SelectedWorks

Looking to create a faculty profile that highlights your scholarly and creative works?

SelectedWorks is the ideal platform for individual faculty pages.

SelectedWorks is designed to maximize the readership and impact of your works. Here are some highlights of SelectedWorks:

- Allows the flexibility to present your work
- Ideal for multimedia content, books, gray literature, editorials, conference presentations, supplemental content, datasets, etc.
- Optimized for search engine discovery, increasing readership to the everyday public, as well as researchers in your discipline.
- Offers author dashboard with monthly download e-mails, on demand access to metrics, and a readership map.

For more information about SelectedWorks or [STARS](#), please contact Lee Dotson, Digital Initiatives Librarian, @ lee.dotson@ucf.edu or Sarah Norris, Scholarly Communication Librarian, @ sarah.norris@ucf.edu.

Reminder: If you have candidates or other guests visiting on campus, consider a visit to the Hitt Library. I'd be happy to meet with them and provide a brief orientation. Contact me: ven@ucf.edu OR 407.823.5048
