partly from the of late have the 1st of the 5 month in the year 83
Dario's spirit and party with deave and tender could see you saw
ly so let you in the most casting with of god which will be do for
over more hoping that who shall never forget that we have go with
is forgotten amongst his own kind we never forget acquainted well with
wonder how for in time and tender low many claims have been of pri
I had when thou with care brought in my mind and I hope that true
and faith full low will never die now we could but a few are faith full
that it is in a little so of there will be a case of pending that in faith full
love which distanced of y lade will not be care no the might be met
not of worst kind in the common of light and life we shall have
fall share together for ever more so doing I find that me ought to have
I received the letter that told a flow to and put on course the exist of share
I which was a letter 2 months after which told me very glad when
of joyful hands but was very sorry your passage was so far and I had
thine dated the 21 day of the 11 month which was much for I had been com
and told me very glad to hear you were so so arrived but not glad that the
man did so long of by you and I hope with him for your sake but
had said if I had seen you had had a lot of it from me and I would have
I was for you by whom the things were made and I was so well served
ed for my friend and he said and we were all changed I was no more
and was a very little about some days hanging down the head for
the narrow hand of silver gold worth him a lot of silver and the letter
of the name I wrote was for your care and I desired you to give the
I tell you that I tender low to serve you and I have for and I have
said to you and thy father and your mother and I will be your
and all the friends in general and I will be your
and his family if thou be within 1000 of them so by this thou
may know that there is 2 vesis of cloth a cold our friend George
thou which paper had be sent a bout 80 yards of a full
remember and thou must be able to them I am very sorry
and there is a full list of that man for I have
thee from Henry had be and from John Clarke I had
not seen anything any gooder for her if a girl ever attended her
not from them I be able nor with the full money of a
have nothing but George had be send the cloth in
which it is like her that the 100 so why her for
no gooder and I have lived 2 yards of iron cloth which
if thou have any other for I would have thee to have them for
the better interest for my sake and the will of your good and
I get them put together with a round ring that thou be broken and
the cost was 6 pence the yards and the are a bout 20 yards and
I have got 2 little bags of hay tied but whether or no
George care for them or no get it can not tell but if he care
thou may care for them and in now for now there is I be for
that I be for had be sent to some of her for for a person of her low
and with the show the day's time with of letter which may be com
to the house but the give me no account from her for who it be
ought to and it is a letter of a new order I be in but there
I hope will be for things of y lade or rather I hope tell this and I
desire thee to get the paper of the two papers which have
in the little bags of hay so having the full lines of me find thee and
thine in good health every way of I and my wife be glad to be
I love god for the same and I may desire that the god of her name
with me die for me and I be for her and thine for ever more of for
my no one for me for with my wife and tender low and my wife
and I be for you a close of this well wisher in the best
ed with and gold could be glad to have from thee if of some
of it and some of it in some of my money paper
