'20 TOMOKAN DEDICATED TO DR. WARD

POSITION ON STAFF TO BE FILLED BY POINT OF MERIT IN COMPETITIVE TRIALS

Second Year for Rollins' Annual

At a recent meeting of members of the Tomokan Staff, it was voted to dedicate the 1920 Tomokan, The Rollins year book, to Dr. Ward in honor of the great work he has done and is doing for Rollins.

Several students have been chosen to organize this year's staff, and they are exerting every effort to get out a year book that will set as high a standard in its class as the "Sandspur" has already done among college weeklies.

The members of the staff who have already been appointed are: Lloyd F. Boyle, Editor-in-Chief; Ruth Waldron, Associate Editor; Frederick Ward, Business Manager; Margaret Sutherland, Art Editor; Stanley Fosgate and Eliabeth Murphy, Athletic Editors; Gerald Kinnear, Photo Editor; J. R. Glassey, Circulation Manager; William Sherman, Advertising Manager.

These appointments will be changed if necessary, and no one is to feel that he has not made a fair chance to show his talents. Positions will be filled by merit alone and a series of competitive trials will be given soon. The Tomokan is several months behind now, making it necessary that every effort be put forth at once in order to have the annual published on time.

A college annual is composed largely of photos and is, in fact, a pictorial review of the year. The staff is obliged to depend in great measure on the student body for many of these pictures as it is impossible for the staff photographer to be on every picnic and every party. Any negatives that may be interesting should be sent to the Photo Editor, Gerald Kinnear, who will be responsible for them and who will see that they are returned after the cuts are made. Every one who has a camera should be on the alert for interesting subjects and snap them when they appear. This is to be the students' annual, and what is put into it now will be cherished by him in the future when he looks back over his college days. The student may regret that he held that snap shot out, and the only way to avoid this is for him to think now while there is still time.

Besides the positions already mentioned there must be several department editors, an assistant business manager, an assistant art editor, and an assistant advertising manager. Likewise numerous offices that must be fulfilled by competent students. The material for this work is here, and with the help of the students, it will be a small task to fill these positions with the ones best qualified.

Remember a school is judged largely by her athletics and her periodicals. These are the two great forms of ad-

THANKSGIVING BALL IS HUGE SUCCESS

ANNUAL BALL AT ROLLINS HELD IN LYMAN GYM WITH LARGE ATTENDANCE

Decorations Best Ever

One of the most brilliant events of the Rollins school calendar was the big Thanksgiving ball which took place in Lyman Gymnasium on Wednesday night, the 26th of November. It was given by the wives of the trustees, the friends of the college, and Dr. Ward, for the students of Rollins College.

"The best the gym has ever looked!"—so many said, of the decorations. Great praise is due the decoration committee, under the direction of Margaret Sutherland and Karl Tompkins, for the transformation of the gym. Streamers of gold and blue paper ribbons fashioned a low ceiling, from the center of which hung a light covered with Thanksgiving symbols. Pennants, bamboo vines and palmettos covered the walls. One of the most attractive was a vine-covered bamboo shed, from which punch was served throughout the evening by the hostesses. Guests were provided with rug-covered chairs and settees.

The ushers, John Glassey and Robert Galt, introduced the guests to the hostesses, who formed a receiving line near the door. During the evening Prof. Hazeltine and Miss Ekerson, led the grand march with many intricate and attractive formations. Dur-

CONSERVATORY SCORES SUCCESS AT CONVENTION OF F. F. W. C.

Miss Dyer Doing Permanent Work in Adapting Negro Songs

At the annual convention of the Florida Federation of Women's Clubs, held at St. Petersburg, Nov. 18-22, Mrs. William D. Steele, of Sedalia, Mo., led the singing. Mrs. Steele also delivered an address during the time of the convention. On the opening night, Miss Lotta Greenup, accompanied by Mrs. Harcourt, was given a large ovation. She played "Gypsy Airs" by Sarasate, and two compositions by Miss Dyer, "Montdidian Lullaby" and a Negro melody, both of these numbers being most enthusiastically received, the composer and players both being called before the audience a number of times. In one of her addresses before the convention, Mrs. Steele said that in adapting these songs for concert use, Miss Dyer was doing a permanent work that is of real value to the music world. On the last night of the con-

STETSON DEFEATS WINTER PARK SATURDAY

WINTER PARK BOYS FIGHT GAMESLY—STETSON PLAYS OWN COACH

Large Crowd Witnesses Game

Before a large and enthusiastic crowd on the college field, Saturday, Nov. 22, Stetson defeated the Winter Park All-Stars, 32 to 0, in a game marked by fumbles and broken-field playing. The local boys fought grimly and pluckily, and, although battered time and again by their heavier opponents, were never seen to waver. The game was evenly matched throughout the first half, save for one goal by the opponents in the early part of the first period. The majority of playing was on Stetson's own territory, and at no time were Winter Park's cross-bars seriously threatened.

However, in the second half the jinx was in evidence. Stetson, having been unable to make any definite and advantageous gains in the previous half, placed their coach in the backfield. The terrific rushes of the coach and the innumerable forward passes, combined with the unfortunate loss through injury of Winter Park's efficient captain, "Smut" Fletcher, and their linesman, Rodenbaugh, enabled the visitors to place the pigskin beyond the goal, time after time.

Defeat by score is not defeat in spirit. It is true that the opponents piled high the score but the local lads

PROSPECTS BRIGHT FOR A SUCCESSFUL BASKET BALL SEASON

Girls' Team Organized. First Game Saturday Night

Never before have the prospects been so bright both for the boys' and girls' basket ball teams as for the approaching season. The girls' team has already organized, and under the steady coaching of Miss Edwards, is developing the earmarks of a winning team. In the first practice game which was played so that the coach might pick the star players for the regular team, every one played so well that it was difficult to make any distinction. The first real game will be played on Saturday evening, Nov. 28, when the girls of the Sanford High meet the Rollins girls. The game is to be played in the Rollins gymnasium.

All of the girls who have been picked to play in this game are experienced players, having starred on their high school teams before coming to Rollins. Although boys' basket ball

WINTER PARK CONFERENCE BEING PLANNED

FOURTH ANNUAL SESSION OF MISSIONARY EDUCATION CONFERENCE

Will Be Held During Holidays

Preliminary announcements of the Fourth Annual Session of the Winter Park Conference are being made by Raymond W. Greene, Executive Secretary for the organization. A most attractive folder, giving a panoramic view of the Conference grounds on the college campus, and containing detailed plans for the work to be accomplished at the approaching session, December 27 to January 5, 1919-'20, is being distributed.

The "Why" of the Conference is defined as "An organization of Florida young people, organized by Florida young people, for Florida young people, in the interest of world missions. The aim of the Conference is to give to Florida young people a vision of world needs and to help them to understand why they should prepare for definite Christian service, in whatever calling they may choose. Training, environment, inspiration, consultation, spiritual uplift, Bible and mission study, life-work meetings, and periods of intercession, are offered at the conference gatherings.

Training for a Serious Work

The Missionary Education Conference is held each year for the purpose of training efficient church workers and combines the features of a school, an inspirational gathering, and vacation outing. The spiritual uplift of a few quiet days of prayer and conference, in a beautiful, restful, environment have brought to many, in previous years, new strength and purposes for the tasks of the future and afforded the great opportunity to "find" one's self.

Program Most Interesting

The program for the 1919-'20 session is a most attractive one and covers a broader scope than any session. It emphasizes Bible Study, Mission Study, Intercession, Training, Recreation, and in addition, offers environment, inspiration, consultation, life work presentations, and platform addresses from some of the strongest Christian leaders of the country. In all, it makes for a deepening of the spiritual life and the strengthening of the Christian purpose, through a study and practise of Intercessory prayer.

Delegates

The courses of study offered to delegates, the topics open for parliamentary discussions and the general platform addresses indicate the wide appeal of the program. Pastors, Sunday school superintendents, and teachers, Mission Study leaders, and Servants of the King group, should attend. Expenses for the eight days will be \$12.00. The entire college campus will be turned over to the delegates for

EMINENT SCIENTIST ENDORSE METRICS

Luther Burbank, the Plant Wizard, has commended the World Trade Club's efforts toward metric standardization. In a recent letter he says: "The metric system, if adopted by the whole world, will, without doubt, simplify the science of weights and measures beyond computation."

Luther Burbank's applause is echoed by thinking men the world over. Manufacturers, physicians, chemists, scientists, educators, exporters and importers, merchants, ministers, food growers, workers in every way, individually and thru their organizations, are petitioning legislators for this advance to world standardized weights and measures.

played as good, if not better football, in the true sense of the word. Their offensive playing was marked by continual line plunging with important gains. Stetson relied upon forward passes and kicking which, although netting them much territory, departed from football to the elements of a baseball game.

But for the substituting of "Pug" Allen, in the second half, it is the candid opinion of many that the score would have been decidedly different.

However, although forced to succumb to the superior playing of Stetson's coach, alone, the outlook for the coming encounter with the aviators from Arcadia, on Thanksgiving Day at Orlando, is very bright. The local boys certainly are not discouraged, and with hopes high and jaws set are out to "bring home the bacon."

GAME BY QUARTERS

FIRST QUARTER

Salsbury kicked off for Winter Park, Captain "Lanky" Miller of Stetson received, but fumbled and Winter Park received first down on Stetson's 45-yard line. Winter Park fumbled on first rush and Stetson again regained the ball. In an attempted end run Boyle broke through and tackled the Stetson back for a 5-yard loss. Stetson received the first down by a 15-yard pass from Whitehair to Fenno. Captain Fletcher intercepted a forward to Fenno, making Winter Park's first down. Winter Park again fumbled, causing Stetson's first down, and she was penalized 5 yards for offside. Gross gained 5 yards on a line plunge and "Lanky" Miller, 7 yards; first down. At this point Captain Fletcher, of Winter Park, was knocked out, necessitating his removal from the game. Captain Miller received pass from Whitehair, netting 20 yards and first down. Stetson again fumbled but Whitehair recovered on Winter Park's 20-yard line. Fenno received a pass behind the goal line, from the 18-yard line. It was in this manner that the opponents made the majority of their goals, only once being able to push the ball over the plunges. Whitehair failed to kick a goal.

Salsbury kicked off to Whitehair, who received on the 30-yard line, running back only 10 yards before being tackled by "Don" Vincent on Stetson's own 40-yard line. Score at end of first: Stetson 6, Winter Park 0.

SECOND QUARTER

It was in this period of the game that Winter Park's outlook was the brightest. The entire playing was in the Stetson territory and she was compelled to punt time and time again in order to keep the onrushing Winter Park players from approaching her goal.

Gross punted from Stetson's 40-yard line to Shannon, who received and ran the ball back 17 yards. The next play netted a large gain, placing the pigskin on Stetson's 20-yard line. First down. Several short gains followed: Ziegler 7 yards, Re Mine 7 yards, making first down. On receiving the pass from center, Shannon fumbled but recovered and was able to make a gain of 3 yards. Winter Park held for downs. After three unsuccessful attempts at line plunging the opponents were forced to punt. Shannon received and ran back 30 yards. A forward pass to Salsbury was unsuccessful. Stetson gain-

ed first down on own 20-yard line. (Rees for Booth.) Miller fumbled but Stetson recovered. Miller punted, Shannon received. Shannon tore off 9 yards and Chance made first down. Shannon attempted pass but failed. On the next play Ziegler fumbled and Stetson recovered. (G. Rascot for Davis.) Score at end of second quarter, Stetson 6, Winter Park 0.

THIRD QUARTER

During the time between the halves "Pug" Allen, Stetson's coach, donned a uniform. His playing in the remainder of the game was certainly spectacular for himself but not for his own aggregation, for all the important playing was done by himself.

Salsbury kicked off for Winter Park, Miller of Stetson received and ran back thru a broken field for 30 yards. Allen placed ball on Winter Park's 2-yard line after two rushes. Here the local boys stiffened and received first down within one lone foot of their goal. Shannon punted to safety. Stetson's ball. Forward to Allen, who caught the oval behind Winter Park's goal line adding six more points to her score. Captain Miller failed to kick goal.

Salsbury again kicked off. Allen received and made short gain. Stetson penalized for offside. Forward to Fenno intercepted by "Red" Palmer. Winter Park received first down. Pass to Palmer intercepted. Winter Park fumbled but Vincent recovered, making first down. Penalized on next play for offside. Stetson got first down in center of field; Miller fumbled but recovered, gaining first down. Stetson attempted two passes without success, but Shubiger received a third for a gain of several yards, making first down on local 15-yard line. Penalized 5 yards for off side. Shannon intercepted forward and carried all back to 20-yard line. Pass, Shannon to Ziegler, failed. Score at end of third quarter: Stetson 12, Winter Park 0.

FOURTH QUARTER

Winter Park opened this period with some good gains. Chance broke thru the visitors' line for 16 yards, followed by Shannon, 5 yards, making second first down. In an attempted pass, Allen, of Stetson, intercepted and broke thru Winter Park's players, for a gain of 20 yards. Another play by Allen placed the ball within 1 yard of Winter Park's goal, where on the next play it was pushed over by Allen. Whitehair kicked the goal.

Allen kicked off for Stetson, Chance received on 20-yard line. Shannon forwarded and Stetson gained the ball. (Robins for Boyle.) Miller receives pass behind goal. Whitehair kicked goal. (Fohl for Palmer, McGaughey for Ziegler, C. Ward for Vincent.)

Winter Park kicked off, Miller received, immediately punted back. Robbins of Winter Park attempted to recover but failed. Stetson recovered ball on Winter Park's 30-yard line. Penalized 5 yards for off side. Forward to Fenno successful but only for a short gain as Fohl dropped Fenno as the former caught the ball. Here Allen attempted a drop kick from the 20-yard line, but failed. In the next play Allen placed the ball on the 2-yard line and took it over on the following move. (Hunter for Rodenbaugh.) Rodenbaugh knocked out and dragged off the field.

Winter Park kicked off, Miller received. Forward to Miller from Allen netted 15 yards. Allen ran 40 yards. Score at the end of the fourth quar-

RULES ANNOUNCED FOR \$1000. NAME CONTEST

Rules for the award of one thousand dollars to the person first suggesting the best name word denoting U. S. America and Britannia have just been announced by the World Trade Club of San Francisco. The contest is open to all humankind. Words to be considered must be received before May, 1920. One thousand dollars has been deposited with the Wells Fargo-Nevada National Bank of San Francisco, and the amount will be paid in the currency of the nation from which the best word is suggested, to the person first suggesting the best name.

It is interesting to note that names have come from all quarters of the Globe, particularly from U. S. America, Australia, New Zealand, Tasmania, British Isle, Canada, the Philippines, Eurasia, Africa, China, Japan, Oceania. Names are pouring in from all parts of the world, including France and the Scandinavian countries. "Unitania" is the best word received thus far. The question now is, will someone devise a better name than Unitania before 1 May, 1920, and thus earn World Trade Club's reward of \$1000.00?

UNITANIA BEST WORD YET TO DENOTE ENGLISH SPEAKING NATIONS

Unitania is the best word yet received by the World Trade Club of San Francisco in competition for its prize of \$1000 for very best word to name U. S., America, and all parts of Britannia. The prize of one thousand dollars will be paid at noon on 15 May, 1920, at San Francisco, and will be presented to the person suggesting the best name. This name is now being used by the World Trade Club in carrying on its campaign for Unitanian metric standardization.

The Biennial National Oratorical contest of the Intercollegiate Prohibition Association will occur Monday evening, January 5, 1920, at Des Moines, Ia.

This is the culmination of the two year series. About 1500 students wrote and delivered orations in 290 local college and university contests. The winners of these locals competed again in the state contests and winners of these 70 state contests (35 each year), met in seven interstates. The prize orators of these interstates will compete at Des Moines for national honors.

The most unfortunate letter in the alphabet, some say, is the letter "e," because it is always out of cash, forever in debt, never out of danger, and in hell all the time.

That's all true. Still, it is never in war, always in peace, and always in something to eat. It is the beginning of existence, the commencement of ease and the end of trouble. Without it there would be no life, no heaven. It is the center of honesty and is always in love. It is the beginning of encouragement and endeavor and the end of failure.—Exchange.

The Princeton memorial to ten of its graduates killed in the war is in the form of as many scholarships. The scholarships will be open to competition and will provide for tuition, travelling expenses and, in special cases, for part of living expenses.—The Colby Echo.

The G. H. S. "Better English Drive"
The G. H. S. has just come to the

close of Better Speech week. The school was one week behind—since the previous week was set aside for a National Better Speech drive. Despite our late start we shall be "with the best," for no one has any intention of letting his efforts flag. Indeed, last week was only the beginning. Probably only a few realized the mistakes made in every day speech. But all are zealously striving to eliminate slang and incorrect expressions from their vocabularies.

Many posters, representatives of the skill and originality of G. H. S. students, were displayed in halls and classrooms. The posters were all good, but Cecil Gracy won the Blue Ribbon with his poster entitled "A Freshman's Prayer." This poster represented a G. H. S. freshman kneeling by his bedside, and the burden of his devout petition was:

Now I lay me down to sleep,
I pray the Lord my soul to keep.
If I should die before I wake,
I pray the Lord for goodness sake
To help me get that English straight.
—The G. H. S. Comet.

Lawrence College defeated Beloit 6 to 3, in the only game of the season staged on home grounds. The encounter was sensational throughout, and the spectacular playing of Gerhard Kubitz was the feature of the day.

THE G. S. C. GIVES WEEK-END ENTERTAINMENT

The Girls' Social Club invited several of the Chase Hall fellows to an interesting series of entertainments held at the "residence" of the Waterhouse twins on Saturday evening.

The most fascinating part of the program was the "candy-making." Lucy Anderson was chief cook, with Dick Potter as self-appointed assistant. Later on the carpets were taken up and the Victrola started. What followed need not be mentioned! Those unfortunate few who were not educated in the fine art of dancing enjoyed themselves under the hypnotism of the "Ouija Board."

On Sunday afternoon and evening, they enjoyed themselves even more. The girls had prepared a luscious and plentiful supper. Etiquette was thrown to the four winds, and everyone had a meal that they will not soon forget. Even that "bottomless pit," Pratt Foley, became so filled that he could no longer swallow, so he massaged his face with almost a quart of ice cream. After supper the party canoed around Osceola lake until the chaperone reminded them that it was late.

On Monday morning, the privileged fellows were again invited down. Pictures were taken and the Ouija Board consulted. Dinner came and "Dick" demonstrated his cooking ability by frying a goodly quantity of oysters. Need not say, they were not long in going. Jean Wagner was detailed to wash and wipe all the dishes, pots, and pans that had accumulated from two days of picnicking. She ragged the washing in accompaniment to the Victrola, and wiped the dishes with a soiled tablecloth. About three p. m. the girls went out for an auto ride and the S. O. L.'s meekly returned to their beloved Chase Hall.

Those who enjoyed the best week-end of the year were the "well known" members of the G. S. C. and Messrs. Boyle, Potter, Fohl, Roberts, Foley, Rowe, Kinnear, and Palmer. Mrs. Powers very kindly consented to chaperone, and all join in thanking her for her constant efforts to give everyone a good time.

It might be well to say here that the motive in the organization of the G. S. C. is much the same as that of the ancient and honorable order of the T. W. U. They have the same high ideals and lofty conceptions of social advance. It is hoped that all will lend their support and make this organization even more prominent than the nation-wide T. W. U. Here's to many more such week-ends!

PEP MEETING

The first of the many pep meetings to be held this season was called last Thursday after dinner in the gymnasium. Under the able leadership of the cheer leader, Karl Tompkins, and George Arrants, the students practiced the Rollins songs and yells.

Y. W. C. A.

The regular meeting of the Y. W. C. A. was held Tuesday evening in Cloverleaf. Instead of the usual program, the girls started their work for the Bazaar. All of the girls are enthusiastic about the Bazaar, and they intend to make it the biggest and best affair of its kind that Rollins has ever had. Watch for Bazaar announcements.

Snyder was in Chase all Monday. We know this because we saw his suit at the tailor's.

PLEGDED MEN SERVE OLD MEMBERS AND THEIR GUESTS.

On Sunday noon, November 23, the Phi Alpha Fraternity held its annual first dinner in the beanery.

The north end of the dining hall was set aside for the event, two tables being placed end to end to make one large, attractively decorated table. All arrangements, including those for decorating and serving, were carried out by the pledged men.

The serving was not exactly voluntary work on the part of the impromptu waiters, before the smiles and smothered snickers of the entire student body.

The fraternity men and their guests who attended were: Harold Hill and Miss Mary Knoske, Alfred J. Hanna and Miss Idabel Edwards, Raymond E. Greene and Miss Mary Arthur, Frederic Ward and Miss Lee Wilkerson, Clarence Boyer and Miss Loanna Schorer, Warren Ingram and Miss Helen Hannna.

STAG PARTY

Monday morning a small party of boys canoed up the lakes to Schaffer's Landing. After enjoying a hearty meal of hunter's stew and hot rolls, they explored the shores of Lake Maitland. The party returned to the college at dusk.

BIRTHDAY PARTY FOR MISS SUTHERLAND

Birthday parties seem to be the thing in Cloverleaf lately. On the night of the 18th, Room 22 was the scene of one of the jolliest, given in honor of Margaret Sutherland by Olive Bedillion, "Pud" Phelps, Ruth McKee and Mary Knoske. Although it was circus day and great excitement prevailed in and about Cloverleaf, the party was not affected by the approaching storm clouds known as "Student Councils."

The usual toasts were drunk and a huge feed followed. Alas! the lights went out on the party according to custom and proctors hustled the guests back to their rooms. Among the guests were: "Babe" Clock, Charlotte Clock, "Liz" Murphy, Mary Whitehead and Mary Salisbury.

Awful

Foley—"My sister had a fright yesterday. She had a black spider run up her arm."

Carey—"That's nothing! I had a sewing machine run up the seam of my trousers."

"I wonder why the American troops are called doughboys?"

"Probably because the Secretary of War is a baker."

THANKSGIVING BALL GREAT SUCCESS

(Continued from page 1)

ing the intermission ice-cream and cakes were served. Never did the "Home, Sweet Home" bring a dance to a close so quickly.

The "Business Orchestra" from Orlando furnished the liveliest of music for the occasion.

The social committee kept things moving briskly all evening, making the ball a complete success and not enough can be said of their splendid efforts.

MISS EDWARDS ENTERTAINS

Miss Edwards' home, the College Bungalow, was the scene of an impromptu supper-party after the game Saturday. Everybody helped prepare the feed and it was a treat to see a man cutting apples and celery for fruit salad with a knife not unlike those seen in "pirut" stories. But it proved to be a good stunt and the supper was a huge success.

A very (?) exciting game of cards ensued and before one could realize it, 10:15 had come and with it "lights out."

Those in the party were Miss Edwards, Mary Knoske, Mary Salisbury, Pauline Phelps, Fred Hanna, Jack Brahnham, John Rowe, and Richard Hagerty.

their entertainment and training.

Officials

The Board of Managers include the names of prominent Christian workers throughout the state, headed by R. W. Greene, of Rollins College, as Executive Secretary. The other members are: Sam L. Lupfer, Kissimmee, Edyth L. Bainter, Daytona, Clara M. Jackson, Tampa, Lieut. Duncan B. Curry, Jacksonville, Professor Garfield Evans, Sutherland, and Rev. E. D. Brownlee, of Sanford. The Board of advisors is composed of some of the best known Missionary workers in Florida and includes the following: Dr. S. B. Rogers, Dr. C. L. Collins, Dr. J. G. Venable, Dr. C. A. Vincent, Dr. T. H. McConnell, Dr. K. Boyce Tupper, Rev. H. S. Rightmire, J. O. Webb, and O. E. Maple, State Secretary of the Y. M. C. A., Marcus Fagg, J. C. Lanier, Rev. W. W. William, Rev. George B. Waldron, and Rev. J. R. Cason.

With this well known corp of workers behind it, the Fourth Annual Session of the Conference will, without doubt, be the largest and most far-reaching in influence that Winter Park has known.

CONSERVATORY SCORES SUCCESS

(Continued from page 1)

vention, three more of our Rollins musicians appeared at St. Petersburg, and scored a great success, by the numbers they played during the course of a dramatic recital given by Professor Trip of Emerson College, Boston.

An article by Miss Dyer, entitled "Community Music," appeared in a recent issue of the Community Music News—a New York publication.

Miss Rous returned recently from the North, where she gave a lecture recital before the Philadelphia Music Club. The following are extracts from press notices in the Philadelphia papers.

"Brilliant pianist—remarkably interesting lecture recital."—Philadelphia Public Ledger.

"One of the most unique programs presented here."—Evening Public Ledger.

Mr. Walter Drennen, of Orlando, who for the past few years has been directing the Orlando Festival Chorus, is anxious to start rehearsals in Winter Park this coming week for the benefit of Winter Park singers who cannot get over to Orlando to rehearsals. These will be held in Knowles Hall one evening a week. The exact evening to be announced later.

Alumni News

Mr. and Mrs. Fayette Froemke, of Lake Alfred, came up to the campus Saturday to witness the football game with Stetson. Both were former students of Rollins and were prominent in college activities. "Fay" was a member of Phi Alpha Fraternity, and Mrs. Froemke, (Leslie Donaldson), was a member of Kappa Epsilon Sorority. Mr. Froemke is now cashier of the bank in Lake Alfred.

Mr. Ralph Jacobson, a member of Phi Alpha Fraternity was an interested spectator at the football game Saturday afternoon. He is spending a few days in Orlando.

Mr. and Mrs. Harold Searle, of Detroit, Mich., were visitors on the campus Monday afternoon. Both were students in Rollins several years ago.

Mrs. Searle will be remembered as Miss Johnnie Smith of Orlando. Mr. and Mrs. Searle will remain in Orlando for several months.

A SUPPER PARTY

In a far corner of the beanery on the 20th, a dinner party in honor of the eighteenth birthday of Mary Whitehead and "Kitty" Sims, took place. Cheers, answered by the fraternity table, announced the cause of the occasion. The real party came at the end when ice-cream was served, in place of the rice pudding with which the other tables were served. Those at the table were: Mary Whitehead, Loanna Shorer, Margaret Sutherland, Mae Clock, Thelma Carter, Mary Knoske, "Fluffy" Hanna, and "Kitty" Sims.

PROSPECTS BRIGHT FOR BASKETBALL

(Continued from page 1)

has not yet been organized, we have every reason to believe they will produce a winning team. The boys will not only have many former players back, but will also have several new men whose former records speak for themselves. Earl Shannon, manager of the boys' basket ball team, has arranged a good schedule, so all may look forward to some exciting games. The schedule for both teams will be announced later.

The Sanford high school girls' team has been quite successful this season, having won the first three games. Much enthusiasm is being exhibited here over the first game of the season, and no doubt a big crowd will be present to cheer the girls to victory.

BASKETBALL PROSPECTS

Practice to Begin Monday Evening

The prospects for a winning basketball team this year are exceedingly bright. So far twenty-five men have stated their intention of trying for the team. Nearly all these men have had experience in college or high school basketball.

Smith Fletcher, captain of the Rollins team of 1917, is going out for his old position at forward.

George Arrants is going to try for the position of center. George, better known as "Cheesey," has had several years' experience on former Rollins teams.

Donald Vincent, another Rollins veteran, is going out again for guard.

Lloyd Boyle, though suffering from a wrenched knee, received in football, expects to be able to play in a few weeks. Boyle played for two years on the fast Oak Park (Ill.), High School team.

Gerald Kinnear brings a good record with him from Ohio, where he played on several basketball teams, including the champion high school team of the state.

Other candidates who have had experience are: Shannon, Roberts, Palmer R. Potter, P. Potter, Fohl, Dow, McGaughey, Sullivan, Hunter and C. Ward.

Earl Shannon has been elected manager. With the aid of Coach Boyer and Athletic Director Raymond Green, he is arranging a schedule which includes colleges and athletic associations in Florida and Georgia.

MISS ROUS RECEIVES OVATION IN NORTH

Philadelphia Music Club onors Head
Piano Department

Miss Marion Rous, head of the piano department of the Conservatory of Music, returned Tuesday from Philadelphia, where she gave a lecture recital on "Ultra-Modern Music" before the Philadelphia Music Club at the Aldine Hotel. Most flattering reports of the recital have appeared in the large Philadelphia dailies and during the artist's stay in the Quaker City. Arrangements were made by a number of Philadelphia musicians to have Miss Rous return in the spring for several recitals before other clubs in that city.

This is the same recital which Miss Rous gave last summer before the discriminating National Association of Music Teachers at their annual convention in Peterboro, Vt. The fact that she was asked to repeat it before one of the largest music clubs in the country, speaks much for this artist's talent and training and for the work which the Rollins Conservatory is doing.

"GABRIEL" GLASSEY GETS NEW BUGLE

Glassey seems to have made a sudden advance in his bugling. Several days ago he was seen with a new bugle and has been ragging reveille ever since. He probably thinks that a bit of rag in the morning will cause the students to dance into their clothes in time for breakfast.

DR. WARD AN IDEAL EDUCATOR, SO PARENTS OF STUDENT THINK

In a recent issue of the "Palm Beach Weekly News" there appeared an article which will be of much local interest. Under the heading, "Sedgwick Home Now Occupied," it describes the beautiful new home, "Casa Rosada," of Mr. E. P. Sedgwick of Chicago, as Spanish in architecture, as the name would imply; the rooms are built around a central patio, with a fountain and many plants and shrubs give further ornamentation. Mr. Sedgwick's son, Robert, is a freshman in Rollins, having prepared at Phillips-Exeter, and is associate editor of the Sandspur. In reference to Rollins and Dr. Ward, the "News" has the following to say:

"Dr. Ward has innumerable friends in Palm Beach but perhaps no one of them has shown greater appreciation of his worth than Mr. and Mrs. Sedgwick, who have sent their only son to Rollins College, in Winter Park, Florida, the college of which Dr. Ward is president, simply because they think no one quite comes up to Dr. Ward, or is any better adapted to watch over young college students."

Woof

Saved

Tramp—"Beg pardon, do you go to school here?"
Palmer—"Yes, I do."
Tramp—"Pshaw, I wanted to borrow a quarter."

Skid—"Did you ever contribute to the Atlantic Monthly?"
Dud—"Not monthly—you mean daily."
Skid—"Daily?"
Dud—"Yes, last year when I crossed to France."

MOTTO: *Blessed be he, who having nothing to say, says it.*
(Help us out by contributing any humorous sayings that you hear.)

Shine?

Rose and Alice passing the barber shop.

Rose—"Why, I wonder what Glassey can be getting a haircut for?"

Alice—"He is probably getting a shine."

Wow!

Alice—"There are Dick Potter's little brother and sister."

Elsa—"Why, they don't look anything like Dick."

Alice—"That's why they are so good looking."

On Board Ship

Mr. Berk—"Oh Irving, the ship is going down."

Irving—"Well what do we care, it doesn't belong to us."

Stung

I roused me from my slumbers,
I hid me from my bed,
If I had known what breakfast was
I would have slept instead!

Song of the Flunkers

Old Rollins, 'tis of thee,
Sweet land of Slavery,
Of thee I sing.
Land where my heart was sunk
Land where my work was punk
Land where I always flunk
In everything.

Lay Down That Brick

Boyle—"You remind me of one of Whitcombs' poems."

Elsa S.—"Which one?"

Boyle—"Oh, anyone at all. You know the feet are all mixed up in them."

Fight

Tailor (fitting suit)—"Do you want a cuff on the trousers?"

Student—"Do you want a bump on the head?"

Really

P. S.—"Is 'Annie Laurie' a hymn?"

T. C.—"No, 'Annie Laurie' is a her."

At the Seashore

Visitor—"Do you ever find bottles here that tell of wrecks?"

Old Salt—"Yes, mum, often—empty bottles."

An Ingersoll

Jeweler—"Is your watch all right now Mr. Glassey?"

Glassey—"Well, not exactly, but it seems to be gaining everyday."

Mary Again

Mary had a little lamb,
And a piece of pie or so;
But Mary did not have them
When the ship tossed to and fro.

He Got Zero

Miss Bellows—"Freddie, you used 'He don't.'"

Freddie—"He don't, what?"

Sometimes More

Pauline—"Why do they call a ship she?"

Hagerty—"Because it takes a man to run her."

Why Doctor!

Dr. Waldron sprung this one: "A young lady was walking along the street when she encountered a smiling young minister."

"Haven't I seen you before?" he asked enthusiastically.

"What is your name?"

"Helen French," she replied.

"Yes, yes," said the minister, but—er—what is it in English?"

Must Be Leap Year

Vesta (wanting to get rid of a parrot)—"Would you like a nice parrot, Wallace?"

Wallace B.—"Oh, this is so sudden."

Can't Stick Red

Miss Bellows—"Give a sentence with 'delight' in it."

"Red" Palmer—"I went over to the sofa and she turned down delight."

A Real Sport

Mabel (passing candy kitchen in Orlando)—"Doesn't that candy look good?"

Don.—"Yes, let's go over to the window, we can see it better."

Foolish Question

Freddy (seeing Rowe shaving on the back porch)—"What's the idea of shaving outside?"

Rowe—"You goof, do ya' think I'm fur-lined?"

Ancient History

Prof.—"What happened to Babylon?"

S. W.—"It fell."

Prof.—"What happened to Tyre?"

S. W.—"It was punctured."

Suspicious

Epitaph in a cemetery

"As you are now, so once was I,
As I am now so you shall be,
Then be content and follow me!"

(After which some bright bird had chalked).

"To follow you we're not content
Until we know which way you went."

Complimentary

Dud (seeing Sedgwick exercising)—"What's the big idea?"

Sedgwick—"I'm trying to develop an arm like your feet."

Dud—"How's that?"

Sedgwick—"Strong."

Lest some misguided student think that these jokes all originated out of the minds of the Spur Department, we wish to state herein that most are obtained from the various periodicals of the time and from the floating humor of the day. And so—laugh! The world appreciates humor and we all love a laugh! It's the life of the world, so if you can't laugh at the joke of the age, laugh at the age of the jokes. (Ye Ed.)
