Friend

Burlington 29th of June 1792

It is not to request, tho' if possible to put
by a friend into your order of the 25th of June
kind of to permit what we have begun
in the audit of acct. I pretend for Philip's office
in a few days & would gladly bear from
the first in order to our agreement I should
be very glad that you could see days to
go with when I was in Chester County
things are much forgotten in my mind
my new hat said to you through the
Injunction of an order in case of new
to cross orders I had not the motive & energy
to shed to end our my society & which
I shall number enough of many friendly
offices I have used from the best in
unchangeable to be had by the friend
