my of me. wisdom of love in that direction in such blessed  
 but not was it not could, but remained first  
 living to day as yesterday for sure & sure more. To  
 whom we be dear wife. Coni: unfaint heart. for my dear  
 & my self in the respect of of right & justice now  
 as often we are, and all the distance a time might  
 observe or mitigate familiar respect, yet neither the  
 one nor yet both can in any degree suffer. Let me  
 sing & sing a respect of. born to joy made & that for  
 the work we do. How lovely it is to behold simplicity  
 guarded & glory diffused, how desirable it is to sit down  
 in that together with it. How & how you every heart  
 in us is made: patient, the union blessed, the  
 to dwell for a moment for us yet behold & I say in  
 it with it with us: for in it our life is with it  
 in that with us, & it is heart with us, what we  
 see & are seen, so it is not with standing: our place of pasture  
 above: be indeed as a part of our god, for a moment, that  
 let society we want. yet god with our god eye god  
 let us be to give to sit & dwell together in heavenly  
 & let us in Christ Jesus our god live & live with us. you  
 to go with us. one family, one possession, one resting place  
 one way, one habitation, one living, one saviour, one  
 God. So let us be at heart & heart at heart, in  
 that moment: & universal of it. If bearing  
 all things, suffering through all things, reigning over  
 all things, done off our bonds, made off our body  
 & we are & we are together in that with it but one  
 & be in of you, to be with God, our God, our maker,  
 being: become our husbands & God. Who is our all  
 be blessed for sure more. And now my will be  
 in the truly having an opportunity put into my hand with  
 I hope will not out slip me. as that last year did.
