The presence of the Faculty and Graduates in academic costume, the beautiful music and the uplifting address combine to make the occasion noteworthy.

Open Air Shakespearean Play.

The Green Room Players will continue the delightful custom of giving a Shakespearean play in "The Forest of Arden" during Commencement Week. Students and friends of the University will recall with much pleasure the eight out-door plays staged in past years, and especially last year's production of "The Tempest," which was pronounced a most artistic presentation. And this year the local chapter of the honorary National Dramatic Fraternity, Theta Alpha Phi, is making extensive preparations for an excellent portrayal of the great tragedy "Othello, the Moor." In addition to their present stage equipment a new set of draperies and two special lights have been purchased to give the play the proper setting and atmosphere. Mr. Stover, the director, has found much histrionic talent at the University this year and ten plays have been presented to appreciative audiences. Othello will be the last play of the year and a cast of unusual merit has been chosen. After presenting the many successful Shakespearean comedies the Players are eager to show their ability to interpret the tragedy of "Othello."

Tuesday, May 26th, 10:00 A. M.—Auditorium
School of Expression Recital.

At the beginning of this school year the Expression Department was organized in conjunction with the already highly successful Dramatic and Public Speaking Department. During the Fall and Winter Term the Expression Class, under the direction of Miss Grace C. Watson, gave Public Recitals in a most artistic manner. These programs consisted of miscellaneous Readings, Dramatic Sketches and short plays. A varied and interesting program of Readings has been arranged for the last morning of Commencement Week by the School of Expression.

Tuesday, May 26th, 8:00 P. M.—Auditorium
Commencement Exercises, all Departments.

These exercises will mark the culmination of Commencement Week. A large number of diplomas will be presented, which will include the conferring of many degrees. To the graduates this will mean the realization of the dreams and labor of years and will be in truth the commencement of the active work of life. Come and share their pleasure!
