KAPPA EPSILON GIRLS HONOREE AT RECEPTION BY PHI ALPHA

"Red" Palmer is Sensation of the Evening as Hula Hula Maiden

One of the prettiest social events of the college year was the reception given last Saturday evening, January 31, in Carnegie Hall by Phi Alpha Fraternity in honor of Kappa Epsilon Fraternity. The reception served as a formal welcome to the K. E. girls' return to the campus after a four-year period of inactivity.

The decorations were most artistic and appropriate, consisting of Magnolia boughs and fraternity pennants. In the center of the large room was the framed shield of Kappa Epsilon flanked by a huge Phi Alpha blanket in black and maroon.

The function began at nine o'clock and those in the receiving line were: Mrs. J. K. List, Mrs. W. W. Yothers, Mrs. Arthur Schultz and Messrs. J. Harold Hill and Clarence G. Tilden.

Pledges of Phi Alpha entertained the guests by giving a series of amusements. (Continued on page 7)

PAN-HELLENIC IS GRANTED CONSTITUTION BY FACULTY

Constitution in Detail is Published Below

After several preliminary meetings held by the representatives of the Greek letter societies on the campus a constitution has been drawn up and granted by the faculty which it is thought will handle all inter-fraternity matters that may arise from time to time. The initiative for forming this organization originated with the societies themselves and it is expected that all reasonable friction will thereby be eliminated.

The constitution which went into effect on the 28th of January reads as follows:

Constitution of the Pan-Hellenic Association of Rollins College, Winter Park, Fla.

Article I.—Name.

Section 1. The name of this organization shall be the Pan-Hellenic Association of Rollins College.

Article II.—Purpose.

Section 1. It shall be the purpose of this organization to govern the general conduct of the fraternities in the college; to co-operate with the faculty in raising the standard of scholarship and moral conduct among the students; and, to promote fellowship among the fraternities.

Article III.—Organization.

Section 1. This organization shall be composed of two delegates from each of the following organizations: Kappa Epsilon, Phi Alpha, Alpha Alpha, and Sigma Phi; and from such (Continued on page 8)

MANY ALUMNI WILL RETURN FOR FOUNDER'S WEEK

Committees are Named to Take Care of Details

That all plans for Founder's Week are progressing rapidly and that notable events are being arranged is indicated by the amount of good, hard work the many committees appointed to take care of the details have been turning out during the past week. There are yet several well-known speakers to be heard from before the final program may be announced. Just as soon as this is known a bulletin giving the program in detail will be printed by the Rollins Press and over 5,000 copies distributed to all who may have an interest in this annual "Home-coming" for Rollins. Already a number of alumni have written about returning and it is expected that the hotels will be taxed with other outsiders. The personnel runs as follows:

DR. ERICKSON ADDRESSES AUDIENCE SUNDAY AFTERNOON

Peace Commissioner and Missionary From Albania Gives Interesting Address in Knowles Hall Sunday

Dr. Erickson, a former American missionary to Albania and the representative of Albania at the Peace Conference, spoke to an interested audience in Knowles Hall Sunday afternoon on his experiences as a missionary in Albania from the time he started out as a missionary to this unfortunate and ill-treated country to the time he was forced to leave.

Dr. Erickson told how, with his wife and three children, they left a comfortable home in this country and went to Albania where there were no railroads, and where all travelling was done on horseback over almost impassable mountain trails. He told of the town in the interior of Albania where they made their home, of the starting of boys' schools, of the numerous epidemics of malaria, and typhoid, and scarlet fever; and of the loss of (Continued on page 5)

ROLLINS VICTORIOUS IN FINAL MATCH WITH SOUTHERN

Blue and Gold Vindicates Defeat of Previous Night, Score 27-21

On Saturday night, Jan. 31, the Rollins basketball team defeated the Southern College five, in the second of two games played here.

The boys from Sutherland arrived Friday, defeating the local quintet that night, by the close score of 21-17. The game was tied time after time throughout, the opponents winning in the last few minutes of the play. Capt. Fletcher was unable to play the entire game owing to a recent attack of the Flu, however he went on the floor in the last five minutes of play, making several brilliant baskets.

But Saturday the Rollins boys came back with that old "pep" and in spite of their crippled condition, swept Southern before them. In the beginning (Continued on Page 2.)

ROLLINS CLUB ORGANIZED IN ORLANDO WITH MUCH ENTHUSIASM

The following clipping from the Orlando Sentinel will tell of the splendid organization which loyal Rollins people are effecting in that progressive community:

"A few days ago some fifteen ladies and gentlemen, former students of Rollins College, met together and discussed plans for organizing the alumni and former students of Rollins Academy and College in Orlando into a Club with a view of co-operating with the College in every possible way and building up an increased interest and support for the oldest institution for higher learning in Florida.

Many of Orlando's best known men and women of today are among former Rollins students. The list comprises some two hundred, which welded together into a working organization would be a factor and influence in the future welfare and achievements of the college.

A committee was appointed at the Friday meeting to revise the list of names and issue a call for a general meeting to be held in the Presbyterian church lecture room on next Friday, February 6th, at 10:30 a. m. Postal cards announcing the meeting are being mailed to all whose names are on the list, which, however, is still incomplete and the invitation includes everyone who has ever been to Rollins, now living in Orlando.

It is proposed to effect a permanent organization next Friday and start to work. Speakers from Rollins will be present to tell about the present work that the college is doing and what the plans and problems before the institution are.

The committee appointed to arrange for the meeting is: Mary L. Branham, Mrs. W. W. Yothers, Dorothy Johnson and D. A. Cheney.

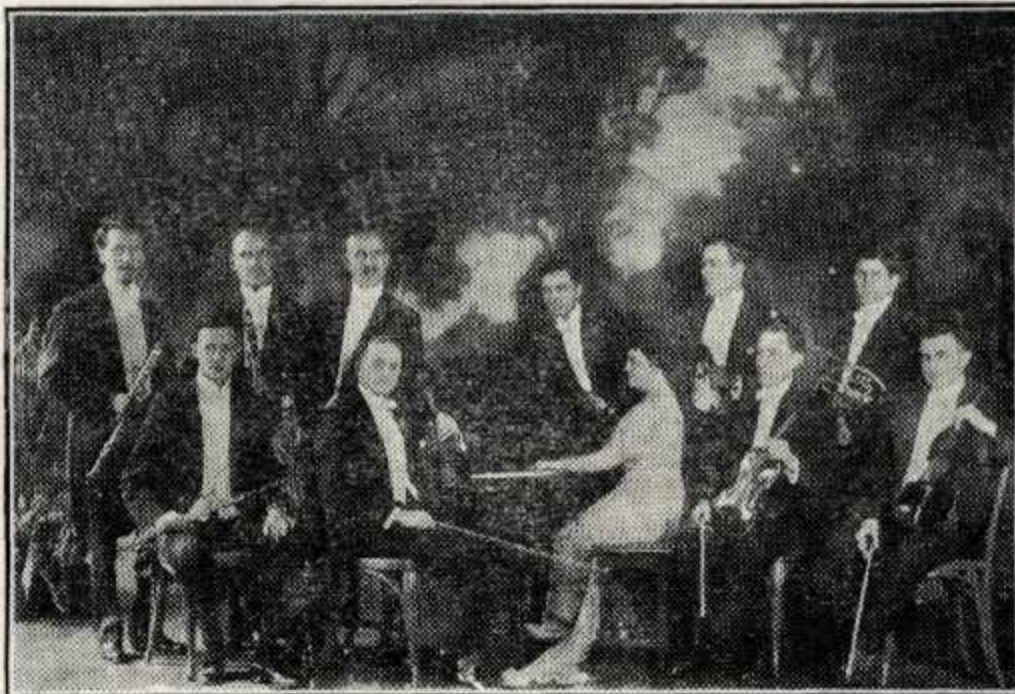

New York Chamber Music Society Gives Fine Concert Before Large Audience

Conservatory of Music to be Congratulated in Securing Appearance of Noted Artists

Music lovers of Winter Park and Orlando enjoyed a special treat last Tuesday evening, when the New York Chamber Music Society gave a concert at Knowles Hall. The Society is under the direction of Miss Carolyn Beebe, and is well known all over the country for its excellent work. Every member of this organization is an artist, and the number and variety of the instruments en-

ables them to give programs that it would not be possible to hear everywhere. It is very seldom that such a company of exceptionally fine artists is assembled and the members played were selected in such a way that the individual technique of each artist was exhibited. All who attended expressed a desire to hear this orchestra again in the near future.

"Unassuming yet mighty, sharp and pointed, well-rounded yet many-sided, assiduously tenacious, yet as gritty and energetic as its name implies, victorious in single combat and therefore without a peer, wonderfully attractive and extensive in circulation; all these will be found upon investigation to be among the extraordinary qualities of The Sandspur."

WHAT OTHERS THINK OF THE TOPPERWEINS

"Tom" Doerer, the cartoonist of the Intelligencer, of Lancaster, Pa., saw the Topperweins shoot when they were in Lancaster last fall as members of the Winchester Shooting Team and he was so much impressed with the work of the pair that he turned out a cartoon on the wonderful pair of shots.

This cartoon was so good that the Toppenweins asked for it and it was presented to them by Mr. Doerer, and through this system we are able to present it to you, as above. The cartoon speaks for itself. The male end of the Topperwein family will appear here in exhibitions on February 16th and 17th, shooting twice daily, morning and afternoon. The exhibitions will be free and worth witnessing. This is something you get for nothing that is good. It will be well worth your time to take off an hour one of these days and give Topperwein the once over.

Then you will wonder no more about how he does it with the rifle and shotgun.

In 1914, there were 42,037 university students in France, of whom only 4,254 were woman. Of the total number, 6,187 were foreigners. There are 150 French students in American universities this year.

A COLLEGE PAPER'S PLACE

Few educational institutions of importance in the United States are without a student weekly or daily newspaper. These papers are definite and fixed parts of the makeup of every live and progressive student body of practically very enterprising and interesting educational institution. The number of such papers is increasing, just as there is a growth in institutions and an increase in attendance.

Today a student newspaper is almost necessary to the life of a wide-awake student body, and the importance of these newspapers is realized. What of the football victories, of the glee club's success, of the class and student body elections, of the social activities on the campus, of the progress of an alumnus—what of all these without a newspaper to carry the intelligence to the public? What of the ingenious pranks? What of the student meetings? What of the eternal "freshman questions?"

Most of these go for naught unless there be yawning columns and eager readers. Newspapers of general circulation may care for the matters of greatest importance to students; but what about the little things of the campus life? Alumni want the old college paper, not alone to learn who made the touchdowns or hit in the ninth with the bases full, but they want to know when John Doe, who flunked out in his senior year, makes a visit to the campus and speaks at the mass meeting. The "old grads. want to know if Miss Jennie Blank is still serving punch at all the fraternity receptions, and if Bill Brown, the college politician, was elected president of the senior class.

Much of what students read in their college paper is not actual news to them, but he thinks more of what is going on if he finds it in print. Then there are the folks at home watching to see if Roderick draws a column and a half when he joins the fraternity, or scanning the page only to wonder why Juanita didn't get more praise when she had a part—possibly three lines—in the senior play. What would a student do if he couldn't kick on the "rotteness" of the write up of the Y. M. C. A. stunt or if he didn't have an opportunity to declare he would hunt up more news or quit?

The college newspaper is an institution of its own. It is necessary to the lives of both knockers and boosters, for it pleases those who condemn it fully as much as those who praise it. A college newspaper is sauce to the goose and to the gander, and its position in student life is firmly fixed. Students may be likened unto the lioness which cuffs her young one moment, then fights for them the next; for they alternately condemn and praise, support and neglect, ridicule and laud—their college paper.—Harvard Crimson.

ROLLINS VICTORIOUS IN FINAL MATCH WITH SOUTHERN

(Continued from page 1)

ning of the second half Southern managed to strengthen and accumulated a six-point lead. At this point Sloan was shifted from forward to his old position as guard, taking Freddie Ward's place. "Smut" Fletcher entered the game to fill the vacancy left by Sloan. If the team had hitherto worked like a well-oiled piece of machinery, it now seemed as if it had been reoiled, for with the aid of Capt. Fletcher, the ball was snapped from player to player, completely bewildering the opponents. The local guards worked in unison, carrying the ball down the floor with the aid of "Cheesey" Arrants, into the hands of the forwards, Vincent and Fletcher, who placed it in the basket time after time.

The shooting by "Smut" Fletcher was by far the feature of the game, as he shot from every angle of the floor.

The wonderful backing of the student body is to be commended, for as each basket was made the onlookers burst into cheers which had to be quieted by the referee in order that the whistle could be heard.

The entire game was a real comeback for Rollins, making the outlook for the hard games in the future much brighter.

Not enough can be said of the excellent playing of the local boys. Before the game its outcome looked doubtful to some, as three of the first string men were disabled. Capt. Fletcher had just recovered from the 'Flu. Boyle, the plucky guard, was handicapped by a fractured thumb. "Cheesey" Arrants, the old stand-by at center had an injured nose, received in Friday night's game.

CO-ED WINS NATIONAL ORATORIAL HONORS

First Time In History

For the first time in American college oratory a woman has won a national intercollegiate oratorical contest. Hundreds of coeds have competed in collegiate oratory, and twice before has one achieved to the national contest. But this is the first time that one has actually walked away with the honors. Miss Margaret Garrison, of Willamette University, Salem Oregon, is the victor; Des Moines, Iowa, January 5, the time and place; and the National Oratorical Contest of the Intercollegiate Prohibition Association, the event.

The seven interstate winners, already victors over 1,500 orators from 300 colleges, put up an evenly-contested meet, and Miss Garrison won the decision and the \$100. cash prize by just one point. H. K. Cassidy of Kansas was the close second winner. B. R. Pogue of Indiana was third.

The orations dealt largely with the aftermath of the national prohibition victory, discussing law-enforcement, the readjustment of the labor and capital employed in the liquor traffic, social substitutes for the saloon, and world prohibition.

It's the good apple tree that has the most clubs thrown at it.

Freedom of speech is the liberty to say what you think without thinking what you say.—As an I. W. W. interprets it.

"Drink the Fermented Drinks: Wine, Cider, Beer (But moderately, less than one quart a day,)" is the advice of a striking poster used in France by the Ligue Nationale contre L'Alcoolisme, one of the leading French temperance organizations. This typifies excellently the present state of temperance agitation in Europe. Outside of the British Isles, it is directed largely against strong liquors, and not against beer, wine, and other "light" drinks.

Some men makes up in abuse for what they lack in ideas.

"Did it ever occur to you that the most enduring institution man has founded are his universities? Did it ever occur to you that the universities of the Middle Ages lived through all the changes that have taken place since then. Did it ever occur to you that the University of Paris has seen all the upheavals that have taken place in France and that have usually taken place within the sound of the Sorbonne, and has survived them all? Did it ever occur to you that Oxford and Cambridge have lived through the War of the Roses and through the English Revolution, and have continued to be just as vital and just as strong as they ever were before? Why is that? It is because the university really contributes to the highest in civilization something that is eternal."—President Lowell, Harvard University.

"A buzz saw can teach an inquisitive man more in a minute than the best instructors can teach him in a lifetime."

FINAL RECITAL GIVEN AT COUNTRY CLUB

Miss Greenup's Program Terminates Musical Series

The last of the series of recitals under the auspices of the Rollins Conservatory, at the Winter Park Country Club, was given by Miss Lotta Greenup, violinist, Thursday, Jan. 29th. A large audience greeted Miss Greenup, for she is well-known hereabouts and her wonderful work has won her many friends.

Miss Greenup studied abroad for several years, having been a pupil of Joachim, and Flesch, in Berlin, and Press at Moscow. At Prague, she was both pupil and assistant of Sevcik for several years.

Miss Greenup's program was very well arranged, bringing out very clearly the powerful depth of her tone, and the beauty of her interpretation.

Winter Park, Fla.

MISS SADIE PELLERIN, '18

No one would have suspected Sadie Pellerin of business ambitions during her undergraduate days, but doesn't the unexpected always happen? If you ever happen to run into one of the large banks in Jackson-

ville and see busily engaged in the intricacies of the banking business a young lady whom you would judge to be one of this year's debutantes, just introduce yourself to Miss Pellerin, Rollins '18. She spent six years at Rollins, having entered here in the third year of her secondary work and received at the conclusion of her course the much coveted A. B. degree.

"Sadie-Chicken" was very popular during her six years here and there is very little regarding the campus about which she has no information. She took a leading part in many student activities and in the social life of Winter Park and Orlando. Last

K. E. ALUMNA HONORED BY RECEPTION AND DANCE AT ROSALIND CLUB, ORLANDO

Mrs. O. J. A. Grassi, of New York City, was the charming honoree at a reception and dance at the Rosalind Club, Orlando, given by her mother, Mrs. Harold Bourne. About one hundred couples attended.

Mrs. Grassi, who before her marriage was Miss Lucretia Cousen, attended Rollins for several years and was the first pledge initiated by the charter members of the Kappa Epsilon Fraternity.

Commencement Miss Pellerin returned for a few days and she is now planning to spend a part of Founder's Week on the campus, taking part in the Alumni Day and other activities. She is loyal to Old Rollins and nothing pleases her more than to see an old Rollins boy or girl. She has planned a function in Jacksonville for the Varsity Basket Ball Team tonight following the game with the Jacksonville Y. M. C. A. and it goes without saying that the members of that team will be in luck.

FRESHMAN CLASS PICNIC

The Freshman English class enjoyed a picnic Monday at Palm Springs. Mrs. Hochstetler chaperoned the jolly crowd.

Those enjoying this were: Marion Wood, Hazel Kline, Florence Witte, Doris Waterhouse, Babe Clock, Beatrice Enlow, Earl Haight, Theodore Potter, Howard Vincent, Henry Grady, Leslie Schultz and Pat Sullivan.

Soft, indistinct—a billowy mass—
And figures dim, and vaguely seen—
Withdrew and vanished as we passed.

There fell a hush; the mist fell 'way.
Loud voices harshly calling "more!"
Brought back my senses to my brain—
The music stopped—the dance was

DR. ERICKSON ADDRESSES AUDIENCE SUNDAY P. M.

(Continued from page 1)

his oldest son due to the total absence of medical practitioners in Albania.

Dr. Erickson is probably the best informed man on the Balkan situation in this country. He told how Albania was oppressed by the Turks who took every opportunity to imprison and torture the natives, and how the Turks opposed any attempt to educate the Albanians because that would be a big step in uniting the people to throw off Turkish rule. He himself was driven from one town to another, arrested time and again and finally forced to leave the country.

Although the hardships he underwent were many, Dr. Erickson was rewarded on his return by the warm welcome of the Albanians and by their choice of him as their representative at the Peace Conference.

Dr. Erickson is lecturing in this country in behalf of Albania and gives a very clear description of the conditions in the Balkans as he knows them to be.

Y. W. C. A.

The weekly meeting of the Y. W. was held Wednesday evening, instead of Tuesday, because of the New York Chamber Music Society concert. The meeting was lead by Margaret Smith, and Easter Russel, vice-president of the society, brought up the new business of the evening. The new Y. W. pledge was presented to the girls. More and more we realize the importance of this organization and are glad to see indications of newly awakened interest.

The Men's Glee Club has been asked to give its concert at the Oklawaha Hotel, at Eustis, Fla.

Miss Florence Stockwell, cellist, who is staying at the Altamonte Hotel, has been engaged to help the Rollins orchestra when it gives its concert some time next month.

"German Army Officers Trying to Enlist in American Army to Teach the Men How to Fight" states a news item. Next thing you know, some bird will step forth with a proposition telling women how to talk.—Over Here.

THE ATHLETIC FIELD DRIVE GOES ON

Chairman of Memorial Athletic Fund
for New Jersey Gets in Behind
the Movement

Below is a letter received from the chairman of the Athletic Memorial Fund for the State of New Jersey. Copies of such letters are interesting and Rollins is indeed glad of such interest on the part of her former students.

"Passaic, N. J.,
December 1, 1919.

"Dear Fellow Student:

"The former students of Rollins living in New Jersey are earnestly appealed to for a 'Greater Rollins' and a 'Memorial to the heroes who fell in the World War.'

"The circular letter explains the plan. We recognize the need of a well equipped athletic field and gymnasium and such a fitting memorial should receive our heartiest support.

"The sacrifice of these boys makes us see that we can sacrifice, if need be, to meet our apportionment. To do this each one must pledge about \$100.

"We have thirteen months, in which to redeem our pledges, a little less than \$2.00 a week. Surely we can do that much for Rollins.

"These are strenuous times and many appeals are coming to us, but we of New Jersey haven't failed yet, so let us all pull together and with those of our friends whom we can interest and go 'over the top.'

"This memorial call will come to us but once and demands our interest and attention. We must have full co-operation to make this undertaking a success. The boys gave their all; surely we can make our quota.

"Please send your subscription cards to me as soon as possible.

Very sincerely yours,
(Signed) "CHAS. B. WATERHOUSE,
Chairman of New Jersey.

STETSON PLAYS HERE FEB. 12

Old-Time Rival to Play Basket Ball
Here Next Friday

Lyman Gymnasium will be the scene of battle between the local quintet and the Stetson five from DeLand next Friday night.

The Green and White will be here with one of the strongest and fastest teams in the South, but the Blue and Gold is planning to show them the biggest fight they have had yet. It is true the local team was defeated quite badly at Stetson in the first game of the season, but since then Rollins has strengthened its team materially.

This coming game will no doubt be one of the most interesting of the season, and the local team is hoping to make up for the defeat sustained early in the year.

NOTICE TO EX-SERVICE MEN AND WOMEN

A list of the Rollins men and women who took part in the Great War is being made for the 1920 Tomokan. This list is to include everyone who was enlisted in any branch of the service. If this applies to you, please send in at once the following information:

1. Full name.
2. Date of enrollment.
3. Branch and Rank.
4. Places served and time in each.
5. Date of discharge.

WAR CANOE PRACTICE

Crews from both College and Academy have been practicing with Prof. Blair for the canoe races to be held during the Founder's Week regatta.

TENNIS TOURNAMENT UNDER WAY

Considerable interest has been shown in the Tennis Tournament which is to decide who is the champion of Rollins. Several matches have already been played off but the scores are not yet to be made public.

TEN NEW MORRIS CANOES JUST ARRIVED COMPLETELY EQUIPPED

Last week the college received ten new canoes which are now in the boat house and which may be rented by the students. The canoes are blue with gold monograms, "R. C." and are completely equipped with flagstaves, maple paddles, and mahogany backrests. These canoes were ordered some time ago from the Morris factory and their delivery has been delayed. Their arrival in time for the regatta during Founder's Week will help greatly in the activities.

The Athletic Council has decided on the rental of the canoes, as follows: 25 cents for an afternoon, 50 cents for an afternoon and evening, \$1.50 per week and \$20.00 for the semester.

CLASS IN RADIO TELEGRAPHY FORMED UNDER MR. HAGERTY

A class in radio-telegraphy, under Mr. Hagerty, has been formed and is meeting on Tuesdays, Thursdays, and Fridays from 4:30 to 5:00 p. m. At present they are learning the Morse code and later expect to take up the theory of telegraphy and the study of the apparatus.

The University of Oxford, England, is composed of 22 Colleges and three Halls. The average enrollment of these is about 150. Cambridge University has 17 Colleges and one Hall. Its largest college, Trinity, has about 550 undergraduates.

The task of compiling a correct list of service men and women is no small undertaking, and the students and alumni of Rollins are urged to co-operate with the editorial board of the Tomokan by sending in their own and others' service records. This list when completed will be very valuable historically; so be sure that your record, or that of your friend or relative, is in it.

ROLLINS STUDENT WILL TAKE EXAMS FOR WEST POINT

The student body will be interested to know that Charles Ward of the class of 1923, has received from Governor Catts an appointment to West Point.

The examinations will be held at Carlstrom Aviation Field, Arcadia, Florida, on March 4, of this year.

Following this action the Chancellor added two new committees to the faculty organization as follows: Student Organization: Dr. Hoyt, Dean Hochstetler, Miss O'Neal, Miss Dyer, Mr. Hanna. Rules and Regulations: Dean Hochstetler, Miss Gladwin, Mr. Hanna, Miss Barrett, Mrs. Wheatley, Prof. Blair and Prof. Hazeltine.

DON'T MISS THE BABY PAGE

One of the novel features of the 1920 Tomokan will be a page of baby beauties—subjects to be prominent campus characters. The photo editors are now collecting these likenesses and it will be up to you to distinguish one from the other.

This is only one of the many attractions of this year's Tomokan and you can't afford to be without a copy of your own.

For further details concerning this super-extraordinary memorabilia of campus activities see next week's Sandspur.

**Y. M. C. A. WILL PUBLISH HAND-
BOOK NEXT YEAR**

At a recent meeting of the Y. M. C. A. Cabinet it was voted to publish a handbook for next year, similar to the one that has been published in previous years.

The handbook of the Y. M. C. A. has always been valuable, especially to the new men coming in at the beginning of the year. It contains the constitution of the Association, class schedules, calendar, cheers and songs, athletic schedules, space for daily memoranda, and many other valuable features.

Smith Fletcher, Chairman, John Glassey, Fred Zorbaugh, Douglas Robbins, and Robert Gault compose the committee in charge of publication.

ALUMNI NOTES

The Rollins Club, of Orlando, is in process of formation. Friday morning, January 30, about a dozen boosters of the college met informally in the parlors of the Presbyterian Church and organized. Notices were sent out and yesterday morning a most enthusiastic meeting was held at the church. A more detailed account will be inserted in next week's issue of the Sandspur.

William G. Armstrong, for two years a student in Rollins, is now secretary of the National Union Fire Insurance Company of Pittsburgh,

ing musical "stunts" of which the "Hula" dance as interpreted by "Red" Palmer was an easy headliner. Music was furnished by a mandolin duo.

The K. E. color scheme of red and white were carried out in the home-made cake and ice cream. Punch was also served.

Invitations to this affair were extended to the Alpha Alpha Fraternity and pledges, the Sigma Phi Fraternity, the junior and senior classes, the visiting basket ball team from Southern, the Rollins team, and several friends of the society.

The active members of Kappa Epsilon are: Miss Idabel Edwards, of the faculty; the Misses Mary Knoske, Pauline Phelps, Helen Hanna, Mary Whitehead, Elizabeth Murphy, Florence Bumby, Miss Marion Rous, of the faculty is an honorary member, Mrs. John K. List, of Winter Park, and Wheeling, W. Va., is the fraternity mother. The alumnae in this vicinity are: Miss Mary Robinson, Miss Florida Howard, Mesdames W. W. Yothers, LeRoy B. Giles, Gray Rush, D. A. Cheney, David Fishback, J. Merle McElroy, W. C. Essington, W. M. Glenn, all of Orlando; Mrs. Arthur Schultz, Mrs. Kenneth McCulloch, Mrs. Fred Wooley, Miss Louise Smith, all of Winter Park; and Mrs. Clarence G. Tilden, of Winter Garden.

In a straw vote at Dartmouth in December, in which 1,073 men voted on presidential preferences, Wood led the field with 271 votes, Coolidge following closely with 260, and Wilson, the leading Democrat, secured only 68.

Pa., a five million dollar concern.

Rev. Daniel S. Davis, '04, is now rector of a church in Fulton, Sonoma County, California.

Miss Annie Luella Airth, formerly a student of Rollins, is now an instructor in the Fife School, Tacoma, Washington. After her course in Winter Park she returned to Cuba where she taught in Chaparra Oriente, for a few years and later went to Bellingham, Wash., where she took a normal course in the State Normal College.

Mr. F. Stuart Crawford, a student here in '89-'90, is now writing politics on The Sun, New York. From 1915-1918 he was Secretary of the Law Department of the city of New York and is recognized as one of New York's political authorities. His father, Sidney Crawford, Esq., former trustee of Rollins, is making his home with Stuart at 1052 A Sterling Place, Brooklyn, N. Y.

Did It Ever Happen To You?

A pretty girl sat in a railroad train,
As lonesome as could be,
And she said to herself with a little
sigh,
"If he'd only talk to me."

The young man sat just across the
aisle,
From the girl with the pretty stare,
And he said to himself, "If I talk to
her,
I wonder if she would care."

And so they rode the whole day long,
And neither of them knew
Just what the other was thinking of.
Did it ever happen to you?

He Knew His Father

"Teacher, I know my lesson all
