Dr. Linda K. Colding

Subject Librarian for Political Science

I hope everyone had a great break and is ready for the new year and semester ! I have a few updates since our Fall newsletter.

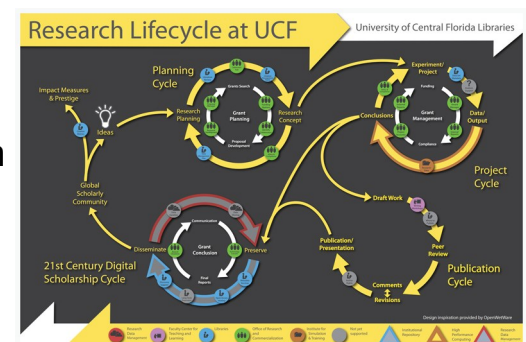

## Great News:

The Hitt Library is pleased to announce a new tech fee funded project that will bring a state of the art digital repository and publishing platform to all UCF students, faculty, and staff. The platform is designed to showcase the breadth of scholarship and other creative outputs produced at UCF and is optimized for the open web with the ability to provide metrics to demonstrate impact around the world. Be on the lookout for more information as this exciting project is implemented over the next few months.

## Updates:

If you have candidates or other guests visiting on campus, consider a visit to the Hitt Library. I'd be happy to meet with them and provide a brief orientation. I can customize the orientation to meet their needs.
