## FIGHTING TARS WIN OVER EX-SOLDIERS IN ORLANDO

### MAKE POOR START IN FIRST QUARTER BUT ROUND INTO OLD FORM AND WIN EASILY

EX-CAPTAIN WRIGHT, CAPTAIN  
THOMAS, TEARE, BOYLE, WULF  
AND SILBY STAR. SCORE 31-6

The Rollins Tars were returned winners in their game Saturday with the American Legion team of Orlando by a score of 31-6. These six points were the result of a rather sad play when Ward passed high over the head of Dow and in the shuffle for the ball Zeigler of the Legion team scooped the apple up and ran for a touchdown. After this bit of rotten football had eased out of the systems of the Tars the game was put on ice.

The great interference that was evident in the Stetson game did not show itself until the last half when the Rollins team walked up and down the field for two touchdowns against their heavier opponents. The end running of Captain Bob Wright was the feature of the game as the little captain would circle the ends of the Legion team so fast that it looked like a pay car going past a bum.

A rainy day made things awful as the ball was almost impossible to handle. Nevertheless after the boys had been squared away in the second quarter things began to hum with the result that Thomas carried the ball over the line for the first time on a line plunge through center.

On the kickoff Coloco returned the

(Continued on page five)

## MANAGERS ELECTED TO FILL ATHLETIC PROGRAM

At the meeting of the Student Council held Friday night, October 29, managers for the year's teams were elected by that body from among the nominations made by the student body. The candidates were all competitors for their proposed positions, showing that the new system of nomination will secure the satisfactory result of placing experienced and well-trained managers in office.

Warren Ingram, being nominated without opposition for the office of

(Continued on page five)

The above Cup is to be presented by Henry Kart to the Boys' Team winning first place in the Florida State Interscholastic Aquatic meet. Mrs. Henry Kart presents a duplicate to the Girls' Team winning first place in the meet.

## Hot off the Wire!

President Ward with us again. Welcome Prexy!  
Rollins plays Sanford American Legion Armistice Day.

## ROLLINS BURIES CHARLESTON COLLEGE

The Gold and Blue swept over the valient little Red and Black of Charleston College to a crushing victory Saturday, the game ending 41-0. For the first time this year Rollins played a team lighter in weight. The South Carolina Rebels fought with a never dying spirit but their line could not stand under the continued pounding it received and Rollins' swift back ploughed through or circled the ends for long gains. Thomas was the bright star with his dazzling broken field running on the offensive with Boyle smearing them up on the defensive.

## BASEBALL SERIES FOR STATE CHAMPION BE PLAYED HERE

### W. W. ROSE, PRES. FLA. STATE LEAGUE, OFFERS CUP TO THE HIGH SCHOOL CHAMPIONS OF FLORIDA

#### THREE-DAY SERIES TO BE PLAYED—HIGH SCHOOLS HAVE BEEN INVITED

W. W. Rose, president of the Florida State Baseball League and a resident of Winter Park, has offered to donate a silver cup to the High School team winning the baseball championship in 1922 and has asked Rollins to invite the High Schools to send their District Championship to Winter Park to play off this championship in May of next year. Below is given Mr. Rose's letter to the college:

Winter Park, Fla., Oct. 29, 1921.  
Mr. R. W. Greene,  
Director of Student Activities,  
Rollins College, Winter Park, Fla.  
Dear Sir:

In the Sunday edition of the Jacksonville Times-Union, October 16th, I read that the Executive Committee of the State High School Athletic Association at their annual meeting at Gainesville had decided to district the State for High School Athletics and that plans were being made to have the ten leading basket ball teams from these districts play a tournament at the University of Florida.

The idea appealed to me as being a real improvement over the former method of determining the championship of the State and I feel that the Executive Committee is to be congratulated.

(Continued on page 7)

## MR. AND MRS. KART GIVE SILVER CUPS FOR MEET

The morning after the 1921 State Interscholastic Aquatic meet Mr. Henry Kart walked into the College office and said he desired to present a perpetual cup to the Boy's Team winning the 1922 meet. Not many days after while admiring a selection of cups sent into the College, Mr. Kart said: "You have to secure a cup for the girls, don't you? If so, Mrs. Kart will be glad to give such a cup."

President Ward, our Trustees, and every one interested in the upbuilding

## HOW ABOUT IT?

(Contributed)

We're wrong, ALL WRONG!! Where's our school spirit! This is a fine school for spirit!

One hundred per cent attendance at the big games and one hundred NON-attendance at the small games. The little game as well as the big game counts. Our boys are working for the honor and glory of Rollins and what are we doing? Are we doing our part? Each game, large or small, is an important victory or loss in our football strength and that strength is practically worthless without our support on the sidelines. This year we defeated Stetson! We were there and Stetson knew it!

Last Saturday, we played the Orlando American Legion. We were not there! We had several representatives to whom due credit is given, but the student body, The Representative of Rollins College, backed down! We won. It was plainly seen that the vic-

## CAPTAIN "BOB" WRIGHT TENDERS RESIGNATION

THOMAS ELECTED AS SUCCESSOR. BOB CALLED BY BUSINESS

The campus was startled the first of the week by news of the resignation and departure for New York city of Bob Wright, the popular little football captain and fast quarterback. Bob will go greatly missed on the campus and athletic field where he has starred this year and last, winning his R's in football and baseball. In addition to this active work Wright accomplished much behind the scenes for the college, bringing in new men for the team that maximally aided in building up this year's successful machine.

"Cotton" Thomas was unanimously elected Captain by the team at Tuesday's year and it is felt that he is one of few who could assume the leadership at this time without loss of team work.

Mr. and Mrs. Wright left Thursday night for New York City, where Mr. Wright will enter the business world.

## HALLOWEEN SOCIAL

A Halloween social was given by the Christian Endeavor Society of the Congregational church Monday evening in the Hooker Memorial for the members of the society and the college students attending the church. The room was beautifully decorated with Halloween lanterns and moss shrouding the whole atmosphere in mystery. Upon entering, each guest was made to shake the limp, cold, clammy hand of a ghostly statue in the doorway. Contests, games and music formed the entertainment of the evening and the festivities closed with the serving of delicious ice cream and cake. A number of the college students were present and all report a jolly time.

Winnic was determined to get rid of her curly hair, and did so from ten-fifteen and ten-thirty.

All we can say is that it was some Chapel cut. Loyd won a fried chicken. Just for kidding Red Burns along, too. But no one has said chicken to this crowd as yet. (A hint to be wise is sufficient, we hope.) The mistletoe at the party Friday night proved effective, thanks to Miss Barrett. Some of the boys claimed that the doughnuts strung up on the door were doped. We're sorry, come around again and we will have some worth while for those who were slighted. Jimmy: What is there about Pat Henderson that everyone likes? Frances: Guess it is because he is so comfortable looking. (Let's ask Charlotte.) "Gramp" may be old, but we notice that he can blush.

Tau Lambda Delta deeply appreciate the cordial welcome of the fraternities and student body in general and will endeavor to justify the faith which has been placed in it.

Brothers Stryenger and Wheldon spent the week-end in Tampa inspecting the results of last week's storm. Odell reports that Tampa chickens are roosting high at present.

At the Phi Alpha masque Brother Rich gave a most natural impersonation of a lonesome bum and Brother Caldwell looked more like a girl than a girl does herself.

The Tau Lambda Delta boys appreciate the fine time shown them and their girls at the picnic given by Phi Alpha last night.

## SIGMA PHI NOTES

Wanted—A theatrical manager for Everty and Gertie.

Barrah for Jimmy. Second off he divers in the pool the other day. (And all the practice she had had was diving under the bed when unexpected callers popped in at the House.)

Fanny had an awful Tears spell lately. Nobody sneezed, but by Jimmy!

Bobbie's folks walked out and left the house to her. She grabbed up a handful of girls and had some party Tuesday night. You know that kind—good home-made eats and no sleep. "Izzie" is home at last. She's still quiet, but, oh, you don't know "Izzie." Eddie and Margaret may not be able to talk about boys, but you should hear their vocabulary when they talk about grandpa.

Winnie was determined to get rid of her curly hair, and did so from ten-fifteen and ten-thirty.

All we can say is that it was some Chapel cut.

Loyd won a fried chicken. Just for kidding Red Burns along, too. But no one has said chicken to this crowd as yet. (A hint to be wise is sufficient, we hope.)

The mistletoe at the party Friday night proved effective, thanks to Miss Barrett.

Some of the boys claimed that the doughnuts strung up on the door were doped. We're sorry, come around again and we will have some worth while for those who were slighted.

Jimmy: What is there about Pat Henderson that everyone likes?

Frances: Guess it is because he is so comfortable looking. (Let's ask Charlotte.)

"Gramp" may be old, but we notice that he can blush.

The latest addition to the House is a telephone. Needless to say it is kept in constant use. "Long distance—Orlando, please," is the K. E. Special.

Mildred Kennedy is back again, looking very much benefited by her rest here at home. Mildred says pneumonia isn't very pleasant though.

One of the K. E.'s had a long letter from Mary Whitehead the other day, and from the following note in Mary's letter, we know she'd like to be with us. "I can get along very well and am contented until I begin thinking of Rollins and every one there and then I get so lonesome I nearly pass out."

Berta says, "If any of you all can drive a Ford, you're welcome to use it." Yea, verily, every K. E. who can't, is willing to learn.

Dolly fluttered down to Ochechubee this past week-end and brought us back a wonderful mince pie. We all like Dolly, but we wish she'd go again and return with another pie.

Daily Habit: Kitchen, Litt's Eva Fudge Party.

Our new Victrola just won't stay adjusted. Result: Daily appearance of the Orlando salesman to repair it.

Helen reached Winter Park safely after a lovely week in Tennessee at the reunion. Helen says "I hope to tell yuh I never missed a thing there—sleep wasn't mentioned.

Fluffy spent the week-end in Tampa and even the storm results couldn't make her stop raving over Paul and Spartanbury. She's still at it.

## ALPHA ALPHA SCANDAL

### Alfalfa Brawl

The Alfee Alfee's brawl proved to be a great gloom killer. From all reports every guest enjoyed themselves to the limit. Another one will follow.

### Congratulations

Cotton Q. Thomas, the dishing full-back, has been elected football skipper to fill the vacancy left by Bobbie Wright, who leaves for New York and old Broadway.

### Grandpa

"Goofs" grandchildren failed to heed the old man's advice and therefore "22" Barrett bayled 'em out at the masquerade last Saturday.

### A Mistake

In last week's Scandal, it was mentioned that Bro. Edward was buried. Eddie is very much alive.

### Pardon Me!

"Kitty" and "Max" say that the Scandal editor is very rude and that they are happy and not care if the world knows that they are "officially" engaged or not. We hereby repeal the statement which appeared in last

(Continued on page 3)

## FRATERNITY NEWS

(Continued from page 2)

work's issue concerning them.

### LOST—X71Q7

A girl for four straight dances. Finder please return to Coach Schlichter. The Alfs extend their sympathy and will try to locate her. Three times is hard luck!

### We Wonder—

What "Shorty" Munhall was looking for Monday night when he fell down that hole and busted his clock?

### The Fur Lined—

Is herewith handed to "Grif" for it was through his pep that the gang pulled off the dance. "Art" is officially elected the standing social committee for the year, so prepare for some rare events. We're all with you, "Art."

### We Thank—

The Sigma Phi's for the delightful dance at their Maison last Friday night. Brother Burns was ambushed under the hiatchet, but he is fast recovering.

### WE CLAIM THAT—

We have:

- The short man—Munhall.
- The tallest man—Foley.
- The loudest man—"Grif."
- The quietest man—Teare.
- The fattest man—Henderson.
- The thinnest man—Foley.
- The best mixer—"Eddie" Wolf.
- The highest hair—Thomas.
- The curliest hair—"Goof."
- The handsomest—Count Lednasky.
- The ladies' man—Collins.
- The bull slinger—Dyson.
- The fastest man (at night)—Rowe.
- The mischief maker—Burns.
- The most "eddie"ated—Happy Bender.
- The champion "snipe" hunter—Van Sinserson.
- The only "Grandpa"—Goof.

Editor Steve says—  
I'm an Alpha Alpha, but the bull these berries sling in the Scandal will not be my job one of these days.

## PHI ALPHA FOAM

### Thanks

Phi Alpha wishes to thank those persons who in various ways helped us make our dance last week the success it was.

We regret to say that Pledge Bronson was absent the first part of the week due to the death of his uncle Sunday.

### We Hate Ourselves

For he it from us to slip ashes in anybody's bevo, but we claim 100 per cent return of last year's members. Freshie Ward, our only graduate last year, is now working for the Winter Park Land Co. Those of us that returned to study (!) are:

Warren "Grub" Ingrum,  
Alvard "Brick" Stone,  
Frank "Red" Palmer,  
Kenneth "Peanuts" Warner,  
Charles "Gooser" Ward,  
Rex "Mosquito-shooter" Holiday,  
Orlin "Romeo" Rominger.  
Besides the above we have three faculty members:

Prof. "Jap" Podmore,  
"Freddie" Hanna,  
Raymond "Gym" Greene.

### Additions

Complets returns from Pledge Day find also the following pledges in addition to those published last week:

W. B. Feagle, Winter Park, Fla.  
Douglas Potter, Bowling Green, Ky.

### Football

Great interest seemed to have been shown in the inter-sectional football games of last week in the various parts of the country. Hoopay for Penn State and Centre!

### Music Appreciation Recitals Will Be Given in Orlando

A series of appreciation recitals will be given by the members of the Faculty of Rollins Conservatory in Orlando this winter, two in December and two in January after the holidays. The first of the series will be given by Miss Marion Ross, head of the piano department, and her topic will be the one in which she has made such a success in her tours during the past two years. Miss Ross is one of the leading exponents of ultra modern music at present in the concert field in America and she will give her talk, "What Next In Music?"

The second of the series will be a violin recital by Miss Maria-Elise Johnson, head of the violin department, assisted by Miss Elizabeth Harris, pianist. Her topic will be the Development of the Violin Sonata.

Miss Elizabeth Harris, pianist, will give the third concert which will be a Chopin Recital.

The last concert will be a program illustrating the Development of American Song, by Jean Knowlton, soprano,

head of the voice department. Miss Knowlton's work is already well known among musicians of Winter Park and Orlando, and her appearance as soloist at the Biennial Convention of the National Federation of Musical Clubs at Moline will be remembered as a great success.

Exact dates and places of these concerts will be announced later. Program of Miss Dyer's Compositions To Be Given in New York

Miss Susan Dyer, director of the Rollins Conservatory, has recently received word from Mr. Charles D. Isaacson, originator of the New York Globe Concerts that a program of her compositions will be given at one of the Globe Concerts in New York during the Christmas holidays. Miss Knowlton and Miss Johnson of the Conservatory Faculty, will be the performers on this occasion, which will be quite an advertisement for Florida music as well as for the Conservatory of Winter Park and Orlando. Among the pieces to be played is an arrangement of a Seminole tune called "Chicklen Dance," which Miss Dyer has arranged for the violin and piano. Conservatory Concerts To Be Given At Woman's Club

The series of three concerts given in the past at the Winter Park Country Club by the Conservatory Faculty will take place this year at the Woman's Club House and will be given under the auspices of the Rollins Conservatory and the Pleasant Hour Twig of the Woman's Club. These concerts will be given in February and March.

## GOLD DEFEATS BLUE IN PRELIMINARY MEET

Due mainly to the superior swimming of Ken Sutherland the Golds defeated the Blues to the score of 37 to 25.

There was a lot of good swimming displayed, especially among the girls, Bert Phell and Besse Ervin being the stars.

In the 50-yard dash for men Ken Sutherland won in a walk-away with Palmer coming second. The same event for women was won by Bertha Phell, who swam home ahead of Besse Ervin by a couple of yards. The 40 for men showed what a swimming stroke Ken Sutherland has. Without hardly any splash and no noticeable effort he made the whole distance at practically the same easy speed and not once did he have to use any of his reputed speed.

The Women's Relay Race of 100 yards was won by Besse Ervin's team, due strongly to her swimming and the fact that the first Gold swimmer got off the course. Both the captains of the two teams showed what real swimmers they were and they tore up the water in great style.

The diving for men ended with Ramon Colado as the winner. His swans from the top tower drew applause from the small group of aquatic devotees gathered to watch the exhibition. Due mainly to his Jack knife Jack Stephens came second.

The diving for women was won by Bertha Phell by her straight dives and Jimmie James came second.

The last event of the day—four in a canoe—was close, but he Blues won it by a close margin, due to better team work.

All events were put off in good order and the officials worked nicely. The officials were (as in the Blue and Gold football game) members of the faculty and there is no doubt that some good material may be developed from among them for the state and Southern Water Meets.

Fifty-yard for Men—Sutherland, Palmer. Time, 52 2-6 seconds.

Fifty-yard for Women—Phell, Ervin. Bass. Time, 54 3-4 seconds.

40 for Men—Sutherland, Stephens. Time, 7 minutes and 25 seconds.

Relay for Women—Won by Freeman, Toomer, Smith and Ervin. Time, 1 minute 41 seconds.

Diving for Men—R. Colado, Stephens, Shreve.

Diving for Women—Phell, James. 75-Yard for Men—Sutherland, Stephens.

100-Yard Canoeing for Women (four in canoe)—Whitney, Smith, Edris and Ervine.

Totals—Blues, 25; Golds, 37.

## TARS ARE WINNERS AGAIN

After a Poor First Quarter Rollins Team Wallops Legionnaires

(Continued from page 1)

ball. The service men held for downs and the ball went to the soldiers.

After several futile attempts to gain around the ends the Legionnaires lost the ball. Zam—and another touchdown had been made by Jack Teare on a long end run around right. This score seemed to take the pep out of the Legionnaires as they were inclined to lay down on the job. About the time the Tars seemed to be on the way to another touchdown the whistle blew, bringing to a close the first half of the game.

In the second half the Tars started out with a rush, but a fumble made things look sad for them as the Legion recovered on the thirty-yard line. End runs and backs gave the soldiers first down, but that line for which the Tars are famous held like a stone wall and the ball once again was in the hands of the gang.

Two end runs netted the team several yards, then a buck was made through the line. The Legion line was made up of beef entirely and resembled the line of the 'Gators. The Rollins line made holes that a steam roller could drive through for the backs and before the Legion team realized it the ball was on their five-yard line. Eddie Dow redeemed himself by galloping across the tape for another marker in about 10 minutes.

About this time Captain Bob Wright was inserted into the game. On the very first play the little captain of the Tars galloped around right end for a homer, which meant six more points for the Tars. At this time the score stood 25-6, the Tars in the lead by a mile. The fourth quarter brought out more subs with the result that the Legion team without many substitutes could not stand the gauntlet. This quarter was full of pep, the Legion team trying to score by the aerial route while the Tars were content to run the ends.

Captain Wright made another one of those end runs in the last three minutes of the last quarter, which

happened to be the last score of the game. All in all the game started out like a farce as the varsity seemed to lack the pep it is noted for, but a little hawling out by the coach had the desired effect on the men and they fought like a gang of wild men.

The whole team played great ball, our two ends, Boyle and Wolf stopping everything that came their way. The line with Red Silby at the helm steered through the Legion team like sand through a funnel.

## MANAGERS WHO WILL HANDLE THE YEAR'S ATHLETIC PROGRAM

(Continued from page 1)

president of the student body, was thereby unanimously elected to this position. Warren has been active in student affairs for several years, is thoroughly experienced in campus life and generally popular with the student body, as is evidenced by the fact that no other candidates were considered for this post. The office is in competent hands.

For baseball manager, "Goo" Boyle was unanimously elected. "Goo" served as assistant manager of the baseball team last year, and is one of the best athletes Rollins has seen for many years. With his general knowledge of athletic matters, and with the year's service as assistant manager of the state championship team, Boyle is well-fitted for his new office.

Guy Colado, who was a Hillsboro High School star last year, was elected manager of the basketball team. Guy is a splendid all-round athlete, has had experience in managerial work, and will make a first-class manager for this important sport.

Miss Florence Bumby is the girls' basket ball manager. "Flo" possesses an abundance of ambition and energy, which are the greatest qualifications for this position, and the girls' team is assured of a good schedule for the year.

"Ken" Sutherland, known extensively in the Northeast as a phenomenal swimmer, and who will be one of the strong bulwarks of this year's swimming team, will also manage that sport. "Ken" was captain of the swimming team at Washington Irving High School, at Tarrytown-on-the-Hudson, a championship team, and he has also had considerable instruction under an ex-world champion. "Ken" is more at home in the water than a fish is, and all in all, is the man for the job.

Thompson, who played tennis at the University of Michigan last year, and who is a promising candidate for the team at Rollins this year, was unanimously elected tennis manager. There are several splendid tennis men on the campus, and the fast team we are sure to have will be well-handled by an experienced and competent manager.

## GIFTS ARE NECESSARY

## Phi Alpha Fraternity Gives Masquerade

One of the prettiest events of the past week among the fraternities was the Masquerade Dance given by Phi Alpha at the gymnasium Saturday evening.

Hallowe'en decorations gave weird impression to the college set as they arrived and the many masked "spirits" and unusual characters added to the picturesque scene. The gym was prettily decorated with black and maroon streamers.

The dance opened at nine o'clock with a grand march led by the Phi Alpha men, who were costumed as Ku Klux Klans. The pledges were pink shirts and black bloomers. Mrs. Ruth Amy won the girls' prize for the most original costume. Her frock was made up of the pretty blue and gold Rollins' banners. Dick Cotton, who was attired as a pirate, won first prize among the men. Joy reigned supreme the entire evening and the Warren Wright orchestra furnished the best in music. Confetti and ribbon streamers made the gymnasium look like a transformed fairy land.

The Phi Alpha pledges served delicious punch throughout the dance.

The fraternities were all to be congratulated on throwing such a good party, and we other mortals are eager with our "On with the Dances."

### A SIGMA PHI HALLOWE'EN

Fun?—you bet! Black cats and wishes with arched backs and switches pranced across the walls at the Sigma Phi House Friday night, October the 28th at their Hallowe'en party. The Sigma Phi girls sure do know how to make the fun fly. Did you ever try to get a good, healthy bite from a swinging doughnut? Well, it was found that some people have very original methods of doing this and doing it successfully. Jimmie Pratt Foley received a handsome diamond ring as the most successful.

Everything seemed forthcoming. Watch out, Sigma Phi, don't get too good a reputation you'll have a standing line of hungry college students.

It is needless to say that the Victrola did its bit toward helping the Hallowe'en merriment.

When the time came to go—nobody wanted to go—what greater compliment can we give to the Sigma Phi girls and their hospitality. It sure was great!

"Let me introduce Mr. Fish, he is an expert swimmer."

"Ah, yes, take him down into the pool room, and let him enjoy himself."

### THAT ALPHA ALPHA DANCE

Man, Oh, man, what a time they had at the Alpha Alpha dance the other evening at the Women's Club. Every one of the fellows pitched in and got things arranged so the Alpha could give another one of their dances last Monday evening. The Warren-Wright orchestra furnished some great noise for the occasion and "all hands" as the sailor would say, had a time of their sweet young lives.

There was only one hitch to the whole performance and that was when some kroll young man took the coach's girl and danced with her for half an hour.

The Alpha Alpha boys wish to extend their wholesome thanks to the Dean of Women, Miss Barrett for allowing them to have their dance on Monday evening. The boys are all for Miss Barrett and hope that she will allow them to put on another one of their trawls.

### CHASE HALL CHATTER

The Styvenger "Bus" seems to have taken another trip this last week end. Odell and a bunch of boys took a little spin down to Tampa. From all accounts they seem to have had a first-class time.

During the storm last week all the boys met down in the lobby of Cline, where a warm fire in the fireplace greeted everyone. Songs of every description were sung and everyone seemed to enjoy himself even though the lights were off and it was cold and rainy outside.

How'd "ju all" enjoy the Phi Alpha Hop? We sure enjoyed it to the utmost. The Phi Alpha "Frat" deserves great credit. They surely know how to entertain royally.

### MR. AND MRS. HENRY KART GIVE SILVER CUPS FOR AQUATIC MEET

(Continued from page 1)

of Rollins appreciates the interest Mr. Kart has taken in the College and its activities. Mr. Kart has spent a great deal of time and money in developing the State Interscholastic Aquatic meet and one only needs to take account of results to see what this meet is meaning to the development of the sport and to Rollins.

We hope we will always have the interest of Mr. and Mrs. Kart as well as many others who are meaning so much to Winter Park and Rollins College.

He—"You didn't know who I was at the game yesterday, did you?"

She—"No, who were you?"

## BASEBALL TOURNAMENT FOR ROLLINS

W. W. Rose, President of the Florida State Baseball League, Offers Handsome Trophy to High School Champions of Florida.

(Continued from page 1)

ulated on the action taken.

While I am interested in all the various branches of school athletics, I am particularly interested in baseball. Baseball is our national game and I believe that more people are interested in it than in the other branches of athletics.

I would like to see a series arranged to be played in Winter Park and I suggest that you invite the winners of the district championships in baseball to send their teams to Winter Park to engage in an elimination series to determine the State championship.

I would be pleased to donate a perpetual silver cup for the High School baseball champions, this cup to become the property of the High School winning the cup three times. Florida State High School Athletic Association rules to govern.

Assuring you of my interest and willingness to co-operate with you in any manner possible, I am,

Very truly yours,

W. W. ROSE,

In an article appearing in the Reporter-Star by George Nash, sporting editor, the writer says: "The offer of President Rose of the Florida State Baseball League to donate a cup to be played for by the High School baseball teams in a contest at Rollins College gives a decided impetus to high school baseball. For years the teams of these institutions have been playing in a half-hearted way, each section of the state claiming premier honors, after a few decided victories over old and close rivals. Under the plan proposed by the High School Athletic Association the state will be divided into districts, congressional districts to be used as athletic circuits, and a regular schedule of games played to decide the winner of each division.

In order to determine the real champions, it is proposed by Mr. Rose that the district champions play each other at Rollins College each year to determine the State championship. The cup is to become the property of the school winning the championship three times.

This plan will undoubtedly be well received by the High School athletic committees. If the proper spirit and hard work is put into the movement by the State Athletic Association of High Schools it will be only a few years before Florida will be classed in athletics among the larger and more populated states.

It is a worthy cause which President Rose is promoting and one which should be fostered, not alone in baseball, but in track and basket ball. Rollins has established its Water Meet each year, which brings out the best swimmers all over the state. Basket ball and track is being fostered by the State University in a similar way. Should all the Colleges of the state

hold a track meet each year for the high schools there would develop such competition as to place the Florida athlete on a par with high schools of other states. Co-operation between the colleges and universities with the lower grades will mean much to the colleges in obtaining material for winning teams. It is hoped that the offer of President Rose will meet with support of the State High School Association and that with this as a starter, other work begun, to cement the various schools and all branches of its athletics into a well formed organization for the development of the athletes of the Florida High Schools."

Acting upon the request of Mr. Rose, the college on October 24th invited all the high schools of the state to send in their district champions to Winter Park not later than May 31, 1922, to play off the state championship.

In a letter to Mr. Rose, the college thanked him for his generous offer and his interest in the development of high school athletics. Mr. Rose has been invited to act as honorary umpire of the First State Championship.

There are ten districts in the state and if each district sends in their champions it will mean that we will entertain no less than one hundred and twenty-five high school students next May. Here is another opportunity for Rollins to show what we are and what we have.

### LAKESIDE BUNK

Lakeside organized a football team the other night, and they are holding their practices at night, so as to be able to triumph over the Clover Leaf 22.

Hold 'em, Lakeside, hold 'em. Frank Gaylor moved his bed out on the lawn, on the night of October 31, so as to study the stars. Charles Warner, our honored President, motored to Tampa over the week-end, so as to see the sights. Warner says that you would not know Tampa now.

Among the visitors to see Windy Wendler last week were Dr. Hotard and Sam Story, our star catcher on the baseball team. The doctor says that Windy will have to be confined to his bed, if he has any more of those attacks that he had. The gang wishes Windy to recover soon.

Mr. Gaylord has broken in to Society. He was seen at the Rollins-Legion game, with an eof the Fair Cathedral Girls.

The gang takes pleasure in announcing that on Hallow'en night that they were all in bed. Owen Conner received a birthday present from his mother in the line of an Essex roadster. The gang takes pleasure in announcing that we now have three (3) professors living in the Dorn. Professor Fluhart, the new art teacher, has been added to the list. The day of the big storm there was not a dry bed in the house, as some kind, obliging person had left all of the windows up.

Surely

"Speaking of cheek-to-cheek dancing."—"I always did claim that two hands were better than one."

WINTER PARK PHARMACY

**Rollins**

Late to bed and early to rise,  
That's the way of these college guys.

**Aw my eyes.**

Lydia P.—"You say that is a birth mark, and yet you admit that you got it on a train?"

Silby—"Yes, you see I tried to get in the wrong berth."

Tar Baby,

**He Is At That**

Boyle—"Knowles is a deep thinker."  
Dyke—"He is that, none of his thought ever get to the surface."

Ex.

**Pedigreed!**

Starr—"I just got a doggy letter from my girl at Wellesley."

Burns—"Ah, a little Boston Bull."

Tar Baby.

**Frat House**

"Say, Jack, is it raining?"  
"My raincoat is hanging up where I left it."

**A Good Motto**

Sow your wild oats in a peach orchard.

**Hew's This?**

She—"I'm going to scream anyway, so you might as well kiss me."

**Evidently**

Visitor—"I see you are putting up quite a lot of new buildings around here."

Whodler—"Yes, we never put up anything but new ones."

Ex.

**Vintage of '76**

"A fool used to blow out the gas.  
"And now?"  
"I's steps on it."

**Beanery**

Margaret—"There's a fly in your ice cream."

Lydia—"Serves him right—let him freeze."

Mirror.

**Oked**

Wheldon—"There's one thing I like about a clay pipe."

Shreve—"What's that?"

Wheldon—"When you drop it—you don't have to stoop to pick it up."

**Wisdom**

A wise student always knows the grades of the fellow he is copying from.

**Maybe So**

Stephens—"Clothes make the woman as well as the man these days."

Potter—"Is that why there is nothing to these co-eds?"

**Around This Place**

Oh, a co-ed's life  
Is a world of strife,  
'Tis a heluva life, quite a pity;  
For imagine it when  
She's engaged to three men,  
And her fiancée comes from the city.

Tar Baby.

**Right Again**

Prof.—"Have you read my latest book on 'The Theory of Loving.'"  
Stude—"No, I care only for the applied sciences."

Ex.

**Certainly Not**

Mother—"Betty, pull down your skirts."

Betty—"Why, Mother, I'm not a bit cold."

**Chem-Mystery**

Prof.—"Name a liquid that won't freeze."  
Rominger—"Hot water."

**Must Be a Ford**

She—"This car picks up well on the hills."

He—"Yes, but I was on the level when I met you."

Brown Jug.

**Natural**

He played upon the fateful floor  
Rolling the dice for an hour or more;  
The truth of this riddle he would seek:  
Does he go to the Prom, or not, this week?

Ex.

**Of Course**

I wonder does a mermaid kneel  
Each night in fear and dread,  
To see if there's a bur-ga-lar  
Beneath her oyster bed?

Judge.

**Soolin'**

A girl from the Island of Yap  
Once sat in a Laplander's lap,  
He said, "Careful, please,  
I have caps on my knees  
Which explode at a very light tap."

Tar Baby.

**At Daytona**

Mrs. W. C. T. U.—"Have you seen any smugglers on the lousy beach?"

Mrs. L. C. U.—"Yes, and it's positively disgusting the way they carry on."

Tar Baby.
