Hello, Mathematics Faculty,

I am Sandy Avila, the Interim Science Librarian and new Library Liaison to the Mathematics Department. I look forward to working with you and your Library Liaison, Dr. Zhisheng Shuai to order new books to support Mathematics Department teaching and research.

I also look forward to providing library research consultations and instruction classes to mathematics students.

Please feel free to contact me to let me know how I can be of service to you.

Here are quick links to some of UCF Libraries resources and services:

Browse Mathematics databases: <http://guides.ucf.edu/az.php?q=mathematics>

Schedule a research consultation: <http://library.ucf.edu/help/schedule-an-appointment/>

Schedule a library instruction class: <http://library.ucf.edu/services/instruction/>

Scholarly Communication Services: <http://library.ucf.edu/about/departments/scholarly-communication/>

Ask Us! (contact for online help with quick questions): <http://library.ucf.edu/ask/>

Mathematics News...

Even physicists are 'afraid' of mathematics

Date: November 11, 2016

Summary:

Physicists avoid highly mathematical work despite being trained in advanced mathematics, new research suggests.
