO4541 - Chinese Politics (3)
 - CPO4553 - Politics of Japan (3)
 - CPO4643 - Government and Politics of Russia (3)
 - CPO3614 - Politics of Eastern Europe (3)
 - CPO4731 - Politics of Democratization (3)
 - CPO4731 - Politics of Democratization (3)
 - CPO4784 - Political and Economic Inequality in Comparative Perspective (3)
 - CPO4794 - Indigenous Politics and the Environment (3)
 - GEO3471 - World Political Geography (3)
 - INR2002 - International Relations-Theory and Practice (3)
 - INR3016 - Global Political Issues (3)
 - INR3250 - Politics of Pan-Africanism (3)
 - INR3253 - International Politics of Africa (3)
 - INR4008 - Global Perspectives (3)
 - IDC5602 - Cybersecurity: A Multidisciplinary Approach (3)
 - INR4030 - Diplomacy (3)
 - INR4035 - International Political Economy (3)
 - INR4054 - Global Politics of Energy (3)
 - INR4060 - Causes of War (3)
 - INR4063 - The Cold War (3)
 - INR4074 - Immigration Policy (3)
 - INR4075 - Human Rights Policy (3)
 - INR4076 - Global Drug Policy (3)
 - INR4084 - Politics of International Terrorism (3)
 - INR4085 - Women, Gender, and Globalization (3)
 - INR4102 - American Foreign Policy (3)
 - INR4104 - Topics and Cases in American Foreign Policy (3)
 - INR4114 - American Security Policy (3)
 - INR4115 - Strategic Weapons and Arms Control (3)
 - INR4224 - Contemporary International Politics of Asia (3)
 - INR4243 - International Politics of Latin America (3)
 - INR4274 - International Politics of the Middle East (3)
 - INR4304 - Issues in International Public Policy (3)
 - INR4335 - Coercion in International Politics (3)
 - INR4350 - Global Environmental Politics (3)
 - INR4351 - International Environmental Law (3)
 - INR4360 - The Intelligence Process (3)
 - POS4407 - The Intelligence Community (3)
 - INR4401 - International Law (3)
 - INR4404 - Space Law (3)

- INR4502 - International Organizations (3)
- INR4714 - Politics of International Trade Policy (3)
- INR4743 - Military Power and Effectiveness (3)
- INR4744 - Militaries in World Politics (3)
- INR4764 - Cyberwarfare Policy (3)
- INR4765 - Emerging Space Powers (3)
- INR4774 - Military Space Policy (3)
- POS3733 - Designing Political Science Research (3)
- PUP3014 - Comparative Public Policy (3)
- PUP4510 - Space Policy (3)

Area C: Political Theory

- Complete all of the following
 - Earn at least 6 credits from the following:
 - INR4603 - International Relations Theory (3)
 - POS4206 - Political Psychology (3)
 - POT3302 - Modern Political Ideologies (3)
 - POT4003 - Political Theory (3)
 - POT4025 - Ancient, Medieval and Early Modern Political Philosophy (3)
 - POT4066 - Contemporary Political Theory (3)
 - POT4305 - Democracy, Capitalism, and the Individual (3)
 - POT4314 - Contemporary Democratic Theory (3)
 - POT4331 - Utopia/Dystopia (3)
 - POT4632 - Religion and Politics (3)
 - Other courses may be substituted with school approval.

Restricted Electives

12 Total Credits

- Complete 1 of the following
 - Complete one of the following tracks
 - American Politics and Policy Track
 - Complete all of the following
 - Earn at least 6 credits from the following:
 - POS3076 - American Indian Politics (3)
 - POS3122 - State Government and Public Policy (3)
 - POS3173 - Southern Politics (3)
 - POS3182 - Florida Politics (3)

Grand Total Credits: **30**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- To fulfill the 120 hours required of this degree, select primarily from upper level courses after meeting with a school advisor. Courses may be outside the school.
- Internship Program: For students who excel, a limited number of internships may be available each semester for three to six hours of credit. Under the Internship Director, the student is typically placed in an office of local, state, or national government, a law office, or a campaign headquarters.
- No more than 9 credits of a combination of Honors in the Major, Independent Study, and Internship may be counted toward the major in Political Science, provided that no more than 50% of an Area be covered by such credits.
- Students who qualify for Senior Scholars Program may enroll in graduate-level courses to satisfy major requirements to take Area courses.

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination.

Program Exit Requirements

- Students must maintain a minimum cumulative GPA of 2.0 in all courses used to satisfy major requirements.
- Complete the POS 4961 Exit Course during the student's graduating semester.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded

- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

High Impact Learning Experiences

High Impact Learning Experiences are available to all students. Interested students may select from the following options:

- POS 3940 Internship*
- POS 3955 Study Abroad*
- POS 4903H Honors Directed Reading I*
- POS 4904H Honors Directed Reading II*
- POS 4912 Directed Independent Research*
- POS 4941 Internship*
- POS 4955 Study Abroad*
- POS 4970H Undergraduate Honors Thesis*
- Any course designated as Research Intensive
- Any course designated as Service Learning
- Any course designated as an Integrated Learning Experience

* These courses may also be taken with an INR, CPO, PUP, or POT prefix.

Honors In Major

- Application and admissions through The Burnett Honors College. More information about Honors in the Major can be found at honors.ucf.edu/research.
- Interested students who meet the requirements are encouraged to participate in the HIM program. Contact the school for information about the program and the HIM coordinator.

Related Programs

- Economics (B.S.)
- History (B.A.)

- Diplomacy Certificate
- Intelligence and National Security Certificate
- Civics Teaching Certificate

- Economics Minor
- History Minor
- Psychology Minor
- Sociology Minor
- Philosophy Minor

Advising Notes

- Students should consult with a School advisor.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course

Evaluation".

- The following substitutions for common program prerequisites are acceptable if taken prior to transferring to UCF:
 - POS 2041: any three hours of introductory Political Science classes will satisfy the CPP. However since this course is required in the core of the major and is a prerequisite to subsequent courses, it still must be taken.
 - POS 3703: any three hours of introductory Political Science classes will satisfy the CPP. However since this course is required in the core of the major, it still must be taken.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

Equipment Fees

- Part-Time Student: \$5 per term
- Full-Time Student: \$10 per term

Political Science, Intelligence and National Security Track (B.A.)

Admission Requirements

None

Program Description

This track focuses on the fundamentals of intelligence and national security from both a theoretical and practical perspective. It is designed to be helpful to those students who wish to pursue careers in national security and the intelligence community. The required courses in the track constitute a coherent sequence that will give students a familiarity with the functions of the intelligence community and the practice of intelligence collection and analysis. The electives can provide students a solid foundation in regional or functional specialties that are relevant to careers in intelligence and national security.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Co-op or internship credit cannot be used in this major without prior school approval
- Students should consult with a school advisor
- The School Residency Requirement consists of at least 21 semester hours of regularly scheduled courses taken from the UCF School of Politics, Security, and Intl Affairs.
- All prerequisites of courses taught within the College of Sciences will be enforced
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually in the first 60 hours.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Double major/dual degree policy in Political Science programs and minors

- Students who double major/degree in any Political Science track and International and Global Studies shall not count more than two courses toward both programs, except the following courses:
 - POS 2041 – American National Government
 - POS 3703 – Scope and Methods of Political Science
- Students who major in any Political Science track, and minor in International and Global Studies, shall not count more than one course toward both programs.
- The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the School before filing for graduation.

General Education (GEP)

GEP Notes

0 Total Credits

- At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC1608 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following

- GEP 4- Historical & Cultural Foundation
 - Complete all of the following
 - AMH2010, EUH2001 or WOH2022 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
- GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- GEP 6- Historical & Cultural Foundation
 - Complete all of the following
 - Course from GEP 5 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)

Mathematical Foundation
6 - 7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - MGF1106 or MGF1107 - Preferred
 - You may substitute a higher-level MAC course with an appropriate score on the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - GEP 8- Mathematical Foundation
 - Complete all of the following
 - STA2014 - Preferred
 - May substitute a higher level statistics course
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)

Social Foundation
6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete the following:
 - POS2041 - American National Government (3)

Science Foundation
6 - 8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete at least 1 courses from the following:

GEP 12- Science Foundation

- ANT2511 - The Human Species (3)
- BSC1005 - Biological Principles (3)
- BSC2010C - Biology I (4)
- EVR1001 - Introduction to Environmental Science (3)
- GEO1200 - Physical Geography (3)
- GEO2370 - Resources Geography (3)
- GLY1030 - Geology and its Applications (3)
- GLY2038 - Environmental Geoscience (3)
- MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
- MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing POS2041 (GEP),
 - Complete the following:
 - POS3703 - Scope and Methods of Political Science (3)

Grand Total Credits: **3**

Degree Requirements

Core Requirements: Basic Level

6 Total Credits

- Complete all of the following
 - In addition to completing POS2041 (GEP) and POS3703 (CPP),
 - Complete the following:
 - CPO3103 - Comparative Politics (3)
 - INR2002 - International Relations-Theory and Practice (3)

Core Requirements: Advanced Level

3 Total Credits

- Complete all of the following
 - Complete the following:
 - POS4407 - The Intelligence Community (3)
 - POS4961 - Exit Course
 - POS4961 is completed during graduating semester

Restricted Electives

21 Total Credits

- Complete all of the following
 - Complete at least 3 of the following:
 - INR4360 - The Intelligence Process (3)
 - INR4363 - Intelligence Analysis and Reporting (3)
 - INR4942 - Intelligence Studies Capstone (3)
 - POS4300 - Research Methods and Intelligence (3)
 - Area A: American Politics and Policy
 - Complete at least 1 of the following:
 - POS3076 - American Indian Politics (3)
 - POS3122 - State Government and Public Policy (3)
 - POS3173 - Southern Politics (3)
 - POS3182 - Florida Politics (3)
 - POS3233 - Public Opinion (3)
 - POS3234 - Protest in American Politics (3)
 - POS3235 - Mass Media and Politics (3)
 - POS3258 - Politics in Film (3)
 - POS3272 - Civic Engagement (3)
 - POS3273 - Voting and Elections (3)

- POS3413 - The American Presidency (3)
- POS3424 - Congress and the Legislative Process (3)
- POS3443 - Political Parties and Processes (3)
- POS3463 - Interest Groups (3)
- POS3733 - Designing Political Science Research (3)
- POS4030 - The Politics of Sports (3)
- POS4023 - The Politics of LGBTQ+ Policy (3)
- POS4074 - Latino Politics (3)
- POS4142 - Metropolitan Politics (3)
- POS4204 - Political Behavior (3)
- POS4244 - Political Socialization (3)
- POS4412 - Presidential Campaigning (3)
- POS4603 - American Constitutional Law I (3)
- POS4604 - American Constitutional Law II (3)
- POS4622 - Politics and Civil Rights (3)
- POS4623 - Guns, Freedom and Citizenship (3)
- POS4700 - Teaching American Politics and Government (3)
- POS4764 - GIS for Political Analysis (3)
- PUP3203 - Environmental Politics (3)
- PUP3204H - Honors Sustainability (3)
- PUP3314 - Minorities in American Politics (3)
- PUP4003 - American Public Policy (3)
- PUP4209 - Urban Environmental Policy (3)
- PUP4323 - Women and Public Policy (3)
- PUP4404 - Education and Politics (3)
- PUP4503 - Government and Science (3)
- PUP4510 - Space Policy (3)
- PUP4744 - Government and Business (3)
- PUP4931 - Topics in Public Policy (3)

Area B: International Relations and Comparative Government

- Complete at least 1 of the following:
 - CPO3034 - Politics of Developing Areas (3)
 - CPO3057 - Contemporary Revolution and Political Violence (3)
 - CPO3103 - Comparative Politics (3)
 - CPO3104 - Politics of Western Europe (3)
 - CPO3132 - Canadian Politics (3)
 - CPO3403 - Politics of the Middle East (3)
 - CPO3614 - Politics of Eastern Europe (3)
 - CPO4062 - Comparative Judicial Process (3)
 - CPO4074 - Political Economy (3)
 - CPO4101 - Politics of the European Union (3)
 - CPO4123 - Government and Politics of Great Britain (3)
 - CPO4303 - Comparative Latin American Politics (3)
 - CPO4400 - Kurdish Politics: Identity, Violence, and Democracy (3)
 - CPO4514 - Politics of East Asia (3)
 - CPO4541 - Chinese Politics (3)
 - CPO4553 - Politics of Japan (3)
 - CPO4643 - Government and Politics of Russia (3)
 - CPO4710 - Women in Comparative Politics (3)
 - CPO4731 - Politics of Democratization (3)
 - CPO4754 - Comparative Political Institutions (3)
 - CPO4784 - Political and Economic Inequality in Comparative Perspective (3)
 - CPO4794 - Indigenous Politics and the Environment (3)
 - GEO3471 - World Political Geography (3)
 - INR2002 - International Relations-Theory and Practice (3)
 - INR3016 - Global Political Issues (3)
 - INR3250 - Politics of Pan-Africanism (3)
 - INR3253 - International Politics of Africa (3)
 - INR4008 - Global Perspectives (3)
 - INR4011 - Politics of Globalization (3)
 - INR4030 - Diplomacy (3)
 - INR4035 - International Political Economy (3)
 - INR4054 - Global Politics of Energy (3)

- INR4060 - Causes of War (3)
- INR4063 - The Cold War (3)
- INR4074 - Immigration Policy (3)
- INR4075 - Human Rights Policy (3)
- INR4076 - Global Drug Policy (3)
- INR4084 - Politics of International Terrorism (3)
- INR4085 - Women, Gender, and Globalization (3)
- INR4102 - American Foreign Policy (3)
- INR4104 - Topics and Cases in American Foreign Policy (3)
- INR4114 - American Security Policy (3)
- INR4115 - Strategic Weapons and Arms Control (3)
- INR4224 - Contemporary International Politics of Asia (3)
- INR4225 - The Vietnam War (3)
- INR4243 - International Politics of Latin America (3)
- INR4274 - International Politics of the Middle East (3)
- INR4304 - Issues in International Public Policy (3)
- INR4335 - Coercion in International Politics (3)
- INR4350 - Global Environmental Politics (3)
- INR4351 - International Environmental Law (3)
- INR4363 - Intelligence Analysis and Reporting (3)
- POS4407 - The Intelligence Community (3)
- INR4401 - International Law (3)
- INR4404 - Space Law (3)
- INR4502 - International Organizations (3)
- INR4714 - Politics of International Trade Policy (3)
- INR4764 - Cyberwarfare Policy (3)
- INR4765 - Emerging Space Powers (3)
- INR4744 - Militaries in World Politics (3)
- POS3733 - Designing Political Science Research (3)
- PUP3014 - Comparative Public Policy (3)
- PUP4510 - Space Policy (3)

Area C: Political Theory

- Complete at least 1 of the following:
 - INR4603 - International Relations Theory (3)
 - POS4206 - Political Psychology (3)
 - POT3302 - Modern Political Ideologies (3)
 - POT4003 - Political Theory (3)
 - POT4025 - Ancient, Medieval and Early Modern Political Philosophy (3)
 - POT4066 - Contemporary Political Theory (3)
 - POT4305 - Democracy, Capitalism, and the Individual (3)
 - POT4314 - Contemporary Democratic Theory (3)
 - POT4331 - Utopia/Dystopia (3)
 - POT4632 - Religion and Politics (3)
- Earn at least 3 credits from the following types of courses:
From any areas listed above.

Grand Total Credits: **30**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- To fulfill the 120 hours required in this degree, select primarily from upper level courses after meeting with a school advisor. Courses may be outside the school.
- Internship Program: For students who excel, a limited number of internships may be available each semester for three to six hours of credit. Under the Internship Director, the student is typically placed in an office of local, state, or national government, a law office, or campaign headquarters.
- Students who qualify for Senior Scholars Program may enroll in graduate level courses to satisfy major requirements to take Area courses.
- The following courses are not required, but serious students should consider taking these as free electives:
 - ACG 2021 - Principles of Financial Accounting

- ACG 2071 - Principles of Managerial Accounting
- BUL 3130 - Legal and Ethical Environment of Business
- ENC 3241 - Writing for the Technical Professional
- ENC 3250 - Professional Writing
- LIN 4105 - History of the English Language
- MHF 3302 - Logic and Proof in Mathematics
- PHI 2101 - Formal Logic I
- PLA 3108 - Legal Research
- PLA 3155 - Legal Writing
- POS 4941 - Political Science Internship

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination.

Program Exit Requirements

- Students must maintain a minimum cumulative GPA of 2.0 in all courses used to satisfy major requirements.
- Complete the POS 4961 Exit Course during the student's graduating semester.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

High Impact Learning Experiences

High Impact Learning Experiences are available to all students. Interested students may select from the following options:

- POS 3940 Internship*
- POS 3955 Study Abroad*
- POS 4903H Honors Directed Reading I*
- POS 4904H Honors Directed Reading II*
- POS 4912 Directed Independent Research*
- POS 4941 Internship*
- POS 4955 Study Abroad*
- POS 4970H Undergraduate Honors Thesis*
- Any course designated as Research Intensive
- Any course designated as Service Learning
- Any course designated as an Integrated Learning Experience

* These courses may also be taken with an INR, CPO, PUP, or POT prefix.

Honors In Major

- Application and admission through The Burnett Honors College. More information about Honors in the Major can be found at honors.ucf.edu/research.
- Interested students who meet the requirements are encouraged to participate in the HIM program. Contact the school for information about the program and the HIM coordinator.

Related Programs

- Economics (B.S.)
 - History (B.A.)
 - Philosophy (B.A.)
 - Legal Studies (B.A. or B.S.)
 - Criminal Justice (B.A. or B.S.)
-
- Diplomacy Certificate
 - Intelligence and National Security Certificate
 - Civics Teaching Certificate
-
- Business Minor
 - Criminal Justice Minor
 - Diplomacy Minor
 - Economics Minor
 - English, Creative Writing Minor
 - English, Technical Communication Minor
 - History Minor
 - Human Communication Minor
 - Intelligence and National Security Minor
 - Legal Studies Minor
 - Mass Media Minor
 - Philosophy Minor
 - Public Administration Minor
 - Sociology Minor
 - Writing and Rhetoric Minor

Advising Notes

- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".
- The following substitutions for common program prerequisites are acceptable if taken prior to transferring to UCF:
 - POS 2041: any three hours of introductory Political Science classes will satisfy the CPP. However since this course is required in the core of the major and is a prerequisite to subsequent courses, it still must be taken.
 - POS 3703: any three hours of introductory Political Science classes will satisfy the CPP. However since this course is required in the core of the major, it still must be taken.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

Political Science Minor

Political Science, Prelaw Track (B.A.)

College

College of Sciences

Department

School of Politics, Security, and International Affairs

Program Type

Major

Program Contact Information

College of Sciences
School of Politics, Security, and International Affairs
Howard Phillips Hall (HPH), 302
407-823-2608
politics@ucf.edu

Professor: Dr. Roger Handberg
407-823-2608

Admission Requirements

None.

Program Description

While no specific major is prescribed for admission to law school, many prelaw students elect to major in political science. These individuals usually choose the prelaw emphasis within the political science major. Prelaw students are encouraged to work closely with a prelaw advisor in planning their program. By judicious use of electives, students build a firm foundation for law school entry and acquire a broad training which can result in career options upon graduation. For further information, consult one of the School's prelaw advisors or the College of Sciences Prelaw Advisor. The following curriculum meets the requirements for a Political Science degree and prepares you for professional school.

Political Science (B.A.), Prelaw Track may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Co-op or internship credit cannot be used in this major without prior school approval
- Students should consult with a school advisor
- The School Residency Requirement consists of at least 21 semester hours of regularly scheduled courses taken from the UCF School of Politics, Security, and Intl Affairs.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours

Double major/dual degree policy in Political Science programs and minors

1. Students who double major/degree in any Political Science track and International and Global Studies shall not count more than two courses toward both programs, except the following courses;
 - POS 2041 - American National Government
 - POS 3703 - Scope and Methods of Political Science
2. Students who major in any Political Science track, and minor in International and Global Studies, shall not count more than one course toward both programs.
3. The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the School before filing for graduation.

General Education (GEP)

GEP Notes

0 Total Credits

- At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - SPC1608 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete all of the following
 - AMH2010, EUH2001 or WOH2022 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)

Mathematical Foundation

6 - 7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - MGF1106 or MGF1107 - Preferred
 - You may substitute a higher-level MAC course with an appropriate score on the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - GEP 8- Mathematical Foundation
 - Complete all of the following
 - STA2014 - Preferred
 - You may substitute a higher level statistics course.
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)

Social Foundation

6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)

- HSA2117 - Civic Engagement in the US Healthcare System (3)
- PSY2012 - General Psychology (3)
- SYG2000 - Introduction to Sociology (3)
- GEP 10- Social Foundation
- Complete the following:
 - POS2041 - American National Government (3)

Science Foundation
6 - 8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing POS2041 (GEP),
 - Complete the following:
 - POS3703 - Scope and Methods of Political Science (3)

Grand Total Credits: **3**

Degree Requirements

Core Requirements: Advanced Level
3 Total Credits

- Complete all of the following
 - In addition to completing POS2041 (GEP) and POS3703 (CPP),
 - Complete the following:
 - POS4284 - Judicial Process and Politics (3)
 - POS4961 - Exit Course
 - POS4961 is completed during graduating semester.

Restricted Electives
27 Total Credits

- Complete all of the following

- Complete at least 1 of the following:
 - INR4401 - International Law (3)
 - POS4603 - American Constitutional Law I (3)
 - POS4604 - American Constitutional Law II (3)
- Complete all of the following
 - Area A: American Politics and Policy
 - Earn at least 6 credits from the following:
 - POS3076 - American Indian Politics (3)
 - POS3122 - State Government and Public Policy (3)
 - POS3173 - Southern Politics (3)
 - POS3182H - Honors Florida Politics (3)
 - POS3233 - Public Opinion (3)
 - POS3234 - Protest in American Politics (3)
 - POS3235H - Honors Mass Media and Politics (3)
 - POS3258 - Politics in Film (3)

- PUP4510 - Space Policy (3)

Area C: Political Theory

- Earn at least 3 credits from the following:
 - INR4603 - International Relations Theory (3)
 - POS4206 - Political Psychology (3)
 - POT3302 - Modern Political Ideologies (3)
 - POT4003 - Political Theory (3)
 - POT4025 - Ancient, Medieval and Early Modern Political Philosophy (3)
 - POT4066 - Contemporary Political Theory (3)
 - POT4305 - Democracy, Capitalism, and the Individual (3)
 - POT4305 - Democracy, Capitalism, and the Individual (3)
 - POT4331 - Utopia/Dystopia (3)
 - POT4632 - Religion and Politics (3)

Any Area

- Earn at least 9 credits from the following types of courses:

Three courses chosen from Area A, B, or C.

Grand Total Credits: **30**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- Select primarily from upper level courses after meeting with a school advisor. Courses may be outside the school.
- Internship Program: For students who excel, a limited number of internships may be available each semester for three to six hours of credit. Under the Internship Director, the student is typically placed in an office of local, state, or national government, a law office, or campaign headquarters.
- Students who qualify for Senior Scholars Program may enroll in graduate level courses to satisfy major requirements to take Area courses.
- The following courses are not required, but serious students should consider taking these as free electives:
 - ACG 2021 - Principles of Financial Accounting
 - ACG 2071 - Principles of Managerial Accounting
 - BUL 3130 - Legal and Ethical Environment of Business
 - ENC 3241 - Writing for the Technical Professional
 - ENC 3250 - Professional Writing
 - LIN 4105 - History of the English Language
 - MHF 3302 - Logic and Proof in Mathematics
 - PHI 2101 - Formal Logic I
 - PLA 3108 - Legal Research
 - PLA 3155 - Legal Writing
 - POS 4941 - Political Science Internship

Foreign Language Requirements

Graduation

- Proficiency equivalent to two semesters of college instruction in a foreign language or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency examination.

Program Exit Requirements

- Students must maintain a minimum cumulative GPA of 2.0 in all courses used to satisfy major requirements.
- Complete the POS 4961 Exit Course during the student's graduating semester.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

High Impact Learning Experiences

High Impact Learning Experiences are available to all students. Interested students may select from the following options:

- POS 3940 Internship*
- POS 3955 Study Abroad*
- POS 4903H Honors Directed Reading I*

- POS 4904H Honors Directed Reading II*
- POS 4912 Directed Independent Research*
- POS 4941 Internship*
- POS 4955 Study Abroad*
- POS 4970H Undergraduate Honors Thesis*
- Any course designated as Research Intensive
- Any course designated as Service Learning
- Any course designated as an Integrated Learning Experience

* These courses may also be taken with an INR, CPO, PUP, or POT prefix.

Honors In Major

- Application and admission through The Burnett Honors College. More information about Honors in the Major can be found at honors.ucf.edu/research.
- Interested students who meet the requirements are encouraged to participate in the HIM program. Contact the school for information about the program and the HIM coordinator.

Related Programs

- Economics (B.S.)
 - History (B.A.)
 - Philosophy (B.A.)
 - Legal Studies (B.A. or B.S.)
 - Criminal Justice (B.A. or B.S.)
-
- Diplomacy Certificate
 - Intelligence and National Security Certificate
 - Civics Teaching Certificate
-
- Business Minor
 - Criminal Justice Minor
 - Diplomacy Minor
 - Economics Minor
 - English, Creative Writing Minor
 - English, Technical Communication Minor
 - History Minor
 - Human Communication Minor
 - Intelligence and National Security Minor
 - Legal Studies Minor
 - Mass Media Minor
 - Philosophy Minor
 - Public Administration Minor
 - Sociology Minor
 - Writing and Rhetoric Minor

Advising Notes

- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".
- The following substitutions for common program prerequisites are acceptable if taken prior to transferring

to UCF:

- POS 2041: any three hours of introductory Political Science classes will satisfy the CPP. However since this course is required in the core of the major and is a prerequisite to subsequent courses, it still must be taken.
- POS 3703: any three hours of introductory Political Science classes will satisfy the CPP. However since this course is required in the core of the major, it still must be taken.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oeas.ucf.edu/alc/academic_learning_compacts.htm

Politics of Race, Ethnicity, Gender, and Identity Certificate

College

College of Sciences

Department

School of Politics, Security, and International Affairs

Program Type

Certificate

Program Description

College of Sciences

School of Politics, Security and International Affairs

Howard Phillips Hall (HPH) 302

407-823-2608

Politics@ucf.edu

Professor: Barbara S. Kinsey

This certificate provides students with an introduction to the politics of race, ethnicity, gender, and identity in relation to political behavior, political institutions, and public policy in the United States. It is intended for all majors who seek to understand sources and impact of institutional racism and discrimination and identity politics. It allows for a comparative perspective and a multidisciplinary approach for a broader background. The certificate will be helpful to majors who plan to pursue graduate school, or careers in government, non-profit organizations, mass communications, and more generally, employment in the private sector.

Admission Requirements

- None

Certificate Requirements

- A minimum of 2.0 GPA is required for courses counting towards the certificate.
- At least 9 hours used toward the certificate must be taken at UCF.
- At least 6 hours toward the certificate must be Political Science courses
- Internships, independent study and substitute courses/new courses are allowed at the director's discretion (for a maximum of 3 credit hours) Prerequisite Courses
- Students must satisfy each course's prerequisites before enrolling in the class.

Program Details

Required Course (3 Credit Hours)

Select one course from the following (if both courses are taken one will count as an elective) Credits / Units: 3

- POS 4622 - Politics and Civil Rights **Credit Hours: 3**
- PUP 3314 - Minorities in American Politics **Credit Hours: 3**

Restricted Electives (9 Credit Hours)

Select three courses from the following list: Credits / Units: 9

- ANT 3451 - Race Matters: Anthropological Approaches to Racism **Credit Hours: 3**
- AMH 3560 - Women, Law, and Society in American History **Credit Hours: 3**
- AMH 3562 - Women in American History II **Credit Hours: 3**
- AMH 3572 - Black American History II **Credit Hours: 3**
- AMH 3580 - North American Indians **Credit Hours: 3**
- AMH 4575 - History of the Civil Rights Movement **Credit Hours: 3**
- CPO 4710 - Women in Comparative Politics **Credit Hours: 3**
- CPO 4794 - Indigenous Politics and the Environment **Credit Hours: 3**
- INR 3250 - Politics of Pan-Africanism **Credit Hours: 3**
- INR 4074 - Immigration Policy **Credit Hours: 3**
- INR 4075 - Human Rights Policy **Credit Hours: 3**
- INR 4085 - Women, Gender, and Globalization **Credit Hours: 3**
- LAS 4023 - African Caribbean Experience **Credit Hours: 3**
- PLA 4843 - Immigration Law and Policy **Credit Hours: 3**
- PLA 4886 - Sexuality, Gender, & the Law **Credit Hours: 3**
- POS 3076 - American Indian Politics **Credit Hours: 3**
- POS 3173 - Southern Politics **Credit Hours: 3**
- POS 3234 - Protest in American Politics **Credit Hours: 3**
- POS 4023 - The Politics of LGBTQ+ Policy **Credit Hours: 3**
- POS 4030 - The Politics of Sports **Credit Hours: 3**
- POS 4074 - Latino Politics **Credit Hours: 3**
- POS 4604 - American Constitutional Law II **Credit Hours: 3**
- PUP 4323 - Women and Public Policy **Credit Hours: 3**
- SYD 3700 - Race and Ethnicity **Credit Hours: 3**
- SYD 3772 - Race and Social Media **Credit Hours: 3**
- SYD 3800 - Sex and Gender in Society **Credit Hours: 3**
- SYD 4810 - Women in Contemporary Society **Credit Hours: 3**
- SYD 4813 - Women, Law and Social Change **Credit Hours: 3**
- WST 3015 - Introduction to Women's Studies **Credit Hours: 3**
- WST 3371 - Women and Leadership **Credit Hours: 3**
- WST 3603 - Introduction to Gender Studies **Credit Hours: 3**
- WST 4349 - Ecofeminism **Credit Hours: 3**

Total Undergraduate Hours Required: 12

Is this program available 100% online?

Yes

UCF Online

Online Psychology, BS

Admission Requirements

None.

Program Description

Psychology (B.S.) may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog
- Departmental Residency Requirement: at least 21 semester hours of regularly scheduled 3000-4000 level courses must be taken from the UCF Psychology Department
- Students must earn a grade of "C" (2.0) or better in each course used to satisfy the CPP, Core Requirements, Restricted Electives and Science Electives.
- Students must maintain a minimum cumulative GPA of 2.0 in all courses satisfying major requirements. If additional Psychology courses are taken beyond the minimum required (e.g. additional restricted electives), those courses will be included in the GPA calculation.
- Students can select only one Track.
- Co-op or internship credit cannot be used in this major without prior approval
- Additional requirements exist for students pursuing the Honors in the Major program.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

36 - 39 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete at least 1 courses from the following:
GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)

 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- GEP 7- Mathematical Foundation
- Complete all of the following
 - MAC 1105C - Preferred. You may substitute a higher level math with appropriate scores on the Math Placement Test.
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
- GEP 8- Mathematical Foundation
- Complete at least 1 of the following:
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
- GEP 9- Social Foundation
- Complete the following:
 - PSY2012 - General Psychology (3)
- GEP 10- Social Foundation
- Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
- GEP 11- Science Foundation
- Complete all of the following
 - If additional biology courses are planned, take BSC 2010C
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
- GEP 12- Science Foundation
- Complete all of the following
 - If additional biology courses are planned, take BSC 2010C
 - Complete at least 1 of the following:
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)

Grand Total Credits: **36 - 39**

Common Program Prerequisites (CPP) (If applicable)

3 Total Credits

- Complete all of the following
 - In addition to completing all of the required GEP (PSY 2012, BSC 1005 OR BSC 2010C, STA 2014C, and STA 2023),
 - Complete the following:
 - DEP2004 - Developmental Psychology (3)

Grand Total Credits: **3**

Degree Requirements

Core Requirements: Basic

0 Total Credits

- The Basic Core is fulfilled by completion of the required GEP and CPP (see above).

Core Requirements: Advanced

26 Total Credits

- Complete the following:
 - EXP3604 - Cognitive Psychology (3)
 - PSB3002 - Physiological Psychology (3)
 - PSY3024 - Psychology: Career Readiness I (2)
 - PSY3074 - Psychology: Career Readiness II (2)
 - PSY3204C - Statistical Methods in Psychology (4)
 - PSY3213C - Research Methods in Psychology (4)
 - PSY4049 - Psychology Capstone (2)
 - PSY4604 - History and Systems of Psychology (3)
 - SOP3004 - Social Psychology (3)

Restricted Electives

9 Total Credits

- Complete all of the following
 - Diversity Elective
 - Complete all of the following
 - Additional restricted electives may be added as approved.
 - Complete at least 1 of the following:
 - SOP3723 - Cross Cultural Psychology (3)
 - SOP3724 - Psychology of Prejudice (3)
 - SOP3742 - Psychology of Women (3)
 - SOP3784 - Psychology of Diversity (3)
 - Math/Science Electives
 - Complete all of the following
 - Students must meet the course prerequisites for any course they select. See course listing for prerequisites.
 - Earn at least 6 credits from the following types of courses:
 - ANT 2511 - The Human Species ANT 3541 - Biobehavioral Anthropology ANT 3550C - Primatology ANT 4516 - Human Biological Diversity ANT 4586C - Human Origins BSC 2011C - Biology II BSC 4312C - Advanced Marine Biology CHM 1020 - Concepts in Chemistry CHM 2045C - Chemistry Fundamentals I CHM 2046 - Chemistry Fundamentals II EVR XXXX - Any EVR prefix course HSA 4702 - Health Sciences Research Methods HSC 3147 - Introduction to Pharmacology MAC 2233 - Concepts of Calculus MAC 2253 - Applied Calculus MCB XXXX - Any MCB prefix course PCB 3063 - Genetics PCB 3703C - Human Physiology PHY 2053C - College Physics I Studio PSC 1121 - Physical Science STA 4102 - Computer Processing of Statistical Data STA 4163 - Statistical Methods II STA 4164 - Statistical Methods III ZOO XXXX - Any ZOO prefix course
 - Additional courses may be added as approved.

Psychology Track

15 - 16 Total Credits

- Complete 1 of the following
 - Clinical Psychology
 - Complete all of the following
 - A grade of "C" (2.0) or better is required in each course used to complete this track.
 - Complete the following:
 - CLP3143 - Abnormal Psychology (3)
 - Complete at least 4 of the following:
 - APK3400 - Sports Psychology (3)
 - CLP3004 - Behavioral Self Control (3)
 - CLP3184 - Women's Mental Health (3)
 - CLP3302 - Clinical Psychology (3)
 - CLP3413 - Contemporary Behavior Therapy (3)
 - CLP4314 - Health Psychology (3)
 - CLP4390 - Forensic Psychology (3)
 - DEP3464 - Psychology of Aging (3)
 - EAB3703 - Principles of Behavior Modification (3)
 - PCO4203 - Interviewing and Counseling (3)
 - PPE3003 - Personality Theory and Research (3)
 - PSB3441 - Psychobiological Aspects of Drugs (3)
 - PSY3302 - Psychological Measurement (3)
 - PSY4215C - Advanced Research Methods in Psychology (4)
 - SOP2772 - Sexual Behavior (3)
 - SOP3751 - Legal Aspects of Psychology (3)
 - CLP4134 - Childhood Psychopathology (3)
 - Additional courses may be added as approved.
 - Experimental
 - Complete all of the following
 - A grade of "C" (2.0) or better is required in each course used to complete this track.
 - Additional courses may be added as approved.
 - Complete at least 5 of the following:
 - EXP3304 - Motivation and Emotion (3)
 - EXP3640 - Psychology of Language (3)
 - EXP3404 - Basic Learning Processes (3)
 - EXP4507 - Advanced Human Memory and Cognition (3)
 - EXP3204 - Sensation and Perception (3)
 - PSY3302 - Psychological Measurement (3)
 - PSY3320C - Survey Methods in Psychology (3)
 - PSY3625 - Science and Pseudoscience in Psychology (3)
 - PSY4215C - Advanced Research Methods in Psychology (4)
 - General
 - Complete all of the following
 - A grade of "C" (2.0) or better is required in each course used to complete this track.
 - Earn at least 15 credits from the following types of courses:
Select any 5 courses from those taught by the Psychology department (15 to 16 Credit Hours).
 - NOTE: The following courses will NOT fulfill the General Track. INP 3141C, INP 3951, PSY 3905 Directed Independent Study PSY 4906 Directed Independent Study PSY 4912 Directed Independent Research
 - Human Factors Psychology
 - Complete all of the following
 - A grade of "C" (2.0) or better is required in each course used to complete this track.
 - Complete the following:
 - EXP3250 - Principles of Human Factors Psychology (3)
 - Complete at least 4 of the following:
 - EXP3304 - Motivation and Emotion (3)
 - EXP3204 - Sensation and Perception (3)
 - EXP4507 - Advanced Human Memory and Cognition (3)
 - PPE3003 - Personality Theory and Research (3)
 - PSB4240 - Neuropsychology (3)
 - PSY3320C - Survey Methods in Psychology (3)
 - PSY4215C - Advanced Research Methods in Psychology (4)

- Additional courses may be added as approved.
 - Industrial/Organizational Psychology
 - Complete all of the following
 - A grade of "C" (2.0) or better is required in each course used to complete this track.
 - Complete the following:
 - INP3004 - Industrial/Organizational Psychology (3)
 - Earn at least 12 credits from the following:
 - CLP4314 - Health Psychology (3)
 - EXP3304 - Motivation and Emotion (3)
 - EXP3404 - Basic Learning Processes (3)
 - INP3141C - Advanced Applied Psychology (1 - 3)
 - INP3951 - Industrial/Organizational Field Work (3)
 - INP4313 - Organizational Psychology (3)
 - INP4380 - Psychology of Teamwork (3)
 - PPE3003 - Personality Theory and Research (3)
 - PSY3302 - Psychological Measurement (3)
 - PSY4215C - Advanced Research Methods in Psychology (4)
 - Additional courses may be added as approved.
- Neuroscience
 - Complete all of the following
 - A grade of "C" (2.0) or better is required in each course used to complete this track.
 - Complete the following:
 - PSB4240 - Neuropsychology (3)
 - Complete at least 4 of the following:
 - EXP3204 - Sensation and Perception (3)
 - EXP3304 - Motivation and Emotion (3)
 - PSB3441 - Psychobiological Aspects of Drugs (3)
 - PSB3842 - Sleep and Dreams (3)
 - PSY4215C - Advanced Research Methods in Psychology (4)
 - Additional courses may be added as approved.

Capstone Requirement
2 Total Credits

- Complete the following:
 - PSY4049 - Psychology Capstone (2)

Grand Total Credits: **52 - 53**

Program Details

Electives

- To fulfill the 120 hours required in this degree, select primarily from upper level courses after meeting with a departmental advisor. Courses may be outside the department.

Foreign Language Requirements

Graduation

- Proficiency equivalent to one year of college instruction in either a foreign language, or two semesters equivalent of American Sign Language. Standardized examinations may be used to meet the requirement.

Departmental Exit Requirements

- Students must earn at least a "C" (2.0) in each course used to satisfy the CPP, Core Requirements, Restricted Electives and Science Electives.
- Students must maintain a minimum cumulative GPA of 2.0 in all courses satisfying major requirements. If additional Psychology courses are taken beyond the minimum required (e.g., additional restricted electives), those courses will be included in the GPA calculation.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 60 semester hours earned after CLEP awarded
- 42 semester hours of upper division credit completed
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120 Honors In Major

Additional Requirements: 6 Credit Hours

- The Honors in Psychology is available to majors who show outstanding scholarship and promise in psychology.
- Apply and be accepted into the program through the department and The Burnett Honors College. More information about Honors in the Major can be found at honors.ucf.edu/research.
- Fulfill University requirements for Honors in the Major.
- Earn an overall UCF GPA above 3.2.
- All grades in Psychology courses must be a "B" (3.0) or higher.
- Have a Psychology GPA above 3.5, based on at least 11 credits, including the following course.
 - PSY 3213C - Research Methods in Psychology **Credit Hours: 4**
 - PSY 4903H - Honors Directed Reading I **Credit Hours: 3**
 - PSY 4970H - Undergraduate Honors Thesis **Credit Hours: 3**

Advising Notes

- Visit the Psychology Advising Center (PSY 250); walk-in advising available Monday and Friday from 9 to 5.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Acceptable Substitutes for Transfer Courses
 - The following substitutions for common program prerequisites are acceptable if taken prior to transferring to UCF:
 - Biology; any lower level BSC course or ZOO X010 will satisfy the CPP. However, the course is required in the core and still must be taken. In addition, the advanced course is a prerequisite for some courses.
 - Statistics; any lower level STA course will satisfy the CPP. However, the course is required in the core and still must be taken. In addition, they are prerequisites for some courses.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.o eas.ucf.edu/alc/academic_learning_compacts.htm

Equipment Fees

- Part-Time Student: \$13.00 per term
- Full-Time Student: \$26 per term

Psychology Minor

College

College of Sciences

Department

Department of Psychology

Program Type

Minor

Program Contact Information

**College of Sciences
Psychology Department
Psychology Building (PSY), 301
407-823-4344
psyinfo@ucf.edu**

**Psychology Advising Center
Psychology Building (PSY), 250
407-823-2219
psychadvising@ucf.edu**

Admission Requirements

- The minor is not open to psychology majors.

Program Description

The Psychology Minor permits emphasis of several areas; Clinical Psychology, Human Factors Psychology, and Industrial/Organizational Psychology. When designing a minor, select courses which strengthen graduate school preparation and/or employment potential. Emphasis areas will not appear on the transcript.

Minor Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy the minor.
- Students must maintain a minimum GPA of "C" (2.0) in the minor.
- At least 12 hours used in the minor must be earned at UCF within the Psychology Department.

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

10 Total Credits

- Complete all of the following
 - Complete the following:
 - PSY2012 - General Psychology (3)
 - PSY3204C - Statistical Methods in Psychology (4)
 - Complete at least 1 of the following:
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)

Restricted Electives

15 Total Credits

- Complete all of the following
 - Experimental
 - Complete at least 1 of the following:
 - EXP3204 - Sensation and Perception (3)
 - EXP3404 - Basic Learning Processes (3)
 - EXP3604 - Cognitive Psychology (3)
 - EXP3640 - Psychology of Language (3)
 - PSB4240 - Neuropsychology (3)
 - Personality/Social
 - Complete at least 1 of the following:
 - PPE3003 - Personality Theory and Research (3)
 - SOP3004 - Social Psychology (3)
 - Developmental
 - Complete at least 1 of the following:
 - DEP2004 - Developmental Psychology (3)
 - DEP3464 - Psychology of Aging (3)
 - Diversity
 - Complete all of the following
 - Additional courses may be added as approved.
 - Complete at least 1 of the following:
 - CLP3184 - Women's Mental Health (3)
 - SOP3723 - Cross Cultural Psychology (3)
 - SOP3724 - Psychology of Prejudice (3)
 - SOP3742 - Psychology of Women (3)
 - SOP3784 - Psychology of Diversity (3)
 - Other Psychology Elective
 - Complete all of the following
 - Earn at least 3 credits from the following types of courses:
Select one additional psychology elective.
 - The following courses will NOT fulfill this requirement: INP 3141C - Advanced Applied Psychology Credit Hours: 1-3 INP 3951 - Industrial/Organizational Field Work Credit Hours: 3 PSY 3905 - Directed Independent Study Credit Hours: 1 PSY 4906 - Directed Independent Study Credit Hours: 3 PSY 4912 - Directed Independent Research Credit Hours: 3
 - PSY 3951 - Undergraduate Field Work - may only fulfill the requirement with prior approval.

Grand Total Credits: **25**

Program Details

Total Undergraduate Credit Hours Required: 25

Other Requirements

- Internship, Co-op, or Independent Study credit cannot be used toward the minor.

Social Sciences (B.S.)

Is this program available 100% online?

Yes

UCF Online

Online Social Sciences, BS

Admission Requirements

None

Program Description

Students majoring in the Social Sciences Interdisciplinary B.S. program are provided with interdisciplinary breadth and depth in the Social Sciences as they fulfill the requirements of three separate social science minors of their choice, a statistics course, and a methodology course. The Social Science minors are housed in Anthropology, Communication, Political Science, Psychology, Sociology, and Women's and Gender Studies. This major supports UCF's goal of offering the best undergraduate education available in Florida with flexibility that is absent in most discipline-specific programs.

Social Sciences (B.S.) may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Students must meet the residency requirements specified in each minor.
- Special topics courses may be used if they are acceptable within the specific minor.
- Grades below "C" (2.0) in lower level courses and core courses are not accepted.
- Students must achieve a minimum cumulative UCF GPA of 2.0 in all courses satisfying major requirements.
- Students must maintain a minimum GPA of 2.0 in each Social Science discipline.
- Internship credit must be approved by Coordinator of Social Sciences.
- Independent Studies and Directed Independent Research (course numbers 3905, 4906, 5907, 4912, 5917, 3940, 4941) must be approved by the Coordinator of Social Sciences prior to enrollment.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

GEP Notes

0 Total Credits

- At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - Note: SPC1608 is required if a Communication concentration is followed for the major.

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)

- EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
- GEP 5- Historical & Cultural Foundation
- Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- GEP 6- Historical & Cultural Foundation
- Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)

Mathematical Foundation
6 - 7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - MGF1106 or MGF1107 - Preferred
 - You may substitute a higher-level MAC course with an appropriate score on the Math

Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>

- Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation
 - MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
 - GEP 8- Mathematical Foundation
- Complete at least 1 of the following:
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)

Social Foundation

6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete all of the following
 - Depending on the concentration to be followed,
 - Complete at least 1 of the following:
 - ANT2000 - General Anthropology (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete the following:
 - POS2041 - American National Government (3)

Science Foundation

6 - 8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - Students must complete two introductory courses (6 hours) in a social science discipline, and those courses should be selected dependent on the minors (areas of concentration) followed.
 - Any two introductory Social Sciences courses can meet the CPP requirements. These include courses with the following prefix: ANT, CPO, ECO, GEO, INR, POS, SYA, SYD, SYG, SYO, SYP, ISS. Note that Core Requirements may depend on specific prerequisite courses completed as a part of the GEP or CPP.
 - If completed in the GEP, the CPP is fulfilled by completing (ANT2000 or SYG2000) and POS2041.

Grand Total Credits: **0**

Degree Requirements

Core Requirements: Basic Level

0 Total Credits

- Complete all of the following
 - In addition to completing STA2014 or STA2023 (GEP) and the social science CPP course requirement,
 - Complete three (3) of the following courses dependent on the minors (areas of concentration) that are selected as a part of this degree: ANT2000 - General Anthropology POS2041 - American National Government PSY2012 - General Psychology SPC1608 - Fundamentals of Oral Communication SYG2000 - Introduction to Sociology WST3603 - Introduction to Gender Studies
 - Note: One or more of the above courses may have been completed in the GEP or CPP requirement.

Core Requirements: Advanced Level

3 - 4 Total Credits

- Complete at least 1 of the following:
 - ANT4852 - GIS Methods in Anthropology (3)
 - COM3311 - Communication Research Methods (3)
 - POS3703 - Scope and Methods of Political Science (3)
 - PSY3213C - Research Methods in Psychology (4)
 - SYA3352 - Spatial Sociology I: Intro to GIS (3)
 - SYA4300C - Research Methods (4)

Required Minors

54 Total Credits

- Complete all of the following
 - Earn at least 54 credits from the following types of courses:
Complete the requirements for three (3) Social Science minors from the following list; however, only one minor may be taken within a single department or school:
 - - Anthropology Minor (18 hours) - American Indian Studies Minor (18 hours) - Anthropological Archaeology Minor (18 hours) - Biological Anthropology Minor (18 hours) - Crime, Law, and Deviance Minor (18 hours) - Cultural Anthropology Minor (18 hours) - Diplomacy Minor (18 hours - at least 6 hrs of Restricted Electives must be taken from courses with INR or POT prefixes) - Diversity and Social Inequality Minor (18 hours) - Global Peace and Security Studies Minor (18 hours - at least 9 hrs of Restricted Electives must be CPO, INR, or POT prefixes) - Global Sociology Minor (16 hours) - Human Communication Minor (21 hours) - International and Global Studies Minor (21 hours - 3 hrs of Restricted Electives from "Group C". Other must be COP or SYP prefixes) - Journalism Studies Minor (18 hours) - Magazine Journalism Minor (18 hours) - Mass Media Minor (18 hours) - Mass Culture and Collective Behavior Minor (18 hours) - Medical Anthropology Minor (18 hours) - Medical Sociology Minor (18 hours) - Political Science Minor (18 hours) - Political Science, Prelaw Minor (18 hours) - Psychology Minor (25 hours) - Sociology Minor (18 hours) - Terrorism Studies Minor (18 hours - at least 9 hrs of Restricted Electives, including Restricted Upper Division Electives, must be COM, CPO, INR, or other prefixes approved by Coordinator of Social Sciences) - Women's and Gender Studies Minor (18 hours - at least 6 hrs of Restricted Electives must be taken from courses with ANT, CLP, COM, CPO, INR, SOP, SYD, SYO, or WST)

Capstone

0 Total Credits

- Students will be required to take an exit exam in their graduating semester.

Grand Total Credits: **57 - 58**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- To fulfill the 120 hours required in this, please ensure you meet with a departmental advisor.
- After meeting with an advisor, select electives primarily from upper level courses to satisfy the 48 hour rule. Courses may be from outside the concentration areas.

Foreign Language Requirements

Graduation

- Some minors may also require a foreign language. Check with department of minor.

Required Minors

- Three minors are required to be completed as a part of this degree.
- See the degree requirements for the list of approved minors and any additional restrictions.
- Only one minor may be taken within a single department or school.

Departmental Exit Requirements

- Maintain a minimum GPA of 2.0 in each Social Science discipline.
- A minimum grade of "C" (2.0) in all core courses is required.
- Students will be required to take an exit exam in their graduating semester.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 48 semester hours of upper-division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors in the Major

- Application and admission through The Burnett Honors College and department. More information about Honors in the Major can be found at honors.ucf.edu/research.

Advising Notes

- Students should seek advising with the Social Sciences Coordinator for major. For advising regarding selected minors, see the Departmental Advisor.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Transfer courses must be evaluated for equivalency credit and/or for use in the degree program. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".
- Any two introductory Social Sciences courses could meet CPP requirements. However, core requirements may be dependent on specific prerequisite courses completed as a part of either the GEP or CPP requirements.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oas.ucf.edu/alc/academic_learning_compacts.htm

Sociology (B.A./ B.S.)

College

College of Sciences

Is this program available 100% online?

Yes

UCF Online

Online Sociology, BA/BS

Sociology (B.A./B.S.) may be completed fully online , although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees.

Admission Requirements

None.

Program Description

The Sociology degree, which may be completed online, face-to-face, or as a mix of online and face-to-face courses, has two major goals: 1) to promote undergraduate student excellence and 2) to advance career success for graduates by providing them with tangible, career-oriented skills. A dedicated faculty offers state-of-the-art courses that are relevant to current issues affecting our students' lives and their future careers. Graduates are prepared for careers that require employees who think critically and have analytic and technical skills related to understanding crime, law, and deviance; medical sociology; diversity and inequalities; and/or mass culture and collective behavior. All students complete individual, original research projects.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Departmental Residency Requirement: at least 24 semester hours of regularly scheduled 3000-4000 level courses must be taken from the UCF Sociology Department.
- Students must earn at least a "C" (2.0) or higher in each core course.
- Students must have at least a "C" (2.0) in each UCF course satisfying major requirements.
- Students must maintain a minimum cumulative GPA of 2.0 in all courses satisfying major requirements.
- Experiential Education credit cannot be used for credit in this major.
- Directed Independent studies, directed independent research, and internships must be approved by the Sociology department prior to enrollment.
- No more than 12 hours of directed independent study, directed independent research, and internship (course numbers 3905, 4906, 5907, 4912, 5917, 3940, & 4941) credit may be used for the major.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Students should consult annually with a departmental advisor.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

General Education (GEP)

GEP Notes

0 Total Credits

- At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - GEP 3- Communication Foundation
 - Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation

9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)

- HUM2230 - Studies in Culture: 17th Century to Present (3)
- WOH2012 - World Civilization I (3)
- WOH2022 - World Civilization II (3)
- GEP 5- Historical & Cultural Foundation
- Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)
 - MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)

Mathematical Foundation

6 - 7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - MAC1105C - Preferred
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete at least 1 courses from the following:
 - GEP 7- Mathematical Foundation

- MAC1105C - College Algebra (3)
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - MGF1106 - Finite Mathematics (3)
 - MGF1107 - Explorations in Mathematics (3)
- GEP 8- Mathematical Foundation
- Complete all of the following
 - STA2014 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 8- Mathematical Foundations
 - CGS2100C - Computer Fundamentals for Business (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3502C - Computer Science I (3)
 - COT3100C - Introduction to Discrete Structures (3)
 - STA2014 - Principles of Statistics (3)
 - STA2023 - Statistical Methods I (3)
 - STA3032 - Probability and Statistics for Engineers (3)
 - CGS1060C - Introduction to Computers (3)

Social Foundation
6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete the following:
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundation
6 - 8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - GEP 12- Science Foundation
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing SYG2000 (GEP),
 - Earn at least 3 credits from the following types of courses:
Any course with an SYA, SYD, SYG, SYO, or SYP prefix.

Grand Total Credits: **3**

Degree Requirements

Core Requirements: Basic Level
0 Total Credits

- Basic Core fulfilled by completing SYG2000 (GEP).

Core Requirements: Advanced Level
11 Total Credits

- Complete the following:
 - SYA3110 - Social Theory (3)
 - SYA3400C - Applied Social Statistics (4)
 - SYA4300C - Research Methods (4)

Restricted Electives
27 Total Credits

- Complete all of the following
 - Earn at least 27 credits from the following types of courses:
All courses with the prefixes SYA, SYD, SYG, SYO, or SYP, including special topics courses, count toward the restricted electives requirement.
 - 24 credit hours must be at the 3000-4000 level, and taken within the Sociology Department at UCF. Additional courses can be taken as approved.
 - Students may enroll for up to a total of 12 credit hours of Internship and/or Independent Study during their UCF undergraduate career. Arrangements for internships are coordinated by the Director of Department Undergraduate Program and require approval prior to beginning the work.
 - 5000 level Graduate Courses may be taken by undergraduates with Consent of the Instructor.

Methods Course (B.S. Option) (Optional)
3 - 4 Total Credits

- Complete all of the following
 - An additional methods course is required if pursuing the B.S. degree.
 - Complete at least 1 of the following:
 - SYA3352 - Spatial Sociology I: Intro to GIS (3)
 - SYA4310C - Qualitative Research Analysis in Sociology (4)
 - SYA4354 - Geographic Information Systems Applications (3)
 - SYA4900 - Applied Sociology (4)
 - SYA4959 - Participatory Geographic Information Systems in Belize (3)
 - SYO3573 - Social Networks: Theory & Applications (3)

Capstone Requirement
4 Total Credits

- Complete the following:
 - SYA4450 - Data Analysis: Capstone (4)

Grand Total Credits: **45 - 46**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

- To fulfil the 120 hours required in this degree, select electives primarily from 3000 and 4000 level courses from within the Sociology Department, as well as from other departments.

Foreign Language Requirements

Graduation

- B.S. Option: None
- B.A. Option: Proficiency equivalent to two semesters of college instruction in a foreign language or in American Sign Language (ASL). Standardized examinations for foreign languages may be used. ASL proficiency is met by successful completion of ASL 2140 and ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders (<https://healthprofessions.ucf.edu/csd/>) regarding the ASL proficiency

Additional Requirements

- B.A. Option: No additional requirements
- B.S. Option: Select one additional methods course (3 Credit Hours) from the following:
 - SYA 3352 - Spatial Sociology I: Intro to GIS
 - SYA 4310C - Qualitative Research Analysis in Sociology
 - SYA 4354 - Geographic Information Systems Applications
 - SYA 4900 - Applied Sociology
 - SYA 4959 - Participatory Geographic Information Systems in Belize
 - SYO 3573 - Social Networks: Theory & Applications

Departmental Exit Requirements

- A minimum of "C" (2.0) or better in each course used for the major.
- Students must have at least a "C" (2.0) or better overall in the major.
- For assessment purposes, students are required to take a standard exit exam, for which there is no credit or grade,
- toward the end of their final semester before graduation.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 48 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors In Major

- Application and admissions through The Burnett Honors College and department. More information about Honors in the Major can be found at honors.ucf.edu/research.

Related Programs

- Anthropology (B.A.)
- Communication & Conflict (B.A.)
- Criminal Justice (B.A. or B.S.)
- Political Science (B.A.)
- Psychology (B.S.)
- Social Sciences (B.S.)
- Women's and Gender Studies programs

Advising Notes

- Student majors are assigned a faculty advisor. To meet with your advisor, you should check their office hours or contact them via email or the department office phone to set up an appointment. If you do not know who your advisor is, contact the main office.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information (e.g., syllabus, course catalog description).
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".
- Although the statewide Common Program Prerequisites accept any lower division sociology course, SYG 2000 - Introduction to Sociology must be taken because it is the basic course and prerequisite requirement in Sociology.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.oemas.ucf.edu/alc/academic_learning_compacts.htm

Equipment Fees

- Part-Time Student: \$5 per term
- Full-Time Student: \$10 per term

Program Description

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Departmental Residency Requirement: at least 15 semester hours of regularly scheduled 3000-4000 level courses must be taken from the UCF Statistics and Data Science Department.
- Students must earn at least a "C" (2.0) in each course with a STA prefix.
- Students must achieve a minimum 2.0 cumulative GPA in all computer science and mathematics courses satisfying major requirements.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses satisfying major requirements.
- Co-op or internship credit cannot be used in this major.
- Students should consult with a departmental advisor.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) are generally spread over 4 years, and those designated in 2 (Common Program Prerequisites) are usually completed in the first 60 hours.
- All statistics courses except the following, and those protected by Florida Common Course Numbering, must be taken from or approved by the Statistics and Data Science Department at UCF.
 - STA 2023 - Statistical Methods I
 - STA 3032 - Probability and Statistics for Engineers

General Education (GEP)

GEP Notes

0 Total Credits

- Complete all of the following
 - At least one course completed in each Foundation area must be a designated State General Education Core Course. See the catalog GEP description for more information.
 - Certain courses must be selected for this degree that will bring the total hours of the GEP to more than 36.

Communication Foundation

9 Total Credits

- Complete all of the following
 - GEP 1 & 2- Communication Foundation
 - Complete all courses from the following:
 - GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)

- ENC1102 - Composition II (3)
- GEP 3- Communication Foundation
- Complete at least 1 courses from the following:
 - GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)

Historical & Cultural Foundation
9 Total Credits

- Complete all of the following
 - GEP 4- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - GEP 5- Historical & Cultural Foundation
 - Complete at least 1 courses from the following:
 - GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)

 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)

- MUH2017 - Survey of Rock Music (3)
- MUH2019 - American Popular Music, 1840s-present (3)
- MUL2016 - Evolution of Jazz (3)
- MUL2720 - Music of the World (3)
- PHI2010 - Introduction to Philosophy (3)
- REL2300 - World Religions (3)
- THE2000 - Theatre Survey (3)
- MUL2010 - Enjoyment of Music (3)

Mathematical Foundation

7 Total Credits

- Complete all of the following
 - GEP 7- Mathematical Foundation
 - Complete all of the following
 - Prior to enrolling in any MAC course, take the Math Placement Test ~ <https://www.sdes.ucf.edu/placement-tests/>
 - Complete the following:
 - MAC2311C - Calculus with Analytic Geometry I (4)
 - GEP 8- Mathematical Foundation
 - Complete the following:
 - STA2023 - Statistical Methods I (3)

Social Foundation

6 Total Credits

- Complete all of the following
 - GEP 9- Social Foundation
 - Complete at least 1 of the following:
 - ANT2000 - General Anthropology (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - GEP 10- Social Foundation
 - Complete all of the following
 - ECO2013 - Preferred
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)
 - ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)

Science Foundation

8 Total Credits

- Complete all of the following
 - GEP 11- Science Foundation
 - Earn at least 4 credits from the following course sets:
 - CHM 2045C
 - CHM2045C - Chemistry Fundamentals I (4)
 - PHY 2053 and 2053L
 - PHY2053 - College Physics I (3)
 - PHY2053L - College Physics I Laboratory (1)
 - PHY 2053C
 - PHY2053C - College Physics I Studio (4)
 - GEP 12- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)

Grand Total Credits: **39**

Common Program Prerequisites (CPP) (If applicable)

- Complete all of the following
 - In addition to completing all of the required GEP (MAC2311C, STA2023, BSC2010C, and (CHM2045C or PHY2053/PHY2053L or PHY2053C),
 - Complete the following:
 - COP3223C - Introduction to Programming with C (3)
 - MAC2312 - Calculus with Analytic Geometry II (4)
 - MAC2313 - Calculus with Analytic Geometry III (4)
 - The state of Florida requires Statistics majors to take two laboratory-based science courses designed for science majors. Note that the laboratory courses do not have to be in the same subject area. If BSC2010C and (CHM2045C or PHY2053/PHY2053L or PHY2053C) are completed in the GEP, this requirement is satisfied. The following courses (or combinations of courses) can be used to satisfy the requirement for two semesters equivalent of science courses with labs designed for majors. Lecture plus lab count as one semester: BSC2010C; BSC2011C; CHM2046 and CHM2046L; CHM2045C; PHY2048/PHY2048L (or PHY2048C); or PHY2049/PHY2049L (or PHY2049C)

Grand Total Credits: **11**

Degree Requirements

Core Requirements: Basic
0 Total Credits

- All courses specifically identified in the GEP (MAC2311C, BSC2010C, and (CHM2045C or PHY2048/PHY2048L or PHY2048C) and CPP (COP3223C, MAC2312, MAC2313, STA2023, and (CHM2046/CHM2046L or BSC2011C or PHY2049/PHY2049L or PHY2049C) meet the Basic Core requirement.

Core Requirements: Advanced
40 Total Credits

- Complete all of the following
 - Complete the following:
 - COT4500 - Numerical Calculus (3)
 - ENC3241 - Writing for the Technical Professional (3)
 - STA4102 - Computer Processing of Statistical Data (3)
 - STA4163 - Statistical Methods II (3)
 - STA4164 - Statistical Methods III (3)
 - STA4321 - Statistical Theory I (3)
 - STA4322 - Statistical Theory II (3)
 - Complete at least 1 of the following:
 - MAS3105 - Matrix and Linear Algebra (4)
 - Course Not Found
 - Complete at least 1 of the following:
 - COT3100C - Introduction to Discrete Structures (3)
 - MHF3302 - Logic and Proof in Mathematics (3)
 - Complete at least 4 of the following:
 - STA4173 - Biostatistical Methods (3)
 - STA4241 - Statistical Learning (3)
 - STA4222 - Sample Survey Methods (3)
 - STA4345 - Applied Bayesian Statistics (3)
 - STA4364 - Statistical Foundations of Data Science and Artificial Intelligence I (3)
 - STA4502 - Nonparametric Statistical Methods (3)
 - STA4504 - Categorical Data Analysis (3)
 - STA4664 - Statistical Quality Control (3)
 - STA4852 - Applied Time Series (3)

Restricted Electives
9 Total Credits

- Complete all of the following
 - Earn at least 9 credits from the following types of courses:
Select from upper division or graduate (5000 level), statistics (STA or ISC prefix), mathematics, or computer science courses. Selected courses in engineering or business may be used but must first be approved by the Department of Statistics and Data Science.
 - The following courses cannot be used to satisfy this requirement: MHF 4404 - History of Mathematics Any course with the MAE prefix

Grand Total Credits: **49**

Program Details

Total Undergraduate Credit Hours Required: 120

Electives

To fulfill the 120 hours required of this degree, select primarily from upper level courses after meeting with a departmental advisor. Courses may be outside the department.

Foreign Language Requirements

Graduation

- None

Departmental Exit Requirements

- Students must earn at least a "C" (2.0) in each course with a STA prefix.
- Students must achieve a minimum 2.0 cumulative GPA in all computer science and mathematics courses satisfying major requirements.
- Students must achieve a minimum cumulative GPA of 2.0 in all courses satisfying major requirements.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Honors In Major

- Application and admissions through The Burnett Honors College. More information about Honors in the Major can be found at honors.ucf.edu/research.

Related Programs

- Actuarial Science (B.S.)
- Mathematics (B.S.)
- Secondary Education, Mathematics Education Track (B.S.)

- Actuarial Science Minor
- Statistics Minor
- Mathematics Minor

Advising Notes

- It is the student's responsibility to ensure they have satisfied course prerequisites before registering for a class.
- Contact your college advisor in the College of Sciences Advising Services (COSAS) office (CSB 250) for more information about overall progress toward your degree, GEP and other university requirements, academic probation, special problems as well as general academic advising.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.
- Submit your requests for course evaluations at <https://sciences.ucf.edu/cosas/> and click on "COS Course Evaluation".
- The following substitutions are acceptable for Common Program Prerequisites if taken as part of the AA course work:
 - Computer Science: any COP programming language course will satisfy the CPP. However, COP 3223C is a prerequisite for Computer Sciences courses and still may need to be taken.
 - Biology: any 2 laboratory courses for majors with BSC, CHM, or PHY prefixes will satisfy the CPP.
 - Statistics: although any STA 2XXX course will satisfy the CPP, STA 2023 is required in the program's core and will still need to be taken.

Program Academic Learning Compacts

- Program Academic Learning Compacts (student learning outcomes) for undergraduate programs are located at: http://www.o eas.ucf.edu/alc/academic_learning_compacts.htm

Nicholson School of Communication and Media:
UnionWest at Creative Village (UWCV), 200**

Professor & Program Director: Deanna Sellnow
deanna.sellnow@ucf.edu

Nicholson Academic Student Services Center (NASSC):
407-823-2681
nassc@ucf.edu

The Certificate in Strategic Communication allows students to become familiar with the strategies and tactics used in strategic communication initiatives and to demonstrate they have conceptual knowledge and applied skill sets for the achievement of communication goals.

Program Details

Admission Requirements

- Not open to Advertising/Public Relations, Communication & Conflict, Human Communication, Journalism, or Media Production and Management majors.

Certificate Requirements

- A minimum GPA of 2.0 is required in all courses used to satisfy the certificate.
- Grades below a "C" (2.0) in lower level courses are not counted in the certificate.
- No more than 6 credit hours in another certificate, minor or major can be used to satisfy requirements in this certificate. (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the School before filing for

graduation.)

Prerequisite Courses

- Most courses for this certificate will have prerequisites completed as a part of a student's GEP requirement, as general electives, or a student can enroll into courses with consent of instructor.

Required Courses (12 Credit Hours)

- PUR 4400 - Crisis Communication **Credit Hours: 3**
- Courses used in core cannot be used as directed electives.

Select One:

- ADV 3008 - Principles of Advertising **Credit Hours: 3**
- PUR 4000 - Public Relations **Credit Hours: 3**
- PUR 4000H - Honors Public Relations **Credit Hours: 3**

Select One:

- COM 3311 - Communication Research Methods **Credit Hours: 3**
- PUR 3500 - Public Relations Research Methods **Credit Hours: 3**

Select One:

- COM 4022 - Principles of Health Communication **Credit Hours: 3**
- SPC 4540 - Persuasion and Communication **Credit Hours: 3**

High Impact Integrated Learning Experience (3 Credit Hours)

The course used to satisfy the High Impact Learning Experience requirement for the Strategic Communication Certificate may not also be used to satisfy a learning requirement for another major, minor, or certificate without the prior approval of the department chair. Students may choose 3 hours of approved NSCM study abroad courses.

- ADV 4903H Honors Directed Reading I
- ADV 4906 Independent Study
- ADV 4912 Research
- ADV 4970H Honors Undergraduate Thesis

Politics@ucf.edu

Admission Requirements

None

Program Description

Awareness of and knowledge about terrorism and counter-terrorism are increasingly essential in a variety of public and private sector organizations. Students in this minor will gain knowledge in competing ideologies that give rise to terrorism, coercive techniques in international affairs, global security management, and key aspects of American security policy. In addition to a core understanding of terrorism, the focus on a specific area of geographic or strategic interest will meet the market needs for individuals with substantive area knowledge. This minor program is available to students from varied disciplines to enhance their capability to address the threat of terrorism and understand how it might impact their own field.

Minor Requirements

- A grade of "C" (2.0) or better is required in all courses counting towards the minor.
- At least 15 hours used in the minor must be taken at UCF.
- Internships, independent study and substitute courses/new courses are allowed at the director's discretion (for a maximum of 3 credit hours).
- No more than 3 credit hours may overlap with any other major or minor. (Note: The myKnight Audit cannot capture overlapping courses between two or more programs; therefore, students should have their program reviewed by the School before filing for graduation.)

Prerequisite Courses

- Students must satisfy each course's prerequisites before enrolling in the class.

Degree Requirements

Required Courses

6 Total Credits

- Complete the following:
 - DSC4012 - Terrorism (3)
 - INR4084 - Politics of International Terrorism (3)

Restricted Electives

Is this program available 100% online?

No

Admission Requirements

None

Program Description

The Environmental Studies degree prepares students for a number of interesting and challenging careers. Its interdisciplinary nature provides students with tools that can be applied across a spectrum of science, social behavior, and humanities, using the strengths of the various areas. Students seeking journalistic or artistic careers will gain a scientific background by which to understand environmental science, while students going into the sciences will appreciate the social, political, and ethical dimensions of environmental actions and policy decisions.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Students must have declared an Environmental Studies major at least two semesters before graduation.
- Research, Internship, and Independent study credit cannot be used in this major without approval from the Interdisciplinary Studies Advising Office and Program Director.
- Co-op credit cannot be used in the major.
- Students must earn at least a "C" (2.0) grade in each course required for the major.
- Students must consult with an academic advisor when entering the program.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.
- Students wishing to earn an Environmental Studies degree as a double degree, double major, or second degree, must complete all advanced level core requirements and restricted electives exclusive of credits done for the other degree(s) and/or major(s), including any minors associated with that degree.
- Courses taken to satisfy basic and advanced core requirements cannot be used as in the Sciences or Communication and Planning track electives.

General Education (GEP)

- Complete all of the following
 - Communication
 - Complete all of the following
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Complete at least 1 courses from the following:
GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - Historical & Cultural
 - Complete all of the following
 - Complete at least 1 courses from the following:
GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)

 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
- Mathematical
- Complete all of the following
 - Complete the following:
 - MAC1105C - College Algebra (3)
 - May take a higher level math
 - Complete the following:
 - STA2023 - Statistical Methods I (3)
- Social
- Complete all of the following
 - GEP 9 & 10- Social Foundation
 - Complete the following:
 - SYG2000 - Introduction to Sociology (3)
 - ECO2023 - Principles of Microeconomics (3)
- Science
- Complete all of the following
 - GEP 11 & 12- Science Foundation
 - Complete the following:
 - BSC2010C - Biology I (4)
 - CHM2045C - Chemistry Fundamentals I (4)

Grand Total Credits: **38**

Degree Requirements

Environmental Studies Core: Basic Level
8 Total Credits

- Complete all of the following
 - Life Sciences
 - Complete the following:
 - BSC2011C - Biology II (4)
 - PCB3044 - Principles of Ecology (3)
 - PCB3044L - Principles of Ecology Laboratory (1)
 - Physical/Mathematical Sciences fulfilled in GEP courses CHM 2045C - Chemistry Fundamentals; MAC 1105C - College Algebra; and STA 2023 - Statistical Methods I
 - Social Science & Humanities fulfilled in GEP courses SYG 2000 - Introduction to Sociology and ECO 2023 - Principles of Microeconomics.

Environmental Studies Core: Advanced Level
25 Total Credits

- Complete all of the following
 - Complete the following:
 - EVR3008 - Foundations of Environmental Studies (3)
 - ECP3302 - Economics and the Environment (3)
 - GIS3043C - GIS for Environmental Studies (3)
 - GIS4301C - Advanced GIS Applications in Environmental Studies (4)
 - PUP3203 - Environmental Politics (3)
 - SYD4510 - Environment and Society (3)
 - EVR3085 - Interdisciplinary Research Methods for Environmental Studies (3)
 - Complete at least 1 of the following:
 - PHI3640 - Environmental Ethics (3)
 - PHI3033 - Philosophy, Religion, and the Environment (3)
 - PHI4633 - Ethics and Biological Science (3)
 - WST4349 - Ecofeminism (3)

Restricted Electives
18 Total Credits

- Complete 1 of the following
 - Communication and Planning Track
 - Complete all of the following
 - Earn at least 18 credits from the following:
 - ANT3541 - Biobehavioral Anthropology (3)
 - ANT4051 - Environmental Anthropology (3)
 - ECP4303 - Environmental and Natural Resource Economics (3)
 - ENC3241 - Writing for the Technical Professional (3)
 - ENC4360 - Nature Writing (3)
 - INR4351 - International Environmental Law (3)
 - PAD3330 - Urban and Regional Planning (3)
 - PAD4351 - Issues in Environmental Program Management (3)
 - PHI3033 - Philosophy, Religion, and the Environment (3)
 - PHI3640 - Environmental Ethics (3)
 - PHI4400 - Philosophy of Science (3)
 - PHM4031 - Environmental Philosophy (3)
 - PLA4554 - Environmental Law (3)
 - PUP3204 - Sustainability (3)
 - PUP4209 - Urban Environmental Policy (3)
 - ANT3290 - Anthropology of Plants and People (3)
 - ANT3550C - Primatology (3)
 - ANT3701 - Engagement & Social Change: Public Anthropology (3)
 - ANT4123 - Archaeology of Coastal Societies (3)
 - ANT4187 - Paleoethnobotany (3)
 - ANT4467 - Nutritional Anthropology (3)
 - ANT4480 - Global Health in Anthropological Perspective (3)
 - BSC4861L - Urban Ecological Field Studies (3)
 - CPO4794 - Indigenous Politics and the Environment (3)
 - ENV3001 - Environmental Engineering (3)
 - ENV4341 - Sustainable Resource Management (3)

- HSC4500 - Epidemiology (3)
- INR3016 - Global Political Issues (3)
- INR4054 - Global Politics of Energy (3)
- INR4350 - Global Environmental Politics (3)
- LIT3437 - International Environmental Justice Literature (3)
- PAD4331 - Land Use and Planning (3)
- PHH3701 - Native American Philosophy (3)
- PHI3638 - Ethical Issues in the 21st Century (3)
- PHI3672 - Animal Ethics (3)
- PHI4633 - Ethics and Biological Science (3)
- PSY3630 - Psychology of Human-Animal Interaction (3)
- PUR3210 - Communication Approach to Corporate Social Responsibility (3)
- REE3614 - Environmental Issues for Real Estate (3)
- SYO3408 - Animals and Health (3)
- WST4349 - Ecofeminism (3)

Skilled Based Courses

- Complete all of the following
 - The following courses can count a maximum of 6 hours toward the 18 hours of required electives for the Communication and Planning Track.
 - COM 4462 - Conflict Management Credit Hours: 3 COM 4550 - Public Communication Campaigns Credit Hours: 3 COM 4563 - Principles of Social Innovation and Activism Credit Hours: 3 ENC 3455 - Writing about Science and Technology Credit Hours: 3 EXP 3304 - Motivation and Emotion Credit Hours: 3 EXP 3404 - Basic Learning Processes Credit Hours: 3 MAN 4240 - Organizations: Theory and Behavior Credit Hours: 3 MMC 3630 - Social Media as Mass Communication Credit Hours: 3 POS 4206 - Political Psychology Credit Hours: 3 SPC 4540 - Persuasion and Communication Credit Hours: 3 SYA 4650C - Community Action and Involvement Credit Hours: 3 SYP 3400 - Social Change Credit Hours: 3

Science Track

- Earn at least 18 credits from the following:
 - BCH4053 - Biochemistry I (3)
 - BCH4054 - Biochemistry II (3)
 - BOT3802 - Ethnobotany (3)
 - BOT4713C - Plant Taxonomy (5)
 - BSC4312C - Advanced Marine Biology (4)
 - CHM3120 - Analytical Chemistry (3)
 - OCE3008 - Oceanography (3)
 - PCB3063 - Genetics (3)
 - PCB3442 - Aquatic Ecology (3)
 - PCB4683 - Evolutionary Biology (4)
 - PCB4723 - Animal Physiology (4)
 - ZOO4910L - Research Experience in Animal Behavior in a Zoo Environment (3)

- ZOO4462C - Herpetology (4)
- ZOO4603C - Embryology/Development (5)
- ZOO4205C - Invertebrate Biodiversity (4)

High Impact Experience
3 Total Credits

- Earn at least 3 credits from the following types of courses:
Three (3) credit hours in undergraduate research, internship, study abroad and/or service-learning exclusive of courses in the major. Students may substitute demonstrated proficiency or instruction in a foreign language equivalent to the second college semester for this requirement. Standardized examinations for foreign languages may be used to meet the requirement if the students opts for foreign language.

Capstone
3 Total Credits

- Complete the following:
 - EVR4940 - Capstone Environmental Studies (3)

Grand Total Credits: **57**

Program Details

Electives

- As needed to satisfy university graduation requirements. Consult with Interdisciplinary Studies Advising Office.

Foreign Language Requirements

Admissions

- Two years of high school, or one year college language (or equivalent proficiency exam) prior to graduation

Required Minors

- None

Departmental Exit Requirements

- It is recommended that students meet with an academic advisor at least once per semester.

- Students must earn at least a "C" (2.0) grade in each course required for the major.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Additional Information

Honors In Major

Program Description

The Environmental Studies minor is an interdisciplinary program that prepares students for a diverse set of academic endeavors and careers. It delivers the tradition of a liberal arts education with the rigor of the natural and social sciences, providing the introspection and artistic presentation of the humanities with the inquisitiveness that we share concerning our environment.

Degree Requirements

Required Course
3 Total Credits

- Complete the following:
 - EVR3008 - Foundations of Environmental Studies (3)

Restricted Electives
18 Total Credits

- Complete all of the following
 - Take 6 hours from each section. The program will maintain a list of approved courses; substitutions require recommendation by an advisor and approval by the program director.
Fundamental Electives
 - Complete all of the following
 - Earn at least 3 credits from the following:
 - EVR3085 - Interdisciplinary Research Methods for Environmental Studies (3)
 - ECP3302 - Economics and the Environment (3)
 - GIS3043C - GIS for Environmental Studies (3)
 - GIS4301C - Advanced GIS Applications in Environmental Studies (4)
 - PUP3203 - Environmental Politics (3)
 - SYD4510 - Environment and Society (3)

- Complete at least 1 of the following:
 - PHI3640 - Environmental Ethics (3)
 - PHI3033 - Philosophy, Religion, and the Environment (3)
 - PHI4633 - Ethics and Biological Science (3)
 - WST4349 - Ecofeminism (3)

Science Electives

- Earn at least 6 credits from the following:
 - BCH4053 - Biochemistry I (3)
 - BCH4054 - Biochemistry II (3)
 - BOT3802 - Ethnobotany (3)
 - BOT4713C - Plant Taxonomy (5)
 - BSC4312C - Advanced Marine Biology (4)
 - CHM3120 - Analytical Chemistry (3)
 - GIS3043C - GIS for Environmental Studies (3)
 - GIS4301C - Advanced GIS Applications in Environmental Studies (4)
 - OCE3008 - Oceanography (3)
 - PCB3063 - Genetics (3)
 - PCB3442 - Aquatic Ecology (3)
 - PCB4683 - Evolutionary Biology (4)
 - PCB4723 - Animal Physiology (4)
 - PCB5326C - Ecosystems of Florida (5)
 - ZOO4910L - Research Experience in Animal Behavior in a Zoo Environment (3)
- Earn at least 6 credits from the following:
 - ANT3541 - Biobehavioral Anthropology (3)
 - ECP3302 - Economics and the Environment (3)
 - ECP4303 - Environmental and Natural Resource Economics (3)
 - ENC3241 - Writing for the Technical Professional (3)
 - ENC4360 - Nature Writing (3)
 - GIS3043C - GIS for Environmental Studies (3)
 - GIS4301C - Advanced GIS Applications in Environmental Studies (4)

Admission Requirements

None

Program Description

GIS is an essential research tool for a wide range of disciplines because it allows researchers to work with different kinds of information in a spatial context. The GIS certificate program focuses on developing students' basic understanding and specific applications of GIS in a variety of contexts.

Degree Requirements

Core

6 - 7 Total Credits

- Complete all of the following
 - First Core
 - Complete at least 1 of the following:
 - ANT4852 - GIS Methods in Anthropology (3)
 - ANG5852 - GIS Methods in Anthropology (3)
 - GIS3043C - GIS for Environmental Studies (3)
 - PAD4712 - Information Systems for Public Managers and Planners (3)
 - POS4764 - GIS for Political Analysis (3)
 - SYA3352 - Spatial Sociology I: Intro to GIS (3)
 - Second Core
 - Complete at least 1 of the following:
 - GIS4301C - Advanced GIS Applications in Environmental Studies (4)
 - SYA4354 - Geographic Information Systems Applications (3)
 - ANT4854 - Advanced GIS Methods in Anthropology (3)

Elective Courses

5 - 7 Total Credits

- Complete all of the following
 - Complete at least 2 of the following:
 - BSC4821 - Biogeography (4)
 - CGN3700C - Civil Engineering Measurements (2)
 - CJE4654 - Crime and Place (3)
 - CJE4663 - Crime Mapping and Pattern Analysis (3)
 - CJE3662 - CJ Information Technology and Data Management (3)
 - CWR5634 - Water Resources in a Changing Environment (3)
 - EEL5432 - Satellite Remote Sensing (3)
 - EEL5820 - Image Processing (3)
 - HFT4735 - Tourism Geography (3)
 - HUM4394 - Place and Space (3)
 - LIT3206 - Place and Space in Literature (3)
 - OSE4830 - Imaging and Display (3)
 - PCB4408 - Urban Ecology (3)
 - PUP4209 - Urban Environmental Policy (3)
 - CET4427 - Applied Database I (3 - -6)
 - CGS2545C - Database Concepts (3)
 - COP2500C - Concepts in Computer Science (3)
 - COP3223C - Introduction to Programming with C (3)
 - COP3223K - Honors Introduction to Programming with C (3)
 - Only one of the following two Database courses may be chosen: CET 4427 - Applied Database I Credit Hours: 3 CGS 2545C - Database Concepts Credit Hours: 3 Only one of the following three Computer Science courses may be chosen: COP 2500C - Concepts in Computer Science Credit Hours: 3 COP 3223C - Introduction to Programming with C Credit Hours: 3 COP 3223H - Honors Introduction to Programming with C Credit Hours: 3

Grand Total Credits: **11 - 14**

Program Details

Foreign Language Requirements

- None

Total Undergraduate Credit Hours Required: 12

Other Requirements

- Earn a grade of "C" (2.0) or better in each course used to satisfy the certificate.
- At least 12 credit hours used in the certificate must be earned at UCF
- No credit by exam (TSD, Military credit) may be used.
- Internship, Co-op, or Independent Study credit cannot be used toward the certificate.

Is this program available 100% online?

Yes

UCF Online

Online Integrative General Studies, BGS

Admission Requirements

- Approval by College of Undergraduate Studies and KMETC
- Completion of 60 or more credit hours

Program Description

The Bachelor of Integrative General Studies offers a flexible and self-designed curriculum to degree-seeking students. The program allows students to draw on their multidisciplinary course work to refine and demonstrate their attainment of six learning outcomes that are in high demand.

- understanding of common human themes, awareness of diverse cultures, and understanding of the cultural, historical, economic, and social implications of learning experiences
- accomplishments as successful writers, speakers, and producers of digital materials in the academic, civic, and professional worlds
- understanding of scientific methods and ability to apply them to challenges facing society
- capacity as well-informed citizens who can reason and can apply analytical, statistical, and computational methods to the challenges of a globally-diverse and technologically rich environment
- ability to assess and decipher information in a world full of conflicting sources
- understanding of leadership skills, including decision-making, collaboration, and problem-solving.

Integrative General Studies (BGS) may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees. [Click here](#) to learn more about this online program.

Degree Requirements

- Students must declare the Integrative General Studies major prior to filing their intent to graduate.
- Students must earn at least a "C" (2.0) in each core course.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.
- Students in this program are not eligible for a double degree, double major or second degree in Integrative General Studies.

General Education (GEP)

- Complete all of the following
 - Complete all of the following
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Complete at least 1 courses from the following:
GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - Complete all of the following
 - Complete at least 1 courses from the following:
GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - Complete at least 1 courses from the following:
GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)

- LIT2110 - World Literature I (3)
- LIT2120 - World Literature II (3)
- MUH2017 - Survey of Rock Music (3)
- MUH2019 - American Popular Music, 1840s-present (3)
- MUL2016 - Evolution of Jazz (3)
- MUL2720 - Music of the World (3)
- PHI2010 - Introduction to Philosophy (3)
- REL2300 - World Religions (3)
- THE2000 - Theatre Survey (3)
- MUL2010 - Enjoyment of Music (3)
- GEP 6- Historical & Cultural Foundation - choose one course from GEP 4 or GEP 5
- Complete at least courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)

Yes

UCF Online

Online Interdisciplinary Studies, BA/BS

Admission Requirements

None

Program Description

Interdisciplinary Studies is a university-wide program leading to either the Bachelor of Arts or the Bachelor of Science in Interdisciplinary Studies, depending on the concentration of work selected in consultation with an Interdisciplinary Studies advisor. The program is administered through the Interdisciplinary Studies Department and is designed for academic flexibility. It recognizes that there are many combinations of courses that meet the needs of individual students.

Interdisciplinary Studies (B.A. or BS) may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Students must have declared an Interdisciplinary Studies major at least two semesters before graduation.
- Research, Internship, and Independent study credit cannot be used in this major without prior approval from Interdisciplinary Studies. Meet with a college advisor for additional information.
- Co-op credit cannot be used in this major.
- Students must earn at least a "C" (2.0) in each core and restricted elective course.
- Students must consult with a college advisor to enter the program.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.
- No courses can count in more than one subject area or in a subject area and a minor.
- Students wishing to earn an Interdisciplinary Studies degree as a double degree, double major, or second major, must complete all restricted elective credits exclusive of the credits done for the other degree(s) or major(s), including any minors associated with that degree or degrees.

General Education (GEP)

- Complete all of the following
 - Complete all of the following
 - Complete all courses from the following:
GEP 1 & 2- Communication Foundation
 - ENC1101 - Composition I (3)
 - ENC1102 - Composition II (3)
 - Complete at least 1 courses from the following:
GEP 3- Communication Foundation
 - COM1000 - Introduction to Communication (3)
 - SPC1603C - Fundamentals of Technical Presentations (3)
 - SPC1608 - Fundamentals of Oral Communication (3)
 - Complete all of the following
 - Complete at least 1 courses from the following:
GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)
 - HUM2020 - Encountering the Humanities (3)
 - HUM2210 - Studies in Culture: Ancient to 17th Century (3)
 - HUM2230 - Studies in Culture: 17th Century to Present (3)
 - WOH2012 - World Civilization I (3)
 - WOH2022 - World Civilization II (3)
 - Complete at least 1 courses from the following:
GEP 5- Historical & Cultural Foundation
 - ANT2410 - Cultural Anthropology: Global Perspectives, Local Contexts (3)
 - ARH2050 - History of Western Art I (3)
 - ARH2051 - History of Western Art II (3)
 - FIL1000 - Cinema Survey (3)
 - FIL2030 - History of Motion Pictures (3)
 - FIL3036 - Film History I (3)
 - FIL3037 - Film History II (3)
 - LIT2110 - World Literature I (3)
 - LIT2120 - World Literature II (3)
 - MUH2017 - Survey of Rock Music (3)

- MUH2019 - American Popular Music, 1840s-present (3)
 - MUL2016 - Evolution of Jazz (3)
 - MUL2720 - Music of the World (3)
 - PHI2010 - Introduction to Philosophy (3)
 - REL2300 - World Religions (3)
 - THE2000 - Theatre Survey (3)
 - MUL2010 - Enjoyment of Music (3)
 - GEP 6- Historical & Cultural Foundation - choose a course from GEP 4 or GEP 5
 - Complete at least 1 courses from the following:
 - GEP 4- Historical & Cultural Foundation
 - AMH2010 - U.S. History: 1492-1877 (3)
 - EUH2000 - Western Civilization I (3)
 - EUH2001 - Western Civilization II (3)

 - CGS1060C - Introduction to Computers (3)
 - Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 9- Social Foundation
 - ANT2000 - General Anthropology (3)
 - HSA2117 - Civic Engagement in the US Healthcare System (3)
 - PSY2012 - General Psychology (3)
 - SYG2000 - Introduction to Sociology (3)
 - Complete at least 1 courses from the following:
 - GEP 10- Social Foundation
 - AMH2020 - U.S. History: 1877-Present (3)
 - ECO2013 - Principles of Macroeconomics (3)

- ECO2023 - Principles of Microeconomics (3)
 - POS2041 - American National Government (3)
- Complete all of the following
 - Complete at least 1 courses from the following:
 - GEP 11- Science Foundation
 - AST2002 - Astronomy (3)
 - CHM1020 - Concepts in Chemistry (3)
 - CHM1032 - General Chemistry (3)
 - CHM2045C - Chemistry Fundamentals I (4)
 - CHS1440 - Principles of Chemistry (4)
 - PHY1038 - Physics of Energy, Climate Change and Environment (3)
 - PHY2020 - Concepts of Physics (3)
 - PHY2048 - General Physics Using Calculus I (3)
 - PHY2053 - College Physics I (3)
 - PSC1121 - Physical Science (3)
 - Complete at least 1 courses from the following:
 - GEP 12- Science Foundation
 - ANT2511 - The Human Species (3)
 - BSC1005 - Biological Principles (3)
 - BSC2010C - Biology I (4)
 - EVR1001 - Introduction to Environmental Science (3)
 - GEO1200 - Physical Geography (3)
 - GEO2370 - Resources Geography (3)
 - GLY1030 - Geology and its Applications (3)
 - GLY2038 - Environmental Geoscience (3)
 - MCB1310 - Introduction to Biotechnology and Genetic Engineering (3)
 - MET2104 - The Earth's Climate (3)

Grand Total Credits: **36 - 39**

Degree Requirements

Core Requirements

3 Total Credits

- Complete the following:
 - IDS3933 - Cornerstone Experience (3)

Restricted Electives

30 Total Credits

- Earn at least 30 credits from the following types of courses:
 - * Students must complete two different subject area concentrations from among those specified below. * Students must take a minimum of 15 hours of approved courses in each selected subject area (excluding GEP courses). Courses are considered approved only when they have been reviewed by an Interdisciplinary Studies adviser and not simply when they appear on a student audit. * Students are required to take a minimum of 15 UCF hours, as well as 15 upper division hours, in the two areas combined. * The program will maintain a list of approved courses; substitutions require recommendation by an advisor and approval by the program director. * Up to three hours of undergraduate research, with a minimum grade of C (2.0), may be applied to restricted electives with prior program approval. * Up to three hours of internship, whether graded or S/U, may be applied to restricted electives with prior program approval. * See the Interdisciplinary Studies Advising Team for details regarding each area: -Arts -Behavioral and Social Sciences -Commerce -Communication -Computational Sciences -Education -Engineering -Health -Humanities -Letters and Modern Languages -Physical Sciences -Life/Biomedical Sciences -Public Affairs

Electives

0 Total Credits

- Select primarily from upper level courses, with an Interdisciplinary Studies adviser's approval to reach 120 credit hours.

Capstone

3 Total Credits

- Complete the following:
 - IDS4934 - Capstone Experience (3)

Grand Total Credits: **36**

Program Details

Foreign Language Requirements

Admissions

- BA: Met by graduation requirement.
- BS: Two years high school, or one year college language (or equivalent proficiency exam) prior to graduation.
- Note: Students entering without having met the admission requirements must do so in order to graduate.

Graduation

- BA: Proficiency equivalent to one year of college instruction in either a foreign language or proficiency equivalent to American Sign Language III. Standardized examinations may be used to meet the requirement.
- BS: Proficiency equivalent to one semester of college instruction in a foreign language or one course with a multicultural dimension. Standardized examinations for foreign languages may be used to meet the requirement.

Additional Requirements

- None

Required Minors

- Students must complete a minor from those offered at UCF. The minor cannot overlap with the two subject areas. Minimum hours required for a minor is eighteen. The minor degree audit must be approved by, and completion of the minor certified by, the department offering the minor.

Departmental Exit Requirements

- A grade of "C" or above (2.0) is required for each course in the core and restricted electives.
- Computer Competency met by completing this major.

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

UCF Online

Online Interdisciplinary Studies, BA (Diversity Studies)

Admission Requirements

None

Program Description

The Bachelor of Arts in Interdisciplinary Studies – Diversity Studies Track is a broadly based interdisciplinary curriculum. The degree's interdisciplinary nature provides students with tools that can be applied across a spectrum of science, social behavior, and humanities, while foregrounding the importance of analyses with a focus on diversity and inclusion in such categories as race, ethnicity, gender, sexuality, religion, and ability. Students pursuing a career in social justice or advocacy work, involvement in international nonprofit organizations or diverse research and journalistic careers, as well as those seeking preparation for graduate study in related areas will enjoy the flexibility of this program. This track requires students to take two unique IDS Core courses, 30 credit hours of courses related to theory and representations/experiences of diversity, and select from a number of related minors such as the Women's and Gender Studies or Diversity and Social Inequality. Students interested in pursuing this B.A. degree should contact the IDS Advising team at is@ucf.edu or 407-823-0144.

Interdisciplinary Studies (BA) - Diversity Studies may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees. [Click here for more information about the online program.](#)

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog.
- Students must have declared an Interdisciplinary Studies major - Diversity Studies Track at least two semesters before graduation.
- Research, Internship, and Independent study credit may be used in this major with prior approval from Interdisciplinary Studies director. Meet with an Interdisciplinary Studies advisor for additional information.
- Students must earn at least a "C" (2.0) in each core and restricted elective course.
- Students must consult with an Interdisciplinary Studies adviser when entering the degree program and regularly thereafter.
- Courses designated in 1. (General Education Program) and 2. (Common Program Prerequisites) are usually completed in the first 60 hours.
- Students wishing to earn an Interdisciplinary Studies degree as a double degree, double major, or second degree, must complete all fifty-four credits exclusive of credits done for the other degree(s) and/or major(s), including any minors associated with that degree.

Electives

0 Total Credits

- Select primarily from upper level courses, with Interdisciplinary Studies advisor's approval to reach 120 total credit hours.

Capstone Requirement

3 Total Credits

- Complete the following:
 - IDS4934 - Capstone Experience (3)

Grand Total Credits: **36**

Program Details

Foreign Language Requirements

Admissions

- Met by graduation requirement

Graduation

- Proficiency equivalent to one year of college instruction in either a foreign language or proficiency equivalent to American Sign Language III. Standardized examinations may be used to meet the requirement.
- Note: Students entering without having met the admission requirement must do so in order to graduate.

Additional Requirements

- None

Required Minors

Available Minors, students will choose 1

- American Indian Studies

- Anthropology in Multicultural Studies
- Cultural Anthropology
- Diversity and Social Inequality
- International and Global Studies
- Global Sociology
- Mass Culture and Collective Behavior
- Humanities and Cultural Studies
- Judaic Studies
- Middle Eastern Studies
- Religion and Cultural Studies
- Africana Studies
- American Studies
- Asian Studies
- Global Peace and Security Studies
- Latin American Area Studies
- Women's and Gender Studies
- World Comparative Studies

Departmental Exit Requirements

A grade of "C" or above (2.0) is required for each course taken in the core and each of the subject areas.

Computer Competency is met by departmental assessment, or the following courses:

- CGS 1060C - Introduction to Computers **Credit Hours: 3**
- STA 1063C - Basic Statistics Using Microsoft Excel **Credit Hours: 3**

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Undergraduate Credit Hours Required: 120

Additional Information

Honors In Major

- None

Related Programs

- Interdisciplinary Studies (B.A./B.S.)
- Women's and Gender Studies

Certificates

- None

Related Minors

- Most UCF minors

Advising Notes

- The Interdisciplinary Studies will maintain an internal "specialization" list for advising that groups the classes by topic (i.e. race, gender, region of study, etc.).

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Transfer courses must be evaluated for equivalency credit and/or for use in the degree program by the Interdisciplinary Studies Advising Team. The student must provide all supporting information.

Acceptable Substitutes for Transfer Courses

- None

Admission Requirements

None

Program Description

The certificate program in Service-Learning is designed for students in any discipline who seek to engage in a reflective analysis of community service as it relates to academic course work. Service-Learning furthers the learning objectives of the academic course, addresses community needs, and requires students to reflect on their activity in order to gain an appreciation for the relationship between civics and academics. Through Service-Learning (SL) courses, students develop academic skills, civic responsibility, and career opportunities. Since this certificate requires the completion of four SL courses, it reflects significant interest and commitment to this process. This certificate is open to all undergraduate and graduate students in any major.

Degree Requirements

12 Total Credits

- Earn at least 12 credits from the following types of courses:
Students may choose any four of the UCF-approved service-learning courses in any discipline to satisfy the credit hour requirements. Service-Learning courses are designated with an "SL" and can be accessed under "special groups" in the class schedule. Students may also contact the Office of Experiential Learning to clarify SL designated courses.

Grand Total Credits: **12**

Dean, Rosen College of Hospitality Management: Dr. Youcheng Wang

Admission Requirements

None

Program Description

As the nation's leading hospitality college, Rosen College has capitalized on its expertise and facilities with the development of a major beverage program that includes ten beverage-related courses. The certificate program in Beverage Management is a specialized track of study for those interested in careers in beverage operations or in the wider beverage industry.

Students will develop an understanding of beer, wine, and spirits, and learn key concepts, strategies, and practical skills relevant to the successful management of beverage operations in a restaurant, bar, or other food and/or beverage business. An optional sales, marketing, and distribution elective will be helpful to students seeking a career beyond beverage operations.

Degree Requirements

Required Courses

9 Total Credits

- Complete all of the following
 - Complete the following:
 - HFT4861 - Beverage Management (3)
 - Complete at least 1 of the following:
 - HFT4065C - Fine Spirits Management (3)
 - HFT4069 - The World of Distilled Spirits (3)
 - Complete at least 1 of the following:
 - HFT4067 - Wines of the World (3)
 - HFT4866C - Exploring Wines of the World (3)

Restricted Electives

6 Total Credits

- Complete at least 2 of the following:
 - HFT3811 - Beverage Sales, Marketing, and Distribution (3)
 - HFT3068 - History and Culture of Beer (3)

Admission Requirements

None

Program Description

The B.S. in Entertainment Management is an educational partnership between Rosen College and UCF's College of Arts and Humanities. Students will take classes in both colleges to complete the 120-credit-hour program, which complements a variety of other disciplines.

Graduates may pursue careers in a variety of areas related to the entertainment industry, including live performances and events, historical/cultural/educational exhibits, digital media, film enterprises, tourism attractions, experiential hospitality-related products, special events, sporting events and recreational or leisure activities.

Degree Requirements

- Students must earn a minimum 2.0 overall GPA in course work taken within the Rosen College of Hospitality Management, and a minimum 2.0 GPA in all courses listed in the common program prerequisites, the basic and advanced core courses, and the restricted electives.
- Students must earn a "C" (2.0) or better in each course listed in the common program prerequisites, the basic and advanced cores, and the restricted electives.

Grand Total Credits: **63**

Program Details

Foreign Language Requirements

Admissions

- State University System foreign language admission requirement: two years in high school or one year in college instruction in a single foreign language. (This requirement applies to those students admitted to the University without the required two units of foreign language in high school.)

Graduation

- None

Additional Requirements

- Final exams will be given during Final Exam Week only.
- Transfer students to this program must take a minimum of thirty (30) credit hours in Hospitality Management core classes or restricted electives at UCF.

Required Minors

- None

University Minimum Exit Requirements

- A 2.0 UCF GPA
- 42 semester hours of upper division credit completed
- 60 semester hours earned after CLEP awarded
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Additional Information

Honors In Major

- None

Related Programs

- None

Certificates

- None

Related Minors

- None

Advising Notes

- Students must earn a "C" (2.0) or better in each course listed in the common program prerequisites, the basic and advised cores, and the restricted electives.

Transfer Notes

- Subject to the general grade and residence requirements, credit will be granted for transferred course work equivalent to that required in the UCF Rosen College of Hospitality Management.
- Florida College System institution students are encouraged to complete the general education requirements prior to transferring to UCF.
- A minimum of 30 semester hours must be completed at UCF within the entertainment management major.
- Orientation and advising are two of the most valuable tools that a student can make use of when transferring to UCF. Students should take advantage of both.

Acceptable Substitutes for Transfer Courses

- None

Yes

UCF Online

Online Senior Living Management, BS

Admission Requirements

None

Program Description

The Bachelor of Science degree in Senior Living Management is an interdisciplinary program that merges hospitality, gerontology and healthcare services. It will provide undergraduate students with the appropriate competitive skillset to acquire a managerial position in various types of senior living facilities, especially independent living, assisted living and continuous care retirement communities. It will provide a career path for students seeking employment in the senior living industry as business practitioners as opposed to that of direct care giver. The aim of this educational program is for UCF graduates to become the future managers and leaders of the senior living industry.

Senior Living Management (BS) may be completed fully online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees. Click here for more information about the online program.

hospitality@ucf.edu

Admission Requirements

None

Program Description

Rosen College has capitalized on its location, Orlando, the home to eight major theme parks and four themed water parks, and developed the world's only program dedicated to theme park and attraction management. The certificate program in Theme Park and Attraction is a specialized track of study for those interested in careers in the theme park and attraction industry. Students across UCF can take advantage of this certificate in order to gain a competitive edge to excel in careers in this expanding industry.

This 15-credit option can be added to a current non-hospitality management degree. No internships are required, but it is suggested that students gain work experience in the industry in addition to the certificate. This option is especially beneficial for those students who pursue non-management aspects of themed entertainment, design, or engineering.

Certificate Admission Requirements

- None

Certificate Requirements

- No course grade lower than a C will be accepted for the certificate requirements.
- The average GPA for the five courses must be 3.00 and higher.
- At least 12 credit hours used toward the certificate must be earned at UCF.

Degree Requirements

15 Total Credits

- Complete all of the following
 - Complete the following:
 - HFT1000 - Introduction to the Hospitality and Tourism Industry (3)
 - HFT4755 - Theme Park and Attraction Management (3)
 - Complete at least 3 of the following:
 - HFT4751 - Managing the Employee Experience in the Theme Park and Attraction Industry (3)
 - HFT4752 - Managing the Guest Experience in the Theme Park and Attraction Industry (3)
 - HFT4758 - Operational Issues in the Theme Park and Attraction Industry (3)
 - HFT4759 - Product Development in Theme Parks and Attractions (3)

Grand Total Credits: **15**

Program Details

Eligibility

- The **Undergraduate Certificate in Theme Park and Attraction Management** is available to any UCF student pursuing any degree at UCF, **except for the Bachelor of Science in Hospitality Management.**

Foreign Language Requirements

- None

Other Requirements

- No credit by exam (TSD, Military credit) may be used.
- Internship or Independent Study credit may not be used toward the program.

Policies

Academic Regulations and Procedures

Academic Amnesty Program

Effective Fall 2004, the Academic Amnesty Program provides undergraduate students who are not eligible for readmission for academic reasons the opportunity to readmit to UCF after five or more years of separation. This program allows the student to nullify up to two consecutive terms worth of UCF coursework from his or her UCF grade point average. Students may not select specific courses within the two identified terms. If the student satisfactorily completes the Academic Amnesty Program, the University will remove from the student's UCF GPA all UCF coursework for which the student enrolled during the selected consecutive terms. While grades nullified by satisfactory completion of the Academic Amnesty Program are not used in calculating the student's UCF GPA, all course work will remain part of the student's permanent record.

To apply for entrance into the Academic Amnesty Program, the student must:

1. Gain the written support for the Academic Amnesty Program from the student's college or school and present to the Admissions and Standards Committee an academic plan of action approved by the college advising office. This plan will include the following:
 1. The specific terms of the student's academic history to be nullified by satisfactory completion of the Academic Amnesty Program;
 2. Approved courses in which the student will enroll during the two terms that comprise the Academic Amnesty Program;
 3. Any additional requirements mandated by the college advising office (i.e., academic advising or mentoring, required tutoring or academic support services, etc.); and,
 4. Complete and submit an Academic Amnesty Agreement to the Admission and Standards Committee.
2. The UCF Admissions and Standards Committee will determine a student's eligibility for entrance into the Academic Amnesty Program.

Academic Honors

President's Honor Roll Certificate (Full-Time Award)

The President's Honor Roll Certificate (Full-Time Award) is awarded in recognition of scholastic honors to degree-seeking undergraduate students who maintain a 4.0 GPA, complete 12 or more hours, excluding satisfactory/unsatisfactory course work, and did not earn any "I," "U," "N," "NC," or "WF" grades during a given term.

President's Honor Roll Certificate (Part-Time Award)

The President's Honor Roll Certificate (Part-Time Award) is awarded in recognition of scholastic honors to degree-seeking undergraduate students who maintain a 4.0 GPA in two consecutive part-time terms. The student must complete at least 15 hours, with no more than 11 in each consecutive term, excluding satisfactory/unsatisfactory course work, and not earn any "I," "U," "N," "NC," or "WF" grades during a term. Hours utilized in the awarding of a President's Honor Roll Certificate may not be utilized in the determination of a subsequent certificate.

Dean's List

The Dean's List is compiled in recognition of scholastic honors to degree-seeking undergraduate students who earn a minimum 3.4 GPA, complete a minimum of 12 credit hours, earn no grade less than "C" (2.0) and no "I," "U," "N," "NC," or "WF" grades during a term.

Baccalaureate Honors and Diplomas

The University shall confer baccalaureate honors recognition on those students who have completed a minimum of 48 credit hours at UCF and who:

1. Attain an overall grade point average (this includes transfer credit) that is in the upper 10 percent of the

- range established by all students graduating in the same college/school during the previous two years;
2. Attain at least a 3.20 overall grade point average; and,
 3. Honors awarded will be:
Summa Cum Laude for those students in the upper 2.5 percent
Magna Cum Laude for those students in the upper five percent, but not in the upper 2.5 percent
Cum Laude for those students in the upper 10 percent, but not in the upper five percent

Records for the term of graduation are incomplete at the time the *Commencement Program* is printed. Identification of these students at graduation, therefore, is presumptive of honors and not conclusive, since final term grades may result in changes in relative rankings.

Consult the Academic Honors list at commencement.ucf.edu/file/104/graduating-honors-cut-off.pdf for the most up-to-date UCF Honors minimum GPA requirements.

Diplomas are mailed six to ten weeks after Commencement to the address indicated in the online "Intent to Graduate."

Honors in the Major

Please see "Honors in the Major" in The Burnett Honors College portion of the Undergraduate Catalog.

Academic Standing

All academic actions are shown on myUCF at my.ucf.edu and on the transcript. The action is generated due to course completion. Changing a course grade does not necessarily change academic action. An exception may be made when an error is committed and is so stated by the instructor on the "Change of Grade Request Form."

Good Standing

Good standing indicates only that the student is meeting the minimum academic standard for retention by the University (minimum term GPA, 2.0). To meet graduation requirements, however, the student must have a minimum UCF GPA of 2.0.

Academic Probation

Action taken when a student's UCF cumulative GPA drops below 2.0. Academic Probation will continue until the current term and UCF cumulative GPA reach 2.0 or better.

First-time-in-college students may be admitted on Academic Probation at the discretion of the Undergraduate Admissions Office or the Admissions and Standards Committee. Transfer students may be admitted on Academic Probation at the discretion of the Undergraduate Admissions Office or the Admissions and Standards Committee. Academic Probation is intended to inform students making unsatisfactory progress of their need to alter study habits and seek additional counseling. Early recognition will indicate to the student the possible jeopardy to academic goals and will also allow an opportunity to demonstrate acceptable performance.

Disqualified (First Suspension)

A student on Academic Probation is Disqualified upon failure to achieve a minimum 2.0 GPA during the subsequent term. A student who is Disqualified **may not** enroll at the University for two semesters following disqualification. Readmission after two semesters **is not** automatic. Disqualified students are required to have completed the Florida AA degree, or have completed UCF's general education program and Gordon Rule requirements, before petitioning for readmission. A Disqualified student must submit an application for Readmission supported by a letter documenting the reasons for previous academic difficulties, clear evidence of satisfactory academic performance since leaving the university, and plans for achieving a GPA of 2.0 or better. A disqualified student is limited to petition for readmission once per year (365 days). The total record will be reviewed and action on readmission will be taken by the University Registrar. **Any Disqualified student whose UCF grade point deficiency is equal to or greater than 30 grade points is not eligible for readmission.** For readmission purposes only, "grade point deficiency" is defined as the number of UCF credit hours earned with a "B" (3.0 GPA) grade that a student requires to raise his or her UCF grade point average to 2.0.

Exclusion (Second Suspension or more)

A student readmitted following Disqualification who fails to achieve a minimum 2.0 Term GPA is excluded from the University. Exclusion is most serious and **students are not eligible for readmission after Exclusion**. An individual who has been Excluded will not be considered for readmission, and may not appeal any failure to be readmitted following Exclusion.

Accelerated Educational Opportunities

The University of Central Florida provides a number of options by which students may shorten the time required to complete the baccalaureate degree. These options permit the University to recognize high levels of academic achievement and acquisition of knowledge prior to or during attendance at the University. Procedures that may be used include the Advanced Placement Program (AP), the College Level Examination Program (CLEP), University Course Credit by Examination, DANTES, and the International Baccalaureate. A maximum of 45 credit hours in any combination of extension, AP, IB, correspondence, CLEP, Armed Forces Service School Credits, and University Credit by Examination will be accepted by the University for application toward an undergraduate degree. In addition, there are accelerated Undergraduate - Graduate Programs linking the bachelor's and Master's degree listed in the Undergraduate Catalog.

UCF Test Credit equivalencies are determined by department faculty based on State of Florida equivalency guidelines.

Test credit equivalencies are determined based on when the exam was taken, and they are applied to degree requirements according to the student's catalog year.

* - The AB subscore on the Calculus BC exam is regarded the same as a Calculus AB score.

Students who have participated in the Advanced Placement Program in high school and have received a score of 3, 4, or 5 on the national examinations will receive college credit in the appropriate subject areas. Students should consult their high school guidance counselor or write to the Educational Testing Service, Princeton, NJ 08540, for additional information. The table labeled "Advanced Placement Exams" provides information related to Advanced Placement examination areas and subtest areas for which credit may be awarded.

Advanced Placement Language (all modern languages)

A score of 3 earns a minimum of one semester (min. 3 credits - XXX 2230 or 2200) of 2000-level language. A score of 4 or 5 earns a minimum of two semesters (min. 6 credits XXX 2230 and 2231 or XXX 2200 and 2201) of 2000-level language. No literature credit will be awarded for AP foreign language exams.

Advanced Placement Literature (all modern languages)

A score of 3 earns a minimum of one semester (min. 3 credits) of introductory literature. A score of 4 or higher earns a minimum of two semesters (min. 6 credits) of introductory literature.

Advanced Placement Latin

The AP Latin course focuses on one or two authors. Students either study Vergil, or follow a "Latin Literature" syllabus that includes Catullus and either Horace, Ovid, or Cicero. A minimum of one semester (min. 3 credits) should be awarded for a score of 3 or higher.

AP Latin: Vergil	LNW 2321
AP Latin: Latin Literature	LNW 3700 (number unique to exam)

<i>*This use for General Education applies only to I.B. credit.</i>				

Students who have participated in the International Baccalaureate program in high school may receive a maximum of 30 hours of credit for scores of four or higher in the subsidiary and higher level program areas. The table labeled "International Baccalaureate" provides information related to the International Baccalaureate program credit.

International Baccalaureate (all modern languages)

International Baccalaureate offers examinations in many languages and literatures at different levels: B, A2, and A1. Most students in Florida take English as their A1 level language (literature for native or near-native speakers) and one or more foreign language B exams. Within each category, there are "standard" and "higher" level examinations. Institutions may wish to award additional credit for higher-level exams.

Language B--All languages except Latin (most common)

Students earn a minimum of one semester (3 credits) of language credit at the Elementary Language II or equivalent level (usually 1121C) level for a score of 4. Students who score 5-7 earn a minimum of two semesters (min. 6 credits) of Elementary Language II and Intermediate Language I or their equivalents (usually 1121C/2200) level. No literature credit will be awarded for International Baccalaureate Language B exams.

Language A2 (language and literature courses for highly proficient speakers; uncommon in Florida)

No direct equivalent. Content of Language A2 varies widely. Minimum 3 credits language or literature for score of 4, 6 credits of language or literature for a score of 5-7.

Language A1 (literature courses for native speakers; languages other than English)

No direct equivalent. Content of Language A1 varies widely. Minimum 3 credits in literature for score of 4, 6 credits for score of 5-7.

IB Latin

LNW 3700. This is a unique number assigned to this exam. The IB Latin course includes a reading component and a selection of two out of four authors on a list that changes periodically. Minimum 3 credits for score of 4, 6 credits for score of 5-7 (all exams for diploma holders, higher level exams only for others).

Credit is awarded for scaled scores of 50 or higher on computer-based CLEP exams taken after July 1, 2001. A percentile score of 50 or higher is required on CLEP examinations taken prior to July 1, 2001. CLEP credit may be earned by CLEP subject examinations. Successful completion of CLEP examinations means performance at or above the minimum qualifying score. CLEP credit cannot be used to reduce a grade point deficiency. For example, CLEP cannot be substituted for a grade awarded for a previously completed course. CLEP may not be used to fulfill the senior institution requirements.

Awarding of CLEP credit is subject to the conditions listed below.

- Credit may be awarded in the CLEP subject examination area, provided the student: a) is not within 60 credit hours of graduation; b) has not previously received comparable college course credit in the CLEP examination area; c) does not receive comparable college credit in the CLEP examination area in the same term the examination is taken or in a subsequent term; d) has not previously completed, failed, nor received credit by UCF (transfer or otherwise) in a more advanced course in the examination area; and e) does not complete nor receive credit by UCF (transfer or otherwise) in a more advanced course during the term in which the CLEP examination is taken.

The table labeled "College Level Examination Program" provides information related to the CLEP examination areas and subtest areas for which credit may be awarded. In addition, this table delineates the minimum qualifying score and the UCF course for which each examination can substitute.

CLEP Language Examinations

A score of 50 on any of the language exams earns a minimum of one semester (4 credits) of Elementary Language I or equivalent level (generally numbered 1120). A score at or above the second CLEP threshold level (currently 59 for French, 60 for German, or 63 for Spanish) earns a minimum of two semesters (8 credits) of Elementary Language I and II or equivalent level (generally numbered 1120C-1121C). No literature credit should be awarded for CLEP foreign language exams.

Credit by Examination

Regularly enrolled (excludes transient and non-degree) undergraduate students at the University of Central Florida may obtain credit for specific University courses through departmental examinations. A student who believes he or she has acquired the knowledge and/or skills of a specific University course should consult his or her advisor and the chair of the department in which the course is offered to arrange for an examination. Degree credit will be awarded for those courses successfully completed by departmental examination. Credit by examination may not be used to reduce the 30 credit hours residency requirement. Credit by examination will not be given for any course lower in content than courses in the same discipline in which students are currently enrolled or which they have already completed or failed. Permission to take an examination is approved by the chair of the department and the dean of the college in which the course is offered.

More detailed information about Excelsior College Examinations, including detailed test descriptions, can be found online at <http://www.excelsior.edu>.

Address and Email Changes

The student's address is initially obtained from the "Application for Admission or Readmission." It is the students' responsibility to make appropriate changes to the address online at myUCF **as they occur**. Address and email changes also can be made by writing the Registrar's Office, P.O. Box 160114, Orlando, FL 32816-0114 or fax to 407-823-5652. Written requests must be signed and the student identification number provided.

Admissions and Standards Committee

The Admissions and Standards Committee is a reporting committee of the Faculty Senate. Its membership includes faculty and non-faculty representatives of the faculty Senate, several academic colleges, the Division of Student Development and Enrollment Services, and Student Government Association. The Admissions and Standards Committee meets regularly to consider appeals from: 1) persons denied admission; 2) students denied readmission; and 3) student appeals of University academic actions, policies or standards. All decisions rendered by the Admissions and Standards Committee are final. Decisions can only be appealed in the event new evidence or information has been determined by the Chair of the committee to be relevant and is subsequently approved for further committee review.

Right of Appeal

A student who has been denied readmission has thirty (30) days from the date of the denial to appeal to the Admission and Standards Committee. The appealing student must satisfy the following requirements before the Registrar's Office will forward the appeal to the Committee:

1. Complete the "Application for Readmission as an Exception to University Policy Form," available at the Registrar's Office (MH 161);
2. Prepare a written statement specifying the extenuating circumstances that led to their poor academic performance or academic dismissal.
 1. The written statement should be limited in length to one typed page; it must be signed and dated, and include the student's UCF Personal Identification number (PID).
 2. An "Application for Readmission as an Exception to University Policy" form not accompanied by the required written statement **will not** be forwarded to the Admissions and Standards Committee;
3. Provide documents which support and/or verify the extenuating circumstances (if applicable);
4. Supply official transcripts from all other schools attended during the suspension (if applicable);
5. Order **one** official copy of the UCF official transcript (**\$10 per copy**). The Registrar's Office will forward this transcript to the Admissions and Standards Committee;
6. Submit **one** stapled packet of appellant materials to the Registrar's Office (MH 161) by 12:00 p.m. (noon) Monday prior to the scheduled Admissions and Standards Committee meeting. The packet **must** contain the following documents, arranged in the following order:
 1. A completed "Application for Readmission as an Exception to University Policy Form";
 2. Written statement indicating the extenuating reasons for the previous academic difficulties and a plan for ensuring success in future terms;
 3. Any supporting documentation as directed by the college, school or other University personnel;
 4. Any additional supporting documentation (optional); and,

After a thorough evaluation of both the appeal and all required supporting documentation, the Admissions and Standards Committee will render a decision. The decision of the committee will be based upon university readmission policy and information presented in the appeal. Decisions are final, and there is no appeal beyond the committee. If a student feels there is new or missing evidence that was not available at the time of the original appeal, submitted to the Chair of the Admissions and Standards Committee for further consideration. Simply disagreeing with the committee's decision is not grounds for reconsideration.

Disqualified (with a Grade Point Deficiency of 30 or more Grade Points) and Excluded students are not eligible for readmission to the University and have no right to appeal for an exception to University policy to the Admissions and Standards Committee.

Athletic Eligibility and Retention Committee

The Athletic Eligibility and Retention Committee (AERC) has oversight of the athletic participation of students who engage in intercollegiate athletics. It relies on information gathered from the Office of Athletic Compliance, the Office of Academic Services for Student-Athletes, coaches and the individual student. Student-athletes who desire to continue their athletic participation while being on academic probation must have the written support of their coach, complete a written document stating their methods and dedication to improve their level of academic achievement and the approval of the AERC. The committee shall review each applicant's academic potential and current status and determine conditions for the individual's degree of continued participation in intercollegiate athletic activities.

Attendance, Absences, or Unsatisfactory Work

Under University policy, students are not authorized to attend class unless they are on the class roll or have been approved to audit and have paid audit fees. Students are responsible for satisfying the entire range of academic objectives as defined by the course instructor and ensuring that their class work and attendance are satisfactory. Students should understand that attendance policies and procedures vary among instructors and academic units, and they must observe any special attendance regulations stipulated by their college, school, department, program, or instructor. Reasons for acceptable absences may include illness, serious family emergencies, special curricular requirements (e.g., judging trips, field trips, professional conferences), military obligations, severe weather conditions, and religious holidays.

Students also should be excused for participation in official University-sponsored activities, such as music performances, athletic competition, or debate. Students chosen for such events including intercollegiate

athletics, band, choir, and academically related programs shall be listed on a "Program Verification" form. Program Directors shall provide each student with a copy of this form. It is the student's responsibility to present a copy of this form to the faculty member(s) responsible for the class from which the student will be absent. This verification is to be provided prior to the class period whenever possible and no later than the first class following the event. A copy of the form listing students selected to represent the University and signed by the Program Director shall be filed with the Office of Student Rights and Responsibilities (FC 155). If further verification is needed, contact the Office of Student Rights and Responsibilities (FC 142; 407-823-6960) or, for athletic events only, Academic Services for Student-Athletes, Wayne Densch Sports Center, 103A; 407-823-5896.

Absences from classes for court-imposed legal obligations (e.g., jury duty and subpoenas) must be excused. The student may offer other sound reasons. When absences threaten a student's satisfactory completion of a course, the instructor may report the absence to the appropriate Dean of the student's college/school and may choose to call upon the college/school office to request additional information and insight into the significance of or reason for the absences.

Earning Credit While Disqualified

A student disqualified while a freshman or sophomore who subsequently receive an A.A. degree with a minimum "C" average (2.0 GPA) on all college work attempted from a Florida College System institution has the right to appeal for readmission, in accordance with standard University policies. However, readmission is not guaranteed, and the student seeking readmission will be required to follow all academic regulations and procedures associated with readmission after suspension.

Enrollment and Degree Verification

Students may obtain their enrollment verification online through myUCF at my.ucf.edu. **Enrollment certification is free to currently enrolled students.** Parents, employers, background checking firms, and other third party agencies may request enrollment and degree verifications online at <http://www.degreeverify.org>. A fee will be assessed for all such requests. UCF has contracted with National Student Clearinghouse to provide current enrollment and degree verifications online 24 hours a day, seven days a week. National Student Clearinghouse Customer Service is available at 1-703-742-4200, Monday - Thursday, 9:00 a.m. - 7:00 p.m., & Friday, 9:00 a.m. - 5:00 p.m., ET.

Family Educational Rights and Privacy Act (FERPA)

The procedures for protecting the confidentiality of student records are based on state regulations and the federal **Family Educational Rights and Privacy Act of 1974**. FERPA affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a written request for access. Students should submit to the University Registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they desire to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed;
2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. The student may ask the University to amend a record that he or she believes is inaccurate or misleading. The student should write the University official responsible for the record, clearly identify the part of the record to be changed, and specify why the current record is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing;
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health

staff); a person or company with whom the University has contracted (such as an attorney, auditor, National Student Clearinghouse, or collection agent); designated employees or qualified employees of institutions engaged in joint instructional activities or programs with UCF; a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility; and

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by a State University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Ave., SW
Washington DC, 20202-4605

Directory Information

FERPA authorizes the University to classify certain information concerning students as "directory information," which means that it may be released to anyone upon request. Directory information at UCF includes:

- name
- current mailing address
- telephone number
- date of birth
- major field of study
- dates of attendance
- enrollment status
- degrees and awards received
- participation in officially registered activities and sports
- athletes' height and weight

The University extends to students the opportunity to withhold even directory information from disclosure, by opting out of the University's directory information policy. Students can do this online at my.ucf.edu > Student Self Service > Student Center > Personal Information > FERPA/Directory Restriction or complete the Directory Disclosure/Release Authorization form available at the Registrar's Office (MH 161) or at registrar.ucf.edu, requesting that this information be withheld.

Other Disclosures:

FERPA also authorizes the University to forward educational records to other agencies or institutions that have requested the records AND in which the student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer.

All other disclosures of education records and information will be made in accordance with FERPA. In most cases, but not all, this requires the student's prior written and signed consent. The Golden Rule outlines the University procedures for confidentiality. For additional information describing FERPA policy, enter the Department of Education Family Policy Compliance Office website at <http://www.ed.gov/offices/OM/fpc/>.

Grade Change

A grade change is the change of any originally assigned grade to another grade, including grades of "I" and grades earned by administrative withdrawals. GPA is recalculated after the grade change. Grade changes other than medical withdrawals and approved Incomplete Grades will be considered only during the term immediately following the one in which the grade was assigned, except that grades assigned during the Spring semester may be changed during either the following Summer term or Fall semester. The dean of the college or school or the dean's designee must approve a change in grade. **A grade will not be changed after a degree has been conferred.** The Registrar will change a student's academic standing if necessitated by a change of grade, except in cases of academic suspension. If a student is suspended, the Admissions and Standards Committee may review the suspension and readmit the student if the Committee decides readmission is warranted.

Grade Forgiveness

Grade Forgiveness offers a student the opportunity to retake a course and earn a second grade that will be substituted for the previous grade. Students may apply for Grade Forgiveness online at my.ucf.edu > Student Self Service > Student Center. Requests must be submitted no later than the **last official day of class**, according to the Academic Calendar, for the term/session in which the student has registered for the course being repeated. Consult the web calendar at calendar.ucf.edu. The following policies apply:

1. Grade Forgiveness is limited to **two** courses;
2. Grade Forgiveness **may not** be used twice for the same course;
3. Grade Forgiveness will only be awarded if the original and repeated courses both are taken at UCF;
4. Grade Forgiveness can only be requested for a course in which the original grade was a "C-" or lower. Should a student need to repeat a course due to a degree program requirement that necessitates a grade higher than a "C," the student can request a Grade Forgiveness exception from the Registrar's Office. The exception must be approved by the student's academic advisor prior to submission to the Registrar's Office.
5. All grades will remain on the student's official transcript. The original course grade will be marked with a "T" to indicate that the course subsequently has been repeated, or a note describing the initial attempt, and the repeat course grade will be marked with an "R." The original grade **will** appear on the transcript but only the repeated course grade will be calculated into the GPA or meet degree requirements;
6. If it is determined that the student is ineligible for Grade Forgiveness, neither a refund of fees nor automatic withdrawal from the course will be made. In addition, if the student is ineligible, the two grades will be averaged for the calculation of the GPA;
7. If a student applies for Grade Forgiveness and later withdraws, receives an "I" grade, or receives an "NC" grade in the course, the attempt **will** count as one of the allotted Grade Forgiveness attempts. An approved medical withdrawal or late drop will not count against one of the allotted Grade Forgiveness attempts;
8. Grade Forgiveness granted as part of an Associate in Arts or a specific statewide articulated Associate in Science degree transferred from a Florida College System institution or State University **will** count against the allotted Grade Forgiveness attempts;
9. Due to the two-course limit, a student who has repeated two or more courses at a Florida College System institution or State University and included those courses in the transfer of an AA or a specific statewide articulated AS degree **will not** be granted any Grade Forgiveness at UCF;
10. Grade Forgiveness awarded within a bachelor's degree from a Florida State System institution is not honored at UCF. UCF's Grade Forgiveness policy may not be honored by other colleges, universities, professional schools, or national testing associations.
11. Grade Forgiveness awarded for repeated courses will not retroactively alter any previous academic action (i.e. academic probation or disqualification). In addition, no academic records can be altered after a student graduates;
12. Grade Forgiveness is not retroactive and, therefore, may not be used for a course repeated before Fall 1981. If a student who repeated a course at UCF before 1981 and did not use the previous forgiveness policy may repeat the course again. In this case, the lower of the previous two grades will be forgiven. This special circumstance is the only one in which a student will be allowed to repeat a course more than once; and,
13. With prior approval from the Dean's office in which the course is offered, a student can only substitute a course different from the original one if: 1) the substitute course reflects a change in prefix, number, hours, or title but not in substance; or 2) the substitute course replaces a course no longer offered by UCF. In this case, the student must submit the paper version of the Grade Forgiveness Form which can be obtained at the Registrar's Office (MH 161).

Repeated Enrollment in Same Course: Beginning Fall 1997, a student enrolled in the same undergraduate college credit course more than twice shall pay matriculation at 100% of the full cost of instruction (Non-Florida Resident rates).

Grade Reports

Grades are available from myUCF at my.ucf.edu.

Grade System

The University uses an alphabetic system to identify student grades and other actions regarding student

progress or class attendance. Beginning Fall 2001, a plus/minus grading system became effective, with a grade point equivalent per semester hour as follows:

Grades	Grading Points Per Semester Hour of Credit
A	4.00
A-	3.75
B+	3.25
B	3.00
B-	2.75
C+	2.25
C	2.00
C-	1.75
D+	1.25
D	1.00
D-	.75
F	0.00
NC - No Credit	*

*Available only in CHM 1032, CHM 2040, CHM 2041, CHM 2045C, CHS 1440, ENC 1101, ENC 1101H, ENC 1102, ENC 1102H, MAC 1105CH, MAC 1105H, MAC 1114C, MAC 1140C, MAC 1140H, MAC 2147, MAC 2233, MAC 2241, MAC 2253, MAC 2281, MAC 2281H, MAC 2311C, MAC 2311H, MAT 1033C, and STA 2014. In these classes NC replaces the use of D+, D and D-.

Legend	Action	Grade Points
G	Repeated Course (Grade Forgiveness, multiple attempts)	-
I	Incomplete	-
K	Repeated course (Latest Attempt)	-
N	No grade reported by instructor (followed by grade)	-
P	Repeated Course (Not Grade Forgiveness)	-
R	Repeated course (Grade Forgiveness)	-
S	Satisfactory (w/credit)/Satisfactory Progress (Research, Thesis, or Dissertation)	-
T	(followed by grade) Subsequently repeated (no credit)	-
U	Unsatisfactory (no credit)	-
W	Withdrawn	-
WL	Late Withdrawal	-
WH	Health Form Withdrawal	-
WM	Medical Withdrawal	-
X	Audit (no credit)	-

The designation of "N" will be assigned temporarily by the Registrar's Office only in the case when a grade has

not been submitted by the instructors by the grade submission deadline. The designator will be replaced by the earned letter grade at the earliest opportunity in the term that immediately follows and prior to graduation. The "N" designator may not be assigned by the instructor.

In the event of academic dishonesty, instructors may assign a Z in front of a final course grade on a student's academic record. For further information regarding the addition, removal and appeals process of the Z designation, see <https://goldenrule.sdes.ucf.edu/wp-content/uploads/sites/64/2020/10/2020-2021-Golden-Rule.pdf#page=67>

The Grade Point Average (GPA) is the average number of grade points per semester hour attempted. **GPA is computed by dividing the total number of grade points assigned by the total number of credit hours attempted, less hours resulting from NC, W, WP, S, U, and I grades.** GPA is recalculated after each term; for Summer GPA is recalculated only after all Sessions and end of term. The GPA for graduation requirement is a minimum UCF 2.0 ("C").

Example: A student has completed 13 credit hours for a given term. To calculate the Term GPA:

1. Multiply the number of credit hours per course by the number of grade points per grade. Then add each amount to arrive at the total number of grade points earned for that term:

Course #1 B+ 3 credit hours X 3.25 grade points = 9.75
+ Course #2 A- 3 credit hours X 3.75 grade points = 11.25
+ Course #3 A 4 credit hours X 4.00 grade points = 16
+ Course #4 B 3 credit hours X 3.00 grade points = 9

= 13 credit hours = 46 total grade points

1. Divide the total number of grade points by the total number of credit hours earned that term:
46.00 total grade points / 13 credit hours = 3.54 GPA for that term.

UCF Cumulative GPA. If prior to this term the student had earned a total of 162 grade points for a combined 54 term hours of coursework, his or her cumulative grade point average entering this term would be $162/54=3.00$. Including this term of coursework, the cumulative grade point average would be $(162 + 46) / (54 + 13) = 3.10$.

Grades in Repeating Courses

Concerning grades in repeated courses, UCF will apply the best grade of the first two attempts for the same course when grade forgiveness is not used. If a student chooses to enroll in a course for a third time, or more, he/she will be subject to paying the repeat surcharge. Regardless of whether the grade earned is better, worse, or the same as previous attempts, the grade earned in the last attempt, in a sequence of three or more attempts, will be the grade applied toward the degree and program requirements.

All attempts for the course will be recorded on the student's transcript and will be part of the GPA calculation unless there is an approved grade forgiveness. In the case of grade forgiveness, all grades will be recorded but the GPA will be calculated in accordance to the Grade Forgiveness policy. See the Grade Forgiveness policy in this catalog and information located at registrar.ucf.edu/grade-forgiveness.

Attempted courses will impact excess hours in accordance to Florida Statute 1009.286. Students are strongly encouraged to carefully review information on excess hours in this catalog or at registrar.ucf.edu.

Higher Education Act

Lists, descriptions, and sources of information required for disclosure under the Higher Education Act may be obtained from the Registrar's Office (Millican Hall 161) or from registrar.ucf.edu/hea.

Incomplete Grade

A grade of "I" (Incomplete) may be assigned by the instructor when a student is unable to complete a course due to extenuating circumstances, and when all requirements can be completed in a short time following the end of the term. It is expected that the student will have completed a majority of the course. When an instructor assigns an "I" grade for a course, the student is notified through email about the grade. The student is responsible to arrange with the instructor for the completion of the requirements of the course. Effective with Incomplete grades assigned in the Fall semester 1997 and thereafter, a student cannot graduate from the University with an "I" on the transcript. The Incomplete must be changed within one year of the last day of the term attempted or prior to graduation from the University, whichever comes first. Unresolved Incomplete grades automatically will be changed to "F" by the Registrar's Office. Unresolved "I" grades in courses graded with "S" or "U" will be converted to "U."

Major, Minor, Undergraduate Certificate Policies

Policy for Undeclared Students

All students at the University of Central Florida are expected to officially declare a major prior to earning 45 college credit hours (this includes credits earned from college-level exam placement, Dual Enrollment, advance placement and international baccalaureate).

Majors

The University assigns the major that the student indicated on the "Application for Admission or Readmission." It is the student's responsibility to make appropriate major changes. Students who change majors between different colleges must adopt the most current Catalog. Students changing from a declared major to an "Undeclared" or "Undecided" major also must adopt the most current Catalog. For each of these students, the University automatically will update the Catalog year when processing the change in major. Students may retain their Catalog when changing tracks/concentrations within the same major (e.g., English: Literature to English: Creative Writing), or when moving from a "Pending" category to the equivalent major (e.g., "Pre-Accounting" to "Accounting"). If the new major is a different subject from the "pending" major (e.g., "Accounting Pending" to "History"), the student must adopt the most current Catalog and the University automatically will update the Catalog year when processing the change in major. If they have not interrupted residency, students entering UCF in an "Undeclared" or "Undecided" category may retain their Catalog when initially selecting a major. Students can change majors online at my.ucf.edu > Student Self Service > Student Center > other academic (drop down menu) > Change Major: Request. Follow the directions on that page.

Minors

A Minor is a complement to a bachelor's degree program/major requiring at least 18 credit hours in a field. A student may declare a minor **at any point during the first term of enrollment up to but no later than the online submission of the online "Intent to Graduate Form."** **Students strongly are urged to declare a minor as early as possible.** Minors are optional unless required by your specific major. All graduation requirements (i.e., the minor and major) must be from a single UCF Undergraduate Catalog for which a student is eligible. Minors must be certified at the same time as the student's baccalaureate degree. Unless a second degree is earned, certification will not be made at a later time even if additional courses have been completed. Students can declare, change, or drop minors online at my.ucf.edu > Student Self Service > Student Center > other academic (drop down menu) > Change Major: Request. Follow the directions on that page.

Undergraduate Certificates

An undergraduate Certificate is a supplement to the bachelor's degree program/major. Certificates are optional. Students must be admitted in a degree-seeking program to be eligible to receive an undergraduate Certificate, and a Certificate will only be granted together with completion of a UCF baccalaureate degree. All graduation requirements (i.e. the certificate and major/minor) must be from the same UCF Undergraduate Catalog for which a student is eligible. Certificates can be declared or changed online at my.ucf.edu.

Name Changes

To change the legal name maintained on the student's official UCF record, the student must submit a completed "Change of Name" form and supporting documentation to the appropriate UCF office. Attach to the form a copy of a legal name change document (e.g., marriage certificate, divorce decree, etc.). Undergraduate students must submit the form to the Registrar's Office (MH 161). Graduate students must submit the form to the Graduate

Studies Office (MH 230). Current UCF employees and those students who have been UCF employees within 12 months of the date the name change is requested must submit the form to the Human Resources Office (12565 Research Parkway). The "Change of Name" form is available from the Registrar's Office at MH 161 or online at registrar.ucf.edu.

In addition to legal name changes, the University provides students the option for a Preferred Name. Students wishing to establish a preferred name option may accomplish this by submitting the Change of Name Form to the Registrar's Office.

Readmission

A student must apply for readmission to the Registrar's Office (MH 161) if:

1. the student has not enrolled at UCF for two consecutive semesters (not including the Summer term);
2. the student has been academically suspended from UCF;
3. the student failed to enroll or withdrew from all classes during the readmitted term; or,
4. the student has previously attended, or is currently enrolled at UCF, as "degree-seeking" and desires to pursue a second bachelor's degree.

The application deadline for readmission is as follows: for Summer, **April 1**; for Fall, **July 1**; and for Spring, **November 1**.

Readmission Following Non-Enrollment for Two Consecutive Semesters

The student must complete and submit the "Readmission Application Form," available on my.ucf.edu. Log on to myUCF using your student ID and password and then go to Student Self Service > Student Center. Once on the Student Center page, go to the "Other Academic..." dropdown menu and scroll down to "Readmission Application." If the student has attended another accredited institution recognized by UCF since leaving UCF, the student must request an official transcript be sent to the Registrar's Office. If the student was previously admitted to a UCF limited-access program, the student will be placed in pending status for that major and must apply to the College for readmission to the program. Plus or minus grades will transfer for course work earned Fall 2001 and after using UCF's grade point system.

Readmitting students classified as a "Florida resident" during the last term at UCF who have resided outside of the State of Florida for one year may not be eligible for readmission as a Florida resident for tuition purposes. Students approved for readmission may be classified as a non-resident for tuition purposes and must submit documentation to the Registrar's Office establishing his or her eligibility for Florida residency for tuition purposes. For eligibility requirements, refer to "Florida Residency for Tuition Purposes" within "Financial Information" of the Undergraduate Catalog.

Any readmitted student whose UCF GPA is less than 2.0 at the time of the last enrollment at the University will be readmitted on "Academic Probation."

All applicants seeking readmission who have attempted course work at another accredited institution of higher education (meeting university transfer eligibility requirements) since last attending the University will be required to be in "Good Standing" (minimum 2.0 GPA) at the last institution attended with no allowance for grade forgiveness and must be eligible to return to the last institution attended.

Readmission Following Suspension: Disqualification, with a Grade Point Deficiency of Less than 30 Grade Points

A student who has been academically Disqualified by UCF (with a grade point deficiency less than 30 grade points) who has completed the two term academic suspension period may petition for readmission by submitting the "Readmission Application Form" to the Registrar's Office. For readmission purposes only, grade point deficiency is defined as the number of UCF credit hours earned with a "B" (3.0 GPA) grade that a student requires to raise his or her UCF grade point average to 2.0. A student's grade point deficiency is calculated when the student applies for readmission. The petitioning student must satisfy the following requirements before a decision will be made:

1. Submit a written statement indicating the reason for the previous academic difficulties and a plan for ensuring success in future terms:
 1. The written statement should be limited in length to one typed page; it must be signed and dated, and include the student's UCF Personal Identification Number (PID).

2. A "Readmission Application Form" not accompanied by the required written statement **will not be** reviewed;
2. Contact the Registrar's Office for information specific to readmission following disqualification. Please note that a plan to complete the program of study from your intended major's department/ school/college may be required as part of the readmission application packet. Until removed from probationary status following readmission, a student will not be allowed to change majors unless prior approval is authorized by all departments/schools/ colleges offering the student's current field of study and the field of study to which the student is seeking the change; and
3. Submit to the Registrar's Office official transcripts from all other schools attended during suspension (if applicable).

The Registrar's Office will review the readmission application **only** when it receives all of the documents listed above. A student denied readmission by the Registrar's Office has thirty (30) days from the date of the denial to appeal that decision to the Admissions and Standards Committee. See "[Right of Appeal](#)" below for details. Disqualified students are limited to **one** readmission appeal during the disqualification period.

For readmission purposes only, grade point deficiency is defined as the number of UCF credit hours earned with a "B" (3.0 GPA) grade that a student requires to raise his or her UCF cumulative grade point average to 2.0. A student's grade point deficiency is calculated when the student applies for readmission. A student must remain on readmission plan until removed from probationary status following readmission, a student will not be allowed to change majors unless prior approval is authorized by all departments/schools/colleges offering the student's current field of study and the field of study to which the student is seeking the change.

Readmission Prior to Completion of the Required Suspension

A student who has been academically Disqualified by UCF who has not completed the academic suspension period **is not eligible for readmission to the University**. Students may appeal for an exception to this policy to the Admissions and Standards Committee. See "[Right of Appeal](#)" below for details. Disqualified students are limited to one readmission appeal during the disqualification period and **one** appeal per 12-month period following the disqualification period.

Readmission Following Suspension: Disqualification (with a Grade Point Deficiency of 30 or more Grade Points)

Students who are disqualified (with a grade point deficiency of 30 grade points or more) are ineligible for readmission to the University. Disqualified students with a grade point deficiency of 30 grade points or more are Excluded. Excluded students are not eligible for readmission to the University and may not appeal for an exception to University policy to the Admissions and Standards Committee.

Dropping or Withdrawing During Readmitted Term

Disqualified students who drop or withdraw from all courses during the readmitted term for any reason **must** apply for readmission.

Limitations on the Number of Readmission Appeals

Disqualified students are limited to **one** appeal for an exception to University policy to the Admissions and Standards Committee during the disqualification period and **one** appeal **per 12-month period** following the disqualification period.

Excluded students are not eligible to appeal for an exception to University policy to the Admissions and Standards Committee.

Non-Academic Admission Clearances

According to the Florida Board of Regents Rule 6C-6.001(2) "...If determined not to be in the best interest of the University to admit an applicant because of past misconduct the University may do so."

This authorizes universities to refuse readmission to applicants due to past misconduct. The University further requires the Vice President of Student Development and Enrollment Services or his/her designee to review all applications disclosing information regarding any prior criminal conviction or conduct problem at another institution and to make a decision as to whether the admission of this applicant will be in the best interest of the University. This statement describes the procedure and assigns responsibility for the review of these applications

for admission. Applicants who fail to disclose any prior criminal conviction or conduct problem at another institution and such fact is subsequently discovered by the University shall be denied admission or readmission, or other academic and/or disciplinary action up to and including expulsion.

Appeal

There is no appeal of the University's decision not to admit or readmit a student based on past misconduct. According to the Florida Administrative Code 6C-6.001(4): "Applicants denied admission shall be given notice of the denial within a reasonable period of time following the decision. Upon the applicant's written request, the University shall provide the reasons for the rejection in writing."

Registration Policies

During each academic term, registration is held for all new, currently enrolled, degree-seeking and non-degree seeking students for the following term. Registration sessions consist of Registration and Late Registration (held during the first week of classes for each term/session). Spring Registration begins following midterm for the Fall semester. Summer and Fall Registrations begin following the midterm of the Spring semester. Class listings are available only online through the Class Schedule and Course Catalog Search at my.ucf.edu.

Registration is available using the myUCF at my.ucf.edu and in the college advising offices. The dates and times for each registration period are included in the Academic Calendar online at calendar.ucf.edu.

Terms and Credit Hours

The University of Central Florida academic schedule consists of two semesters (Fall and Spring), and the Summer term. The graduation credit value of each course of instruction is stated in terms of credit hours. A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

1. one hour of classroom or direct faculty instruction and a minimum of two hours of out of class student work each week for approximately fifteen weeks for one semester or the equivalent amount of work over a different amount of time; or
2. at least an equivalent amount of work as required in paragraph (1) of this definition for academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

Undergraduate Enrollment Status	Credit Hours
Full Time	12 or more
Three-Quarter Time	9-11
Half Time	6-8
Less -Than-Half Time	less than 6

Note: Graduate and post-baccalaureate students please refer to the online *Graduate Catalog* for enrollment status policies.

Credit Hour Limits

Undergraduate students are limited to 14 credit hours for the Summer term and 17 credit hours for the Fall and Spring semesters. The department chair and college advising office must approve overloads. Overloads may be processed at the college advising offices.

Excess Hours

Effective Fall 2009, pursuant to Florida Statute 1009.286, students entering a Florida College System institution or state university for the first time in Fall, 2009, and thereafter, may be subject to the excess hours surcharge

for hours exceeding baccalaureate degree program completion requirements. Students should regularly review their degree audits and consult with an academic advisor to make sure they are not enrolling in excess courses. More detailed explanation of the excess hours rule can be found on the University Registrar's Office website at registrar.ucf.edu/excess-hours.

Students beginning Fall Semester 2009 through Summer 2011 will be charged 1.5 times the tuition rate for each credit hour beyond 120% of the required hours of that degree program. Students beginning Fall 2011 through Summer 2012 will be charged two times the tuition rate for each credit beyond 115% of the required hours of that degree program. Students beginning Fall 2012 through Spring 2019 will be charged two times the tuition rate for each credit beyond 110% of the required hours of that degree program. Students beginning Summer 2019 and beyond will be charged two times the tuition rate for each credit beyond 120% of the required hours of the degree program.

Hold

A hold (negative service indicator) may be placed on a student's records, transcripts, grades, diplomas or registration due to financial or other obligations to the University. Satisfaction and clearance of the hold is required before a release can be given. Students may check for holds on the myUCF system at my.ucf.edu under the Student Self Service link. To obtain a release for financial holds, payment to the Cashier's Office must be made either in cash, credit card, cashier's check, or money order.

Drop/Swap and Add Policy

Drop/Swap and Add are the periods following initial registration when students may make class schedule adjustments (as listed in the Academic Calendar). Drop/Swap or Add may be done using the myUCF system (my.ucf.edu) or in the college advising offices. After the Drop-Swap period, no course may be dropped without being fee liable. Courses meeting for the first time after the end of the Drop/ Swap or Add period may be dropped the next business day in the Registrar's Office, Millican Hall 161. If a student drops courses for an entire term with the intent of not returning to UCF, they must also drop courses for any future terms or will be fee liable and receive a grade. For withdrawal after the Drop/Swap period, refer to the "[Withdrawal Policy](#)" of the Undergraduate Catalog. Please consult the Academic Calendar for Drop, Add, and Withdrawal deadlines.

A student is not automatically dropped or withdrawn from a class for not attending. The instructor cannot add, drop or withdraw a student from a class.

Audit Registration

Audit students are those who desire to attend class(es) without receiving academic credit. Regular tuition and fees are assessed for Audit registration. See the "[Fee Schedule](#)" in the "Financial Information" section of the Undergraduate Catalog. Audit registration is on a space-available basis at the prescribed time of Registration or at any time during Late Registration and Drop/Swap and Add when Late Registration fees will apply. Audit requests for students who register prior to this time will be denied. Students may not change to Audit status after Late Registration and Add, but must remain in the course or withdraw through normal withdrawal procedures. New students must be accepted for admission to be eligible to audit a course. Audit forms, available on the Registrar's website (registrar.ucf.edu) and in the Registrar's and college advising offices, must be signed by the instructor and presented to the Registrar's Office at the time of registration.

UCF Math Placement Test

The University believes that appropriate placement of students into certain course sequences is important to help foster an environment of success. The University administers the UCF Math Placement Test to determine placement into the mathematics course sequence. Students who do not meet prerequisites for mathematics courses are required to take the UCF Math Placement Test and are strongly recommended to complete the UCF Math Placement Test prior to attending Orientation. If the UCF Math Placement Test is not completed prior to Orientation, delays in registration for mathematics courses may result. The UCF Math Placement Test is for placement purposes only and does not award credit. More information about the UCF Math Placement Test is available at utc.sdes.ucf.edu/math/.

Senior Citizen Audit

Senior Citizens (60 years of age or older) who have been residents of the State of Florida for at least one year as of the first day of classes may enroll tuition free as Audit students (i.e., no academic credit) on a space-available basis. Forms to be completed include the "Residency Affidavit," the "Student Health History," the "Senior Citizen Audit Application" and "Senior Citizen Audit Registration Form" These forms are available in the Registrar's

Office (MH 161) or at the Registrar's website: registrar.ucf.edu. It is necessary to complete the required forms during the last hours of registration as noted in the Academic Calendar online at calendar.ucf.edu. Direct student expenses after the completion of registration include the campus ID card, vehicle registration and textbooks.

State of Florida Employee and UCF Employee Registration

State of Florida employee and UCF employee enrollment into courses for which the employee will seek a tuition waiver will occur on a space available only basis on the last day of Registration each term at the time specified on the "Academic Calendar" online at calendar.ucf.edu. For waiver eligibility and application information, please refer to the Student Account Services website at studentaccounts.ucf.edu.

Limited Non-Degree Seeking Applicants

This classification allows a student to enroll in selected courses when the student may have no immediate intention of pursuing a degree program. Most opportunities in this status will occur away from the Orlando campus, for courses that are taught out of the regular semester or term cycle, or for special programs mandated by the State of Florida. Successful completion of courses while in this classification **does not** provide a basis for regular admission at a later date. Programs using the Limited Non-Degree Seeking status include:

- High school Dual Enrollment
- Continuing Education
- Off-campus credit
- Soldiers-to-Scholars
- Regional Campuses
- Teacher Certification or re-certification

Students registering for classes in the Limited Non-Degree Seeking status are subject to the following regulations:

1. Students are required to provide evidence of their educational qualifications for attending classes in order to meet the intent of this enrollment classification;
2. Students who have been previously denied admission or disqualified for enrollment are not eligible;
3. Non-degree-seeking students are subject to the same rules and regulations as degree-seeking students;
4. Registration is permitted on a space-available basis;
5. A maximum of 15 undergraduate credit hours or 6 graduate credit hours may be earned as a limited non-degree seeking student;
6. International students may not register as non-degree-seeking since immigration regulations prevent foreign nationals from enrolling without admission to a degree or certificate program;
7. Limited Non-degree students are not eligible to receive financial aid nor to participate in intercollegiate sports; and,
8. Students must complete a Limited Non-Degree Seeking Status Registration Form.

Applicants for limited non-degree-seeking status are subject to applicable provisions of the University's undergraduate admissions regulation. Students registering in this category should be aware of the limitations of this status and are encouraged to apply for regular admission to the University.

State Tuition Exemption Program (STEP) (National Guard) Registration

State Tuition Exemption Program (STEP-National Guard) students register on a space-available basis only. Registration is on a space-available basis during the last hours of registration as noted in the "Academic Calendar" online at registrar.ucf.edu/calendar. STEP students must present a "Certification" letter to Student Account Services (Millican Hall 109) to receive waiver of eligible fees. Registration before the time specified in the "Academic Calendar" online at registrar.ucf.edu calendar will result in the student being assessed regular fees. The tuition fee waiver cannot be used for courses that require increased costs, including, but not limited to courses offered through the Center for Continuing Education, independent study, supervised research, supervised teaching labs, thesis hours, dissertation, internships, co-ops, practicums, or applied, individualized instruction in music, art, or dance. Eligible members of the active Florida National Guard may receive a waiver of 50% of tuition and material and supply fees.

State University System (SUS) Florida Transient Students

An SUS Transient Student is a student in good standing who is seeking a degree from one of the other Florida public universities (SUS) and desires to take courses with UCF. Students must complete the "SUS Transient Application Form", which is available online at <https://www.floridashines.org>. No application fee is required. The "SUS Transient Application Form" must be completed each term and should be completed online or delivered/mailed to the Registrar's Office (MH 161), by the application deadline noted in the Academic Calendar

online at calendar.ucf.edu. Students should visit the Registrar's Office website at registrar.ucf.edu or contact the Registrar's Office for registration information at 407-823-3100.

UCF Students Attending Another Florida Public Institution

UCF students who desire to attend another Florida Public institution, to earn credit for transfer back into a UCF degree program, as a transient student are encouraged to complete the "Transient Student Form" online, which is available on the Florida Virtual Campus website at <https://www.floridashines.org> under "College Students" > "Transferring". Students wanting to attend a Florida private institution or an institution outside the State of Florida may obtain a printed form from the UCF Registrar's Office. The prior permission of the department, school, and college advising office is required to ensure that the courses attempted at another institution will transfer and meet the UCF Degree/General Education Program requirements.

UCF Students Attending a Non-SUS Institution

A UCF degree-seeking student desiring to earn credit at another college or university for transfer back into a UCF degree program must obtain prior transient approval for specific courses from the Dean or Department Chair of his/her respective college or school. Transient approval of courses to be applied to the UCF General Education Program must be obtained in advance from Academic Services (MH 210). Credit earned without prior transient approval may not be accepted. Plus/minus grades will be transferred for course work earned Fall 2001 and after using UCF's grade point system. Because of graduation certification, students may not take courses in transient status during the term in which they expect to graduate. A student seeking transient status must complete the "Transient Approval Form," available from the college or school advising office or at <https://www.floridashines.org> and must submit the completed, approved and signed form to the Registrar's Office (MH 161). Transient credit cannot be used to reduce the last 30 semester hour residency requirement for a baccalaureate degree, the last 20 semester hour residency requirement for an Associate of Arts degree, or any departmental residency requirements.

Professional Credentialing or Licensure

If you intend to pursue professional licensure or other credentialing in your state or elsewhere, we advise you to contact the applicable state credentialing authority to familiarize yourself with its specific requirements and determine if your selected UCF program of study meets its academic criteria. You are welcome to contact a UCF program advisor with questions in this regard and we will do our best to assist you in your career planning.

Religious Observances

It is the practice of the University of Central Florida to reasonably accommodate the religious observances, practices, and beliefs of individuals in regard to admissions, class attendance, and the scheduling of examinations and work assignments. A student who desires to observe a religious holy day of his or her religious faith must notify all of his/her instructors **at the beginning of the term** to be excused from classes to observe the religious holy day.

The student will be held responsible for any material covered during the excused absence but will be permitted a reasonable amount of time to complete any work missed. Where practicable, major examinations, major assignments, and University ceremonies will not be scheduled on a major religious holy day.

Students who are absent from academic or social activities because of religious observances will not be penalized. A student who believes that he/she has been unreasonably denied an educational benefit due to his/her religious belief or practices may seek redress in accordance with the Student Grievance Procedure, as listed in The Golden Rule.

Student Classifications

Students will be classified by level, on the basis of credit hours satisfactorily earned as follows:

Freshman: 0-29 credit hours

Sophomore: 30-59 credit hours

Junior: 60-89 credit hours

Senior: 90 or more credit hours, prior to completion of baccalaureate requirements

Post-Baccalaureate:

Any student enrolled in courses, regardless of course level (except one working toward another baccalaureate degree), who has a baccalaureate degree but has not been admitted to a graduate program. All post-baccalaureate students are considered as non-degree undergraduates for all University policies and procedures.

Graduate:

Any student enrolled in graduate courses who has been admitted to a graduate program.

Other Student Classifications:

Auditor:

A student registered for any credit course who is not seeking credit.

Co-op Student:

A student enrolled in the Center for Cooperative Education and Applied Learning Program remains a registered student during all off-campus assignment semesters. Furthermore, there is no lapse in continuity in the co-op academic calendar: a co-op student either is on assignment or attending class during each term.

Special Student:

A student of demonstrated academic ability who does not meet the regular requirements for admission (Early Admission, non-degree seeking, transient, and auditor).

Temporary:

A student who applied before the deadline and who is permitted to register and attend class pending completion of the admission file.

Transient:

Students temporarily registered (for one term) at UCF with the approval of another university or college where they are regularly enrolled, or a UCF student temporarily in attendance at another university or college, with the approval of UCF. A UCF student may not be enrolled as a Transient student in another institution during the term in which the baccalaureate degree or the A.A. degree is to be awarded.

Limited Non-Degree Seeking:

A student earning credit but not enrolled in a degree program.

Provisional:

A student entering from a regionally unaccredited high school or a college or university not recognized by UCF may be admitted on provisional status where appropriate. By obtaining a minimum 2.0 GPA ("C" average) at the end of the first term of attendance, the provisional status will be removed. Earning less than a "C" (2.0) average the first term would result in disqualification.

Student Conduct

Students are subject to federal and state laws and local ordinances as well as regulations prescribed by the University of Central Florida and the Florida Board of Governors. The breach or violation of any of these laws or regulations may result in disciplinary action. Detailed conduct regulations and procedures are presented in The Golden Rule.

A person applying for admission to UCF who has had prior criminal conduct, pending criminal charges, and prior educational misconduct (including traffic violations that resulted in a fine of \$200 or more) may have the circumstances of the case reviewed by the Office of Student Rights and Responsibilities (FC 227) to consider eligibility for admission.

Student Records

Student records submitted become the property of the University and cannot be returned to the student or released to a third party. Copies of student records will be released only upon receipt of a written request signed by the student. Student records are stored in paper form or are digitally scanned. Once the student has been absent from the University for three academic years, all records may be transferred to optical disk storage and the paper copies destroyed.

Third Attempt Course Repeat Surcharges

All students enrolled in undergraduate courses for the Fall 1997 term and beyond are subject to an additional surcharge fee when they enroll in the same undergraduate college credit course three or more times. Completed courses, withdrawals, and courses with incomplete grades are counted as attempts, including courses repeated in order to raise the GPA or to achieve a specific grade. Courses that specify they may be repeated for credit are exempt. Students seeking exemptions for extenuating circumstances or financial hardship may submit a written petition with documentation to the Fee Appeals Committee, Student Account Services (Millican Hall 109).

Exemptions to the third attempt surcharge will be considered through a Fee Appeal Process.

Exceptions to the repeat course fee requirement shall be based only on extenuating circumstances, or financial hardship.

Extenuating Circumstances

Those circumstances determined by the University to be exceptional and beyond the control of the student. These may include, but not be limited to, the following:

1. Medical condition or serious illness preventing completion;
2. Death of an immediate family member;
3. Involuntary call to active duty; or,
4. Other emergency circumstances or extraordinary conditions.

Special Limitation: students who withdraw or fail a class due to extenuating circumstances may be granted an exemption only once for each class.

Financial Hardship:

Should include, but not be limited to, the following:

1. Qualification for federal need-based financial aid; or,
2. Other documented financial hardship may be considered.

For details, contact Student Account Services (Millican Hall 109) at 407-823-2433.

Transcript Requests

Requests for official transcripts must be made online via myUCF (my.ucf.edu). Telephone and email requests are not accepted. Transcripts cannot be released if there is a hold due to a financial obligation to the University. Requests may be made for immediate delivery or the request can be held until final semester grades have been posted or a degree has been awarded. Students have the option to upload an attachment to be sent with their transcript as well.

Transcripts may be sent via email as a PDF or via postal mail or FedEx on paper. The charge is \$15 per transcript unless it is held for pick up, which carries a \$10 charge. A transcript that is requested for pick up may be obtained either from Main Campus or one of the Regional Campus locations. Transcripts not claimed within 30 days of printing will be destroyed and must be re-ordered. PDF transcripts that have not been downloaded within 30 days will expire and must be re-ordered.

For additional information, please review the website: registrar.ucf.edu/transcript-request.

Withdrawal Policy

After the add/drop period ends (see Academic Calendar), students who wish to remove themselves from some or all of their classes must pursue one of the following (for a more detailed explanation of each option refer to the sections below this list):

1. **Withdrawal**—prior to the withdrawal deadline (see Academic Calendar), students may withdraw themselves from their courses through myUCF (for other methods see below). They will receive a W in the course(s). This will not affect their GPA. Tuition and fees will not be refunded.
2. **Medical Withdrawal**—if students have a documented medical condition which prevents course completion, they may pursue a Medical Withdrawal through Academic Services. If approved, they will receive a WM in the course(s). This will not affect their GPA. Tuition and fees will be refunded.
3. **Late Drop**—in exceptional circumstances such as the death of an immediate family member, documented university error, or call to military service, students may pursue a Late Drop through Academic Services. If approved, the course(s) will not appear on their transcript. Tuition and fees will be refunded.
4. **Late Withdrawal**—after the withdrawal deadline, in exceptional circumstances beyond the student's control such as being the primary caregiver for an ill family member, students may pursue a Late Withdrawal through Academic Services. If approved, the student will receive a WL. This will not affect their GPA. Tuition and fees will not be refunded.

Withdrawal: A student may withdraw from courses using myUCF at my.ucf.edu, or by visiting the Registrar's Office (MH 161), certain college advising offices, or a UCF Connect office. Students may withdraw by fax at 407-823-5652. Faxed requests must be received by 5:00 p.m. on the last day to withdraw and must include the student's identification number, the course(s) from which to be withdrawn and his or her signature. Students may also mail a written request to the Registrar's Office, P.O. Box 160114, Orlando, FL 32816-0114. This letter must be time-stamped or postmarked before the published withdrawal deadline and must include the student's identification number, the course(s) from which to be withdrawn and his or her signature. Students seeking to withdraw in person must sign the request and must provide photo identification. The official date of withdrawal is the date the University receives the withdrawal request. Requests received by mail are processed using the postmark as the official date of withdrawal. Withdrawing from courses may have financial aid, NCAA eligibility or international visa consequences. Students should seek appropriate advisement prior to withdrawing from a course. Students who withdraw from courses for an entire term with the intent of not returning to UCF must also drop courses for any future terms. A student failing to withdraw will be fee and grade liable.

A student is not automatically dropped or withdrawn from a course for not attending, nor can an instructor drop or withdraw a student from a course.

When a student cannot complete a course(s) because of pregnancy or sexual violence, the student should contact the Title IX Coordinator at 407-823-1336 immediately and before submitting a withdrawal or drop request (unless the student must submit the request in order to meet the applicable deadline). The Title IX Coordinator will explore whether other options are available to the student (eg. an "Incomplete" grade with an opportunity to finish course requirements after the semester has ended).

Late Drop: Following the close of the Drop/Swap period each term as published in the academic calendar, students withdrawing from courses will incur both grade and fee liability unless the university approves a medical withdrawal or late drop. No drop is permitted after the drop/swap deadline except in exceptional circumstances beyond a student's control that prevent the student from completing courses. Exceptional circumstances include, but are not limited to, death of an immediate family member, involuntary call to military service, homelessness, or administrative errors created by the University. Unsatisfactory academic performance, change of major, or financial challenges are not acceptable reasons for a drop after the deadline. Late drops are normally for all courses taken in the term. If a student is requesting a late drop from fewer than all courses in which the student is enrolled during a semester ("selective drop"), the student must explain in detail why the exceptional circumstance prevents the student from completing the requirements of certain courses but not others, including providing documentation that supports this explanation. For example, a student who is involuntarily called to active military service may be unable to attend courses but can complete an online course. If approved, a late drop includes a refund of tuition and fees, and the courses will not appear on the student's academic records. Students must submit the completed petition and provide all supporting documentation for a late drop to Academic Services (Millican Hall 210) within six months of the end of the term for which the late drop is sought, as stated in Board of Governors policy. **No late drop petitions are accepted past the six-month submission deadline.** The Medical Withdrawal process, rather than the Late Drop process, should be used for medical conditions serious enough to prevent a student from meeting course requirements for the remainder of

the semester.

Late Withdrawal: No withdrawal is permitted after the withdrawal deadline as published in the academic calendar except in extraordinary circumstances beyond the student's control that prevent completion of courses. Extraordinary circumstances include, but are not limited to, being the primary caretaker of an immediate family member who is seriously ill or injured, or a mandated employment transfer. Unsatisfactory academic performance is not an acceptable reason for withdrawal after the deadline. A late withdrawal is usually for all courses in the semester ("full withdrawal"). If a student is requesting a withdrawal from fewer than all courses in which the student is enrolled during a semester ("selective withdrawal"), the student must explain in detail why the extraordinary circumstances prevent the student from completing the requirements of certain courses but not others, including providing documentation that supports the explanation. If a late withdrawal is approved, the student will receive a WL grade. This will not affect their GPA. If approved, a late withdrawal does not refund tuition, and/or the student is still fee liable for the late withdrawn courses. Students must submit the completed petition and provide all supporting documentation for a late withdrawal to Academic Services (MH 210) within one year of the end of the term for which the late withdrawal is sought. **No late withdrawal petitions are accepted past the one-year submission deadline.**

Medical Withdrawal: A medical withdrawal is intended for a student whose own medical condition (physical or psychological) prevents the student from completing course(s) and the condition is serious enough to substantially limit one or more major life activities such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, eating, sleeping, standing, lifting, bending, reading, concentrating, thinking, communicating or working. Students seeking to request a medical withdrawal should contact Academic Services as soon as possible after the need for the medical withdrawal arises. All required forms must be submitted to initiate the review process. The student's medical and/ or psychological provider(s) provides the University with the appropriate medical documentation using the forms provided by Academic Services. Medical withdrawal petitions must be well documented.

A medical withdrawal is usually for all courses in a semester ("full medical withdrawal"). If a student is requesting a medical withdrawal from fewer than all courses in which the student is enrolled during a semester ("selective medical withdrawal"), the student must document why the medical condition prevents the student from completing the requirements of certain courses but not others, including providing medical documentation that supports this explanation. For example, a student who is suffering from a leg injury may be unable to perform in a dance course but able to complete online courses. Once a determination is made for fewer courses, the student cannot amend the request at a later date or request a retroactive withdrawal.

The medical condition should have arisen during the given semester from which withdrawal is sought. If the student was aware of the medical condition prior to beginning of the semester, the student must provide medical documentation demonstrating that there was a change in the condition during the semester that resulted in the student's inability to meet course requirements.

Medical withdrawals for consecutive semesters will not be approved for the same medical condition.

After a full medical withdrawal, the university expects a student will not enroll at the University in the semester immediately following the semester from which the student has medically withdrawn but will use that time to address the medical condition. When the University is able to determine that the condition is likely to continue to prevent the student from completing course requirements in subsequent semesters, the University may place the student on medical hold. If a medical hold has not been placed, it is the student's responsibility to decide, given the medical condition, whether to enroll or maintain enrollment in semesters following the semester from which the student has medically withdrawn. Students are encouraged to contact Student Accessibility Services well before a subsequent semester begins to explore possible accommodations if necessary. If a medical hold has been placed, it is the student's responsibility to drop all courses for future semesters until the medical hold is removed or be fee and grade liable. Additional information about medical holds and the process by which medical holds may be removed is available from the Academic Services office.

Students must submit a completed petition for a medical withdrawal to Academic Services with all supporting documentation from both (if applicable) medical and psychological providers that supported a student's care within six months of the end of the semester for which the medical withdrawal is sought. If a medical withdrawal is approved, a grade of "WM" (withdrawal due to medical reason) will be recorded for each affected course. If an approved medical withdrawal is submitted within one year (but after six months) of the end of the term for which the medical withdrawal is sought, a "WM" grade will be recorded for each affected course but no tuition refund will be provided. A "WM" grade will have no effect on the Grade Point Average. **An approved medical**

withdrawal will include tuition refund only if the completed petition was submitted to Academic Services before the six-month submission deadline, as mandated by the Board of Governors policy. No medical withdrawal petitions are accepted past the one-year submission deadline.

When the physical or psychological condition at issue is related to pregnancy or sexual violence, the student should contact the Title IX Coordinator at 407-823-1336 immediately and before submitting a Medical Withdrawal request (unless the student must submit the request in order to meet the applicable deadline). The Title IX Coordinator will explore whether other options are available to the student (eg. an "Incomplete" grade with an opportunity to finish course requirements after the semester has ended). Academic Services officials who receive a medical withdrawal request related to pregnancy or sexual violence must notify the Title IX Coordinator immediately.

Appeal: Students whose academic record change petition has been denied have the right to appeal the decision to the Admission and Standards Committee. All documents supporting the appeal must be submitted within 30 days from the date of notification of the denial. The appeal must be based upon new or missing evidence not previously presented. Simply disagreeing with the decision is not grounds for an appeal.

Student Financial Assistance

Application Priority Date

All students must apply or reapply annually for financial aid. To be considered for the full range of financial aid available, students should complete the Free Application for Federal Student Aid (FAFSA)/Renewal FAFSA by mid-February. The processed results of the FAFSA must be received by UCF no later than December 1 to meet the university's application priority date.

- If the priority date is missed, students should apply as soon as possible after that date to be considered for the financial aid that is still available, such as the Federal Pell Grant, Federal Direct Stafford Loan, and Federal Direct PLUS Loan;
- Students should not wait to be admitted to UCF before applying for financial aid; however they cannot be offered a financial aid package until they have been admitted to the university;
- Federal Pell Grants and Federal Direct Stafford Loans are available on a year-round basis. Students may apply for financial aid in advance of any term and receive aid from these programs, if eligible;
- Students enrolling in the fall semester should submit all requested documents by the May 30th priority deadline for timely review and processing of their financial aid file. However all students should have a completed financial aid file at least 60 days prior to the beginning of any given semester. Students who apply late for aid should be prepared to cover their own living expenses, out-of-pocket, well into the term;
- A broad range of scholarships is available with diverse criteria. Please review the Scholarship page found on the website for additional information.

Application Procedures

- The FAFSA can be filed electronically at <http://www.fafsa.gov>;
- Using the IRS Data Retrieval Tool found within the FAFSA is the most accurate, and secure method of providing the required federal tax information. Applicants who use the unchanged data generated by the IRS Data Retrieval Tool will not be required to provide federal tax return transcripts from the IRS to the financial aid office. Students who are selected for verification who did not use the IRS Data Retrieval Tool, or changed data after using the tool, may be required to submit IRS tax return transcripts to verify tax information. Signed copies of tax forms and the appropriate schedules may be submitted, in lieu of tax transcripts.
- Information provided on the Student Aid Report (SAR) should be reviewed thoroughly;
- Review all correspondence, follow instructions on the Student Aid Report (SAR), and follow through within 5 - 10 business days. Delays can result in negative consequences;
- Federal regulations require that some students be selected for verification, a process that requires a student's file receive additional review. If selected, students will be required to provide documents supporting the information submitted on the FAFSA. Subsequent requests for data may be necessary after initial submissions are reviewed. Prompt response to requests will expedite completion of this process;
- Students selected for verification are advised to submit all requested documents by the May 30th

verification priority date for timely processing. Students should have a completed financial aid file no later than 60 days prior to the beginning of a semester.

- Late or incomplete submission of documents can result in delayed disbursements or possible loss of eligibility for aid.
- Offered federal funds and other need-based financial aid are considered estimates until verification is complete and all necessary corrections have been made.

Confirmation of Academic Engagement and Disbursements

Timing of disbursements is contingent upon students meeting all conditions for receiving aid. Disbursement of financial aid begins the second week of the semester and continues each week thereafter. During the first week of classes students are required to confirm academic engagement in each of their courses. This is done through either the student completing an academic activity that has been established by the faculty member or by faculty physically taking attendance. Students may complete the academic activities after the first week of classes but they may receive a later disbursement of aid for those courses. At the end of the Drop/Swap and Add period, awards are adjusted based on the student's enrollment and confirmation of academic engagement. The week following, the disbursement process is initiated by moving students' awards to the student's account. Once funds are disbursed to the Office of Student Account Services, the disbursement record is posted on myUCF under "View My Account" on the Student Center. Charges appearing on the student's account will be deducted at that time. Any remaining financial aid will be processed as a refund with the exception of any Federal Direct PLUS Loan for Parents, which will be disbursed to the parent at their mailing address. If charges remain on the account after disbursements, or if subsequent charges are made to the student's account, it is the student's responsibility to ensure they are paid. Students signed up for direct deposit should allow up to four business days for funds to show in their bank account. For refund checks that are being mailed, students should allow at least a week to receive their check at their current mailing address reflected on myUCF.

Students should be aware of the disbursement process so that they are prepared to use their personal savings for anticipated expenses such as books and supplies at the beginning of the term. The Short Term Advance (STA) for Books or the Textbook Purchase Program is available for students to help with these expenses. The STA application is available in the form section of the financial aid website approximately a month prior to the start of each term, so that funds may be available as early as two weeks before the first day of classes. For additional information regarding these two programs, visit ucf.edu/financial-aid/receive/funds-for-textbooks.

Deferment of Tuition and Fees

Deferments allow students to extend payment of tuition and fees beyond the published due date, which is generally two weeks after the term begins. The fee invoice reflects the deferred due date for tuition and fees. Students given a deferment are advised that their tuition and fee charges must be paid by the due date noted on the student's fee invoice, which is the deferment date. The deferment process occurs automatically if the student is meeting all general eligibility requirements and has enrolled in sufficient hours for the financial aid program/s. Please refer to the Program Eligibility Charts on the website for more information. Students should use myUCF to obtain up-to-date information. In order for loans to defer tuition and fees, students must accept the offered loan on myUCF View Financial Aid screen. In order to have access to accept loans, all required items on the To Do List must be submitted. Students must drop classes prior to the end of Drop/Swap and Add in order to not be fee liable for those classes. If students do not drop their classes, a financial aid deferment may keep the classes active even if they never attended.

Excess Hours Surcharge

In 2009, the Florida Legislature implemented Section 1009.286, Florida Statutes to encourage students to complete their baccalaureate degree as quickly and efficiently as possible and established an excess hours surcharge. The bill requires universities to add a surcharge to each credit hour taken in excess of the total number of credit hours required to complete the degree being pursued. The amount in excess of the total hours is calculated based on a percentage defined in statute and is referred to by UCF as baseline hours limit. The amount charged per credit hour is a calculated amount referred to as the excess hour surcharge.

The financial aid office cannot increase students cost of attendance as a result of being charged the excess hour surcharge nor can federal financial aid be used to pay for this charge. State, institutional, and private funding can, however, pay this charge. The excess hour surcharge is a state statute and should not be confused with the

federal SAP standards. Students are encouraged to meet regularly with their academic advisors to map out a timely completion of their degree. For more information, please refer to registrar.ucf.edu/excess-hours.

Financial Aid Notification

Financial aid summaries for first time UCF students are sent electronically in early March, while email financial aid notifications are sent to continuing students who meet Satisfactory Academic Progress standards in April. Initial awards may be amended due to factors such as contingent admission status, less than half-time enrollment, lack of academic progress, changes needed due to verification, incomplete files, receipt of additional resources, etc.

Financial aid packages are based upon the student's financial need, the amount of available funds, the number of UCF students who qualify for aid, and the date the student completes the application process. The amounts listed via financial aid summaries are estimates based on full-time enrollment. For purposes of financial aid, enrollment is based solely on classes that count toward degree completion.

Federal, institutional and state funded aid require admission to UCF to be finalized with no contingencies and students must be classified as degree-seeking.

Verification, if required, must be completed. Students must meet the Standards for Satisfactory Academic Progress. If all eligibility is met, financial aid funds may be disbursed.

It is the student's responsibility to be aware of minimal requirements for each program, which can be found on the Program Eligibility Charts on the website. When requirements are no longer met, awards will be adjusted as necessary and will update on myUCF. All awards are subject to change.

Financial Aid Programs Available at UCF

Financial aid comes in many forms, such as grants, scholarships, employment, loans and waivers. Detailed information on the type of aid offered at UCF can be found on the financial aid website, under types of aid.

Grants are considered gift aid and do not have to be repaid. Only undergraduate students who have not previously received a bachelor's degree and who demonstrate financial need may be eligible for federal and state funded grant programs. Awards are based on the amount of available funds and the number of eligible applicants. To be considered for grant awards, students must meet eligibility requirements and have a valid FAFSA on file at UCF.

Scholarships are awarded based on various criteria, including financial need, campus/community activities, leadership positions, academic success, and work experience. Scholarships are designed to reward, encourage, and assist students in pursuing academic excellence and leadership roles.

Federal Work Study is designed to provide students who demonstrate financial need a chance to earn money while pursuing a degree. Individual departments hire students while the Office of Student Financial Assistance determines the eligibility, award amount, and pay rate.

Loans are borrowed funds that must be repaid. They provide undergraduate students with an opportunity to invest in their future. Undergraduate students must enroll for at least six hours at UCF in UCF classes to be considered for federal loans. First time Federal Direct loan borrowers are subject to a maximum time period (measured in academic years) to receive Federal Direct Subsidized Loans. Students may not receive Federal Direct Subsidized Loans for more than 150% of the published length of their academic program. This time limit does not apply to Direct Unsubsidized Loans or Direct PLUS Loans. Visit our website for details.

Helpful Hints

- Apply early to be considered for the full range of financial aid available each year by completing the Free Application for Federal Student Aid (FAFSA)/Renewal FAFSA. The processed results of the FAFSA must be received by UCF from the federal processor by December 1 to meet the university's application priority date;
- Use the IRS Data Retrieval Tool located within the FAFSA application. Applicants who use the unchanged data generated by the IRS Data Retrieval Tool will not be required to provide federal tax return transcripts from the IRS. Students who are selected for verification who did not use the IRS Data Retrieval Tool, or changed data after using the tool, will be required to submit IRS tax return transcripts to verify tax

information. Signed copies of tax forms and the appropriate schedules may be submitted, in lieu of tax transcripts.

- Students selected for verification are advised to submit all requested documents by the May 30th verification priority deadline for timely processing. Students should have a completed financial aid file no later than 60 days prior to the beginning of a semester.
- Start a folder to save financial aid information and photocopies of all documents filed and received. Include student's name and UCF ID on all documents submitted. (Do not submit originals; documents will be shredded after scanning.)
- Students should activate their Knights Email account and check it regularly to avoid missing important and critical information from the Office of Student Financial Assistance and the university;
- Complete all items necessary to apply for both a Federal Pell Grant and a Federal Direct Stafford Loan, even if it doesn't seem advantageous at the time. The law requires that students be considered for a grant before a loan is offered.
- Respond promptly to all information requests; late or incomplete submission of documents can result in delayed disbursements or possible loss of eligibility for aid.
- Financial aid counseling services are available in a variety of formats;
- Comprehensive financial aid information can be found on the website: www.ucf.edu/financial-aid.

Independent Students

For the 2020-2021 aid year, students will be classified as independent for financial aid purposes if the answer to one or more of the questions below is yes:

- Were you born before Jan. 1, 1998?
- As of today, are you married? (Also answer "Yes" if you are separated but not divorced.)
- At the beginning of the 2021–22 school year, will you be working on a master's or doctorate program (such as an M.A., M.B.A., M.D., J.D., Ph.D., Ed.D., graduate certificate, etc.)?
- Are you currently serving on active duty in the U.S. armed forces for purposes other than training? (If you are a National Guard or Reserves enlistee, are you on active duty for other than state or training purposes?)
- Are you a veteran of the U.S. Armed Forces?*
- Do you now have—or will you have—children who will receive more than half of their support from you between July 1, 2021, and June 30, 2022?
- Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2022?
- At any time since you turned age 13, were both your parents deceased, were you in foster care, or were you a dependent or ward of the court?
- As determined by a court in your state of legal residence, are you or were you an emancipated minor or does someone other than your parent or stepparent have legal guardianship of you, as determined by a court in your state of legal residence?
- At any time on or after July 1, 2020, were you determined to be an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless, as determined by (a) your high school or district homeless liaison, (b) the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development, or (c) the director of a runaway or homeless youth basic center or transitional living program?

Maximum Time Limitation on Direct Subsidized Loan Eligibility

There is a limit on the maximum period of time an undergraduate student can receive Direct Subsidized loans. First time Federal Direct loan borrowers on or after July 1, 2013, are subject to a maximum time period (measured in academic years) to receive Federal Direct Subsidized Loans. In general, students may not receive Direct Subsidized Loans for more than 150% of the published length of their program of study. This time limit does not apply to Direct Unsubsidized Loans or Direct PLUS Loans. Visit our website for more information.

Office of Student Financial Assistance

Director: Alicia Keaton
Millican Hall (MH) 107
finaid.ucf.edu
407-823-2827

Fax: 407-823-5241
finaid@ucf.edu

Office Hours:

Monday and Thursday: 9 a.m. - 5:30 p.m.

Tuesday, Wednesday, Friday: 9 a.m. - 5:00 p.m.

(Hours subject to change during holidays, semester breaks and changes in university operations.)

The Office of Student Financial Assistance is dedicated to supporting UCF's mission and goals through the efficient delivery of student aid. The office provides UCF students with a comprehensive offering of financial assistance options to support student success and the attainment of a university degree. Financial aid guidance is available in a variety of formats including in-person, virtual, phone and email counseling services. More information on the types of financial aid available to students and financial aid policies can be found in the [Financial Aid Guide](#).

Over Awards

An over award occurs when a student's award package has exceeded either the unmet need or Cost of Attendance. To prevent over awards, students are required to notify the Office of Student Financial Assistance of any potential awards not already listed on the student's financial aid award summary on the Student Center in myUCF. In the event of an over award, the student's award package is reduced to eliminate the over award, which may result in a repayment to the institution of the over award. This includes late scholarship notifications that may occur during the academic year. Students are advised to discuss the impact of receiving scholarship funding after other financial aid funds have disbursed with the financial aid office.

Professional Judgment

There are some cases when the federal methodology used to determine a student's eligibility does not reflect the student's current situation. In these cases, special circumstances may be taken into consideration. Students with extenuating circumstances (i.e. loss of employment, divorce, death of parent/spouse, etc.) should contact the office to review their specific situation with a counselor. If a student presents extenuating circumstances, an appeal can be submitted to include support documentation for review. The appeal will be reviewed and a decision will be made through the Professional Judgment review process. Detailed information can be found at: ucf.edu/financial-aid/receive/professional-judgement.

Program Eligibility Charts

To ensure enrollment in sufficient hours for the various financial aid programs, please refer to the Program Eligibility Charts on the website, under Receiving Aid (See ucf.edu/financial-aid/resources/program-eligibility-charts for more information).

Refunds and Return of Title IV Funds

Students should be aware that if they completely withdraw (officially or unofficially) from the university after having received financial assistance, they may be required to repay a portion of that assistance. Students who received Federal Direct Stafford Loans should also know that the Registrar's Office is required to notify the National Student Loan Data System (NSLDS) of student withdrawals. This may change their loan deferment status with their loan servicer(s).

Repeated Coursework

Federal regulations state that students may only receive federal financial aid funding for one repetition of a previously passed course. As a result, any repeated course/s that the student enrolls in (current or future terms) cannot be used in the calculation of his/her enrollment level for financial aid purposes for that particular term, regardless of whether or not financial aid was received for the course(s). The repeated course(s), including the

original attempt, must be counted towards maximum time frame and hours completion ratio requirements for Satisfactory Academic Progress purposes, which can impact a student's financial aid eligibility. For detailed information, visit ucf.edu/financial-aid/policies/repeat-coursework.

Satisfactory Academic Progress Probation

Students who submit a SAP Appeal that is approved will be placed on Financial Aid Probation, and will be continued on Financial Aid Probation status as long as they successfully comply with the prescribed academic plan that is submitted as part of the SAP Appeal. Progression will be monitored during the probationary period at the beginning and end of each semester to ensure the student is following the prescribed academic plan and successfully matriculating through their program of study. Disbursements will not be made for a semester unless it is verified that the prior review (if applicable) was acceptable and student is in the proper classes for the term in question. All probation students must successfully complete a minimum of 67% of the credit hours that they attempt each semester. In addition, students on probation for GPA and/or completion ratio must make positive progression in the appropriate area(s).

Satisfactory Academic Progress (SAP)

Federal regulations require the University to establish Standards of Satisfactory Academic Progress as a general eligibility requirement for financial aid. A student must maintain satisfactory academic progress in a course of study regardless of whether the student previously received financial aid or transferred in from another institution.

To meet the standards adopted by the University of Central Florida, a student must:

- Maintain a minimum cumulative GPA of a 2.0 at the undergraduate level.
- Complete a minimum of 67% of all credit hours attempted including transfer hours.
- Graduate within the number of hours allowed by the Satisfactory Academic Progress policy. Students are allowed a specific number of attempted hours based on their classification. This includes transfer hours accepted toward the degree plus all UCF hours (*see chart below*).

Classification	Maximum Hours Allowed For Completing Degree
Undergraduate	180 Attempted Hours
Second Undergraduate	70 Attempted Hours
Graduate Certificate	27 Attempted Hours (includes all hours taken while classified as a graduate certificate student)
Masters	70 Attempted Hours
Specialist	100 Attempted Hours (including all graduate level hours)
Doctoral	120 Attempted Hours (including all graduate level hours)

Students who do not meet the GPA and/or percentage completion SAP standards will be placed on financial aid warning for the next semester. At the end of that semester, students must either meet the standards or aid will be canceled for future terms until student either meets the standards or the student has an appeal approved placing them on financial aid probation with an academic plan on file demonstrating the requirements for the student to get back on track towards graduation.

Repeated course/s, including the original attempt, will be counted towards the completion ratio and maximum time frame requirements.

For detailed SAP policy information, please refer to the Office of Student Financial Assistance website at ucf.edu/financial-aid/policies/satisfactory-academic-progress.

Re-establishing Eligibility after Cancellation

Any student with extenuating circumstances, (i.e., death of a relative, an illness or injury of the student, etc.), who is placed on cancellation status may appeal to the Financial Aid Review Committee for reinstatement based

on his/her special case.

If the student was canceled for the failure to complete 67% of the attempted hours and since cancellation, has brought up the percentage to a minimum of 67%, the student will be reinstated during the end of the semester review process. If a student was canceled for not meeting the GPA requirement, they will be placed back on a reinstated status once their GPA has been brought up to the required level during the end of semester review process.

To appeal, the student must:

- Complete the Satisfactory Academic Progress Appeal Form; (available at ucf.edu/financial-aid, under Forms).
- Include a detailed statement that explains the extenuating circumstances that prevented or resulted in the student not meeting the SAP standards.
- Attach documentation supporting specific circumstance(s) to the appeal form;
- Meet with an Academic Advisor and have the advisor complete an Academic Plan for Financial Aid;
- Submit the appeal, supporting documentation, and academic plan to the Office of Student Financial Assistance. After a thorough evaluation of the written request and all supporting documentation, the Financial Aid Review Committee will notify the student of the decision by email communication or the student may view the updated status on myUCF, under View Financial Aid Status.

For detailed SAP policy information, please refer to the Office of Student Financial Assistance website at ucf.edu/financial-aid/policies/satisfactory-academic-progress.

School Costs

Estimated student budgets have been developed as a guide to help students anticipate their costs at UCF. Please refer to the website at ucf.edu/financial-aid/cost for the estimated Cost of Attendance. The Cost of Attendance is not a bill. It is considered estimated charges a student can expect to incur upon enrolling in classes at the university.

Estimated Cost of Attendance for 2021-2022 Undergraduate Students - Main Regional Campus				
(Fall/spring based on 14 hours per term)				
	Florida Residents		Non-Florida Residents	
	<i>On/Off Campus</i>	<i>Parent/Relative</i>	<i>On/Off Campus</i>	<i>Parent/Relative</i>
Living Arrangement				
Tuition and Fees	\$5,954	\$5,954	\$20,980	\$20,980
Books	\$1,200	\$1,200	\$1,200	\$1,200
Room	\$7,318	\$3,352	\$7,318	\$3,352
Board	\$4,180	\$2,236	\$4,180	\$2,236
Transportation	\$1,866	\$1,866	\$1,866	\$1,866

Total Costs	\$23,560	\$17,650	\$38,399	\$32,489

Specific Eligibility Requirements and Conditions for Receiving Financial Aid

- Students must be accepted and classified as degree-seeking at UCF in an eligible program of study. Only courses toward degree requirements count for financial aid purposes;
- Students must maintain UCF's Standards for Satisfactory Academic Progress (See ucf.edu/financial-aid/policies/satisfactory-academic-progress for more information);
- Students are required to inform the Office of Student Financial Assistance of any additional sources of aid they expect to receive beyond those listed on the award notification or award information provided on the Student Center on myUCF. Any subsequent awards or income may require a revision of the financial aid package. This includes, but is not limited to, any private scholarships or third-party tuition payment/waivers;
- Students may not receive aid in excess of their Cost of Attendance (See ucf.edu/financial-aid/cost for more information);
- Students must not be in default on any federal educational loan or owe repayment on a federal grant at this or any other institution;
- Students must provide all information requested for the completion of their file. If selected, verification must be completed within specified deadlines and prior to the receipt of all federal and most state and institutional funds;
- Students must notify the Office of Student Financial Assistance of any changes in their housing status, household size, or family members in college from that listed on their FAFSA;
- Students must reapply annually for federal financial aid;
- Students must accept, reduce or decline offered loan(s) on the myUCF View Financial Aid screen.
- First time borrowers must complete an online Entrance Counseling and Master Promissory Note (MPN) for a Federal Direct Stafford Loan at UCF;
- Students must be U.S. citizens or an eligible non-citizens, (e.g. resident aliens). Eligible non-citizens include a permanent U.S. resident with a Permanent Resident Card (I551); a conditional permanent resident with a Conditional Green Card (I-551C); as well as some I-94 classifications;
- Students must have a high school diploma, GED certificate, or completed secondary school through homeschooling as defined by state law;
- For need based programs, students must show financial need as determined by the FAFSA;
- Applicants who were assigned a male gender at birth must be registered with Selective Service, if applicable.

Student Eligibility

To receive aid from most federal and state financial aid programs, students must meet certain requirements. All students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) annually, before December 1, to determine eligibility. The FAFSA results are required for many programs. The federal processor,

using a standardized formula, calculates financial need. Those results are then forwarded to the schools that were identified on the application. UCF must be listed on the FAFSA in order to receive the data. UCF's Federal School Title IV code is 003954. Regulations are subject to change at any time.

Student Rights and Responsibilities

Students have the right to full information about the financial aid programs available at UCF, our application procedures, aid deadlines, and the criteria used to determine a financial aid package. Students have the right to appeal decisions made by the Office of Student Financial Assistance. Students also have the right to equitable treatment of their financial assistance applications. Although each student's case is analyzed individually, eligibility standards are applied uniformly without regard to race, gender, religion, creed, national origin, or disability. All students' records are confidential.

It is the student's responsibility to review and understand all information and instructions, meet all deadlines, and provide all information and documentation accurately. Errors and omissions can cause delays and prevent students from receiving assistance. Misrepresentation is a violation of federal regulations.

Transfer Students

Transfer students should pay close attention to priority filing dates. If a FAFSA for the year in question has already been filed, request that the federal processor forward the information to UCF, School Code 003954, by utilizing Part II of the Student Aid Report and adding the UCF School Code to the online FAFSA, or calling the Federal Student Aid Information Center at 1-800-4 FED AID. The To Do List on myUCF will indicate any required forms.

Transfer students expecting to receive the Florida Bright Futures Scholarship at UCF are required to contact the Florida Department of Education Office of Student Financial Assistance (OSFA) to transfer their scholarship from their previous institution to UCF. Students can call OSFA at 1-888-827-2004 or log onto the Bright Futures Scholarship website at <https://www.floridastudentfinancialaidsq.org/home/ApplyHere.asp> to transfer the scholarship to UCF.

Transient Enrollment

Students who have been approved to take classes at another institution while attending UCF might have those hours counted toward meeting financial aid requirements for some programs at UCF. Courses taken elsewhere must meet some major or general education requirements to be calculated as part of student aid eligibility. Transient enrollment will not meet eligibility criteria for institutional aid programs, such as UCF Grant, UCF Scholars Award or Pegasus Scholarships. Check the Program Eligibility Chart for detailed requirements for each program. Students who expect to receive funds under any of the federal loan programs must enroll for a minimum of six undergraduate hours at UCF in UCF classes to meet eligibility requirements.

UCF students attending a Florida public community/state college or university must complete the Transient Student Admission Application through Florida Shines at <https://www.floridashines.org/>.

UCF students attending any college or university other than a Florida public institution must submit the following documents to the Office of Student Financial Assistance on or before the withdrawal deadline of the term in which aid is to be disbursed:

1. Transient Notification Form for Financial Aid for Out of State and Private Institutions.
2. A copy of the Fee Invoice and Class Schedule from the transient (host) Institution.
3. A copy of the Transient Student Approval Form with required signatures from Academic Advisor, Academic Services (if required) and UCF Registrar's Office.
4. A completed Consortium Agreement Form signed by the transient school's Financial Aid Office.

Students who are enrolled in transient hours must make arrangements to pay tuition and fees at the visited school since there is no system for deferral of those tuition and fees. In addition, it is the student's responsibility to ensure that the visited school promptly provides the UCF Registrar's Office with academic transcripts at the conclusion of the term, confirming that the attempted hours are completed. This will help avoid Satisfactory Academic Progress problems.

Students may not receive financial aid from two institutions for the same semester. Students must decide which of the two institutions is the primary school at which they are degree seeking and apply for aid there. Any inaccuracy will result in a mandatory repayment to one of the two schools for the overpayment.

Student Tuition and Fees

Direct Deposit

Students are strongly encouraged to establish direct deposit with the University. Direct Deposit prevents delays due to lost checks or change of address. All refunds from students' accounts can be direct deposited into the student's checking account to any U.S.A. bank in the federal system. Funds are usually available within 24-48 hours after disbursement, and enrollment only takes a few minutes. To enroll, sign in at <https://my.ucf.edu> and click on Student Self Service. Go to the Student Account Services link, then click on Direct Deposit and follow the instructions.

Florida Residency for Tuition Purposes

At University of Central Florida, three offices are responsible for the review of residency for tuition purposes under Florida Statute 1009.21, F.S., State Board of Education, Rules 6A-10.044 & 6A-20.003, and Board of Governors Regulation 7.005. The offices of Undergraduate Admissions and Graduate Studies determine residency for all first-time-on-campus students; thereafter, the Registrar's Office will review student requests for changes in residency for Undergraduate Students. The College of Graduate Studies will review student requests for changes in residency for graduate students. A first-time-on-campus student will be classified according to the information he or she includes on the application for admission, providing that no other information is available that calls into question the information contained on the application.

To qualify as a Florida resident for tuition purposes in accordance with State regulations, the student must be a United States citizen, resident alien, parolee, Cuban national, Vietnamese refugee, or other refugee or asylee so designated by the United States Citizenship and Immigration Service,

And

Have established a legal residence in this state and maintained that legal residence for 12 months immediately prior to the term in which they are seeking Florida resident classification. The student's residence in Florida **must** be as a bona fide domicile rather than for the purpose of maintaining a mere temporary residence or abode incidental to enrollment in an institution of higher education, and should be demonstrated as indicated below (for dependent students, as defined by Internal Revenue Service regulations, a parent or guardian must qualify),

And

Submit the following documentation (or in the case of a dependent student, the parent must submit documentation) prior to the first day of classes for the term for which resident status is sought:

1. Documentation establishing legal residence in Florida (this document must be dated at least one year prior to the first day of classes of the term for which resident status is sought). The following documents will be considered in determining legal residence:
 1. Declaration of Domicile (**Note:** the Declaration of Domicile will support a claim of residency for tuition purposes only after a period of 12 months from the date that the Clerk of the Court notes that the declaration was sworn and subscribed to them.)
 2. Proof of purchase of a home in Florida in which the student resides;
 3. Proof that the student has maintained residence in the state for the preceding year (e.g., leases, employment records).
2. Documentation establishing bona fide domicile in Florida which is not temporary or merely incidental to enrollment in a Florida institution of higher education. The following documents will be considered evidence of domicile even though no one of these criteria, if taken alone, will be considered as conclusive evidence of domicile:
 1. Declaration of Domicile;
 2. Florida voter registration;
 3. Florida vehicle registration;
 4. Florida driver license or Florida identification;
 5. Proof of real property ownership in Florida (e.g., deed, tax receipts) where you reside;
 6. Verification of permanent employment, fulltime (30 hours/week x 52 weeks) in Florida by the employer, employment records, or other employment-related documentation (e.g., W-2 paycheck

- receipts), other than for employment normally provided on a temporary basis to students or other temporary employment. The document must show 12 consecutive months of Florida employment prior to the first day of classes of the term for which the student requests Florida residency;
7. Proof of membership in or affiliation with community or state organizations or significant connections to the State;
 8. Proof of continuous presence in Florida during periods when not enrolled as a student;
 9. Proof of former domicile in Florida and maintenance of significant connections while absent;
 10. Proof of reliance upon Florida sources of support;
 11. Proof of domicile in Florida of family;
 12. Proof of admission to a licensed practicing profession in Florida;
 13. Any other factors peculiar to the individual that tend to establish the necessary intent to make Florida a permanent home and that the individual is a bona fide Florida resident, including the age and general circumstances of the individual;
 14. Proof of graduation from a high school located in Florida.
3. No contrary evidence establishing residence elsewhere;
 4. Documentation of dependent/independent status (notarized copy of most recent IRS tax return)
Or
Be married to a person who has been a legal resident of the State of Florida for the required 12-month period and relinquish legal ties to any other state,
Or
Be a member of the Armed Forces on active duty stationed in Florida, or a spouse or dependent, or active drilling members of the Florida National Guard,
Or
Be a member of the full-time instructional or administrative staff of a state public school, Florida College System institution, or university in Florida, a spouse or dependent,
Or
Military Personnel (and spouse/dependent children) not stationed in Florida whose home of record or state of legal residence certificate is Florida,
Or
Be a dependent and have lived five years with an adult relative, who has established legal residence in Florida,
Or
Be a person who was enrolled as a Florida resident for tuition purposes at a Florida institution of higher education, but who abandoned Florida residency and then re-enrolled in Florida with 12 months of the abandonment,
Or
Be a full-time Latin American or Caribbean student who receives scholarships from the federal or state government,
Or
Be a United States citizen living on the Isthmus of Panama who has completed 12 consecutive months of college work at the Florida State University Panama Canal Branch, or a spouse or dependent,
Or
Be a graduate student of the Southern Regional Education Board's Academic Common Market attending Florida's state universities,
Or
Be a full-time employee of a state agency or political subdivision of the state when the student fees are paid by the state agency or political subdivision for the purpose of job-related law enforcement or corrections training,
Or
Be a U.S. Citizen who is a McKnight Doctoral Fellowship recipient,
Or
Be a qualified beneficiary under the Florida Pre-paid Postsecondary Expense Program per s.240.551(7)(a),
Or
Be an active duty member of the Canadian military residing or stationed in this state under the North American Air Defense (NORAD) agreement, or a spouse or dependent,

And

Submit a statement as to the length of residence in Florida and their residency qualifications under the above criteria. Students requesting Florida residency for tuition purposes shall apply to the appropriate admissions office if they have not yet enrolled, or to the Registrar's Office if they already are enrolled.

General Information

Student Account Services is here to serve the students who attend the University of Central Florida by maintaining accurate financial records and communicating with students concerning their accounts.

The Student Account Services office is responsible for:

- Tuition and Fee Assessment/Refunds
- Processing Payments
- Overdue payment and institutional loans collection (Loans and Collections)

Late Fees

Late Payment Fees apply to students who do not pay their fees (or obtain a full fee deferment) by the payment deadline. The Late Payment Fee is \$100 per term minimum.

Late Registration Fees are charged to students who enroll following the close of the regular registration period for the term, who re-register, or who enroll for the first time that term during Late Registration and Drop/Swap and Add period. The Late Registration Fee is \$100.00 per term minimum.

Late Payment DNP (Drop for Non-Payment) Fees are charged to students who are dropped for non-payment of courses. The DNP Fee is 100 per term minimum.*

*Summer term is divided into sessions, and the late fees are charged per session.

Other Forms of Payment

Tuition and fees may be partially or completely paid by financial aid, Florida Prepaid, tuition waivers, or departmental grants. The student is responsible to pay any amount that is not covered by these types of payments by the due date on his or her fee invoice.

Financial Aid

See Student Financial Assistance for rules and procedures.

All fees not deferred by financial aid are due by the due date on his or her fee invoice.

For information regarding Florida Prepaid College Plan or Tuition Waivers, please refer to the Student Account Services website at studentaccounts.ucf.edu.

UCF Payment Plan

The UCF payment plan is a 2-payment design in which the student pays \$15 upfront to be allowed to pay only 50% of the total tuition bill by the regular payment deadline, therefore avoiding a late payment fee, and being dropped for non-payment. The student is then responsible for paying the remaining 50% by the Payment Plan deadline on their Fee Invoice. Students receiving financial aid, Florida Prepaid, waivers, or third party payments already have an extended payment deadline and will not be eligible for the UCF payment plan.

Florida Prepaid

UCF Student Account Services will automatically defer tuition and fees and bill Florida Prepaid (FPP) up to the maximum billable amount based on the number of credit hours enrolled. Students with active FPP deferrals will see the Estimated FPP showing on their Fee In-voice for the term. Please note that no FPP Plan will cover 100% of the fees associated with the tuition assessed. Student Account Services use an automated system to identify students with active FPP accounts, which eliminates the need to turn in a FPP Card.

Tuition and Fees for Senior Citizens

Persons 60 years of age or older who meet Florida residency requirements may register to audit classes on a space-available basis without payment of tuition and application fees. Registration is on a **space-available basis**; see the appropriate term's Academic Calendar calendar.ucf.edu for registration dates and times. The tuition fee waiver cannot be used for courses that require increased costs (such as thesis, dissertation, and directed individual study). A "Florida Residency" Affidavit is required to establish Florida residency. A completed "Student Health History" form must be filed prior to registration. Inquiries should be directed to the Registrar's Office (Millican Hall 161; Telephone: 407-823-3100).

Past Due Accounts

All financial obligations to the University must be met. **Failure to meet obligations can result in the**

withholding and denial of registration, diploma, transcripts and readmission to the University. The services of a professional collection agency and recourse to the courts may also be invoked if deemed necessary. All costs of collection, including attorney's fees, are the responsibility of the debtor.

Do not assume your registration will be canceled if you fail to pay fees or attend classes. Tuition deferrals, for example, will prevent class cancellation for non-payment.

Payment Procedures

Payment must be received or postmarked no later than the fee payment deadlines as specified on the Academic Calendar. The primary form of payment of most account holders is online through the E-pay system via the myUCF portal. Students can pay using a check or a credit card in this system. **Payments cannot be transacted by telephone.**

Acceptable forms of payment:

Personal Checks

Credit Cards (Acceptable credit card types are Visa, American Express, MasterCard, and Discover). Please review the Student Account Services website at studentaccounts.ucf.edu/payment-methods for current payment information.

E-Pay - my.ucf.edu - E-Check (Personal Check) or Credit Card

- A nonrefundable convenience fee will apply per credit card transaction.
- Payments made at any time on the published fee payment deadline will be considered on time.

E-Pay process:

- Sign in the myUCF portal as usual then click on the link for Student Self Service; this will open your Student Center page. Use the right scroll bar to scroll to the Finances section. You will find the **My Account** section.
- Click on the link for the Tuition Fee Invoice. Select the current term (i.e. Summer 2020, Fall 2020, or Spring 2021). The Fee Invoice will provide you your schedule, the charges, the Amount Due and deferrals.
- Annotate the Amount Due as you will need that amount once you are on the E-Pay system.
- Scroll down to the bottom of the page and click on the Due Charges/E-Pay link to make a payment.

Mailed payments: (Please do not send cash)

- Include student's name and UCF ID# on personal checks or money orders (make check payable to University of Central Florida)
- Address payments to:

University of Central Florida
Student Account Services
Attn: Payment Processing
P.O. Box 160115
Orlando, FL 32816-0115

Payment Drop - 24-Hour Depository at main campus (located on Reflecting Pond side entrance of Millican Hall) (no cash)

Refund of Fees

A refund of fees will be processed under the conditions noted below. The student must submit a written appeal for a refund or other appeal action to the University within six months of the close of the semester/term to which the refund or other appeal action is applicable. Any debts to the University will be deducted from the refund, up to the full amount.

Full Refund Eligibility

The following conditions allow a full refund: 1) A class is dropped prior to the end of the Drop period; 2) Cancellation of a course by the University.

Partial Refund (25%)

25% of tuition and associated fees assessed, adjusted for waivers, is refundable when the student withdraws **completely** from the University prior to the end of the fourth week of classes during a 16 or 17 week semester, or as designated by the university for summer sessions.

Exceptional Circumstances

Refunds for exceptional circumstances may be available for certain Administrative Record Changes of courses. Up to 100% of tuition and registration fees are refundable if due to circumstances determined by the University to be exceptional, including, but not limited to, sickness, death, involuntary call to military service, or University administrative error. If approved, a Late Withdrawal does not result in a refund of tuition and fees. Please visit the Academic Services website for more information.

A written appeal for a refund or other appeal action must be submitted to the University within six (6) months of the close of the semester to which the refund or other appeal action is applicable.

Schedule of Fees

Note: 2021-2022 tuition and fees had not been established at the time of this publication. Rates for the 2021-2022 academic year will be available in July 2021 at studentaccounts.ucf.edu/tf-tuitionratescurrent. Fees are subject to change without notice.

Tuition and Fees: Tuition and fees are established by the State Legislature and the University Board of Trustees and are subject to change without notice. Fees are affected by residency status. Tuition and fees are charged per semester or term for main campus, regional campus, and continuing education courses. Tuition is assessed on a per credit hour basis. Students classified as zero-hour registration students are assessed one credit hour at the Florida Resident Tuition rate at the course level for which the student is registered.

Tuition Fee Invoice: A student's Fee Invoice will show all tuition and fee charges, payments and deferrals associated with the term, and courses in which the student is currently enrolled. The Fee Invoice will not show fees such as housing, meal plan, library, parking, etc. Tuition Fee invoices are available 24/7 on the web my.ucf.edu, and from the student's college advising offices. Students should review their current Tuition Fee Invoice prior to making a payment. Tuition Fee invoices are not mailed. The Tuition Fee Invoice should be reviewed once after initial registration of courses and also after making any changes to the initial registration to ensure that the fees are adjusted accordingly

Fee Payment Deadlines: All University tuition and fees must be paid by the published dates. Tuition and fees not paid or deferred by the payment deadline for each term will result in late fees and may result in the cancellation of all classes. Refer to the [Academic Calendar](#) each term for the fee payment deadlines.

Limited Non-Degree Enrollment Classes: Payment guidelines for Limited Non-Degree enrollment classes can be found on the "Registration Form for Non-Admitted Students." It is the student's responsibility to officially drop from courses to avoid additional financial obligations.

Student Financial Responsibility Statement

Registration at UCF requires students to acknowledge the following financial responsibility statement:

The following agreement includes details on your responsibilities related to, but not limited to the following:

You are responsible for paying for any course for which you are enrolled in at the end of UCF's drop period. If your account becomes delinquent, you agree to reimburse UCF for the fees of any collection agency, which may be based on a percentage of the delinquent account balance.

Fee Responsibility: By registering for courses at UCF, I promise to pay the university the principal, and any late fees, fines or penalties, by the due dates stated on my student account and in applicable university catalogs

and/or websites. I understand that withdrawal for each term begins after the drop deadline and that I remain fee liable for any class from which I withdraw. I understand that non-attendance does not constitute a drop or withdrawal. I also understand that notifying my professor, advisor, or other university representative does not constitute a drop or withdrawal. If I withdraw from courses with the intent of not returning to UCF, I must also drop courses for any future terms or I shall be fee liable and receive a grade.

Payment of Fees: If payment is made by check (electronic or paper) and the check is not honored by my bank, I agree that a returned check fee will be charged to my student account. If I expect financial aid to pay all or part of my financial obligations to UCF, I understand that it is my responsibility to meet all requirements for aid disbursement to my student account. I authorize UCF to use the financial aid to pay for all education costs charged to my student account in accordance with federal guidelines. I understand that it is my responsibility to ensure that all requirements of grantors, lenders, employers, and other third-party payers are met on a timely basis. I understand that despite my expectations for payment from financial aid or other sources, I am ultimately responsible for all charges incurred. I understand that my financial aid may be adjusted due to my student eligibility and/or student status (e.g., part-time, full-time). In connection with any such adjustments, I agree to repay UCF any amounts that the university pays, on my behalf, to lenders or other financial aid providers and that such amounts constitute an educational loan from the university.

Bankruptcy: UCF is an institution of higher education. As such, certain financial obligations are considered to be an educational loan offered for the sole purpose of financing an education and therefore is a non-dischargeable debt, pursuant to United States Bankruptcy Code section 523(a)(8).

Official Notification: I understand that UCF sends electronic notifications (emails) to my official Knights e-mail account to communicate important updates and that I am responsible for taking action on correspondence sent to this address.

Note: The Fall 2020 Financial Responsibility Statement had not been established at the time of this publication.

Undergraduate Admissions

Admissions Categories

Students may submit applications to the University for one of the following categories:

1. Freshman (First-Time-In-College: FTIC)
2. Dual Enrollment/Early Admission (includes early admission and dual enrollment, on- or off-campus)
3. Transfer*
4. Second Bachelor's Degree
5. Transient (one term enrollment only, not from a Florida public institution)**
6. Non-Degree Seeking (not including students who have already earned a bachelor degree)***
7. Limited Non-Degree Seeking****
8. Special Non-Degree Seeking (includes students participating in specific non-degree seeking programs including ROTC, Study Abroad only, Marching Band only, and Rosen College exchange programs)

*Transfer students with 60 semester hours or more may also designate one of many UCF Connect sites as well as a UCF Online-only program. Please refer to the application.

**Students applying as transient from a Florida public institution should apply through Florida Shines at <http://www.floridashines.org>.

***Students who have already earned a bachelor degree and wish to attend as non-degree seeking should follow the procedure through our Graduate Admissions Office located at admissions.graduate.ucf.edu/nondegree_applicants.

****Please see the "Academic Regulations and Procedures" section of this catalog for this admission category.

Freshman Applicants

Any FTIC student who meets minimum admission requirements as stated in Florida Board of Governors Regulation 6.002 is encouraged to submit an application. Meeting these minimum requirements does not guarantee admission. An applicant's total high school record (including grades, test scores, educational objective, quality of courses completed, essay, and personal achievements and honors) will be considered in the selection process. The University reaffirms its Equal Educational Opportunity (EEO) commitments and seeks to increase diversity among the student body.

High School Diploma

Freshmen who are applying for admission to the University are required to have a standard high school diploma (or the equivalent) or a General Equivalency Diploma (GED).

Entrance Examination Scores

All FTIC applicants for admission must submit test scores from the SAT Reasoning Test, redesigned SAT (rSAT) or the ACT. UCF superscores both the SAT and the ACT.

High School Academic Units and Grade Point Average

All applicants must have earned a minimum number of high school academic units (year-long courses that are not remedial in nature) to be considered for admission. A grade point average (GPA) will be computed only on academic courses. Plus(+) and minus(-) will not be included in the high school GPA recalculation. Grades in International Baccalaureate (IB), Advanced Placement (AP), Cambridge Advanced International Certificate of Education (AICE), honors and dual enrollment courses will be given additional weight in the computation of the academic GPA. The high school academic unit requirements are as follows:

Academic Subjects	Units Required
English (three of which must have included substantial writing)	4
Mathematics (at or above the Algebra I level)	4
Natural Science (two of which must have included substantial laboratory requirements)	3
Social Science (included: history, civics, political science, economics, sociology, psychology, and geography)	3
Foreign Language (both credits must be in the same language)	2
Additional academic electives from the above five subject areas and courses recommended by the Florida Association of School Administrators, or other groups, and courses recommended by the Articulation Committee and approved by the Department of Education	2
TOTAL UNITS:	18

Applicant Eligibility

As stated in Florida Board of Governors Regulation 6.002, an FTIC student shall be considered as meeting minimum SUS eligibility requirements in one of the following ways:

1. A 3.00 or higher high school grade point average (GPA) on a 4.00 scale as calculated by the university, presenting an official SAT and/or ACT score, and meeting all high school academic unit requirements above.
2. A 2.50-2.99 high school grade point average (GPA) on a 4.00 scale as calculated by the university, presenting an official SAT and/or ACT score, meeting the requirements for college-level placement per Board of Governors Regulation 6.008 below and all high school academic unit requirements above.

SAT (taken prior to March 1, 2016)	
Critical Reading	440
Mathematics	440

SAT (taken March 1, 2016 and after)	
Reading Test	24
Writing and Language Test	25
Math Test	24

ACT	
Reading	19
English	17
Mathematics	19

Each state university reserves the right under Florida BOG regulation 6.002 to establish admission criteria that exceeds Florida BOG minimums.

- Admission to the University is limited by space availability. The degree of competition for space depends on the number and qualifications of those who apply for admission. To increase the chance of admission, high school students should present credentials that are stronger than the minimum requirements for consideration as listed above. If the number of qualified applicants exceeds the number that the University is able to enroll, a waiting list will be established.
- A student applying for admission who does not meet established requirements may bring to the University other important attributes or special talents and may be admitted if, upon appeal and in the judgment of the Admissions and Standards Committee, the student can be expected to do successful academic work. The University will provide appropriate advising for each student admitted under this alternative.
- Students who have been enrolled in dual enrollment courses will be required to have a minimum "C" average (2.0 GPA) for all completed dual enrollment course work.
- A student must demonstrate competency of foreign language or American Sign Language equivalent to the second high school level or higher (Spanish 2, Haitian Creole 2, etc.) or at the elementary 2 level in one foreign language or American Sign Language at an undergraduate institution to be offered admission.

Dual Enrollment/Early Admission Applicants

High School students who have demonstrated exceptional academic ability may be permitted to enroll as university students while completing their high school programs. There are three types of dual enrollment programs:

1. **Early Admission** is for students who have typically completed their junior year in high school and would like to enroll at the University as full-time students for their senior year of high school to complete their high school graduation requirements. Students must submit an application for admission by the published application deadline date. In addition, the following information is required:
 - official copy of high school transcript(s);
 - official copy of SAT Reasoning Test, redesigned SAT (rSAT), or ACT; and
 - Completed Early Admission/Dual Enrollment Authorization Form
2. **Dual Enrollment On-Campus** is for students who desire to dual enroll on a part-time basis, taking one or two courses on campus, while completing their high school course work. Students must submit an application for admission by the published application deadline date, as well as all items listed above. Additional documentation may be required.
3. **Dual Enrollment Off-Campus** is for students whose high schools sponsor on-site courses at specific high schools. Students earn both high school and college credit for successful completion of course work. Each respective high school selects students who are eligible to participate in these programs. Contact your high school guidance office for detailed information.

Transfer Applicants

Any Transfer student who meets minimum admission requirements as stated in Florida Board of Governors Regulation 6.004 is encouraged to submit an application. Students should apply online at admissions.ucf.edu and arrange to have official transcripts sent from all colleges attended. The Office of Undergraduate Admissions computes a grade point average (GPA) for each institution attended, as well as a cumulative GPA on all college courses attempted. This computation does recognize plus or minus grades and only recognizes grade forgiveness when it is used as part of an awarded statewide articulated Associate in Science degree or an Associate in Arts degree from a Florida public institution. Applicants must have a cumulative minimum GPA of 2.0 as well as a minimum GPA of 2.0 and be in good standing as a degree-seeking student at the last institution attended to be considered for admission to UCF. **Meeting these minimum requirements does not guarantee admission.**

Transfer students are required to complete at least 30 hours in residence at UCF to earn a bachelor's degree. In addition, students must complete 48 hours in residence at UCF to be eligible to receive baccalaureate honors recognition at the time of graduation.

Transfer Applicants with Fewer Than 60 Credit Hours

Transfers with less than 30 transferrable semester hours: Must minimally meet all requirements listed in the Freshman Applicants section above. They must also have at least a 2.0 GPA on a 4.0 system for all college-level academic courses attempted and be in good standing (minimum 2.0 GPA) and eligible to return as a degree-seeking student to the last institution attended. Meeting these minimum requirements does not guarantee admission.

Transfers with 30 or more but less than 60 transferrable semester hours: Must minimally have successfully completed (C or higher) at least one English Composition course and one college level mathematics course that consists of three (3) semester credit hours, as well as demonstrated foreign language competency equivalent to the second high school level or the elementary 2 level at an undergraduate institution. They must have at least a 2.0 GPA on a 4.0 system for all college-level academic courses attempted and be in good standing (minimum 2.0 GPA) and eligible to return as a degree-seeking student to the last institution attended. High school transcripts may be required to demonstrate completion of the foreign language admission requirement. Students not meeting these requirements must meet the requirements for transfer students with less than 30 transferrable semester hours. Meeting these minimum requirements does not guarantee admission.

Transfer Applicants with an A.A. Degree from a Florida Public Institution

Admission of Associate in Arts (A.A.) degree graduates from Florida College System institutions and Florida state universities is governed by the Articulation Agreement between the state universities and Florida College System institutions of Florida, as approved by the State Department of Education. The agreement states: The associate in arts degree is the basic transfer degree of the Florida College System institutions. It is the primary basis for admission of transfer students from Florida College System institutions to upper division study in a state university. Every associate in arts graduate of a Florida College System institution shall be granted admission to an upper division program consistent with Section 1007.23, F.S. Admission to each student's preferred public postsecondary institution or program is not guaranteed.

Any student admitted without demonstrated competency in a foreign language or American Sign Language equivalent to the second high school level or the elementary 2 level at an undergraduate institution must satisfy the admission requirement prior to graduation. Florida College System institution Associate in Arts graduates are guaranteed the following rights under the Statewide Articulation Agreement (State DOE Rule 6A-10.024):

1. Admission to one of the twelve state universities, except to "limited access" programs (programs that have additional admission requirements);
2. Acceptance of at least 60 credit hours by the state universities toward the baccalaureate degree;
3. Transfer of equivalent courses under the statewide Course Numbering System;
4. Acceptance by the state universities of credit earned in accelerated programs (e.g., CLEP, AP, PEP, Dual Enrollment, Early Admission, and International Baccalaureate);
5. No additional General Education Core requirements;
6. Advanced knowledge of selection criteria for limited access programs; and
7. Equal opportunity with native university students to enter limited programs.

Should any guarantee be denied, students have the right of appeal through the Office of Undergraduate Admissions and the Admissions and Standards Committee.

Transfer Applicants - More Than 60 Hours, Have Not Received an A.A. Degree from a Florida Public Institution

Undergraduate transfer applicants who desire to be admitted as upper division students must have met, at least, all of the following requirements:

- A minimum of a 2.0 GPA and 60 credit hours of academic course work;
- The English and Mathematics requirements of the Gordon Rule; and,
- Demonstrated competency at the elementary 2 level in one foreign language or American Sign Language at an undergraduate institution. This requirement applies to those students without the required demonstrated proficiency equivalent to the second high school level.

Meeting these minimum requirements does not guarantee admission.

Second Bachelor's Degree Applicants

Second Bachelor's Degree applications are processed by the Undergraduate Admissions Office or the Registrar's Office. Guidelines for which office students should make application to are outlined as follows:

- Students who **have never attended** the University of Central Florida as degree seeking undergraduate students must apply to the **Office of Undergraduate Admissions**. Students should complete the undergraduate admissions application online at admissions.ucf.edu.

- Students who **have previously attended** the University of Central Florida as a degree-seeking undergraduate student should apply through the Registrar's Office. These students should follow the Readmission procedure located online at registrar.ucf.edu/readmission-application.

Credits from a Previous Baccalaureate Degree

Graduates from other accredited institutions of higher education (meeting university transfer eligibility requirements) who apply for admission to work toward a second undergraduate degree must meet the regular requirements of the university (as defined in the "Undergraduate Degree Requirements" section of this Undergraduate Catalog). Students must meet all transfer GPA requirements. A baccalaureate degree or higher from another accredited institution of higher education (meeting university transfer eligibility requirements) satisfies the General Education Program requirements and also provides exemption from the foreign language requirements for admission and graduation.

Note: A baccalaureate degree or higher from a non-US institution with fewer than the equivalent of 120 credit hours will not automatically be credited as a baccalaureate degree. Students will be classified according to the number of semester credit hours earned rather than a second-degree seeking applicant. A baccalaureate degree from a non-US institution will not automatically satisfy the General Education Program requirements. If a baccalaureate degree from an accredited institution of higher education (meeting university transfer eligibility requirements) includes credit from a non-recognized institution, the credit from the non-recognized institution may not be included as transfer credit. This would result in the transfer of less than the total number of credit hours awarded within the baccalaureate degree.

Transient Student Applicants

A student in good standing with a minimum 2.0 GPA at the last accredited institution of higher education (meeting university transfer eligibility requirements) attended who desires to enroll for one term at UCF may be considered for admission as a transient student. Such enrollment terminates at the end of one term and does not presuppose degree-seeking admission to the University. A transient student must submit an official transcript from the last institution attended. Transient student applications must be received by the appropriate application deadline. If a student's last school of attendance is a Florida public institution, they must apply through the Florida Shines website at <http://www.floridashines.org>. Transient students are not eligible to receive financial aid. Registration is permitted on a space-available basis. Meeting the minimum GPA requirements does not guarantee admission.

Non-Degree Seeking Applicants

A student who wishes to attend UCF, but not work toward a degree and has not already earned a bachelor's degree, must apply to the Office of Undergraduate Admissions as a non-degree seeking student. Non-degree seeking applicants must follow the same procedure and must meet the same admission requirements as transfer applicants. Please see the details on the previous page for transfer applicants. **Meeting minimum admission requirements does not guarantee admission.**

A student who has already earned a bachelor's degree and wishes to attend as non-degree seeking should follow the procedure through our Graduate Admissions Office located at application.graduate.ucf.edu/#/.

Application for Admission

All interested applicants should complete the University of Central Florida "Undergraduate Admissions Application" online at admissions.ucf.edu and submit the \$30 (in U.S. Currency), non-refundable application fee. First-Time-In-College (FTIC) students can also apply using the Common Application at <http://www.commonapp.org>. Students should apply several months in advance of an anticipated start date and provide a completed file by the published application deadline. Questions concerning admission requirements and applications can be forwarded to admission@ucf.edu.

Applications for admission can be submitted up to one year prior to the start of the term desired. The application deadlines are May 1 for the Fall semester (July 1 for Transfer students), November 1 for the Spring semester, and March 1 for the Summer term. The priority deadline for most financial assistance and scholarships is December 1. Information regarding University housing can be found at housing.ucf.edu. Applicants can apply for housing once they are offered admission to the University. Requests for housing are subsequently reviewed according to the date of the receipt of the housing application. **The University does not discriminate based on race, color, ethnicity, national origin, religion, non-religion, age, genetic information, sex (including pregnancy, parental status, gender identity or expression, and sexual orientation), marital status, physical or mental disability (including learning disabilities, intellectual disabilities, and past or present history of mental illness), political affiliations, veteran status (as protected under the Vietnam Era Veterans' Readjustment Assistance Act), or membership in any other protected classes as set forth**

in state or federal law.

Applicants should understand that this Undergraduate Catalog outlines minimum requirements to be considered for admission and that admission to the University is competitive. The satisfaction of minimum requirements does not guarantee admission. Conversely, Florida Department of Education policy allows the University to admit students to any semester as exceptions to the minimum requirements. The Office of Undergraduate Admissions and the Admissions and Standards Committee are responsible for the admission of all undergraduate students under this exception policy.

Applicants must submit official transcripts from each educational institution attended to the Office of Undergraduate Admissions. Applicants must likewise submit official score reports for credit earned from each appropriate testing agency (e.g. AICE, AP, CLEP, or IB). To be considered official, supporting admissions documents must be received directly from the issuing institution or testing agency. All final supporting documents must be received by the Office of Undergraduate Admission no later than six (6) days after the first day of classes.

Note: Furnishing false or fraudulent statements in connection with an application for admission or residency declaration may result in disciplinary action, denial of admission, loss of financial aid, and invalidation of credits or degrees earned.

Those enrolled students who have not submitted official completed records by the deadline will be placed on administrative hold. Students with these incomplete records will not be permitted to register for a future term until all official transcripts and other required documentation have been received. If, upon review of final transcripts, student records are not satisfactory, they may be placed on academic probation, have their admission status revoked, changed to non-degree or transient status, may become ineligible for financial assistance, and may, in some cases, be withdrawn from the University. In addition to the required documentation mentioned above, students must have a satisfactory conduct record at all schools attended.

The University of Central Florida participates in the [National Council for State Authorization Reciprocity Agreements](#). More information regarding geographical authorizations and restrictions is available at registrar.ucf.edu/restrictions.

Reactivation

Students who have submitted an application for admission to UCF as a degree-seeking student and do not attend, may reactivate the original application **within one year** of the term for which they first applied. To update the application, students should complete the Reactivation Form by the published application deadline date. This form can be found online at admissions.ucf.edu/forms. This process reactivates the application only; additional official credentials may be required. Admission for one term does not guarantee admission for a future term.

Baccalaureate Honors

Transfer students should be aware that eligibility for graduation with baccalaureate honors requires the completion of a minimum of 48 credit hours at UCF and is based upon an overall grade point average (including all transfer credit). For more details, refer to "Academic Honors" within the "Academic Regulations and Procedures" section of this Undergraduate Catalog.

Campus Visit Experience

Associate Vice President: *Gordon D. Chavis, Jr.*

Duke Energy University Welcome Center (UWC)

admissions.ucf.edu

407-823-3000

admissions@ucf.edu

The Office of Undergraduate Admissions at the University of Central Florida coordinates the admission and enrollment of all undergraduate first-time-in-college, transfer, non-degree, and non-Florida public institution transient students to the university. The office's primary mission is to identify, attract, and enroll talented, diverse, and academically qualified students who will contribute to, achieve growth and success at, and benefit from attending the University of Central Florida.

The Office of Undergraduate Admissions seeks to attract students who are motivated, creative, and committed to academic excellence. The office will accomplish this through personal contacts, strategic communication,

information management, and targeted recruitment. The office is dedicated to providing quality customer service through effective teamwork and through the development of collaborative partnerships with both internal and external communities.

The office administers several programs for prospective students and parents, including daily tours and information sessions, "Knight for a Day" open houses, area receptions for admitted students, and high school and Florida College System institution visits by admission representatives. It also provides the opportunity to meet one-on-one with an admission representative on campus. Please visit our website for further information. Office hours are Monday/Thursday 9 a.m.-6 p.m. and Tuesday/Wednesday/Friday 9 a.m.-5 p.m.

Campus Visit Experience

Information sessions and campus tours are available through our "Campus Visit Experience". All freshmen (First-Time-In-College: FTIC) and transfer prospective students and their families are encouraged to participate. The Campus Visit Experience, which includes both an information session and tour of the campus, begins at the Duke Energy UCF Welcome Center at 10 a.m. and 2 p.m., Monday through Friday, except holidays. Reservations can be made by visiting our website at admissions.ucf.edu. "Transfer To Be A Knight" information sessions are held for prospective transfer students on select days throughout the year. Visit admissions.ucf.edu/transferknights for more information. Special requests may be accommodated and can be requested by visiting our website.

Admissions representatives are available to discuss particular concerns about admission to the University. You may contact the Office of Undergraduate Admissions at 407-823-3000 or visit us at our website. Information sessions and campus tours are also available for students interested in our UCF Downtown Campus and our Rosen College of Hospitality Management Campus. Go to <https://www.ucf.edu/admissions/undergraduate/visit/> to schedule a visit.

International Applicants

The University of Central Florida is authorized under federal law to enroll students on non-immigrant visas. All international candidates applying for admission to UCF must submit a University of Central Florida Undergraduate Admissions Application online at admissions.ucf.edu. Because of additional processing time needed for non-immigrant students joining UCF on F-1 or J-1 visas, those students should submit the application and all required academic documentation by the international application deadlines, as follows: Fall: **March 1**; Spring: **September 1**, and Summer: **January 1**.

The following items will be needed in order to review an application for admission. Specifics regarding which documents are required for freshman and transfer students can be found on our International Applicants page: admissions.ucf.edu/apply/international.

- UCF admission application with the required \$30.00 non-refundable application fee (credit card or e-check online, check or money order in U.S. currency). The online application is available on our website at admissions.ucf.edu. First-Time-In-College (FTIC) students can also apply using the Common Application at <http://www.commonapp.org>.
- Students who attend/have attended an international secondary school must submit official transcripts, graduation certificates, and/or exam results of all secondary work to UCF. If you have questions regarding required documentation, please refer to the reference guide by country at: ucf.edu/admissions/undergraduate/wp-content/uploads/sites/4/2018/11/Intl-Secondary-School-Credentials-Country-Reference-Guide-v.-1.0.pdf. All documentation submitted in a language other than English must be accompanied by a literal translation performed by a certified translator at the issuing institution, government agency, or by a translator certified by the American Translators Association https://www.atanet.org/clients/client_certified_translation.php.
- Official AP, IB, AICE, CLEP, CAPE, and GCE A/AS Level score reports for exams taken. CAPE and GCE AS/A-Level examinations results, not granted by Cambridge Assessment International Education, will need to be submitted for evaluation by one of these agencies: Josef Silny & Associates or World Education Services.
- If the student has attended any international universities, an English translation and evaluation of work completed at each institution will be necessary. Transcripts should be sent to one of the agencies below for a course-by-course evaluation. Please note that if 60 or more transferable credit hours have been earned at a post-secondary institution, it will not be necessary to submit the secondary school records and SAT/ACT scores. In specific instances, for applicants with 30 to less than 60 transferable credit hours, it may also be unnecessary to submit these documents as well. Please go to admissions.ucf.edu/30-or-more-fewer-than-60 for more information.
- Demonstrated English proficiency can be evidenced by one of the following:
 - proof that the student is from a country where English is the **only** official language
 - establishing that a prior bachelor's, master's or doctoral degree was earned from an accredited

- institution of higher education (meeting university transfer eligibility requirements) in the United States
- establishing that a prior bachelor's, master's or doctoral degree was earned from a country where English is the only official language, or a university at which English is the only official language of instruction
- submitting a qualifying score on the Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS). Qualifying scores for undergraduate applicants are a TOEFL computer-based score of 220, a TOEFL internet-based score of 80, a TOEFL paper-based score of 550, or an IELTS score of 6.5
- presenting a minimum 520 EBRW rSAT score or 480 Critical Reading SAT or 20 ACT (English section)
- completion of 4 years of English at a secondary school in the U.S.
- completion of the English Language Institute's (ELI) level 8 or higher with a grade of a "B" or better
- completion of EAP 2851 with a grade of a "C" or better or placement into ENC 1101
- an onsite assessment by UCF ELI faculty qualified to administer English proficiency assessment and determining that the student is English proficient at the university level
- Results of the SAT Reasoning Test, redesigned SAT (rSAT), or ACT will be required if the student has earned less than 30 credit hours of college credit and may be required if the student has earned at least 30 but less than 60 transferrable semester hours. Information regarding these examinations may be obtained from the College Board (SAT) at <http://www.collegeboard.org> (UCF code: 5233) or from ACT at <http://www.act.org> (UCF code: 0735). While there are no specific minimum score requirements for these examinations for admission, they are used in conjunction with other required credentials, and students should prepare sufficiently to achieve the highest possible score on these exams.

F-1 applicants must complete and submit required financial and immigration documents with **UCF Global** by the term specific deadline, including financial documents indicating financial support to cover educational and other expenses for the first year of study. These documents can be found online at <https://global.ucf.edu/international-students-scholars-%20and-professionals/international-admissions/undergraduate/>.

Educational Translations and Evaluations

Foreign diplomas must meet the requirements specified in Florida Statutes, section 229.814. UCF will accept evaluations of academic credit from these agencies:

Josef Silny and Associates **World Education Services**

<http://www.jsilny.org>

<http://www.wes.org>

Mandatory Health Insurance for International Students on F and J Visas

Each international student on a F or J visa offered admission and dependents of J visa students shall, prior to registration for classes, submit proof of required health insurance coverage to UCF Student Health Services to comply with the State of Florida mandatory health insurance requirement for F and J students. Minimum coverage limits are posted on the Student Health Services website at studenthealth.ucf.edu. Use the link for International Students that directs you to information specific to the UCF-endorsed health insurance plan that meets all the State of Florida requirements. Proof of insurance coverage must be submitted to Student Health Services via the online submission system and may not be submitted via email.

The University reserves the right to refuse registration to any international student on F or J visa who fails to comply with this insurance requirement or who is unable to supply satisfactory proof of insurance. The University also reserves the right to withdraw from classes any international student who fails to maintain insurance coverage, cancels insurance coverage while still enrolled as a student, or avoids in any way the responsibility to comply with the insurance requirement. For questions, call UCF Student Health Services at 407-823-6295 or go to their website noted above.

Limited Access Programs

Admission to the University does not guarantee admission to a limited access program. Some majors at the University limit the number of students who may enroll. Limited access status occurs when student demand exceeds available resources (e.g., faculty, instructional facilities, equipment) or when specific accrediting requirements apply. Criteria for admission are selective and include indicators of ability and indicators of performance, creativity, or talent to complete required work within the program.

Non-Academic Admission Clearances

Florida Board of Governors Regulation 6.001 (7) authorizes universities to refuse admission to applicants due to past misconduct. The University further requires the Vice President For Student Development and Enrollment

Services or his/her designee to review all applications disclosing information regarding any prior criminal conviction or conduct problem at another institution and to make a decision as to whether the admission of this applicant will be in the best interest of the University. This statement describes the procedure and assigns responsibility for the review of these applications for admission. Applicants who fail to disclose any prior criminal conviction or conduct problem at another institution and such fact is subsequently discovered by the University, shall be denied admission or readmission, or may receive any other academic and/or disciplinary action prescribed by the University, including but not limited to academic dismissal.

Orientation

All first-time undergraduate degree-seeking students are required to attend orientation prior to enrollment. Orientation information is emailed to all FTIC students offered admission who have submitted their enrollment deposit and to all transfer students offered admission to the University. Information regarding orientation may also be viewed on the website at orientation.ucf.edu.

Transfer Credit: All Applicants

All grades from an accredited institution of higher education (meeting university transfer eligibility requirements) in transfer courses that are normally part of a baccalaureate degree program are shown on the student's permanent UCF record. Effective Fall 2001, the University recognizes a grading system of plus or minus. In addition, grade forgiveness is honored only if it has been awarded as part of an AA or a specific statewide articulated AS degree from a Florida public institution. Credit is not awarded based on job descriptions, life experience, course work that is non-academic, or transfer course work from within a baccalaureate degree earned from an accredited institution of higher education that does not meet university transfer eligibility requirements.

Accredited Institutions

For the purposes of this Undergraduate Catalog, "Accredited Institutions" means those colleges and universities accredited by any of the following seven associations:

- Middle States Commission on Higher Education (MSCHE)
- New England Association of Schools and Colleges, Commission on Institutions of Higher Education (NECHE)
- North Central Association of Colleges and Schools, Higher Learning Commission (HLC)
- Northwest Commission on Colleges and Universities (NWCCU)
- Southern Association of Colleges and Schools Commission on Colleges (SACSCOC)
- Western Association of Schools and Colleges, Accrediting Commission for Community and Junior Colleges (ACCJC)
- Western Association of Schools and Colleges, Senior College and University Commission (WSCUC)

The accreditation status of all foreign institutions **must** be evaluated through either Josef Silny and Associates, Inc. or World Education Services.

All college-level credits earned for which official transcripts or evaluations have been submitted will be compiled into the Transfer Credit Evaluations page in the myUCF portal. Some transfer credit may not be applicable toward graduation course requirements. The Transfer Credit Evaluations page will be the basis for constructing a Degree Audit, which applies earned credits to the intended degree program. The Degree Audit provides the student with an assessment of which degree requirements have been met and what remains to be satisfied. Although all college-level course work transferred from an accredited institution of higher education (meeting university transfer eligibility requirements) or the equivalent on an international evaluation from WES or JS&A is shown on the Transfer Credit Evaluations page and the UCF transcript, applicability of the course toward a degree requirement **is determined by the college/school/department of the major that owns the course.**

General Education Transfer Credits

Transfer students from a Florida College System institution or state university may satisfy the General Education Program requirements of UCF by completing the general education program prescribed by that institution. Transfer applicants with incomplete general education programs will have their credits evaluated on a course-by-course basis.

Transfer courses from a Florida state institution must have been Gordon Rule eligible at that institution during the semester when the course was taken. Transfer courses from out-of-state and private institutions must be evaluated for equivalency to a UCF Gordon Rule course.

When the transfer course work is evaluated for equivalency (usually during the first semester at UCF), course descriptions and other information to provide a sufficient basis for evaluation may be requested. Substitution requests for college or major requirements are to be submitted to the college advising office.

Credits from Private and Out-of-State Institutions

Transfer credit from private junior and senior colleges and out-of-state institutions will be evaluated on a course-by-course basis. Each student must submit the necessary petition(s) to the appropriate college/school/department of the major that owns the course to determine which courses will transfer with regard to degree progress at UCF. Transfer courses that meet the requirements of the General Education Program and the Gordon Rule are determined through the process described in the "Undergraduate Degree Requirements" chapter of this Undergraduate Catalog. Petition procedures vary by college. Generally, the petitioning of transfer courses for satisfaction of college and major requirements should be done during the second full term of the student's residency at UCF, so that the accepted transfer courses are understood clearly by the student and the faculty advisor early in the student's tenure at UCF.

Credits from Military Service School Courses

Completed military service school courses may be evaluated on the basis of the recommendations of the American Council of Education (ACE) when official credentials have been properly presented. While credit may be granted when courses are equivalent to those offered by the University, recommendations by the ACE are not binding upon the University. Even though military records may have been evaluated by another accredited institution of higher education (meeting university transfer eligibility requirements), it is important to have official credentials sent to UCF for evaluation. Credit is not awarded for basic training. More information about Special Provisions for Veterans and Active Duty Military Students can be found [here](#).

Undergraduate Degree Requirements

Admission to the Upper Division

To be classified as an upper division student at the University of Central Florida, a student must complete the following:

1. A minimum of 60 credit hours of academic work;
2. The English and mathematics requirements of the Gordon Rule;
3. One year of college instruction in a single foreign language. (This requirement applies to those students admitted to the University without the required two units of foreign language in high school.)

Choice of Catalog Year and Continuous Enrollment

Choice of Catalog Year and Continuous Enrollment

A student must graduate under the degree requirements of any UCF Undergraduate Catalog in effect since the student began

continuous enrollment at UCF. However, courses may change (for example, in credit hours or in prerequisites) or be discontinued

as a result of curricular review. New Catalog policies and requirements take effect with the Summer term. A student transferring

from Florida College System institutions or state universities may use the UCF Undergraduate Catalog in effect at the time he or

she began the most recent period of continuous enrollment in academic good standing at any of the Florida public institutions.

Continuous enrollment is defined as being enrolled in classes without a break of two or more consecutive regular semesters/terms

(i.e., Fall and Spring, or Spring, Summer, and Fall). Continuous enrollment is automatically broken when a student moves from

one transfer institution to another following academic disqualification or exclusion.

Students who change majors between different colleges must adopt the most current Catalog. Additional information is included

in the program descriptions. Students pursuing a single degree (including double majors and/or minors) must use a single catalog

and cannot use a combination of catalogs for graduation. In cases when required courses are no longer taught by the University,

the appropriate department, college, or Academic Services (Millican Hall 210) may designate a reasonable substitute. If a student

desires to change the catalog for graduation, the student should first discuss with the advisors how such a change would affect

University, college, and major requirements. If a student decides to request a change, he or she must submit a "Catalog Year

Change Request Form" to the Registrar's Office (Millican Hall 161). This form is available at the Registrar's Office or online at

registrar.ucf.edu

Civic Literacy Requirement

All baccalaureate degree-seeking students who initially entered a state university in fall semester 2018 and thereafter must meet the State of Florida's civic literacy requirement, pursuant to Board of Governors' policy 8.006. Students are required to demonstrate competency in civic literacy through one of the following options prior to graduation from the University of Central Florida:

1. Successfully passing either POS 2041 (American National Government) or AMH 2020 (U.S. History:1877-Present).
2. Achieving the standard score on one of the following assessments:
 - a. U.S. Citizenship and Immigration Services Naturalization Test – Civics (U.S. history and government) with supplemental questions, minimum score of 60; or
 - b. Advanced Placement Government and Politics: United States, minimum score of 3; or
 - c. Advanced Placement United State History, minimum score of 4; or
 - d. CLEP American Government, minimum score of 50.

Each of the specified options was selected by the State University System's Board of Governors to meet the following competencies:

- Understanding of the basic principles and practices of American democracy and how they are applied in our republican form of government;
- An understanding of the United States Constitution and its application;
- Knowledge of the founding documents and how they have shaped the nature and functions of our institutions of self-government; and
- An understanding of landmark Supreme Court cases, landmark legislation, and landmark executive actions and their impact on law and society.

Double Majors

A student may earn one degree, a BA or BS, with two majors, by completing the requirements for both majors. If both majors are within the same college and are of the same degree type (BA or BS), both majors will be indicated on the diploma; however, if the majors are from different colleges or are of different degree types, only one major will appear on the diploma. Students earning a double major must use the same Catalog year for both majors.

Exit Exams

In order to measure their effectiveness, some departments and colleges may require graduating students to participate in an exit exam designed to measure the students' understanding of the discipline.

Foreign Language Proficiency Requirement (Bachelor of Arts Degree)

Students graduating with a Bachelor of Arts degree must demonstrate proficiency in a foreign language equivalent to one year of college instruction. This requirement may be met either by successful completion of the appropriate college-level course or by examination. Languages that may be used include those taught at UCF and any others for which the University can obtain standardized proficiency tests. Students who have previously received a baccalaureate degree are exempt from this requirement. Native speakers or students who have completed appropriate advanced foreign language education abroad will be considered to have satisfied the requirement.

Placement in Language Courses

Placement in foreign language courses is based on one year of high school language being equivalent to one semester of college work. For example, four years of one high school foreign language place the student in the first semester of the third year.

Several departments, colleges, and schools have additional requirements. See "Special College and/or Departmental Requirements" within each listing.

1. This requirement is for proficiency and not a requirement for a particular number of hours of course work. For example, successful completion of only SPN 1121C - Elementary Spanish Language and Civilization II would satisfy the B.A. requirement. Appropriate scores on Advanced Placement and CLEP examinations will also satisfy the requirement.
2. This is a University-wide requirement for all B.A. majors.
3. The Testing Administrator of the University Testing Center will offer the Foreign Language Proficiency Examination throughout each term. Students must register in advance with that office to take the examination (HPH 106).
4. The foreign language proficiency requirement does not apply to students seeking a second baccalaureate degree.
5. A student who is required and furnishes a passing TOEFL (Test of English as a Foreign Language) score for admission to the University is considered to have satisfied the requirements.

American Sign Language

Students pursuing a Bachelor of Arts Degree may substitute American Sign Language for the foreign language exit requirement, except where one or more foreign languages have been specified by a college, school, or program for a specific degree (see individual degree program listings for more information). Proficiency is met either by successful completion of ASL 2150 or an appropriate score on the ASL proficiency exam. Contact the Department of Communication Sciences and Disorders regarding the proficiency examination.

General Education Program (GEP)

The purposes of the UCF General Education Program (GEP) are to introduce students to a broad range of human knowledge and intellectual pursuits, to equip them with the analytic and expressive skills required to engage in those pursuits, to develop their ability to think critically, and to prepare them for life-long learning. The GEP curriculum provides students with the intellectual, ethical, and aesthetic foundations necessary to make informed choices; to accept the responsibilities of working and living in a rapidly changing world; and to lead a productive and satisfying life.

Undergraduate students who have not completed requirements for the Associate of Arts degree and who desire to transfer to another Florida public university can have their transcripts indicate "General Education Requirements Met" upon written request, if they have completed UCF's GEP requirements with a GPA of 2.0 or better. UCF will accept a similar statement on transcripts received from Florida College System institutions and universities in lieu of completion of the University's General Education Program. Students enrolled in courses that use the "NC" grade must earn a grade of "C-" (1.75) or better.

General Education Program Learning Objectives

Communications Foundation

- Demonstrate the ability to analyze the situational characteristics of a communication act: audience, purpose, and source/author.
- Demonstrate the ability to understand communication and speaking skills.
- Demonstrate the ability to write in a clear, logical and appropriate manner.
- Demonstrate the ability to research academic topics and present the synthesis of that research: 1) in speech with appropriate citations; and 2) in texts with correct documentation.
- Demonstrate an awareness of diversity in American society.

Cultural and Historical Foundation

- Be able to gather, synthesize, and analyze information from appropriate resources and be able to critically evaluate information and sources for accuracy and credibility.
- Identify and deepen appreciation of common human themes and the richness of diverse cultures.
- Be able to analyze and discuss meaning of an artwork, performance, or text in diverse aesthetic, historical and cultural contexts.
- Demonstrate knowledge and critical thinking of the concepts, styles, and aesthetic, theoretical, and critical principals in an art.
- Demonstrate knowledge of the chronology and significance of major events and movements in western civilization, U.S. history or world civilization.

Mathematical Foundation

- Demonstrate the skills needed to solve quantitative problems including choosing the proper technique and/or technology.
- Be able to solve real-world quantitative problems.
- Demonstrate qualitative understanding of mathematical, statistical, and computing concepts.
- Demonstrate knowledge and understanding of essential computing concepts common to academic degrees and their related professions.
- Demonstrate essential computing skills common to academic degrees and their related professions, and in particular, skills relating to professional use of computers and application software.

Social Foundation

- Be able to gather and synthesize information from appropriate resources, and be able to evaluate information and sources for accuracy and credibility.
- Understand how an individual's place in the world is affected by social, economic, and political institutions.
- Gain a deeper appreciation of one's role and potential impact in social, economic, and political institutions.
- Demonstrate an understanding of the interaction among social, economic, and political structures and functions.
- Understand how individuals behave and interact with other individuals in their psychological, political, economic and social environments.

Science Foundation

- Demonstrate an understanding of science as an empirical attempt to acquire information about the real world, develop possible explanations of these phenomena, and test the explanations by predicting the outcome of future observations.
- Demonstrate an ability to assess the extent to which claims presented as "scientific" satisfy the empirical character of scientific explanations.
- Demonstrate understanding of scientific knowledge and problem solving in a physical or life science.

General Education Alternate Courses:

- Substitutions for designated State General Education Core Courses (◆): Courses that may be taken in substitution of State General Education Core Courses (◆) are listed in the General Education Program (GEP) Courses.

Mathematical Foundation: MAC 1114C, MAC 1140C

(Some majors require a specific course or a higher level course in some areas. Consult your major requirements and advisor.)

Satisfactorily complete one course in each of the twelve numbered areas: 36 hours

At least one course completed in each Foundation area must be a designated State General

Education Core Course (♦)

Communication Foundations (9 Credit Hours) Area 1 General Education Core Course(s)

- ENC 1101 - Composition I **Credit Hours: 3** (1, 2 ♦)

Area 2

- ENC 1102 - Composition II **Credit Hours: 3** (1, 2)

Area 3

- SPC 1608 - Fundamentals of Oral Communication **Credit Hours: 3**
- SPC 1603C - Fundamentals of Technical Presentations **Credit Hours: 3**
- COM 1000 - Introduction to Communication **Credit Hours: 3**

Cultural & Historical Foundations (9 Credit Hours) Area 1 General Education Core Course(s)

- HUM 2020 - Encountering the Humanities **Credit Hours: 3** ♦

Other Courses

- EUH 2000 - Western Civilization I **Credit Hours: 3** (2)
- EUH 2001 - Western Civilization II **Credit Hours: 3** (2)
- HUM 2210 - Humanistic Tradition I **Credit Hours: 3** (2)
- HUM 2230 - Humanistic Tradition II **Credit Hours: 3** (2)
- AMH 2010 - U.S. History: 1492-1877 **Credit Hours: 3** (2)
- WOH 2012 - World Civilization I **Credit Hours: 3** (2)
- WOH 2022 - World Civilization II **Credit Hours: 3** (2)

Area 2 General Education Core Course(s)

- MUL 2010 - Enjoyment of Music **Credit Hours: 3** ♦
- THE 2000 - Theatre Survey **Credit Hours: 3** ♦
- PHI 2010 - Introduction to **Credit Hours: 3** ♦

Other Courses

- ANT 2410 - Cultural Anthropology: Global Perspectives, Local Contexts **Credit Hours: 3**
- ARH 2050 - History of Western Art I **Credit Hours: 3**
- ARH 2051 - History of Western Art II **Credit Hours: 3**
- FIL 1000 - Cinema Survey **Credit Hours: 3**
- REL 2300 - World Religions **Credit Hours: 3**
- LIT 2110 - World Literature I **Credit Hours: 3** 2
- LIT 2120 - World Literature II **Credit Hours: 3** 2
- FIL 2030 - History of Motion Pictures **Credit Hours: 3**
- FIL 3036 - Film History I **Credit Hours: 3**
- FIL 3037 - Film History II **Credit Hours: 3**
- MUH 2017 - Survey of Rock Music **Credit Hours: 3**
- MUH 2019 - American Popular Music, 1840s-present **Credit Hours: 3**
- MUL 2016 - Evolution of Jazz **Credit Hours: 3**
- MUL 2720 - Music of the World **Credit Hours: 3**

Area 3

Take one additional course from either Cultural and Historical Foundation, Area 1 or 2. Consider that some courses also partially satisfy the Gordon Rule requirement.

Mathematical Foundation (6 Credit Hours) Area 1 General Education Core Course(s)

- MAC 1105C - College Algebra **Credit Hours: 3** (2 ♦)
- MAC 2311C - Calculus with Analytic Geometry I **Credit Hours: 4** (2 ♦)
- MGF 1106 - Finite Mathematics **Credit Hours: 3** 2 ♦

- MGF 1107 - Explorations in Mathematics **Credit Hours: 3 2** ♦

Area 2

General Education Core Course(s)

- STA 2023 - Statistical Methods I **Credit Hours: 3** (2 ♦)

Other Courses

- CGS 1060C - Introduction to Computers **Credit Hours: 3 2**
- STA 2014 - Principles of Statistics **Credit Hours: 3 2**
- CGS 2100C - Computer Fundamentals for Business **Credit Hours: 3**
- COP 2500C - Concepts in Computer Science **Credit Hours: 4**
- COP 3502C - Computer Science I **Credit Hours: 3**
- COT 3100C - Introduction to Discrete Structures **Credit Hours: 3**
- STA 3032 - Probability and Statistics for Engineers **Credit Hours: 3**

Social Foundation (6 Credit Hours)

Area 1

General Education Core Course(s)

- ANT 2000 - General Anthropology **Credit Hours: 3** ♦
- PSY 2012 - General Psychology **Credit Hours: 3** ♦
- SYG 2000 - Introduction to Sociology **Credit Hours: 3** ♦
- HSA 2117 - Civic Engagement in the US Healthcare System **Credit Hours: 3**

Area 2

General Education Core Course(s)

- AMH 2020 - U.S. History: 1877-Present **Credit Hours: 3 2** ♦
- ECO 2013 - Principles of Macroeconomics **Credit Hours: 3** ♦
- POS 2041 - American National Government **Credit Hours: 3** ♦

Other Courses

- ECO 2023 - Principles of Microeconomics **Credit Hours: 3**

Science Foundation (6 Credit Hours)

Area 1

General Education Core Course(s)

- AST 2002 - Astronomy **Credit Hours: 3** ♦
- PHY 2020 - Concepts of Physics **Credit Hours: 3** ♦
- PHY 2053C - College Physics I **Credit Hours: 4** ♦
- PHY 2048C - General Physics Using Calculus I **Credit Hours: 4** ♦
- CHM 1020 - Concepts in Chemistry **Credit Hours: 3** ♦
- CHM 2045C - Chemistry Fundamentals I **Credit Hours: 4** ♦

Other Courses

- PSC 1121 - Physical Science **Credit Hours: 3**
- CHS 1440 - Principles of Chemistry **Credit Hours: 4**
- CHM 1032 - General Chemistry **Credit Hours: 3**
- PHY 1038 - Physics of Energy, Climate Change and Environment **Credit Hours: 3**

Area 2 General Education Core Course(s)

- BSC 1005 - Biological Principles **Credit Hours: 3** * ♦
- BSC 2010C - Biology I **Credit Hours: 4** ♦
- EVR 1001 - Introduction to Environmental Science **Credit Hours: 3** ♦

Other Courses

- GLY 1030 - Geology and its Applications **Credit Hours: 3**
- GEO 1200 - Physical Geography **Credit Hours: 3**
- ANT 2511 - The Human Species **Credit Hours: 3**
- MCB 1310 - Introduction to Biotechnology and Genetic Engineering **Credit Hours: 3**

- GEO 2370 - Resources Geography **Credit Hours: 3**
- MET 2104 - The Earth's Climate **Credit Hours: 3**
- GLY 2038 - Environmental Geoscience **Credit Hours: 3**

Total Credit Hours: 36

* A one credit laboratory is also available for this course.

+ Both courses must be taken in sequence and successfully completed to receive GEP credit.

1 A grade of "C-" (1.75) or better is required in this course.

2 A grade of "C-" (1.75) or better satisfies three hours of the Gordon Rule requirement.

Diversity Requirement

The University recognizes that communities are comprised of, and enriched by, people of diverse backgrounds. The study of diversity is encouraged to promote an understanding of the needs of individuals, the University, and society. Thus, all students completing their first bachelor's degree from UCF must complete at least one course that explores the diverse backgrounds and characteristics found among humans, including: race/ethnicity, gender, social class/caste, religion, age, sexual orientation, and level of physical ability.

Students are exempt from this requirement if they have completed an Associate of Arts degree or the General Education Program at a Florida College System institution or public state university. Students who have previously completed a baccalaureate degree also are exempt.

The requirement is satisfied by the successful completion of a diversity course selected from the following list. Additional courses may be approved subsequently by the Common Program Oversight Committee, so students should consult their departmental advisor for the most current listing.

Diversity Requirement Courses

Transfer work from other colleges and universities is evaluated by the student's major department to determine if courses meet the diversity requirement. Satisfaction of this requirement remains in effect if the student changes majors.

Diversity Requirement Courses

General Education Courses:

SPC 1608 - Fundamentals of Oral Communication Credit Hours: 3

SYG 2000 - Introduction to Sociology Credit Hours: 3

ANT 2000 - General Anthropology Credit Hours: 3

POS 2041 - American National Government Credit Hours: 3

 WST 3561 - Third Wave Feminisms Credit Hours: 3
 WST 3015 - Introduction to Women's Studies Credit Hours: 3

Transfer work from other colleges and universities is evaluated by the student's major department to determine if courses meet the diversity requirement. Satisfaction of this requirement remains in effect if the student changes majors.

Graduation Application Deadline

Students must complete the "Intent to Graduate" online at my.ucf.edu in the term preceding the one in which they intend to graduate (see the "Academic Calendar" for specific dates). Students who have not applied for graduation by the last day of classes in the term preceding the graduation term may not be listed in the Commencement Program. Graduates may contact the Registrar's Office for Commencement ceremony and guest ticket information or refer to commencement.ucf.edu.

Successful completion of the degree requirements stated in the Undergraduate Catalog under which the student plans to graduate shall constitute a recommendation of the respective college faculty that the degree be awarded, assuming the student is in good standing at the University. A student must complete all requirements for a baccalaureate or graduate degree no later than the date of the Commencement. A student **may not be** enrolled as a transient student in another institution during the term in which the baccalaureate degree or the Associate of Arts degree is to be awarded.

More Than Two Majors, or More Than Two Degrees, or a Combination

Students attempting multiple majors or degrees beyond two must consult with the Registrar's Office for coordination among degree programs. Responsibility for doing so rests with the student. The stipulations for two majors and/or two degrees will apply as well as other minimum amount of hours and prohibitions about combinations.

Graduates from an accredited institution of higher education (meeting university transfer eligibility requirements) who apply for admission to work toward a second baccalaureate degree at UCF must meet the regular admission requirements of the major department and the UCF residency requirement of 30 additional credit hours for that degree. Students holding the baccalaureate degree from an accredited institution of higher education (meeting university transfer eligibility requirements) are considered to have completed Gordon Rule, foreign languages, and General Education Program Requirements. Students who hold degrees from an accredited institution of higher education that does not meet university transfer eligibility requirements and foreign institutions may be required by the Office of Academic Services (Millican Hall 210) to fulfill all or part of the UCF General Education Program requirements as stipulated in the UCF Undergraduate Catalog.

The University requirements specified in the preceding paragraphs are minimum requirements. Departments and colleges may require more than 150 credit hours for a second degree or more than 30 credit hours to be taken in residence at UCF. Students should confirm department, school, and college requirements with their academic advisors.

Requirements for Graduation

Students must fulfill both the requirements for a major and University requirements to receive a bachelor's degree from the University of Central Florida. The student must:

- Fulfill the requirements for the chosen major;
- Earn a minimum of 120 unduplicated credit hours with at least a "C" average (2.0 GPA) for all UCF course work attempted. Some majors require more than 120 hours;
- Earn at least 42 of these 120 credit hours in 3000-level courses or above (upper-division);
- Earn a minimum of 30 of their last 39 hours in regular courses at UCF. Credit by Examination may not be used to satisfy this requirement;
- Earn a minimum of 25% of the total hours required for the degree in residence at UCF. For programs that require the minimum of 120 total hours, residency will be 30 hours. For programs that exceed 120 hours, the specific residency requirement increases proportionally and is listed with the requirements for the specific degree program;
- Apply no more than 45 credit hours in any combination of extension, correspondence, CLEP, University Credit by Examination and Armed Forces credits toward an undergraduate degree;
- Fulfill the General Education Program requirements;
- Fulfill the Gordon Rule requirements;
- Fulfill the Foreign Language requirements as defined elsewhere in this section; and,
- Earn a minimum of nine credit hours during Summer terms, if applicable.

Degrees Awarded Posthumously

Students will be considered for posthumous degrees by the Commencement and Convocations Committee if they are in good academic standing at the time of their death, have a 2.0 GPA or better and have completed 75% of the requirements for the degree.

Summer Attendance Requirement

A student entering the State University System with fewer than 60 credit hours of credit is required to enroll in a minimum of nine hours of credit in the summer at a State of Florida university. Petition forms for exemption are available from the Academic Services website: [Summer Waiver - Academic Petitions](#).

SUS Foreign Language Admission Requirement

Students who have not satisfied the Foreign Language Admission Requirement (competency of foreign language or American Sign Language equivalent to the second high school level or higher [Spanish 2, Haitian Creole 2, etc.] or at the elementary 2 level in one foreign language or American Sign Language at an undergraduate institution) at the time they are admitted to the University must satisfy this requirement **prior** to graduation. This requirement applies to all undergraduates and is separate from the UCF Foreign Language proficiency requirement.

The Gordon Rule

The Gordon Rule (State Rule 6A-10.30) applies to students who first enrolled in any college or university after October 1982. The rule requires students to complete four courses (twelve credit hours) of writing and to complete two courses (six credit hours) of mathematics at the level of college algebra or higher. Each course must be completed with a minimum grade of "C-" (1.75). Courses eligible to satisfy the Gordon Rule requirement must be on the approved list at the time the course is completed.

Gordon Rule classes are applied to the requirement based on the term in which they were taken. If a course was not on the Gordon Rule list in the catalog year in which it was taken, it cannot be used toward the requirement. The Gordon Rule eligibility of a course is independent of a student's catalog year.

Use of Transfer Courses for Gordon Rule: Transfer courses from a Florida state institution must have been Gordon Rule eligible at that institution during the semester when the course was taken. Transfer courses from out-of-state and private institutions must be evaluated for equivalency to a UCF Gordon Rule course.

UCF courses that are required by the General Education Program also may be used to satisfy the Gordon Rule. Honors sections of the following courses will also satisfy this requirement. Gordon Rule requirements may be satisfied by the General Education Program as follows:

Gordon Rule Requirement:

1. Six hours of mathematics at the level of college algebra or higher

GEP Courses Which Satisfy:

Three hours of College Algebra or Finite Math AND Three hours of Statistics or Computer Science
OR Six hours in College Algebra or Finite Math

Any 3000-level or above course in mathematics, statistics, or computer science also may be used toward fulfillment of the above requirements.

2. Six hours of English coursework and Six hours of additional college-level writing courses

(1) Six hours of English Composition
(2) Six hours of specifically identified courses from the following list:

Gordon Rule Writing Requirement Courses

General Education courses that apply to the Gordon Rule Writing Requirement:

- ENC 1101 - Composition I **Credit Hours: 3**
- ENC 1102 - Composition II **Credit Hours: 3**
- LIT 2110 - World Literature I **Credit Hours: 3**
- LIT 2120 - World Literature II **Credit Hours: 3**
- AMH 2010 - U.S. History: 1492-1877 **Credit Hours: 3**
- AMH 2020 - U.S. History: 1877-Present **Credit Hours: 3**
- EUH 2000 - Western Civilization I **Credit Hours: 3**
- EUH 2001 - Western Civilization II **Credit Hours: 3**
- HUM 2210 - Humanistic Tradition I **Credit Hours: 3**
- HUM 2230 - Humanistic Tradition II **Credit Hours: 3**
- MUL 2010 - Enjoyment of Music **Credit Hours: 3**
- THE 2000 - Theatre Survey **Credit Hours: 3**
- WOH 2012 - World Civilization I **Credit Hours: 3**
- WOH 2022 - World Civilization II **Credit Hours: 3**

Non-Gen Ed courses that also apply to the Gordon Rule Writing Requirement:

American History

- AMH 2010H - Honors U.S. History: 1492-1877 **Credit Hours: 3**
- AMH 3402 - History of the South to 1865 **Credit Hours: 3**
- AMH 3403 - History of the South Since 1865 **Credit Hours: 3**
- AMH 3441 - History of the Frontier: Eastern America **Credit Hours: 3**
- AMH 3442 - History of the Frontier: Western America **Credit Hours: 3**
- AMH 3541 - U. S. Military History To 1900 **Credit Hours: 3**
- AMH 3561 - Women in American History I **Credit Hours: 3**
- AMH 3571 - Black American History I **Credit Hours: 3**
- AMH 3580 - North American Indians **Credit Hours: 3**

Two Degrees

- A student may earn two degrees, a BA and a BS, by completing the requirements for both majors and earning a minimum of 150 credit hours.
- A student may earn two degrees, either both BA or both BS, if the degrees are earned in separate colleges and a minimum of 150 (or more) credit hours are earned.
- A student may earn two degrees, either both BA or both BS, within the same college if allowed by the particular college and a minimum of 150 (or more) credit hours are earned.

Students earning two degrees may use different Catalog years for each degree. If different Catalog years are used, the general university requirements in the latest of the two catalogs will be applied to both degrees.

University Notices

Academic Behavior Standards

The University of Central Florida is committed to a policy of honesty in academic affairs. Conduct that comprises a breach of this policy may result in academic action, disciplinary action, and/or program action. Academic action affects student assignments, examinations or grades. Disciplinary action may affect student enrollment status. Program action may affect the student's status in a specific program of study. Academic Misconduct includes but is not limited to cheating, plagiarism, misuse of sources, assisting another in cheating or plagiarism, and commercial use of academic materials. The violations of student academic behavior standards on the undergraduate and graduate level are listed and defined in the "Rules of Conduct" in The Golden Rule Student Handbook.

Note: A student who has assisted another in any of the aforementioned breach of standards shall be considered equally culpable. In cases of cheating or plagiarism, the instructor may document the incident and choose to take appropriate academic action ranging from loss of credit for a specific assignment, examination, or project to removal from the course with a grade of "F." Additionally, disciplinary action may be taken through the Office of Student Conduct, which may result in punitive and education sanctions, as outlined in The Golden Rule Student Handbook. Students found in violation more than one reported Academic Misconduct violation or suspended for a reported violation, the student will receive a Z designation that would be included with the earned grade on transcripts, designating that academic misconduct occurred. Information regarding the Z designation, its application or removal from a transcript can be found in The Golden Rule Student Handbook.

Accreditation

The University of Central Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award degrees at the associate, baccalaureate, master's, specialist, and doctoral levels. Questions about the accreditation of UCF may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

More information about the accreditation of UCF may be found at apq.ucf.edu/institutional-accreditation.

Degree Program	Accrediting Body

UCF is listed in *Transfer Credit Practices on Designated Educational Institutions* with the highest level of credit acceptability. This handbook is published by the American Association of Collegiate Registrars and Admission Officers and lists the acceptability of transfer credits based upon the reporting institutions in the states, commonwealths, territories, and selected international institutions.

Campus Alcoholic Beverages Policy

The sale, service, distribution, possession and consumption of alcoholic beverages shall comply with state and federal laws, city and county ordinances, and the licensing agreement with on-campus retailers which allows for the sale and service of alcoholic beverages. In addition the University has formulated the following policies governing the sale, service, distribution, possession and consumption of alcoholic beverages on campus. Refer to University of Central Florida Policy 3-115.1 "Alcoholic Beverages on Campus" and University of Central Florida Regulation "UCF-4.035 Alcoholic Beverages on Campus" for further information.

Guidelines

The sale, service, and distribution of alcoholic beverages to persons younger than 21 years of age is prohibited. Possession or consumption of alcoholic beverages is prohibited by persons younger than 21 years of age.

Possession and consumption of alcoholic beverages in open or unsealed containers is prohibited except in designated areas or as approved with special events.

Individuals are responsible for their actions regardless of their mental or physical state as it may be affected by mind-altering chemicals such as alcohol and other drugs.

Student organizations may develop more stringent regulations regarding alcohol use.

Locations

The sale of alcoholic beverages to individuals of legal age will be permitted in licensed areas by licensed on-campus retailers.

The sale or service of alcoholic beverages to individuals of legal age will be permitted at other select campus locations for catered functions by properly authorized retailers.

The possession or consumption of alcohol by individuals of legal age may be permitted in private residential rooms in the residence halls and other on-campus or affiliated housing unless otherwise prohibited by the governing organization. Consumption of alcoholic beverages in public or common areas within on-campus residential units shall follow guidelines provided by their governing organization, and local, state and federal law.

Approval Procedures: Student Groups

Prior approval for students or student organizations to host an event where alcoholic beverages are present in non-licensed campus locations must be obtained from the Director of Student Leadership Programs.

The following information must be supplied by the student organization and approved by the appropriate university officials, no less than 15 calendar days prior to the event(s). These arrangements include but are not limited to: sponsoring organization and nature of event; date, beginning and ending times, and location of event; number in attendance and method of registering guests; method of designation of those who are 21 years or older and those who are under 21 years of age; contained area where alcohol consumption is permitted; type of alcohol along with food and alternative non-alcoholic beverages to be provided; method of security including number of campus police officers; person to be contacted at event in case of questions or problems.

Approval Procedures: Non-Student Groups

Alcoholic beverages may be sold and /or served by an approved third party vendor. All third party vendors who sell and/or serve alcoholic beverages must be licensed by the State of Florida as an alcoholic beverage retailer. Groups or organizations who seek to sell beer or wine along with a non-alcoholic choice at other locations on campus must obtain approval to secure a beer or wine license from the Director of Business Services prior to making application for the license. With approval from the Director of Business Services, the group must apply to the Alcoholic Beverages and Tobacco Division of the Department of Business Regulations of the State of Florida for obtain a temporary permit for the sale of alcoholic beverages, for consumption on premises only, and for a period not to exceed 3 days per event. Off-campus groups or organizations who seek to serve alcoholic beverages in a location and situation which does not require a license must obtain prior approval to serve alcohol on campus from the Director of Business Services.

For the complete and definitive version of the Drug-Free Workplace/Drug-Free Schools Policy Statement, please go to: goldenrule.sdes.ucf.edu.

Complaint Policy

The University of Central Florida supports the right of students to file grievances, lodge complaints, and make appeals in a safe environment free of fear, retaliation, or other adverse consequence. The University has a number of offices and committees that are responsible for implementing the institution's established procedures for addressing written academic and non-academic student complaints.

In most cases, the recommended strategy for complaints of any nature is to ask the concerned individual to first contact the person or office most directly connected to the issue, unless there are compelling reasons not to do so. If the concerned individual does not want to contact a faculty or staff member directly, he or she begins with the next highest level of authority, which typically is the department chair or director. If the problem or complaint is unresolved or the individual is not satisfied with the resolution, he or she may file a written grievance or appeal in most cases. Procedures are outlined in UCF's [Student Complaints and Appeals website](#) and included in specific sections of the Undergraduate Catalog and The Golden Rule Student Handbook.

Drug-Free Workplace/Drug-Free Schools Policy Statement

Standards of conduct and disciplinary sanctions will be imposed for the unlawful possession, misuse or distribution of illicit drugs and alcohol by UCF students and employees on UCF property or as part of any of its activities. The unlawful manufacture, distribution, dispensation, possession or misuse of a controlled substance, prescription medication or the unlawful possession and use of alcohol is harmful and prohibited in and on UCF owned and controlled property or as part of any of its activities. Any UCF employee or student determined to have violated this policy shall be subject to disciplinary action for misconduct, which may include termination/expulsion and referral for prosecution. No employee/student is to report to work/class or attend any

University activity while under the influence of illegal drugs or alcohol. Violation of these policies by an employee/student will be reason for evaluation/treatment for drug/alcohol disorder and/or for disciplinary action up to and including termination/expulsion and/or referral for prosecution consistent with local, state and federal law.

Non-Discrimination Policy

The University of Central Florida does not unlawfully discriminate in any of its education or employment programs and activities on the basis of an individual's race, color, ethnicity, national origin, religion, non-religion, age, genetic information, sex (including pregnancy and parental status, gender identity or expression, or sexual orientation), marital status, physical or mental disability (including learning and intellectual disabilities), political affiliations, prior conviction of a crime, protected veteran's status or membership in any other protected classes as set forth in state or federal law. The University prohibits discrimination based on these protected classes, which includes the prohibition of discriminatory harassment, sexual assault, sexual exploitation, relationship violence, stalking, sexual or gender-based harassment, Title IX sexual harassment, and retaliation against a person for the good faith reporting of any of these forms of conduct or participation in or party to any investigation or proceeding related to a report of these forms of conduct.

Discriminatory harassment consists of verbal, physical, electronic or other conduct based upon an individual's protected class as set forth above that interferes with that individual's educational or employment opportunities, participation in a University program or activity, or receipt of legitimately-requested services under either Hostile Environment Harassment or Quid Pro Quo Harassment. Hostile Environment Harassment is discriminatory harassment that is so severe, persistent or pervasive that it unreasonably interferes with, limits, deprives, or alters the conditions of education (e.g., admission, academic standing, grades, assignment); employment (e.g., hiring, advancement, assignment); or participation in a University program or activity (e.g., campus housing), when viewed from both a subjective and objective perspective. Quid Pro Quo Harassment is discriminatory harassment where submission to or rejection of unwelcome conduct is used, explicitly or implicitly, as the basis for decisions affecting an individual's education; employment; or participation in a University program or activity.

Sexual harassment is any unwelcome sexual advance, request for sexual favors, or other unwanted conduct of a sexual nature, whether verbal, non-verbal, graphic, physical, or otherwise, when the conditions for Hostile Environment Harassment or Quid Pro Quo Harassment are present. Gender-based harassment includes harassment based on gender, sexual orientation, gender identity, or gender expression, which may include acts of aggression, intimidation, or hostility, whether verbal or non-verbal, graphic, physical, or otherwise, even if the acts do not involve conduct of a sexual nature, when the conditions for Hostile Environment Harassment or Quid Pro Quo Harassment are present. Title IX Sexual Harassment includes conduct that occurs on the basis of sex in a university education program or activity in the United States that satisfies one or more of the following: an employee conditioning the provision of an aid, benefit or service on an individual's participation in unwelcome sexual conduct (i.e. quid pro quo), unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to an education program or activity (i.e. hostile environment), or sexual assault (as defined by the Clery Act) or domestic violence, dating violence, or stalking (as defined by the VAWA). Sexual assault consists of sexual contact and/or sexual intercourse that occurs without consent. Sexual exploitation is purposely or knowingly doing or attempting to do any of the following: exposing of one's body in a manner that another party reasonably could be offended or to display sexual behavior which another person finds reasonably offensive; voyeurism, including trespassing, spying, or eavesdropping for the purpose of sexual gratification; soliciting sex acts from a minor by oral, written, or electronic means; possessing, producing, disseminating child pornography; recording or photographing private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without consent; disseminating or posting images of private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without consent; allowing third parties to observe private sexual activity from a hidden location (e.g., closet) or through electronic means (e.g., Skype or livestreaming of images); subjecting another person to human trafficking; or exposing another person to a sexually transmitted infection or virus without the other's knowledge. Relationship violence includes any act of violence or threatened act of violence that occurs between individuals who are involved or have been involved in a sexual, dating, spousal, domestic, or other intimate relationship. Stalking occurs when a person engages in a course of conduct directed at a specific person under circumstances that would cause a reasonable person to fear for the person's safety or the safety of others, or to experience substantial emotional distress.

A student or employee determined by the University to have committed an act of discrimination as described above is subject to disciplinary action, up to and including permanent separation from the University. Third-parties who commit these acts may have their relationships with the University terminated and/or their privileges of being on University premises withdrawn.

Most University faculty and staff (including professors, lecturers, instructors, academic advisors, trainers

coaches, and resident assistants) are not confidential employees and are required to immediately report to the University's Title IX Coordinator all relevant details (obtained directly or indirectly) about an incident of sexual assault, relationship violence and/or stalking that involves any student as a complainant, respondent, or witness. Confidential employees (including Health Services employees, Counseling and Mental Health Services employees, Ombuds Office employees, Student Legal Services employees and Victim Services employees) are not required to make these reports and will not disclose information without the permission of the student (subject to limited exceptions). More information about UCF's resources and reporting options for individuals who have experienced sexual harassment (including sexual and/or interpersonal violence) and related policies can be found at letsbeclear.ucf.edu.

Employees, students, contractors, vendors, visitors, guests or third-parties may obtain further information on the University's nondiscrimination and Title IX sexual harassment policies, including grievance procedures, from the Office of Institutional Equity (OIE). Nancy Myers (OIE Director) is responsible for the University's response to all forms of discrimination based on a protected class. UCF's Title IX Coordinator, Matt Ricke, who is also an Assistant Director with OIE, is responsible for the University's response to reports of sex discrimination, sexual harassment and sexual misconduct. For more information about OIE, please visit OIE's website at oie.ucf.edu or call 407-UCF-1EEO. To contact UCF's Title IX Coordinator, Matt Ricke, directly, please call 407-823-1336 or send an email to matt.ricke@ucf.edu.

Student Responsibility for University Communication

UCF uses email as the official means of notifying students of important information concerning registration, deadlines, financial assistance, scholarships, student accounts (including tuition and fees), academic progress and problems, and many other critical items. The university sends all business-related and academic messages to a student's Knights Email address to ensure that there is one repository for that information. Every student must register for, and maintain, a Knights Email account at knightsemail.ucf.edu and check it regularly to avoid missing important information from the university. Any difficulty with establishing an account or with accessing an established account can be resolved through the UCF Service Desk (itsupport@ucf.edu or 407-823-5117). Communication with students via electronic mail is covered by UCF Policy 4-010.1.

Additionally, each student must have an up-to-date emergency email address and cell phone number by which they can be reached in case of a campus emergency. This emergency contact information will be used only for emergency communication purposes. Also, both permanent and local mailing addresses must be on record, so that any physical documents that must be mailed can be delivered.

It is critical that students maintain and regularly check their Knights Email account for official announcements and notifications. Communications sent to the Knights Email address on record will be deemed adequate notice for all university communications, including issues related to academics, finances, registration, parking, and other matters. The University does not accept responsibility if official communication fails to reach a student who has not registered for, or maintained and checked their Knights Email account on a regular basis. Please ensure that this information is current and that any changes in contact information are made online through the myUCF portal at my.ucf.edu.

Student Use of Technology

The University of Central Florida expects all students to have ready access to a personal computer and software appropriate to his or her field of study. Students can meet this expectation by purchasing or leasing a computer, sharing a computer with family or roommates, or using a UCF computer lab.

All UCF students should expect to use a personal computer in many University activities, including coursework, accessing library information, registering for classes, emailing correspondence to instructors or fellow students, or taking online classes. In addition, many UCF courses require the use of the Internet.

The University of Central Florida has developed one of the nation's most advanced campus technology environments, and all UCF students are provided free Knights Email accounts and Internet access.

Students wishing to acquire a personal computer are strongly advised to consider a laptop. Laptop and PC recommended configurations can be found at tpc.ucf.edu/product-category/shop-by-major/.

Undeclared Policy

All University of Central Florida students must officially declare a major that leads to degree progression prior to earning 45 college credit hours (this includes credits earned from college-level exam placement, Dual Enrollment, advanced placement, and international baccalaureate). Undeclared students will have mandatory academic advising requirements facilitated by the Knights Major Exploration and Transition Center (KMETC). New

and current students may choose the undeclared major and work with the KMETC in determining an appropriate undergraduate major. To learn more about the Major Exploration Program, please visit the following website, <https://academicsuccess.ucf.edu/kmetc/students/>.

Undergraduate Academic Policy Statement

The University of Central Florida may change any of the announcements, information, policies, rules, regulations, or procedures set forth in the Undergraduate Catalog. The Undergraduate Catalog is published online once a year and cannot always reflect new and modified regulations. Statements in the Undergraduate Catalog may not be regarded in the nature of binding obligations on the institution or the State of Florida. While every effort will be made to accommodate the curricular needs of students, limited resources may prevent the University from offering all required courses in each semester or in day and evening sections.

Students will be held accountable for the requirements, policies, and procedures described in the Undergraduate Catalog. Additional information or clarification of any policy or procedure may be obtained from the specified office.
