ANNUAL CLASH WITH AVIATORS NEXT THURSDAY

GAME CALLED AT 10:30 A. M. IN
ORLANDO AT THE FAIR
GROUNDS

LINCOLN REMAINS PRACTICALLY
UNCHANGED

The best game of the season in this vicinity will be played next Thursday morning at 10:30, when Rollins and Carleton get together on the Fair grounds at Orlando. While little is known of the makeup of the Aviators' team, it is safe to say that they have a strong bunch, because of their victory over the Florida Reserves. The Rollins team will be at their best for that game and if the weather conditions are right and nothing unexpected happens, Rollins' supporters and others who attend the game may be assured that they will see a good brand of modern football. Carleton will undoubtedly outweigh Rollins many pounds to the man, but weight is no longer of first consideration in football and it will not worry Rollins. The line-up for Rollins will be: Rollins and Palmer, ends; Evans and H. Thayer, tackles; Warner and Williams, guards; C. Ward, center; E. Wright, quarter; Capt. Boyle and Franks, halves, and Dow at full. Coating may possibly be in shape to play part of the game at right tackle.

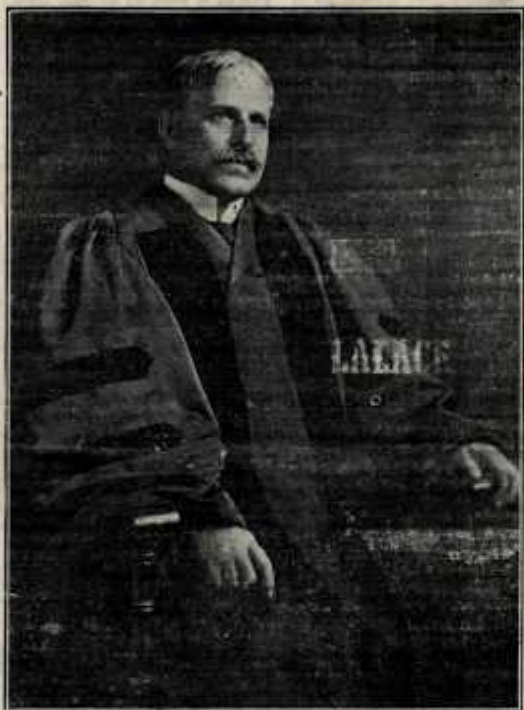

FIRST SONG RECITAL OF THE YEAR TO BE GIVEN MONDAY

Miss Jean Knowlton to Sing in
Knowles Hall

Miss Jean Knowlton, head of the Voice Department of Rollins Conservatory, will make her first appearance before the students of the college and the people of Winter Park, on Monday evening, November 22, at Knowles Hall. Miss Knowlton came to us this year from Chicago, where she is a well known singer and teacher. She recently gave a costume recital in Jacksonville which was a thorough and artistic success.

The Reverend George Morgan Ward, D.D., LL.D., President of Rollins College, who has just returned to the campus after a six months leave of absence. Dr. Ward's life-long devotion and great and invaluable service to Rollins has given him a very large place in the hearts of all those who are supporters of the college. His return will have an inspiring effect on the present and future of Rollins.

The second annual meeting of the Florida Collegiate Press Association was held at the Florida State College for Women at Tallahassee, Monday, November 6, with but one member present. Warren Ingram, an editor of The Sandspur, represented the paper at the meeting; The Southern was represented by F. H. Bridges, an associate editor. One of the principal things accomplished at the meeting was the final working over and adoption of the constitution which was submitted in tentative form at the first meeting of the association last year at Rollins. The first matter brought before the assembly was the election of officers for the ensuing year and resulted as follows: President, Marie Brynne, editor of the Flambeau, F. S. W. C.; vice-president, Warren M. Ingram, editor of The Sandspur, Rollins; and secretary-treasurer, J. H. McLeod, editor of the Southern, Southern College.

SHOULD THE SANDSPUR STAFF RECEIVE COLLEGE CREDIT?

Nearly every college in the country gives credit in either English or Journalism for work done on the college paper. Why should not Rollins College do the same? Those in charge of the college paper spend more time and do more work than they would do in any course in English or Journalism and the work is just as practical, if not more so. Furthermore, the college desires a paper of quality and one of the best ways of getting it is to add incentive for high grade work.

There are two ways of giving credit. One is that of giving credit to the editor only; the other is that of giving credit to any one who does a certain amount of approved work. Under either of these plans all copy must be approved by a faculty member in charge. This makes for a paper of better quality and calls for more thought and study on the part of the student. Hence, both paper and student are benefited.

Rollins should adopt one of the above plans and provide for an effective application.

LEST WE FORGET

Thanksgiving time is upon us. Lest we forget—

Let us be thankful we have an athletic coach who can weld a bunch of rookies and few experienced men into a team that could swamp the Legioners completely.

Let us be thankful we have such a splendid faculty, a faculty that is sacrificing a great deal for our welfare.

Let us be thankful the old school is so beautifully situated with Nature's Horn of Plenty emptied at her door.

Let us be thankful that we have an Anglo-Saxon inheritance with its richness of literature and life.

Let us be thankful America is our native land—that land of liberty, justice and freedom for all—that land, the champion of world brotherhood.

In truth, let us be thankful that we can be thankful, for we are not singularly blessed? Look at the suffering that is Europe's today. What have those people over there to be thankful for next Thursday? Nothing, unless it be that God has spared them thus far. The war is not over for Poland. The New York bomb outrage is a daily occurrence to them. The Red is in his element in those sad lands of eastern Europe. Lest we forget, let's thank Him who is our maker for the blessings that are ours.

PHI ALPHA FOAM

Three Cheers!

Word has just been received that we have an uncle in our house. A bouncing baby boy has arrived at the home of Brother Payette L. Prosnke. Hello, Uncle Marlan!

Why "Chic" goes to school?

Why "Red" Spicer stood out in the rain in front of Cloverleaf?

Why Dick Potter has sworn off on buying candy?

Greetings were received during the past week from Brother G. P. McCord, mayor of Tallahassee.

K. E. KICKS

Kappa Epsilon girls are among the many students who have been welcoming Dr. and Mrs. George Morgan Ward. Mrs. Ward is associated with K. E. as an honorary member.

Doris Tilden motored over to the campus Armistice Day for the football game.

Miss Jessie Allen, the attractive niece of Mrs. John K. List, has arrived in Winter Park and is the guest of her aunt this season.

Mary Whitehead was the guest of Mrs. James Knox in Orlando last week-end.

Mary Knoke has the honor of being one of the few whose average for the past month was over 90.

SIGMA PHI

The Waterhouse twins say they expect to be in Winter Park about February.

Mae Clock may be down here at Christmastime. Wouldn't we all be glad to see her? She writes that she is crazy about Simmons, but still has a little homesick feeling for Rollins.

Gertrude Davies and Hazel Watts were entertained at the home of Sarah Wright in Sanford for the American Legion Ball on the evening of Armistice Day.

Sigma Phi again has the highest average in scholarship for this month.

Lucy Anderson holds the highest average in the college for the past month.

ALPHA ALPHA SCANDAL

Alpha Alpha wishes to announce the following new members: A. Maxwell Sloan, Cumberland, Md., and William Edgar Sherman, Bar Harbor, Me. Mr. Henry Kart and Mr. Halstead Caldwell, Winter Park, Fla., were made Advisors.

Mrs. J. K. List presented Brother Sloan with a tiny collie pup. Sometimes we wish she had kept him. Larry Wright had to walk the floor with the "hound" from four A. M. until six A. M. the other morning in order to quiet him so the other fellows could obtain a little of their much needed sleep.

At last a way has been found to get Max and Fat to come home early. We have two compartments to our garage. The left one is the safest to enter, the right one is practically hopeless. That is where the trick lies. Each youthful driver hopes to get home before the other one in order to obtain the favorite compartment. Each night they arrive earlier and earlier. Maybe some night they will stay at home altogether. Can't conceive it!

Roger Sherman left the house last Monday. He will stay with his parents in Orlando for awhile before returning to Bar Harbor, Me.

Conservatory Orchestra Holds First Meeting

The Rollins Conservatory Orchestra held its first meeting Monday night, November 8, at the Orlando Auditorium. Regardless of the numerous interferences a good number were present and much fine work was accomplished. A number of new musicians have been added to the orchestra this year, which bids fair that the orchestra will exceed its former achievements. Miss Dyer hopes to be able to hold weekly meetings in Orlando.

Our Clubs Plan to Tour East Coast

The girls are hard at work on their next program. They hope to have their program completed by the middle of January and then make a tour of the East Coast going as far south as Miami.

The Men's Glee Club, under management of Richard Pettigrew, and the direction of Mrs. Hayward, also have plans for a busy season.

Miss Dyer Will Go to Tallahassee

Miss Dyer will leave Monday night, November 15, to attend the annual meeting of the Florida Federation of Women's Clubs, which will be held at Tallahassee. Miss Dyer is State Wide Chairman of the Federation and will have charge of the singing at the Tallahassee convention.

She has recently been appointed to a chairmanship in the music department of the General Federation of Women's Clubs, which is the national organization and together with the National Federation of Musical Clubs is one of the most potent factors in the musical progress of the country today. Miss Dyer's position as the National Music Committee is that of Chairman of Education.

HIGH SCHOOL GIRLS ADOPT UNIFORM DRESS

High school girls of Philadelphia have endorsed a recommendation for a standardized school dress consisting of simple serge frocks for winter and middie blouses for spring and summer. The movement was started by a group of high school girls attending a Y. W. C. A. conference this summer who agreed to adopt the style and to urge their friends to do the same. The idea, proposed in the larger schools of Philadelphia, has spread throughout the city. According to one of the leaders of the movement, "Many girls who are of average school age have left school and are working because they could not afford the expensive costumes worn by their class-mates."

RED CROSS CAMPAIGN FOR MEMBERSHIP AT ROLLINS

STUDENTS IN RED CROSS MEMBERSHIP DRIVE

By the time this issue of The Sandspur comes from the press a committee from the college students will be organized to assist the Winter Park and Orange County committees of the American Red Cross in putting over the annual membership drive. Mrs. W. C. Temple is chairman for the town of Winter Park and it is her wish that every student from the college do his or her part in this great and necessary work. Last year the High School of Winter Park made an enviable record for itself in carrying on this membership drive and great things are expected from the students of Winter Park, especially those from the college.

The following brief paragraphs will serve to give an idea of the great work this patriotic organization is doing in time of peace:

To devise and carry on measures for preventing the causes of suffering.

In order to avert tomorrow the suffering it mitigated yesterday, the new Health Service, built around the Red Cross Health Center, is trying, by education, to keep people well rather than to cure the sick, thus minimizing the spread of disease and preventing the 750,000 unnecessary deaths which occur annually from preventable diseases. This service already touches 15,000 communities.

In furtherance of the work of prevention, the American Red Cross blazed the trail for the League of Red Cross Societies, which aims to extend this preventive and constructive brotherhood throughout the world.

The Nurse typifies the Red Cross. The Nursing Service touches every line of Red Cross activity. Over 3,700 nurses are on the Red Cross roll, of whom 400 are still with the Army, 236 with the Navy and 1,000 are working in rural communities where they are in constant demand. During the influenza epidemic 15,000 Red Cross nurses were on duty.

In aiding civilian families in solving such problems as care of crippled children, deserted mothers, financial stress, children's welfare and the many causes of domestic distress, the Red Cross extended its Civilian Home Service last year to 600 communities.

PLEGE DAY TO BE OBSERVED MONDAY, NOVEMBER 22

MONDAY IS PLEDGE DAY FOR FRATERNITIES

Pledge Day for fraternities comes off Monday, November 22. Up until this time, according to the Pan-Hellenic rules, no fraternity may invite, directly or indirectly, a student to become a pledge to that fraternity, although rushing parties may be held in any numbers. The raising for Pledge Day is that pledging shall begin at 8 a. m. and end at 5:30 p. m. Those invited are not allowed to make any acceptances until after 5:30.

Watch you, ye candidates for the trials, you had better treat these pledging committees right.

REVIEW OF ARMISTICE DAY BIG FOOTBALL GAME

EXCELLENT TEAM WORK DEVELOPED BY COACH BREWSTER PROVES GREAT SUCCESS AGAINST EX-SOLDIERS

The enthusiastic rooters for the Rollins eleven sounded off with a loud siren as the ball sailed through the air into the hands of quarterback, Wright, who returned it 25 yards. Everything seemed to be going nicely, but four downs were not quite enough, and Rollins was forced to punt. Evidently the ex-soldier quarterback became rattled, because he fumbled the ball, a costly mistake at this time. Red Palmer was on the job; recovered the ball and made a very spectacular 60-yard run for a touch-down. Wright failed to kick goal. The first period ended with Rollins 6, Orlando 0.

The second period started with a fumble by Orlando, which gave Rollins the ball. A clever pass was completed from Wright to Froemke, which gained about 20 yards for Rollins. Continued fumbling by both teams made it impossible for either team to have the ball long enough to score. The period ended with no change in the points.

Rollins kicked off at the opening of the third quarter. The opponents made several successful line bucks, however the ball was taken from them when Dow intercepted a forward pass. An aerial attack immediately opened. Froemke made 15 yards on the first one, then Boyle finished the quarter by carrying the second one over the line. The goal was kicked by Wright. Score: Orlando 0, Rollins 12.

The last quarter was very exciting. Orlando had the ball on the 5-yard line, but failed to put it over in four trials, due to the excellent defensive work of the team. The quarter ended, with Orlando 0, Rollins 12.

SPORT DOPE

We have made our start in the right way. Let's get together and "keep her rolling"!

It is interesting to note that the Carlstrom Field team which opposes Rollins on Thanksgiving morning at

Orlando, won from the University of Florida Reserves on Armistice Day by 3-0. The Reserves won from Jacksonville American Legion easily, which goes to show that Rollins will have her hands full next Thursday.

"Shorty" Evans, Rollins' star tackle, weighs all of 133 pounds in uniform. But he hits a man as though he carried a ton.

A few more exhibitions like that on Lake Virginia, November 11, and Rollins' aquatic meets will be famous events.

Too bad we had to miss that Spencer-Flores race, but we hope that when it does come off it will be a fair distance. And we're all with you, "Red."

That scrappy Rollins line averages about 147 pounds. For a bunch playing their first games they were sure-ly there. And the backfield could not have satisfied us more under the weather conditions. Watch them on a dry field.

Thursday's game proved one point above everything else—that our policy of clean athletics with a team made up of bona fide students is going to mean better teams, a better school spirit, an improved standard of scholarship and a bigger and better Rollins in every way.

All men interested in boxing and wrestling please speak to the Athletic Director. If enough show interest classes will be formed.

Our friend the osteopath has Bob Wright once more in good shape for us.

Harlan Froemke injured his knee again in the Orlando game, but will be in tip-top shape by Saturday.

GIRLS GET NEW SWIMMING DOCK

In line with the many other improvements being made on the campus is the completion of the girls' new dock in Lake Virginia, directly at the rear of Cloverleaf. A fine hard walk has been built from the new porch at the back entrance of the dormitory to the dock. Besides the greater convenience in the location of the dock, the comfort of walking to the lake for a swim without encountering the all too friendly advances of the beloved sandspur is fully appreciated by the fair occupants of the dorm. Thanks to the powers that be for these long-expected blessings.

ALPHA ALPHA ENTERTAINS

Chancellor Brooks and Dean Sprague were recently the guests of Alpha Alpha at a dinner given in their honor. They wish to avail themselves of the kind offices of the Sandspur to express their appreciation of this very pleasant occasion, affording opportunity for better acquaintance.

The beautiful table was laden with good things. The Dean and Chancellor, having very liberally sampled the fare and shared the fellowship of this brotherhood, are now anxiously waiting a bid as pledges.

The Alpha Alpha proved themselves most attentive hosts and a very agreeable evening was spent. Not the least entertaining feature of the occasion was the super-size fish stories with which Parker Henderson regaled the company. Occasions such as these, that tend to emphasize the really essential "Entente Cordiale" existing between the faculty members and student organizations, are experiences whose value to all participating are not easily over-estimated.

KAPPA EPSILON RUSHING PARTY

One of the smartest functions of Kappa Epsilon was the combination swimming party and supper dance given at the attractive camp of Mrs. Walter Rose, honorary, Thursday, from 4.30 to 10 p. m.

"Hydro" is fitted up as only an ideal southern camp can be and the guests were kept happy every minute. The lake was just cool enough to inspire swimming, the eats just perfect enough to be almost unbelievable, and the floor just waxed enough to encourage dancing.

K. E.'s had as their guests: Mr. and Mrs. John K. List, Mr. and Mrs. Henry Kart, Mr. and Mrs. Arthur Schultz, Mr. and Mrs. Kenneth McCulloch, Mr. and Mrs. Walter Rose, Misses Louise Smith, Jessie Allan and Isabel Edwards, Helen Everhard, Marian Rickard, Helen and Margaret McKay, Dora Hill, Dolly Dargow, and Eddie Bell, Kenneth Warner, Ired Palmer, Dick Star, Hal Hill, Fred Zorborough, Bill Sherman, Archie Grimmer and Harlan Roemke.

PHI ALPHA ENTERTAINS

The members of the faculty recently entertained by the Phi Alpha Fraternity at the delightful home of Miss Peschmann on the occasion of Dr. Parr's recent visit to Rollins, have all expressed themselves as most appreciative not only of the super-excellence of the banquet, but also of the opportune occasion which made possible such a congenial meeting of faculty members, representatives of the Phi Alpha Fraternity, and their guest of honor.

Occasions like these all make possible for those finer values resulting from congenial association of college men. They are events always stimulating of friendly and inspirational human relationships that years later are cherished in the after-glow of retrospect. Dr. Hoyt, Dr. Sprague and Chancellor Brooks wish to convey to the members of the Phi Alpha organization their appreciation of the delightful evening which their thoughtful enterprise made possible.

ALUMNI

The friends of Charles E. Varney, of Miami, who was a Junior in Rollins last year, will be interested to learn that he has spent the past summer at the University of Grenoble and that he expects to remain during the next two years in Europe in carrying on his studies. He will then probably return to South America.

Miss Lella Buschell was the guest of her sister, Eleanor, in Cloverleaf, several days last week. Lella is a law student at Stearns this year.

Geraldine Muriel will receive her A. B. Degree from Piedmont this term.

Karl Tompkins is attending Cornell University.

Max Clock, who is specializing at Simmons, was the week-end guest of Vivian Barbours at the latter's home in Chomford, Mass. Both will be remembered as popular Rollins students.

Thelma Carter is a senior in the Lakeland High School.

PRESS ASSOCIATION

(Continued from page 1)

The college press of the state were written into the constitution at this meeting. The principal changes and additions were the selection of the officers and plans of meeting by a system of rotation; the creation of a monthly news service by the organization for its members to be managed by the secretary-treasurer; the changing of the time of meeting from the second Monday of October to that of November.

Rollins' Publication Made a Member

Although Rollins' publication, at present, is college paper, yet the College Chatter, a section in one of DeLax's dailies, was admitted to the association. The College Chatter was deemed to have the same dignity as the other papers, even though not a separate publication, and furthermore it is the desire of the press association to enroll every college paper in the status into membership in order that the work of the organization may be made more effective.

Next Meeting at Southern

According to the plan of meeting it relates the next annual meeting of the F. C. P. A. will be held at Southern College. The order of meetings is as follows: Rollins, F. S. W. C., Southern, University of Florida and Rollins. In the case of new members to the association the meetings will be held at their schools in order of entrance into the organization.

Tallahassee Girls Fine Hostesses

The F. S. W. C. seems to have a knack for treating a fellow right. The day of the delegates could not have been made more pleasant. They dined at the pleasant home of Mrs. Robertson near the campus, they died and wined us from the lobby of Harvard Hall to the Y. W. Tea Room and the shores of the good Lake Bradford, they gave us a snappy exhibition of felicitous baseball, they showed us how 999 girls could turn out to a Y. W. meeting the same as going to breakfast, they were not ashamed to introduce us to their fine President, Dr. Conrad, and, in fact, they were almost willing to see us off on the 4 a. m. train, but excused themselves on account of much studying. The wonder of it all is that they found time to let us have a meeting of the association.

PRINCIPAL S. A. DRAPER IN CHARGE OF CONTEST IN LEESBURG SECTION

Word has been recently received from Mr. S. A. Draper, Principal of the High School of Leesburg, Florida. The students of the Eleventh and Twelfth grades of that institution are taking lively interest in the Irving Bachelier Prize Oratorical Contest will be held in Winter Park, February 22, 1921. There will be at least two representatives from Leesburg High and it is probable that there will be more entries.

A number of other high schools have been heard from and interest is being shown over the entire state. The prizes which are offered for this oratorical contest are \$60 and \$40, which are more than similar prizes offered in the leading colleges. These unusually generous prizes offered by a man of Mr. Bachelier's standing in the world of letters will undoubtedly bring a large number of ambitious young girls and boys into the contest.
