ATTENTION FIRST FLOOR CLOSED
You probably noticed the new building between the John C. Hitt Library and the Student Union. That building is the new Automated Retrieval Center (ARC). We will be working over the next several months to store books in the ARC. Now that the ARC construction is almost finished, it is time to build the connection between it and the library building. During the beginning of construction, the first floor will be closed but you still have access to all the books!

How to Get Books From the First Floor
⇒ In the library Catalog, look for the “Request” link.
⇒ Click the link & enter your NID login credentials.
⇒ You will be notified when you can pick up your book at the Circulation Desk (main floor).
