Spring 2000, Volume 14, Number 1

Editorial Policy:

The Journal of Health Occupations Education, unofficial publication of the Health Occupations Education Division of the Association for Career & Technical Education (ACTE), was developed to facilitate communication among members of the profession on current research and findings in the field, trends and issues in health care, and media sources which impact on Health Occupations Education. Submission of manuscripts is encouraged. All submissions are reviewed by the editors, research articles are “blind” referred through electronic mail word attached file. No payment is made to authors. The views expressed in the Journal of Health Occupations Education are those of the authors and do not necessarily representation official position of the Health Occupations Education Division or the Association for Career & technical Education.

Journal Access:

Since the Journal is now published solely on the Web there is no subscription fee.

Duplication:

Educators are authorized to reproduce this publication without making a written request provided that (a) duplication is for an educational purpose in a nonprofit institution, (b) copies are made available without charge beyond the cost of the reproduction, and (c) copy includes full citation. This authorization does not apply to material copyrighted by others. Any such materials are so identified.

Submission of Articles:

Authors should e-mail in Word format as an attached file the article. All articles should be in 12 pt. Font and double-spaced with margins of one inch on all sides. Tables should be numbered, titled, cited, and inserted in the text. References must be listed at the end of the article. The Publications Manual of the American Psychological Association (APA) current Edition will be used for style of writing. <http://www.ldl.net/~bill/apatwo.htm>

CD-ROM:

A CD-ROM of the current issue and 21 back issues is in the planning stages. Support is expected from the Health Occupations Education Division. Past Journals have already been scanned and saved in PDG (Adobe Acrobat) format. Each issue is searchable by keyword. It is proposed that the CD-ROM would cost \$25.00, including processing. A great addition to a program or school library or for personal use. If interested please contact Larry Hudson, Editor.
