## WORLD-FAMOUS LECTURE BY NOTED SPEAKER

DR. RUSSELL H. CONWELL ADDRESS STUDENTS AND TOWNSPEOPLE ON "ACRES OF DIAMONDS"—SAME LECTURE DELIVERED NEARLY 6,000 TIMES

Speaker Was a Colonel During Civil War, a Friend of Lincoln; Is President of Temple University; Has Been Lecturing Benefit of College Students

Dr. Russell H. Conwell lectures at Rollins.

The students of Rollins and the residents of Winter Park had the unusual privilege of hearing Dr. Russell H. Conwell, America's most prominent speaker, both in the pulpit and on the lecture platform, deliver his world-famous lecture, "Acres of Diamonds," in Knowles Hall, Wednesday, January 24.

Dr. Conwell, through his extensive training and broad experience, is very prominent as a lecturer and writer. During the Civil War he was Colonel of a regiment and at that time became well acquainted with President Lincoln. Later he was Officer of the Day at Lincoln's funeral. In 1888 he founded the Temple University in Philadelphia, of which he is president. Since 1891 he has been pastor of the Baptist Temple in Philadelphia. For fifty-one years he has been lecturing in the interest of education for young men, and during this time has become personally acquainted with the leading statesmen, financiers and religious leaders of the day.

As dean of the American platform he brought to Rollins a message which has been circulated over the world. His address, "Acres of Diamonds," is one which has been given nearly 6,000 times to groups of college students and others. With his usual magnetic personality he brought to the minds of those present the opportunities which await students in college and people in small towns. He said that most of the millionaires of the country started with nothing but ambition. The secret of greatness is the ability to

WIN FROM OUR TEAM IN HARD, CLEAN GAME—SCORE TIED AT END OF FIRST HALF

Rollins Girls Win From Winter Garden Boys and Varsity Defeats Town Team in Additional Games

Saturday night a hard, fast game between our girls and the Winter Garden girls was played. Our girls showed up very well, as they had evidently recovered from their Christmas vacation and gotten down to hard training again.

In the first half Jimmie James, our incomparable captain, shot two field goals and one out of two fouls, and Margaret McKay shot one field goal for Rollins. Daisy Nutt shot one field goal and three out of seven fouls, and Audrey Briley shot one field goal for Winter Garden.

Babe Clock went in as running center for Ruth Rowley, who hurt her knee.

The half ended 7-7.

In the second half Rosa Brooks went in for Mary Knoke and in the last five minutes of play Margaret Sedgwick substituted for Margaret McKay.

Jimmie James shot three out of five fouls for Rollins. Daisy Nutt shot two field goals and three out of eight fouls and Audrey Briley shot one field goal for Winter Garden.

The final score was a 15-12 victory for Winter Garden.

## ARTHUR RANOUS IS ENJOYED IN SONG RECITAL

LEADING BARITONE GIVES MANY SELECTIONS. RETURNS SONGS BRAHMS AND STRAUSS TO PROGRAM

Host of Friends Greet Him on His Second Visit to Rollins Under Auspices of Conservatory

A large and friendly audience greeted Mr. Arthur Ranous last Thursday evening, January 29, in Knowles Hall, at the first concert of a series being given under the auspices of the Conservatory for the benefit of the Endowment Fund.

Mr. Ranous, who has a host of friends in this vicinity, presented a fine program, which is given below. Mr. Ranous' technical equipment is splendid and his voice is of unusual power and beauty. In the Carpenter songs his interpretation was especially fine. An interesting feature was a group of German Lieder sung in English and Mr. Ranous is to be thanked for his effort to restore these immortal songs of Brahms and Strauss to the concert program. Of these the "Summer Fields" was perhaps the more enjoyable.

Mrs. Christine Hayward at the piano again proved her exceptional ability as a sympathetic accompanist.

## SOME PROBLEMS OF MAIN STREET TODAY

IRVING BACHELLER FORCEFULLY PRESENTS SOME OF CAUSES OF WEAKENED CHARACTER OF TODAY

Splendid Singing by Arthur Ranous and Humor of Famous Author Give Pleasing Touch to Forum

Sunday afternoon Knowles Hall was filled and overflowing long before the hour set for the lecture by Irving Bacheller, third speaker in the Forum series. The esteem of the nation to which he has made himself a dear was fittingly exemplified by his large crowd in attendance. Chairs filled the aisles of the hall and before the program was begun people were being turned away from the doors for lack of standing room.

Music is a feature of these forum programs and the usual splendid treat came this time in the person of Arthur Ranous, baritone, of Chicago. Mrs. Christine Hayward accompanied him on the pipe organ.

Mr. Bacheller, in his usual delightful manner, humorous at times, yet treating his subject in no light way, graphically presented his lecture on "Some Problems of Main Street." Chief among the evils of that thoroughfare were shown to be the lure of business and the growth of wealth. Mr. Bacheller lamented America's poverty in really great men at the present time and sounded a clarion cry for the upbringing of such men as Washington, Lincoln and Webster.

In the forum discussion which followed, Mr. Bacheller, when questioned as to his ideas of the practical solution of present problems, expressed an optimistic belief in the eventual outcome of all difficulties.

Established in 1894 with the following editorial:

"Unassuming yet mighty, sharp and pointed, well-rounded yet many-sided, assiduously tenacious, yet as gritty and energetic as its name implies, victorious in single combat and therefore without a peer, wonderfully attractive and extensive in circulation; all these will be found upon investigation to be among the extraordinary qualities of The Sandspur."

### THE TWIGS

In town are undertaking the problem of liquidating the debt in connection with their club house which is being built near the campus. In that this club house is a great asset to the college and town and in that the interests of the town and college are indissolubly one, the students should assist the ladies in any way possible, especially attending the various functions that appear from time to time for the purpose of raising money.

### THE SANDSPUR EXTENDS ITS SYMPATHY TO SOUTHERN

Southern, The Sandspur extends its heart-felt sympathy to you upon the loss suffered by the disastrous fire which swept through your halls last Saturday. It was a hard blow and a cruel blow, coming as it did in the middle of your school year and making it necessary for you to leave the old haunts and seek a new home. To be burned out is terrible enough, but to be compelled to go somewhere else is added misery.

We want to compliment your president and trustees upon the prompt and business-like action taken by them, even before the ashes had ceased to glow, to rebuild the institution. We trust this to be a good augury for your quick recovery and that you will soon be counted once more among the active. No, you are active, even now, for the papers said that the class-work is to be carried on at the Clearwater Beach Hotel. This is the spirit of victory amid disaster.

Nay, we probably weep useless tears. Often in defeat we become victors; winners instead of losers. May it be so with thee. May you rise on the ashes of the old to a grander realization of your hopes for the future. Fire, terrible at it seems at the time, is often realized later to be a greater blessing than it was a curse.

God speed you, Southern, in your reconstruction work.

## Fraternity News

### K. E. KICKS

Following the custom of last year the K. E.'s will challenge the Sigma Phi fraternity in a war canoe race in the Founder's Week Regatta.

Pluffy left yesterday for her home in Tampa. On account of the ill health of her mother she will not return for the second semester. We are all sorry to see Pluffy go, for she made many friends here during her four years.

We wonder why it was that when Gasparilla week in Tampa was mentioned to Florence, she hopped and squealed with delight and blushed a fiery red? Could there be an attraction other than the fair in Tampa? Florence went home with Pluffy yesterday to be her guest for about ten days.

Pauline Phelps, a south loved K. E. of last year, will soon arrive in Winter Park for a few days. She is coming from her home in Ohio to spend Founder's Week at Rollins.

Marian Rickard and Helen Everhard spent last week at their home in Orlando.

Helen McKay is co-maid of the girls' war canoe crew. They leave for Tampa Sunday to join in the races Gasparilla Week. Other K. E.'s in the crew are: Marian Rickard, Florence Bunby, Pluffy Hanna and Margaret McKay. Miss Edwards will be in charge of the party.

Kappa Epsilon sez: Not a K. E. has been punished by student council since the opening of college in September.

Dolly Barrow was the guest of friends in Orlando last week-end.

### NINE — SANDSPUR

Tuesday evening several of the K. E.'s, chaperoned by Miss Edwards, composed a theater party in Orlando.

Mr. and Mrs. McKay drove up from Tampa last Sunday. They were accompanied by Helen, who has been very ill for the past two weeks.

### PHI ALPHA FOAM

Our usual source of wit and information has gone away and we are left stranded without any. What are we to do? Lord help us. Well, here goes, anyway.

### Basketball

The fraternity is glad to count among those making the present basketball trip to South Carolina three of its members—Stans, Warner and Palmer.

Go to the Ant. These Stagnant everything out for some college activity is our motto. We are glad to note Pledge Lawrence on the baseball field and on the basketball floor.

Ray Greene has been tearing around so of late that we fear he will have corns. He bumped into the house somewhere around midnight on Monday; let's see, was it Monday or Tuesday? Monday? Monday? No, it must have been Tuesday. How was it Ray, Monday or Tuesday?

### Heads Up

Loet, Rominger and Lawrence, our dove-like pledges, don't know it, but there is some hard work in store for them before long. Watch 'em pick up their ears when they read this.

### A Pledge

Our faculty adviser and member, Professor J. A. Pedmore, went to church last Sunday evening.

### SIGMA PHI NOTES

Frances James and Ada Brockman enjoyed a major trip to Tampa and St. Petersburg over the week-end. They knew how to get over the effects of examinations.

Margaret Sedgwick and Charlotte Swain were entertained over night at the Wright home on Lake Maitland.

Mrs. Fletcher spent a few days with Mrs. Grey in Ocoee this week.

Elizabeth Hull gave a birthday spread in her room in Cloverleaf last Monday night. Those included in her invitation were Helen McKay, Esther Miller, Sarah Wight, Lee Wilkinson, Easter Russell, Lucy Anderson, Ruth Waldron, Hazel White. (Continued on page 7)

# WOMAN'S CLUB RECEIVES DONATIONS

At a recent meeting held in Helen Morse Hall, the new Woman's Club building on Interlachen avenue, considerable money was pledged on the part of many present to help meet the deficit due to the unexpected increase in the cost of the structure. Mrs. C. H. Morse, a trustee of the college, and Mrs. C. W. Temple, both pledged \$5,000, providing the club raise the balance. After appreciative vote of thanks came the enrollment of a large number of life memberships at \$100 each on the part of the husbands of ladies present as well as the ladies themselves.

The club will formally open its doors next Friday evening with a dance. The opening was to have taken place this week, but the workmen failed to complete their work in time.

The interest of the town and college are one and the addition of this splendid structure to the town has elicited much praise on the part of the outlying for the endeavor and foresight of the town's club women.

## THE COMMUNITY FORUM (Continued from page one)

that of the New England town meeting," he said, "is least observed. The principle of the town meeting and a world democracy are the same. The new inventions have united America physically, but she is not connected spiritually. In order to make her democracy successful, she must have this latter unity. A common language is the first requisite. It is easy to obtain money for developing all breeds of stock, but there is great difficulty in obtaining money from congress for developing America's greatest resource, her young people. A country must have citizens and the young people must be trained toward that end. America is dependent upon upon her young people, and is responsible for what the young people make of themselves.

"After careful consideration, the plan of Citizenship Clubs has been adopted. The aim is to stimulate America's coming voters, her newly enfranchised women, and her alien population, with a sense of their responsibility as citizens of our great country. These clubs are to meet and discuss current issues, including civics, economics and government. After sufficient preparation the students in these citizenship classes are to write books, each giving his own interpretation of what America's principles are, how they are carried out and what each one's responsibility is in making her principles carried out in full."

Dr. Jackson said that education was a process of self-activity and by this method hopes to inspire the coming citizens to greater educational activity. As a further step toward spiritual unity, he firmly states that party lines must be abolished. In their place must grow up American citizens if our attempts at democracy are to be successful.

## ROLLINS SHOWS UP WELL ON SOUTH CAROLINA TRIP

expectations in shooting, for they missed many times.

### The Line-Up

ROLLINS	BAILEY
Fletcher	LF-RG
Palmer	RF-LG
Starr	C-C
Dow	LG-RF
Warner	RG-LF

Goals from floor: Fletcher 4, Palmer 1, Starr 2, Dow; J. Lillard 6, E. Lillard 1, Carter 2. Goals from foul: E. Lillard 7, Fletcher 4, Starr 1. Referee, Cooke. Time, 20 minute halves.

### THE SECOND GAME

Rollins was defeated 25-13 in a tight battle by the fast Newberry College team, Newberry S. C. by the score 25-13. Newberry College is reported to have the fastest team in South Carolina and has only been defeated once this season. The score does not indicate the closeness of the game. The two teams fought for eight minutes before either registered a goal. Then Casaritzski of Newberry broke the ice with a pretty shot which was followed by one from the middle of the floor by Fletcher. The rest of the half was all Newberry's. The score standing 22-4 when the first half ended.

The last half was a hard fought battle from start to finish as indicated by a 13-9 score for this half. The game was the roughest on record for Rollins. The referees, though fair to both sides, was incompetent to hold the players in check. Rollins put up a wonderful game on defensive against a team which could take Stetson into camp easily. McPhoe, at center, formerly played with the White Automobile Company's team in Cleveland and with a professional team in Youngstown, Ohio, which defeated the Buffalo Germans. He also played with the Cleveland pro team. Thomas, right forward, is another fast man from Ohio. Shelly guarding Fletcher, was an all-state guard last year. Newberry has lost but one game this season and that to Charleston. They have first claim to state honors so far. Rollins showed up fine form and proved themselves to be a far different team than the one which played Monday night. Had they been in the same shape Monday they would have walked away with Bailey.

Scores of the other games will be found in the Bulletin of Lat News.

#### FORMER STUDENT HONOREE AT RECEPTION BY MRS. LEE

Mrs. John K. Lee's pretty new home on Palmer avenue was the scene of a delightful reception on Saturday afternoon, when Mrs. Lee entertained for Mrs. Alexander Glass, Mrs. Joseph Paul, Jr., and Miss Jessie Allen, a former Rollins student.

The house opened in ideal style for entertaining, with charming glimpses of Lake Okechobee from the windows and screened loggia.

Tea was served in the dining room, where Mrs. Rice and Mrs. Meyer were assisted by Mrs. Caldwell, Mrs. A. Schultz, Mrs. Fryer, Mrs. Mason and the Misses Smith, Stetel, Lippincott, Montgomery and Johns.

The tea table was very attractive with candles in blue and pink, tipped English daisies as decorations.

#### IN HONOR OF MRS. SAWYER

Mrs. Herbert L. Sawyer had a reception given in her honor by Mrs. Fred Noble of Jacksonville on her return from her wedding trip, at which time a large number of guests called to meet the attractive young bride, says the Times-Union:

"The affair was most informal, and during the afternoon over one hundred friends of the hostess called. Mrs. Sawyer is a charming young woman and is being cordially received, having recently returned from her wedding trip to make Jacksonville her home."

Mrs. Sawyer was formerly Miss Eleanor June Coffin and graduated from the Conservatory last year.

#### KAFFA MEALIN PUNCH

Just a few frat sisters, together with Mrs. Edwards, went on a joint Monday and had one of the happiest times of their lives. Soft blankets with college pillows were placed near a huge bon-fire and steak, rolls, home-made baked beans, coffee, pickles, cakes, and nut pie, made up the delicious supper. One of the best features of the picnic was the "criticism" party which took place immediately after eating. All were criticized in every sense of the word, and when it was time to return to the dormitories, each K. E. knew her liabilities and assets. It was a party never to be forgotten for outings as there in such close bond of sympathy and understanding between the girls help to make a fra-

ternity blazer and better than ever. The alumnae who were present were: Miss Louise Smith, Miss Isabel Edwards and Mrs. Arthur Schultz.

#### WORK OF OUR PRESIDENT RE- CEIVES PRIZE

come from their host of friends when they arrived. They passed the summer months at their home in Massachusetts and spent several weeks at Asheville, N. C., in November. A summer spent largely in the open, with much time devoted to gardening, was a real recreation as well as a delightful pastime to both Dr. and Mrs. Ward and neither of them have looked as well in years. Although Dr. Ward was slightly indisposed for a few days he has entirely recovered. Dr. Ward is the real samaritan of Palm Beach—the first to be called upon in time of trouble and never ceasing in his efforts to cheer and comfort those who are heavy laden—the friend and adviser of both rich and poor, and first to share their joys as well as their troubles. No one ever hears a sermon of this beloved speaker without being uplifted and the feeling that it has been well spent. If one were asked to name the chief characteristic of Dr. Ward which makes him so beloved, one would undoubtedly say, it is his great understanding of human nature. Welcome again, Dr. and Mrs. Ward.

#### SOUTHERN COLLEGE BURNS

It was with great sorrow that Rollins heard of the misfortune of Southern College. Early Sunday morning the administration building, the girls' dormitory and the president's house burned. The origin of the fire is not known. The loss was estimated at \$200,000, of which only \$40,000 was covered by insurance. The fire started in the dormitory and rapidly spread to the surrounding buildings. The girls escaped without injury, but many of them were unable to save any of their belongings. Lack of fire-fighting equipment prevented checking the fire, although Tarpon Springs and Clearwater responded promptly. Many of the girls left for home at once, but the rest are being cared for by the town people. The library was a total loss, as was the new laboratory equipment, valued at \$2,000.

Class work will be carried on during the remainder of the year in the Clearwater Beach Hotel, which has been put at the disposal of the college by its owners.

A meeting of directors was called at once to determine the course to be taken.

Southern College is the only Methodist college in Florida and it is

likely that the necessary funds for the maintenance of the college will be raised.

#### ALUMNI NOTES

Mr. H. E. West of Tampa, who was a star on the football team in 1906, was a visitor on the campus last Wednesday.

Miss Margaret Rogers, who attended Rollins in 1914-17, is now living with her aunt, Mrs. William Willett, 2215 W. James Place, Philadelphia.

A recent contributor to the Endowment Fund is Hon. Harry A. Nickerson, well-known attorney at law in Portland, Maine. Mr. Nickerson was graduated from Rollins some ten years ago.

The note were marvelous! Why doesn't Lin have birthdays more often?

N. E.—Lin Hull also wishes it stated by the editor that she is not the originator of or proper target for the jokes which that two-headed Charlie Ward puts in the Spur Column.—Ye Editor's Note.

#### ALPHA ALPHA SCANDAL

Alpha Alpha wishes to announce the following new members: Archie P. Grinner of Iowa City, Iowa; Donald K. Knowles of Guilford, Conn.; Edward L. Dow of Moore Haven, Florida, and Wallace M. Stevens of Clairmont, Virginia.

The Alpha Alpha colors may now be seen floating ahead of Wilbur Waddell.

Brothers "Smut" Fletcher and Dow are out fighting for Rollins—somewhere in South Carolina.

Pat Henderson has become a perpetually automatic self-dedicated to nocturnal perambulation.

Boyle and Sherman, with several assistants, — be seen behind the counters of the College Pharmacy, selling ice cream and peanuts from 7 a. m. until 5 p. m.

King's socks walked off with Pat's pet cunn. They are a strong combination; watch out.

Everyone will be glad to know that Max Shoun is now recovering rapidly from his operation, at his sister's home on Lake Oconota.

**JUNIOR PROM**

The Junior class of the college has announced that students and alumni in Winter Park are invited to the Junior Prom to be held in Lyman Gymnasium, Saturday, February 12, at 8:30 p. m. This will be a subscription dance among the students and alumni of the college at \$2 a couple, ladies free. Trumpet Orchestra will play for the dance.

The class committee on the dance met Tuesday to make arrangements. The plans made indicate that the Prom this year will be one of the most delightful given. As the Prom is one of the regular events of Founder's Week the Juniors always take great pride in seeing that their sponsoring function of the year is done in a most thorough manner.

The committee on arrangements consists of Helen Everhard, Irma Sample and Warren Ingram.

**OPENING OF WOMAN'S CLUB**

Owing to the incompletion of the Woman's Club in time for the sixth Twig dance last Friday evening, the dance was given at the Winter Park Country Club as usual. However, the new club house will be the scene of the next dance, Friday evening, February 11. Preparations are being made for a gay and interesting evening under the able leadership of Mrs. Temple, chairman.

The Woman's Club is an attractive addition to the city and is one of the latest and finest public buildings here. The ladies of Winter Park are due much credit in showing their progressive spirit by erecting such a club house and we know that it will mean much in the social life of the city in the future.

Without a Sandspur? That is the thing to keep in mind. Some of the paper's advertisers give their address merely with the desire to help rather than to receive any benefit. But most of them are expecting some return. Don't disappoint them. Fly fair.
