The 21st Century Library

The John C. Hitt Library building improvement project is here! The project will be completed in three phases providing amenities for students and faculty. New features will include automated book-retrieval, spaces for collaboration, a grand north entry (Student Union side), a scenic Reading Room perched atop the automated-retrieval center, over 3,200 seats, accessible restrooms, updated technology, and more creative learning environments.

For project updates, follow UCF Library on Facebook, Instagram, & Twitter, and check out our 21st Century Library blog: library.ucf.edu/21st.
