TAR QUINTETTE MAKES IT TWO STRAIGHT FROM HATTERS

FOOTBALL AND AQUATIC SPORTS CONTROLLED BY DIFFERENT MANAGEMENT

RESULTS ARE EXPECTED

New Board Will Consist Of College and Business Men

Negotiations between representatives of the college and the Winter Park Business Men's Club have been going on for several months in regard to forming an independent and resident athletic board to have complete charge of football and aquatic in the future at Rollins. During the past week an agreement has been signed by both parties concerned authorizing the formation of such a board to control these two branches of athletics. Two members will be appointed from the club and three from the college. No appointments have been made up to the present time, but it appears likely that the coach and the student manager will represent Rollins on the board when it is formed. In the opinion of both club members and authorities at the college, the forming of this new body is one of the most important steps taken in years.

It will be the duty of the members of the board to place football and aquatic on a paying basis, or at least to make them pay for themselves hereafter. The usual student association money for these sports, together with all other funds raised for the same purposes, will be turned over by the college treasury as soon as received, but no further responsibility will be assumed by the college. Of course the income from all games, aquatic meets, etc., will be used by the board in the furthering of their program.

In past years it has been not unusual for the college treasurer to pay my deficit arising after a football season. While the treasury no longer assumes this responsibility, it is the belief of those responsible for the athletic board, that these two branches of college athletics will find a profit under the improved management.

Rollins Team Rolls Up 25 Points Against 22 For Stetson Team on DeLand Court; Last Half Very Exciting When Derbyites Outplay Blue and Gold Team

Tars down Stetson 25 to 22! What d'ya think, Mr. Gallaher? Pretty darn good, Mr. Shean! Looks like it was anybody's game up until the last minute of play and then when everybody gained a good breath again and looked at the score board, they found that it read something like this: Rollins, 25; Stetson, 22. Remembering the days of yore when old Stetson thought it an easy job to test the thunder out of Rollins, it seems much as though the worm has turned, since we have given them two beatings in the short space of seven days. No doubt but the spirits of the class of '19, '20 and '21 turned over in their respective graves several times when they were told of the triumph of the Tars over the Derbyites.

At the end of the first half the score stood 15 to 8 in favor of Rollins and things looked pretty good for the Blue and Gold, but beginning with the first whistle of the second half the Hatters seemed to have imbibed some fight and ran on a great rampage, rolling up 14 points while Rollins only caged 19. However the advantage gained during the first half was enough to decide the battle in

favor of the Tars. It is rather interesting to note that Rollins and Stetson made only one substitution each throughout the whole game. Each team must have thought that the game was such a stiff one that it was not the wise thing to do to run in new men.

For Rollins, Cotton Thomas was the outstanding star. This versatile center caged two of the most difficult shots ever seen on the DeLand floor. Micky Braunberns and Captain Tarrs also played consistently. Emory played in hard luck throughout the game, due to the fact that Coach Allen of the Hatters had two men camping on his trail at every step. Before the game was over started, this Tar forward was spitted by the DeLand cagers and was not allowed a chance at the goal. In spite of all this he caged six points for his team.

For Stetson, the star center of the game on the local floor, Collins, has been called home on account of illness of his father and therefore was not in the game while Drew was also out of the game for some reason. This handicapped the Hatters somewhat.

FIRST ANNOUNCEMENTS FOR FOUNDER'S WEEK GIVEN BY AUTHORITIES

BEGINS FEBRUARY 22

Celebrates the Thirty-Eighth Anniversary of Rollins.

Next Thursday begins what is known as Founder's Week. To students and townspeople alike this week is one awaited with great anticipation. It is a time when all the students and graduates get together and celebrate the founding of the college. This year will see the celebration of the thirty-eighth anniversary of Rollins College.

A preliminary announcement has been made, but as yet the complete details for the activities of the week are lacking. However—next week's Sandspur will carry the program in full. So far as is known at the present time, Thursday, February 22nd, will be known as Civic Day, and there will be a dance that night at the Woman's Club in celebration of the day and also Washington's birthday. Friday, the 23rd will be given over to hearing the essays written in competition for the Bachelor Prize Contest and the Delphic Literary Society will have its thirty-first anniversary dinner that night at the college commons. Saturday, the 24th, will be known as Alumni Day and will be marked by the twenty-fifth meeting of the Alumni Association of Rollins College at 10:00 a. m., and the annual Alumni luncheon. That night the Rollins Sandspur will celebrate its twenty-ninth anniversary with a dinner in the college commons. And at 8:00 p. m. the Rollins Glee Clubs and the Orchestra will give a concert in Knowles Hall. Sunday will be designated as Founder's Day with special services in all the churches of the town and services in the evening in Knowles Hall under the auspices of the Rollins College Chapel Association.

Founder's Week celebrates also the founding of the Town of Winter Park, Florida. The town was founded in 1881 and the college in 1885 and they have always been inseparable. That is the town has supported the college in every manner that the college deemed necessary and the college has supported the town and cooperated with the officials and residents.

BACHELLER LECTURE POSTPONED; DR. BOYNTON TO SPEAK SUNDAY

Mr. Irving Bachelier's long expected appearance before the student body in Knowles Hall last Sunday night was postponed on Saturday without a general previous notice to the public. As a result a large number of townspeople and students arrived on Sunday evening at Knowles Hall to hear Mr. Bachelier speak only to be disappointed. Mr. Bachelier will appear at some time in the future, but at the present time the exact date of his appearance is not known. He will talk on the same topic, "The Unspanned Generation."

Next Sunday evening, February 17, at eight o'clock, Dr. Nehemiah Boynton will address the students of Rollins College in Knowles Hall under the auspices of the Chapel Association. Dr. Boynton is a nationally famous Congregational minister of

OUR ADVERTISERS.

Students, have you ever stopped to think over the advertisements that appear in your paper? If not, it is high time that you did so. The merchants represented by the ads are the ones that make the publishing of The Sandspur possible. They stand back of this activity of the student body. Did you ever think of that? The only thing you can do under such circumstances is to patronize those businesses that are helping the students. By so doing you are helping The Rollins Sandspur just that much. Just mention that you saw the ad in The Sandspur, and see if you can't help us out a little bit during your stay at college.

COLLEGE PROPERTY.

There seems to be some misunderstanding about the use of college property among the students here on the campus. Perhaps it is caused by thoughtlessness on the part of a few who do not realize the value this property has, nor the injury caused the college by its destruction and misuse. The buildings and furnishings on the campus are used from year to year by the student body and it behooves each set of students to care for this property through their

moral obligation to students themselves if nothing else. However, since each student morally pledges himself to abide by the rules and regulations set down by the authorities of the college when he or she enters the institution, then it is only by disregard for one's own promise that the property is maltreated.

As has been said, it is thought that most of the fault lies in the thoughtlessness of a few students, hence a word to the wise should be sufficient.

KNOW YOUR PROFESSOR.

Do you know your professor as man to man? You may think that while he is in the classroom that is the only time there should be any intercourse between you and the professors. Do you talk with them outside of the classes? Do you ask them for advice? Southwestern professors are not frightful monsters, as some would make them out to be, but real men and women, ready and willing to extend to the students a welcome not only to their friendship but into their homes. Many of our professors have experienced wonderful adventure, traveled extensively, and are well informed along lines of art, drama and music. Their chiefest delight is to talk with students interested in what they are interested in. Know your professors, not only in the classroom, but in their homes as well. —Megaphone.

INTERSCHOLASTIC PRESS ASSOCIATION STARTED BY LAKELAND H. S. PAPER

It is with interest that the Sandspur notices the interest being taken by the Lakeland Pencilator from the high school of that city regarding a formation of an association among the high school papers of the state. This is an important step in the development of journalism among the high schools of Florida and the Pencilator is to be commended upon this step taken.

Friday, February 16th, marks the first meeting held in this state solely for the high school papers. It is hoped that the association will be put upon a working basis that will bring the members into closer contact with each other and the principles of Journalism.

Mr. F. E. Bridges, Jr., ex-president of the Florida Intercollegiate Press Association, and Mr. C. E. Ward, the present president of that association will attend the meeting of the high schools in Lakeland to endorse the movement started by the Lakeland High School Pencilator and to extend an invitation to the various papers at the meeting to send a delegate to the banquet to be given by the Sandspur on the 28th of this month in celebration of its twenty-ninth anniversary.

DANCE.

Many of the students of Rollins College were guests of Dr. and Mrs. E. N. Lippincott and Miss Emily D. Lippincott, Friday night, Feb. 9th, to dance at the Woman's Club. The club was beautifully decorated and the scene of a very enjoyable time. Delicious refreshments were served during intermission and very soon after midnight struck every one went home with a pleasant memory of a splendid good time.

BRIDGE.

Dorothy Denton and Jennie Dickson entertained at a bridge, Saturday afternoon, February tenth. Dorothy Grey received high score. The guests were: Miss Barrett, Lydia Conrad, Edwina Parkinson, Dorothy Grey, Margaret Wing, Edna Wallace, Lorraine Page, Mildred Barrett, Lucia Jacobus, Katherine Faulkner and Lucie Shreve. The room was decorated in characterization of St. Valentine's Day and it was a heart-breaking affair to leave.

DELAND GAME.

Dr. Dickson, Dickie's father, filled his car up with girls and went to Deland to the game Saturday night, and

Billie Freeman filled up her car and took a bunch of girls too, while

The T. L. D. Ford did its duty and carried a few more.

And as Duckie Dunbar and Ivy Reed were both there too, Rollins had quite a peppy cheering section—needless to say—we won.

TEA.

Mrs. H. C. Caldwell gave a tea in honor of Mrs. A. M. Sloan, who was Catherine Barnes, a former student of Rollins College and a Sigma Phi. Mrs. Caldwell was assisted by Miss Emily Lippincott, Miss Rose Powers and the Sigma Phi's.

BRIDGE.

The Friday Afternoon Bridge Club will meet Friday, February the sixteenth, at Mrs. H. C. Barnes. The Misses Caldwell, Wing and Dunbar will be hostesses.

"THEY SAY—"

That our football boys received some fine blue and gold sweaters for the wonderful service they rendered on the football field this season.

That Flo Bumby is back again after recovering from the exams at home.

That Markie Reed is the same girl she was last year, only there is a skeleton in her family now and she is it.

That there is to be a big fight tonight in the gym between the Fresh-

men Girls' Basketball Team and the Upper Classmen. Come and see the hair-pulling contest.

That we play Florida in basketball on our floor Saturday night, February the seventeenth. Let's hope it will be as successful as our game with Stetson last Saturday.

That the Phi Omega Megaphone has something to tell you, so this is all.

PHI OMEGA MEGAPHONE.

Phi Omega announces as members: Marjell Hardesty, Fern Dakin, Ellen Fuller, Charlotte Wettstein.

Miss Katherine Faulkner is no longer a pledge of Phi Omega.

This week the Phi Omegas celebrate their birthday. Oh! won't you be our Valentine, Rudolph? Wednesday night found us at a theatre party as Mother Beale's guests, to help the Saint with his birthday and ours. Festivities will rule high Friday night in Cloverleaf Parlors; will you bring your dear heart and help us make ours merry?

SWEATERS PRESENTED TO GRIDIRON HEROES

At the regular chapel period last Tuesday, Coach Ashburn presented sweaters to the football letter men of 1922. The sweaters were the regular navy blue with a large gold H sewed on the front, and will be very valuable to the men who earned them by hard work throughout the past season.

Those who received sweaters were: Capt. Rex Wolf, Brauburns, Currie, Emery, Sutliff, Bender, K. Warner, Thomas, Seeds, R. Colado, G. Colado, Lanny, D. Potter, Silsby, Teare, Thompson, and Manager Larry Wright.
