Daytona Beach, Florida

Greetings to Veterans:

We are grateful for the part that you have so diligently played in the world struggle for democracy and brotherhood in which we are engaged. Surely when your assignment on the fighting front has been completed and you are discharged to return to civilian life, a grateful nation will be ready to receive you and assist you in every way possible. Naturally, many of you will desire to continue your education which was disrupted by the call to the Colors. Others of you are no doubt seeking training in new fields as a result of the type of experiences that the war has brought to you.

Bethune-Cookman College is happy to make available its total facilities to veterans who desire to increase their training as a means of being better prepared to make their contribution on the home front.

Courses leading to the Bachelor of Science degree in Elementary Education, Secondary Education, Home Economics, Business Administration, and vocational training in various fields are offered. Should you desire to come to Bethune-Cookman College, you may be assured of membership in a democratic family that will be most anxious to welcome you and assist you at all times.

Sincerely yours,

JAMES A. COLSTON,  
President.
