## FLAMINGO TO BE PUBLISHED EVERY MONTH

### New Policy Is To Include Accepting Material of Comprehensive Scope

The editorial staff of the Flamingo, Rollins literary publication, will place the magazine on a comparatively new and expanded basis during the coming year. The magazine will be issued each month instead of every two months as formerly. Furthermore the scope of acceptable material is to be made more comprehensive so as to include discussions of political, economic, artistic and allied subjects.

Material published in the Flamingo will be, of course, drawn largely from the English department as in past years. However it should be clearly understood that individual contributions from the outside are not only needed but are most necessary in maintaining the new policy under which this year's work is to be carried forward.

Manuscripts contributed to the magazine from outside the English department should be typed on standard size paper, double spaced, addressed simply to the Flamingo and dropped in the College post office. The names of contributors should in all cases accompany the material. The 22nd of each month is the deadline for material intended to appear in the issue of the following month.

The Flamingo is a magazine published primarily to discover and encourage writing ability at Rollins. It is not meant to be in any way a "highbrow" or "unhighbrow" publication. The staff is seeking good, true and forceful material and will publish it whenever submitted provided it be well written and deal with appropriate subjects.

A faculty advisor will assist the staff in selecting the very best subject matter available.

## Wunsch Plans To Present Several Plays During Year

With the kind permission of Miss Annie Russell, Mr. Wunsch is planning on presenting several dramatic plays this winter. The first to be given will be in late November or early December, and will be "The Doll's House" by Henrik Ibsen. The characters cast so far are: Barbara Reed as Nora, Sara Lane as Mrs. Linde, and Carol Smith as the maid.

The next play will be Eugene O'Neill's "Anna Christie" with Marion Morrow as Anna, Sara Lane as Martha Owen. The next to be presented will be J. M. Barrie's "What Every Woman Knows". Non Chapin will have the part of Margie, "Pygmalion" by George Bernard Shaw is being tentatively considered for the next offering. Martha Davenport will have the part of Liza Doolittle, and Sara Lane that of the Housekeeper.

## Siewert Gives Organ Vespers During Week

The program for the Organ Vespers held last week in the Chapel was as follows: Wednesday Mr. Herman Siewert chose for his choral prelude on the hymn tune "Saint Anne" by Noble, famous Hebrew melodies, including Kd. Nidvel, Hebrews Lied, Mael Toffel, and Elu Elu, prelude in C sharp minor by Bachmann, "Nidvelom" by Kd. F. Johnson and the March Nuptial by Louis Gante.

## Essay Contest To Promote Interest In Foreign Writings

"Books Abroad," a national literary publication, in an effort to discover literary talent among Americans who are interested in foreign literature, is sponsoring an essay contest open to all literary aspirants. The subject of the essays is to be "Books vs. Ballets," and its theme shall be the influence which books of international circulation have had, are having, and might have in the promotion of international unity.

The essays are to be written in English, not more than 2500, not less than 1500 words in length, and must be in the hands of the editors of "Books Abroad" at Norman, Oklahoma, before midnight, December 31st, of this year. Two prizes, the first consisting of \$50 worth of new foreign books of merit, the second, a smaller quantity of foreign books, will be awarded to the winners, sometime in April of next year. The editors retain the right to both the winning essays but no other conditions of any sort are imposed on the contestants.

## DEBATING TEAM TELLS OF PLANS

### Tentative Schedule Is Announced

Although the complete schedule for the entire year is not definitely decided, debates with several of the leading universities are definitely scheduled.

The big debate of this term will be with Oxford University, of London, England. This debate will be held on December 17, 1932, and will be broadcast over the National Broadcasting System. Debates with Princeton and Yale are also scheduled but the dates are not definitely decided upon. There is a possibility that the debate with Yale will be conducted in Spanish. Besides these there will be debates with the usual number of local colleges and universities. The question for debate will be one of three. Namely, the United States should prepose cancellation of the war debts and reparations, the United States should join the league of nations, and the United States should recognize the present Russian government.

Due to the loss of three variety debaters through graduation there will be at least three positions open on the debating team. Besides this Prof. Harry Pierce is planning the formation of two girls' teams, so there will be plenty of opportunity for those who wish to debate.

After three years of effort, Rollins College has succeeded in instituting here at Rollins the Alpha chapter of the Pi Kappa Delta, a national debating fraternity. It is the only chapter of this fraternity in Florida and requires participation in at least two inter-collegiate debates for joining. The members of the Alpha chapter are as follows: Dean W. S. Anderson, Dr. Evelyn Newman, Prof. Pierre, Maurice Driscoll, Don Fisher, Jack Brown, George Bailey, Charles Brooks, Lloyd Towle, Morris Boek, and Harold Hall.

## Exploration Club To Meet Thursday

There will be a meeting of all the boys who were members of the exploration club last year and all new male students who are interested in exploration on Thursday afternoon at 2:30 in 228 Knowles Hall. The meeting will be held to discuss plans for continuing the excursions for prehistoric animals which were begun last year.

## WORLD FLASHES

FROM THE UNITED PRESS

Munich, Oct. 12.—(UP)—The draft of the new constitution for Germany providing "Government or Cabinet and not Parliament" to be managing the affairs of state" is being prepared, Chancellor Franz von Papen told federation of Bavarian industry here today.

Washington, Oct. 12.—(UP)—Weather in the cotton belt last week was abnormally cold. Rainfall was confined to the Eastern third and some central Northern localities. Picking was interrupted in some Atlantic States and in some Northern districts but the general harvest made satisfactory progress. The Weather Bureau reported today.

Belfast, Ireland, Oct. 12.—(UP)—Rioting between police and unemployed.

## WORKSHOP GROUP PLANS ANNOUNCED

### Student Directors Assume New Responsibilities

A new special group has come into being in the Rollins Theatre Workshop according to the formal report of Mrs. Dorothea Thomas Lynch to President Holt last June. In the growth of the Workshop itself, as the students were enabled to have greater opportunities and to assume greater responsibilities, this group grew naturally and its members are to be known as "The Student Directors."

Charter members of the group are Frank S. Abbott, Mary Hall and Cullax Sanderson, Jr. Later members, in order of admission are: Myra A. Thomas, Gwen P. Hellman, Eleanor Wright, Betty Childs and Paula Rowe. Ready to qualify this year as Student Directors after presenting one matinee successfully, are Robert Currie, Evelyn Evans, John D. Kelsey, Boyd Kynner, Lois Lake Hanson and Thelma Vax Rusick.

Requirements for "Student Directors," the highest distinction a student may gain in Dramatic Art classes and the Rollins Theatre Workshop, are:

1. Do a high grade of class work both in Acting and in Play Production.
2. Fulfill the Lower Division requirements in these courses with distinction.
3. Direct with success in the classroom varied scenes.
4. Present successfully one matinee.

Another recognition of achievement in the Rollins Theatre Workshop is membership in "The Rollins Players." After one appearance in a regular production of the Rollins Theatre Workshop, a student automatically becomes a member of "The Workshop." It becomes a "Rollins Player" he or she must:

1. Do a high grade of class work.
2. Be a "good trouper."
3. Make several appearances in Workshop productions, including at least one "lead," and the work in these roles must be conscientious, workmanlike and artistic.

Students holding membership in "The Rollins Players," as announced for the beginning of the 1932-33 season, are Betty Childs, Robert Currie, Burleigh Drummond, John D. Kelsey, P. Boyd Kynner, Edwin Libbey, Celestina McKay, Lois Lake Hanson, Paula Rowe, Thelma Vax Rusick, Robert Warfield, Helen Wolfman and Eleanor Wright. Others will be admitted during the year as their accomplishments qualify them for membership.

One student at Woodmere School in New York was killed and 27 others were shocked recently when a bolt of lightning struck a fence against which some of them were leaning while the football squad was in a huddle with its coach, its members with their arms about each other.

## Mrs. Scott-Fannelli Dance Classes Open To All Interested

Mrs. Alice Scott-Fannelli, formerly connected with the Conservatory of Music, is now directly affiliated with the College, as instructor of the Dances. Classes will be held in Recreation Hall, and are open to both college students and to all others interested. Arrangements for these classes are to be made through the registrar's office.

The Danish technique is used by Mrs. Fannelli, who hopes that a wider interest will be taken in the dance this year. Particular emphasis is placed upon the science of gesture. It is thought that the course will be beneficial to all students interested in dramatics. The Dances are rhythmic and are acknowledged helpful for muscular co-ordination and body-expression.

Classes are given on Tuesdays and Fridays for college students. The morning hours are reserved for students of pre-school age, while classes for juniors are to be held on Saturday afternoons.

## NEW CEREMONY IS INAUGURATED

### College Opened Formally On Thursday Morning

At the formal opening of Rollins College in the Knowles Memorial Chapel, October 4, a new ceremony was inaugurated, in which the students and faculty took the following vocation and installation oaths:

"I pledge myself to make the Adventure of Learning my chief effort while in Rollins College, to seek the guidance and friendship of my instructors, to measure all things by truth.

"I pledge myself to strive for self-reverence and self-control, to use wisely the new gift of freedom which Rollins has granted me, so that I may make the most of liberty without license.

"I pledge myself to cherish the high ideals and traditions of my Alma Mater as a noble heritage, to transmit them unimpaired to those who follow me, and both now and hereafter to honor the name of Rollins among men."

Members of the faculty took the following installation oath:

"I pledge myself to truth wherever truth is found, to follow truth wherever truth may lead, to teach truth and nothing but the truth.

"I pledge myself to achieve and hold the mastery of my chosen art or science, breaking paths bravely where I must, following humbly where I must.

"I pledge myself to be a good comrade to my colleagues, to do my part cheerfully in all the needs of our common endeavor.

"I pledge myself to accord my students the same courtesy, respect and affection that I crave of them; to do all I can, by precept and example, to help them foster the high idealism of youth.

"I pledge myself to be loyal to Rollins College and her academic ideals, to abstain from all things that may impair her influence or limit her usefulness; to serve, uphold, honor and exalt her as an independent Christian College."

Herman F. Slewert, organist, played Meyerbeer's Coronation march from "Le Prophete" as the Processional, and Hallander's march in A flat as the Recessional.

Mary Lynn Rogers read from the Scriptures, and John D. Kelsey offered a prayer from Tennyson's In Memoriam. Miss Gretchen Cox played of Schubert's "Romance" as a violin solo. "Alma Mater" was sung by Bruce Dugberry, Dean Arthur B. Enyart pronounced Benediction.

The engagement of Helen Gullaway, daughter of Mr. William O. Gullaway of North Canton, Ohio, to Jack Connery is an announcement of interest to the student body of Rollins.

## LYNCH TELLS OF PLANS FOR COMING YEAR

### Workshop Will Present Six Full Length Plays

Abandonment of its former policy of including one-act plays in its regular season is announced by Mrs. Dorothea Thomas Lynch in stating the policies and program for the eighth season of the Rollins Theatre Workshop. Four special Student Matinees of one-act plays directed by Students will be given, however.

Cutting the regular season from seven productions to six, more time will be permitted to give added finish to these full length plays on the formal schedule. First of the six long plays, already cast and in rehearsal, is George Kelly's comedy of youth, "Philip Goes Forth," which deals gracefully but admiringly with the problems of one particular youth. This will open in the Annie Russell Theatre the evening of Friday, November 4th.

Burleigh Drummond will play "Philip." In the supporting cast will be Eleanor Wright, Thelma Van Buskirk, Celestina McKay, Betty Childs, Natalie Cole, Marguerite Libbey, Kathleen Hars, Jack Kelsey, Boyd Kynner, Robert Currie and Robert Black.

The complete list of five other long plays to be produced by the Workshop during the year will include a serious drama, a sophisticated modern comedy, a romantic fantasy, an operetta and, for the Senior Play, a gay comedy of modern picture folk. As in past seasons, tryout for parts in all productions will be announced in advance and are open to the entire college, Mrs. Lynch states.

The original program of plays for the year worked out by Mrs. Lynch with the advice of Miss Annie Russell has had to be changed due to non-release of one play for amateur production and announcement of the new program will be made in the Sandspur as soon as Mrs. Lynch has opportunity to discuss the changes with Miss Russell.

## ROLLINS PRESS UNION MEETS

### Ottaway Is Chosen Chairman For Year

The first meeting of the Rollins Publication Union was held Tuesday, October 4, at Spurrell Hall, for the purpose of organizing the different departments of the Union for immediate work. James Ottaway, former editor of the Rollins Sandspur, was chosen chairman of the Publications Union and took charge of the meeting.

Warren Apper, of the Sophomore class, was elected to fill the vacancy left by Frederick Tume, as business manager of the Flamingo, the Rollins literary publication. Apper was chosen by the committee from a list of half dozen other applicants.

It was moved and carried that the editor and business manager of the "R" Book, Olive Dickson and Warren Apper, be invited to affiliate with the Union and have representation on the Board.

The meeting was adjourned following considerable discussion concerning the photograph work to be done on the "Tomokan." Bids are to be let to various photographers for the job. Present at the meeting were: Professor Grover, Professor Harris, James Ottaway, Doris Long, Martha Davenport, Wallace Childs, Betty Childs, Robert Currie, George Hubber, Boyd Kynner, Robert Barber and Mr. Brown, Secretary.

## THE WORLD VIEWED AT ROLLINS

By RGI

(Continued from Page 1)

F. C. and, regardless of their political affiliations, observers most approve of the corporation insofar as it affects the welfare of the country in which it is established.

The giant liner REX, Italy's new gem of the ocean, has completed her maiden voyage from Genoa to New York and becomes the largest post-war liner to terminate a voyage in the Hudson River.

She eclipses even the new German liners BREMEN and EUROPA on many counts, and, although no claims are made for her speed, she will probably force the Teutonic flyers to the utmost if they maintain their supremacy of the Atlantic.

Misfortune attended the maiden trip of the REX. Off Gibraltar, as she prepared to enter the Atlantic, dynamo trouble developed, delaying the ship and all passengers there for nearly three days. No serious difficulty was encountered, and the blame for the mishap was laid to the too-trusty engineer the new queen had undergone.

"Little Italy" on our own shores accorded its nation's new masterpiece of shipbuilding a noisy welcome as she steamed up the Hudson, acknowledging her reception with constant blasts from her two great whistles; her achievement was by no means reduced by the unfortunate incidents attending her departure from her home port, and she reigns supreme among Italy's proud fleet.

There used to be a clause in the Alabama state constitution that forbade anything that "looks like, tastes like, or smells like beer." This apparently flimsy infringement on personal rights became too irksome for the present Legislature, and a repeal law for forgetting clause was passed and repassed over the Governor's veto.

Alabama was pillared, and now beer was ordered by truck and placed for delivery to supply the enormous demand which naturally arose as soon as the legality of the beverage was established.

Someone spoiled the celebration, however, by pointing out that the beer could not legally be sold until the proper license stamps had been affixed to the bottles of reserve, so such stamps are in existence for beer, and the bills providing for the necessary stickers are caught in a Senate jam.

Everybody is all mixed up, but reports have it that there is no scarcity of the welcome stuff, stamps or no stamps.

Mrs. Margaret S. Palmer, wife of Dr. Samuel C. Palmer, professor of botany and graduate manager of athletics at Sewanee College, was fainted recently when she fainted in her bath.

## Glee Club Holds Initial Meeting on Friday, October 7

Friday evening the Glee Club under Professor Harold C. Spauld held its first meeting of the year in Recreation Hall. Though the session was largely spent in settling a definite hour for succeeding meetings, time was found in which to sing a rollicking sailor's chantey.

The turnout was quite satisfactory and there were a number of new voices to replace those who left Rollins last spring. However, as usual the soprano and tenor sections are weak. It is always difficult in all but the largest schools to find a sufficiency of good material in these registers.

The next meeting will be held Thursday evening at 7:30, the place to be announced. At that time all those possessing voices, virtuosos or otherwise, are urged to come forward.

It will be of interest to old students to learn that Dr. Clarence Niss, popular conductor of last year's class, is meeting with excellent success in his new locale school in Orlando. Perhaps you have heard his programs over station WDBO.

## HISTORY OF FRATERNITIES

There are thirteen social fraternities and sororities at Rollins. The object of these organizations, as their name indicates, is the promotion of fraternal good will among the students of the College.

**KAPPA ALPHA**  
Kappa Alpha, founded at Washington and Lee University, Lexington, Virginia, December, 1865, has sixty-nine chapters. The Order was sponsored by Robert E. Lee.

Alpha Psi of Kappa Alpha at Rollins has twenty-one members, many holding offices and membership in campus organizations.

**KAPPA KAPPA GAMMA**  
Delta Epsilon of Kappa Kappa Gamma was installed January 8, 1932.

Kappa Kappa Gamma was founded in 1870 at Monmouth College, Monmouth, Ill. There are at present sixty-eight chapters and one hundred Alumnae Leagues. Over twenty thousand women wear the golden Key.

## RANDOM COMMENTS

By GORDON JONES

This time of year, when wrist watch bands have to be taken up a notch as cold weather sets in, is notable for lots of things. Just lots of things. For instance, roads, and the end of Daylight Saving Time.

Speaking of that, I can't blame any isolated city for not being wise to let it alone, but if Ohio should make its adoption a law, it wouldn't be so bad, since its benefit of an extra hour of daylight after working hours wouldn't be offset by the problem of tourists going insane as their change time in every other town.

It's no fun to eat breakfast at seven to get an early start for a trip, and then stop for lunch half finished at noon, only to discover that the time is 11 A. M. And in the next town the gray is cold because everyone has finished by DST, and you eat in disgust, cursing the fellow that was dumb, or ingenious, enough—you don't know which—to invent the crazy system. Massachusetts has the right idea, and every little hamlet is on the same time by state law, but just cross the line in any direction and you're on your own again.

What's a pose fellow to do when his memory plays him tricks? I'm thinking especially of telephone numbers—above all those in New York City, which consist of seven characters. Names never appealed to my memory anyhow, and when it's faced with a seven section combination thingumabob, it usually compromises by losing me a nickel when I dial the wrong thing. I can always say my finger slipped, though.

Misature golf is not dead! Long live its skeleton! Cape Cod offers three nice courses, well kept and with intelligent hazards, at a dime a game; there are a few scattered all over New England, a particularly nice one being at North Conway, N. H. That one would have more justice to the days when the owners of the pygmy outfits com-

ed to be trying to outdo Hollywood with the grandeur of their layouts, and, queerest of all, it was doing a rushing business in an off season with up-to-the-minute movie competition across the street.

You may not believe it, but there is a good course still struggling right here in Florida, too, but even if you're interested (forgive me!) you couldn't reach it in time. It's in Marianna, 75 miles beyond Tallahassee, or 300 round miles from the rear door of Carnegie. There are probably others around, maybe some closer, but I haven't seen them, and don't care if I don't.

Everyone has made the acquaintance of dope and the far-heralded curb service are new, I trust, and before long the barbeque will claim the last of their devotees, which process of acclimatization (I didn't know it either) was hinted at last week.

Why is a sub-tropical climate—well, Southern, anyway—are hot refreshments so much more popular than up north? Somebody got off on the wrong foot many, many years ago, evidently, and started the custom which sort of reverses the order of things.

In the home states of those of us who have immigrated at one time or another from the borders of the Arctic Circle, by which I mean Wisconsin to Maine, inclusive, (maps supplied on request accompanied by self-addressed stamped envelope)—we were such chilly things as ice cream and sundae.

I never saw such concentration on one form of refreshment as there is on the ice cream business between Providence and Boston and along the shore roads of Rhode Island and Massachusetts. Such lists of flavors and, consequently, lines of freezers as they do display at the roadside stands!

Oriental fruit, macaroon, butter-cream, coconut, fig, grape, grape (Continued from Page 3)

## SCHOLARSHIPS TO BE GIVEN AGAIN

Educational Institute Tells Of Plans

The Overseas Educational Institute, which bases its business on the demand for culture, education, and experience, is once again offering its regular "All Expense and Tuition Scholarships Abroad" to those enterprising students who combine a desire for study and travel with an intellectual ability capable of passing the special examinations and written tests required.

The scholarships offer study in almost every branch of work, including even Foreign Service and Consular Practice, in France, Germany, and Switzerland. The scholarship provides, full tuition in any department, two courses in a foreign university, all travel expenses, and complete room and board accommodations. This wonderful opportunity, while open to all, will be necessarily limited to those who are able to fulfill the requirements for the awards.

The applicants must have a satisfactory record in academic work and personal qualifications; must take special examinations including an informal paper setting forth desires for travel, and study abroad, touching briefly on life's plans; a paper of 1940 to 3300 words on the political and social world today or on the improvement of International Relations; an examination in American History or Civics, or an examination in French or German, with an original composition of 200 to 500 words, both in English and in the language chosen.

The judges will be duty impartial, and will show no geographical preference for the applicants. Applications must be in on January 1st for this year; for the following year on February 1st.

## Kappa Kappa Gamma Gives Rush Parties At Home and Beach

Kappa Kappa Gamma held two rush parties on Tuesday and Thursday evenings. Tuesday evening the Kappa House was transformed into "Wanderland" with Alice, the Mad Hatter, and the March Hare presiding at the tea table in the patio. About seventy guests were present.

Thursday "Wang Wei Pagoda" served thirty-five rushes a Chinese supper. The waitresses were dressed in real Chinese costumes. The house was decorated with cherry blossoms, Chinese lanterns and ornaments. After the supper an entertainment was given by Kay Hara, Katherine Deversux and Nancy Cookman.

Sunday, one hundred Rollins students were transported to the Pelican at Casanova Beach, guests of Kappa Kappa Gamma. Swimming and a buffet luncheon were enjoyed.

Thomas Ackle Clark, the first dean of men at the University of Illinois as well as in the United States, who became the most popular character on the Illinois campus in his 38 years there, is dead.

## Late News Flashes

(Continued from Page 1)

Melnden, China, Oct. 12.—(UP)—Unconfirmed reports received here today said that Mrs. C. T. Woodruff, wife of the British ambassador for the British-American Tobacco Company, had been shot and killed at Kitakung near Harbin and that her two children were kidnapped.

Harold (speaking to Dorothy), "You are a dear sweet girl, Anna."

Dorothy, "Anna!"  
Harold, "Don't interrupt, I said you are a dear, sweet girl—anna love you with all my heart."

"Gee, mom," said Bud at home during holidays, "but you're lucky." "How is that?" Mrs. Hewitt queried.  
"You won't have to buy me any book next term; they left me in the same class."

## REELECTION OF OFFICERS HELD

Members From Lower Division Are Added to Council

Re-election for an additional member from the lower division on the student council will be held Wednesday morning, Oct. 13, at 10 o'clock in the Annie Russell theatre.

Bill Miller, president of the Student Association, presided at the meeting held Oct. 5 to elect new officers for the student council. Although there are 177 freshmen in the lower division, the two members chosen were both sophomores. Opposition to these results caused the deans to appoint three freshmen representatives to meet the upper division members of student council, George Barber, Alice Butler, and Dixie Munger, and the lower division members, Charlotte Rathbone and Jack Higley, to submit proposals to amend Art. 5 in the student council by-laws.

The proposed amendments were voted on Saturday, Oct. 8, in Recreation hall. By a vote of 156 to 14, the new amendments were passed.

1. Nominations for the Student Council from the Lower Division shall be made by petition signed by at least ten Lower Division sponsors. A sponsor's name shall appear on one and only one petition.

2. Petitions shall be filed on or before the Thursday preceding the second Monday of the fall term.

3. The Lower Division shall elect three representatives from among their number, one of whom shall be a first year student and one of whom shall be a second year student.

4. The elections shall be made by the Hare system of Proportional representation.

Petitions for a third representative were handed to Bill Miller Mon., Oct. 10, at 7 P. M., and submitted to the deans for approval. A list of the new candidates for the lower division is posted in Carnegie hall.

The Jackson County, Florida, school board has threatened to oust any teacher who attends a dance of any kind.

## Chi Omegas Give Novel Party For Freshmen Rushees

Chi Omega has been entertaining the new girls on the campus. The first party was given Monday night at the chapter house which was converted into a studio. A radio program was broadcast during the evening with songs, skits and readings by the members of the chapter.

The party Wednesday night proved to be quite an exciting affair, not only for those attending, but for several others who either happened along or were called to the scene. The guests were invited to the Owl Night Club located at the Chi Omega house. During the evening a play was given by the Rollins Strolling Players, of which Miss Thelma Van Buskirk, president of the Chi Omega chapter, is a member. Soft drinks were served from a bar and games of chance were soon in progress.

The guests were about ready to depart when things began to happen. Virginia McCall, who was impersonating a well known night club character, was summoned to the door and there encountered an officer of the law. It appeared that the place was raided and the Black Maria was waiting at the door, but only to take the guests home instead of to jail.

Sunday found the members and guests ready for the beach after chapel exercises. After arriving at the beach a picnic lunch was served and everyone joined in a treasure hunt, beach games and a dip in the ocean. A ride on the beach in the moonlight and then home finished the activities of the day.

## Gamma Phi Betas Entertain Rushees

Gamma Phi Betas entertained over thirty rushees at a Casino party at the sorority house. Gambling games were played throughout the evening and dinner was served to the guests.

A Hill Billy party was enjoyed by a large group on Wednesday evening. The guests were called for in a cart drawn by a horse and carried to the house decorated after the country fashion. The floor was covered with straw and chickens roamed around the house. Refreshments appropriate for the occasion were served to the guests by the active members who were dressed in pirate clothes and farm costumes.

## Y Mixer Held Friday Night

The "Y" Mixer Saturday night in Recreation hall was a brilliant forerunner to the series of dances planned for this fall. Almost everyone turned out for it in full regalia. Bob Timmons's already famous side-piece orchestra provided the music for the evening. Bob, as you probably know, is sort of an alumnus of Rollins.

The hall was attractively decorated with palms,—thanks to John Codriva. The dancers indulged freely of mighty tasty grapefruit punch, which, praise Allah, held out until the last dance.

President Holt, Dean Anderson, Dean Bingham, and Dean Eysari, with other members of the faculty received the guests.

Florida furnishes raw supplies to the automotive industry in the form of cotton, lumber, turpentine and sugar cane.

## Dr. Newman Speaks At Service Sunday In Knowles Chapel

Dr. Evelyn Newman was the featured speaker at the second service of the school year, held Sunday in Knowles Memorial Chapel.

In her address Dr. Newman pointed out that because life is so tremendously complex, we should study twentieth century writers in our search for spiritual unity, and stated that love, accomplishment, forgiveness, and hope were the foremost characteristics of the American people, while contemplation was the best method of attaining complete unity of spirit.

In the absence of Dean C. A. Campbell the service was led by Dean A. D. Eysari. Announcement was also made of a memorial service for Dr. William Freeman Blackman, to be held Sunday afternoon, October 16, at four o'clock.

## Random Comments

(Continued from page 2)

... and French Delight (Oh) are found every twenty revolutions of a reaper wagon wheel, although I can't vouch absolutely for the accuracy of that measurement. There is nothing inside the stands but the yards and yards of fences, and the refrigerating motor, and—oh yes—the cash register.

Really at random: guess how few gags you hear on the stage when you ... gosh knows where the other 10% go ... but here are the two best of the vaudeville season as observed in a rough dozen theatres ... and DON'T say a dozen rough, either ... one's old—"My dog had fleas, but I got rid of them" ... which is to other puns as Rollins is to other colleges ... (If you don't misunderstand) ... the other, Mrs. Coolidge's theme song—"My Silent Love" ...

## PHI GIVES RUSH PARTIES

### Fraternity Entertains Girls During Week

Pi Beta Phi entertained its rush with a Fashion Show on Tuesday evening, October 4 at the fraternity house on Osceola Avenue. The clothes were furnished by Strom-Tee Co. of Orlando and are modeled by seven of the girls. Last afternoon and evening three were modeled by Nancy Blair, Gwen Bartholomew, Jeanne, Martha Davernport, Eleanor, Katrina Knowlton, and Eddy Coleman. Food tea with hot straw and sandwiches were served after the show.

On Thursday evening, October 6, studio party was given by the fraternity. Some portraits by Carl Johnson were displayed together with casts by Ruth Hayward. A cup of still life and paintings Florida landscapes were commented upon favorably. The guests consisted of a reading, "The Road to Yukon Lake," read by Eddy Davernport and two papers by Eddy Eatos and Katrina Knowlton.

Refreshments were served in the study which is located in the garage, which was converted into a parlor for the evening. Alice Swan original drawings for the wall completed the atmosphere of a room.

Sunday evening the Pi Phi were steeled to eighty guests at a buffet supper. Dr. Holt, Dean and Mrs. Anderson and Dean Eatos and Dean Bingham attended. Mrs. Davernport and Mrs. Marion Eatos received at the door and at supper there was dancing until 10 o'clock.

### Diary Of A Columnist

There, Oct. 8th—First column for your appears. My life is not threatened. I resolve to try harder.

Friday, Oct. 10th—Next Wednesday's column starts to worry me. The weather is unusual (according to the natives), and I don't feel quite like working.

Saturday, Oct. 11th—I realize that I am behind schedule, but work still has no appeal. I decide to gather material about the girl's gowns at the "Y" mixer. I go to the mixer; there isn't enough material in the gowns. However, one freshman girl commented audibly on the blue and gold sign over the front door of Carnegie Hall which says "Rollins College." Working under the law of similarity, I suggest a sign in their famous yard stating, "This is Harvard." This all seems quite superfluous, doesn't it?

Sunday, Oct. 12th—It is warm and sunny today much to the relief of the various society rushing chairmen (chairwomen?). Since 84% of the student body is attending beach parties, the chapel services and Dr. Newman's address is chiefly enjoyed by adults.

Inspiration is at such a low ebb that I rely on "my silent partner" who tells me about the blonde Kappa beauty who has learned a new meaning of vengeance. A certain young man took vengeance from the immortal hands in which it is supposed to rest. The gentleman in question composed a 30-

Biology 364 f will meet Friday afternoon for an illustrated lecture on Bird Life of Florida. The speaker will be Jack Canney, instructor of Ornithology. Visitors will be welcome.

## GUESTS OF PHI MU ENTERTAINED

### Halloween and Beach Parties Given For Rushees

The Phi Mu sorority at Rollins College has entertained a large number of guests during the past few days. Last Wednesday, this group gave an advanced Halloween party, which was attended by twenty-five guests, including Mr. and Mrs. Jean Jacques Pfeiffer, Mrs. J. Roney and Mrs. Al Rothwell, sponsors of the Phi Mu chapter at this college. The interior of the house was decorated in orange and black, with ghosts and skulls. Entertainment included cyclone section bridge and other games. There were some skits by Louise Wooden, Marion Morrow, and Mary Adelaide Faris. Refreshments were served carrying out the Halloween idea, including pumpkin pie, salad and candied apples.

On Sunday, the girls of the sorority entertained 75 guests at the Bartlett cottage at Daytona Beach. The dinner and supper were served by the Alumni, who sponsored the day's outing. In the evening dancing and bridge provided the entertainment.

Dr. A. Lawrence Lowell, president of Harvard University, was in court recently, charged with driving on the wrong side of the street.

## Kappa Alpha Theta Gives Two Parties for New Students

Members of the Theta colony and alumnae entertained at the chapter house, 719 French Avenue, last Friday night with a casino party. Roulette, bingos and vingt-et-un were played, and prizes were awarded at the end of the evening to the three highest winners.

The living room was decorated with cut flowers and the colors of Kappa Alpha Theta, black and gold.

Alumnae who assisted in entertaining were Mrs. Edgar F. Hilt, Mrs. Robert Piers, Mrs. A. Johnston, and Miss Marie Louise Stierrett of Orlando; Miss Edna Wendell of Gotha; Miss Isabelle Dardley of Daytona Beach; Miss Mary Catherine Carter, Alice Hamming, Josephine Hoffman, Mary Margaret Johnson, Emma Gertrude Johnson and Mariha Peters of Miami.

## Dr. Holt Announces Student Marriage

At a tea given at his home Monday afternoon, Dr. Hamilton Holt announced the marriage of Alice Lamb and Charles Hair which took place in August. Alice is a member of Pi Beta Phi.

Dr. Holt asked all the Pi Phi to answer his questions and tell whom each thought was married. When no one was able to decide, he asked Charles to come in and "pick out the girl he married."

Refreshments were then served. Mrs. Ralph Lounsbury and Mrs. Edwin L. Clarke presided while Mrs. Larry Lynch and Mrs. Richard Hayward assisted in serving.

## Club For Roosevelt Holds First Meeting

A small but interested group attended the first meeting of the Roosevelt for President Club in Knowles hall Thursday night. The purpose of the club is to interest the student body more actively in politics. Professor Weinberg gave a brief sketch of Franklin Delano Roosevelt's life. He urged all those who can vote to register by October 22nd.

Dr. H. A. Day, campaign manager for the Democratic party in Orange county, stressed the importance of the college in politics and gave his reasons for being a Democrat. Other speeches were made by Mr. Claude Wolf, president of the Roosevelt for President Club of Orlando and Mr. William Oliver Anderson, a representative from the League of Young Democrats.

Miriam Barnhill, Theodore Kew, and Frank Wetherall comprise the membership committee. There are no dues. Tuesday night at the next meeting auto stickers, buttons and literature will be given to all interested. Officers will be elected at that time.

## Lounsbury Speaks To Republican Club

Prof. Ralph Lounsbury was the speaker at the first meeting of the Republican Club of Rollins last Tuesday evening in his room in Lyman hall. The purpose of the club is to arouse interest in National politics among the college students.

It was decided that a poll of the college would be taken by the Sandspur at an early date to help determine the political sentiment of the students and faculty.

## RUSHEES GIVEN NOVEL PARTY

### Entertainments of Alpha Phi Held at Hotel and House

Tuesday night, October 4, Alpha Phi entertained at a Hotel Party in honor of its rushees. The guests were ushered over from Cloverleaf by a very realistic bell-boy, and after registering were taken upstairs to their rooms where the maid service was found to be excellent. Later on, in the lobby, the actives entertained with skits and the guests were served refreshments of punch, fruit salad and sandwiches.

Thursday night the rushees were met at the door by a clown who showered them with confetti and led them to the hot-dog stand where they were served pop-corn, hot-dogs and coffee. The evening was spent playing novel gambling games and later on the guests were entertained by tight-rope walking and a short one-act play.

Sunday afternoon Alpha Phi entertained a group of rushees and their dates on the Seminole, an old Show Boat on the St. John's River. There was bridge and dancing on the deck and later in the evening they anchored for supper prepared by Boone, the Rollins Hall waiter. The ride back by moonlight was the climax of the evening.

Mrs. Sprague, Mrs. Cass and Mr. Wunsch were the chaperones of the party.

Miss Jeanne Simmons, who was a guest at the Alpha Phi house for several days, left on Saturday for Tampa. She is expected to return during the next two or three days.

### THE FORT DEARBORN MASSACRE

"Nature in the Raw"—as portrayed by the artist, N. C. Wyeth . . . adapted by the heartless treachery of a band of vicious Miami Indians, who massacred the settlers with inhuman ferocity . . . August 15, 1812.

## —and raw tobaccos have no place in cigarettes

They are *not* present in Luckies . . . the *mildest* cigarette you ever smoked

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so

these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

**"It's toasted"**  
That package of mild Luckies

"If a man were a better look, punch a better sense, or make a better man-trap than his neighbor, the he build his house in the woods, the world will make a better part to his door."—LAWRENCE WATSON ADAMS. Does not this explain the world-wide acceptance and approval of Lucky Strike?

# FRESHMEN SHOW UP WELL IN SCRIMMAGE WITH VARSITY

## New Men Impress As Tars Complete Hard Week of Practice

### WILL BOLSTER CENTER OF LINE WHICH IS MAIN WEAKNESS

Team Already Pointing For Opening Game With Alabama State Teachers Scheduled For Next Week

After two weeks of arduous practice, the Rollins Varsity is swiftly shaping itself into a co-ordinated football team. Competent observers, including Dean A. D. Engart and assistant treasurer, Fred Ward, have said that although lacking the individual stars of other years, the team as a whole shows great potential strength. They predict a very successful season.

Several new candidates for the squad have reported since practice began. The squad now numbers twenty-three men. The new arrivals are George Rogers of Dover, N. H., Floyd Shor of Orlando, Charles Beaver of Lakeland, T. C. Parker and Ed Rollins. George Rogers, the brother of Will Rogers, was a valuable player on the frosh team of two years ago. He is expected to make a first-rate linebacker.

Signal practice and drilling on fundamentals has taken up the greater part of the time. The first scrimmage last Thursday between the Varsity and the Frosh squads lasted only twenty minutes. Hints of latent power in the line were shown by the way in which the Varsity linebackers opened up tremendous holes in the opposing frosh line. Coaches Jack McDowell and Bob Evans expect soon to iron out the rough spots which were apparent. A full length scrimmage on Saturday against the frosh team gave them the opportunity to accurately note the weaknesses and to correct them.

The center position has been the most vexing problem of the Rollins coaches. "Flop" Morris, an old last year, has been drafted to fill the post. George Rogers is also being seriously considered as a possibility.

Ed Granger, a veteran, will play offensive guard and defensive tackle, as will George Rogers, if he is not employed as a center. T. J. Morris, another experienced Rollins player, will this year be used as a utility lineman. He plays any position from end to center with equal facility. Three ends are competing for regular berths. They are Danny Connel, outstanding member of last year's squad, Ralph Tourtellotte, a reserve last year, and Bud Childs of the 1931 frosh team. Jack Southard, Fred Shere, Jack Fischer, Ed Rollins, Linden Malone, Floyd Shor and Sealover are fighting for the remaining vacancies in the line.

The backfield consists almost entirely of well-seasoned material. It is certain to flash a versatile defensive attack against the Alabama State Teachers College at Anniston, Ala., on October 22. The regular backs are Ray Miller and Phil Herten, quarterback, and Will Rogers, Shorty Fisher, Johnny Doyle and Dick Washington, halfbacks. Substitute backs are Tommy Evans, frosh quarterback in 1931, and T. C. Parker, another sophomore. Ray Miller will probably punt for the team, as he has been a more consistent kicker than any other man on the squad.

Injuries and illnesses have already decimated the squad. Johnny Doyle of Cleveland, Ohio, who transferred from Brandeis College last spring, wrecked his knee during the scrimmage last Thursday, and will not participate in practice for three or four days. Dick Statuek acquired a severe case of hay fever and is also out. Because he had been one of the most promising candidates for the line, he will be missed a great deal.

Some coaches are going to get all her back free at Marshall College this year, because the Howe Nursing department needs some girl to be practiced on by student nurses who must learn to give patients baths while they are in bed.

Browder College authorities have announced that they have found discrepancies in the accounts of John C. Thalhimer, missing treasurer of the college.

### MOST FAVORITES SURVIVE PLAY OF SATURDAY

Yale and Northwestern Supply Upsets; Most Choices Come Through With Victories

Few upsets marked Saturday's play as the 1932 season continued. In the East the outstanding game was the Yale-Chicago battle. Coach Alonzo Stag brought his team back to tie his Alma Mater 7-7. This is the second straight deadlock for the Elis. Chicago came near winning when Ze returned a punt 35 yards to cross the goal line but an official asserted that he had stepped out of bounds on the 33 yard stripe.

Harvard won from New Hampshire 40-0; Swarthmore lost to Penn. the score being 31-0; Pitt defeated Duquesne 32-0.

The big game of the Midwest was the Michigan-Northwestern game, in which Michigan showed that she is going to make a strong bid for the Big Ten championship this year. The Michigan forwards stopped "Pug" Bentner cold when their goal line was in danger.

Purdue's 7-0 victory over Minnesota indicates that it is going to have a strong team again this year. On the West Coast—St. Mary's, the giant Miller, tied California 12-12; Southern California was from Oregon State 10-0; Stanford defeated Santa Clara 14-0; Washington and Oregon played a 0-0 tie.

The big scoring games of the week were the Notre Dame-Haskell Indiana game and the Murray College-Louisville game. Coach Hank Anderson used three teams to try to stop the scoring, but one of his fourth string backs made 2 touchdowns—the score was 73-0. Murray College defeated Louisville in a track meet affair. The final whistle was the only thing that kept the score from being more than 100-0.

Southern football, except in two instances, ran true to form in Saturday's games. Those two instances being Wake Forest's 6-4 win over the Gamecocks of the University of South Carolina and Kentucky's 12-4 victory over Georgia Tech.

Coach Billy Laval's Gamecocks entered the game as favorites but overcame the odds and won by a 6-0 score. A bullet-like pass from its 42-yard line proved the margin of victory for the Demon Deacons. The Kentucky Wildcats took advantage of two timely breaks to defeat Georgia Tech. The first came when Kentucky received possession of the ball on Tech's 12-yard line following a poor Tech punt which went out of bounds. The second came when a short pass from the 18-yard line bounced from the chest of one receiver into the arms of another. Tech's line tally came after a 63-yard march down the field.

Tulane proved that she is going to have another powerful team this year with a 34-25 victory over Georgia. The game was featured by brilliant passing attack by both teams, and Georgia's last period rally.

Florida, using three sophomores backs most of the game, administered a 19-0 defeat to Sewanee. Florida's victory was more decisive than Kentucky's and South Carolina's victories over little Sewanee. The star act of the game was the 100-yard run by the sophomore back, McAnly, who raced from back of his own goal line to score for the Gators.

In other games in the South, Auburn defeated the Wade coached Duke Blue Devils 16-7; Tennessee won from the University of North Carolina 20-7; N. C. State beat Clemson 12-0; and V. P. I. defeated Maryland 25-0.

Alabama journeyed to Washington to play George Washington. They came back with a 28-6 victory. "Hurry" Cain was the star of the game, making all four of the Tide's touchdowns.

### Veteran Reserves . . .

ED GRANGER, WASHINGTON, D. C. FISHER

### SPORT MIXTURES

Yanks Defeat Cubs While In Slump; Seventeen New Records In 1932 World Series; Walter Johnson Retired; An All-Southern Back

The World Series is over for another year. The Yankees smothered the Cubs in four straight games. It will not console the Chicago followers to realize that their favorites were downed by New York while the New Yorkers were in the throes of a slump, but such is really the case. For just as surely as they won, the Yankees did not maintain the same high character of play that marked their American League pennant contest. It is no flattering commentary on the Cubs. The Yankees were despite a ragged 346 performance in the field, despite the uncertainty of the rookie, Crossett, at shortstop, who thought ground balls were akin to Gandhi's "unbreakables" and the Yankee digout was first base, despite the unsteadiness of the veteran, Joe Sewell, at third, and Ruth's own ragged play in right field in the first two games, and despite not a stolen base. But the Yankees beat the Cubs by the sheer power of their batting might. They made only eight more base hits and scored eighteen more runs in the four games. They made eight errors in the Cubs six, but were able to avert disaster at all times. They drew twenty-three bases on balls to eleven for the Cubs, and converted eleven of these walks into runs, while Chicago were able to drive home only one of their mates who walked.

#### 1932 WORLD SERIES SETS SEVENTEEN NEW RECORDS

The 1932 World Series was featured by seventeen outstanding records. Altogether in the four games, fifteen records were broken and two others equaled.

1. Most consecutive victories, total series, 12 by the Yankees.
2. Most home runs, two clubs, one game, six in third game.
3. Most home runs, one inning, one club, two in succession, third game, by Ruth and Gehrig, equalling former mark.
4. Most home runs, total series, 15 by Ruth.
5. Most total bases, total series, 94 by Ruth.
6. Most long hits, total series, 22 by Ruth.
7. Most extra bases, total series, long hits, 54 by Ruth.
8. Most bases on balls, total series, 35 by Ruth.
9. Most strikeouts, total series, 39 by Ruth.
10. Most strikeouts, one game, 5 by George Pipgras, of Yankees, third game.
11. Largest score, one game, both clubs, 19 runs, fourth game.
12. Most series played, 16 by Ruth.
13. Most runs, total series, 37 by Ruth.
14. Most runs batted in, total series, 33 by Ruth.
15. Most runs batted in, one game, 4 by Ruth, third game, and 4 by Lammert, fourth game, equalling record formerly held by Ruth and five others.
16. Most times played on championship club, 7 by Ruth.
17. Most times batted over 360, total series, 6 by Ruth.

#### WALTER JOHNSON RETIRED

Clark Griffith has announced the release of Walter Johnson as the manager of the Washington baseball team. Johnson, in his time, was perhaps the greatest pitcher the game has ever seen, but as a manager he has not been such a success, and he has been ousted. It is a well known fact that Clark Griffith is looking around for a man that has more pep and drive than Johnson possessed. The Washington Post had this to say: "Walter Johnson holds the affection of the public to an exceptional degree. His long and brilliant career has been marked by clean sportsmanship and clean living, a generous attitude toward others, and a genial disposition. Tens of thousands of boys have grown into manhood with Walter Johnson as their team ideal among athletes. He has had a wholesome example upon American youth far beyond the range of his travels. His admirers wish him continued success wherever he may be." And I second that motion.

#### AN ALL SOUTHERN BACK

A gangling kid just out of high school presented himself to the Florida coach. He had been named all-state halfback and he wanted to come to Florida to go to school. The coach took one look at him. He was all arms and legs. He looked as much like a football player as the Prince of Wales. "Sorry, son, we can't use you." The boy never forgot it; neither did Florida. He went up to North Carolina State, and at the end of his junior year he was selected as an All-Southern halfback. Florida and North Carolina State had not met in football during this time. Finally, in his last year, as the captain of N. C. State, this same boy led his team into Gainesville for the game he wanted to win more than any he had ever played before. The reason was obvious. Florida was confident. "He was overrated, we'll stop him," they said. But they didn't. He threw a thirty-yard pass that scored one touchdown and he intercepted a pass and ran eighty-five yards for another score. Every time that Florida got in a scoring position it was his kicking that took N. C. State out of danger. Finally, just at the end of the game, the strong Florida team pushed across a touchdown, but to no avail. The final score was N. C. State 14, Florida 6. He had showed them—his name? Yes, you've guessed it a long time ago—Jack McDowell.

### COACH EVANS SEES FORTUNATE YEAR AFTER FIRST DRILL

Varsity Backs Came Cross Line Only Three Times In Full Length Scrimmage Held Saturday

On Monday of last week, practice was called for the freshmen football team. Twenty-one new Rollins students reported to Coach Evans.

As yet, little is known of the ability or experience of the new recruits. Although a few have had prep school or high school experience, the majority have played nothing but scrub teams. Coach Evans now has the task of judging enough football knowledge to enable the team to win the strong Sanford High team on Saturday. The Sanford High team is the outfit which held last year's frosh to a 12 to 12 tie, scoring touchdowns in the last minute of play to even the score.

During the last week the age has been employed as tackling a blocking dummy for the varsity. On Thursday, the squad scrimmaged the varsity for twenty minutes. They were pushed about considerably by the older linemen; and Jack Tar backs made long runs through and around them, two touchdowns. However, when the ball in the last five minutes they succeeded in pushing over touchdowns for themselves. The Varsity players were quite disgruntled.

A tentative backfield consists of Whitlaw, Peper, Carmody, Merri. Several others are also trying for places as half backs.

Prospective linemen include, Baker, King, Hines, Whalen, George Elliott, Raynor, Chalmers, Wess Owen, Fausett, Newton, Zeall, Warrhoun and Brown.

"You like that old pipe, don't you!"

"YES, I LIKE to smoke Granger. I have tried all kinds of tobacco; but, frankly, I have never found any other that is as good as Granger."

"I think I know something about tobacco, and I should say that Granger is the one tobacco that is made just right for pipes."

GRANGER IS AMERICA'S PIPE TOBACCO
