I haveing this opportunity by my Master Got a
Little time to write to thee hearing thou was
every day by severall people which made me
the more willing for to write these few lines
I thinking for to hear that thou was better
but In feare of better worse which makes
me for to ~~write~~ weep at the hearing of it
and at severall other times when I think
of thee what a great Ld that we should
have if we should loose thee but I
Leave it to the Lord who knows better than
what do other man who is the maker
of ~~us~~ all being in hast I shall not
enlarge much but desire thee to tell me
more that I Received her Letter the day
before yester said the re-guards of ~~the~~
the things she mentions in her Letter I know nothing
of ~~but~~ but only of the Coat and that you
to the mill and hath thy mark but since I write
to thee about it Gran mother has been hear
and she told me that it was hers but I was not
in the Shop when it came so I cant tell
nothing of the Rest of them but I will
inquire of James Cooper, as to the Lime master
will be thy and then thou mayest speak with
him about it

But if not I believe ~~that~~ thou mayest
 have it for 2 bush at the same price
 for I spoke to mast. E. and to William & mast. E.
 thought that two bush was to little but
 William bid me charge it ~~at~~ for 2 bush at
 2^d for bush. Is all at present from thy
 Duty full ~~Dear~~ Son
