FOUNDER'S WEEK TO OPEN ON NEXT THURSDAY

50TH ANNIVERSARY OF COLLEGE TO BE CELEBRATED BY DINNERS, GAMES, WATER SPORTS, ADDRESSSES, GATHERINGS, CONCERTS, CONTESTS AND DANCES

Town of Winter Park Celebrating Its 25th Anniversary—Himant Velters Coming

Founder's Week, celebrating the 50th anniversary of the founding of Rollins and the 25th anniversary of the founding of Winter Park, will open next Thursday, February 24, and extend through Monday, February 28. The schedule of events has been so arranged that the founding of the town and college will be fittingly commemorated, and it is easy to say that never in the history of the community has a more significant series of events been arranged. Committees from the town, faculty and student body are hard at work to make this the best event of its kind ever held.

On the evening of Thursday, February 24, the annual Pan-Hellenic Dinner-Dance will take place in the Woman's Club and the committee in charge say that this event will come up to all expectations. It will be remembered that Irving Bacheller and

THE DELPHIC SOCIETY ELECTS NEW OFFICERS

WINIFRED STONE READS LITERARY SOCIETY AS PRESIDENT—FORMER PRESIDENT STONE IS CHAIRMAN OF PROGRAM COMMITTEE

Debate With Meyer Attracting Much Attention

The regular meeting of the Delphic Society was held last week on Thursday evening, February 10, at 7:15. The main feature of this meeting was the election of the following officers of the Delphic Club for the second semester:

President—Miss Winifred Stone.
Vice-President—Miss Ruth Waldron.
Secretary—Miss Margaret Bell.
Treasurer—Kenneth Warner.
Program Chairman—Alford Stone.
Literary Chairman—Miss Nora Wells.
Music Chairman—Miss Ruth Hoyt.
Dramatic Chairman—Miss Marion Richard.
Debatting Chairman—Edward B. Loets.

It is believed that the new officers of Delphic are very capable individuals for the offices which they are chosen to fill. Much interest is now being shown in these meetings, and some very interesting programs are in store for the future. We are, therefore, looking forward to some very successful meetings this semester.

After the business of the meeting—finished and the minutes of the preceding meeting read and approved the program was given. The literary program which had been prepared for the evening was unable to be presented, but in place of it a short program was given which was much enjoyed by all fortunate enough to hear it.

The program consisted of a reading by Mrs. Bountree and a piano selection.

ROLLINS WINS WATER EVENTS AT SOUTH FLORIDA FAIR

WALLACE BYRD WINS THREE EVENTS, ROBERT BROOKS OUTDISTANCES ALL COMPETITORS

Girls' War Canoe Defeats Boys in Regatta Race — Hillsborough High School Entry Takes First in Men's Diving

Rollins College, with her aquatic stars, captured all but one of the comparative events pulled off during the regatta that was staged on the Hillsborough River Monday morning immediately preceding the landing of the Pirate Krewes of Gasparilla.

There were only a few entries against the invading outfit and those that were entered were completely outdistanced by the Rollins crewmen, with the single exception of diving. In this one line the Rollins boys showed their only weakness, the Hillsborough entry easily winning first place. Through a misunderstanding there was no competition for the girls' team and their swimming events had to be pulled off as exhibition work.

Some very pretty exhibitions of water sports were presented. Among the most popular were the centipede race and the tilting contest. The doubles for women proved to be an exciting match, Margaret McKay and Marian Richard winning by about a boat length. In the men's singles the race was very close, "Souple" having to exert himself by staging a beautiful burst of speed at the finish line in order to leave Hillsborough behind.

The event that drew the most applause from the crowd of several thousand people who watched the regatta was the war canoe race between the two crews from Rollins. The women were given a slight handicap, but that advantage was offset by a poor start. After this had been

ROLLINS HAS BOOTH AT THE SUB-TROPICAL FAIR

BOOK OF GOLD AND BLUE IS ATTRACTIVELY DECORATED TO DISPLAY THE WORK AND PLAY FEATURES OF LIFE AT ROLLINS

Hiram Powers, Former Member of Faculty, Has Direction of Booth and Largely Responsible for Its Success

Following the custom of previous years, Rollins has a well displayed booth at the Sub-Tropical Mid-Winter Fair in Orlando this year, under the direction of Mr. Hiram Powers, a former Rollins professor.

The booth is in the northeast section of the cross formed by the Art and Agricultural building. On either side of the entrance are two white columns which, combined with attractive lattice-work at the top, form an archway. The walls are made of beaver board, setting off the exhibit in an attractive manner. On these walls near the roof are eight medallions with monograms of Rollins and Winter Park in blue and gold. Between these are draped festoons of moss. Two Rollins capes on the sides add attractiveness to the booth.

A pyramid composed of the exhibits is in the center of the booth. All the departments of Rollins are well represented and the instructors of each have reason to be proud of their displays. Literature and other features of interest from Winter Park occupy one side of the pyramid. Fruit and vegetable grown in Winter Park are in this section also. Over all hangs the large Rollins seal, which means so much to us all and lends the finishing touch to the booth.

- DR. ERICKSON AT FORUM SUNDAY
- Dr. C. Telford Erickson, a missionary statesman of several years' vivid experience in the Balkan states, and at present official representative of the Serbian government to the United States, will lecture at the Forum on "War's Aftermath in the Balkans."
- Miss Greenup, violinist, will play.

The Rollins Sandspur

Established in 1894 with the following editorial:

"Unassuming yet mighty, sharp and pointed, well-rounded yet many-sided, assiduously tenacious, yet as gritty and energetic as its name implies, victorious in single combat and therefore without a peer, wonderfully attractive and extensive in circulation; all these will be found upon investigation to be among the extraordinary qualities of The Sandspur."

OUR ADVERTISERS

Did you ever stop to think that if it were not for those business men who advertise in our columns you would have no college paper? Whether you have digested that fact or not, it's the truth. To be sure, your subscription pays for a great deal of the necessary printing, but without advertisements we would be absolutely unable to make both ends meet. The Ringville Bugle hits it right when it declaims, "We can't run a paper on hot air and cold potatoes!"

The advertisements which appear in The Sandspur are alive, they tell of real values, and, more than that, they prove that the advertiser is a Rollins booster. A combination like that deserves your support. Give these firms preference over non-advertisers. It will take little effort on your part; in fact, it will be to your own advantage, since you will know that you are dealing with a "regular" firm.

Our advertisers are the best men in town—and don't you forget that little fact when next you go abroad to barter!

WHO WON THE ROLLINS-WINTER PARK GAME?

After all is said and done, who won that game on Friday night when Rollins played the town team? "Rollins, of course," someone will say. Yes, but that word ROLLINS covers a number of things. Rollins may mean so many buildings and acreage on the pretty shores of Lake Virginia, or it may mean the student body, either the men or women alone or all taken together, again Rollins may be conceived as some intangible, impersonal object composed of many things, any one of which may take the name of the whole. Then let us have a more definite answer as to who won the game. This our reply will probably be that the basketball team was the winner. Here is where someone is wrong. It was not the basketball team. The team was the mere expression of the victory—the means to the end. The real winners were a mere handful of loyal girls over in one corner of the gym. It was these girls who banded together and with their snappy cheers spurred the team on to victory at a time when a failure to make a sudden headway would have been fatal with the opposing team maintaining its steady lead. Within two minutes after the first cheer two field goals and one goal from fouls had been chalked up and the game won to the credit of Rollins. The men on the floor felt that they were not alone and that there was someone else who cared whether or not they won or lost. This assurance was all that was necessary for them to stage a rally and come out on top. Here is a toast to that handful of REAL ROLLINS GIRLS who turned the tide that night; may they be the seed which will spring up and be evidenced by a finer college spirit on our campus—a spirit of all for Rollins.

ALPHA ALPHA SCANDAL

Geoff Berle, Pat Henderson and (How-wow) Wallace Stevens made the trip to Tampa. They are all right now.

Ned King has developed a terrible aversion for a certain form of card playing. We have expostulated with him concerning its wickedness, but he persists in his game, which is Rummy.

Bill Sheyman and a barrel of pork collided the other day. Ask Bill why he retreated.

We all thought Peetrade Sloan was a good friend of dogs. It grieves us to state that his last one deserted him for a colored gentleman.

We are very sorry, but Archie Grieser has just come in with his pet pipe and we are able to think no more. When Archie comes in with that pipe, our one object in life is air.

SIGMA PHI NOTES

Sigma Phi accepts the challenge of the K. E. Sorority to the war canoe race in the Founder's Week Regatta.

Katherine Barnes spent Sunday in Daytona.

Mrs. Fletcher entertained at a kitchen shower for Mrs. Albert Howard on Friday afternoon. There were mighty good refreshments served.

Mary Hourke spent the week-end in Lake Alfred.

K. E. KICKS

Kappa Epsilon wishes to announce Eva Misseldine of Tryon, North Carolina, as a pledge.

Marion Rickard and Margaret McKay were the winners in the canoe doubles for women in Tampa.

Saturday the K. E.'s gave a steak roast in honor of Pauline Phelps, a visiting K. E. of last year. The party EIGHT — SANDSPUR

left the boat house about three in the afternoon, and went to the Seminole Picnic Grounds in a war canoe. Several games of five hundred were played in the afternoon. After the beautiful supper, ukeles were played around the campfire and everyone sang. We wish we could tell you about the fashion show, but we don't know the particulars yet ourselves, as Louise had to leave early. The most fun of all was coming home by the light of the moon. Those who went were: Pauline Phelps, Mary Knoke, Lee Wilkinson, Eva Misseldine, Dolly Darrow, Dixie Hill, Ma-

Don Rickard, Helen Everhard, Margaret McKay, Miss Edwards, Mrs. Shultz, and Miss Louise Smith and her house guest, Miss Sarah Dunaway.

Florence Dumbly returned Saturday from Tampa. She knows a new song. Better get her to sing it.

At last our beloved Pad has arrived.

Helen McKay, who has been ill at her home in Tampa, returned to school Sunday night.

Two fratres and a pledge have been elected to offices in the Delphic Literary Society. Alford is new Program Chairman, Kenneth Warner Treasurer and Edward Laete Debate Chairman.

Book Review

"Trading" and "Walking," both by Thomas H. King. These two essays are very well written. The first tells the methods used by big business men in selling autos in such a way that you get almost as much for your car as it is worth. The second describes in detail the correct movements used in the Cloverleaf Crawl. No doubt the author is well informed on the first subject, but he looks at the second from the viewpoint of an amateur.

Harold Klock, of the University of Florida, was the guest of Freddie Hanna in Tampa last week-end.

FOUNDER'S WEEK OPENS NEXT THURSDAY, CONTINUING THROUGH 25TH
(Continued from page one)

Hamlin Garland were the principal speakers last year when the function was held at the Virginia Inn.

Friday morning at 10 o'clock the Student Association will hold its annual assembly in Knowles Hall. At this time football letters will be presented to the varsity and handsome sweaters, the gift of the Rollins girls, to the football heroes, will be handed out. Those receiving letters and sweaters will be: Captain Boyle, Manager F. Ward, Robbins, Evans, Warner, C. Ward, H. Thayer, R. Palmer, E. Cotting, R. Wright, H. Proemke, E. Dow, R. Williams, E. Seelye. At the same time the Brown Bowing Cup, presented by the South Florida Fair Association to the victorious crew from the Gasparilla regatta, will be formally presented. Alvard Stone, Vice-President of the Association will preside.

The Irving Bacheller Oratorical Contest for Florida High Schools, at which Dr. E. W. Bok, former editor of the Ladies' Home Journal, will preside, is scheduled for 4:30 in Knowles Hall on February 25. The prizes are \$50 for first and \$40 for second. The judges will be Dr. Kerr Hayes Tupper, Mrs. Edward Packard and Mrs. Hiram Powers. Those who have won prizes in this contest are: Miss Jeanne Carraway, Orlando High School, "The Making of a Man"; Miss Ida Carmack, Oakland-Winter Garden High School, "What is Really Worth While in Life"; Miss Nellie Dutton, New Smyrna High School, "The Character of Roosevelt"; Miss Lena Ella Hissler, Gwynne High School of Fort Myers, "What is Americanism?"; Miss Margaret Reed, Fort Lauderdale High School, "Americanization in the High School."

The twenty-ninth anniversary dinner of the Delphic Literary Society will occur at 6 o'clock, following the Bacheller contest and Chancellor James Brooks will be toastmaster. The annual presentation of the Delphic Debating Cup to the winning class will take place and there will be a number of alumni speakers. The society has been fortunate in securing for the principal speaker, Major Alexander Powell, the eminent war correspondent and author, who will speak on "America in the Eastern Crossroads." Major Powell has a most remarkable war record, having seen service in Europe from 1914 to 1918 and has been decorated by three kings, and his speech is looked forward to with an end of interest. Among the guests of honor will be Mr. and Mrs. Irving Bacheller, Miss Mary Leonard, Mrs. Alexander Powell, and a number of trustees. The committee in charge of this function is composed of Miss Elizabeth Hull, Miss Helen Everhard and Miss Ruth Waldron.

Rollins' athletics will hold away following the Delphic Dinner, and two good games, one for men and one for women, are being arranged by Coach Brewster. The men will be

either Southern or Florida Military Academy. The games will be held in the gymnasium.

Saturday morning, Alumni Day, the first event begins at 9 o'clock, when the finals of the tennis tournament will be played. Many of the matches have already been played off and great interest is being shown in the finals.

The twenty-third annual meeting of the Alumni Association will convene in Carnegie Hall at 10 o'clock, and it is expected that a large number of alumni will be present for the annual election of officers and other business. An "All-Rollins Home-Coming" will be held at 11 o'clock and it is expected that both Orlando and Winter Park Clubs will be well represented. The usual Alumni Luncheon in honor of the seniors is timed for 12 o'clock.

The annual regatta, the event of perhaps the most unusual interest of all, will start on Lake Virginia at 2 o'clock on Alumni Day and the entries are as follows: Swimming for women, 50 and 100 yards; underwater for distance; swimming for men, 50, 100 and 220 yards; underwater for distance; canoe singles for men; canoe singles for women; canoe doubles for men; mixed canoe doubles; tilting race; doubles on gunwales; bowman's race; diving for men; diving for women; war canoe races; academy men versus college men; academy women versus college women; Alpha Epsilon Fraternity versus Sigma Phi Sorority; canoe sailing. This last event is a new feature and promises to be one of the best. Every day the sailing canoes may be seen on the lake, racing with each other. P. Zorbaugh, E. Dow, H. Wendler, P. Putzer, R. Brooks, W. Byrd, M. Sloan and E. Fletcher are the contestants to enter this race.

The twenty-seventh anniversary dinner of the Sandspur will follow the regatta with a good array of speakers on journalism and Editor Ingram promises something just as good as last year's celebration, when Frank N. Doubleday was the principal speaker. Representatives from the Florida college press are expected to attend and it is already known that the Florida Alligator will be represented by Herbert Ford, editor for the present year.

The Junior Prom will close the activities of Alumni Day, and the committees in charge are Miss Helen Everhard, Miss Irma Sample and Warren Ingram.

Sunday, February 27, will be observed as Founder's Day and it is expected that the pastors in town will deliver special Founder's Day sermons at the morning services. The formal exercises of the day will begin on the campus at 2:15, when the academic procession, composed of speakers, trustees, faculty and seniors will be formed at Carnegie Hall. The principal speaker of the day will be Dr. Arthur E. Restor, the well known president of the Chautauqua Institute.

winning, however, they did splendid work and, contrary to all expectations, crossed the finish line in advance of the boys' crew.

Special mention should be made of the women's crew and to Wallace Byrd for his splendid work in winning three firsts in the canoe races, also to Robert Brooks, who showed up especially well in the 220 yard swim, when he left his nearest competitor yards behind.

Many were the expressions of appreciation for the splendid entertainment accorded the Rollins crews by the McKays. Their efforts to make the visit a pleasant one were unceasing.

Winners of the Various Events Were:

100 yard swim for men—Rogers, first; Raybner, second; Hillsborough, third.

50 yard swim for men—Brooks, first; Hillsborough, second.

220 yard swim for men—Brooks, first; Raybner, second; Hillsborough, third.

THE REGATTA IS COMING

A good many have signed up and are preparing for the water-meet which will be held during Founder's Week. We want it to be a real Rollins event, and in order for it to be this, everyone who can do anything at all should be listed. GET BUSY AND SIGN UP!

There is a chance for nearly everyone, especially in the war canoes, where the college boys will race the college girls; the Sigma Phi girls will race the Kappa Epsilon girls; if enough will try out, the academy girls will race the college girls.

If you can sail a canoe or are willing to try it, wake up and take notice. Now is your chance. The canoe sailing race is causing so small amount of enthusiasm for several seasons, one of which is that a personal will be given to the winner and so one will be allowed to wear one but the winner of the sailing race. Here is a chance for distinction. USE IT!

The list is posted in Knowles Hall and you cannot fail to find it.

MANY SOCIAL HONORS FOR ROLLINS STUDENTS ON TAMPA TRIP

That Tampa is a good host was only too well proved to the Rollins students who recently took part in the water sports on the Hillsborough River on Gasparilla Day. Headed by Mrs. D. B. McKay, wife of the former mayor, the Tampa reception committee opened their homes in the Southern hospitality to the visitors and among those entertaining were: Mrs. D. B. McKay, Mrs. N. Gutierrez, Mrs. Albert M. Adams, Mrs. L. H. Mitchell, Mrs. Pannic Hays, Mrs. Ambrosio Toyne, Mrs. J. J. Jackson, Mrs. Rhoson McGregor, Mrs. Walter Betts and Mrs. J. M. Kesley.

On Saturday evening Mrs. McKay opened her home to the entire Rollins delegation and served a most appetizing Spanish supper. Mrs. L. B. Mitchell entertained a number of the girls at her home Sunday evening to meet the officers of the U. S. S. Asheville, and Capt. J. B. Gay, in charge of the Asheville, also entertained a party on board his ship. Through the courtesy of Lieut. Stephen Kissinger a large number of Rollins visitors were taken out in mid-stream in his sub-chaser to view the aquatic events. Nearly everybody took in the Johnny J. Turner show on Monday evening and President Broeton of the Fair Association presented all Rollins contestants with passes to the fair grounds.

Mrs. W. C. Temple, who drove down in Tampa with her party to view the water sports, entertained at a dinner party at the Tampa Bay Tuesday evening for those remaining over for the Gasparilla Bull-boat evening.

OPENING DANCE AT WOMAN'S CLUB

The attractive new building of the Woman's Club of Winter Park was the scene of a charming dance last Friday night. This was the first dance in the new club house and everybody testified to its being a real success.

In fact, it was a thriller from start to finish. The music furnished by the Original All Jazz Five was in itself a treat. Several people walking by stopped and asked if Ted Lewis and his gang of jazzers from Chicago were playing. These lively musicians wore attractive costumes of red and white. Several of the dancers seemed to know where those costumes were procured. Red and White, it seems that those colors are familiar. Anyway, they were very "spitty," and the owners must look attractive in them. E'nuff said.

Refreshments consisting of sandwiches, coffee, punch and nasturtiums (?) were served. The latter

named article was residing on each plate. Some foolish persons ate theirs. The others merely smelled theirs and a few gave theirs to their girls. It's rather hard to tell which of the uses was the best.

A large crowd of dance fiends from the college attended. Among the shakers were: Miss Barrett, chaperone, and Misses Kerr, Stagg, Miller, Gram, LaDuo, Sedgwick, Swain, Burnes, Hoskins, Harris, Foley, Phelps and Watts. Among the men folks from the college were Messrs. Froenke, Lawrence, Bell, Robbins, Stevens, Smitty, Foley, Wright, Myers, Sturr and Arrants.

DEAN HODGIN VISITS ROLLINS

Samuel H. Hodgkin, dean of Rollins '11 and '12, visited the college this week for the purpose of offering a teachers' retirement plan to the authorities. Dean Hodgkin is representing the Carnegie Foundation and is now on a tour of the various colleges and universities of the South.

When interviewed as to his purpose, the dean said: "Pleasure." As the reporter seemed puzzled, not knowing that Dean Hodgkin had formerly been dean of Rollins, the dean said by way of explanation: "I was formerly dean here for a year, and it is a great pleasure to see the college and the town again."

After leaving Rollins Mr. Hodgkin became president of Wilmington College in Ohio. He is a Harvard graduate.

CHANGE IN REGULATIONS FOR SECOND SEMESTER

(Continued from page one)

1. No discredits of the first semester are to be counted against the student's record in the second semester.

2. Three discredits accumulated at the end of the semester shall bring the student before the disciplinary committee at its regular meeting, Friday, 3:10 p. m.

If the student accumulates two discredits during the semester, after having once been before the committee, he shall be called before the committee a second time and be given on probation; or, if the circumstances warrant, be dismissed from college.

3. After the above date, no frolics from chapel or class are to be allowed.

4. A total of three unexcused absences from chapel or class shall constitute a discredit.

5. Three discredits shall bring a student before the disciplinary committee at its regular meeting. Two discredits thereafter shall bring a student before the committee.

6. The 48 hour rule regarding the no-habit on excuses will be strictly observed.

7. Sunday church attendance is required and expected, but compulsory church attendance is discontinued.

It will be seen from the above that the number of discredits against a student before he is summoned personally before the Committee on Discipline is reduced from five to three. Discredits will be given with caution and their significance is accordingly increased.

From the abuse of cutting privileges and the conduct of certain irresponsible students in cutting class at chapel, it is obvious that these latter measures are salutary and necessary and will be welcomed by all students who come to Rollins with a serious purpose and who desire for her the highest standards possible.

of Trustees takes place Monday, February 22, at 10 o'clock.

The annual dinner of the Y. M. C. A. and Y. W. C. A. will be held in the dining hall on the evening of Monday, February 22, and well known Christian Association speakers will be present, in addition to the leaders of the college organizations. This event is being planned to stimulate interest in the work of these organizations at Rollins.

Winter Park will have an opportunity of enjoying a rare treat on Monday evening, when Miss Sydney Pauline Thompson (a cousin of Mrs. Carlin's) will give an evening of FOUR — SANDSPUR readings in Knowles Hall. Miss Thompson is a charming reader and has written many of her own monologues. She gives medieval ballads and legends and Arthurian tales in costume. The annual President's reception will follow Miss Thompson's recital.

MERCER TO DEBATE ROLLINS UNDER AUSPICES OF THE DELPHIC SOCIETY

Leading College of Central Georgia to Bring Strong Team Here— Will Be Held Later Part of April

The debating committee of the Delphic Society has received an answer from Mercer University accepting the society's challenge to an intercollegiate debate. Although the question has not as yet been determined, it promises to be one of vital, national interest. The tentative date set is April 29, when about 125 representatives from the high schools of the state will be at Rollins for the annual water-meet. A team of three men will be sent from Mercer to debate with the Rollins team in Knowles Hall. The money apportioned the debating department of the society will amply care for the expense of the trip.

This is the fifth intercollegiate debate on Mercer's program this year, and it is up to Rollins to show Mercer that there is a wide-awake interest at Rollins for this very beneficial activity.

The Library received a very valuable gift from the Rev. M. C. Wilson last week, an almost complete file of the Nineteenth Century Review for twenty years (1889-1919). These yearbooks will be very useful to us in reference work.

HOOWW--OOO--OOO!!
 She had eyes that shone like moonlight
 Eyes so lustrous brown and fair—
 How I used to look into them
 As I stroked her silken hair.

She was always so appealing
 As she smugged 'gainst my cheek;
 Longing, aching, just to tell me
 Things of which she could not speak.

Now she's gone and I'm alone,
 And as anyone can be;
 Talking of the times I kissed her
 To prevent her kissing me.

But I forgot to buy a license;
 Didn't pay me doggie's fee,
 So one day she wandered from me,
 Dog-owners took me dog from me.

HOLLINS-STETSON

Hollins girls were clearly outplayed in the game between Stetson and Rollins in Lyman Gym last Friday night.

The girls played remarkably well in spite of the fact that they came out with the short end of the score. A decided improvement was shown over the preceding games and they possessed teamwork and speed which could be seen accomplished only by hard and steady practice.

The game was played rather early in order to allow the boys to defeat the Winter Park team.

There is no doubt about it. The girls who have faithfully practiced all the time deserve more credit than one thinks. The college knows it, girls, and they honor you for it. May Hollins always have such a live bunch of girls as they have had this year.

STUDENTS TAKE ORLANDO BY STORM IN INTERESTS OF ENDOWMENT FUND

Thursday afternoon a very large percent of the Rollins students went over to Orlando to parade through the main streets and show the people of that city that Rollins was very much awake. The town was taken by storm, and it was hoped that this demonstration on the part of the students would be a good way to start the ball rolling for the Orlando quota of the endowment. Judge Cheney, with his able array of loyal workers, has been doing his utmost to get Orlando over the top in this very necessary campaign, and Saturday witnessed a group of the college girls and men adding tags for the benefit of the endowment. In spite of the efforts the quota was far under-subscribed, and was due in part to the fact that a great many could not be reached in so short a time, and also to the absence of the Shriners, who were in Tampa. As Orlando sends a large number of students to Rollins her interest in the welfare of the college should be vital. Also she enjoys many advantages resulting from having such an institution of higher learning close at hand. It is hoped that this will rally to the call and sub-

scribe her full quota before the date appointed for the close of the campaign, February 22.

THE PROF'S CORNER

Chancellor and Mrs. Brooks dined on Monday evening at the Varsity Inn, as the guests of Miss Hopkins, Mrs. Quackenbush, and Mrs. Rybo, to meet Dr. Charles Upton Clark, who has delivered several lectures on matters of international interest before the College this week.

Dean Barrett spent the week-end at Daytona, with friends from Grand Rapids, Mich.

Dean Sprague and Professor Corbin, with Mr. Irving Bachelier, were the judges in a recitation contest among the colored people of Hannibal Square on Tuesday evening, Feb. 8. The recitations were selected from the poetry of Paul Laurence Dunbar.

Professor Corbin's lectures on the Contemporary Drama for the people of Winter Park are being well attended. His lecture this week and the one next week will be on fees and his social plays. Single admission is not \$1.50 as the "Sandspur" said last week, but 50c. Course tickets are \$5.00.

Professor Brewster's mother, Mrs. E. W. Clark, who is spending the winter in Orlando, was the guest of Mrs. Brewster during Mr. Brewster's absence.

Coach Brewster says Rollins looks mighty good to him after that basket ball trip, and that there isn't a better school south of the Mason-Dixon line. (Editor's note—Att. Boy: Check the old pep all the time.)
