her tired feet carry
a weary body in through
the door

her chirping daughter
bounces up down and
into the living room asking
questions at rapid speed
punctuating with

in her mind

she blocks out her
movements like a play
removing her shoes at
the door putting coats sweaters
hats gloves a way
giving her daughters a snack pouring
her self some wine making coffee tea
and putting her feet up for an hour to
relax

all ways the same way
