Boulton y^e 15th of mo. vi
My dear love in y^e life which is without end, but end
under abides for ever is remembered unto thee by those thou
may know y^e I have said kind by which I am refreshed and
am very glad to hear from thee, & of thy well doing
every way both our families and very well thou gods
many love & good will. I may say are all glad to hear
of & from thee, photo, thy friend An brought me thy
letter & photo. is gone to show it his husband if not father
from Boston which is over at this time, well we are quiet here
and things relating to truth are gently well blessed by God
for it, Roger Haydock is from home & as well as his brother
Henry tells me, for I have not seen him, many friends in
Chester is intending for Pennsylvania, & all y^e are for going are
desirous of my going, indeed I have inclinations so to do
my wife very cheerful of y^e voice, & gave some invitation
before I said any thing to her, only when I was writing to
her at Susanahs where I hope this will find thee, y^e I forgot to
ask her whether she had aimed to go with W. Penn, to Penn
sylvania, & her favourable answer by p.p. when she came did
not bring other ways I had no thought of going considering
her timidity of y^e water so & how it will y^e Lord knows but
a good report we have to it, but chiefly to W. P. & his good intention
to establish a good, & blessed government there according to y^e will of God
P. photo. & idea and my wife dear friends & love is to thee, & An says if
thou be minded to go to y^e place above, thou shalt partake of much
good & love. Little An remembers his love to thee, we shall
forget thee when thou art with Barnes soon, well I have said a letter
dear Susanah my cordial friend, & was refreshed thou with, I shall
in due time answer, in y^e means time I am writing to my dear love to
her for she is very precious to me. I likewise remember me to Jon
Hall & his wife if she be in y^e body. Roger desires thee to speak
to Thomas Worthington altho' fellow in Great Martin, & desire
him to send me word whether he will have the calf skins or y^e
prime I sent them of, and if thou be free inquirer of some
friends or others whether they will give thee farther help
if no 6. 1/2 for good skin, so hoping our very long to see thee
I rest thy very loving friend & Brother in y^e fellowship of the
gospel of Christ Jesus. - J. A. Harrison
